

Aldermanic Government Gets Overwhelming Nod

Awtrey, Nichols, And Bainum Win

Friónans chose overwhelmingly to change the present form of city government to the Aldermanic form in a special election Tuesday by a vote of 116 for the change and 10 against the change.

At the same time three aldermen were picked to serve and this turned out to be a close race.

Deon Awtrey led the field of candidates with a total of 112 votes. He was followed closely by Billy E. Nichols and Danny Mac Bainum with 91 votes each.

R. W. Shelton picked up 89 votes and Glen C. Stevick got 69 votes to complete the regular ballot.

In addition, nine write-in candidates were named on the ballots.

The write-in candidates included:

| | |
|---------------|---|
| Ernest Osborn | 1 |
| Jake Lamb | 1 |
| Otis Massey | 1 |
| Bill Cogdill | 1 |
| Elroy Wilson | 2 |
| Forest Osborn | 1 |
| Roy Wilson | 1 |
| Ralph Smith | 1 |
| Rose Lange | 1 |

A total of 151 ballots were cast in the election.

Nelson Welch served as presiding officer for the election

and was assisted by Jake Lamb as election judge and Mrs. Nelson Welch and Mrs. Clyde Fields, clerks.

Mayor Raymond Fleming announced that this election will pave the way for the city to again make plans for the bond election which originally caused this special election to be necessary.

The city council will meet in regular session Monday night at 7:30 p.m. in the city hall and the newly elected officers will be sworn in at that time.

In addition a representative of Dittmar & Company of Dallas will be on hand to carry out the necessary detail work prior to the holding of the bond election.

The original bond election, which was shelved after there seemed to be some question as to just what type of city government Friona was operating under, called for over \$300,000 worth of city improvements.

This will be reviewed at the Monday night meeting.

BULLETIN

We just received word that the infamous Secretary of Labor Mitchell has written into the national registry the labor regulations which were so vigorously opposed locally and over our state this spring.

This means that unless enough of you, yes YOU, write, phone or telegraph your congressmen, senators and Secretary Mitchell immediately, these socialist-designed regulations will become law in 30 short days.

More detail on this law will be included in next week's paper.

Open House Slated At First Baptist

Sunday will be the first day of the Fall Revival and an Open House for the new educational wing of the First Baptist Church in Friona.

The public is invited to inspect the new wing of the church and stay for the revival messages which will be presented by Dr. J. P. McBeth of Dallas.

Dr. McBeth is one of the outstanding Bible preachers in the Baptist church and is a graduate of Hardin-Simmons and the Southwestern Seminary.

He has served as pastor in Dumas, Anson, and Sweetwater churches.

Dr. McBeth has been in the evangelical work of the Baptist church for about 10 years.

"Dr. McBeth is one of the most effective Bible teachers I ever heard. He has a gift possessed by few men," says Dr. W. R. White, president of Baylor University.

The public is invited to attend any of the services which will be held the week beginning Sunday, September 6 and lasting through the following Sunday.

Chiefs Meet Steers Here

An injury laden Friona football team will meet the powerful Farwell Steers Friday night at 8 p.m. in the Chieftain Stadium for the first pig-iron contest of the year.

On the injury list for the Friona Chiefs are Gary Bradley, Jim Greeson, Don Clements, Jobey Claborn, Larry Drake, Gary Brooks, Leslie Curry and Luther Metcalf. Some of these players will see limited action Friday night while others will not suit out at all.

There will be five sophomores on the roster, which is not yet complete. The Chiefs will be inexperienced and green for this first contest.

Coach Smith reports that the Chiefs have not looked too good to the present time and attributes this to the inexperience with which he and his staff are faced.

Saturday morning, the Friona Chiefs travelled to Olton for a scrimmage and Smith reports the local team did not fare so well against their opponents.

He further says Farwell will be loaded with power and talent again this year. They have an excellent fullback, a mighty big and powerful tackle, one of the best line hackers in the area and a good sharp end, not to mention the hard hitting line.

The Farwell Steers recently scrimmaged Muleshoe and rocked the Mules pretty good.

Farwell is going to be a hard game to be the first game of the year, Smith further stated.

With the experience and size and depth they have, they are going to be rather hard to handle.

The gate of Chieftain Stadium will open at 7 p.m. Friday. Admission price this year will be \$1.25 for adults compared with \$1.00 last year. Student prices of 50 cents will be the same.

The Friona Volunteer Fire Department will again police the area and aid in parking the cars. The Hospital Park-

Maize Days Plans Enter Final Week

Members of the Friona Volunteer Fire Department have made their rounds "dressing up" the downtown and highway business fronts with gala holiday trappings. Friona is gearing

itself for the final effort before the annual Maize Days Celebration slated to begin next Thursday night at 8:30 p. m. with the Queen's Contest.

The Queen Contest will be

held in the high school auditorium and Mrs. Eva Miller asks that if any communities have a girl they are thinking about entering, please get the entry fee of \$7.50 and a picture of the girl to her by next Monday afternoon at 5 p. m.

Hal Mayfield will again serve as master of ceremonies at the Queen Contest and the field is growing every day.

This year, as in the past, the home demonstration clubs, community organizations, FFA Chapters, and other organizations will have window displays in the downtown Friona Merchants' stores.

M. C. Osborn, chairman of the window committee, asks that the organizations make their own arrangements with the various businesses and have their displays in the windows ready for judging by Wednesday, September 9.

Shave Permit sales are going

along nicely, reports Boss Lion George W. Jones of the Friona Lions Club. This event, or the proceeds from the sale of the Shave Permits, goes to pay for the Barbeque which is slated for Friday afternoon at 5 p. m.

As we go to press this week no concrete information is available as to the number of bands, floats, etc., that will be on hand for the big parade which will get underway Friday morning at 10:30 a. m.

All this information, plus an approved schedule of events, will be carried in next week's Friona Star.

Watch for next week's paper for any changes in the schedule.

A group of Frionans will travel to Amarillo Saturday where they will appear as guests on the Cotton John Farm Show that afternoon at 4:30. Watch your TV set for a preview of the Maize Days attractions.

RESTING WELL --

Larry Moorman Injured In Accident

Larry Moorman, 13-year-old son of Mr. and Mrs. Ben Moorman is reported to be resting well in Amarillo following a scooter accident Sunday afternoon.

The youngster was traveling south on Elm Street in the northwest part of Friona about 5:15 p. m. on a new scooter, when the machine flipped over and came down on the youngster.

The accident was seen by Betty Smith, Buck Garner and J. O. Latham who ran to give aid to the boy.

He was sped to Parmer County Community Hospital where emergency treatment was administered by Dr. Lee Cranfill.

The boy suffered a fractured skull and other painful cuts and abrasions and was immediately transferred to Amarillo following emergency treatment for surgery by a specialist.

Ben Moorman, father of the boy and Friona's Chief of Police, and his wife accompanied the ambulance on the trip. Moorman returned for duty here Monday afternoon and reported that although Larry was still

out following the surgery the doctors reported that barring complications he should be able

to return to the hospital here in about two weeks.

Claborn ambulance took the boy to Amarillo and was escorted by Highway Patrol cars from Hereford and Canyon.

The youngster has a twin brother, Gary, and two sisters, Pamela Jo, 11, and Vicki Lynn, 9.

1,059 Students Attend Opening Classes Here

School doors opened Monday morning at 8:45 to 1,059 students in the Friona School System.

In the Elementary school, 431 students enrolled the first day. This includes students in the first four grades. Enrollment figures for the grades takes in 112 students in the first grade, 116 in the second grade level, 96 in the third grade level and 107 in the fourth grade.

In junior high, Tom Jarboe reports a total of 375 students enrolled during Monday. This included 92 enrollees in the

fifth grade, 111 in the sixth grade, 105 in the seventh and 67 students in the eighth grade.

In Friona High School, there have been 253 enrolled thus far. All these figures are for Monday only, and do not include any students who enrolled since that day.

There will be 71 freshmen this fall, 70 sophomores, 55 juniors and 57 seniors, making the total for the system thus far at 1,059. There will probably be variations to this figure in that a good number of Friona residents were on vacation the first few days of school.

Buses ran for the first time Monday and the cafeteria served lunch for the first time this year. Over 840 people ate in the cafeteria the first day.

Mr. Gee, principal of the Friona Elementary School, reports good response to his requests that first grade students have their birth certificates and smallpox vaccination certificates, but says there are still some that have not brought them to date. He urges all parents of the first graders, that have not done so thus far, to remember to send or bring these particular certificates.

mack's tracks by dave

Well, school has gotten underway this week and the downtown stores and streets have been filled the first couple of days with sleepy eyed mommas and poppas bringing their youngsters to the "little red school house."

In talking around over town it seems that one of the biggest problems facing parents is the idea of arriving at an easy way to get the kids out of bed in time to make the bus.

There have been several ideas advanced with this problem in mind and one which we heard seemed to have backfired during the experimental stage.

Jo Buchanan, who lives out in the Lakeview Community, told us that their oldest boy was always hard to get moving in the morning; so, she would always draw up a tub of cold water and make him get in the bathtub before breakfast; so he could be awake when the bus ran.

This worked out for a couple of days, but then one morning he didn't show up at the table. Upon investigation the boy was found slowly sinking in the bathtub, snoring right along!

So with the opening of school we've lost the full-time "services" of our ace reporter and handyman Donald Watkins.

We don't believe that any of y'all that have come in contact with Don this summer could've missed the idea that his family was expected to increase--well, the blessed event finally happened. Fran and the little girl are home now and both doing fine.

We never were too worried about Fran, but there was a couple of times there when we thought that we were going to lose Don.

The night that the little miss finally arrived we were up at the hospital with Don. We were talking up by the nurses desk, in the middle of the ward area, when the nurses wheeled Fran out and into a room down at the south end of the hall.

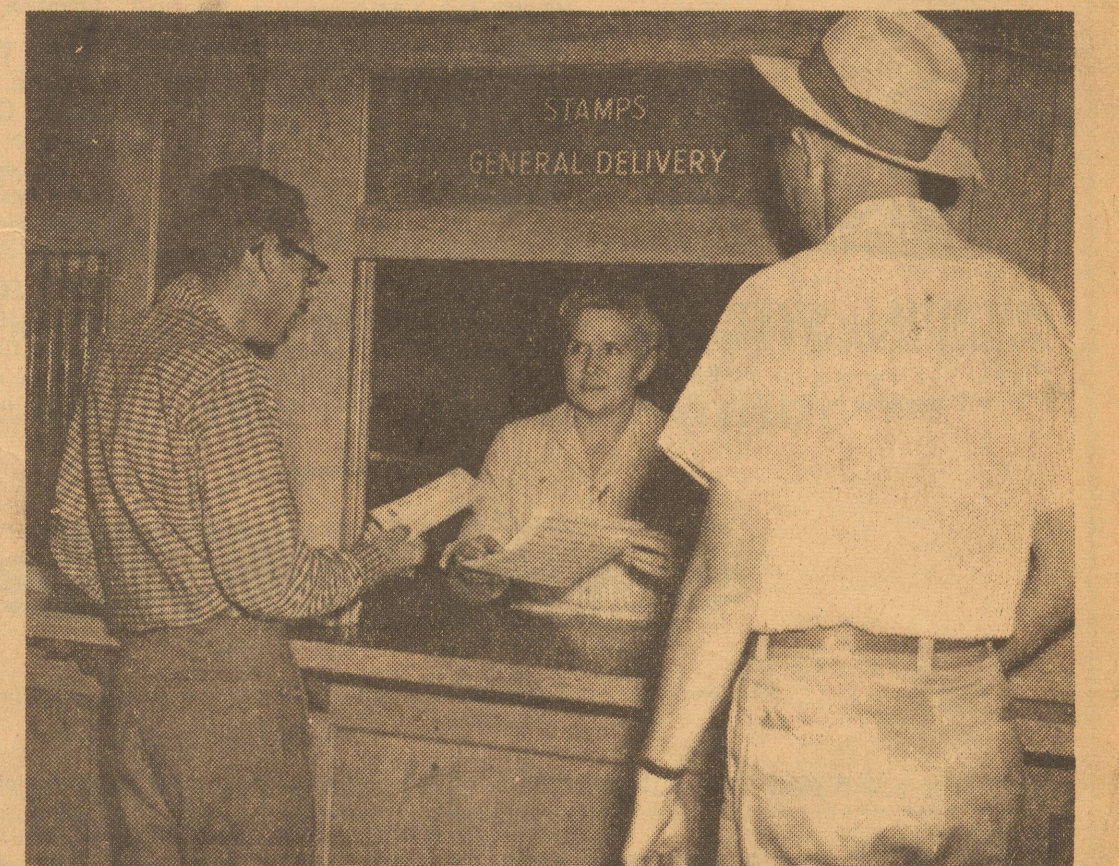

Don took off in a dead run toward the room hollaring "Make room for the new Poppa!"

Well, he wheeled into the room on two wheels but his enthusiasm was short lived.

Kelley and the other nurse promptly shut the door in his face, informing him that he wasn't needed just then.

Talk about feathers falling--But Don has about recovered

Entered as second class mail matter July 31, 1925, at the post office in Friona, Texas, under the Act of March 31, 1897. Published each Thursday.

How Can You Legislate Honesty?

We couldn't help but overhear several local farmers and distributors of butane, etc., cussing the latest efforts of our state legislators to legislate honesty.

We refer to the new state law pertaining to motor fuel taxes.

What a bunch of crud!

To put it bluntly that is how we feel about this new law.

Personally we figure that such laws are about as useless as a sidesaddle on a boar hog.

It was already against some law or the other to use butane or other special fuels for your personal cars, pickups, etc.

Now why in the heck do they come along with this newest monstrosity?

It seems to have only one of two answers--someone down at Austin was about to get out of a job, or some contractor was facing bankruptcy so they passed this law to give additional paperwork to a few hundred despondent folks and then, of course, they would have to have a place to put this working force; so, a contractor will have to build a new building.

But--another factor in this idea is that the state has passed on their obligations and responsibility (at least in our mind) for the enforcement of this jewel to the distributor.

If the state wants the thing enforced, let them do it, not turn around and tell the distributor to do it yesterday!

UNDER THE WEATHER

The very inebriated rounder, having reached the stage where places and directions were a blur, staggered down the stairway of a subway entrance and was caught in the shuffle.

Several hours later, and much the worse for wear, he staggered up the stairway of a subway exit. Upon emerging to the sidewalk, he ran into a friend of his. His friend looked at the lush

and his condition and remarked, "Where in the world have you been?"

The drunk replied with enthusiasm, "I've been down in some guy's cellar, and BOY, has he got a set of trains?"

One of the cleverest announcements we've run across recently was written by a member of the Girl Scout planning committee for the Round-Up in City Park Saturday.

If you didn't receive one, maybe you will enjoy reading this one: "Girl Scout Round-Up in the park. At six p.m. before it's dark. Bring your family, salad, pie or cake. The rest will be like the Girl Scouts make. Now, don't forget it's Saturday night, the fifth of September. A gayla affair we'll always remember."

A card we received in last week's mail really topped the list of amusing incidents for the week. It also should prove beyond any doubt that Star classifieds are very effective. The card came from Toyah, Tex., and was very well written. The writer was very pleased with the results of the ad we ran and asked that we pull the ad and mail him a bill.

A P.S. on the card read, "The ad really got quick results." Now, the funny part of it is that we've never had an ad for the man in our paper. Apparently he requested that we run one for him and the request failed to reach us.

Picked this up somewhere and thought maybe you'd enjoy it, too.

MONEY

Some give it; some lend it. Some keep it; some spend it. Some spurn it; some crave it. Some waste it; some save it. Some scorn it; some choose it. Some find it; some lose it. Some hide it; some store it. Some loathe it; I'm for it.

Compasses for installation on cars are now available. The question that comes to our minds is what would persons have to argue about when traveling if the car was equipped with a compass pointing the direction at all times.

Read something recently on this line that we plan to try the first time we are away from home and get turned around. Since this happens often, it shouldn't prove too difficult.

The following was printed under the heading, "A Valuable Trick To Know."

"A good woodsman, when he is turned around in the wide open spaces, can always find his directions by using his watch, providing the sun is shining. All he has to do is to point the hour hand at the sun, then halfway between this hand

and twelve o'clock on the dial will be due south.

"But when the day is cloudy, and no sun is to be seen, it is a different matter. Yet, the watch may be made to serve as a compass even on cloudy days. If the tip of a blade, or a pencil point is set upright on the thumbnail on a sunless day, the sun still casts a faint shadow.

"By noting the direction of the shadow, you can point the hour hand of the watch toward the sun, and thus get your bearings."

There's really nothing that gets our "bearings" out of kilter worse than being turned around.

Maize Days is here again. Each of us should make a special effort to keep from getting too busy with details to fail to greet strangers that are in our midst during these festive days.

Several Frionians who have been away for the summer are spending a few days with their families and friends before going to school this fall. Jan Edelman, who attends the University of New Mexico and has been working in Albuquerque this summer, is visiting her parents, the W. L. Edelmans.

Luellen McLean of Midwestern University has attended classes this summer and is spending a few days with her parents, Mr. and Mrs. Jim McLean, and sisters, Jimette and Kathy, before enrolling for fall classes.

Doris McFarland and Wesley Barnett, both Tech students are with their parents, the J. G. McFarlands and Fern Barnetts. Gary Sherrieb, who belongs to the Clyde Sherriebs is home from Colorado State College at Fort Collins.

Several times when we've met members of the spring graduating class on the street this week the thought, "Wonder why he (or she) isn't in school at this time of day?" has suddenly made an appearance.

It would be wonderful if parents of every child in school would be present at the get-acquainted party for the new teachers at the auditorium at 8 p.m. to-day. This event is being sponsored by the local PTA unit, but you certainly don't have to be a member of this organization to attend.

Every parent of every school child in Friona will be welcomed by members of the sponsoring organization.

IF YOU LIKE MONEY, YOU'LL LIKE BUYING A CHEVY NOW!

IT'S BEST-BUY SEASON ON NEW CHEVROLETS RIGHT NOW... AND YOU'LL NEVER DO BETTER BY YOUR DOLLARS Stop by your Chevrolet dealer's and see the season's most wonderful money's worth. Better make it soon!

IF YOU LIKE GETTING YOUR MONEY'S WORTH, YOU'LL LIKE CHEVY'S 7 BIG BESTS!

BEST BRAKES . . . STOP ON A DIME AND GIVE YOU MORE STOPS PER DOLLAR They're bigger too. With 'em, Chevy out-stopped all competitors in its field in a NASCAR* conducted test of repeated stops from highway speeds.

BEST STYLE . . . BEAUTY THAT DOESN'T DEMAND A BIG BANK ROLL The experts at POPULAR SCIENCE magazine looked them all over

and said that ". . . in its price class, Chevy establishes a new high in daring styling." Chevy's leadership in sales for '59 says a lot for its looks too!

BEST RIDE . . . CARRIES YOU AS CAREFULLY AS IT PAMPERS YOUR DOLLARS "The smoothest, most quiet, softest riding car in its price class." That's the way MOTOR TREND magazine describes Chevrolet's cream-smooth ride. It's way more fun to sample than to read about though. Get out in a Chevy and see what Full Coil springs do.

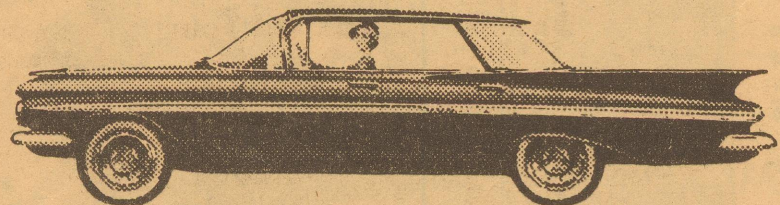

BEST ENGINE . . . YOU COULD SPEND JARFUL OF JACK AND NOT GET A V8 LIKE CHEVY'S Talking about our standard as well as Corvette V8's, SPORTS CARS ILLUSTRATED says, "Indeed, this device is

surely the most wonderfully responsive engine available today at any price."

BEST ROOM . . . NO CRAMPED QUARTERS Let's take the official figures filed with the Automobile Manufacturers Association. They show Chevrolet's front seat hip room up to 5.9 inches wider than in comparable cars. Count on real comfort.

BEST TRADE-IN . . . YOU GET MORE DOLLARS BACK FOR YOUR CHEVY Last year, for example, Chevrolet used car prices averaged up to \$128 higher than comparable models of other makes. Just check the NADA* Guide Book.

BEST ECONOMY . . . SOCK AWAY YOUR CHEVY SAVINGS As sure as two Chevy Sixes won their class in this year's Mobilgas Economy Run, getting the best mileage of any full-size car!

Now there's an Impala Sport Sedan . . . one of Chevy's full series of Impalas for '59

See your local authorized Chevrolet dealer—you might as well get the most!

FRIONA CHIEF'S "CHIEF" SUPPORTERS--Members of the Friona Pep Club are shown at their initial meeting Tuesday at the Friona High School. The girls have each received a megaphone from the Friona Battery & Electric Company to aid their yelling. The girls are sponsored by Mrs. Earl Smith and directed by the cheerleaders.

68 Members Form Friona Pep Club

Sixty-eight girls turned out at 11:30 Tuesday morning to form the Friona Pep Club to aid in the yelling at the ball games this year.

The club will be sponsored by Mrs. Earl Smith and will be under the direction of six cheerleaders.

This year's cheerleaders will include Gwen Green, head cheerleader, Phyllis Bainum, Gayle Knight, Tommy Lewellen, Karen Turner and Pat Ready. Members of the Pep Squad include:

Judy Fesser, Lawanna Towry, Karen Bales, Eleanor Dodson, Carolyn Baxter, Peggy Howell, Mary Crawford, Janet Smith, Virginia Fuiks, Berna Lou Drake, Amelia Valverde, Dora Martinez, Faye Scales, Linda O'Brian, Kay Burleson, Carpl Rasmussen and Joy Ingram;

Also Janie Williams, Gloria Patterson, Betty Sue Drake, Judy Bock, Levada Hand, Charlotte Bock, Gayle Knight, Celia Weatherly, Pat Myers, Donna Blackburn, Jolynda Stokes, Winette Beaton, Virginia Patton, Lois White, Kay McKee,

Carla Mae Turner, Maxine LaFavers, and Susan Perry;

Also Rita Turner, Sandra Hoover, Wanda Ready, Donna Fields, Ineta Stowers, Jo Ann Altman, Debbie Hawkins, Nawasa Parson, Su-Zan Harper, Jerry Cochran, Jere Buske, Margie Carlton and Sue White; Also Alice Gordon, Jean Wil-

son, Janet Snead, Janet Buckley, Carolyn Wines, Mary Hadley, Geraldene Day, Kay Harper, and Carle Levada Singletary; Also Sally Hough, Jenny McCathern, Cynthia Guinn, Linda Crow, Greta Mears, Mabel Curry, Martha Wages, Joan Duncan, Linda Gibson, Virginia Latham and Karen O'Brian.

Dove Shooting Begins Sept. 1 In North Zone

Season opens for North Texas dove hunters Tuesday, Sept. 1, with perhaps one of the best crops in years, according to the assistant secretary of the Game and Fish Commission.

The new 1959-60 hunting and fishing licenses will go on sale after August 20, according to the announcement. They will be effective Sept. 1, and all persons who hunt outside their own counties are required to have a new license. Fishing licenses also expire Aug. 31,

and a new license is necessary for fishing outside the home county, or with any kind of winding device.

Persons over 65 years of age are not required to have a license. Exemption cards are available at the regional offices or by writing to the Game and Fish Commission in Austin. Such cards are issued as a courtesy, and are not required.

False face must hide what the false heart doth know--Shakespeare.

Two DWI Cases Heard

Two DWI cases were heard in county court Friday, Judge Loyde Brewer presiding.

Joseph W. Felty, 41, Muleshoe, pled guilty as charged and was fined \$50 and costs and given three days in jail. He was arrested Thursday between Friona and Black by Ed Duke, Friona patrolman.

Arthur Rayborn, 39, Clovis, was fined \$100 and costs after pleading guilty to his DWI charge. He also was picked up Thursday. Sheriff Chas. Lovelace made the arrest after Rayborn struck a mowing machine west of Lariat. Damage to the machine was about \$200.

Both men are "sitting out" their fines in the county jail.

Mr. and Mrs. Arthur Drake and Peggy and Mr. and Mrs. A. O. Drake were Sunday guests in the homes of Mrs. Treva Reece and son, Ted, and Mr. and Mrs. Bailey Reece and children.

Mr. and Mrs. Wes Anthony of Dimmitt were Sunday visitors in the home of Mr. and Mrs. C. W. Dixon. Mrs. Dixon and Mrs. Anthony are sisters.

What Is Simplified Security?

For One Thing It Is Being Protected By The New

Homeowners Policy

This is the package policy designed for economical modern living. Everywhere it's used--and that's everywhere--the Homeowners increases protection for a family and also simplifies security.

And it's no wonder. There's more coverage in it than most families are accustomed to in a single policy. Instead of 3 or 4 separate policies, the Homeowners alone covers your home and the things in it for fire, windstorm, theft and other risks . . . plus liability . . . and all this at substantial savings from us.

It is so much easier to have only 1 policy, one premium, one expiration date. It saves time, trouble, money. It is so much safer to have all your essential protection in a package--paid for in convenient monthly installments, if you wish.

Lazbuddie Football Team Hopes For A Good Season

The Lazbuddie Longhorns should have a successful season if everything goes as planned by Coach Bond and Crooks. After several pre-season workouts, reports about the team have been favorable. Leading the Longhorns will be Derrell Jennings, all-district quarterback, and two second-all-district players; tackle, Jerald McGehee and fullback, Jerry Koelzer. Two sen-

ior guards, Jerry Weaver and Earl Ryder, were starters last year and will add experience to the line. Juniors Bill Hardage, R. L. Porter and Jerry Glover will see action at the end positions. Halfbacks battling for starting positions are Odie Bradshaw, Freddie Savage, Roy Miller and Ronald Elliot. Miller is also a quarterback behind Jennings.

Jimmy Dale Seaton, 160 lb. fullback, is reported to be a fine ball carrier and will be battling Koelzer for his position. Ray Vanlandingham, who did not play last year, and Ronnie Gustin will be trying for the other tackle position opposite McGehee. Clyde Redwine, another boy who did not play last year, will play guard. The big problem for the coaches now is the center position. Jerry Smith, a junior, who previously played the position will not play ball this season; however, Jimmy Broadhurst and Norman Brantley, two boys from last year's freshman team, are improving rapidly and will probably see action at that position according to the coaches.

Plans Made For GS Round-Up

Several Girl Scout leaders met at the Friona Club House Monday afternoon to formulate plans for the Girl Scout Round-Up to be in the City Park Saturday, September 5 at 6 p.m.

All Girl Scouts, Brownies and girls interested in becoming Brownies this year, their parents and other family members are invited to attend the Round-Up. Supper will be served. Parents are requested to bring pie, cake or salad.

Girl Scouts will cook the rest of the supper. However, it will be necessary for each person present to have his own plate, fork and spoon.

An interesting program has been planned and sponsors of the event cordially invite everyone interested in Girl Scouting to be present.

Those attending the meeting were Mesdames Ralph Wilcox, Vernon Roberts, Estis Bass, Meryle Massie, Russel O'Brian and Jim McLean.

Junior High Football Begins

The seventh and eighth grade football boys reported for their first workout Monday at Chieftain Stadium.

Coach Tom Jarboe reported that 31 graders came from the seventh grade and 24 from the eighth.

The complete schedule is not available at this time, but the junior high teamsters will play teams from Muleshoe, Canyon, Hereford, Dimmitt, Tulia and Olton. The games will be played each Tuesday night and will begin at 6 p.m. with the seventh graders; the eighth graders playing immediately following this first contest.

The admission to the games and a complete schedule will be printed in the next edition of the Star.

PTA TO HONOR TEACHERS

A get-acquainted social hour honoring teachers and other faculty members will begin at 8 p.m. today (Thursday) in the auditorium. During the program special recognition will be given all new teachers.

Following the program there will be a social hour in the cafeteria. All parents of pupils in the entire school are invited to attend by Mrs. Andy Hurst Jr., president of the organization.

In issuing the invitation, Mrs. Hurst states, "We want every parent of every pupil in school to feel welcome to attend this meeting. Membership in the organization is definitely not necessary."

A nursery will be provided.

are plentiful. We see them along the highways, on the utility lines, sitting on the fences and in the trees.

Of course, shooting on the highway is illegal, and so is shooting at a bird on a utility pole.

It's a rather dangerous and costly piece of unsportsmanship to shoot at the glass knobs on telephone poles.

Hypocrisy is the homage that vice pays to virtue.

TIME TO ACT!

NECESSARY???

It is not necessary to make long prayers, but it is essential to be much alone with God, waiting on His will, hearkening for His voice, lingering in the garden of Scripture for the coming of the Lord God in the cool of the day. No number of meetings, no fellowship with Christian friends, no amount of Christian activity, can compensate for the neglect of the quiet hour.

M. Alvin Askins

Pastor, Assembly of God Church

Karl Bender Attends Meet

Mr. and Mrs. Karl Bender returned Monday after spending several days visiting Mr. and Mrs. Vernon Cozart and children at Cisco. Bender and Cozart attended the Battle Creek Coon Hunters Association convention at Nimrod, Texas.

About 150 persons were present. Rev. C. H. Threet, Methodist minister, opened the meeting with prayer. A barbecue supper followed the contests.

For the contests a coon was placed in a barrel and dogs were turned loose on a ten foot line. Truman Bacon's dog won the contest by entering the barrel and forcing the coon out in 2.7 seconds. Second place was won by a dog belonging to Vernon Cozart.

Joan Cozart, daughter of the Vernon Cozarts, was elected reporter of the group.

Mrs. Bender stayed in the Cozart home. The Cozarts are parents of a new baby girl. She was born August 24 and named Pamela Denise. Other Cozart children are Billy Carol, Eddie Mack and Joan.

WSCS Sponsors Turkey Dinner

Plans have been completed for the annual turkey dinner in Fellowship Hall of the Friona Methodist Church. Serving will begin at 11 a. m. Friday, September 11.

The menu will consist of turkey, dressing and gravy; baked ham; fresh corn, peas, and beans; cranberry sauce; fresh vegetable tray; homemade pie; tea and coffee.

The Woman's Society of Christian Service annually sponsors this event during Maize Days.

Buffalo Ducats On Sale In Friona

Tickets for the games which will be played by the West Texas State Buffaloes at Canyon are on sale in Friona at the BiWize Drug Store and at Bainum Butane Company.

The Buffs will be playing their home games in the new stadium on the Canyon-Amarillo highway. The opening game will be played September 26 when the Buffs take on the

University of Arizona. The new 20,000 seat stadium will be presented to the public at an Open House at the field slated for Sunday, September 13. The public is invited for a tour of the new plant at that time.

Tickets for the Buffalo games will remain on sale in Friona until September 20 when they will be returned to the college.

Are you ready for dove hunting?

In the North Zone dove season runs from Sept. 1 to Oct. 20.

In the South Zone it begins Oct. 1, and runs through Nov. 19, except in the counties where there is a special white-winged dove season. Here it closes three days earlier.

That's because you also can shoot mourning doves during the three days of the white-winged season. This season is Sept. 11-13-15, three alternate days, from 2 p.m. until sunset.

You are not likely to forget your gun when you go dove hunting, but you might forget your license. Tie a piece of string around your trigger finger right now and get your hunting license today. It will cost you \$3.15.

It can be bought from the County Clerk, any game warden and from most sporting goods dealers. Some drug stores and service stations also have them. They are good for one year.

And incidentally, you'll need a new fishing license at the same time. That is, unless you are more than 65 years old, or unless you fish in your home

county with a cane pole.

If you use a rod and reel anywhere, either in the fresh water or on the Gulf coast, you will need a fishing license.

Perhaps the next most important thing is to have a place

"No, you didn't get me out of bed..."

No more jumping out from cosy comfort when the phone rings now! An additional phone at your bedside ends that—and it costs so little. Get a handsome additional phone in a color to blend with the room.

Vega, Texas, Man Reports —

Profitable Yield on Wheat Using Phillips 66 Ammonia

Dan W. Berger, prominent Oldham County farmer, says: "On 235 acres of wheat, I averaged 43 bushels per acre. This was the first year I'd used ammonia on wheat. After seeing what could be done with that application, I've decided to inject 100 pounds of Phillips Ammonia pre-plant on my wheat this year. I'm thoroughly sold on the use of Ammonia."

Other successful Southwestern farmers have discovered that they make more profit per acre, using Phillips 66 Ammonia. They get

more cotton that classes higher at the gin... yields of sorghum grain or ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Order Your Supply of Phillips 66 Agricultural Ammonia Today!

HOTDOG SUPPER HONORS DEAN--Fred Dean and his wife, at left, were honorees at a hotdog supper at the home of Mr. and Mrs. Bill Cogdill last Thursday night. Those in the picture are Dean, Mrs. Dean, John Davis, Bill Cogdill, Hugh Blaylock, Mrs. Blaylock, Mrs. Sartain and L. A. Sartain.

Rev. Fred L. Dean Moves To South Dakota

Rev. and Mrs. Fred L. Dean left Friona Tuesday for Binger, Okla., where they will be guests in the home of Dean's mother, Mrs. Alpha Sprinkel, about two weeks before going to Yankton, So. Dak., to make their home.

Dean, who has served as pastor of the Union Congregational Church here for the past two years, has enrolled at Yankton College. He will be working on his master's degree and Doctor of Theology degree at the same time.

In addition to his studies he will serve as pastor of a Congregational Church in one of the smaller towns in the vicinity of Yankton.

While here he was active in the Ministerial Alliance and was interested in youth activities of the church.

The Deans were honored with a going away party Sunday evening in the church basement. After a social hour members of the church presented the couple a love offering in appreciation of their endeavors here.

Maude Brown Dies After Long Illness

MAUDE BROWN

Rites for Maude Brown, 64, long-time resident of Parmer County, were at 3 p.m. Wednesday in the Texico Baptist Church, with Rev. C. C. Morgan, pastor, and Rev. Sidney Cox, pastor of First Baptist Church, Farwell, officiating. Burial was in the Bovina Cemetery, Steeds Funeral Home was in charge of arrangements.

The long-time housewife, mother and school lunchroom supervisor, had been ill for about four years, and had been bedfast for about a year. She passed away at her home in Farwell at 2:30 p.m. Monday. Pallbearers were Boye Taylor of Bovina, Jess Coburn of Texico, Ed Blain, Willie Williams and Guy Cox of Farwell and Earl Booth of Clovis. Honorary pallbearers were Les Means, Harry Whitley, Earl Richards and Willie Roberts.

Born October 8, 1894, in Johnson County, Texas, Mrs. Brown and her husband and family came to Parmer County in 1927. The family farmed and continued to live in this area. They moved to the present family home in Farwell in 1945. Mr. Brown passed away in 1951 after a lengthy illness.

Mrs. Brown grew up in Johnson County and was married there. After leaving there, the Brown resided in Floyd County before moving to Parmer.

Before resigning because of poor health, Mrs. Brown had been a member of the personnel of Farwell Schools, serving in the capacity of cafeteria supervisor for 11 years. She was a member of the Baptist Church and the Farwell Study Club.

Six children survive: Mrs. A. P. Lofton of Sacramento, Calif.; Mrs. Ray Ford of Farwell; Mrs. Jess Pipkin of Amarillo; Mrs. T. J. Kittrell of Texico; Harold Brown of Clovis and Joe Brown of Midland.

Also surviving are seven brothers and one sister, all of Johnson County and 18 grandchildren and two great-grandchildren.

A Girl Was Born

BY DON WATKINS
Approximately two and one half hours ago, God saw fit to bless our home with a child; a tiny, healthy, pink-bodied baby girl.

You are wondering perhaps what I am doing sitting here writing this so soon. You are thinking I should be at the hospital with my wife. Perhaps

you are right, but the truth of the matter is my wife is absorbing much needed, heavenly granted sleep. I choose not to disturb this fine lady.

And secondly, I have many thoughts running through my mind; thought I need to put down somewhere so as not to forget them like I do so many others. I shall try to express those thoughts as coherently as possible; as I realize my mind is running rather amuck at this time. I beg the reader's kind indulgence if they seem to be rambling and disconnected.

The main remembrance is Room 10, Room 10, Cold, hard word, and cold, hard number. And, believe me, I am sincere when I say it was just that for awhile. And one may multiply my feelings by thousands and I believe they may get just an inkling how my wife felt about that room.

I know to my wife it was undoubtedly the most painful and trying of her life, the 29 hours she spent in that room. This is, of course, understandable, but understanding does not lessen the ordeal.

But to me, it held a very different meaning other than just a room in which to put an expectant mother.

The more time I spent in that room, the more I was aware of the presence of Him. I could see and hear His presence everywhere and with every move.

The skill in the doctor's hands; his patience, understanding and compassion; his alert, intelligent, quick-grasping mind.

The nurses in their white uniforms who went about their duties like modern day Florence Nightingales; their knowledge, sympathy and humane desire to alleviate as much suffering as possible.

Yes, I could see and feel His presence in everything; all the members of the hospital staff did.

Dr. Anderson, who showed such great patience when I would plague him with questions, and who showed such deep concern for my wife and unborn child. Dorothy, dear, wonderful, yet

gruff Dorothy, who showed me the calm assurance, stability and confidence needed at such times.

Nettie, who came to the door and said, "Mr. Watkins, you have a girl." I tell you it was more than just Nettie. Her uniform was positively glowing with a whiteness that was brilliant like a spiritual messenger rather than a flesh and blood person.

And Martie, the pharmacist, who evoked such laughter when sorely needed.

Jo Eddy, who patted me and silently displayed understanding.

To Juanita and Marge who selfishly gave of their time and to Barney who consoled.

To Jolynda Stokes and all the rest who did everything humanly possible to make this human ordeal as easy as could be.

To the friends who came by and waited with me and as far as possible kept my mind from becoming too deeply engrossed with fearful thoughts.

To Hoyt and Katherine, Wesley and Mac, Walt and Maurine, and so many of the others that came by. They all did their share. So much more than their share. And why was all this? Because these people are Christians.

Yes, there is a God, and due to His own infinite wisdom, His mysterious life-giving powers, and the agents through which He used these powers, a Girl Was Born.

County Bond Purchases Hit \$58,290

Savings Bond sales through July 1959 totaled \$58,290, Frank A. Spring, chairman of Parmer County's Bond committee reported today.

"Our county has reached 60.7% of its 1959 goal of \$96,000. July sales were \$1,987."

Sales in Texas for the first seven months of 1959 were \$93,477,192 which is 51.2% of the state goal.

"Every American who buys Savings Bonds is providing for his own future, adding to the strength of his country, both militarily and economically", stated Spring.

Petit Jury Meets Monday

Light duty awaits the Parmer County petit jury when it will convene Monday morning at the courthouse in Farwell at 9:30. Sixty county men and women have been summoned.

From their ranks will come a jury which probably will hear only one case, that of John Bussell, Friona man charged with cattle theft. He allegedly stole the cattle from W. D. Cooper on the night of April 16, north of Friona.

One other case may be tried, but that event unlikely.

District Judge E. A. Bills is expected to announce a meeting date for the Parmer County grand jury while he is in the county for this trial, and it very likely will be in the near future. The grand jury has a heavy docket of investigating ahead of it, many cases having stacked up since the spring sessions.

On the petit jury list are John Littlefield, Elmo Dean, Wayne Garth, Robert Crozier,

Jack Smith, Oswell Jones, Wilfred Quickel, Mrs. Otho Whitefield, Art Mast, Ben Foster Jr., George A. Jones, Harold McCullum, Clarence Jones, Charles Hawkins, Elmer Lowrie;

H. W. Carpenter, Paul Hall, Cecil Winegeart, Ralph Price, Dick Rocky, Mrs. E. L. Fair-

Mrs. Joe Brown;

Billy Nichols, Mrs. Gene Lovelace, J. C. Blankenship, McFarland Osborn, Euell Mitchell, Joe Camp, Don Sides, Delbert Garner, H. L. Ivy, A. R. McCutchan, W. S. Bengel, T. I. Burleson, Robert Read, Mrs. C. A. Felts, and George Jones.

MRS. OWEN HOUSTON

Church Ceremony Unites Linda Gee, Owen Houston

At 4 p. m. Sunday Linda Valton Howard, Monroe Young, Gaye Gee, daughter of Mr. and Mrs. J. T. Gee, and Owen Ray Houston, son of Mr. and Mrs. T. L. Houston Sr., exchanged wedding vows at the Friona Methodist Church.

The double ring ceremony was read by Rev. Hugh F. Blaylock, pastor, before an archway arrangement of white candelabra and tapers flanked by baskets of white gladioli and chrysanthemums centered with a kneeling bench. Aisle markers were white satin bows.

Following the ceremony the minister read "For A Modern Marriage" by Henry Van Dyke. This was read at the wedding ceremony for the bride's parents.

Bridal attendants were Ruby Grubbs, maid of honor, and Mary Tom Spring and Doris McFarland, bridesmaids. They wore identical dresses of sapphire blue brocade taffeta fashioned with boat necklines and puff sleeves. The bouffant skirts were pleated onto fitted bodices.

Halo hats of matching net topped with satin bows and matching mitts of net and taffeta completed their costumes. They carried white mum arrangements with blue net backing.

Gary Dean McLaughlin was the best man. Ushers were

Gee home, Mrs. Frank A. Spring and Mrs. E. E. Rodgers, great-aunt of the bride, of Lubbock presided at the serving table.

Mrs. Houston, a 1958 graduate of Friona High School, attended Texas Tech at Lubbock last year. Houston was a member of the 1959 graduating class of Friona High School.

Mr. and Mrs. Houston will be at home at Canyon where both of them will be students at West Texas State College.

Out-of town guests were Mr. and Mrs. T. F. Rodgers and Mrs. E. E. Rodgers of Lubbock, Mr. and Mrs. Don Reeve of Amarillo, Mr. and Mrs. Fern Burk and Becky of Clovis, Mrs. Rubin Gandy and Theda of Tahoka, Leroy Johnson of Hereford, Mr. and Mrs. Jimmie Gore of Amarillo and Mr. and Mrs. J. O. Seale and sons Jerral and David, of Dimmitt.

Shower Honors Helen Sachse

A linen shower in the home of Mrs. Calvin Talley recently honored Helen Taylor Sachse of Canyon. Hostesses with Mrs. Talley were Mesdames Dan Laceywell, E. R. Day, Herbert Day and Johnny Mars all of Friona and Easton Wall of Hart.

The bride's chosen colors, pink and white, were carried out in the decorations. A crystal bowl of shasta daisies centered the serving table. The centerpiece featured a wedding invitation. Refreshments of punch and individual cakes with white icing and pink wedding rings were served.

Those attending and sending gifts were Mesdames Elmer Euler, Frank Truitt, Ernest Osborn, E. E. Taylor, John Blackburn, O. J. Beene, J. E. Knight, Obra Cole, Mae Magness, Marvin Lawson, Wright Williams, Arthur Drake and J. B. Buske;

Also Mesdames Floyd Rector, Tila Rue Hester, A. S. Curry, G. B. Buske, J. T. Gee, T. E. Lovett, Herschel Johnson, David Moseley, Hollis Horton Jr., V. R. Jordan, Charles Allen and Lloyd Rector;

Also Mesdames L. F. Lillard, L. M. Crow, John Terry, Glenn Taylor, Clayton Taylor, Ralph Taylor, Hop Lewis Sr., Estes Beaton, Hop Lewis Jr. and T. A. Williams.

Also Misses Elda Hart and Lois Norwood.

Mrs. Tom O'Brian and Barbara spent several days last week visiting Mrs. O'Brian's mother; Mrs. R. H. Peel, at Floydada.

Texas credit unions had \$252,574,598 in assets in 1958.

Raye Jene Jones Weds Jerry London

Wedding vows were exchanged between Raye Jene Jones, daughter of Mr. and Mrs. W. H. Jones, and Jerry London, whose parents are Mr. and Mrs. P. L. London of Lubbock at the Jones home at 8 p.m. Thursday of last week.

Charles Baldwin, educational director of the First Baptist Church, read the ceremony. Parents of the couple were present.

The bride wore a sheath dress of beige Chantilly lace with brown accessories and an orchid corsage.

After a wedding trip to Red River and other points of interest in Northern New Mexico, Mr. and Mrs. London are at home on a farm southeast of town. Mrs. London is a 1959 graduate of Friona High School and London was a member of the 1958 graduating class.

Fun Fest At Palo Duro Park

About 60 members of the senior and young people's department of the First Baptist Church went to Palo Duro Park for a Fireside Fun Fest Thursday evening of last week. Stunts and skits by younger members of the group preceded a wiener roast.

Rev. and Mrs. Charles Davenport of Dawn were special guests. Rev. Davenport, pastor of the First Baptist Church there, was the guest speaker.

Other adults making the trip were Mr. and Mrs. Clyde Hays, Mr. and Mrs. Charles Baldwin, Mr. and Mrs. A. L. Black, Mrs. Mae Magness, Mrs. Billy Dean Baxter, Mrs. Doyce Barnett, Mrs. Joe Douglas and Mr. and Mrs. Rudolph Renner Jr.

David C. Mears Born Wednesday

Mr. and Mrs. Sam Mears became parents of a baby boy at the North Plains Hospital in Borger at 1:11 a.m. Wednesday, August 26. He weighed 7 lbs. 13 ozs. and was named David Clinton.

He is the first child for the couple. Grandparents are J. H. Mears and Mr. and Mrs. Roy V. Miller Sr. all of Friona. Great-grandmothers are Mrs. Pearl Hand and Mrs. J. F. Miller also of Friona.

Showers Honor Recent Bride

Highlighting a coffee in the Sloan Osborn home Wednesday morning of last week was a surprise pantry shower for Linda Gee, who became the bride of Owen Houston Sunday afternoon. Guests presented the honoree with their favorite recipes.

Featured on the refreshment table were appointments in silver. The bride's chosen colors, blue and white, were carried out in the floral arrangements. A variety of fresh fruits, stuffed prunes and nut breads were served from a silver tray.

Those signing the guest register were Mesdames J. T. Gee, H. H. Horton Jr. Gay Jordan, J. G. McFarland, Claude Osborn, G. B. Buske, M. C. Osborn, H. K. Kendrick and Sally, Frank Spring, Dan Ethridge, Philip Weatherly, Roy Clements, Bill Stewart and Roy Lee Jones;

Also Jacquelyn Magness, Judy Scurlock, Mary Tom Spring, Lora Mae McFarland, Judy Barnett, Doris McFarland and the hostesses, Sally Osborn and her mother, Mrs. Sloan H. Osborn.

A surprise lingerie shower in the H. L. Outland home also honored Miss Gee. Hostesses were Lila Gay Buske, Ruby Grubbs, Nancy Outland and Phila May Weatherly.

Corsages made of lingerie were presented to the guest of honor and her mother.

Others attending and sending gifts were Jacquelyn Magness, Doris McFarland, Judy Barnett, Mary Tom Spring, Raye Jene London, Paula Fairchild and Ova Outland.

Houstons Host Rehearsal Dinner

A rehearsal dinner for members of the Linda Gee-Owen Houston wedding party in Fellowship Hall of the Friona Methodist Church was given by Mr. and Mrs. T. L. Houston Sr. Saturday evening.

Table decorations featured fall flowers, white candles and blue napkins. The Houstons were assisted by Mr. and Mrs. H. G. Houston and Mrs. James B. Collier.

Others present were Mr. and Mrs. J. T. Gee, Mr. and Mrs. Roy V. Miller, Ruby Grubbs, Mary Tom Spring, Doris McFarland, Nancy Outland, Jacquelyn Magness, Weldon Fairchild, Gary Dean McLaughlin, Wesley Barnett and Valton Howard;

Also Linda Gee, Owen Houston, Dan Kelly, Jon Mack Roden and Jackie Hight.

Church Women Have Meeting

The regular fifth Friday meeting of the Friona Interdenominational Church Women at the Methodist Church Friday afternoon at 2:30 was well attended. "Our Dependence On God" was the theme of the meeting.

Guest speaker was Mrs. Charles Baldwin. Rev. Fred Dean gave the invocation and the devotional was presented by Mrs. Malinda Schlenker. Beth Akens and Judy Bock provided special music. They chose "Led By The Master's Hand."

An organ prelude was presented by Pat Foster. A social hour in Fellowship Hall followed the program.

Debbie Hawkins, Linda

O'Brian, Claire Savage and Karen O'Brian had charge of a nursery for children of those attending.

Guests In Massey Home

Recent guests in the home of Mr. and Mrs. Gordon Massey and Weldon were Mrs. Pat Clymore and sons of Torrance, Calif.; Mrs. Charles Richardson and children and Mrs. L. A. Clymore of Amarillo;

Also Mrs. Doyle Manfertscheid and daughters, Lynnette and Diane of Canoga Park, Calif.; the Stanley Masseys of Bellflower, Calif.; the Marvin Masseys of Blunt, So. Dak.; and Mr. and Mrs. Otis Massey and Mr. and Mrs. Leon Massey all of Friona.

A. W. Anthonys Fete Scholars

Mr. and Mrs. A. W. Anthony Sr. were hosts at a back to school party for their grandchildren in their home Friday evening. A game session followed an outdoor supper.

The back to school theme was carried out in the decorations and favors. Balloon streamers ran from the centerpiece to the plates with names. Favors were musical balloons and pencils.

Guests were James Anthony, senior; Charles Bass and Jerry Anthony, sophomores; Bettie Bass, Kay McBroom and Darrell Anthony, seventh graders; Troy Wayne Bass, a third grader; Beverly Anthony, second grader; and Dennis Anthony, a beginner.

IT'S HERE!

THE NEW JOHN DEERE 95 COMBINE

The Biggest Self-Propelled Ever Built!...

Available with 16- or 18-Foot Cut

It's the combine we've wanted, and now it's here—the new 16- or 18-foot John Deere 95—the biggest self-propelled ever built. Here's practical bigness—bigness that pays off in many more acres harvested every day—in more grain or seed saved from every acre.

Behind the big cut of the 95 is a 40-inch feeder... a 40x22 rasp-bar cylinder... 5600 square inches of separating area... 4000 square inches of cleaning area... a big 80 h.p. John Deere Engine... and a 60-bushel grain tank.

Stop in the next time you are in town and see the remarkable new John Deere 95 Combine.

Shower In Spring Home Honors Linda Gaye Gee

A bridal shower in the Frank A. Spring home Tuesday afternoon honored Linda Gaye Gee, who became the bride of Owen Ray Houston Sunday afternoon. An arrangement of roses decorated the entrance hall.

Decorations in the living room and dining room featured the bride's chosen colors, blue and white, and hurricane lamps. White tapers in the lamps were flanked by arrangements of white gladioli, asters and daisies interspersed with blue delphinium.

In the receiving line were the guest of honor, her mother, Mrs. J. T. Gee, her maternal grandmother, Mrs. T. F. Rodgers of Lubbock and the groom's mother, Mrs. T. L. Houston Sr.

The maid of honor, Ruby Grubbs, and one of the bridesmaids, Doris McFarland, presided at the guest register. Mary Tom Spring, the other bridesmaid, was a member of the house party.

Hostesses were Mesdames Frank A. Spring, J. G. McFarland, A. S. Grubbs, Kenneth Williams, Fay Reeve, Dan Ethridge, Roy Clements, Charles Allen, Raymond Jones, H. K. Kendrick, Hershel Johnson, Sloo H. Osborn, Paul Spring, and Claude Osborn.

Others attending and sending gifts were Mesdames Cecil Bass, W. L. Edelman, Mary Officer, Dalton Caffey, Dorothy Hough, I. T. Graves, Billy Sides, Otho Whitefield, George A. Jones, Andy Hurst Jr. and J. B. McFarland.

Also Mesdames C. L. Vestal Jr., L. F. Lillard, Hoyt Smith, H. G. Houston, John Bengner, Hank Outland, C. S. Bainum, Alton Farr, Robert N. Ginsburg, Newman Jarrell Jr., Manuel Martinez, O. J. Beene, Loyde A. Brewer, Guy Latta, Mack Bainum and V. J. Zeman.

Also Mesdames James McLean, Lee Spring, Elroy Wilson, Walter Cunningham, Homer Lindeman, Hardy May, Ralph Smith, Wesley Foster, Roy Lee Jones, Dave McReynolds, J. R. Roden, Baker Duggins, Mae Magness and Joe Shields.

Also Mesdames Bill Sheehan, Hop Lewis Jr., Cayce Dunn, Claude Miller, Lewis Gore, Floyd Rector, Nelson Welch, Steve Struve, Louis Welch, W. J. LaViers, Bruce Parr, V. R. Jordan, Billy Joe Mercer, Clyde Shertlieb, S. T. Thornton and

H. C. Wells;

Also Mesdames O. F. Lange, Ross Ayers, Paul Hall, J. L. Stowers, David Moseley, Kenyth Cass, Cordie Potts, C. L. Vestal Sr., J. H. Boyle, Frank Truitt, Glenn Reeve Sr., Reeta Agee, Tommie Jones, Alvin Askins, H. E. Barnett, M. C. Osborn and E. L. Fairchild;

Also Mesdames Ernest Osborn, Gordon Massey, Tom Pruett, H. D. Mayfield, Ed Duke, E. E. Rodgers, George Anderson, Raymond Fleming, Don Reeve, Roy Slagle, Roy Miller, Henry Lewis, H. C. Kendrick, Bill Stewart, Hugh F. Blaylock, Clyde Weatherly, Gay Jordan, Allen Stewart and Deon Awtry;

Also Mesdames Marion Fite, O. C. Jones, G. B. Reed, Lewis Smith, George Taylor, L. B. McClain, Joe Douglas, Kenneth Houlette, Hollis Horton, R. L. Bates, John L. Ray, F. L. Spring, John Wilson, Truett Johnson, Carl Maurer, Bill Baxter, G. B. Buske and Philip Weatherly;

Also Mesdames Bert Shackelford, W. S. Crow, M. J. Stacy, N. E. Wood, Jack Moseley, Charles Schlenker, Fern Barnett, Charles Holmes, Weldon Dickson, Mabelle Hartwell and Lloyd Rector;

Also Kathy McLean, Lora Mae McFarland, Jan Edelman, Cynthia Caffey, Sally Hough, Adelle Smith, Nancy Outland, Luellen McLean, Cathy Cunningham, Jerry Houston, Janet Smith, Jimette McLean, Judy Smith and Pat Foster;

Also Jacquelyn Magness, Joe and Ann Ayers, Marilyn Potts, Gayla Askins, Melissa Pruett, Kathy and Linda Anderson, Janiece Bock, Celia Dee Weatherly, Lawana Houlette, Charlotte Bock, Sue Baxter, Judy Bock, Ann Baxter, Lila Gay Buske, Lois Norwood, Mary Ann Stacy, Mary Ann Boggess, Judy Barnett, Phyllis Bainum and Betty Barnett.

Mr. and Mrs. C. J. Carter of Kermit, Texas, were weekend guests in the home of Mr. and Mrs. W. S. Crow and Earl.

Mr. and Mrs. Don Reeve of Amarillo spent the weekend visiting their parents, Mr. and Mrs. Glenn E. Reeve Sr. and Mayor and Mrs. Raymond.

Party Surprises Elaine Holcomb

A going away party in the home of Genevieve Floyd Thursday afternoon honored Elaine Holcomb, who is going to Lubbock Christian College in the near future.

Guests arrived ahead of the honoree, the cars were carefully hidden and Elaine went to the Floyd home on an errand. She was presented a gift of silver. Refreshments of cookies and cold drinks were served.

Those attending were Marilyn Potts, Lawana Houlette, Betty Barnett, Phyllis Bainum, Mary Ann Stacy, Charlotte Bock, Carolyn Wines, Janet Snead, Sue Baxter, Winette Beaton and Peggy Holcomb.

Unable to attend but sending gifts were LuAnn Hardesty, Jacquelyn Magness, Adelle Smith, Margaret Mabry and Mary Tom Spring.

Dixon Family Has Reunion

The annual Dixon family reunion was held at McKenzie Park in Lubbock August 24 and 25. Those present were Mr. and Mrs. Emmett Dixon of Hereford, Mr. and Mrs. William Dixon of Springfield, Mo., and Mr. and Mrs. Wilbur Dixon and family of Dallas;

Also Mr. and Mrs. Elmer Dixon and Mr. and Mrs. Weldon Bradley and family of Dimmitt, Mr. and Mrs. Harry Harris and family, Fort Worth, Mr. and Mrs. James Worthington and family, Fort Worth, Mr. and Mrs. William Bailey and family of Plainview;

Also Mr. and Mrs. Ollie Dixon and family and Harvey Dixon and son, Texon, of Canyon, and Joe Hastings of Corpus Christi and Janie Hastings of Dimmitt.

Visitors Depart

Mrs. Doyle Manderschied and daughter, Lynette and Diane, of Canoga Park, Calif., left Thursday morning of last week after spending two weeks visiting in the homes of Mr. and Mrs. Clyde Fields, Mr. and Mrs. Edward Hall and other relatives and friends. The Manderschieds are former Friona residents.

News From LAZBUDDIE

BY MRS. C. A. WATSON

Mr. and Mrs. Glen Watkins, one time residents of the community, have moved back to Lazbuddie after living in Las Cruces and Lubbock for several months.

HARDAGES HONORED WITH HOUSEWARMING

Mr. and Mrs. Lacy Hardage were honored with a housewarming at their new home Thursday. Over 64 guests were present to enjoy the refreshments of ice cream and cake.

Mr. and Mrs. J. B. Jennings returned recently from a vacation in Red River and Colorado. Jane and Jerry Bruns visited in the home of their sister

and her husband, Mr. and Mrs. Joe Patti last week.

Visiting in the home of Mr. and Mrs. C. A. Watson and Mr. and Mrs. Tom Watson recently was Jim Nichols from Amarillo.

SOCIAL GIVEN FOR TEACHERS

Members of the board of trustees and their families entertained the teachers of the Lazbuddie school with a social Thursday evening. Homemade ice cream and cake were served.

Mr. and Mrs. Joe Jesko and family and John Bagley visited in Albuquerque with Mrs. B. D. Dickenson recently.

Mr. and Mrs. Nelson Foster, Gary, Gerald, Daryl, Lyndon and Nelda returned recently from a vacation in Ruidoso.

Y. B. Mayfield, who suffered a stroke Tuesday, is reported

to be improving. He is in the Friona Community Hospital.

Susan Pendergrass entertained with a slumber party in her home Thursday night. Those attending were Linda Monk, Kathy Wilson, Marsha Aduddell, Linda Burford from Idalou and Rea Lynn Tittle from Muleshoe. Refreshments of barbecued chicken, birthday cake and ice cream were served.

Mr. and Mrs. Loyd Vaughn toured in the northwestern United States last week.

Mr. and Mrs. R. G. Trejdier returned last week from a ten-day vacation at Truth or Consequences and Cloudcroft.

BIRTHDAY PARTY GIVEN THURSDAY

The D. B. Ivy home was the scene of a birthday party Thursday honoring Christene Ivy and

Sondra Brown. Those attending were Hazel Gay Lesley, Linda Hodges, Terra Scott, Cindie and Sharon Gammon, Susie McBroom, Sidney and Walter Bond, Clay Mimms, Karon Scott, Dud Winters and Wayne Clark. Refreshments of cake and ice cream were served.

and children visited with her parents recently.

Mr. and Mrs. Harvey Allen, Gwen and Sharon were guests in the homes of the Leonard and Hubert Elliots this week.

Weekend Guest In Wise Home

Mr. and Mrs. Ed Wise of San Francisco, Mr. and Mrs. F. E. Dickson of Caprock, N. Mex., Mr. and Mrs. Tilden Cramp of Muskogee, Okla., and Mr. and Mrs. Arthur Cramp of Yuma, Ariz., were weekend guests in the home of Mr. and Mrs. J. H. Wise.

Ed Wise is a son of the couple; Mrs. Dickson is their daughter; Mrs. Arthur Cramp is Mrs. Wise's sister and Arthur Cramp is her nephew.

The Green Thumb Garden Club will meet with Mrs. Loretta Kitten on September 11. The study will be on chrysanthemums.

Mr. and Mrs. W. J. Walker, Helen, Jr., and Thomas Leona were among those attending the Walker reunion at Clarendon last Sunday. About 400 attended the get-together.

About 60 members of the Woman's Bowling Club met in the Bailey County Court room Thursday for a special meeting.

Mr. and Mrs. Jim Sibert

Attention Farmers . . .

And Others Users of Special Fuels for Non-Hiway Uses

THE NEW STATE LAW PERTAINING TO THE TAX ON MOTOR FUELS

will go into effect

SEPTEMBER 1, 1959

It is important that you come into our offices and sign a statement whereby you agree that none of the fuel you purchase TAX FREE in your tank will be delivered by you into the fuel supply tank of a motor vehicle. We must have your statement signed and in our files in order that we may deliver to you TAX FREE fuel. These statements are already prepared . . . all we need is your signature.

←
**YOUR COOPERATION
WILL
BE APPRECIATED**

→
**THE NEW STATE
LAW
SAYS:**

UNLAWFUL TO SELL—Except for tax paid deliveries into fuel supply tanks of motor vehicles it will be unlawful after September 1, 1959, to make bulk sales of special fuels to any person who (1) is NOT a licensed supplier, or (2) is not a licensed dealer or user, or (3) who does not furnish a signed statement that none of the special fuels purchased tax free from date of such purchase to the end of the calendar year, will be delivered or permitted by him to be delivered into the fuel supply tank of a motor vehicle. ONLY ONE STATEMENT FOR THE CALENDAR YEAR NEED BE FURNISHED.

THE SUPPLIER may sell tax free to non-highway consumers, including farmers, when the purchaser signs the above statement that none of the special fuel purchased tax free will be delivered into fuel supply tanks for taxable use. TAXABLE USE IN VIOLATION OF SUCH PROMISSORY STATEMENT WILL FORFEIT THE RIGHT TO PURCHASE SPECIAL FUELS TAX FREE FOR ONE (1) YEAR.

We realize there will be a lot of confusion and questions involved and we urge you to stop by our offices and we will be happy to go over the information that has been supplied by the State Comptroller and we will try our best to answer all questions.

HIGHLIGHTS AND SIDELIGHTS

Back To School Over State

AUSTIN, Tex.--During the next few weeks young Texans by the thousands will troop back to their classrooms. Many will be entering a brand new world. There'll be some 250,000 first-graders, some 28,000 college freshmen. In cities and towns across the state, children will take their last swim in the city pools. Parents will re-set their alarm clocks and re-figure their budgets. Parents of the incoming college freshmen--most of whom got their own schooling at rock-bottom depression prices--face what most will regard as an appallingly expensive future. Average cost for a Texas college student is \$1,100 a year--not including a car, clothes, dates, etc. In the larger cities it may run \$1,500 a year. For four years the average is about \$5,000. But hardly any other investment can be expected to return such handsome dividends. Statistically, the college graduate can expect to earn \$100,000 more in his lifetime than the non-graduate. Aside from the students and the parents and teachers who are affected, "back to school" has a wider impact on the economy. Employment will jump as many of the jobless are absorbed into the operations of the dormitories, boarding houses, lunchrooms. Retail stores look to the brisket sales since Easter in the annual re-outfitting that ranges from blue jeans to book satchels, calicos to crayons. Real estate, customarily, also has a flurry as families try to "get located before school starts."

Tracks

(Continued from Page 1)
now and is almost back to normal. We extend our congratulations to both Don and Fran. * * * * *
Want to make a lot of noise at the football games this year? We wandered into Johnny Wilson's Friona Battery & Electric Company the other day looking for a coffee-drinking companion and was almost blasted out the door by a roar of BEAT FARWELL!
Seems that Johnny has gotten a hold of a bunch of megaphones all colored in Friona's red and white colors. If you want to help make a little more noise than usual rooting for the Chiefs ask Johnny for one of the megaphones. * * * * *

Maize Days is just around the corner and the Star will print their annual Maize Days Edition next week. If we seem to school when you can stay out and earn some money? Texas Board of Pardons and Paroles has some sobering answers. Its annual report shows that of 1,186 prison inmates released during the past year, only 119 had completed high school. Only six were college graduates. Percentage is about the same for those persons still in prison. Overall, the Board feels that people who complete their educations and are therefore able to get useful, better-paying jobs are much less likely to run afoul of the law. ALL BUT THREE--Gov. Price Daniel signed the huge new state appropriations bill, but he exercised his constitutional prerogative to scratch out some items. Daniel vetoed appropriations for (1) a \$216,000 home for old folks; (2) a \$200,000 tourist advertising program by the State Highway Department; and (3) \$1,033,500 for interim legislative expenses. He vetoed the old folks home, said the governor, because "the hospital board does not have responsibility for seniles and . . . state policy should be to get these unfortunate people into private resthomes near their families rather than making them permanent patients of the state hospital system."

As to tourist advertising, the governor said that the Highway Department already is spending twice this much from other funds, and the appropriation would reduce activities. Daniel said he saw no need for the interim legislative expense money inasmuch as \$330,000 had been appropriated in a separate bill for future legislative expenses. Legislative leaders replied that perhaps the state isn't supposed to be responsible for housing the aged, but the fact is it has some on its hands. They're now housed in the 50-year-old Confederate Home in Austin. It has been labeled a fire trap. Legislative expense money was to be used to put a new carpet in the House, refinish desks and provide offices for House members. Rep. Bill Healy of Paducah said he felt it was "unprecedented for the executive branch to tell the legislative branch how to finance itself."

Chiefs
(Continued from Page 1)
ing lot directly west of the stadium will be used as a parking area this year, as will the area previously occupied by the bus barn. Cars will again be allowed inside the fence at a cost of 50 cents per car in addition to the regular admission price per person. The two concession stands will operate again this year and will handle the various refreshments to be found at all football games. The fans are urged to come out and back the Friona Chiefs this year and a big turn out for this first match is expected.

a new ward building at Terrell State Hospital, a new recreation building and warehouse at the Austin State Hospital and numerous road building and renovation projects. TEXAS YOUTH COUNCIL, with a kitty that jumped from \$7,767,441 for the 1958-59 period to \$10,112,450 for the new biennium, plans to add both dormitories and personnel to the two correctional institutions, Gatesville School for Boys and Gainesville School for Girls. Some new construction and personnel also are planned for the homes for orphaned children. TEXAS A&M BOARD OF REGENTS has allotted a substantial portion of the \$1-969,666 increase in its \$44-174,865 appropriation for salary increases on a merit basis. All in all, some 10 branches and services are a part of the A&M system. New student apartment buildings on the main campus are in the offing.

Dividing It Up--Now that all state agencies know how much money they'll have for the next two years, governing boards have been busy deciding how to make the most of it. STATE HOSPITAL BOARD, with an appropriation that jumped 8.9 per cent to \$83,142,340, plans to spend \$4,500,000 for new buildings. This will include a new 300-bed unit at the Denton State School and a new home for older patients at Denton,

a little dazed this week, please forgive us for the pace has been hectic during the past couple of weeks and shows no sign of giving up. Cotton John Smith will have a group of our Queen Contestants on his Saturday afternoon Farm Show over KGNC-TV this Saturday afternoon at 4:30 p.m. Be sure to tune in for a preview of these beauties. And don't forget to get your shave permit today--High Sheriff Tasty Williams and his deputies have been brushing up on their judo tactics in case of those non-believers who don't have Shave Permits. In case you don't know it, the money for the Shave Permits goes toward paying for the Bar-B-Q which is given away Friday afternoon. So, when you buy your Shave Permit you can get your revenge by coming by Friday night and eating all the Bar-B-Q you can hold!

THE HIGH PLAINS FARM AND HOME

Annual SCD Tour, Feed Tuesday 8th

Tuesday, September 8 is the day for the annual Farmer County Soil Conservation District tour. It begins at 1:30 and will last through the afternoon, and that night the annual banquet will be held. It will be at the Farwell school cafeteria at 8.

Bob Crozier, unit conservationist with the SCS, reports that plans are complete for a good tour this year, and that the theme of the afternoon will be water conservation and feeding practices, shown side by side in some instances.

The tour will start from the Hub Community, and the first farm visited will be that of Truitt Johnson. Variety demonstrations will be the main object of this stop. Johnson has 16 different varieties of grains sorghums on his farm.

Weldon Fulgham's farm will be the next stop, where touring farmers will see his system for picking up and using "tail

water" from the lower end of his irrigated fields. He reclaims this water, which would otherwise go to waste, and returns it to his irrigation system where it does some good.

Another project emphasizing water conservation will be seen on the Archie McCutchan farm. Here, McCutchan reclaims waste water from several tight-land farms on Farmerton hill. The water collects in a playa lake, and is ditched to a centrifugal pump. It is picked up by the pump, placed in the underground distribution system, and carried to crops which grow on the bench levelled land around the lake basin.

Wayne Garth will host the tourists at his farm and will show them hybrid seed in production. This is a specialized phase of Plains farming that is commanding more attention each year.

On Walter Mabry's farm, the

group will have a look at his hog feeding operations. Mabry has a specially constructed farrowing house and "pig parlor" that will draw a lot of comment. He also makes use of a sprinkler system to irrigate pasture for the hogs. Visitors will have a look at this too.

The last stop on the tour will be at A. L. Black's farm, where calf feeding operations will be in the spotlight. Black creep feeds. He is another farmer who saves surplus irrigation water, reclaiming it for use on his pasture.

The SCD supervisors have saved the best for the last on this tour. A watermelon feed will wind up the afternoon's sightseeing and visiting. Crozier says he is sure the tour will be educational and useful to all who attend.

Dinner will be served at the banquet starting at 8. A short program will be on the agenda, and the main features of it will be presentation of the SCD essay awards to outstanding young people, and the naming of the "conservation farmer of the year," which is another annual custom for the District.

Joe Jones, county agent, will cap off the program with a presentation of colored slides which he shot while in Italy recently representing the nation's grain sorghum producers.

existing in Farmer County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78 the TEC must supply this information to the secretary of labor who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling."

The Committee consults with the local office manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the secretary of labor limiting the importation of Mexican nationals into this area will be posted in Post offices in Farwell, Friona, Bovina, in the county agent's office, and in the county courthouse.

BIG, FULL HEADS and plenty of 'em mean another bumper crop of grain sorghum is just around the corner for the Farmer County area. Most farmers are completing their final irrigation and the biggest part of the crop is already turning the traditional reddish-brown color. Early-planted, early-maturing varieties should start trickling into elevators within another week.

Gammon Serves On Precinct Board

JOHN GAMMON

John Gammon of Lazbuddie represents Precinct 3 on the board of directors of the High Plains Underwater Conservation District. Precinct 3 consists of Bailey, Castro and Farmer counties.

Gammon was born August 8, 1909, in Seminole County, Oklahoma. The Gammon family lived in Oklahoma during his early years. In 1927, he graduated from high school at Maud, Okla., and then attended the University of Oklahoma at Norman for one year majoring in engineering. He is the son of Mr. and Mrs. W. H. Gammon who live in the Lazbuddie community and who recently celebrated their 50th wedding anniversary. His father has been a farmer and cattleman through the years.

In 1929, the family moved to the South Plains area of Texas and Gammon transferred to Texas Tech. He attended two years majoring in animal husbandry. Because of the depression in 1932, he left Tech and went home to Lazbuddie to work with his father on the farm.

On October 29, 1933, he was

First Safflower Crop Harvested

Farmer County's first safflower crop has been harvested. Acreage was reduced considerably by unfavorable weather, and a report of exactly how much

was harvested will not be known for several weeks.

Yield of the new oilseed crop has ranged from 400 to 1600 pounds, growers report, which is typical of the extremes in production that often occur when a new crop is introduced. Sesame, for example, performed about like this the first year it was grown here.

Delivery points were arranged across the Plains producing area by Charlie Corn, field representative for Farmers Oil Seed Mills. This firm is owned jointly by the Texas Farmers Union and International Safflower Corp.

Generally, the growing season was affected by unfavorable conditions caused mostly by high atmospheric moisture. Insects also were reported as troublesome, and these factors hit into production heavily. Safflower seed is being received at Farwell and Hub in the Farmer County area.

Alex Dickie, president of Texas Farmers Union, reports, "Plans are progressing for the construction of the safflower oil processing mill and for making seed available to cooperating farmers for the 1960 crop." He reports he is pleased with the current test crop.

The main purpose of the 1959 safflower crop was to give farmers a chance to get acquainted with the commodity, and also to establish a base production for seed which will be used in growing the 1960 crop.

SOIL CONSERVATION DISTRICT NEWS

Annual tour and banquet of Farmer County Soil Conservation District will be next Friday, September 8.

Conducted jointly by the Soil Conservation District, the county agricultural agent, and the Soil Conservation Service, the tour will begin at Hub Community Center at 1:30 p. m. and visit the following farms: Truitt Johnson, Archie McCutchan, Wayne Garth, Walt Mabry, and A. L. Black.

Various phases of soil and water conservation, feeding operations, variety demonstrations, etc., will be shown. The tour will end at the community center and watermelon will be served.

At 8 p. m. the banquet will begin at Farwell School cafeteria. County Agent Joe Jones will show slides of a trip he made to Italy this summer as a representative of Grain Sorghum Producers Association. This is a special invitation to everyone interested in soil and water conservation to attend.

Tickets for the banquet may be obtained from various businessmen in Farwell, Bovina, and Friona, as well as from the district supervisors, A. L. Black, Carl Schlenker, Bruce Parr, T. O. Lesley, and Robert Calaway.

Whales do not drink water. They get what they need from their diet.

Statistics covering farm accidents rise with the temperature, points out the Texas Farm and Ranch Safety Council. The reason--farm activities hit a seasonal peak and very often due to the rush required to keep up with a farm jobs, some farmer or family members become careless. That is when another statistic goes into the record books, warns the Council.

married to Grace Jennings. At that time she was teaching school at Lazbuddie.

The young Gammons moved into the house where they presently reside. He ran cattle on his home place. About a hundred acres were in cultivation to raise feed for his cows. He broke out an additional 100 acres shortly thereafter and also rented land nearby for raising wheat. The east line of Mr. Gammon's combination farm and ranch was originally the east line of the old XIT Ranch. Parts of the original fence which the XIT put there in about 1870 remains.

In 1952, Mr. Gammon drilled his first irrigation well. He now irrigates 350 acres from two wells.

TEC Allows 1400 Pullers

Three Farmer County citizens, Loyde Brewer, Ray White, and Bruce Parr, will serve as a county farm labor committee and have met with Joe Bradley, manager of the Texas Employment Commission office, Muleshoe, to review the total seasonal employment needs developed by the TEC. Theron Jewell, manager of the Littlefield office and Wayne Grant, district director of Amarillo, also attended.

The Committee was presented with the figures of the TEC that Farmer County will be short 1400 cotton pullers during the peak period of the cotton harvest. This shortage will be met by the importation of Mexican national bracero workers.

The Committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers

 PCICN
 International power units are designed for long life, trouble free operation, easy maintenance and after-sale customer service that stands alone.

THE PARMER FARMER

by W. H. Graham Jr.

Bovina is having a pretty good year with their 450 acres of cantaloupes, according to all reports. This is encouraging, especially after the sad experiences suffered by most growers a year ago—when cantaloupe growing got started.

Prices have ranged from \$4 to \$5 a crate and have been much more stable than a year ago, farmers tell us. It was beginning to look as if the Bovina crop would never get started to market. Maturity was later than expected, which has been attributed to a cool, wet start in the spring, and continued showers through the growing season which has retarded finishing out.

Lester Rhinehart, who has shown quite a bit of enterprise in this vegetable growing, set himself up a fruit stand on the highway and started doing a little retail business on the side about a month or six weeks ago. He's been handling area cantaloupes for only about three weeks.

Lester says his fruit stand

isn't exactly a sensational success, but it does earn him "A little coffee money and pocket change." The typical day's gross is from \$50 to \$75. Naturally, expenses come off of that.

The yield from Bovina cantaloupe fields is down this year, comparatively speaking, but with much firmer prices than a year ago, growers don't seem to be complaining. They'd rather have a fair crop and a stable market than a bumper crop and, in the words of Charlie Flynn, a "demoralized" market such as existed in 1958.

Actually, the Bovina cantaloupes are about the only bright spot in the vegetable business again this year. Parmer County's approximately 900 acres of potatoes, distributed mostly around Friona and Lariat, gave indications of being a good crop this year. The market opened at a satisfactory level, around \$3 to \$4, but before much volume could be mustered by local diggers, it had slumped in one week to \$2 or less, which is bumping the cost-of-production line. Generally speaking, Plains spuds have had another "off" year—their third one in a row.

Onions weren't grown on too many acres in the area this year. We'd guess the summer crop was about 200 or 300 acres in size. Actually, there would have been quite a few more except that plants from the Winter Garden area were

poor in quality and very hard to come by for transplanting here, and the weather during the starting season was really rough on the onion crop.

It appears to be just as well that we didn't invest too much in onions in 1959, though. The growers of the Plains who got their money back out of onions this year were few in number.

Carrots are starting to come into Friona, although volume harvesting won't begin for several weeks, and opening prices have been around \$20 a ton. This is quite a bit below the \$30 a ton that was common for most of last year's crop, but it could be a lot worse. In truth, however, the market hasn't really been tested on account of the small movement.

On the subject of vegetables, something that's pretty dear to most Plains pushers who are looking ahead a few years, we might point out that while 450 acres, say, of cantaloupes around Bovina doesn't sound like much to us who have been accustomed to thinking in terms of thousands of acres, it actually is a pretty good sprinkling of melons.

For example, for years we have eaten and heard about Pecos cantaloupes. The Pecos cantaloupe has become well-known all over the nation. They had about convinced us that Pecos was "the" cantaloupe growing spot in the world.

A year or so ago we chanced to go through Pecos when we weren't in too big a hurry, so we slowed down and looked around for cantaloupes. We didn't find any. We had expected the country to be covered with them, but it wasn't.

We saw lots of cotton, quite a bit of maize, and a few other crops, but nary cantaloupe did we spy.

Then a couple of months ago we fell into conversation with Joe Pouns, publisher of the Pecos paper. The site of this conversation was the annual convention of West Texas newspapermen at Big Spring. As was his usual custom, Joe had supplied the association with a load of cantaloupes so they could all eat the Pecos product for breakfast and he could tell them how wonderful they were and how much they mean to Pecos.

After the breakfast (which was good), we put the questions to Joe, wanting to find out about cantaloupe growing around Pecos. "How many acres of cantaloupe do you raise?" we asked.

"Oh, about a thousand, more or less, I suppose," he casually replied. We could hardly believe it. "You mean, that the famous Pecos cantaloupe known all over the country is produced on just a thousand acres?"

Joe then sensed our surprise and replied again that this was correct. Then he began to explain about things. There are only about a dozen or 15 growers of cantaloupes around Pecos, he tells us. So, acreage to each grower is relatively large.

At Pecos, they have given a lot of attention to "up-grading" an agricultural product, something we need a lot more of in this day of declining farm prices.

They make sure that the melons meet rigid quality requirements, feeling that they should ship only the best produce, and that it is better to let second grade merchandise rot in the field than sour the marketplace.

They undertake extensive promotional schemes, such as shipping a free load to Big Spring for a convention of newspapermen (who will go home and write about Pecos cantaloupes). They come down hard on quality when they sell their melons, and then deliver the goods as advertised. This builds repeat business, something every retail businessman knows is the cornerstone of success.

We haven't noticed any this year, but in prior years we have spotted little plastic stickers on the ends of cantaloupes saying "Pecos." If the melon was a good one, the housewife would remember this special marking and keep it in mind the next time she went shopping.

Now, all of these things take time, money, and are a lot of trouble.

The Pecos growers have developed a big business making up special cartons of their fresh-grown 'lopes, selling them to large businesses which in turn have them sent with the compliments of the business to their favorite customers, or maybe top-echelon employees.

Now, all of these things take time, money, and are a lot of trouble. But they have a lesson for us. Actually, at Pecos they aren't so much interested in how many cantaloupes they grow as how many they sell—and for a good price.

THE HAPPY HOMEMAKER

BY JUNE FLOYD

As electric ranges are becoming more numerous in both town and country homes, oven meals are becoming more and more popular with a lot of homemakers and members of their families.

Our oven meal this week features oven fried chicken, casserole potatoes, and Swedish carrots. Since both potatoes and carrots are grown locally, all of us should use more of them.

Time needed to prepare this meal is 1 1/2 hours. Other dishes on the menu are apple strudel and Bermuda salad bowl. Procedure: 1. Place chicken, uncovered, on the lower rack. 2. Arrange a layer of thinly sliced potatoes in an oiled baking dish. Season with salt and pepper and dot with butter. Repeat until dish is filled, cover, place on the lower rack.

4. Place carrots, covered on upper rack. Place applestrudel on upper rack. 5. Prepare salad.

OVEN-FRIED CHICKEN

2 frying chickens
1 cup enriched flour
1 teaspoon salt
Dash of pepper
1 cup melted shortening

Singe, wash, dry and disjoint chickens. Dredge with flour seasoned with salt and pepper, and place in shallow pan. Pour shortening over each piece of chicken. Bake at 375 degrees for 1 1/2 hours. Yield 6 servings.

APPLE STRUDEL

1 cup sifted enriched flour
1 cup sugar
1 tablespoon baking powder
2 cups apples, peeled
1/8 teaspoon salt
2 tablespoons butter or margarine
1 egg, beaten

Sift dry ingredients together. Cut in butter, add egg and blend thoroughly. Cut apples into wedges and add to batter. Place in an oiled shallow baking dish or pie plate. Bake at 350 degrees 1 1/2 hours. Serve hot with frozen whipped cream made as follows:

1 cup cream, whipped
1/4 cup sugar
1 teaspoon vanilla
1/8 teaspoon salt

Combine all ingredients. Place in freezing tray and freeze until firm. Yield: 6 servings.

BERMUDA SALAD BOWL

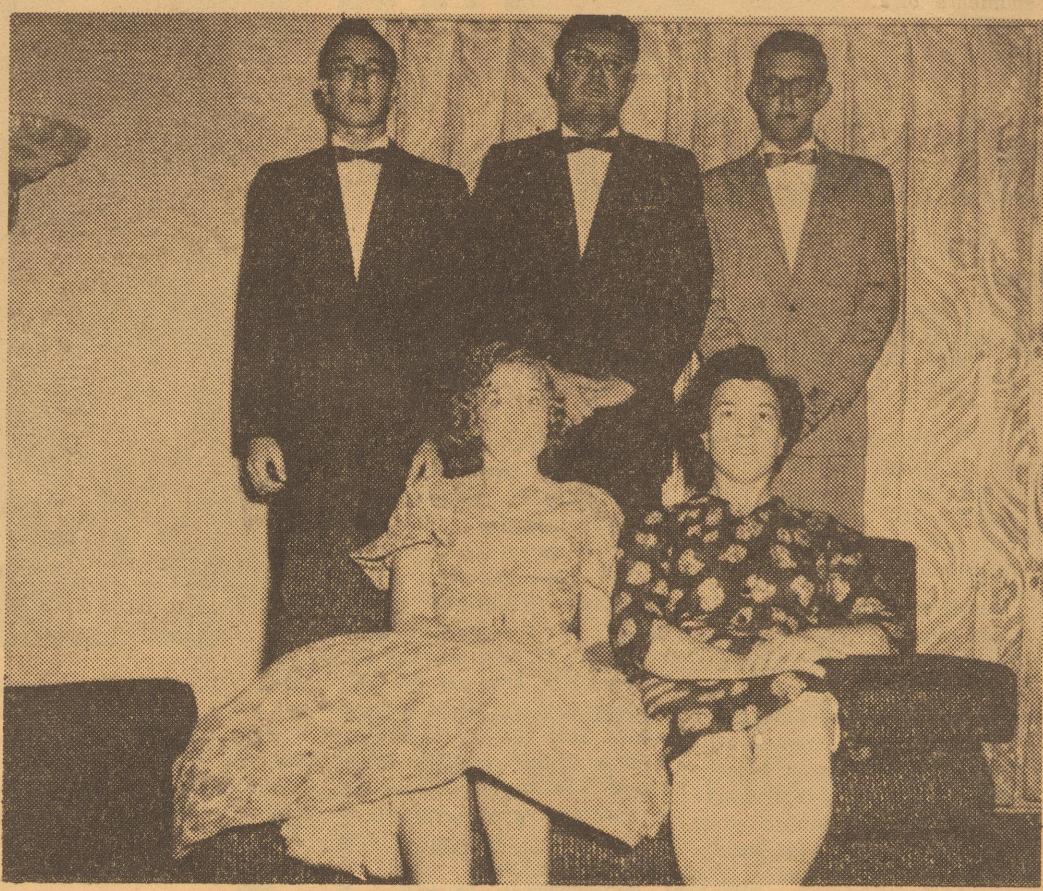

2 cups thinly sliced raw cauliflower
1 1/2 cups sliced raw broccoli
1/3 cup sliced stuffed olives
1 head lettuce, broken in pieces
1/3 cup French dressing
1/3 cup crumbled Roquefort cheese
1/2 cup thinly sliced onion rings

Marinate cauliflower, broccoli, olives and cheese in French dressing for 30 minutes. Add onion rings and lettuce. Toss together lightly and serve. Yield: 6 servings.

Your electric blankets are washable, just like any other fine quality blanket. They may

be washed in your washing machine. Use lukewarm (100 degree F.) water and mild soap or synthetic detergent. Wash no longer than 2 minutes and rinse through two lukewarm waters.

Never wring or twist your blanket. Partially dry in dryer with three bath towels for about 15 minutes. Spread it on flat surface to finish drying. Brush with wire brush and press satin bindings with steam iron if necessary.

Here is a good tip for freezer packaging materials. Use thoroughly washed cookie, cracker, candy or shortening tins or coffee cans. Any can with a tight fitting lid will serve for a freezer package.

In spite of the fact that many new detergents, washing aids and other products have been developed in the past few years, baking soda is still a very good additive to warm water when interiors of refrigerators are being cleaned.

Unlike some products, soda never leaves an odor that will be picked up by foods.

Diets of farm families in general are improving, recent studies show... However, diets of some families still fall short of the goal recommended as nutritionally desirable, according to Frances Reasonover, extension foods and nutrition specialist of Texas A&M College.

Nutrients most often in shortest supply are calcium and ascorbic acid... To make up these shortages, special emphasis will be placed on milk and cheese as good sources of calcium and riboflavin, on citrus fruits and tomatoes for ascorbic acid, and dark green and yellow vegetables for vitamin A... To increase the thiamine, there will be emphasis on meat, whole grain and enriched cereals, dry beans and peas.

Overweight is still a nutritional problem. Specialists continue to give information on safe ways to limit calorie intake, and still meet individual

needs in protective foods. Poor diets can result from a lack of nutritional knowledge, poor eating habits, or lack of sufficient income to buy necessary food, according to the specialist... Careful meal planning, food buying and preparation will help all of us to eat well for less.

Even though the August "heat is on"—it's not too early to make plans for outfitting the youngsters for school or college... Planning a fall and winter wardrobe for the family represents quite an investment. Dr. Graham Hard, extension specialist for Texas A&M College, says that careful planning before you buy will pay off in savings and satisfaction.

Careful planning is the secret to a wardrobe of costumes or outfits that go well together instead of a collection of miscellaneous items that never seem quite right.

Begin by taking careful stock of clothes on hand. Make necessary alterations of clothes you keep, bring them up to date or put them in first-class condition.

Now plan what clothes you need to supplement what you have keeping in mind your activities. Each family member should have a part in planning. This makes for better understanding of what happens to clothing dollars and the family budget.

Other pointers for planning are given in the extension bulletin, "Clothing Dollars and Sense." Get a copy from your county home demonstration agent's office.

At the fruit counter, seedless grapes are wearing lower price tags. Peaches are low priced and of good quality in many parts of the state. For variety and added eating pleasure, early apples, plums and cherries are available at varying prices.

Use plenty of fresh vegetables to make summer menus interesting and tasty. Summer squash, yellow onions, eggplant, cabbage and carrots are attractively priced. Okra quality is some better now.

"Over 31 Years In The Automobile Business In Clovis"

NEWS FROM THE
FARM BUREAU

BY RAYMOND EULER
Eleven out of 12 organized Texas farmers belong to Farm Bureau. That is a little more than 49 per cent of all Texas farmers who gross twelve hundred dollars or more per year. Some delinquent renewals are coming into the office now. If you have not renewed yet, do it now and make your officers

and directors happy. Also, if you have not filed for tax refund on your state road use tax recently, do that now. It is too late to file for Federal refund this year, if you have not already done so.

Both of our Texas Senators, Johnson and Yarborough in Washington, voted against amendments offered to strengthen the Senate Labor Bill. The amendments they voted against, and helped defeat were:

1. Applying anti-trust laws to labor unions just as it applies to other business.
2. Outlawing secondary boycotts.
3. The amendment to out-

law "blackmail" or recognition picketing.

If you are interested in the passage of a law to restrict some of these labor practices write to your senators right now. Both of our area representatives have worked and voted favorably with Texans on labor legislation. They are Walter Rogers and Representative Mahon. You might want to express your appreciation to them.

The Landrum-Griffith Bill is the one believed, by everyone except labor moguls, to be the best available. It has been passed by the House and is up for Senate action next.

Sheep producers will vote in September to determine whether the check off system of deducting funds for wool and mutton promotion is to continue for the next three years. Farm Bureau believes producers will vote to stop it. There is not enough of these products being produced to supply the domestic demand, and an end to the check-off would give producers 1¢ per pound more for their wool and 1¢ per hundred pounds for their mutton. Besides, it would give producers opportunity to decide individually whether they want to support a promotion program. There are 13 sheep producers in Parmer County in 1954.

SESAME INSPECTION--Young Billy Marshall, son of B. L. Marshall who has a 600-acre sesame crop this year, closely examines a bloom on the ancient oilseed crop on his father's farm between Bovina and Hub.

We hope to have some entries in the contest mentioned last week in this column. Someone will get a new wrist watch, and it might be you. Besides, you'll know more if you enter than if you don't.

CONSIDER THIS: Prepare thy work without, and make it fit for thyself in the field; and afterward build thine house. Proverbs 24:27

When five-year-old Toddy entered kindergarten he seemed to like it but showed no signs of being an outstanding student. However, one day he came home with a big gold star.

His very much surprised and pleased mother asked him how he happened to be so rewarded.

"Well, Mother," he said, "it's like this -- every day we have to rest and I rested the best."

Cattlemen Hear Industry Report

Commercial supplies of beef were up one per cent during the first four months of 1959, despite a 6.5 per cent drop in the number of beef cattle marketed, Herrell DeGraff, head of the cattle industry's fact-finding committee, reported to the mid-year meeting of the American National Cattlemen's Association.

Norman Moser, president, and Chas. A. Stewart, secretary-general manager of the Texas and Southwestern Cattle Raisers Association, represented the 10,000-member cattlemen's group at the meeting held in Denver.

Cattle averaged 44 pounds heavier this year than last and

yielded a higher average dressed out percentage, DeGraff reported, because more fed cattle and fewer cows were marketed. Cattlemen have been holding cows and calves on the range, building up their herds.

"A price break is not inevitable if cattlemen market their herds wisely during the last half of 1959," DeGraff commented on the current rapid build-up of cattle numbers, which is in its second year since the end of the drought and still increasing.

"Prices for beef and cattle continue remarkably strong," DeGraff said. He attributed the price strength to "the present strong and growing demand for beef and the unusually large fraction of fed beef."

Consumer demand for, and preference for, beef continues to be a major influence on the market, he said. Assuming no increase in marketings caused

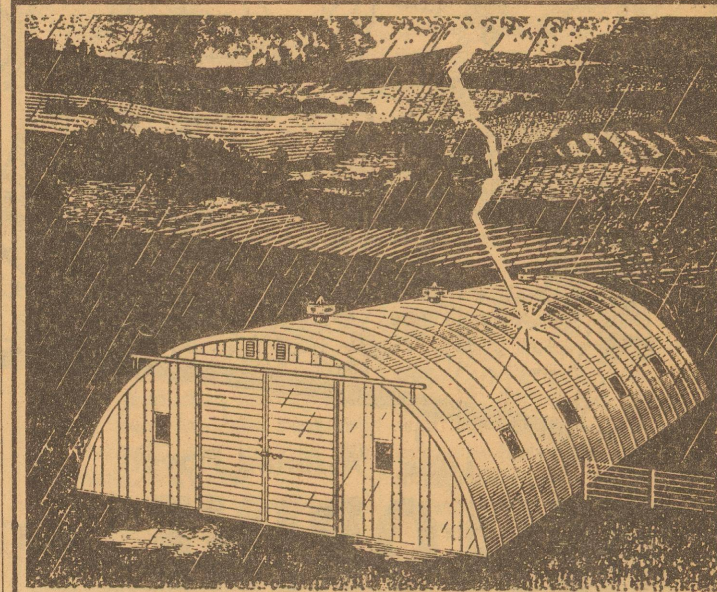

by drought-forced liquidation, the prospect is for all cattle prices to hold up well throughout the rest of this year.

Warning the cattle leaders of the possibility that the price break of 1953 could be repeated, DeGraff cited a U. S. Department of Agriculture analysis of the cattle industry outlook which indicated that, at the present rate of build-up, the U. S. cattle population

could result in a "demoralized market for cattle" by 1964.

He expressed his conviction that 1959 prices for beef are the peak of this price cycle, and that producers may be unwise to hold cattle for speculative gain. Unusually abundant feed supplies have encouraged some producers to overstock relative to the normal and safe carrying capacity of their range, he said.

The safest place in a lightning storm is your LOK-RIB Building

You enjoy peace of mind in stormy weather when you own a LOK-RIB Steel Building. It's all steel—it won't burn—and if lightning strikes, the easily grounded steel panels dissipate the charge. The extra strength of LOK-RIB's exclusive V-rib design gives you that same safe feeling when winds are high. The factory-engineered, mass-produced LOK-RIB Steel Building goes up easier and faster. There are no high framing costs. Every part is pre-punched and matched to fit. Four widths—24, 32, 40, and 48 feet.

"No need to schedule baths at our home," says Mrs. Dan Staggs, 100 East 15th St., Littlefield, Texas.
"We have ELECTRIC WATER HEATING!"

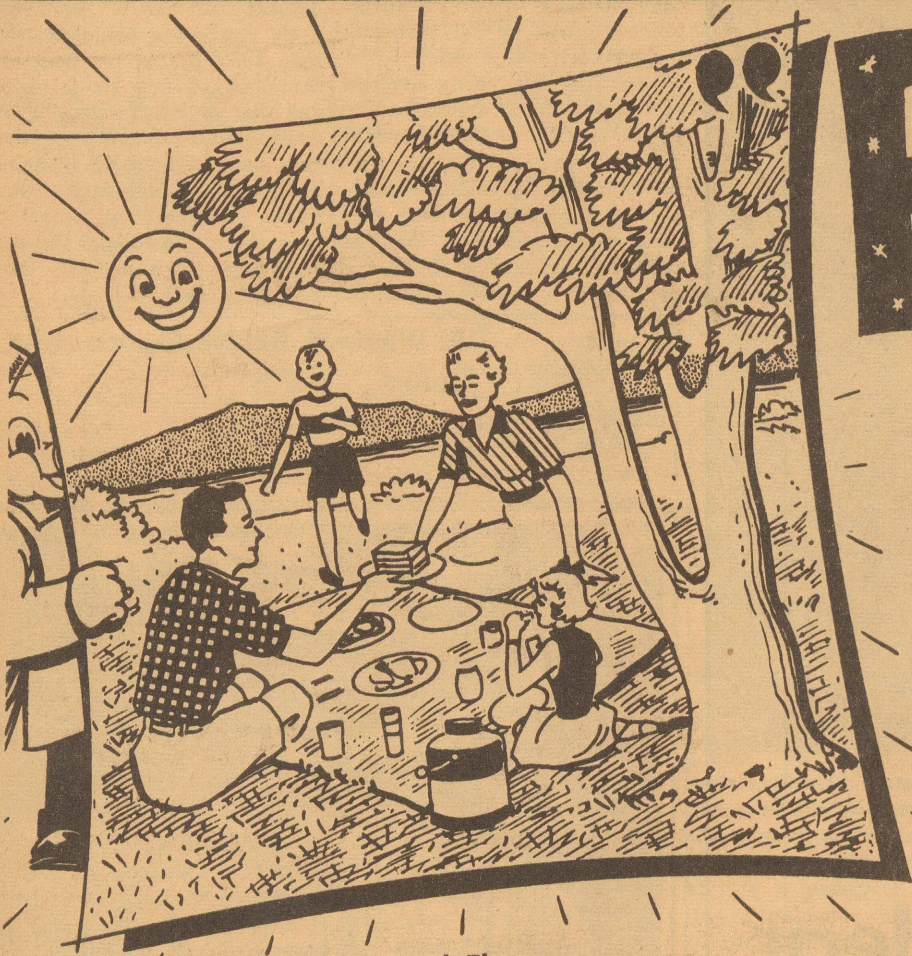

The Staggs family live in a completely all-electric home — their home, was, in fact, the first Gold Medallion home to be certified under the high standards set by the Medallion Home program. Electricity is doing a clean, dependable job for the Staggs. They like all their electric appliances and with 5 in the family, they appreciate, all the more, the abundance of hot water that they get from flameless electric water heating.
SPECIAL LOW RATES FOR WATER HEATING
Yes, ask your Public Service office about the special water heating rate. It makes electric water heating economical, too.

Mrs. Staggs knows that her dishes will be clean and sanitary with the combination of her electric dishwasher and the germ-killing hot water that her electric water heater delivers.
