## FIRE LOSSES LOW IN SWEETWATER

Efficient Work of Volunteer Department and Aid of Citizens Cut Down Heavy Damage

### PLAN FIRE PREVENTION

National Fire Prevention Week Opens Sunday—Clean-Up Campaign Is Scheduled

The spirit of the volunteer fire department here makes it equal in efficiency to any paid fire department I have ever seen," declared Dan Childress, chief of the Sweetwater Fire Department, Saturday in commenting on the record of small fire losses in the city this year. And the chief, in his 14 years of service, has seen many paid as well as volunteer departments in action.

"The fire boys have always used every effort to keep down the insurance key rate here, and very few cities in the state enjoy as small a key rate as Sweetwater," Childress said. On the other hand, neighboring cities in West Texas pay a higher key rate than Sweetwater, which gets its insurance at a very nominal cost on account of the low record of fire losses.

It is up to the citizens to keep up the record by co-operating in every way possible with the fire department. It was pointed out in calling attention to the program outlined for this city during Fire Prevention Week which begins throughout the nation Sunday. Utmost care on the part of all residents, which should be practiced during the Fire Prevention Week and throughout the year, will serve to eliminate fire hazards, prevent bad fires and result in further reductions of the key rate, it was stated.

The fire chief and fire marshal, co-operating with the city commission, and school officials, plan an active clean-up campaign during the week as one method to eliminate fire hazards. Citizens are asked to clean up their premises, remove dead weeds, trash and other fire hazards, and strive for a cleaner, prettier city and at the same time do away with causes of fire loss.

Fire boys will probably be detailed to make an inspection of the city during the week, it was announced, to report on the progress of the clean-up movement. Any fire hazards that are discovered in the inspection, will be reported to the chief and marshal.

Questionnaires concerning fire prevention will be distributed throughout the city schools under the direction of Superintendent B. H. McLain. The questionnaires will be similar to those given out last year tending to educate students over the city in regard to removal of fire hazards and prevention of fires. Arrangements may be made during the week to stage another contest among the students in connection with Fire Prevention Week in which prizes will be awarded for the best essays on the subject.

### Need Sub Station

It is only a matter of time until Sweetwater must have another fire station in the residential district, fire boys and officials believe. As the city grows and at its present rapid development, it will only be a short time until a sub station must be put into use, probably on the south side.

Fire boys pointed out the long drive necessary to reach a fire on the south side if the trucks take the route through the new subway under the T.P. It was also pointed out that the south side, scattered and extending far out, is made up of much valuable property and nearly one third of the city's population. The wholesale district is on that side also.

A small station housing one truck will have to be put into use in the residential section in that part of town within a few years, fire boys believe, probably on south Lamar street.

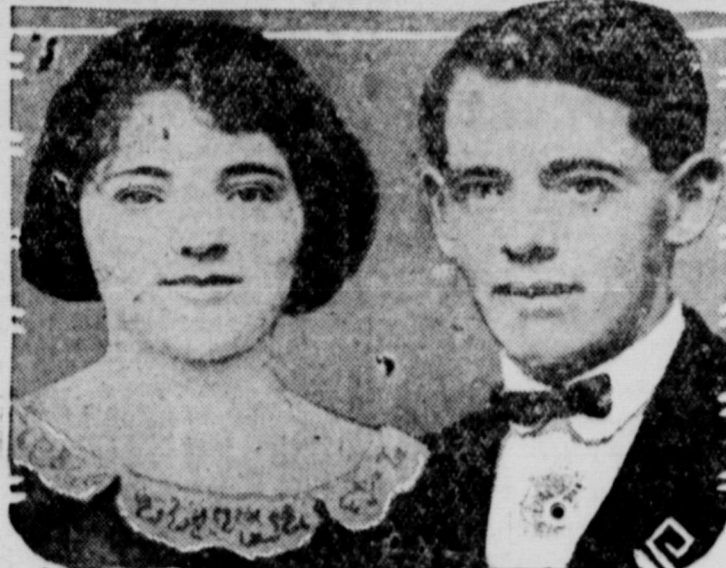

### FIREMEN TO DRESS UP

Paid Fire Boys to Wear Uniforms—Badges for Members Arrive

Paid firemen of the local department will probably begin wearing uniforms the first of the year, fire officials announced Saturday. The uniforms, a dark blue serge, will be furnished all paid firemen including the day and night men and the drivers.

## Father Sued—Kissed Son's Wife

Charging that his father forcibly kissed and attacked his wife, Ben Kraus of Dayton, O., has filed suit against the parent for \$5000 damages. Kraus, shown above with his wife, alleges that the incident occurred on June 24 while he was away from home.

## WEEKS CONFERS WITH PRESIDENT WEATHER HALTS SALVAGE

Secretary of War Returns to Washington Unexpectedly and Holds Secret Conference

### NEITHER WILL TALK

Rumor Advisability of Announcing that Weeks Will Resign Now or Later—Bad Health

By United Press.

WASHINGTON, Oct. 3.—Secretary of War John W. Weeks returned to Washington unexpectedly today and conferred with President Coolidge about the expediency of announcing his resignation on account of ill health now or later.

The decision, if it was made at the luncheon conference with President Coolidge, remains a carefully guarded secret tonight, both Weeks and Coolidge refusing to discuss it. The previous White House denial concerning the resignation however was lacking tonight.

As he came out of the White House, Weeks appeared worn and almost feeble. He has lost weight and leaned on his stick more than on former days.

Acting Secretary of War Dwight F. Davis, whom the President is seriously considering for the post, said today he had not seen Weeks and declined further comment.

## ATTACKED WIFE

Wife M. R. Smith, Charged With Shooting Besene Health Officer, Testifies

MERIDIAN, Oct. 3.—M. R. Smith, charged with the fatal shooting of J. Owens Carpenter, Besene County Health Officer, today took the stand in his own defense at the resumption of the hearing.

Carpenter was slain at Clifton several months ago following an altercation with Smith.

Mrs. Smith testified here yesterday that the slain physician attempted to attack her and the killing grew out of the incident. The case is expected to go to the jury Monday.

## Champion Cats Learn What Dixie Series Paid Them

FT. WORTH, Oct. 3.—The Ft. Worth Panthers who do about as they please in Southern baseball circles, know tonight the financial return from winning the Dixie Series.

Each regular member of the Ft. Worth team received \$1,621.12 as his share of the gate, the largest amount ever split in a Dixie Series.

Gus Foreman a pitcher acquired late in the season received \$300 while Jonnard, a catcher borrowed from Wichita Falls when Possum Moore was disabled received \$100.

### BUYS IN ABILENE

J. W. Whitaker Purchases Abilene Bakery—Will Move There

G. W. Whitaker, formerly in the bakery business in Sweetwater has purchased the Abilene Bakery and will move there with his family at once. He has already taken possession.

Mrs. Whitaker operated the Whitaker Bakery here until he disposed of his interests to Tucker and Stages.

High Seas Force All Ships Back into Harbor from Scene of S-S Disaster

### SLOWLY YIELDING THE DEAD

Body of Daniel Burk, Engineer, Recovered from Hull of Sunken Submersible Saturday

NEWPORT, Rhode Island, Oct. 3.—All salvage operations at the zone of the submarine S-51 disaster were indefinitely suspended today by heavy seas and all ships engaged in these operations ordered back into port, according to a wireless report to the naval commandant here from Admiral H. H. Chrysler.

In the message Admiral Chrysler said the increased wind and heavy seas rendered necessary a cessation of all diving operations and other salvage work.

It was impossible, he said, for divers to reach the sunken hull.

Reaper Body

NEWPORT, R. I., Oct. 3.—The body of Daniel Burk, engineer, second class, was brought aboard Admiral Chrysler's flagship, the Camden, today and accorded the same military honors given the four bodies previously found.

## TO TALK DEBT

Czecho-Slovakia Debt Commission Arrives to Open Parley With U. S. Commission

By United Press.

WASHINGTON, Oct. 3.—The Czecho-Slovakia Debt Commission arrived here today to open negotiations for the settlement of their \$117,769,050.20 war debt obligations to the United States.

Negotiations for funding the debt are expected to start Monday when the visiting diplomats will make formal calls on Secretaries Mellon and Kellogg, both members of the American debt commission.

The commission will square away for action Wednesday and an early and satisfactory agreement is expected to result.

## COURT TO OPEN

October Term of District Court to Get in Action When Grand Jury Convenes Here

The October term of district court will open in Sweetwater Monday when the grand jury convenes, with the first jury week slated to get under way the following Monday, the 12th.

The first two weeks after court opens will probably be devoted to civil cases, it was stated, and the final two weeks will be devoted to the criminal docket which is unusually heavy.

Civil cases and the divorce docket are lighter than in several years, according to the district clerk, while the criminal docket, on the other hand includes an unusual large number of cases.

There have been about 30 cases transferred to district court from justice court to await the action of the grand jury. Defendants in nearly every case are either out on bond or in the county jail.

## SWEETWATER TO BE ON THE AIR

Zenith Portable Broadcasting Plant to Be Here Monday for Two Hour Entertainment

### PROGRAM IS ARRANGED

Local Artists to Entertain Unseen Listeners from Presbyterian Church—On Tour

Sweetwater will be "on the air" Monday evening from 8 to 10 o'clock when local soloists, musicians and speakers parade their talents before scores of unseen listeners via the microphone of the Zenith Radio Corporation's portable broadcasting plant. Local artists will be given an opportunity to entertain distant audiences, and Sweetwater radio fans can twirl the dials to the numbers that bring in a real home-talent home-broadcast program.

Sweetwater is included in a list of cities in the Southwest in which the portable broadcasting equipment under the direction of the Zenith Corporation will be used for one-night programs. The machine comes here from Elr Spring and goes next to Abilene.

Dr. P. T. Quast, local dealer of Zenith radio instruments, is in charge of the program which will begin about 8 o'clock Monday evening. Dr. Quast announced Saturday night that all arrangements had been completed for the program which will be heard thru out the Southwest. The portable station, although small, is powerful and has long range.

The program will be held in the Presbyterian church where the microphone will be installed. The transmitting equipment, mounted on a truck, will be connected with the microphone inside the church by wires, and the aerial equipment will also be mounted on wheels with the balance of the apparatus.

The following program will be rendered: Pipe organ solo, Allene Beall Whaley. Violin solo, Charles Arthur Canfil. Selection, Sweetwater Band.

Piano solo, Mrs. George Gray. Vocal Solo, Mrs. Garnet Nicolson. Vocal Duet, Mrs. Garnet Nicolson and Miss Ruby Hemby.

Saxophone duet, John Focht and Armand Casstevens. Vocal solo, John McCurdy. Talk, Roy W. Thompson.

Zenith Company men accompanying the broadcasting plant will act as announcers. Local fans who are unable to hear the program over the radio are invited to the church from where the program will be broadcast.

The tour of the broadcasting station over the country is a preliminary inspection trip sponsored by the Zenith Company in view of locating a powerful, permanent transmitting plant in the Southwest. Each city in which the station is scheduled to stop is considered a prospective location for the permanent station.

## LEGISLATURE IS POLLED BY WIRE

Governor Ferguson Asks Representatives How They Will Vote on Loan Proposition

### FOR CATTLE DISEASE

Governor Plans to Borrow \$400,000 to Combat Hoof and Mouth Infection in Texas

By United Press.

AUSTIN, Oct. 3.—All members of the Texas legislature were wired today by Governor Ferguson asking them if they would vote an appropriation of \$400,000 at the next session with which to pay for stamping out the disaster in Southeast Texas.

The governor plans to borrow additional funds to right the disease and before making the loan, desires to know if the legislature will pay the debt when it holds its next session.

The governor stated that no special session was contemplated.

### BOND 4,000

L. L. Dowd Released Pending Trial for Death of W. B. Perry

By United Press.

DALLAS, Oct. 3.—L. L. Dowd was released here tonight on \$4,000 bond pending trial in connection with the fatal shooting of W. D. Perry a week ago.

Perry was slain following an argument with Dowd over rentals, according to Mrs. Perry, who witnessed the shooting.

## Women in Hammer Murder Case

Mrs. Mabel Longworth Sheridan, 30 (right), is being held by police of San Antonio, for the hammer murder of Mrs. Ada McCobb, wealthy aged reclusive, also pictured above. Police found the two women unconscious in a rooming house owned by Mrs. Sheridan's mother. Between them was a pool of blood and a hammer. Mrs. McCobb died later in a hospital, and in her rooms was found jewelry valued at \$50,000. Mrs. Sheridan says she struck the other woman in self-defense.

## UNION WANTS TO ORGANIZE COURT SEEK CURE FOR AIRCRAFT ILLS

Interparliamentary Union in Washington Meet Sees International Court of Justice

### ELIHU ROOT REPORTS

Urges Immediate Action to Codify International Law—Abandon League of Nations Resolutions

By United Press.

WASHINGTON, Oct. 3.—Having thrust aside a resolution for American participation in the League of Nations, the Interparliamentary Union representing 40 nations today proceeded toward perfecting the International Court of Justice.

A report was presented by Elihu Root, noted international lawyer, urging that immediate steps be taken to codify international law.

The time has come, Root said, when there should be no further delay in the preparation for general international conference to make more definite, certain and comprehensive the body of law by which international conduct is to be ruled.

## PILOT MISSING

Thousands Searchers and Eight Planes Comb Mountains for Lost Air Mail Flyer

By United Press.

BELLEFONTONE, Pa., Oct. 3.—The wild regions of the Allegheny Mountains continue to defy man and his attempts to locate Charles H. Ames, Air Mail pilot on the New York Chicago route, missing since Thursday night.

One thousand searchers and eight planes turned back at dusk tonight after a second day of fruitless search, which will be resumed early tomorrow.

## MEMBER RESIGNS

Fred I Thompson Quits U. S. Shipping Board—Coolidge Promptly Accepts Resignation

By United Press.

WASHINGTON, Oct. 3.—Fred I. Thompson, Birmingham, today resigned from the United States Shipping Board to take up the cudgels on behalf of the Board's Retention.

In his letter of resignation, which Coolidge promptly accepted Thompson said he was resigning so that he could not be accused of fighting for the retention of his position.

### WINS FRESNO CLASSIC

Fred Comer Drives 120 Miles an Hour to Win 150 Mile Go

By United Press.

FRESNO, Calif., Oct. 3.—Fred Comer, driving Harry Hartz's car, won the 150 mile automobile classic on the Fresno speedway today after De Paolo, the champion, and several other drivers had been forced out by engine trouble.

Comer's time was 120 miles an hour.

## SEEK CURE FOR AIRCRAFT ILLS

President's Aircraft Board to Spend Week Probing Commercial Flying Problems

### PILOTS WILL TESTIFY

More Time to Be Given Fliers Who Favor Separate Air Unit—Cross Examine Officers

By United Press.

WASHINGTON, Oct. 3.—A prescription for the existing ills of commercial aviation and aircraft manufacturing industry will be sought by the President's Aircraft Board here next week. Representatives of operating companies, and manufacturers have been asked to testify on several days of next week. Some time will also be given over to additional naval pilots who desire to go on record as favoring the separation of the Air Corps from the navy, and the cross examination of Major General Mason Patrick, Chief of the Army Air Service and of Rear Admiral Moffett, naval air head.

Members of the Board of Inquiry regard the commercial phase of aviation as highly significant and believe that the discovery of a plan giving support to this field, while difficult, yet can be worked out. They are confident that means can be found whereby federal aid can be extended.

Paul Henderson, formerly assistant postmaster general in charge of Air mail and now connected with the National Airways Company informed the Board that commercial aviation was at a standstill and would be until a helping hand could be extended.

## ARGUE APPEAL

Set Date Oct. 11 to Hear Plea Waco Preacher Before Court Criminal Appeals

By United Press.

WACO, Oct. 3.—The case of the State of Texas vs. the Rev. Reilly Copeland pastor of the Tabernacle Baptist Church of Waco, convicted and fined \$100 on a charge of libeling Miss Adelaide Hague, city Health nurse, will be submitted by oral argument to the Court of Criminal Appeals Oct. 11, attorneys were notified today.

This is one of 18 cases against the preacher. The grand jury indicted him for alleged libel on 11 counts at the January term and the other seven bills were returned by the September grand jury.

### BOND 4,000

L. L. Dowd Released Pending Trial for Death of W. B. Perry

By United Press.

DALLAS, Oct. 3.—L. L. Dowd was released here tonight on \$4,000 bond pending trial in connection with the fatal shooting of W. D. Perry a week ago.

Perry was slain following an argument with Dowd over rentals, according to Mrs. Perry, who witnessed the shooting.

## COLLEGE TEAMS CLASH SATURDAY

Big Eastern Teams in Action and Majority Run True to Dope—Season in Full Swing

### TEXAS SCENE OF BATTLES

State University Wins Easily—S. M. U. Runs Up Big Score—Bears Taste Victory—Owls Winners

College football eleven from four corners of the nation plowed the dirt on gridirons throughout the country Saturday as universities and schools, large and small, clashed to start the pigskin rollin' down the 1925 season. Practically all the major teams in the east were in action, the majority facing eleven from smaller colleges. Dope ran true to form in most battles, with victors of seasons past emerging victors again.

The Lone Star state was dotted with games Saturday as both large and smaller college teams got into action. State, S. M. U., Rice and Baylor of the Conference were in action, each winning their game.

### S. M. U. 52, A. C. C. 7

By United Press.

DALLAS, Oct. 3.—Southern Methodist University overwhelmed the Abilene Christian College eleven here today 52 to 7, giving the entire squad practice. Coach Morrison used three separate squads during the game which started out as a close event.

The visitors slipped over a touchdown in the opening quarter against a second string squad, and was leading at the end of the first frame 7 to 6. A. C. C. made its only touchdown on a forward pass to Powell and Kerr kicked goal.

Estes Is Star

By United Press.

ABILENE, Oct. 3.—Bob Estes, Simons College halfback, virtually defeated the Southwestern Teachers College of Oklahoma here today in the hardest football battle of the season. The score was 19 to 0 in favor of the Cowboys.

A 42 yard run through a broken field for a touchdown in the third quarter by Estes was the feature play of the game. In the last two minutes of play Estes grabbed the ball and went for an 80 yard stroll through the teachers for another count. He visit ors made one first down.

### Rice Wins Close Game

By United Press.

HOUSTON, Oct. 3.—The Rice Owls defeated the Sam Houston Normal here this afternoon by score of 7 to 0. Not until the last three minutes of play did Rice actually look "good" against the tough and aggressive little Normal team and that was only after coach Heisman had dispatched Herting into the line-up and ran him in a series of off tackle bucks against both sides of the line.

In the first three periods the Caps played the Owls to a standstill.

### Star Doesn't Star

By United Press.

URBANA, Ill., Oct. 3.—Rod Grange All-American half back, bumped into Ed Weir, an All-American tackle here today and Grange was stopped, Illinois losing to the Nebraska Cornhuskers 14 to 0.

Both Nebraska's touchdowns were the result of intercepted forward passes, but the Cornhusker's line was a big factor. It stopped Grange as though he were a high school youngster, and did not give much more to the rest of the Illinois backfield.

### Kentucky Game

By United Press.

STAGG FIELD, Chicago, Oct. 3.—Kentucky put up a strong game here this afternoon losing to Coach Stagg's big 10 Champion Maroons only by a 9 to 0 score. Except for a field goal in the second quarter and a touchdown in the third the Southerners held the heavy Maroon team scoreless. Bob Curley showed his old form by placing a drop kick from a difficult angle at 32 yards.

### Football Results

By United Press.

Notre Dame 69, Lombard 0; Nebraska 14, Illinois 0; Chicago 9, Kentucky 0; Northwestern 14, South Dakota 7; Wisconsin 30, Iowa State 0; Minnesota 25, North Dakota 6; Drake 6, Washington U. 0; Iowa 26, Arkansas 0; Pennsylvania 26, Swarthmore 13; Harvard 18, Benssaler 6; Tulane 6.

LOSS

Seldom does the editorial page "scop" the news columns. This is an exception. A tremendous disaster occurred today. Property valued at \$1,466,744.44 was wiped out and 41 persons lost their lives by fire. The destruction proceeded continuously through every 24 hours; every hour \$61,115.60—every minute \$1,018.50—every second \$16.97 was wiped out.

This is another way of stating what the National Board of Fire Underwriters, the highest authority on the subject, tells us—namely, that our annual fire loss is \$535,372,782. What this means may be comprehended from a few comparisons. Our annual production of gold and silver is \$103,119,741—less than one fifth of our annual fire loss.

The fundamental cause of combustion is combustibility. And the way to forestall the results of carelessness is to build fire-safe. We must either admit that we "build to burn," or accept the challenge of the new slogan "Build Fire-Safe."

It is possible for the average home builder to accept this challenge. The development of modern building materials makes it possible for even the modest home to be built fire safe.

These are only examples of the protection offered the home builder by the modern materials manufactured. Gypsum is only one of several non-metallic minerals that may be used to encase and protect the wooden part of a building.

NEW YORK DAY BY DAY

NEW YORK, Oct. 3.—It was midway between midnight and dawn. A group of newspaper men were standing in the landing field at the New Brunswick flying field.

there, straining their eyes and their ears waiting for the far-off drone of a motor or the first flash of the pilot's light which he would turn on upon first sight of the field.

Minutes passed and then hours. Still no word from a pilot who had left Bellefonte. The slight breeze died entirely. The wind bag hung limp against its supporting pole. Then the fog came up in banks like the gray and serried hosts of a Hunnish enemy. It closed down upon the watchers.

Then the telephone rang again. It was a report from Bellefonte that the pilot had returned there. He had been within 15 minutes of New Brunswick when the wind died down and the fog came up and his only safety then was in the higher altitude of Bellefonte, out of the fog.

It is possible for the average home builder to accept this challenge. The development of modern building materials makes it possible for even the modest home to be built fire safe.

STEWART'S WASHINGTON LETTER

BY CHARLES P. STEWART, NEA Service Writer.

WASHINGTON, Oct. 3.—What politicians say and what they really think often are two quite different things.

For instance, Republican politicians say they expect their party to gain control of the Senate at the next congressional election.

Also for instance, Democratic politicians predict that their crowd will gain control of the house.

When the Republicans speak of controlling the Senate, they mean genuine control. They control it on paper now, but they can't depend on all their own votes—that is, the votes of independents only nominally classed as Republicans.

The way they tell it, the agricultural States are so much more prosperous than they were that radical sentiment has subsided and they're confident that these States will choose "regular" Republicans in place of "insurgent" Republicans in 1926.

The point the Republicans neglect to stress is that all the chances favor their loss of at least six Senate seats to the Democrats and that there's no prospect the Democrats will lose any seats to them.

will be made by the voters of Alabama, Arkansas, Florida, Georgia, Louisiana and North and South Carolina, and they always do select Democrats.

At the same time the terms of 25 Republican Senators will expire and the States they represent include Arizona, Colorado, Kentucky, Maryland, Missouri and Oklahoma, which generally select Democrats.

Besides this, the Republicans will have to fight hard in Idaho, Nevada, New York and Utah.

The Democrats may make some gains in the lower house.

They hold few, if any, seats representing normally Republican districts and the Republicans do hold a number of seats representing normally Democratic constituencies—seven in Kentucky, two in Maryland, three in Missouri, two in Oklahoma, two in Tennessee and one in Texas.

On the whole, a Congress which is so split up that it can't accomplish anything may be a pretty good kind of Congress just now.

In a time of great emergency such

Judge Refuses Marriage

WE WANT TO GET MARRIED—JUDGE—AN MAKE IT SNAPPY. FOLKS COME TO ME TO MARRY THEM WITH THE SAME ATTITUDE THEY ASSUME IN APPLYING FOR A DOG LICENSE.

JUDGE JOHN T. LUPE.

BY BOY J. GIBBONS, NEA Service Writer.

CHICAGO, Oct. 3.—Marriage are very properly a religious function and law courts have no business tating in on this well-regulated trade by tying imitation knots that fail to bind.

This is the paraphrased opinion of Judge John T. Lupe of Chicago's busy court of domestic relations who has just announced in judicial decree that henceforth couples desiring of matrimony must look elsewhere than to him for uniting them except in emergencies.

"Marriage should be served with all the trimmings," says Judge Lupe in explaining his reason for the revolutionary move.

dog License Marriage. "I'll not have folks coming to me to marry them with the same attitude they assume in applying for a dog license.

"Marriage is a sacred sacrament. It can best be performed by a clergyman with all the solemn, serious atmosphere that makes a marriage under such circumstances, a picture never to be forgotten.

"My experience on the bench has convinced me that hasty weddings in court lead more often to hasty efforts at divorce in other courts.

a tieup would be very dangerous, but it's quite generally agreed that the country's need of today is to be spared any more legislation—just to be left alone and not monkeyed with.

President Coolidge himself probably feels this way about it. Theoretically, of course, he'd like to have his party make a clean sweep of everything, but as a matter of practical politics it would have its dangers from his standpoint.

If the Republicans were wholly in power their impulse to go ahead and do something undoubtedly would be irresistible. It might be the wrong just as well as the right thing and then the President, as his party's head, would be blamed for it.

As the situation stands, and promise to stand through the latter half of his term, if anything does go wrong, he always has the alibi that it was the fault of a Congress which gummied his cards on account of partisan motives.

Varied Fruit Diet Is a Big Digestion Aid

BY DR. HUGH S. CUMMING, Surgeon General, U. S. Public Health Service.

The first point to remember regarding the use of fruit is that in many cases the edible stage does not correspond to the harvest time, particularly when we remember that in order to stand shipment for long distances, fruit is harvested earlier than would be done.

There are a number of highly important changes that occur in fruit during the ripening process. These changes materially affect the fruit as an article of diet.

Some kinds of apples, for instance may be eaten as soon as they are picked. Many other kinds, commonly known as winter varieties, require a period of storage before they can be used advantageously.

Some apples, particularly that variety known as Baldwins, usually picked in October, are much better eaten in December.

For fruit, you should know, may be properly eaten only when it is

thoroughly ripe. If partially decayed fruit is eaten you are taking into the body decidedly unwholesome material containing organisms which may cause trouble.

Apples Are Excellent Food. Stewed, baked or raw apples are excellent articles of food, and in addition they are available in the market practically the year around.

Pears form an excellent article of diet, especially for many people who suffer from intestinal disorders and who are unable to indulge their appetites for sour fruits.

Plums and prunes are also wholesome fruits. Prunes, particularly since they contain a large amount of phosphorus and potash, may hold a place of honor on the breakfast menu.

Food Value of Cantaloupe Low.

As regards the cantaloupe, which is high in popular favor and enjoys wide use, you should know that cantaloupes contain little of food value, but they are recommended as food, particularly for persons who are inclined to overeat.

Cantaloupes should be eaten only when quite ripe as their flavor is at its best at that time.

Grapes are among the most refreshing of fruits. They are rich in phosphorus, and easily digested. Like the citrus fruits, grapes are mildly laxative.

Orioles Win

By United Press. LOUISVILLE, Ky., Oct. 3.—The Orioles, seven times champions of the International League, arose in all their wrath in the third game of the little world's series with Louisville today.

Base hits rang from the Oriole bats all afternoon and they copped the game by a score of 11 to 6. The count now stands 2 games to 1 in favor of Louisville, American Association champions.

KANSAS DOWNS OKLA.

By United Press. LAWRENCE, Kan., Oct. 3.—Playing in midsummer temperature, the Kansas University team downed the Oklahoma Aggies in the first game of the current season here today by a score of 13 to 3.

Texas Beats Mississippi

AUSTIN, Oct. 3.—Confused by a combined aerial attack and perplexing shifts the Mississippi University eleven went down in defeat before the Texas Longhorns here today 25 to 0. A 55 yard run through the Mississippi team for a touchdown by Max Saxon featured the game.

The two teams battled scoreless during the first half, but the Texans warmed up and put over two touchdowns each in the last quarters. King missed three goals out of four after the touchdowns.

The Longhorns' line outweighed that of the visitors. Texas' victory was costly as Stallery, star halfback, wrenched an arm and may not be back into the lineup this year.

Teachers Lose to Bears

By United Press. WACO, Oct. 3.—Coming from behind a six point lead in the first half and featuring the work of former Waco high school stars, Kelley and Nash, the Baylor Bears celebrated their 1925 gridiron debut in Waco by taking a 20 to 6 victory over the North Texas Teachers College of Denton on Carroll Field here today.

Bridges' lessons applied during the intermission of halves had the desired effect and when the Bears went back they quickly shoved over two touchdowns.

Clyde Kelley, former Waco high school fullback, was in a large measure responsible for two of the Bears scores. He ran a total of 85 yards the first three time called upon to carry the ball.

### FIRE LOSS IS LOW

(Continued from Page One)

From three to five paid firemen are kept at the station day and night. Badges for all fire boys have arrived and will be distributed soon. There are three gold badges for the chief, assistant chief and second assistant chief. Silver badges will be worn by truck drivers, and silver badges with the word "member" on them will be given each member of the department. The badges are the shield type, with a helmet, hook and ladder and nozzle insignia.

### Forty Fireless Days

If it were not for the radio, the checker board and the "electric chair," fire boys would have had another boat or start a new zoo to pass away the time. None of them can remember just when the last fire occurred. With their fingers crossed and with some of them knocking on wood, local fire fighters stated Saturday that it has been nearly two months since they fought a blaze. It has been 40 days, at least, since an alarm brought them on the run, and it has been longer than that since a bad fire has occurred.

The fire boys consider that a unique record and declare it is a credit to the residents of the city whose carefulness and co-operation aids in keeping down fire losses. But the three big trucks are "warmed up" every day just the same, for no one knows what minute the bell will jangle for the fire fighters to rush off and drown out a mean blaze.

### Fire Department Has Grown Since Chief Took Office

In April of 1926, Dan Childress will round out his fifteenth year as chief of the Sweetwater Volunteer Fire Department. During that time he has

seen the local fire department grow from a one man affair of two horse-drawn carts to a modern, well equipped department of three trucks and a score of firemen.

"When I first became chief," Childress said, commenting on the growth of the department, "we had two horse drawn carts, one chemical wagon and a hose wagon. We had two horses, one for each wagon. The horses were used by the city during the day and kept at the station at night. During the day they were worked to trash wagons, hauling tin cans to the dump ground.

"If the horses weren't handy when a fire broke out, we would pick up enough volunteers to pull the carts by hand to the scene of the fire." The "fire alarm" in those days, 15 years ago, was a large bell on the court house square. The citizens who first saw or heard of the fire would run to the square and ring the bell to give the alarm.

### Card of Thanks

We wish to express our heartfelt thanks and appreciation to our Sweetwater friends for their many deeds of kindness and floral offerings in this hour of sadness and death of our dear beloved son, Bonner Alldredge. We shall always hold you dear in our memories.

Mr and Mrs. M. A. Hopson.  
Mr. and Mrs. J. S. McBride.  
Henry and Guy Fred Alldredge.

### REUNION WAS SUCCESS

Sweetwater Veterans Return from Confederate Convention

The Abilene reunion of Confederate Veterans was a big success and all veterans from over the state who attended the convention enjoyed it to the utmost, according to Capt. W. T. High tower, Sweetwater veteran upon his return from the reunion scribe. The three day convention came to a close

### Called a Liar, Airship Expert Asks Correction

By United Press.

LAKEHURST, N. J., Oct. 3.—Captain Anton H. Heinan, German zeppelin expert, today requested the Naval Court of Inquiry to subpoena James Work, hanger employe, to correct charges that Heinan is a liar.

Heinan was called to the stand to verify his previous testimony in which he identified Work as the informant who had told him that the automatic gas valves on the Shenandoah had been unclosed all along.

Work called Heinan a liar. The court retired into executive session and then directed that Work's testimony be deleted from the record as irrelevant and unnecessary.

### LICENSE BUREAU RUSHED

Waiting Line Forms for Marriage Licenses Saturday—Marry Here

The county clerk's office did a land office business in the marriage license department Saturday, with a waiting line of four couples listening for the call of "next" at one time.

Three couples found their way to the justice of peace office, going there direct from the marriage license window.

Justice of Peace I. W. Brashear married the following couples Saturday afternoon:

H. M. Price and Miss Ida Westwell of Eddy, Texas; Lee Giesler and Miss Jewell McLaughlin, Sweetwater; J. J. Gordon and Miss Minnie Carter of Snyder.

### FUNERAL AT ROBY

Bonner Alldredge Buried Following Death After Long Illness

Funeral services were held in Roby for Bonner Alldredge, 18, following his death there Wednesday after an illness of several weeks. He was well known in Sweetwater where he had many friends and is of a pioneer West Texas family.

Bonner was a graduate of the Roby High School and was attending a business college in Abilene when he became ill. A mother and a step father Judge M. A. Hopson, survive.

# KARPEN Furniture WEEK

OCTOBER 5TH TO 10TH ONLY

SEE THIS VALUE IN A THOUSAND

Arm Chair

Sofa, 81 inches  
Karpen English Renaissance group. Carved mahogany, castilian finish; in taupe mohair with damask on tops of reversible cushions.

High Back Chair  
in damask

YOU could examine a thousand living room suites and not find one that rivals the beauty and value of this English Renaissance group by Karpen.

You must see it to fully appreciate it. Study its fine lines. Run your hand over its silky mohair covering. Sink into its buoyant Karpenesque spring cushions, reversible with damask on their tops. Inspect its choice mahogany frames, castilian finish and hand-carved.

At regular prices its value

could only be created through Karpen's tremendous production. Our striking reduction for Karpen Week only makes it irresistible.

This is only one of our many special offerings during this event. You will be interested in seeing all these new designs in Karpen furniture for living-rooms, sun-rooms, halls and libraries.

Plan an early visit while our displays are complete. Remember, Saturday, October 10th is the last day.

## Back of Civilization The Magic of Electricity

ELECTRICITY is indeed, the fore-runner of civilization. It has made possible hundreds of ways of lightening toil, of speeding up production, of lowering living costs.

In your own home, you will find scores of uses for Electricity. There's the vacuum cleaner, electric stoves, electric waffle iron, electric washing machines, electric percolators—not to mention the greatest use of all—that of light.

Make your home, office and your factory a better place to live and work in—take advantage of Electricity. For service at all times use Electricity.

# Society

### Sorosio Club Meets

The Sorosio Club met Friday, Oct. 2 at the home of Mrs. Tom Hughes with Mrs. Hughes and Mrs. R. H. McLain as joint hostesses.

During the business session the club voted to receive Mrs. M. C. Manroe and Mrs. Dan Ripley as new members to fill the vacancies created by the resignation of Mrs. Fred Poffenbach show which is sponsored annually by and Mrs. Clyde Payne. The flower the Sorosio Club, was discussed, and Mrs. Belcher and Mrs. Joe Boothe named as the committee to solicit flowers.

When the regular program was begun, Mrs. Frank Morgan took the chair as leader and conducted very ably a discussion of the collapse of the old world conservation in France and England after the French Revolution. Mrs. Morgan was followed by Mrs. Harry Bondies, who gave a review of the life of Thomas Garzizue Masaryk. Mrs. R. C. Crane closed the program with a sketch of Edward Benes.

After adjournment the hostesses served a salad course with coffee, cream and cake.

The next meeting will be with Mrs. Albert Brann, October 16.

### Delphian Chapter

Mrs. Walter Boothe was hostess to the Delphian Chapter on Thursday afternoon at 3:30 o'clock. In the absence of Mrs. Leeper, Mrs. J. T. Hughes took charge of the program. Each member responded with various phases of interior decoration at the roll call. The subject for the afternoon was "Arched Architecture and Early Christian Art."

Roman Architecture, Mrs. R. R. Allen.

Relation of Pagan and Christian Art, Mrs. B. L. McDonald.

Growth of Church Buildings, Round Table Discussion.

Byzantine Architecture and Art, Mrs. Walter Boothe.

Influence of Church Upon Art, Round Table.

Mrs. D. D. Brown presided over the business session and appointed a fair committee consisting of the following: Mesdames Walter Boothe, chairman; Leeper, John Hubbard, R. A. Henthorne. The Chapter voted to enter a float or car in the parade. Mrs. Hubert Toler was elected chairman of this committee.

### Sponsor Flower Show

As heretofore, the Sorosio Club will again this year have charge of the flower show at the fair to be held in this city the last four days in October.

Mrs. F. J. Neal is chairman of the committee for the entire flower show exhibit, while Mrs. M. A. Belcher and Mrs. Joe Boothe are the soliciting committee.

The entire club, as well as those ladies named, will appreciate any cooperation toward making this part of the fair exhibit even greater success than it has been in the past. It is especially desired that those who have flowers, be they potted plants, hanging baskets, or cut flowers, keep them in mind for the fair. An effort will be made by the committee to see those who have flowers, but if anyone should not be called on within the next few days, that persons flowers are wanted just the same. A telephone call to Mrs. Belcher or Mrs. Boothe, telling them of the flowers, will be greatly appreciated.

### Bridge Luncheon

Miss Modena Faber entertained with a most unusual bridge luncheon Friday morning which preceded a lovely kite show, in compliment to the charming bride-elect, Miss Thelma Howard, whose marriage to Joe Bowen will be solemnized Wednesday evening, October 14, at the First Methodist church.

Exquisite rose buds and other cut flowers were the floral decorations used. Miniature bride bouquets were given as favors to the 16 guests with a large bouquet given to the honoree. She was also given a small gold wedding ring with a kewpie sitting on it. After the two course luncheon was served the prizes were given with Mrs. Frank Murchison receiving the high score award, and was presented with a shell boudoir lamp. Miss Lorna Kelsey, who held low score was given a lovely yellow crystal puff box. A love bird was presented to Miss Howard.

After the prizes were awarded a most pleasant surprise was given the honoree in the form of a big basket which contained every thing lovely for the kitchen.

### Fair Committees Meet

The Women's committees of the Nolan County Fair met Saturday afternoon in the court house auditorium and discussed the various departments and special work of each group. Chairmen from the different communities have been selected and are already busily working on plans and arrangements for various phases of fair work that comes under their direction.

The chairmen and committee of the various departments are as follows:

Mrs. Willard Gibson, president; Mrs. J. A. McCurdy, assistant superintendent.

Flower show chairmen, Mrs. F. J. Neal, phone 679; Mesdames M. A. Belcher, Joe Boothe.

Art chairman, Mrs. J. R. Henry, phone 254; Mesdames E. P. Reese, N. L. Hall, P. G. Dabney.

Needlework chairman, Mrs. J. T. Hughes, phone 26; Mesdames S. Z. Williams, Otis Neely, D. A. Myers. Cooking chairman Mrs. D. D. Brown, phone 665 J; Mesdames Walter Boothe J. P. Leeper, Robert Hethorne, John Hubbard.

Canning chairman, Mrs. Tom Hughes, phone 670; Mrs. Harry Bondies, Miss Stella Watson.

Canary bird chairman, Mrs. M. B. Howard, phone 114.

Bridal exhibit chairman, Mesdames Frank Murchison and Jim Floyd.

Girls' Club Work, Miss Mayme Lou Parr.

Parade, Mrs. R. C. Ledford, phone 368-M; Mesdames Hubert Toler, Dan Ripley, Si Edwards.

Anyone wishing to make entries in any of these departments will please notify the chairman or any members in the department.

### Marry Saturday Evening

P. M. Ashley and Mrs. Effie Hampton were united in marriage by Rev. J. T. McKissick at his home Saturday evening at 8 o'clock.

Mr. Ashley is employed at the Robertson Cafe, and the bride has been cashier at the Sweetwater Dry Goods Co. for some time, and both have many friends here. Mr. and Mrs. Ashley will continue to make their home in Sweetwater.

### Woodman Circle Installation

The installation services of the newly elected officers of the Woodman Circle will be held in the W. O. W. Hall Monday evening at 8 o'clock. Several out of town officers will be present to assist in the ceremonies. Among these are Mesdames Tressie Goldsticker, Stamford, District Deputy; H. A. Thomas, Fort Worth, State officer, and J. H. Fultz, Abilene, another district officer. A social hour will conclude the following program: Opening ode by Sweetwater Grove

of the Woodman Circle.

Prayer, Mrs. M. T. Tuttle.

Welcome address, J. M. Shims.

Solo, Mrs. W. K. Wiley.

Reading, Katherine Andrew.

Reading, Mrs. R. A. Farris.

Violin solo, Miss Sarah Steele, accompanied at the piano by Mrs. I. C. McClure.

Quartette, Miss Lena Pearl Harris, Misses Burndell and Myrtle Lewellen and Miss Mary Harris.

Reading, Miss Evelyn Lohman.

Music, W. O. W. Orchestra, L. M. Hubbard, Earl Harris, C. F. Rogge and Ancil Nunn.

Installation of officers by the Snyder team of the Woodman Circle.

### Auxiliary Names Committees

The Board of City Development Auxiliary held its monthly business meeting at the court house auditorium Saturday afternoon at 3 o'clock. After the reading of the minutes by Mrs. F. J. Neal, the meeting proceeded with the new business, which included the appointing of the various committees for the coming year's work.

Park committee, Mrs. D. A. Myers, chairman, assisted by Mesdames M. C. Manroe and Otis Neely.

Sanitation committee, Mrs. I. C. Vinson, chairman, assisted by Mesdames F. J. Neal and S. Z. Williams.

City beautiful, Mrs. R. C. Ledford, chairman, assisted by Mesdames J. A. McCurdy, Rufus Wright and C. S. Boyles, Jr.

The president, Mrs. Willard Gibson, appointed the following for the attendance committee: Mrs. C. S. Boyles, Jr., chairman, assisted by Mrs. J. A. McCurdy and Miss Stella Watson.

Float committee, Mrs. J. A. McCurdy, chairman.

The information booth at the fair will be sponsored by the Auxiliary with Mrs. C. S. Boyles, Jr., and Mrs. J. A. McCurdy in charge.

The Auxiliary is rapidly growing. At the present time the membership consists of 16 paid members.

### SOCIAL CALENDAR

The Choral Club will hold the first meeting of the year Tuesday at 4 o'clock at the Wright Apartments.

There will be a meeting of the Library Board at the court house auditorium Tuesday afternoon at 3 o'clock.

Mrs. Clyde Payne will be hostess to a social meeting of the Women's Missionary Society of the First Christian church Monday afternoon at 4 o'clock.

The local chapter of the Woodman Circle will hold installation of officers Monday evening at 8 o'clock, preceded by a short program.

The Ladies Missionary Society of the Methodist church will meet Monday afternoon at 3 o'clock in the church parlors.

### Rummage Sale

Members of the Library Board will stage a rummage sale about October 15. Ladies wishing to donate articles please leave at library or phone any member of Library Board. 2121c

### TO AID NEEDY

Church of Christ Collecting Clothing and Groceries for Poor

The Church of Christ has prepared in the basement of the church, a place for clothing, groceries and perishable articles. This is for the poor and needy and is being supervised by the minister, W. D. Black. The opening day will be next Wednesday, October 7. Any thing that you would like to contribute will be received on the above date. It will be greatly appreciated and will be distributed judiciously to those who are in need.

The Globe Tailoring Co. will clean and press all clothing free that are given for this purpose.

### COMMISSIONER HERE

Lon A. Smith to Snyder—State Commander Sons of Vets

Lon A. Smith, State Railroad Commissioner passed through Sweetwater Saturday enroute to Snyder where he will talk to the Men's Bible Class of the Baptist Church Sunday. He will return through Sweetwater Sunday afternoon enroute to Brownsville where a hearing is scheduled for the Gulf Coast Lines.

Mr. Smith attended the Confederate Reunion at Abilene where he was re-elected State Commander of the Sons of Confederate Veterans for the seven th time.

Everything You Buy from Us  
Is Worth What You Pay for It

**DIGNIFIED CREDIT**

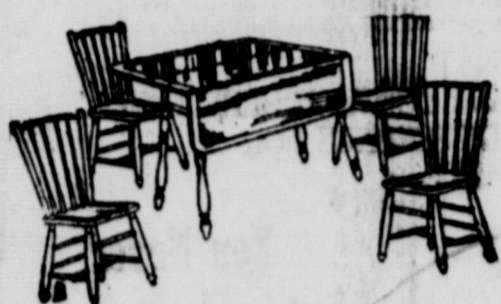

Convenient credit terms are an essential part of Wright Furniture Store service. A small payment down, and easy payments at regular intervals permit you to enjoy the furniture you need without delay.

*For Every Home*

**OUT OF TOWN SELECTIONS**

In the event that you do not find just what you want in our large stock, our arrangement with Fakes and Co., Ft. Worth, the largest furniture house in the southwest, permits you to select what you wish from their enormous stock. It will be shipped to us and we will deliver it to you at the same price and on the same terms as if selected from our floors. Let us explain this feature of our service to you.

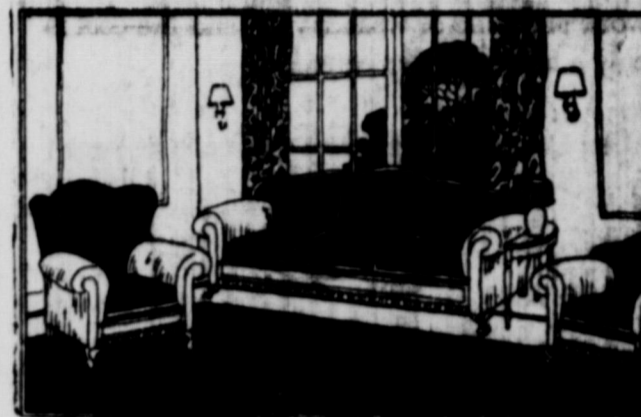

**BREAKFAST SUITES**

There is good reason for the popularity of the breakfast nook. We have numerous suites for the cozy breakfast room in your home. They are priced reasonably, and there is no reason for delaying having one of these deservedly popular suites.

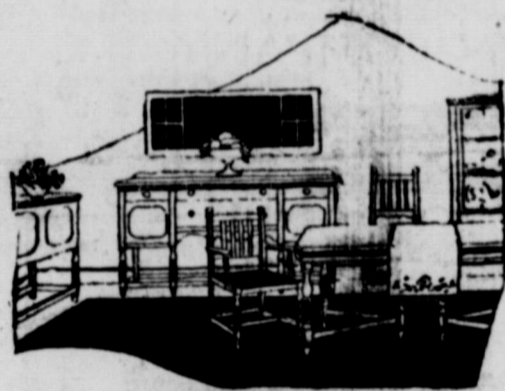

**BEAUTIFUL FURNITURE**

Need not be Expensive. Rather it is a matter of Careful Selection. From the many Choice Designs on exhibit here on our floors, with So many Lovely Suites and prices displayed, any Home can be Glorified.

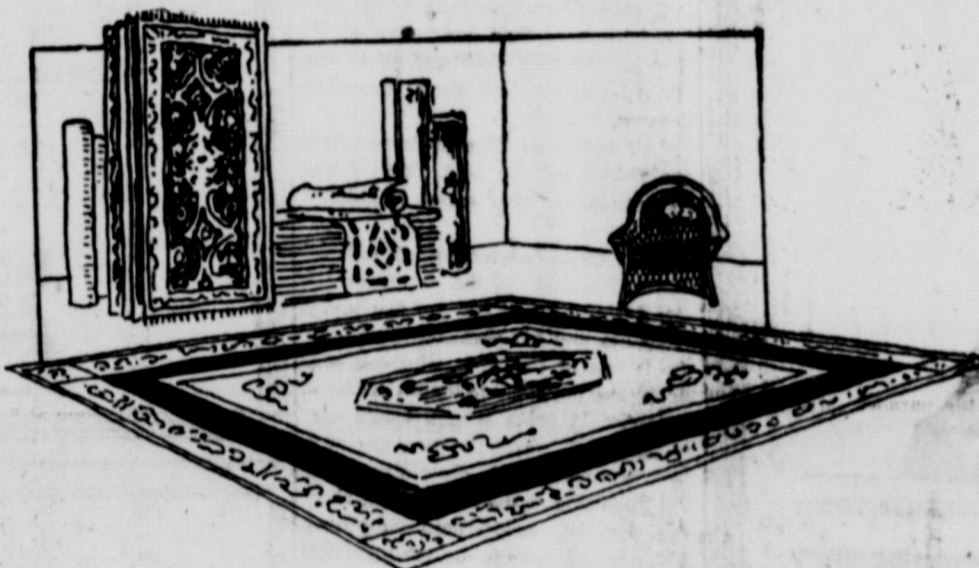

**FOR THE LIVING ROOM**

Overstuffed living room suites and odd pieces were never more beautiful. The various coverings, including Mohair, Jacquard, Velour, and tapestry are durable and will preserve their newness and charm over a long period of hard use. And as for comfort, there is nothing superior. The living room suite must combine beauty and comfort and this has been done here to an exceptional degree.

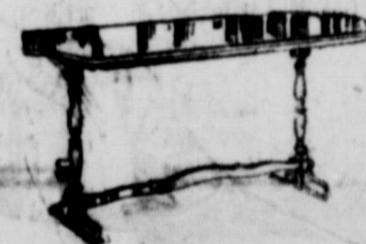

**DININGROOM SUITES**

The charm of the dining room suites on exhibition on our floors is evident from the first glance. There is so much beauty in line, in finish and in choice of woods, including American Walnut, French Walnut and Huguenots, that it is a pleasure just to look them over. We have several unusually fine examples of dining room furniture in our stock at this time. We would be pleased to show them to you.

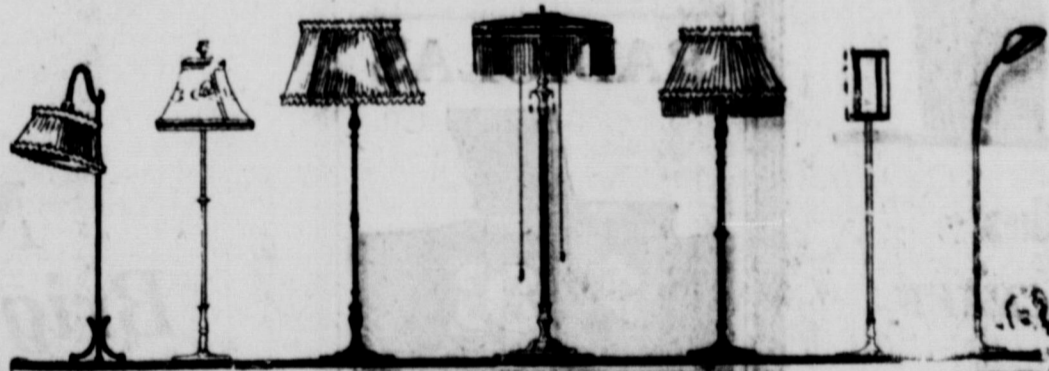

**FINE RUGS AND FLOOR COVERINGS**

One of the first items your guest sees is your rug. Harmony in the color scheme of your living room, dining room, and other rooms is easily secured from the large array of rugs. Here are choice Wiltons, Axminsters, Velvets and all other lovely products from the rug weavers' loom, in patterns so varied as to meet any need. We also have a large stock of Concrelums, both rugs and yard goods, as well as Linoleum. All Linoleum sold by us is laid on your floor by men who know how.

**OCCASIONAL TABLES**

There is always a place for one of these tables. Perhaps it is the hall, perhaps a corner in the living room, or other odd spot that doesn't look just right without it. We have them in a very attractive array of sizes, styles and finishes, priced most reasonably.

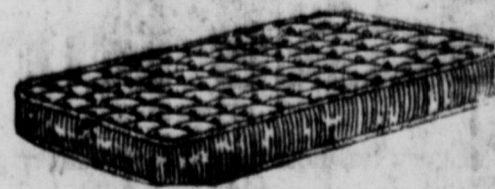

**USE MORE LAMPS**

Nothing adds so much to the appearance of your home as a floor lamp with decorative shade in harmony with the color scheme of the room wherein it is used. The long, evening of winter that are ahead of us call for the reading lamp beside the easy chair, with slippers feet at ease while book or magazine occupies the attention. No gift could be more appreciated by father or mother, whose leisure hours are all too few.

**GIFT HEADQUARTERS**

This store is recognized as real gift headquarters. We have appropriate pieces for weddings, birthdays, anniversaries and other occasions. Among the many suitable single items we list: odd chairs, cedar chests, smoking sets, table runners, console sets, candle sticks, pictures, and many others. It is always a pleasure for us to show you what we have on to be of any service within our power.

**YOU OWE YOURSELF COMFORT**

After a hard day's work you owe it to yourself to have comfort for your hours of sleep. The mattresses sold by us are nationally advertised. We have the exclusive agency for the Sealy, Dreamlands, Simmons, Beauty Rests Restwells, and Sanddowns. Everyone guaranteed by us.

## ATTEND OPENING

Over 600 Guests See How Best Yet Bread is Made at Formal Opening Stages and Tucker Bakery

Over 600 Sweetwater people attended the formal opening of the Stages and Tucker Bakery here Friday from 4 to 8 o'clock. About 300 guests registered during the evening and at least that many more visited the modern bakery during the afternoon.

Stages and Tucker, new owners of the bakery which was formerly the Whitaker Bakery, escorted the visitors through the plant, explaining all the equipment and the process of making bread and pastry. The guests saw how Best Yet Bread is made, and also saw the pastry expert at work.

The bakery, recently remodeled and improved, was decorated with cut flowers and fancy cakes, pies and pastry were on display. Roses were given as favors. Mr. Port E. Stages presided over the register, and punch was served by Mrs. F. L. Tucker, assisted by Mrs. W. L. Wilson.

Music for the opening was furnished by an orchestra composed of Mrs. Verna Sheppard Henson, Miss Edith Moody, Miss Stella Watson, L. M. Hubbard and Earl Harris.

### ROOSTERS WIN GAME

Local Team Defeats Roscoe Rinky Dinks 6 to 0 in Fast Battle

All Sweetwater football teams were victorious during the past week, for while the High School Salty Pups beat Snyder 45 to 0, the Roosters managed to come out of an affray with the Roscoe Rinky Dinks with the heavy side of a 6 to 0 score.

The Sweetwater Roosters displayed a knowledge of the game and good training that almost equals that of the Salty Pups. Making up in team work, fighting spirit and quickness what they lacked in size, the two teams played a good game throughout every hard, fast quarter. The Roosters' line did especially good work that would be a credit to larger teams. Ben Daniels is coach of the eleven.

The Roosters will play Roscoe here soon, and are also scheduled to meet teams from Snyder, Sylvester and Abilene. The latter game will be played during the Nolan County Fair.

## Couple In Rival Schools Two of A Kind in Love

Could a man and his bride attend separate colleges in the same town and remain loyal to the institution of their choice?

Could they attend a football game between their two teams and not resort to gun play or just plain stoning or clubbing?

Could they sit in rival cheer sections at a track meet and hurl scathing remarks at the opposing track squads and keep out of the divorce courts?

And most important of all, can they keep the fact that they are married a secret from their respective student bodies?

These are some of the questions and problems presented by a youthful couple who journeyed all the way to Sweetwater last week to obtain a marriage license and become married.

He went to one college, she explained, and he told the county clerk that she went to another—both in the same town.

"So what'll we do," they asked. "We want to get married and we gotta keep it a secret 'till school's out or 'he bunch'll give us the applesauce."

County Clerk Gus Farrar has been asked by more than one young couple who put difficult problems up to him while he wrote out their marriage licenses.

"All marriage licenses issued here are published," he said, "but if you two can keep it a secret I think I can."

So he wrote "please do not publish" across the stub of the marriage license receipt in red ink, and the happy collegiate and his blushing co-ed—yes she is one of the few who can still blush—rushed away to find a minister content that their names would not be published. And the two are now back wrestling with chemistry, trig, and Spanish and the secret is all their own, for the newspapers respected their plea of "please do not publish."

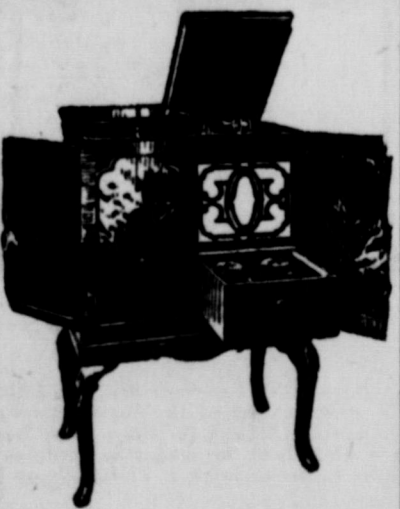

### CIRCUS MAN DIES

Advance Men With Sells Floto Injured in Accident at Brownwood

R. W. Thompson, advance man for the Sells Floto Circus, received a wire here Saturday advising him of the death in Brownwood of C. B. Clements and the precarious condition of H. B. Roxroat.

Both men were expected in Sweetwater late the past week to put up

bills for the Sells Floto Circus which shows here October 21. They were injured when the end gate of a truck on which they were riding snapped down permitting both to fall headlong on the pavement.

Mr. Thompson left for Brownwood where the funeral of Clements was scheduled to be held Sunday.

Mr. and Mrs. Phillip Trammell are the parents of a ten pound daughter, born Friday afternoon.

### EXCHANGE RECORDS BROKEN

Over Million Shares Change Hands in New York Stock Market

By United Press. NEW YORK, Oct. 3.—All records for trading on the New York Stock Exchange for the two hour session on Saturday since 1906, were broken today when total sales of 1,274,400 shares were registered.

Only 26 times since the Stock Exchange opened has sales exceeded one million on a Saturday.

### PLANE STOPS HERE

Pilot Spends Night in Sweetwater After Flight from Muskogee

A Curtis "Jenny" plane, private craft, arrived in Sweetwater late Saturday from Muskogee, Okla. The pilot spent Saturday night here and planned to leave Sunday for El Paso en route to the coast.

The pilot declared he had a hard flight from Muskogee today, "bucking" a strong head wind all the way. The flight was made in about nine hours.

## Rock Bottom Prices

FOR FIRE PREVENTION WEEK

During the week of October 5 to 10th, inclusive, we have decided to place several lots of new fall merchandise in the hands of our patrons at absolutely rock bottom prices. Among the items which will be offered are HATS, DRESSES and COATS—the main items in wearing apparel.

BUY YOUR MILLINERY AND READY TO WEAR HERE THIS WEEK AND SPEND THE DIFFERENCE FOR FIRE INSURANCE

Here is a real smart line of new Fall Hats in large and regular head sizes. The very latest colors, materials and trims—an excellent display from which to select at former prices of \$4.85 to \$7.50.

THIS WEEK YOUR CHOICE

NORTH SIDE SQUARE

# FOR the AUTOIST

## Car Sales Take Spurt Past Week

With large shipments of the new model automobiles of various makes being received here after a shortage of cars for some time, and with the rush season of the year just beginning car sales have shown a steady increase throughout the past week. Indications are that sales will continue to gain throughout the fall and early winter.

All dealers here report business brisk during the past week, and a heavy demand for cars of all makes handled here is prevailing.

Truck sales are almost as numerous as auto sales, registration records show. With the cotton season on, the demand for trucks has been unusually heavy.

A total of 14 automobiles and 12 trucks were registered with the county tax collector during the week up to Saturday afternoon. The sales were about evenly divided among city buyers and residents in the rural sections.

The registrations follow:

Sweetwater Motor Co. to O. W. Baumann, Loraine, Overland.

Dabney Motor Co. to C. W. Cox, city, Ford.

Roscoe Motor Co. to A. L. Collins, Maryneal, Ford.

Dabney Motor Co. to O. F. Leerstand, city, Ford.

Toler Motor Co. to Mrs. Mabel A. Kinzey, Byron, Chrysler.

Dabney Motor Co. to Fred English, city, Ford.

C. S. Boyles Motor Co. to A. J. Middleton, Sylvester, Chevrolet.

Roscoe Motor Co. to E. A. Ater, Roscoe, Ford.

Dabney Motor Co. to B. W. McKee, city, Ford.

Dabney Motor Co. to L. F. Bryant, city, Ford.

Dabney Motor Co. to R. L. Walker, city, Ford.

Western Motor Co. to Williams Miller Gin, city, Buick.

Western Motor Co. to Dill Pace, city, Buick.

C. S. Boyles Motor Co. to J. A. Rhodes, Dora, Chevrolet.

The following trucks were registered during the week.

Roscoe Motor Co. to A. C. Turk, Roscoe, Ford.

Dabney Motor Co. to V. T. Montgomery, Nolan, Ford.

Roscoe Motor Co. to W. G. Reeves, Roscoe, Ford.

Dabney Motor Co. to H. N. Harpole, city, Ford.

C. S. Boyles Motor Co. to J. W. Miller, Roscoe, Chevrolet.

Roscoe Motor Co. to W. E. Woodward, Roscoe, Ford.

C. S. Boyles Motor Co. to S. I. Edwards, city, Chevrolet.

Dabney Motor Co. to Hardy Kendrick, Dora, Ford.

Dabney Motor Co. to Thomas Bloxom, Dora, Ford.

C. S. Boyles Motor Co. to G. L. Bonner, city, Chevrolet.

Roscoe Motor Co. to O. V. Barker, Roscoe, Ford.

Dabney Motor Co. to F. F. Johnson, city, Ford.

### MANY CARS

By actual count there were 744 cars parked on the streets of Sweetwater in the business district Saturday at four o'clock. Every available parking space around the Court House and for blocks each way was filled. In addition the streets were filled with a constant stream of cars searching for parking space.

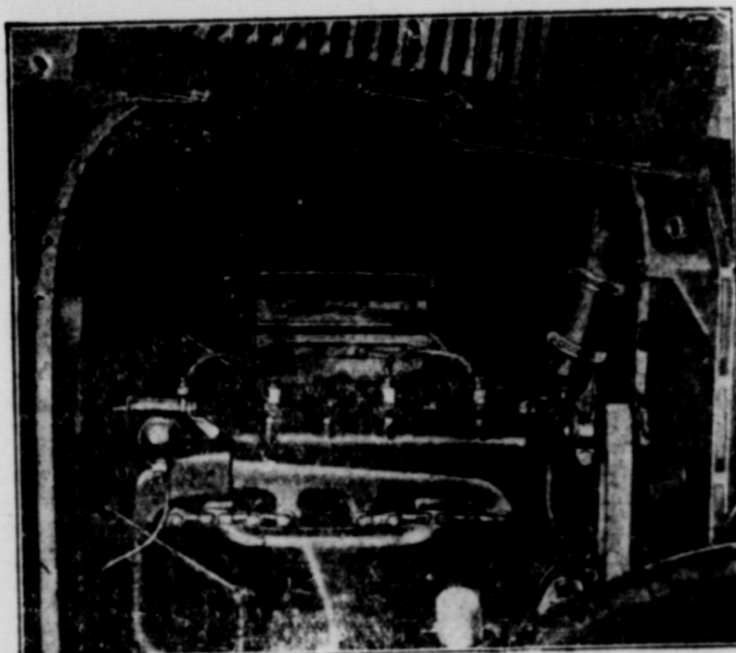

### RAIN HEAVY

September Maintains Record as Wet Month With 4.60 Inches

The total rainfall for the month of September was 4.60 inches, according to records at the Sweetwater Vulcanizing Co., volunteer weather observers. September maintained its record as a wet month this year, although it fell below the total precipitation for the same month in 1924.

The total rainfall for the year now

### Ford Improvements

Coil box and gasoline line sediment bulb—vital elements in the ignition and fuel systems—have been placed under the hood within easy access in the improved Ford cars. As illustrated in the accompanying photograph, the coil box is now mounted on the left side of the motor. A felt gasket on the box cover protects the coil points from dust and the cover itself is so designed that it offers full protection from moisture. The change in the coil box also makes the motor wiring an integral part of the chassis and high tension leads to the spark plugs are shortened.

Location of the gasoline tank under the cowl permitted the placing of the sediment bulb in a convenient position almost directly over the carburetor, as shown. The fan bracket has been raised and is now integral with the cylinder head outlet and fitted with an eccentric permitting easy adjustment.

stands at 23.34 inches.

In September, 1924, 5.90 inches of rain fell, and three inches was the total for the month in 1923.

The temperature went to the highest mark during September on the fifth when the mercury went to 96 degrees. The coldest days were the

11th and 12th of the month, the mercury dropping 52 degrees each day.

### UNIQUE SALES PLAN

Chevrolet Executive Sends Message On Phonograph Record

A unique address to more than 20,000 members of the Chevrolet selling organization scattered throughout the United States was achieved recently by R. H. Grant, general sales manager of the Chevrolet Motor Company. The Chevrolet fall selling campaign

Mr. Grant announced the opening by means of duplicate phonograph records which reproduced his voice in the show room of every Chevrolet dealer.

Under Mr. Grant's direction the phonographic address plan worked out smoothly to complete success.

In each of the thousands of Chevrolet salesrooms was gathered at exactly the same hour an interested group of salesmen. Their ranks were

augmented by numerous members of the Chevrolet organization not directly interested in selling, who attended because of curiosity over the novelty of the meeting.

At a previously established "zero hour" the thousands of records were started simultaneously and Mr. Grant's voice was heard in every state of the Union.

## Claim of Haynes to First Auto Dispute

PALO ALTO, Calif., Oct. 3.—Elwood Haynes' bid to fame as the first American automobile designer and huffer has been challenged by Dr. David Starr Jordan, chancellor of Stanford University.

Kokomo, Ind., exhibits as hero of the first tour a little consumptive "bug" built and driven by Haynes in the early part of 1894. The famous non-stop dash of one mile and a half took place on July 4, 1894, that city.

### First Auto

According to Dr. Jordan, the first regular going machine was built in

San Francisco and its first ambitious hop was through the Santa Clara valley and up to the top of Mt. Hamilton, a distance of 26 miles and a height of 4,400 feet.

"In the interest of scientific accuracy" says Dr. Jordan, "I have undertaken to correct a story that the first automobile ride took place in Kokomo in 1894.

"I recall a day in October, 1892, when in San Francisco I was given a lift from the depot by a man named Elliott in a self-propelling vehicle called by the name which still sticks to it, automobile.

"He had built it from designs in a French technical journal.

"Elliott wanted to test it on a long trip and up-hill. He asked me to go with him to the top of Mt. Hamilton and I agreed.

### Starts Journey

"One October morning he called at Stanford and picked up Professor A. W. Smith, head of our mechanical engineering department, and myself.

"Nothing exciting happened on the long, winding road up the mountain except once.

"On a sharp turn near San Isabel, Elliott nearly upset us.

"I jumped out to be prepared to grab the vehicle and keep it from rolling down the canyon.

"There were numerous stops for water and time to cool off.

"Coming down was easier, except that I remembered we wore out all the brakes and arrived at the bottom brakeless and breathless.

"But we made the trip up and back in a day and had proved that a horseless carriage could keep up a long journey and climb a mountain 4,400 feet high.

### Queer Machine

"Elliott's machine was a queer little affair, made of a one-seated buggy, with small wheels. It was devoid of anything fancy like a top or rubber tires.

"As I recall, it had two cylinders and a very troublesome steering apparatus."

There is no account of Elliott's car in current works on the early days of automobiling, and Dr. Jordan's challenge rests upon his unimpeachable reputation as a world-famous scientist.

Makes Night Driving SAFE

### The Controllable Beam on the Better Buick

Night driving strain, the blind insecurity when you dim to keep glare out of the eyes of an approaching driver—both have been eliminated by the Controllable Beam Headlight, a feature of the Better Buick.

Daytime visibility every inch of the way! Bright light all the time! A simple control on the steering wheel lowers the beam when you near another car.

And this is only one of many 1926 improvements which Buick engineering has given to the Better Buick. 75 horsepower and more; Duotone in Duco finish; Triple Sealed Valve-in-Head engine; light-pedal pressure clutch; approved mechanical 4-wheel brakes; and many other exclusive advancements now make the Better Buick the better car to own and drive.

Special Exhibit

You are Invited

to take a picture trip through an automobile plant

Learn how quality is attained with modern production methods! This week we are making a special photographic exhibit illustrating the precision methods by which quality is achieved in the manufacture of the modern motor car.

Showing the Reason for Quality at Low Cost

The exhibit consists of 40 remarkable photographs of the most interesting processes in modern automobile manufacture. It will provide the same interesting knowledge that you would get by taking a trip through the plants where Chevrolet cars are built. Each picture is accompanied by a full description of the operation it illustrates. It is an exhibit of unusual interest and value. Bring the children.

# SWEETWATER SWAMPS SNYDER: SCORE IS 45-0

The Sweetwater high school Salty Pups invaded the Tigers' den at Snyder Friday afternoon, and when the final whistle blew and the dust of battle cleared away, 500 fans saw the pack emerge with a string of Tiger hides and 45 points that they had found time to score while making a race track out of the Wolf Park. The Tigers' share of the afternoon's entertainment was a second defeat for the season.

Coach Anderson's men from the high school heels had it their own way throughout the game, and never did the Snyder high school grid warriors get close enough to a goal line to have hopes of scoring. The Pups played an offensive game throughout, racing down the field time after time to score almost at will.

The Tigers at times, showed ability to execute good plays, but lacked the pep and swiftness to carry on for needed gains. Promising material showed up in the Snyder eleven which was playing its second game of the

year and which is a new center in West Texas football circles.

When Henry of the Pups kicked off on the gridiron in Wolf Park in the Scurry county capital, Snyder made a slight return, and on the second play lost the ball on a fumble. Before the game was five minutes old, Herring, Salty Pup left half and captain of the crew, made a fast end run of 40 yards for the initial count and kicked goal. Before the game was eight minutes old, the Pups, after the Tigers lost the ball on downs reached the center of the field, and signals were called for an end run with Sheridan with the ball. That young man, starting in mid-field, sidestepped and dodged his way down the field, never stopping until he was across the goal line. Herring again kicked goal.

Herring intercepted a forward pass immediately after the second quarter opened and went for a 25 yard gain. Line plunges and end runs took the Pups on a straight march down the

field and Sheridan again went across for the score that brought the total to 20-0 when Herring failed goal.

The second count in the second quarter came when Mitchell, Sweetwater quarter, ran 50 yards through the whole Snyder aggregation without being downed, finally going across for the count.

After Coach Anderson had sent in nearly half dozen second string men to finish the half, the Pups went across again, Herring with the ball, followed by a booted goal. The half ended with a score of 33-0 while small boys on the side lines had enthusiastic visions, and said so, of running it to a hunderd in the last half.

Snyder kicked off to open the half with Sweetwater returning it for easy gains up to the 5 yard line when it went over on a fumble. Snyder punted, and on their second down the Pups attempted a pass that failed. Herring made two first downs in succession by end runs. The ball was pushed up to the one yard line and Fitzgerald went across for the count. The Pups failed to gain the extra point by kicking goal.

In the last quarter, Herring made one of the most sensational runs of the game, going about 25 yards for a touchdown through the entire Tiger crew who seemingly were unable to lay a hand on the fleet Sweetwater quarter. The Pups failed goal again and the score stood 45 to 0.

Herring was again the star of a Salty Pup football game Friday, although every man Anderson sent on played a good game. Sheridan and Mitchell did fine work. Although the Salty Pup team was shaken up continually with new players, subs, and changes in the lineup, a few men went through the whole game. Coach Anderson gave practically every sub he had a chance to play in the one sided affair. Herring played the entire game and Boyles, Webb, Butts and Schumann went the whole route.

Woodsley, Martin and Cotton of the Tiger backfield played good ball, and managed to start some good plays that failed because of lack of interference. The Tiger line was weak, and the Pups broke through it almost at will.

The line-ups follows:  
Sweetwater: Ends, Webb and Botts; tackles, Schumann and Boyles; guards Bledsoe and Gibson; center Henry; quarter, Mitchell; halves, Herring and Sheridan; full, Watson. Substitutes: Morrow, Wright, Aiken, Carson and Dorsett.

Snyder: Ends Jones and Fesmire; tackles, Deakins and Knox; guards, Morrow and Perser; center, Carroll; quarter, Cotton; halves, Woodsley and Martin; full, Joyce. Substitutes: May. Referee: Shafer, umpire, Daniels; headline-man, Ripley.

### FAMILY REUNION

A reunion of the Estes family was held September 29 at the home of S. A. Estes of Nolan, a son of the late Milton Estes, whose widow lives with him. Sons and daughters as well as grand children of the Estes family were present and bountiful refreshments were served. A few invited guests were also present and music was a feature of the entertainment.

The Estes family originated with Milton Estes, born in Pelaski County, Kentucky, December 26, 1837. Mary Adams, his wife, was born in the same county September 29, 1834. They were married April 5, 1859. They lived in Livingston County during the Civil War period, and being on the line between the north and south, saw much of that struggle. Five children were born during this seven years. Starting September 1868, the family moved to near Springfield, Mo., where seven more children were born making seven sons and five daughters in all. In 1883 the family moved to Richland Springs, Texas, and located 25 miles south of Brownwood where they remained until 1901. In 1899 the family held a reunion in which the entire twelve children were present, with 23 grandchildren.

Leaving San Saba county, the next location was near Wall. Mr. Estes bought a ranch on Spring Creek, Irion county, which included the present site of Merizon, as well as the famous "King Live Oak" covering 135 feet of ground, perhaps the largest oak in this section. Moving to San Angelo in 1906, the family lived there until Mr. Estes' death in 1918, since which time Mrs. Estes has lived with various children. Those surviving, many of whom were in attendance at the most recent reunion include: Henry G. Estes, Galena, Mo.; General B. San Angelo; Mrs. Ellen Wasson, Nixa, Mo.; Shelby J. Estes, Vashit, Texas; Mrs. Amelia Egger, Mountainair N. M.; Smith A. Estes, Nolan, Texas; Sammie M., San Angelo; Harrison M., Wilcox, Ariz.; Mrs. Janie Hanna, Ebony, Texas; and Oscar J., Tankersley, Texas.

# DALLAS GETS NEW HOTEL

Announcement is made that what is considered to be "The South's Finest Convention Hotel," will open in Dallas October 9th, just ahead of the Texas State Fair. By a queer coincidence The Baker, the new 700 room \$5,500,000 hotel referred to, picked for their opening date the 32nd anniversary of the opening of the Oriental Hotel whose site the new hotel occupies.

The building is 18 stories in height, of reinforced concrete construction, faced with brick, terra cotta and stone. It is located on the Corner of Commerce and Akard, extending thru to Jackson street and is passed by every interurban car coming into and going out of Dallas.

The kitchen and dining facilities of the hotel are the largest in the state if not in the entire south. The capacity of the kitchen is 7,500 persons per meal who will be served through the main dining room. A coffee shop, cafeteria, seven private dining or banquet rooms and two convention ban-

quet rooms. Don Bestor's Victor Record Orchestra will broadcast a daily dinner hour program from 6:30 to 7:30 over WFAA from the Dallas News, Dallas Journal Studio which will be the Baker Hotel after the first of November.

### BUILDING CAMP

Construction work on the Meyers Morris Tourist Camp is proceeding rapidly and it will be in readiness for the tourist guests in the near future. The camp is located on the Bankhead Highway east of town and is attracting much attention by the novelty of construction as well as convenience of arrangement.

One of the buildings is constructed of Oriental stucco. The filling station is also near completion.

Accommodation for around 50 car loads of auto tourists and an investment of about \$25,000 is represented in the venture.

## Why Do They All Choose This Cafe?

We fed over one hundred visitors to Sweetwater Friday. These folks chose this cafe because of the cool, clean, spacious dining room, the excellent service.

## Welcome Home MacMillan Arctic Expedition

Commander Donald B. MacMillan

# Zenith Week

October 4th to October 9th

Our Greetings to Commander MacMillan and Commander McDonald—home from the Arctic.

The story of the MacMillan Arctic Expedition—"the greatest expedition of modern times"—is also the story of another triumph for Zenith radio.

"Zenith" was MacMillan's exclusive choice because he had found by actual experience that it gave sure, dependable results.

Zenith radio in the Arctic established new records for long-distance communication—penetrated the heretofore impenetrable Auroral Band.

On this, his latest voyage to the Frozen North, Zenith radio enabled him to keep in instant touch with America, Europe, New Zealand—to all parts of the world—and to send back word of his discoveries to the civilized world.

What was good enough for MacMillan—the radio he relied upon and never found wanting—is good enough for you.

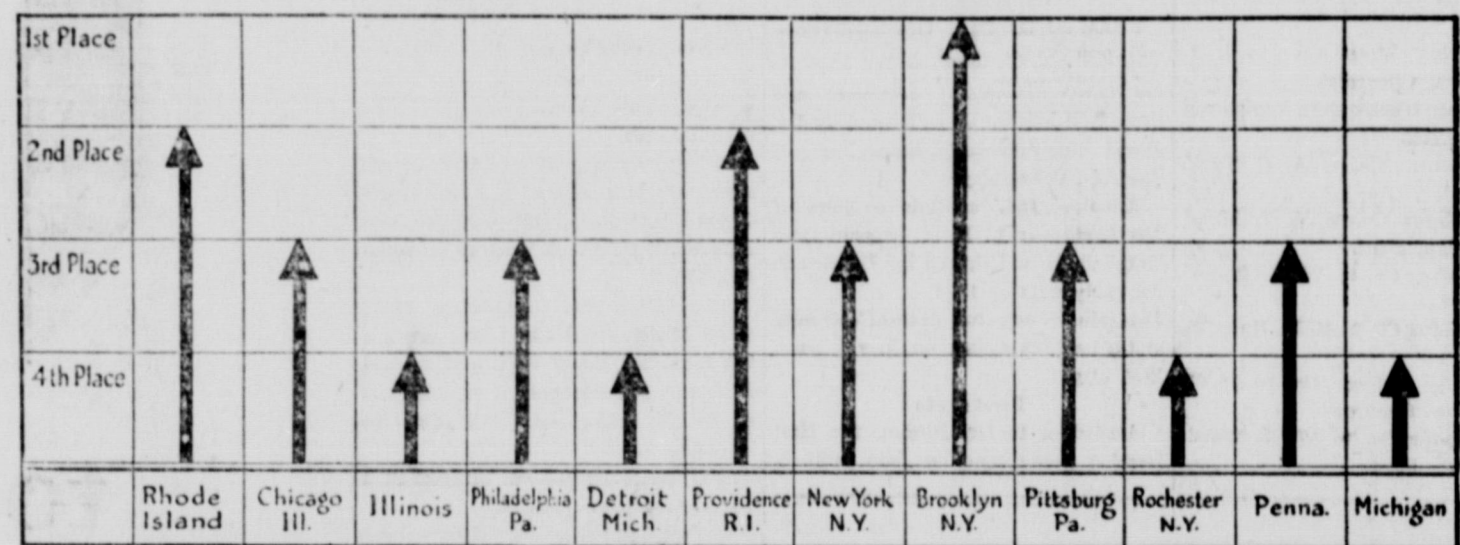

At the time we welcome home the MacMillan Expedition we welcome also the opportunity to demonstrate Zenith—"the best there is in radio"—in your home—at your convenience. Call or telephone—today.

It Costs More—but it Does More

# CHRYSLER SIX ~ FOUR

## Sweeping Swiftly and Surely Toward the Top in Sales

Striving to compete with Chrysler for first, second, third and fourth place in the total volume of national sales are—

Cars of lower price, cars of the same price, cars of higher price, cars of more cylinders, cars without any exception—

But Chrysler is passing them, all as rapidly as the population of any given community grasps the facts as expressed in Chrysler performance.

Its beauty appeal is so surpassingly superior to any car seeking comparison that popular desire sweeps toward it impulsively—and then comes the astounding proof of performance.

Sales figures for August are still on the way—but these widely separated and striking

evidences of public preference which are printed herewith tell the story of national approval in a way which no one can misunderstand:—

- First— In Brooklyn, N. Y.
- Second— In Providence, R. I.
- Third— In New York City
- Fourth— In Philadelphia
- Fourth— In Illinois
- Fourth— In Detroit
- Fourth— In Michigan
- Fourth— In Rochester, N. Y.

Here are facts that will pay every motor car buyer to stop and ponder.

Facts that will inevitably lead him to Chrysler if he honestly wants the very best investment for his motor car money.

Satisfy yourself—we are eager to help you do so.

CHRYSLER FOUR—Touring Car, \$895; Club Coupe, \$995; Coach, \$1045; Sedan, \$1095. Hydraulic four-wheel brakes at slight extra cost. CHRYSLER SIX—Fleetster, \$1395; Coach, \$1445; Roadster, \$1625; Sedan, \$1695; Road Coupe, \$1795; Drougham, \$1865; Imperial, \$1995; Crown-Imperial, \$2095. All prices L. O. B. Detroit, subject to current Federal excise tax.

Radius by Fisher on all Chrysler enclosed models. All models equipped with full ballroom tires. We are pleased to extend the convenience of time-payments. Ask about Chrysler's attractive plan. Chrysler dealers and superior Chrysler service everywhere. All Chrysler models are protected against theft by the Federal patented car numbering system, exclusive with Chrysler, which cannot be counterfeited and cannot be altered or removed without conclusive evidence of tampering.

TOLER MOTOR COMPANY

### LATE PITCHING STAFF HAS EDGE ON WASHINGTON

ated Press.  
 YORK, Oct. 3.—Doping out of Washington and Pittsburgh pitch iffs presents one of the most t problems to be faced in pick- r winner of the world's series, two champion clubs are well for n the mound. The Senators' ood pitchers and so have the t but the National League cham have more quantity than the hampions.  
 Senators have to rely on the i hero, Walter Johnson, Stanley kie, Dutch Reuther, Tom Zach- lee Ferguson, Fred Marberry lou and Russell.  
 Pirates will depend upon Vic, Lee Meadows, Johnny Mor- Emil Yde, Tom Sheehan, Babe Oldham and Culloton.  
 deskie, Johnson and Reuther l the Senators into their second n League championship, but re all veterans and the strain d on them severely. They went to pieces during the last quar- the pennant race, and if it had n for the tragic losing streak

of the young Philadelphia Athletics, the Senators might not have won the pennant.  
 The Senators were so delayed in reaching the mathematical certainty that they couldn't afford to take a chance and Buck Harris had no opportunity to rest up his veterans for the series.  
 The Washington pitching staff may not be as effective against the Pirates as they were against the American League clubs. The Pirates murder fast ball pitching and they lost only five games all season to left-handed pitchers. That makes it bad for Walter Johnson, Reuther and Tom Zachary.  
 Coveleskie is a great pitcher, the best perhaps in the American League but he is a seven inning pitcher. He uses the spitter on practically every deskie, Johnson and Reuther on his arm and his physical resources.  
 There is this to be considered, of course, the Washington pitchers will have the most perfect infield defense in baseball behind them and the outfield too, has a lot of class. The Senators also have a wonderful relief in

Fred Marbury and Bucky Harris by shifting pitchers as he did so successfully in the series last year.  
 It is an established fact that too much cannot be expected of a pitcher on his season's record. Big Tom Zachary went bad late in the season last year and the dopsters thought that he wouldn't get a chance to work in the series but he pitched some of the best ball seen in the series when Harris called upon him.  
 When Johnson and Reuther are working, it must be remembered, the Senators have a nine man offense. Johnson led the American League in batting and Reuther always has been a great hitter.  
 "Lee Meadows, Johnny Morrison and Vic Aldridge are three of the best curve ball pitchers in baseball. The Senators will see something from them that they didn't see in their league," Art Nehf, the veteran Giant pitcher said recently when discussing the series.

### JAIL FAVORED

Milwaukee Officers Strong for Jail Sentences for Reckless Drivers —Best Cure

MILWAUKEE, Wis., Oct. 3.—While different methods are used in all parts of the United States in an effort to curb careless, reckless and drunken drivers, Milwaukee authorities believe the best cure for these criminals is to place them in jail.

Sheriff Charles Reichenbach thinks it is foolish to make these drivers spend an hour in a room with the body of any person they killed, or resort to other bizarre schemes.  
 "There is only one way to check such drivers—long jail sentences and taking away the right to drive their cars for long periods," the sheriff says. "Of course conditions are different here than in some cities. When a man is found to have killed anyone under conditions here, he is charged with manslaughter and a jury decides his fate."

Capt. Harry McCrory, chief of the detective bureau, is also a firm believer in long term prison sentences.

"Slap a good long jail sentence on these reckless and drunken drivers. Give them time to think over their crimes and they'll see to it that they are careful in the future. Such penalties will cause others to think."

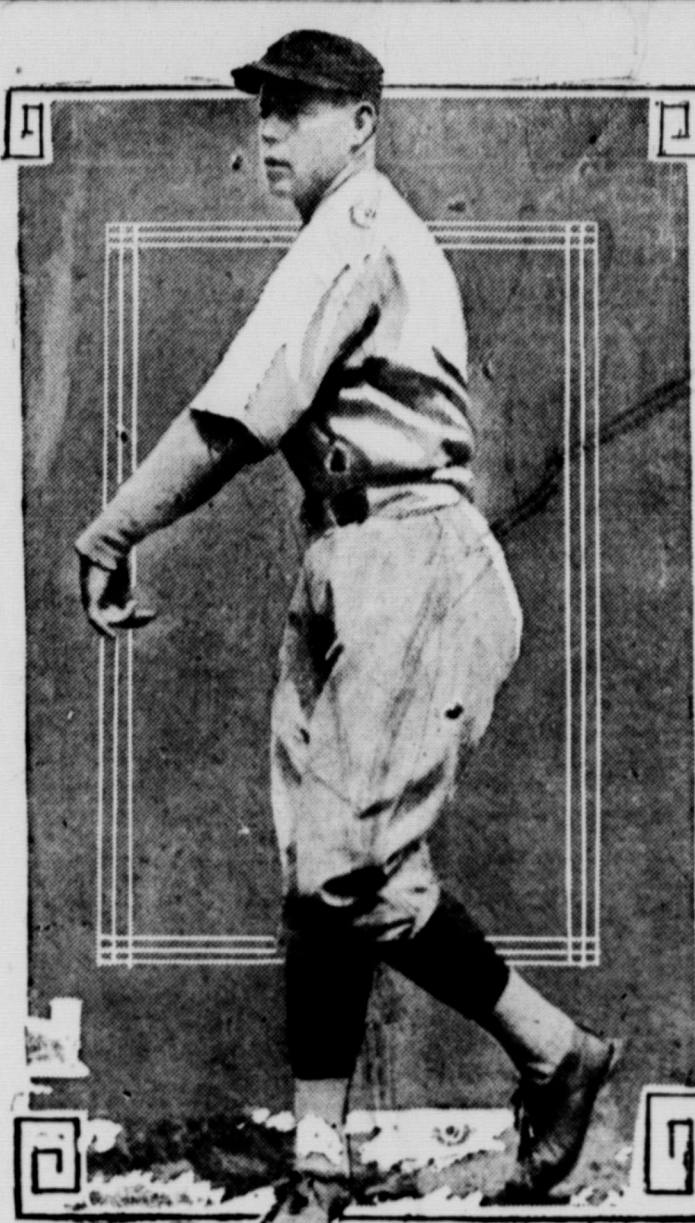

"It would do no more good to confine a man in a room with the body of the person killed than to take a murderer and lock him in the room with the one he had deliberately killed," Lieut. A. J. Murray, of the traffic bureau, declared.

"When a person drives a car under the influence of liquor or in a careless manner and kills someone, he might be classed as a murderer, as such a man has no regard for human life."

"If a man is found guilty of driving while intoxicated he should be sent to jail. If a man is reckless while driving an automobile, he should think it out behind the bars. Long sentences should be imposed and driving privileges should be taken away. Drivers' license laws will do a great deal toward curbing this present day evil."

### Movies.

the Orpheum Circuit. It is an original set, with a glittering ice canopy snowball fight, and all that adds to production value.

"The Bridge of Sighs" is from Charles K. Harris' famous song, having reference to the famous "bridge of sighs" crossing from the New York Tombs to the criminal court, and is a story of New York life. Phil Rosen is directing and the leading roles are portrayed by Dorothy Mackaill, Creighton Hale, Alice B. Francis, Richard Tucker, Ralph Lewis and Clifford Saum.

### EDITOR SHOCKED

Lightnin' Liars Contest Gets Action Very Promptly

The editor of the Lightnin' Liars' Contest was shocked yesterday morning by a letter signed A. D. Rail, in which the writer objected to the idea of rewarding liars on the ground that it would encourage a nefarious practice. He stated emphatically that he would refuse to accept the theatre tickets that are being awarded by this newspaper for the best lies published.

But another note called attention to the fact that Mr. Rail's refusal to accept the tickets was the best lie he could think of. He says that he really believes the Lightnin' Liars Contest is a power for good inasmuch as it teaches folks to recognize lies when they meet them, and thus know what to avoid. A. D. Rail is his "nom de bull." Reverse the spelling of it, use your imagination as to the meaning of his initials, and there you are. Call at this office, Mr. Rail, for your tickets.

Everybody is eligible to enter the Lightnin' Liars' Contest. Write down some lie that you have told or heard and mail it to the Editor Lightnin' Liars' Contest, care of this newspaper. If it appears in these columns you will receive a pair of tickets to see the William Fox Photoplay, "Lightnin'," which is coming to the Lyric Theatre on Monday and Tuesday.

## New Thousands Won by Improved Jewett

Jewett Coach Now \$1245

Many Important Improvements!  
 A new air-cleaning adds years of service—insures clean air—clean oil—clean cylinders. Greater freedom from carbon, scored cylinders, worn bearings—increased motor life are the results. Light switch is conveniently at hand on the steering gear. Indirect lighting on the dash eliminates glare. Gear shift and emergency brake levers are moved forward to provide clear floor space in front—and many other improvements.

UNQUESTIONABLY the finest Jewett ever produced. Months ago our sales jumped to a new high peak. Jewett Coach did it!  
 With even greater success the improved Jewett Coach has captured the country again.  
 August sales mounted to 131% over August sales of last year. September again more than doubled.  
 Easily explained. Jewett Coach offers a combination of quality—performance—riding ease—roominess—never before available at such a price.  
**Performance that Talks!**  
 Substantial day-in and day-out performance that settles its own arguments. Performance that's respected wherever

motor cars are known. That's a matter of record.  
 For years Jewett has outperformed any car within \$500 of its price. Now—the improved Jewett offers even finer performance.  
**And True Beauty**  
 Fine quality is your first and lasting impression. For Jewett Coach in outer appearance speaks inherent fine quality. And we added length for amazing new riding ease. The truth is there never was a car like this—never such value!  
 Come to our showroom today for definite facts of this car's outstanding value. Surely you want to see and drive the car that more than doubled our business. (37-9)

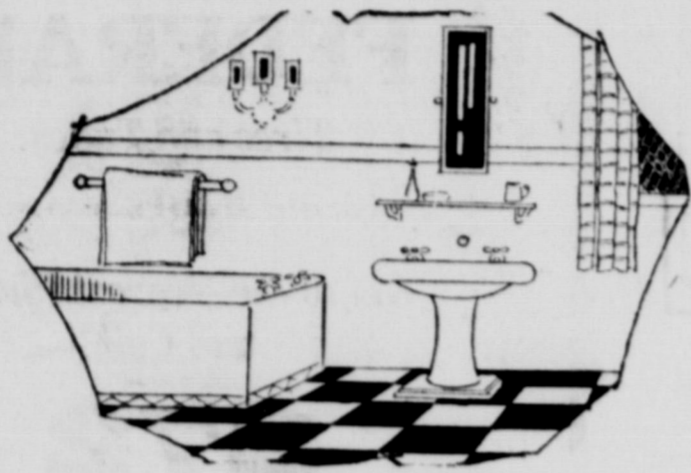

New lower prices on all improved Jewett models as follows: Coach \$1245, De Luxe Touring \$1320, De Luxe Coach \$1400, De Luxe Roadster \$1500, De Luxe Sedan \$1680. Prices l. o. b. Detroit. tax extra. Paige hydraulic 4-wheel brakes at slight extra cost.

# Sweetwater Serves You Better And So Does OTTO CARTER

Established in Sweetwater  
since January 1910

## Better Plumbing By A Master Plumber

There is a world of difference in plumbing but very little difference in cost between the good and the not so good. There is a world of opportunity to skimp on the hidden portion of plumbing. And it won't show up until later causing grief and annoyance always. That's where the reputation of Otto Carter, oldest established plumbing shop in Sweetwater, comes in. Our work has stood the test of time for fifteen years. One usually buys plumbing but once. Quality of work and reputation of your plumbing contractor should play a very important part in your decision.

It has been our privilege to install plumbing in some of the finest homes in Sweetwater, where expense was not an item, but quality was. And we have pleased home builders whose budgets

were limited, installing fixtures in keeping with the character of home built.

In winter months comfort is dependent upon heat. We can install any type of heating unit, either steam, hot water, vapor or moist air. The furnaces handled by us are nationally advertised, nationally known as being the best types, and will do the work required of them over a long period of years. Our reputation is back of every heat plant that we sell and install.

Both plumbing and heating are of more importance than the average builder realizes. They should be given most careful consideration and our long experience is at the service of any who wish to consult us concerning their problems along this line.

### Star at 12

Henrietta Saitler is only 12 years old but she's already displayed real ability as a mermaid. In her initial swimming meet, she placed second in the diving event, competing against a galaxy of stars. Henrietta's home is in Hedding, Calif.

Miss Aura Lee Tucker who is teaching school in Haskell is spending the week end with her mother here.

### Camera Finds Woman Police Seek

While San Francisco police are hunting Mrs. Barbetta Hammell, former owner of a smart shop, who is charged with passing a worthless check, she and her two children are hiding in a tent near the city. There a newspaper photographer found her, as the picture above shows, but he refuses to reveal her hiding place. In place of fashionable gowns, Mrs. Hammell is now wearing overalls. She says she needs only \$1000 to solve her check difficulties, but police state the amount is nearer \$100,000.

### British Aristocrat a Socialist

Lady Cynthia Mosley, attractive daughter of the late Lord Curzon, recently started a British aristocracy by addressing an audience as "Comrades" and stating that Socialism afforded the only way out of Europe's present dilemma.

### NEW HOME OF SWEETWATER COUNTRY CLUB COMPLETED

The new club house of the Sweetwater Country Club, completed some most modern, and thoughtfully arranged on the club property in range and equipped club houses in

West Texas. This is the unanimous expression forthcoming from all who have visited the new building which is to be formally opened soon.

Situated on the new route of Highway No. 70, and adjacent to the splendid golf course, the club house is ideally located for the convenience of club members and their guests. It affords every convenience usual in club houses, and was designed to give the utmost as a comfortable, modern, recreation center, well appointed home for social affairs and as a convenient club room for golfers.

Although the building is yet to be furnished, and the grounds around the beautified, club members hope to have the finishing touches put in and on the building shortly, and stage a formal opening after which the building will be open for general use of members. All construction work is finished on the structure. Water lines already extend to the club grounds, and the erection of electric lines there is expected soon. Furniture for the structure is ready to be installed, but this is being held up pending the building of an electric line.

The beautiful building, finished in Oriental stucco, contains seven rooms, in addition to a roomy basement. The rooms include a large reception room, a spacious dining room and kitchen, men and women's dressing rooms and a keeper's room.

In the basement, is a furnace that will supply moist air heat throughout the building.

A large front porch extends along two sides of the building, which faces west.

Improvements contemplated for the club grounds and beautification of the property around the club house include the planting of trees, shrubbery, flowers and grass, and the addition of tennis courts and croquet grounds.

The new building was erected at a cost of approximately \$6,000. W. E. Noah was contractor, and J. R. Bryant architect.

The Sweetwater Country Club now

has over 60 members, and has made a steady growth from the time it was organized. J. H. Doshier is president of the club, with Joe H. Boothe vice president. James Henry Beall is secretary and treasurer and Clyde B. Payne is chairman of the building committee.

The nine hole golf course is one of the best in this section, and all visitors who play declare it is a very pretty, natural course.
