**Pennsylvanian Lime Opener Is Assured In SW Martin Area**

A flowing oil discovery from the Pennsylvanian lime has been assured in Southwest Martin County at Gulf Oil Corporation No. 2-B George W. Glass.

That prospector treated perforated section in the Pennsylvanian at 10,650-830 feet with 2,000 gallons of acid.

Operator snatched out most of the lead and acid residue and the well then kicked off and flowed for a full 24 hours.

During that period the recovery was 333 barrels of fluid. Informed sources said that 431 barrels of that fluid was new oil, 20 barrels was lead oil and 23 barrels was basic sediment.

There was no formation water. Testing of the Pennsylvanian section is continuing.

**Fuselman Oil**

The Fuselman zone at 12,100-180 feet has already been tested and showed 31 barrels of new oil and one barrel of basic sediment and drilling water in seven hours of swabbing.

It is possible that after the full producing possibilities of the Pennsylvanian are determined that operator will try to increase the oil yield of the Fuselman, and if such can be done the No. 2-B Glass likely will be completed as a dual producer from both the Pennsylvanian and from the Fuselman.

Location is 662 feet from south and 670 feet from east lines of section 12, block 35, T-1-N, T&P survey and 12 miles north of Midland and 18 miles west of Stanton.

That makes it one-half of a mile north and one-eighth of a mile east of Gulf No. 1-O Glass, flowing discovery from the Spraberry sand which was completed several months ago.

**SW Gaines Wildcat Logs Shows Oil In Middle Permian**

Forest Oil Corporation, Anderson-Prichard Oil Corporation and Argo Oil Corporation, No. 1-B Farmer County School Land fee, Southeast Gaines County wildcat, 15 1/2 miles southeast of Seminole, logged shows of oil and of porosity in samples in the zone between 7,640-96 feet.

Operators are preparing to run a drillstem test on that interval. The section is in the middle Permian and there is alternate streaks of lime and shale.

Location is two and six-tenths miles northwest of the Forest and others No. 1-A Farmer, wildcat discovery completed in April 1950 as the discovery well of the Flory-Mississippi field.

The No. 1-B Farmer is projected to 13,000 feet to explore the Mississippian formation.

**El Capitan Project Seen As Glasscock Spraberry Opener**

El Capitan Oil Company of Midland No. 1 Whitehouse developed strong possibilities of a Spraberry discovery in extreme Southwest Glasscock County when operator started drilling into the Spraberry with cable tool.

That formation was topped at 8,932 feet by cable tool measurement. Corrected to rotary measurement the top is at 8,944 feet. Elevation is 2,721 feet, giving the well a datum of minus 4,233 feet on top of the Spraberry.

Operator is now drilling below 8,938 feet with cable tool with 3,500 feet of clean oil in the hole.

No. 1 Whitehouse is three miles southeast of the Driver-Spraberry field in Midland County and four and one-quarter miles northeast of the Weimer-Floyd-Spraberry field at Northwest Upton County.

Exact location is 660 feet from east lines of section 47, block 37, T-4-S, T&P survey and 30 miles southeast of the City of Midland.

**Plug Being Drilled In Midland Tester**

Moore Exploration Company, No. A. R. Beumann, North-Central Midland County wildcat, three miles south of the City of Midland is drilling plug on 7-inch casing which is cemented on bottom at 11,291 feet in an unidentified formation.

Operator expects to drill through the plug late Thursday. It is planned to make a little more hole, below the casing and then run a drillstem test.

That test probably will not be undertaken until sometime Friday.

This prospector kicked out gas, drilling fluid and a slight show of oil for six days and nights from the section just above 11,291 feet before the casing was cemented.

Operator was unable to determine (Continued On Page Nine)

**It's Round 2 Thursday At Annual Rodeo**

By TANNER LAINE

It's round two at the rodeo Thursday night. New cowboys are ready to rope and ride. New stock is rattling the chute boards, rarin' to break out. The wrinkles and kinks of opening night will be ironed out and a streamlined 1951 Midland World Championship Rodeo will be well on the way. Grand entry time is 8 p.m. One of the best rodeo plants in all of Texas, the stands and arena of Midland Fair, Inc., will be groomed during the day for another thrill-packed performance under the stars before thousands of rodeo-hungry Midlanders and West Texans. Come a-ridin'!

The flags of rodeo flew high, along with the honored Stars and Stripes, Wednesday night as Midland kicked off its 17th Annual World Championship Rodeo before thousands of Memorial Day holiday fans at the jam-packed plant of Midland Fair, Inc.

It was cowboy contest time again with roars of approval from the largest opening-night crowd in the ever-successful long history of Midland shows.

"It's the biggest and best opening we ever had," said Clarence Scharbauer, Jr., president of Midland Fair. The crowd was estimated at 5,500.

As the 1951 show opened, the arena leaped alive with cowboys and cowgirls on parade in the stirring and colorful grand entry. The cherished colors of America and Texas were in the van of a long, snaking line of riders.

Into the arena they rode on spiraled mounts, flying many colors. They were all there, the poses of several West Texas counties, rodeo contestants, judges, officials, cowgirls, trick riders, junior cowboys, and many others.

Officials introduced the rodeo music was the crack Midland High School Band, clad in western dress and directed by Jerry Hoffman.

Officials introduced after the grand entry included Dub Phillips of San Angelo and Bill McQuire of Fort Worth, riding event judges; Alex Fambrough of Breckenridge, cutting horse judge; Marion Flynn, rodeo committeeman of Midland Fair; Everett Colborn, rodeo promoter and owner of the famed Lightning C Ranch Rodeo Stock Corporation; Jimmie Schumacher and Ken Boen, the cowboy clowns.

Then it was let 'er buck, as Tex Lewis of Athens came out of chute one on Baldy Sox, bareback bronc, in the opening contest event. The 1951 show was on the road and Lewis posted a ride.

Day money winners for Wednesday night's performance in bareback bronc riding were: Jim Shoulders of Tulsa, Okla., first; Frank Smith of Midland, second; Bill Barton of Abilene, third. Shoulders made a good ride on a horse called Revolution. Smith forked Fragile and Barton rode Beau Brummel.

Other riders of the night in the bareback event were: Lewis on Baldy Sox, ride; Roy King of Midland, on Bootlegger, thrown; Jim Wilson of Eugene, Ore., on Shellhammer, ride; Hub Hewitt of Midland, on Blue Bell, thrown; Ira Bobo of Seminole, on Madam Pompadour, ride; Guy Weeks, Abilene, on Two Gun, ride; Paul Cross, Las Cruces, N. M., on Gold Nugget, ride. Horseback Quadrille

Event number three was the famed Lightning C Ranch Horseback Quadrille, led and directed by Colborn, on Blaise, with all matched couples on horseback. When the mounted square dancers rode to the front of the arena to "yip right out" at the close of a good ride and performance, the crowd roared approval. Couples included C. B. (Continued On Page Five)

**Defense Department Casualty Summary Lists 67,427 Total**

WASHINGTON—(AP)—The Defense Department's Korean casualty summary Tuesday showed an increase of 611 over last week to a total of 67,427 since the fighting began.

These casualties are based on notification to next of kin through Friday, May 25.

Of the total casualties, 10,127 were killed in action, 45,889 wounded in action and 11,411 were reported missing at one time or another.

Of the missing, 102 have died; 1,207 have been returned to military control; 115 are captured and 9,987 are still missing.

The Army's total casualties amount to 56,176, of which 9,487 are dead. Of the rest, 8,453 were killed in action, 914 died of wounds and 90 died of other causes. Army wounded totaled 37,040 of which 36,136 are current wounded and 914 died of wounds; the Army missing total 10,853 of which 1,171 have been returned to military control, 112 are captured and 9,280 are currently missing.

Navy, Marine Corps Total Navy casualties are 721, of which 118 are dead. Of the dead, 92 were killed in action, 11 died of wounds and 13 of other causes. Wounded total 545 of which 335 currently are listed as wounded and 11 dead of wounds. Missing in action are 83 of which 13 are dead, 40 returned to military control and 37 missing.

Marine Corps casualties total 9,226. Total deaths are 1,336 of which 1,235 were killed in action, and 281 died of wounds. The missing, all of them current, total 371.

Casualties for the Air Force total 608 of which 175 are dead. Of the dead, 147 were killed in action and eight died of wounds. Missing are 404, of which 23 have been returned to military control, three are captured and 368 currently are missing.

**Out Of Chute 1**

As usually happens during a Midland Rodeo, the T&P trains rattle by and a stiff south wind straightened out the flags. . . . The large opening night crowd was asked to squeeze closely together to make room for more. . . . Cowboy Contestant 23, Tommy Tate of Midland, wore an unusual goodluck charm—he had a live horned-toad on his battered black felt hat. . . . The Monahans Sheriff's posse, parade winner in its class, rode with honor in the grand entry Wednesday night. . . . Capt. Ed Cox's chest was proudly expanded. . . . Flag bearers in the grand entry, carrying the Stars and Stripes and the Texas flag and planting them with pride, were C. B. Bradberry and Fay Kirkwood. . . . A group of JayCoes from Sweetwater, here for the big opening night, was given official recognition.

**WHOA THERE! — It rained cowboys in the arena of the 17th Annual World Championship Rodeo Wednesday night but here are a couple of waddies sticking at the moment. Top photo shows one of the bull rides in an event in which two world champions and others were tossed. Bottom photo shows a wild saddle bronc ride among the several rough trips experienced by opening night contestants. It's more stock and more cowboys to try 'em Thursday night as the annual western show unfolds again for a rough and rugged program.**

**Hosses, Podner, Hosses Are Top Feature Of Rodeo Parade**

By COPE ROUTH

Grandpa would be a mean mighty proud Wednesday, podner.

"Son," he used to say as he swung down from his saddle after an hour's ride from town. "Son, that new-fangled automobile ain't here to stay."

"Mark my word, son, the hoss is goin' to be around a mighty long time."

Well, podner, on Wednesday the hoss proved he's still a'min' to stay around a mighty long time.

That new-fangled automobile just didn't have a chance as the finest

**Defense Department Casualty Summary Lists 67,427 Total**

**Battle Tempo Heightens As UN Advances**

TOKYO—(AP)—Red troops, fighting with renewed fury, Thursday halted American advances 13 miles from the Communist Korean strongholds of Chorwon and Kumhwa.

Other United Nations forces regained control of the 275-foot-high Hwachon Dam with comparative ease.

Across the 125-mile Korean front, Allied forces slogged through the mud for slow gains or fought off sharp attacks.

**Ex-Officer Defends Declaration State Department Is 'Red'**

WASHINGTON—(AP)—A Navy officer fired for writing a letter that called the Roosevelt-Truman-Acheson foreign policy Communist-inspired Thursday said his views are shared by "an overwhelming majority" of American fighting men in the Far East.

Former Lt. (jg) William H. Evans, Jr., 37, of Edgewater, Md., said there is widespread belief among officers and men of all services engaged in the Korean war that the State Department is "the enemy behind the enemy."

That contention already has been disputed by Adm. Forrest P. Sherman, chief of naval operations, who disclosed Evans' dismissal in questioning at the Senate's MacArthur investigation. Sherman declared he did not think that was so and said a thorough investigation showed Evans' shipmates did not share Evans' views.

At a news conference Thursday, the ex-officer produced a copy of the letter that led to his dismissal and said he felt it was his duty to write it.

In the letter Evans referred to Secretary of State Acheson as "Red Dean Acheson" and spoke of "his pro-Red gang." He wrote also of "that pro-Soviet, one-world Administration" (Continued On Page Six)

**Holiday Traffic Toll Sets New Low Mark**

By The Associated Press

The nation's celebration of Memorial Day appears to have been one of the safest since the end of World War II.

The death toll in violent accidents—116—was one of the lowest for a single Memorial Day holiday in several years.

A new record low was set in the traffic death toll. The 71 killed on the highways was far below the National Safety Council's estimate of 110.

The Safety Council, noting that the toll was running below the estimate Wednesday, termed the record "a marvelous achievement." Millions were on the highways for the season's first holiday outing.

The lowest traffic toll on a single major holiday since World War II was 93 on New Year's Day, 1946.

In addition to the 71 traffic deaths Wednesday, 28 persons drowned and 17 others lost their lives in miscellaneous violent accidents.

**Margaret Invited To Dine With King**

LONDON—(AP)—Margaret Truman has been invited to dine with King George VI and Queen Elizabeth next week, Buckingham Palace disclosed Thursday.

The dinner, a private one, is for King Haakon of Norway. He is making a state visit to Britain, which coincides with the vacation tour by the President's daughter.

**Cooler Weather Promised Friday**

By The Associated Press

Cooler temperatures are predicted for West Texas and part of East Texas Friday.

The Weather Bureau said partly cloudy skies will lower temperatures over West Texas and the northwest portion of East Texas.

More scattered thunderstorms also were predicted, to begin in the Panhandle, South Plains and west of Pecos Valley Thursday night and extend into the north portion of East Texas Friday.

Wednesday's high Texas reading was 107 at Presidio, well down from Tuesday's high of 114, also at Presidio. Other high readings Wednesday: Salt Flat 105, Wink 101, Ocotilla, El Paso and Lubbock 100.

**RODEO WEATHER**

Partly cloudy, scattered showers in Panhandle and South Plains Thursday night. Friday partly cloudy and cooler. Maximum temperature Wednesday 97 degrees; minimum Thursday 71 degrees.

**★ LATE NEWS FLASHES ★**

MOSCOW—(AP)—The Soviet press Thursday reported that seven Americans, dropped by parachute behind the North Korean lines, have been captured and indicated such paratroopers were being killed.

AUSTIN—(AP)—The Senate Thursday passed a proposed constitutional amendment boosting the limit on public welfare spending from 35 to 42 million dollars a year. The measure returns to the House for acceptance or rejection of amendments.

HANOI, INDOCHINA—(AP)—French Army sources Thursday said 45,000 Communist-led Viet Minh are attacking on a front 50 miles south of Hanoi, held by only 4,000 French troops. French losses were described as severe.

**Only One Mishap Mars Rodeo Traffic**

Only one minor traffic mishap marred the opening night of Midland's World Championship Rodeo.

City police, sheriff's deputies and state highway patrolmen united to keep the traffic moving safely to and from the rodeo grounds east of the city.

But, in the streams of traffic after the show, a car driven by Jackie Head of Colorado City was sideswiped, resulting in a fender being detached.

The driver of the other automobile sped away.

### British Cruiser Alerted For Iran

LONDON —(P)—The British Admiralty announced Wednesday night that the 8,000-ton cruiser Mauritius had been alerted to sail for Iran if needed "for an evacuation or for any emergency."

The cruiser, now at the British naval base in Ceylon, was ordered to cancel a scheduled cruise along the East African coast and stand by for further orders, the Admiralty said.

The Admiralty described the stand-by order as a routine precaution.

**ECUADOR'S PRESIDENT SEATES VISIT TO U. S. A.**  
QUITO, ECUADOR —(P)—President Gale Plaza will fly to Washington June 19 for a three-day official visit with President Truman. An official announcement said Gale Plaza will leave Guayaquil aboard the Independence, President Truman's personal plane.

The first white settlement in New Mexico was made in 1598.

### 14 German Coal Miners Trapped

ESSEN, GERMANY —(P)—Fourteen German coal miners are trapped underground in a mine at Hamm-Herringen in North Rhine Westphalia, the German Coal Authority reported Thursday.

They said 30 miners were injured in a coal dust explosion which apparently sealed the 14 others off.

Coal officials had no immediate details but said they learned the explosion occurred early Thursday morning.

The Romans introduced glass-making into France, then known as Gaul.

### IN HOLLYWOOD

#### Brod Crawford Is Reminding Fans That He's Still Around

By ERSKINE JOHNSON  
NEA Staff Correspondent

HOLLYWOOD—Guys and Dolls: Olivia de Havilland, Sir Laurence Olivier and Jennifer Jones may worry about the next Oscar, but not Brod Crawford.

Brod slugged it out for a spell to get the big super A's but now he's out to make boxoffice killings with movie like his current "The Dark Page."

"They make the dough so that you can afford to make an 'All the King's Men,'" says Brod. "Lots of people who've won Oscars make the mistake of not working until great stories come along. That's a mistake. If you don't keep your knees up on that big screen, they'll forget you."

Mask himself for his flicker biography, still on Paramount's schedule.

To my "Why Olivia?" teased at Mack at the premiere-press of "The Holy Story," the daddy of the Keystone Kops and the Sennet bathing beauties grinned: "Well, I've been watching Olivia use all of Mabel Normand's stuff for years."

Mack's book, "Don't Step On My Dreams" will be published this fall. He described it as "a feature Mack Sennet-comedy novelized."

Oscar winner Ray Milland tossed a bombshell at me and I'm still reeling. "I've never cared for myself as an actor," Ray told me.

The Milland dressing room on the set of "As Time Goes By" stopped shaking and Ray explained: "Up until 1940, I was sure people would get wise to me some day. That's when I told myself that I was 31 and had better start paying some attention. I began going to movies, watching and learning. When 'Lost Weekend' came along, I said, 'Hey, maybe I'll turn out to be an actor yet.'"

"Then I did three stinkers in a row after 'Lost Weekend.' I'm grateful to Hollywood, though. I'll work as long as the money is there."

Far Men Only  
It's tough on British dolls like Anna Neagle, Margaret Lockwood and Valerie Hobson, but Hollywood's still lassoing London's top male movie kings.

With Stewart Granger, Michael Rennie, David Farrar and Michael Wilding coming under the California palm trees, there are few big-name male chaps left for the English lasses to lean their heads against.

RKO will release the British film hit, "Lili Marlene." It's based on the popular war-time song. The star is Lila Daniels.

... Hazel Brooks the "Body" of "Body and Soul," will make a comeback in "The Basketball Fix" at Columbia. The picture stars John Ireland.

It may be a blow to some producers but William Holden and Nancy Olson have notified their studios and agents they don't want to be re-leased after completing "Force of Arms" at Warners.

Bill and Nancy emoted together in "Sunset Boulevard," "Union Station" and "Submarine Command," but now Nancy lays it on the line:

"This is absolutely our last picture together. Producers may try to re-lease us, but they won't get very far. We simply don't want to be a team."

Marta's Not Mad  
Marta Toren is upset over reports that her recent exit from UI was on the equally side.

"I'm grateful to the studio," dark-eyed Marta told me. "But her pictures just aren't for me. I couldn't do Abbott and Costello, and Francis the Mute — not with my Swedish accent."

The Toren answer to questions involving Howard Duff:

"It's just a nice and friendly relationship. I hope it will always last."

Olivia de Havilland as Mabel Normand and Glenn Ford as Mack Sennett.

That's the dream-casting idea of

### All Britain Mourns For 81 Victims Of Colliery Disaster

LONDON, ENGLAND —(P)—Britain mourned Thursday for 81 victims of Tuesday's blast at the big Widdington Colliery, the nation's worst mine disaster in more than two years.

Rescue squads abandoned hope of saving 63 British miners still entombed 900 feet underground.

Wary rescue workers continued to claw their way through tons of debris, despite the announcement by Lord Hindley, chairman of the state-run coal industry, that the 62 men trapped in the pit must be presumed dead.

Mounds of rocks and coal blocked the workers' way and they were not expected to reach the death pit for at least another day.

The grim disclosure that there would be no survivors makes the explosion Britain's worst mine disaster since 104 were killed in August, 1947, at Whitehaven.

Bodies of 17 miners have been recovered. One man was brought up alive, but died later, and a rescue worker died Tuesday.

### Youth Coaxed From Leap To Death By White-Haired Priest

BOSTON —(P)—A white-haired priest was credited Thursday with saving the life of an 18-year-old youth who leaped precariously on a ninth-story hotel ledge 92 minutes Wednesday, apparently bent on suicide.

The youth was identified as Albert Thomas, an Army private absent without leave two weeks from a New Jersey camp.

His rescuer was the Rev. Joseph P. Curran of St. Stephen's Catholic Church, who was attracted to the scene by a throng gathered in front of the Hotel Touraine.

Father Curran, conversing with Thomas through the window by which the youth gained access to the ledge, finally persuaded him to leave his 18-inch wide perch after unsuccessful attempts by several others, including a pretty girl recruited for that purpose.

Crowds Shout, Scream  
Twice before that, Thomas apparently abandoned his intention to jump and retreated the hotel window. But on both occasions he returned to the ledge 130 feet above the street when police tried to get their hands on him.

As the youth wavered on the hotel ledge, some of the crowd below, apparently believing it was a publicity stunt, shouted:

"Go ahead and jump—put the show on the road."

Others screamed "No, no," every time he leaned too far forward.

Thomas later told police he wanted to kill himself because "my girl ran off with a musician x x x"

Officials of the hotel said Thomas was not registered there but got on the ledge from a corridor window. He was placed under observation after questioning.

ELLEN DREW MARRIES ADVERTISING EXECUTIVE  
INDIO, CALIF. —(P)—Actress Ellen Drew and William Tidd Walker were married Wednesday afternoon at Walker's ranch near here.

It was the third marriage for both the 36-year-old actress and for Walker, 47-year-old former Detroit advertising executive. They plan a European honeymoon.

Advertise or be forgotten.

Tung-tree restorers now can tell what kind of soil are best suited to the trees. Mineral deficiencies, such as copper, manganese, or potassium, have been revealed plainly by certain patterns in the leaves and by careful leaf analysis.

A new anti-static liquid, to treat all kinds of plastic phonograph records, will keep them dust-free and eliminate crackling noise and static electricity. It also may be used on television magnifier lenses to stop static-caused dust attraction.

# Shopping 'Round Town With Barbara

### Let's Go To The Rodeo!

We know you'll enjoy every performance of Midland's big 17th Annual World Championship Rodeo. Top hands and "the toughest stock in the world" combine to give you the thrill of your life. While in town we hope you'll visit SHEPARD ROOFING COMPANY, 1411 West South Front Street. Rather than repair your home, inquire about insulated siding. It adds beauty to your home—makes it cooler in summer, warmer in winter and prevents moisture from collecting within and seeping through to spoil the paint.

### World's Finest Charcoal Broiler

Why buy an old fashioned meat burner when you can have the world's finest charcoal broiler? Cook 'N Kettle, featured by BABIN SUPPLY COMPANY, eliminates scorched meat, saves tempo, clothes, work—no mess, no fuss. Cast-iron construction assures even heat distribution, equal penetration and perfect radiation. Temperature is controlled by a damper for thorough cooking. Heat, meat and smoke are retained within the kettle, giving an added smoky effect for taste perfection. (Kettle is shown without stand.)

### Don't Be Roped In, Partner!

Don't be lassoed to a mountain of laundry during rodeo time in Midland. WALL'S LAUNDRY, 218 South Lorraine, is prepared to ride herd on the family wash while you enjoy the thrills and spills you'll see out there in the arena. Just call 881 and let the delivery truck pick up that bundle of laundry and return it sparkling clean and finished to perfection or fluffed dry, ready to iron.

### Sized Or Made To Order

Building a new home or remodeling your present one? Let ABELL-McHARQUE, MILLWORK DIVISION, supply you with lumber cut right, seasoned right, priced right. Give your specifications to the company for door and window frames. Your order will be delivered promptly, sized or made to order. The company makes a specialty of built-ins, breakfast nooks, doors and windows of the finest materials and workmanship. Visit the millwork division or call 3230 for estimates.

### It Knocks 'Em Dead!

Johnston's No-Roach, featured at MIDLAND HARDWARE AND FURNITURE COMPANY, is a new discovery for elimination of household pests. Easy to use, colorless and odorless, it is perfectly safe to use in the home. Simply brush it on wherever roaches appear. It knocks them dead. Other household pests such as ants and water bugs are also exterminated as easily with Johnston's No-Roach. Get it in pint size for \$1.50 or eight-ounce bottle for 80c.

### Everybody's Dudesing It!

Everybody goes Western during rodeo season—it's part of the fun. WILSON'S DRY GOODS COMPANY is ready for the big celebration with a round-up of authentic Western style hats including Stetson and Resistol—all wool felts to complete your rodeo gear. There is a complete range of sizes in colors brown, grey and black. Prices range from \$12.50 to \$50.00. Just slip one of these Western style hats on your head and feel free and easy as the wide open spaces.

### In The League Of Smart Motorists

Travel in the best circles with the league of smart motorists who recognize that a smooth running car means added safety and added economy in the long run. Let the experienced technicians at MIDLAND AUTO STORAGE, 107 North Baird, check and adjust your engine, transmission or brakes, and lubricate your car. The auto storage also specializes in car washing and polishing and any kind of motor repair. Call 3623 for more information.

### Perfect For Gift-Giving At Graduation

The selection of gift lingerie at FASHION SALON captures the spirit of graduation. There are nylon gowns... exquisite with shadow embroidery and fluffs of nylon tulle. All are perfect in style and to keep and chances are you'll do both. There is a complete selection in luscious pastel colors. Beautiful nylon slips with molded midriff and frothy lace trim are featured in all colors and sizes and there are panties to match. There are also lovely jersey or silk robes and brunch coats in creosucker that are perfect for gift-giving.

### Breezy, Billowy, Ruffled Curtains

Freshen up your rooms with crisp, colorful organdy curtains—extra wide, extra full. MIDLAND HARDWARE AND FURNITURE COMPANY LINEN DEPARTMENT has a new shipment of Window-Art and Berkshire organdy curtains with extra wide peaked ruffles. You have a choice of pink, blue, green, peach, grey, yellow or maroon. These permanently crisp curtains retain their day-of-purchase freshness and never need starching.

### Rodeo Time Is Refreshment Time

Welcome, Strangers, to Midland's 17th Annual World Championship Rodeo. Top hands and toughest stock will make this a routin', tootin' jamboree. Don't miss a single performance, partner! And for refreshments, round up the gang and visit WOOLWORT'S FOUNTAIN. Bask in the cool, pleasant surroundings while you corral your favorite refreshments. Lunches and short orders are always served at the fountain. The management cordially invites you to make yourself at home here while in town.

### Midland's Finest Home Values

Your home is probably the biggest, most important investment you'll ever make; be sure it pays dividends in good living! Let G. L. GUNNINGHAM COMPANY, GENERAL CONTRACTORS, handle your building problems. This company is building the Loma Linda Addition, one of Midland's most rapidly developing subdivisions. The homes are beautiful, distinctive and modern, created by America's foremost architects and they are Midland's finest home values. Call 3924 for more information.

### Distinguished Table Settings

Setting up housekeeping or want to replenish your set of china? You can buy the finest Shelley English Bone China from open stock at MIDLAND HARDWARE AND FURNITURE COMPANY GIFT DEPARTMENT. The Dainty Rose Pattern is exquisite and there is the Chelsea Pattern, a white fluted design offset by a gold band and there is also the Harebell Pattern. You can buy as many pieces as you desire from open stock to add to your set. These patterns are always available.

### Hoorey For The Rodeo

Welcome to the rodeo, Midland's annual Western Jamboree. There'll be plenty of excitement and action out there in the arena and we're sure you'll enjoy every performance. You'll get a real old fashioned western welcome at MILLER BROTHERS' TRIM SHOP, West North Front and E Street. Drop in and see the smart new patterns in plastic for auto seat covers. You can select your material and expert tailors will make seat covers to your order for any make or model of car.

### Add Humus To Your Soil

Unlike ordinary commercial fertilizers, containing a filler of sand to prevent the use of too much chemical, Turf Special, at WILCOX HARDWARE, 505 West Wall, contains 30 pounds of chemical and 80 pounds of organic material similar to leaf mold. The chemical supplies vigor and the organic material adds the humus our soil needs for moisture. There's no sand—just growth promoting elements. Goldthwaite's Turf Special is a complete organic base. (Hou-Ac-tin) fertilizer specially for lawns and athletic fields. Combine organic and chemical fertilizer for elements necessary to healthy, vigorous plants.

### Welcome, Strangers!

We hope you enjoy the contest and performance of this nationally known rodeo. While in Midland, we invite you to visit AUSTIN SHEET METAL WORKS, in our new location, 3410 West Wall, and see our championship line of Wright and Quality Air Conditioners, both evaporative coolers and duct type. We supply the ultimate in modern coolers that will keep your homes comfortable during the hottest months.

### If Polio Should Strike Your Youngster

Could you meet the expense? Polio is a dreaded disease that strikes young and old alike—its treatment is long, horribly expensive and beyond the average man's means. Insurance cannot prevent Polio, but it can provide you with proper medical care and give you freedom from financial worry. Call 1480 for more information on this policy offered by NEELY AGENCY, located in the Crawford Hotel Building. It costs only \$12.00 for the first year and \$10.00 per year thereafter. It covers the entire family.

### Take A Letter

When accuracy is important, it is better to depend upon a competent stenographer. If such a service is not at your immediate command, you can depend upon MARY LOU HINES' SECRETARIAL - STENOGRAPHIC SERVICE, 1910 West Kentucky, Mrs. Hines can help you with such details as business correspondence, and typing of reports and manuscripts. She is experienced in various departments of the oil industry and other fields of business. Her services are available evenings and weekends. Call 488-J for appointments.

### Howdy, Folks!

Welcome to Midland's 17th Annual World Championship Rodeo. We hope you'll enjoy every performance of this big Western show and see thrills and spills galore every night. When you start home, stop at BOBBY'S SUPER SERVICE, 501 West Wall, and let trained attendants service your car to give you a safe trip from the rodeo. The latch string is always out and you can depend on courteous service any day.

### Jacobsen Makes Lawn Mowing Fun

Small city lots... large estates... areas broken by flower beds, trees and shrubbery... hilly lawns... special turfs such as bent grass and fescue... no matter what the lawn-cutting problem, Jacobsen Power Mower, featured by WILCOX HARDWARE, 505 West Wall, is designed to meet your needs. Grass cutting is fun with a Jacobsen Mower. It's the difference in doing the job the hard way and just breezing through it by letting your Jacobsen do the work.

### Lawn Mower Service

New equipment has been installed at WILCOX HARDWARE, 505 West Wall, to give you expert service on your lawn mower. Whatever the model or size, Wilcox is in a position to handle any mower from a five-inch blade to a 36-inch tractor mower. New machinery provided for this service includes the Ideal Grinder, the Modern Grinder, the Foley and Yard Man Lapping Machines. Just call 44 for pick-up and delivery or take your mower to Wilcox Hardware, next to Safeway.

### Welcome, Rodeo Visitors!

WOODY ACUE'S HUMBLE SERVICE, 702 West Wall, joins the whole community in welcoming you to Midland and hopes you'll enjoy every minute of the big Western show. You're also welcome at Woody Acue's Humble Service every day in the year. On your way home, stop and let the station service your car for a pleasant, safe trip. You'll be pleased with the speedy, courteous service and the dependable Humble products.

### Carmaleta And Billie Russell Engagement Announced At Tea

CRANE—Mrs. L. E. Russell announced the engagements of her daughters, Carmaleta and Billie, at a tea Saturday in the Gulf Recreation Hall.

Carmaleta is the bride-elect of Gene Johnson, son of Mrs. Ruth Shirley of Crane. The couple will be married June 9 in the home of the bride-elect's parents. Johnson is employed by the Magnolia Oil Company and Mrs. Russell is a senior in the Crane High School. The couple will live in Crane.

Billie is the bride-elect of Pvt. George Brooks of Camp Chaffee, Ark. She is employed by the Phillips Petroleum Company in Midland. They will be married July 1 and will live in Arkansas.

The tables were covered with lace cloths over blue. The refreshments table was centered with an arrangement of blue and white daisies and white satin sashes with the announcements printed on them.

Mrs. Jim Shackelford presided at the guest registry. Those in the receiving line were Mrs. Russell, the bridesmaids, Mrs. Shirley and Mrs. Lloyd Hoffield.

Lola Green, Chloé Booth, Mrs. H. E. Baker, Mrs. Ted Green and Mrs. V. Russell served refreshments.

Guests attending were Mrs. Cecil Sneed, Mrs. Clarence Key, Mrs. Edythe Wetzel, Mrs. Jack White, Mrs. E. N. Beane, Mrs. W. L. Gregory, Mrs. Lee Turner, Mrs. C. L. Scott, Mrs. E. F. Craig, Mrs. Pete Lovelace, Mrs. R. G. Taylor, Mrs. J. P. Hughes, Mrs. D. W. Perkins, Mrs. George McCorkle.

Mrs. V. M. Stacy, Mrs. Dick Bat-

son, Mrs. D. L. Kinsey, Mrs. W. G. Slater, Mrs. Thomas C. Hogan, Mrs. Claude Townsend, Mrs. A. C. Shaver, Mrs. Coy Pope, Mrs. R. L. Maynard, Mrs. J. W. Westmoreland, Mrs. S. F. Robinson, Mary Lou Sneed, Leanne Turner, Dorothy Crittenden, Eva Mae Miller, Lois Russell and Mrs. W. W. Orchard, Jr., of Iraan.

"Climbing Spaces," "Tumbling Lines" and "Lullaby for a Teddy-bear," Sharp, Louise Langston; "The Cuckoo," Lake, and "Dutch Dance," Thompson, Ann Tillman; "The Dinkyville Express," Ibbotson, and "The Elephants Perform," Klaus, Gary Scott; "Gay Monterey," Ibbotson, and "Prolucky, Rollycky Wind," Coburn, Billie Helbert.

"Beautiful Dreamer," Foster, and "The Wind and the Tumbleweed," Carter, Betty Sue Adams; "Chimes Through the Mist," Frost, and "Butterflies Wink Their Primrose Wings," Goodrich, Linda Muri Straeener; "Maurica," Czerny, and "Boy's Merry-Go-Round," Gade, Harold Scott; "Spinning Song," Elmenreich, Larry Cooper; "Curious Story," Heller, and "Fawn in the Forest," Adler, David May, and "Minuet," Bach, and "Where Go the Clouds?" Ditteneaver, Karen Mork.

**Shower Honors Mrs. Pettiet**

CRANE—Mrs. Herman Pettiet was honored with a pink and blue shower Saturday in the Community Hall. Hostesses were Mrs. Mel Ingram, Mrs. A. F. McCasland, Mrs. D. E. Ragland, Mrs. B. W. Dennis and Mrs. M. A. McCasland.

The refreshments table was centered with an arrangement of yellow daisies and green foliage. The honoree was presented a yellow rose corsage. Pink larkspur centered the registry table.

Others attending were Mrs. Clyde Dickson, Mrs. Durwood Ragland, Mrs. Norman Upham, Mrs. White McCasland, Mrs. C. L. Scott, Mrs. O. L. Sharrock, Mrs. B. W. Dennis, Mrs. Oscar Kinsey, Mrs. Dureese Shelby, Edna Pettiet and Mrs. C. W. Laird.

**Sharol Rives Has Birthday Party**

CRANE—Sharol Rives was honored with a birthday party recently in the Community Hall. Mrs. Tom Rives, the hostess, was assisted by Judy Rives and Gene Fitzgerald of Wichita, Kan.

After pictures were taken games were played.

Twenty-eight guests attended.

**RECITAL SCHEDULED**

Mrs. Benton Howell will present her piano pupils in a recital at 8 p.m. Thursday in the David Crockett School Auditorium.

Childbirth deaths have been reduced in the United States to less than one per 1,000 births.

# SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, MAY 31, 1961-3

### Piano Recital To Be Given

### Use Square-End Neckties For Make-At-Home Fashions

This young woman shows off her new "hat," which meets husband's approval despite fact his own new tie went into making of it. A bit of wire and velveting complete this make-at-home fashion accessory.

By ALICIA HART  
NEA Staff Writer

Good bets for the woman who's long on imagination, but short on patience, are the new men's ties offered this season.

Made up in fabrics that include taffeta and jersey as well as the more traditional weaves, the ties are now finished with square ends instead of the usual pointed ones.

These lend themselves especially well to women's fashion accessories, without giving away the fact that they are fugitives from a male track.

With a minimum of needlework, you can transform these colorful cravats into neckwear for yourself, into sashes or whatever your fancy prompts.

Especially effective is a "hat" made from a bit of velveting, a length of thin wire and a tie in the material, hue and pattern of your choice.

Simply attach the net to a halo of wire, then conceal the wire with the tie, which is knotted into a soft bow at the side.

A plaid, check, stripe or foulard is a good selection for accenting a plain-color suit or dress. Or, for a patterned ensemble, try a one-tone tie in a shade that repeats the predominant color.

**Baptist Fellowship Meeting Scheduled**

The Bible Baptist Church and the Trinity Baptist Church will be hosts Thursday to the Permian Basin Fundamental Baptist Fellowship. All services are scheduled to be held in the Bible Baptist Church at 10 a.m., 1:30 p.m. and 7:30 p.m. A luncheon at the church will be served and dinner will be served at 8 p.m. to out-of-city guests.

Speakers for the monthly meeting include the Rev. A. T. Suskey, pastor of the First Fundamental Baptist Church in Crossett, Ark., the Rev. J. E. Whisenant, pastor of the Southside Baptist Church in Colorado City and the Rev. Harvey Graham, evangelist sponsored by the district.

The Rev. J. Marion Hull is pastor of the Bible Baptist Church and the Rev. C. B. Hedges, the Trinity Baptist Church.

**Carsons Are Hosts To Hobby Club**

Mr. and Mrs. J. P. Carson were hosts to the Midland Hobby Club when it met Monday in their home. Husbands of the club members were special guests.

Games were played.

Others attending were Mr. and Mrs. A. G. Bohannon, Mr. and Mrs. J. C. Hudman, Mr. and Mrs. B. H. Spaw, Mr. and Mrs. A. F. McKee, Mr. and Mrs. G. W. Brannaman and Mr. and Mrs. W. R. Upham.

**Club To Sponsor Dance Lessons**

The Single Saddle Square Dance Club will sponsor a series of square dance lessons beginning at 8 p.m. Monday in the City-County Auditorium.

The lessons will be held each Monday through June.

Harry King, square dance caller from Big Spring, will be the instructor. Anyone interested in learning to square dance is invited to attend.

The elementary teachers also honored the bride-elect recently with a party in the home of Mrs. Tillman. Mary Kent was co-hostess.

The honoree was presented with a blanket. Those present were Mrs. Roy Browning, Mrs. Ruby Hughes, Mrs. B. J. Maynard, Mrs. Burt Strickland, Mrs. Joseph A. Beyer, Mrs. G. E. Owens, Mrs. Joel Williams, Mrs. Gay Miller, Mrs. Ray O'Gwin, Mrs. George Chrane, Mrs. James Livley, Mrs. Paul Patterson, Mrs. Brady Nix, Mrs. Jim Nevins and Martha Preston.

The bride-to-be was complimented with a bridal shower Thursday in the home of Mrs. B. F. Finley in Meadow. Mrs. Finley's daughter, Jean, was the hostess.

Mrs. Elsie Westmoreland of Crane and Mrs. Roy Blair of Meadow presided over the refreshment table which was covered with a lace cloth over yellow chintz. A rose and carnation arrangement centered the table. Ribbon streamers, inscribed with "Freda and Billy Tom—May 30," extended down the table.

Lee Nell Walker, sister of the bride, presided over the guest book. Ninety guests attended.

**Youth Center Has Program**

McCAMEY—A Youth Center program was held Saturday night in the McCamey Park Building.

The auditorium was decorated in red, white and blue with a Maypole as the central attraction. Outdoor and indoor games were played.

Mrs. Lawrence English and Mrs. Helen Cooper were in charge of arrangements.

Representatives present were Mr. and Mrs. Bill Sheppard and Mr. and Mrs. Dale Keneaster from the Odd Fellows Lodge, Mrs. and Mrs. J. W. Caddy, Eastern Star; Bill Casein, American Legion; Mrs. Harold Brown, McCamey Home Demonstration Club, and Tom Fuller and Lawrence English, parents.

Approximately 110 children attended.

They shall lift up their voice, they shall sing for the majesty of the Lord, they shall cry aloud from the sea.—Isaiah 24:14.

A-Missiles Not Whole Answer

In Seattle recently, General Collins, Army chief of staff, said that atomic weapons have been developed to the point where "their safe use close to our troops is only a matter of time."

This is only one of the many hints that have been emerging from Washington in the last few weeks that progress in the atomic field has been on a notable scale.

One reporter concludes on his own—but on the basis of facts given to him—that the United States now has a stockpile of A-bombs big enough to permit their use not only strategically, against cities, but tactically, against troops in the field.

He says the Nevada tests earlier this year were designed generally to "get more for less" and were so successful they had the effect of doubling overnight the U. S. atomic power on hand.

There also are reports to be plans for exploding an atomic bomb underground, presumably somewhat in the fashion of a gigantic land mine.

Taken together with Collins' remark, these suggestions indicate that before long the destructive force of an American army in the field will be multiplied enormously.

In the strategic category, there's frequent indication that today's A-bombs have a destructive power some five or six times as great as the bomb dropped on Hiroshima in World War II.

There is added comfort for us in these disclosures. They show that our scientists and strategists have not viewed the A-bomb as a sort of Maginot Line, a great protective wall behind which we could huddle in safety.

But in none of this encouraging news is there ground for smugness or complacency. No atomic power we can muster will outdate the ordinary foot soldier.

This we have to recognize if we would use our tremendous atomic strength wisely. Real military power must be a compound of air, sea and ground forces equipped with the most destructive weapons available.

Bon Voyage

Americans wish Godspeed to the men of the Fourth Division who are sailing these days in small groups to take part in the defense of Western Europe.

Unsung Heroes

When the American people are totting up the list of heroes in the Korean war, they shouldn't overlook the Allied counter-intelligence agents who smashed an enemy spy ring one week before last September's Inchon landings.

"Aren't Prices Terrible?"

The Washington Merry-Go-Round

By Drew Pearson

WASHINGTON — President Truman, talking to friends from San Francisco the other day, hinted he soon would be making a whistle-stop campaign through California.

That's in the cards, the President promptly replied. "That's in the cards."

Then, as an afterthought, he asked why he was needed in California.

"You're in trouble out there, Mr. President," the friend replied, "as a result of MacArthur's visit."

"Oh, that'll be all right," was Truman's humorous comeback. "California's composed of crackpots from Kansas, Iowa and Missouri—like me. Once I get out there and talk their language, they'll get back in line."

What irks Ken is that Senators Knowland of California, Bridges of New Hampshire and Taft of Ohio, all Republicans, are in frequent touch with MacArthur, while his spokesman, Maj. Gen. Courtney Whitney, telephoned questions to them to shoot at Gen. Omar Bradley and Gen. Joe Collins, when they were on the witness stand.

In contrast, Senator Wherry was turned down when he tried to see MacArthur in New York, and yet hasn't been able to get him on the telephone. You can't blame him for feeling just a little out in the cold.

It is supposed to be an office secret, but the woman who runs Senator Pat McCarran's office, attractive Eva Adams, now has ambitions to become a senator from Nevada herself.

McCarran goes through with his support for Bible, it means his Senate office and the woman who runs it will be impossible to live with.

Have a Laugh

A lawyer was riding on the train. Across the aisle was a very friendly man who was a traveling salesman and who talked and talked. At last, he asked the lawyer, "What do you do?" He said, "I'm a traveling salesman."

ON BRIDGE JACOBY

By ORWALD JACOBY

It South had bid three no-trumps instead of four spades he would have made his contract without the slightest difficulty.

In situations of this kind it usually pays to bid game in the major suit. The play for game is usually just as good, sometimes better, and the major suit is usually safer against a bad set.

West played the king of hearts, and South played low from the dummy. East signalled enthusiastically with the ten of hearts.

Bridge score table showing North (3) and South (4) scores for various suits.

knowing that this signal would clarify the situation for West (if necessary) by denying the jack.

Here we might take a moment out to explain that point. A player who can afford to signal with the ten could equally well afford to signal with the jack if he had that card.

As it happened, West had the jack of hearts and could continue hearts without danger.

South had to play for the ace of diamonds outside or for West to begin the diamonds.

This plan would have worked against "normal" defense. South would lead three trumps, and West would discard a high diamond and a low club.

However, when South led the second round of trumps West rose to the occasion by discarding the jack of hearts.

CARD Sense

Q—The bidding has been: West North East South 1 Heart 1 Spade Pass ?

You, South, hold: Spades K-Q-T, Hearts Q-3-2, Diamonds K-4-4, Clubs A-3. What do you do?

A—Bid three spades. This is a strong invitation (but not a force) to game.

Q—The bidding has been: West North East South 1 Heart 1 Spade Pass ?

You, South, hold: Spades K-Q-T, Hearts Q-3-2, Diamonds K-4-4, Clubs A-3. What do you do?

Q—The bidding has been: West North East South 1 Heart 1 Spade Pass ?

WASHINGTON COLUMN

Finds Acheson Still Can Relax Despite Pressure Put On Him

By PETER EDSON

WASHINGTON—For a guy who is about to be given the sack, have his head cut off, or something, Secretary of State Dean Acheson seems to be awfully relaxed and enjoying it.

The Germans are here on a transcontinental tour to observe the American democratic process in action, Secretary Acheson said at the press conference.

He said his only regret was there weren't any photographers present with their flashbulbs to make it a full show.

Then a reporter asked what about this speech on Red China that Assistant Secretary Dean Rusk had made in New York?

The secretary laughed a quiet laugh and shook his head wearily to let it be known that he saw that one coming and knew it was loaded.

Well, did the secretary think Rusk's words were well chosen? a reporter asked.

Then, down in the front row of the State Department auditorium where the press conference was being held, a shy reporter in a quiet voice asked if the subject could be shifted to Iran?

When the back of the room asked that the question be repeated louder, Secretary Acheson spoke up with, "He wants to know if asking a question about Iran would be interpreted as being helpful to me."

Incidentally, Senator McCarthy on May 11 said he had inside information that Secretary Acheson would be fired in three weeks.

But a few days later Secretary Acheson said he had enlisted for the duration.

spades. If his overall was very shabby he will pass.

TODAY'S QUESTION: The bidding has been: West North East South 1 Heart 1 Spade Pass ?

The Form Divine

whispered to Lucilla, "Don't you even like Arthur Godfrey?" He caught this, and also Lucilla's fierce shake of the head.

Lucilla had expressed herself so often on the subject at home that the words were grooved in her head, and rolled out without conscious volition.

QHE reached the end of the corridor, still brooding, and turned back, only to bring back into the tweed-cloth case of her dressmaker, outside instructors only.

"I didn't mean to get up on a soap-box," she mumbled.

"I found it very interesting," Mr. Marlowe said. "I'm always glad when the students speak up."

QHE reached the end of the corridor, still brooding, and turned back, only to bring back into the tweed-cloth case of her dressmaker, outside instructors only.

Questions and Answers

Q—From what type of tree do the East Indians make bark cloth?

Q—Is the United States completely topographically mapped?

So They Say

We must not alternately arm and disarm with every seeming change in Kremlin policy.

The greatest political mistake we made in a hundred years in the Pacific was in allowing the Communists to grow in power in China.

No single nation has the resources to stand up against an onslaught from the Soviet Union and its satellites—not even the United States.

Social sciences will have a far greater significance in fashioning the pattern of our society of the future than has been the case in the past.

DARIN settled the problem of least momentarily. She advanced on them, moving at an accelerated rate, and took Lucilla by the arm.

QHE reached the end of the corridor, still brooding, and turned back, only to bring back into the tweed-cloth case of her dressmaker, outside instructors only.

## Rodeo Opening—

(Continued From Page One)  
 Bradberry and Ray Kirkwood on blue horses; Pete Kerscher and Faye Blessing on black horses; Marvin Shoulters and Norma Shoulters on sorrel horses; Lanham Riley and Bill Riley on black and white horses; Leon Sultenfuss and Jo Decker on yellow and white horses; Harry Tompkins and Rosemary Tompkins on red and white horses; Howard Brown and Berneta Kerscher on Palomino horses; Alvin Jordan and Jeanne Goddahl on white horses.

Guy Weeks of Abilene posted the best calf roping time of the night in 17.3 seconds. Lanham Riley of Dublin was close on him with a time of 18.1 seconds. Dan Taylor, called the "Dilly from Dools," had a good time of 21.2.

Other calf roping results were: Vic Montgomery of Oona, no time; Harry Howard, Rankin, 27 seconds flat; Peppy McKinney, Yalita, 29.7; Frank Rhoades, Throckmorton, no time; Homer Pettigrew, Chandler, Ariz., 33.3; Guy Tom Cowden, Midland, no time; Monroe Tunlinson, Carlsbad, Texas, no time; Zeno Farris, Las Cruces, N. M., 22.3.

**Calf Roping Times**  
 Also Curtis Cook, Crane, 36.8; Steve Stephenson, Fort Worth, no time; J. L. Rogers, Midland, 31 flat (two loops); N. A. Pittcock, Aspermont, no time; Doyle Riley, Ballinger, 26 flat.

**Saddle Bronc Riding**  
 Ken Boen and the Old Gray Mare was a pleasing specialty number on the program as event number six.

It rained cowboys in the saddle bronc riding as two world champions were thrown. Sonny Lavender of Holiday, Texas, on Kickapoo, won first day money, and Bill Ward of Angel's Camp, Calif., was second on Blue Flame. These were the only two riders to qualify.

**Other bareback bronc results were:** Guy Weeks, Abilene, on 22X, ride; Bill Barton, also of Abilene, on Chief Tybee, thrown; Lee Roberts, of Roswell, N. M., on Dago, thrown; Tommy Tate, Midland, on Easy Money, thrown; Tex Lewis, Abilene, on Scorpion, thrown.

Sancho W., owned and ridden by Jackie Worthington of Jackboro, did the best job of the night in the cutting horse contest, scoring 73 points for first. Tied for second and third for the night were Smoky C., owned and ridden by Bob Beal, and Chickasa Mike, owned and ridden by Buster Welch, both with 72 points. Other cutting horses per-

forming were: Francis, owned and ridden by Bill Kennard, 87 points; Miss Nancy Bailey, owned by Doc Cash and ridden by Herb Frizzell, 82 points.

Bill McGuire of Fort Worth, world's champion, had the best time in steer wrestling with a throw of six seconds flat. Dub Phillips of San Angelo, another champion steer wrestler, posted a time of 7.9 seconds. Other steer wrestlers were: Homer Pettigrew, Chandler, Ariz., no time; Royce Sewall, Brownwood, no time; Whit Kenney, Stephenville, 36.1; Monroe Tunlinson, Carlsbad, N. M., no time; J. L. Rogers, Midland, 25.7; Paul Cross, Las Cruces, N. M., 31.3; Manuel Enos, Fort Worth, 10.4; Tater Decker, Roswell, N. M., 41.8; Pete Ashlock, Fort Worth, no time.

**Roberts Is Winner**  
 Midland's own Flip Roberts had the winning time in wild cow milking, in 42.1 seconds. Other results were: Homer Pettigrew, no time; Charles Scott, 60.9; J. L. Rogers, 55.4; Whit Kenney, no time.

In the always thrilling exhibition of cowgirl's trick and fancy riding were Jeanne Goddahl, Norma Shoulters, Faye Blessing, Mital Riley and little D'Lyla Kerscher.

The bulls beat the cowboys in the Brahman bull riding event, six to three. Sonny Lavender won first day money. Tex Lewis was second and Harry Tompkins, former world champion, third. Marvin Shoulters of Tulsa, Okla., was fourth. Other results in bull riding were: Gerald Roberts, thrown; Jerry Lawhon, San Angelo, thrown; Pete Lawhon, San Angelo, thrown; Wag Blessing, San Fernando, Calif., thrown; Jim Shoulters of Tulsa, thrown; Bill Francis of Fort Worth, thrown just at the horn.

### Fire Almost Cooks Store's Vegetables

The Piggy Wiggy No. 3 store at Missouri and A Street came close to having a fire sale on vegetables Thursday.

When a truck filled with the day's produce pulled up to the store Thursday morning and the vegetable vault was opened, a small fire was found inside.

Luckily, said Manager L. Nichols, there was only a small quantity of vegetables inside and the fire damage was slight.

"Anyway," he added, "I don't think I ever heard of a fire sale on vegetables."

ON GUARD—With plenty of spare ammunition laid out before him, Cpl. Charles Black, of Johnsonburg, Pa., watches out for enemy troops as he helps give cover to a UN patrol in the Korean valley below him. (Photo by NEA-Acme Staff Photographer Walter Lea.)

## Greece's Top-Limb Military Hero Quits

ATHENS, GREECE — (AP) — Greece's number one military hero, 68-year-old Field Marshal Alexander Papagos, quit as chief of the nation's armed forces Wednesday. His walkout was followed by "minor incidents" and an Army alert in Athens.

Papagos blamed his resignation on ill health. Observers here said maybe it was due to political differences with King Paul.

Emergency measures were put into effect in Athens Wednesday night, but a government announcement on the Athens radio said Thursday — to reports that an attempt would be made by "anarchist elements at infraction of public order." The radio said the emergency was lifted at 8 a.m.

Papagos' resignation was the chief topic of the day here. Newspapers came up with all kinds of explanations as to what really inspired the marshal to make so momentous a decision. No paper accepted ill health as a plausible excuse.

The news, which was received with mixed emotions by the public, was considered the most important military development since the suppression of the Communist guerrillas in the Fall of 1949.

## Girl Scouts Have Election, Picnic

CRANE—Sandra Ward was elected president of Brownie Troop 3 at a recent meeting in the home of Mrs. J. C. Grissom.

Other officers elected were Marjorie Mae Kirkham, vice president; Shirley Majors, secretary, and Nita Joy Laughlin, reporter.

The next meeting will be held at 4 p.m. Monday in the Community Hall.

The three Brownie troops held a wieners roast recently at Castle Gap. The girls took a hike and played games.

Mrs. Marion Clancy, Mrs. J. C. Grissom, Mrs. A. P. Birdsong, Mrs. Ray Iles and Mrs. G. A. Toole accompanied the group. Thirty-four Brownies attended.

Advertise or be forgotten.

**WINNING FLOAT**—The Beta Sigma Phi float won first prize in the rodeo parade Wednesday. The parade was in observance of the opening of the 17th Annual World Championship Midland Rodeo. Pictured on the float are, left to right, Beta Beights, Suzanne Patterson, Mrs. Charles Patterson and Mrs. Vic Chancellor.

**Hosses—**

(Continued From Page One)

to award their trophy, they summoned the Ward County group, attired in levis, gray shirts and gray chaps, and presented Cox with the trophy donated by the Midland County Sheriff's posse, which cut a pretty fine picture itself in leading the parade.

And then there were cowboys, podner; cowboys and cowgirls, some in drab work clothes and some in fancy rodeo duds.

They ranged from tiny tots on up to weather-beaten C. A. McClintic, who's been on hand for just about every rodeo Midland ever held and Wednesday rode his paint horse, "Boots."

The judges looked them all over with a critical eye and picked "Uncle John" Roberts of Midland as the most typical old-time cowboy.

They picked Newt Clark, a wrangler out on Roy Parks ranch, as the most typical cowboy and little Runt Montgomery of Andrews County was named the most typical junior cowboy.

Wanda Emfinger was picked as the best cowgirl and Susan Montgomery as the best junior cowgirl.

The all received gifts contributed by Midland merchants, including Wilson's Dry Goods Company, Dunlap's, T. Paul Barron's, Vostok's and Hughes Jewelry.

There was music, too. The Midland High School band, decked out in cowboy regalia, marched at the head of the procession.

And floats, too.

The floats included one entered by Donohoe's Restaurant, featuring the organ music of West Masters; a giant-size boot entered by Beta Sigma Phi; a donkey-bearing cart entered by Midland Hardware and Furniture Company and an old-fashioned parlor scene entered by Nu Phi Mu.

Beta Sigma Phi was awarded first prize in the float section, second place went to the Midland Sheriff's posse square dancers, and third prize was given to Nu Phi Mu.

Naturally, them new-fangled suit-mobles had to try to horn in on the show, but pretty as they were, they had to be content with bringing up the tail-end of the procession.

It was the day of days for those 300 hosses—and two tired old mules.

**RODEO VISITOR**

Freddie Rhodes, Abilene rancher, is here to attend the 17th Annual World Championship Midland Rodeo.

**U. S. SULPHUR FOR INDIA**

**NEW DELHI**—(AP)—The U. S. government has allocated to India 18,000 tons of sulphur for the first and second quarters of this year at an average cost of \$1.50 a ton f.o.b., commerce and industry minister H. K. Mahatab says. In 1950-51, the U. S. exported to India 48,477 tons of sulphur, valued at \$1,948,000, he added.

**JACOBY ON CANASTA**

**BY OSWALD JACOBY**  
Written for NEA Service

Some expert canasta players believe in playing every hand, or at least nearly every hand, for a kill. In particular, they have a theory that it is silly to meld from your hand when you need only 50 points.

Furthermore, if they need 50 points and one of the opponents melds from his hand they freeze the pack immediately, regardless of how good or bad their own hands happen to be.

The basis of the theory is that 50 points is an easy count to acquire and that any player is almost certain to have that count by the time he has made a few plays. Then they go one step further and reason that a side with twenty-two cards in the combined hands will have the better chance in a fight for a frozen discard pile than a side with only nineteen cards.

These players also fight for the discard pile from the very start. For instance, if a player of this school starts with three or four of a kind, he may discard those three or four cards right away, or he may vary his game slightly by throwing an odd card at his first play and then follow with his matched set.

Therefore, when all four players belong to this school there is an excellent chance that no one will meld or take the discard pile for several rounds. By then the discard pile will have become so large that both sides will go into an all-out fight for it.

In order to play safe and to retain as many pairs as possible each side will throw wild cards into the pile one after another. Eventually, the side that is lucky enough to get the pile will have complete control of the game and will score several thousand points, since by that time the opponents will have no play left.

Players of the automatic quick melding school will probably lose against players of this school but may not. The point to remember, if you meld from your hand and your opponent then freezes the pack, is that you are competing with nineteen cards against twenty-two, and that there is no point in your going all-out to fight for the pack. Reconcile yourself to the possibility of taking a loss on the hand and concentrate on playing for out. Of course, even playing this way you may get the discard pile, in which case you will then be able to play for a big hand yourself.

The word "tumbler" for a drinking glass resulted from the fact that early glasses had round or pointed bottoms which could not stand on a table.

**Rodeo Announcer Addresses Midland Rotarians Thursday**

Midland's Rodeo is THE World's Championship Rodeo, Ray Lackland of Dallas, famed rodeo announcer, told members of the Midland Rotary Club at their meeting Thursday noon in Hotel Scharbauer.

It was the club's annual Midland Rodeo meeting, and Delbert Downing, program chairman, presented a varied program of Western entertainment.

Marion Flynn, chairman of the show's Publicity Committee and a member of Midland Fair's Rodeo Committee, termed the 1951 rodeo, which opened Wednesday night, the best in history and predicted it will be the most successful from every standpoint.

"Midland Rodeo is staged for the entertainment of Midland and area residents," he said. "We have the roughest stock and the world's top cowhands. It is great entertainment."

**Cowboy Musicians**  
Duke (Cowhand) Jimerson was presented in three vocal selections, one of which was an original composition, "It's Rodeo Time in Midland." He was accompanied at the piano by John (Cowpoke) Springer.

Lackland, in his address, traced the history of rodeos, termed rodeo the one true sport of the American continent. He lauded Producer Everett Colborn as the world's greatest producer of Western shows.

**Eulogy On Stalin Robbed From Bible**

**BERLIN**—(AP)—Johannes Becher, poet laureate of East Germany, has written a new poem to eulogize the Soviet Union, and it seems to have been inspired by the Bible.

Becher's latest work is a 300-page-long tome dedicated to Stalin and entitled "Star of Never-Ending Glow."

It amounts to a parallel with the Star of Bethlehem. In an explanatory preface, Becher draws the comparison himself by suggesting that the Soviet Union has only one message for the world, and that is "peace on earth."

He doesn't add the traditional "to men of good will."

A new mortar gun is for use in applying mortar on bricks or blocks without the skill required in trowel application and with less waste. It is an electrically operated device with an endless screw inside of the type used in familiar meat grinders.

**Gaily Dressed Rodeo Crowd Is Thrilled By Daring Performers On Opening Night**

An overwhelming crowd of gaily attired and excited rodeo fans attended the first performance of the 17th Annual World Championship Midland Rodeo Wednesday night.

The grandstands were filled and overflowing with cowboys and cowgirls dressed in complete Western attire. Riding pants or blue jeans, loud Western shirts, boots and 10-gallon hats was the order of the day for rodeo spectators.

In this attire the audience made the picture of Western and ranch life complete at Midland Fair Park. The rodeo riders rode through each event, giving the cowpokes in the audience thrills and chills each time a chute opened.

One part of the audience not to be neglected was the cowboys and

cowgirls—junior also. Handsomely attired in Western regalia these youngsters all wanted to be rodeo riders.

When asked if he wanted to be a cowboy, one small boy said, "I'm already a cowboy but I'm not old enough to ride in the rodeo."

While the trick riders were performing one small girl was overheard saying, "Ah, I could do that. I just don't have a horse."

They may not all turn out to be rodeo or trick riders but Wednesday night they looked the part—with guns and hats as big as they were.

The spectators, dressed for comfort and a good time, went wild with enthusiasm over the main events of the rodeo. They cheered their favorite cowboys, laughed continuously at the antics of the clowns and sighed with disappointment when a rider was thrown or disqualified.

"The next performance will be at 8 p.m. Thursday night so don your Western attire and—See you at the rodeo."

**Engagement Of Joan Jester Is Announced**

**CORSICANA**—(AP)—The engagement of Joan Jester, daughter of Mrs. J. R. Morris of Texasarkana and the late Gov. Beauford H. Jester to Thomas Eugene Berry was announced here Thursday.

Miss Jester and Berry, son of Maj. Gen. and Mrs. K. L. Berry of Austin, will be married at 2 p.m. June 30 in the First Methodist Church of Corsicana. She is a student in the University of Texas at Austin.

**Chute 1—**

(Continued From Page One)

ing night, tossing off such champion hands as Gerald Roberts, and Jim Shoulters. . . . Everett Colborn was teasing Shoulters that the old mean bull hadn't seen the champ's belt buckle. . . . A cutting horse ground was slated Thursday morning. . . . A complete calf roping ground is slated Friday morning. . . . Sitting in Box 100 and receiving recognition were their honors—Mayor and Mrs. Perry Pickett, Judge and Mrs. C. C. Keith, and (making their first Midland rodeo) Tenderfoot and Mrs. Wick Fowler.

If Dan Taylor hadn't fallen down before making that quick tie in calf roping, he would have been well up there for the night. . . . Several calves in the roping contest were just creamy enough to do a little "joggling" off course. . . . Owners of good roping horses go through a series of gyrations when they lend their horses to other riders—ropers (they get part of the money if the borrower wins). . . . They live every move their horse and the borrower make. . . . No wonder Curtis Cook had a time in calf roping, his calf's number was 13. . . . Bill Barton of Abilene took a nasty spill in saddle bronc riding but recovered and walked from the arena. . . . Cheer up, Bill, Chief Tyhee has done a lot of cowboys that way.

Manuel Knox, a real cowboy, is wearing short sleeves this season. His candy-striped shirt has been bob-tailed for comfort on hot nights. . . . Warm as it was, the announcer accused several of the wild cow milkers of not warming their hands before going after that Grade A. . . . Notably, cowboys hate to milk and run on foot—they have to do both in the milking event. . . . Oute little D'Lyla Kerschler in the trick riding acts just like the big girls. . . . The fans were commenting on the long period of training it must have taken Ken Boen (clown) to train his "Old Gray Mare" to do all those tricks. . . . He's been working the mare six years. . . . One of the few disappointments of opening night was the failure of Casey Tibbs, sensational young bronc rider, to show up and ride a bronc in the saddle event. . . . He was booked but did not appear.

A hurried SOB to Texas Electric got lights in the band stand as darkness came on. . . . The electric company keeps a trouble-shooter on hand for such emergencies. . . . It took 45 or more minutes to get through the end-of-show traffic back to town. . . . The Midland Sheriff's posse did a good job of parking autos and "buggies". . . . There are quite a few Midland boys entered in the rodeo, including Charles Scott, J. T. Fisher, Frank Smith, Courtney Cowden, John Casselman, Jr., Roy King, Arnold Drake, Buster Welch, Hub Hewitt, John Dublin, Jr., Flop Roberts, J. L. Sawyer, H. F. King, Calvin Clark, J. L. Rogers, Guy Tom Cowden and others.

**SEES FIRST RODEO**  
Mr. and Mrs. Clint McFarland and children returned to their home in Plainview Thursday after spending several days here. They were interested spectators at the opening performance of Midland Rodeo Wednesday night. It was the first rodeo Mrs. McFarland, a native of Australia, ever had witnessed.

**HOSPITAL PATIENT**  
Mrs. Edith Ramsey, 909 North Dallas Street, was admitted to Midland Memorial Hospital Wednesday afternoon for medical observation.

**BARNETT IN HOSPITAL**  
Forrest Barnett, manager of Hotel Scharbauer, was admitted to Midland Memorial Hospital Wednesday afternoon as a medical patient.

**TREATED AT HOSPITAL**  
Troy Lee Rogers, 803 South Mincola Street, was given emergency medical treatment Thursday morning at Western Clinic-Hospital.

**MEDICAL TREATMENT**  
Ruth Johnson, 304 North Lee Street, was admitted to Western Clinic-Hospital Thursday for medical treatment.

Rubber is used as filling for some types of hollow airplane propellers.

**Ex-Officer—**

(Continued From Page One)

stration of ours and our senile, ignorant Congress.

The letter declared that "Americans are dying by the thousands, thanks to the pro-Red Administration."

Evans wrote the letter to Alfred Kohlberg, New York importer and Administration critic, while serving as assistant operations officer of the destroyer Rogers off the coast of Korea last April, and gave Kohlberg permission to publish it.

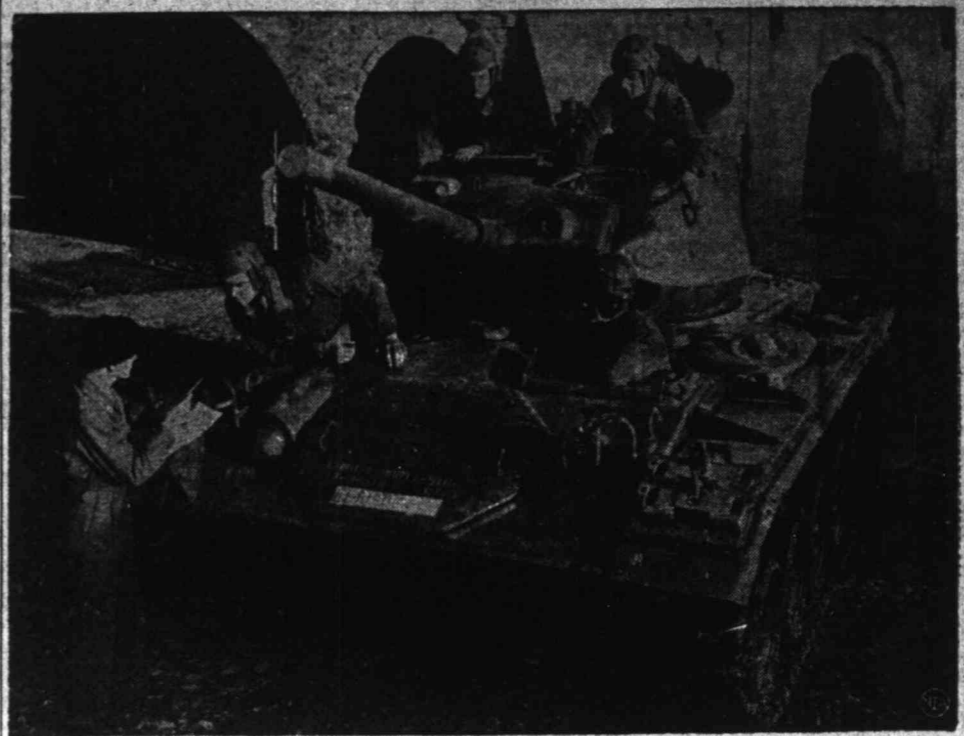

Talking with newsmen in Kohlberg's hotel suite, Evans said he had "a rather hot interview" with Secretary of the Navy Matthews shortly before his commission was revoked Tuesday.

"My Duty To Write" "I took the position," Evans said, "that my oath of service provided that my first loyalty was to my country. I felt that I was merely expressing the opinion felt by the overwhelming majority of those in the Far East and that it was my duty to write that letter."

Evans said he was decommissioned "under honorable conditions" for violating a Navy regulation, the Navy's General Order 16, which provides that any material published over the signature of a Naval officer must be cleared through the chain of command.

Kohlberg, to whom the letter was sent, is chairman of the American-Chinese Policy Association of New York and a booster of the Chinese Nationalists.

A copy of the letter, with deletions, was published first Thursday by the Chicago Tribune.

**TANK TANK FOR ITALY**—The World War II peace treaty limitations confining Italy's armed forces to 300,000 men, may be lifted if the U. S., Britain and France agree. In the meantime, special instructors, trained at Atlantic Pact training centers, are teaching Italian soldiers how to use arms and equipment supplied by the U. S. under the military aid program. Here, an Italian Army captain instructs a tank team in the handling of its 19-ton M-24 tank, the type now being used by most of Italy's tank outfits.

**West Challenges Russia To Accept Big Four Meeting**

**PARIS**—(AP)—The United States, Britain and France challenged Russia Thursday to accept a four-power foreign ministers' meeting in Washington July 23 "in the interests of strengthening peace."

The three Western powers sent identical notes aimed at breaking the deadlock over what world tensions the four foreign ministers should discuss. The four-power deputations have been trying to do that in Paris since March.

The notes blamed lack of agreement on an agenda upon the Soviet insistence that the Big Four should discuss the North Atlantic Alliance and the establishment of U. S. bases in Europe.

The Soviet Union contends the Atlantic Pact is a major cause of international tension. The West rejects this claim.

**ADMITTED TO HOSPITAL**

Mrs. Elate Cates of 2201 West Kentucky Street was admitted to Midland Memorial Hospital Wednesday afternoon for surgery.

### Rayburn Ends Long Silence, Asks State Title To Tidelands

WASHINGTON — (AP) — Speaker Sam Rayburn of Texas has broken his long silence at last, coming out in favor of giving coastal states title to their Tidelands.

Texas, Louisiana and California have rich deposits under the lands beneath the marginal seas. Rayburn issued this statement Wednesday night:

"We have been waiting in the House for the Senate committee to act on Tidelands legislation, thinking for the last two or three months that something would be reported.

"I had wanted the House (Judiciary) Committee to have something before it from the Senate before taking up the matter.

"After consulting Reps. Ed Gossett and Frank Wilson, Texas members of the House Judiciary Committee, I am requesting Chairman Celler (D-NY) of the Judiciary Committee and Francis Walter, chairman of the subcommittee handling Tidelands legislation, to take it up early next week and move. An early date to start consideration would have been a mistake.

"The reason for the delay is not what some may say," Rayburn said. "My position on Tidelands is what it has always been and I have so voted in the past. I think Texas owns and is entitled to the 10 1/2 miles of territory off its shores. I trust we can get a bill out of the committee of Congress that will become a law."

### 400 Baptists To Meet Here Friday

Four Hundred Baptist elementary leaders are expected in Midland Friday for an all-day conference to plan children's lessons.

They will meet at the First Baptist Church and much of the day's activities will be devoted to lesson plans for various age groups. The class programs for July, August and September in all Texas Baptist churches have been written by elementary leaders of the Kernis church.

These programs, consisting of visual aids, songs and Bible lessons, will be demonstrated to the conference here and adopted after they are perfected, the Rev. Vernon Yearby, pastor of the Midland church, said.

A reception at Hotel Scharbauer in the Crystal Ballroom at 4 p.m. will complete the day's program.

### Firing Of Youthful Navy Officer Bared By Admiral Sherman

WASHINGTON — (AP) — Adm. Forrest P. Sherman disclosed in his testimony Wednesday on the firing of Gen. Douglas MacArthur that the Navy has just ousted a young officer who wrote a letter vehemently criticizing Administration policies and supporting MacArthur's views.

The officer was identified by Senator Bridges (R-NH) as Lt. (jg) W. A. Evans, but the Navy said he was an ensign.

### Houston Packing Houses Close Doors

HOUSTON — (AP) — The Keystone Packing Company and its sales affiliate, the Crown Packing Company, have closed their doors for business.

"People have just stopped buying meat. The price is too high," Morris H. Cohen, president of the firms, said Wednesday night. "Because of the consumers' boycott, we can't make any money."

Ethioplans speak a Semitic language.

### Helps You Overcome FALSE TEETH

**Looseness and Worry**  
No longer be annoyed or feel ill-at-ease because of loose, wobbly false teeth. **FASTEXE**, an improved alkaline (non-acid) powder, sprinkled on your plates holds them firmer so they feel more comfortable. Soothing and cooling to gums made sore by excessive acid mouth. Avoid embarrassment caused by loose plates. Get **FASTEXE** today at any drug store.

### Camels in Korea! Maybe They're Just A Fly-Boy Mirage

BY WILLIAM C. BARNARD  
SOMEWHERE IN KOREA — (AP) — Some guys are stumped by a camel's humps. They say there isn't any such critter in the Korean war. But the Air Force disagrees.

Cross our hearts and hope to die, we've seen 'em and even counted the humps (two), the pilots report. Navy fighter pilots recently backed up the Air Force's argument.

The Navy fliers reported they picked off two camels near Hungnam, on the east coast of North Korea. It was another rebuff for the skeptics who have been arguing since December that the fly boys are merely too eager, that they mistake bundles on other animals for camel humps.

One infantry general even cast a sly wink at the sky and commented: "I wish the Air Force would send me a camel — I've always wanted one as a pet."

**Outrank Oxen, Bicycles**  
But whether you believe in camels or not, the truth remains they are the most fascinating targets of the U. S. Fifth Air Force. They easily outrank oxen, oxcars and bicycles.

The pilot who returns to base and says, "I got me a camel today," instantly wins the attention of the briefing officer. "How many humps?"

"Two," says the pilot. "I counted them."

It would be a rare thing, indeed if the airman spotted a one-hump camel being used by the Reds in Korea. Old one-humpers is common to North Africa, not Asia.

Allied ground forces never have found a camel or a camel's carcass. But there is nothing significant about that because Allied ground forces are not operating as far north as the airman.

The Air Force first reported spotting camels December 9. Lt. Norman Burner of Des Moines, Iowa, leading a flight of F-30 jets, strafed a Red convoy northeast of Pyongyang and reported knocking off eight camels.

Since that time airmen have reported spotting camels on many occasions in various Red supply arteries of North Korea. Some of the ungainly beasts were seen hauling artillery pieces—the Air Force insisted.

But the infantry still isn't convinced.

### Former Hungarian President Reported Jailed For Spying

LONDON — (AP) — The Daily Telegraph said Thursday Hungary's Communist government has jailed ex-President Arpad Szakasits on spy charges. The 63-year-old former Social Democrat leader, who merged Hungary's Socialist and Communist parties, resigned last year because of "ill health."

The Telegraph, which did not specify the source of its information, said Szakasits had been sentenced to 20 years for "espionage in the interests of hostile powers."

Szakasits, who previously had served as deputy prime minister, visited Generalissimo Stalin in Moscow in 1948. After his return, the Socialist-Communist merger was arranged and in August of that year he became president.

When the new Communist-written constitution went into effect in 1949, the post of president was abolished and Szakasits became chairman of the substitute presidential council. In April, 1950, he retired.

As far back as 1949 there have been reports that Szakasits was under arrest, but the Hungarian foreign office has denied them.

### L-Men Arrest 66 In Galveston Raids

GALVESTON — (AP) — Corporation Court trials were scheduled Thursday for 66 women and one man arrested in State Liquor Control Board raids on eleven houses here. All were charged in the city court with vagrancy.

Charges of operating an open saloon and aiding in the operation of an open saloon were filed against the women in County Court and will be heard when the new term opens in July.

Tom McPhaul, supervisor of the Liquor Board's Houston District, said agents were called in from Beaumont, Jasper, Cleveland, Houston, Freeport, Lufkin, Angleton, Overton, Brenham and Baytown to stage the simultaneous raids.

### Optimist-Sponsored Productions Slated Friday In Auditorium

Nadyne Griffin's fourth annual "Stars of Tomorrow" and Georgia Goss Harston's "Nutcracker Suite" will be presented at 8 p.m. Friday in the high school auditorium under the sponsorship of the Optimist Club.

The young performers are tap and ballet dancing pupils of Mrs. Griffin and Mrs. Harston.

The club's proceeds from the production will go into its boys work fund.

To perform in "Stars of Tomorrow" are the following:

Ronald Allen, Betty Adams, Becky Blackman, Arlie Bryant, Sheri Cherry, Lorraine Carlson, Diana Daugherty, Ardis Joy Griffin, Ann Goodman, Kay Good, Lu Wertha Hiett, Shirley Henderson, Ann Hinkle, Judy Jeter, Peggy O'Neal, Judy O'Neal, Diane Olsen, Kay Mackey, Ann Mackey, Donna Miller, Billy Little, Patsy McDonald, Carolyn Sue Price, Norma Ann Phillips, Susan Petzel, Judy Uhrig, Sandra Ponder, Sharon Ross, Dan Ratcliff, Anna Kay White, Sue Skaggs, John Whit-kington and Vicki Wilson.

Accompanists are Mrs. Douglas Blackman and Diana Daugherty. Costumes are under the supervision of Mrs. H. H. Nicholson and Mrs. Burnyce Gardner.

In Ballet Number

To take part in the "Nutcracker Suite," a ballet in two acts, are the following:

Ranelle Rhodes, Sharon Snodgrass, Carol Beasley, Patsy Yeager, Sue Schneider, Judy Pittman, Judy Beasley, Annabelle Floyd, Jean Dilly, Bonnie Blackwell, Carolyn Cooper, Kay Stillwell, Sally Eastham, Ann Johnson, Mary Adele Hardie, Helen O'Neill, Joan Turner, Susan Sloan, Claire Herd, Carolyn

**PETITE DANCERS**—These young dancing pupils of Georgia Goss Harston will perform in the "Nutcracker Suite" to be presented at 8 p.m. Friday in the high school auditorium along with Nadyne Griffin's "Stars of Tomorrow." The productions are sponsored by the Optimist Club. Pictured, left to right, are Susan Harston, Patricia McKinney, Susan Speers, Susan Sloan, Joan Turner, Kathy Erwin, Carolyn Cowden, Lou Anna Hellinghausen and Susan Fasken.

### Nebraska Twisters Kill One, Injure 15

SCOTTSDUFF, NEB. — (AP) — Two Memorial Day tornadoes, roaring down on Western Nebraska communities, killed one and left 15 injured.

They were part of a hodge-podge of weather violence that hit Nebraska Wednesday.

Hundreds of persons on holiday outings near here watched horrified as one of the twisters appeared out of a sunny afternoon sky. Weaving in and out among half a dozen communities, it struck daily two, the villages of Bayard and McGrew.

The other swooped down at dusk near Imperial, 120 miles southeast of here. It flipped over a car, killing the driver and injuring a passenger. Then it ripped through three farms.

An auto repair shop and store building were destroyed when the storm struck McGrew.

Bayard was harder hit. Lights, gas, water and telephone service were cut off. A hotel building, a hatchery, a sugar warehouse and several houses were damaged. Uprooted trees and rubble blocked several streets.

### Pilot Says Polar Flight Easy, But Once Is Enough

NEW YORK — (AP) — Charles Blair, Jr., the first man to fly alone over the North Pole in a single-engine plane, says the record trip was "awfully easy" but he doesn't want to do it again.

The 41-year-old airlines pilot flew across the top of the world Tuesday in his converted F-51 Mustang fighter plane, the "Flying Gas Tank." His 3,300-mile non-stop flight from Bardu, Norway, to Fairbanks, Alaska, took 10 hours and 27 minutes.

About eight hours later, Blair took off from Fairbanks and flew another 3,450 miles non-stop to New York, where he arrived at 3:40 p.m.

Blair, on vacation from his pilot's post with Pan American World Airways, said:

"It is awfully easy to fly across the top x x x but I wouldn't want to do it again. Once is enough."

Blair carried 3,000 letters with him across the pole. They were cancelled at Fairbanks and will be auctioned off in New York for the Damon Runyon Cancer Fund.

Before he goes back to work, the pilot said, "I am going to get a little sleep."

### The MATURE PARENT

#### How To Sell A Husband On Disciplining Child

By MURIEL LAWRENCE

Mr. K. is the sales manager of a big manufacturing concern. When he briefs his staff on how to present new product to their customers, he says: "Remember, it's a revolutionary idea. Give them time to adjust. Let them get used to it. Don't rush them."

But when Mr. K. presents his teen-age son with the idea of quitting the high school ball team to polish off some college credits, he doesn't stop to consider that it may be a revolutionary idea to Bill.

It never occurs to Mr. K. that his 17-year-old son might need a customer's chance to adjust to the suggestion. No, Mr. K. rushes Bill. He says, "No more baseball, period."

So the following June, when Bill has graduated with honors, he goes to his father and says, "Don't count on college for me, Dad. I've got me a job. You made my mind up for me for the last time when you ordered me to quit my team after the season opened."

Just a little of Mr. K.'s sales psychology—and Bill might have bought his father's idea. Just a week's application of the theory that you can't sell a man a product until you've made him think he needs it—and Bill would have gone off to college. Instead, when he should have been unpacking his suitcase in his father's old dormitory, he is polishing windshields in a gas station 300 miles from home.

We love our children better than our customers. We are more concerned with their welfare than we

## How can you Tell till you Try It?

**THE** days and weeks are slipping by—and what have you done about it?

What have you done to find out how it feels to handle a high-powered and high-spirited '51 Buick?

We'll tell you this. In all the years that Buick has been building fine automobiles, there's never been the match for this one.

This is a car that likes to be compared—for power, for performance, for ease of control, for ride, and room, and comfort.

We can tell you its valve-in-head Fireball power sinks you back in the cushions at the touch of your toe.

We can tell you it's nimble-footed in traffic, or that it conquers hills with smooth and exultant momentum.

We can tell you it hugs the road and holds the curves as if it were drawn by an invisible magnet.

We can tell you that it has big, soft coil springs on all four wheels—or that its gas mileage will put a smile on your face.

We can tell you that Dynaflo Drive\* will spoil you for any other type of power transmission.

But you'll never know till you try for yourself what all this really means.

How about coming in for a sample? Once you've experienced all this for yourself, the modest price tags on Buick SPECIALS, SUPERS or ROADMASTERS will look like a double bargain.

\*Standard on ROADMASTERS, optional on others. See your Buick Dealer for details. Equipment, accessories, tires and models are subject to change without notice.

- No other can provide all this:**
- DYNAFLO DRIVE\***—saves strain on driver and car
  - FIREBALL POWER**—high-compression, valve-in-head engine gets more good from every drop of fuel
  - PUSH-BAR FOREFRONT**—combines smart style and unsurpassed protection
  - WHITE-GLOW INSTRUMENTS**—greater clarity at night
  - TORQUE-TUBE DRIVE**—steady ride, improves driving control
  - 4-WHEEL COIL SPRINGING**—cushions ride, saves servicing costs
  - DUAL VENTILATION**—outside air fed separately to right or left of front compartment
  - SELF-ENERGIZING BRAKES**—hydraulic—multiply pedal-pressure five times at brake drum
  - DREAMLINE STYLING**—tapered, car-length fenders, gleaming sweepers on most models
  - Plus:** Self-locking luggage lid, Stop-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Powered engine mounting, Body by Fisher
- When better automobiles are built BUICK will build them. Optional equipment, accessories, tires and local taxes if any, additional. Prices may vary slightly to reflect fluctuations due to shipping charges. All prices subject to change without notice.

**NOTICE**  
WE WILL BE  
**CLOSED**  
**SATURDAYS**

for the overhauling of our machinery and remodeling of our plant.

Week Days we will operate as usual 7:00 am. until ??? p.m.  
(Your cooperation will be greatly appreciated)

## Broncs Bop Tribe 13-3

BIG SPRING—By the grace of Artesia and Sweetwater, Midland retained its sixth place standing in the Longhorn League Wednesday night despite a 13-3 shelling at the hands of Pat Stasey's Big Spring Broncs here.

Both Artesia and Sweetwater again lost to keep the Indians from skidding further down the ladder.

Veteran Eddie Jacome again found the Broncs too much and lost his third straight game. Harold Webb, Donald Blair and Dave McKenzie followed Jacome to the mound but none could halt the Broncs assault on the ball.

The Indians scored their runs in the first three innings, getting two in the second and one in the third. Woody Pennington singled for Midland in the second and Hayden White drew a base on balls. Gordon Tanner singled Pennington home, going to second as White went out at third. Jacome came through with a single scoring Tanner.

Fernandes, Broncs pitcher, had a spell of wildness in the third and walked Kenny Jones, Bill Hornsby, Pennington and White in succession to score Jones. But he settled down and goose-egged the Tribe the remaining distance while his mates caught up.

Lofland homered off Jacome with one on in the sixth and Fernandes smacked one off Webb with a mate aboard in the seventh.

Four of the Big Spring runs were unearned. Three of the unearned tallies were off Jacome.

## King's Row

by LARRY KING

DOTS AND DASHES: Audrey Gill and Red Rutledge departed late Wednesday for their boys' camp in Colorado. . . Tugboat Jones was due to leave for the Hidden Valley Camp Thursday. . . The MHS coaches expect to return to Midland about August 15 or 20. . . And then, of course, they'll get their Bulldogs together for a bit of grid practice. . . Jesus Torres, the Sweetwater pitching ace, has been out with an injury the last couple of weeks. . . Meanwhile, the Swatters have dropped 13 of their last 14 ball games. . . Eddie Jacome is "hung" on that number 10 win. . . The Indian hurler has lost his last three games. . . But he says "I'll win 'em". . . Tommy Hart, the Big Spring sports scribbler, already has named his choice for the Longhorn League "West" squad for the annual all-star game. . . And he failed to place a Midland player on the team. . . Tommy can't be blamed much, tho. . . He has seen Midland play in Big Spring four times this year. . . And the Indians lost 19-11, 16-1, 8-7 and 13-3. . . Standard of Texas continues to make noises like the top team in the City Major softball league. . . Bowling season just about over until Fall. . . The Petroleum loop will run two more weeks, and that ends it. . . John Redfern, Jr., Little League proxy, has the latest Little League baseball film showing the Little World Series played last year and won by a Texas team. . . Redfern reports any service clubs in Midland may get the film shown for the next week by asking for same. . . The sound film runs 25 minutes. . . Rick Spinks, the all-everything halfback from Kermit, has picked up about 20 pounds of surplus weight. . . He'll lose it when he goes to Texas Tech, we'll wager. . . They really work up there. . . End of the Row for now!

## Longhorn League—Cubans Beat Eddie; Team Standings Remain The Same

Eddie Jacome, Midland right-hander, one of the top pitchers in the Longhorn League. Twice he has won three games in as many days and he has built up a record of 10 wins against six losses—but he always has trouble with the Big Spring Broncs.

Wednesday night Jacome started for Midland against the Broncs and was promptly shelled from the mound. But not before he had let the Broncs score enough to hand him a loss. It was his sixth and the third suffered at the hands of Big Spring.

Big Spring kept pounding away after disposing of Jacome, collecting 18 hits off four pitchers for a 13-3 victory.

The victory did them no good in the pennant race since all first division clubs won according to schedule but it kept them just a game out of second place.

San Angelo beat Odessa in a run-fest, 15-11; Rowell shut out Artesia, 4-0, and Vernon trimmed Sweetwater, 10-5 to round out the day.

The scores:

## Dennis Patton Leads Cards To 11-3 Win

Dennis Patton pitched and batted the Cards to an 11-3 win over the Lions in a Little League baseball game at Little League Field Wednesday afternoon.

Patton gave up three hits and struck out 11 batters. He also helped his own cause with a triple, driving in two runs.

The Cards took advantage of 10 walks, six hits and five Lion errors to compile their winning margin. Losing Pitcher S. L. Vann struck out eight. Lupe Hernandez got a triple for the losers.

The score:

CARDS	Ab	R	H	O	A
LIANS	303	230	11	6	4
	010	101	3	3	5

D. Patton and B. Hillin; Vann and B. Carnish.

Since 1910, the American farmer has increased his investment in tools and machinery about 900 per cent.

## Texas League—Eagles Increase Lead With Double Win Over OC Tribe

By The Associated Press

The Dallas Eagles swept a doubleheader from Oklahoma City Wednesday afternoon while second-place San Antonio was losing to Houston. Now they enjoy a two game lead in the pennant race.

Herb Conyers, former Oklahoma City performer, was the big note in the Eagle victories, particularly in the first game. Conyers hit a three-run ninth inning home run in the opener to give the Eagles a 5-3 edge. The leaders ran wild to take the second 10-1.

Conyers had five hits in nine trips in the two games and drove in five runs.

San Antonio again fought desperately before bowing to Houston 3-1. The two clubs played on even terms until the seventh, when Houston pushed across the clincher. Jerry Witte, Dallas performer last year, homered in the seventh to sink the Missions.

Fort Worth nipped Tulsa 6-5 with two runs in the top of the ninth inning, and Beaumont beat Shreveport 7-1.

Jack O'Donnell, hard-luck San Antonio left-hander, limited Houston to five hits in his duel with Octavio Rubert but two home runs were too much. Larry Migins got the other in the second inning.

Beaumont swept its three-game series with Shreveport, winning easily. Shreveport was held scoreless until the ninth inning and never was a threat.

Tulsa rallied for five runs in the eighth inning against Fort Worth but couldn't hold the Cats. The rally gave the Oilers a 5-4 lead but a two-run ninth inning won for Fort Worth.

The victory did them no good in the pennant race since all first division clubs won according to schedule but it kept them just a game out of second place.

San Angelo beat Odessa in a run-fest, 15-11; Rowell shut out Artesia, 4-0, and Vernon trimmed Sweetwater, 10-5 to round out the day.

The scores:

## THURSDAY'S SCHEDULE

Longhorn League  
MIDLAND at BIG SPRING.  
San Angelo at Odessa.  
Vernon at Sweetwater.  
Roswell at Artesia.

WHITE PLAINS, N. Y. —(AP)—A 36-hole playoff between Babe Derrington Zaharias and Patty Berg will decide the second Weathervane Women's Open Golf Championship.

The playoff will be staged at a place and a date to be selected later by the sponsors.

Mrs. Zaharias, the defending champion from Tampa, Fla., and the stocky redhead from Minneapolis finished the 144-hole, Cross-Country event in a tie Wednesday at the Linnwood Country Club. They had exactly 601 swings apiece—an average of 75 plus per round.

The Babe started the final 18 holes a stroke behind Patty. She made up the deficit with a sparkling 72 while Miss Berg was shooting a 73.

The first prize is worth \$5,000. Miss Berg received \$750 for scoring the best on the final 36-hole leg of the tournament. She had 76-72-140. Louise Suggs of Carrollton, Ga., was second with 77-73-150.

In the overall standings, Miss Suggs was third—13 strokes behind the pace-setters—with 614.

Then followed Betty Rawls of Austin, 625; Betty Jameson, San Antonio, 633; Alice Bauer, Midland, 638, and Mariene Bauer, Midland.

Miss Kirk had the third best final round, a 74. The Bauer sisters shot 799, as did Miss Detweiler.

Nelson, Gafford, Lead Texas Team To Win Over Latins

AMARILLO —(AP)—Byron Nelson and Raymond Gafford led a field of more than 100 into the first round of the 31st Annual Texas PGA Golf Tournament Thursday.

Nelson, the Rossmore rancher who once was pro golfer king, and Gafford were the pro-tourney favorites to cop the \$1,000 first prize.

Wednesday they teamed to lead a 10-man Texas team to an easy victory over a team from Mexico.

The Texans piled up 11 1/2 points to 3 1/2 points for Clin Dutra's Mexican team and lost just one of the five matches.

## League Standings

WEDNESDAY'S RESULTS  
Longhorn League

## Wallard Sets New Driving Marks With 500-Mile Victory

INDIANAPOLIS —(AP)—Lee Wallard, winner of the thirty-fifth annual 500-mile auto race at the Indianapolis Motor Speedway, has made it a driving contest again.

The postwar theory of competing in the "500" generally was to drive steadily at a speed a little better than previous winning times, more or less ignoring the competition.

Wallard changed that in his first speedway victory. He pushed his best all the way Wednesday to win at 126.244 miles an hour—almost five miles faster than Bill Holland's 1949 record.

Wallard took the \$600 prize for the fastest lap in the race by averaging 123,800 miles an hour on his twenty-third lap—faster than many of the qualifying times.

Nasarak Second

Mike Nasarak of East Meadow, L. I., competing for the first time, took second money in Johnnie Parsons' 1950 winning car.

Manuel Ayala of Burbank, Calif., drove relief for Jack McGrath, who the third wave of the checkered flag.

Wallard won't know how much he won until the annual victory dinner Thursday night. The 1950 race was worth \$97,468.63, and Wallard's check probably will be close to that.

He won \$15,000 in lap prizes alone for leading in 158 circuits of the track. The speedway guarantees the winner \$30,000, exclusive of lap prizes, but pays more if the crowd warrants.

Wednesday's crowd appeared to be the biggest ever, 130,000 or more, and the speedway probably will pay Wallard and his car owner at least the \$25,000 it gave to Parsons last year.

It will be a substantial increase over Wallard's sixth-place winnings of \$6,212 in the 1950 race.

## Blue Sox Remain At Top; Gassers Defeat Amarillo

By The Associated Press

Wednesday night, the Abilene Blue Sox beat Lamesa 5-3 behind the six-hit pitching of Jim Mellon and Charles Davis. Albuquerque, in second place, beat Clovis, 5-2 but couldn't gain on leading Abilene.

Borger and Lubbock rounded out the action with victories over Amarillo 12-7. Lubbock trimmed Pampa 12-3.

Jesse Priest pitched Albuquerque to its win over Clovis and became the first pitcher in the West Texas-New Mexico League to win 10 games this season. He fanned seven and walked two, then batted out a hit in the fifth that started the "Dukes on a game winning six-run rally.

Borger, in danger of falling into the cellar a week ago, widened its margin with a victory over lowly Amarillo. The Gassers collected 17 hits in swamping the Gold Sox.

Julio Moreno stopped Pampa with seven hits while Lubbock was pounding four Pampa hurlers for 14 hits and an easy win.

Pur Sang Captures Peabody Memorial

CHICAGO —(AP)—Pur Sang, a 9-1 shot who hasn't won a race this season, captured the \$77,000 Peabody Memorial before a Lincoln Fields holiday crowd of 28,407 at Washington Park Wednesday.

The winner, owned and trained by Rubin Kowall of Detroit, got a purse of \$18,376. He paid \$20,000 and \$4,000. It was his first win in 11 starts this year.

BARGAIN SALE

HONG KONG —(AP)—The Chinese Reds, outspoken foes of capitalism, are asking overseas Chinese capitalists to invest in rubber plantations on Hainan Island. The Communist newspaper "Wen Wei Pao" said the Red government would match any investment made by a capitalist. It added that 2,771 acres already are planted in rubber and that 1,787,156 acres are available. It described the offer as "a rare opportunity."

There are 28 railway tunnels more than a mile long in the United States.

## Chisox Win Number 14; Increase Lead

By The Associated Press

Manager Paul Richards' amazing Chicago White Sox are causing plenty of comment these days and the majority of it can be credited to the pitchers.

White Sox pitchers have the remarkable record of having completed 18 games in 36 (including one tie). Wednesday, Billy Pierce and Randy Gumpert went the route against the lowly St. Louis Browns. And they turned in victories to run the White Sox string to 14 straights.

The Sox beat the Browns 5-2 and 8-1 while the Boston Red Sox were humbling the New York Yankees 11-10 in 15 innings and 9-4. Thus the White Sox boosted their American League lead to two full games.

Vern Stephens' homer in the fifteenth gave the Red Sox the first game over the Yankees. A five-run seventh inning won the second. Cleveland moved past Detroit into fourth place in the pennant race by dumping the Tigers twice, 3-1 and 4-1. Washington snapped a nine-game losing streak by beating Philadelphia 6-2 in the second game

after losing the opener 9-5. National League Brooklyn split a doubleheader with the Philadelphia Phillies, winning the first game 5-3 but losing the second 9-5. The St. Louis Cardinals knocked off Pittsburgh twice, 4-3 and 7-3, to cut the Dodger lead to a game and a half.

Bobby Thompson singled a run across in the eleventh to give the New York Giants a 6-5 victory over the Boston Braves in the first game of their bill. But Vern Hickford won his seventh of the season with a seven-hit, 6-3 decision in the second.

Chicago and Cincinnati split a pair. A three-run homer by Forrest Burgess gave Chicago a 5-1 decision in the second game after the Red had won the opener 6-5.

A SHOT AND A MISS—Valerie Ball displays excellent form in the shot put at the University of London's Athletic Union Meeting. She also set a new University record in the 440-yard run, won her heat in the 100-yard dash and competed in the high jump. (NEA)

## Same Old Ezzard; He Wins Boring 15-Round Decision

CHICAGO —(AP)—Ezzard Charles, heavyweight champion of the world, Thursday is positive lightweight king Joey Maxim wants no more ring traffic with him.

Maxim is of the same opinion, too, after absorbing a one-sided trouncing by Charles at the Chicago Stadium Wednesday night. It was their fourth engagement with Charles winner of them all.

Charles, making his eighth defense of his crown, won the unanimous verdict of Referee Frank Gilmer, two judges and the bored approval of 7,226 spectators in pasting Maxim for 15 rounds.

Despite the poor crowd, Charles pocketed a \$42,167.50 pay-check, thanks to a \$100,000 television purse. Maxim got \$31,073 for his losing effort.

At the finish, Maxim was a realing, tired, exhausted fighter. His right eye was swelling shut and he was bleeding from a cut under the eye and above it. Charles was unmarked and breathing no harder than he is had had a brick drill.

## Lee Wallard Wins 1951 Race on Firestone Tires at Average Speed of 126.244 M.P.H.

CHAMPION race drivers DEMAND and USE the SAFEST tire made! That's why Firestone Tires have been on the winning cars at Indianapolis for 28 consecutive races. Authorities say that 500 miles on the speedway are equal to 50,000 miles of ordinary driving... 5 years of average service crowded into less than 4 1/2 hours. For many years every driver in the race has bought Firestone Tires because no driver is willing to risk his life or chances of victory on anything less than the safest tires that money can buy. Remember that fact the next time you buy tires... protect your life and the lives of others by equipping your car with Firestone Tires. Come in today... let us take care of your tire needs.

Costs as little as \$100 A WEEK TO BUY THE BEST

# Oil And Gas Log

(Continued From Page One)  
The age of the formation or to test it on account of inability to maintain circulation of drilling fluid. The casing was run in order to control the hole and allow testing.  
Value of the shows from the section above 11,351 feet probably will be determined by the end of the week.  
Location is 487 feet from west and 660 feet from south lines of the 320-acre Bauman tract in the southeast part of section 14, block 34, T-2-S, T&P survey.

# Operator Is Testing In Deeper Section At NW Martin Drillsite

After flowing 48 barrels of clean 41.8 gravity oil in one hour, through a five-eighths inch bottom hole choke, from the section at 12,074 feet, the American Production Company of Forest Oil Corporation, No. 1 P. D. Bradburn, Northwest Martin County wildcat cased deeper.  
The prospector cored at 12,138-148 feet. Recovery was 10 feet of Silurian-Devonian dolomite with some porosity and some bleeding oil.  
Operators are now running a drillstem test to the bottom at 12,148 feet. That test is expected to be completed late Thursday.  
This exploration has not yet shown any signs of formation water in the horizon which is producing the oil.  
Location is 1 1/2 miles northwest of Tarzan and 600 feet from south and 4,600 feet from east lines of league 254, Briscoe County School Land survey.

# Completion Attempt Set For Spraberry Wildcat In Midland

Three and one-quarter miles west of the south side of the Tex-Harvey field of Glascock County and three miles north of the Driver-Spraberry field of Southeast Midland County, E. E. Ferguson and Edwin W. Paulley will attempt to complete their No. 1 Jenkins-Walton as a Spraberry discovery.  
At least report operator was fishing for a pocket lost in the hole after a 1,500-gallon Hydracore treatment from 1,970 feet, which is casing point, and total depth of 7,168 feet. The Spraberry was topped at 7,108 feet, elevation 2,879 feet. That makes it about flat to producers in the Tex-Harvey field.  
The Spraberry was drilled with oil making it unable to determine the extent of oil shows.  
Location is 660 feet from north and west lines of section 46, block 37, T-3-S, T&P survey and 30 miles southeast of the City of Midland.

### SORORITY BUYS IRON LUNG

The Epilion Sigma Alpha sorority of Midland is pitching in to buy this iron lung to initiate a new state polio educational and patient services, and is staging a dance Friday night at the Ranchland Hill Country Club to raise the funds. Tickets are on sale in the Hotel Scharbauer lobby, \$2 a couple, tax included. Jack Free and his orchestra, of Abilene, will play. In the photo are Mrs. Edna Dougherty, left, new state president of the sorority, who inspects the iron lung with Miss Jeanne Kaplan, Texas City, and Mrs. R. O. Pearson, Abilene, director of women's activities for the National Foundation of Infantile Paralysis.

# Anti-Commie Parties Sweep Provincial Elections In Italy

ROME —(AP)—Final returns Thursday gave Premier Alcide De Gasperi's church-supported Christian Democrats and other anti-Communist parties a sweeping victory over Italy's Reds in provincial council elections in one-third of Italy this week.  
The Communists and Allied Socialists polled 35.3 per cent of the 8,500,000 votes cast.  
De Gasperi reported to President Luigi Einaudi Wednesday night that his "Atlantic Pact" coalition's candidates had won control of 21 of the 27 North Italy provincial councils for which elections were held, and of city councils in 22 of the 28 provincial capitals (one province did not elect a new provincial council).  
Of 2,743 towns where local elections were held, the Christian Democrats won 278 of the 1,170 town councils the Reds had controlled since 1948. The Christian Democrats lost only 21 towns they had controlled.  
De Gasperi's alliance ousted the Reds from local control in Genoa, Venice, Ancona, Ravenna, Varese, Novara and Forlì and took Milan, Italy's second largest city, away from its moderate Socialist administration.  
The Communists retained Bologna by a margin of only 1,147 votes. The Christian Democrats contested the election and questioned 4,000 ballots.

### DAD'S A GRAD, TOO

— Graduation day at the University of Miami, Fla., will find both Robert L. Lewis of Homestead, Fla., and his daughter, Wilhelmina, 21, graduating with honors. Father, a law student, graduates cum laude, while daughter gets her BA degree in journalism, magna cum laude. Here, the pair try on their caps and gowns.

# WTCC Committees Schedule Meetings

ABILENE —(AP)—The Taxolop and Legislation Committee of the West Texas Chamber of Commerce will meet June 6 in Sweetwater, Frank H. Kelley of Colorado City, committee chairman, said Thursday.  
Purpose of the meeting, he said, "is to formulate a definite program of work for the committee."  
The first meeting of the WTCC Traffic and Transportation Committee will be held in Abilene Saturday. WTCC President B. F. Bludworth has appointed G. B. Perry of Amarillo chairman.

## Casualties in Korea

WASHINGTON — Korean casualty list No. 317, released Thursday by the Defense Department, included only two Texans.

Killed in action, Marine Corps: Pfc. Richard C. Davis, Houston.

Injured, Army: Cpl. Kenneth L. Bailey, Geneva.

Advertise or be forgotten.

## Florida's Governor Vetoes Bill Banning Horse Racing News

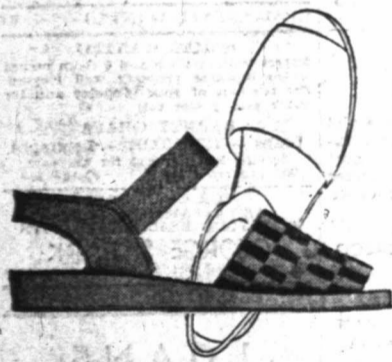

TALLAHASSEE, Fla. — Gov. Fuller Warren Wednesday night vetoed a Florida legislative act which would have made it a crime to print or transmit horse race information in bookmaking operations.

The act would have become law at midnight had not Warren vetoed it half an hour before the deadline. His press secretary announced the veto but said he had no further information.

Rep. Volle A. Williams, Jr., of Sanford, who introduced the bill in the House, said he would try to get the veto overridden. It would require a two-thirds vote to do that.

BOOKS CLOSED! Charge purchases made now placed on your June account!

## Solon Says U.S. Reds Preying Upon Families Of GI's

WASHINGTON — Representative Keating (R-NY) says U. S. Communists are trying "to sell Red propaganda" to the families of men captured in Korea.

Keating said on a broadcast Wednesday night he has learned Red agents are contacting families of servicemen reported missing in action and arranging for them to receive messages from their imprisoned husbands or sons.

"The message which the husband invariably sends, no doubt under some form of duress," he continued, "urges Americans to do their best to call off the fighting, or expresses his opposition to any policy of resisting Communist aggression."

As a counter measure, Keating urged that the Army furnish to families all fragmentary and unofficial information "rather than force them to turn to Communist sources."

Cotton is the most important cash crop grown in the United States, according to the Encyclopedia Britannica.

## ★ THE DOCTOR SAYS ★

### Unsightly Varicose Veins Should Not Be Neglected

By EDWIN F. JORDAN, M. D.  
Written for NEA Service

Varicose veins are not only unsightly but can lead to swelling of the feet and legs and to the formation of ulcers. They are common, too, perhaps partly because so many occupations involve standing for long periods.

thing is to understand what they are. The veins of the legs carry blood back toward the heart. They are equipped with valves at intervals which prevent the blood from flowing backwards.

Sometimes, however, these valves break down and then the pressure on the walls of the veins increases, causing them to dilate or enlarge. These enlarged veins, which usually are near the surface, are what are called varicose veins. The flow of blood inside them also is slowed.

It isn't possible to build new valves or to cause the veins to shrink. But on the favorable side these veins are not really necessary because veins farther inside the legs can carry the blood just as well.

This is the reason varicose veins often can be treated so successfully, either by cutting them out or tying them (surgery) or by injecting them with an irritating fluid which causes them to close up entirely. The choice of what method to use must, of course, be made by the surgeon though apparently in recent years surgery has become the more favored.

### Diagnostic Clinic Asks For American Cancer Group Grant

The Midland Diagnostic Cancer Clinic is seeking \$4,500 from the American Cancer Society to assist in its operations here during 1962.

The application for the grant was completed Tuesday night at a meeting of the clinic's board of trustees at the Midland Memorial Hospital.

The national society last March announced a \$1,200 grant to the local group.

The funds from the society would be used in general operating expenses and in financing an educational program, particularly among doctors.

The trustees also discussed the need for obtaining a volunteer social worker to assist in doing follow-up work on cases handled by the clinic.

Chairman Jack Wicker presided at the meeting and other trustees present included Dr. Kurt Lektich, the clinic's director; Mrs. J. L. Grump, Winston Hall; and Harvey Herd.

Don't Run Risk

Neither of these methods really can be described as dangerous. But it takes a while for the circulation to be entirely rerouted, so a job involving a lot of standing is not too good an idea for a while.

Furthermore, one can have some varicose veins fixed and then develop new ones. But even with this hazard they ought not to be neglected, especially because of the risk of ulcer formation and other evidences of poor circulation.

A word also should be said about the use of elastic stockings or bandages. These will not cure varicose veins but often are advisable for special reasons or after an operation.

## Frank Huckins, PT Boat Designer, Dies

JACKSONVILLE, Fla. — (AP) — Frank P. Huckins, 66, founder and president of the Huckins Yacht Corporation here and designer of a Navy PT boat used in World War II, died Wednesday of a cerebral hemorrhage.

After graduating from Harvard, Huckins began research to develop a boat hull combining stability and efficiency with a freedom from pounding. Experts said it couldn't be done.

Huckins, however, kept on building and developing. In 1928 he came up with the boat known as the Fairform Flyer. This was the basis for a hull that won top naval rating in 1940 and became the Huckins PT boat of World War II.

## France Allotted American Newspaper

WASHINGTON — (AP) — A 13-nation raw materials committee has allotted 3,000 tons of newspaper to France to meet "conditions of exceptional emergency," which it did not explain further.

Presumably the newspaper will help the French government reply to Communist propaganda attacks before national elections on June 17.

Allocation of the American and Canadian newspaper was recommended by the Pulp-Paper Committee of the Raw Materials Conference of 26 Western nations.

There are about 20,000,000 acres of forest land in New Mexico.

### Tot Believed Lost Beats Papa Home

**PITTSBURGH** —(P)— Tommy Powers may be only five but he knows his way around.

His father took him to town recently, Tommy stopped to watch the antics of some chicken in a poultry market window. When his daddy looked around, Tommy was nowhere in sight.

Squads of police scoured the crowded streets in vain. Late that day Tommy's father started home to tell the bad news. It took him 20 minutes by trolley to reach his home on the outskirts of Pittsburgh. The distance is close to five miles. The first person to greet him was Tommy.

"Pop," the lad shouted, "what did you go off and leave me for? I had to walk home by myself."

### Farmers Take To Dial Telephones

**WASHINGTON** —(P)— Farmers whose hand-crank telephones have been replaced with modern dial equipment use the new models five times as much as they used the old system, according to reports to the Rural Electrification Administration here.

The first REA-financed telephone system to be put into operation was in Virginia, where some 200 farmers now have new dial phones. Each old phone averaged less than two calls a day; the same people now use the new phones for an average of 10 calls a day, the administration states.

## Youth Center Chatter

By Joyce Howell & Gail Baker

Hi there—well, we almost didn't make it this week. The graduation activities and all the parties have kept us quite busy. This hot weather we've had lately has wilted us—we know you are hot too—but we are here again.

First of all we want to tell you about a few of the summer activities planned at the Youth Center. On July 29, 31, August 1, 2, 3 and 4, the West Texas United Junior Olympic Events will be held in our neighborhood city, Odessa.

Tuesday, July 31, is the day for the local contests. At 9 a.m. there will be archery events; 10:30 a.m. basketball events; 3 p.m. volleyball competition; 3:30 p.m. the ping-pong contests and at 5 p.m. the crafts show and contest.

On Wednesday, August 1, at 8 a.m. the opening ceremony will be held in the Bronco Stadium in Odessa.

Thursday, August 2, at 8:30 a.m. the tennis preliminaries will be held on the high school courts. At 4:30 p.m. the baseball events for the 12 and 14 year-olds will be held and at 8 p.m. the track and field events will be continued.

Other events will be held Friday, August 3. At 8:30 a.m. the tennis semi-finals will be held while at 4:30 p.m. the baseball events for the 12 and 14 year-olds will be continued. Eight o'clock is the time for the swimming scratch meet at the Hi-Spot, the Odessa Youth Center. Diving preliminaries take place at 9 a.m. This will be for the one meter board. At 4 p.m. swimming and diving finals on the one-meter board will be held while at 7:30 p.m. the swimming competition will be completed.

More Events Slated

On Saturday, August 4, the tennis finals will be held at 8:30 a.m. At 4:30 p.m. the baseball events for 12 and 14 year-olds will be completed. The swimming scratch meet and the diving preliminaries for the three meter board will be held at the Hi-Spot. At 4 p.m. the three meter diving board competition will be completed. The meet will end with the swimming finals at 7:30 p.m. in the County Park.

It all sounds like a lot of fun, doesn't it? We know everyone will have a good chance to compete in this meet, so be sure to talk to Mr. Glidewell, our Youth Center director, for more information. These events are being conducted through Youth Centers and are not connected with schools.

We had several visitors at the Youth Center last week. Calvin Jones, Clarence Russell and Ernest Cole of Big Spring were in the Center. Clarence, who was injured in an automobile accident recently, and who wears a plaster cast on his back, still managed to play a fine game of ping-pong.

Jerry Detrick of Las Vegas, N. M., also was a visitor at our Center. Jerry graduated from high school a week earlier than the Midland teenagers and was in Midland with his mother, visiting his older sister.

We also had four recent visitors from Lubbock.

On Friday we saw Lyndell Ross, Joe Dee Kemper and Wayne Nolan. We really were glad to see them.

On Saturday, our usual week-

end visitors, Earl Padgett, also from Lubbock, was here.

While we have a lot of visitors from out of the city, it seems as though a couple of our own Midland teenagers are leaving us for short visits. Marilyn Dungan is going on a trip quite soon to Conway, Ark. She is going to visit Elizabeth Sprinkle who lives there.

Daffy Goes To Camp

Daffy Tabor will be gone two long months this summer as she will serve as a dietician at the Girl Scout Camp at Mire Peak, in the Davis Mountains. This makes Daffy's third year at the camp.

Now, it's about time for us to go over a few of the events of the last week. On Friday, the band members and their dates were the guests of MRS band parents at a barbecue at Cole Park. Mr. Hoffman, the band director was given a lovely tool leather briefcase by the members of the band. After literally "stuffing" ourselves, we watched the boys play a few games of baseball—at least, they played until it was so dark they no longer could see the ball.

Which reminds us, we saw another ex-Y.C. member out at Cole Park. John Ditzner, who lived in Midland during his Freshman year in high school and then moved to El Paso, he is back in town. Glad to have you back, John, and we hope to see more of you.

On Saturday, the Senior girls attended a party and a couple of us, (we heard a lot of complaints about getting so dressed up, but we really don't think they objected so very much!) of course, Saturday night was the time of our Youth Center semi-formal dance. Music was supplied by that well-known object, the juke box. The Center was very warm as the air-conditioning has not been put in and the cool punch was most welcome. There were several teenagers present and we were surprised to notice a sprinkling of exes who were home a little early.

The Baccalaureate service was held Sunday night in the high school auditorium when the Seniors had their first chance to wear their white robes.

Hectic Day At MHS

Monday was a hectic day at MHS while the students took their last test and the Seniors got ready for the Class Day program. The Class Day program, which lasted less than an hour and a half was very good. After the program, the graduating Seniors were given tickets to the Midland Rodeo by The First National Bank.

Another lovely gift was given to the Seniors Wednesday by Kruger's Jewelry. This year, as last, a large clock with the names of all the seniors was put in the store window. The two Seniors on whose names the hands of the clock stopped were given watches.

On Wednesday, which definitely was the last day of school, the students reported to home rooms for their report cards. At three o'clock the final parade for the Senior members of the band was held. This, of course, was the Rodeo Parade and the band marched in their Rodeo costumes of blue jeans and cowboy shirts.

Of course, as most of our readers know, amid many tears, the Seniors received their diplomas during the graduation exercises Wednesday night. And now school is out for another summer.

The swimming pools were expected to be quite popular places Thursday afternoon as they opened for the Summer season. Looking for one of your friends? Just try the swimming pools—you are certain to find them there.

We were surprised to see a couple of "Dude Sam's boys" home last week. Howard Bennett, who was stationed at Fort Sill, Okla., was here on a 10-day leave. Joe Dorsey, who is stationed at Fort Knox, Ky., also was here on a 10-day leave. When we asked Joe what he had been doing, he replied, "Taking care of the nation's gold." That's a pretty good job—even though we know he was teasing us.

June Haslip Returns

Next week, instead of the usual two names at the beginning of this column, you'll see three! Why? Because June Haslip, who was one of the original co-authors of Youth Center Chatter, will be home from Texas State College for Women at Denton, for the Summer months. June really has "taken Texas by storm." As a Freshman student, she was a yell leader and became a member of a national English group. Next year, June is to be an officer of the Sophomore Class.

Well, Bill Erskine! Just what did you do to your face? No, we aren't being insulting, we just mean, what are all the bandages for? Did Bro get a little rough on you?

While mentioning all the events which have taken place for the Seniors and the other high school students, we neglected to mention that Tuesday night, graduation exercises were held for the Junior High School students. After the graduation, a dance was held for the future freshmen in the high school cafeteria. Of course, several of our Center members were in the graduating class. We're glad to have you all in the "elite circle of high school members now!"

That's about all the news we have this week. Be sure to look for this column next week when we have three names at the top—we'll have a whole lot of news then.

## Colonel Gets Cancer Ideas At First Hand

**AP Newfeatures**  
**PUTNAM, CONN.** — A retired banjo-playing, target-shooting Army colonel has put real zip into the Connecticut Cancer Society drive in this neck of the eastern Connecticut woods.

Col. George H. Collins of nearby North Woodstock, knows what the fight against cancer can accomplish because he once had it.

The colonel was stationed at Camp Stewart in Georgia, when symptoms

appeared. Diagnosticians at the Cushing General Hospital in Massachusetts and the Walter Reed Hospital at Washington confirmed the presence of the growth and one of them, Dr. Lloyd G. Lewis, recommended an operation.

Six months later, in December, 1944, Collins was back on limited duty at Camp Stewart. The following year he was given his retirement after a military career extending 30 years on both sides of a successful career as a construction engineer.

A few weeks later, Collins was organizing an active district committee for the American Cancer Society in his own area.

Now you will find him during part of almost every day, sharing a lunch or a conference table with a campaign worker, his Cancer Field

Army committee or a newspaperman.

The colonel has been a banjo player and a crack rifleman most of his life. But, as much as he loves them both, target shooting and banjo playing play a minor role in his new life.

Six months later, in December, 1944, Collins was back on limited duty at Camp Stewart. The following year he was given his retirement after a military career extending 30 years on both sides of a successful career as a construction engineer.

A few weeks later, Collins was organizing an active district committee for the American Cancer Society in his own area.

Now you will find him during part of almost every day, sharing a lunch or a conference table with a campaign worker, his Cancer Field

Army committee or a newspaperman.

The colonel has been a banjo player and a crack rifleman most of his life. But, as much as he loves them both, target shooting and banjo playing play a minor role in his new life.

# BURLESON'S BLENDED HONEY

### The Ideal Natural Sweet

More and more homemakers are adding Burleson's pure blended honey to their family's daily diets. A nature-produced sweet, rich in body-building minerals...containing levulose and dextrose—it produces more quick-energy than any other sweet you can buy! The natural sugars—dextrose and levulose—in Burleson's Honey require little digestion—they are available for immediate quick energy. Wholesome, nourishing and pure, Burleson's Honey is good—and good for you!

Have you tried Burleson's Creamed Honey as a delicious spread for your children's sandwiches? Soft-smooth, spreads like butter. Try it...for a new taste treat!

When your children ask for a sweet give them Burleson's HONEY...Tops in flavor...Tops in goodness...Tops in nourishment!

### WTCC Group Sets Meeting June 6

ABILENE—Frank H. Kelley of Colorado City, chairman of the taxation and legislation committee of the West Texas Chamber of Commerce, has set June 6 as the meeting date for his committee at the Blinn Hotel in Sweetwater.

The purpose of the meeting is to formulate a definite program of work for the taxation and legislation committee, and an outstanding array of speakers have been obtained for this meeting to help us chart a proper course of action," stated Kelley.

Some of the speakers will be Allen Duckworth of The Dallas Morning News, who will speak on the tax-lands issue; Dr. Stuart A. MacOrkin, research director of the Texas Economy Commission; Dr. Edward Courney, director of the Bureau of Governmental Research, San Antonio; Carl Cooper, manager of the Taxation and Legislation Department of the East Texas Chamber of Commerce; and Dr. Don Morris, president of Abilene Christian College.

Written history is at least 6,000 years old.

### Avery Observes Fourth Year Here

Four years ago a one-man radio and speedometer repair shop opened in Midland with only a handful of parts and tools.

This week the business flexed its growing muscles in celebration of the fourth anniversary of the Avery Speedometer Service, during which the operator, W. N. (Bill) Avery, has added five additional employees.

With parts and modern equipment valued at many thousands of dollars the firm now operates in a new building at 700 South Main Street.

Avery said the success and rapid growth of his business has been due mainly to one principle—guaranteed service. He invited his friends and customers to join with him this week in observing the completion of four years of operation in Midland.

### TRAFFIC COMMITTEE MEETS SATURDAY

ABILENE—The first meeting of the traffic and transportation committee of the West Texas Chamber of Commerce will be held in Abilene Saturday, according to E. P. Bludworth, WTCC president.

O. B. Perry, Amarillo, has been appointed by Bludworth as chairman of the committee.

The meeting will cover policy and procedure matters relative to the operation of the committee.

### DESSERT TREAT

For a special dessert treat spread white layer cakes with date filling. To make the filling cook the dates in a little water until they are soft and can be mashed easily, then beat in a table spoon of so of lemon juice and butter. Frost the date-filled cake with a rich chocolate icing.

### Former Midland Girl Is H-SU Honor Grad

ABILENE—Lois Dee Eiland of Monahans, one of 297 graduates of Hardin-Simmons University, was announced as the 1951 winner of the Julius N. Olsen medal at the university's 50th annual commencement exercises.

Winning the Olsen medal is equivalent to being valedictorian. Miss Eiland, daughter of Mr. and Mrs. Troy N. Eiland of Pyote, formerly of Midland, achieved an average of 3.98 over a period of four years at the university and was graduated Summa Cum Laude.

Her mother, the former May Robinson was a Summa Cum Laude graduate of the Hardin-Simmons class of 1921.

The Olsen medal, first given by Dr. and Mrs. Julius N. Olsen in memory of their son, is presented each year to the graduate who has made the highest standing during his college course, has incurred no demerits and has shown promptness and punctuality.

As valedictorian, Miss Eiland also received the Delta Kappa Gamma award, a dictionary presented by the Mu chapter of the women's professional educational sorority.

She was an honor graduate of Midland High School in 1947. Miss Eiland received a Bachelor of Science degree with a double major in history and secondary education and a minor in English. A member of the Gilt club and YWA at Hardin-Simmons, she plans to follow a teaching career.

### TREAT FOR YOUNGSTERS

Youngsters like crushed peanut brittle sprinkled over oatmeal and vanilla pudding.

**HAMBURGERS AND PEACHES**—A new combination for dinner is barbecued hamburgers and peaches. The meat patties and peaches are marinated in barbecue sauce for a few hours before broiling. To prepare, mix 1 1/2 pounds ground beef for 3 tablespoons minced onion, 1 teaspoon salt and 1/4 teaspoon pepper. Make into six flat patties. Place in a shallow pan and over them pour 1/2 cup barbecue sauce (either bottled or homemade). Drain 6 canned cling peach halves and place in flat pan. Spoon over them several tablespoons of barbecue sauce. Place meat and peaches in refrigerator for 2 or 3 hours. Broil meat patties on one side, turn and spread with more barbecue sauce. Place peaches on broiler rack and continue broiling until patties and fruit are lightly brown.

### DANIEL IS PROMOTED BY AMERICAN AIRLINES

William C. Daniel, 33, formerly American Airlines lead operations agent at Midland has been appointed chief operations agent at the airline's Oklahoma City base.

A veteran of 11 years of service in American Airlines operations, Daniel became a lead agent in 1944 when he transferred to Midland from Big Spring. He went to Big Spring as an agent in 1943, a year and a half after joining the airline as a fleet service clerk.

### RETAINS FRESH TASTE

Frozen juice concentrates retain their fresh, tangy taste better if the containers in which they are mixed and stored are kept spotlessly clean. A soap-and-water cleaning is in order each time the container is empty.

# DADDY RINGTAIL

## Daddy Ringtail And Methuselah Man

Daddy Ringtail, your monkey friend, and the Huffen Puffen, the friendly wolf, were climbing up Methuselah Mountain to see the Methuselah Man.

Methuselah Man lived so high up the mountain, very few people ever came to see him. The Huffen Puffen chuckled to think about it. Said he: "Uhuh, and as soon as I've seen him, I am going to hurry down the mountain, I am, and tell everyone about it."

"Now, now, now, Huffen Puffen," said Daddy Ringtail. He climbed across a rock that lay in their way, and then he said: "Huffen Puffen, we can't hurry away and down the mountain just as soon as we see the Methuselah Man."

"No?" asked the Huffen. "And why not?"

"Because," said Daddy Ringtail, "we will have to wait and listen to

the very wise things the Methuselah Man will have to say if we ask him." Why, Methuselah Man was a wise old fellow, Daddy Ringtail

explained. Methuselah Man was almost a thousand years old, and so of course he had learned many things. That is why he was very wise.

Oh but the Huffen grumbled and mumbled the rest of the way about staying to listen to Methuselah Man. The Huffen wanted to

By Wesley Davis

**TRUMAN TIP-OFF?**—When Administrative Assistant David K. Niles recently resigned, the President sent him an extremely cordial farewell letter which political wisecracks say is a strong tip that Mr. Truman has his eye on 1952. The President ordered Niles, after rest and vacation, to "report to me and we will have a further conversation on what to do in the future." Politicians say if Mr. Truman runs again, he'll need Niles, who was his and F.D.I.'s contact man with "minorities"—racial or religious groups that represent a sizeable wad of votes.

YES, MR. AND MRS. HARDWICK CHECKED OUT YESTERDAY AFTERNOON.

WOULD YOU GIVE ME THEIR FORWARDING ADDRESS? IT'S VERY IMPORTANT!!

ONE-WAY TICKET TO MIDDLEBURG IS \$2.37!

GOSH! THANKS, ANYWAY!

THAT WOULDN'T HAVE LEFT ME ENOUGH TO HIRE UNCLE KIT WHERE I'M GOING.

**RED RYDER** By FRED HARMAN

WHY YOU THINK I'M WESTERN UNION MAN RUN FAST TO HOTEL, RED RYDER?

THIS IS THE HOTEL WHERE THE SO-CALLED LIND-AGENT JASIN--HAS A ROOM-- WE'VE GOT TO HEAR WHAT HE SAID IN THAT ROOM... RIGHT NOW...

GET UP THERE, LITTLE BEAVER, AND BE QUIET! I'LL BE UP WITH YOU AS SOON AS YOU LOCATE JASIN'S WINDOW!

**PRISCILLA'S POP** By AL VEEMER

GO IN SPELLING! YOU WON'T GET PROMOTED WITH A MARK LIKE THIS!

IT'S NOT MY FAULT! POP!

IT'S MY TEACHER! SHE EXPECTS ME TO BE PERFECT!

NONSENSE, PRISCILLA! NO AS TEACHER DON'T CARE WHAT ELSE THEY'RE MISSIN'!

WELL, THAT'S ONE DOES.

IF I LEAVE OUT ONE LITTLE LETTER SHE CALLS THE WHOLE WORD WRONG!

**ALLEY OOP** By V. T. HAMLIN

WHAT ARE WE GOING TO DO ABOUT THE PATIENT IN TWO-Oh-TWO?

PHYSICALLY SOUND AS A DOLLAR--NOT A THING WRONG WITH HIM!

EXCEPT FOR A PAIN IN THE STOMACH!

NERVES? WHY?

WELL, COULD BE... NOT LIKELY, THOUGH.

EYE STRAIN COULD CAUSE IT... OR HIS TEETH!

ALL RIGHT NOW, THE NUMBERS WITH THIS EYE!

FOUR-SEVEN-TWO-SIX THREE-NINE-FIVE-EIGHT!

**HOMER HOOPEE** By RAND TAYLOR

I'M FOREVER INDEBTED TO YOU! YOU'VE REMINDED ME OF A GREAT TRUTH I FORGOTTEN SINCE MY SALAD DAYS.

WOMEN THRIVE ON AFFECTION WITH PLENTY OF KISSING THEY DON'T CARE WHAT ELSE THEY'RE MISSIN'!

PEACE IS CHEAP AT ANY PRICE--AND WHAT'S CHEAPER THAN A KISS?

**BOOTS AND HER BUDDIES** By EDGAR MARTIN

LAST QUESTION: OBOY! NOW LET'S SEE: WHO WROTE "ADONAIS?" A-MAA! I KNOW! IT WAS PERCY BYSSHE SHELLEY! I REMEMBER BECAUSE I ASKED DORY TO CHECK, BUT SHE'D FALLEN ASLEEP AND WHEN I REACHED FOR SOMETHING TO THROW AT 'ER I KNOCKED OVER A GLASS OF MILK AND WAS I SORE!

SO SOON, PUG? WHY, YOU'RE THE FIRST TO FINISH!

NOTHING TO IT!

SHE'S SUCH A FINE YOUNGSTER! I SIMPLY DREAD GRADING HER PAPER! WHAT A PITY! TEK TEK!

**BUGS BUNNY**

REMEMBER, DON'T LET WILBERT SUCK HIS THUMB! I'M TRYING TO BREAK HIM OF THE HABIT!

OKAY, MISSUS SCHNOOGLE!

THIS KID'S GOT MORE SUCTION THAN A MACHINEM CLEANER! GOTTA DO SOMETHIN'!

YEAH, ELMER, HURRY OVER... AN' DON'T FORGET YER CORNET!

BRARRO SQUAWK!

**DICKIE DARE** By FRAN MATERA

CAPTAIN, WHEN I HEARD THAT CROOK TALKING TO THE CADETS, I HAD MY "TAPE RECORDER" ALONG.

I OPENED IT, HELD IT CLOSE! LISTEN...

DOULIN, YER DAD'S MESSIN' IN MY AFFAIRS.

SURE... I SHOT RATSY O'TOOLE...

HEY... THAT'S A CONFESSION OF MURDER! WHY, IT WILL WASH UP THAT CROOK.

THAT'S IT! I HEAR YOUR DAD'S WORKING FOR GOOD GOVERNMENT, DOULIN!... GIVE HIM THIS REEL AS MY TWO BIT CONTRIBUTION, WILL YOU?

**OUR BOARDING HOUSE** (Continued)

OH, ARE YOU AN INVENTOR? MY NAME'S GHERATON R. LARK, AND THAT'S MY CALLING CARD... I BLAME MY YALDNESS ON THE MUSCULAR TYPE OF BARBER, RUBBING THE HAIR OFF LIKE A SCRUB-WOMAN ATTACKING A SPOT ON THE LINOLEUM!

CHEER UP, SHERATON! BIG THINGS AHEAD!

THE FORMOSA STORY—

# Does Chiang's Island Hold Key To Defeat Of Communism In Far East?

By FRANK H. KING and SPENCER MOOSA

TAIPEH, FORMOSA—(AP)—Formosa—is it just a catchbasin for American millions, or does it hold a key to the defeat of communism in Asia?

Here on this beautiful island of cloud-topped mountains and lush

productive valleys waits a fighting army of hundreds of thousands of men under Generalissimo Chiang Kai-Shek. They give the impression they are determined one day to return across the China Sea to their mainland home to give battle to the Communists.

Whatever the answer to the riddle

of Formosa, the lean generalissimo has refused to be written off in the war against world communism. In December, 1949, when Chiang fled to Formosa for his life, the future of Nationalist China seemed hopeless. But today few will dispute the possibility of a Nationalist comeback.

What brought about this change in the fortunes of Chiang? A Nationalist official put it this way: "Don't quote me, but Stalin and Mao Tse-Tung (the Chinese Communist leader) have been our best Allies."

The Korean war, President Truman's assignment of the U. S. 7th Fleet to neutralize Formosa, the Chinese Red intervention in Korea, and other international events have led to the upturn in Nationalist prospects. Chiang's Formosa stronghold now seems on firmer footing than it ever has been.

Monumental Problems Ahead  
The U. S.-financed Economic Cooperation Administration (ECA) is spending \$56,000,000 in Formosa in the current fiscal year. More is to go into military aid. But, monumental problems, both military and economic, still are ahead for the "glassino."

When the Nationalist Chinese government took over Formosa in 1945, ending 50 years of Japanese rule, it began at once to make enemies. It sent as its first governor Gen. Chen Yi, a notoriously bad administrator, and with him there tagged along a host of adventurers and carpetbaggers.

Discontent among the Formosans flared into revolt in February, 1947. It was suppressed, but thousands were killed and wounded. Resentment burned in the Formosan breast until last year, when Chen Yi, thrown out of the governorship and accused of trying to deal with the Reds, was executed. The Formosans celebrated the execution with fireworks.

Things began to turn for the better, then, although the threat of invasion remained. Chiang took over the presidency and appointed his close friend, Chen Cheng, as premier. Chen Cheng began a land reform program under which tenant farmers' rent was 37.5 per cent of the crop instead of the previous 50 per cent.

Princeton-educated Dr. K. C. Wu became governor in December, 1949. With the help of American ECA funds, he kept the economic front from cracking.

The Nationalist Answer  
The Nationalists, from Chiang down, concede inefficiency and corruption were among factors which caused their downfall on the mainland. They realize that today they face a test: New American aid will be coming in. Will it be used honestly and efficiently?

This is the Nationalist answer:

They hope to make Formosa a model province—a model for the mainland if it is recovered, as the Nationalists are sure it will be. The cabinet has a planning board which spends its time on blueprints for future Nationalist rule on the mainland.

General MacArthur, addressing the joint session of Congress on his return to the U. S., said: "The Formosan people are receiving a just and enlightened administration with majority representation in the organs of government, and politically, economically and socially they appear to be advancing along sound, constructive lines."

The evidence indicates headway has been made after the poor start in 1945. Elections have been held in many counties and cities for posts of mayor and magistrate. Many native-born Formosans, persons of Chinese descent whose families were here for generations, were elected. There were some reports of irregularities, but the elections gave the people more say in running their affairs than ever before.

Vigorous campaigning by candidates in recent elections, plus the habit of voting instilled by the Japanese, who forced a turnout for the one-state elections, have brought out a heavy vote.

Encouraging Signs

The few Americans who have been here two years say Formosa still has a one-party (Chiang) regime, however, and more debate, discussions and political differences of opinion will be necessary. They say the recent municipal elections gave encouraging signs of development of this phase of democracy.

The talented and ebullient Dr. Wu, under whose governorship much progress has been made, says Demo-

cratic government has been introduced and will be maintained. The Nationalist soldiers here do not vote, nor do they have domicile certificates, and emphasis is placed on the civilian character of the provincial government of the island.

"The Chinese have expected too much from democracy," Wu said. "They see utopia, the millennium, panacea. I say merely that with all its virtues and weaknesses, it is the best government so far devised by man."

Wu, mayor of Shanghai before the Communists drove him out, says the principles of the secret ballot and one vote per voter are being upheld. While some sources here report there was undue pressure in the voting from Kuomintang (Chiang) Party candidates, Wu insists much democratic progress has been made since the Japanese reign ended.

Today in the Provincial Executive Council, ruling body of the island, 17 of the 23 members are Formosans. Effective civil service operates in the lower grades of government employment.

While under the Japanese higher education for Formosans was discouraged, the Nationalist regime says the number of high school students has doubled and the number of college enrollments has increased greatly.

Hot Spot Of World

But this "beautiful island" of the ancient Portuguese seafarers, a natural paradise which has become a political and military hot spot of the world, has inherited mighty problems.

About 7,500,000 persons are crowded on the island, an area the size of Massachusetts and Connecticut combined. A million are mainlanders who came when the Communist overran China. Chiang's armed forces number 500,000, more or less. At the rate new babies are arriving the island's population will double in 30 years.

Formosa is a garden for anyone who has smelled Korea. The climate is like that of Central and Southern Florida, but rainier. Flowers are profuse. Fruit is plentiful and cheap. Food is varied. Water buffalo steak costs four cents a pound. Roast dog is a delicacy in some parts of the island.

Taipei, the capital built by the Japanese in their half-century of

Ships Avoid Ports In 'Unofficial Blockade'

SINGAPORE—(AP)—The newspaper "Singapore Standard" says many European captains and officers of ships taking valuable cargoes from Hong Kong to Red China have started their own "unofficial" boycott of Communist ports.

The reason for all of this, said the "Standard," is that the officers are "dissatisfied" with their treatment by Chinese Communists and are now refusing big salaries and bonuses to sail to Red China ports.

It quoted unnamed captains and officers as saying that upon arrival in Red China ports, they usually were invaded by swarms of officials, heavily armed, who check and re-check the ship, officers and crews. The newspaper said foreign officers are closely questioned about their entire life history and at the slightest excuse are accused of insulting the Red "Peoples' Government." Many written apologies are demanded, followed by hours of further questioning and "corrective indoctrination" lectures.

STORING LETTUCE  
Cut out the core, wash lettuce in cold water and drain on a plate for about 30 minutes before storing. If water accumulates in the vegetable drawer, lettuce may turn brown.

**SMOKED TONGUE**—Tongue, a treasure in meat buys, is economical, easy to prepare and handy for many uses. To cook smoked tongue, cover with water and simmer until tender, about one hour per pound. Here's a good raisin sauce to serve with hot sliced tongue: Mix 1/2 cup brown sugar with 1 1/2 teaspoons dry mustard and 1 tablespoon cornstarch. Slowly add 1/2 cup vinegar and 1 1/2 cups water. Add 1/3 cup raisins and cook over low heat, stirring constantly until thickened. Cook 10 minutes longer to plump raisins. Add 1 tablespoon butter or margarine and serve hot.

**Desserts Keyed To Budget**

By GAYNOR MADDOX  
NEA Staff Writer  
Dinner, like young love, needs touches of sweetness. Sundaes are delightful desserts that rest easily within a bride's food budget. Let's begin today's lesson on well-fed matrimony with a fresh pineapple.

**Summer Sundaes**  
(Makes 2 servings)  
One-half fresh pineapple, 1 pint vanilla ice cream from the corner store.

Cuts fresh unpeeled pineapple in half, leaving on the leaves. Scoop out the center. Sundaes are served into hollow and serve with orange marachino sauce. Strawberries, orange slices, bananas may also be served with sauce. Note: Save pineapple to serve tomorrow.

**Marachino Orange Sauce**  
(Makes 1 cup sauce)  
One-third cup orange juice, 1 tablespoon lemon juice, 1/2 cup sugar, 3 marachino cherries, chopped, 1/2 cup heavy cream, whipped.

Combine orange juice, lemon juice and sugar; bring to a boil. Stir in cherries. Cool to lukewarm. Fold in whipped cream. Chill. Serve over ice cream and fruit.

But a man cannot live on sweets alone. And with meat prices so high, the budgeting bride must go fishing for other sources of first-class protein.

**Fish Fillets En Papillote**  
(Makes 2 to 3 servings)  
One pound fish fillets (haddock, halibut, sole), cut into 4 fillets, 2 tablespoons butter, 1/3 cup finely chopped onion, 1/2 garlic clove, peeled and finely diced, 1/3 cup finely chopped celery, 1/3 cup finely chopped green pepper, 3/4 cup firmly packed soft bread crumbs, 1/4 cup cracker meal, 1 teaspoon salt, 1 teaspoon dry mustard, dash of pepper, 1 egg, 1 teaspoon vinegar, 2 tablespoons commercial sour cream.

**GREENE IS BAYLOR GRAD**  
James Lewis Greene was graduated Sunday from Baylor University with a degree in business administration. Greene is the son of Mrs. J. L. Greene, 706 West Louisiana Street. Mrs. Bodine and the graduate's mother and sister, Betty Jo, attended the graduation exercises in Waco. The group returned to Midland by way of Mc-Ranah in Kerrville.

**STORING CHEESE**  
Before storing cheese in the refrigerator wrap tightly in waxed paper or aluminum foil and then place in a covered container.

Cover fish fillets with hot, not boiling, water; add 1 teaspoon salt. Simmer for 5 minutes. Remove from heat and drain. Meanwhile, melt butter in frying pan over low heat; add onion and garlic and cook until tender and golden brown, about 10 minutes. Add celery and green pepper; cook until well heated, but not browned, about 5 minutes. Remove from heat. Add hot vegetable mixture to bread crumbs and cracker meal in bowl. Stir in salt, vinegar and sour cream, blending well. Place each fillet on piece of brown wrapping paper large enough to completely cover fillet. Divide stuffing into 4 portions. Place portion of stuffing on one end of fillet and fold over. Wrap securely in paper. Place wrapped fillets on baking sheet and bake in moderately hot oven (400 degrees F.) for 10 minutes. Remove from oven; unwrap and serve hot with cold sour cream pickle sauce.

**BRIDE'S DELIGHT**: Fresh pineapple boat with ice cream and fruits, plus a luscious orange marachino sauce.

**STEAM FRYING CHICKEN**

In frying chicken many cooks have excellent results when they keep the skillet fat very hot when the chicken is dropped in, then cover the pan and lower the heat to steam. The cover may be removed for the last five or ten minutes of cooking and the chicken crisped.

**RELAXATION FOR EYES**

To relax your eyes before going to sleep, try this simple exercise. First close your eyes, and then open them, parting your lids as widely as possible. Roll your eyeballs slowly in a complete circle. Repeat several times, rolling them first to the right and then to the left.

**CRANE**—Miss Heather Raynor of Buckingham, England, was a visitor recently in the home of Mr. and Mrs. Paul Lowe. She was accompanied to Crane by Mr. and Mrs. Ray Bric and family of Mazlowe, Okla. During the stay, Bric was a visitor frequently in the Raynor home in England. This is Miss Raynor's first trip to America.  
J. M. Alley, evangelist, and his wife will arrive here soon for a three weeks' revival in the First Christian Church, beginning June 3 and ending June 24.  
Billie Marie Wood was honored on her fourth birthday with a party at Community Hall, given by her mother, Mrs. Bill Wood, who was assisted by Mrs. Bill Hogsett, Mrs. Charles Brown, Mrs. Bob Strain and Mrs. Pete Bennett.  
On Austin Trip  
James Luther Adcock, son of Mr. and Mrs. L. S. Adcock, has gone to

Austin to visit with relatives. On the return trip he will be accompanied by J. L. Hutchison of Odessa, a student at the University of Texas.  
Mr. and Mrs. R. H. Modisset have returned from Mr. Modisset's vacation with their grandparents. James Corill was honored with a birthday party at his home. It was his fifth birthday. His mother, Mrs. J. E. Covill, was host. Out-of-town guests included Norma Jean Covill of McCamey and Betty Covill and Shirley Covill, both of Grandfalls.  
Dr. and Mrs. E. J. Maynard and son, Steve, have returned from Abilene, where they attended graduation ceremonies at Abilene Christian College. Mrs. Maynard's sister was among the graduates.

LOST YOUR ... maybe you have **CALCIUM HUNGER**

It's impossible to have the push that gets things done when you're in the grip of Calcium Hunger. You must have sufficient calcium in your daily diet to build pep, vigor and vitality. Milk is the richest, most available source of essential calcium. Two glasses of milk each day will supply adult requirements. And, if it's Borden's Homogenized Vitamin-D Milk, you'll also be getting two glasses of enjoyment! For Borden's "Homogenized" has that richness of flavor created when the cream is distributed through every drop. You'll love drinking your two glasses of this delicious creamy milk daily. And children will welcome the daily quart they need. Stop Calcium Hunger before it starts in your family. Start drinking Borden's "Homogenized" Milk every day!
