## Area Gets Nice Rains In Week

The Friona area received some nice rain during the past week.

On Saturday, which was also parade day for the Maize Days celebration, a shower fell which dampened the parade participants somewhat, but never was extremely heavy.

Late Saturday, a cool front moved through, picking up wind, and deposited a heavier amount of rain. The total accumulation for Saturday locally was .83 inch of moisture.

Then on Monday evening (Labor Day), another line of showers moved through the area, complete with electrical display, leaving another .29 inch in the local rain gauge. A repeat performance on Tuesday night deposited another .27 inch.

Another loud, electrical storm moved through the area in the early morning hours on Friday, leaving around a half inch of moisture.

Cotton farmers are ready for the rain to quit, although the other row crops should be benefitting from this late-season moisture, after having a prolonged dry spell in the mid-season.

Wheat farmers have been in the process of planting their crop, however, and could use a little open weather for this purpose.

## Fair Is Slated Sept. 19

A Parmer County Fair will be held Saturday, September 19 at the Boy Scout building in Friona.

The fair is open to all adults and youth in Parmer County.

Divisions will consist of field crops, horticulture, culinary, canned fruits and vegetables, dried foods, textiles, crafts and hobbies and fine arts.

The fair is being sponsored by the Parmer County Extension Home Economics Committee.

## Grant Is Sought For Court Elevator

A proposed elevator for the Parmer County Courthouse was discussed last Monday in a public hearing of the Parmer County Commissioners Court.

The first of two public hearings on a \$100,000 grant application was held Monday, according to County Judge Porter Roberts.

Roberts said the commissioners will submit the Community Development Block Grant application to the governor's office in November. Last year, about 30 such applications were submitted for federal grants, and about eight of nine projects were funded, he said.

"If we're turned down, we'll apply again next year," Roberts said.

**CHECK FOR BAND...** The Excel Corp. presented a check in the amount of \$1,213.67 to the Friona High School band after the company held a fajita and dunking booth during Maize Days. Mickie Cochran, standing left, presents the check to Jim Parker, FHS band director. Seated are Excel employees (l-r) Audrey Murphree, Esther Mendoza and Alesia Tucker, who helped with the project.

## Church Set For Dedication Event

"A House of Prayer For All Nations" will be the theme for the dedication of the new sanctuary of Calvary Baptist Church of Friona, this Sunday, September 13, at 2 p.m. The dedication will be the climax of an eight month building program.

Dr. Floyd Bradley and Dr. Ciro Garcia of the Caprock Plains Baptist area will be featured at the 2 p.m. service. It will include music by the church choir, comments by former pastors and a message of dedication by Vergil Ichtertz, pastor.

The pastor and people of Calvary Baptist Church would like to invite the churches and people of the area to help them celebrate this event in their lives.

The church will be hosting a carry-in lunch at 12 noon in preparation for the service.

On Sunday, July 26, 1987, Alicia Smith, age six, was the last person to make a profession of faith in the old auditorium. This ended 27 years of services for Calvary Baptist Church in that building.

On July 14, 1960, Calvary Baptist Church was organized. Audye Wiley was called as the first pastor. There were 72 charter members that day.

The church has had seven pastors: Audye Wiley, July 6, 1960 to August 31, 1964; Jake Armstrong, September 23, 1964 to January 1, 1968; R.C. Hester, February 9, 1969 to March 7, 1974; Ron Trusler, August 3, 1974 to December 25, 1977; Murle Rogers, January 25, 1978 to January 25, 1982; Andy Hollinger, April 6, 1982 to April 15, 1984 and Vergil Ichtertz, August 15, 1984 to present.

Twelve of the charter members are still members: V.M. and Elizabeth Ferguson, Mae Hyde, Thelma Jones, Mae Magness, Elaine Parson Rogers, A.T.

Stowers, J.P., JoNell and Bobby Sims, Thomas and Ruth Parson.

Over the 27 years, there have been 655 baptisms, 661 additions by letter and statement.

On July 18, 1987, several people gathered to move the pews to this new building. A trailer was borrowed and the job was done in short order.

On August 2, 1987, the first service was held in the new building.

Harold Taylor built a new pulpit with the same design as the front of the building.

## Team Tests Idalou Fri.

The Chieftains were visiting Idalou Friday night in their second grid outing for the 1987 season.

The team was expecting a tough game from the 1-0 Wildcats, whom they had never beaten in four previous meetings.

Idalou is led by quarterback Tracy Saul, a running and passing signal-caller who accounted for 261 yards (174 rushing and 87 passing) in his team's 26-2 win over Shallowater.

"We have to correct our mistakes," said Coach Tommy Moss this week. Moss said the Chieftains expected to throw the football more this week, giving a chance for quarterbacks Daniel Echols and Cody Burney to test their passing skills.

The team threw only three passes against River Road in its opener.

**PORTALES GAME TIME**  
Next Friday night the Chiefs visit Portales, N.M. The game will begin at 8 p.m., Central Daylight Time.

The game will be played at E.N.M.U.'s Greyhound Stadium, which is located this side of Portales on Highway 70.

## Corn Field Day Is Set

Area corn producers are invited to attend the Parmer-Bailey County Corn Field Day to be held on September 16 from 10 a.m. to 12 noon at the Gene Smith farm. This year's test includes hybrids from seventeen seed companies. This is always one of the largest plots of corn varieties grown under similar conditions.

The Gene Smith farm is located two miles north and one mile west of Lazbuddie.

There are 54 yellow (red cob) varieties, 10 yellow (white cob), and seventeen white corn varieties.

Seed companies with hybrids in the test include Conlee, DeKalb, Triumph, Gro-Agri, Cargill, Pioneer, Funks, Frontier, Garst, NCT, Seed Tech, Jacques, Northrup King, Hoegermeyer, Golden Harvest, Warner and Stauffer.

## Maize Days Is A Big Success

Friona's 1987 Maize Days celebration concluded last Saturday with everything being a success, in spite of the morning rainfall which slightly dampened the participants and spectators.

In spite of the rain, the parade went off on schedule, and a good crowd of spectators was on hand.

Shortly after the beginning of the parade, the rain slowed considerably and by parade's end, had quit. The remainder of the day's activities were held without bother by the weather.

It was the first time in a number of years for the parade to be threatened by rain.

The Maize Days barbecue drew a crowd of around 500, according to Chamber of Commerce manager Kathy Beard.

Those eating barbecue were served in short order.

The E&B Funtime Carnival concluded a good week's run, with especially good crowds on Friday and Saturday. According to Wendell Gresham, negotiations are being completed to have the carnival here again next year.

A highlight of the projects at the carnival area were special booths sponsored and manned by employees of the Excel Corp. They operated a fajita sale and dunking booth Friday and Saturday, raising \$1,213.67 which was donated to the Friona High School Band for their proposed trip next spring.

Winners in the parade were as follows:

Commercial: Friona State Bank; classes: 1. Sophomores; 2. Juniors; civic and church: 1. Boy Scouts; 2. 4-H Club; 3. Local ministers.

Winner of the Money Doll, sponsored by the F.H.S. Thespians, was Terry Wilcox.

**GOVERNOR VISITS...** John E. McLain, right, Lions' District Governor from Borger, visited the Friona Lions Club Thursday. Shown chatting with club president Ralph Shirley, McLain lived in the Hub community as a child.

**WINNING FLOAT...** The sophomore class at Friona High School had the winning float in the class section of the Maize Days parade.

# Friona Flashbacks

....from the files of The Friona Star

**50 YEARS AGO--SEPT. 9, 1932**  
Friona Schools opened Monday with total enrollment of 550. There were 198 in high school on the opening day and 352 in the grade school, making a total of 550, or an increase of 50 over last year's total enrollment.

Coach Bill Stevens of Friona High School reports that he has about a half hundred good husky boys who are aspirants for the 1932-33 football squad.

Mrs. Bertha Harry, Merle and Ruth moved to Lubbock Saturday evening, where they will remain at least during the coming term of school.

**50 YEARS AGO--SEPT. 4, 1942**  
Both the Lakeview grade and high school students will attend the Friona schools this year. The trustees of the Lakeview school district called a mass meeting of the patrons of that school for a discussion of the teacher situation and the state aid set-up of the district, and when it was learned that they could not maintain a two-teacher school, they voted to bring all pupils of the district to the Friona school this year. One additional teacher was required in the grade school in order to take care of the added enrollment.

**40 YEARS AGO--**  
(Entire 1947 issue missing from Star files.)  
**35 YEARS AGO--SEPT. 4, 1952**  
First load of 1952 milo was delivered last Thursday, August 28 at the Santa Fe Grain Company. N.A. Curry brought in the load of over 9,000 pounds, receiving \$3.00 per hundred. Curry farms west of Friona on the former Lonnie Baxter farm.

**20 YEARS AGO--SEPT. 7, 1967**  
Twenty-nine girls are entered in the 1967 Maize Queen Contest, just one short of last year's record entry list. The contestants will be featured on Cotton John's Farm & Home Show on Channel 4 Amarillo at 12:30 Saturday. Other Maize Days officials will be featured on the show.

**30 YEARS AGO--SEPT. 5, 1957**  
L.A. Jones, 26, died Sunday afternoon about 6 o'clock of injuries received in a one-car accident three miles southwest of Friona Sunday about 2:30 p.m. and Russell Massey is in the hospital with broken vertebrae at two places in his back, in gradually

improving condition. Mrs. Russell Massey will probably be released from Parmer County Community Hospital this weekend. She has a broken ankle. The three were riding in the front seat of a 1957 car when it left the highway and ricocheted off one tree, knocked over another at the base and overturned on the embankment of a railroad track adjacent to the highway.

The barrack-type structure at the intersection of Seventh Street and Columbia Avenue, known as the FFA barns, and in recent years the scene of fairs and community activities, is to be sold and removed from the lots it occupies in Friona.

Construction work started Tuesday on a farm-to-market road connecting Parmer and Deaf Smith County highways. The new road will begin on State Highway 214 six miles north of Friona, and will extend north and east 7.951 miles to FM Highway 1058, connecting Friona with the "Harrison Highway," which runs east and west in Deaf Smith County.

Sunday evening at 7 p.m., Rev. Ervin A. Binger will be installed as pastor at Immanuel Lutheran Church in the Rhea Community.

**15 YEARS AGO--SEPT. 6, 1972**  
Enrollment throughout the school system stands at a present total of 1324 compared to 1333 last year at this time.

**10 YEARS AGO--SEPT. 4, 1977**  
R.L. Fleming, long time mayor and resident of Friona, handed the city council his resignation Wednesday and was honored with a coffee on Friday as he begins his retirement. Fleming held the mayorship of Friona for nearly seven terms, over 13 years, and has lived in Parmer County for 24 years.

**5 YEARS AGO--SEPT. 5, 1982**  
The construction work continues at the new Allsup's store on East Highway 60. The brick work was finished this week, and pouring concrete is still underway. Barring delays from the weather, an October 1 opening date is projected for the store.

Fourteen girls had entered the 1982 Maize Queen Pageant

respectively, on the occasion of his retirement last Thursday after 20 years of service to the city.

Three entrants were added to the 1972 Maize Queen's Contest by the September 1 deadline, making a total of 26 girls in this year's event.

- \* 77% say newspaper inserts are more valuable for

# Second-Half Spurt Lifts FHS Over 'Cats

The Friona Chieftains overcame a bad-luck opening quarter to down the River Road Wildcats, 18-6 in their season-opening football game at Chieftain Field last Friday.

The Chiefs almost broke out to a quick lead in the first three minutes, when Daniel Echols raced 65 yards with a Wildcat punt after the first series of plays. But a penalty against the Chieftains wiped out the touchdown run.

After having one TD taken away, the Chiefs then proceeded to "give" River Road a score after a high snap from center on fourth down set the Wildcats up with a first down at the Friona 12.

The visitors took advantage of the gift when quarterback Billy Hicks raced in from the five for the score. A kick attempt went wide, but River Road had taken the lead at 6-0 with just 21 seconds left in the opening period.

Friona appeared to have a sure scoring drive underway after recovering a fumble at their own 29 to stop another Wildcat threat.

Echols gave the team a first down with a ten-yard scamper. Andre Duran ran six yards on his first carry as a varsity member, as the team crossed midfield.

Echols then hit Duran with a pass to the River Road 36, and Ben Osborn crashed to the 23 for a first down. Duran gained five to the 14 and the Wildcats called time out. The time out seemed to ruin Friona's timing, as the Chieftains jumped in motion on the next play and were penalized. Two plays failed to gain, and River Road took over the football.

It isn't clear what Coach Tommy Moss told the team during the halftime break, but whatever it was seemed to spark the Chieftains.

Echols fielded the kickoff at the Chieftain 15, got a quick block at about the 20, and was off the races. As is usually the case, when it's one on one, Echols wins the race, and he did this one.

Only 12 seconds elapsed off the

clock on Echols' return. The team was penalized for delay of the game, moving the kick try back five yards, Cody Burney's kick was just a shade wide, and the score was tied at 6-6.

The teams exchanged punts, with Friona allowing the Wildcats no net yards in six attempts. Friona took over at the visitors' 40 after their second punt of the half, brought about after Duran punted the 'Cats into a hole at their own two.

River Road still had fourth and ten from their own two after three plays, flirting with danger from the charged-up Friona defense.

Osborn gave Friona a first down at the 29, Echols gained 14 yards on a left end sweep to the 13, and Duran went over from the four for Friona's second score. Echols was forced out of bounds trying for a two-pointer, but Friona had gained its first lead, 12-6 with 2:34 left in the quarter.

Louis Dunnam recovered a fumble for Friona, giving the Chiefs the ball at the Wildcat 35 early in the fourth quarter. Echols ran nine yards for a first down to the 30, then handed off to Duran around the right side.

The speedy sophomore got outside and outran his defenders 21 yards for the score. Echols again tried for two points running, but was stopped just short, although appearing to have the ball across the line.

Friona had hiked its lead to 18-6, with 7:38 left in the game.

The Wildcats took to the air, and completed a pass that went for 38 yards, almost resulting in a score. However, defensive end Stephen Thornton made a touchdown-saving tackle at the Friona 27, and the defense allowed just two yards in the next four plays.

"We could have probably scored some more points in the fourth quarter, but gave some kids the opportunity to play," said Tommy Moss, who coached his fifth consecutive opening-game

win at FHS, and ran his personal record against the Amarillo school to 6-2.

Coach Moss gave plaudits to linebacker Paul Trimmell and defensive tackle Louis Dunnam for their play.

He said the defensive secondary made some mistakes, which led to River Road's 121 yards passing, but that everything the team did wrong was "correctable."

"We'll get better. We expect to play a lot of kids in order to spread the experience around," Moss

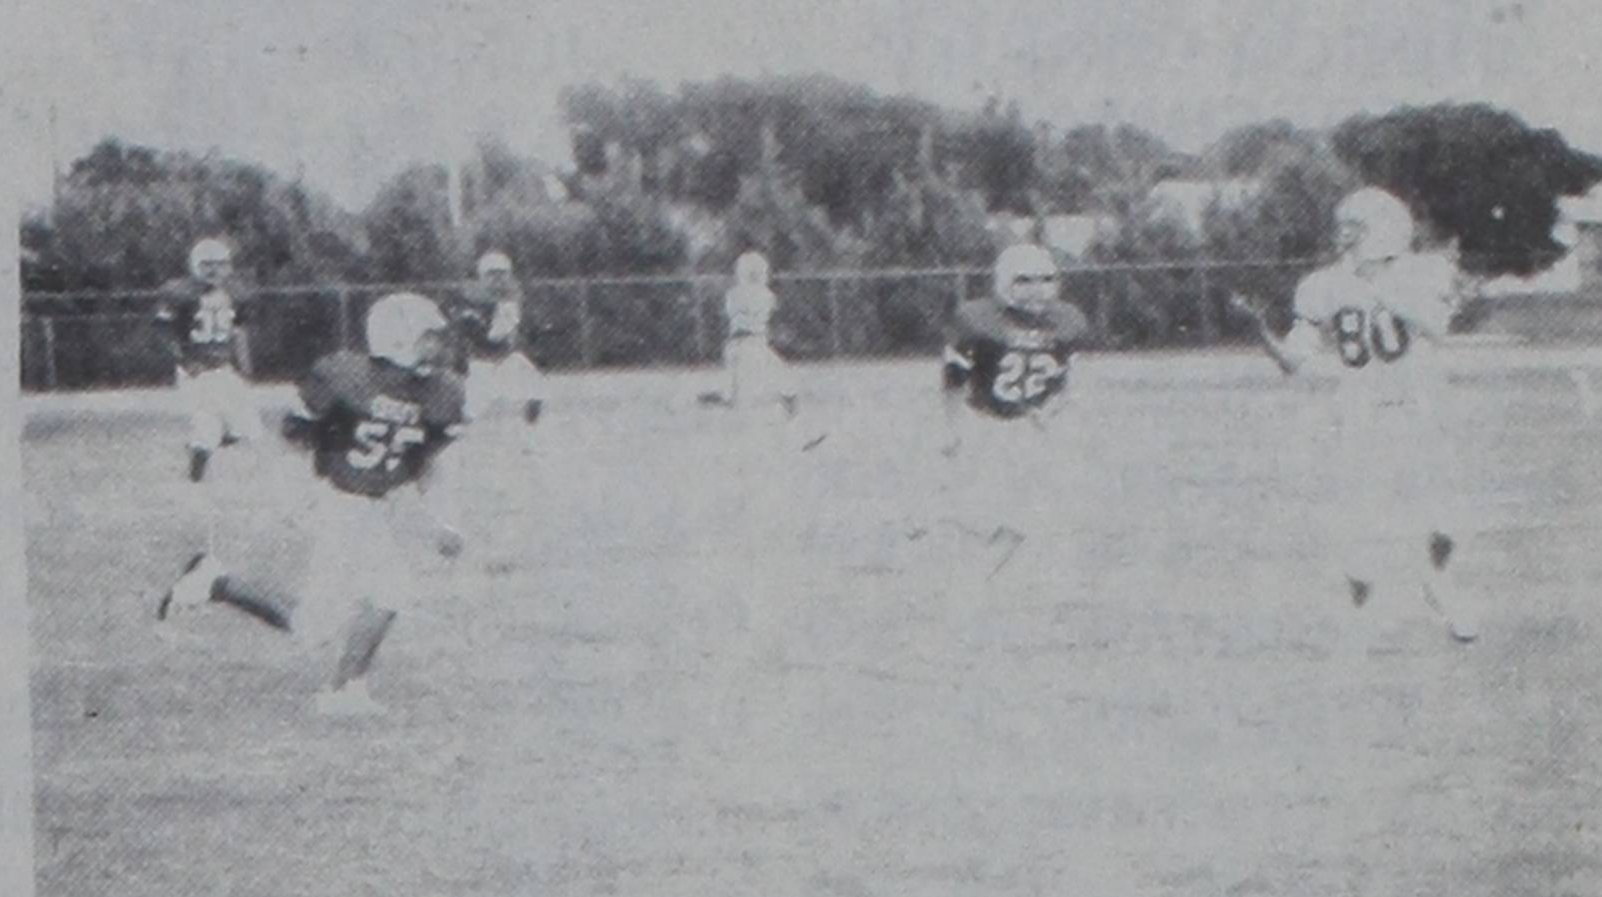

concluded.

The team came out of the game with no injuries.

### PLAYER HAS JAMMED NECK

The River Road defensive player who was hurt while making a tackle against the Chieftains sustained a jammed neck, Coach Moss reported.

River Road's team doctor was with the team. The player was tended to by the Friona Emergency Medical crew. He was taken by ambulance to an Amarillo hospital, but his injury proved to be less serious than it could have been.

**PASS ATTEMPT....**Idalou's junior varsity is shown making a pass try in their game against the Chieftain JV here Thursday. The pass fell incomplete. Chieftain defenders, in dark jerseys, are Benny Trevino (55) and Dustee Gee (22).

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 3, 1987

**PROPOSITION NO. 1 ON THE BALLOT**  
 House Joint Resolution 104 proposes a constitutional amendment to allow the legislature to provide a guarantee for the Texas grain warehouse self-insurance fund. The guarantee of the fund may not exceed \$5 million, and when the fund reaches \$5 million, the guarantee will cease. The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to provide for the surety of a grain warehouse fund to be established by the grain industry for the protection of farmers and depositors of grain in public warehouse facilities."

"The constitutional amendment authorizing agreements between the State Department of Highways and Public Transportation and the Texas Turnpike Authority and the governing bodies of counties with a population of more than 400,000, adjoining counties, and cities and districts located in those counties to aid turnpikes, toll roads, and toll bridges by guaranteeing bonds issued by the Texas Turnpike Authority."

**PROPOSITION NO. 2 ON THE BALLOT**  
 House Joint Resolution 60 proposes a constitutional amendment to permit rural fire prevention districts in counties with populations over 400,000 to levy a tax at a rate not to exceed six cents (\$.06) per \$100 property valuation for the district, if the voters of the district approve the tax.  
 The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to raise the maximum property tax rate that may be adopted by certain rural fire prevention districts, but only if approved by the districts' residents."

**PROPOSITION NO. 6 ON THE BALLOT**  
 House Joint Resolution 4 proposes a constitutional amendment to allow the legislature to establish three separate development funds. A Texas product development fund could be established to aid in the development and production of new or improved products in the state. The amendment would authorize the issuance of up to \$15 million of general obligation bonds to provide initial funding for the program. A Texas small business incubator fund could be established to foster and stimulate the development of small businesses in the state. Small businesses operating under the program would be exempt from ad valorem taxation.  "The constitutional amendment authorizing the legislature to provide for state financing of the development and production of Texas products and businesses."

**PROPOSITION NO. 3 ON THE BALLOT**  
 House Joint Resolution 48 proposes a constitutional amendment to extend the school ad valorem tax exemption for elderly persons to the surviving spouse of a person receiving the exemption. John Anthony Svajda, son of Mr. and Mrs. John Svajda of

Scott Lane of Dimmitt and Chris Stanford, brother of the groom, also of Dimmitt, served as ushers. Chris also served as candlelighter.

As the bride was presented in marriage by her uncle, John Vick of Bryan, she wore a traditional length gown of silk organza. The fitted bodice was designed with a sweetheart neckline and was covered with silk embroidered venice lace and fitted sleeves with silk venice lace. The full skirt was covered with silk embroidered motifs flowing onto the border of the scallop edged chapel length train.

The bride wore a tiara of white satin roses and wedding tea roses accented with white pearls attached to a veil of silk illusion with seed pearls, made by the bride's mother.

The bride's bouquet was a cascade of two dozen white silk roses, stephanotis with a single strand of pearls and pearl trim intertwined with silk ivy.

For something old, the bride wore a pair of antique diamond earrings which belonged to her maternal great-grandmother, the late Mrs. Buck Freitag of Fort Stockton. She wore a strand of pearls borrowed from her mother and belonging to her great-aunt, Mrs. Lee Graves of Ozona. For something blue, the bride wore the traditional blue garter given to her by her maternal grandmother, Mrs. Dalton Vick of Van Horn.

Traditional wedding music for the ceremony was provided by Mrs. John Taylor at the organ.

As the mothers of the bride and groom were seated, "Jessica's Theme" was played at the piano by Mrs. Don Sommersgill of Hereford, sister of the groom. "The Wedding March" was played by Mrs. Taylor as the bridal party and the bride entered.

As the bride and groom stood

before the altar, "Time In A Bottle" was played on the piano by Mrs. Sommersgill.

The reception was held in the Fellowship Hall of the church.

The bride's table was covered with a white cloth with lace border. The bride's bouquet, placed on a bevel edged mirror with two crystal candlesticks holding blush tapers, served as the centerpiece.

The three tiered white wedding cake, topped with fresh white crystal mums, pink cushion mums and baby's breath, was served with mints, nuts and punch.

Servers at the bride's table were Mrs. Larry Payton of Dallas, Mrs. Jerry Stover of Farwell, Mrs. John Svajda of Roundrock, Mrs. Olan Turner and Mrs. W.S. Ingram.

Lindsey Johnson, sister of the bride, presided at the guest book before the wedding ceremony.

Following a wedding trip to San Antonio, the couple will live in Amarillo where the groom is employed by Brown Pontiac.

The bride is a 1987 graduate of Friona High School.

The bridegroom is a 1984 graduate of Dimmitt High School.

Out-of-town guests were Mr. and Mrs. Dalton Vick of Van Horn; John Vick of Bryan; Mr. and Mrs. Leroy Johnson of Shallowater; Mrs. Jerry Stover and Michelle of Farwell; Mrs. John Svajda, Anthony and Christin of Roundrock; Mrs. Michael Pritchard and Cathleen of Fort Stockton; Mr. and Mrs. Larry Payton of Dallas; Mrs. Janet Werner and Paula of San Angelo and Joe Hodge of San Angelo.

Also, Mrs. Frankie Stanford of Austin; Ann Patton of Bryan; Mr. and Mrs. Mickie Hathaway of Canyon; Mr. and Mrs. Edd Hathaway, Mr. and Mrs. Ronnie Hathaway, and Mr. and Mrs. Don Sommersgill, all of Hereford.

Guests attending from Dimmitt were Mrs. Alene Thomas, Mrs. Dennis Burnam, Mrs. Jimmy Howell, Cora West, Mr. and Mrs. Troy Kirby, Keri Jack, Miss Camille Summers and Clara Gladden.

With Your News Item

Sorry folks, but I've done it again--made a mistake, that is. In the Maize Days edition feature concerning our Exchange Student, Mimika Papakosta, who is making her home with Ted and Sharon White and children, I reported that she came under the American

Field Service program. This was an error, she's under the Youth For Understanding program.

\*\*\*\*  
Lt. Gene Strickland reported to Camp Pendleton, California, Thursday, September 3 for a three year tour of Marine Corps duty.

He and his wife, Teri, and children, Ashley and Kelly, recently spent ten days visiting in the home of his parents, Ray and Lois Strickland, who live in Clovis.

His paternal grandmother, Opal Strickland, who lives here, also spent several days over there.

The entire group spent four days in the Northeastern New Mexico mountains during that time.

\*\*\*\*  
Marie Cooper, who lives in Farmington, New Mexico, along with a daughter and son-in-law, visited in the home of Mr. and Mrs. Herschel Johnson Thursday.

Other guests in the Johnson home were Ila Hudgins of Lubbock; Hugh Moseley of Farwell; and Gladys Moseley and Blanche Boyle, both of Friona. Mrs. Cooper is a cousin of Mrs. Johnson, Moseley, Mrs. Boyle and Mrs. Hudgins.

## 7 Attend Meeting

The Black Study Club met Thursday, September 3, in the home of Ann Kelley for their first meeting after the summer break.

Roll call was answered with "Summer Highlights." Each member had a very busy summer with a few trips mixed in. Gardens and grandchildren seemed to be the most used words describing each member's summer.

The next meeting will be an all-day trip to Amarillo, which is an annual event.

Members present were Mildred Barnett, Lucille Rockey, Martha Hamilton, Ruby Stone, Carrie Tatum, Mildred Welch and the hostess, Ann Kelley.

## Prairie Acres Party Line

By DONNA ECHOLS

We have two new residents this week who moved into the home. Mr. and Mrs. E.E. Houlette moved here Friday. They are the parents of Dale Houlette of Friona. Bessie is a typical homemaker who does handwork, sews, worked in her yard, made peanut brittle to sell for the church, was active in her church and helped run a family laundry for several years. Ernest also helped run the laundry before he went into the ministry with the Pentecostal Church. He helped pick up cans and sold them to help with a student ministry. They raised seven children and we welcome them here from Dumas.

Birthdays celebrated this week will be by resident, Mary Beavers, who will be 79 on September 14. Lupe Guerra who is a medication aide here will have a birthday on September 19.

Ben Israel and Janie London were the only residents who attended the Maize Days Parade last Saturday. Since it was raining, the residents gathered in the Dining Room and sang hymns and ate watermelon.

We are thankful to have Ora Mae Anthony as our Director of Nursing while Mary Johnston is out of the office this month. We say thanks to Lottie Bails for bringing us some tomatoes and Clarence and Peggy Monroe for watermelons, squash and cantaloupes. Green beans were brought to the residents by Zonah Bass and Mr. and Mrs. J.E. Knight. We thank Cecelia and Herbert Schueler for pears, squash and a puzzle.

J.B. Buske brought watermelons and Baker Duggins brought some large print Reader's Digests for us to read. Eula Bradshaw donated some books and Rene Lincoln brought in some quilt scraps. Eddie Mays gave the handkerchiefs that the Niberts brought in last week and Myrtice Evans donated a bedside commode to the home. Gertie Murphree came Wednesday for Bible study with the residents. We appreciate all of you who share your goods with us and we feel fortunate that you remember us here at Prairie Acres.

We express our sympathy to the family of Alta Wyly who died on August 30. We also are saddened by the death of Otilo Blanco on September 2. On September 7, Kenneth Sharpe and Daniel P. Mann both died and we join their families in their heartfelt loss. The staff at Prairie Acres found much joy in serving and sharing a small part of these persons' lives and we miss them.

We have received memorials for Noreen O'Brian from Eugene and Patsy Bandy, Mr. and Mrs. Earl Richards and Mr. and Mrs. Jean K. Anthony. Donations received in memory of Alta Wyly are from Mr. and Mrs. Charles Allen, Frances Smith, Mr. and Mrs. Jean K. Anthony, Mr. and Mrs. James

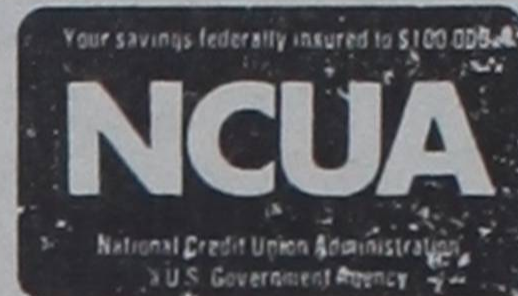

Johnston, and Mr. and Mrs. Leo H. Bails. Lunell and Hollis Horton gave a gift in memory of Decimae Beene.

Opal Baxter sent a memorial for Rheuben Brinkley. Memorials received for Kenneth Sharpe are from Mr. and Mrs. Jean K. Anthony, Mr. and Mrs. James Johnston, and John, Jo and Marcia Blackwell. D.P. Mann memorials are from Mr. and Mrs. Jean K. Anthony, Mr. and Mrs. James Johnston, Geneva Williams, John, Jo and Marcia Blackwell and the directors, officers and employees of Friona State Bank.

The Sixth Street Church of Christ women came and did nail and hair care Tuesday and the First Baptist women will be here on September 15. The Calvary Baptist Church held our worship services last Sunday and the First Baptist Church will be here September 13. Please join us here at 4 p.m. for services.
