Funeral Services For S. M. Wilson Held Tuesday

Funeral services for Samuel M. Wilson, 84, retired farmer who was a former resident of Cisco, were to be held at 2 p. m. Tuesday at Thomas Funeral Chapel. Rev. Jack Tucker of Abilene was to conduct the services.

Mr. Wilson died at 3:30 a. m. Monday at the home of his son, Grady Wilson, who lives near Roscoe. Mr. Wilson was born in Montgomery, Alabama on March 16, 1865. He came to Texas in 1900, living first in Ellis County, then moving to Cisco where he lived until he moved to Roscoe four months ago.

His wife, to whom he was married for 65 years, died on December 18, 1948. They were married in Delta, Alabama.

Survivors include six sons and one daughter. The sons are W. F. of Dallas, O. W. of Fort Worth, Grady of Roscoe, C. H. of Kermit, J. E. of Lubbock and L. V. of Bisbee, Arizona. The daughter is Mrs. Charles Davis of Baltimore, Maryland.

Also surviving are 12 grand children and three great grand children. Burial was to be in Oakwood cemetery with Thomas Funeral Home in charge of arrangements. Pallbearers were J. W. Crowder, C. C. Cooper, Jim Taylor, W. L. Nix, Walter Burkman and Tom Whitt.

MIDGETS TO PLAY

The Cisco Junior High School Midgets will play the Eastland Junior High School Dogies at Chesley Field tonight beginning at 7:30 p. m. It will be the second meeting of the two teams this season. In the first encounter Eastland defeated the Midgets and Coach Bill Sledge will be shooting for revenge.

Mrs. H. N. Lyle attended the sixty-fifth anniversary party of the Shakespeare Club in Abilene Monday as the guest of Mrs. A. C. Pratt Sr. The affair was held at the Wooten hotel.

NOT QUITE HIS EQUAL—Milo Barus, a 225-pound weightlifter, is about to force his 800-pound opponent to its knees in Rastatt, a French zone city in Germany. The bloodless bull fight also provides daily entertainment for a crowd of interested spectators.

Light Frost Visits Area Monday Night

The first frost of the current season was reported in the area Monday morning when the mercury dropped to 35 degrees. Little or no damage was expected since the ground was wet from rains which preceded the cold front which blew in early Sunday.

The cold air dropped the temperature from a high of 65 at 9 a. m. Sunday to the new low. The front was accompanied by high winds and a heavy mist. The mercury was expected to rise Tuesday and a high of 75

degrees was predicted. Another cold front was building up in the Canada-Alaska region but was not expected to reach here for several days. Meanwhile, peanut growers were again at work in the fields harvesting what was expected to be a record crop for the county. Over a million bushels are expected to be marketed by the Eastland County farmers before the end of the season. They were selling for about \$3 per bushel, the government support price.

West Texas Chamber of Commerce Expects Large Crowd at Convention

ABILENE, Oct. 30 (Sp.)—Largest attendance since pre-war general conventions was predicted by officers of the West Texas Chamber of Commerce as the organization busily made ready for its annual business assembly and water development banquet set for Tuesday, Nov. 22, at Fort Worth. Attending the latter, in addition to the WTCC's directors and distinguished guests, will be delegations from local chambers of commerce, mayors, city councilmen, water improvement association officials, and others from an estimated 140 West Texas towns.

With the gathering still three weeks away, the WTCC headquarters office has had word from directors and chamber managers in many towns that they are already organizing their attendance. Memphis, Ranger, and Haskell were first in with orders for banquet tickets, totaling 28, and assurances of delegations numbering from 5 to 15 have been received from Pampa, Dalhart, Big Spring, San Angelo, Colorado City, Roscoe, Roby, Ballinger, Sweetwater, Stephenville, Cisco, Eastland, Stamford, Rochester, Abilene, WTCC's headquarters city, and Odessa, home town of President John D. Mitchell.

QUEENS VS. OLDEN

The Lobo Queens will play two games with the girls' basketball team from Olden at the Community Gym tonight, beginning at 7 p. m. It will be the first meeting of the two teams this year. The mothers of the local girls on the squad will have charge of the concessions.

Local Horse Wins In Coleman Show

Sinney, three year old Palomino stallion owned by C. A. Ditmore of Cisco, was judged the champion quarter horse stallion of the Coleman horse show Thursday. Palominos dominated the show, taking three of the four major championships.

The Cisco horse was also named reserve champion Palomino of the show. He was sired by Royal King and is out of a Joe Bailey mare. Sinney has won 21 first place awards and has been named grand champion of nine shows.

The show was climaxed on Thursday night with a showing of the daytime winners and a full scale rodeo. It was sponsored by the horse show division of the Coleman Rodeo Association.

FIREMEN ANSWER CALL

Local firemen answered a call at 6:30 p. m. Monday to extinguish a blaze which originated in the garage at the home of Mr. and Mrs. Jay Garrett at 408 West 7th. The fire was confined to the garage and caused little damage to the interior of the house. A short in the electrical wiring was believed to be the cause of the blaze. Damage was estimated at between \$200 and \$300.

DRILLING BEGINS

West Bros. and associates of Putnam have spudded in on the M. Hanks No. 1 in Coleman Co. The well will test the area to 600 feet.

Merchants Begin "Appreciation Day" Program Here This Week

Some fifty merchants of Cisco this week inaugurated a 52-week "Appreciation Day" trade program designed to express their gratitude for the support and business they receive from residents of the Cisco area. The group named E. G. Damron, owner of the Domran Tire and Supply Co., as chairman of their steering committee. Details of the program will be handled under the direction of Manager B. A. Butler of the Chamber of Commerce. "We merchants realize that we depend upon the business of the customers for our livelihood," Mr. Damron said. "And that's not all. It is just as true that the customer — every citizen of this area — depends on the continued success of these firms which are seeking to serve the needs of this area. "National surveys very clearly show that the average dollar spent in the home community changes hands 16 times before it leaves the community. So every time you spend a dollar with one of us you are setting in motion \$16 worth of local buying power. Local buying means more local prosperity for everyone." Damron pointed out that the Appreciation Day program was designed to boost Cisco — "your town and we want you to think

of this as your town." Cooperating in the program are: Nick Miller, Ferguson's Home Supply Co., Drumwright's Cisco Lumber & Supply, Mode O'Day, Philpott Florist, Huffmeyer Service Station, White's Builders Materials Co., A. R. Westfall Service Station, Damron Tire & Supply, Nance Motor Co., Altman's Style Shop, Thornton's Feed Mill, Western Auto Associate Store, Gilliam's Variety Store, Glenn's Furniture Co., McCauley Tire & Supply, Mott's, A-G Motor Co., Collins Hardware, Cisco Gas Corp., W. R. Huestis Service, Moore Drug, Shockley Grocery.

Start Of Youth Dairy Program Is Near; 14 Heifers Assured

Four Generations Of Dunlap Family Gather Sunday

Four generations of the Jay G. Dunlap family gathered in the home of Mr. and Mrs. Jay G. Dunlap, 909 West Ninth, Sunday for a reunion.

Children of Mr. and Mrs. Dunlap were there were Mr. and Mrs. Lee Hall of Roby and Mr. and Mrs. Jack Dunlap of Sweetwater.

Grandchildren present were David Hall, Chelly, Beverly and Sammy Dunlap of Sweetwater; Frances Hall, Mr. and Mrs. James Sargent of Abilene.

Their great grandson, Larry Sargent son of Mr. and Mrs. James Sargent, Abilene, represented the fourth generation of the family.

A friend of the family, Miss Nadine Rainwater of Lubock, accompanied the group to Cisco and spent the day in the Dunlap home.

East Cisco Baptists To Show Sound Films

Three moving pictures: "The Door To Heaven," "Near The Cross" and "The Man Who Forgot God," will be shown at the East Cisco Baptist Church Tuesday at 7:30 p. m. It was announced by Paul Stephens local minister. The pictures will have sound effects.

J. G. Miller will have charge of the showing of the film and everyone was invited to attend. No admission charge will be asked.

City Ridding Lake Of Undesirable Fish By Use Of Special Chemical

City officials announced Tuesday that an effort was being made to kill all fish in the south fork of Lake Cisco in an effort to rid the lake of undesirable fish that are sapping the lake of its supply of game fish.

The plan has the approval of the State Game, Fish and Oyster Commission. The body has long advocated the destruction of types fish that have over run Lake Cisco.

Ray Judia, lake custodian, has charge of the program and issued the following questions and answers for the information of the public:

Q. What will it do for water for home consumption?

A. The Bureau of Public Health in Austin informs that the toxicity of Rotenone (which is being used) is 25 per cent DDT to the 100 gallons. A small amount of Rotenone in the millions of gallons of water in our reservoir and one mile from the lake would have no ill effect on the water whatsoever.

Q. Will it kill all fish in the lake?

A. No, it will only kill what is in the treated area. Rotenone is not soluble and will be completely dissipated within 18 to 36 hours.

In explanation of this act it can be said that a check test was run and that it was found that 85 per cent of the fish in the lake are rough fish (shad, carp etc.) This 85 per cent has to eat, of course, and thereby depletes the food supply for the edible fish. This is an effort to take some of the load off the take and give the better fish more to eat.

Since food is the controlling factor in the growth of fish it is felt that this work is necessary to improve the fishing in Lake Cisco. After the job is complete it is planned to restock the lake with the type of fish that can keep down the shad and carp population. This will make the fishing better and give the small ones a chance to be big ones when you catch them.

HOMER PIETERERTJE BOSCH LAD 835403

LEADING SIRES USED IN COUNTY ARTIFICIAL INSEMINATION PROGRAM

Homer Pieterertje Bosch Lad 835403 is only one of the great bulls being used in Eastland County for artificial breeding service, according to Harry Crow, Carbon, breeding technician for Eastland County Dairy Association.

Bulls of this caliber are made

Church of Christ Young People Will Meet In Abilene

The College Church of Christ will be host to the third annual meeting of young people of West Texas churches of Christ at Se-well Auditorium, Abilene Christian College, Tuesday evening, November 8, officers of the church announced yesterday.

More than 600 attended their meeting last spring. Guests will begin registering at the auditorium at 4:00 p. m. Dinner will be served by women of the College Church at 5:30 p. m. and the program will begin at 7:00.

available to each dairyman or dairy cow owner in the county at the very reasonable fee of \$6.00 Crow said.

H-3 as the bull is known in the artificial breeding world, is owned by the North Texas Artificial Breeding Farms near Dallas. He is an exceptionally high proven bull. In fact it is said that he is one of the highest proven bulls of the Holstein breed in the United States today. Five daughters ave. 15128 pound of milk, 525 pounds of fat. Five dams ave. 10059 pounds milk, 349 pounds fat, an increase of 5069 pounds milk, 166 pounds fat. The average cow in the state averages only 134 lbs. of fat per year. From the above figures it can be readily seen that H-3 has the ability to increase the production of his daughters over their mothers by more than the average cow in Texas produces.

This Holstein bull already has over 1,000 artificial daughters over the North Texas area, all approximately 2,000,000 cows were artificially bred over the nation in 1948. This is proof that artificial breeding of dairy animals is here to stay, Crow said.

Jersey, Holstein and Guernsey bulls are available for breeding any dairy cow in the county. All are high quality bulls and cows may be bred to a bull of the above breeds.

For breeding your cow to one of these great bulls contact Harry Crow at Phone No. 133F at Carbon or see the County Agent for further information. A. Z. Myrick, Cisco is president of Eastland County Dairy Association, sponsors the breeding program.

P-TA Carnival Is Huge Success

The P-TA Carnival held Saturday night at the West Ward School was a huge success, according to Mrs. Bill Kendall, president. It was a success both financially and in affording an evening of entertainment to both young and old.

Visitors spent \$311.55, which went to the treasury of the PTA to aid in paying off the indebtedness of the school lunch room.

The halls and rooms of the building were filled with merry makers all evening and all rooms reported good crowds.

Mrs. Kendall thanked every one who aided in making the carnival a success and stated that without the help of the room mothers, teachers and the students themselves the association could not have made a success of the affair.

Rev. Oran Stephens and wife will go to Ft. Worth this week for an Area meeting of Methodist district superintendents on the 2, 3, and 4th of November. Bishop W. C. Martin will entertain with a banquet in the dining room of First Methodist church honoring the district superintendents and their wives at the close of the meeting.

Texas has 973 miles of coast line on the Gulf.

Bank Checks Are Best Receipts
A Real Aid In Budget Keeping
1ST NAT'L in Cisco—Mbr. F. D. I. C.

The Eastland County Youth Dairy program was one step nearer realization Tuesday as agriculture teachers in all the schools in the county were accepting applications from club boys for one of the registered dairy heifers to be given away to begin the project.

The date for the actual awarding of the animals has been tentatively set for December 3 at which time a ceremony will be arranged. The program will be held in Eastland with the actual location and time to be announced later.

At the present time the association has \$2,800 in the treasury, which will finance the purchase of 14 pure bred heifers. More was expected before the program gets underway on December 3. The money was raised through contributions of business men and civic organizations over the county. Eastland leads in contributions with eight firms purchasing a calf each. Cisco was second with four and Rising Star was third with three. Neither Ranger nor Gorman had come into the program as yet.

A committee headed by County Agent J. M. Cooper plans to leave Friday for Tyler where they will visit the Frank Tooke farm to inspect a herd with the prospect of purchasing the animals to begin the program. Mr. Tooke has sold more than 100 dairy animals to 4-H Clubs in the state. The committee is composed of Cooper, M. D. Fox and George I. Lane of Eastland, Gail Jones of Cisco and H. E. Geyer of Rising Star.

Another group of Eastland County business men and civic leaders will go to Commerce, Friday, to attend the annual economic conference. The program is similar to the one to be launched here. The program has been in operation in that county for a number of years and has gained nationwide recognition. Those attending will be A. Z. Myrick and B. A. Butler of Cisco, Ed Steel, Travis Wheat and Theo Lamb of Eastland.

Lone Star Names District Auditor

Appointment of Jack Fatheree to the newly created position of accountant for Lone Star Gas Company's Abilene division of distribution has been announced by Joe C. Darrow, division superintendent. Mr. Fatheree will have headquarters in Abilene and direct the accounting procedure for the company here and in more than ninety other cities and towns comprising the division. Mr. Darrow said. Such procedure heretofore has been handled out of the general headquarters in Dallas.

Born at Overt, Mississippi, Mr. Fatheree was graduated from high school at Ellisville, Mississippi, and attended the Jones County Junior College at Ellisville. He was employed by Lone Star in 1929 as constructor time-keeper and was appointed home service engineer in May, 1930. In 1932 he was assigned to the auditing department in Dallas and served until September, 1942, when he entered the Army Air Force as a second lieutenant.

He was promoted to major in June, 1945, and given the assignment of chief statistical control officer, Headquarters Troop Carrier Command. He returned to Lone Star in May, 1946, as traveling auditor. He is a member of the Methodist Church, the Masonic Lodge and American Legion. His hobbies are hunting and fishing.

The world's largest gas field lies under five counties in the Texas Panhandle.

48 lb. HEAVIER CALVES TO SELL...than on cake

The big difference was proved by Purina in a ranch feeding test. 50 cows winter-fed on Purina Range Breeder Checkers weaned 48-lb. heavier calves than 50 cows fed on cake. Both groups were fed exactly the same amount. The 48 lbs. difference in weight per calf meant about \$9.60 extra income per head.

Here's why Purina Checkers do the job — correct protein percent (not too high) ... more carbohydrates ... more calcium and other minerals ... more vitamin A. See us now for your winter feeding needs.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Home Missions Week Observed By Local Methodist Women

In observance of the Week of Prayer for Home Missions, members of First Methodist Women's Society of Christian Services met Tuesday afternoon at the church for an inspirational program. Theme of the meeting was "The Work That I Do, Shall Ye Do Also." Mrs. C. A. Shockley was leader of the program which opened with group singing of "Oh Young and Fearless Prophet" which was followed by sentence prayers. Mrs. Fred Hayes was next presented in a vocal

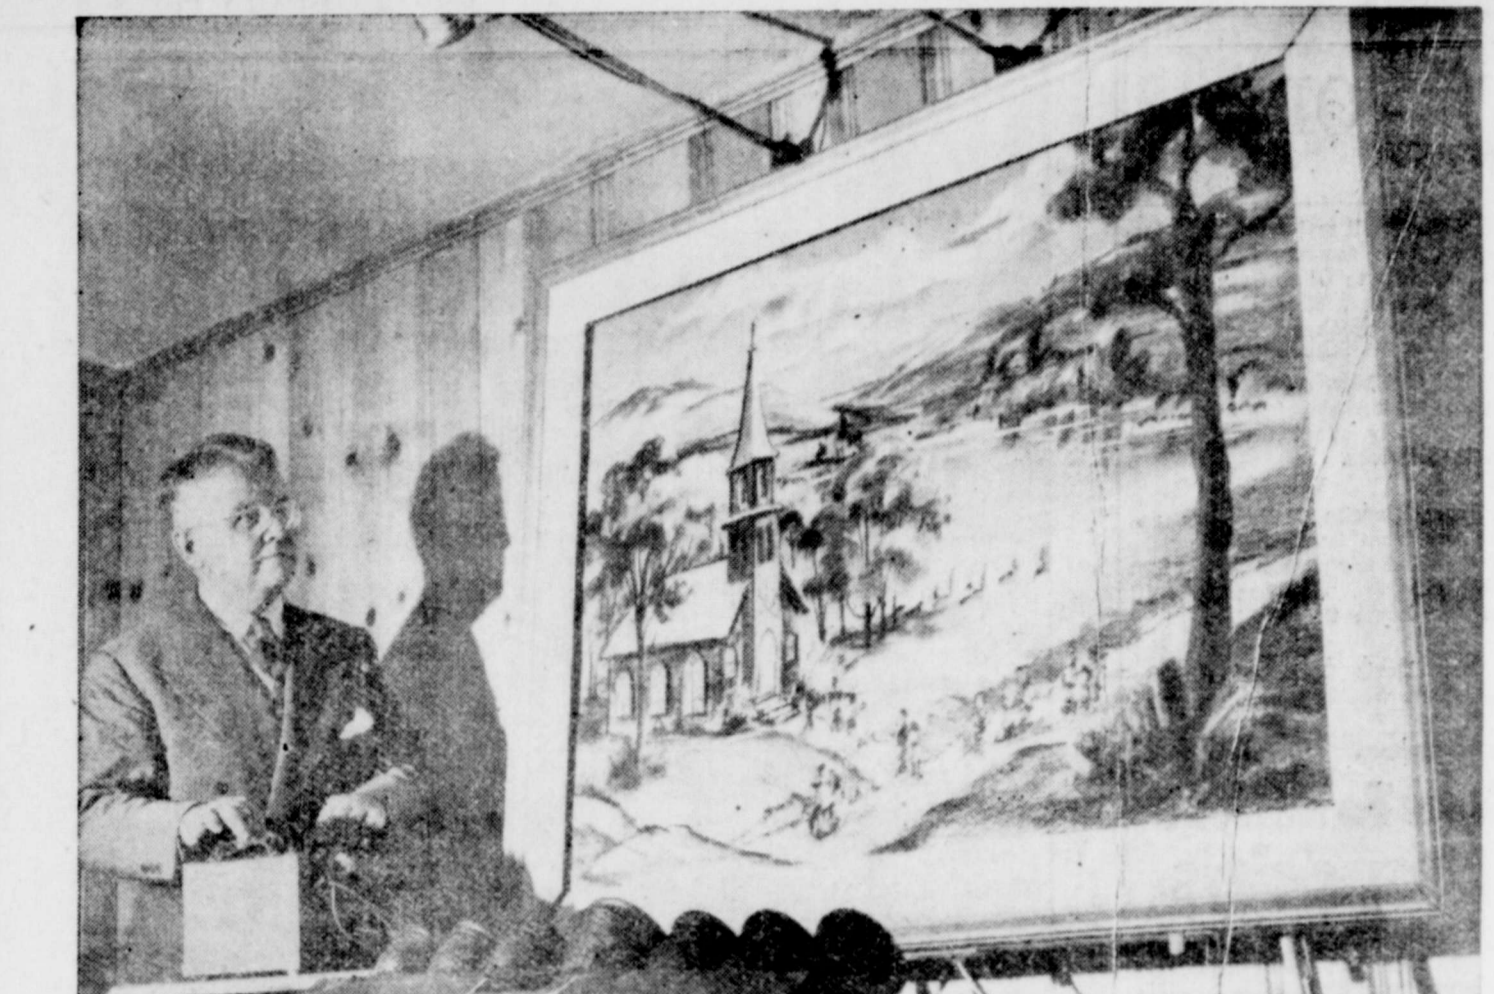

solo, "Evening Prayer." Mrs. O. W. Hampton read the selected scriptures from the eleventh chapter of the Book of Matthew. Talks were made concerning Methodist Home Mission work by the following: Mrs. Ed Aycock told of the Maynard-Columbus hospital at Nome, Alaska; Mrs. Sterling Drumright spoke on the Wesley House building at Knoxville, Tennessee; Mrs. J. P. McCannies discussed Hiroshima College in Japan; Mrs. J. T. Fields told of a social center in Korea; and Mrs. R. W. Daniel spoke of the needed dormitory and the

need of social workers in the Philippine Islands. A song by the group, "We Give Thee But Thine Own," was followed by sentence prayers which closed the meeting.

Merry Wives Club Meets In Home Of Mrs. Baugh Friday

Members of the Merry Wives club and two guests assembled Friday afternoon, October 28, for the regular meeting in the home of Mrs. C. R. Baugh. The reception rooms were made most attractive with decoration of full blown roses and chrysanthemums. After the usual number of games had been played, the hostess served a lovely salad plate with wafers and individual pumpkin pies topped with whipped cream and a cup of hot tea or coffee to the two guests, Mrs. S. H. Nance and Mrs. G. W. Troxel, and the following members: Mrs. C. H. Fee, Mrs. Joe Wilson, Mrs. J. E. Spencer, Mrs. W. H. LaRoue, Mrs. C. Owen and Mrs. W. W. Moore.

Mr. and Mrs. Charles Cofer returned Thursday night from a ten days stay at Tyler where they were guests of relatives.

HYMNS IN COLOR—N. R. Swartwout is shown at the controls of the ingenious lighting system he developed to illustrate hymns during church chalk talks, in Evanston, Ill. By using fluorescent chalk and black light, he makes two pictures on the same board, fading one scene out as another fades in.

Mr. and Mrs. J. P. McCannies, Mr. and Mrs. Shelby McCannies, Mrs. A. A. Harrell and rs. Mary Abbott will go to Sweetwater today to attend the wedding of Miss Charlene Smith, grand daughter of Mr. and Mrs. J. P. McCannies, to Mr. Harlan Bird-

well of Snyder. The ceremony will be read at St. Stephen's Episcopal Church at 5 p. m. Mrs. Ed Smith of Douglas, Arizona, is a guest of her parents, Mr. and Mrs. J. P. McCannies.

HE'S GOT A SNOOTFULL—Buster, a Boston terrier, got inquisitive about a porcupine in Mesa, Ariz., with disastrous results. Paul Denning, veterinarian assistant, removed the quills one by one but it was a long and painful procedure that will cause Buster to think twice before trying to make friends with another porky.

A WEIGHT FOR WITCHES—American tourist Marion Meade is trying out the ancient witch scale in Oudewater, Holland. Preserved by town officials for 400 years, the measuring instrument was used on people suspected of witchcraft. If their weight was less than normal, they were considered light enough to fly on a broomstick and, thus convicted, they were then tortured to death.

WINTER PIN-UPS IN PARIS—A winter pin-up contest gets under way with the winner of the title, Evelyne Peyrot, center, getting together with her two attendants, Nora Daura, left, and Simone Manceau, in the French capital. It will take a great deal of—well, talent to find successors to these title holders. (Acme Photo by David S. Boyer, Staff Correspondent.)

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION

for Coughs, Chest Colds, Bronchitis

WALKING ADVERTISEMENTS—These grinning two-legged radio tubes provide something new in the advertising business in Berlin, Germany. They were used by a store to attract customers, but they seem to frighten the two youngsters who are running to mother.

her daughter, Jeanette Clark, and her mother, Mrs. C. S. Surles and family.

Miss Helen Hay of Dallas was a weekend visitor in Cisco with her parents, Mr. and Mrs. W. C. Clements.

Cadet John McCanlies of Perrin Field, near Sherman, spent the weekend here with his parents, Mr. and Mrs. Shelby McCanlies. He was accompanied by Cadet Alejo Laga of Havana, Cuba, who is also receiving training at Perrin Field. The two young men were raised to the ranks of Sergeant cadets in a ceremony at Perrin Field last Saturday.

Mr. and Mrs. Lois Jordan of Abilene visited friends in Cisco Friday. He is 17th district

Commander of American Legion and Mrs. Jordan is the auxiliary president of district 17.

Mrs. Rex Carrothers and daughter, Ann Carrothers, returned

Thursday afternoon from a trip to Salt Lake City, where they have been visiting her sister and husband, Mr. and Mrs. E. M. Taylor the past few weeks. They made stops on the return trip

at Albuquerque where they visited with relatives and back to at Lubock where they visited their son and brother, Bob Carrothers, a student at Texas Tech.

Today Your Pharmacist Drops A Few Facts About . . .

SULFA

World War II, with all its horror and death, became a testing ground that proved the value of some of the new drugs. Army, Navy and Air Forces surgeons practically eliminated Meningitis by the use of Sulfa pills. The drug also reduced the incidence of acute Tonsillitis, Lobar Pneumonia & colds from 50% to 90%.
