They all say that in the spring a young man's fancy turns to what a young lady has been thinking about all winter, well, in the fall most folk's thoughts turn to football . . . and ours is no exception.

Last weekend we had intended to couple together a visit to Lubbock and a newspaper meeting with a football game.

The boss had told us that all was fixed up and we'd take along our wives and really have a Saturday of it.

Well, as it turned out we really had a good time and enjoyed ourselves . . . but we all got one laugh while down there at the boss's expense.

Seems that Sonny couldn't find the tickets for the football game before we left for Lubbock, but "Wally Garets (head of the Journalism Department" at Tech) will fix us up."

So Mr. Garets was informed of our ticketless plight when we arrived and set about to try and get some tickets for us.

They had a record of what tickets Sonny was supposed to have had and all, but the originals were not to be found.

Anyhow, late Saturday afternoon after the athletic department was turned upside down looking for the tickets Sonny and the wives were in downtown Lubbock while some of the rest of us were bowling.

While downtown they ran in to some folks from Farwell. "Going to the game?" Sonny asked.

"Sure am," was the reply. "Do you have tickets," Sonny asked.

"Sure do, guess who gave them to us!" was the unexpected reply.

At this Sonny's jaw dropped like an express elevator as the realization dawned on him that he had supplied the tickets way back in the summer.

So, we found something else to do besides attend the ball game.

And--it was almost as good as the game anyhow.

For the past few weeks we've been occupied trying to become an expert "do-it-yourself" house finisher.

In our efforts we've found that most of this is best left to those who know what they are doing.

In our short span of newspapering we've been cussed, nagged, and numerous other things, but last week was the first time we'd ever been hit by a house.

Glenn Floyd and yours truly were under the house leveling a room and had the house jacked up in one particular spot.

After putting cedar shingles on top of a pier Floyd hollered and asked if we were ready to shoot the jack.

Sure -- go ahead we shouted back.

Unbeknowing to us, there we were laying on top of a mound of dirt looking up like a turtle.

Wham! Down came the house -- and Bop! -- right on top of our noggin.

Guess maybe one of these days we'll learn to keep our neck from getting stuck out where it can be crammed back down between our shoulder blades, especially when houses are concerned.

'Legging, Hot Checks Draw Fines

Bootlegging and bad checks got two colored men into trouble with the county law over the weekend.

David Dawkins, 23, a laborer on a farm north of Farwell, was charged with and pled guilty to selling intoxicants. He appeared before Judge Loyde Brewer in county court Monday morning and was fined \$100 and costs for the offense.

Dawkins was picked up by Sheriff Chas. Lovelace and Henry Minter, Bovina deputy, at the farm home about 2 a. m. Sunday. The officers searched his home and found him in possession of about a half a case of wine at the time.

This was the first time Dawkins had been arrested, but he has been under suspicion for bootlegging activities for some time.

Larry Lewis, 28, who gives Houston as his home but who has been working around Farwell on construction jobs, pled guilty to a charge of passing worthless checks.

He gave four checks to two Farwell businesses--Bill Moss Service Station and City Cafe--for a total of \$90. Three checks were for \$20 each and one was for \$30.

These checks were not forged, but were worthless, and so the offense was classified as a misdemeanor. (Had he written them on another person's account, the offense would have been forgery and the case would have gone to district court as a felony.)

Lewis appeared before Judge Brewer Monday morning and was fined \$1 and costs for each of the four instruments he passed last week. Court costs run about \$23, so his fine total will be around \$100.

He agreed to make good the checks.

Lewis was picked up in Farwell by the sheriff's department. The sheriff's department helped the Highway Patrol investigate a wreck near the Lester Norton farm on Highway 60 Sunday afternoon, between Farwell and Bovina.

Jerry Ellison and his wife, riding in a passenger car, collided with a pickup driven by Lexie Branscum. The pickup was turning left from the highway as the Ellisons attempted to pass.

The vehicles were damaged extensively as they spun out of control on the loose new pavement gravel. No serious injuries resulted.

BAND COMPETITION AT PORTALES--Ann Baxter and Mary Jane Grubbs are in the foreground with the Friona Chieftain Band doing some smart stepping in the background at the ENMU Homecoming Parade in Portales, N. M. last week. The band won second place honors in the parade having been beaten out by Olton Band for top honors.

Clock Ticks 7 Seconds Too Long For Chiefs

Scoring the first time they got the ball, and then coming from behind at half time with a score of 28 to 8, the Tulia Hornets defeated the fighting Friona Chiefs by a score of 34 to 28 at Chieftain Stadium Friday night. It was the district opener for both teams.

Tulia started the ball rolling by kicking to the Chiefs. The Chiefs ran only one play from scrimmage and lost the ball to Tulia when the Hornets recovered a Chief fumble on the Chief's 47 yard line. Faced with a fourth down and five yards needed, the Tulia Hornets attempted a first down try which was successful. The play was a pass from the quarterback to the left halfback, and carried the ball down to the Chief's one yard line.

On the next play from scrimmage, the Hornets scored, making the score Tulia, six, Friona nothing. The try for extra point was good, and the score then stood at eighty for the visiting Hornets and nothing for the home team.

Tulia once again kicked to the Chiefs, with the ball stopping on the 26 yard line of Friona. This was the second time of the evening the Chiefs began moving from scrimmage, and move the ball they did. In exactly nine plays, the Chiefs had their first touchdown of the evening when fullback Gary Bradley went off right tackle for 46 yards and a six pointer. A key block on this play was thrown downfield by Ronnie Castleberry, Friona quarterback.

The try for extra point was good as Castleberry ran it over, and the score then stood at all the way, like it was Friona's eight for both teams.

For the second straight time, the Chiefs attempted a short kick and this time it paid off, as they recovered the ball on their own 49 1/2 yard line, after it was touched by a Hornet. The Chiefs once again began rolling toward pay dirt. Climaxing the 51 yard drive toward the goal line this time was Jackie Hight, as he ran over from the one yard line. The try for extra point failed and the score then was changed to 20 for Friona and eight for Tulia.

Another short kick was attempted by Friona, but this time without the previous success. Tulia took over on the Friona 46 yard line, but they could never get the ball to rolling and again had to kick the ball on a fourth down situation. The ball went out of the end zone as the first quarter of play ended and Friona, at the beginning of the second quarter was faced with a first down on the 20 yard line.

On the third play from scrimmage, Friona fumbled the ball and Tulia recovered on the Chief's 22 yard line. However, the visiting Hornets were unable to capitalize on this break as the Chiefs held them and took over on downs on their own 19 yard line.

Getting their drive underway once more, the Chiefs moved from their own 19 yard line to the goal line, a drive of 81 yards. The touchdown was made by Bradley as he went over the left side from one yard out. The extra point was good as Bradley ran it over, and the score then stood at 28 for Friona and eight for Tulia.

Taking over from the kick, Tulia moved the ball down to the Friona 18 yard line, but again the Chiefs held them and took over on downs. Before they could get another drive started, the Hornets held the Chiefs on this series of downs, and the Chiefs were forced into a punting situation. The half ended as the ball was rolling down field.

With the beginning of the third quarter, it was Tulia's game

Slight Frost Gives Push To Harvest

TROP 53 MEETING NIGHT HAS CHANGED

Wednesday night at 7:30 p. m. will be the time in the future for the regular meeting of Boy Scout Troop 53 of Friona, announced Durward Taylor, assistant scoutmaster of the Troop this week.

The meetings will be held in the Scout Hut and all members are urged to attend.

A slight frost last Wednesday night has given an additional push to the maize and cotton harvesting in Farmer County the past few days.

According to the information received here this week cotton farmers got the most good out of the frost as the nip aided defoliation of the crop and most fields have been given a chance to open the new bolls.

For the past couple of days temperatures have been fairly high and the cotton has been coming along a lot better than it seemed possible only a couple of weeks ago.

Friona Lions Give PCCH Food Cart

Boss Lion George W. Jones handed H. E. Barnett, manager of the Farmer County Community Hospital a check this week for \$1,425 for the purpose of paying for a hot and cold food serving cart for use at the hospital on behalf of the members of the Friona Lions Club.

The members of the local Lions Club voted to give the cart to the hospital at their first regular meeting this month.

The serving cart was delivered to the hospital late last week and is now in use.

Barnett pointed out that the new cart will be a boon to patients in the hospital in that when the rooms are full the meals can be kept warm, or cold as the case might call for, until the meal is taken to the patient.

The serving car has two compartments for trays, one for hot and one for cold and these can be interchanged as the need arises. Also, the cart, which is constructed of stainless steel, has drink compartments which are also hot or cold thermoses. The cart rolls on ball-bearing rubber tires and can be easily handled by the nurse.

Nelson Welch Named On LCC Board

Nelson Welch of Friona has been named to the Board of Trustees of Lubbock Christian College, a junior college in Lubbock.

Welch has been an advisory board member for the college for a number of years. He is one of 27 business and professional men who direct the affairs of the college.

UPSETS TANGLE CONTEST--

Watkins Family Dominates Contest

The Watkinses, all both of them, dominated the Cotton Bowl Football Contest this week with Kenneth Watkins taking first honors and his wife, Thelma, coming in for third prize. Ronny Ferguson, also of Friona separated the Watkins by snaring second place honors.

In the overall results Martell LeVeque nosed ahead of Laura Hart by picking 8 out of 12 correct while Laura Hart picked only 6 correct out of 12.

This leaves LeVeque out in front by two points followed closely by Mrs. Hart and J. S. Clark who are both tied at this stage of the game having both missed only 18 points out of a possible 72 for a perfect score.

Others who have held their own in the overall contest are Jim Terrell with 19; Dolph Moten and Dale Hart with 21; Mrs. Roy Simmons with 22; and J. P. Sims and Jackie Clark with 23 each.

Year's Day. Get your contest entry into the Star office today and compete in the contest.

THIS WEEK'S WINNERS--This week's winners in the Football Contest are pictured above after they received their checks. They are left to right, Kenneth Watkins, first place of \$75; Thelma Watkins, third prize of \$3 and Ronny Ferguson, second place winner of \$5.

WHAT LUCKY BOY OR GIRL WILL WIN THIS PONY?--The pony of course is on the right side of the picture, that is Sam Williams, post commander of the Friona American Legion Post 206 holding the pony. It will be given away Christmas Eve to some lucky holder of the right ticket complete with saddle and all the trimmings to make some youngster happy for Christmas. The tickets are for the benefit of the construction of a new Little League Park in Friona.

In Parmer County \$3 Per Year
Elsewhere \$4 Per Year

Entered as second class mail matter July 31, 1925, at the post office in Friona, Texas, under the Act of March 31, 1897. Published each Thursday.

Lubbock Man New Justice

A new chief justice of the Seventh Court of Civil Appeals, which serves this county and 45 others in the Panhandle and South Plains areas, was officially sworn in at Amarillo recently.

He is Chief Justice James G. Denton, for the past six years judge of the 99th District Court at Lubbock.

Governor Price Daniel named Denton for the appellate post to replace Chief Justice E. L. Pitts who died last month. Gov. Daniel also named Howard Davison, Lubbock attorney, to replace Denton on the 99th district bench.

Both Denton and Davison had been endorsed for their new offices by members of Lubbock County Bar Association.

A Texas Tech graduate, Denton received a degree in government from the Lubbock college in 1938, then graduated from Texas University Law School in 1941.

ALL TIED UP

Herman Levin, producer of MY FAIR LADY, tells of the two women who sat in the orchestra, an empty seat between them. At the intermission one said, "I waited eight months for my ticket."

"So did I," said the other.

"What a shame--this empty seat," said the first.

"Oh, that's mine, too," replied the other. "It was my husband's only he died."

"But couldn't you have brought a friend?"

"No," she said, shaking her head. "They're all at the funeral."

the whole staff in to listen to a couple of jokes he'd picked up, everybody but one girl laughed uproariously.

"What's the matter?" grumbled the boss. "Haven't you got any sense of humor?"

"I don't have to laugh," said the girl. "I'm leaving Friday anyhow."

The man who commands efficiently must have obeyed others in the past.

SURE THING

Shop Foreman: "I'm looking for a gift for my girl. I want something that will make her face light up; something that will make her eyes sparkle; something that will rekindle the fire of love."

Jeweler: "Well, if you're trying to burn her up, don't give her anything."

SAFE

The boss returned in a good humor from lunch and called

NEW SCS WORKER--Billy Liston, formerly of Clovis, and a graduate of Texas Tech assumed duties here this week with the Soil Conservation Service. The Listons are at home in Friona having moved a trailer house in at the McGlothlin Trailer Park west of town.

Bill Liston New SCS Worker Here

Billy J. Liston, 23, a graduate of Texas Tech, has joined the Soil Conservation Service unit in Friona and will take his in service training under the supervision of the Friona SCS Office according to Bob Crozier, soil conservation unit leader.

Liston is a native of Clovis, N. M., and attended Texas Tech taking his degree in Agronomy this past June.

He is married to the former Patsy Woods of Clovis and the couple have two children, a boy, Lynn, age 2 and a girl, Jacque, age one year.

This is Liston's first experience in the SCS field having worked since his graduation at the Plains Experiment Station in Clovis.

Mrs. Paul Strickland and Mrs. Lee Campbell and children, Randy and Cindy, returned Sunday evening after spending the weekend in the home of Mr. and Mrs. Ray Strickland and sons at Kansas City, Mo. Gene, son of the Ray Stricklands, returned to the home of his parents after spending several weeks with his grandparents, Mr. and Mrs. Paul Strickland.

Carlene and Maynard Greeson spent Saturday night in Hereford with their grandmother, Mrs. S. J. Greeson.

Weekend guests in the home of Mr. and Mrs. Wesley Hardesty and Lu Ann were Mr. and Mrs. Frank Day of Plainview. Mrs. Day is Hardesty's sister. "Mates who drive with one hand are headed for the church aisle. Some will walk down it--some will be carried."--Seabees Coverall.

Golden Anniversary Observed By PTA

A large crowd attended the formal observance of the golden anniversary of the Parent Teacher Association. The meeting began at 8 p. m. Thursday in the auditorium. A birthday cake with 50 candles centered the stage for the opening skit.

the school board Monday evening.

Mrs. Ernest Osborn and members of the FHA chapter supervised a nursery in the gymnasium for children of persons attending the meeting.

During the social hour in the cafeteria cake and coffee were served by Mesdames Marion Fite, Newman Jarrell Jr., James Procter, Bill Woolley and Billy Sides.

Susan Floyd, Tommy Jarcecki, Joey Taylor and Carla Mae Turner presented the skit. This was followed by a Texas program presented by sixth grade students under the direction of Mrs. Troy Ray and Mrs. Marguerite Bruce.

"The Challenge," a story and film was then shown by Principal Raymond Cook.

During the business session the establishment of a library for costumes was discussed and plans were made for sponsorship of such a project. A committee was appointed by Mrs. Andy Hurst Jr. to meet with

THE INN OF THE
SIXTH HAPPINESS

HERE'S WHAT MAKES the CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear--where it belongs in a compact car. With more weight on rear wheels, you get extra road-gripping traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvaire handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and uncluttered... as fresh and functional as modern architecture.

AIR COOLED

You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Air-plane-type heater* goes to work almost instantly. *Optional at extra cost.

Revolutionary Rear Engine

works small miracles with mileage. It's the world's first production 6 with the ultra-smooth power of horizontally opposed pistons.

Unpack Power Team

Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.

Practically FLAT FLOOR

Corvaire is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat* converts easily to make room for 17.6 cu. ft. of cargo. *Optional at extra cost.

TRUNK'S UP FRONT

Lots of luggage space under the hood, where it's convenient for groceries, packages.

4-Wheel Independent Suspension

Springs at each wheel cushion bumps independently of each other for a ride that rivals much costlier cars.

NEARLY 3 FEET SHORTER

Corvaire's almost 5 inches lower, 1,300 pounds lighter, too. Its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

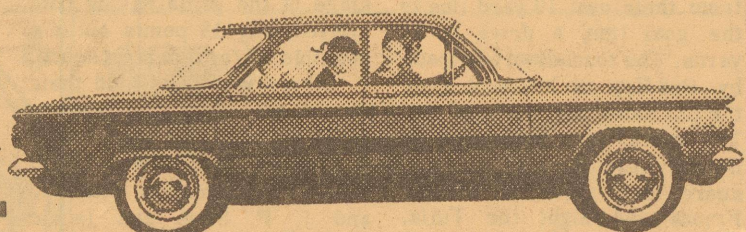

...and the most practical thing of all is Corvaire's

LOW PRICE!

HIGHLIGHTS AND SIDELIGHTS—

Air, Tideland Top Questions In Austin

AUSTIN, Tex.—Though it hasn't any Los Angeles-type smog or London "pea soupers," Texas, in common with most of the civilized world, has "dirty air" problems. Industrial smoke, automobile exhaust, incinerators -- even small town cotton gins -- are among the factors that pollute Texas air. State Health Department is using the approach of Cleaner Air Week, October 25-31, to

remind Texans of the importance of the air they breathe. During one day, says the Department's October bulletin, a person must breathe 30 to 35 pounds--or a whole roomful--of fresh air. Texas by no means has the problems of cities like London where in 1952 several thousand died during a period of excessive air pollution. But, says the Department, "the problem is already present and growing in areas where no action is being taken."

Every citizen can help, says the Bulletin. Improper heating appliances in homes give off tons of uncombusted material and burning of leaves and trash in the back yard adds irritating agents to the air.

If you are especially interested in the problem, the Bulletin suggests you contact your local health department which will advise you where the air pollution abatement group in your area meets.

HOW MUCH TIDELANDS? Texans now await a decision by the U. S. Supreme Court on how much of its tidelands the state owns.

U. S. attorney general claims the state owns a strip only three miles out from the coast. Texas officials say it is three leagues, or 10 1/2 miles.

That Texas owns some tidelands was established by a 1953 act of Congress giving states control of their submerged lands to their "historic boundaries."

Gov. Price Daniel and Texas Atty. Gen. Will Wilson argued before the high court that a historic boundary of three leagues had been established in the days of the Texas Republic and was agreed to by the U. S.

Opposing federal argument is that the U. S. has insisted on a three-mile limit for all countries for many years as a matter of "national policy."

Texas' oil-bearing tidelands, particularly those further out, are believed to be worth many millions in revenue for the state public school fund.

STRAWS IN THE WIND--Indications keep piling up that a special Legislative session to raise teacher pay and a third-term race by Governor Daniel are strong possibilities.

Letters favoring the teacher pay session are greatly increasing, according to the governor's office. A representative of the Texas State Teachers Association said teachers are not "cooling off" in their drive and are not planning to wait until 1961. Several union labor groups have endorsed tea-

cher raises and offered to help in the drive.

A recent State Democratic Executive Committee newsletter states Daniel's popularity in polls and quoted him as planning "to keep the door open."

Which probably means the governor will keep the political pot in simmering suspense until very near the Feb. 1 filing deadline.

FIRST WATER LOAN--Texas Water Development Board has made its first loan under the \$200,000,000 program passed by the Legislature in 1957.

Lower Nueces River Water Supply District received \$3,000,000 which will be used to complete the \$21,000,000 Wesley Seale Dam.

Under the program, the Development Board sells bonds and loans money to local governments to pay part of the cost of water conservation projects. Program is self-liquidating. Board is presently paying 3.56 per cent interest on the bonds and charging 4.06 per cent on loans.

White River Municipal Water District in West Texas is expected to receive the next loans. It is seeking aid for a \$4,000,000 project to supply water to

(Continued on Page 6)

Bankers Like To Lend Money For Remodeling

Families who want to remodel or otherwise improve their homes but are concerned about where to get the money would be wise to investigate all the methods of financing available for home improvements. An encouraging note is that loans for this purpose are considered "preferred" by most banks and other lending institutions.

Here are the principal types of loans available for remodeling and home improvements:

1. **FHA Title I loan.** Amounts up to \$5,000 are available at 5 1/2 percent interest, repayable in as many as 60 months. Government-insured, these loans usually are easiest to get.

2. **Open-end mortgage.** Often the least costly of all, these are available to home owners who have an "open end" clause in their mortgages. This permits borrowing additional funds at the same mortgage rate without rewriting the mortgage or taking out a separate loan. Monthly payments are increased slightly.

3. **Rewritten mortgage.** If the home owner doesn't have an open-end mortgage, his bank often will extend another loan for home improvements. This usually amounts to a second mortgage which is consolidated with the first. Interest rates generally are lower than on short-term loans.

4. **Conventional loan.** Usually obtained from banks, this type of loan has no restrictions as to the type of improvement. It generally is limited to \$2,500 repayable in from three to five years.

5. **"Own plan" loan.** Many banks, savings and loan societies, and trust companies have special plans for home improvement loans. Interest rates may be higher than FHA loans, but conditions of the plan may be more suitable for certain home owners.

Fortune teller: Prepare yourself--your husband is about to die a violent death.
Wife: Will I be acquitted?

How much is your HOME worth today?

Nine people out of ten don't know!

Your home is probably worth MORE right now than you think. And you may not have taken this into account in planning your insurance protection.

If I'm right, you stand to lose a lot of money RIGHT NOW through a fire, wind-storm or other disaster.

May I tell you WHAT YOUR HOME IS WORTH and how little extra you would pay for FULL insurance protection? No cost or obligation. Just call me at 8811

WHO'S WHO IN FHS

Most all the seniors and juniors are acquainted with this week's teacher, Mrs. Carmaleet Tims Truitt. She teaches English III and IV.

Mrs. Truitt was born in Hedley, Texas, in Donley County. She attended Goodnight High School in Goodnight, Texas. At West Texas State she received her B. A. degree and majored in social science and English.

Mrs. Truitt and her husband, Frank, have lived in Friona fourteen years. They have a son, Larry Frank, nine.

Mrs. Truitt says her favorite foods are Mexican dishes. When she has time for relaxation, her favorite pastime is reading a good book. When it comes to sports, Mrs. Truitt says she is partial to basketball.

When asked to describe her ideal student, she said, "One who is courteous, self-disciplined, and who does his best." Her pet peeve is "people who are late."

Mrs. Truitt comments, "I spent the first half of my life wanting to teach school--the last half so far, trying to do it. It has been, and is, a very satisfying career for me."

This week's girl of the week is Sharon Reeve. She is a freshman in Friona High School. Sharon is a member of the high school band, FHA, and plays basketball.

Sharon, secretary of the freshman class, was chosen most beautiful and alternate to the S. F. C.

Her favorites are the following:
 Sports Football
 Hobbies Music and Sports
 Actor Clark Gable
 Actress Debbie Reynolds
 Movie "Say One For Me"
 Song "Tammy"
 Singer Pat Boone
 Food Fried Chicken
 Subject English Literature
 Teacher Mrs. McLean
 Sharon's pet peeve is boys who don't act their age.

The boy of the week this week is Lee Gibson, son of Mr. and Mrs. Tom Gibson. He is a sophomore. His vital statistics are as follows: Height 5'7", Weight 128 lbs., Eyes brown, Hair brown. Since he has been in high school he has taken part in football and the F.F.A. Some of his favorites are:
 Sport Football
 Singer Dee Clark
 Song "Hey Little Girl"
 Actor Edward Burns
 Actress Brigitte Bardot
 Color Violet
 Food Fried Chicken
 Car Ford

Cynthia Guinn was honored with a birthday party in her home Saturday afternoon. Guests were Janet Buckley, Joy Ingram, Carol Ray, Pat Barker, Sandra Hoover, and Sharon Reeve. Cynthia, too, was presented with lovely gifts.

There were ten contestants representing ten schools participating in the first Journalism Interscholastic League; last year there were 300 contestants from 157 schools. The League is observing its golden anniversary during the 1959-60 school year.

Frosh Lose To Tulia

The Friona Freshmen lost their first game of the season to the Tulia Freshmen Thursday night at the Hornet Stadium by a score of 20 to 14.

Scoring for the Friona eleven were Robert Houlette and Max Reeve. This loss now gives the local Freshmen a two win, one loss and one tie record for the present season.

The Freshmen meet the Dimmitt Freshmen team Thursday (tonight) at Chieftain stadium for their fifth game of the year. Game time is at 6 p. m.

Chiefs Feel Hornet's Sting

Counseling Guides Teeners

BY FAYE SCALES
 Counseling is a program by which an attempt to help another person to see through himself and his problems. This type of work is done by teachers, parents, and students.

What is a school counselor? There are three areas that a school system feels that young people will have to face particular problems. All students, as they go through school, will have problems in selecting the right courses to take and the courses that would be suitable for the individual person. As the students reach their senior year, they have the problem of selecting their life's vocation. It is becoming a more difficult task to pick a vocation because there is such a wide variety of fields to pick from.

We all have emotional problems, and when we meet a great deal of frustration, it generally makes us feel better to go to a friend. A teacher isn't a psychiatrist, but they generally gain understanding of basic problems as they teach year after year.

Why have a counselor in school? Teachers throughout the state have ask for counseling services in the schools because they have felt the need of someone who has the time to accumulate the vast libraries of material that a teacher needs to do effective counseling. Teaching and counseling is one and the same, but the job of counselor has been set up to accumulate the materials which will make it possible for the teachers to have the information they need in helping a student. This year in Friona the majority of our efforts will probably be working together in organizing and in studying how we can do a better job with our young people.

ALL SET TO BEAT THE BOBCATS--That seems to be the topic of interest between Karen Turner and Janet Snead. They are pictured hanging a pep club poster in the hall.

Tulia B Wins Over Friona

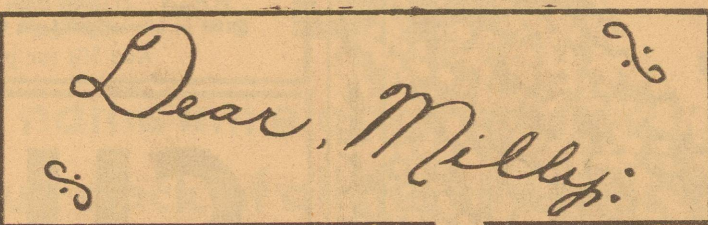

BY TEDDY WHITE
 The Friona "B" team traveled to Tulia on Thursday Oct. 15, 1959, to play the Hornets "B" team.

The Hornets had a lot of beef on the line as they beat the "B" team by a score of 34 to 14. There was no kick off as this was just sort of a scrimmage. The Friona "B" team got the ball on their own 30 yard line where from the first play of scrimmage Floyd Reeve ran for a touchdown. The extra point effort failed.

The Hornets then got the ball on their own 30 yard line where they were held for two plays. On the 3rd down, however, the horns threw a pass which covered 68 yards for their first touchdown. Tulia then ran the ball around end for the extra two points. Tulia scored many more times before the quarter was over as the score was 21 to 6. Friona scored their other touchdown before halftime and ran the extra point over. Tulia scored their other touchdown before the halftime on a pass play and place kicked the extra point to make the score at halftime 28 to 14.

The Interscholastic League Press Conference, a scholastic journalism organization sponsored by the University Interscholastic League, had 56 member schools during the 1928-29 school year; during the 1958-59 year ILPC had 334 members--an all-time record. The League is currently celebrating its 50th year.

REVENGE!!

Dear Milly:
 We have a problem. Our teacher for the third period insists on lecturing us during the 30 minute period before the bell unless we leave.

Some of us would like to study and some of us would like to talk. His lectures are always uninteresting. What can we do?
 Bored

Dear Bored:
 Talk to the teacher! Maybe he doesn't know or doesn't realize what he is doing or how the class feels about his lectures.
 Milly

Dear Milly:
 I have a problem. I can't seem to meet girls that I would enjoy going with. I can't find a girl period! I know that I am terrible looking and have no personality at all, but does this mean that girls all have to go over soldier boys.
 Hopeless

Dear Hopeless:
 Work on your personality and try being neat. You may not be the most handsome boy in the world, but you can be the most likeable. Not all girls like soldier boys, just a few.
 Milly

Clock Beats Chiefs

In a game that wasn't won until after the final gun sounded, the Tulia Hornets defeated the Friona Chiefs 34-28, here Friday night.

On the final play of the game, Tulia quarterback hit the left end with a 25 yard touchdown pass to break a 28-28 deadlock. Although the final gun had sounded the Tulia end crossed the goal after time had run out.

Bradley of Friona lead the scoring attack with 2 touchdowns, and an extra point and Dick from Tulia followed with 2 touchdowns on long passes. Other touchdowns were scored by quarterback Castleberry and halfback High with one apiece.

With the score 28 to 8 at the halftime, Friona failed to score in the last half. Tulia came back, scoring 26 points in the last half to win by a score of 34-28.

Howe's Book Enlarges View Of Life

BY ERMA LOU DRAKE

THE FIRES OF AUTUMN, by Helen Howe is a story about human beings, rather than symbols or social problems. The focus is life, rather than making a living or forging a career.

The main character is a woman, just past youth, whose marriage to an architect was not working out very well. So she goes back to the Maine Island where her romance begins. Here, with her Bea, she finds what she needs to save her marriage -- or give it up.

The hope that her aunt's store of love and understanding will rub off on her turns to disappointment. Looking for the clue to her aunt's closeness to life, she discovers what has gone wrong in her own marriage. In the end you know whether or not she succeeds in rebuilding her marriage; in either case she will begin to live.

You grow to know the characters so well that you will share their thoughts and experiences. In fact, you will want to stop and add your ideas to the conversations.

After you read THE FIRES OF AUTUMN you will have a larger, truer view of life.

 Somnolous means that a person is apt to talk in their sleep.

Future Nurses To Get Pins

BY CLARE SAVAGE

In a meeting held October 13, in room 4, the Future Nurses decided to order club pins. Money for these pins is due the second Tuesday in November.

These ambitious young nurses also discussed plans for Christmas projects for the hospital. Nothing definite was decided regarding these plans.

New members who attended this meeting are Debbie Hawkins, Martha Knight, Kay Johnson, Carla Turner, and Mary Hadley.

Chit Chat

BY BRENDA DEATON

Friday evening, following the game between the Friona Chiefs and the Muleshoe Mules, was filled with fun and gaiety for those at the home of Erma Lou Drake. The girls present were: Dolores Elmore, Linda O'Brian, Faye Scales, and Virginia Fulks. Virginia, who was celebrating her 17th birthday was presented with many lovely gifts.

To Play Dimmitt

BY LUTHER METCALF AND TEDDY WHITE

Thursday night the Dimmitt freshmen and "B" team will meet the Friona freshmen and "B" team at the Chieftain Stadium.

The freshmen will go into this game with 2 wins, 1 tie, and 1 loss. The "B" team has a record of 1 win and 1 loss. Dimmitt's teams run a straight T offense and occasionally running a spread.

THE THESPIANS ARE STILL AT IT | Joe Ayers, James Gee, Tom Gee and Darla Bingham are pictured rehearsing for the Thespian play, A Double-Barrelled Detective Story, to be presented Friday, Oct. 30.

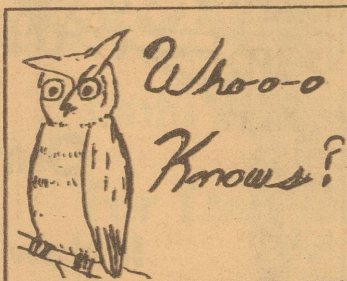

Zeiman Speaks To FHA

BY SUE WHITE

Friona F.H.A. chapter met Tuesday, October 13. Mrs. Zeiman, a previous Home Economic teacher, brought the program. She spoke on the subject of "What F.H.A. Would Mean in the Future."

Sally Hough was appointed chapter representative. Members, also, got membership cards. Then Jimette McLean lead members in the F.H.A. prayer song.

Satan was the first that practised falsehood under saintly show.--Milton.

BY BRENDA DEATON

For the dictionary quiz this week we have chosen the word somnolous. We asked the question, "What would you do if someone said they thought you might be somnolous?"

These are a few of the answers the students gave us: La Voyce Burrow -- I'd ask them to translate it.
 Robert Houlette -- I'd tell them they were a nut.
 Darla Bingham -- They must think I was hungry.
 Janette Johnson -- They must think I was a light sleeper.

What -- Me Worry?

(Clipped from the Dimmitt Bobcat)

With the six-weeks test already knocking at our doors, few students are more concerned than the caption indicates. Every time a test comes up, it's THE SAME STORY. Most of the teenagers feel that to make an "A", you have to be either a brain or a pretty good friend of the teacher. Students today are inclined to feel that making a passing grade is the only thing to worry about, and that if they dare miss one party or local gathering their social life is stunted permanently.

Many of our so-called smarter students use cheating as a step-ladder to better grades. They fail to realize that there are more reasons for not cheating than just the physical consequences of being caught. If they were suddenly propelled into the future five or ten years when a prospective employer is investigating their high school record, they might find themselves wishing that those grades had been made fair and square.

Whenever you made a good grade on a quiz by supplying answers that you yourself know, a certain degree of pride should be felt, along with the knowledge that something has been stored up for the future.

Teenagers in high school that feel a sense of honor in not cheating are often made to feel inferior by the other students. Boys and girls that study frequently and conscientiously are ridiculed by their classmates. A strong will is needed to resist the temptation to obtain just a little help from outside forces.

When the students receive their report cards next week, we might do well to be more concerned about the marks on the cards. Our motto might -- well be -- "WHAT -- ME? I'M WORRIED!"

7th -- 8th Braves Victory Over Canyon

BY RONNIE WOOD
 The Friona 8th grade Braves lost a close game to the Canyon 8th grade team. The game was played Tuesday night on the Chieftain field.

Friona scored first in the first quarter on a pass from Gary Remer to Glen Herring which covered 35 yards. They try for extra points failed and Friona led 6 to 0. Canyon came right back and scored early in the second quarter and the try for the extra points failed. The score was 6 to 5 and this was the score at the end of the first half.

Friona kicked to Canyon to start the second half and Canyon marched for a touchdown, scoring on an end sweep which covered 20 yards. The try for extra points failed and Canyon led 12 to 6. Friona came right back and scored when Everett Gee went off tackle for 7 yards. The try for extra points failed and the score was again tied 12 to 12. In the fourth quarter Canyon scored off tackle on a 5 yard run. The try for extra points was good, and Canyon led 20 to 12. This completed the scoring of the game, even though Friona made a desperate attempt to score, but time ran out.

The Braves next game is with Olton 8th grade here, next week, at the Chieftain field.

BY TEDDY WHITE
 The 7th grade Braves defeated Canyon's 7th grade by a score of 20 to 0. Canyon kicked off to the Friona Braves and the Braves ran the ball to the 30 yard line where they made

it to the 35 yard line in the next two plays. Jimmy Snead then took the ball and ran for a 65 yard touchdown. The extra point effort failed. Neither team could move the ball very well for the rest of the first half and that is how the score stood at the half time.

The Braves kicked off to the Canyon 7th grade, but the Braves defense held and Canyon had to punt on fourth down. Friona began a march up the field and Jimmy Snead capped the march with a 20 yard touchdown. Snead again ran for the extra points making the score 14 to 0. Snead scored once more before the ball game was completed making the final score 20 to 0.

Congratulations, Boys! Keep up the good work. The 7th grade boys will play Olton Tuesday, 20, at the Friona Chiefs stadium.

Frosh Lose First

The freshmen's journey Thurs. to Tulia proved to be unsuccessful with Tulia winning the game by a score of 20 to 14.

The opening of the game came as the Chiefs kicked to the Hornets. The first score of the game in the first quarter after each team had a turn with the ball. The score was made on a 25 yard end run by a Hozaet halfback and the conversion attempt failed.

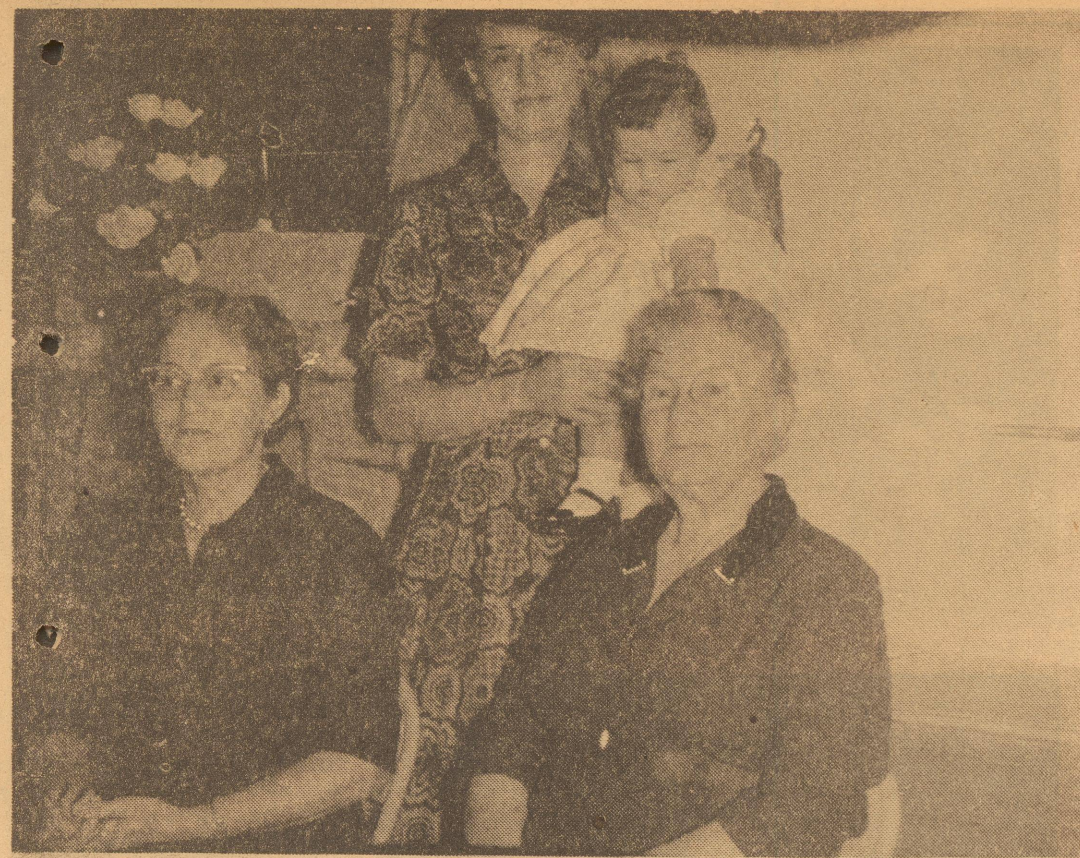

Early in the second quarter the Chiefs score came on a 70 yard run around left end by quarterback Robert Houlette. The extra points were scored by righthalf David Lowrie. The Hornets came back to score once more before the end of the first half giving them a 14 to 8 halftime lead.

Coming back into the second half the Chiefs received the kick, returning it to their own 45 yard line. On the first play after the kick, left half Darrell Patterson sparked the team with a 45 yard run on a dive play. Leaving the ball with a first and goal to go, the Chiefs scored on a quarterback sneak by Houlette from the 3 yard line. Thus tying the game 14 to 14.

The last score of the game, was made by the Tulia fullback on a 45 yard run up the middle. Winning the game for Tulia with a score of 20 to 14.

Chief's Captain Injured

BY JANETTE JOHNSON
 Friday Night, October 16, during the game here between the Friona Chiefs and the Tulia Hornets, the Chief's football captain, 17-year-old Jackie Hight, was injured. He was sent to Parmer County Community Hospital for a check-up, and found to have a concussion.
 Hight has played football in Friona for two years. He is the son of Mr. and Mrs. D. F. Hight of Bovina, Texas. He has lived in Friona since his sophomore year. He was vice-president of his junior class, and is president of the senior class this year.

FOUR GENERATIONS OF CLUB MEMBERS—Although Sherri Rector isn't really a member of one of the three federated clubs in Friona, she probably will be when she grows up. Her great-grandmother, Mrs. A. H. Boatman (seated on the right) has been a member of the Friona Woman's Club 25 years; her grandmother, Mrs. Leo McLellan (seated on left) is also a member of this club; Mrs. Lloyd Rector, Sherri's mother, is a member of the Progressive Study Club.

**in and around
FRIONA**

WITH JUNE

We've been thinking for a long time that a skating rink and bowling alley in Friona would be a good thing. After going bowling for the first time in Lovington during the weekend, we're more convinced than ever that there should be one here.

In fact, what we would have liked more than anything would have been to have latched onto the one we saw down there and carted it home with us. In one side of the building there was a nice skating rink and on the other a bowling alley.

The skaters were mostly high school, grade school and pre-school age people, but the bowlers were young adults, older adults. Every age group seemed to be having an enjoyable time.

Some persons we have heard discussing the possibility of such a project here are of the opinion that first there would be a lot of interest then absolutely none. It seems to us that the enthusiasm would be contagious and would grow as time went on.

Maybe it's just the idea of keeping up with the Joneses, but from our standpoint it looks as if a bowling alley would be a good thing for Olton, Abernathy, Dimmitt and a few other towns of comparable size, there would be no reason why one in Friona wouldn't be a good thing.

In a recent publication we read or rather worked out a quiz entitled "What's Your Political I. Q.?" After checking our score and adding it up, we learned that, according to the test, we didn't do so bad.

Then a few mornings later we walked into a local cafe and one of the coffee drinkers asked, "What precinct do we live in?" At first we thought we lived in precinct one, but were not too sure of this and after several persons disagreed we were really confused.

The question began to go around and just about everyone that answered came up with a different answer. Within a few minutes Thomas Parsons came in and someone asked him, "Precinct one." was his answer. Since he drives a pickup that belongs to the precinct, no one disagreed with him.

Now we're wondering why we don't be consistent in the matter of precinct numbers and

have the same number for commissioners, justices of the peace and all other officers or purposes.

The more we think of it, the more we are convinced that some of these things are specifically designed to get people more and more confused.

Several times in the past few years we've run onto a list of rules under the title of "Child's Code For Survival." Every parent of small children should teach this code to all children before they reach school age.

CHILD'S CODE FOR SURVIVAL

1. Never hitchhike; never accept rides from persons you do not know.
 2. Never take money, candy or gifts of any kind from a stranger.
 3. Never go with strangers who ask you directions some place.
 4. Never go inside a person's home without first telling your parents.
 5. Never agree to work for strangers without the approval of your parents.
 6. Never play alone in alleys, in woods or deserted buildings.
 7. Never wait around in public washrooms in schools, theaters or buildings. Always leave immediately.
 8. Never let strangers touch you. Tell your parents immediately if any attempt is made.
 9. Use the buddy system--take along a pal or playmate when you go to school activities, movies or on a hike.
 10. Don't tarry on the way. When you start to school, for home or some other place, move along swiftly. If you have to be late, telephone ahead.
- We never read the first rule without thinking of the impression we made on one of our daughters. When Frieda was a first grader, she and Connie Schlenker, daughter of the Carl Schlenkers in the Rhea community, were good friends.
- Early in the spring of their first year in school Connie rode to school with her daddy. When they saw Frieda standing near the road waiting for the bus, they stopped and asked her to ride to town with them.
- She declined the invitation and was asked by one of the older children why she didn't ride to

school with Carl and Connie. Her reply was, "Mother says I'm not to get in the car with anyone I don't know and I don't know Connie's daddy."

Clipped this out of some paper and hope you enjoy it as much as we did.

Five most important words: "I'm proud of you."

Four most important words: "What is your opinion?"

Three most important words: "If you please."

Two most important words: "Thank you."

One most important word: "I."

Only one mail pouch was ever lost by the Pony Express.

Girl Scout Notes

Troop 114 met Monday afternoon at the Jim McLean home. Ann Cochran served refreshments. Flowers were planted in planters previously made by members of the troop. Then work was done on bags for trick or treat.

Leaders present were Taleta Mabry and Pearl McLean. Scouts attending were Glenda Mingus, Vicki Moorman, Terri Sue Mabry, Brownie Cole, Cindy Ingram, Shirley White and Letricia Bartlett.

Also Terri Lynn Wilson, Karen Agee, Linda Estep, Ruby Judkins, Martha Martin, Lou Chocran, Linda Fallwell, Becky

Club Members

Plan Party

A Halloween party was planned by members of the Hub Home Demonstration Club at the Thursday afternoon meeting at the Community Center. At the close of the business session refreshments were served by the hostess, Luna Fleming.

Those present were Ila Daniel, Genny Bingham, Lydie Tomlin, Francis McGuire, Faidine Wooley, Peggy Monroe, Melba Burleson, Lavon Renner, Peck Stringer, Jo Hand, Clyde Black and Helen Fallwell.

Turner, Donna Shackelford and Kathy Jones.

**NEWS FROM
BLACK**

The Black community had its regular monthly meeting Thursday night at the community building. In the absence of the president and vice president, John Benger had charge of the business session, after which George, Donald and Gwendolyn Green, Jacquelyn Magness, and Eva Miller presented music for the program.

Hosts for the meeting were Mr. and Mrs. Clyde Hays, Mr. and Mrs. Fern Barnett, and Mr. and Mrs. Johnny Hays. The next meeting will be Nov. 12 and the hosts will be Mrs. Helen Fangman, Mr. and Mrs. Roscoe Ivie, Mr. and Mrs. Otey H. Hois and Mr. and Mrs. Delton Lewellen for a pot luck supper.

Saturday night supper guests in the Bill Carthel home were Mr. and Mrs. George Frye of Canyon, Mr. and Mrs. Harland Frye, Mr. and Mrs. Gene Welch and children, Travis, Linda, and Connie Stone, and Sue Boothe of Dimmitt.

Miss Roberts of Dallas, Cam Griffin of Quanah and Judy Barnett, all students at Tech spent the week end with Judy's parents, Mr. and Mrs. Fern Barnett.

Mr. and Mrs. Gene Welch and children visited Mr. and Mrs. Glenn Welch and Dorothy at Lockney Monday night.

Mrs. Ellis Tatum and Debbie Hulette returned home from Albany Saturday after visiting with relatives there.

Several ladies of the community attended the tour of homes in Hereford Friday afternoon.

Steve Stone, son of Mr. and Mrs. Travis Stone, was in the hospital in Hereford Friday to have his tonsils removed.

Mr. and Mrs. T. J. Presley

were Sunday dinner guests in the home of their daughter, Mr. and Mrs. Woodrow Whitaker and family.

Mr. and Mrs. Joe Boeckman of Oklahoma, and Mrs. Pat Fallwell of Friona visited in the Ellis Tatum home Sunday night.

Tuesday visitors in the Dick Rocky home was his sister, Mr. and Mrs. Dale Reid of Loveland.

Fin Harkins of Plainview, Bill Carthel, Harland Frye, Travis Stone and Gene Welch made a business trip to Texarkana on Monday and returned Wednesday.

Mr. and Mrs. George McMurry and family of Alamogordo, New Mexico visited in the home of Mrs. McMurry's sister, Mrs. Fern Barnett, on Sunday.

The Black home demonstration club were guests of the Northside Club in Friona on Friday. Members attending were: Mrs. Clyde Hays, Mrs. Ralph Price, Mrs. Johnny Mars, Mrs. Fern Barnett, Mrs. J. R. Braxton, Mrs. T. J. Presley, Mrs. Dick Rocky, Mrs. Roscoe Ivie, Mrs. Helen Fangman, and Mrs. Howard Elmore.

Those going deer hunting in Colorado during the past week were Tom, Joe, and Delton Lewellen, J. R. Braxton, Bill Carthel and Les Gibson.

Mr. and Mrs. Wayne Welch of Farwell were Sunday dinner guests in the Gene Welch home. Guy Caldwell of Abilene visited in the Ellis Tatum home Tuesday.

Ladies meeting at the community house Friday to make plastic flowers were, Emma Elmore, Lucille Rocky, Mildred Barnett, Altha Presley, Maxine Price and Carrie Tatum.

Three members of our community, who are members of the band, attended the band contest in Portales on Saturday, they are Brenda Deaton, Dean Nazworth, and Iva Ben Parr. The band placed second.

Mr. and Mrs. Dick Rocky spent Sunday visiting with Mr.

and Mrs. Cecil Vandiver and daughter in Dimmitt.

Saturday visitors in the Bill Carthel home were Mr. and Mrs. H. V. McCabe of Dawn, Mr. and Mrs. Presley Wilks of Downey, California, Mr. and Mrs. Lawrence Schumacher of Fallbrook, California, Mr. and Mrs. Mac McLain and family of Lakin, Kansas, Mr. and Mrs. Bob Carthel and family, Mr. and Mrs. Joe McCollum both of Amarillo, and Mrs. Wayne Carthel of Hereford.

Mrs. Arlis Galloway and her daughter, Mrs. Williams of Elk City, Oklahoma visited Monday in the T. J. Presley home.

Travis Stone was honored with a surprise forty-two party in honor of his birthday Sunday night. Those attending were Mr. and Mrs. Gene Welch and children and Mr. and Mrs. Harland Frye.

Wesley Barnett, student at Tech, spent the week end with his parents, Mr. and Mrs. Fern Barnett.

Sunday visitors in the Lester Dean home were, Mrs. S. J. Greenon, Don and Norma Jean Warrick, Mrs. J. B. Shirley and children all of Hereford, Mrs. Merler Shirley and Ruth Busby of Friona.

Mr. and Mrs. Lester Dean and girls spent Saturday in Clovis.

REAL PRAYER

There is power in prayer provided the requirements are met. Just to pray as a duty has little power. To fall on one's knees and give orders to God is not prayer. To rush into the presence of God and immediately rush out again is not prayer. Real prayer costs thought, a sense of God's love, a deep need of right relations with God, a penitent heart, a need of divine help, a surrendered will and, above all else, to know God's will with a determination to do it. Be sure to attend church this week ---- your church needs you and you need the church.

Enrollment Hits 1054 For First 6 Weeks

School membership levelled off to a total of 1,054 students for the first six weeks period in the Friona Independent Schools according to information announced by Alton Farr, superintendent at a meeting of the Friona School Trustees Monday night.

The average daily attendance for this period has been 1026.57 for 97.1 per cent.

"If we could keep us this fine record we could get another teacher from state funds," Farr pointed out. "However," he says, "this first six weeks has good attendance reports over the years and it will probably fall off when the weather breaks

and colds and other sicknesses begin to pick up."

The board meeting, which was mostly routine work consisted of the superintendent presenting various reports concerning cafeteria, activity, athletic and other school funds; report by the tax-assessor and collector and a report of the school district's insurance by Wade Ingram, representative of Cravens and Dargan of Houston.

Ingram, a field representative of the insurance firm from Lubbock, has spent about a week going over the local school plant and reported that the school's insurance program was in good shape.

He presented a brochure on the insurance program to the board members.

Superintendent Farr told the board that the school's boilers and gas installations have passed the annual state inspections and were "in good shape for the school year."

In other business a Ford school bus was sold to the Pan-Am Equipment Company of Pharr, Texas for \$450.

The board will meet in special session before the last of the month for the purpose of hearing the annual audit report of the school finances.

4 SWC Games On Air

Four broadcasts of Southwest Conference games and a live telecast of the Iowa-Purdue game will highlight The Humble Company's football coverage Saturday.

The Iowa-Purdue game will be telecast from Lafayette, Indiana, with Lindsey Nelson and Red Grange at the microphone. The game will be telecast over: KGNC - TV, Amarillo and KCBD - TV, Lubbock.

The TCU-Pittsburgh game will be broadcast from Pittsburgh by Ves Box and John Smith. Radio time will be 11:15 a. m. (CST) over KFLD, Floydada-900.

The Texas A&M-Baylor game will be broadcast from College Station by Bob Walker and Jim Wiggins. Radio time will be 1:45 p. m. (CST) over: KGNC, Amarillo-710 and KSEL, Lubbock-950.

The SMU-Texas Tech game will be broadcast from Dallas by Eddie Barker and Eddie Hill. Radio time will be 1:45 p. m. (CST) over: KFDA, Amarillo-1440 and KFYO, Lubbock-790.

The Texas-Rice game will be broadcast from Austin by Kern Tips and Alec Chesser. Radio time will be 7:45 p. m. (CST) over: KBUY, Amarillo-1010 and KCBD, Lubbock-1590.

Mesdames Joe F. Miller, Lucy Welch, R. E. Snead and Ance Renner and son, David, returned late Saturday after spending several days at the Welch cabin near Cowles, N. M.

Local Eighth Down Olton

Scoring on the first play of the game with Everett Gee running off tackle for 70 yards, the Friona eighth graders defeated the visiting Olton Mustangs by a score of 20 to 6 in Friona Thursday night.

Scoring honors definitely went to Gee as he scored all 20 points for the local Braves. Gee scored twice in the first quarter, the second touchdown coming on a 30 yard run around right end. The tries for extra points following both of these first quarter touchdowns were no good, and the score at half time was Friona 12 and Olton nothing.

In the third quarter of play, Gee ran over for the touchdown from three yards out and the same player ran around left end for the extra points to account for all his 20 points.

Olton finally managed to score late in the fourth quarter when their quarterback kept and dove over from about two yards out. Their try for extra point failed and the score remained 20 for Friona and six for Olton.

A heartbreaker came in the third quarter of play when Friona's Tommy Baxter broke through a wave of Olton tacklers and weaved his way downfield for 65 yards to cross the goal line only to have it called back for Friona being off sides.

Next week, the Friona seventh and eighth graders will travel to Tulia for a contest with that school's grade school teams.

FORTUNE SMILED ON FRIONA during the first half of the Chieftain-Hornet tussle Friday night and when Gary Bradley slammed across for this touchdown (top picture) the Chiefs went ahead 28-8. Earlier in the game this td was set up by a pass from Jackie Hight to Kenneth Harrington, whom picture number 84, which picked up yards for the Chieftains. However, despite the 20-point halftime lead the Chieftains were beaten out 34-28.

"X" before the license number of an airplane denotes that the plane is licensed for experimental purposes. First Bible printed in America was printed in the Indian Language. Early New England women bleached their sheets by spreading them with sour milk and putting them in the sun. Stars and stripes in the American flag were suggested by the coat of arms of the Washington family.

B-Teamers Lose To Tulia

Speedy halfback Floyd Reeve ran 70 yards on the first play of the game for a Friona touchdown but it proved to be of no avail as the Tulia B-team downed the Friona B-team by a score of 34 to 14 Thursday night at the Hornet Stadium in Tulia.

The Tulia eleven managed to score 28 points in the first half of play and added six more in the final period to account for all their scoring.

Friona's scores came in the first half, one by Reeve as mentioned, and the other by Gary Snead. One extra point was successful and this accounted for all the 14 points made by the local team.

The B-team now has one loss and one win record. The next game to be played is Thursday (tonight) at Chieftain stadium as the B-team will host the Dimmitt Bobcats B-team. Game time will be immediately following the Freshman game which starts at 6 p. m.

HIGHLIGHTS

(Continued from page 3)

Crosbyton, Post, Ralls and Spur.

SCHOOL SUPPORT PROBLEM--Gaining public support for schools will hinge on how well schools adapt to new demands, State Commissioner of Education J. W. Edgar warned school leaders.

Dr. Edgar told the Texas Association of School Boards of new curriculum changes, including beefed-up high school mathematics courses, now being tested in Texas schools. School board members noted that, despite the hue and cry for better schools, a winning football team still gets more public support than anything else.

education expansion STUDIED--Whether the University of Houston should be brought into the University of Texas system is under state study.

Texas' Commission on Higher Education ordered staff study of the question directed to it by a resolution passed this year by the Legislature. At present the University of Houston is a private institution that receives state aid only for the first two years of its four-year program.

Houston proponents of the plan claim there is an increasing need for making college education available in Houston for that city's ever growing numbers of high school graduates. It is estimated Houston high schools will be graduating 15,000 students a year by 1975.

Commission Director Ralph Green has noted, however, that there is some "public alarm" over the expansion of public education and the shrinking of private education. He said the staff study would be completed by the latter part of 1960.

San Angelo citizens, meanwhile, have started activity toward getting San Angelo College admitted into the state's circle of fully supported state institutions. A visit to the institution has been scheduled for Green and Sen. Dorsey Hardeman, in whose district the college is located, for next month.

COLLEGES PAYING MORE--Texas' 18 state-supported colleges are paying an average of \$433 a year more to its teachers this year than last. Their salaries for teachers now average \$6,320, according to the Commission on Higher Education.

Commission Director Ralph Green said the pay levels are now 30.5 per cent higher than the average five years ago. Wide range of salaries is at the University of Texas. Top pay there is \$16,000 for nine months, \$10,392 average for full professors, \$4,551 average for instructors.

BRIGHT SIDE
"I know I'm not much to look at," admitted the suitor.
"Oh, well," philosophized his bride-to-be, "you'll be at the office most of the time."

sock, a set of stainless steel flatware, a steam iron, and sheets and pillow cases.

Then when I think of the other things these same stamps have provided, I think of an endless number of toys for the children, gifts for wedding and baby showers, articles for my husband's shop and other items too numerous to mention.

Of course, I realize that different conditions may exist in different localities and do not consider myself an expert on the situation from a national standpoint.

But, for me, my family and trading with home town merchants I'm in favor of keeping trading stamps and making use of them in whatever manner I see fit.

Sincerely yours,
(Name Withheld by Request)

SMALL CONTRIBUTION

"And upon what income do you propose to support my daughter?"

"Five thousand a year."

"Oh, I see. Then with her private income of \$5,500 a . . ."

"I've counted that in."

In our dream of revenge, the butcher planning to build a modest home goes out in search of some cheaper cuts of lumber. -- Richmond Times - Dispatch.

Letters To The Editor

Dear Editor:

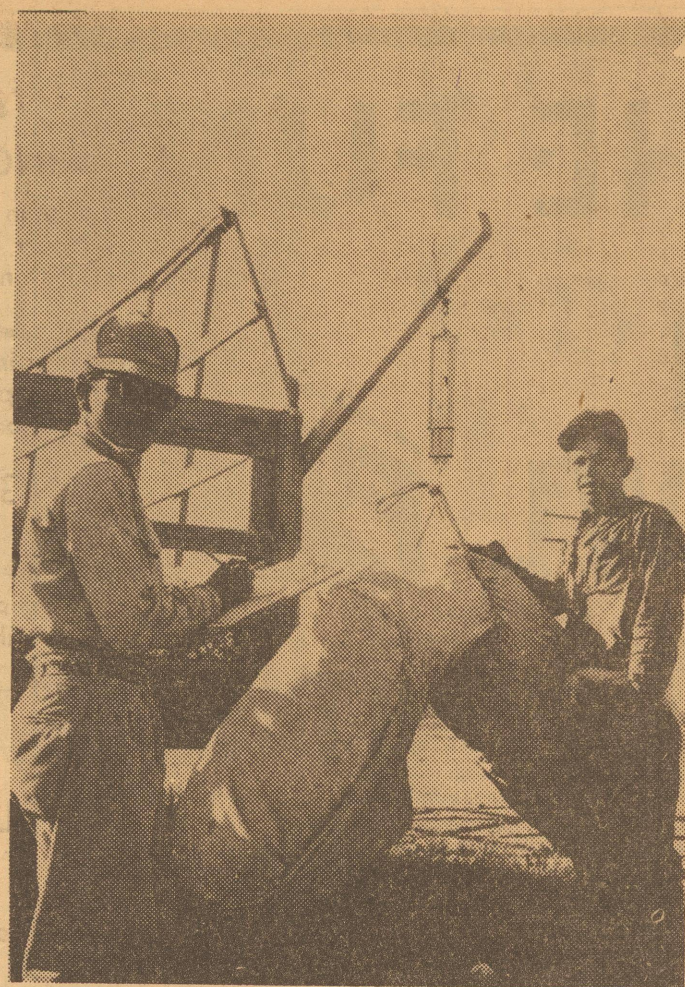

For several years I have had a desire to present the other side of the question concerning trading stamps. After reading the opinions of several members of your staff, who take the negative attitude toward them, I want to begin by saying, "I like trading stamps."

From my point of view, it seems that if they are available any homemaker who collects them is able to add extras to her home that she would not be able to have otherwise.

If those who oppose them will make notes locally on the prices of regular household needs, they will find that on an overall basis you pay just about the same amount whether you trade where the stamps are available or elsewhere.

Most of us spend more money for groceries than for any other item and these prices are very little, if any lower, in stores that do not give trading stamps.

When I look around my home to see the "extras" that trading stamps have provided for me and my family, some of the things I see are a toaster, has-

BAG OF WHITE GOLD--About 6 weeks ago odds were that what cotton would be pulled in Parmer County could be weighed in one sack, but the Plains holding true to form have promised little, but with the weather turning off fine of late has produced quite a bit of cotton in this area. Cotton pickers were in many fields last week picking out the white, fluffy "gold." This scene is on the Rushing place west of town which is farmed by Marion Fite.

Chiefs

(Continued from page 1)

the game due to injuries. The Tulia kick went out of the end zone and Friona took over on their own 20 yard line. Friona was successful in moving the ball from their 20 to the 43, where the drive was halted by an alert Hornet defense.

Tulia again had possession of the ball, this time on their 43 yard line. On the second play from scrimmage on this series of downs, the Tulia quarterback once more found his half-back in the clear and connected for another long pass. The pass and run this time carried for 56 yards. The try for extra point was no good and the score was then tied at 28 for each team.

This was all the scoring done in the third quarter and the fourth began with it a tied ball game.

During the fourth quarter, both defensive units were clicking as neither Friona nor Tulia

were able to hit pay dirt during the fourth, until the last few seconds of playing time.

Tulia got in possession of the ball with a little over a minute of playing time remaining in the game. They were on their own 13 yard line at this time. With the passing of their left hand quarterback, and the running of the fullback, Tulia managed to carry the ball to the Friona 45 yard line. With only seven seconds on the clock, Tulia

threw a last play desperation pass that carried to fullback Poage on the one yard line. The pass was deflected by a Friona defensive man, but it simply fell into the Tulia Hornet's arms, where he carried it over for the touchdown after the gun sounded. However, the play had started before the gun went off so the six points counted and the score was then 34 for the Tulia Hornets and 28 for the Friona Chiefs. The game ended with this score as the try for extra point was no good.

This week the Friona Chiefs will travel to Dimmitt to meet

the Bobcats, who have an undefeated season so far this year. It will be the second district game for the local team and game time is 8 p. m. in the Bobcat Stadium.

SOMETHING NEEDED

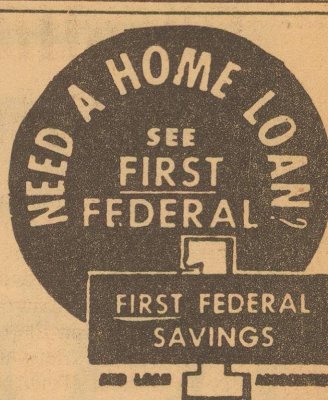

"Why do you always type your employer's speeches from dictation instead of using shorthand?"

"Because," answered the typist of a long-winded member of congress, "I need the noise of the machine to keep me awake."

Club History Reviewed By Charter Member

Highlighting the program at the Wednesday afternoon meeting of the Friona Woman's Club at the club house was a history of the club by Mrs. Pearl Kinsley, the only charter member who is now active. She wore a dressy black dress that was more than 50 years old. Her hat, shoes and accessories were also half a century old.

Guests were registered by Mrs. Carl Maurer, who was also dressed in an heirloom dress which belonged to her mother-in-law many years ago. Others in costume were Mrs. Roy Slagle and Mrs. O. F. Lange.

Decorations were in keeping with the golden anniversary theme of the program. Fall flowers in antique vases were used on the serving table, registration desk and mantel.

Mrs. Floyd Schlenker, president, called the meeting to order. Each member present responded to roll call by giving the name of a former member. Gerald Daniel sang a solo.

Mrs. F. W. Reeve accompanied Mrs. Charles Russell as she sang "Federation March." A thought for the day was given by Mrs. Schlenker. The repetition of the club collect closed the meeting.

Refreshments were served by the hostesses, Mesdames Gage Knox, L. F. Lillard, C. W. Dixon, M. J. Stacy, S. L. McLellan and A. H. Boatman.

Out-of-town guests were Mrs. Lonnie Baxter, Mrs. Charlie Baxter and Lora Mae McFarland of Clovis; Mrs. J. R. Caldwell and C. P. Warren of Bovina; and Mrs. O. C. Schlenker of Claremont, Calif.; Also Mesdames Glenn Dunn,

W. T. Andrews, Alex Williams and W. I. Casey of Muleshoe; Mesdames O. G. Hill, H. E. Miller and Ralph McCullough of Hereford; and Mesdames Roy Johnson, L. H. Lookingbill, Lee Curry and Guy Walser of Summerfield.

Those from Friona signing the register were Mesdames Floyd Schlenker, F. L. Reed, J. H. Boyle, Claude Osborn, G. E. Reed, Wesley Foster, Guy Latta, H. H. Horton Jr. and Kathy, McFarland C. Osborn, J. F. Miller, Joe Collier and Ed Boggess;

Also Mesdames F. W. Reeve, Jake Lamb, Lloyd Rector and Sherril, Bill Baxter, Dan Ethridge, Robert N. Ginsburg, Estis Bass, H. K. Kendrick, R. W. Ginsburg, Sloan H. Osborn, H. C. Kendrick, A. W. Anthony Sr. and Pearl Kinsley;

Also Mesdames Mabelle Hartwell, E. S. White, M. B. Buchanan, Roy Slagle, L. R. Dilger, Mary Officer, Lem Miller, Charles D. Russell, Joe Moyer, Wesley Hardesty, O. F. Lange, Roy V. Miller Sr. and Carl Maurer.

Also Gerald Daniel and the hostesses.

Esther Class Meets In Chitwood Home

The regular monthly business and social meeting of the Esther Sunday School class of the First Baptist Church was held Friday in the home of Mrs. Bert Chitwood.

During the brief business session a Thanksgiving supper for members of the class and their families was planned for the November meeting. This supper will be in the church annex at date to be announced later.

Mrs. C. W. Dixon, teacher of the class, directed the Bible study on the fourth and fifth chapters of Matthew. Refreshments of pumpkin pie, coffee and tea were served by the hostess.

Those present were Mrs. C. W. Dixon, Mrs. Bert Chitwood, Mrs. Homer Hyde, Mrs. Dewey Price and Glen Drye of Muleshoe, Mrs. T. E. Wood, Mrs. Reeta Agee, Mrs. Dan Laceywell and Mrs. Truett Pool.

Mr. and Mrs. Rene Snead and Jimmy spent Sunday visiting in the home of Mrs. J. B. Snead Sr. at Littlefield. Mrs. Snead returned home with them for a visit.

THURSDAY, OCTOBER 22, 1959

WSCS Plans Quiet Day

The Woman's Society of Christian Service, met for a general meeting Tuesday morning at 9 a. m. in Fellowship Hall. Mrs. Dick Rocky presided over the business session.

Mrs. Jake Lamb led the opening prayer and the minutes were read by Mrs. J. G. McFarland, secretary. Plans were made for a quiet day in observance of the week of prayer.

This program will be presented Thursday, October 29 at the Friona Methodist Church. The meeting will begin with a quiet luncheon at the noon hour.

Hostesses, Mrs. Joe Moyer and Mrs. Roy Slagle, served coffee, tea, mints and cake to Mesdames Wes Long, Mack Bainum, Andy Hurst Jr., Kenyth Cass, J. H. Boyle, Arthur Drake, Newman Jarrell Jr. and Ernest Anthony;

Also Mesdames Lucy Vestal, Ed White, J. G. McFarland, Dick Rocky, Coy Patton, Lloyd Rector, Billy Sides, H. C. Kendrick, Jake Lamb and Howard Ford.

Club Members Study Politics

A study of politics on the local, state and national level was made at the Tuesday evening meeting of the Progressive Study Club at the club house. Roll call was answered with political opinions. The opening prayer was directed by Fern Sanders.

Shirley McReynolds chose for her topic of discussion, "Party Make-Up." "The Government and I" was presented by Lunell Horton. Following the program refreshments were served by the hostesses, Mary Bavoisset and Ouida Capps.

Two guests, Gloria LeVeque and Juanita Reeve, and 19 members were present.

Barbers in an Ohio town decided not to take any more tips. Now if they'll just stop giving them.--Tulsa Tribune.

Surprise Party Honors Mrs. Rhodes

Mrs. Aubrey Rhodes, third grade teacher in the local school, was honored with a surprise party in her home Friday afternoon. Guests served cake and coffee and presented her a gift.

Those participating in the party were Mrs. Fortune, Vera Hayes, Ethel Benger, Declina Beene, Jo Phillips, Wana Brewer, Velma Lovett, Emily Jo

Barnett, Mabel Jones, Margaret Cuggins, Elizabeth Carmichael and Bessie Watson;

Also Virginia Jennings, Irma Stark, Mary Bavoisset, Grace Whitefield, Juanez Green, Jo Ann Hairgrove, Zana Walker, Billie Dodd, Mrs. J. T. Gee and Mrs. Alton Farr.

Heaven lies about us in our infancy.--Wordsworth.

HIGH STYLE 50 YEARS AGO--Mrs. Pearl Kinsley, left, is dressed in one of her best costumes of half a century ago. Mrs. Roy Slagle, center, and Mrs. Carl Maurer, right, are wearing dresses that were also good style at this time. These three assisted with hospitalities at the Golden Anniversary Tea.

Class Members Honor Mothers

Members of a class of girls taught by Mrs. M. B. McKinney at the Sixth Street Church of Christ honored their mothers and grandmothers with a supper in the annex Monday evening. Decorations of fall flowers and a centerpiece of styrofoam were used.

The program, which included group singing, readings and talks, was under the direction of Mrs. McKinney. Class members present were Diana Taylor, Kay Neel, Wesslie Hand, Charlotte Nettles, Nan Lillard, Carol Struve, Janet Stevick, Fleda Floyd, Jill Blackburn, Monte Sue Welch, Nancy Williams and Phyllis Holcomb.

Grandmothers present were Mrs. Leona Holcomb of Tulia, Mrs. L. F. Lillard, Mrs. J. M. Watson, Mrs. J. F. Miller and

Mrs. Lucy Welch. Mothers were Mesdames Nelson Welch, Harold Lillard, Steve Struve, Otis Neel, Glenn Floyd, J. B. Taylor, Leonard Nettles, Glen Stevick, Johnny Hand, F. W. Holcomb and Keith Blackburn all of Friona;

Also Mrs. J. M. Ayers of Lubbock, mother of Mrs. McKinney, who has been a guest in the daughter's home the past few days.

Fidelis Class Meets Thursday

Members of the Fidelis Sunday School class of the First Baptist Church met Thursday evening in the home of Linda Tims for the regular business and social meeting. A devotional on salvation was presented by Connie Bingham.

During the social hour which followed the business session refreshments of fruit salad topped with whipped cream, banana nut and date nut breads, coffee and cold drinks were served by the hostesses, Linda Tims and Carolyn Carroll.

Those present were Katy Osborn, teacher, Connie Bingham, Carolyn Carroll, Laura Lee Hart, Bessie Holt, Mary Houllette, Betty Lewellen and daughters, Pam and Donna, Barbara Maynard, Peggy Monroe, Ann Osborn, Linda Tims and Linda Williams.

Third Grade Has Party

After a study of fall, the third grade section taught by Mrs. Aubrey Rhodes had an apple party at 3:10 p. m. Wednesday. Hostesses were Shirley Ann Schueler and Joe Perez. Mrs. Rhodes played Johnny Applesseed while the pupils ate apples.

Those present were Azael Reyna, Joe Perez, Lark Jarrell, Brenda Blackburn, Shirley Schueler, Jose Marruffo, Sherry Gibson, Ricky West, Lula Polk, Pam Turner, Becky Elliott and Laura Gaskins;

Also Andy Cole, Steve Buckley, Larry Rector, Ramey Beene, Guadalupe Gonzales, Ricky Davis, Connie Whaley, Gary Shirley and Deloris Phipps.

Dinner Honors Visiting Kin

Mr. and Mrs. J. M. Bradley were hosts at a family dinner in their home Sunday honoring Mr. and Mrs. A. N. Bradley of Covina, Calif. The A. N. Bradleys are guests in the homes of the J. M. Bradleys, Paul Stricklands and Mrs. Lucy Mae Stokes this week.

Others present for dinner were Mrs. Lucy Mae Stokes and daughters, Jolynda and Carol, and Paul Strickland.

4-H Club Officers Elected Wednesday

During the business session at the Wednesday afternoon meeting of the Friona Girls 4H Club, new officers were elected. They are Susan Carmichael, president; Connie McKinney, vice-president; and Terri Sue Cummings, council delegate;

Also Terri Sue Mabry, reporter; and Sherril Tannahill, recreation leader.

Mrs. A. Rolan Returns Home

Mrs. Albert Rolan returned home Saturday afternoon after being dismissed from Deaf Smith County Hospital in Hereford where she had been a surgical patient about a week. Her daughter, Mrs. Treva Harp, and son, Ardith, both of Lubbock, visited her last week.

Her parents, Mr. and Mrs. J. W. Burr of Durant, Okla., arrived one day last week to spend two weeks with her while she is recuperating at home.

Mrs. E. Taylor Directs Study

The Bible study, which covered the book of II Samuel, at the Thursday afternoon meeting of the Rebekah class of the First Baptist Church, was directed by Mrs. E. E. Taylor.

Refreshments of coffee, cake and ice cream were served by Mrs. J. R. Southward, in whose home the meeting was held. Others present were Mesdames M. A. Black, C. A. Guinn, Eva Roberson, L. R. Dilger, Elmer Euler, Jim Wilson, J. M. Bradley, L. M. Crow and Annie Scott.

THE HIGH PLAINS FARM AND HOME

Trucks Hit Highways As Harvest Progresses

Grain trucks are rolling across the High Plains as maize harvest gains momentum. Farmer County area farmers are harvesting their share, according to elevator operators Saturday.

Herb Potts of Worley Grain Company in Farwell says he thinks the harvest will reach its peak this week.

"I think we are getting off to a good start. The yield is better than last year."

Potts says moisture in the grain delivered to his elevator is a little high, but it is beginning to get better.

"We think we will be handling a third more grain than we did last year," he said.

J. P. Macon of Macon Grain Co. in Bovina says he estimates about 25 per cent of the crops has been harvested.

"The yield is better than it

has ever been before." Macon says he thinks the yield is 10 to 15 per cent better and maybe even more. He also reported moisture content higher than normal.

"I would estimate the average yield at five to seven thousand pounds an acre."

"Farmers are selling a lot of grain around the loan price. About half is being sold," Macon says.

In Friona, Arthur Drake at Friona Wheat Growers Association reports the harvest has only begun.

"It will probably get rolling some time next week. The yield is better than we have ever had before."

Drake says most grain hauled to Friona is going into the loan.

Last Friday the Association had received over 33 million pounds of maize or 332 boxcar

loads. "Since the middle of April, we have shipped 1516 boxcar loads trying to make room for this harvest." Drake said the elevator unloaded 182 trucks in three hours last Friday.

SOIL CONSERVATION DISTRICT NEWS

land about 15 miles northwest of Bovina. In addition to farming he operates a livestock enterprise consisting of about 1800 sheep. In 1957 McCallum became a cooper with the Farmer County SCD and a basic conservation was written at that time. He is very interested in promoting soil and water conservation in the District.

DEAN MCCALLUM

Even though maize harvest is in full swing, conservation work still goes on. A 1530 foot waterway has been staked off and work is underway on the Dalton Mimms farm. This waterway will serve to transport excess drainage across this farm from surrounding land without erosion.

Plans are underway for constructing a waterway between the J. J. Harper and Clyde Weatherly farms east of Friona. This work is scheduled to begin after January 1.

Seventy six referrals were received from the ASC office in Farwell for installation of underground concrete pipe for the last quarter of this year.

Soil conservation pays because it saves.

Melon Shipping Finished Recently

About 55,000 crates of cantaloupes were shipped out of Farmer County by September 20 this year, according to Mario Trevino, office manager of the Bovina branch of Gateway Produce Company.

Trevino says the market was a lot better this year than in 1958, but quality of the melons was lower.

"We started packing cantaloupes here on Aug. 17."

The county's 14 growers each planted between 12 and 40 acres making a total of 335 acres that were harvested.

"Out of 335 acres, the average yield was 165 crates an acre."

Highest yield for one farmer

was 223 while the lowest was 117, Trevino said.

"In my opinion, all farmers made money," he said.

Home office of Gateway Produce Co. is in Laredo. The company is the largest cantaloupe shipper in Texas.

Light Frosts Not Damaging

For practical purposes at least, the growing season is over in the Farmer County farming area.

While it is true that no really hard or "killer" freeze has come, the light frosts that have appeared on four or five occasions on practically every farm have had a telling effect on crops.

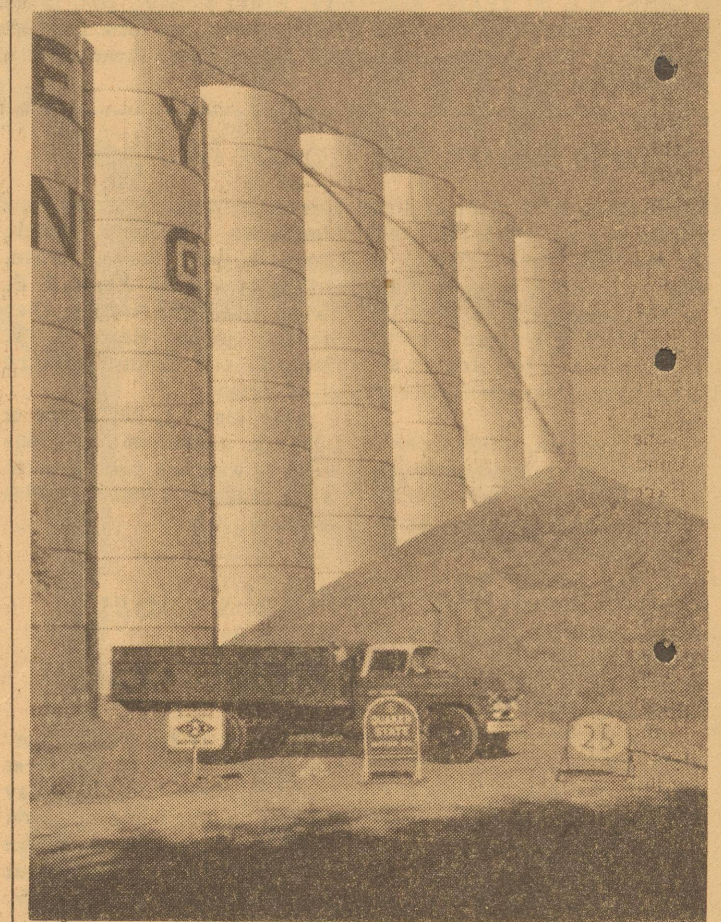

In most cases, these light frosts have not been damaging. In fact, they have improved the farmers' chances with a late cotton crop, believes County Agent Joe Jones.

He reasons that the gentle touches of Jack Frost have

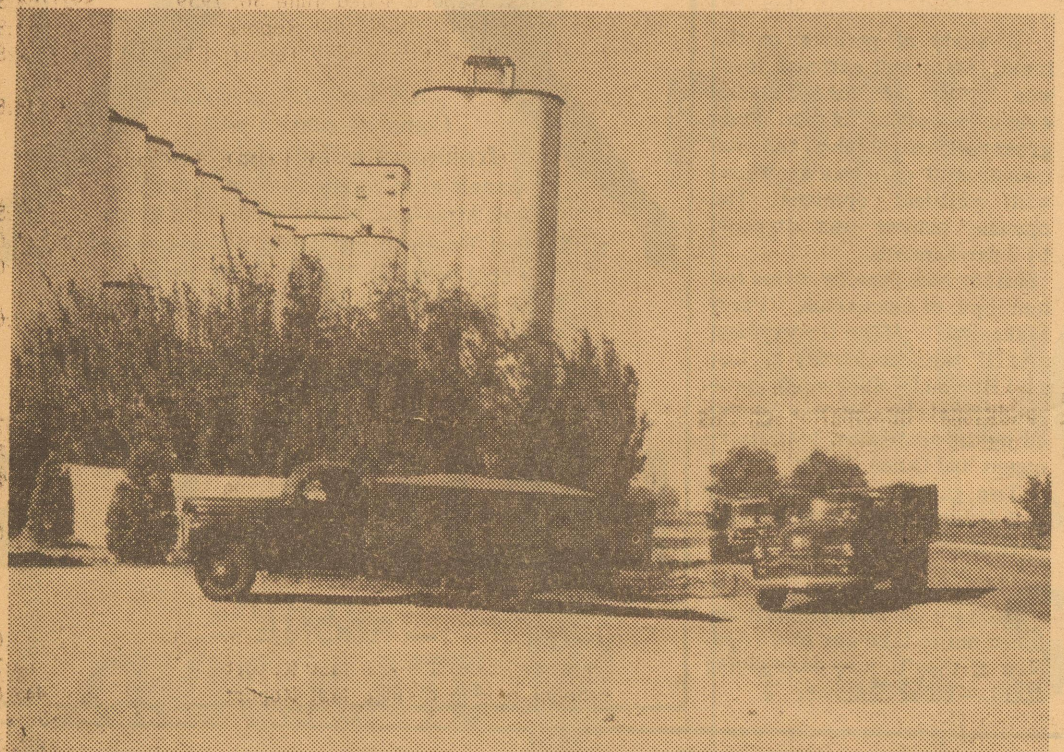

served notice on the still sappy cotton plants that the season is about over. This has encouraged the plant to maturity.

In many cases, the frost has been enough incentive for the plant to throw off its leaves and begin the "curing" process, which is beneficial to the production of lint. Also, when the plant drops its leaves, sunshine is admitted to the bolls, which helps them finish out.

Generally speaking, farmers are feeling better about their extremely late cotton crop than they did a month ago. However, practically all agree that it will be a below average crop.

A STREAM OF MILO pours down from a high spout at Worley Grain Company in Farwell this week, as a truck speeds away after dumping another load. Elevators all over the Farmer County area are brimming over with the big harvest.

TRUCKS LINE UP at a Bovina elevator Saturday as the maize harvest begins to roll in Farmer County. Busy highways will be a familiar sight as the harvest reaches its peak.

The PARMER FARMER

By W. H. Graham Jr.

This is the age of specialization, and everywhere we see evidence of concentration in limited fields, as people reach for "depth" rather than "breadth." Specialization has come to the farm. It is nothing new at all, even though more attention is being given to it as time moves along. Farmers who concentrate on one particular enterprise are likely to develop more efficiency than their cow, sow, and hen neighbors. Broiler production has be-

come a very specialized industry within agriculture. So has the production of certain vegetable and fruit crops. We are of the opinion that beef cattle feeding will turn out to be the High Plains farmers' specialty sooner or later, and there is evidence that the trend is already moving in this direction. However, a "counter-trend" as the economists would call it, is the accelerated need for a farmer to have business acumen on the side. It isn't enough that he be an outstanding producer of grain sorghum, or cotton, or wheat, or a particular vegetable, or of any other crop. The management side of farming has, within just the past 10 years, sped past the need for agrarian skills with a breathtaking rush. This is caused partly by technological revolutions on the farm, and partly by the increasingly complex world that we live in.

The farmer of today has at his command an almost unlimited number of machines and combinations of machines, which when dove-tailed into an equally imposing array of advanced seeds, fertilizers, and farming techniques, present a horizon - to - horizon list of "possibilities." Which way is he to go? What would be the best choices? These were once rudimentary questions, but today, with such a heavy emphasis on volume and low-unit cost farming, a deviation in expenses or income of as little as two percentage points can affect the farmer's profits substantially. The farmer is thus called upon to display a split personality. He finds he needs to specialize and excel in the fields, but that he also needs to be a pretty sharp cookie at the job of just deciding what is going to be done, when, and how. And too many farmers, pressed from every side by constantly rising costs of everything they buy, and lowering prices for almost everything they have to sell, are wondering if management isn't the more difficult -- and more necessary -- skill.

THE PARMER COUNTY IMPLEMENT CO. NEWS

"The Place Where Most People Trade" Friona, Texas Wednesday, October 21, 1959

When you are driving around Friona, take time to appreciate the color and foliage in our town. On our street the maple trees are beautiful. Mrs. Mabelle Hartwell has some begonias on the north side of her house that are blooming their heads off before frost. The dahlias at the John Wise home are especially beautiful and will be until frost. There's an especially colorful locust tree at the Bill McGlothlin home and a red plum tree at the M. C. Osborn home. New model cars have everything -- beds -- TV -- phonographs -- snack bars --. This gives the driver a place to live while he's looking for a place to park. Faster cutting -- finer shredding with the McCormick Rotary cutter. Greater convenience -- more compact design. Let us show you one of these cutters soon. In Massachusetts there's a lake named Chaggogaggoggananchaugagoggchabungumagomau. It's an Indian name and means "You fish on your side. I'll fish in the middle." There's rejoicing at the H. H. Horton Jr. home this week. The grandparents from Georgia are here for a visit. To 5 year old Kathy and 4 year old Trip, it seemed that they'd never get here. Then their mother said, "Only one more sleep until your grandparents will be here." Kathy thinks they are as slow as Santa Claus and almost as much fun. The Bob Ginsburgs are building a new home. It is just south of the Calvin Talleys -- in the north part of town. Let's talk tractors. We're Farmall headquarters. Farmalls are right for any job. This tractor really eats up acres, but is easy on fuel. Ask for a demonstration. The boys went to the ranch Saturday to help their Daddy do a little cow punching. That night our mother inquired, "Did you boys help your Daddy, or were you a nuisance?" "I helped," said John Bill. "So did I," said David. "I did everything Daddy told me, too." "What?" asked John Bill. "Get out of the way," replied David. There's one good thing about finding out that the quiz show contestants had the answers as well as the questions given to them. We aren't as dumb as we thought we were! We could have answered more questions, too, if we'd been on the show and had the answers to read. Maybe one reason Friona is such a nice place to live is because so many ex-teachers live here. Mr. and Mrs. Ross Ayers, Mrs. W. S. Bengel, Mr. and Mrs. Dalton Caffey, W. L. Edelman, Mrs. Mary Officer, Mrs. Dan Ethridge, Mrs. Claude Osborn, Mrs. James Boyle, Mrs. Joe Moyer, Mrs. Newt Gore, Mrs. Sloan Osborn, Mrs. J. T. Gee, Mrs. Neal Fulks, Mrs. H. H. Horton Jr., Mrs. Guy Latta, Mrs. Andy Hurst Jr., Mrs. Mae Magness, Mrs. Carl Magner, Mrs. L. F. Lillard, Mrs. L. A. Sartain, Mrs. Nelson Welch, Mr. and Mrs. Wesley Foster, Mrs. Frank A. Spring, Mrs. V. J. Zeman, Mrs. John Blackburn, Mrs. Bill Sheehan, Laurie Cooper and Uncle John White. These are just a few we know who taught school at one time or another. The "practically nothing" that my wife has to wear -- fills all of three closets plus one that we share. Mrs. Mae Magness has done some building and adding on to her home in the east part of town. Miss Mary Spring of Houston is spending this week in Friona with her mother, Mrs. F. L. Spring, and other relatives. Every individual part of the Eversman automatic land leveler has been designed to provide easier control -- increased structural strength -- greater maneuverability -- better over all performance -- to meet the most rugged demands of actual farm use. Better see the Eversman before you buy. Notice: We take no credit for our quips -- they just require a few quick snips -- with shears to sever their relations -- with various other publications. See the "Buy of the year" in luxury cars -- the magnificent Oldsmobile ninety-eight. Top selling car in its class.

Annual Lazbuddie Fair Is Held At School

The annual Lazbuddie fair was held last week in the Lazbuddie school, with many persons in the community participating in it. Judges were Joe Jones, County Agriculture Agent, and J. H. Adams.

Results in the grains division were: Red milo, Darrell Mason, first; Glendale King, second; and Linda Gleason, third. Millet, James Brown, first; and Gary Brown, second. Red Top Sorghum, Calvin Mason, first. Other varieties of sorghum, Calvin Mason, first; and Don Smith, second.

James Brown was first with sudan grass, Gary Brown was second, and Dickie Chitwood, third. Unthrashed peanuts, Don Watson, first; Steve Young, second; Jimmy Broadhurst, third; and Marsha Shevman, fourth. Calvin Mason placed first with alfalfa. In the soybean division, Larry Marrow was first, Dickie Chitwood, second; and Steven Young, third.

James Brown was first with open cotton bolls, Jerry Engleking was second, David Tarter, third; Terry Darling, fourth; and Jerry Don Glover, fifth. Ronald Elliott won first and second place with stalk cotton and Harold Redwine, third. In the seed cotton division, Gary Brown was first, and James Brown, second.

David Tarter took first place with hard winter wheat. Glendale King was second and Steven Young, third. Jimmie Broadhurst won first with barley, Don Watson was second and Leon Watson, third.

In the peanut division, Steven Young placed first, Glendale King, second; Bennie Watson, third; and Leon Watson, fourth. James Brown won first with Sudan grass, Gary Brown was second; and Calvin Mason, third.

Winning first with sesame was James Brown, second place went to Gary Brown and third to Steven Young. John Ward won first with castorbeans. In the

hybrid milo division, David Tarter was first, Don Watson, second; David Tarter, third; Conney White, fourth; and Glendale King, fifth.

Dickie Chitwood won first with blackhullkafir, second went to David Tarter and Jerry Engleking won third. Don Watson placed first with redtop cane, with Bennie Watson, second; and Leon Watson, third. In the hegari division, Craig Schuman won first, with Don Watson, second; Bennie Watson, third; and Leon Watson, fourth.

Only one award was given in the alfalfa hay division, going to Don Smith, second, Glendale King placed second with sorghum hay.

Vic Shuman won first in the cantaloupe division with Mike Ward winning first in the bell pepper division and Bobby Gleason, second. Winning first with peppers of other varieties was Sharon Parham, she also won second. Gary Coker won third, and Danny Miller, fourth.

In the Okra division, Larry Marrow placed first, Linda Gleason, second, and Bennie Watson, third. Terry Parham won first in the dry beans division, with Glendale King placing second and Darrell Mason, third. Glendale King placed first in the black eyed pea division, and Mike Ward won first with his strawberies.

Leon Watson placed first in the thrashed peanut hay division, with Bennie Watson taking second, and Don Watson third. Ronnie Gustin won first with white hybrid corn and Glendale King second.

David Tarter placed first in the yellow corn division, Jerry Engleking was second; Steven Young, third; and Craig Schuman placed fourth. Larry Marrow won first with popcorn.

Gary Coker placed first in the Irish potato division, with Donnie Miller, second; Roy Max Miller, third; and Marsha Schuman, fourth.

Gary Mac Brown placed first in the onion division, with Gary Coker, second; Bobbie Gleason, third; and Linda Gleason, fourth. In the turnip division, Larry Marrow won first and second, and in the beet division, Glendale King placed first and Vic Schuman, second.

In the carrot division, Bennie Watson placed first, Steven Young, second; and Leon Watson third. Jerry Engleking placed first in the tomato division, with Mike Ward, second; Sharon Parham, third; and Larry Marrow, fourth.

Glendale King won first with an eggplant and John Ward won first with summer squash. Mike Ward was second. Ronnie Vanlandingham won first and second in the cashaw division.

Jerry Engleking placed first with pumpkins. Terry Darling was second, Dickie Chitwood, third; and Darrell Mason, fourth. Glendale King placed first with other varieties of pumpkin. Jerry Don Glover was second, Darrell Mason, third and fourth.

Terry Parham was first and John Gulley, second in the watermelon division.

In the livestock division of the fair, Bobbie Redwine won the grand champion ribbon with a Hereford cow, and Buddie Embry took the reserved champion honors with another Hereford.

In the Angus division, Mike Hinkson won first, Dickie Chitwood, second; Darrell Jennings, third; and Joe Jennings, fourth.

In the Hereford cattle division, Bobby Redwine won first, Buddie Embry, second; Dick Chitwood, third; Steve Young, fourth; and Joe Tarter, fifth.

In the hog division, Calvin Mason placed first, Wayne Peterson second; and W. Peterson, third; with barrows.

Jimmie Dale Seaton placed first and second with a gilt. Calvin Mason won first, Jerry Keolzer, second; David Keolzer, third; and Wayne Peterson, fourth in the Duroc division. In the Berkshire division, Lyndon Foster was first, Gary Foster, second; and Jerry Keolzer, third.

Linda Gleason won first, Terry Parham, second and Sharron Parham, third with Poland China hogs. Ronald Mayfield was first in the Chester White division, Max Eubank was second; and Bobbie Gleason, third.

In the sheep division of the fair, Donnie Smith won first, Gary McBrown, second; and James Brown, third; with fat lambs.

Darrell Mason was first and Carrol Redwine, second; with Suffolk rams. Johnnie Mitchell placed second with a Columbia ewe.

In the dairy cattle division, Gary Foster was first, D. H. Foster, second; Gearld Foster, third; and Lyndon Foster, fourth.

In the homemaking section of the fair, Tommie Horton placed first with drop cookies. Beverly Smith was second, Judy Brown, third; and Sandie Brown, fourth. Judy Keolzer was first with her sugar cookies. Penny Grusendorf won first, Judy Brown, second; Coretta Watkins, third; and Pat Peterson, fourth in the brownie division.

Ivan Dean Ivy won first, Coretta Watkins, second; Mary Rigney, third; and Wanda Bean fourth in the chocolate chip cookie division.

Beverley Smith placed first in the chocolate drop cookie division. Tommie Horton was second, Frances Mayers, third; and Pennie Grusendorf, fourth.

In the pie making division of the fair, Judy Keolzer was first with a cherry pie, Pat Chitwood, first with an apple pie and Glenda Robinson, first with a pecan pie. Beverley Smith placed first and Pat Chitwood, second with a pumpkin pie.

In the candy division, Mary Regney and Eleene Embry tied for first place with their chocolate fudge. Barbara Thomas won first, and Patsy Marrow second with divinity candy, and Beverley Smith first with date loaf, Linda Gleason placed first with butterscotch candy and Linda Monk, first with peanut clusters.

In the bread section of the fair, Eva Dean Ivy placed first and Wanda Bean, second; with banana bread. Coretta Watkins won first place with biscuits, and Glenda Robinson, first; Patsy Marrow, second; Kay Burleson, third; Sharon Parhams, fourth and Linda Gleason fifth with their cornbread entries.

In the cake division, Coretta Watkins was first with a pound-cake; Sandy Brown, first with a chocolate cake and Brenda Mason, second. Pennie Grusendorf placed first with an apple-sauce cake. Linda Gleason placed first with a devil's food cake, and Carol Miller, second.

Tammie Jennings placed first with a chocolate layer cake and Linda Monk, second. Patsy Marrow was first and Sharon Parhams, second with a white layer cake.

Janice Darling placed first with a spice cake, and Pat Chitwood was first with a Brown, second and Iva Dean Burreson placed first, Judy Brown, second and Ivan Dean Ivy third on oatmeal cookies.

Pat Peterson was first, Donna Redwine, second; Gayle Robinson, third; and Tommie Horton, fourth with ice box cookies.

In the canned foods section, Elaine Embry won first, Brenda Mason, second; Linda Gleason, third; and Elaine Vanlandingham, fourth; with canned snap-ped beans.

Beverley Smith was first and Elaine Vanlandingham, second with field peas; and Kay Burleson, first; Velma Golden, second; and Elaine Vanlandingham, third with canned tomatoes.

Results in the remainder of the canned foods division was, corn, Velma Golden, first; Beans, Donna Redwine, first; and Johnnie Ivy, second. Peas, Velma Golden, first. Pickled okra, Sandy Brown, first; Patsy Marrow, second; and Alene Embry, third. Peaches, Beverley Smith, first; Elaine Vanlandingham, second; Velma Golden, third; and Barbara Thomas fourth. Pears, Frances

Meyers, first. Pickled Cucumbers, Brenda Mason, first; Judy Brown, second; Elaine Vanlandingham, third; and Judy Keolzer, fourth. Pickled beets, Velma Golden, first.

Pickled peaches, Pat Chitwood, second, Alene Embry, first; and Linda Gleason, third. Chow chow, Mary Rigney, first. Bread and butter pickles, Janice Darling, first and Velma Golden, second. Sour pickles, Beverley Smith first.

In the jellies division, results were, grape jelly, Alene Embry, first; and Kay Burleson, second. Peach jelly, Alene Embry, first; Patsy Marrow, second and Janice Darling, third. Plum jelly, Alene Embry, first. Pear jelly, Sharon Parhams, first; Linda Gleason, second; Gayle Robinson, third; and Johnnie Ivy, fourth.

Brenda Mason placed first and Donna Redwine second with apple butter. They took first and second, respectively with peach butter.

In the sewing division Jan Mason placed first with tea towels. Jeanette Slaton placed first with an apron, Judy Keolzer was first, Linda Monk, second; Donna Redwine, third and Carol Miller, fourth in the dress division.

Brenda Mason won first with tea towels, Donna Redwine was first and second, and Tommie Horton, third in the pillowcase division. Janice Darling won first place with an apron, and Lynda Hargrove took first with a blouse.

Glenda Robinson was first, Donna Redwine, second, and Tommie Horton, third in the skirt division. Velma Golden won first place for a suit, and Glenda Robinson placed first with a jacket.

Donna Redwine placed first, Gearldene Broadhurst, second; and Janice Darling, third in the dress division. Velma Golden won first with a skirt and vest set.

Glenda Robinson was given the grand champion award for sewing, and Tammie Jennings won the award for cooking.

Grand champion in the canned foods department was Beverley Smith and reserve champion was Sandy Brown.

J. D. Mabry Farm On Display At Fair

James D. Mabry of Friona is one of 15 farmers and ranchers in Texas whose outstanding accomplishments in soil and water conservation are being featured in an exhibit at the State Fair in Dallas.

The exhibit, in the Varied Industries Building at the Fair, is part of the Conservation Picture Awards Program sponsored by the Association of Texas Soil Conservation Districts and the Great Southwest Life Insurance Company of Dallas.

In the exhibit are 15 enlarged hand-colored aerial photographs in color showing the conservation measures used on the 15 farms chosen as tops in soil conservation in 1959.

Purpose of the Conservation Picture Awards Program, inaugurated in 1957, is to provide recognition for Texas landowners who have done the best conservation work in their area.

The program also encourages farmers and ranchers to improve the conservation practices on their own lands, and focuses public attention on the importance of soil conservation to the economic welfare of Texas.

Governor Price Daniel opened the exhibit on opening day of the fair.

The prize-winning work done in 1959 by Mabry is part of the Farmer County Soil Conservation District program.

Complete lists of winners of Conservation Picture Awards for 1959:

Jamer D. Mabry, Farmer County SCD, Friona; Don Anderson, Crosby County SCD,

An application of nitrogen to grain sorghum stubble prior to plowing it under will prevent a nitrogen shortage for the crop which follows, says W. F. Bennett, soil chemist for the Texas Agricultural Extension Service. Local county agents can supply additional information on this worthwhile farming practice.

Absence makes the heart grow fonder -- but presents bring better results. -- Exchange

Taxes Influence Land Values

Property taxes are a fixed cost for the farm or ranch owner. In modern commercialized agriculture this tax bite may be a significant item affecting the final figure drawn down as net income, or loss. In 1958 property taxes amounted to an average of 38 cents per acre for the state, a total of 53.8 million dollars. In 1945 the average tax was 21.6 cents per acre.

About one-half this tax bill was accounted for by school district levies, reports Robert G. Cherry, extension agricultural economist. The remainder went for support of county and state governments and to special districts such as water, drainage and navigation districts.

Let 'er blow!

You're safe from windstorm damage with a **LOK-RIB STEEL BUILDING**

Greater Strength — There's a big difference between light metal sheathing and LOK-RIB's heavy-duty 18 or 20-gauge steel panels bolted together. Let the wind howl — let the snow pile deep — let lightning strike — you can still enjoy peace of mind with your LOK-RIB.

Exclusive V-Rib Construction — This exclusive LOK-RIB feature provides the extra strength that lets you stop worrying while the weather plays havoc with ordinary buildings.

Quick Erection—Low Cost — The LOK-RIB Building goes up fast and easy — eliminates high framing costs because the LOK-RIB panels are both framing and sheathing. In 24, 32, 40 and 48 foot widths.

See us for all the facts on LOK-RIB Steel Buildings.

NEWS FROM THE FARM BUREAU
BY RAYMOND EULER

We are sure that every county in Texas, and probably every county in all other states, will have resolutions attempting to get easement on the labor situation. These resolutions not only refer to labor hired by the farmer, but labor whose pay increases come almost directly from the farmer in the purchase of farm machinery, tires, fuel, oil, etcetera.

Farm Bureau is not opposed to a good living wage for any working man, including himself. The membership has always said that a man's pay should be commensurate with his ability and desire to produce. It has always also been held by Farm Bureau membership that different conditions of operation, or various other factors should be considered in the amount of pay offered to an

employee for a job that might otherwise be alike.

We notice that at least one State Farm Bureau, Oregon, is making plans to recommend that county Farm Bureaus there consider establishment of farm labor offices, because of increasingly unreasonable requirements imposed on those who hire through state and federal agencies. Oregon's Farm Bureau President said, among other things relative to this project, "We have long contended and will continue to press for the piece work basis of paying workers. This has proven to be an incentive program and allows each worker to produce the results he himself determines".

Your new president, Herman Gerles and his wife, accompanied by Raymond Euler and wife, attended a District FB Banquet in Lubbock last week. Roger Fleming, AFBF Secretary, of Washington, D. C., spoke to more than 250 members who attended. If we wonder why farmers of this area don't always agree with those of other U. S. areas, Fleming gave this information: 56% of U. S. farmers have gross sales annually of not more than \$2500. Average gross sales of Texas farmers are \$5,605, and in the Lubbock Congressional District, \$16,643. 58% of all wheat farmers raise 15 acres or less, and 75% of all cotton allotments are under 15 acres, in the United States.

Guests attending the banquet were, George Pfeiffenberger, of Plains Cotton Growers; Allen Webb, ASC director from this district; Buck Jones, vocational agriculture instructor of Texas Tech; John Gregg, of the National Cotton Council; Waggoner Carr, Texas House Speaker, and George Mahon, U. S. Congressman.

CONSIDER THIS: The man that factors of what may be the understanding shall remain in the congregation of the dead. Prov. 21:16

The use of oats for all purposes has greatly expanded in recent years, as shown by the official estimate for 1957 of 2,670,000 acres compared to an average of 1,740,000 acres from 1947-56.

TURNIPS ARE SORTED at the Friona Growers and Shippers Association to meet size standards. Turnips that are too big are culled out.

Application Of Nitrogen Advised For Maize Stubble

An application of nitrogen to grain sorghum stubble prior to plowing it under will prevent a nitrogen shortage for the crop which follows, says W. F. Bennett, soil chemist for the Texas Agricultural Extension Service.

The chemist suggests that stalks be shredded as soon after harvest as possible. An application of 20 pounds of nitrogen for each ton of residue to be turned under should be made just prior to the plowing. Where nitrogen is not applied, and stubble is left in the field until late in the year, the decomposition process will tie up the available nitrogen in the soil and often cause a nitrogen shortage for following crop.

By using nitrogen and early shredding and plowing of stubble, this condition can be eliminated, says Bennett. Too, the nitrogen in the soil will be available for use by the crop which follows the grain sorghum.

Bennett cautions against the use of more nitrogen than the crop which is to follow can use. In no case, he adds, should

more than 60 pounds of nitrogen be applied per acre. Generally, he says, about 30 pounds of nitrogen per acre will adequately take care of the residue to be plowed under on most Texas farms.

Issues Quality Report

The First Texas High Plains Cotton Quality Report of the 1959 cotton crop has been released by Geo. W. Pfeiffenberger of Plains Cotton Growers, Inc., and shows quality factors of what may be the second largest crop in history from the Texas High Plains.

Pfeiffenberger explained that the quality report is mailed to textile mill executives and cotton buyers throughout the nation in an effort to keep them posted on yield, quality and character of the 1959 crop as it is harvested. This was the first report this year. Issued semi-monthly, reports will be continued through the harvest period.

Each report consists of an explanation and six tables giving correlations between grade, staple, micronaire and tensile strength of the cotton harvested.

In the first 1959 report white cotton accounted for 84 percent of the crop ginned thus far -- approximately 100,000 bales -- and 82 percent was middling white and above. Light spots totaled 15.3 percent with 15.2 percent middling light spot and above. Full spotted cotton was only 0.1 percent.

Average staple length was just about 31/32 inch with approximately 31 percent being one inch and longer. Only 19 percent fell below 15/16 inch. The micronaire average was 4.2 with 98 percent above the tenderable limit of 3.5. Fiber strength averaged 76,000 pounds per square inch with 53 percent between 75,000 and 90,000 pounds.

Pfeiffenberger said that some of these reports also are mailed to cotton firms abroad. "We believe this is a good way to interest more buyers and mills in Texas High Plains cotton. It gives them correct and current data," he concluded.

Soil testing is a tool you can use on your farm to determine the level of fertility in your soil. The recommendations which you will receive from the soil testing laboratory, based on the analysis of the soil samples you submit, will give the amounts of fertilizer needed for the most profitable crop or pasture production. Local county agents can supply information on soil testing.

Dutch Quickel, Representing MUTUAL Life Insurance Company Of New York

POLITICAL CALENDAR

The Parmer County newspapers have been authorized to announce the candidacies of the following persons, subject to the action of the first Democratic Primary May 7, 1960.

- FOR SHERIFF of Parmer County: Chas. Lovelace (Re-Election)
- FOR ASSESSOR-COLLECTOR of Parmer County: Lee Thompson (Re-Election)
- FOR COUNTY ATTORNEY of Parmer County: Hurshel Harding (Re-Election)
- FOR COMMISSIONER of Precinct No. 1: Wesley Hardesty
- FOR COMMISSIONER of Precinct No. 3: Guy Cox

ACCIDENTAL DEATHS HIT NEW LOW

Accidental work deaths hit a record low last year, according to the National Safety Council.

On-the-job accidents last year still accounted for 13,300 fatalities. But even that number was a decrease of 900 from the 1957 figure.

"Accident Facts," the statistical yearbook of the Council, just off the press, lists 1,800,000 disabling work injuries last year -- a drop of nearly 100,000 from 1957.

The council says a decrease in the number of hours worked and a drop in employment contributed to the accident reduction.

No Food Surplus, Just Poor Distribution; Yarborough

U. S. Senator Ralph Yarborough slammed what he called "peanut politicians" in a rousing attack on the Republican administration Tuesday night in a speech at Friona.

To the partisan crowd of 350 persons, he drilled home again and again his theme of distributing surplus food to the needy and aged in both this nation and abroad. His remarks drew frequent applause.

Sen. Yarborough called the \$7 billion U. S. food surplus "the most tragic phenomenon of our time." He told his audience that "over two-thirds of the people of the world go to bed hungry every night."

"There really isn't any surplus of food," he said emphatically, "only a grave imbalance in distribution."

The Farmers Union-sponsored function was kicked off with a banquet in the high school cafeteria. The main address was heard in the school auditorium. FU dignitaries on hand included Alex Dickie, state president, and Richard Alexander, state secretary.

The senator, who spoke from a prepared text but made frequent side comments, touched on the United States' lag behind Russia in scientific achievements in recent years. He challenged administration leadership at every turn.

Yarborough also looked at what he considered serious deficiencies in the country's educational system. He called for

SENATOR RALPH YARBOROUGH

an expanded program of aid to students in college, declaring that many were denied an education who could do their nation great service if they could afford the training.

The junior senator returned to pound away at his main theme, that of giving away the government-held surpluses of food.

"If we believe the brotherhood we preach we'll knock the locks off the grain bins," he declared.

One of his remarks that drew audience applause:

"We Americans have not overproduced on food. . . we have underproduced on politicians."

RAILROAD FEATHERBEDDING: \$500,000,000 LOSS TO THE NATION—INCLUDING YOU—EVERY YEAR
Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year. You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy. Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend. The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation. In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay. AMERICAN RAILROADS

Rule Changes Announced For Junior Livestock Show

Parmer County Junior Livestock Show, sponsored by the Friona Lions Club and through the cooperation of the vocational agricultural instructors and county agent in Parmer County each year will have some new innovations for this year's show according to Bill Nichols, chairman of the rules committee for the show.

The show will be held at the new bus barns in Friona next March 11 and March 12 and those interested in competing in the show are advised of the following changes in rules.

Nichols says that these changes are the result of work by the rules committee and the vocational and 4H instructors and are designed to make the show more successful from the standpoint of helping Parmer County youngsters realize more from their efforts in competing in the show.

1. The Parmer County Jr. Fat Stock Show is open to all 4-H club boys and girls under the supervision of the Parmer county agent and to all FFA and FHA members under supervision of the vocational agriculture and vocational home economics teachers in Parmer County.
2. All animals entered in this show by 4-H, FFA or FHA members must be in continuous ownership of the members as follows: calves Dec. 1 preceding the show, pigs and lambs Jan. 1 preceding the show (unusual cases to be presented to the show board for con-

sideration).

3. All animals on exhibit will be sifted by a sifting committee and those animals not having sufficient merit to remain in the show must be removed from the grounds or to the sifting pens by the exhibitor.
4. In all cases, the management reserves the right to reject or accept any entry conditionally, and does not guarantee space in the show barns to any entry, as it is intended that only such animals shall be entered and shown as have merit, and will be a credit to both the exhibitor and this show.
5. Each entry in the fat steer classes will be required to pay an entry fee of \$1.50. Each entry in the swine and sheep division will be required to pay an entry fee of 50 cents. These fees must accompany the official entry and will not be refunded.
6. Exhibitors cannot show more than 2 fat calves, 3 fat barrows or 3 fat lambs.
7. No animal is eligible for this show if said animal has passed through another auction sale in conjunction with a livestock show.
8. The barn will open to receive entries in swine and sheep at 1 p. m. Thursday March 10, 1960. All entries must be weighed and in place by 9 p. m. of this date. Sifting of swine and lambs will begin at 8 a. m. March 11.
9. Only those animals exhib-

ited in the fat animal classes will be eligible for the auction sale. There will not be a sale for sifted animals. Bids however will be taken by legitimate buyers for the sifted animals.

10. The owner must show the animal at the time of judging, but, should owner have two entries in one class, a substitute will be allowed to handle one entry, but he must qualify under rule 1 and be an official exhibitor.
11. The grand and reserve champions will be selected from the 1st and 2nd place animals in each class in each division. The grand and reserve champion steer and barrow must sell and the champion of each lamb division must sell.
12. The judge will place all finished animals for which places are provided in the premium list. All animals in the show will pass through the sales ring in order of merit.
13. The buyer of any animal, through any of the sales at the show, is not obligated to resell or release said animal.
14. Exhibitors are required to return animals to pens or stalls assigned by the division superintendent following the auction sale.
15. Show sponsors reserve the right to interpret all rules. Decisions of show officials to be final.
16. The Parmer County Junior Fat Stock show will in no case be responsible for any death, loss, injury or damage that may occur to any animal, exhibitor or equipment.

Fat Steer Division

1. Each exhibitor is limited to two fat steers in the Show.
2. The Grand Champion and Reserve Champion steer must sell.
3. Each exhibitor will pay an entry fee of \$1.50 per steer and this fee must accompany the entry and cannot be returned.
4. All steers entered in the show must be halter broken.
5. To be eligible for the show steers must have been under continuous care of exhibitor since Dec. 1 of the previous year.
6. All entries must be in place at show barn by 9:00 p. m. March 11.
7. Sifting of steers will begin at 8:00 a. m. March 12th.
8. Exhibitor must furnish 8 ft. rope to tie steer after sale.
9. All steers will sell in order of placing.
10. Only beef type and beef type crosses are eligible.
11. Steers will be shrunk 3 per cent before sale.
12. Classes: Light weight class, 700 lb - 849 lb; Medium weight class, 850 lb. - 999 lb; Heavy Wt. class, 1000 lb - 1200 lb.

Fat Barrow Division

1. Only three single barrows may be exhibited by any one owner in this division, and they may show in the same or separate classes. Each exhibitor will be lim-

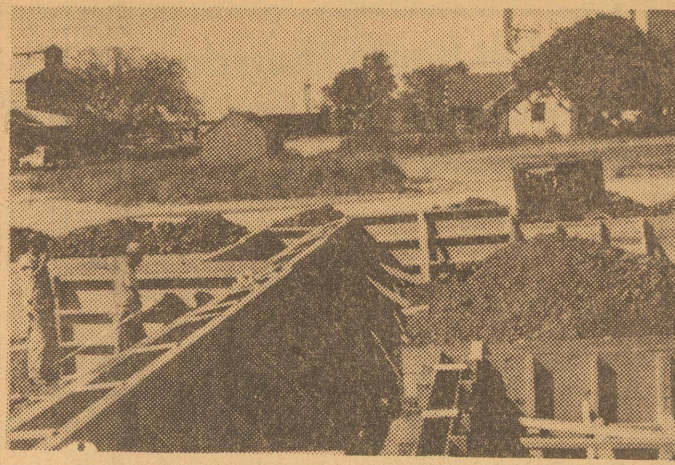

ited to only two prizes in a single class.

2. A pen fee of 50¢ per barrow will be charged. This fee must accompany the entry and cannot be returned.
3. A 3 per cent shrink will be deducted from the weight of each animal to determine the pay weight following the auction sale.
4. Fat barrows weighing LESS THAN 180 lbs or MORE THAN 240 lbs will not be entered in the show. There will be two weight divisions as follows: Light 180--209; Heavy 210--240
5. Classes will be set up for all breeds having 4 or more animals. In the event a class has less than 4 animals classes will be formed to meet the needs at the discretion of the division superintendent. First by mixing weights within breeds and second by mixing breeds to make a minimum of 4 animals in each class. Crossbreeds will make a separate class by weight.

Lamb Division

1. Each exhibitor will be limited to three fat lambs in this division. Lambs must weigh between 80 and 130 lbs. Three lambs may be shown in one class; but only two can be places as prize winning.
2. ALL ENTRIES MUST SHOW THEIR LAMB TEETH.
3. The decision of the judges concerning classification of lambs as to class or age shall be final.
4. A champion lamb will be selected from each class.
5. A pen fee of 50 cents per head must accompany all entries.
6. A 3 per cent shrink will be deducted from weight of each animal sold at the auction sale to determine the pay weight following the auction.
7. Definition of Classes: Fine wool: may be Rambouillet or Merinos or a cross between these two breeds. Medium or long wool: May be medium wool or long wool breeds or cross breeds except Southdown or Shropshire, or lambs showing evidence of Southdown or Shropshire crosses. Southdown and Shropshire: Southdown or Shropshire breeds or lambs showing evidence of Southdown or Shropshire breeding.

Lana, Auburn and Oregon woollypod vetch are three fairly new vetch introductions. R. J. Hodges, extension agronomist, says the only difference in these new vetches and Hairy is that they produce more of their total growth during winter and early spring. He adds that woollypod vetch seed are scarce and prices are high.

CONSTRUCTION IS underway on a new feed mill at the Cummings Farm Store in Friona. The mill will be a six-ton-an-hour unit.

Construction Begun On Feed Mill

A six-ton-an-hour feed mill is now under construction at Cummings Farm Store in Friona.

According to Doyle Cummings, the mill, which will be

H. D. AGENT'S CORNER

Jimmie Lou Wainscott

This week I am attending the National Home Demonstration Agents Association meeting in New Orleans. The meeting will be through October 24.

We have a new bulletin on "Food for Less" that I used last week in a training meeting. It has some very good recipes in it. Below are two of the recipes.

- BARBECUED POT ROAST**
 3 lb. beef pot roast (blade or arm cut)
 2 teaspoons salt
 1/4 teaspoon pepper
 3 tablespoons fat
 1/2 cup water
 1 8-oz. can tomato sauce
 3 medium onions
 2 cloves garlic
 2 tablespoons brown sugar
 1/4 teaspoon paprika
 1/2 teaspoon dry mustard
 1/4 cup lemon juice
 1/4 cup catsup
 1/4 cup vinegar
 1 tablespoon Worcestershire sauce

Rub meat with salt and pepper; brown in hot fat. Add water, tomato sauce, minced or thinly sliced onions and minced garlic. Cover and cook over low heat 1 1/2 hours. Combine remaining ingredients and pour over meat; cover and continue cooking about 1 hour, or until tender. Remove meat to hot platter. Skim most of fat from gravy, dilute with water to suit taste, then thicken with 2 tablespoons flour mixed to smooth paste with a little water. Serves 4 or 5.

- LEMON PORK CHOPS WITH PEPPER RICE RINGS**
 4 loin, rib or shoulder pork chops (about 1 1/2 lb.)
 1/2 teaspoon paprika
 1/2 teaspoon salt (for chops)
 Dash of pepper
 1/2 cup r. v. rice
 1 medium onion
 4 thin lemon slices
 1 large green pepper, cut crosswise in 4 thick rings
 2 1/4 cups (No. 2 can) tomato juice

chops are tender. Add remaining tomato juice, as needed, to keep liquid 1/4 inch deep during cooking time. Arrange chops on heated platter; transfer rice-

stuffed pepper rings to platter with pancake turner; spoon tomato pan gravy over chops and rice.

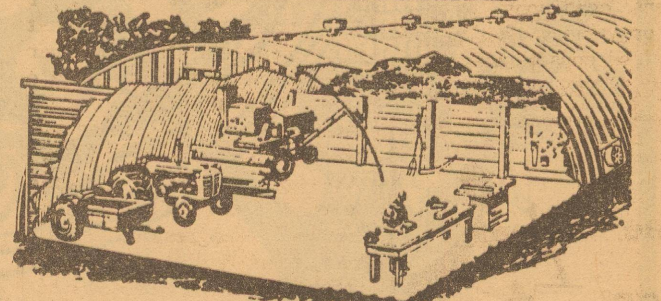

All-Purpose, All-Steel Farm Building

Almost Straight Side Wall Capacity... at 30% Less Cost

The All-Steel Behlen Curvet is an ideal all-purpose farm building. It can safely store both grain and machinery at the same time. It costs approximately 30% less than most straight-wall buildings of the same capacity. It can be built to any length (in 40-foot widths). And, it can be easily expanded at any time.

40x100 BARN
 \$8950
 Turn-Key Job Includes Floor

We can quickly erect a Behlen Curvet on your farm. See us now for complete details.
