Fancy Combs, Collars, Embroideries, Ribbons, Spikes for Belts, Ladies Ties, Fancy Notions, Etc.

One of the pleasures of April first was a picnic at Miss Mittie Jones' school.

At 10 o'clock all the pupils came in minus their books. Black Sheep, dropping the handkerchief, stealing grapes, was enjoyed by the little ones until half past ten when the bell rang and recitations were in order.

Sombody's Mother, by Emma Pressly.
Old Grimes, by Wilson Fraser.
Live While you Live, by Sam Fraser.
Little Lasses, by Bessie Manning.
Love my Dollie, by Elese McFarlane.
A Stranger's Story, by Irene Gilliland.
A nice pie-dream, by King Wristen.

Other recitations by the smaller ones too many to mention.

Then came dinner which was enjoyed by all.

Flying the kite and other games which afforded pleasure for the boys.

In the afternoon some select pieces were rendered by the pupils.

Two duets by Emma Pressly and King Wristen.
Festival day march and Basket of Roses, Waltz.
Cascade of roses by Laura Blythe.
Queen of May waltz, by Irene Gilliland.

Pretty White Lilly, song, played by Irene Gilliland and sang by Vera Aycock, Bessie Manning, Emma Pressly, Laura Blythe and King Wristen.

At half past two o'clock all went home in good humor with themselves and their teacher.

R. E. CUB HADLEY,

Wring Off The Old. Put On The New.

The last demand of the old has been met and it is now being driven back by the balmy breath of Spring, to its hiding place in the far away north land. Winter is no more, Spring is here, the budding trees hint it, the bursting buds proclaim it, the merry birds card it, and our Great Store joins nature in her festivities.

Wring off the Dull Garments of Winter Put on the Bright Habilliments of Spring.

KID GLOVES.

Our kid glove department is fine. We have a large stock in all colors and sizes, worth from \$1.00 to \$1.50. Your choice for 75c. Why pay others twice as much.

MILLINERY.

Mrs. Miller is at the head of the Millinery department and is a real artist in that line. While East she spared neither time nor money in making her selections, and for style, beauty and values she is ahead of any in Baird or the West. To prove what we say, just ask to see Mrs. Miller in the Millinery department; and you will soon agree with us that you have seen one of the prettiest lines of Ladies' Hats, Bonnets, and Millinery ever before brought to this market. Orders taken and filled promptly; our prices are lowest.

Notions.

In our Notion Department we have many bargains in lace, appliques and all other trimmings for dress goods. The newest designs for the silk and wool embroideries are so cheap that many ladies are carrying off armfuls. See this line of embroidery.

Remember we are the only ones who carry the high fast trimmings. Already we have been complimented by many as carrying a stock equal to Sanger Bros.

Every day from now on will be OPENING DAY with us and will continue through the entire season. If you fail to see us, and get our prices you are the loser. Mrs. Miller, Miss Teeple, Mrs. Shelton, Miss Emmons and Miss Holland are always on duty and anxious to please. Mrs. Miller at the head of this corps of assistants can not fail to please you.

NO TROUBLE TO SHOW GOODS AT T. E. POWELL'S STORE.

Hosery.

We have over 10,000 pairs of hose to fit the thinnest infant or the largest grown person, all shades and colors. In all grades from 5c up. We carry the finest drop-stitch children's red hose. Buy ladies' hose for 10c at Powell's that will cost you 15c elsewhere.

Dress Goods!

This Department was never so full and complete as it is to-day in rare bargains of high art goods and fine textures. We have more silks and satins and high class wool goods than all Baird put together and twice over. If you want a fine dress do not send to Dallas, St. Louis or New York for you can buy it cheaper at T. E. Powell's. All I ask to convince you is to come and see.

W B

It is sufficient to say W B Corsets, and you know the rest. There is no competition because W B leads them all for shape, style and fit. It is the only corset on the market with straight front, erect, straight, or slender figure or any other kind, also girdles. These are the style to fit your figure. Ease and comfort guaranteed if you get to measure.

In my Wash Goods Department there never was such handsome designs, fine textures and low prices. We have Dimities, Organdies, of all the new designs and shades, a handsome line of Foulards, Mousselines, Peau de Soie. All those goods are sold all over the state for twice the price that you can buy it at my store, so if you want a handsome dress for 50c on the \$1.00, cheaper than you can buy it anywhere else you have got to go to Powell's to get it. In this as well as all other departments I am unable to put in print the many designs and colorings and many rare bargains we have. You will have to come and see to be convinced. No trouble to show goods.

Furnishing Goods.

Our furnishing goods are arriving daily, everything we have is all new this year's goods. There never was a prettier line of Men's Negligee shirts, the pen cannot describe the beauty, the fit, the cheapness, I will have to ask you to call and see to convince you. 50c to \$1.25 others charge you 25 cent more for the very same goods.

Neckware.

The greatest line ever carried in Baird. We invite you to call. No trouble to show goods.

Underware.

My underware is just as fine as any other department in the house, full and complete.

CLOTHING.

While in New York I bought the cheapest line of clothing for the money ever brought to Baird. Remember we recognize any competition, not even Montgomery Ward or Sears Roebuck & Co. In fact it is just like finding money to find my prices. Handsome all wool worsted suits for \$7.00, \$8.00, \$9.00 and \$10.00. Each one is worth \$4.00 a suit more than I ask. Why pay others 50 per cent more for clothing than you can buy it for at Powell's. If you are going to give money away give it to the church and if you are going to buy at the right place and that is Powell's. See my clothing, both men and boys, before you buy, for I guarantee to save you money.

SHOES.

I have ten thousand dollars worth of shoes and boots in the celebrated brands of HAMILTON BROWN, T. E. POWELL'S OWN MAKE, BROWN SHOE CO.

Every pair guaranteed. This line is more complete than any in West Texas, not a piece of shabby or paste board in a shoe in my house. If you want good goods go to Powell's and ask for his guaranteed shoe. Our oxfords and strap sandals are the prettiest line ever shown in the city and they are 25 per cent cheaper than last year. Check our oxfords and strap sandals, the only complete line in the city.

Now in Conclusion will say that you will find an honorable upright set of clerks at my store who are always willing and anxious to show you goods. All we ask is an opportunity. Please call early and get first choice for we are having an immense trade, as it seems that every man, woman and child in Calhoun County is trading with us, and if you do not you will be an exception.

T. E. POWELL, Baird, Texas.

"Mollowed Mrs. Pinkham's Advice and Now I am Well."

A woman is sick—some disease peculiar to her sex is fast developing in her system. She goes to her family physician and tells him a story, but not the whole story.

She holds back something, loses her head, becomes agitated, forgets what she wants to say, and finally conceals what she ought to have told, and this completely mystifies the doctor.

It is a wonder, therefore, that the doctor fails to cure the disease? Still we cannot blame the doctor, for it is very embarrassing to detail some of the symptoms of her suffering even to her family physician. This is the reason why hundreds of thousands of women are now in correspondence with Mrs. Pinkham, at Lynn, Mass., so that when she is ready to advise them she is in possession of more facts from her correspondence with the patient than the physician can possibly obtain through a personal interview.

Following we publish a letter from a woman showing the result of a correspondence with Mrs. Pinkham. All such letters are considered absolutely confidential. In any case we never published in writing of the patient; but hundreds of women are so grateful for the health which Mrs. Pinkham and her medicine have been able to restore to them that they not only consent to publishing their letters, but writing asking that this be done in order that other women who suffer may be benefited by their experience.

Mrs. Ella Rice, Chelsea, Wis., writes:

"DEAR Mrs. PINKHAM—For two years I was troubled with falling pains, headaches, backaches, and was not able to do anything. My knees curred no one knows but those who have suffered as I did. I could hardly drag myself across the floor. I doctored with the physicians of this country for three months and grew worse instead of better. My husband thought I was going to die, but I had no faith in patent medicines. At last I became so bad that I concluded to ask your advice. I received an answer all concerning me to take your Vegetable Compound, and I did so. Before I had taken two bottles I felt better, and after I had taken five bottles there was no happier woman on earth, for I was well again. I know that your Vegetable Compound cured me, and I wish, and advise every woman who suffers as I did to try Lydia E. Pinkham's Vegetable Compound. Believe me always grateful for the recovery of my health."—Mrs. ELLA RICE, Chelsea, Wis.

LION COFFEE

A LUXURY WITHIN THE REACH OF ALL!

THE lion does picket duty for you and prevents adulteration and impurity from entering into your package of

LION COFFEE

When you buy an unbroken package of LION COFFEE you have coffee that is absolutely pure, strong and invigorating. A single pound makes 40 cups. No other coffee will go so far. You will never know what it is like till you try it. LION COFFEE is not a glazed compound, but a pure coffee and nothing but coffee.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound sealed packages (which is the only form in which this excellent coffee is sold).
