MORE NEW HOMES ARE BEING BUILT FOR THIS FAIR CITY

Work on the 3,700 five room bungalow, J. D. Dulaney is having built for Mrs. Elizabeth Holmes and Mr. and Mrs. Graham Robertson, on north Fifth street, is progressing nicely and will very likely be ready for occupancy by October the first.

The structure will contain five rooms and a bath, and will, besides being strictly modern in every respect, contain a number of built in features, an absolute new plan, and French doors between the living room and the dining room.

J. T. Wade is practically making a new home out of the old Kimbrough house, until just recently occupied by Mr. and Mrs. M. C. Daniel and family.

All of the interior is being changed and several apartments will be arranged, besides commodious rooms for the family. The building, when completed will be modern in every way, it is said.

The Litchfield home in the Orient addition will soon be completed and will be among the nicest homes in that section of the city.

It is reported to The Reporter, that a cotton buyer is having constructed, a pretty cottage in the southwestern part of the city.

It is stated that J. C. Dennis will start the erection of a substantial home in South Bowie street on or about the first of October.

REPORTER GETS INVITE

The Reporter man was invited by Mr. and Mrs. C. A. McClintic to go out to City Lake and take supper Friday night and enjoy the refreshing balmy breezes of the country, but regrets that he was unable to go. Everything doesn't always work good around a print shop, and Friday was one of the days when things were late and we were forced to forego the pleasure of accepting the kind hospitality of these good friends, but some other time we are going—provided we are invited. Oh, but it's great to run a paper—in Sweetwater.

SWATTERS SHOW THE GUSHERS THAT THEY KNOW THE OLD GAME

Amarillo was the scene of a great battle Saturday, and when the electric lights were turned on in the big ball park about dark the Sweetwater Swatters were found to be alive, none hurt and few crippled.

They had fought a great dual for more than two hours, but no blood was shed (say reports), nothing like Friday's battle, at which time the boys were butchered to the tune of 14 to 4.

But Saturday afternoon they struggled with the Amarillo Grays for 14 innings, and when darkness arrived the score stood at a 4 to 4 tie. We thought the boys could play a little, and this proves that our assertion is absolutely correct in every detail.

Here's hoping that the Swatters pull the rag over the Amarillo Grays eyes in today's game and beat 'em to a natural born frazil.

EARL MASHBURN IS OPERATED UPON IN ROCHESTER SATURDAY

L. J. Mashburn had a message from his son, Earl, Saturday stating he would undergo his operation, some time Saturday morning. His wife left Fort Worth for Rochester in time to be with him.

The attending physicians assure him of the seriousness of his case, and tell him he has one chance in one hundred for a successful outcome of the operation, but he eagerly and bravely takes his one chance. In the condition he is in now, he feels his days are numbered.

Earl is a true West Texan, and a son of his father, and those of us who know him best, are not surprised that he takes his fate as bravely as he does.

FOUND—Ladies dress. Call Mrs. O. R. Billings, phone 464, describe property and pay 50 cents for this notice. 193-dit.

Chester Freeman and his father, W. N. Freeman left Saturday morning for Olney, to be with his brother who will submit to a serious operation in a few days.

THE PRYOR CASE IS NOW IN THE COURTS FOR A SETTLEMENT

AUSTIN, Sept. 17.—Governor Neff will exhaust every effort to oust penitentiary commissioner Pryor. He has taken the matter into the courts under a new law recently enacted by the Legislature, and the attorney general hopes to aid in ousting him. The governor claims Mr. Pryor is inefficient, incapable and that his mismanagement of the State's farms has caused a loss of thousands of dollars.

Shortly after the filing of the petition, Judge Cooper Sansom, judge of the court issued an order suspending Pryor and appointing Walker Sayles of Stephens county to fill the position. Such action is permissible under the act authorizing the removal of prison commissioners.

Pryor was appointed a member of the prison commission by former Governor Ferguson and had served about 5 years of his 6 year term. Governor Neff made an effort to have Pryor resign but the latter declined. Pryor has been the manager of the state farms.

MORTUARY

Death of Willie Kyle.

A wave of genuine sorrow swept over our citizenship this morning, when it became known, that a message had reached the city stating that Willie Kyle had died in Washington, D. C. Tuesday night, where he has been living for the past four years.

Mr. Kyle is the son of Mrs. M. E. Kyle of Brownfield, and a grandson of Mrs. N. L. Hopkins, of this city. While he was born in Milam county he came to this city with his parents when a boy and was reared here. He was 35 years of age, and spent six or seven years in Florida, previous to the late war, when he went to Washington to do war work, as he was debarred from active military service, on account of his health. He has risen in that capacity from one post of trust to another until at the time of his death when he was the head of a government department with sixty odd men under his management.

Mr. Kyle united with the Methodist church when he was a young boy and has always lived a consistent Christian life. He was a man of the highest ideals of life, yet he had a charitable feeling for his weaker brother, and was always ready to lend a helping hand. He was a zealous Mason and will be buried with Masonic honors.

An especially sad note in connection with his death is that he was to be married next month to Miss Fawn Wauthen of Kentucky, who was with him at the time of his death and is accompanying his body home. His mother reached his bedside on Tuesday before the end came on Thursday, and he knew her. His brother, Raymond Kyle, of Brownfield, also accompanied his mother to Washington.

The body is expected to reach here tomorrow (Monday) morning and will be taken at once to the home of his aunt, Mrs. N. L. Hall on North Third street.

The funeral hour could not be determined, owing to the arrival of the train and the preparation for burial.

VISITED OIL FIELDS

C. A. McClintic returned to the city a few days ago from a business trip to Fort Worth. On his return home he stopped to look over the oil situation at Ranger, which he reports very quiet, and from Ranger he took a trip to Breckenridge. He reports considerable activity in the Breckenridge field due to the bringing in of some new producers, and he is of the opinion that this field will take on new life and prove to be one of the best in the state. Mr. McClintic will go back to his ranch near Midland in a few days and also to the Potash fields near by in which he is considerably interested.

Rev. J. Perry King, of Abilene, will preach, both morning and evening sermons, for the congregation of the First Baptist Church today. The public generally are invited to hear him.

OFF FOR SCHOOL FOR THE SESSION OF 1921 AND 1922

This and next Sunday will see quite an exodus of young people from Sweetwater, who are leaving for various schools throughout the country. For the past few weeks there has been a busy and an expectant rush of getting ready for new experiences, on the part of a number of last years graduating class who are planning their first flitting from home. Some are returning for their second and even third years in College.

Some have already gone, and scarcely a day will pass from now on, until the first of October, that one or more will not be leaving.

Today Mack Bainbridge, Lindley Neal and Leland Glass will leave for College Station to enter A. & M. College.

Miss Elizabeth Howell will leave for Dallas where she will enter Southern Methodist University.

Ellis Douthitt, Ernest Wright and Leland Glass will leave for Sherman to night to enter Austin College.

Miss Reba Quinn, will leave Monday for Sherman to enter Kid Key College.

On Wednesday Miss Beulah Davis will leave to enter Southern Methodist University at Dallas.

A number of others will leave, 24 and 25 to enter the State University and Baylor College at Belton.

BIRTHDAY PARTY

Master Hiram Childress celebrated his fifth birthday anniversary several days ago, when his mother, Mrs. Dan Childress entertained quite a party of his friends.

Games on the lawn and in doors filled the little people with joy for several hours. A perfect shower of pretty girls was the crowning joy of the happy occasion.

The little folks were all expectant when the dining room doors were thrown open, there stood the birthday cake surrounded by its five candles, one for each summer claimed by the host. Curiosity was added to expectancy when cutting the cake for its "fortunes began."

Jimmie Leach cut the button, Pauline Sorenson the pretty ring, Sam Hardy Barrow was made happy with finding the nickel, and Almie Gray was consoled with the thimble.

The five candles were extinguished with wishes for "many happy returns of the day."

With the cake was served ice cream.

Those of the party were: Estlyn Sorenson, Virginia Rose Seaton, Mary Crutcher, Almie Gray, Joan Bowen, Merl and Beth Patterson, Pauline Sorenson, Telephone Seaton, Marvin Hampton Windon and J. A. Turner, Kenneth Biglow, P. T. Quast, Jr., Ray and Kerr Stiff, Sam Hardy Barrow, Jimmie Leach, James and Billy Jones, B. L. and Hiram Childress.

Mrs. Temple Seaton and Mrs. Tom Crutcher assisted Mrs. Childress in looking after the pleasure of the little folks.

WEATHER REPORT

NEW ORLEANS, La., Sept. 15. Cloudy and unsettled for Sweetwater and vicinity.

BANKS OF SWEETWATER SHOW THIS SECTION HEALTHY FINANCIALLY AND HAS ONLY ONE COMPETITOR IN WEST

According to published bank statements appearing in the papers the past week from neighbor banks in this section of West Texas, which disclosed the condition of all banks at the close of business on September 6th, size of town considered, crop conditions, and other conditions entering into making a financial showing at this season of the year, Sweetwater Banks are showing the healthiest condition of any banks in this section. In The Reporter today will be found the statements of the three Sweetwater Banks, Texas.

Bank & Trust Co., First National and City National Banks, three of the best banks to be found anywhere in Texas, managed by careful, competent, conservative, clever and capable bankers, men who stand ready at all times to do their utmost for the good of the city and the entire county, and by looking up these statements you will find some very interesting news.

Just in order to let the people know something about the financial condition of Sweetwater, in comparison with several other towns. The Reporter presents a few figures below to show you how our banks "stack up" with others hereabout, and you will find some good news if you will note very carefully. We are just giving the loans and discounts and individual deposits columns of the banks named below. It will be noted that Abilene, with reports from three big banks, is not so far ahead of Sweetwater as you might imagine. For instance the three Sweetwater banks have individual deposits amounting to \$1,163,134.97, while her nearest competitor, Abilene, has \$1,077,112. Abilene has long been

the "giant" of the West until Sweetwater the real Sweetwater of today, was born into the world, and now she is going the gait so fast that unless Abilene looks well to her laurels Sweetwater will be in her class in minds eye he is very likely to only some things.

But we will not dwell on this money question any longer, when a newspaper man sees millions in his minds eye he is very often like to have conniption fits and decide to go into the banking business, so we will just give you a few figures below on neighbor banks and you can take them for what they are worth, they are correct, and shows plainly that West Texas is not near broke yet, notwithstanding the howls of the East Texas goober and tater raisers. If they want to see a real country they ought to sell their tails and come out to Nolan county.

HERE ARE THE FIGURES:

Strawn, 2 Banks	Loans and discounts	\$758,116.74
	Individual deposits	\$767,081.31
San Saba, 3 Banks	Loans and discounts	\$932,218.33
	Individual deposits	\$508,112.27
Abilene, 3 Banks	Loans and discounts	\$390,754.23
	Individual deposits	\$4,891,112.26
Big Spring, 2 Banks	Loans and discounts	\$111,829.07
	Individual deposits	\$110,289.52
Roscoe, 2 Banks	Loans and discounts	\$221,491.24
	Individual deposits	\$199,105.61
Merkel, 1 Bank	Loans and discounts	\$257,022.52
	Individual deposits	\$397,746.49
Colorado, 2 Banks	Loans and discounts	\$119,105.45
	Individual deposits	\$587,675.19

FARMERS FEEL GOOD

Making his rounds on the square Saturday among the farmers, The Reporter man never met with a more happy and cheerful people anywhere. All were feeling good over the nice price that cotton is bringing, and many told us that they were going to make more per acre than at first thought, and with his added to the good price was enabling many farmers to come out right well this fall. You have got to hand it to a good West Texas farmer when it comes to being optimistic, and he will grin and bear a great deal more than the fellows in the black mud, for he can always be turning the soil, plowing and raising and marketing some thing that brings the cash, and he likewise knows how to diversify. A large Saturday crowd of farmers in the city Saturday and our business men, though tired at night from a busy day's run, were feeling good over the prospects and what they did during the day. It was a pretty busy scene about town from 2 o 4:30, and the entire streets and square was blocked with cars.

SWATTERS GET GOOD DRUBBING.

According to the Amarillo Tribune, the Amarillo baseball team completely annihilated the Sweetwater Swatters in Friday's opening game, and the Tribune furnishes the following interesting story about the game:

"The Amarillo Grays pounded the ball all over the lot and defeated the Sweetwater West Texas League team here Friday afternoon by the lopsided score of 15 to 4.

Five circuit clouts featured in the locals' victory. Clary farmed two, Griesbeck, a new Gray receiver, got a couple and Ross Johnson had one to his credit.

Lefty Wilson, port side star of the Grays, who goes to the New York Yankees next year, was invincible in all expect one inning when two errors and a trio of hits sent four visitors across the pan. The League used three twirlers in the effort to stop the Grays.

The score by innings:
Amarillo 021 244 20x—14 15 2
Sweetwater 004 000 000—4 14 4
Batteries: Wilson and Griesbeck and Harper; Word, Richberg, Bainbridge and Byers."

Mrs. S. A. Parker left for Shreveport, La., this morning to visit relatives.

THAT WOMAN ON THE SCHOOL BOARD

Just now it is evident that the crucial question before our people, and the whole world is EDUCATION.

There is a vacancy on our school board to be filled, why not elect a woman to fill it? We have some as brainy women in Sweetwater, as are to be found anywhere in the land. Certain it is, they are as capable of looking after the duties of a member of the school board as any of our men. If not, why not?

It is also an evident fact, that women have as keen a sense if not a superior sense of a child's needs as a man every where else in the world why not in the schools?

FLOWERS FOR THE REVEREND G. S. HARDY

In the notes from the Methodist Church news, in this week's copy of the Big Spring Herald, was noted some mighty nice things said about our Presiding Elder, Dr. G. S. Hardy to all of which we very readily say Amen.

They read as follows:
On Saturday and Sunday night, we had the pleasure of listening to two wonderful Evangelistic sermons by Bro. G. S. Hardy, our presiding elder from Sweetwater. He is a most able and gifted speaker, and a man loved throughout his entire district. We look forward to his visits always as a rare treat.

The series of sermons presented by Bro. Hardy have been full of wonderful uplift and inspiration. The attendance was fine every night.

SILLMAN EVANS HERE

Sillman Evans, prominent newspaper man, and the well known staff correspondent of the Fort Worth Star-Telegram, was in Sweetwater Friday greeting his friends. Mr. Evans is one of the real live wire young men writers of Texas, and wields a trenchant pen upon all matters coming to his notice that is worthy of a good news story. Coupled with his ability as a writer he is a very fine young man, pleasant and agreeable, and is always quite a pleasure to be with him.

Dr. G. S. Hardy, left for Roscoe this morning, where he will preach and hold quarterly conference.

Sweetwater, Texas, Sunday, Sept. 18

If you intend to take part in the big circus next year you had better arrange to pay that poll tax.

There is no use in anybody getting drowned if they will learn to swim before they venture about the water.

When you are trying to get people to travel in your footsteps be sure that your toes are turned in the right direction.

The big increase in the price of cotton does not appear to have any effect upon our bank account. It remains about the same all the time.

It is doubtless well that people everywhere do not know what a great place Sweetwater is in which to live, else the town would soon be over crowded.

We wish it distinctly understood right now that when they get ready to move the penitentiary away from Huntsville, Sweetwater is not a candidate. No sir, we don't want it.

Women doctors in nearly every instance pronounce that a fellow has fever. The reason, probably, is that when she feels his pulse it beats a little faster.

We believe if the other fellow is larger than you are that it will perhaps pay you to talk about him to his back, and be sure he don't hear it and meet you face to face.

We don't understand why so much space should be used in the papers about the present day style of bathing suits. We never found it necessary to have on even as much as they wear now, when we were a boy and went in swimming at the old swimming hole down at the Leon river at Gatesville.

Do you remember your class yell?

"Yes, and it wasn't very expressive I've got a son in college now and you ought to hear me when I audit his bills."—Kansas City Journal.

The republicans need not be rejoicing too much about having taken the postoffices away from us good democrats. We will be back in the ring in 1924 with plenty of votes and a pocket full of rocks, ready for the fray.

Don't get it in your noggin, buddie, that you are going to take any of the treasures of life with you when you die, but you can send some of them along ahead so they will be there waiting for you when you arrive.

This is one year that we wouldn't object to owning a few acres of land and had an interest in several bales of cotton, but as we do not possess same we just content ourself with knowing that we are trying to render a service to our fellow man that in the end may mean more than a few bales of cotton. We hope so, at least. Come around and get acquainted. You might have a great time with us, but don't try to take us "snipe" hunting.

If Arbuckle killed a woman why should he be indicted for manslaughter?—Ballinger Ledger.

Suppose it is because the law was made before we had woman suffrage or else the men who figured in the making of the law never had any idea that a man would kill a woman, but since they occupy the same pedestal that man occupies in voting, holding office and such like the law is compelled to call it "man slaughter."

The grand jury which adjourned at Ballinger last week made a report to the judge in which they condemned mixed bathing parties. Now for fear some people will not know what we mean by mixed bathing parties we will state that it is a crowd of bathers made up of both men and women, single and double. Of course lots of people can see no harm in such, but some of them don't know much about it. We agree with the grand jury because we are one of the "old back numbers."

Union barber shops at Paris, Texas, have announced a voluntary reduction in prices, effective September 6. Under the new prices, shaves will be 20 cents and haircuts 35 cents the same ratio of prices that prevailed before the war.—Coleman Democrat Voice.

Why not cut the prices? And why not in Sweetwater too. Why continue to charge war prices for anything? The war is over and we are all supposed to be desirous of doing the right thing, and everybody knows that barber prices are too high in Sweetwater. Come on, gentlemen, cut down, the people have stood by you loyally when expenses were high now give the public a square deal.

The trap drummer in the jazz orchestra had been hitting the hooch. He had set his music stand within reach, but it started to fall. He reached for it and it upset and hit the base drum. The drum rolled over dropping the crash cymbal, and p-p-set the xylophone, and the xylophone knocked over the cowbell. In reaching for the xylophone the drummer's feet slipped and he sat down on the baby squawker and the wood block fell with a loud crash on the tympani. "What wonderful music!" gurgled the jazz girl. "This orchestra certainly keeps right up to date in all new stuff."

No person would think of sending away from home for medicine or a physician if he or any relative were sick. No person, who is patriotic to his home town, will send away from home for his groceries or dry goods, implements or hardware, nor any of the other necessities or luxuries of life. Just the time the cotton is ready to gather the mail order houses of the country flood Collin county and Texas down with catalogues advertising their wares. They send the cash before the goods are sent out. They send their money away from home. And when they spend their ready cash they ask the local merchant for credit. The trouble with the South today is too many of her people spend their money in the north and east. Let's keep our money at home. McKinney has it for less.—McKinney Courier-Gazette.

And we will add that if you are going to buy your goods in Dallas or Fort Worth from the big mail order houses, please send to them for aid when you want to build a school house, a church, or need assistance in rebuilding a house for yourself or neighbor when fire destroys it and you have no money to build it. One is just as fair as the other. Be loyal, be fair, and you will always find friends to help you.

Peace officers try mighty hard to convince the negroes that it is wrong to shoot craps, but they don't have very much success in the persuasion act. White men know it is wrong, but it seems like it is a natural habit with our colored friends.

Judge K. M. Landis has fallen in to disfavor with the American Bar Association because he took the job of arbiter of the organized baseball business, at the same time holding down his job as Federal Judge in Chicago. If Judge Landis was not so badly needed in the courts of justice it might be well for him to resign as judge, but there is only one Judge Landis. The baseball managers are not to be blamed for hiring Landis, nor can one think too hard of Landis for accepting the job, provided he does not let it interfere with his judicial work. It might be well for the Bar Association to await developments. Maybe they will discover that Judge Landis is even more useful after having taken over the baseball job. It may strengthen him for his judicial work and the country be the gainer.

Ablene defeated Sweetwater in the West Texas League championship games, and as far as we have been able to learn Ballinger fans are very well pleased with the result.—Ballinger Ledger.

And so I hear. But we will give you all the opportunity next year that you need to get "even," old scout, but don't be sure that you are going to come over here and raise "thunder," for you may be compelled to sing the same old swan song again. Sweetwater is going to be prepared to make a cleaning of the entire West next year with her ball team, and if anybody beats us they have got to go up to the big league centers to get the team to do it with. Come over, Brother Ledger, have a good drink and be sociable, we love you folks and don't want you to be mad at us just because we beat you playing ball.

THAT BAND CONCERT

Everybody is saying "that last concert, was the best one we've had." There was an immense crowd out to enjoy the splendid program given Thursday night. If there is inspiration in having an appreciative audience, then the orchestra were indeed inspired to do their level best.

These weekly concerts grow in popularity with each performance and the people will be sorry to see them discontinued as long as the weather permits of an open air gathering.

We have the promise of two more concerts in September and we hope satisfactory arrangements can be made to continue them as long as the weather holds good.

Mr. and Mrs. J. M. Boozier have moved from the ranch to the city in order to place their younger son, Earl in the high school.

The Ladies Aid Society of the Lamar St. Baptist Church, will give their regular monthly Missionary Program at the church. All members are invited to enjoy the meeting.

REUNION AT CHATANOOGA

In some way the Reporter got it's wires crossed in Friday's paper and stated that the National Confederate Reunion would be held in Nashville, when we should have stated Chattanooga. Just how the error occurred we do not know, unless we had in mind the fact that Nashville had been a bidder and we concluded that it had been decided to hold the reunion there. So remember that Chattanooga will entertain the Confederates instead of Nashville. Also we desire to correct the statement that the sleepers will be furnished from here free to those who buy a ticket, but this was an error, so if you take the sleeper you will have to pay sleeper rates. We do not know what the Pullman people will do in regard to reducing rates, as they have issued no instructions.

THE RIGHT SORT OF FRIEND

Judge C. P. Woodruff, our kind and sympathetic friend, the man who is good to the widows and orphans, has proven himself a true friend to the Reporter people in many ways the past few weeks. He kept us well supplied with water melons and cantaloupes as long as they lasted, so decided to continue his help towards the support of the orphans by calling in Saturday and having us send the Reporter every day to Mrs. Woodruff's father, L. L. Tomlinson, at Peacock, Texas. Thank you, Judge.

MART DINING ROOM.

The Mart dining room is reopened and under the management of Mrs. R. A. Childress. Good, old time, home cooking.

Mr. Boll Weevil of The Reporter force went out to the City Lake early this morning to see a drove of ducks fly over.

THE HAPPY HILLS

There's wonderful country lying
Far off from the noisy town,
Where the wildflower swings,
And the eery sings,
The tumbling brooks come down;
'Tis the land of light and of laughter,
Where peace all the woodland fills;
'Tis the land that lies
Neath the summer skies
In the heart of the happy hills.

The road to that wonderful country
Leads out from the gates of care,
And the tired feet
In the dusty street
Are longing to enter there;
And a voice from that land is calling
In the rush of a thousand hills—
"Come away, away,
To the woods today,
To the heart of the happy hills."

Far away in that wonderful country
Where the skies are always blue,
In the shadows cool,
By the foaming pool,
We may put on strength anew;
We may drink from the magic foun-
tains
Where the wine of life distills;
And never a care
Shall find us there,
In the heart of the happy hills.
—Author Unknown.

SPEAK KINDLY

If we want our friends to love us,
And most everybody does—
Let them know we see their virtues,
Greet their good deeds with ap-
plause.

There's some good in all our brothers
There's some bad in most all too,
And the traits you mostly dwell on,
Lead most men that way to go.
If you want to give me courage,
Faith to fight this world of care,
Darken not my life with censure,
Censure fills it with despair,
If I strive to climb higher
To the better things of life,
If all the folks in it held just the
same views,
So finish your work, show the best of
your skill,
Some people won't like it, but other
folks will.
If you're leadin' an army, or buildin'
a fence,
Do the most that you kin with your
own common-sense
One small word of praise in this
journey of tears,
Out weighs in the balance 'gainst
cart-loads of sneers.
The plants that we're passin' as com-
mon place weeds
Oft prove to be jes' what some suf-
ferer needs.
So keep on a-goin'; don't stay stand-
in' still;
Some folks won't like you but
other folks will.

(Beautiful Little Ballad Sung to the Tune of "Smiles.")
There are snores that make us dippy,
There are snores that make us swear,
There are snores that banish slumber,
Make you rave and tear your hair,
There are snores plumb full of mean-
ing.

That tell what you really are;
But the snore that warrants murder,
Is the snore in a Pullman car.

Sunday School Lesson

LESSON FOR SEPTEMBER 18

ABSTINENCE FOR SAKE OF OTHERS (TEMPERANCE LESSON).

LESSON TEXT—I Cor. 10:23-31; 3:16, 17.
GOLDEN TEXT—Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.—I Cor. 10:31.
REFERENCE MATERIAL—Rom. 12:1; 14:13-21; E. 1, 2; I Cor. 6:3-20; 8:13-27.
PRIMARY TOPIC—A Clean, Strong Body.
JUNIOR TOPIC—How to Win the Race.
INTERMEDIATE AND SENIOR TOPIC—Presenting One's Body a Living Sacrifice.
YOUNG PEOPLE AND ADULT TOPIC—The True Meaning of Temperance.

The occasion of this teaching was the uncertainty as to the right attitude toward "things sacrificed unto idols." This problem was most vital while the Christians were in the midst of the heathen, and with some modifications no less vital still. In mingling with society many perplexing questions arise, such as amusements, way of spending Sunday, enjoyment of luxuries, owning stock in certain corporations, etc. Our lesson contains principles adequate for our guidance in all these problems.

It was customary to divide the animal offered in sacrifice into three parts. One part was consumed on the altar, another part was given to the priest, and the third part was kept by the party bringing the offering. The priest's part was frequently sold in the markets. The part which the offerer kept was sometimes eaten at home and sometimes in the court of the temple. The Christian who bought meat in the market was liable to get meat which had been dedicated to the idol god. Then, too, one would be invited to eat socially at the table of someone who had kept his portion of his offering and now set it before his guests. Some with adequate knowledge had no scruples about it; others with less knowledge thought it sinful. The one who has knowledge should bear with the weak one, and at the same time should seek to teach his brother the truth so as to set him free from bondage of superstition. The glory of God should control in all things.

I. "All Things Are Lawful for Me" (v. 29).

This declaration is limited, of course, by things which are right in themselves. It is not true that a Christian is free to do those things which are wrong. The Christian can only indulge in "lawful things" as they are expedient and unto edification. As individual Christians we have liberty to do many things which because of their influence on our fellow Christians we should abstain from.

Even with one's self that which is not edifying should be ruled out.

II. "Let No Man Seek His Own" (v. 24).

The Christian is under the control of love. The controlling principle of love is unselfishness. The one dominated by love considers the other's interests rather than his own.

III. "Eat the Food Set Before You" (vv. 25-30).

It is not incumbent upon us to be on the hunt for occasions of the conscience either of ourselves or others. Exercise your freedom in the enjoyment of all right things which the Lord places before you, but as soon as it is brought to your attention that certain things are to the disadvantage of others, you should desist; that is, exercise self-control.

IV. "Do All to the Glory of God" (v. 31).

This is the grand and supreme rule of life for the Christian. The Christian is not at liberty to do that upon which he could not ask the blessing of God. In our eating, employments and pleasures, we should have as our transcendent aim God's glory. How could one ask God's blessing upon the intoxicating cup, dancing, gambling, theatergoing, Sunday desecration, luxurious extravagance, etc?

V. "Give No Occasion for Anyone to Stumble" (v. 32).

We should so live that no one can ever say that we have been the occasion of their downfall.

VI. Follow the Example of Jesus Christ (11:1).

Christ through love gave up all for the sake of others. He did not please himself. Everyone, therefore, who is a Christian should imitate Him.

VII. The Christian's Body is the Temple of the Holy Ghost (3:16, 17).

This great truth is true of the Church as a body, but that which is true of the body is true of the individual composing the body; so the point in this Scripture is the serious consequence of defiling the body.

To Do Our Best.

God hides some ideal in every human soul. At some time in our life we feel a trembling, fearful longing to do some good thing. Life finds its noblest spring of excellence in this hidden impulse to do our best.—Robert Collyer.

Patches.

No man seweth a piece of new cloth on an old garment; else the new piece that filleteth it up taketh away from the old, and the rent is made worse.—Mark 2:21.

GEMS FROM THE BIBLE

The people that walked in darkness have seen a great light; they that dwell in the land of the shadow of death, upon them hath the light shined.—Isalah 9:2.

Mrs. George Pearce and children of Abilene, came over Friday night to spend the week end, and to attend the funeral of her cousin, Willie Kyle who died in Washington, D. C. Thursday night.

GINA RELLY, FRENCH STAR IN LATEST FOX PRODUCTION THE "FACE AT YOUR WINDOW"

Miss Gina Relly, a leading member of the all-star cast of "The Face at Your Window," the William Fox dramatic spectacle of Americanism which opens at the Queen Theatre Monday, is a celebrated French actress who was brought to this country to appear in this special production.

She was educated in England. Returning to France, she studied singing, and at an age when most girls are still at school, she was playing important roles in musical comedy at the Apollo Capucines, in Paris.

It was not long before the screen claimed her, for she is essentially a camera type. Her brown eyes are very large and expressive and set wide apart, an dher mouth and nose are small and daintily moulded. After playing three leading roles for Pathe in Paris, she was starred by Harry, the French producer, in "La Dette" and other productions. "La Dette" and "Fine," two of the pictures in which she tars, are now having great success in Paris.

In "The Face at Your Window," Miss Relly plays the part of a young factory worker who is the instrument of the Secret Service in warning America against a great conspiracy.

This is really a production that no Sweetwater theatre goer can afford to miss.
