tracks
—by dave

Councilman Eddie Meil was a proud man last week as he passed out several boxes of cigars honoring the birth of a daughter.

The meeting of the Friona Volunteer Fire Department almost turned into a "smokeout" on account of the cigars, which were enjoyed by some members, and later cussed by others.

At any rate we are all happy for y'all, Eddie and Pat, and wish the young lady the best in the world.

We have become used to supplying information for those folks unfamiliar to our locality and who drop by the office looking for people, places and things.

During the course of the past year, however, our office has been mistaken for many other offices, including the ASC, County Agent, Friona Bank, Southwestern Public Service Office and many others, but last week we were knocked over by what we think topped them all.

June Floyd, our society editor and girl Friday, was sitting at her desk typing away when this Negro girl walked in and told June "I want to join."

June looked sort of startled --we can understand why--and asked her just what it was the girl wanted to join.

After a little description and much enthusiasm June learned the girl was wanting to join the WACS.

Well, we have gone along with the assumption that folks like to drop by for a visit, and this we enjoy too, and have gotten used to, we thought, being mistaken for other offices--but one thing we weren't expecting was to be mistaken for an Army Recruiting Office.

Perhaps we should get a Confederate flag and raise it each morning in front of the Star office.

Reckon that would help or confuse?

Paul Hall, who lives out in the Rhea Community is sporting something quaint in footwear these days--

A cast--

Hall claims to have gotten the broken ankle while "flying."

However, friends are quick to point out that while perhaps it was after a short flight that Paul received the broken bone just prior to the flight he was supposed to have been skiing down a mountain over in New Mexico.

We reckon this is just an occupational hazard of those who like to ski.

But, we have sympathized with Paul because we feel it would be sorta cool weather to go around with your toes sticking out in the air these days.

Raymond Smith, who farms six miles west and one and a half miles north of Friona has found a Bovina class ring on his place.

He tells us that he can't figure out where it came from but if someone in the Class of '58 down at Bovina happened to lose a ring and is still looking for it, drop by his place and they can have it.

We were looking over an almanac which we received out at Friona Motors the other day and in scanning the pages we picked out the following quote:

"Don't knock the weather--without it 90 per cent of the people couldn't start a conversation if it didn't change once in a while"--Kin Hubbard.

We see where a friend of ours who attended Texas A&M with us and now works with a paper in Arlington, Texas, got his name in Paul Crume's "Big D" column in the Dallas News. The story goes this way--

"As they say, you just can't beat these tiny foreign cars for general convenience."

"One recent bitter-cold morning, Connie Eckard, ad man for the Citizen-Journal at Arlington, had trouble starting his Morris Minor. He solved it easily.

"Next night he got out the family electric heating pad, set it on medium and laid it over the engine of the car. On the

Chamber Plans to Pick Man, Woman of Year

Plans for the selection of the "Outstanding Man" and the "Outstanding Woman of the Year" were announced at the meeting of the Friona Chamber of Commerce and Agriculture Thursday afternoon.

The outstanding duo will be nominated by a secret committee and the final pick will be announced at the annual chamber banquet slated for late February.

This, plus plans for the annual banquet headed the list of business at the chamber meeting.

In addition to plans for the nominations of outstanding man and woman in this area, chamber board of directors voted to expand the board next year from a total of seven men to nine.

This is necessary, the members believe, in order to get a fair representation from all the phases of interests in the area.

In addition to expansion of the board, members voted to stagger the terms of office in the future in order to insure that the prospect of getting all new members on the board at one time will become impossible.

Speakers for the banquet were discussed and three possibilities were selected. The top choices will be contacted and so on down the list if the first choice cannot be in Friona at a specified time.

This information, plus the exact banquet date will be announced later.

The board heard the year's business of the chamber discussed and Hollis Horton Jr., president, reported the chamber still has on hand a total of \$817.35 in the general fund, plus \$700 in outstanding pledges and bills for car tickets which will be adequate to run the chamber until the next membership drive, slated for early spring.

A list of nominees for the board of directors for the 1959 chamber year was drawn up, and a ballot with the nominees' names will be mailed to all members as soon as possible. Members will pick their

choices from this list and return it to the chamber office as soon as possible in order that the new board can be announced at the banquet next month.

The next regular meeting of the board will be held February 2.

Blame Snow Storm For Four Wrecks

Friday's driving snow and icy roads was blamed for four auto mishaps in the Friona area that morning.

Four wrecks, in quick succession, kept local officers hopping and fortunately no one was seriously injured.

Dallas Crocker, 44-year-old farmer from Portales, N.M., driving his wife and son to Hereford turned over a '52 Chevy in front of the Lakeside 66 Station on Highway 60.

Occupants were taken to Parmer County Community Hospital and treated and released.

Out at the Hub, at the "Death Corner," icy roads again were blamed on a collision of an auto and a pickup truck.

Mrs. Call was driving west approaching the intersection and Bill Buchanan of Lakeview

community was stopped at the intersection waiting on traffic.

Mrs. Call applied her brakes, but to no avail, and her auto slid into the rear end of Buchanan's pickup.

Minor damage was done to the pickup, although the front end of the Call auto was heavily damaged. No one was injured.

West of Friona two students at Friona High School escaped serious injury when a 1956 Chevrolet in which they were traveling to school overturned.

The boys, Travis and Clarence Anderson of Route 2, Friona, said the car hit an area of ice and Clarence, the driver, lost control. The auto skidded off the pavement and overturned at the Sloan Osborn place west of town.

Again, no one was injured. Another accident occurred at Black Friday and involved a pickup truck.

Information concerning this accident was not available at press time.

Earl Graham Takes Over Smiley's Cafe

Mr. and Mrs. Earl Graham, recently of Tucumcari, N.M., have taken over the management of Smiley's Cafe in Friona.

The pair took over active management of the cafe last weekend and have announced the cafe to operate under the name of Earl's Cafe in the future.

Mr. and Mrs. Graham are not strangers in the restaurant business as they have operated cafes in New Mexico and Amarillo for the past several years. The couple have two daughters, Laquita, 3, and Earlene, 15 months.

They are making their home in Smiley's Courts right now, but are looking for a place to live here in Friona.

Graham says the cafe will give the same high-quality service and food and they plan to add Mexican food to their menu.

Mexican dishes will be served daily from 5 p.m. to 10 p.m.

The cafe will open daily at 5:30 a.m. and close at 10 p.m. this spring and begin opening at 5 a.m. and close at 10 p.m. this summer.

They will close the cafe on (Continued on last page.)

Firemen Reorganize After Bainum Resigns

Reuben Taylor was elected the new Chief of the Friona Volunteer Fire Department following a reorganization of the department at the regular meeting Thursday night in the city hall.

Fire Chief Charley Bainum, who had served in that capacity as long as there has been an organized department here, resigned his position last week.

Other officers elected at the meeting included Ralph Shirley, assistant chief; Glenn Reeve Jr., captain, company 1; C. O.

Houser, captain, company 2; Lee Campbell, lieutenant, company 1; Tommy Jones, lieutenant, company 2 and Jay Sanders, secretary-treasurer.

The department voted unanimously to elect Bainum a lifetime honorary member of the FVFD and have said they hope that he will not give up his close relationship with the department.

Following the business of electing new officers in the department firemen were told of plans for the coming year.

They were reminded to make plans for the Annual Fire School held at College Station this summer and to be thinking about who could attend the school.

Three Friona firemen attend the school each year. This includes the fire marshal or his assistant. The other two men may be any member of the department.

This attendance of three firemen gives the city credit for insurance rates during the current year.

Shirley told the firemen that the department realized a total of \$232 worth of hospital equipment from the sale of magazines recently. The department has on hand now three new folding wheel chairs plus other equipment which may be loaned to anyone in the community who has a need for them.

A Firemen's Banquet will be held at the school cafeteria Thursday, January 29.

Annual Mothers March Slated

Plans have been completed for the annual Mother's March for the March of Dimes, which will be staged between 7 and 8 p.m., Friday, January 30th.

All residents of the city, who wish to participate in this event, are asked to leave porch lights on as signals for the women to stop for contributions.

The fire whistle, which will blow at seven will be the signal that the march is on.

Two neighboring communities have also slated money raising events for the benefit of the March of Dimes, Friday night of this week there will be a bingo-social at the Black Community House beginning at 7:30.

Residents of the Rhea Community have planned a pie supper at the parish hall Friday evening, January 30. This is being sponsored by the home demonstration club and all proceeds will go into the community March of Dimes fund.

Coffee Drinkers Give To MOD

Coffee drinkers poured approximately 900 cups of coffee into the local March of Dimes drive here Friday as the proceeds from the sale of coffee in the cafes and drug store went to the drive and netted \$90 for the MOD.

Final Rites Held For Mrs. Oscar Pope

Funeral services for Mrs. Oscar Pope, 73, were conducted Monday afternoon at 2:30 at the Congregational Church with Rev. Fred Dean officiating. He was assisted by Rev. L. A. Sartain, pastor of the First Baptist Church.

Mrs. Pope, who had been a resident of Friona the past 34 years, died at 2 a.m. Saturday in a Hereford hospital. She was born July 19, 1885 in Nebraska and lived at Tipton, Okla., before moving to Friona.

Survivors include her husband; one son, A. L. of Imperial, Texas; two daughters, Mrs. Forest Strate of Harrisonville, Mo., and Mrs. E. W. Talbot of Friona; two sisters, Mrs. Mary Pope of Moniston, Okla., and Miss Louza Shockey of Leedy, Okla.; six grandchildren and 10 great-grandchildren.

Burial was in the Friona cemetery under the direction of Claborn Funeral Home.

Mrs. Buddy Squires and sons and Peggy Pond spent the weekend visiting relatives and friends at Andrews.

Girls Win, Boys Lose To Dimmitt, Canyon

In a hard fought battle from the start of the game to the sound of the last whistle in the Bobcat gym at Dimmitt Friday evening the Friona Squaws eked out a two point lead to win the game. The scores were just about even all through the game and in the last few seconds of the game the two teams were tied.

Just before the final whistle blew, the Squaws managed a field goal to make the score 54 to 52 in their favor. Both teams were playing good basketball and fans were rooting hard for each team.

Jacquelyn Magness was high point scorer of the evening with 22 points. Ed Dena Boozer of Dimmitt ran her a close second by making 20.

The Chieftains lost to the Bobcats by a score of 65 to 40. Wayne Rhodes scored high for Friona with a total of 11 points.

The seventh and eighth grade boys played the Canyon teams

at Canyon Monday evening. In the seventh grade game Friona boys came out on the small end of a 24 to 13 score. Tommie Baxter racked up 4 points for Friona to lead his team.

In the eighth grade contest the score was 34-15 in favor of the Canyon team. Troy Ray scored high for Friona with 8 points while Beggart of Canyon scored 10.

The same evening the seventh and eighth grade girls from Canyon played the Friona teams of these two grades here. In the seventh grade game Rose Ann Greeson scored high for Friona with 12 points. The final score was Canyon 8, Friona 21.

The Friona girls won the eighth grade game by 19 points. The final score was 32-13 in Friona's favor. Patricia Barker of Friona was high scorer with a total of 13 points. J. Brazil of Canyon was second high with a total of 5 points.

C. S. "CHARLEY" BAINUM

Fought His First Fire In A Bucket Brigade

"Mr. Friona Fire Department" to so many folks in this area, C. S., better known as "Charley" Bainum has been fighting fires around Friona since the early 1930's.

Up until this past week Charley served the residents of Friona as Chief of the Friona Volunteer Fire Department, a position he has held almost a quarter of a century.

Looking back over his experiences Bainum describes some of the early fire-fighting around Friona and when asked what they used for modern-day pumpers and hoses he replied "We used what we had--mostly a bucket brigade using water from the nearest horse trough."

"Efforts to organize a fire department in Friona began around 1930 or '31," Charley recalls.

"I can't remember the exact date," he says, "But, it was right after the old well was drilled."

(Bainum was referring to the city of Friona's Well No. 1)

"Joe Landrum was mayor of Friona back then," Bainum says.

"After we got together about half dozen men interested in fighting fires Mayor Landrum appointed Howard Morris the first fire chief."

"Morris, Ray Smith, Fred White and a fellow named Mitchell and myself were among the first firemen around here."

he recalls. "In 1932 Jerome Buchanan, then owner of the IH house here donated us the chassis of an old school bus, and this became our first fire truck," Bainum says.

"This truck became our hose truck, we built a box on the back to hold the hoses and we were in business."

"The only pressure we had came from the fire hydrants and fighting fires in those days wasn't near as simple as it is today," he pointed out.

In the middle 30's the second truck was added, and the equipment was later transferred to the "old" truck the department now has.

Recalling some of the outstanding fires down through the years Bainum says the first fire the organized department fought was the Sylvester Shop across the Santa Fe tracks. The second fire fought by the then newly organized Friona firemen was a cafe which was located where Foster's Dry Goods is now.

Bainum took over the job of Chief of the FVFD in the middle thirties and held the job until this month. "Mayor F. W. Reeve appointed me chief back in the thirties," Bainum says, "but to say the exact date I'd just have to go look at the records."

The largest fire ever fought by the local department is described by Bainum as the Friona (Continued on last page.)

MANAGERS OF EARL'S CAFE--Audrey and Earl Graham above are the new managers of Smiley's Cafe in Friona. The cafe will be operated in the future under the name of Earl's Cafe.

FRIONA'S FIRE CHIEF FOR A QUARTER OF A CENTURY--C. S. "Charley" Bainum who resigned his position as Chief of the Friona Volunteer Fire Department last week has held the position since the mid-thirties. Bainum was one of the charter members of the FVFD and has seen the organization grow from half-a-dozen men to 33 of today.

Small Town Living Hectic, But Advantageous

"Small Towns Aren't Relaxed" is the subject of an article by Robert E. L. Bear-den in the Lion's magazine.

After a series of evenings out and noon sessions with committees we are inclined to agree with the author who is a minister of a church in a university center in the Arkansas Ozarks.

The writer declares that they may call small towns quiet and easy going, but the pace is terrific.

The author explains that the city man belongs to a limited number of civic and church groups. He selects these carefully and budgets his time. The city offers an opportunity for a resident to lose himself in the mass of men and machines of the metropolitan area. It is a comparatively simple matter for identity to be lost in the crowd.

By contrast the active man and woman in the small town must share in the life of the entire community. There is not enough willing leadership to limit them

to a few responsibilities. The active town business man and his wife belong to about everything and wind up with being officers or working on committees.

It is on this basis that the Lions magazine writer, speaking from experience, advises: "So if you want to live graciously, urbanite; if you long for carefree days and quiet evenings, don't come to our town Or to any other town. Stay where you're well off--in the mad, driving rush of the great city."

In spite of all this the minister from what he calls a small city in the Ozarks concludes on the merits of the small town, "There's only one point left to make--we love it. I wouldn't trade my borough for any city I know, for all its advantages. It's a fast life but a happy one. The sense of community exists. People belong and without the necessity of great wealth or prominence, "You can be somebody."--Washington County News-Times.

EDITOR'S MENACE

The typographical error is a slippery thing and sly, You can hunt till you are dizzy, but it somehow will get by. Till the forms are off the presses, it is strange how still it keeps; It shrinks down in a corner, and it never stirs or peeps-- That typographical error, too small for human eyes, Till the ink is on the paper, when it grows

to mountain size. The boss just stares with horror, then he grabs his hair and groans; The copy reader drops his head upon his hands and moans. The remainder of the issue may be clean as clean can be, But that typographical error is the only thing you see. ---From TRADE WINDS

Life's Darkest Moment

A WEBSTER CLASSIC

WHAT OTHER PAPERS HAVE TO SAY CLIPPED QUOTES

It's Human to Gripe

(from Ochiltree County Herald)
It was no great surprise to find that a nation-wide survey made recently by the University of Michigan revealed that most people were happy in their work.

A survey made among men and women in all types of jobs revealed that very few would change to another type of work if the choice were offered. Most said they would prefer to work and be a part of the business and professional world than to be idle, even with money.

A large number of people said they'd "feel lost or go crazy" without work.

Only the unskilled laborers, or half of them, said they would quit work immediately if they didn't have to earn a living.

Most of the others made it clear that having a job means a great deal more than

just making a living.

The amount of money made in a job is important, but not all important. There are some occupations that remain in short supply regardless of the pay.

And it seems to make little difference how much money a family makes--it all gets spent. The worker on \$50 a week spends it all and the executive on \$1,000 a month spends it all. Both worry about meeting their bills.

This survey should wake up some of the big companies who have based their retirement policies on the notion that leisure is the full-time goal of all senior citizens.

Regardless of the kidding we do, when an honest evaluation is made, Americans actually like to work and most like their work.

This fundamental characteristic of ours is the "secret weapon" of our strength.

IT SEEMS ONLY YESTERDAY

January 1, 1926

Farmer Kills Coyote - On Tuesday morning while Clyde Goodwine was driving his calves to water he spied a coyote leisurely trotting around near his drove and seemed not to be the least alarmed at his presence.

He thought he might capture Mr. Coyote and so he turned his horse and rode home where he armed himself with a shotgun and taking his sister, Miss Nelda, along to drive for him. They entered their car and drove to the place where he had seen the coyote. He was still there and after a short chase they came within shooting distance and a few shots brought him down.

Clyde skinned the animal and carried the hide home with him as a trophy of the chase. We have not heard just what disposition he intends to make of the hides.

B. T. GALLOWAY received word Thursday morning from his employer, J. A. BLACKWELL at Clovis, that he now has a new boss in the person of a fine baby boy born to Mr. and Mrs. Blackwell Wednesday night at the Clovis sanitarium.

VAUGHN-TREIDER - MISS NOLA VAUGHN and RAYMOND TREIDER of Laz-Buddy district were united in marriage at Farwell Thursday.

The bride is the daughter of one of the recent settlers of the Laz-Buddy community and the groom is the son of Mr. and Mrs. OTTO TREIDER who live twenty miles south of Friona and are among the earliest settlers of this locality.

GLENN REEVE BECOMES AN ACROBAT - One evening last week while Glenn Reeve and his younger brother, Charles, were returning home from a visit to their traps, the steed Glenn was riding became unmanageable and ran away with him. The animal, while going at

at a headlong gallop, was headed toward a wire fence and Glenn was unable to steer her away from it, and on reaching it she made an effort to jump the fence but failed to clear the top wire which tripped her and caused her to fall. The velocity of the animal's gait and her sudden fall threw Glenn into the air and he struck the ground some twenty feet beyond the fence. He readily picked himself up from the ground very little the worse for his acrobatic feat but was unable to tell just how many summersaults he twirled while in the air.

The steed was considerable used up as a result of the episode and Glenn considers his experience of considerable interest as far as he is concerned. His many friends are truly glad the results were no more serious and that he came out comparatively unharmed. He is a son of F. W. Reeve living about nine miles west of town.

Letters to the Editor

Montgomery City, Mo. December 20, 1958

Dear Editor: I have looked often at your

picture of a Plains sunset in last week's Star and am impelled to tell of one most gorgeous sunset I saw in 1906.

Our surveying party in finishing the X. I. T. survey of Escarbada Division run into a slight difficulty in the northeast corner--a small corner could or not belong to X. I. T. No houses were in sight at which to make inquiries, so we surveyed it and put in section corners, while we were here knowing we could come back and remove them if the county records showed we were wrong.

It wasn't X. I. T. land, so Mr. McCleary, his 30 year old daughter, his son, and I drove out from Hereford (about 60 miles) to correct our work. The daughter, Virginia, was down from Missouri for a visit and went with us to visit the Cal Aten family where we all stopped.

Cal had a comfortable family size dug out in the breaks beside the Amarillo-Tucumcari trail (now Highway 66). We had camped near his home the last few weeks of our surveying work and Mrs. McCleary had been cooking for us there and Mrs. Aten and Mrs. McCleary had been cooking for us there and Mrs. Aten and Mrs. McCleary had become quite good friends as no one else lived nearer than 15 miles.

The Aten children had never seen a school house. I think Virginia's trip was as much to see just how ignorant children could be who had never attended school. She found out, O. K., but what she found out surprised her. She found children

the same ages as her sisters, who had had all educational helps, were equal and in many things ahead of her sisters.

When we came in from our work, I asked Mrs. Aten where Virginia was. She smiled and said, "In the house swapping knowledge with my uneducated kids." I think Virginia gained more knowledge than she gave. I took Virginia's arm and led her outside, then faced her to the west. The most vivid coloring I ever saw in a sunset was there. All she would say for awhile was, "Oh! Will! Oh! Will! Finally she said, "I didn't know anything could be so beautiful." I have seen sunsets from the Dakotas to Mexico City and from Illinois to New Mexico, but never one to compare to that one in 1906.

Your friend, Uncle Bill Callaway P. S. I'm going to surprise June

with a letter some of these weeks.

Support the March of Dimes in your community.

Permit Issued For New Office Building

A building permit for the construction of an office building in the amount of \$6,000 was issued this week at the city hall to Sloan Osborn. The new building will be constructed on property south of the post office.

A southern farmer wrote the U.S. Department of Agriculture: "My friend over in Silas County received a \$1,000 check from the government this year for not raising hogs. So I am going into the not-raising-hogs business next year."
"What I want to know is, in your opinion, what is the best kind of feed not to raise hogs on and what are the best kind of hogs not to raise?"

Jo Anne Hopper Joins Faculty

Mrs. Jo Anne Hopper, formerly of Lubbock, has been named to the faculty of the Friona Schools and will take up her duties in the fifth grade Monday morning. A graduate of Hereford High School and later Texas Tech in 1956 Mrs. Hopper majored in business and elementary education.

Lazbuddie Methodist Revival Begins

Revival services are slated to begin at the Lazbuddie Methodist Church Sunday, January 25 and run through Sunday, February 1. Services will begin at 7:30 each morning and 7 each evening. Breakfast will be served each morning at 7. Rev. Robert L. Oglesby of Turkey, Texas, will be the guest speaker. The singing will be led by Rev. Bernard F. Seay, pastor of the church. There will be a radio devotional over KMUL at 8:50 a.m. daily. An invitation is issued by the pastor to everyone to attend any or all of the services.

LuNora To Occupy Half FB Building

LuNora's Children Shop will move into the north half of the newly completed Farm Bureau Bldg. at an early date, according to an announcement by Mrs. Nora Welch, owner. In addition to the moving to new quarters, Mrs. Welch announced that LuNora's will offer a full line of Ladies Ready to Wear clothing after the move.

Mrs. Vergie England, formerly employed by Ware's Department Store here will join Mrs. Welch in the new building. Mrs. Welch says she hopes to get the moving done by early February and as soon as possible she and Mrs. England will offer the residents of this area a complete line of both children's and ladies clothing.

Texas has not been without cattle since 1690, when the Spanish brought stock for the first mission.

Sherman's Cafe Robbed Of \$50

Unknown persons, or a person, entered Sherman's Cafe on West Highway 60 in Friona sometime Friday night and made off with an estimated \$50 in cash and cigarettes.

Included in the loot taken from the cafe was a cannister of money which was being collected for the local March of Dimes. The cannister was sitting beside the cash register.

The person, or persons, entered the cafe through a store room window on the west side. The cigarette machine was broken open and an estimated 32 packages of cigarettes taken and also some change. Change was taken from the cash register and a cigar box full of pennies was taken from the kitchen. The robbery was discovered by Harrison Gee, cafe manager, when he opened for business at 5 a.m. Friday.

Salem to Give Account of Russian Travel

Joe Salem, prominent layman in the Methodist Church and retired businessman from Sudan, will be present Sunday evening in the Friona Methodist Church to give a two-hour program dealing with his visit behind the Iron Curtain. The program will begin at 6 p.m. and last until 8 p.m. All residents of the area are

invited to attend.

Salem made an extended visit and tour of Russia last summer and took over 2,000 feet of color film of Russian life and scenery and interviewed many leaders in the Communist government, industry and church circles.

The program will include the showing of movies taken by Salem on his trip, a commentary and a question and answer session following.

Burglary Attempt Fails

A pair of burglaries highlighted Parmer County Sheriff's department activities last week.

An attempt at burglary at Bovina Implement Co. all but failed Tuesday night of last week. Burglars broke into the building on Highway 60 in Bovina through a back door.

They attempted to open the firm's safe with hammers, screwdrivers, punches and other instruments, but failed. A gasoline credit card receipt which Sheriff Chas. Lovelace found on the floor near the beat-up safe led to the arrest of Claude Yates, Jr.

Yates moved to Amarillo about a year ago from Bovina. He was arrested in Amarillo Wednesday. Yates implicated two accomplices in the crime. Both have police records. Warrants have been issued for their arrest.

After being brought to jail in Farwell, Yates admitted a burglary in Plainview January 1. He was turned over to Hale County sheriff's department. As far as Parmer County is concerned, he has been bound over to the grand jury. His bond is set at \$2500.

After failing to open the safe, the burglars took \$1.45 from a cigar box in the building.

Sherman's Cafe in Friona was burglarized shortly after closing time Friday night. An estimated \$35 was stolen from the cigarette machine in that firm, \$4 in nickels and a cigar box-full of pennies were taken and the burglars were unsuccessful in an attempt to open the juke box.

Two new tires and wheels were reported stolen from Parmer County Farm Supply in Bovina Sunday night.

J. Magness Is Party Honoree

Johnnie Tomlin was hostess at a surprise birthday party for Jacquelyn Magness in the Magness home Wednesday afternoon. After an informal gab session, refreshments were served by the hostess.

Those present were LaVon Fleming, Lawana Houlette, Sue Baxter, Charlotte Bock, Lavada Hand, Johnnie Tomlin, Jacquelyn Magness, Nancy Outland, Kitty Black, Lydia Tomlin, and Mae Magness.

It's A Girl For Eddie Meils

Mr. and Mrs. Eddie Meil became parents of a baby girl at Northwest Texas Hospital in Amarillo at 4:27 a.m. Thursday of last week. She weighed 8 lbs. 11 1/2 ozs. and was named Rhonda Jill.

Grandparents are Mr. and Mrs. J. A. Loffin of Bovina and Mr. and Mrs. C. L. E. Meil of Meadow. Mrs. Meil and Rhonda Jill were dismissed from the hospital and returned home Tuesday afternoon.

Mrs. Leona Holcomb of Tulia spent several days last week visiting in the home of Mr. and Mrs. F. W. Holcomb and daughters, Elaine, Peggy, and Phyllis.

Recent guests in the home of Mr. and Mrs. Calvin Martin were Mr. and Mrs. Eugene Nidey and daughters, Sandra and Brenda, of Campo, Colo. Mrs. Nidey is the daughter of the Martins.

OKLA. LANE

By Avis Carpenter

WORK ON QUILT

Members of the Knick-Knack Club met Wednesday in the home of Mrs. Jack Roach and the ladies spent the afternoon tacking a quilt for the hostess. Mrs. Roach served a sandwich plate, fruit cake and coffee to Mesdames R. E. Blankenship, Dee Brown, Bernard Nelson, Lora Brown, George Lindop and Tom Lindop.

Mrs. Jack Roach, Mrs. Lloyd Gober and Lane made a business trip to Amarillo Friday.

Dinner guests in the home of Mr. and Mrs. Wendol Christian Sunday were Mr. and Mrs. Joe McWilliams, Mr. and Mrs. Harold Carpenter, Mr. and Mrs. Frank Edwards, Mr. and Mrs. Charlie Hromas and Darlene and Mike McManigal.

Mr. and Mrs. Sterling Donaldson and family were dinner guests in the Neil Stewart home in Farwell Sunday.

Mrs. Nadine Rundell and sons were dinner guests of Mrs. Lora Brown Sunday.

Mr. and Mrs. Herman Geries visited Sunday in the home of Mr. and Mrs. D. W. Carpenter.

Mr. and Mrs. Lester Norton and family spent the weekend visiting their son and family, Mr. and Mrs. Gerald Norton and Charla Frances in Aztec, N.M.

Mr. and Mrs. Myron Hillock spent Saturday and Sunday visiting with relatives in Amarillo. Mr. and Mrs. Ponce Billingsley, Mr. and Mrs. E. W. McGuire and Mrs. Earl Billingsley spent Monday in Amarillo. Mr. and Mrs. George Patton visited Monday in the home of Mr. and Mrs. E. H. Meeks.

"get - acquainted" coffee recently in the home of Mrs. Harold Carpenter. Mrs. Frank Edwards presented a devotional on "Cross Bearing." Mrs. Jack Roach welcomed the new residents to the two churches in the community. New residents who were honored included: Mesdames Carol Byers, Betty Jo Mayshe, Sue Nash, Gail Wilcox, Lucille Nash and Elsie Workman.

Of Interest To
THE WOMEN

MISS JANIECE BOCK

Janiece Bock Chosen
Homemaker Of Tomorrow

Announcement was made Tuesday that Janiece Beth Bock has been selected Friona's 1959 Betty Crocker Homemaker of Tomorrow. She received the highest score in a 50-minute written examination on home-making knowledge and attitudes taken recently by graduating senior girls.

Janiece was presented a homemaker pin, which represents the slogan, "Home Is Where The Heart Is." Her examination paper will be entered in competition with those of other school winners in the state to name the state Betty

Crocker homemaker of tomorrow. Each state Homemaker of Tomorrow will receive \$1500 scholarship from General Mills, an educational trip April 4-10 with her school advisor to Washington, D. C., and other points of interest in that section of the United States.

The school of each state winner will receive a set of the Encyclopedia Britannica. Each state runner-up will be given a \$500 scholarship by General Mills.

The state winners will compete for the All-American Homemaker of Tomorrow. This title carries with it a \$5000 scholarship, the national runner-up will receive a \$4000 grant; third place winner will be a \$3000 award and the fourth place winner will be the recipient of a \$2000 scholarship. These winners will be announced in Minneapolis April 10.

Dinner Honors
Visiting Relatives

Mrs. Dean Baxter and sons, Gordon and Paul, of Wichita, Kans., spent last week visiting her parents, Mr. and Mrs. H. G. White. Saturday morning Dean Baxter and the couple's other two sons, Ricky and Dennis, arrived in Friona to visit relatives and friends.

The Roy Baxters of Albuquerque, parents of Dean, also spent the weekend visiting here. Both families left Sunday afternoon to return to their homes.

A dinner honoring the visiting relatives was held in the Jim Baxter home Sunday. Those present besides the guests of honor were Mr. and Mrs. J. W. Baxter, Mr. and Mrs. Bill Baxter, Sue and Ann; Mr. and Mrs. Louis Baxter, Lynn, Tommy, and Stevie; and Mr. and Mrs. Calvin Martin;

Also Mr. and Mrs. Larry Martin and children; Mr. and Mrs. Clarence Martin and children; Mr. and Mrs. Oscar Baxter, Carolyn, Willene, and John; Mr. and Mrs. Sterling Graham and Gail; Mr. and Mrs. Troy Young and Jan; Mr. and Mrs. H. G. White; Mrs. C. D. Carter, and A. D. Clark.

Friendship Class
Has Supper Party

The Friendship class of the Friona Methodist Church met in Fellowship Hall Saturday evening for an evening of games and a covered dish supper.

During the business meeting, the president, Dave McReynolds, appointed Eva Lou Rector, Shirley McReynolds, Elizabeth Gore and Wanda Jones to serve as the social committee for the next three months.

Hostesses for the Saturday evening meeting were Ruthie Fite, Doris Hall, and Nola Faye Vestal.

Those attending were Messrs. and Mesdames Lewis Gore, Billy Sides, W. H. Awrey, Deon Awrey, Floyd Rector, Dave McReynolds, Ray Whatley, Marion Fite, Paul Hall, Ross Ayres, J. T. Gee, Danny Bainum, and Homer Lindeman. Also Buddy Squyres.

Date Set For
Musical Program

February 7 has been set as the date for a jointly sponsored musical program at the auditorium here. Guest artists will be Don Lewis and a group of musical entertainers from Midwestern University at Wichita Falls.

Classical, semi-classical, and other numbers will be presented by the group. Other entertainers will present popular and western numbers. Sponsors will be the Seniors of 1959 and the Modern Study Club.

Club Members
Make Plans

Plans for the coming year were made at the Tuesday morning meeting of the Friona Home Demonstration Club, which was held in the home of Christine Williams. Mrs. Williams, who is the incoming president, presided over the business meeting.

Members answered roll call with New Year's resolutions. Yearbooks were filled in for the new year. Stella Shirley was accepted as a new member in the club.

Those present besides the hostess were Stella Varner, Marlene Drake, Jo Nell Sims, Joyce Wilkins, Velma Jones, Anna Lee Sims, Carol Hardesty, and Stella Shirley. The next meeting will be held in the home of Elwanda Campbell.

Surprise Party
Honors Teacher

Members of the Fidelis class of the First Baptist Church honored their teacher, Mrs. Claude Osborn, with a surprise birthday party at their regular business and social meeting Friday evening in the home of Joyce Wilkins.

The feature of the program was a review of "Please Don't Eat The Daisies" by Mrs. Dan Ethridge. Betty Williams was a guest. Refreshments of birthday cake and coffee were served by the hostesses, Joyce Wilkins and Margaret Coker.

Others present were Mary Joyce Barnett, Carolyn Carroll, Margaret Coker, Laure Lee Hart, Bessie Holt, Betty Lewellen, Ibbey Lewellen, Linda Williams, Barbara Maynard, Belle Maynard, Ann Osborn, Fern Sanders, Betty Smith, Linda Tims, Lavonia Vaughan, and Vaudene Wadsworth.

Club Has Three
New Members

Mesdames Wesley Hardesty, Bill Baxter, and Elmer Lowrie were accepted as new members of the Friona Woman's Club at the Wednesday afternoon meeting at the club house.

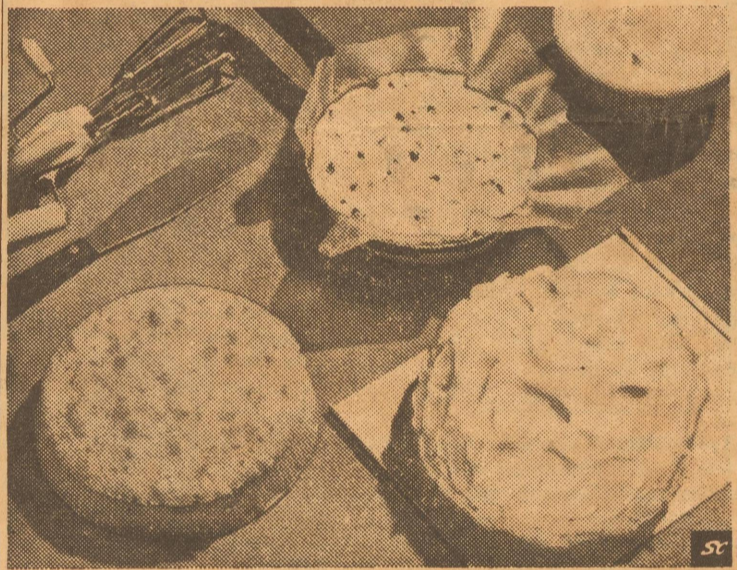

The program, which was a panel discussion of what club women in other countries are doing, was directed by Mrs. Mary Officer. Assisting her were Mesdames Charles D. Russell, L. R. Dilger, and Roy Slagle.

Special music was presented by Mrs. Carl Maurer. The quotation used for the program was "A sufficient measure of civilization is the influence of good women." --Emerson.

The next meeting will be the annual covered dish supper honoring husbands of the members. Supper will be served at 7 p. m. at the club house.

The hostesses, Mrs. Joe F. Miller and Mrs. Floyd W. Reeve, served refreshments to 20 members.

Winter Wonder—
Mincemeat Baked Alaska

Bring a bit of the wintertime wonderland of drifting snow to the holiday party with this glistening dessert—Mincemeat Baked Alaska. Beneath the swirl of lightly baked meringue, is a bakers' layer cake, generously covered with mincemeat ice cream for the holiday flavor.

A dessert to talk about—it can be made in advance and held in the freezer. Or, days ahead, an uniced cake layer is purchased from baker or food mart, the ice cream filling made and both frozen. The recipe has a slick trick for handling the ice cream. At serving time, the meringue is drifted over the layers and the dessert baked for just five minutes at 450°F. Serve the Alaska with the fan fare of jingle bells.

Mincemeat Baked Alaska
1 pint vanilla ice cream 1/4 teaspoon vanilla extract
1/2 cup prepared mincemeat 1 (8-inch) bakers' yellow or white cake layer
3 egg whites
1/3 cup sugar

Soften ice cream slightly and fold in mincemeat. Line a (2-quart) shallow (7-inch) skillet or sauceman with waxed paper, allowing paper to extend above sides of pan. Pack mincemeat-ice cream into pan. Freeze until firm. When ready to serve: Beat egg whites until foamy, but not stiff. Add sugar gradually, beating after each addition. Continue beating until mixture is shiny and holds peaks. Blend in vanilla. Lift ice cream from pan by paper; turn upside down onto cake. Remove paper. Cover all with meringue. Bake at 450°F. for 5 minutes, or until lightly browned. Serve immediately.

Income Tax Report for 1958, as Presented
By the Texas Press Association.

Do you have traveling expenses in connection with your employment? If so, you can deduct them from your income in arriving at your adjusted gross income. This means that you also can use the standard deduction as you no longer have to itemize your deductions on page two in order to take these traveling expenses.

Expenses of Outside Salesmen: The law allows "Outside Salesmen" to deduct all their ordinary and necessary business expenses. This applies only to full-time salesmen who are engaged in soliciting business for their employers away from their employer's place of business. The term does not include one whose principal activities consist of service and delivery such as a milk-driver salesman. Any reimbursement of these expenses must be included in your income. Attach a statement to your return explaining in detail the expenses you deduct. You may obtain Form 2106 from the nearest Internal Revenue Service office to explain these expenses.

Travel expenses do not include any entertainment expenses, or any personal expenses such as laundry. Other Transportation Expenses: Even though you do not travel away from home, as explained above, you may deduct transportation expenses paid in connection with the performance of services for your employer. Transportation expenses include payment for actual travel or, if you use your own car, the business portion of the cost of operation, including fuel, repairs, and depreciation.

All expenses deductible under this section must be allowable expenses. Transportation expenses do not include the expense of commuting to and from work. Commuting is a personal living expense and is not deductible.

THE BULWARK OF A COMMUNITY IS ITS CHURCHES

A THOUGHT FOR THE WEEK

A fire swept through the Negro section of a southern town destroying most of the flimsy little homes. A reporter went to interview his old Negro friend, Jim, who had lost his home and all his possessions. He told Jim, "I would call this a real depression."
"Oh, No! I ain't got dat, Mistra Jones! Hones to God I ain't got the real depression, 'cause you see I'se still got hope."
What a spirit! What a challenge! With the world divided between two great powers, each desperately seeking to be the first to discover the means of destroying or controlling the other, we have plenty of hopeless despairing pessimists with no faith in their souls. "I'se still got hope." That faith, hope, and love (1Cor. 13:13) are more important than a military outpost on the moon.

WSCS Circles Meet Jointly

All three of the circles of the Woman's Society of Christian Service met together in a general meeting in Fellowship Hall Tuesday morning. The opening prayer was led by Mrs. I. T. Graves Jr. The president, Mrs. Billy Sides, addressed the group before the minutes were read by the secretary, Mrs. Ernest Anthony. Mrs. George Jones, treasurer, read the quarterly report of the society. Mrs. H. R. Whatley gave the devotional. Her subject was "The Use Of Our Time." The scripture on which she based her talk was taken from Ecc. 3:1-13. Refreshments were served by Mrs. M. B. Buchanan to Mesdames Andy Hurst, Hugh Blaylock, H. R. Whatley, Jean K. Anthony, Kenyth Cass, Arthur Drake, Will Osborn, Jake Lamb,

Lucy Vestal, George Jones, I. T. Graves Jr., J. H. Boyle, Ernest Anthony, Billy Sides, J. L. Shaffer, Ed White, and Bertie Stowers.

Baby Girl For Lloyd Rectors

Betty and Lloyd Rector became parents of a baby girl at the Parmar County Community Hospital at 6:05 p.m. Tuesday of last week. She weighed 7 lbs. 10 ozs. and was named Sherry Louise.

Sherry has three older brothers, Larry, Ricky, and Roy Don. Her grandparents are Mr. and Mrs. Foister Rector and Mr. and Mrs. Leo McLellan, all of Friona. Great grandmothers are Mrs. A. H. Boatman and Mrs. P. B. Griffith, also of Friona.

Thespian Play Cast Selected

The Thespian Troupe of Players of the Friona High School will present Night of January 16 at 8 p.m. Tuesday, February 17 at the high school auditorium.

The subject of the play is a murder trial and an unusual feature is the recruiting of twelve members of the audience to serve as a jury. These members will not be "planted" in the audience, but will be chosen by lot. Jurors selected will be on a professional basis, and will be paid a refund amounting to the price of their ticket to the show.

Members of the cast will be Donna Fields, Frank Ready, Bobby Sanders, Gerald Daniel, Carol Coffey, Jimmie Bainum, Judy Taylor, Ted Sanders, Pat Cranfill, Charles McKenzie, Mary Ann Boggess, Kim Caffey, Craig Tannahill, Janiece Bock, Virginia Patton, Tommy Jay Sanders, Adabeth Akens, Keith Taylor, James Gee, Mary Tom Spring, and Karen Treider.

Cotton Quiz

HOW MUCH COTTON IS TREATED FOR WASH-AND-WEAR PROPERTIES?

MORE THAN ONE BILLION YARDS OF COTTON FABRICS WERE TREATED FOR WASH-AND-WEAR LAST YEAR.

Dr. Shackelford Presents Demonstration

The feature of the Tuesday evening of the Progressive Study Club has a hypnosis demonstration presented by Dr. Loyd A. Shackelford, local dentist, assisted by Pat Lucas. Martha Mae Pruett discussed the present day need for nurses.

Roll call was answered with medical myths and the opening prayer was led by Juanda Jarrell. Ann Osborn was accepted into the club as a new member. Special guests, besides Dr. and Mrs. Shackelford, were Mary Francis Marcum of Hereford, Pat Lucas, Glenna Bainum, Joy Lindeman, Beegy Ginsburg, and Uldene Grimsley.

Hostesses were Iona Renner, Fadine Wooley, and Mary B. Vousett. Refreshments were served to the guests and 19 members of the club.

Game Night Well Attended

The regular monthly game night sponsored by the Hub Community Association at the Community Center Saturday evening was well attended.

Following an evening of games, refreshments were served by the host couples, Mr. and Mrs. John Hand and Mr. and Mrs. Jack Shirley.

Those present besides the hosts were Mr. and Mrs. Jack Clark and children, Mr. and Mrs. Weldon Stringer, Mr. and Mrs. T. I. Bureson and Sandra, Mr. and Mrs. Rene Sneed and children and Mr. and Mrs. Bill Baxter, who were guests;

Also Mr. and Mrs. Jack Tomlin, Mr. and Mrs. Buck Fallwell and children, Mr. and Mrs. Bill Wooley and sons, Mr. and Mrs. Leonard Nettles and children, Mr. and Mrs. Leo Ruzicka and children, Mr. and Mrs. Otis Neel and children, and Mrs. James Mabry, Johnny and Terri Sue.

Mrs. R. E. Sneed returned home Wednesday evening from Sabine Pass, where she had been visiting her parents, Mr. and Mrs. I. H. Gray, and other relatives and friends a week.

DISMISSED FROM HOSPITAL
Mrs. James Procter was dismissed from the Deaf Smith County Hospital Wednesday of last week. She had been a surgical patient about a week. She is convalescing at home and her condition is reported to be satisfactory by members of her family.

Sally Lewis says...

For want of a little elbow grease many men are bald. A major reason more than women lose their hair is that they do not brush their hair as often, or as thoroughly. A warning of things to come with the short hair styles and sprayed-on hair sets is that more women will be bald if they continue to ignore the hair brush.

Ever notice that the people who are hale and hearty make a short walk after meals a regular practice? Put newly laundered shirts on the bottom of the drawer so that others will be used first. All shirts will last longer if they get uniform wear.

Sweaters hold their shape and size better if folded on a shelf or in a drawer rather than hung on a hanger.

To determine the size of a shirt on which the markings are no longer visible, measure the collar band from button around to the middle of the button hole. The size is measured this way in inches and half inches. Sleeve length is measured in inches running the tape from the center of the collar in back, over the shoulder to the edge of the shirt cuff.

Annoyed by streaks that remain on your windows after you've washed them? Try adding a teaspoon of lye to each bucket of water when washing them. This solution eliminates the greasy streaks, gives you sparkling windows with much less work.

Hang wet shoes under a chair by hooking heels on the chair rungs. The circulation of air on both sides of the shoes dries them quickly.

Party Honors Mrs. M. Shirley

Mrs. Merler Shirley was surprised with a birthday party in her home Monday evening. She was observing her 72nd birthday and a group of relatives and friends came in to spend the evening. Refreshments of cake, sandwiches and coffee were served by the guests.

Those present were Mrs. Carrie Shirley, Mr. and Mrs. Lester Dean and family, Mr. and Mrs. Pat Busby and Donald Ray, Mr. and Mrs. J. B. Shirley and family of Hereford, Mr. and Mrs. Jack Shirley, Jessie, and Judy and Mrs. Paul Call, Randy and Joe Mark;

Also Mr. and Mrs. John Hand, Gary and Rex; Mr. and Mrs. Coy Jeeter and family; Mrs. Joan Kurz and Kenny and Mrs. Tommie Brock and Cindy all of Bakersfield, Calif.; and Gwendolyn Green.

BLACKSTONES MOVE
Mr. and Mrs. Harvey Blackstone and children, Katy, Dale, Ann, and Nancy, have moved from a farm in the Black community to the Lazbuddie community. The Blackstones, who moved from the Bula community, have lived in the Black community about three years.

Future Nurses To Receive Pins

Plans have been completed for the presentation of pins to ten members of the Future Nurse's Club at a presentation tea at the club house Monday evening, January 26 at 8 p.m.

All mothers of the girls as well as interested friends of the group are invited to attend the tea by Mrs. Paul L. Spring, who is one of the adult sponsors of the club.

Guests In Bender Home

Holiday guests in the home of Mr. and Mrs. Karl Bender were Mr. and Mrs. Alex Stevens and children of Amarillo, Mr. and Mrs. Harry C. Weis of Perryton, Mrs. Vernon Cozart and children of Cisco, and Denise Bender, who attends Western Junior College at Keene, Texas.

New Years Day the Benders and Mrs. Cozart and children spent the day in Amarillo visiting in the homes of Mr. and Mrs. Alex Stevens and family and Mr. and Mrs. Vialo Weis and family.

Class Meets In Smith Home

The Rebecca Class of the First Baptist Church met in

the home of Mrs. W. E. Smith Thursday afternoon. The study in the book of II Samuel was directed by Mrs. Bert Chitwood.

During the social hour which followed the Bible study, refreshments of sandwiches, cookies, and coffee were served by the hostesses.

Those present were Mesdames H. A. Hyde, C. W. Dixon, Charley Turner, Bert Chitwood, E. E. Taylor, L. R. Dilger, M. A. Black, and J. M. Bradley. The dismissal prayer was directed by Mrs. C. W. Dixon.

Keith Brocks Have New Baby

Mr. and Mrs. Keith Brock of Big Spring became parents of a baby boy January 15. He was named Phillip George. Mr. and Mrs. G. H. Brock of Route 3 are the paternal grandparents and Mr. and Mrs. J. R. Bizzell of Lamesa are the maternal grandparents.

Keith is a graduate of Friona High School and Texas Tech and is employed by the Soil Conservation Service at Big Spring.

Mr. and Mrs. Stuart Hoover of Denver, Colo., spent several days last week visiting in the homes of Mr. and Mrs. A. O. Drake, Mr. and Mrs. Arthur Drake, and Mr. and Mrs. Earl Drake. Hoover is Mrs. A. O. Drake's nephew.

Mr. and Mrs. Rosco Ivie spent Sunday visiting in the home of Mr. and Mrs. Calvin Ivie at Lubbock.

FRIONA

WITH JUNE

Like a lot of other farm families, we generally start the day by listening to Cotton John in what he terms as "the best part of a Golden Spread day." Even though we are in agreement with him that the beginning of the day is really the best part, it is never real pleasant to get up at that time. In addition to being a good time to be up, it is also a good time to be sleeping.

The part of his program that we enjoy more than any other is his thought for the day. Each thought is very good and generally contains some good philosophy in a few words. The two that we especially liked last week were: (1) Some people are lonely because they build walls instead of bridges. (2) People seldom improve when they have no model except themselves to copy.

Frionans will soon have the opportunity to hear a hometown boy sing again. For several years a lot of us enjoyed hearing Don Lewis sing often. He is now a senior music major at Midwestern University in Wichita Falls and will appear in the local auditorium along with some classmates and other entertainers February 7.

This program is being jointly sponsored by the Seniors of 1959 and the Modern Study Club. Those of you who do not already have something scheduled for that night should make a note on your calendar so that you will not miss some good entertainment.

Read these three sentences somewhere recently. Hope you enjoy them as much as we did. Too many times a person's train of thought carries nothing of profit. Very little talent is required to make a fool of yourself. Today well lived makes every

yesterday a dream of happiness, and every tomorrow a vision of hope.

The latest addition to our collection of typographical errors in other papers is a recent account of a brother-in-law who was a trouble maker. Couldn't figure out whether the person involved was a mother-in-law or a brother-in-law, but suppose it wouldn't be out of order to refer to any trouble making in-law as a "bother-in-law."

The new baby at the Lloyd Rector home is not only the first girl in that family. She is the first granddaughter for her maternal grandparents, the Leo McLellans; and the fourth granddaughter for her paternal grandparents, Mr. and Mrs. Foister Rector, who have ten grandsons.

We have in stock a number of kinds of columnar pads that will sure come in handy when you start working on your income tax reports. These pads come in just about any kind of ruling that you might want and they are very economically priced.

Come to see us or call 2291 for any office supplies you may need.

The improved telephone services we have been getting recently has been greatly appreciated. Maybe the new facilities that have been installed lately are responsible for it, but regardless of how it has been achieved, we're proud of the improvement.

During the past weekend four members of the Floyd family made a quick trip over into Oklahoma to visit relatives. Erick, which is as far as we

ever get into the Sooner state, is an old town and we always enjoy going there. Maybe most of our enjoyment comes from visiting relatives, for there is really very little else there that is especially interesting.

The town was a very prosperous town in the late twenties and early thirties, but since that time it has grown smaller and smaller through the years. There are many old houses, very few paved streets, almost no new business buildings or other signs of progress.

As we walked down one street in the east part of town we noticed that the same houses had been there more than 30 years ago and most of them are still occupied by the same families. One thing that we notice there is that everyone is very friendly.

The highway has been widened and now you drive on a four lane highway from Groom east. This is such an improvement over the old two lane highway that we thoroughly enjoyed driving over it.

Late Saturday afternoon we spent an hour or so on Polk Street in Amarillo. Passed by the burned out Cosmopolitan Store and observed some of the damage that was done by the careless handling of a lighted match.

Another thing that attracted our attention was a sign on a cash register in one of the retail stores there. It read, "It has come to our attention that employees have been dying on the job and either refusing or neglecting to keep over. This practice must stop. Any employee found dead on the job, whether in an upright or prone position, will be immediately dropped from the payroll."

Who has Siamese cats? A friend of ours here in Friona is anxious to get in touch with someone who has this kind of

cats.

- CHEESE RABBIT
3 cups
1 tablespoon butter or margarine
1 cup milk or light cream
1 pound sharp Cheddar cheese grated (4 cups)
2 eggs, slightly beaten
1 teaspoon Worcestershire sauce
1 teaspoon paprika
1/2 teaspoon salt
1/4 teaspoon dry mustard
Toast
1. Heat butter or margarine, milk or cream, and cheese over simmering water, stirring constantly until cheese is melted and mixture is smooth. Do not have water touching upper part of double boiler.
2. Pour slowly into eggs, stirring constantly.
3. Return mixture to double boiler. Add seasonings. Stirring constantly, cook a few minutes longer to cook eggs.
4. Serve promptly over hot toast.

Substitutions and variations: Cheese Rabbit may be served over heated cracker, toasted English muffins, or wheat biscuits.

If desired, garnish with plain or broiled tomato slices and crisp bacon.

Mexican or Tomato Rabbit; Substitute cooked unstrained tomato or canned tomato soup for the milk. One tablespoon each sauteed chopped green pepper and onion may be added.

Has some child lost a bicycle? Mrs. Charles Rauh reports that a small bicycle has been parked near her house for several days. The child who has been riding on the walk around the Sixth Street Church of Christ must have ridden up there on the bicycle then walked home.

Our sincere apologies this week go to Mrs. Pete Buske and everyone who tried her recipe for Pineapple Chess Pie. Some how or other the one quarter cup of flour which she uses in this pie got multiplied by five in our office and came out 1 1/2 cups flour.

We are re-printing the recipe as it should have been printed last week. Again, we're sorry.

- Pineapple Chess Pie
1 stick oleo or butter
1 1/2 cups sugar
4 eggs
1/4 cup flour
1 No. 2 can well drained crushed pineapple
Mix ingredients well. Pour into unbaked pie shell and bake in moderate oven until well cooked.

Mrs. Joan Kurz and Kenny and Mrs. Tommie Brock and Cindy of Bakersfield, Calif., were recent visitors in the homes of Mrs. Merler Shirley, Mrs. Carrie Shirley, and other relatives here.

Mr. and Mrs. W. S. Crow, Joy and Earl, Frank Ready, and Mrs. J. M. Bradley spent Sunday afternoon visiting in the home of Mr. and Mrs. Dallas Earl Coldiron here in Friona.

News From RHEA MARILYN POTTS

At the regular meeting of the Rhea Home Demonstration Club in the home of Mrs. Franklin Bauer Monday evening, plans were made for a pie supper to be held January 30 at the parish hall. All proceeds from this pie supper will go to the March of Dimes fund.

HERBERT SCHUELERS HAVE DINNER GUESTS

Dinner guests in the home of Mr. and Mrs. Herbert Schueler Wednesday evening were Mr. and Mrs. J. T. Stehr and Cecil of Dimmitt; Mr. and Mrs. McWhirter of Quitman, Texas, and Mr. and Mrs. Herman Schueler.

Mr. and Mrs. Walter Schueler and family and Mr. and Mrs. Raymond Schueler and family visited in the home of Mr. and Mrs. Norbert Schueler and family at Clovis recently.

Mr. and Mrs. Lynn Shields and Bobby visited in the home of Mr. and Mrs. Gilbert Schueler and family Sunday afternoon.

Mr. and Mrs. Herman Schueler made a business trip to Amarillo Monday.

Mr. and Mrs. Raymond Martensen and family have gone to Boulder, Colo., to visit relatives. Martensen's mother underwent surgery recently.

Mr. and Mrs. J. R. Schlenker and Patsy of Portales were dinner guests in the home of Mr. and Mrs. Carl Schlenker and children Sunday.

Connie and James Schlenker have been ill during the past week. James had pink eye and Connie had laryngitis and bronchitis.

Mr. and Mrs. Corde Potts and family spent Sunday visiting in the home of Mr. and Mrs. N. A. Brown of the Walcott community.

Grand Jury Has Further Discussion On Teter Case

Members of Parmer County grand jury, which indicted A. C. Teter last fall, met at the courthouse in Farwell Saturday afternoon to further discuss the case.

Teter, former manager of Bovina Wheat Growers, Inc., was sentenced to two years in prison by Special Judge Bill Street in district court December 19. He pleaded guilty to two charges of embezzlement and one of theft and was given a two-year sentence on each count, with the sentences to run concurrently.

Following the trial, the court agreed that he would begin serving the sentence after January 1. This delay was reportedly to give Teter time to tend to unfinished business and to spend the holidays with his family. However, he was picked up by the sheriff's department before Christmas.

Shortly after the trial, a petition was circulated in Bovina. The petition requested Judge Street to give special consideration to Teter's restitution of all his personal property.

The petition said he held nothing back, but acted to clear the past, and asked the judge not to give the man further punishment.

Wendol Christian, foreman of the grand jury, says the Saturday meeting was to give the grand jury's endorsement to the

petition. Also, the grand jury included a letter of its own to be sent with the petition. Christian says the letter was addressed to Judge E. A. Bills, regular district judge, who has been ill. Street was named to handle the affairs of the district judge while Bills was inactive. Bills is now serving the office part-time.

Christian says that Judge Bills had told him that the grand jury had the privilege of meeting again. However, Christian points out that Bills offered "no encouragement" that the meeting would be of any consequence.

The grand jury was meeting as a group of individuals and unofficially as a grand jury, Christian says.

Eleven of the original 12 grand jurors were present as were District Attorney Bill Sheehan and Sheriff Chas. Lovelace.

The petition had almost 200 names on it.

"Now, madam, what can I do for you?" asked the butcher.

"I'll have a pound of nice fresh kidneys," said the lady.

"I beg your pardon," said the butcher, "A pound of...?"

"Kidneys."

"Er... don't you mean 'kidneys, ma'am'?"

"Of course," replied the lady, somewhat irritated, "Diddle I say so?"

The following births were recorded by the Parmer County Community Hospital with Justice of Peace Thelma Jones during the week ending Jan. 20:

Girl, born to Mr. and Mrs. Calvin L. Hukill of Clovis, N. M., January 6 at 2:07 a.m. weighing 7 lbs., 11 ozs.

Girl, born to Mr. and Mrs. Raynoldo Rondo of Friona, January 7 at 7:07 p.m. weighing 6 lbs. 11 1/4 ozs.

Boy, born to Mr. and Mrs. Houston Bartlett of Muleshoe on January 10 at 4:25 a.m. weighing 9 lbs. 9 1/4 ozs.

Boy, born to Mr. and Mrs. Dale Houlette of Friona, January 10 at 8:20 a.m. weighing 3 lbs. 8 3/4 ozs.

Girl, born to Mr. and Mrs. Theron Pat Bradford of Hereford, January 11 at 7:53 p.m. weighing 8 lbs. 4 3/4 ozs.

Boy, born to Mr. and Mrs. James L. Sherrill of Bovina on January 13 at 9:53 a.m. weighing 6 lbs. 11 1/4 ozs.

Girl, born to Mr. and Mrs. Lloyd Rector of Friona, January 13 at 6:02 p.m. weighing 7 lbs. 10 ozs.

Secretary Added To School Staff

Mrs. Bob Crozier is the newest addition to the administrative staff of the Friona Public School system. She assumed her duties as secretary in Superintendent Dillie M. Kelley's office Thursday of last week.

Mrs. Crozier, who was Jackie Wright Lisenbe of Hereford, before her marriage last fall, makes the third employee in the superintendent's office. The other two are Virginia Jennings and Peggy Taylor.

Mrs. Crozier is a graduate of Hereford High School and received her degree in accounting from West Texas State College at Canyon. She was employed by Jack Renfro, produce broker in Hereford, about eight years before resigning recently.

She and her husband, who is employed by the local Soil Conservation Service, make their home here.

Bruns Assists With Play

Texas Tech's speech department will present Tennessee Williams' play "Orpheus Descending" Jan. 29-30 and Feb. 3-5 in the speech auditorium. The large cast will be seen in one of the first of the amateur productions to be presented following the play's New York staging several seasons ago.

Morris Bruns, senior secondary education major and son of Mr. and Mrs. L. F. Bruns of Route 1, will have charge of the boxoffice. He is a 1956 graduate of Friona High School and will receive his degree from Tech this spring.

IN THE COURTS

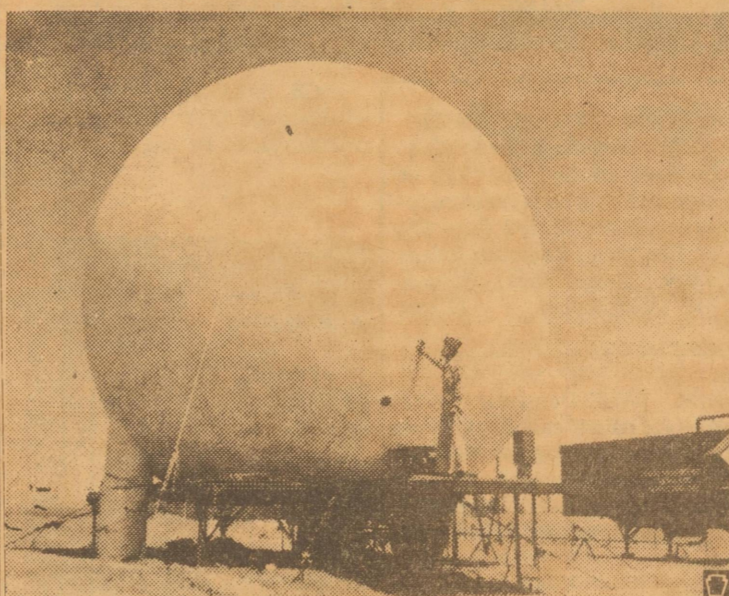

The following cases were tried before Judge Thelma Jones in corporation court this week:

C. B. Looper, speeding.
Earl D. Roberts, speeding.

JP COURT
The following cases were tried before Justice of Peace Thelma Jones during the week ending Jan. 20:
Dale Smith, muffler violation.
John O. Edwards, speeding.
Gary Sherrieb, speeding.

Industry, in Austin County, is the seat of the oldest German settlement in Texas. It was founded in 1842.

3-D Radar in Plastic "Overcoat"

Comfortably huddled inside a spherical all-weather "overcoat" of plastic stands the triple-threat antenna of Frescanar, new 3-D system which scientists term the most revolutionary advance in electronic detection since the development of radar.

The antenna revolves within its balloon-like house of neoprene-coated plastic, protected from wind, rain, snow and driving sand. The encasing bubble does not prevent Frescanar's electronic beams from poking inquisitive fingers into distant skies to detect multiple airborne targets.

Developed and manufactured by Hughes Aircraft Company at Fullerton, Calif., for the U.S. Army Signal Corps, Frescanar (frequency scanning radar) is now disclosed as the eyes of "Missile Monitor", an Army air defense missile fire distribution system for mobile use with a field army.

The new Hughes radar system is three-dimensional. It simultaneously computes distance, bearing and altitude of airborne targets and feeds the information to weapons batteries where Nike and Hawk missiles are launched to knock any invader out of the skies. Frescanar, designated the MPS-23, consists only of the antenna with its collapsible plastic cocoon, an equipment van and a power truck—simplicity that makes the system highly mobile over rough terrain.

Where conventional radars require two or more antennas, operators and master consoles, Frescanar achieves similar or better results with only one of each, sharply reducing weight, bulk and personnel to make transportation with other Army field units easier. Use of transistors instead of tubes further cuts size and increases ruggedness for movement. Frescanar concentrates all available power in sharp pencil beams of energy that pour in fan-shaped array from the antenna, according to Dr. Nicholas A. Begovich, Hughes ground systems group scientist. Pinpointing targets with extreme accuracy, up to 50 per cent farther than ever before possible, the electronic beams scan rapidly, greatly increasing the number of targets that can be tracked at the same time. The new system also provides better separation of closely-spaced targets with a minimum of ground clutter.

Phillips 66 Holds TV Sales Session

H. K. "Pudge" Kendrick and Charles Scales of Friona attended one of the largest closed circuit TV sales meetings ever held in the petroleum industry recently in Amarillo.

Representing Kendrick Oil Co. in Friona, Kendrick and Scales watched the meeting on TV screens in auditoriums, theaters and hotels located throughout Phillips' 35-state marketing area.

The meeting was held simultaneously in 37 major cities extending from Washington to Florida.

A man found bedbugs in his bed and as he checked out of the hotel complained about them to the manager. Several days later he received a cordial letter explaining that no matter how careful they were, things like this happened every once in a while. They thanked him for calling it to their attention and hoped he would accept their apology. And he would have too, except that somebody had forgotten to detach a little slip that said, "Send this character the bedbug letter."

An aged couple was listening to a broadcast church service. Both sat in deep contemplation. Half an hour went by. Then suddenly the old man burst into a fit of laughter. "Sandy!" exclaimed his wife in horrified tones: "why this merriment on the Sabbath?" "Ah," said Sandy, "the parson's just announced the collection, and here I'm safe at home."

THE HIGH PLAINS FARM AND HOME

4-H Clubs Plan Rural MOD Drive

Rural residents will be given an opportunity to contribute to the March of Dimes Saturday night when 4-H members all over the county make a house to house drive.

Approximately 20 teams of youngsters, accompanied by adult leaders, will participate, making a special effort to contact families who do not have children in school. Contributions may be credited to the quota of the community in which the donor lives. In addition to the Saturday night canvass, the group plans a follow-up drive later in the week.

County 4-H MOD chairman is Cooper Young of Lazbuddie. Adult assistants include James Mabry in Friona, Ponce Billingsley in the Farwell-Oklahoma Lane area, J. B. Young in Lazbuddie, and J. T. Jones at Bovina.

The project is the outgrowth of a similar program planned and carried out by the Farwell Junior Boys 4-H club last year. The drive was so successful that the county 4-H council voted to sponsor it this year and enlarge it to cover the entire county.

H. D. Work Grows In Parmer County

Varied programs and a steadily growing membership was characteristic of the Home Demonstration Council in Parmer County in 1958. These facts have been gleaned from the annual report made by Jimmie Lou Wainscott, home demonstration agent.

Twenty-one women joined the 10 county organizations during the year. Programs planned by the County Home Demonstration Council included civil defense, family finance, yearbook, education, health and safety, recreation and citizenship. The council is made up of the president and a representative from each club.

In addition to general program topics, the clubs carried out a number of projects in conjunction with each of them. They included programs on family files and wills, precautionary measures to take in the event of disaster, blood typing programs in which the entire community was encouraged to participate.

Four driver's education programs were conducted in the summer. Eight clubs participated. A mosquito control campaign was a county-wide activity.

Recreation is an important facet in the HD council. Family fun was stressed this year

and each family was asked to offer children religious training, to share their experiences, and to try to have more family fun.

Club recreation included a county-wide luncheon in November, two or more family fun nights for individual clubs, and group singing at meetings.

Supplementing the programs outlined above were workshops for both members and non-members on such topics as beginning and advanced sewing, lampshade making, pressure cooker clinics.

Representatives attended a district meeting in Stratford and a state convention in Austin.

Attending the former were Elizabeth Carmichael, Maxine Price, and Loretta Brookfield. State meeting delegates were Mesdames Price, Lee Renner, and Rene Snead.

Council activities were financed by a contribution from each club of \$1.75 per member. Remaining in the treasury was \$128.61 after some \$350 was expended for convention expenses, council officers' and County THDA Chairman's expenses, recreational, 4-H, and miscellaneous expenses.

A similar plan for financing activities has been approved for next year. Serving as chairman of the council was Mrs. Renner. Other officers were Mrs. Ellis Tatum, vice-chairman; Mrs. Rene Snead, secretary; Mrs. John Renner, treasurer, and Mrs. J. B. Young, reporter.

The agent's report concluded **PETE'S Trading Post**
 • Furniture - Used and New
 • Used Appliances
 • Antiques
 108 Main St.
 Ph. PO 3-5252 Clovis, N.M.

with the observation that the council has served its purpose well and lived up to its responsibility of developing leadership, forwarding and extending Home Demonstration work among women of the county.

The agent attended Eastern Regional Extension Summer School at Colorado State University at Fort Collins. The courses completed were family financial management taught by Dr. Staley Hunter and rural recreation taught by Stewart Case.

SOIL CONSERVATION DISTRICT NEWS

What is your land capable of doing?

The first step in conservation farming is to start using each acre of land according to its capabilities. Some land is best suited for cultivation, some is best suited for grass. On some of your land intense conservation measures may be needed; on the other land you may need nothing more than ordinary good farming methods. Each tract of land is different and is capable of doing certain things if properly treated. But each acre must be used for a job it is capable of doing and treated with the conservation measures it needs to keep it productive.

The kind of soil, the slope, the degree of erosion, and the climate mainly determine what land is capable of doing. But there are other factors that

may affect the capability of land, it may be rocky or it may be subject to overflow.

When a farmer makes a request to the Soil Conservation District board for assistance on conservation work, soil scientists, who make conservation surveys, study each tract of land. They consider all of the things that might affect its use and conservation. Then simple maps are made that show the capability of each acre.

These maps divide land into eight classes. The first four classes are suited for cultivation and the last four, not suited for cultivation. The best land for farming is Class I land. It is very good land that can be cultivated safely with good soil management practice only.

Class II is good land, but has some hazards in farming. It may have gentle slopes or moderate erosion.

Class III is suitable for cultivation, but has several undesirable features and requires intensive treatment.

Class IV land is fairly good land that is best suited to pasture but can be cultivated occasionally if handled with great care.

Class V land should be kept in permanent vegetation. It is nearly level but is too wet or stony for cultivation.

Class VI land is too steep, eroded, or shallow for cultivation and should be used for grass.

Class VII land includes the

very steep, eroded, or rough areas. This land should be used for grass with careful management.

Class VIII land is the land suited for wildlife or recreation. It is usually too steep and rocky for other productive use. With the use of these maps showing land classes, the Soil Conservation Service technician and the farmer are in a better position to decide what conservation practices are needed on the farm.

Interest in the Great Plains Conservation Program seems to be picking up. The SCS now has 16 applications from this District for participation in the Program. Those that have recently signed applications are Woodrow and Freda Finley of Texico, Jack Dunn of Clovis, A. J. Malouf of Lubbock and Dan Tabor of Dalhart. All of these own land in Parmer County.

Other farmers who were assisted by SCS technicians last week were R. Q. Silverthorn of Plainview, and Dewitt Precure and Reardon Wenner of Lazbuddie.

The SCS will be glad to assist the farmers and ranchers on any soil or water conservation problems that they might have.

NEW HOME of the Parmer County Farm Bureau is this attractive office building in Friona. It was occupied by the organization and Service Agent Raymond Euler two weeks ago. Bill Garrett, Farwell, is contractor.

Farm Bureau Open House This Saturday

Spacious, all-new office quarters of the Parmer County Farm Bureau will be open for public inspection Saturday, January 24 in Friona. The occasion is the formal opening of the new Farm Bureau building at 715 Main Street.

The opening coincides with the start of the 10th year for the farm organization in Parmer County.

Refreshments of coffee and doughnuts will be passed out all day Saturday to all who attend the opening.

In addition to the front office where insurance and other Farm Bureau activities are usually transacted, there is a meeting room for directors in the building, plus storage space.

This is the most modern and efficient office arrangement ever available to the organization.

Mrs. Sam Williams is office secretary. Elmer Euler owns the building, and Bill Garrett was contractor.

A ninth-grader "flooded" telephone folks recently with this portion of an essay entered in a contest. The youngster wrote: "The telephone is very necessary in cases of emergency. For example, if your house is on fire, you can use the telephone to call the insurance company."

Mrs. Sam Williams is office secretary. Elmer Euler owns the building, and Bill Garrett was contractor.

Just How Big Was That Crop?

The 1958 Parmer County grain sorghum crop may have been quite a bit bigger than was first anticipated. A hint of this came this week when Prentice Mills, manager of the ASC office at Farwell, reported that loans on the crop up to the first of the year were \$13,148,000.

That places the loans on the crop above the total gross estimated and reported in Farm and Home three weeks ago in the end-of-the-year farm roundup. Farm and Home that week set the total at \$12 3/4 million.

The "official" figures trickling down through the ASC records take on new meaning when

it is remembered that not all of the 1958 crop went into the loan. In fact, Mills estimates that probably not more than 70 percent of it did.

He feels that another \$1 million in loans will be made on the crop in January, to push the total for the crop year to slightly over \$14 million. If that is somewhere around 70 percent of the crop, the total gross for grain sorghum could have reached as high a point as \$17 or \$18 million.

If that proves to be the case, it will be far and away the greatest grain sorghum crop ever produced in the county--both from a yield and a dollar gross standpoint.

THERE'S MORE THAN ONE WAY TO SKIN A CAT, and more than one way to irrigate wheat. The most popular method on the High Plains is the lister furrow system, but if the slope of the farm is just right some farmers make good use of "flooding" or border techniques. Here water is spreading out into the first border of a wheat field. The filled rows on the left are not part of the wheatland.

"Baldies" where names like Renner (where the award will come from) seem far away, there's little knowledge of just what the recognition means.

We're not surprised. In fact, the name "Hoblitzelle," though seen in print in the daily press frequently enough, is so hard to pronounce that we are hard pressed to remember ever having remembered a Parmer County area farm man mention it.

Really, there's nothing so distant and mysterious about the Hoblitzelle Award. It was established in 1950 by Karl Hoblitzelle, Texas philanthropist and theater owner, to recognize outstanding contributions to agriculture. Texas Research Foundation of Renner administers the award.

Now, the reason that we are bringing up this subject is that we think it's high time that some of our top-flight farmers and ranchers of the Parmer County area at least got into the contest. In the past some may have been entered, but if this be the case, we don't recall ever hearing about it.

Surely there is a farmer or rancher in our neck of the woods who should be represented in this contest. There may be several. Anyone who wishes to nominate someone for the award can do so. We'd like to cooperate in any way possible

to help get this done.

We have a pamphlet of information for anyone who may be interested, and would be glad to cooperate in putting some of the detail work together. All that we ask is that whatever group or individual makes a nomination that they let us know about it so that we can have a story in Farm & Home. That's fair enough, isn't it?

If you need a little brushing up on what the Hoblitzelle Award is all about, it is "For the advancement of Texas rural life."

After the unknown benefactor of rural life has been found he will receive \$5,000 cash and a gold medallion, the substance of the award, in a ceremony at Renner during the Foundation's Annual Field Day and Awards Dinner on May 20.

"The Award will go to the farmer or ranchman who has made the most notable contribution to Texas agriculture during the 4-year period from Jan. 1, 1955, through Dec. 31, 1958," Dr. C. L. Lundell, director of the Foundation, explains.

"The purpose of the Award is to encourage and to give suitable recognition and financial reward to the recipient for his personal accomplishment in the field of rural life improvement."

Five committees cover the state. In the Panhandle-Plains area Dr. Gerald W. Thomas, Texas Tech chairman. Other members of the committee: Sid Payne, state Soil Conservation board, Tullia; Frank Moore, Plainview; and Guy W. Nutt, area conservationist, SCS, Amarillo.

Anyone who wishes may nominate a farmer or ranchman by sending the nomination to the chairman or a member of the regional committee not later than March 1.

The nomination should be accompanied by a full description of the nominee's achievement, together with any printed data which support the nomination.

Nominations may be made by individuals, groups or agencies; and the nominee may live either within or outside the region in which he is nominated.

Support Price News Expected Before Long

Important news concerning the 1959 support levels of cotton and grain sorghum--the Parmer County area's biggest cash crops--is expected to be released soon.

Prentice Mills, ASC office manager, says he has been notified that January 31 will probably be the release date for 1959 support levels on cotton. The grain sorghum support will likely be announced two weeks after that.

Preceding any such "official" announcement is usually a lot of local speculation. Farm news followers this week are predicting that the cotton loan will be practically the same as 1958--perhaps slightly lower. No big revision is expected.

On the other hand, there is considerable excitement over the 1959 grain sorghum loan price, which will be figured on a basis altogether different from any previous year. Most observers believe the price will go up--perhaps as much as 15 cents a hundred. That would be termed a "substantial" raise by most growers, who have been thinking in terms of \$1.60-\$1.70 a hundred for three years now.

H. D. AGENT'S CORNER

Jimmie Lou Wainscott

Saturday, Jan. 17, the County-wide 4-H Club had a learning session on recreation in the home of Mr. and Mrs. Leon Billingsley. Folk games that Miss Moore, extension recreation, had taught were played and one new game was learned by the group.

4-H members present were Judy Billingsley, Barbara Rea, Virginia Rea, Judy Hillock, Gloria Hillock, Patsy Chitwood, Mary Anne Hardwick, Dick Chitwood and Joe Jones. Four guests were present. Parents present were Mr. and Mrs. Leon Billingsley, Mr. and Mrs. Gene Rea and Mr. and Mrs. Dee Chitwood.

This week is the week that I meet 4-H Clubs all over the County. My demonstration is on main dishes using Cheese. I thought you might like to know some of the information I am giving the girls in this demonstration.

Out of the great variety of cheeses, American Cheddar is the type most widely used in recipes. It is the usual choice for cheese sauces and luncheon and supper dishes. The natural Cheddar has a distinctive flavor which becomes sharper as the cheese ages. It may be grated, shredded, or sliced, and it melts readily.

American process cheese and American cheese food are other choices for cooking. The flavor of these types does not become sharper with age. Cheese, a protein-rich food, does not require cooking, but cooking increases the variety

of uses. High temperature or overcooking at moderate temperature, makes cheese stringy and tough and may cause curdling, particularly in sauces. Low temperature for relatively short cooking time is sufficient to melt the cheese. In lieu of low baking temperature for cheese souffle (300 degrees F.) and other casserole dishes, a water jacket is often used to permit a slightly higher temperature with a shorter baking time.

One of the recipes is for: Layered Cheese Casserole Temperature: 350 degrees 4 servings

Baking time 40 minutes
4 slices bread, 2 or 3 days old
1/4 pound sharp Cheddar cheese, sliced
2 teaspoons minced onion
1/2 teaspoon salt
1/8 teaspoon powdered dry mustard
1/4 teaspoon paprika
2 eggs, beaten
1 1/2 cups milk

1. For easy service and an attractive top, cut bread slices into triangles, rectangles or squares.

2. Arrange bread and cheese in three layers in well-greased shallow 1-quart baking dish with onion and seasoning between layers. Have bread on the bottom and the top layers.

3. Blend eggs and milk and pour over the bread. Let stand

for 45 minutes.
4. Place baking dish in a pan of hot water. Bake in a moderate oven (350 degrees) about 40 minutes or until bread is puffy and a knife inserted near the center of the dish comes out clean.
5. Serve promptly from baking dish.

4-H'ers To Help March Of Dimes

In a county-wide 4-H meeting, members decided to help the younger clubs collect money Saturday to be given to the March of Dimes drive, when they met at the home of Jake Jones, says Richard Chitwood.

Also discussed were details on 4-H county achievement with County Agent Joe Jones and Home Demonstration Agent Jimmie Lou Wainscott to plan further work.

"Parliamentary Procedure was the title of the demonstration given by Barbara Rea and Joe Jones.

Present were Janice Hillock, Pat Chitwood, Judy Billingsley, Barbara Rea, Virginia Rea, Jane Jones, Janis Billingsley, Richard Chitwood, Cooper Young, Pat O'Brien, and Steve Young.

Forestry Service, is on the west side of the Carpenter home and serves as excellent protection from the prevailing southerly winds.

Farmers Union Report

The bus for Washington is scheduled to leave Plainview January 23, loaded with a very enthusiastic group of Farmers Union members, ready to go up there and speak their piece as well as listen to the various aspects of the farm question.

This bus trip is a very important part of the Farmers Union program. Not only does it educate the members as to how our government is run and acquaint them with some of the channels and procedures of government, but it gives the legislators a very basic and grass roots view of agriculture by farmers.

Texas is the second state in the union in annual tornado frequency. Kansas is first.

2 eggs
3 tablespoons vinegar and enough milk to make 1 cup
1/2 cup melted shortening, cooled
1/2 cup molasses
Sift together flour, soda, salt, spices, and sugar. Beat eggs, vinegar and milk until blended; add shortening and molasses; stir until combined. Add all at once to dry ingredients, stirring only until blended. Pour into greased and floured 9x9x1 3/4 inch baking pan. Bake in 350 degree oven about 40 minutes or until center is firm to touch.

Soil Bank
Grass Seeding
Lynn Isham
Ph. AD 8-2201 Bovina

Some have said that this group is the only group that they ever seen that completely represents the farmer, and this is a lot of help to them. That being the case they will have a lot of help for the next six months, because there will be an average of six bus loads of farmers from all over the nation unloading there per week, all members of the Farmers Union. This is bound to be quite an impact and will influence legislation in behalf of the farmer.

Clayton Graef, the county president, and Junior Matthews accompanied by their wives will represent this area.

An organizational meeting was held at the Hub Community Center last Monday evening for the purpose of organizing a membership drive for the Friona local. According to John Renner, one of the chair-

men, there were 20 members signed up in his territory north-east of Friona. Preach Edelman and Ranza Boggles signed up 18 east of town, so a hearty welcome to all new members is in order.

Congratulations to John, Preach, Ranza, and all the other boys on the drive. Thanks are also in order to T. O. Lesly and the Lazbuddie local for their help in this.

-- Bill Wooley

THE FARMER COUNTY IMPLEMENT CO.

NEWS

"The Place Where Most People Trade" Friona, Texas Wednesday, January 21, 1959

The children in our family are sure their mother is very old fashioned--reason--they found her trying desperately to put ink into a cartridge fountain pen.

Our shop is fully equipped to keep your farm machines in first class working order. Call 2091 and ask for Ben Woody when your farm equipment needs first aid.

Alan Beck says, "Five friends has every wife--her marriage license, her wedding ring, her hope, her home, and her husband. Five enemies has every wife--wrinkles, ten pounds. Old Father Time, a sink full of dirty dishes, and an imaginary woman who may come along any day."

There's nothing so comfortable as the stretch-out roominess of the '59 Oldsmobile--Roomiest Rocket ever built--more headroom--more leg-room--more front seat shoulder room, and more trunk capacity. Why not see for yourself?

Alan Beck says, "A husband is the handiest thing invented. How else would a wife get furniture moved, the phone company hauled out, the dresser drawer unstuck, the zipper fixed, her back rubbed, her supper praised, or the tip of her nose kissed?"

Seems to us the Blaylocks would really need a few tranquilizer tablets during the girls basketball games. There

isn't much relaxing for them since they have a daughter who plays guard and one who plays forward on Friona's basketball team.

You can do back breaking jobs sitting down. Equip your new or present Farmall or International tractor with your choice of our complete line of attachments--from loaders to post hole diggers.

Don Lewis and three of his classmates from Midwestern University will present a musical variety show at the High School Auditorium, Saturday, February 7, at 8 p.m. These boys, who call themselves the Collegiates, have made quite a reputation as entertainers and their program will consist of popular times, old time favorites, as well as bop. The Collegiates will be sponsored by the Modern Study Club and the Seniors of 1959 will have charge of ticket sales.

Speed your hauling and handling job with McCormick Tractor trailers, boxes, and platforms. There are sizes and models to fit your hauling needs exactly--ruggedly built to last longer under the toughest kind of treatment.

Senior: We are coming to a tunnel. Are you afraid?
Co-Ed: Not if you take that cigar out of your mouth.

Many a former "wolf" was trapped by a girl and has to spend some time now and then in the "dog house."

Your present tractor might be the sweetest running rig in the neighborhood, but does it really make your time count as big as it should? With today's labor scarce and costly, you can't afford a tractor that doesn't handle all of your work with a minimum of time and effort. For more work per hour, acres per day, return per dollar, you need a new IH tractor.

Company at our house for the weekend was Mrs. Gay Jordan and children, Beth and Jay, and Miss Lovella Cox of Lubbock. They also visited with Mr. and Mrs. V. R. Jordan.

We'd like to show you how the new Farmall can increase your farming efficiency--fast hitch--convenient instrument grouping and controls--tachometer--speedometer--hour meter--and torque amplifier all mean better farming. Ask for an on your farm demonstration.

Our Grandmother is spending a few days in Clovis with her daughter, Miss Lora Mae McFarland. Lora Mae fell at Christmas time and broke a pelvis bone and has been in the hospital until this week, but is home now and able to be up and about some and hopes to return to her teaching job soon.

Farmall tractors mean economy, ruggedness, dependability. There's nothing finer in the big power class!

THE HAPPY HOMEMAKER

BY JUNE FLOYD

Are you planning a shower in the near future? If so, you might like to try an idea used by the hostesses at a stork shower we attended not so long ago. At this particular party, each hostess wore a corsage formed around some item of baby wearing apparel. For a bridal shower the cor-

sages could be made from wash rags, pot holders, small kitchen utensils, or other useful gifts. Another idea that would work fine would be for each hostess to make an apron for the honoree, wear it to the party, then give it as a hostess gift.

To keep your ironing board cover in better condition, starch it before using it then put it on the ironing board while it is still wet. This will cause it to dry tight and smooth and the starch will help keep it clean longer.

For a long time Seven Minute Frosting has been one of our favorites, but we had never even heard of anyone making Brown Sugar Seven Minute Frosting until recently. Of course, we asked for the recipe and are printing it for you to try if you desire.

Brown Sugar Seven Minute Icing
2 egg whites
5 tablespoons water
1 1/2 teaspoons light corn

KERSHNER'S NEW MEXICO NURSERIES
1710 S. Prince Clovis, N. M.
Phone PO 3-7721
"Graduate Landscape Designer"

syrup
3/4 cup white sugar
3/4 cup brown sugar, firmly packed
1 teaspoon vanilla
Combine all ingredients except vanilla in top of double boiler, heating with rotary egg beater until thoroughly mixed. Place over rapidly boiling water, beat constantly with rotary egg beater and cook seven minutes or until frosting stands in peaks.

Remove from boiling water; add vanilla and beat until thick enough to spread.
Be sure your egg whites are room temperature for the lightest fluffiest frosting. This recipe will make enough frosting for tops and sides of two nine inch layers or top and sides of 8x8x2 inch cake generously or about 2 dozen cup cakes.

For a tasty dessert on cold evenings hot gingerbread nearly always makes a hit with the men in any family. The following recipe takes only minutes to mix and is delicious served plain or with whipped cream or your favorite topping.

Gingerbread
2 cups sifted all-purpose flour
1 teaspoon soda
few grains salt
1 teaspoon ground ginger
1 teaspoon ground cinnamon
3/4 teaspoon ground cloves
1/2 cup sugar
