 tracks
 -by dave

Tracks didn't get us very far this week, in fact one item in the paper of our northern suburb, Amarillo, got our attention this week.

It was entitled "Small Town May Get A Share of Industry." Around these parts we are all, or most all of us, interested in attracting industries to our towns.

But being small in stature alongside a lot of our neighbors it seems that we always have to be satisfied with only holding our thumbs while our larger neighbors get the ride.

According to the AP columnist it is possible for small towns to score.

He goes on to say that some industries in fact, are really looking for small towns in which to locate.

We've heard a lot of stir and cusswords in our short lifetime when the boys down at Dallas have attempted to make the Trinity River navigable.

Their idea was to make it possible for largeships to come inland from the Gulf of Mexico and put up at docks in Dallas.

Well now, why can't we start a movement to dredge out Running Water Draw (which is part of the headwater area of the Brazos River) and put up docks south of the Hub and ship our cotton to the Gulf on riverboats?

This would be just as practical as Dallas' idea.

Of course some engineer, subsidized by Uncle Sam of course, would have to figure out a way to get the riverboat up on the Caprock.

But, it still sounds like a romantic sort of idea.

Just think, then we could all run down to the Draw say every Wednesday and wait for the ship to come in with all

Fund Drive Tuesday

TO HEAR CHARLES DEAN—

Lions Fete Ladies

Friona Lions will honor their wives at the annual Lions Ladies Night slated to get underway at 7:30 p. m. Thursday (tonight)

in the Friona School Cafeteria. In addition to their wives, the Friona Lions will have as their guests the entire membership of the Bovina Lions Club and their wives.

Charles Dean of Plainview will be the main speaker at the meeting. Dean is presently serving as a counselor for Lions International and has held various posts at Plainview in Lions work. He is an attorney of that city.

Local Lions members are urged to plan to attend the festivities and bring as many guests as they desire.

Tickets for the affair are \$1.25 each and will be on sale at the door.

The meal will be prepared by Mrs. Mayfield and her staff and will be served banquet style by members of the Senior Class of Friona High School.

FRIONA'S NEW FIRE TRUCK--Showing off the new 500-gallon pumper which was delivered here last week are, left to right, Bill Raney, Ruben Taylor, and Pete Hollis. Lee Campbell is trying out the front seat for size. The new addition to the Friona Volunteer Fire Department will bring the local equipment up to date in order to qualify for state insurance law discounts.

Goal Set For \$5,565 In One Day Effort

Friona's annual Community Chest drive will get underway Tuesday in an effort to raise a budget calling for some \$5,565 to be used in charity and other community betterment uses during the coming year.

The drive will get underway following a kickoff breakfast to be held in the Fellowship Hall of the Friona Methodist Church at 6 a. m. Tuesday morning.

A total of 83 workers are slated to attend the kickoff banquet and then get out and work in an effort to make the drive a one-day affair.

Steve Bavousett and J. C. Claiborn will serve as co-chairmen of the drive and will have 13 captains of teams to head various segments of the drive.

The \$5,565 goal is an increase of \$500 over the goal for last year.

The proceeds of the drive will be used as follows:

Boy Scouts	\$ 1200
Girl Scouts	1190
Red Cross	1200
Salvation Army	900
USO	190
Heart Cause	75
Cancer Cause	50
Cerebral Palsy	50
Emergency Fund	750

TOTAL \$ 5,565

Drive officials point out that the proceeds are not designed for the residents of Friona, but to serve the needs of this entire territory and workers from the surrounding area will be out working during the one-day push.

Captains for the Fund Drive include Flake Barber, Andy Hurst, Kenneth Williams, Danny Bainum, Charles Baldwin, George A. Jones, Florian Jerski, J. T. Gee, Tom Jarboe, John R. Cook, Marty Martinez, A. L. Black and Coy Patton.

Workers for the drive include Carl Maurer, Hollis Horton, Lloyd Brewer, Newman Jarrell Jr., Doug Connally, Hayden Cason, Tommy Jones, George Messinger, Captain Rankin, Hoyt Smith, Wes Foster, Ralph Smith, John L. Ray, Ralph Wilson, Dean Awtrey, Dan Ethridge;

Joe Douglas, Dean Bingham, Bill Raney, Bonnie Wilson, J. G. McFarland, Hank Outland, John T. Wilson, Ross Ayres, Ralph Shirley, Albert Field, C. L. Vestal, J. B. Buske;

Frank Spring, A. W. Anthony Sr., Arthur Stokes, Pudge Kendrick, Bill Nichols, Tom Pruitt, Aubrey Rhodes, Grady Dodd, Robert Ginsburg, Kennedy Cass, W. S. Ingram, M. C. Osborn, Albert Roland; Roy Wilson, Earl Graham, Howard Ford, H. E. Barnett, Pete Buske, C. L. Lillard, O. J. Beene, Charles Scales, Bill Stewart, Buddy Lloyd, Hubert Singleterry, Eric Rushing, Bill Sheehan, Marion Fite, W. B. Fulgham, Dan Timms, Wes Long, George W. Jones, Glenn Reeve Jr., Dave Hicks, Buddy Squyres, Dave McReynolds, Bill Nunn, Oscar Baxter, John F. White, Frank Truitt, Curtis Murphree and Roy Miller.

FRIONANS ATTEND MEETING

Mr. and Mrs. Irby Carlisle, Mrs. Charlie Turner, Miss Faye Southward and Mrs. A. H. Boatman, members of the Friona Eastern Star Chapter, attended Grand Chapter at San Antonio last week.

SANTA'S READY

An announcement from the North Pole early this week notified Star staff members that Santa Claus and his helpers are taking requests early this year. Any letters written to Santa and mailed to the Star office will be printed in the paper then forwarded to the North Pole.

Apparently Esther Gail Smith, young daughter of the Ralph Smiths, received the notice before anyone else. She wrote her letter early and mailed it Air Mail the first of this week.

If all children are as considerate as Esther, Santa will have no difficulty answering all requests. She asked for a China set and nothing more.

OTTO WADSWORTH

Baptist Revival Begins

Otto Wadsworth, a groceryman of Wichita Falls and a deacon in Lamar Baptist Church of that city, will lead the Friona First Baptist Church in a Stewardship revival Sunday, Nov. 15 through Sunday, Nov. 22.

Classes for each age group have been planned throughout the week. Mr. Wadsworth will teach the adults and young people and will then speak to the entire group at the closing assembly.

Rev. L. Aston Sartain, pastor of the local church, reports that Wadsworth is an outstanding layman and has conducted laymen revivals. Sartain further states, "Our church and town is fortunate to have him with us for a week. Everyone is invited."

SCHOOL CLOSURES EARLY

Friona school will close 3 p. m. Friday in order that students and the band can make the long trip to Dalhart Friday night for the final football game of the 1959 season of the Friona Chiefs.

The Chiefs will meet the Dalhart Wolves at 7:30 p. m. in Dalhart.

the colored folks singing "Old Man River," the flags a'flying and gamblers sitting around dishing cards on the mezzanine deck.

Boyoboy!
 But--seriously speaking let's bring our sights down to earth. Why can't industry be lured to the Plains, and Parmour County in particular?

We bet that if we were to all get together and drop our petty jealousies we could get some sort of industry to locate in our general area.

Y'know it doesn't take a lot to mean a lot to a town when it is the size of Friona, Bovina and Farwell.

Have you ever thought about what 50 new jobs would mean in a town our size?

For every job like that it takes about nine other jobs to service that new family--they have to have groceries, gasoline, clothes, and a world of other items including HOUSING.

Personally right now the housing situation is one of the most critical problems facing

Paving, Money Talk Keeps Council Busy

Prospects for a spring street paving program and discussion of bonds with representatives of Dittmar & Company of Dallas kept members of the city council busy at the special meeting of that body Monday night in the city hall.

Deadline for signing up for the spring paving program has been set for December 7 according to council members Monday night.

This must be known by December in order that bids and contracts can be prepared for the spring paving, Red Smith, consulting engineer pointed out.

Although the city tentatively plans for about 25 to 30 blocks of paving to be on the schedule only a few property owners have definitely signed petitions asking for paving.

The Paving will be at a better price the more of it we can get at one time, Smith told the council.

City Manager Albert Fields asked that residents make their desires known for paving as soon as possible in order that by December 7 the council can have information to pass on to the engineers and the paperwork for the bid-letting can get underway.

In a lengthy discussion Ed Franklin of Dittmar & Company met with the council to get the final necessary legal papers all in order that the city may get the money for the bonds which were passed in an election held in September.

All told a total of \$236,000 in new bonds were passed and \$65,000 in old bonds were recalled and passed.

This money will go toward water and sewer extensions for the city and paving.

C. W. Dixon of Friona met with the council and expressed his desire to sell the city land for the proposed sewer plant. Dixon told of his land and the council asked Smith to meet with Dixon and look over the land and see if it would fit the needs of the proposed plant.

This report will be heard at the next council meeting. At the present time the city is negotiating with the Santa Fe Railroad for a piece of property farther from town which they feel will fit the needs of the new sewer plant.

In other action City Manager Albert Fields was authorized to purchase a 50 foot by 130 foot lot from P. W. Hughes of Friona for a price of \$650. This will be utilized by the city as part of the site for the new water extension pumping stations and storage site.

The lot is south of the city's property in the west part of Friona.

Parallel parking was ordered to be put into effect along Fifth Street for its entire length following the reading of a letter from the Texas Highway Department's District Engineer O. L. Crane.

Crane pointed out that as the street was maintained by the

state it a spur it would be necessary that all cars and vehicles park parallel in place of parking at a 45 degree angle to get better utilization of the street.

Following the adjournment of the meeting council members inspected the new 500-gallon fire truck pumper which was

TWO MORE GUESSES--

Squyres Picks Scores

Phyllis Squyres of Friona picked the exact tie-breaker score in the Friona versus Canyon ball game on her entry to win first place honors in the Cotton Bowl Football Contest for the week.

Second place honors went to J. S. Clark, who farms south of Friona, on route one out of Bovina and third place money went to Jim Terrell of Farwell.

All three of the top "guessers" missed three games in the right or wrong contest division and all three picked Canyon to win, but Mrs. Squyres picked the exact score of Canyon 28, Friona 14 to come out the winner.

She missed the Tech versus Arizona game, and also picked Dimmitt over Tullia and Lock-

never over Muleshoe. The other two top winners missed the same games as Mrs.

PHYLLIS SQUYRES

SEEK FOURTH DISTRICT CROWN--

Squaws Begin Basketball

The Friona Squaw's Girl's Basketball team officially began their season last week when they scrimmaged the Muleshoe Mullettes at Muleshoe on Thursday night. They played both a B game and an A game, coming out on top in both contests.

In the A game scrimmage, the Squaws scored 62 points while holding their opponents to 44. Scoring for Friona was Charlotte Bock, who was high scorer for the local team with 25 points; Tommy Lewellen who tallied 22 points; and Jacquelyn Magness who dumped in 15 points.

Scoring for the Mullettes were Mary Grossi, who was high scorer for the contest with 29 points and L. Davis who had 11 points to her credit.

The B-team from Friona also topped their opponents by scoring 59 points while allowing only 44 points to be scored against them.

Scoring for the Friona B teamers were Su-Zan Harper who scored 30 points, which was high for this game; Linda Castleberry who tossed in 14 points and Pamela Sue Roden who tallied 12.

For the host team, Inman scored 21 and King 15. In an interview with the Star, Coach Baker Duggins said there were 19 players and two managers who have reported for both the A and B teams this year.

The Captain elect for this year's Squaws' team is Lawana Houlette, three year letterman at the guard position. Also serving as Tri-Captains will be Jacquelyn Magness and Charlotte Bock.

He went on to say there were only two girls returning who were starters at this same time last year. These girls are Charlotte Bock, forward, and Lawana Houlette, guard.

Phyllis Squyres. In the big trip to the Cotton Bowl season contest Martell LeVeque remains in the driver's seat with only 21 wrong for the entire season.

J. S. Clark, who won second place in this week's contest is also in second place in the overall contest with a total of 23 misses for the season and he is followed closely by Laura Hart with 24.

The Watkins family, Thelma and Kenneth, who took the top honors last week missed four games each this week.

Don't miss out now! Only two more weeks until we know who will be the lucky winner of an all expense paid trip to the Cotton Bowl in Dallas New Years Day!

year and who has come along good at this point.

More girls who have reported for basketball and are working hard to make the A team, but at present are playing B team ball are Janice Wright, Gloria Patterson, Pamela Roden, Linda Castleberry, Su-Zan Harper, Brenda Collier and Betty Drake.

Team managers for this season are Janet Snead and Darla Bingham.

As to the outlook for the season, Duggins said, "It is impossible to tell what type of ball club we will have at this early date. We will be unable to tell until we see ourselves against the opposition. I feel like we have good physical strength but this alone is not enough."

"If there is an obvious weakness at this time, it is team

in and around FRIONA

WITH JUNE

Someone is getting careless. All of us know that it is very thoughtless for any person, club, class or group to ask permission of a merchant to post a placard in his window advertising a special event and then fail to remove the advertising material after the event has taken place.

In the past more groups have been very careful to pick up all such posters and dispose of them. Monday of this week as we walked down Main Street we noticed one placard advertising a Halloween dance, one advertising a play and two others calling attention to events which had already taken place.

When you take into consideration the fact that a merchant is doing you a favor by letting you place the advertising material in his window, you will be aware of the fact that proper disposition of it when it is useless is your responsibility.

Another thing that too many of us in Friona abuse is the privilege of visiting patients at the local hospital. In spite of the fact that visiting hours are posted at each entrance, very often we visit a patient at any hour we choose.

These hours are arranged for the benefit of the patients and hospital staff and should be strictly observed by everyone. Cooperation on the part of the general public will be beneficial to everyone concerned, so let's each one make an effort to do

our visiting within the hours designated as visiting hours.

One of the nicest things about our town is that someone else is almost always willing and ready to do the small extra things that most of us enjoy having done, but can't seem to find time for.

On every Christmas list there's always a few persons that no gift except a homemade one seems right. For those persons on your list you will have several opportunities to buy wonderful home made items during the next few weeks. Members of the Friona Firemen's Auxiliary are now taking orders for home made candies of all kinds.

Last year these same ladies carried out the same project and we at the Star office had several samples of the products. The one outstanding thing about each box of candy we bought was that it hardly lasted long enough to go around.

For those on your list to whom you want to give home made candy, just call a member of the Firemen's Auxiliary, tell her how much candy you need and what kind you prefer, then forget about it until your order is delivered.

Then for those to whom you want to give handmade linens, tea towels and such articles, you will want to attend the annual Bazaar of the Women's Fellowship of the Union Congregational Church. This year the Bazaar will be held at the Bi-Wize Drug, Wednesday, No-

ember 18. Everyone who has patronized the Bazaar in other years knows the variety and quality of items offered for sale. All others are invited to stop at the Bi-Wize Wednesday and select whatever articles are needed.

There have been several school bus accidents in the nation since the beginning of school. So far, none of them have been in our section of the country. In order to prevent them, it is necessary for each one of us to observe all traffic regulations regarding school busses.

Other accidents that are more numerous at this time of year are those involving cotton trailers. Farmers should be sure that no trailers or other implements are on the highways after dark unless they are properly equipped with lights or reflectors.

Then, too, all motorists should watch carefully for slow moving or poorly lighted vehicles. This is a job that everyone needs to work at.

Think every parent should refrain from telling pre-school age children, "When you go to school, you will learn to read." Of course, he statement is true, but the timing isn't always what a first grader expects.

So many beginners come home from school day after day asking the question, "When will I learn to read?" Parents could impress children with the idea that they will eventually learn to read, write, spell, add, subtract, etc. without causing them to think that as soon as they start to school they will learn to read.

If any farmer has lost a heavy long topped hunting or irrigation

Mary E. Meade Buried Here

Funeral services for Mrs. Mary Evelyn Meade, a former resident of Friona, were conducted from the First Baptist Church at 2 p. m. Saturday, Oct. 31. Rev. L. Aston Sartain, pastor, officiated.

Mrs. Meade was born August 3, 1872 in Virginia. She and her husband, the late D. H. Meade, who were married December 29, 1898, came to the Friona area in 1909.

The Meades lived here a number of years before moving to Amarillo, where Mrs. Meade made her home at the time of her death.

She was a long-time member of the Baptist church and a charter member of the Friona First Baptist Church at the time of her death.

Survivors include one daughter, Mrs. L. C. Campbell of Las Cruces; two sons, Harry of Amarillo and Wilbur of the State of Washington; one sister, Mrs. Marshall Lucas of Troutville, Va.; two grandchildren and one great-grandchild.

Burial was in the Friona cemetery.

Mr. and Mrs. Giles Cobb have returned home after vacationing for about a month in different parts of the country. They toured through Yellowstone Park in Wyoming, and on to Seattle, Washington and spent a week with their son, Jay and his family.

The two families spent the weekend in Vancouver, Canada. Then Mr. and Mrs. Cobb returned by way of Alameda, California and had supper with their son, Bill before he flew to Japan on the following day.

boot, it may be in the Star office. Someone picked up such a boot in the road somewhere and brought it in. Can't think of anything a farmer or hunter would need less than one high topped boot.

Dolores Elmore still hasn't found her glasses. If anyone knows where there's a pair of glasses that no one claims, please call Dolores at 2932.

If you live it up, the chances are that you'll also have to live it down.

Trouble with the future these days, it seems to get here faster than it used to.

NEWS FROM BLACK

H. I. Assiter Buried Thursday

H. I. Assiter, long-time resident of Floydada, died at his home there early Tuesday morning after a long illness. He was a brother of Mrs. Kate Brookfield, who has spent much time during recent months helping care for him.

Mrs. Brookfield and Mr. and Mrs. Floyd Brookfield of Friona and Mrs. Earl Richards of Bovina attended funeral services for Mr. Assiter at 2:30 p. m. Thursday at Floydada.

Bill Cartel home Sunday.

Mr. and Mrs. Gene Welch and children and Mr. and Mrs. Earl Harkins and son visited in the L. W. Gibson home Sunday evening.

Sunday evening guests in the home of Mr. and Mrs. R. E. Barnett were Mr. and Mrs. Glenn Floyd.

(CROWDED OUT LAST WEEK)

Helen Fangman, Maxine Price, and Carrie Tatum attended the home demonstration council meeting Monday afternoon at Farwell.

Word was received Tuesday that the mother of Les Gibson passed away Monday evening.

Travis Stone made a business trip to Olton on Wednesday.

Mr. and Mrs. Bill Cartel and boys were Sunday night supper guests in the home of Mrs. Carthel's brother, Mr. and Mrs. Bill McCabe and family at Borger.

There will be a pot luck supper at the community house Thursday night at 7 o'clock. Everyone is asked to bring a covered dish.

Mr. and Mrs. Travis Stone and family attended a family reunion at the Mart Stone home near Lamesa Sunday.

Mr. and Mrs. Earl Harkins and Russell were Sunday dinner guests in the Gene Welch home.

Mr. and Mrs. Dick Rocky were in Levelland Sunday attending the funeral of Norman Reid, 44, who was killed in an oil field accident Friday morning.

Weekend visitors in the home of Mr. and Mrs. Fern Barnett were their son and daughter from Tech, Wesley and Judy and also three of Judy's friends, Cam Griffin of Quanah, Alice Jones of Spade and Sally Roberts of Dallas. The group returned to Lubbock Sunday evening.

Mr. and Mrs. Jim McCabe and sons of Dawn visited in the

Mrs. P. Kinsley Returns Recently

Mrs. Pearl Kinsley returned recently after spending more than three weeks visiting relatives and friends at Upper Sandusky, Ohio; Detroit, Michigan; Washington, D. C.; Columbus, Ohio; Chillicothe, Ohio and Bucyrus, Ohio.

At Upper Sandusky Mrs. Kinsley attended the Golden Wedding observation of Mr. and Mrs. L. A. Kuenzli. Kuenzli, a nephew of Mrs. Kinsley's late husband, and his wife have

visited here several times. Mrs. Kinsley spent several days in the home of Mr. and Mrs. Earl Bowers, former Friona residents, at Chillicothe.

Mr. and Mrs. W. H. Welch of Amarillo and Mr. and Mrs. Glenn Welch and Dorothy of Lockney visited in the Gene Welch home Sunday. Veveca and Kevin Welch returned to Amarillo with their grandparents.

TO END SEASON AGAINST DALHART -

Chiefs Lose To Canyon 28 - 14

The Canyon Eagles downed the Friona Chiefs Friday night by a score of 28-14 to hand the Chiefs their third district loss of the season.

Friona began the contest by kicking off to the visiting eleven. Canyon began the first series of downs from scrimmage during the game, but were unable to move the ball successfully and were forced to punt on a fourth down to the Friona Chiefs.

The Chiefs then began moving the ball from scrimmage but they too met the same fate as the Eagles as they were unable to pick up a first down on this series of plays. Forced to punt, the Chiefs kicked to the Canyon 10 yard line. An Eagle picked the pigskin out of the air and returned the ball to the Friona 30 yard line before being tackled from behind, a runback of 60 yards.

However, this punt return set up the first Canyon touchdown when an Eagle backfield man went off right tackle for six points. The try for extra points failed and the score during the first quarter of play was six for the Canyon Eagles and nothing for the Friona

Chiefs. During the rest of the first quarter neither team was able to cross the favored goal line of their opponents and the score stood in favor of the Canyon Eagles at the end of the first quarter of play.

Early in the second quarter of play, Canyon scored once again when the Eagle quarterback Jerry Richardson caught halfback Mike Poole in the open and tossed him the pigskin. The pass and run play was successful for 25 yards and a second touchdown for the visiting team. The Canyon team ran the extra points over and the score was then 14 for Canyon and nothing for the Friona Chiefs. This ended the scoring during the first half of play as neither team was able to cross the other's goal line and the first half ended with the score in favor of Canyon, 14 to nothing.

In the third quarter of play, Canyon once again was successful in sustaining a drive and crossing the pay dirt line of Friona. Quarterback Richardson on the touchdown play ran around left end and crossed the goal line standing up. The try for extra points was no good

and the score then stood at 20 for the Canyon Eagles and nothing for the Friona Chiefs.

However, the Chiefs were by no means ready to die or give up. During this same third quarter, after taking the kick from the Eagles, the Chiefs began a drive that carried for about 70 yards and was successful in erasing the goose egg from the scoreboard for Friona. Quarterback Ronnie Castleberry handed off to fullback Gary Bradley who went over the left side of the line for the six points. Castleberry ran the extra points over and the score was then 20 for the Eagles and eight for the Chiefs.

This completed the scoring for the third quarter. In the fourth quarter, Canyon was once again successful in scoring first which raised their score to 26. The try for extra points was good and the score was then 28 for Canyon and eight for the Chiefs.

The Chiefs then took the ball on the Canyon kick and once again began a sustained drive which payed off when the Chiefs crossed the Eagle's goal line. This touchdown was made when Castleberry kept the ball on a

keeper and ran over for the six points. The try for extra points was no good and the score then stood at 28 for the Canyon Eagles and 14 for the Friona Chiefs. There was only one minute and 28 seconds left on the clock when the Chiefs made their final touchdown and no further scoring was done by either team during the game. The final score was as listed above.

The Chiefs passing attack was the most effective against Canyon than any team the Eagles have played this year. Two class 3-A schools, Dumas and Phillips, were successful in completing only two passes and three passes respectively against the Eagles. Friona completed 11 passes out of 18 thrown for a total of approximately 200 yards gained through the air.

The final game of the season for the Chiefs is this Friday when they travel to Dalhart to meet the Dalhart Wolves at Dalhart Stadium. Game time is at 8 p. m.

There's a lot of dirt that detergents can't touch.

SMU-Arkansas On TV This Week

A regional live telecast of the SMU-Arkansas game and five broadcasts of games played by Southwest Conference teams will highlight The Humble Company's football coverage Saturday.

The SMU-Arkansas game will be telecast from Dallas with Kern Tips and Alec Chesser at the microphones. TV time will be 1:45 p. m. (CST) over KGNC-TV, Amarillo and KCBD-TV, Lubbock.

The Rice-Texas A&M game will be described from Houston on radio by Ves Box and John Smith. Broadcast time will be 1:45 p. m. (CST) over KIXZ, Amarillo-940; KPAN, Hereford-860; and KSEL, Lubbock-950.

The Texas-TCU game will be broadcast from Austin by Bob Walker and Dave Smith. Radio time will be 1:45 p. m. (CST) over KGNC, Amarillo-710.

The Texas Tech-University of Houston game will be described from Lubbock by Dave Russell and Jack Dale. Broadcast time will be 1:45 p. m. (CST) over: KFPA, Amarillo-1440; KCLV, Clovis, N. M.-1240; and KPYO, Lubbock-790. The Baylor-USC game will

be broadcast from Los Angeles by Eddie Hill and Jim Wiggins. Radio time will be 3:45 p. m. (CST) over KRAY, Amarillo-1360 and KDUB, Lubbock-1340.

Sixth Graders Visit Plant

Visitors at the Plains Publisher plant Friday afternoon were shown through the building by Laurie Cooper, supervisor. During the tour members of the class were shown the procedure required in compiling, writing and processing news stories.

Those making the tour were Mr. S. W. Walker, teacher, Janet Rushing, Monte Sue Welch, Lorene Jackson, Frieda Floyd, Teddy Renner, Mary Short, Donald Gaskins, Roger Nelson, Jesse Shirely and Nolan Morris;

Also Eugene Weatherly, Lydia Chandler, Gail McGoethlin, Nancy Williams, Virginia Rando, Charla Sue Harper, Ray Gene Braxton, Sylvia Stokes, Carrol Wislon, Bryan Evans, Alice Duran, Johnny Claborn, Steven Thornton, Billy Duke and Jerry Hudson.

Girl Scout Notes

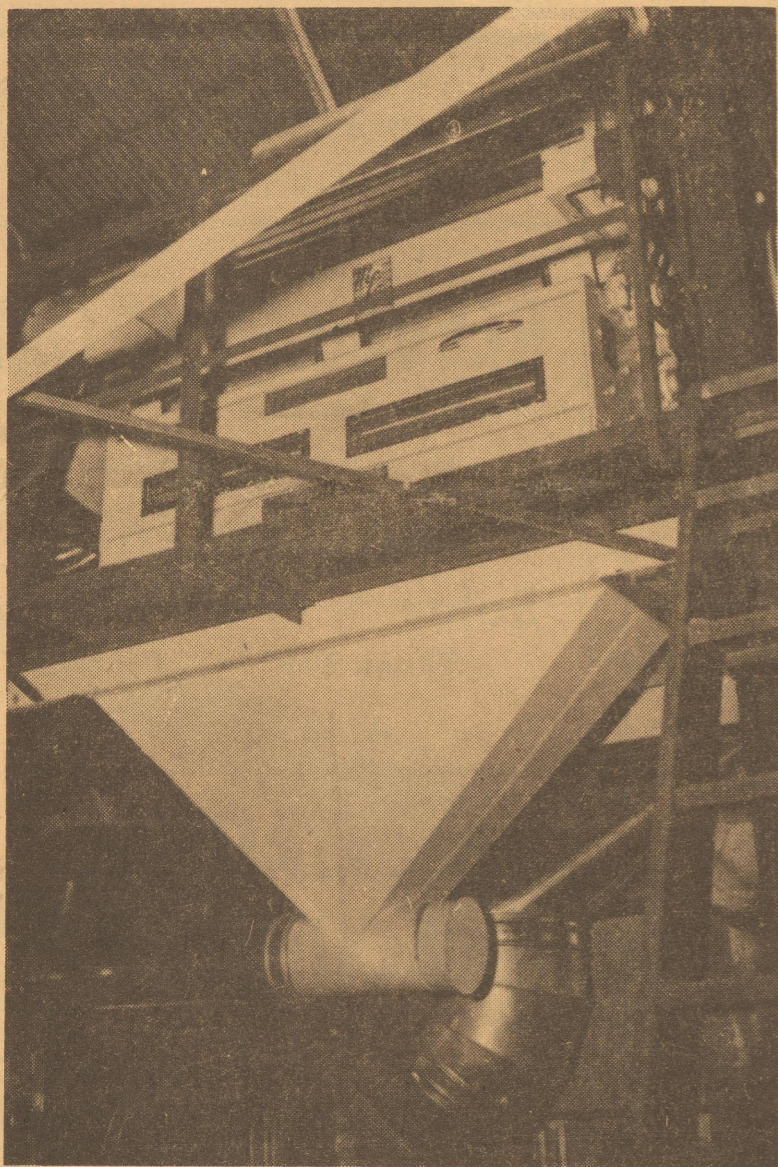

We are a troop of twelve seventh graders and this is our sixth year in Girl Scouting. Our schedule of activities is full and sometimes running over, what with church activities, basketball and other activities.

We sometimes feel like we have had to fight to keep open one afternoon a week for our Girl Scout troop meetings. Girl Scouting has always been on Monday in Friona, but our troop changed our troop meetings to Thursdays so as not to interfere with basketball. However, we sometimes now play basketball on Thursdays, too.

Last school term our troop did activities in the nature and (Continued on page 8)

Annual Bazaar Will Be Held

Plans have been completed for the annual Bazaar sponsored by members of the Women's Fellowship of the Union Congregational Church. This event will be held at the Bi-Wize Drug Wednesday, November 18. Handmade items such as tea towels, pillow cases, pot holders and other household accessories will be on sale. Members of the organization invite everyone to attend. Many items suitable for Christmas gifts, shower gifts and personal use will be available.

Deer And Duck Seasons Set To Begin Soon

Two major hunting seasons will get underway in Texas within the next 10 days, according to the executive secretary of the Game and Fish Commission. The duck hunting season will open noon, Friday. The bag limit will be four ducks daily, but not more than one can be a

canvasback or redhead. The duck inventory in Texas at the present time is very good, according to waterfowl biologists, who have been making surveys throughout the State. Many of the ducks are young ones, however, indicating the late hatch in the nesting grounds. Goose season already is underway, having opened at sunrise, October 26. The duck season will end January 1, and the goose season will end January 8.

Christmas Leaves For December Enlistees

Sgt. John G. Mattmiller, local U. S. Army recruiter, announced today that in accordance with current army policies all personnel enlisted from now until Dec. 10, will receive two weeks leave during the Christmas holidays. Sgt. Mattmiller also stated that all basic training will be suspended during the period December 18, to January 4. This policy is to enable all enlistees to be at home the holiday season. Contact Sgt. Mattmiller for further information on this enlistment plan or call Porter 3-7290, Clovis, N. M.

Two Men Fined In County Court

Two men were fined in county court Monday, climaxing a weekend of moderate activity by Parmer County enforcement officials. Howard Franks, 23-year-old Anton Negro, was fined \$100 and costs on a charge of aggravated assault in Judge Loyde Brewer's court Monday morning. He was picked up early Monday morning about 3 o'clock, on a farm north of Farwell. He had threatened a woman companion. Franks pled guilty to the charge and is still in jail.

Ramon Mendoza, 24, a Latin American from Brownsville, was charged with carrying a prohibited weapon. He was picked up Sunday night north of Muleshoe by the Highway Patrol.

His fine ran \$100 and costs in Judge Brewer's court Monday, after he pled guilty of the offense.

Mendoza was fined \$20.50 in Roy Thornton's JP court Monday for not having a driver's license. He pled guilty to this charge too.

Waterfowl hunters are required to have a \$3 Federal duck stamp, which can be bought at the Post Office.

The white-tailed deer season will open in most counties in Texas November 16. The mule deer season will open December 1 west of the Pecos. There will be deer seasons in many other counties in Texas under regulatory control. It is advised that you check with your local game warden on these areas.

The basic bag limit is on two bucks. However, does shooting will be permitted in a number of Texas counties again this year, which will permit hunters to take either bucks or doe.

Baby Boy For Louis Welches

Mr. and Mrs. Louis Welch became parents of a baby boy at Parmer County Community Hospital Saturday. He was named Ralph Lynn and weighed 8 lbs. 2 ozs.

Grandparents are Mr. and Mrs. Ralph G. Wilson and Mrs. Lucy Welch. Older children of the couple are Jan, Gay and Holly.

Son Born To

Wayne Houlettes

Mr. and Mrs. Wayne Houlette of Friona became parents of a baby boy at Neb-litt Hospital at Canyon Friday of last week. He weighed 7 lbs. 6 ozs. and was named Gary Dean.

Gary Dean's grandparents are Mr. and Mrs. E. E. Houlette of Plainview and Mr. and Mrs. J. B. Hickman of Canyon. He has an older brother, Greg.

WHO'S WHO IN FHS

BY JANETTE JOHNSON
 For this week's teacher Mrs. Virginia Chambers Huff has been chosen. This is her first year of teaching Home Economics in Friona High School.

Mrs. Huff was born in Kearney, Missouri. She attended Devo and Stillwater, Oklahoma high schools. After her high school years, she attended Oklahoma State College and Kansas State College. She has received her Bachelor and Master of Science degrees.

Mrs. Huff is the wife of W. K. Huff, who teaches in junior high. She has two sons, Harold and Kennedy, and one daughter, Wildean. Mrs. Huff comments, "I am enjoying Friona. I appreciate the school, the church, and the community."

When asked to list some of her favorites, she said she likes basketball and loves to be with teenagers. This is proved by her connection with the FHA. Mrs. Huff says her ideal student is one who really wants to learn. She lists her pet peeve as girls who comb their hair in the foods laboratory.

Mrs. Huff says her ambition is to learn to type in order to make neater tests for her students.

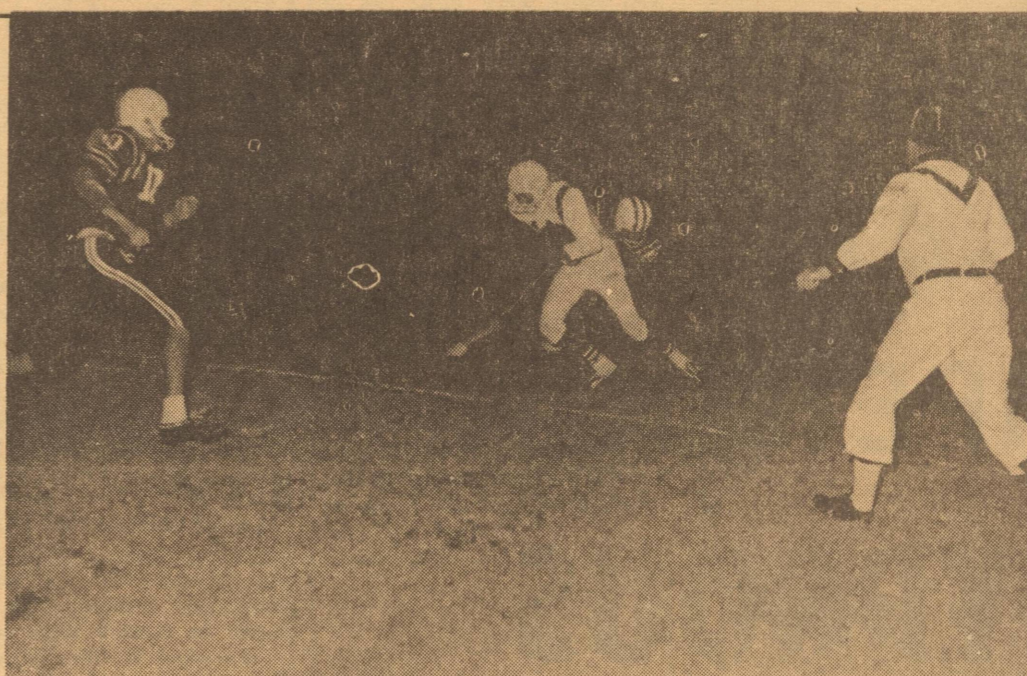

Eagles Soar Over Chiefs

BY LUTHER METCALF

Friday, Nov. 6, in the Chieftain Stadium the Friona Chiefs lost their 3rd conference game of the season to Canyon by a score of 28 to 14. The first score of the game was made by the Eagles, early in the first quarter. The Eagles also scored again in the second quarter on a short screen pass. The score at the half was 14 to 0 in favor of the Eagles.

The Eagles kicked off to the Chiefs to start the 2nd half. During the 3rd quarter, the Eagles scored two times before the Chiefs scored. The Chiefs first touchdown was made by quarterback Castleberry on an outside belly. Castleberry also scored the extra points on the same play, the score at the end of the 3rd quarter 28-8.

In the 4th quarter the Chief fullback, Bradley, scored on a fullback give. The extra points try failed. The Eagles failed to score again, however, they won the game 28-14.

Jackie Hight, the chiefs' football captain, returns a punt. The play took place during the Chiefs' game with the Canyon Eagles Friday night.

Sincerity

How many times in the hall do you step on someone's toes or back into someone? How many times are you late to a meeting or fail to get there at all? How many times have you said something cutting or hurt someone's feelings? Doubtless, everyone has not done this one but many times, and an apology is required.

Usually we do apologize, but we aren't always sincere; at least we don't appear to be sometimes. To be excused, we often say a rushed, "I'm sorry," and expect that to be the end of our obligation of apologizing.

Fortunately or unfortunately, this isn't always the case. People are unique in that they seem to have a sixth sense that detects insincerity in their fellow humans. Can't you usually tell when someone tells you something whether he means it or not?

If someone has done you a wrong, usually you aren't satisfied until you feel he is genuinely sorry for it and lets you know how sorry he really is.

To really be sincere, we need to consider the feelings of others and put their feelings before ours. Often we are thinking of how much we have to do and where we have to be in an hour and forget that while we are standing there thinking--we may be standing on our neighbor's toe.

At other times, we are aware of the fact that we have injured someone's feelings and are too cowardly to really let him know how sorry we really are. Sometimes our mountains of pride are awfully hard to climb over, but we usually find that the hike over has made us bigger persons with better characters.

Apologies are something that we are faced with much of the time and it may be that you are on the receiving end instead of the giving end. In such a case, if you accept someone's apology (you generally do) and you tell him it's all right, mean it.

It's just as important to know to receive apologies as to give them. Consider how you feel when you give someone else an apology and then be more sympathetic with the person apologizing to you.

Not only do your apologies need to be sincere, but your compliments need to be sincere. Sometimes that sugar sweet flattery that some people try to coat you with can be downright nauseating! Don't compliment someone unless you really mean it.

Sincerity can't be narrowed down to any one or two topics. It covers every phase of life, and life is incomplete without it. If you sometimes forget to be sincere, try taking time this next week. See if those around you, and you, yourself, aren't happier!

Chiefs To Play Dalhart Friday

The Friona Chieftians meet the Dalhart Wolves Friday night at Dalhart in their last game of the season.

The Wolves run a straight T offense. They run the traps, fullback gives, and the outside bellies.

The Wolves' fullback, No. 37, Jack McClesky, is a powerful, hard running back and always dangerous. Left halfback, Barry Walker, No. 20, is also a very outstanding back.

The Wolves have a very good, hard hitting line and one of the toughest defenses in district.

Game time will be 8:00 at Dalhart Field.

Squaws Win Scrimmage Frosh Lose To Eagles

BY DONNA FIELDS

The high school girls basketball team played their first practice game Monday, Nov. 7. The game was played here with Adrian. Forward starters were Charlotte Bock, Levada Hand, and "Jac" Magness. Guard starters were Eleanor Dodson, Lawana Houlette, and Gwen Green.

Bock scored first with her well-known jump shot. At the end of the first quarter the score was 16-4 in Friona's favor. In the second quarter Bock scored again with her jump shot. At the half the score was 34-16, Friona still leading.

The sophomores dominated the third quarter with Jimette McLean, Janice Wright, and Judy Bock as guards and Pam Roden, Linda Castleberry, and Suzan Harper as forwards. They

raised the score 10 points while Adrian raised their score 8 points making it 44-24 at the end of the quarter.

Sophomores started the fourth quarter also with Gloria Patterson, Betty Drake, Jimette McLean as guards and forwards Mary Ann Boggess, Suzan Harper, and Brenda Collier.

Coach Duggins broke the all sophomore team by substituting Tommy Lewellen, Charlotte Bock, and "Jac" Magness as forwards and Eleanor Dodson, Kitty Black, and Lawana Houlette as guards. The game ended with Friona winning by a score of 57-27.

The cannibal who got hold of a Lions inspirational booklet put it in the kitchen with his cook books. The title was "How To Serve Your Fellow Man."

The Friona Freshmen team lost to the Canyon Eagles in Canyon Thursday night by a score of 40 to six.

The host team had it all the way, scoring in each quarter of play during the contest. The Canyon Freshmen team has only one loss of the season, this at the hands of the Triple A Hereford Whitefaces.

The lone Friona touchdown came in the final quarter of play when Robert Houlette ran 95 yards from scrimmage to cross the Eagle's goal line and six points. The try for extra points failed and the final score of the game again was 40 for Canyon and Six for Friona.

Haberdashers sell clothes to fit the man and suit the wife.

Pep Club Meets

BY CLARE SAVAGE

The Pep Club met November 5, at 11:45 in the study hall. They met to decide on ways to raise money. A motion was made that they sell candy Thursday and Friday November 12 and 13.

They also discussed plans for the Dalhart game Friday, November 13. They decided to leave school at 2:30 p. m.

The officers and sponsor's picture was taken by Bill Taylor at the end of the meeting. Plans for the group picture were made to be taken Friday, November 6, at 7:00 p. m. in the band hall.

Pep Band To Play At Games

BY RONNIE WOOD

Tentative plans are being made to form a Pep Band to play during timeouts and intermissions of the basketball games this season. Mr. Frank Smith, Chieftain band director, is making plans to organize the seven or eight piece band.

Being considered for the positions in the band are Jobey

Girls Start Workouts

The Friona Freshmen Girl's team has begun workouts in the high school gym and will begin their season in the very near future, reports Bill Adams, Freshmen coach.

The Freshmen girls have not yet had a scrimmage or a game, but one is scheduled for Muleshoe on the night of the 19th, which will be on a Thursday night.

There are 15 girls reporting for the Freshmen team this year and Adams reports he is pleased with the manner in which they have conducted themselves in the gym and the way in which they have carried on their workouts.

The captain of this year's Freshmen girls team is Sandra Hoover, who plays a guard position.

Bridal Shower Honors Joy Crow Wednesday

A bridal shower in the home of Mrs. Clyde Sherrieb Wednesday afternoon honored Joy Crow, bride-elect of James E. Carlson. In the receiving line were the honoree, her mother, Mrs. W. S. Crow, and her maternal grandmother, Mrs. J. M. Bradley.

The serving table was centered with an arrangement of blue carnations and silvery foliage flanked by white tapers in silver candelabra. A silver tea and coffee service completed the table arrangements. Fall flowers were used throughout the gift rooms.

Guests were registered by Mrs. D. E. Coldiron, aunt of the bride-elect. Hostesses with Mrs. Sherrieb were Mesdames Ralph Smith, Spencer Hough, Milburn Bennett, Henry Lewis, Joe Talley, Roy V. Miller Sr., Bill Stephens, Jack Tomlin, Hank Outland, Mae Magness, Leonard Hays, David Smith and Hayden Cason.

Those attending and sending gifts were Mesdames Otis Huggins, Ray Dean Fleming, Raymond Fleming, Bill Sheehan, G. B. Busch and Lila Gay, Noyle E. Wood, Earl Chester, M. G. Mars, L. M. Crow, Curtis Murphree, Wesley Hardesty and LuAnn and J. D. Sanders;

Also Mesdames C. W. Dixon, E. S. Euler, J. R. Braxton, Calvin Talley and Pattison, A. L. Stokes, M. C. Osborn, Claude Osborn, Clyde Weatherly and Celia Dee, Bill Baxter and Sue, J. T. Gee, Owen Houston, Bruce Parr, A. L. Black and Kitty and Elroy Wilson;

Also Mesdames Monroe White, O. L. Blake, L. B. Blake, Nancy Parmley, C. S. Crow, Lucy Jones, Merritt Brooks, Dale Hart, Rick Stiles, A. L. Carlton and Margie, Leonard Coffey, Philip Weatherly, John Burrow and LaVoynce, Wesley Foster, J. W. McMahan, Earl Jameson

baby boy, Edgar Hendershot, Dorothy Janell Weaver, David Hicks, Mrs. Dale Bentley and baby boy, Sarah Vernon; Mary Ola Turner, Mrs. F. L. Sledge and baby boy, T. E. Wood, Mrs. Wayne Massey and baby girl, Kimberly Gober, Mrs. Buck Fallwell, Ida Merrill, Thelma Mae Kohlen, Johnny Northcutt.

and Dudley Robason;

Also Mesdames Charlie Turner, Gordon Massey, C. D. Carter, Frank Truitt, Dan Lacey, T. E. Wood, Douglas Connelly, Roy G. Clements, Sioan H. Osborn and Sally, E. L. Morrison, George C. Taylor and Suzanne, Ira Miller, O. F. Lange, Ray Castleberry and Allen Stewart;

Also Mesdames Raymond Euler, Ralph Taylor and Judy, Granville England, Paul Fortenberry, Hardy May, Ross Miller, Jerry London, M. J. Stacy, Wright Williams, H. G. White, Truett Pool, L. R. White, Earl Drake, Lloyd Prewett, Clayton Taylor, W. H. Jones, M. A. Black, Alta Wylie, E. S. White, Clarence Martin, Leon Hart and Don Reeve;

Also Lola Goodwine and Mrs. O. B. Moyer.

Charles Osborns Have Baby Girl

Mr. and Mrs. Charles Osborn became parents of a baby girl Saturday at a Houston hospital. She weighed 7 lbs. 12 ozs. and was named Shelley Virginia. The couple, former Friona residents, have two sons, Burt and Bill.

Grandparents of Shelley Virginia are Mr. and Mrs. Sloan H. Osborn of Friona and Mr. and Mrs. W. E. Burt of Hollis, Okla. Mrs. J. B. McFarland is a great-grandmother.

Piano Quartet Presents Program

A special musical program was presented by the piano quartet at the Tuesday evening meeting of the Modern Study Club at the club house. This quartet is composed of Nelda Douglas, Janet Smith, Donna Blackburn and Pat Foster.

Twenty-five members and two guests, Mrs. Alton Farr and Lora Mae McFarland, heard a program on the Bible. Estelle Caffey presented the Bible as history and Irene McFarland presented the Bible as law.

Refreshments were served by the hostesses, Ethel Ruth Spring and Allo Reeve.

Club Members Study Alaska

Mrs. L. R. Dilger directed a program concerning Alaska at the Wednesday afternoon meeting of the Friona Woman's Club at the club house. Roll call was answered by "What I would like to see in Alaska."

Mrs. Roy Slagle discussed Katmai National Monument, Mount McKinley National Park was described by Mrs. Bert Shackelford.

Refreshments of salad, mints, nuts, coffee and tea were served to seventeen members by the hostesses, Mrs. Lem Miller and Mrs. Charles Russell.

Delta Xi Meets At Hereford

The Delta Xi chapter of the Delta Kappa Gamma Society had its regular meeting in the hospitality room of the First National Bank in Hereford Saturday at 2:30 p. m.

Miss Della Stagner, curriculum coordinator for Hereford schools spoke on "Evaluation of Our Educational Product." Members from Friona attending the meeting were Margaret Duggins, Carmaleet Truitt and Valoris Osborn.

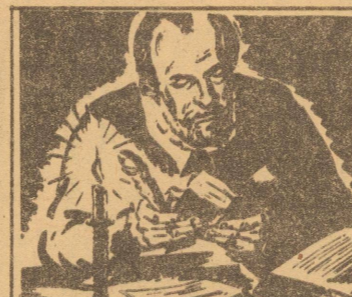

Aux Members Plan Candy Sale

Plans for the annual candy sale sponsored by members of the Friona Firemen's Auxiliary were made at the Tuesday afternoon meeting at the City Hall. Orders will be taken for any kind of homemade candies to be delivered on any given date.

Those present were Elwanda

Campbell, Wanda Jones, Neola Reed, Juanita Reeve, Jo Nell Sims, Phyllis Squyres, Ollie Pearl Taylor, Tiny Taylor, Stella Shirley, Carol Zetsche and June Freeman.

The annual Christmas family party will be held Dec. 14. Time and place will be announced later.

MULESHOE READY-BUILT HOUSE CO
1400 Blk. Clovis Rd. Muleshoe, Texas

Rugged - Dependable Continental Stalk Shredders - We Also Have Continental Post Hole Diggers And A Full Line Of Cattle Spraying Equipment

Gear box jack assembly permits use of shorter Universal joint drive from tractor PTO for easier turning, less vibration on Universal joints. Pin located in flange shears it overloaded.

Exclusive spring suspension permits shredder to float over rocks, stumps etc. Much safer for machine and operator.

Heavy duty gear box has heat treated alloy gears running in oil. Heat treated alloy splined shafts turn on roller and ball bearing. Main rotor shaft is equipped with tapered splines for attaching rotor.

Rugged, high torque, Universal joint PTO drive assembly. Shielded for safety.

Front of shredder hood extends 12" ahead of rotor blades. This gives operator greater protection from rocks and flying debris. This is an important safety feature.

Sturdy, structural type tongue. Has 8" of adjustment for tractor drawbar height.

All new, heavy duty axle and lever lifting assembly. Spring suspension permits lifting and lowering machine with just one hand. No straining or slow cranking to adjust cutting height. Lever may be locked allowing rotor to float over rough terrain, this is an important exclusive, Continental feature.

15" or 14" automotive type wheels furnished as standard equipment. Timken bearing equipped.

our fair city. In order to attract any sort of industry you have to have some place for folks to live and it looks like we ran out of a place a long time ago. But these problems can be solved if we want to do something about them. Other towns around us are working hard at it, and if we don't want to be caught wanting, we'd best work at it too.

Squaws

(Continued from page 1)

unity. However, if the girls come along and help one another, and take a team attitude rather than an individual one toward the sport, we should have a fairly good ball club." Duggins went on to say the shooting percentage made by the Squaws during the Muleshoe scrimmage was the lowest in three years, but added he felt certain it will improve.

The boys basketball teams have not yet begun their season nor their workouts. Football is still being played and will continue until this Friday when the Chiefs meet the Dalhart Wolves.

hot chocolate to serve their guests. They opened the Spook House at 7 p. m. to tricksters or treaters passing by. Guests were registered then guided to a ghost story telling room, a fortune telling room and a room of death.

If the guest lived after visiting the last room, he was invited to the refreshment table and served hot chocolate, cookies and candy. About 80 guests registered and paid the admission fee of ten cents to cover decoration costs, which amounted to about half the receipts. The troop plans to give the rest of the money to CROP.

Our troop is selling Christmas cards again this year and we are taking orders now. Anyone interested should see one of the twelve Scouts or the leaders.

-- Mrs. Meryle Massie

Girl Scout troop 144 met Monday afternoon at the home of Pearl McLean. We made winter bouquets out of different kinds of weeds then made birds out of devil claws.

Refreshments were served to Karen Agee, Letricia Bartlett, Lou Cochran, Brownie Cole, Linda Estep, Linda Fallwell, Kathy Jones, Cindy Ingram, Terri Sue Mabry, Martha Martin, Glenda Mingus, Vicki Moorman, Donna Shackelford, Becky Turner, Shirley White, Terri Lynn Wilson and Ruby Judkins by Donna Shackelford.

-- Vicki Moorman, reporter

(Crowded Out Last Week) Troop 105 met at the Congregational Church Monday afternoon. Rev. Bill Phillips, pastor of the church, gave a talk and showed slides concerning Boy Scouts in Germany and England. The title of his talk was International Friendship.

Slides shown were made by Phillips when he attended Boy Scout jamborees in these two countries.

Mrs. Doyle Elliott assisted the leaders, Mrs. Watson Whaley, Mrs. Robert Hale and Mrs. Bob Riethmayer, in the absence of Mrs. Billy Dean Baxter. Refreshments were served by one of the Brownies.

This troop is working on place mats as a community service project.

TROOP 226 HAS SPOOK HOUSE. Girl Scout Troop 226 met Saturday at 10 to clean up and decorate the Methodist Church annex into a Spook House for that evening. Girl Scouts always observe October 31 in some special way because it is the birthday of our founder, Mrs. Juliette Low.

They worked and decorated all day until about 4:30, then went home to make cookies and

Friona

THE HIGH PLAINS FARM AND HOME

J. L. MORRIS BOXES sweet potatoes in his field two miles east of Friona. Probably the only yam raiser in the county, Morris plans to retire from farming after this year although he finds yam growing profitable. This is his second straight year with the crop here. The field is on the C. H. Horner farm.

Potato Harvest Finishes With Moderate Yields

Fall potato harvest wound up last week in Parmer County with only moderate yields, according to Buck Gregory, whose farm is two miles south of Lariat.

"It was about dark yesterday when they got through digging," he said Saturday.

Gregory says the yield on his 80-acre plot was only fair. He estimated the yield at 175 sacks

an acre as an overall average. "It didn't take over about seven days running to harvest the crop." He said the digging was held up for a few days at the first of the month.

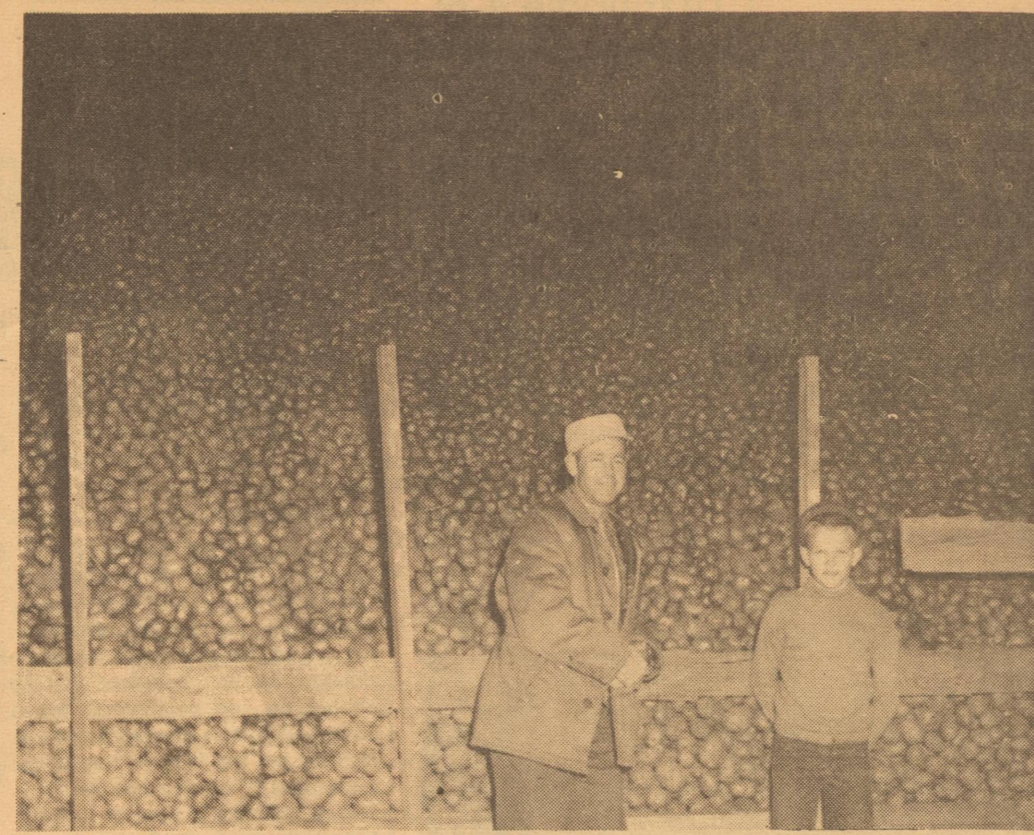

The market on potatoes is just fair, Gregory says. He is storing his spuds until the market outlook improves.

"The fall crop was planted about the first part of July,"

he says.

Quality of the potatoes is good, Gregory says, although some of the spuds are dirty because of the rain and a freeze last week harmed some of the last bunch that were dug. He is keeping the damaged spuds separated until he can grade them. Gregory says he has about half and half of the Red Pontiac and Red LaSoda varieties of potatoes.

"We just had a few white potatoes, but they didn't make it." He says the white spuds will be used for seed because of the low yield. He has a 10 to 12 acre plot

SPUDS ARE PILED high in one of Buck Gregory's storage sheds. One of the largest area potato producers, Gregory finished harvesting his 80 acre crop last Friday. He is keeping the crop in storage until market conditions are more favorable. The Gregory farm is two miles south of Lariat.

of spuds one mile in New Mexico due west of his Texas farm. "They are all white and will probably be used for seed," Gregory says he harvested the small plot about three weeks ago.

Gregory estimates his total yield at around 14 to 16 thousand sacks.

Two large quonset buildings on the Gregory farm are being used for storage. Gregory has a potato processing and shipping shed in Lariat.

Since he takes advantage of available bracero labor, Gregory has a large bunkhouse and facilities for the laborers.

Lazbuddie Junior 4-H Has Meeting

An organizational meeting recently for the Lazbuddie senior 4-H club was under the leadership of county agent, Joe Jones.

Officers for the coming year were elected. They are Steve Young, president; D. H. Foster, vice-president; Buddy Embry, reporter; Eugene Vaughn, secretary; Max Eubank, pledge leader and Gary Mac Brown, council delegate.

Other members of the club are H. W. Moore, Ronald Ashford, Gary Coker, Gary Eubank, Lloyd Bradshaw, Ronnie Vandlingham, Gary Grusendorf and Darrell Mason.

Cotton Stripping Begins

Cotton harvest had just begun to get underway in the Friona area at the end of last week with Friona and Hub gin operators reporting a total of 1501 bales ginned.

Most gin managers felt that the harvest should be at its peak sometime next week, weather permitting. Little or no stripping was being done and an average of about 25 bales a day was being pulled, the gin bosses said.

Mrs. E. W. Chester of Chester and Fleming Gin in Friona said they had ginned 656 bales through Saturday and would probably have over 700 by today.

"They have just begun stripping. We ginned our first stripped bale today."

She says the harvest should reach its peak about a week from now.

At Friona Gin, Manager John W. Davis says stripping should be going strong this week. He reported no stripping last Saturday.

"I think the harvest will reach its peak in about two weeks." He says the gin has been processing about 25 bales a day of pulled cotton and has ginned a total of about 250 bales this fall.

"We're just not doing anything," G. W. Fleming of Fleming and Son Gin at the Hub said last week.

He says they have ginned 252 bales but no stripping is being done.

"I think it will be 10 days before stripping begins. We may get a stripped bale next week. We are pulling about 30 bales a day."

Leo Ruzicka of the West Hub Gin Corp. reports about 20 pulled bales being ginned each day.

"We are going to get our first load of stripped cotton today," he said Saturday.

"I think we will start getting a little strip next week and a week from Monday the gins will be snowed under."

Farm Census Questionnaires Being Mailed To Area Farmers

Questionnaires for the 1959 census of agriculture are now in the mail and will be in the hands of local farmers within a few days, it was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

The farm census questionnaires are being mailed from Chicago, with the distribution timed so that the report forms will reach farmers about a week ahead of the date when census takers will begin the field canvass.

The advance mailing is for the purpose of giving farm operators time to consult their records before filling in the answers required by the questionnaires and getting them

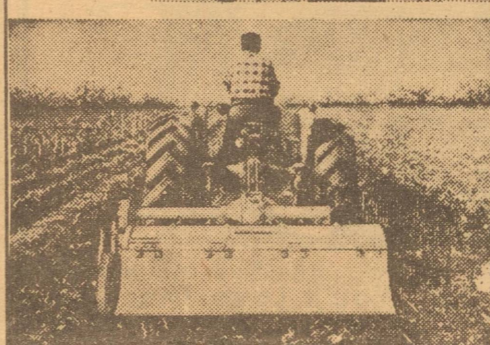

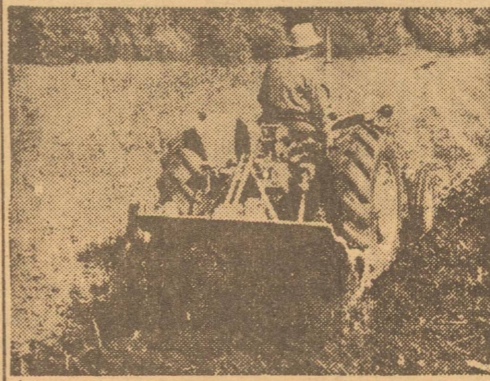

ready for the census takers to pick up.

This procedure is designed to insure greater accuracy of reporting and to save time both for the farmer and the census taker when the latter calls at the farm.

The 1959 census of agriculture questionnaire is designed to provide information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment, selected farm expenditures, farm values, and mortgage debt. On the average, each farmer is asked about 100 questions, many of which can be answered by simply checking "yes" or "no".

NEWS FOR 1959 ALL-NEW ROTAVATORS

"E" MODEL SELECTATILTH ROTAVATOR

For the first time this year, the widely-known "E" model, the most popular tractor mounted Rotavator, comes with the new Selectatilt® gear box, enabling the operator to change rotor speed in a few seconds in the field. Now you can suit your tillage exactly to your tractor's capacity and to the type of tith you want to turn out. Ideal for turning-in cornstalks and crop trash, for one-pass seedbeds, for increasing the fertility of your land. At left, the Selectatilt® gear box. Just exchange position of the gears and the rotor speed is changed. Also spare set of gears, housed in the gearbox, gives rotor speeds of 142, 162, 182 and 208 rpm. Fits all tractors up to 47 hp. No special mounting kit needed except for I.H. Fast Hitch. Tillage width, 50 and 60 in. Various offsets.

"H" MODEL MOUNTED ROTAVATOR, for Heavy Duty work.

Mounts on seven most popular heavy tractor models, up to 65 hp. Tillage widths 70 and 80 in. New this year, the "H" Mounted is the ideal Rotavator for heavy duty farm work. Like all Rotavators, there is a three month's guarantee on all parts.

THE PARMER COUNTY IMPLEMENT CO.

NEWS

"The Place Where Most People Trade" Friona, Texas Wednesday, November 11, 1959

Each year the parking problem in Friona becomes more troublesome. With every employer and employee driving his own car to work, there's hardly any space left for customers. Seems to us it's a problem for the Chamber of Commerce, maybe.

Soon we will be required to parallel park on 5th Street, or the Loop, and then the Parmer County Implement Company employees will need more parking room.

Overheard at club: "This is my husband's definition of club women -- a bunch of loose tongues and tight girdles."

Purdue University engineers say power steering makes tractor driving 75% easier and much less tiring. Driving tractors without power steering, especially in loose soil or muddy conditions, is a sure way to tired, aching muscles. Purdue engineers believe that power steering is more vital to tractor drivers than to drivers of automobiles. Let us show you the power steering on the new IH tractors.

Lad: "Dad did you go to church when you were little?" Dad: "Surely I did every Sunday."

Lad: "See, Mom, it probably won't do me any good either."

Lots of new homes are going up around town -- one for each of the following: Mr. and Mrs. Herschel Johnson, Mr. and Mrs. Bob Ginsburg, Mr. and Mrs. Wesley Foster, Mr. and Mrs. Ray Dean Flem-

ing, Dr. and Mrs. George Anderson, Mr. and Mrs. Bill Woolley, Mr. and Mrs. M. J. Stacy, Mr. and Mrs. Marion Fite, Mr. and Mrs. Charles Allen and several others that we don't know the owners of.

Some jobs are tougher than others -- so are some trucks -- International offers the world's most complete truck line. See us before you buy that truck or pick-up.

From Alan Beck: "Boys are found everywhere -- on top of, underneath of, inside of, climbing on, swinging from, running around or jumping to. Mothers love them, little girls hate them, older brothers and sisters tolerate them, adults ignore them, and Heaven protects them."

A boy is truth with dirt on its face, beauty with a cut on its finger, wisdom with bubble gum in its hair and the hope of the future with a frog in its pocket.

Yes, we do give trades tickets (to help you win the new car.) If we fail to give you yours, be sure to ask for them.

When you need some good farm equipment for very little money, you need to see our used equipment lot. We have some real buys in tractors, plows, and a few trucks and pick-ups.

This is something -- that isn't so funny -- to have too much money -- at the end of the money.

Our second grader has some

trouble with his spelling, but none with remembering things he wants to remember. All weekend he repeated a phrase "She was bred in old Kentucky, but she's just a crumb to me."

You did need some anti-freeze for the last cold spell and you will need some more. Don't wait until the last minute to stock up. We have plenty of anti-freeze -- the right kind and our prices are right.

Our mother's brother visited at our house over the weekend. He has a bakery in Lamesa. He says times have really changed. The other day a lady called and said, "Make me a chocolate cake for my son's birthday party and please make it a little lopsided because I want him to think I baked it."

Then another day he got a call that went like this, "We'd like to have eight pumpkin pies for the bake sale tomorrow, and bake them in different sized pans because we are selling only home baked goods."

Kenny Sifford, young son of the Billy Siffords of the Rhea community, received a severe cut on his head, a black eye and several other cuts and bruises Sunday while playing in the vicinity of Adrian.

Kenny wasn't able to tell his folks exactly what happened, but they thought he must have fallen about six feet into an old cellar.

Shop-foreman to customer: "Let me put it his way -- if your tractor were a horse, it would have to be shot."

Yam Harvest Now Underway

Harvest is well underway on what is probably the only sweet potato crop in Farmer county. J. L. Morris reports that he started digging his crop about two weeks ago. He estimated that it will take about four more weeks to finish.

He says harvesting the yams is slow and with six men at work he can only dig about an acre a day. He is using Mexican national laborers.

The early yams Morris harvested yielded about 300 bushels to the acre, but the yield varies greatly across the field, he says. The field, about two miles west of Friona, is 40 acres of the C. H. Horner farm, Morris' brother-in-law.

Morris says the yams are good quality. He says this is his second year at raising sweet potatoes in this area. He had experience at growing yams in the Portales area several years ago.

The sweet potatoes are being sold by the truckload to area supermarkets and groceries, Morris says.

"I am quitting farming this year. This is about the only land that is sandy enough around here to raise sweet potatoes."

"Yams generally have a better

market and they are never as cheap as spuds.

Morris says it took him about six weeks to plant the crop which is about the same time required to harvest it. He has

three varieties of yams.

He likes raising yams and says this would continue to be his crop if he were not retiring from farming. Morris favors yams over most other crops.

LABORERS CLEAN SWEET potatoes on the C. H. Horner farm two miles east of Friona. J. L. Morris, Horner's brother-in-law, is farming the 40-acre plot of yams. Morris is selling the potatoes to area supermarkets and groceries by the truckload. He finds the crop favorable for this area.

Lazbuddie 4-H Has First Meeting

Members of Lazbuddie junior 4-H club met recently to elect officers.

Those elected were Joe Bates Jennings, president; Danny Miller, vice-president; Terry Parham, secretary; Ronald Mayfield, reporter; Timmy Foster, pledge leader; and Bobby Gleason, council delegate.

The club has three new members this year. They are Thomas Masters, Joan Ward and Mike Ward.

H. D. AGENT'S CORNER

Jimmie Lou Waincott

The National Home Demonstration Agents Association meeting in New Orleans was very good and I enjoyed it a great deal. Three speakers were really outstanding. The director of the Louisiana Extension Service spoke to us on our job in agriculture.

Owen Cooper, executive vice-president of the Mississippi Chemical Co., said that we are always hearing about the changing world, but that some things should not be changing; that should be our principles. We have had many changes in our lighting but has it made our insight better to see how to be better citizens, how to rear better children, etc.?

Education alone will not reduce the number of crimes nor will good housing, food or money. It cannot produce good boys and girls. It takes a good home, a wise mother and father, a firm hand and a belief in God to help grow better boys and girls.

The highlight of the conventions to me was the recog-

Let 'er blow!
 You're safe from windstorm damage with a **LOK-RIB STEEL BUILDING**

Greater Strength — There's a big difference between light metal sheathing and LOK-RIB's heavy-duty 18 or 20-gauge steel panels bolted together. Let the wind howl — let the snow pile deep — let lightning strike — you can still enjoy peace of mind with your LOK-RIB.

Exclusive V-Rib Construction — This exclusive LOK-RIB feature provides the extra strength that lets you stop worrying while the weather plays havoc with ordinary buildings.

Quick Erection—Low Cost — The LOK-RIB Building goes up fast and easy — eliminates high framing costs because the LOK-RIB panels are both framing and sheathing. In 24, 32, 40 and 48 foot widths.

See us for all the facts on LOK-RIB Steel Buildings.

FRIONA

NEWS FROM THE
FARM BUREAU
BY RAYMOND EULER

Our hearts go out in sympathy for the Matt Jesko family and relatives in the tragic loss of their daughter, Clara Jean Whelan, and her husband, Kenneth. Clara Jean was Farmer County Farm Bureau Queen in 1954, and we have had regular business correspondence with her and her husband since they married.

We visited in the home of the Herman Siffords at Bridwell Ranch Headquarters one day last week. The location is 48 miles northwest of Friona, and except for the modern home and conveniences, the area is much like those related in Western pictures, kind of like it was around Friona when we moved here in 1920.

The last report we had on county delegates to the Texas Farm Bureau Convention in San Antonio indicated that five or six went. Herman Gerles, president; Gilbert Kaltwasser, past president; Vernon Symcox, Sec-

Treas.; and Ernest Kube, a member. Others who may have gone are Raymond Schlabs, director of Black Community; John Henderson, Black Community member; and Franklin Bauer, Rhea Community director. The other men are from Farwell, Oklahoma Lane and Bovina areas.

This is the first time in ten years that we have not attended the annual convention, and it seems kind of strange. We are glad for the good delegation that went, and at least three of them had not attended before.

The Secretary of Labor's committee report regarding employment of Mexican Nationals makes it sound like farmers aren't fit to hire hired hands.

Florida has a law against selling lewd and indecent magazines. One local operator of a newsstand was recently convicted, and it is reported that almost all newsstands in that town had gaping holes the next morning where such magazines had been displayed. We'll be glad when Texans pass a law like that and clean up some of the stands in this state. We believe this needs to be done as long as children continue to be born and grow up. They are the best customers, you know.

Radio news commentator, Paul Harvey, speaking in Lubbock recently, stated that twelve persons connected with the administration of UNESCO have been identified in sworn testimony before congressional committees as Communists. He said six others refused to appear before government loyalty boards. UNESCO, you know, is

the U. N. Agency that is attempting to determine what your children are taught in school, particularly concerning history and patriotism. It advocates one worldism as opposed to Americanism. The strange thing about this is that America is the only one of the large nations that is falling for this kind of stuff; and it is also strange that America is furnishing the bulk of the money to promote this kind of thing. (It's your tax money) United Nationism is a long way from Americanism, and we're one hundred per cent for Americanism.

CONSIDER THIS: To have respect of persons is not good; for, for a piece of bread that man will transgress. Proverbs 28:21

High nitrogen levels without adequate potash will, over a period of years, increase the hazards of winterkill of Coastal Bermudagrass and small grains, says John Box, agronomist for the Texas Agricultural Extension Service. Box adds that soil tests show that heavy applications of nitrogen will result in rapid removal of potassium from the soil and in turn increase the hazards of winterkill.

THE PARMER FARMER

by W. H. Graham Jr.

The yields that grain sorghum growers have been reporting this year are truly tremendous. Some of them are actually hard to believe, even though we've seen excellent crops all year long and know that production would be tremendous.

Last year all of the agricultural "experts" in the area got together and decided 3800 pounds was about the across-the-board average of irrigated grain sorghum for Parmer County. It had been going up about 200 pounds a year for the past four or five.

However, this year it looks as if the average yield (estimated, to be sure) will have to be hiked considerably over the 4000-pound mark, and this would mean the biggest increase in yields -- percentage-wise -- since irrigation came in.

A combination of factors is responsible for this. First of course are irrigation and fer-

tilizer. The new hybrids have become an important factor in the past two years. Another factor in favor of big production this year was a growing season favorable to grain sorghum production.

Spread across all these elements is the thing that makes more difference than anything else, and that is management practices. Farmers who used to raise 3000 pounds of grain sorghum per acre are now raising 5000 pound crops, and feel like they've had a crop failure if they don't beat 4000.

The time of 10,000-pound yields may not be too far away, although this seemed like an impossible figure just three or four years ago. We've heard of a number of 9000-pound-plus yields this year on acreage large enough to support the theory that 10,000-pound crops are within range.

While this isn't going to happen right away, it is at least exciting to think that it might actually be possible to achieve it.

The thing we'd like to know about this year is: Has there been any farmer who has made a 10,000-pound yield on as much as 40 acres?

If there is, and you know who he is, we'd appreciate it very much if you'd get in touch with us. Such a person would be pioneering the way into the

A recently completed survey by the Texas Agricultural Extension Service shows the acreage under irrigation in the state continues to expand. The irrigated acreage in June 1959 was 7,140,443 acres compared with 6,962,234 acres in 1957 and 6,208,022 acres in 1955. The survey showed that farmers in 239 of the State's 254 counties are using irrigation to supplement rainfall. Cotton is the leading crop in acres under irrigation followed closely by grain sorghum. Water from 60,708 wells is used to irrigate 5,914,753 acres.

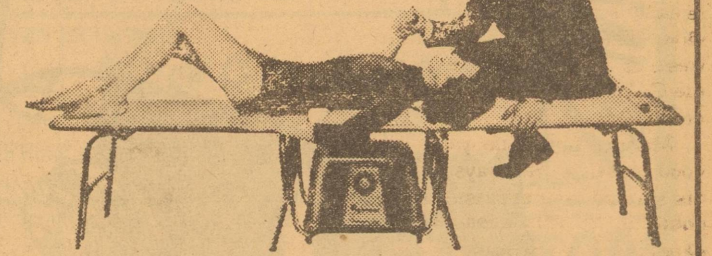

Soil fumigants have been successfully used to control root-knot nematodes on cotton, reports Harlan Smith, extension plant pathologist. Smith says this pest is credited with the loss of 160,000 bales of cotton annually in the U. S.

More than 6,000 Texas 4-H Club boys and their adult leaders are getting plans underway for their 1960 4-H Tractor Program. A series of 25 two-day training schools for the leaders will begin on November 5-6 and continue through early March. Extension Agricultural Engineer W. L. Ulrich heads the program in Texas.

future, and we'd like very much to find out just how such a yield was accomplished.
