## "MY TURN"

By Carol Ellis

PERHAPS YOU'VE NOTICED that I avoid, like the plague, discussing controversial subjects in this space every other week, leaving such matters as that to the good old boy who lives with me over on Maple Street.

Some of the topics which you will probably never see discussed in this column are: gun control; women who use men's public restrooms; racially-mixed marriages; "Is Elvis really dead?" (who cares?); transvestites; condom machines in high school restrooms; did the Mafia or the CIA really kill J.F.K.?; euthanasia; who won the Superbowl? (who cares?); guys who wear an earring in one ear; abortion; and the Pope.

Some of the controversial topics which I MIGHT discuss in this space sometime, would be: people who smoke in public places; poverty and the welfare system; term limitations for government officials; abolishing the 55 mph speed limit on all flat highways where you can see till tomorrow; abolishing U.S. labor unions; people who don't return things they have borrowed; abolishing junk mail; the U.S. health care system and the swindle of medical insurance; abolishing the income tax; and whether the man or the woman should control the channel changer.

It is amazing the way men's opinions on any given subject so often differ from women's. That's why the battle of the sexes has been raging at full force for thousands of years and why there are so many divorces. Adam and Eve probably had differing opinions on things back in the Garden of Eden.

Eve says, "Are you really going to wear that out in public? What made you think grape leaves would go with hawthorne tendrils?"

Adam replies, "Well, I've waited so long for you to get ready, that now I don't have time to change, so I'll just have to wear it."

And did you ever notice that if he's the hot-blooded sort of fellow, she's always freezing? If she loves warm weather and beaches, he prefers mountains and snow. That's why someone invented the electric blanket with dual controls for each side of the bed.

If she's Mrs. Clean, he's Mr. Nasty. She wants every surface of the house to be shining and sterilized, but he figures if the dust balls get big enough, maybe he could use them for insulation or something. He's a pack-rat and she's a dispo-all. He's saved every magazine he could get his hands on since the thirties. The week after she has carted them all out to the dumpster, he reads an article that says those old Bat Man comic books from the thirties have become collectibles and can now bring as much as \$1,000. Divorce proceedings usually begin for this couple over a tattered piece of old clothing. To one it's an ugly old rag. To the other one it's a source of comfort.

On vacations, he likes to rough it, get back to nature, camp out, sleep in a tent, cook over a spluttering fire made of damp wood, don't bathe for days, etc. She likes to go to Vegas, take in some shows, stay in a posh place with a foreign-sounding name, and luxuriate in some pampering.

He's an early morning person, while she only unwinds after midnight. He loves sports . . . she's into the arts. He reads the "Enquirer", but she only attends movies that have sub-titles. She likes to get dressed up and go to parties while he'd rather sit around in his undershirt and scratch himself. She likes to play tennis, but he'd rather head out to the golf course. If he thrives on promptness, she's always late. She goes in for Windom Hill "new wave" music and his taste runs more to Boxcar Willie. He votes Republican, she votes Democratic. And on and on.

But then if we all thought alike, each day would be more dull and boring than the day before, wouldn't it?

## Winners Given For County Stock Show

Youngsters from Lazbuddie, Friona and Farwell exhibited the Grand Champion animals at the 45th Parmer County Jr. Livestock Show last weekend at the Friona Community Center.

Shane Roberts of Farwell exhibited the Grand Champion Barrow, a crossbred animal. It was the first barrow title for a Farwell showman in ten years, since Danna Ralston won it in 1982. It was only the sixth barrow title for a Farwell showman in the 45-year history of the show.

Monty Schueler of Friona exhibited the Grand Champion Lamb, a Hampshire.

Lori Bradshaw of Lazbuddie entered the Grand Champion steer, an exotic cross, and Jarah Redwine, also of Lazbuddie, had the Grand Champion heifer, also an exotic breed.

Although Lazbuddie showmen have dominated the barrow and sheep divisions down through the years, it was only the seventh steer title for an LHS exhibitor in the show's history.

Winner of the barrow showmanship award was Holly Engelking of Lazbuddie (senior) and Greg Salyer, Friona (junior). Showmanship winners in the lamb division were Shana Foster, Lazbuddie (junior) and Cody Simmons, Friona (senior).

Showmanship winners in the beef division were Mandy Magby of Lazbuddie (junior) and Clint Hurst of Lazbuddie (senior).

Exhibitors of the Reserve Champion animals were: barrows, Jason Kerby, Bovina (Duroc) lambs, Cody Clark, Lazbuddie (Hampshire); Mandy Magby of Lazbuddie in the steer show (Exotic), and Watson Langford, Farwell, Heifer show (British).

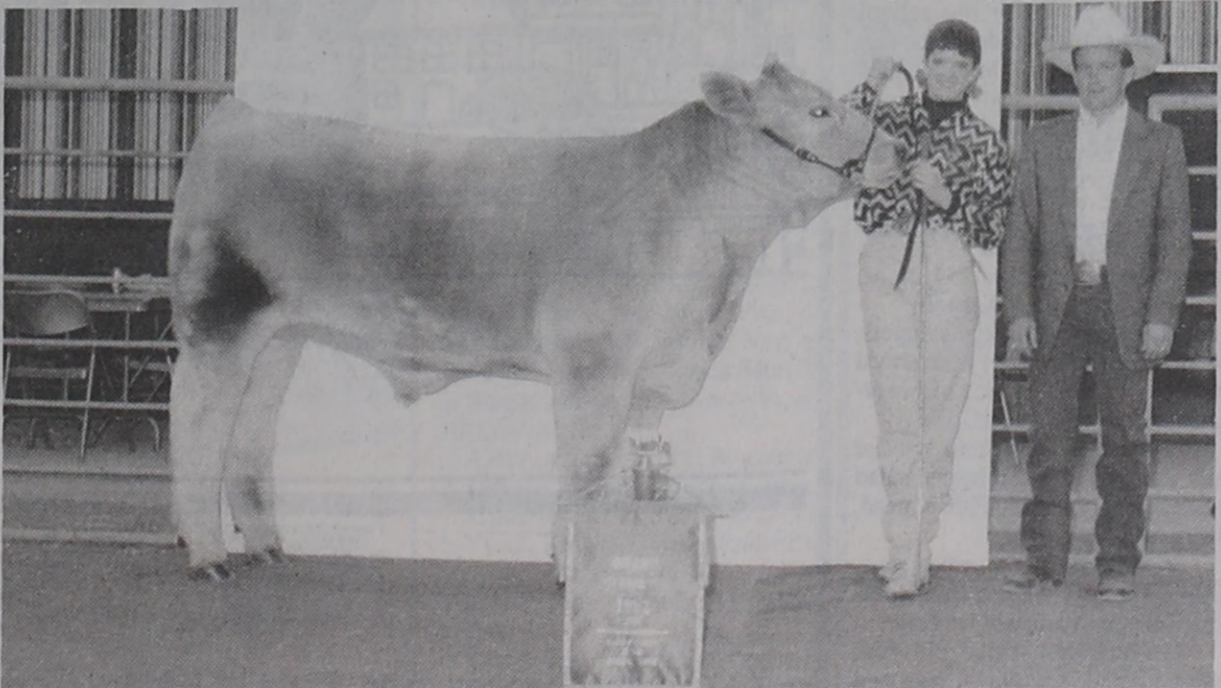

For a look at all the winners in the 1992 show, see the complete result list on Page 3 of this issue.

## 9-1-1 System Set To Debut In Friona

Parmer County telephone subscribers will be able to access 9-1-1 services beginning February 13, 1992. The Parmer County 9-1-1 system is one of 23 planned systems to be implemented across the Panhandle of Texas.

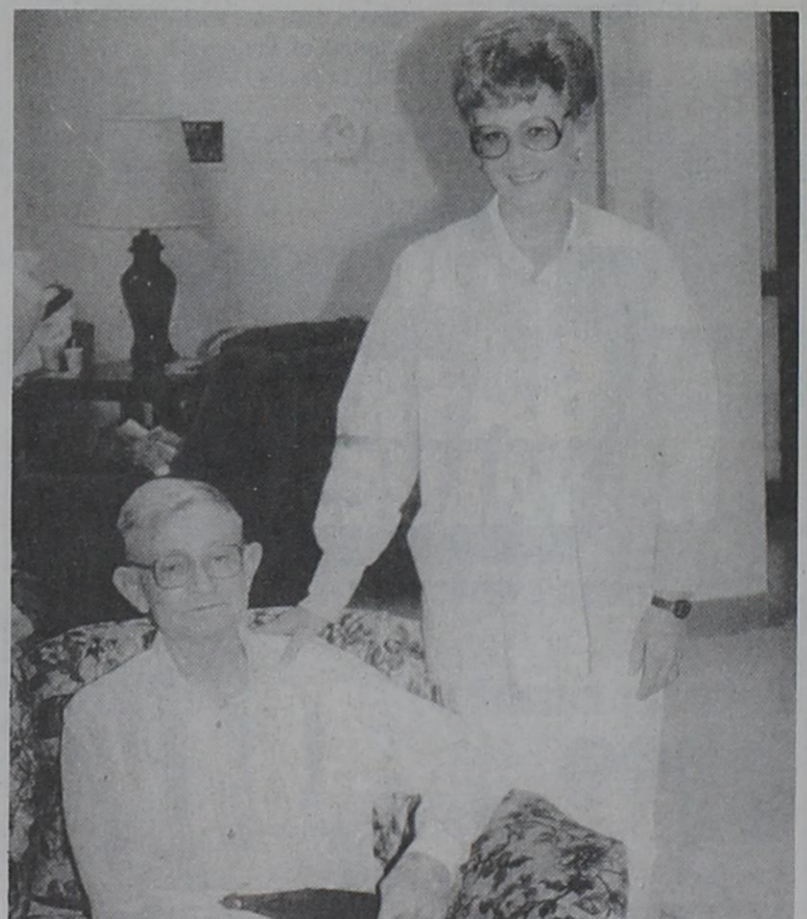

The availability of 9-1-1 service in Parmer County was made possible through a cooperative effort with Parmer County, the cities of Bovina, Farwell and Friona, the Panhandle Regional 9-1-1 Network and the Panhandle Regional Planning Commission.

Local elected officials, law enforcement, emergency medical services and fire department personnel, local businesses and the citizens of the area have volunteered their services to ensure that the 9-1-1 system will be successful.

A reception celebrating the beginning of 9-1-1 service will be held Thursday, February 13, 1992, from 2-5 p.m., at the Friona Police Department in Friona. The public is invited to attend.

VEHICLE IN SERVICE...Friona Volunteer Fire Department is sporting a new "First Response--Quick Response" vehicle. The truck, equipped with rescue equipment, also is a four-wheel drive and is equipped to fight grass fires. The vehicle was driven to Friona from Casper, Wyoming, and arrived here January 25. Ernest Anthony and Tom Ware's commissioner's precincts were responsible for one-half the cost of the vehicle.

PRAIRIE ACRES HONORS....Selected this month by vote of the residents of Prairie Acres were their staff member and resident of the month. Samuel Davis, seated, a resident since last December 9, was named "Resident of the Month," and Debbie Sweatt was named Employee of the Month.

## E. Hwy. 60 Traffic To Use New Lane

Weather permitting, the Contractor for the construction of U.S. Highway 60, from Friona to the Deaf Smith County line, will route traffic to the new (north) roadway of this highway the first week in February.

For approximately two days, traffic will be routed over both roadways and U.S. 60 will function as a four-lane divided highway; however, after a detour is installed at the Castro-Deaf Smith County Line, all traffic will be placed on the new roadway until re-construction has been completed on the old highway.

The public is urged to use extreme caution during this transition phase of the roadwork. They should be especially observant of side road traffic and illegal passing of vehicles.

Howard D. Mayfield, 96, passed away Sunday, January 26, 1992 at the Farwell Convalescent Center. Funeral services were at Hamlin Memorial Methodist Church in Farwell on Tuesday, January 28, with Rev. children and eight great-grandchildren.

Pallbearers were: Don Paul Spring, LaVern Norris, J.A. Loflin, Hugh Mosley, David Snider, John Snider and Keith Blackburn.

## Depot Group Elects New Officers

Mayfield was born August 15, 1895 in Okarchee, Oklahoma when it was still Indian Territory. He married Mary Elizabeth Tackett on March 19, 1920 at Apache, Oklahoma and moved to Friona in 1930 where he farmed for many years. He enjoyed playing on a local baseball team many years ago. In later years, he took up the hobby of making latch hook rugs for friends and members of his family. He was a member of the First United Methodist Church of Friona.

At the annual meeting of the Community Heritage Society last Tuesday evening at the Depot, new officers and directors were elected.

Lois Norwood was re-elected to head the group as president. Carrie Tatum will be vice president; Judy Cummings is the new secretary; Dottie Osborn is the new treasurer; and Carol Ellis is reporter.

Directors elected were Martha Hamilton, Mary Johnston, Ilene Osborn and Carrie Tatum.

Membership dues of \$5.00 and memorials to the Society should now be sent to Dottie Osborn at HCR #1, Box 1B, and she will send out acknowledgements for the memorials.

In a short informal business session the board decided to ask for volunteers from the community to help with the beautification of the area around the depot. Over a year ago, McLain Garden Center of Hereford donated some trees and shrubs for landscaping around the Depot. Now several of these have died from drought and neglect. Anyone who enjoys gardening and would like to volunteer a small amount of their time, is urged to call Lois Norwood at 247-2766 (day) or 247-3209 (evening) to set up a schedule for watering and other care of the trees and shrubs.

On Saturday, February 5, the four basketball teams of Parmer County will go to Portales, N.M. and hold a basketball tournament in order to decide the county championship. The four teams are Friona, Bovina, Farwell, and Oklahoma Lane. Various reasons make it necessary for this arrangement. One is that the championship game must be played on an indoor court. Friona is the only school in the county with an indoor court, and it is claimed by the other teams that it is not regulation size.

Some citizens not on the city water mains have expressed their desire of having the mains extended to their premises. The city would be happy to do so, except the city finances are so low as to make this move absolutely impossible at the present time. However, any citizen wishing to bear the expense may be supplied with water, and the funds would be returned in the form of free water until the amount should be taken up.

**WHO WROTE THE BIBLE ?**  
AUTHORSHIP OF THE BIBLE, NATURALLY, CAN NOT BE ASCRIBED TO ANY ONE PERSON, OR GROUP OF PERSONS, BUT, WHEN WE VIEW ITS AUTHORSHIP CLOSELY, WE CAN ONLY GASP WITH AMAZEMENT OVER THE VAST ARRAY OF PARTICIPANTS WHO, WRITING OVER A PERIOD OF 1500 YEARS, CAME FROM EVERY WALK OF LIFE! ASSUREDLY, ALL OF THEM WROTE UNDER THE INSPIRATION OF DIVINE GUIDANCE FOR, ALTHOUGH SOME WERE INTELLECTUALLY GIFTED, OTHERS WERE HARDLY LITERATE ENOUGH TO FASHION THE WORDS THEY WROTE! THEY WERE:

KINGS, PEASANTS, PRIESTS, FISHERMEN, SHEPHERDS, GENERALS, LAWYERS, DOCTORS, TAX COLLECTORS, POLITICIANS, NOBLEMEN, MARTYRS, SOLDIERS, AND SLAVES!

THEY USED EVERY AVAILABLE FORM OF EXPRESSION:

PROSE, POETRY, PARABLES, PRAYERS, SERMONS, SONGS, HISTORY, LAW, LETTERS, DIALOGUE, ANECDOTES, RITUAL, ROMANCE, BIOGRAPHY, EULOGY, ALLEGORY, PROPHECY!

THEY WROTE IN WIDELY VARIED SITUATIONS:

IN PRISONS AND PALACES, CITIES, TOWNS, AND VILLAGES, DARK CAVES, AND ARID DESERTS, BY RIVERS, ON MOUNTAINS, IN DEFEAT, IN VICTORY, IN EXILE!

THEY WROTE ON ALMOST EVERY SUBJECT FOR MANKIND:

GOD AND THE DEVIL, CHRIST AND THE HOLY SPIRIT, CREATION AND SIN, THIEVERY AND CHARITY, HATEFULNESS AND KINDNESS, HONESTY AND TRICKERY, PROPHECY'S FALSE AND TRUE, LIFE, DEATH, HEAVEN, HELL!

ABOVE ALL, THEY WROTE OF GOD'S PROMISES AND PLANS FOR HIS UNIVERSE, AND OF HIS LOVE FOR US, HIS CHILDREN... WHAT A MAJESTIC HERITAGE IS OURS—THE HOLY BIBLE!

# Chiefs Fall To Mules By 71-67

# Bobbies Edge Squaws By 50-44

# -For First Half Title-

The Friona Chiefs lost their fourth district game to the Muleshoe Mules here last Friday, 71-67.

Charlie Snead's lay-in gave Friona a quick 2-0 lead, and Warren Duke's shot gave his team a 4-2 advantage.

Snead's lay-in gave the Chiefs a 6-5 lead, and Duke then made a follow shot for an 8-6 Friona lead.

But the team became sluggish. Chad Hamilton's free throws preserved a 12-7 Friona lead at the first quarter buzzer.

Muleshoe reeled off seven consecutive points to start the second quarter for a 14-12 lead.

Kyle Potts' three-point basket gave Friona a 15-14 lead, and sparked a Friona comeback. Mark Outland made a lay-up; Corbin Riethmayer made a pair of free throws for a 19-17 lead. Riethmayer then made a pair of follow shots at the 4:40 and 4:20 marks and Hamilton's free throw gave Friona a 24-17 lead.

But the Chieftains' shots quit falling, and Muleshoe outscored them, 18-6 in the last 3:50 of the first half, to take the momentum into halftime, 35-30.

If that wasn't enough, the Mules, who had scored ten the last 12 points of the first half, opened up by scoring their first eight points of the third quarter.

What had been a 28-23 lead by the Chieftains with 2:50 to play prior to halftime had turned into a 43-30 Muleshoe lead.

Potts gave the team hope with another three-pointer, and shots by Snead, Outland and Riethmayer made it a seven point deficit, 45-38 with 4:35 left in the quarter.

But Muleshoe responded by outscoring the Chiefs 13-7 to take a 58-45 lead at the three-quarter mark.

## JV Boys Run Mark To 8-1

The junior varsity Mustangs downed Meadow, 57-26 in a game last Tuesday.

The win made the JV boys' season mark 8-1.

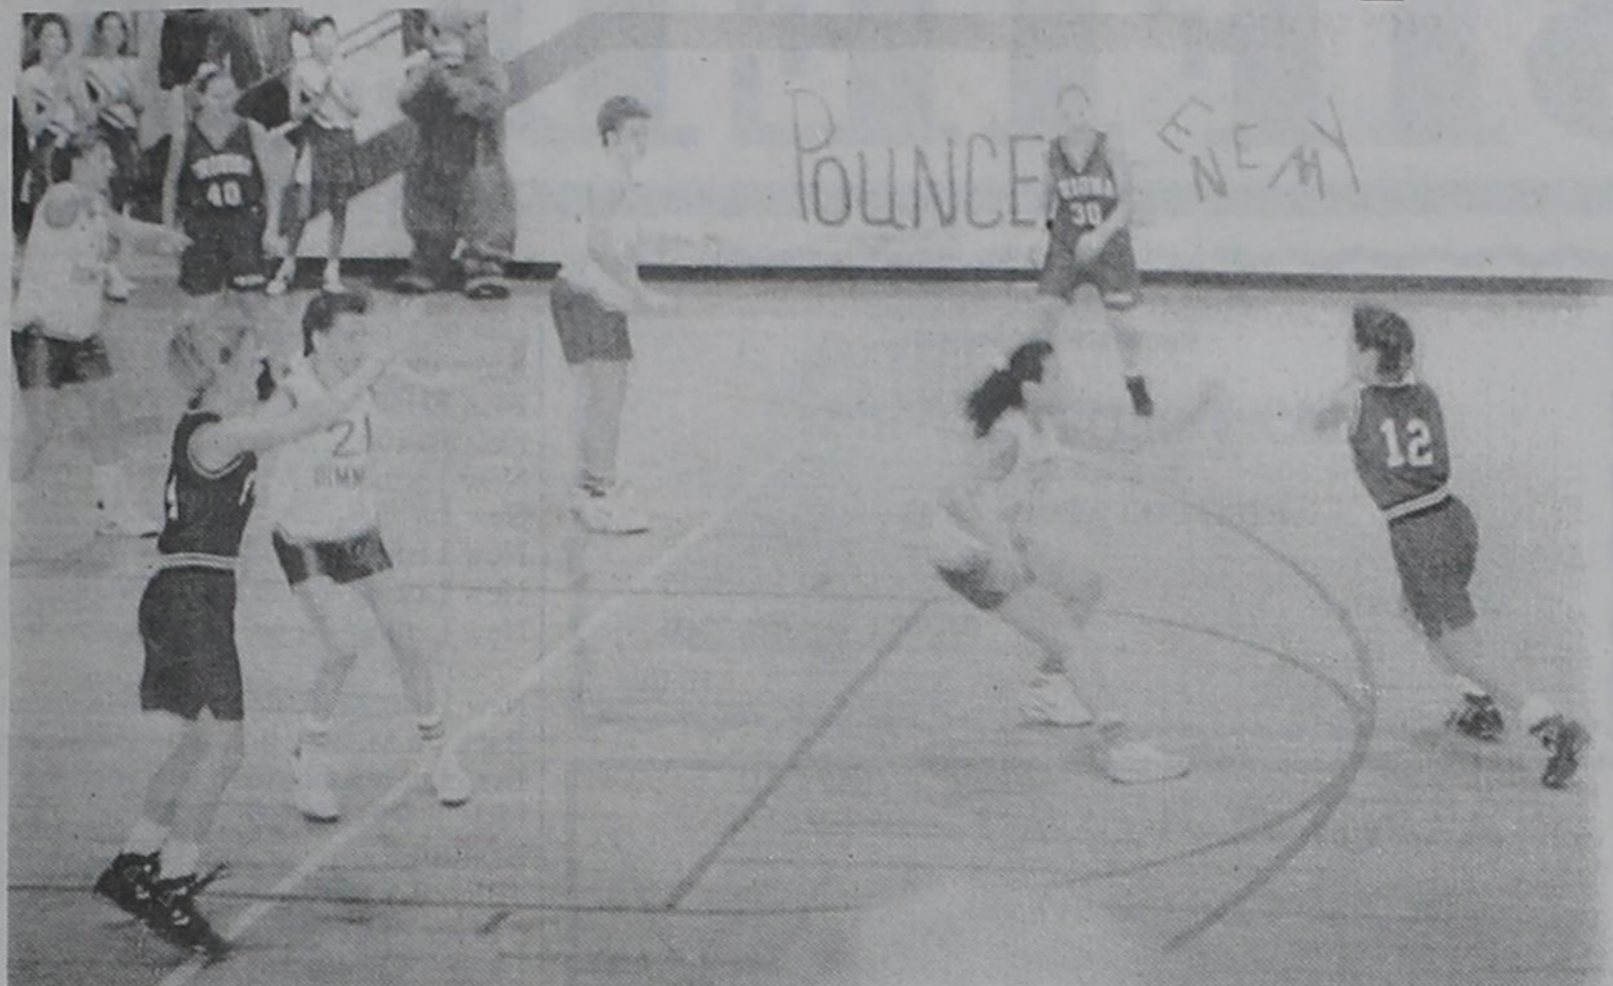

Jerry Reyna scored four baskets in the opening quarter to give Bovina a 14-11 lead. Bovina held the halftime lead at 23-15, and led after three quarters, 36-19.

Reyna was the scoring leader with 19 and Sammy Rodriguez had 16. Hromas scored ten and Mark Jansen eight.

## Squaws Down Mules; Run Dist. Mark To 4-0

The Friona High School Squaws kept their District 2-3A record unbeaten here against Muleshoe last Friday, outlasting the Lady Mules of Muleshoe, 55-48.

The Squaws had a big lead in the first half and early in the third quarter before getting into foul trouble and allowing the visitors to trim the final margin.

Muleshoe took a 6-0 lead in the first 2:30 of the game, before Alicia Widner's free throws got Friona on the scoreboard. Renee' Downey's three-point shot with 4:30 left in the opening quarter made it a 6-5 deficit.

Miss Widner then made a pair of free throws and a layup in quick succession, to give the Squaws their first lead at 9-8. Renee' Martin connected on a three-pointer for a 12-8 lead with 2:08 remaining in the period.

Baskets by Gena Willard and Miss Widner gave Friona a 16-10 lead at the end of the quarter.

Friona scored the first nine points of the second quarter to take command of the game.

Miss Widner made a layup and Miss Downey a free throw, before Mendi Milner's three-pointer gave Friona a 22-10 lead with 1:20 gone in the second quarter. Miss Milner added a free throw, and Miss Widner a layup and Friona had hiked its lead to 25-10.

Monica Clemmons of Muleshoe broke her team's scoreless spell with a pair of free throws midway through the quarter.

But Miss Widner answered with a layup and then hit four of four from the line, and the Squaws went to intermission with a 31-17 lead.

Kris Hamilton's lay-in gave the Squaws a 33-19 lead with two minutes gone in the third quarter. But the visitors began to cut into Friona's lead, and pulled to within five points twice late in the game 49-44 with two minutes to play, and then 51-46 with just over a minute left.

Miss Downey hit four of four from the line in the last minute of clock time to help preserve the win and Friona's unbeaten record. The win also ran the team's season record to 17-8.

Misses Downey and Widner scored 16 points apiece for the Squaws. Miss Downey hit 10 of 12 from the free throw line.

**KYLE CUMMINGS**

## Cummings Honored

Kyle Cummings, son of Scott and Donna Cummings of Lubbock, and grandson of Doyle and Judy Cummings of Friona and Carol Deal Huggins of Farwell, was recently named to the Texas Association of Private and Parochial Schools All-District football squad.

Kyle was chosen by the district 4-2A coaches as an all district offensive lineman and an all-district defensive lineman.

The 6'1", 205 lb. junior also received honorable mention both offensively and defensively for the TAPPS Class 2A All-State football squad.

He plays at Lubbock Christian High School, where the Eagles were district champions and state finalists.

Cummings had 43 tackles, seven sacks, three fumble recoveries and caused three fumbles.

## Three FHS Grads Earn SPC Honors

Several students at South Plains College from the Friona and Muleshoe area were named to the President and Dean's Honor Lists for the fall 1991 semester just past.

Staci Mueller was named to the President's Honor List. Students on this list must maintain a 4.0 or straight "A" GPA. Honor students must carry a full load or a minimum of 12 semester hours.

Staci was also named to "Who's Who Among Students In American Junior Colleges," which is a selection based on academic excellence.

Chad Rhodes and Nicole Potts were named to the Dean's Honor List. Those on the Dean's Honor List must maintain a minimum 3.25 GPA.

## JV Squaws Split Pair

The FHS Squaws' junior varsity downed Muleshoe, 51-38 here last Friday, but fell to Dimmitt on Tuesday at Dimmitt, 58-35.

In the Muleshoe game, Amy Taylor hit four first-quarter points and Keri Reeb added four in the second quarter, pacing the team to a 20-15 halftime lead.

Miss Taylor came back with six points in the third quarter, and Miss Reeb sank two baskets, including a three-pointer, as the Squaws racked up the win.

Both Misses Taylor and Reeb scored 12 points, pacing the win.

At Dimmitt Tuesday, the JV Bobbies grabbed an 11-6 first quarter lead, and held leads of 33-9 and 44-20 enroute to the win.

Miss Taylor scored 12 points, and Trisha Gibson eight.

A five-minute scoreless spell proved fatal Tuesday at Dimmitt for the FHS Squaws, battling the Dimmitt Bobbies for the first half championship of District 2-3A.

The Squaws had just taken a three-point lead over the Bobbies--their longest of the game, when the team couldn't buy a point. Dimmitt scored ten unanswered points, and claimed the first half title with the 50-44 win.

The Bobbies got off to a 7-0 lead, paced by Halley Bradley, who had missed over half the season with serious illness.

Renee' Downey broke the scoring ice for Friona with a lay-up at the 5:26 mark. She then sank a three-point basket, and Friona trailed 9-5 with 4:30 left in the opening quarter.

Mendi Milner sank a pair of free throws and a layup, and Alicia Widner broke free for a lay-up as the Squaws trailed 15-11 at the buzzer.

Miss Widner's follow shot, and Miss Downey's pair of free throws at the four-minute mark of the second quarter tied the score at 17-all, as Dimmitt had scored only two points in the first half of the quarter.

A jump shot by Miss Widner again brought a tie at 19-all at the 3:30 mark, and Miss Downey made a nice jump shot over her defender for Friona's first lead in the game, 21-19, with 2:09 left in the half.

Dimmitt then scored three straight baskets for a 25-21 lead. Fans saw a strange ending to the half when Renee' Martin's free throw bounced high and touched the top of the goal, then fell back through the basket.

One official ruled a miss and allowed Dimmitt to throw the ball the length of the court, as three seconds remained on the clock. After the horn sounded for the half, the other official over-ruled the earlier decision and gave Miss Martin the free throw, and called her back to the line. Her second shot

bounced off the rim, and Dimmitt led at the intermission, 25-22.

After the Bobbies took a 29-22 lead, the Squaws battled back. Dimmitt led 31-24 when Gena Willard sank a pair of three-pointers in a 30-second span. That trimmed the lead to 31-30 and a couple of minutes later Miss Widner battled twice for rebounds and sank a follow shot for a 32-31 Friona lead.

After Dimmitt scored, Tena Willard sank a pair of free throws for a 34-33 Friona lead, but Dimmitt led, 36-34 after three quarters.

Dimmitt scored on a lay-up to start the final quarter for a 38-34 lead. That's when Miss Widner made a layup, and Renee' Martin's three-pointer gave the Squaws a 39-38 lead at the six-minute mark. Miss Widner's jump shot gave Friona a 41-38 lead, and 5:10 remained in the game.

While that was the team's longest lead, they suffered through some bad calls and breaks during the next five minutes, during which nothing would drop, and Dimmitt took advantage of Friona fouls, making six of seven from the line to take a 48-41 lead.

Miss Martin's three-point goal with seven seconds broke the long scoreless streak for Friona for a 48-44 score, but the Bobbies made sure to score another basket, which made the final score belie the closeness of the game, since the margin stayed within four points most of the game.

Miss Widner's 14 points paced the Squaws, and Miss Downey added 11.

Dimmitt finished the first half at 5-0 and Friona was 4-1. The Bobbies improved to 16-10, while Friona's record went to 17-9.

**Cosas Venideras  
 Por Vicente Soto**

Este va a ser un ano muy im-  
 portante para nuestro pais, nuestro  
 estado, el condado y la ciudad. Por  
 desgracia solo sera importante para  
 los votantes puesto que muchos no  
 esta si le importa o no; el caso es  
 que nos afecta lo queramos o no.  
 En una platica con un amigo  
 hablamos sobre el problema que  
 como mexicanos confrontamos en  
 el tiempo de votar. Una cosa es se-  
 gura; brillamos por nuestra ausencia  
 pero somos los primeros en que-  
 jarnos. Que contraste! En Mexico  
 al igual que en toda America latina  
 nuestros padres, parientes o amigos  
 nos ponen el ejemplo en la lucha  
 por cambiar lo deficiente y mejorar  
 la condicion de vida. Preguntamos  
 tener un pedazo de pan y un techo  
 donde vivir es todo lo que buscamos  
 aqui?

No todos nacimos para lo  
 mismo, para los que con eso estan  
 contentos: felicidades, lo han lo-  
 grado! Pero para los otros paisanos  
 no pensamos que eso era todo lo  
 que anhelan. Sin embargo en este  
 pais para ser oido tienes que partici-  
 par y votar y los demas viven las  
 consecuencias por lo que no  
 hablaron.

No quiero sonar muy pes-  
 imista, sin embargo, en este con-  
 dado somos los mas atrasados en  
 cuanto a participacion en intereses  
 publicos toca, mira alrededor de ti,  
 Muleshoe, Clovis, y Hereford donde  
 tienen mas actividad civil y mira  
 luego este condado y veras que las  
 cosas hablan por si mismas.

Pero en este ano las cosas  
 pueden cambiar y to puedes probarte  
 a ti mismo que no solo estamos  
 pintados aqui sino que tenemos algo

# Debra's Town Talk

By Debra Baxter Phone 247-3770

Mrs. Ida Hadley, who lives at Prairie Acres, enjoyed two of her out-of-town daughters recently. Carol Watson and Mary Shoemaker, who live in Hico, Texas, came to visit their mother and their sisters, Lottie Bails, Betty Freeman and Joyce Beavers and their families.

While here, they also attended the funeral of Alfred Beavers' father, Burl Beavers, at Hereford.

Many of you probably remember Pearl McClain, who lived here

## Don Holt Completes Basic Training

Navy Seaman Recruit Donald E. Holt, a 1989 graduate of Lazbudie High School, recently graduated from Basic Signalman School.

During the course at Service School Command, Navy Training Center, Orlando, FL, students receive instruction in methods and procedures for shipboard visual communications, to include Morse code, semaphore and hoisted flags.

Holt joined the Navy in September 1991.

many years and taught English and Spanish at Friona High School. She now lives at King's Manor in Hereford and visited here last week with Irene Pope and in our home (John Baxters).

Pearl is still full of spunk and doing well. She was accompanied to Friona by a cousin, Foy Smith of Hereford.

Jean and Porter Roberts' son, Mike, has been in Friona the last few Thursdays. He is associated with Abilene Casket Company, and is involved with all phases of the business from the office to driving a truck when he needs to.

Porter is working hard trying to find the names of some of the sweethearts of the Friona Evening Lions Club. The organization was chartered in June, 1941, so the club has had around 52 sweethearts in its history.

He mostly lacks the ones who held this position in the 1940s. If you know of someone who served in that capacity, Porter's number is 247-2264. The Lions Club is wanting to put the names of all of the club's sweethearts on a plaque

for all posterity.

Betty Renner spent about five days recently in Bentonville, Arkansas with her mother, Lela Gurley, who lives there.

Phyllis Murphree, Betty's daughter who lives in Edmond, Oklahoma, went with her mother and the two of them helped Mrs. Gurley, who has just been dismissed from the hospital where she was being treated for congestive heart failure. Betty said her mother is doing well now.

Randy Baize is in Albuquerque, New Mexico having some reconstructive surgery done. His brother, S.D. Baize, went with him to the doctor and another brother, Danny, and wife, Connie, were to meet them later in the week. When all goes well with this, Randy will undergo eye surgery in about a month. We are hoping the best for Randy and his family.

"Wonders never cease" is brought to mind as Leslie and Becky Perkins told about Leslie's recent eye surgeries. Leslie has had eye problems for years and has glaucoma and had lost his peripheral vision but now has much better eyesight thanks to having lens implants in both eyes.

The first implant was made last December 16, and he had the second eye taken care of last week. Becky said "The surgery has made a drastic difference in his vision and helped tremendously. He can see the little birds on the telephone wires and cattle in the field that he has not been able to see before." Leslie works at Arrowhead Mills in Hereford and Becky is an aide at Friona Junior High School. They have three sons, Cassey, Daniel and Adam.

Those attending the Blue and Gold Scout Banquet this weekend are in for some fun. The theme is "Hawaiian" and den leaders Rhonda Bentley, Becky Perkins, Lou Fields, Terri Lynn Cox, Christy Allen, Mary Nava and Santos Rando will put on the program and maybe even do a little hula!

Mary Pipes' mother, Ruth Bonzo from Amarillo, was here Friday and Mary and little Rachel enjoyed her visit.

Last word from June Floyd is that she was still enjoying her stay with her daughter Susan and Wes Phillips and their family on their ranch near Lewistown, Montana.

Irene McFarland has had company from Merkel this week. Her sister, Lucille Wilson has been visiting in Parmer County. Merkel is a suburb of Abilene.

Last Saturday night, Ky and Lanis Graham and children Kyla, Krista and Kaeson hosted a baked potato supper for Joy and Sterling Graham, Hazel Baxter, and Pat and Don Stubbs and their daughter, Dana Wyott and her husband Greg of Littlefield.

Hazel Baxter shared with us a

poem she had written. I think some of us can relate to this:

### 'I NEED TO LOSE SOME WEIGHT'

As I sit down to write this poem,

I'm feeling kinda blue. I need to lose a lot of weight, But don't know what to do.

I've tried all kinds of diet fads, And exercised some, too-- Then comes a fancy dinner That I'm invited to.

A knock on the door, a neighbor With a great big piece of pie-- Topped all up with cool whip, To please my drooling eye;

I guess I just don't have the nerve

To resist such tempting food. I wish that I could lose some weight, I really think I should.

I think I will just wait a week or two,

And let all the dinners go by. Then I will have a better chance To give myself another try.

I'll just eat an apple, carrots, And maybe celery, too; And just forget I really wanted A great big pot of stew.

I'm getting up my nerve now; Think I'll set a date-- To control my appetite, Then I can lose some weight.

### Broad-based Mutual Fund Industry Serves All Investor Types

The mutual fund industry's top leaders unanimously agree that despite the phenomenal growth of recent years, the industry still has not reached its full potential. Since 1974, mutual fund assets have grown at an astounding 23 percent annual compound growth rate and today total more than \$1.2 trillion.

One of the reasons for this outstanding growth rate is broad distribution of mutual fund shares. Once offered exclusively by brokers, mutual fund shares are now available from bankers, insurance agents and financial planners. Why?

Partly because bank customers who could renew a certificate of deposit (CD) for 16 percent 10 years ago now find it difficult to find a CD offering 7 percent. Banks, not wanting to lose their CD business, offer U.S. government securities and tax-exempt municipal bond funds as an alternative. According to *Financial Services Week* (FSW), although banks continue to stress cash products, "there is a move into equity and fixed-income products."

Of the three major mutual fund distributors participating in the FSW survey, banks contributed about 18 percent to the funds' total marketing efforts, making them the smallest mutual fund distribution

outlet. Financial-planning firms and insurance agencies accounted for about 27 percent of the participating funds' sales. The largest share, about 50 percent, still remains with the national and regional brokerage firms. The remaining distribution is through qualified pension plans. "No-load" funds, which typically market their shares directly or through "fee-only" financial planners, did not participate in the FSW survey.

Although insurance agents, brokers and bankers have their favorite fund types, Donald Phillips, editor of *Mutual Fund Value*, a Chicago-based publication that tracks fund performance, says there is now an "overwhelming trend" toward conservative, middle-of-the-road funds. The money chasing of the 1980s has been replaced by a more conservative growth-and-income attitude.

To the investing public this is good news. There are still speculative, complex funds to satisfy more venturesome investors, but many mutual fund salespeople today are more selective, shunning many of the new concepts and trendy ideas. The focus is back on long-term investing.

If too much time is spent selling you a mutual fund, perhaps you should look elsewhere for investment advice.

## — YOUR EYES —

### SEEING AND SKIING

In winter, the sun is lower in the sky and starts to set much earlier. It's harder to see clearly, even with perfect vision, and any visual defect can be exaggerated by poor light. Skiers need goggles to cope with the varying light conditions on the slopes and to protect the eyes from ultraviolet rays. Some goggles have interchangeable lenses of various tints: darker ones to be worn when the sun is strong, lighter ones to let in more of the afternoon light automatically. Lenses that filter blue light are particularly effective in hazy, foggy or overcast weather conditions. That's when vision is obscured by scattered blue light caused by particles of dust. When the blue light is filtered out, the remaining colors focus more sharply on the retina. Snowy surroundings are easier to see and safer to ski.
