

mack's
tracks
—by dave

New cars have been getting into the headlines all over the nation and the modern "nancake look" of the new cars has been widely discussed.

The changes have been cussed and discussed by almost everyone so we thought we'd put our two cents worth in this week.

We see where certain parking lots in one of our neighboring towns up north—St. Louis, Mo.—have banned the parking of '59 Cadillacs because they have too much of almost everything chrome, protruding parking lights, too wide, too long and thereby making the parking lot owners declare them too fragile to work with.

As to other models, the parking lot men haven't listed any others on their blacklist.

Gimmie Gillentine over at Hereford says in The Hereford Brand that "the cars are lower and more compact, and this is a serious mistake on the part of the manufacturers."

He qualifies his statement by pointing out that "Americans are getting wider and fatter. It just doesn't add up," Jimmie says. "Another model change or two and something will have to give."

Ben Ezell in The Canadian Record predicts the following—

"We confidently expect that within the next few years, the American people are going to evolve into crab-like creatures who can walk about only in a squatting position, with knees brushing chin and head mounted well down between the shoulder blades. Such a creature would fit nicely into the auto of the future."

With all these comments we feel afraid that if we were able to purchase one of the new models and then had to pull into a gasoline station to fuel the poor attendant might get "shook up" and pour syrup down our backs and butter the windshield.

Newspaper folks are not the only ones to make typographical errors. Last week in the church bulletin at the Friona Methodist Church we noticed the following announcement—

"Tuesday—Prayer Meeting of the WSCS will be held in the Sunshine Room."

Hugh really took a ribbing about that.

Football season is hitting its high stride now and this weekend the "upsets of the favored few" was the rule rather than the exception.

If you happen to notice the conspicuous absence of two Frionans this week it will be due to their deep mourning caused by a game played down in Dallas last Saturday.

Both Newman Jerrell Jr. and Fred Dean hit the hospital shortly after 4:30 p.m. for some sort of nervous collapse it has been rumored. We predict they will be up and around later in the week when most folks have forgotten that Texas beat Oklahoma and will be looking forward to this weekend's engagements.

Black orchids to Fred and Newman in this time of sorrow.

After riding high for a couple of weeks it was almost too much for a certain Texas Tech Ex last week.

He had given this scribe a "hard way to go" for two weeks and when Tech fell among the defeated he was laid up in bed for four days. His secretary says he had the flu, but Friday afternoon he again began complaining of a relapse—could it be Eric that you saw the writing on the wall Saturday when Tech met TCU?

Last weekend a mixup left Ralph Roden, of BiWize fame, with a somewhat maroon complexion.

Seems that Ralph had made arrangements to borrow a pickup from Sloan Osborn Sunday to make a trip to Memphis for a load of goods and materials.

This was all well and good. Sloan said he would tell a couple of his hands to get

FIRST DISTRICT BATTLE LOOMS

Chiefs Face Tulia Friday

Friona's Chiefs will face their first District 2-AA tilt Friday night at 8 when they will play the Tulia Hornets at Tulia.

Although having dropped games to Abernathy and Lockney, the Hornets are serious contenders for the district title.

An idea of their strength can be seen by comparing scores of their game with Abernathy, which the Hornets lost by a margin of only two points, 16-14.

Abernathy is one of the top three AA teams in the Plains and no slouch at the game of football as many fans will concede. Abernathy dropped Dimmitt 12-6, boasting the only two TD's to cross the Dimmitt goal line this year and Dimmitt in turn walloped Muleshoe 18-0.

So, there it is, by comparing these contests it is seen that the Chiefs will be playing a top team Friday night and will be hard pressed to bring home a scalp.

The Chiefs, however, are undefeated in season play, but were tied Friday night by a strong Muleshoe eleven.

This is the first year the Chiefs have competed in AA bracket and thus far, with the exception of Muleshoe, all their games have been with Class A and B teams.

"The Hornets have a nice well-balanced team and will run from the single wing and double wing offense which is again something new for us," Coach Colie Huffman says.

"They have a heavy team which will outweigh us about 20 pounds on the average," he pointed out.

Standouts on the Hornet team include Buzzy Poage, halfback, who is one of the top runners and scorers on the South Plains.

In the line, Coach Hap Rogers' Hornets have Dave Vickers, 295-pound tackle, "who is just as good as he is big," says Huffman.

Probable starters for the

Hornets will come from this list of boys: Poage, back; Jerry Vandergriff, back; Byron Lewis, back; Billy Dick, back; and Duke Jennings, back. Ray Bery and Timmy Childress centers; Jay Vars and Tommy Barnett, guards (also mentioned as standouts on both offensive and defensive teams), Vance Bauer and Vickers, tackles; and Jim Upton and Joe Dalluge, ends.

Probable starters for the Chiefs will be Jim Clements, J. W. Baxter, Gary Bradley, and Kenneth Carter in the backfield; Connie Ray, Gary Goetz, Gary McLaughlin, Monroe Young, Owen Houston, Jim Greeson and Jon Mack Roden in the line.

As it is only 60 miles to Tulia a large number of Friona rooters are expected to be on hand for the contest.

Cub Scouts Need Help!

Friona is running over with youngsters between the second and fifth grades (ages 8-11) and seems that like many boys they want to become Cub Scouts.

This is all well and good, but the Cub Scout folks need help for there are more boys than those to help out with the program.

At least half a dozen Den Mothers are urgently needed and before it is over there will be room for more mothers to help out.

Interested persons are asked to get in touch with Truitt Johnson, cubmaster; Leo Reed, assistant cubmaster; or any of the present den mothers: Den 1, Mrs. Gene Ellis; Den 2, Mrs. Joe Mann; Den 3, Mrs. Bill Numm or Mrs. Ben Woody; Den 4, Mrs. Allen Stewart; Den 6, Mrs. O. J. Beene.

County Workers Boost CROP Drive

County Workers Boost CROP Drive

"We are offering a chance for Parmer County residents to help feed and clothe the destitute in other countries by donating grain to the fall CROP (Christian Rural Overseas Program) Campaign," announces Raymond Euler, county chairman.

"In addition to helping those destitute millions who never know what it means to have a full stomach our farmers should be reminded that the government reduces our stockpiles of surplus commodities each year by their gifts to CROP."

CROP is a community appeal of Church World Service, a division of the United Nations, for food and fiber to be used in relief programs around the world, Euler points out.

Food and fiber collected is distributed overseas through the Church World Service. The World Council of Churches' Division of Inter-Church Aid and Service to Refugees coordinates distribution in consultation with missionaries and other relief agencies.

Local chairmen within the county, in addition to Euler, include Wilbur Charles, Bovina; Herb Potts, Farwell;

Chiefs, Mules Battle To Tie

Friona's battling Chiefs stood toe to toe with the redoubtable Muleshoe Mules and fought to a tie in a non-district battle at Chieftain Stadium in Friona Friday night.

This was the Chiefs' last non-district tilt before engaging in the contest for the district 1-AA title. The next game will be with the Tulia Hornets there Friday night.

Friona's Chiefs went into the game with a record of

Rev. Hugh Blaylock, Friona and Black; T. I. Bursleson, Hub; Joe Jesko, Lazbuddie; and Don and Troy Christian, Oklahoma Lane.

Organizational officials say they hope that each farmer in the county will contribute to this year's campaign.

Hi Plains Has Birthday

Hi-Plains Savings and Loan Association has recently celebrated its first anniversary, according to an announcement by their local agent, Eric Rushing.

Within the space of one year Hi-Plains has made it possible for 27 loans on homes to be made within the city of Friona totaling an investment of \$132,499.59.

In addition to the 27 home loans already made, approved and homes constructed, seven more loans have been okayed only recently at a total of \$53,000 and aren't included in the above total.

G. B. (Pete) Buske and Sloan Osborn of Friona are officers on the board of directors of the association. An estimated 20 stockholders and 50 accounts are held by citizens of the Friona area in the company.

five wins and no losses but this was the first time they had played another AA team this year.

The Mules dropped one game, last week, to Dimmitt by a score of 18-0.

Friday night's game was marked by vicious tackling and blocking and was described by numerous fans as the best high school game they had seen in several years.

Friona kicked off and the

Maize Harvest Hits Full Swing as Sun Peeps Out

WAITING IN LINE TO DUMP MAIZE--This aerial view of trucks waiting in line on the dike by the Friona Wheat Growers elevator was typical of scenes around all the elevators in Parmer County last week. Above, nearly 60 trucks are waiting in line to cross the scales and dump their loads of maize. Hidden behind the huge elevator another 45 trucks were waiting their turn to weigh out and return to the fields and more tons of the ripened maize.

Harvest Half Over

With sunshine being at a premium up to last weekend the harvesting of maize had only "creeped along" until a week of pretty weather and low moisture came this way.

As the fields dried out, moisture content in the grain dropped and hundreds of combines and trucks hit the harvest trail.

Friona and the surrounding countryside was filled with dust and in every direction combines could be seen walking their way across the heavily-laden fields of maize.

Traffic in downtown Friona began to pick up about the middle of the week and Thursday trucks began having to wait in long lines for their turn at the scales and dumping pits at the two elevators in Friona--the Friona Wheat Growers, Inc. and Continental Grain Company.

Elevator managers began their cry for railroad cars as their elevators bulged with ripened grain.

Out in front on statistics and capacity, Friona Wheat Growers Elevator with its 3,170,000 bushels of space was quickly filled and Saturday afternoon announced they were forced to turn down trucks as they had no space left.

Across the tracks, Continental Grain Co. filled their storage space and began leveling ground north of their elevator and building pens to put the grain on the ground.

Up at Black the story was the same. The biggest day for Black Grain Company and Tri-County Elevator happened to be last Thursday, according to reports from Paul Fortenberry at Black Grain and Bill Buchanan at Tri-County.

"We had two dumps going strong, but were forced to put some of our grain outside in order to keep up with the trucks," says Fortenberry. "We haven't reached our capacity yet," Buchanan says of Tri-County, "but we are now working in our new flat storage building east of the elevator."

Both Buchanan and Fortenberry estimated the harvest is about one-third over in their area.

They say there is still a lot of green maize in their part of the county and also put a lot of the "lateness" upon the severe hail storm which blasted through that area back in the spring.

Friona Wheat Growers broke all their existing records for handling grain during the past week, according to Arthur M. Drake.

"Previously we had handled 789 trucks in one day, that was two years ago," he says. "Thursday, October 9, Wheat Growers pushed 790 trucks across their scales, dumping enough grain to fill a train 122 boxcars long," Drake says.

THE FRIONA STAR

Section I Friona, Texas Sixteen Pages

FRIONA'S CHIEFTAIN MARCHING BAND--For the second time in a row the members of Friona High School Band won first place honors at Eastern New Mexico University's Homecoming Parade in Portales last Saturday. Above, the band is seen while practicing at Chieftain Stadium.

FHS Chieftain Band Wins Top Honors

Members of the Chieftain Marching Band were mighty proud Saturday when it was announced for the second year in a row they had won top honors in their division in the annual Eastern New Mexico University's Homecoming parade in Portales.

Competing with 16 bands from Texas and New Mexico, the Chieftains came out on top in the Class B competition.

The three top bands in Class B in order included Friona, Olton and Jal, N. M.

Other top bands in other divisions included: Class A (over 300 in high school) Clovis, Hobbs and Portales.

In the junior high competition winners were Olton, Gattis of Clovis, and Lovington Junior High.

An estimated crowd of 15,000 spectators lined the streets of Portales to watch

the parade. During the football game between ENMU and Omaha the Frionans participated in a mass band spectacle at the halftime ceremonies.

Homecoming Called 'Success' at FHS

Friona High School's homecoming was termed a "big success" last Friday after a big turnout for the afternoon's activities and the Chiefs battling the famed Muleshoe Mules to a 0-0 tie Friday night.

Jacquelyn Magness was named Homecoming Football Queen in ceremonies held Friday afternoon in the school auditorium with her attendants named as Nancy Outland, Mary Jane Grubbs, La-

von Fleming, and Luann Hardesty.

During halftime ceremonies Friday night, Miss Magness was presented with a bouquet of red roses by Raye Jene Jones, last year's Homecoming Football Queen.

Members of the junior class were proud to learn also at halftime that their float in the afternoon's parade was chosen the top entry and they were presented a check for \$10 for their efforts.

Open House Slated For New Autos

This week will be New Auto Week at the Reeve Chevrolet Company and Friona Motors when both firms will present to the public their '59 autos.

Reeve Chevrolet has set aside Thursday and Friday for their presentation of the 1959 Chevrolets and Friona Motors will show the new Fords at an open house Friday.

Coffee and doughnuts will be served both days at Reeve Chevrolet and refreshments and door prizes will be presented at Friona Motors.

Both companies say their new models will be completely different in styles and looks, and everyone is urged to attend the open house of your choice to inspect the new Chevys and Fords.

P. M. Housers Hurt in Wreck

Mr. and Mrs. P. M. Houser were in "fair" condition in the Deaf Smith County Hospital Tuesday following a two-car crash Sunday afternoon about midway between Black and Summerfield.

Mr. and Mrs. Houser are parents of Orville and Cotton Houser who own and manage Houser's Grocery and Market in Friona.

The elderly couple had been visiting in Friona Sunday and were returning to their home in Hereford when the accident occurred.

The accident happened in a blinding rainstorm which lashed the Black area Sunday. Houser's auto was headed east on Highway 60 and was in a head-on crash with an auto occupied by Thomas T. Shaw, 17, of Flooring community,

La., his brother, Arthur G. Shaw, 27, and Mrs. Arthur Shaw, both of Roswell, N. M. The Shaw auto was headed west on 60 according to Kenneth Maxwell, highway patrolman who investigated the accident.

Ambulances from Hereford and Friona answered the call for help and the injured were taken to Hereford. Houser, 74, suffered a fractured left wrist, fractured knee cap and a broken collar bone. Mrs. Houser suffered six fractured ribs, broken arm and severe facial lacerations. Both are somewhat improved, said doctors Monday afternoon.

The Shaws were treated and released from the hospital. Both cars were total losses.

TRACKS--

the vehicle in shape and it would be left in the alley behind Roden's house so they could get off early Sunday morning.

Ralph and his son, Jon Mack, got up, looked out and sure enough, there was a pickup parked in the alley.

Without further ado, the pair got in the truck, set sail and were on their way to Memphis.

A few minutes later, across the alley, Ed Boggess walked out of his house and couldn't find his pickup--hm-m-m-m--the plot thickened.

Well, anyhow, to make it short, Ralph and Jon Mack made their trip all right and the next day discovered their mistake--much to their embarrassment.

At any rate, Roden says it was a mistake.

If you happened to be in Friona Monday afternoon and noticed a red and black flag flying over the shoe shop, there was no need for alarm. John Nazworth says it wasn't a storm warning or small boat warning, but rather an announcement of sorts.

John is the Scoutmaster in Friona and this was his way of telling all the boys handbooks were on hand in his

store and ready for distribution.

We were happy to find this out for some folks thought perhaps the Reds had landed.

CHIEFS--

Mules moved the ball from their own 30 to the 42 before the Chiefs tightened and forced them to punt. The Chiefs took over on their own 47 following the punt.

Nine plays later the Chiefs had moved the ball to the Mules 20 where the "hosses" held and took over on downs. Friona held tight and the Mules were forced to punt out.

Taking over on their 44 the Chiefs moved quickly downfield and five plays later had a first and 10 on the Mules' 11-yard line. The Mules held firm and took over on their own 10 after an incomplete pass on fourth down.

Mules dominated play in the second quarter by holding possession of the ball for 24 consecutive plays, racking up five first downs and moving the ball from their own 10 to the Chiefs' 15-yard line, but with all this possession were still unable to punch their way across the double stripe.

Several Friona linemen, including Gary Dean McLaugh-

lin, Jon Mack Roden, Jim Greeson and Monroe Young, made spectacular plays to keep the Mules hampered during this crucial period.

The half ended without a score.

Following the kickoff, Chiefs took over on their own 39 and with the spectacular keeper plays by Jim Clements, moved quickly to the midfield stripe only to lose the ball on a fumble.

Muleshoe took over at midfield but was held and penalized back to their own 40 where they were forced to punt.

Taking over on what turned out to be the longest time they

held the ball in the second half, the Chiefs kept the ball for 16 plays, but due to penalties could only move the pigskin from their own 17 to the 40 where they punted.

Muleshoe took the ball on their own 12, following a penalty on the punt return, going into the final stanza of the game.

The Mules punted out after three tries to punch out of their own territory failed.

Friona fumbled the ball on the punt and the Mules seemed to take fire.

Chalking up three first downs in a row the Mules fought their way down to Friona's 37 only to be held with-

out gain two downs and the ball went over.

The Chiefs couldn't gain and punted and as the game ticked into the final minutes the Mules took to the air in a desperate effort to break the deadlock.

Ronnie Castleberry, sticky-fingered defensive halfback for the Chiefs, gathered in a Mule aerial on his own 44 and looked for an instant as if he might go all the way, but was forced out of bounds on the Mules' 45.

After two incompleting passes, the gun went off signaling the end of the game.

WAITING IN LINE--Bringing back memories of the proverbial "chow line" while in service, truck drivers get to visit a while as they wait their turn in line. This picture was taken from top of the Wheat Growers elevator in Friona.

HARVEST--

Since the first load was dumped at Wheat Growers, August 29, a total of 5,305 trucks have been weighed across the scales, Drake says. Of this total 3,317 trucks were handled in the four days from October 7 through October 11.

"We filled our elevator Saturday afternoon," Drake says, "but will still handle a few trucks along as we receive box cars and can move grain out to our terminal elevators."

Drake says the elevator has on back order a total of over 700 boxcars but only receives a few each day.

"The day we took in enough grain to fill 122 cars we only received 3 boxcars," Drake laughed.

Over at Continental Grain Co., Preach Cranfill, manager, says their biggest day

was Saturday. Records were not available for a complete rundown on how much grain was brought in that particular day, but "we filled our elevators and began putting it on the ground," Preach says.

Again boxcars is a problem with Continental. "We order them, but cannot get enough delivered to keep ahead of the demand," he says.

Out at Hub, the Hub Grain and Elevator Company, under the managership of Weldon Stringer, the newest addition to the elevator "family" in this part of the county, has been doing a good business.

"We began taking grain before our flat storage building was finished," Stringer says. "We piled it on the ground, then when we got a chance we moved the dry maize inside and left the wet

THIRD GRADERS "HOOP" IT UP--Hulaing their way in the annual Homecoming Parade, members of Mrs. Jewel Woodward's third grade class are pictured having a hooping good time.

SECOND GRADERS "PULL" FOR A CHIEFTAIN VICTORY--Mrs. Bessie Watson's second grade jauntily go down the street during the Homecoming Parade Friday afternoon.

maize outside."

According to estimates at Hub, the harvest is about 90 per cent over in that area of the county.

The Hub Grain's storage capacity is 646,000 bushels and Stringer says they have received 420,000 bushels to date.

CARD OF THANKS

We wish to express our sincere appreciation to our friends and neighbors for every kind deed and expression of sympathy at the death of our loved one, May God's richest blessings be with each of you.

VACATIONING AT RUIDOSO

Mr. and Mrs. S. P. Holden of Vinton, La., and Mr. and Mrs. A. W. Anthony Sr. of Friona left Monday morning for Ruidoso where they plan to spend a week. The Holdens have been visiting Mr. and Mrs. Anthony and other relatives here about a week.

Mrs. Holden and Mrs. Anthony are sisters. The group plans to tour several places of interest in New Mexico before returning to Friona.

Mrs. Bert Chitwood and Mrs. Pearl Kinsley visited in the B. A. Warren home in Levelland Wednesday of last week. The Warrens are long time friends of the Chitwoods. Mr. Warren recently had a limb amputated and is making satisfactory progress.

Frionan Assists With UT Play

The University of Texas drama department will present "Ethan Frame," by Owen and Donald Davis October 22-25 at 8 p.m. in Hogg Auditorium. "Ethan Frame," which is the department's first major production of the season, is directed by James Moll.

Bob D'Wayne Davis is one of the crew. Davis, who attended Friona High School, is a graduate of Canyon High School, and attended Tarleton State College, Texas Tech, and Amarillo Junior College before enrolling at the University of Texas this fall.

He is married to the former Kay Clements of Goldwaite and the couple has two children, Cindy and Chet. His parents are Mr. and Mrs. Buster Davis of Friona. Since his graduation from high school, Davis has spent four years in the Air Force.

END OF A HOT JOB--Taking a "break" after loading nearly 600 fine looking steers aboard a Santa Fe train last Thursday afternoon, Shirley Smith, foreman of Owen Seamond's Rafter S Ranch gets an overdue drought of water. The cattle were trucked into town and held in pens awaiting arrival of the train.

Mrs. Velma Scott and Gilbert Wolfe of Elk City, Okla., visited in the homes of Mr. and Mrs. A. O. Drake, Mr. and Mrs. Arthur Drake and daughters, and Mr. and Mrs. Earl Drake and sons last week. Mrs. Scott and Wolfe are Mrs. A. O. Drake's cousins.

THE BULWARK OF A COMMUNITY IS ITS CHURCHES

**A THOUGHT FOR THE WEEK
Eternal Life**

"And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father which gave them me is greater than all; and no man is able to pluck out my Father's hand, I and my Father are one." John 10:28-30.

Eternal life is the greatest blessing that heaven or earth can give to man. It is a blessing greater than can be given by parents, or friends, or saints, or angels, and the greatest that God the Father has to offer. Only God can give eternal life. It must come by grace through faith in the Lord Jesus Christ. Note why it is eternal life.

1. IT IS BROUGHT BY AN ETERNAL PERSON

"I give unto them eternal life." These are the words of the Lord Jesus Christ. He is eternal. He was with the Father when the world was made. "In the beginning was the word, and the word was with God, and the word was God. The same in the beginning with God. All things were made by him; and without him was not anything made that was made." John 1:1-3. "God who at sundry times and in divers manners spake in time past unto the fathers by the prophets, hath in these last days spoken unto us by his son, whom he hath appointed heir of all things, by whom also he made the worlds." Hebrews 1:1-2. Christ, the giver of eternal life, is eternal, for we read, "Jesus Christ the same yesterday and today, and forever." Hebrews 13:8. Only an eternal person can give everlasting life.

2. IT IS BASED ON ETERNAL PASSION

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." John 3:16. "But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us." Romans 5:8. The cross of Jesus is evidence of the eternal love of God the Father and of Christ the savior for sinful men. Why should God love us so? How could his love be so great and eternal? Only such passion could provide eternal life for the soul of man. Eternal passion provides eternal life.

3. IT IS BEQUEATHED BY ETERNAL PROMISES

Over and over again we read the precious promises of God to give eternal life to the person who will believe on Christ. "They shall never perish." "Verily, verily, I say unto you, he that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life." John 5:24. "And this is the will of him that sent me, that every one which seeth the son, and believeth on him, may have everlasting life; and I will raise him up at the last day." John 6:40.

God said it and I believe it. Trust in the Lord Jesus and be saved for time and eternity. With a hand and heart of faith reach for Jesus and eternal life.

Gory Guerrero vs Iron Jaw Donovan
2 out of 3 falls or 1 hour time limit

GIRL'S MATCH

Penny Banner vs Kay Noble

2 out of 3 falls or 1 hour time limit

Preliminary Match

Ripper Leone vs Ali Bey

1 fall or 20 minutes

HELP WANTED?

Mrs. Housewife... if you wind up washday feeling "all washed out" yourself, we recommend hiring domestic help. For as little as \$2.64 a year for a family of four, you can enjoy the services of a handsome helper who will take over the tiresome task of drying your clothes... one who will work quickly, quietly and efficiently... carry out your orders to the letter... and be at your disposal day or night, rain or shine. For references, contact us... then visit your gas appliance dealer and have him install a glamorous new GAS clothes dryer in your home.

the minimum low yield of 9 acre feet would prevail only short periods of time. cited figures showing the differences in in-flow during the years. For example, the year 1954 caught 954,000 acre feet in 1957 in 1958 in 1959 in 1960 in 1961 in 1962 in 1963 in 1964 in 1965 in 1966 in 1967 in 1968 in 1969 in 1970 in 1971 in 1972 in 1973 in 1974 in Mrs. Lois Fletcher and children from Walters, Okla., spent the weekend here with her husband and the Gene Smiths.

Mr. and Mrs. C. C. Matthews returned home Friday after a week's trip through the Ozark Mountains. Accompanying them were Miss Evelyn Mathews from Lubbock and Mrs. Matthews' sister, Mrs. Mae Melugian from Slaton. Some of their main stops were Oklahoma City, Eureka Springs, Ark., and Springfield, Mo.

Gary Treider was a patient in the Muleshoe hospital a couple of days last week.

Mr. and Mrs. John Hughes from Lubbock visited Sunday and Monday with the Finis Jenningses. Sunday evening the quartet drove to Farwell to visit with the Billy Watts family.

Mr. and Mrs. C. A. Watson visited in Anton Sunday with her parents, Mr. and Mrs. H. I. Bass.

Sunday evening guests in the home of Mr. and Mrs. Bearldean Broyles were Mr. and Mrs. Joe Cox, all from Farwell; Mr. and Mrs. Max Steinbock, Mr. and Mrs. Andy Fuqua, Mr. and Mrs. Bobby Broyles, Mr. and Mrs. Dan Smith, Mr. and Mrs. Gene Smith, Marvin Powell, Lois Fletcher, and H. W. Moore.

The group enjoyed seeing the movies made at drag races in Oklahoma City recently.

Mrs. Kenneth Stone and girls, Paula and Lisa from Frederick, Okla., visited last

week with her parents, the J. B. Wrights. Mr. and Mrs. T. C. Lewis came along with Mrs. Stone to visit their daughter. On Tuesday they and Mrs. June Wagon and girls from Muleshoe visited in Lovington with the Ray Lovejoys.

McQUARY FUNERAL READ IN PLAINVIEW

Funeral services for Mrs. T. A. McQuary were last Wednesday in Plainview at the Nazarene Church with burial following in the Plainview cemetery. Mrs. McQuary, mother of Mrs. J. W. Crim, was 82 years of age and had lived in Plainview for the past 12 years. Surviving are her husband, who is currently staying with Mrs. Crim, two daughters and three sons. Mr. and Mrs. John W. Crim, Mr. and Mrs. Buck Crim and Doyle and Mr. and Mrs. Weldon Crim all attended the services.

Mr. and Mrs. Ancel Ashford and children spent the weekend at Ruidoso and also went through the Caverns at Carlsbad.

WMU of the Baptist Church entertained last Tuesday afternoon with a lullaby shower honoring Mrs. Dud Winders. The basement of the church was decorated with fresh fall flowers and also a novel arrangement in one corner of the room with the complete needs of the new baby. Mrs. Winders was presented a corsage of baby socks and ribbon. Games were played and refreshments of spiced tea

and spudnuts were served to approximately 30 guests.

Mr. and Mrs. D. B. Ivy and Shorty, D. H. Wagon and Katherine Smith were in Dallas over the weekend. Katherine visited in Anna with the Bill Sherleys while there. They all attended the state fair and among the things they enjoyed was "The Music Man." They also enjoyed the football game Saturday between the University of Texas and Oklahoma U.

Mr. and Mrs. Jarrett Pinckley and Sue spent the weekend in Merkel and her mother, Mrs. Mary Jowers, returned home with them for a visit. Mr. and Mrs. Marvin Hamrick from Farwell were Sunday visitors in the Ralph Cox home.

Mr. and Mrs. Glen Stevens visited in Amarillo Sunday with Mr. and Mrs. Millard Moore. The women are sisters.

Visiting in Sweetwater over the weekend with his parents were Mr. and Mrs. J. B. Young Jr.

Cindy Hall, young daughter of the Tommie Halls, has been a patient in the Friona and Clovis hospitals the past week.

Mrs. J. W. Gammon accompanied her mother and brother to Altus, Okla., Friday to funeral services for an uncle.

Mrs. Dee Brown spent the weekend in Canyon where she attended the annual homecoming at West Texas State College. The 1933 class, of which Mrs. Brown is a member, was honored on its 25th anniversary. Friday night open house was at the home of Mrs. Houston Bright.

Mr. and Mrs. J. W. Stout from Lubbock were Sunday visitors with Mrs. N. M. McCurdy.

YWA girls of the Baptist Church and their teacher, Mrs. Alton Morris, were co-hostesses for a pink and blue shower Saturday afternoon, for Mrs. Macey Fuqua. The home of Mrs. Gene Smith was the setting for the occasion and girls assisting were Donna Redwine, Geraldine Broadhurst, Maudine Barnes, Marie Houston, Marilyn Aduddell, Penny Grusenford, Margaret Eggers and Lois Vanlandingham. Mrs. Fuqua was presented a corsage and was assisted in opening the gifts by her sister-in-law, Mrs. Andy Fuqua. Games were played and refreshments of hot chocolate and cookies were served. Miss Sue Saunders from

AND THE CHIEFTAINS GET A QUEEN—Miss Jacquelyn Magness is about to receive her crown in ceremonies held in the auditorium at Friona High School Friday afternoon. Preparing to set the crown on the Queen's head is Gary Dean McLaughlin, co-captain of the '58 Chieftain squad. Others pictured above are the Queen's attendants and their escorts (left to right) Nancy Outland, McLaughlin, Miss Magness, LaVon Fleming and J. W. Baxter, Mary Jane Grubbs and Jim Roy Clements. Other attendants were not included in the picture.

Wellington is staying here with her uncle and aunt, the J. H. Clays, for awhile. Sue's school is out for a vacation during the cotton harvest.

Nine Latin Americans were all shook up Sunday morning when the pickup truck they were riding in struck a wet place in the road and overturned twice. Hosea Mendoza was hospitalized with seven broken ribs and other possible injuries. The pickup cab was demolished. It belonged to J. J. McDonald on whose place the laborers were working.

Pat Chitwood, accompanied by Mr. and Mrs. Vernice Snyder from Muleshoe, spent the weekend in Pampa.

Mrs. Leon Smith attended services at the Primitive Baptist Church in Sudan Monday evening where Elder Norman Cooper from Gonzales was the speaker.

Girl Scout Notes

Brownie News—Troop No. 358 met Monday afternoon and had twenty eight members present and three visitors, Mrs. Jake Patterson, Mrs. Doyle Cummings, and Louise Whaley. The troop studied tree leaves and made spatter prints for nature books with leaves as patterns.

Refreshments were served to the members and visitors by Terri Sue Cummings, Peggy Drake, Barbara Patterson and Jan Shirley.

—Alice Whaley

Troop 236 met Monday afternoon at the Church of Christ annex. The inclement weather prevented the troop from having a cookout as they had planned, so the food was prepared indoors. The menu was

sloppy joes, cherry cobbler, and cold drinks.

During the business session plans were made for a Halloween party and a change of meeting days was discussed.

Those present were the two leaders, Helen Potts and Beulah McBroom, and the following Girl Scouts: Helen Stowers, Karyl Williams, Beverly Elliott, Kay Coffey, Cordelia Parr, Marca Lynn Masie, and Carolyn Herring.

The singing of taps closed the meeting.

Did You HEAR Who's HERE?

District President Installs Officers

Mrs. Mary Flynt of Dimmitt, 18th District President of the Legion Auxiliary, was installing officer at the Monday evening meeting of the local auxiliary. Following the installation Mrs. Flynt spoke to the group present.

New officers are Marlene Burke, president; Mildred Mungus, vice-president; Betty Smith, secretary-treasurer; Dorothy Hall, sergeant-at-arms; Orma Flippin, historian; and Ethel Bengler, chaplain.

SS Class Has Birthday Party

Members of the Mary Dorcas Sunday School class of the First Baptist Church, whose birthdays are in the last six months of the year, were honored by those who have birthdays in the first six months with a birthday dinner in the educational building.

Special guests were husbands of the members. Those present were Mr. and Mrs. W. M. White, Mr. and Mrs. Clyde Scarborough, Mr. and Mrs. George M. Baker, Mr. and Mrs. J. H. Wise, and Mr. and Mrs. Bert Day.

Also, Mesdames Otis Massey, Sarah Vernon, Rosa Anderson and W. M. Lloyd, and the following, who were also special guests: Rev. and Mrs. L. Aston Sartain, Charles McKenzie, Mr. and Mrs. Charles Baldwin and daughters, Lynda, Janice and Brenda.

W. B. Norwood received a broken ankle in a construction accident at his home Thursday afternoon. He was treated and released from Parmer County Community Hospital that afternoon and has his foot in a cast.

In 1895, U. S. Marines wore spiked helmets as part of their uniform.

ATTEND FUNERAL FOR RELATIVE

Mr. and Mrs. W. J. Nazworth and son, John, Mrs. W. D. Cooper and Mrs. Lizzie Cooper returned late Sunday after attending funeral services for Mrs. Bell Goodwin at Simsburg, La., Friday afternoon.

Mrs. Goodwin was Mrs. Lizzie Cooper's sister and Mrs. W. J. Nazworth's aunt. The group left Friona Wednesday.

CHURCH DESTROYED BY RECENT FIRE

Mr. and Mrs. H. A. Hyde have received word that the First Baptist Church building at Gotebo, Okla., was destroyed by fire October 1 at 2 a.m.

Rev. Donald Kimbrough, whose wife is the former Eva Dean Hyde, is pastor of the church and reports that plans are being made to rebuild as soon as possible.

Party Honors Andrea Wilkins

Mrs. Waymon Wilkins honored her daughter, Andrea, with a party in the family home Thursday afternoon in observance of her seventh birthday. Mrs. Maynard Agee assisted Mrs. Wilkins in directing games and serving refreshments.

Favors of bubble blowing sets and balloons were given to the children. After a game session, refreshments of ice cream, cake and hot chocolate were served.

Those present were Andrea Hurst, Linda Carson, Amelia Sims, Linda Smith, Shirley Lynn Smith, Rhoma Lee Rector, Janet Mungus, Linda Baldwin, Jerry Lynn Shelton, Donna Jo Parr, Karen, Dean and Krystal Kay Agee, and Dixie and Charles Wilkins.

Mr. and Mrs. Bob Ginsburg attended a joint meeting of CPA members and their wives at the Hospitality Room of the First State Bank in Amarillo Saturday afternoon.

Local Couples

Attend Convention

Mr. and Mrs. Dan Ethridge and Mr. and Mrs. Sloan H. Osborn spent several days last week in New Orleans where they attended the annual convention of the National Association of Insurance Agents.

Ethridge is a member of the organization which is composed of independent insurance agents from the 49 states, the District of Columbia, Puerto Rico, and Hawaii.

On the way down the two couples visited Mr. and Mrs. Joe Osborn and Sally Osborn at Austin. They toured several points of interest in Louisiana and Texas before returning home.

Kolvvvia Circle Meets Tuesday

Mrs. Guy Latta was hostess at the Tuesday morning meeting of the Kolvvvia Circle of the WSCS of the Friona Methodist Church in her home. Fall decorations were used. The entrance arrangement was an original basket of fall accessories. The serving table was centered with a colorful fall motif.

The study, "Middle East Pilgrimage" was continued under the direction of Mrs. Howard Ford. Mrs. Ross Ayers gave an area report on Jordan; Mrs. Arthur Drake presented some interesting facts about Ethiopia; and Mrs. Coy Patton reported on Iran.

Refreshments were served by the hostess to Mesdames W. M. Stewart, Billy Sides, Will Osborn, Howard Ford, Kenyth Cass, Coy Patton, J. L. Shaffer, Ross Ayers, Roy Slagle, Arthur Drake and one guest, Mrs. Bill Hannold.

Mekka Circle Meets In Ginsburg Home

The Tuesday morning meeting of the Mekka Circle of the WSCS of the Friona Methodist Church was held in the home of Mrs. Bob Ginsburg. After coffee and a business session, Ora Mae Anthony began the study of "Understanding Other Cultures."

A meditation from the tenth chapter of Acts was given by Dorothy Hough, who also closed the meeting with a prayer. Those present were Winifred Hurst, Addie Moyer, Eula Aiken, Vera Bainum, Dorothy Hough, Ora Mae Anthony, Polly Whatley and Beegy Ginsburg.

The next meeting will be in the home of Mrs. George A. Jones October 28 and the study will be continued.

Mr. and Mrs. Clayton Dunnington of Glendale, Calif.,

DISTINGUISHED MILITARY STUDENT--DeWayne Neel, senior of Friona, was recently named "Distinguished Military Student" at West Texas State College at Canyon. Neel, third from left, is pictured here with Sammie James of Estelline, Wayne Kimber of Dalhart, and Dean Foshee of Shamrock, who also received the same recognition. Neel is the son of Mr. and Mrs. Otis Neel of the Hub and is a senior math major.

Mrs. J. B. Williams Elected Club President

At the Tuesday morning meeting of the Friona Home Demonstration Club Mrs. J. B. Williams was elected president. Other officers elected to serve with her during the coming year were Mrs. J. P. Sims, council delegate; Mrs. Waymon Wilkins, vice-president; Mrs. John D. Sanders, secretary; and Mrs. J. R. Varner, reporter.

After the business meeting, Jimmie Lou Waincott demonstrated a complete oven meal. One new member, Mrs. G. W. Drenman, was received into the club. Others present were Mesdames John D. Sanders, Ben Woody, Sam Jones, Waymon Wilkins, and J. R. Varner.

Refreshments of cookies and coffee were served. The club members will sell Christmas cards again this year. Anyone desiring to purchase cards is invited to call any of the members.

The next meeting will be October 28 in the home of Mrs. Waymon Wilkins.

Past Matrons Club Meets

The Kinsley Past Matrons Club met in the home of Mrs. Pearl Kinsley Friday afternoon. Mrs. Charles D. Russell presented the devotional, which was followed by prayer. The prayer of Conrad Hilton "With America On Its Knees" was read.

Refreshments of pear dessert, angel food cake, and coffee were served by the hostess to Mesdames Russell, Ed Bogges, J. T. Gunn, Bert Chitwood, and Miss Fay Southward.

The next meeting will be in the home of Mrs. Bogges with a covered dish luncheon at 12:30 p.m. Friday, November 7.

visited in the home of Mr. and Mrs. James Boyle last week. Mrs. Dunnington is Boyle's sister.

Cummings Family Takes Vacation

Mr. and Mrs. E. H. Cummings left early last week for a vacation in the mountains of New Mexico. They were joined later by Mr. and Mrs. Doyle Cummings, Scott, Kirk, Terri and Lisa of Friona and Mr. and Mrs. Wayne B. Stark, Ken, Nate and Connie, of Hereford.

The group returned home late Sunday. Mrs. Stark is the daughter of Mr. and Mrs. E. H. Cummings.

E. Blaylock Receives Degree

Elizabeth Blaylock, daughter of Rev. and Mrs. Hugh Blaylock and a 1957 graduate of Friona High School, recently received her licensed vocational nurse's degree from the Vocational School of Nursing at Lubbock.

Miss Blaylock, who will take her state examination late this month, is currently employed at Methodist Hospital in Lubbock.

Mr. and Mrs. Leroy Blaylock and children, Lygia Ann and Toren Ray, arrived Friday evening from Greenville, Miss., where Blaylock received his discharge from the armed forces. They plan to make their home here.

Wileys Have Weekend Guests

Mr. and Mrs. Roy L. Taylor of Oklahoma City and their son, R. J., of Fort Worth, were weekend guests in the homes of Mr. and Mrs. R. G. Wiley and Mr. and Mrs. Watson Whaley and daughters, Connie and Louise.

The two men returned to their homes, but Mrs. Taylor, who is the former Mary Wiley, remained for a week's visit with her parents and sister.

Mrs. Bill Wooley of the Hub community spent several days last week visiting her parents, Mr. and Mrs. Fred May-er of Granite, Okla. She returned home Friday afternoon.

OIL PROGRESS

OIL IS VITAL TO YOUR CAR!

The fact that millions of people are able to enjoy the luxury and convenience afforded by the automobile is, in great part, due to the ever-growing, progressive oil industry... gasoline for power... oil and grease to keep all the "wheels turning smoothly!"

That's why we're proud to be a part of the great American oil industry — glad we can be of expert service to you.

99 YEARS OF PROGRESS

 Grady Dodd, Consignee

NO PARADE COMPLETE WITHOUT HORSEMEN—Horsemen in the Homecoming Parade are shown winding their way down the street. Above, left to right, are Johnny Claborn, Kim Buske and Eddie Wood.

SENIOR CLASS OF 1970 PARADE DOWN THE STREET--Turning a corner during the Homecoming Parade Friday afternoon members of Mrs. John Benger's first grade step proudly out.

EVEN "EXES" GET INTO THE SPOTLIGHT--Tommy Jones tells onlookers what he intends to do with a sign on the side of his hot rod. Making sure it's all O.K. are Mary Joyce Barnett and Patsy Bandy.

SWC Football For Saturday

A live statewide telecast of the Baylor-Texas Tech game will highlight The Humble Company's coverage of Southwest Conference football Saturday. In addition there will be broadcasts of four Conference games.

The Baylor-Texas Tech game will be telecast from Lubbock, beginning at 1:45 p.m. (CST). Kern Tips and Alec Chesser will describe the action and color over KSWB-TV, Roswell, N. M.

The Baylor-Texas Tech game will also be broadcast from Lubbock. Dave Russell and Jack Dale will describe the action and color beginning at 1:45 p.m. (CST) over KFYO, Lubbock-790, KRAY, Amarillo-1360.

The Texas A&M-TCU game will be broadcast from College Station by Eddie Barker and John Smith. Radio time will be 1:45 p.m. (CST) over KCBD, Lubbock-1590, KGNC Amarillo-710, and KPAN, Hereford-860.

The Texas-Arkansas game will be broadcast from Austin by Bob Walker and Dave Smith. Radio time will be 7:45 p.m. (CST) over KDUB, Lubbock-1340, and KAMQ, Amarillo-1010.

The SMU-Rice game will be broadcast from Dallas by Ves Box and Eddie Hill. Radio time will be 7:45 p.m. (CST) over KFDD, Amarillo-1440, and KSEL, Lubbock-950.

A friend of ours recently bought a foreign automobile and after careful computation over a month came to the conclusion that he was not getting the phenomenally high gas mileage so often accredited to such cars. So he took it to a local mechanic who, after checking the car thoroughly, pronounced it in perfect condition. "But isn't there something I can do to increase this mileage?" he asked.

"You can do the same as most foreign car owners do," replied the mechanic. "Lie about it."

Marines were first assigned to guard the American Legation in Peking, China, in 1900.

20-Minute Beef Stew

Modern foods and equipment team up to make meal preparation easy.

Smart young moderns will like this 20-Minute Beef Stew. It combines modern convenience foods . . . frozen vegetables, canned foods, and partially-cooked ready-peeled frozen potato strips, better known as frozen French fries . . . with yesterday's left-over roast to make the base of a tempting stew with a fresh-made flavor.

Most homemakers keep frozen French fries on hand for making crispy French fries . . . but few know these same potatoes are ideal for quickly preparing your favorite potato dishes . . . escalloped . . . au gratin . . . hash browns . . . and stews.

Try 20-Minute Beef Stew on the family. Make it in the electric fry pan or saucepan and tote your dinner to the porch or patio, near an electric outlet, and live easy!

- 20-Minute Beef Stew**
- 3 cups left-over or canned beef gravy
 - 1/2 cup catsup
 - 2-4 tablespoons minced onion
 - 2 cups cubed left-over or canned roast beef
 - 1 10 oz. package frozen peas and carrots or mixed vegetables
 - 1 16 oz. package Frozen French Fries
 - 1/2 teaspoon celery salt salt and pepper to taste

Combine gravy, catsup and onions in Dutch oven or electric fry pan. Bring to a boil over moderate heat. Add beef and vegetables and season as desired. Mix well. Cover and cook at moderate heat until beef is hot and vegetables are tender, about 20 minutes. Stir at end of 10 minutes cooking. Serves 4.

Mr. and Mrs. F. E. Wilder of Albuquerque were weekend guests in the home of Mr. and Mrs. Howard Mayfield. Mrs. Wilder and Mrs. Mayfield are sisters. Other Sunday guests in the Mayfield home were Mr. and Mrs. Woodrow Lovelace and Diane and Mr. and Mrs. M. A. Snider Jr. and children, John, Kim and David, all of Ferwell, and Mr. and Mrs. Keith Blackburn and Jill of Friona.

in and around FRIONA

WITH JUNE

Most of us have heard the adage, "The only difference between stepping stones and stumbling blocks is the way you use them." Perhaps we should elaborate on the adage somewhat and make it read, "Make an effort to change your stumbling blocks into stepping stones."

There are so many combines and trucks in town at this time of the year that it hardly seems possible that all of them can get into the fields; however, a few hours of sunshine moves a great number of them off the parking lots into the fields and there seems to be a place for every one of them.

Is there any way of preserving fruits and vegetables in their natural state similar to the way taxidermists preserve animals and birds? It would be interesting if we could keep some of the fruits and vegetables which grow in Parmer County. Some unusual specimens have been brought to the Star office in the past two and one half years, but it is impossible to keep them. We enjoy pictures of these different things, but pictures don't really do some of them justice.

Recently Elmer Euler brought us an eggplant that grew on his farm southeast of town. Since eggplant is one of the things we have never learned to enjoy eating, this particular vegetable has held no interest to us.

The one Mr. Euler brought in is very pretty and we have enjoyed looking at it. The list of things that grow in Parmer County seems to be endless. Maybe a good motto for the county would be "Parmer County--if it will grow anywhere, it will grow here."

Friona Jr. Boys 4-H News
Friona Junior 4-H Club met September 30 in the Friona Grade School. The meeting was called to order by Joe Jones, county agent.

This being our first meeting of the year officers were elected. They are president, Joe Bob Johnson; vice-president, Johnny Mabry; secretary, Donny Murphree; and reporter, Joey Taylor.

County Will Buy Bonds

Parmer County Commissioners court has authorized County Judge A. D. Smith to invest not less than \$40,000 and not more than \$45,000 in government bonds. The money will come from county's permanent school fund. The decision was made at a regular meeting of court Monday in the courthouse.

Commissioners agreed to pay interest of \$200 to school fund on money borrowed from it to purchase machinery for

Precinct No. 1. Gus Schlabs, Vernon Symcox, and Raymond Schueler, members of county weed committee, and County Agent Joe Jones met with the group to discuss killing Johnson grass and bindweed along county road rights-of-way. No action was taken on this matter.

Motions were made to approve the month's bills for payment, minutes of previous meeting, and quarterly report for period of July 1 to September 30.

Also going into the minutes was a motion to pay off a note for machinery for Precinct No. 4.

Amphibian tanks, known as "alligators," were used by Marines as early as 1924.

NEWS FROM BLACK

MRS. DICK ROCKEY

We received over an inch of rain Sunday evening and Sunday night. It is nice for the wheat and barley, but not so nice for the farmers that have maize ready to be cut. Mr. and Mrs. Coy Patton and Jimmy attended a class reunion in Seminole recently. Mrs. Patton (Janiece) said it's a shame how some of them had aged.

Visitors in the Gene Welch home this week were Mr. and Mrs. Earl Harkins, F. D. Harkins, and Herman Buckner of Plainview. Earl Harkins is Mrs. Welch's brother and F. D. Harkins is her father.

Mrs. Wilma Henshaw and children of Fargo, Okla., Riley Edward Kelly from San Francisco visited Thursday in the John Benger home. They are Benger's cousins. Mrs. Henshaw and children were on their way to Hawaii to live for the next three years where her husband is in the service. Coy Patton, Tom Lewellen, Joe Lewellen and Delton Lewellen are in Colorado hunting. Judy Barnett, a student at Tech, spent the weekend visiting her parents, Mr. and Mrs. Fern Barnett. She brought a friend, Marilyn Carmack of Tahoka, home with her.

Betty Lade and Norma De-

ment of Hereford spent Thursday visiting in the Dick Rockey home.

Mr. and Mrs. George Brock of Lubbock spent Sunday visiting in the home of her parents, Mr. and Mrs. R. E. Barnett.

Congratulations to Mr. and Mrs. Orval Blake on the birth of a son, Ricky Lynn, born October 9, in Deaf Smith County Hospital. Grandparents are Mr. and Mrs. L. B. Blake of Friona and Mr. and Mrs. Otey Hinds of this community.

Visitors in the Howard Elmore home last week were Mr. and Mrs. Clate Caldwell

of Stillwater, Okla., Mr. and Mrs. Gene Caldwell of Wichita, Kans., and Mrs. Garland Goeforth from Oklahoma City. Mrs. Clate Caldwell and Mrs. Goeforth are sisters of Elmore.

Mr. and Mrs. Weldon Tatum and daughter of Canyon spent the weekend visiting their parents, Mr. and Mrs. Ellis Tatum and Mr. and Mrs. Lester Dean. Weldon is a student at West Texas.

Darrell Thompson of Loveland spent the weekend visiting his parents, Mr. and Mrs. John S. Thompson.

HERE TOMORROW! Ford brings Thunderbird elegance to the low-price field with THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

These Fords you've got to try! For left is the new Thunderbird... center, the new Custom 300 Tudor Sedan... and above, the 9-passenger Country Sedan.

AWARDED THE GOLD MEDAL for beautiful proportions by the Comité Français de l'Élégance of the Brussels World's Fair

Styled, powered and priced for today's driving! There never was a Ford like this before! Its classic new design was awarded the Gold Medal at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars... full-flow oil filtration that lets you

change oil at 4000 miles instead of the 1000 often recommended... new Tyrex cord tires for greater economy and safety... a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever... and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic

driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/3 fewer parts. NEW economy team Number Two! Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy-g geared axle.

Altogether NEW in everything you can see, feel or touch!
59 FORDS

Come in and get that NEW FORD FEELING in the cars with Thunderbird elegance

Super POWER FOR YOUR TRACTOR

McQuay-Norris Super-Power CONVERSION ASSEMBLIES

MORE HORSEPOWER... HIGHER COMPRESSION... MORE ECONOMICAL

LARGER BORE
The increased bore in McQuay-Norris Super-Sleeve Assemblies gives added horsepower, which means greater draw-bar pull for that extra rugged job. You'll find that those hills and soft spots won't slow you down and eat up valuable daytime hours. But the larger bore is only one of the features of McQuay-Norris Super-Sleeve Assemblies.

LIGHTWEIGHT ALUMINUM ALLOY PISTON
The pistons are made of special high-grade lightweight aluminum alloy and are equipped with a chrome top ring which by actual tests gives the longest wear life under the toughest conditions. The piston pins are special four-heat-treatment steel and are machined from solid bar stock for the greatest resistance to wear and impact. And in addition to all this--

READY TO INSTALL
McQuay-Norris Super-Sleeve Assemblies are ready for installation. They are finished on the O.D. so that no machining or re-boring of the block is necessary. Thousands of these sleeves have been installed and are giving users increased horsepower, greater economy and longer life, plus all around satisfactory operation. Your tractor will run better, you'll get more work done and feel better at the end of the day when your tractor is equipped with McQuay-Norris Super-Sleeve Assemblies.

THE STAR'S EDITORIAL COMMENT

The Friona Star

W. H. GRAHAM JR., Publisher
DAVE McREYNOLDS, Editor
JUNE FLOYD, Society

In Farmer County \$3 Per Yr.
Elsewhere \$4 Per Yr.

Entered as second class mail matter July 31, 1925, at the post office in Friona, Texas, under the Act of March 31, 1897. Published each Thursday.

Give Service First . . .

Then Ask for More

Last week at the meeting of Friona's City Council two representatives of the General Telephone Company were on hand to ask that the council ride herd on the installations being erected by Friona Clearview Company.

We were in the dark on a number of the points the telephone men talked about, and to cut it honestly it was hard to pay attention to their questions and reasonings.

When we left the meeting we decided why we didn't listen too clearly to the goings-on of the telephone vs tv antenna questions. General Telephone sent two able men to Friona last week too--why had we set back and all but ignored their questions and points?

We found that in our minds where telephones are mentioned the circuits get all jammed up like the telephone service.

Too often a person in Friona will pick up his phone to call a number and get sad results.

Invariably whenever we need our phone the worst it is that time the dad-blamed thing doesn't work.

Ironically, the morning after the meeting we tried to call several folks and finally gave up in disgust. No sooner would we get to talking than for no reason at all the connection would be broken.

Asking around during the afternoon we found that we weren't the only ones struck by this malady.

Our regular "Monday and Tuesday phone strike" is something we have to live with and have about gotten to the point where we use the phone only as a last desperate effort.

This attitude is pitiful.
The trouble is that we aren't the only

ones that have this attitude toward the black plastic monstrosities that decorate our desks.

A telephone to a man in business is a necessity.

This day and time to be without one would be disastrous. But--we wonder if many folks in business don't lose friends and accounts during the year because of malfunctions of this piece of equipment.

We refer to an organization that depends upon the phone for the planning of orders. What happens to him when his phone is out of order?

Another thing which makes it hard is a lot of times the phone may be out and the business won't even realize it for half a day.

After sitting around wondering why the phone hasn't been ringing then going down the street and having people ask--"Why don't you stay at work and answer the phone?"--and all the time you've been there and the blasted thing hasn't worked.

Well it is this sort of situation that has blocked our minds toward General Telephone. Yes, they are the second largest telephone organization in the country, but they have a lot of bridge-building to do in our town before they could hope to replace smoke signals.

We don't know how, or what, they would have to do in Friona to bring things up to par.

They would probably say they would need a rate increase to pay for needed additions to their plant here.

Personally if things don't get better we are of the mind that they should pay subscribers just to put one of the things in their homes or businesses.

Life's Darkest Moment

A WEBSTER CLASSIC

WHAT OTHER PAPERS HAVE TO SAY
CLIPPED QUOTES

Two clips from Donald Bryant in his column in the Herald Coaster in Rosenberg:

HAD A COON HUNT at the Central Christian Church of Rosenberg Thursday morning and we understand that the pastor, Rev. Grady Guyton, who is considered a veteran coon hunter, got bit. It seems the coon went under a corner of the building and in the struggle between the coon and the dog, the preacher got bit. However, it was the dog that bit him and not the coon.

AN IRATE CITIZEN, namely, our next-door neighbor, Dr. Jack Wilkinson, hit the door this morning and he was strongly voicing a charge he no doubt heard a few times while he was serving on City Council. "There is something crooked going on over at the City Hall," said the good optometrist (free adv.) as he excitedly waved a water bill in the air. "They're bound to be getting these amounts by reaching up in the air," he said. His bill was \$20.20--and all of us know that 20-20 is good vision rating and incidentally his car tag is Pu 2020. Well, maybe the meter reader just saw that number on his car and put it down!

With more voting just around the corner Dolph Moten

IN THE COURTS

JP COURT
The following cases were tried before Justice of Peace Walter Loveless during the week ending October 14:

- B. L. Villiersal---running stop sign.
- Ebble Clarkley---speeding.
- Richard Cardinas---running stop sign.
- Lowie Ray Keith---running stop sign.
- CORPORATION COURT
The following cases were tried in corporation court in Friona before Judge Walter Loveless during the week ending October 14:
- A. A. Rodeo---speeding.
- Lawrence Spalsbury---speeding.
- Garland Harrington---speeding.
- William Stephens---speeding.
- O. D. McGowan---drunk in public place.
- R. G. Stephens---drunk in public place.
- Bud Miller---drunk in a car.
- Brice Dooley---drunk in a car.

has been, "Our telephone isn't working." After having heard it so many times it is almost a temptation to say to everyone we meet, "Is your telephone working?" Of course, we could then add, "Well, don't feel badly about it. Ours isn't either."

Someone remarked that before we could have any improvement in service it would be necessary for us to have some interrupted service. Surely it is time now for the improvement we have been expecting.

has this to say in the Farwell State Line Tribune:

A news release this week from Republican Party of Texas has to do with Grover Carothers, Republican candidate for Agriculture Commissioner.

Carothers is, according to the release, a six-foot, four-inch farmer and rancher from Stamford and is former State Administrative Officer for ASC.

"He will be happy to be labelled an Ezra Benson Republican in his race against his Democrat opponent. Carothers likes the way Benson has been handling the nation's farm program," the release says.

How interesting! Feel sure the candidate, as big as he is, won't bring his campaign to Farmer County. Doubt seriously that he would be too well received. Some more of the story

says that Carothers proposes economy rather than new taxes when State of Texas runs short of money. In pointing out how economy can be put in effect, he says, "For example, in the federal government, 50 per cent of the people working for Department of Agriculture could be eliminated and never lose a minute of efficiency."

The agriculture commissioner candidate is glad there are no price supports on cattle. If there were price supports on cattle, "then there would be another hundred people working for the federal government in my district--out there checking to see if you had too many cows."

We'll scratch Carothers' name when we find it on the ballot, but the reason won't be that he doesn't have some good points. Too many government employees is not necessarily one of the reasons, though.

IT SEEMS ONLY
YESTERDAY

OCTOBER 9, 1925
(Taken from the files of The Friona Star)
Leo McClellan of Duncan was included in the list of 66 cadet officers and 30 non-commissioned officers announced today by Maj. Cuyler L. Clark, commandant of the University of Oklahoma Reserved Officers Training Camp. McClellan was appointed captain.

Leo McClellan is a son of Mr. and Mrs. E. B. McClellan of this place.

Jess Osborn and family have moved to Friona and are now occupying the Key house in the south part of town. Mr. Osborn is a member of our bank firm.

J. J. Riley and W. C. Rector, dealers in real estate at Abernathy, spent Tuesday and Wednesday looking over the Friona country and while here visited Elbert Overton and family.

A HUGE SQUASH--It would be hard to imagine the joy and surprise of The Star editor when he entered his sanctuary on Thursday morning, to find occupying one of the chairs, the largest Hubbard squash it has ever been our pleasure to see.

This monster measured 22 1/2 inches from stem to blossom and was just 39 inches in circumference, and the rich golden hue put the editor's salivary glands to working overtime at once as he thought of the delicious pies he might sit down to.

For this delicious treat we are indebted to J. W. Ford who grew it on his farm west of town. Wilbur brought the monster in before we arrived.

Misses Grace and Carmen Brewer spent Saturday and Sunday at Perryton visiting homefolks. They were accompanied as far as Canyon by Miss Fern Bowman who visited her home folks. These young ladies are teachers in Friona.

October 6, 1933
(From the files of The Friona Star)
Word was received here Wednesday of last week to the effect that Sloan Osborn,

one of our progressive farmers, living west of town had been appointed as Postmaster of Friona.

He succeeds D. W. Hanson, who has held that position for the past year and a half.

Following his appointment Mr. Osborn took charge of the office on Saturday, retaining as his assistant, John A. Guyer, who was assistant to Mr. Hanson.

Mayor F. W. Reeve, M. A. Crum, H. G. Morris and T. D. Ballard were business visitors in Farwell Monday, having gone over to attend a meeting of the county commissioners court.

Harold Lillard, son of Mr. and Mrs. L. F. Lillard departed last Saturday for Chicago, where he will view the sights at the Century of Progress.

CHIEFS VICTORIOUS FRIDAY--The first game of football for the season, which was played here Friday afternoon of last week, was a decided victory for the Friona Chiefs--they winning over their competitors, the Ranchvale, N. M. team by a score of 24-0.

The Star is sorry not to be able to carry the game in detail, but not a sport editor, we feel our inability to report such a game in football vernacular, and those qualified to do so have not felt inclined to furnish us with a detailed account of the game.

County and District Clerk E. V. Rushing was a business visitor in Friona Tuesday.

PERMANENT WAVES--\$1 up. Have your hair well shampooed. Mr. and Mrs. W. F. Orr at Fox Drug Store, Farwell.

The Lazbuddie Farm Women's Club met September 26 at the home of Mrs. W. H. Gammon in an all day meeting.

Miss McKinney was present and demonstrated the preparation of fowls for canning. A covered dish luncheon was served.

Housing Is Critical

Does This Sound Familiar?

Perryton's number one need right now is housing.

Housing has been critical ever since the end of World War II, with the possible exception of the 1952 drought year, but things have reached an alarming stage right now.

This week an official of an oil service company told the Herald that he had the cash money to buy a new house, and learned that it would be three months before he could get one.

Rentals are scarce as hen's teeth, and have been for years.

constant flow of home-seekers has paraded through the Chamber of Commerce office and into real estate offices for the

past three years and the demand is getting greater.

Perryton cafes do a lot of business with men who work around here but are forced to drive as much as 50 miles to work because they can't find housing here.

Our hats are off to the builders who are working to satisfy the housing demand, but their efforts are not enough. We need another 100 houses at once and probably could fill twice that many without any trouble.

The Chamber of Commerce, city officials and builders are getting together to work on some sort of solution to this problem. It must be solved if we are to grow into our potential as a city.

OCHILTREE COUNTY HERALD

in and around

FRIONA

WITH JUNE

The weather last week was ideal for harvesting grain and many of the farmers in the area finished harvesting. Others harvested all that was mature enough. The grain trucks were thick as ants around every elevator in the county. The moisture that fell over the weekend was sufficient to benefit the wheat, but didn't do the late feed crops any good.

Several trucks were turned over during the week, but so far as we have learned none of the drivers were injured. During a blinding rainstorm Sunday afternoon two cars collided head on between Black and Summerfield. The fields in that area looked as if they had just been watered late Sunday.

Our congratulations go to Richard Bentz and members of the Friona High School band. Doubt that there was ever a happier bunch of Frionians than those who went to Portales Saturday. For the second time in a row the band brought home the first place trophy from the ENMU band contest.

If anyone heard a "loud noise" that couldn't be accounted for late Saturday afternoon, it was probably the band getting back to town. They were very anxious for everyone to learn the good

news and told a lot of people in a loud voice "WE WON!"

The Hank Outlands are getting settled in their new home next door to the Earl Chesters on the south side of the Loop Road in the west part of town. In driving around town the new lawns that have been started this fall are conspicuous by the way they have grown.

This fall must have been an ideal time to get new lawns started or a lot of our residents have sprouted "green thumbs." Incidentally, our Open House plants are making satisfactory progress. The Star staff claims no credit for this. Dottie Osborn of Plains Publishers is our plant custodian and to her goes all our thanks for taking such good care of "our" plants.

Latest reports indicate that Rudolph Renner Sr., who has been hospitalized at Hereford several weeks, has hopes of getting home late this week. It will be a joyous homecoming for Mr. and Mrs. Renner and other members of their family. The children and grandchildren are most anxious to have "Dad and Mom" home once more.

Something new is being added. We hear by the grape-

vine that two new teachers are being added to the grade school staff in the near future. Mrs. O. J. Beene will make the fifth first grade teacher and we haven't heard who the fourth fifth grade teacher will be. All parents should make a mental note of these two additions.

Then after making the note they should refer to it every time one of their children is absent from school for any cause other than illness. Our state allotment is cut by every unexcused absence and it is evident that we are going to have to have more teachers. Unless we want to pay more taxes, we should see that absentee-isms are cut to the bare minimum.

Several new families have moved to town to work on the road project which is almost ready to start east of town. The road will soon be paved from Clyde Goodwine's corner east to Elmer Euler's corner, south to Jim Shaffer's corner, then east several miles. Those of us who live on the FM roads west and north of town know how much such roads mean and are pleased to learn that other farmers will soon be "out of the mud" when it rains.

The most overworked sentence we have heard recently

Safe Deposit Box "IQ"

How much does a Safe Deposit Box cost?
As little as \$3.00 per year, including the 10% federal tax.

Can the Bank enter my Safe Deposit Box?
Generally speaking, no. However, if a renter abandons the box or fails to pay the rent, the bank has the right to make a forcible entry after all other efforts have failed.

Why are 2 keys necessary to open the boxes?
The customer has the only key which will open the box. The bank furnishes only the guard key, which permits the customers key to work.

What happens if I lose my key?
If you lose one key, you will be able to make entry with the second. Two identical keys are issued with each rental.

Can more than one person have access to my Safe Deposit Box?
A safe deposit box may be rented by one person or two, as joint tenants. We also rent boxes to corporations, partnerships, lodges and clubs.

In case of death--can Husband or Wife open it immediately?
Yes. It will be necessary, however, to make an inventory for the state inheritance tax department.

What procedure is followed in opening a Safe Deposit Box?
A key to a safe deposit box is not proof of the right of access. Therefore, the renter signs an access slip. The date and time of entrance is recorded by the attendant. The customer enters the vault with the attendant to open his box.

NOTE: AT FRIONA STATE BANK, SEE ONE OF OUR EMPLOYEES FOR YOUR SAFE DEPOSIT BOX.

LAKEVIEW NEWS

by Mrs. L. W. Gibson

PATTERSONS HAVE WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. O. T. Patterson were Mr. and Mrs. Bill Moore and children, Greg, Dale and Donnie, of Amarillo. Mrs. Moore is the daughter of the Pattersons.

Other guests in the Patterson home Sunday were Mr. and Mrs. David Patterson.

Mrs. David Patterson and her mother, Mrs. Eldon Lilley of the Sunnyside Community in Castro County, spent Monday shopping in Amarillo.

The weekend rains brought the maize harvest to a standstill. Reports of rainfall around the community varied from light to moderate amounts.

HD CLUB MEETS IN MAYNARD HOME

The Lakeview Home Demonstration Club met Thursday afternoon in the home of Mrs. Jim Maynard. Roll call was answered with a book title for suggested reading. After the business meeting, Mrs. Gordon Massey and Mrs. Loanman gave a demonstration on salad making and pre-

sented each person present with recipes.

Jimmie Lou Waincott demonstrated an oven meal. A complete meal consisting of golden ham slices, casserole baked potatoes, steamed green beans and apple crisp was prepared and served.

Others present were Mesdames Sam Bailey, Raymond Milner and L. W. Gibson. The next meeting will be October 23 in the Raymond Milner home.

Donald Lee Loanman, a freshman at Texas Tech, spent the weekend with his parents, Mr. and Mrs. L. W. Loanman.

Mrs. Jim Maynard and Karen and Mrs. L. W. Gibson and Dianne spent Saturday afternoon in Clovis.

Cathy and Linda Carlisle have returned home from the Muleshoe hospital and expect to go back to school soon.

Mr. and Mrs. Fred Barker were Sunday guests in the home of Mr. and Mrs. Joel Riley.

Mr. and Mrs. V. F. Wilcox, Randy Price, and Bob Welch were Sunday guests in the home of Mr. and Mrs. L. W. Loanman.

Joe Dean Carlisle, who is attending South Plains Junior College at Levelland, spent the weekend with his parents, the Irby Carlisles.

Mrs. H. E. Owens, who is the mother of Mrs. Carlisle, was a recent visitor in the Irby Carlisle home.

Barry Maynard, small son of the Jerry Maynards, was

COOK OF THE WEEK

Mrs. Hugh Blaylock

Someone once said, "If you want something done, ask a busy person to do it." Maybe this is the reason we called on Mrs. Hugh Blaylock to be our cook of the week this time and to share some of her favorite recipes with others. Mrs. Blaylock is active in all work of the Methodist Church, of which her husband is pastor, but still has time to take an interest in the activities of her daughters, Janiece, Charlotte, and Judy Bock, who attend Friona High School.

When asked what her hobbies were, Mrs. Blaylock replied, "I really don't have any outside my work with young people, going to summer campment with juniors and intermediates, and keeping up with my daughters' outside interests which range from Rainbows to basketball. The recipe that ranks first in Mrs. Blaylock's collection is:

One dozen smiles
Season with kindness
sprinkled with a little humor
and praise.
Stir well (in right direction)
as needed. Keep in very hot
water and garnish with kisses.
Serve with spirits of un-
selfishness.

A favorite main dish in the Blaylock home is Bar-B-Cue Chicken. Use a large fryer and cut up as if to fry. Brush each piece of chicken with barbecue sauce. (use your favorite brand) after it has been salted and brown under broiler.

Place pieces in electric skillet and cover with 1/2 cup tomato soup, 2 tablespoons Worcestershire sauce, small amount of water, and 4 tablespoons barbecue sauce. Stir together well. Coat each piece of browned chicken well as you put it into the skillet. Cover and cook slowly two hours.

One Preserve Recipe
To Preserve Husband
(Tested)
Carefully select material.
1 cup of daily interest and
for happiness (separated
from unhappy thoughts and
unnecessary prattle.)
Mix together one pound of
understanding, one armful of
loving, several ounces of pa-
tience, an ounce or two of for-
bearance

For a good light dessert,
Mrs. Blaylock likes

Glorified Rice

Cook one cup of rice. Put into collander and run water over it until each grain stands out. Put into large mixing bowl and add 1 cup chopped or crushed pineapple which has been drained, 2 medium sized apples, diced, 1/2 cup chopped nuts, 1/2 cup sugar, few maraschino cherries cut into small pieces for color, 1/2 cup small marshmallows. Fold this into 1 cup of whipped cream and chill before serving.

Another dessert that is very popular in this family is Lemon Meringue Pie

3 egg yolks
1/8 teaspoon salt
1 1/2 cups sugar
7 tablespoons cornstarch
2 cups boiling water
1/4 cup lemon juice
2 tablespoons butter
3 egg whites for meringue

Combine cornstarch, sugar and salt. To this add beaten egg yolks, and enough water to make a thick substance. Have boiling water in saucepan over fire and add preceding mixture stirring constantly until thickened.

Remove from fire and add lemon juice and butter, stirring well. Pour in baked pie shell and cover with meringue made from the three egg whites and brown.

OIL PROGRESS WEEK OCTOBER 12th-18th

Now... all America sees the one that's truly new!

Like all '59 Chevs, the Impala Sport Sedan has Safety Plate Glass all around.

what America wants, America gets in a Chevy!

'59 CHEVROLET

It's shaped to the new American taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen—a new kind of finish that keeps its luster without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one.

The 1959 Chevrolet is more than a restyled car—more, even, than a completely new car. It's your kind of car. Shaped to reward your new taste in style with a fresh Slimline design that brings entirely new noise and proportion to automobile styling. Inside the new and room-

ier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead—and there are new bigger windows, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turboglide*. A new Hi-Thrift 6 that

goes and goes on a gallon. Vim-packed V8's. New and bigger brakes. Even tougher, safer Tyrex cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. New Impala models. New wagons—including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

THE HIGH PLAINS FARM AND HOME

Rain Interrupts Ideal Harvesting

Although harvest work has been interrupted by a stint of damp and dreary weather, there is a sizeable number of Parmer County farmers who aren't whiling away their time to await the return of the sunshine.

Some of them are already busy with a farm chore that can be categorized as a "next year's" job--that of handling their stubble from the 1958 grain sorghum crop.

About one half to two-thirds of the Parmer County grain sorghum crop has been combined, so there's lots of work to do in the stubble fields. It is very seldom that stubble is burned. Nearly always it is either left on the land

through the winter, or returned to the soil by one or more of several mechanical operations soon after harvest is completed.

Jerry Bell, an irrigation farmer of the Black community, is one farmer who's already at work returning this valuable crop residue to his land where it will pay off later.

Bell obtained a very large yield of grain sorghum this fall: 8,000 pounds of Caprock "green headed" variety, which he drilled on beds with a grain drill at a seeding rate of 12 pounds per acre.

He has a bumper crop of stubble to match his bumper grain sorghum production.

Aware of the value of stubble in reducing wind erosion and adding organic matter to the surface soil, he is making special plans for his stubble crop. He is shredding the stubble and working it into the surface with a disc.

This is a different practice from dryland farmers. The idea on dryland farms is to keep the stubble on top of the ground to protect from wind erosion, but on irrigated farms such as his, the blowing hazard is not nearly so bad and the soil can make very good use of the organic matter.

Bell is convinced that this method will provide adequate wind erosion protection for him, and at the same time will add organic matter to the topsoil where it will aid the tilth of the soil, prevent crusting, and increase the water intake and holding capacity of the soil.

THE CANE GROWS TALL in the Parmer County area, and this Red Top variety from the Garland Sharpe farm in the Oklahoma Lane area proves it. Although combine-type sorghums greatly exceed such tall crops in total acreage, Parmer County area farmers manage to produce quite a bit of seed from such fields as this. Yield is usually around 3,000 pounds, with lots of forage thrown in for an "extra."

A TREMENDOUS GRAIN CROP left an equally tremendous stubble crop on the Jerry Don Bell farm in the Black community. Here Jerry uses a shredder with disc attached behind to make good use of the grain sorghum by-product.

FARMERS USE STUBBLE TO IMPROVE FARMLAND

More drizzles drew the curtain on the Parmer County area grain and cotton harvest again Saturday, but not before area farmers had gotten in quite a few licks of their own.

From one-half to two-thirds of the grain crop has been cut and hauled to area elevators. The progress of the harvest varies from one area locality to another, depending on maturity of the crop and dampness prevailing.

Parmer County area grain sorghum growers stacked up a 14-million bushel crop last year, and appear certain to duplicate -- and probably exceed -- that production in 1958.

With from seven to 10 million bushels of grain already gone to market it is not surprising that elevators in Texico-Farwell, Bovina, and Friona, plus the out-of-town installations at Lariat, Pleasant Hill, Hub, and Black commun-

ities are already brimming over and grain is going on the ground in large quantities.

The combines ground to a halt Saturday when a very heavy dew and unusually high relative humidity during the day raised the moisture content of the grain to an unacceptable point. Showers fell at most points Sunday afternoon and evening, and drizzles drifted in and out through Tuesday morning, preventing a return to the fields.

Sunshine cracked the overcast for a few minutes at a time Tuesday afternoon, and it appeared as though the wet spell might be breaking up and giving way to more fair weather as Farm and Home went to press.

Most farmers, although irritated by the interruption, feel this way about the 1958 harvest:

So far, nobody is really "hurt." The dampness that

has come has delayed the harvest and resulted in inconvenience, but the weather has not been violent and little damage to crops has resulted. The grain is quite good when allowed to dry out, and cotton grades are holding up well also.

With this much of the crop in, most farmers already agree that they are considerably ahead of the same date last year, and that if pleasant harvest weather returns before too long they will be able to wind things up in a satisfactory fashion.

Lettuce Perks Up In Friona

Lettuce is moving in fairly good supply from Parmer County farms this week, and in the Friona area, prices and yields are teaming up for fairly good returns to growers at this early point in the season.

John O'Haugherty, manager of Friona Growers and Shippers, reports that lettuce yields in the Friona area are running from 500 to 600 crates an acre, and that the leafy produce is commanding a price of about \$2 a crate.

Vegetables have not done well on the High Plains this year, and the appearance of even one crop that shows promise of making any money for growers is welcomed by farmers, brokers, and shed operators.

The tail-end of the carrot deal is now coming in to Growers and Shippers, and the produce is moving into a weakening market. Through the season, carrots have been bringing about \$20 a ton in Friona, but this week the price was notched down to \$17.50.

Last year, \$30 was about as cheap as carrot prices ever got, so it is plain to see that the "rabbit food" market is weak compared with 1957. Besides, a large portion of the crop is not making the grade that is selling best and tonnage is down also, running from four to nine per acre.

Gateway Produce in Bovina hoped to bring 400 acres of lettuce into production this year, but no report has been made from that area on early returns of the crop. They are busy now with tomato harvest.

Farmers Union Report

Looking at the farm situation and considering the farm legislation recently passed, it is hard to tell whether the new farm bill is designed to do things "for" and "to" agriculture.

Organizations supposedly working for everybody in agriculture--and pretty much getting their own way at the present--were able to get the following for their coast-to-coast members in this year's farm bill:

Prices knocked to the 65% parity level for the three basic crops--corn, cotton and rice. The other three basic crops--wheat, peanuts and tobacco, are wondering just where they will be after 1960. Grain sorghums are left to be supported at just wherever the secretary of agriculture may determine to be fair and reasonable.

The reason given for removing all controls on feed grains production and for lowering price supports was this: So that farmers could have more freedom in making farming decisions, and so consumers would benefit from lower priced goods.

It appears that the decision the farmer will have to make is already made--that of getting along on lower income, and living only 65% as good as other people. The consumer probably won't enjoy the lower prices too much either for they will not be passed on to him if the following is

typical:
An executive of one of the nation's largest cereal companies was quoted in the Wall Street Journal, "Our profits increased \$2 1/2 million in 1957 without an increase in sales, due to lower costs of raw materials (bought from the farmers.)"

That is helping the consumer? It would help the consumer if he could buy a tractor for 65% of a fair price.

Farmers Union must keep its eye on the main issue of this thing--that of parity income for the family farmer. Never being led astray by prejudices, pet peeves and personality conflicts. By sticking to the goal this fight for equity and justice could be won. This is a people's fight for a way of life and a way of government, the best of both ever devised on this earth.

For the benefit of Mr. Leland Boyd of the Bovina Blade and other folks who may think as he does, Farmers Union will not sell itself out for a little cheap insurance and a beauty contest, forgetting the main issue--parity farm income.

Due to the fact that membership dues alone will not finance the things which must be accomplished in Washington, it is necessary that there be some steady and dependable source of income, which is supplied through the Farmers Union Insurance program. Farmers Union needs--in fact it must have--the support of

the people it represents if its aims are to be realized. A good way to start is to join Farmers Union and be sure to pay your poll tax.

Friona, Texas

Wednesday, October 15, 1958

Crime doesn't pay--so you've always heard--but neither does anything else, so you crooks might as well stick to something you enjoy.

The Golden Jubilee International pickup is Deluxe in appearance, Deluxe in operation. There is beauty, comfort, handling ease, snappy performance, and luxury performance in the wide full 7 foot body of this custom pickup.

Our "just barely two" granddaughter has learned to say Little Bo Peep, but has remodeled the last line to go like this "wagging their tails 'hind me."

Check these special advantages found only on the Servis Stalk Shredder--make full width 57 inch horizontal cut or 66 inch plus width of pick up fingers--Cuts close to the ground without dust or dirt on the driver.--Cuts and turns under toughest stalks in one operation when a disk harrow is pulled behind--cutting operation finished in a single stroke with less power required. Ask about our prices.

Texas has 56,000 miles of oil pipelines--33,000 miles of truck lines, 23,000 miles of gathering lines, and 24,000 miles of gas pipe lines.

Our parts department is the most complete on the Golden Spread. Our parts men are anxious to help keep your farm machinery in good condition.

We are happy to report that the alligator, Floyd, at our house seems in the best of health. Our mother hopes he will catch pneumonia sometime this winter.

PCICN

It's a compicker, field sheller, two machines in one! Add a new sheller attachment and field shell 1,500 to 2,000 bushels a day with corn saving McCormick 2-M, H. See us soon and make arrangements to have one of these sheller attachments delivered to your farm.

In appreciation of our own America we repeat part of an editorial we read "The hopes of the Middle East people are extremely modest by comparison with those of most Americans. While the American may base his hopes of a better life on a home in the country, a Cadillac, a butler, a maid, and an air conditioned swimming pool equipped with television, the aspirations of the average Middle East citizen runs to such things as enough food to live on, enough water to survive, and enough freedom to enable him to hold his head up."

Mr. and Mrs. Sloan Osborn and Mr. and Mrs. Dan Ethridge spent several days in New Orleans last week. The Ethridges attended a meeting of insurance men and the Osborns went sight-seeing.

Every person should have six senses: touch, sight, smell, hearing, taste, and horse.

Oldsmobile is the ideal travel car for people who are going places, far and near, the up-to-date features give an extra measure of traveling pleasure.

Miss Dorothy Bloomer is the new pharmacist at the Parmer County Community Hospital. She is a native of

New York and this is the first time she has ever lived in Texas.

It is almost anti-freeze time. The Parmer County Implement Company is anti-freeze headquarters. We can sell you a quart or a barrel and our prices are right.

"I tell you I won't take the room," protested the old woman to the bellboy. "I'm not going to pay good money for a room like this. It's too small and hasn't got a window, just because I'm from the country--"

Mr. and Mrs. Raymond Jones are building a new home. It is just west of their home in the north part of town.

International baler twine is tops in performance. Extra bonus length. Made from the highest grade sisalina fiber. Knotless, uniform throughout. Be sure you have plenty of twine on hand. It costs no more to buy the best--International Baler Twine.

When Mrs. O. J. Beene started teaching first grade at the school this week, some of the boys who were in her kindergarten class last year were pretty disappointed that they didn't get to be in "Miss Beene's" room. One of them was heard to remark, "Well, I guess she has to help some one else now."

Upturn In Insured Farm Loans Noted

Local banks and other private lenders are increasing their stake in the Farmers Home Administration's program of long-term loans to qualified farmers to buy or improve family-type farms or establish good soil and water conservation practices, Billy R. Boling, FHA county supervisor, points out.

His agency is authorized to insure farm real estate loans that are made from funds advanced by banks, insurance companies, or other institutions having money to invest. Since the recent change in the money market, activity by investors has greatly increased.

In Parmer County, Boling reports that lenders have advanced \$83,360. Farmers have used \$35,640 of the insured loans to buy or improve farms and \$47,720 for soil and water conservation purposes.

During the past six months, the national monthly volume of new insured loan business has risen from approximately \$1,250,000 to \$4,000,000 a month.

For either a direct or insured loan the farmer pays 4 1/2 per cent interest. If

the loan is insured, the lender or investor gets a clear 3 1/2 per cent and the government guarantees payment of both principal and interest.

The full guarantee and the money market change have put many local banks in position to contribute to a stronger local agriculture by helping farmers otherwise unable to buy or improve their farms, Boling says.

After a five-year period the private lender may sell the insured note to the government for the amount of principal and interest due, may arrange for later sale, or may hold until the note is fully repaid. In case of default, the government stands ready to take the notes over with no loss to the investor. The FHA takes care of all collection and servicing details.

Archibald Henderson, who served as Commandant of the Marine Corps for over 38 years, left Washington to command a regiment of Marines in the field during the campaign against the Creek Indians, in 1830.

NEWS FROM THE FARM BUREAU

By RAYMOND EULLEE

Membership chairman, Jack Patterson wishes to express his appreciation to the people who are responding to the invitation to reinlist in Farm Bureau in the effort to reach the 1958 goal of 650 members by the last of this month. But he hopes you won't assume that your membership won't make much difference, because if you don't send it in, we might lack just one: you.

Evidence of the things that can happen without the realization of many citizens was shown at the convention last week when several present seemed surprised to know that a portion of the state per-

manent school fund has been spent without the general public knowing anything about it. Farm Bureau is opposing any further spending of this fund, which has always been maintained previously for the interest revenue to run our schools. Some have compared this spending from the fund to a case where a farmer would sell part of his farm to pay his harvesting expense each year. In a short while he would have no farm.

Secretary-treasurer, Roy V. Miller did an excellent job of reporting on the wheat meeting held in Amarillo prior to our county convention. President Kaltwasser and others said they felt that they got as much from Miller's report as they would have had they attended the meeting in Amarillo. C. W. Dixon and John Henderson accompanied Miller to the meeting. The wheat surplus is growing very great, and it is anticipated that some rather drastic mea-

asures, either in marketing price or production control, will have to be made soon. Cotton John's report on the European tour was very interesting. It made those who listened appreciate their lot in America a great deal, we are sure. The important thing is that we keep alert and vigilant enough to avoid going on into socialism, as most other countries of the world have. We feel that every farmer should appreciate the interest Cotton John takes in promoting their organizations and interests.

CONSIDER THIS: Better is the poor that walketh in his uprightness, than he that is perverse in his ways, though he be rich. Proverbs 28:6

specialists. Collars, cuffs and pocket flaps often need interfacing to give them body and the crisp, perky look that adds style to a garment. Peplums, yokes and the lower portion of fitted jackets also are in need of some additional body for a professional look.

Skirt waistbands may need a single thickness of interfacing to prevent the waistband from stretching. It also helps to keep the waistband from rolling or wrinkling.

A new extension clothing bulletin -- "Interface It" -- gives up-to-date information on different interfacing fabrics, when to use what, etc. It is clearly illustrated to show how interfacing should be used. You may get this by calling or writing my office.

canned, potatoes and cabbage are also good sources. Vitamin C is the most fragile of vitamins. Because it can be destroyed by exposure to air and is soluble in water, careful preparation and cooking are necessary to save it.

Here are some vitamin C saving suggestions from foods and nutrition specialists: Pare or cut vegetables just before they are to be cooked; the longer their cut surface is exposed to air, the more C is lost. Cook vegetables only until tender, using as small a quantity of water as possible. Remember that boiling potatoes in the skins saves vitamin C as well as time, and that generally each time you reheat a vegetable, more of the vitamin is lost. Whenever possible, use vegetables raw in salad or as relishes, and serve them while they're fresh and crisp. Keep vitamin C rich fruits refrigerated until ready to serve.

U. S. Marines stationed at Londonderry, Ireland, in 1942 formed a bagpipe band.

VITAMIN C NEEDED

Vitamin C, the essential vitamin needed everyday, is short in many diets. Foods and nutrition specialists report that the recent foods and nutrition survey conducted in 12 counties in Texas showed that 1/4 or more of the diets were low in vitamin C.

To make sure of enough vitamin C, know the foods which rate high in this important vitamin. Citrus fruits, oranges and grapefruit fresh, canned or frozen as fruit or juices, are rich sources. Strawberries and cantaloupes are also high in vitamin C. Many green leafy vegetables contain large amounts of vitamin C, especially the deep green leaves, spinach, kale and collards, if properly cooked. Tomatoes, fresh or

H. D. AGENT'S CORNER

Jimmie Lou Waincoff

Interfacing can help give a more professional look to your home sewing, according to extension clothing specialists. It gives additional body to fabric and is a "must" with many pattern designs. The secret is in knowing where to use it, and what kind of interfacing to use.

Interfacing is most likely to be needed at edges where buttons and buttonholes are to be placed, according to the

THE WEATHER'S TURNED COLD but there is still lots of good eating from the Parmer County area vegetable farms. Carrots are still coming into Friona Growers and Shippers. Above, men re-sack "jumbos" for shipment.

LETTUCE FROM THE BRUCE PARR FARM rolls into Friona Growers and Shippers and will soon be in some housewife's salad. The area lettuce crop is excellent this year and prices appear to be holding up well also.

Farm Bureau People At Lubbock

Six Parmer County Farm Bureau people attended a banquet in the Lubbock Hotel last Thursday evening, climaxing the quarterly meeting of the Board of Directors of Texas Farm Bureau, which was held in Lubbock. J.H. West, of Bishop, Texas, TFB President was the speaker of the evening. He related some of his observations while in London a few months ago, serving on the International Cotton Council, to which he was appointed early in 1958. West was emphasizing the importance of American citi-

zens remembering the indications pointing toward socialism in this country. Even though the leaders in England think they are improving conditions for the common man, it is evident that whatever the improvements might be, they place the average citizen of that country far below the status of the average American Citizen.

As an example, he stated that the Rolls Royce automobile, pride of England, sells for \$24,000. \$10,000 of that list price is tax. And a scrub woman, who receives a wage of about \$32 per week, must pay about a third of that pay for taxes. These taxes, said West, are necessary to provide the "free" medical care available in England, under the Socialized Medicine Program.

In making these observations, West expressed concern for the trend of thinking of many Americans who believe the government should give them just a little more. The capitalistic system has made America great economically, said West, and if there are those who believe socialism or communism are better, they should live in one of those countries for a while, and let us keep our America the way it is so they can come back to it if they don't like the other plan for living and doing business.

West said Texas and American Farm Bureau are big enough to do just about anything the members want to now, but unless we continue to grow, we will begin to get smaller, thus the need for recruiting new members each year.

Attending the meeting from Parmer County were FB President & Mrs. Gilbert Kaltwasser, Mr. and Mrs. L. F. Bruns and Mr. and Mrs. Raymond Euler.

1/2 teaspoon salt
3/4 cup shredded coconut
Mix shortening, sugar, carrots, and eggs thoroughly. Sift remaining ingredients together and combine with the creamed mixture. Drop about 2 inches apart on lightly greased baking sheet. Bake until, when touched lightly with finger, almost no imprint remains. Cool and frost if desired.

Wagon Wheels
1/2 cup soft shortening
1 cup sugar
1 cup dark molasses
1/2 cup water
4 cups sifted flour
1 teaspoon soda
1 1/2 teaspoons salt
1 1/2 teaspoon ginger
1/2 teaspoon cloves
1/2 teaspoon nutmeg
1/4 teaspoon allspice
Mix the shortening and sugar well. Then stir in molasses and water. Sift the remaining dry ingredients together and stir into shortening, sugar, molasses and water mixture, and mix thoroughly.

Chill dough several hours or overnight. Roll out 1/4 inch thick. Cut into 3" circles. Sprinkle with sugar. Place on well greased baking sheet. Press a large raisin into center of each. Bake until, when touched lightly with finger, almost no imprint remains. Leave on baking sheet a few minutes before moving to prevent breaking. If desired make "spokes" of any powdered sugar icing, radiating out from centers of cooled cookies.

Christmas Mincemeat Bars

1 tablespoon soft butter
1 1/2 cups brown sugar (packed)
2 eggs
2 tablespoons molasses
1 teaspoon vanilla
2 cups sifted flour
1/2 teaspoon salt
1/2 teaspoon soda
1 teaspoon cinnamon
1 teaspoon cloves
3 tablespoons hot water
1/4 cup almonds, sliced
1/4 cup seedless raisins (cut in two)
9 oz. pkg. mincemeat, broken up with fork

Cream butter, sugar, eggs, molasses and vanilla thoroughly. Sift remaining dry ingredients together and stir into creamed mixture. Stir in hot water then stir in almonds, raisins and mincemeat. Spread thin in 2 greased 13x9 oblong pans. (Dough puffs and fills in any holes as it bakes.) Bake 12 to 15 minutes. Spread immediately with mixture of--
1 1/2 cups sifted powdered sugar
About 3 tablespoons hot milk
1/2 teaspoon vanilla
1/2 teaspoon almond flavoring
Cut into squares or diamonds.

Freeze Date Nears: Cotton Still Blooms

Parmer County's first light frosts are only around the corner. At least, they are near at hand if average annual temperatures mean anything in 1958.

However, area cotton doesn't seem to be aware of this, and is still trying to make more lint by blooming and setting fruit. Most of this late-season plant activity has been stimulated by the moisture of recent days, which has encouraged the plants to continue to produce as nature intended them.

Very few farmers will admit that they are "ready" for a freeze but observers feel that in many cases where defoliants have been applied, stripping will soon begin if the weather turns fair and warm.

Extension of "Indian Summer" temperatures would still be appreciated, but the presence of warm weather is not now considered essential to having a crop that could be regarded as normal.

Until the first freezes come, airplane operators on this part of the High Plains will be very busy showing cotton fields with chemicals to stop their growth and hasten maturity.

Very few farmers will admit that they are "ready" for a freeze but observers feel that in many cases where defoliants have been applied, stripping will soon begin if the weather turns fair and warm.

Extension of "Indian Summer" temperatures would still be appreciated, but the

Lieutenant Pressley N. O'Bannon was in charge of the Marines who raised the American flag over the Barbary fortress at Drene, Tripoli in 1805.

On September 20, 1814, after the national Capital had been destroyed by the British, Congress moved into Blodgett's Hotel and was guarded by Marines.

THE HAPPY HOMEMAKER

BY JUNE FLOYD

Making cookies is one of the most enjoyable things a homemaker can do. There is absolutely no end to the varieties, shapes, colors, and decorations that an imaginative homemaker can use in making cookies. Making cookies is also something that a

mother can share with children of any age.

Any pre-school age child will enjoy assisting with cookie baking. Of course, when a child is helping the recipes have to be simple but the plainest cookie makes a good addition to the contents of a cookie jar.

As most homemakers know, every home should have two cookie jars--one for crisp thin cookies and one for soft cookies. Store cooled cookies to keep top eating quality.

For crisp cookies a can with a loose cover makes an ideal container. Then for the soft cookies an airtight container (preferably a covered earthen jar or a can with a tight cover) is needed. Slices of apple or orange in the jar helps mellow and moisten the cookies. The fruit should be changed often.

If your cookie recipe calls for plump seedless raisins and all you have are dry and hard, try plumping them in this manner. Wash raisins and spread out in a flat pan. Cover pan and heat slowly in moderate oven. To get full

flavor, cut raisins in two with scissors after plumping.

All you have to do to give iced cookies a professional look is to place the same amount of icing on center of each. Then, with a spatula, spread the icing with circular motion in pretty swirls.

When cookie recipe calls for sour cream, use freshly soured cream for best flavor. If you don't have your own milk and cream at home, buy it from a dairy or sour it yourself. To sour sweet cream, measure 1 tablespoon vinegar or lemon juice into cup then fill cup with sweet cream.

The following recipes are generally well liked by children or grown-ups. They are also simple to make and keep well.

Golden Carrot Cookies
1 cup soft shortening (part butter)
3/4 cup sugar
1 cup mashed cooked carrots
2 eggs
2 cups sifted flour
2 teaspoons baking powder

OPTOMETRY: The Art and Science of Visual Care

These are MY eyes . . .

Don't let this tragedy strike in your family. Protect yourself and your children against accidental blindness.

Since more accident-blindness occurs in or near the home, move all acids and sharp-pointed objects out of the reach of youngsters. Be sure to shield your own eyesight while hammering nails, using a saw, or doing other work that may endanger your precious eyes.

Regular yearly vision examinations may also prevent blindness in you and your children.

DON'T LET YOUR HANDS BE YOUR EYES.
