And Terry County Herald ... Terry County's Oldest Business Institution

VOLUME XIX 20 PAGES BROWNFIELD NEWS-HERALD, TERRY COUNTY, TEXAS, THURSDAY, APRIL 26, 1956 10 CENTS NUMBER 17

**SOMETHING WAS FUNNY** — Engrossed in taking the picture, the photographer missed something to a Bowman said to a Harding, or vice-versa. And to further confuse the issue it was funny judging from both a Bowman and a Harding. How come all the double-talk on names? From left to right we have Otis S. Harding, Otis G. Harding, A. E. Bowman and J. T. Bowman. The picture taking event was the announcement of the sale of Bowman Motor Co. to Harding Motors, Inc.

By JERRY STOLTZ

City officials Arlie Lowrimore, Joe Chisholm, Sam Murphy, Troy Noel, Eunice Jones and Jake Geron made a trip to Uvalde and Crystal City this week to look into the airport proposition.

They came back pretty optimistic about the whole program, and chock-full of ideas.

Most interesting quote was from the Mayor of Uvalde who told them that a city without an improved airport "might as well take its flag down." He said they have had numerous industries indicate that they don't even consider towns without airports as possible sites.

That vote you cast Saturday, and there weren't very many of them cast, was a rather expensive one. Each vote cost the county something like \$2.50 for the county as a whole. In some voting precincts the actual cost per vote was even higher than that.

The cart got before the horse with the picture on page three of the second section. The picture is of the nominating committee of the Terry County Teacher's Association and includes Eldridge Ancell, Cora Bruce, J. Hollis Lloyd, H. E. Stevens, Odus Waiser and Elmer Brownlee. The picture that was mistakenly put under the picture is about the officers who were nominated and elected.

Don't forget the Gym Dandles next Thursday and Friday. No charge. Mrs. Forbus' girls got on a good show.

Terry county needs a stalwart Republican to assume the reins of county chairman. There was a time when anyone who wasn't a Democrat was way out of line. But today a count would show a surprising number of Independent voters in the county. And probably quite a few Republicans.

Speaking of Republicans and politics the general Democratic reaction to the new Republican battle cry, "The do-nothing 84th Congress," has been to yell, "Tain't so" and to site statistics.

However, Rep. Walter Rogers, Democratic Congressman from the Panhandle district has a different answer.

He says a "do-nothing Congress" could well be a "great contribution" to the welfare of the country. Explains Rogers:

"It might furnish the members the time and opportunity to go over the laws that are on the books and correct some of the mistakes that have been made in past years.

"It certainly would be soothing to the American taxpayer, because he could be assured of at least one session of Congress that was not trying to raise his taxes."

As is customary with representatives of the Lone Star State, Rogers dipped into Texas lore to See NEWS-VIEWS, Page 4

## TRANSFER ALREADY MADE

### Bowman Motor Sells Olds-Cadillac Agency To Harding Motors, Inc.

Announcement of the sale of the Bowman Motor Co. Cadillac-Oldsmobile agency to Harding Motors, Inc., was made Friday here in Brownfield. New owners, Otis G. and Otis S. Harding, moved here from Independence, Mo., where they have had a Lincoln-Mercury agency.

The transaction marked the end of 10 1/2 years as the Olds-Cadillac agency for Bowman Motor. The company was formed shortly after J. T. Bowman was discharged from the army, and actually became the dealer on October 20, 1945.

Future plans are indefinite for the Bowmans, however, they do plan on living in Brownfield. The move to West Texas would be too much of a change for the Hardings since they lived in Liberal, Kansas for 10 years where the elder Harding (Otis G.) was Ford-Mercury dealer.

G. R. Jones, general manager of Oldsmobile Division, announced the agency transfer with words of praise for Bowman Motor Co., and the record they accomplished during the 10 1/2 years they served the Oldsmobile Division of General Motors.

He also said, with reference to Harding Motors, "it is a real pleasure to welcome this organization of qualified people into the nationwide network of Oldsmobile dealers. Members of the Oldsmobile owner family will continue to benefit greatly from the operation of this dealership."

John V. Wilson, secretary-treasurer; John Hansard, Lion tamer; Homer E. Barnes, tail twister; Paul M. Farrar and Joe A. Colium, directors, and Mary Jane Brownfield, sweetheart.

Installation will occur before the annual convention of Lions International, to be held this year in Miami, Fla.

In other luncheon business, Farrar told the Lions that the club realized \$277 during its annual Broom Sale, the proceeds to be used to buy eye glasses for the needy and to assist the Lions Club Camp for Crippled Children at Kerrville.

Lion Boss J. E. Smith urged that anyone knowing of a crippled boy or girl in the Brownfield area who would enjoy a "two-week paid vacation" at the camp, that he get in touch with some Lion.

A brief discussion was made by Merl Gary, Union school superintendent, concerning the proposed Amendment 4, which will be put to the voters in the November general election.

Nineteen more producing fields have been discovered in the county, and through these years 22,457,341 barrels of oil have gone into pipelines from Terry county.

These and many other valuable facts have been compiled into the first petroleum review of the county recently published by Philter Petroleum Publications of Houston. Combined with Yoakum county in this volume the handy volume gives a chronological list of field discoveries for both counties, it has production records by fields, goes into a little geological background material and has a long list of illustrations.

Each field is handled separately with the location, discovery well, completion date, discovery method, production zone, top of pay, operators, market, and all kinds of information. The books sell for \$10 each and although we are not in the book selling business, we don't hesitate to say that this is the complete reference book on the oil and gas production history of the county.

A little more history for the next time Robert L. Phifer writes about Terry county was added this week when Anderson-Pritchard temporarily abandoned the No. 1 J. L. Simms in the southern edge of the county. The location in

Section 20, Block C-32, is southwest from the Adair pool. A four-hour drillstem test from 9,578-615 feet uncovered 450 feet of drilling fluid and 7,290 feet of salt water. There was no show of oil.

Latest 12-hour swab gauge reported for Stanolind Oil and Gas Co. No. 7 Mary Gladys Scales development in the Wellman pool was 40 barrels load oil, 13 barrels new oil and 13 barrels acid water.

Production is from sixteen casing perforations effected between 10,003-07 feet, after fracture with unreported amount. Project was swabbed five hours to produce seven barrels load and then washed with 200 gallons acid.

Hole was bottomed at 10,009 feet, corrected depth, and five and one-half inch production string cemented on bottom. Site is 646 feet from north and 690 feet from west lines of the northeast quarter of Section 22, Block A-36, PSL survey; 10 miles southwest of Brownfield.

Western Drilling Co., Lubbock, was moving off rig at its project in the Prentice 7,000 field of north-west Terry, the No. 1 Lee Brownfield. After treating pay section with 500 gallons mud acid and swabbing dry, oil came up to 3,000 feet in hole. Two-inch tubing has been run.

Well site is 440 feet from south and east lines of the west half of the southwest quarter of Section 20, Block K, PSL survey.

W. C. Murphy No. 1 Charles Hamilton, Section 22, Block C-38, PSL survey, drilling 4,554 feet.

One new location was staked in the Prentice-6700 field. It is the Honolulu Oil Corp. No. 2-B Alexander, 1.80 feet from south and 300 feet from east lines of Section 17, Block K, PSL survey, 1,215 acres, 6 miles north Tokio, rotary 6900 feet.

## OK Road Bonds Saturday, 15 to 1

Terry countians voted 299 to 20 in favor of the \$250,000 road bond issue to acquire right-of-way on U. S. 62 south to the county line Saturday.

Work towards acquiring right-of-way from Brownfield to Wellman will start as soon as possible, and should be completed this summer according to County Judge Herb Chesshir who anticipates construction will start this fall or winter with the divided highway ready for traffic by next summer. The highway route from Wellman south to the county line must be definitely settled by the Highway Department before Terry can proceed any further, said the Judge.

By boxes, the actual balloting was as follows:

pro con

Box 1 (clerk's office) 14 2

Box 2 (Randall school) 48 4

Box 3 (Judge's office) 7 0

Box 4 (Supt's office) 11 2

Box 5 (Union) 13 1

Box 6 (Meadow) 19 0

Box 7 (Johnson) 9 2

Box 8 (N. Tokio) 3 2

Box 9 (Pool) 6 0

Box 10 (Wellman) 48 1

Box 11 (S. Tokio) 8 1

Box 12 (Jr. H.) 102 6

Box 13 (Tax office) 11 2

No absentee votes.

## Glenda Jones Wins In Shorthand At Region

Glenda Jones of Brownfield won the Region 1 Interscholastic League championship in C conference A shorthand at Texas Tech Saturday.

Miss Jones will compete in the state literary contests on May 5 at Austin. She will be accompanied by her coach, Mrs. Norris Kissinger.

Other Brownfield contestants at Lubbock were Shelby Thompson and Virginia Dodson.

## Lions Elect Their 1956-57 Officers

Officers for 1956-57 were elected when Brownfield Lions met for their weekly luncheon Wednesday.

Elected unanimously and to be installed in office about June 1 are the following: W. N. (Doc) Lewis, as president; Sid A. Lowery, first vice-president; E. B. Burnett, Jr., second vice-president; B. F. Hutson third vice-president; John V. Wilson, secretary-treasurer;

John Hansard, Lion tamer; Homer E. Barnes, tail twister; Paul M. Farrar and Joe A. Colium, directors, and Mary Jane Brownfield, sweetheart.

Installation will occur before the annual convention of Lions International, to be held this year in Miami, Fla.

In other luncheon business, Farrar told the Lions that the club realized \$277 during its annual Broom Sale, the proceeds to be used to buy eye glasses for the needy and to assist the Lions Club Camp for Crippled Children at Kerrville.

Lion Boss J. E. Smith urged that anyone knowing of a crippled boy or girl in the Brownfield area who would enjoy a "two-week paid vacation" at the camp, that he get in touch with some Lion.

A brief discussion was made by Merl Gary, Union school superintendent, concerning the proposed Amendment 4, which will be put to the voters in the November general election.

Nineteen more producing fields have been discovered in the county, and through these years 22,457,341 barrels of oil have gone into pipelines from Terry county.

These and many other valuable facts have been compiled into the first petroleum review of the county recently published by Philter Petroleum Publications of Houston. ## Lubbock Officer Named New Chief of Police Here

Mayor Arlie Lowrimore was properly sworn into office Thursday, and promptly initiated into the workings of the office with a busy session of the City Council.

The Council named a new chief of police, called for enforcement of Health Ordinances concerning garbage cans and livestock, and handled routine business matters.

Nolen H. Lassiter, 35-year-old Lubbock Police Department Detective Lieutenant, will assume duties of chief of police on May 1. Lassiter, wife and two daughters will move to Brownfield as soon as they find suitable housing. The girls are 9 and 3 years old.

The new chief has been in police work since he was discharged from the army in 1916. While in service he was with the 128th Infantry Regiment in the South Pacific. He served as patrolman, traffic officer, radio operator and detective during his first six years with the Lubbock force. For the last four he has been a detective lieutenant. He has also attended numerous training schools, including the FBI academy in Washington, D. C., according to City Manager Eunice Jones.

Jones explained that Lassiter was chosen from a list of 20 applicants, most of whom were well qualified for the job. Chief Lassiter said, "I will strive to increase the efficiency of the department and law enforcement in general. And will make every effort possible to cooperate with and maintain the good will of the citizens of the community."

After lengthy discussion on the health conditions of the city, the Council pointed out that the ordinance calling for covered garbage cans is being violated and that this will not be tolerated in as much as flytime is here. The ordinance provides that covered garbage cans of not more than 31 gallon capacity must be used. Violations include cans that are too

See POLICE CHIEF, Page 4

## COUNTY FINANCES ARE GOOD

### Figures From Report

Want to capture that certain feeling of "financial well-being?" Read, then, the treasurer's report of Terry county finances (Page 6, Section 3), as of April 23, 1956.

Notice that our total bonded indebtedness — we owe it — is \$1,066,995. This is an increase of \$87,899 above what we owed this same time last year.

True, our debts have increased. However, it is well to remember that since the report of last year we added \$175,000 to them when the Terry County Park Bonds were approved by the voters.

It is under the heading RECAPITULATION — money we have that we find our good standing.

Under the following items, we have these monies: Special Road Bond Interest and Sinking Fund, \$72,250; Farm-to-Market Interest and Sinking Fund, \$56,304; Road Bond Series 1953 Fund, \$17,961; Road Bond Interest and Sinking Fund 1953, \$82,488; and Park Bond Interest and Sinking Fund, \$15,976.

The foregoing figures mean that for the various bond issues which we have voted in the past — we have the money with which to meet our payments for the next two, three or four years.

Since its organization, Terry county never has defaulted on a single bond payment.

Here are other interesting statistics: Currently, we have \$80,016 with which to maintain our roads and bridges, \$19,720 is in our general county fund — an increase of \$11,860 over last year; there is \$11,211 to be used for maintenance of our

public buildings, and there is \$13,653 in our park maintenance fund.

The latest treasurer's report covers the first three months of this year. The next quarterly report will show another increase in our debts — we voted a \$250,000 bond issue last Saturday for widening Highway 62 south to the Gaines county line.

Although we didn't get the new road "for free," we will get it without increasing our taxes. The reason can be read in the latest report of finances.

## Mrs. Colium Services Are Held Here Monday

Funeral services for Mrs. Ida Ann Colium, 74, of Brownfield, who died Saturday in a Whitney hospital, were held here Monday in Calvary Baptist Church. The Rev. Warren Stowe, pastor, officiated, and burial was in Terry County Memorial Cemetery, under direction of Brownfield Funeral Home.

Survivors are three sons, W. A. Colium of Whitney, Stanley Colium of Lovington and Glenn Colium of Brownfield; three daughters, Mrs. Forrest Pittman of Whiteface, Mrs. O. R. Reed of Brownfield and Mrs. E. J. Pruitt of Hico; two sisters, Mrs. Floyd Brock of Oil City, La., and Mrs. Myrtle Moran of Hot Springs, Ark., and 12 grandchildren and three great grandchildren.

Palbearers were H. L. Osborn, J. W. Lucas, S. B. Collier, Billy Hamilton, Bill Green and B. W. Young.

Mrs. Colium was visiting her son in Whitney when she became ill.

## AN ANSWER ON EVERY PAGE

# First Petroleum Review About County

Terry county could have celebrated a tenth anniversary on May 23, 1956 for that was the date Texas Pacific Coal & Oil brought in the No. 1 Mrs. Nannie May Williams in the Alex field.

The Alex field grew and has since declined to a two-well field, but never-the-less it was the beginning of oil production in Terry county.

Nineteen more producing fields have been discovered in the county, and through these years 22,457,341 barrels of oil have gone into pipelines from Terry county.

These and many other valuable facts have been compiled into the first petroleum review of the county recently published by Philter Petroleum Publications of Houston. Combined with Yoakum county in this volume the handy volume gives a chronological list of field discoveries for both counties, it has production records by fields, goes into a little geological background material and has a long list of illustrations.

Each field is handled separately with the location, discovery well, completion date, discovery method, production zone, top of pay, operators, market, and all kinds of information. The books sell for \$10 each and although we are not in the book selling business, we don't hesitate to say that this is the complete reference book on the oil and gas production history of the county.

A little more history for the next time Robert L. Phifer writes about Terry county was added this week when Anderson-Pritchard temporarily abandoned the No. 1 J. L. Simms in the southern edge of the county. The location in

Section 20, Block C-32, is southwest from the Adair pool. A four-hour drillstem test from 9,578-615 feet uncovered 450 feet of drilling fluid and 7,290 feet of salt water. There was no show of oil.

Latest 12-hour swab gauge reported for Stanolind Oil and Gas Co. No. 7 Mary Gladys Scales development in the Wellman pool was 40 barrels load oil, 13 barrels new oil and 13 barrels acid water.

Production is from sixteen casing perforations effected between 10,003-07 feet, after fracture with unreported amount. Project was swabbed five hours to produce seven barrels load and then washed with 200 gallons acid.

Hole was bottomed at 10,009 feet, corrected depth, and five and one-half inch production string cemented on bottom. Site is 646 feet from north and 690 feet from west lines of the northeast quarter of Section 22, Block A-36, PSL survey; 10 miles southwest of Brownfield.

Western Drilling Co., Lubbock, was moving off rig at its project in the Prentice 7,000 field of north-west Terry, the No. 1 Lee Brownfield. After treating pay section with 500 gallons mud acid and swabbing dry, oil came up to 3,000 feet in hole. Two-inch tubing has been run.

Well site is 440 feet from south and east lines of the west half of the southwest quarter of Section 20, Block K, PSL survey.

W. C. Murphy No. 1 Charles Hamilton, Section 22, Block C-38, PSL survey, drilling 4,554 feet.

One new location was staked in the Prentice-6700 field. It is the Honolulu Oil Corp. No. 2-B Alexander, 1.80 feet from south and 300 feet from east lines of Section 17, Block K, PSL survey, 1,215 acres, 6 miles north Tokio, rotary 6900 feet.

**NEWLY ELECTED** — Brownfield High school students elected leaders for student council and athletic activities last week with the council officers on the left, above. Bobby Moore, president-elect, is flanked by secretary-treasurer Jo Bess Boston and vice-president Jack Purtell. In the right hand picture Head Cheerleader Dixon Latham is surrounded by pretty cheerleaders Jerry Sue Estes, Anne Lee, Mary Jo Christian and Janelle Bragg. Alternates are Ruth Glenn and Janith Spears.

# Cub Golfers Win Region One Title

Brownfield's smooth swinging golf team captured the first Regional Golf championship in the history of the school at Lubbock Saturday with a seven-stroke margin over second place Shamrock.

In addition to team honors, Don O'Neal also earned medalist honors in Conference A with a 152 for the 3-holes. Coach Ike Peace will

take Cub divot diggers to Austin for the State tournament on May 4-5. He plans on getting in at least one practice round on the Austin course.

It was a pressure packed final 1 holes for the Cubs who rode in with an 11-stroke margin ahead of Shamrock at the end of the first day. The Irish picked up five strokes through the front nine on Saturday, but the Cubs responded to the challenge to gain one stroke back on the final nine.

Individually the Cubs scored as follows: O'Neal 77, 79-152 Danny Powers 75, 81-156; Mike Hamilton 77, 86-163; Preston Glenn 81, 85-166.

Shamrock was second with 168 and other team scores included—Monahans 173, Hereford 187, Muleshoe 200, Littlefield 210 and Post 266.

Jerry Mobley of Monahans was second low individual with 163. He had 78, 75 and Hereford's Jess Minton had 78, 76-154 for third low.

## Fifth Six Weeks Wellman Honor Roll

The following Wellman School honor roll for the fifth six weeks was announced Wednesday:

First Grade, "A": Stevie Hamm, Donna Baker, Myra Reasonover, Charlotte Pace, Ronnie Moore, Linda Bass, Vickie Watts, Nancy Baker.

First Grade, "B": Nancy Dickens, Betty Hartman, Carolyn Anderson, Tommy Christman, Willard Adair, Blanche Taylor.

Second Grade "A": Scotty Hamm, Cathy Hughes, Michail Paddock, Barry Sims.

Second Grade "B": Pamela Bass, Mary Lou Read, James Reasonover, Cheryl Smith, Granville Smith, Joseph Ward, Dean Haney.

Third Grade "A": Janie Golden, Homer Jones, Juaneva Smith, Richard Ancell.

Third Grade "B": Patricia Hartman, Gerald Graham, Mike Falls, William Oliver, Sandra Oliver, Nelda Trigg, Jimmy Woodard, Shirley Adair.

Fourth Grade "B": Terry Sima, Steve Goza, David Lynn Hill, Linda Berryman.

Fifth Grade "A": Ronnie Sullivan.

Fifth Grade "B": Betty Adair, Dianna Goza, Elaine Jackson, Elizabeth Falls, Clyde Watkins.

Sixth Grade "B": Glyndia Brown, Shirlene Herroa, Carroll Hulse, Sherry Hulse, Charlene Jackson, Bonnie Smith, Merle Smith, Vera Thornton, Calvia Ward.

Seventh Grade "A": Betty Hulse.

Seventh Grade "B": Yvonne Adams, Leslie Bryant, Trucene Crowder, Leon Falls.

Eighth Grade "A": Peggy Burnett.

Eighth Grade "B": Karen Hamm, Opal Hawkins, Virginia Thornton, Victor Ward, Barbara Watkins.

Freshman "A": Barbara Bishop, Buddy Hawkins, Winston Livesay, Tommy Loe.

Freshman "B": Ross Betcher, Sammie Adair, Dixie Bowlin, Betty Brubaker, Ldean Hughlett, Pat Runnels, Ta Juania Hulse.

Sophomores "A": Bill Adams, Sophomores "B": Clara Bolen, Glenda Christopher, Martha Goza, Margaret Ingram, Danny Loe, Carroll Parker, La Rue Rex, Billy Rich, Sue Sanders, Cynthia Smith, Juniors "A": Jenelle Hulse, Juniors "B": Jerry Carmichael, LaVena Dickens, Diana Graham, Dan Neal, Freda Oliver, Oatis Smith, Sabra Welcher.

Seniors "B": Leon Abbott, Lea Burnett, Barbara Falls, Charles Goza, Burkie Slaughter.

**Legion Baseball Plans Are For More Activity**

Plans for a bigger and better American Legion baseball program this summer have been announced by J. B. Huckabee, Legion athletic committee chairman. Coach Farris Nowell will again manage the team, said Huckabee.

Work has already started towards preparing a good diamond on the cotton yard on the east side of town, and north of the Tahoka highway. A permanent type backstop is being erected, and the field should be a good one, said Huckabee.

## Kicking Off

Should be a steady stream of traffic from here to Jones stadium Friday night to watch the annual Texas Tech intra-squad game. It starts at 8 p.m. Tickets are \$1 for adults, 50c for students.

It will be a preview of next fall's Red Raider eleven with Bud Sherrod coaching the Reds and Beattie Feathers the whites.

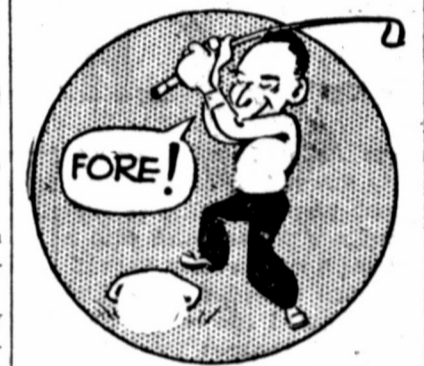

Best laugh of Friday's Cub scrimmage came on an end run that engulfed Coach Farris Nowell. However, he escaped intact.

Littlefield and Monahans, both Cub opponents this fall, started workouts this week. Littlefield winds up with a May 11 intra-squad game. The Wildcats should be tough, with four of last year's starting backfield returning along with three starting linemen.

That'll give the Wildcats a potent first string punch, but other than that they only have three more lettermen returning.

Monahans is working under new head coach, Bob Henderson. They have run into complications with their spring athletic program. The Lobos are currently leading in the district baseball pennant chase and ten members of the baseball team are also prize football candidates.

Henderson plans to initiate a multiple offense with spreads, etc. The Cubs drew 9,831 paid attendees at home during the 1954 football season and less than that last year. After watching them workout, and in view of the schedule this fall we figure they'll almost equal that near 10,000 mark through the first with Loveland, Plainview and Littlefield coming here on

## Junior Leaguers Still Registering

Jake Herring agreed to manage the Rotary Pirates in the Terry Junior League this summer to complete organization of the four teams for 13 and 14-year-olds. League President David Nicholson said this week.

Boys wishing to play in the league who have not registered, should check with their principals in the next few days.

Other managers include E. L. Boots for the Sundown Pump and Supply Dodgers, L. J. Richardson for the First National Bank Cardinals and Bob Hart will manage the Claud Buchanan Tigers.

Workouts will start on May 7 and continue through that week with division into teams following. After a couple of weeks to workout as teams, the season will open on May 28.

The touring pros generally agree with local divot diggers on the new rule permitting them to leave the flagstick in the hole without danger of a penalty if their ball hits the pin.

Some criticism has been directed at the idea of putting with the pin in the hole, but it all goes back to the idea that it is just as fair for one golfer as the other.

Most important thing is that play is speeded up by not having to hold the pin for approach shots.

However the rule most of the amateurs would like to see changed is the two-stroke penalty on out-of-bounds shots. That's been

## Little Leaguers Near Tryout End Auction May 4

Little League candidates have turned out in such numbers for spring tryouts that six managers are already dreaming of a championship by the end of July, says League President Taylor Holland.

Tryouts will end next week and on Friday night Player Agent Keith Snedeker will conduct the player auction in the District Courtroom to fill out team rosters.

Manager personnel will look about the same this year, except that Arlie Lowrimore has taken over the Rotary Yankees and Rudy Winchester will be at the helm of the Jaycee Braves. A. R. Isaacs will manage the Mulkey Construction Red Sox; Burton Hackney will be guiding the Goodpasture Indians in defense of their championship; Dale George has the Paymaster Giants again, and Donald Price will be steering the Lions Cubs again.

On May 15 the opening night will pit the defending champion Indians against the Yankees. The 1955 runner-up Braves will battle their old enemies, the Red Sox in the second game. Plans are to start the first game each evening at 5:15 in order to allow time to broadcast the game before dark. The second game will follow immediately after.

A rough one on the dubber. Jackie Burke, sensational winner of the 1956 Masters tournament, explodes many old-fashioned golf myths in his book, "The Natural Way to Better Golf."

Burke rapidly dismisses staid old golf rules such as the straight left arm—keeping your head down and your eye on the ball—slow back swing and he says that you can improve accuracy and increase distance by using your own natural swing.

Typical of the book is his earthy advice on putting. "Since your shoulders determine the path of the clubhead, and this in turn determines the direction of the ball, it matters little how or where you place your feet. They must be spread wide enough only to support your weight comfortably without body motion. If this is a yard apart, that's fine. If it is only an inch, that's all right, too."

"Ignore the wrists! Ignore the follow-through! . . . Obviously, once the clubhead has made contact with the ball, whether it was stroked or jabbed, it is on its way. There is nothing a cute follow-through can do to help it.

Most of today's great pressure putters don't stroke the ball at all. They hit it with what is more like a controlled jab than anything. Since a putt is more likely to be jabbed than stroked under pressure, why not learn to be a good jabber?"

"If you can't beat it, join it!"

## Matched Roping To Take Place Sunday With Top Cowboys

Featuring 15 big names, a matched roping contest will get under way at 2 p.m. Sunday at the Brownfield Rodeo Grounds.

Sponsor of the event, tagged the biggest ever for West Texas, is the Terry County Sheriff's Posse.

Each roper will try for four calves and for a share in some \$2,500 prize money. The cowboys are paying \$100 each to participate.

Admission for the championship match will be \$1 for adults and 50 cents for teenagers. Children under 12 will be admitted free.

Heading the list of the great cowboys will be Toots Mansfield of Big Spring, who has won seven of the great championships since the Rodeo Cowboys Association was organized. Mansfield has won half a million dollars with his ropes since 1933.

Others are Don McLaughlin of Smithfield, four times champion; Troy Fort of Lovington, N. M., two times world champion calf roper; Tuffy Cooper of Monument, N. M., first National Intercollegiate World Champion Calf Roper;

Elmer Carter of Antelope, Tex., one of the fastest men ever to rope and tie a calf; Flen Franklin of House, N. M., high school roping champion of New Mexico;

**TO ROPE HERE** — One of the nation's outstanding calf ropers, Troy Fort of Lovington, N. M., shown above, will be in action here Sunday afternoon at the Rdeo Grounds. The occasion: a matched roping contest, with 15 famous cowboys going for their share of a \$2,500 purse.

Jim Cooper of Monument, N. M., Canadian champion, Buddy Groff of Hondo, who has defeated Mansfield in previous matches;

John D. Holleyman of Rankin, who has been roping for big money for 15 years; Bill Teague of Crane, another NIRA world champion roper; Sonny Davis of Fort Sumner, N. M., who set a recent record for tying two calves in Salt Lake City, Utah; Rex Black

of Valera, one of the finest men in the game; Ray Wharton of Bandera, recently named champion calf roper at the National Western Fat Stock Show in Denver, Colo.; James Leonard of Del Rio, one of the leading money winners this year and one of the school boy champions to graduate into the professional ranks, and Byron Wolford of Tyler, twice Canadian champion.

CHAMPS—Girls intramural volleyball champions at Brownfield High are shown above, back from left, Ruth Glenn, Veeda Jo Jeter, Ila Mae Gregory, Lela Black and Carolyn Burnett. Front, Anita Young, Anita Howard, Captain Retha Brandon, Claudia Tuttle and Judy Land. Five teams were entered.

News-Views—

(Continued From Page 2) emphasize his point. "One of the oldest political sayings in Texas," he drawled, "is that a legislative body that is not in session cannot pass any tax bills. "Many people have told me that if Congress were graded on the number of bills it did not pass, at least some headway could be made toward stopping the confusion." —N-V— It appears that there will be some type of action on the part of the Quarterback club towards improving football stadium facilities. Whether this will be in the form of asking the school board to improve present facilities, or acquiring land and building a new plant remains to be seen. Either way it will take a bond election to raise the money. Possibly something like \$75,000 where the stadium is now, or \$185,000 on a new site. L. J. Richardson is heading a committee to report back to the membership next week on the more feasible plan. It is a lively pot of discussion, but the quarterback club is definitely agreed that something needs to be done. The question is . . . what? —N-V— Just can't get away from politics . . . T. W. Buckshot Lane, Houston Post columnist recently complete a tour of West Texas and afterwards wrote a column headed "Inexperienced Youth May Win Over Banker." He didn't use any names, but it was a thinly veiled report on the race for State Representative between Robert Bowers and J. O. Gillham. We came to the conclusion that Lane wouldn't vote for either one by the time we finished reading his column. In fact we got the impression he is the type fellow who would vote against putting Tech into the Southwest Conference. Which leads us into a subject every bit as exciting as politics . . . will the Red Raiders make the jump to the SWC week after next? Brownfieldites generally agree that they will. B. F. Hutson and Sid Szydoski agree that chances are good and that the whole thing hinges on Baylor's vote. Aggie-ex Jack Cleveland feels like things are favorable, "but there can always be a fly in the ointment." He is also glad the round robin thing is out of the way. Things look good enough that we understand Tech will be in trouble if they don't get in. This is because they have already arranged football schedules to the point where they won't be able to play for the Border Conference title because they'll have so many SWC teams to play. That means they might wind up going independent for a year or two if they fall this time. Going independent is something plenty of fans have been advocating for several years around Brownfield. —N-V— Today's Piggly Wiggly advertisement is quite original, and it also gives the customer a chance to register any complaints they might have. You can't say they haven't really gone out on a limb. You might use the cliché "Any resemblance is purely coincidental" with references to the cartoons of Pat Patterson and Johnny Bost. —N-V— An interesting item from the Hoover Commission report says "there is still 10 1/2 years supply of WACs wool serge uniforms that were purchased during World War II. A stock card in Brooklyn indicates 100 years supply of WAVES hats." Of course the commission is urging that to eliminate such waste as this and to get better government, at less cost, Congress should adopt the Hoover Commission program. Initiated At Baylor WACO, Texas — Billy Mack Herod, a sophomore Baylor University student from Brownfield, was recently initiated in to Tri Beta, national biological society. The son of Mr. and Mrs. Roy M. Herod, 702 Lamesa Rd., Brownfield, he is a 1954 graduate of Brownfield High School. He is a pre-dental student at Baylor.

49'ERS DIVIDE INTO REDS AND WHITES

Cubs Complete Spring Training With Intra-Squad Game Tuesday

The Brownfield Cubs, down to 49 men with less than a week of spring practice left, will clash in the annual spring inter-squad game at 8 o'clock Tuesday evening at Cub stadium.

After two weeks of good practice, Coach Doug Cox reported disappointing practices this week. However he said this is normal and that the squad should build back to a good peak for the final session.

Cox is looking forward to the spring game with considerable interest since it will be his first look at the Cubs under game conditions. Several positions are still considered tossups, and starting berths for the September 14 opener with Leveland may be determined Tuesday night.

The squad will be divided for a Friday afternoon (3:45) scrimmage, and if it appears evenly divided the same teams will face each other Tuesday. In case one has the edge, changes will be made to balance the teams, Cox said.

He hasn't made the division yet. but leading candidates for the various positions include the following: Quarterback — Letterman Mike Hamilton and Bobby Moore are at it again with Kenneth Willis and Gerald Jenkins also in the race. One of the hottest contests is between Ellis Cox and Mike Browning at tailback, and the decision here is still in doubt. Top 1955 ground gainer Jackie Meeks is being pushed for the full-back spot by Chris Addison and Robert Wright is also showing promise, according to Cox. Larry Meeks is the only full-time candidate for the wingback position, with competition from Jenkins, Addison and Wright who are doubling from their other backfield duties. Ken Muldrow, Jon Fulfer and Lonnie Bartley are candidates for center. Last year's starters Earnest Hyman and Leon Willis are back at guard with Mont Muldrow and Tommy Street backing them up. Tackles Lewis Chambliss, George Fugitt and Charles Gunn alternated a lot last year and all are back with the addition of Delbert Dyke adding zest to the contest. Widest open race appears to be at end where freshmen Bob Cloe and Gary White are competing with Lee Dale Rowden and Eugene Hughlett. Graduation hit hardest at end with Lloyd Martin, James Szydoski and Virgil Hughlett all gone. Along with varsity spring training the seventh grade, or next year's eighth grade team, started working out Wednesday and next year's freshman team is already started on their three-week practice program. The sixth grade completed practice last week. There will be no admission fee for the Tuesday night game, "all we want is a good crowd," said Cox.

Seventh Graders Score At Andrews

Brownfield Junior High tracksters did well at Andrews Friday as they finished fifth in nine-team meet. Seventh graders accounted for all 23 of the Brownfield points, while no ninth grade team was entered, and the eighth grade team was shorthanded.

Lane Barton scored first places in both the 50 and 100 yard dashes with Johnny Murphy a close second in both events. Murphy added a first place in the Broad Jump to become high point individual for the Cubs.

Barton and Murphy teamed with Jack Bradley and Reggie Tankersley in the 440-yard relay to win a fourth place. Andrews was first with 89 points, Monahans was second and Seminole third.

Beryl Parker Services Are Held In Wellman

Funeral services for Beryl Parker, 18-year-old Wellman High School student who died Sunday in an El Paso hospital, were held Tuesday in Wellman Baptist Church.

The Rev. Lavel Kye of Iran officiated, assisted by the Rev. L. C. Followell, pastor. Burial was in Terry County Memorial Cemetery, under direction of Brownfield Funeral Home. Pallbearers were Bill Gosea, Gerald Jordan, Ernest Thornton, Alfred Tittle, John Hawkins and J. W. Hawkins.

His survivors are the parents, Mr. and Mrs. Garland Parker of Wellman one brother, Carrol Parker of Wellman the paternal grandparents, Mr. and Mrs. H. O. Parker of Lubbock, and the maternal grandmother of Silverton. Parker, who had been ill for about a year, was born and reared in Wellman, where he was a member of the Baptist Church.

Police Chief—

(Continued From Page 1) big, and uncovered cans. The livestock problem and the enforcement of the ordinance relating to the keeping of livestock and poultry within the city limits. The ordinance provides that anyone keeping livestock or poultry within the city limits must obtain a permit from the City Sanitarian Homer Barnes. Numerous complaints have been registered about livestock and due to the fact that violation of the ordinance constitutes a definite health menace, the Council called for strict observance of the ordinance. Any question should be directed to Barnes at the South Plains Health Unit.

Meadow PTA Establishes Scholarship Plans Minstrel Show To Raise Funds

A \$300 scholarship has been established by the Meadow PTA. It was announced Tuesday by Mrs. Hubert Henson, president.

First recipient will be a 1955-56 Meadow High School graduate, and will allow the boy or girl to attend the college, vocational or business school of their choice. Explained Mrs. Henson: "Unlike most other scholarships, the recipient does not have to be an outstanding student. He or she is required, however, to have at least a C average and be of good moral standing in the community."

At no time, the president further explained, is the amount to exceed \$300. It will be made payable to the recipient's chosen school.

An All-Meadow Negro Minstrel, in the production stage, is the means by which the PTA hopes to raise sufficient funds for the scholarship. The event is scheduled for 8 p.m., May 8 in the school auditorium. Tickets are 75 cents for adults and 25c for children. Advance sales already have started. The PTA will pay \$10 to the school class raising the most money by ticket sales, Mrs. Henson said. "We also will accept donations to the scholarship fund at the door," the president said. More than 50 adults and children will take part in the minstrel, comprising 12 acts with choir and dialogue. It is being directed by Joe Burleson and Rev. Alton Polk, pastor of the Baptist Church. Refreshments will be sold in the new school cafeteria after the show, Mrs. Henson said. A rotating scholarship committee, with the chairman retiring each year, is composed of the following: Alan Winningham, chairman Mrs. Hattie Fulford, Mrs. Lil

FURR'S MENU OF THE WEEK  
AS SUGGESTED BY JENNIE V. WYNNE

MIRACLE MENU: LUNCHEON MEAT AND MUSHROOM GRILL\*  
BEETS IN LEMON SAUCE\* TOSSED SALAD HARD ROLLS  
BAKED ALASKA PIE\* COFFEE

RECIPES:

LUNCHEON MEAT AND MUSHROOM GRILL:  
2 tablespoons butter or margarine 1 can (4 ounces) mushrooms  
1 can (12 ounces) luncheon meat 2 large onions  
Melt butter in skillet or on grill. Cut meat into 8 slices. Brown with drained mush-  
rooms and sliced onions. Arrange on a hot platter. Serves 4.

BEETS IN LEMON SAUCE:  
3 tablespoons sugar 1 teaspoon grated lemon rind  
1 1/2 tablespoons cornstarch 1 1/2 teaspoons lemon juice  
1 1/2 teaspoons salt 1 tablespoon butter or margarine  
1 can (16 ounces) sliced beets  
Mix sugar, cornstarch and salt; add 2-3 cup liquid drained from beets. Mix until  
smooth and cook until clear, stirring constantly. Add lemon rind, juice, butter and  
drained beets; mix and heat. Serves 4.

BAKED ALASKA  
1 9-inch pie shell 3 egg whites, at room temperature  
1 quart ice cream 1/4 teaspoon salt  
6 tablespoons sugar

Prepare pie shell. Chill. Spoon ice cream into shell and return to freezer. If freezer  
space is not available prepare meringue first and then spoon very firm ice cream  
into shell. For meringue beat egg whites and salt until frothy. Add sugar 2 table-  
spoonfuls at a time and beat until stiff. The meringue is the proper consistency if  
the mixture clings to the bowl when tipped. Cover ice cream with meringue, being  
sure to seal edges of the shell with the meringue. Put on a wooden board and place  
in a 450 degree preheated oven for about 3 minutes, until meringue is slightly browned.  
Remove, cut and serve immediately.

BUTTER CRUNCH CRUST:  
3/4 cup butter 3 to 4 tablespoons cold water  
Measure flour into mixing bowl. Cut in butter with a pastry blender or two knives.  
Add water until the dough clings together. Mix in cornflakes. Turn onto a lightly  
floured board or cloth and roll out. Fit into pie plate, bringing dough across the  
edge. Trim edges. Prick with a fork. Bake in a 450-degree oven for 10 to 12 min-  
utes or until lightly browned. Cool at room temperature, then chill.

### New Car Dealers Earn Safety Awards

Two new car dealers in Brownfield have been presented Highway Safety Awards for contributing to traffic safety, by the Texas Automotive Dealers Association, the State organization of factory authorized new car dealers. The awards are in recognition of the companies lending automobiles and pick-ups to high schools for driver training during the current school year.

The dealers and the schools to which they loaned cars are: Jack Bailey Chevrolet, Brownfield Public Schools and Union Independent Schools and Portwood Motor Co. Inc., a car to Wellman Independent School District, two pick-ups to the Brownfield FFA, a pick-up to Plains FFA, and a pick-up to Meadow FFA.

Frank M. Gillespie, San Antonio, President of the State Association has announced greater traffic safety as one of the top goals of his administration. He said that this lending of cars and pick-ups to the schools is one of the most commendable civic undertakings in which a dealer can participate.

The Association program of lending pick-ups and cars for driver training purposes is under the direction of C. E. Smith, Austin, Safety Chairman for the dealer association.

Nearly 300 members of the Texas Dealers Association have an estimated investment of more than \$500,000 devoted to training Texas youth to be competent, safe drivers according to Tom J. Crooks, manager. Many of the cars furnished the schools by dealers are equipped with dual controls so that the instructor can take control of the car at any time it becomes necessary.

Several hundred additional schools have courses in the theory of driving, but due to the lack of qualified instructors for "behind the wheel" training, these schools limit their courses to class room only.

### Recruiters Speak To Students About Armed Services

M/Sgt. Sam Bass, U. S. Army, M/Sgt. Ira Caird, Marine Corps and T/Sgt. Herg Hebricil addressed the Brownfield High school senior class Friday morning on the Armed Services.

All students were urged by the Recruiting Sergeants to continue their education. The Reserve Forces Act was explained in detail and for those not going to college the benefits to be derived from voluntary enlistment was also explained.

The Army offers choice of branch for a three-year enlistment according to Sgt. Bass. He also outlined the "Operation Gyroscope" rotation plan and technical courses reserved prior to enlistment.

For those attending college and planning on using the ROTC program and those deciding to wait, the local National Guard program was outlined.

Sgt. Bass speaking for all the services, expressed their appreciation to Principal Byron Rucker.

### ARE YOU MAKING Too Many Errors?

Errors can be costly... in time, in effort and in money. Faulty vision frequently contributes to unnecessary errors in business... takes the pleasure out of doing your job efficiently.

See your local professional eye examiner for corrective visual aids. Make your job easier, more pleasant and profitable. The most valuable thing in your life is "vision."

### BEFORE NAVY LOG PROGRAM

#### Seagraves Publisher Receives Gift

LUBBOCK (Sp.) — Neil Van Zant, editor and publisher of the Gaines County News at Seagraves whose wartime experiences were portrayed on "Navy Log" on KDUB-TV, recently was presented a Maytag automatic washing machine before the program.

The presentation of the washer by the Maytag company, co-sponsors of the CBS production, "Navy Log," was made on "Community Crossroads" at 5:30 p.m. Jim Sargent of Dallas, president of Maytag Southwestern, made the presentation.

Special guests on hand were Naval Lt. R. Y. Miller, aviation pro-

cedure officer of Albuquerque; Comdr. J. T. Hardee, commanding officer of the Lubbock Naval Reserve Training Center; Naval Recruiter Chief W. J. Spivey, and Lubbock Maytag representatives Lou Marks and Phil Reagan. Charlie Sims M.C.'s the "Community Crossroads" show.

The half-hour presentation of "Navy Log" was an adaptation of actual Naval Intelligence files which cleared the way for the invasion of Okinawa. Lt. Comdr. Van Zant, portrayed in the production as "Comdr. Walker," had a key role in making the invasion possible.

"NAVY LOG" HERO—Neil Van Zandt, standing, in front of group. Group from left to right: Phil Reagan; Lou Marks; Jim Sargent; Charles Sims; Comdr. Hardee; Lt. Mitchell; and Chief Spivey.

### Tax Deadline Creeps Near On Employers

Several thousand Texas employers are apparently letting a new tax deadline of April 30 creep up unheeded, the Texas Employment Commission warned today.

After that date the employers of four or more people in twenty weeks during the last half of 1955 face possible penalties if they have not filed wage returns with the TEC and paid unemployment taxes for January, February and March.

Forms are available at any local TEC office, the warning added, or can be secured by writing the Texas Employment Commission at Austin.

Those who had four or more employees for as many as twenty weeks last year became subject to the Texas Unemployment Compensation Program this year. Previously, only employers of eight or more had been affected.

In news releases and by direct mail, the TEC has tried to contact the 30,000 employers who are liable

### Wellman Personals

Clara Bolen and family went with Mr. and Mrs. Donald Willis to Seagraves Sunday evening to visit relatives.

Three of our FHA Chapter members are entered in the Maid of Cotton contest. We wish Dixie Bolen, Pat Runnels and Diana Graham the best of luck.

Mrs. Willie Smith of Spur visited in the home of Danny and Tommy Lee last week.

We are glad to have Glenda Oliver back in school with us after her appendectomy.

Mrs. Margaret Weaver and Jimmy from Spearman visited over the weekend in Vera Joyce Trigg's home.

for payroll taxes in 1956. The beginning tax rate is three percent—2.7 per cent going into the state's unemployment compensation fund. The remaining 0.3 per cent is collected by the Federal Government for administrative purposes. A lower rate is possible later on under the state's program, using the employer's experience as a basis for reduction.

A spokesman for the Commission estimates that more than ten thousand employers have not yet reported.

### HOSPITAL NEWS

April 18: J. D. Mills, surgical.  
April 19: Mrs. Gene Joplin, medical; T. J. Blankenship, medical; Mrs. Clark Jones, medical; W. R. Nelms, surgical; Mrs. E. L. Bridges, surgical.

**MAID OF COTTON CONTESTANTS** — The tally this morning was 22 girls — one of whom will be named "Maid of Cotton" for Terry county the afternoon of May 19. From left, the entries shown above are Miss Marcia Dunn, 18, daughter of Mr. and Mrs. H. H. Dunn of Route 1, Meadow; Miss Juana Jay Barret, 15, daughter of Mr. and Mrs. Charles R. Barret of Rt. 4, Brownfield; Miss Melba Willis, 18, daughter of Mr. and Mrs. Leonard Willis of Route 1, Brownfield; Miss Nadyne Faulkenberry, 15, daughter of Mr. and Mrs. W. C. Faulkenberry of Route 1, Seagraves, and Miss Ruby Smith, daughter of Mr. and Mrs. D. R. Smith, Jr., of Route 1, Meadow. Cotton Week in Terry is set for May 14-19. It is to be wrapped up in style the afternoon of May 19. Scheduled then are: music and other entertainment; drawings for gift certificates of varying

values (you must be present to win), a big—but fast moving style show emphasizing the tremendous range of cotton fabrics, and the naming of Terry's "Maid of Cotton." All climatic activities will take place on the east side of the courthouse square. A number of Brownfield groups presently are engaged in completing final details for the event: Terry County Home Demonstration Council and 10 HD clubs, Brownfield Chamber of Commerce, Retail Merchants Association, Plains Cotton Growers (Terry county branch) and numerous individuals. Here are rules applying to entries in the maid contest: The girl must be between the ages of 14 and 19; her father or brother must be engaged actively in farming; and she must be single, and she must wear a cotton evening gown during the actual judging. (Staff Photos)

ceived his master's degree in 1944. He is a member of the St. Paul Methodist Church of Abilene and the Abilene Lion's Club. Dr. and Mrs. Bennett have two children—a 13-year-old son, Mike; and an 18-year-old daughter, Pat, who is a freshman at McMurry.

DR. GORDON BENNETT

### Dr. Gordon Bennett of McMurry College To Be Sunday Morning Methodist Orator

ABILENE, (Sp.) — Dr. Gordon R. Bennett, executive vice-president of McMurry College, will speak at the 11 a.m. Sunday services of the First Methodist Church in Brownfield on "The Philosophy

of Life." Dr. Bennett was invited to fill the Brownfield church pulpit by the Rev. James E. Tidwell, pastor. The McMurry official had many years of administrative experience

in the public schools before coming to the Methodist college in Abilene in 1948 as assistant to resident Harold G. Cooke. He was superintendent of the schools at Avoca in 1931 through

1934, and served as principal and later superintendent of the Hamilton public schools from 1935 through 1945. Dr. Bennett graduated from Baylor University in 1926, and re-

### AROUND UNION HIGH

EARLENE JOYCE

Union boys won district at Meadow and New Home. Monday they played New Home in baseball winning 9-0. Thursday they beat Meadow in volleyball 15-11.

Let's not forget "Too Much Matrimony," which will be presented Tuesday by the junior class. After the play there will be a style show by the Home Economics students. Admission will be 25c and 50c.

Monday night the county teachers meeting was held in the Union gymnasium. For part of the entertainment the seniors sang "Life's Railway to Heaven." The Home Economics students served the meal.

Checking over the whole school the seniors aren't the only ones who are counting the days until school is out. Seniors you know we only have one more week of school in which we will take our finals. Then we'll have senior week.

The annuals are on their way. Students get your late deposits and receipts ready. We have a very few left in which you may check with a senior if you failed to pay

### Piano Auditions Set For 73 Pupils Here

Auditions for the National Guild of Piano Teachers will be held in Brownfield April 30 through May 2.

Jerry Gannaway, local chairman, has received notice that the adjudicator for this year will be Mrs. Beth Miller Harrod of Lincoln, Neb.

A total of 73 pupils from the classes of Gannaway and Mrs. Cecil Springer have registered as candidates for membership in the National Fraternity of Student Musicians, sponsored by NGPT. The pupils will strive for local, district, state, national and international honors which the mother organization will confer according to their performance.

Hello! Things are really rolling. Down Wellman Way. There are only about three and a half weeks of school left. I think all of the students will be glad when these few weeks are over, especially the Seniors.

The Seniors are going to Colorado Springs on their Senior trip. They will stay at the "Holiday Inn" in Colorado Springs. They are leaving the 21st of May and will come back the 25th or 26th.

Several ex-students and teachers were here Tuesday to attend the funeral of one of our former students, Beryl Parker. Some of the ex-students and teachers were Bill Tom Goza, Alfred Tittle, Gerald Jordon, Earnest Thornton, Gloria Ingram, Yvonne Bolen, Jo

Frances and Molly Earp, Robert and Eugene Baldwin, Mr. and Mrs. Baldwin.

A Southern School Assembly was presented Wednesday morning at 8:30 in the High School Auditorium by the Galvanos. Mr. and Mrs. Galvano presented a variety of Hawaiian and popular music. They played several electrical instruments. Among these were the Chinese violin, violin, Ukulele, Spanish guitar, and the steel guitar. Mr. Galvano talked to us about Hawaii and told us the meaning of some Hawaiian words. Some of the more "interesting" ones were Kane meaning boy, Kala meaning money, and Wahine meaning girl. Everyone enjoyed the assembly very much.

**STUDY AMENDMENT** — Members of the Terry County Teachers Association who were assigned the task of studying Constitutional Amendment No. 4 to be voted on by Texans this year, are pictured above. They are actually termed, the Leg-

islative Committee. From left, standing, are shown O. R. Douglas, Byron Rucker, Kenneth Browning, Odus Walsler, O. B. Hale, Vernon Brewer, H. E. Stevens, J. Hollis Lloyd, J. L. Carrol, Eldridge An-

cell and Al Durbin. Seated, Elmer Brownlee, Delwin Webb, Mrs. Alvin Davis, Mrs. Marie Cornett, J. T. Bryant, Mrs. Cora Bruce, Mrs. Lee Lyon and Mrs. Reasonover.

### HI FROM JUNIOR HIGH

Friday there was a Western Assembly Program given last period in the afternoon. The following students took part on the program: Vicki Norris, Rosealine Barrett, Joyce Kline, Linda York, Charles Lindsey, Isabel Cabrea, Johnny Roe, Freddie Pickett, Lynn Pennington, Don Cary, Cecil Pendley, Leon Speed, Woody Harbin, and Leonard George. There was also a Western band made up of the following teachers: Mr. Anderson, Mr. Jones, Mr. Mitchell, and Mr. Williams. The best dressed boy and girl were Winston Cravy and Shirley Bradley. The friendliest boy and girl from each grade was also chosen. These were the ones chosen: Valdene Garner, Jack Griggs, Vicki Norris, Roy Jones, Terry DuBose and Faye McKibby.

Mr. Collum announced the first information about graduation of the eighth graders. Eighth grade girls are supposed to wear pastel dresses and the boys are supposed to wear dress shirts, dark trousers, and a long tie. With this first announcement it brings the feeling that "it's not far away."

Tuesday there was a Southern Assembly Program presented featuring

Miss Hines, Mrs. Loe, Sammie Adair, and Danny Loe returned from Fort Worth Saturday night. They all had a very nice time.

The Juniors and Seniors had a wonderful time at the Junior and Senior Banquet which was held last Friday night at the Skyline Diner in Lubbock.

Mr. and Mrs. Mark Galvano who performed with Hawaiian instruments. These include the violin, Hawaiian guitar, Chinese fiddle, Spanish guitar, and the electric ukulele. Mr. Galvano is a native Hawaiian.

The eighth period speech class is working on a new play named "So Wonderful In White." It will be presented in the near future. Howdy Week was a big success. I think that all of us got the urge to be more friendly during that week.

The Jr. High girls physical education classes, under the direction of Mrs. V. Forbus, will present the 5th annual Gym Dandies Program May 3rd and 4th. The program is free. However any child under twelve will have to be accompanied by their parents.

### Pool Personals

Rev. M. J. Morton, former Methodist pastor, is holding a revival here this week. Everyone is invited. Services start at 7:30 p.m. each night. There were 48 present for Sunday School. Rev. and Mrs. Morton live at Roby. They are stopping with the J. M. Trussells while here.

Rev. and Mrs. Harley Holloway and baby visited her folks near Abilene for a few days last week. Mr. and Mrs. Carol Jones and girls of Dimmitt, Mr. and Mrs. Charles Dunn and family, Theo and Walter Brinson of Brownfield,

### Union Junior Class To Stage One-Act Comedy

The junior class of Union High School will present a one-act comedy, "Too Much Matrimony," at 8 p.m. Tuesday in the gymnasium. In addition, the homemaking girls will stage a style show of some of their projects for this year. Admission will be 50 cents for adults and 25 cents for students. Director Bill Carman said, "everyone is invited to this 'little community' presentation."

Linda Hendricks of Meadow visited Mr. and Mrs. Homer Dunn and family Sunday.

Mr. and Mrs. Bernard Bishop and girls of Snyder, Mr. and Mrs. Neil Barrier and Kathy, and Mr. and Mrs. Leroy Barrier and boys visited their folks, Mr. and Mrs. Ray Barrier and family, Sunday.

Mrs. James Trimm and children of Brownfield, Mrs. Jack Brown and Beverly, Mrs. Robert Berryhill and Pam of Brownfield, and Mr. and Mrs. George York of Lubbock visited Mr. and Mrs. J. M. Trussell Sunday. Mrs. York is the former Willie Ruth Swisher, who lived here some time ago.

Mr. and Mrs. Otis Aldridge and Mr. and Mrs. Orby of Brownfield visited Lake Thomas near Snyder Sunday. Mr. and Mrs. L. T. Redding of Brownfield ate supper with Mr. and Mrs. Aldridge Sunday night.

Mr. and Mrs. Glen Maynard and children visited his sister, Mrs. W. N. Bolen and Mr. Bolen in Brownfield Sunday evening.

Pool Home Demonstration Club

met with Mrs. Laverne Forbus on Wednesday, April 18, Miss Cox gave the program on "salads" which was very interesting. Everyone sampled the salads which were very good. Mrs. Elvise Duncan, president, was in charge.

Others present were Mmes. Otis Aldridge, W. F. Terry, W. R. Posey, J. M. Trussell, L. M. Waters, Sr., and J. W. Watson. Mrs. Bevers, a visitor from Meadow, was also present. Coffee, punch, and cake were served. Next meeting will be May 2 with Mrs. Freddie Howard.

Mr. and Mrs. M. C. Wade and daughter, Tennie, attended church at Seagraves Sunday and Wednesday nights. Their son, Bobby Wade, received his license to preach Sunday night, April 15, and preached his first sermon Wednesday night in the First Baptist Church in Seagraves. He has been enrolled in College at Detar. He will be moving with his family in about a month to begin his schooling for the ministry. We all pray for God's richest blessings upon him and his family.

Visitors in the home of Mr. and Mrs. Eddie Bingham Sunday included Mr. and Mrs. Olane Caswell and family and Mr. and Mrs. Billy Joe Keese and son, all of Meadow.

W.M.U. met at the church on Monday evening, Mrs. M. C. Wade presided. Mrs. Junior Biggs joined our circle. We are very glad to have her. Mrs. Major Howard had charge of the Royal Service program. Others present

with Mrs. Laverne Forbus on Wednesday, April 18, Miss Cox gave the program on "salads" which was very interesting. Everyone sampled the salads which were very good. Mrs. Elvise Duncan, president, was in charge.

Others present were Mmes. Otis Aldridge, W. F. Terry, W. R. Posey, J. M. Trussell, L. M. Waters, Sr., and J. W. Watson. Mrs. Bevers, a visitor from Meadow, was also present. Coffee, punch, and cake were served. Next meeting will be May 2 with Mrs. Freddie Howard.

Mr. and Mrs. M. C. Wade and daughter, Tennie, attended church at Seagraves Sunday and Wednesday nights. He has been enrolled in College at Detar. He will be moving with his family in about a month to begin his schooling for the ministry. We all pray for God's richest blessings upon him and his family.

### SPANKIN' NEW

Leonard Loyd, Jr., born April 20 at 12:21 p.m., weighing 6 lb., 8 1/2 oz., to Mr. and Mrs. Leonard Loyd Barnes, Brownfield.

Jimmy Dale, born April 20, at 12:21 p.m., weighing 5 lb., 3 oz., to Mr. and Mrs. Sampson M. Francis Seagraves.

Ethel Lee, born April 21, at 4:25 p.m., weighing 7 lb., 5 oz., to Mr. and Mrs. Richard Lee McCoy of Seagraves.

John Matt, born April 23 at 4:15 a.m., weighing 7 lb., 8 oz., to Mr. and Mrs. Bill Glenn Gray of Tokio.

Mr. and Mrs. Bill Glick of Denver City, are the parents of a new boy, born Wednesday, April 25.

were Mmes. Elvise Duncan, Neil Barrier, and Laverne Forbus. Everyone is invited to attend W.M.U. every Monday evening at 2:30 p.m. at the church.

Mrs. E. J. Duncan has gone to Lakin, Kansas, to stay with her brother, Luther Drennon, and children for a few weeks. Mrs. Luther Drennon is in the hospital recovering from a nervous breakdown. Mrs. Duncan plans to return home with the younger children in about two weeks.

Mrs. Major Howard spent Sunday with her daughter, Mrs. Gene Joplin, who was in the hospital recovering from a bronchitis attack.

Mr. and Mrs. Elvise Duncan visited her niece, Mrs. Wiley Sandlin, who is in the hospital in Lubbock with a new baby girl, born Saturday night.

### Solved — Carpet Cleaning Problem

Research now has the answer to carpet and upholstery cleaning with the new product Blue Lustre. It is completely safe for your finest carpets whether woolen, rayon, nylon or cotton. The nap is left open and fluffy. Colors return to their original beauty and lustre. No residue remains to cause rapid resoiling. Clean entire carpet or just spots and traffic lanes with long handled brush. One half gallon of odorless Blue Lustre cleans three 9x12 rugs.

## Mrs. Newsom Feted With Birthday Tea

Mrs. R. C. Newsom, 514 S. First, was honored on her 72nd birthday with a tea given in the home of her daughter, Mrs. N. J. Green of Ropes. Co-hostesses with Mrs. Green were other daughters of Mrs. Newsom, Mrs. J. G. Cleveland of Plains, and Mrs. Mitchell Flache and Mrs. Steele Bayless, both of Brownfield.

A pink and silver theme was used in decorations. The table was laid with a lace over pink cloth and featured a centerpiece of pink flowers. Punch and cake were served by the honoree's granddaughters, Miss Donna Sue Newsom of Brownfield and Mrs. D. L. Murphy of Lubbock. The honoree was presented a pink carnation corsage.

Approximately 60 friends and relatives called during the hours of 3 and 5 p.m.

Included in the guests were sons of the honoree and their families, J. L. and Gordon Newsom, all of Brownfield; a brother of the honoree, J. F. Malcolm of Lubbock, and family; and two nephews, J. B. King and family of Munday, and Mr. and Mrs. Revelle King, also of Munday.

Week end visitors in the home of Mr. and Mrs. Scott Dalton were their son, Blackie, his wife and two children of Gruver.

Mr. and Mrs. T. C. Hogue, Jr. and boys, Mr. and Mrs. Carl Hogue, Mr. and Mrs. Ted Fox, and Mrs. Leona Turner, all of Brownfield; and Mrs. Bill Derrington and children from Pampa.

Mrs. Minor was presented a corsage and gifts were presented by many friends and relatives who called during the day.

## Mrs. Flora Minor Birthday Honoree

Mrs. Flora Minor was honored with a surprise birthday dinner at the home of her niece, Mrs. T. C. Hogue, 107 E. Main, Sunday. Mrs. Minor was 87 years old Monday.

Hostesses were the great-nieces and Mrs. Minor's daughter, Mrs. L. A. Rhyne.

Dinner and the beautifully decorated birthday cake were enjoyed by the following relatives and friends: Mrs. Henry Brice, a niece, and Mr. and Mrs. Guy Stoker, all of Snyder; Mr. and Mrs. Joe Chambers of Midland; Mr. and Mrs. Boyd Hogue and James of Levelland; Mr. and Mrs. L. A. Rhyne,

MELBA REID

## Miss Melba Reid To Marry In June

Mr. and Mrs. C. D. Reid of Route 1, Brownfield, announce the engagement and forthcoming marriage of their daughter, Melba, to Johnny T. Shannon, son of Mr. and Mrs. Bob Shannon of Andrews, formerly of Brownfield.

The wedding vows will be read June 3 in the home of the bride-elect's parents.

Miss Reid is a sophomore student in Brownfield High School and is employed with the Zesto Stand. Her fiancé attended Brownfield schools and is now stationed with the Air Force in Roswell, N. M.

The couple will live in Roswell following their marriage.

Mr. and Mrs. Robert White of Snyder spent the week end with her brother, Roy Herod, and Mrs. Herod.

## Centex Harmony Ninettes Entertained Delphian Study Club Members April 18

"A Study in Fine Arts" was the theme of the regular meeting of the Delphian Study Club last Wednesday at Seleta Jane Brownfield Club house. Hostesses were Mrs. W. H. Moore and Mrs. Virgil Bynum.

Mrs. W. P. Norris was program chairman. She introduced the members of the Centex Harmony Club Ninettes, who sang a group of American folk songs. The Ninettes are composed of Mesdames Bill Cope, Grady Goodpasture, Edson Wilder, G. D. Rich, Pete Harris, and Pat Ramseur, and Miss Von Herring. Fred Smith is director of the group, and accompanist was Wayne Brissett.

In the absence of the president, Mrs. Nathan Chessur, the business meeting was presided over by Mrs. W. C. Burrows, Sr. A new

## Mrs. O. A. Pippin Hostess to Club

Turner Home Demonstration Club met with Mrs. O. A. Pippin April 18 at 2 p.m.

Mrs. Mauk led the group in singing, "When We All Get Together." Mrs. Forehand called the roll, which was answered by eleven members with "Something that interests me about the outdoors in the Springtime".

Mrs. Homer Sudderth reported on the district THDA meeting. Mrs. I. O. Smith demonstrated Planning and Sodding a Lawn. Games were directed by Mrs. Loyd Wayne Yowell.

The next meeting will be May 2 with Mrs. J. W. Redwine.

member, Mrs. S. B. Collier, was voted into the club.

The refreshments table was laid with a pastel green cloth and was centered with an arrangement of tulips and iris in a milk glass container. A similar arrangement was placed on the mantle, and a bowl of wistaria decorated the piano.

Fruit punch and open face sandwiches were served by the hostesses to thirteen members and two guests, Mrs. W. F. McCracken and Mrs. E. S. Pool.

The next regular meeting will be held May 2 and will be a study in a politics.

## Christian Church Meets In Lubbock

Several Brownfieldites, including Rev. and Mrs. William J. Spreen, plan to attend the District Two convention of Christian Churches which will be held in the First Christian Church at Lubbock Sunday, April 29.

The program will begin at 3 p.m. with registration and a fellowship period. A song service will be held at 3:30 p.m., followed by a panel discussion, "This is Your District". Subjects to be covered in this panel discussion will be Stewardship, by Clifford Parker; World Outreach, by Mrs. Clyde Mathus; Education, by Mrs. Arthur Hunt; and Church Development and Evangelism, by Rush Barnett.

At 4:30, there will be a business session held, during which new officers will be elected and reports will be heard from the district churches. A supper will be held at 7 p.m., at which Frank Mabee, Jr., State director of Christian Education, will speak. There will be a nursery for pre-school children and planned sessions for primary and junior children.

Evening worship will begin at 7:30 p.m., with the introduction of new officers, and the announcement of time and place for the Fall fellowship meet. Speaker will be Delbert Downing, layman of the First Christian Church of Midland.

Rev. Spreen announces there will be no evening service at the Brownfield First Christian Church so that members can attend the district meeting.

**ENGAGEMENT ANNOUNCED**—Mr. and Mrs. Glen Mason of Route 1, Meadow, have announced the engagement and approaching marriage of their daughter, Betty, to Dale Fulford of Meadow. Wedding vows will be exchanged June 17 in the First Baptist Church at Meadow. Dr. J. Harvey Scott, pastor of First Baptist Church in Petersburg, will officiate at the double ring rites. Miss Mason is a senior student in Meadow High School. Her fiancé is a 1954 graduate of the same school, and is employed at Bowers Liquefied Gas.

## Federated Missionary Society Will Meet at Presbyterian Church Monday

The Brownfield Federated Women's Missionary Society will meet Monday at 3 p.m. in the First Presbyterian Church, it has been announced by the president, Mrs. Jerry Stoltz.

Mrs. K. B. Sadler, of the First Christian Church, will review the book, "Papa's Wife" by Thyra Serre Bjorn. Mrs. John Clark will give the devotional, and Mrs. Don Pace will receive the offering. Special music will be presented by Mrs. Grady Goodpasture, and the Methodist Church will be in charge of the benediction.

All church women in Brownfield are cordially invited to attend this monthly meeting. There will be a nursery for pre-school children, Mrs. Stoltz announced.

## Shower Honors Two Kemper Children

Seleta Jane Brownfield club house was the scene of a shower given Monday from 7 to 9 p.m. in honor of Robert and Warren, three and five-year old adopted sons of Mr. and Mrs. J. L. (Dusty) Kemper.

Hostesses were Ann Dugger, Zeline Morgansen, Pat Anderson, Faye Smith, Ona Stokes, Forrest Cousineau, Evelyn Hopkins, Jenelle Evans, Peggy Jordan, Becky Farris, Aida Mae Steen, and Monte Hughes.

A color theme of green and yellow was carried out in decorations. The refreshments table was covered with a green cloth and was centered with an arrangement of yellow daisies and iris.

Lime sherbet and green and yellow iced cake squares were served by Becky Farris and Evelyn Hopkins.

Approximately 25 guests called during the evening.

## Jim Bounds Feted On Sixth Birthday

Jim Bounds was honored on his sixth birthday with a cowboy party at the home of his parents, Mr. and Mrs. J. H. Bounds, 807 E. Reppto Thursday, April 19.

The guests arrived in blue jeans, cowboy shirts, and with their guns. Games were played, and pictures were made during the afternoon.

The birthday cake and table decorations carried out the cowboy theme. The cake was decorated with a miniature cowboy and a large figure 6 holding a candle was in front of the cake. The children were served hot dogs, potato chips, cold drinks, cake and ice cream in the back yard. Favours were whirligigs.

Those present were Larry and Rodney Williams, Duane and Bartendale Evans, Anita and Tommy Williams, Richard, Angus, Mack Sampson, Bobby Payne, Glenda Bounds, and the honoree.

**IN RECITAL** — In the picture is Emily Risinger, daughter of Mr. and Mrs. Thad Risinger of 904 East Lake, who was presented Sunday in her second private recital by her teacher, Jerry Gannaway. Approximately 40 guests from Brownfield and Lubbock were present to hear the 9-year-old pianist. The program comprised a complete sonatina, miniature concerto and other selections from the master composers. As an encore, she played a lively arrangement of "Skip-Tum-A-Lu." Following her appearance, Emily attended a reception given for her by Mr. and Mrs. Gannaway. (Staff Photo)

**Adult Classes To Be Held At Meadow**

Plans are being made for adult classes in Homemaking, which may be held as part of the summer program for Homemaking at Meadow school during the month of June.

A committee composed of homemakers has been chosen to learn the interests and wishes of adults in the community, regarding topics to be studied. Topics being considered are: Short Cuts in Sewing Methods, Upholstery, and Drapery Construction.

Other topics may be used if there is sufficient interest in them. Adults wishing to participate in classes should express their pre-

ference for one or more of the topics, or others not listed, to Mrs. Homer Barron, Mrs. Carl Russell, Hendricks, or Mrs. D. S. Carroll.

The only expense for the program will be that which is made necessary for material, which must be furnished by the group. A new regulation by the state specifies that this can be reimbursed only during the time the teacher is under contract. Therefore, it will be necessary for classes to be held prior to June 30.

Visitors in the home of Mr. and Mrs. W. B. Downing this week were his sisters, Mrs. J. F. Allen of Oklahoma City and Mrs. Jim Barber of Iowa Park, and his sister-in-law, Mrs. Charles Downing of Norman, Okla.

**Baptist WMS Met For Bible Study**

The Women's Missionary Society of the First Baptist Church met in circles this week for Bible Study. "Lord, Teach Us to Pray", taken from Matthew 6:5-13, was subject for study and discussion.

Circles had the following in attendance: Ann Pettit, 9 present; Blanche Groves, 6 present; Janelle Doyle, 4 present; Bagby, 7 present; Lois Glass, 5 regular and one new member; Lottie Moon, 8 present; Lucille Reagan, 8 present; and Roberta Edwards, 6 members and two visitors present.

The W. M. S. will meet at the church the first Monday in May for a business meeting.

**Pick Your Weapons In Cancer Battle**

In any battle, the side that can choose its weapons is likely to have the advantage. And in some of the world's greatest conflicts money and knowledge are potent implements against an enemy. That is particularly true of the war to control and eventually conquer cancer, Number Two Killer among diseases that prey upon humans.

With this in mind the American Cancer Society, which carries on an unceasing three-fold campaign combining research, education, and service for sufferers, is voicing a new and significant slogan: Fight cancer with a checkup and a

check!

It urges all men and women to have periodic medical checkups to detect the existence of any possible cancer symptoms and it asks for checks to enable its cancer control program to go forward without interruption. Thus the Society seeks to render a deadly enemy powerless and to save countless more thousands of lives through prompt and adequate treatment.

Realistic people will heed that urging. It is sensible, and it will add to the peace of mind and happiness of a vast number.

And the appeal of the ACS to "say it with a check" will not exclude anyone who lacks a checking account from giving toward its vital work. Making a contribution of this kind to the Society is one

satisfying way of participating in a herculean struggle to end an ancient menace to our lives.

Send the check today, and arrange for the medical examination without delay. That's wise health insurance.

**Former Resident Honored By PTA**

Harold Dalton, former student of Brownfield, who is now high school principal at Stinnett, was awarded a Life Membership by the Texas Congress of Parents-Teachers Association. He has also been awarded a five-year Service Pin by the school board of Stinnett.

Harold is the son of Mr. and Mrs. Scott Dalton of 906 North Second.

**Ladies At State Folklore Meeting**

Mrs. E. C. Davis and Mrs. M. G. Tarpley, representing the Brownfield Maids and Matrons Study Club attended the 40th annual state Folklore Society convention at College Station last Friday and Saturday. Mrs. Davis is state Folklore chairman of the Texas Federated Women's Clubs.

Speeches by outstanding folklorists in Texas and the United States read papers during the meeting. One of the principal speakers was Cliff Thompson of the University of Indiana, who was one of the founders of the Texas Folklore Society. Professors and instructors of all the colleges in Texas attended, as well as many outstanding folklorists in the United States.

This is Mrs. Davis' final year as chairman of the state Folklore committee.

**Plan Rainbow Bake Sale Saturday at Copeland's**

Members of the Brownfield Order of Rainbow Girls will have a bake sale, beginning at 9 a.m. Saturday, April 28, at Copeland Hardware. Special orders may be placed by calling Jeanie Craswell at 4357.

Proceeds from the sale will go toward defraying expenses for members to attend Grand Assembly in June.

**Union HD Club Meets In Miller Home Recently**

The Union Home Demonstration Club met April 19 in the home of Mrs. Oliver Miller.

Mrs. Miller gave a demonstration on how to buy and cook a roast.

Those present were Mrs. Oliver Miller, H. E. Hancock, L. L. Banta, and Gordon Newsom, a visitor.

The winners of the election were announced Friday. The officers of the Student Council for next year are: president, Bobby Moore; vice president, Jack Purcell; and secretary, Jo Bess Boston. The cheerleaders are: head cheerleader, Dixon Latham; girl's head cheerleader, Janei Bragg, and other cheerleaders, Ann Lee, Mary Jo Christian, and Jerre Sue Estes. First alternate is Ruth Glenn. We are very proud of these new officers and cheerleaders, and are certain they will make good leaders of our school for next year.

Mary Jo Christian and Joan Priest represented the F. H. A. club in the annual state convention at Fort Worth last week end. Mrs. Franks was the sponsor of the trip. Besides the regular meetings of the convention, the girls enjoyed sight-seeing and shopping trips.

Barbara Whitaker was honored with a personal shower at the home of Beverly Brown last Friday. Approximately 20 girls attended and were served cold drinks and cookies. Other hostesses were Jo Bess Boston, Carolyn Crites, Shelby Thompson, Carol Ann Mayfield, Frances Steen, and Linda Harrell.

Summer has nearly come as can be seen by the number of hayrides being given lately, like the one given Friday night by Johnny Cabiness. Those who joined him

### Harmony HD Club Has All-Day Meet

Harmony Home Demonstration Club met with Mrs. Jasper Moore, 201 W. Powell, April 19.

Nine members and three visitors answered roll call with "My Favorite Salad".

Miss Mildred Cox, county agent, spoke on "dresses for the Cotton Revue." Members decided to meet the Brownfield ladies May 7 at the party house to learn hat making. Miss Cox demonstrated salad making.

The meeting with Mrs. Moore was an all-day affair, with a covered dish luncheon and quilting party.

Mrs. Ralph Murry will be hostess for the next meeting, May 3.

other Daisy Maes there with "captured" Lil' Abners were: Patti Thomas—Chris Addison, Patti Wilder—George Fugitt, Karen Foshee—Joe Oswald, Sherry Don Spears—Kenneth Murphy, and Doris Ratliff—Bob Wilkinson.

Glenda Jones brought home a blue ribbon in shorthand Saturday from Lubbock. After winning second in district Interscholastic League at Monahan's, she went on to place first in regions. In a about two weeks, Glenda will go to Austin to compete in the state contests.

Tuesday night, the high school class of Crescent Hill Church in Lubbock. All the kids seemed to enjoy the night.

Theta Moore and S. J. Bryan can now be classified as one of the steady couples, while Jack Lucas and Shirley Wilkenson are a happy-go-lucky couple. Bill McKee and Melba Phillips are still seen around. Avon Floyd and Norma Meeks are still sweet on one another, too. Jacque Aldrup and Alton Merritt were daters Friday night.

Linda & Bev.

**NEW OFFICERS**—Shown above are newly elected officers of Terry County Teachers Association. From left, they are O. B. Hale of Brownfield, president; Mrs. Juanita Reasonover of

Wellman, treasurer; Bill Carman of Union, second vice-president. The group was installed for the 1956-57 school year in the Union High School gym Monday night.

### MEADOW NEWS

Rev. and Mrs. H. G. Verner of Graham visited his mother, Mrs. J. T. Verner, last Friday.

Mr. and Mrs. Elsie Branch of Lubbock visited Mrs. Lela Mackey Sunday afternoon.

Mrs. L. J. Carruth spent the week end in Lubbock.

The W. M. U. met at the church Monday afternoon in a Royal Service program, with the leader, Mrs. G. E. Ashburn, in charge. There were eleven present.

Miss Glenda Knight from Wayland College in Plainview spent the week end here and attended the Baptist Church. Three of her classmates were here also.

The Mothers Club met Tuesday afternoon to elect new officers for next year and to plan an all-high school picnic.

Dinner guests in the J. H. Gober home Sunday were Mr. and Mrs.

Ray Gober and Bobby Horton. Mr. and Mrs. B. C. Horton visited his sister and family in Floyd Sunday.

Mr. and Mrs. Lee Holden and Lee Edward visited Mrs. Holden's relatives in Tahoka Thursday afternoon.

Mr. and Mrs. Carl Pritchard received word Sunday that his mother was very ill in her home in Corsicana. They left immediately to be with her.

Mrs. Florence Perry of Kerrville has returned home after several days visit with her sister, Mrs. Jewell Bell. Mrs. Bell accompanied her home to visit for a few days.

The W. S. C. S. met in fellowship hall Monday afternoon and had a program from the "Methodist Woman", led by Mrs. Carruth.

Those taking part were Mmes. Hester, Carruth, Cadenhead, Gober, and Watkins. Mrs. C. E. Bartley gave the devotional.

Mr. and Mrs. Fred Hinson of

Lubbock visited here Sunday and attended the Baptist Church.

Mrs. L. J. King and son, Donald Wayne, were in Lubbock Saturday on business.

Mr. and Mrs. Kenneth Whisenhunt and family of Lubbock visited his mother and family, the L. J. Kings, Sunday.

Mrs. Benton Coe, Mrs. Byron Bennett, and Mrs. John Carter of Plainview visited Mrs. Joe Burleson Monday.

Mr. and Mrs. Jesse Prookes spent the week end in Dallas visiting his sister and family.

Miss Ann Barron, a student in Texas Tech, spent the week end with her folks and attended the Baptist Church.

Visiting in the home of Mr. and Mrs. Lee Holden Friday night were Mr. and Mrs. Charlie Schulz of Anton and Mr. and Mrs. J. B. Hill.

Rev. M. W. Reynolds spent three

days in Ceta Canyon last week attending a conference to plan for summer camp.

Herman Horschler received word last Thursday that his sister, Mrs. L. E. Janson, had passed away in Dallas. He left immediately for Dallas. Funeral services were held Saturday in Fort Worth. Mrs. Horschler, who was in Houston to attend the funeral of a nephew, met Mr. Horschler in Fort Worth and they returned home together. Our sympathy goes to the Horschlers and other relatives.

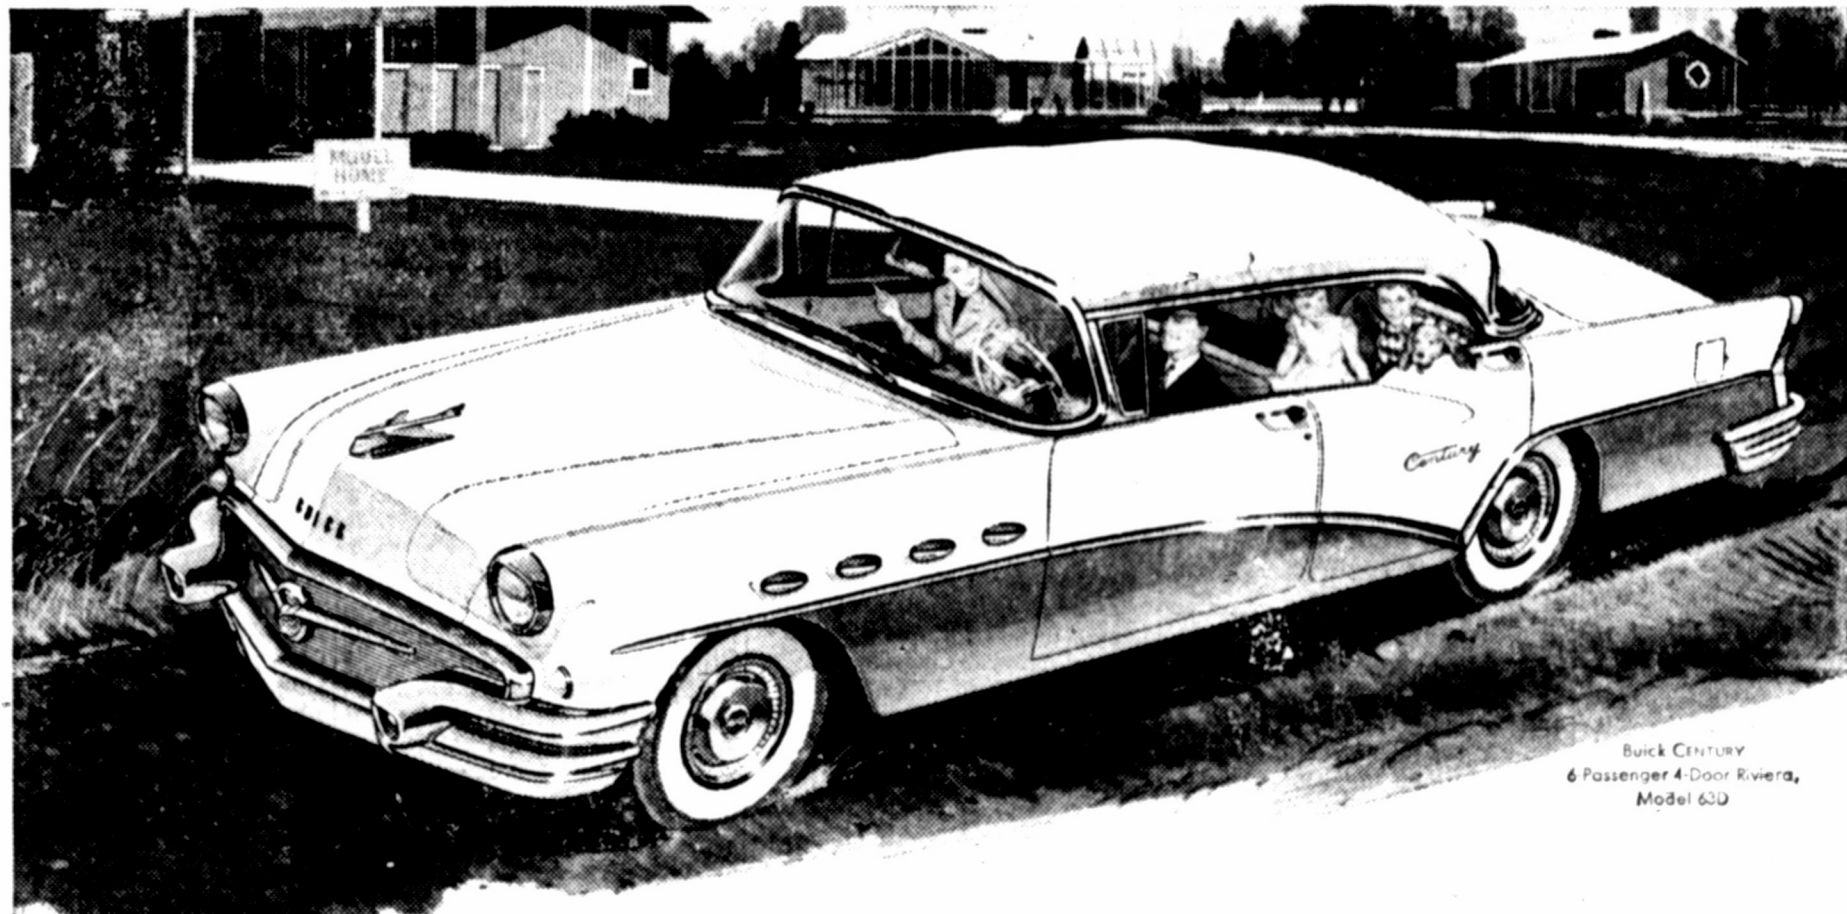

Mr. and Mrs. Joe Burleson and daughter, Harriet, visited her parents, Mr. and Mrs. Jennings, in Lubbock Monday night.

Edward Warren of Amarillo spent Monday night in the home of his parents, Mr. and Mrs. Pearce Warren, and Bob.

Mrs. J. W. Eubank was honored with a pink and blue shower Tuesday afternoon in the home of Mrs. Joe Burleson. Hostesses with Mrs. Burleson were Mmes. Horton, Smith, Carroll, Erason, McCalister, Durbin, Hulise, Wilson of Meadow, and Mrs. Tudor of Brownfield. Cake and punch were served.

Several Meadow women attended the vacation church school institute in Brownfield Thursday. The Vacation Bible School will be held at the Methodist Church of the first of June and everyone is invited to attend.

Buick Century  
6 Passenger 4 Door Riviera,  
Model 630

## Makes Friends with the Meanest Roads

(Have you tried Buick's great new ride?)

THE SWEET WAY a '56 Buick rides on all sorts of roads is something you find nowhere else on wheels.

Capricious roads that twist and turn — unruly roads that rock and roll — tired roads, battered and beaten — they all seem to wear company manners the moment a Buick approaches.

Why? Simply because Buick comes with what it takes to put any road on its best behavior — the completely ride-engineered combination of chassis, engine and automatic drive that is obtainable in no other car.

And that's gospel truth whether you drive a new SPECIAL, CENTURY, SUPER or ROADMASTER. No other car matches the firm, true tracking of Buick's own ride foundation — buttressed by brawny X-braced frame and torque-tube drive — cushioned on coil springs and deep-oil shock absorbers.

No other has such width of tread and length of

wheelbase within dimensions so trim and tidy that Buicks turn, park and garage more easily than smaller cars.

No other duplicates the assurance of steering, brakes and rear axle so precisely geared and gaited for the nimble handling that's a safety "must" in modern cars.

And certainly no other name plate promises the soaring sweep of power that wells from the big 322-cubic-inch V8 beneath every new Buick bonnet.

Nor does any other automatic drive put power to its car's rear wheels with the swift, unruffled pace of Variable Pitch Dynaflo\* — and that goes double every time you "switch pitch" for whip-quick, safer passing.

But why stop to count reasons — when results are what you're after? Wouldn't you rather really feel Buick's new "sense of direction" on straightaway, curves and corners?

Wouldn't you rather relax in supreme comfort while tooling this powerful performer over roads you always hated to travel?

Well, sir, we cordially invite you to drop in on us and do just that.

Make it this week, won't you? Sample the ride that has charms to win any old road — and get first-hand figures on prices that make Buick owning a more positive pleasure.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

**GOMEZ NEWS**

Youth Week got under way at the Gomez Baptist Church Sunday night when Leslie Britton was presented a large key, representing the keys to the church, by Mrs. T. L. Nipp, training union director. Young people of the church will have charge of all activities of the church through out the week. Those taking part, and various offices they will fill, are: training union director, Leslie Britton; song leader, Buster Chambers; pianist, Emily Blackstock; W. M. U. president, Barbara Britton; brotherhood president, Wesley Britton; Sunday School superintendent, William Smyrl; Sunday school song leader, Don Huckabee; Sunday school pianist, Verna King; Sunday school teachers will be: Verna King, Dorcas class, Barbara Britton; Ruth class, Verna; Young people, Billy Nipp; Junior boys, Elbert Landess; Junior girls, Emily Blackstock; Primary, Mona Vee Decker; and beginners, LaVon Franklin. A Youth pastor will be named this week to be in charge of preaching services Sunday. Mr. and Mrs. Raymond Fore and children spent the week end visiting at Eunice, N. M. with Mr. and Mrs. Lee Goodman.

Mr. and Mrs. Alfred Tittle began construction last week on a new modern three-bedroom home at their farm. Week end visitors in the home of Mr. and Mrs. A. R. Arp were several of their daughters and families: Mr. and Mrs. James King and children, Cynthia and Aubrey; Nabors and children, Cathy and A. C.; of Needmore and Mrs. and Mrs. Ernest Berryhill and Ricky. The Intermediate Training Union department and Young People of the church were entertained with a social Friday night at the K. Sears home. Games were under the direction of Barbara Britton. Refreshments of iced soft drinks, cookies, and doughnuts were served to the following: Mary Helen King, Irene Petty, Margaret Schofield, Emily Blackstock, LaVon Franklin, Thelma Fox, Mona Vee Decker, Barbara Britton, Carlos Harwell, Tommy Nipp, Deryl King, Leslie Britton, Larry Huckabee, Billy Nipp, Elbert Landess, Frankie Beadles, Jimmy Chambliss, Kelly Mac Sears, and Buster Chambers, and Mrs. A. V. Britton, sponsor of the group. Mr. and Mrs. Bill Metcalf, who have recently returned from overseas where he was stationed with the Air Force, are making their home for the present with her parents, Mr. and Mrs. C. C. McKee. They plan to move in the near future to Midland to make their home. He will go into business with the Fuller Brush company.

**Lubbock Man To Speak to Club**

Mr. Ralph Caldwell, Lubbock insurance man, will be guest speaker at the regular afternoon meeting of the Maids and Matrons Study Club of Brownfield next Tuesday, May 1, at the Seleta Jane Brownfield Club house, Mrs. William J. Spreen club, president, announced.

Mr. Caldwell will appear on the Maids and Matrons club program in behalf of the Southwestern Insurance Information Service of Dallas, which furnishes speakers to civic and service clubs and other organizations. The Service is a non-profit, public service organization of casualty and fire insurance companies currently conducting an educational and informational program on safety and insurance matters. No charge is made to clubs or other organizations for the Service's speakers.

Mr. Caldwell is secretary of the Western Fire and Indemnity Company in Lubbock.

Mrs. Spreen said the meeting will begin at 4 p.m.

**Husbands Honored By Club Members**

Members of the Junior Woman's Study Club honored their husbands at a barbecue at the Seleta Jane Brownfield club house at 6:45 p.m. Friday, April 20.

The menu included barbecued steak, beans, potato salad, relishes, french rolls, tea and coffee, and cake. Hostesses were Mmes. Mack Ross, Don E. Hewitt, Jack F. Hamilton, Harley Rogers, and L. U. McPherson.

Mrs. Harley Starnes, president welcomed the husbands. Following supper, the group played games of "42", canasta, and bridge. Winners were: Alvin King, "42"; Billy Hamilton, canasta; and Mack Ross, bridge. They were presented gifts of clothes brushes.

Those present were Messrs. and Mmes. L. U. McPherson, Mack Ross, Don Hewitt, Alvin King, Alton Martin, Dub Holloway, E. B. McBurnett, Jr., Bill Gorby, Jerry Gannaway, Gerald Perry, Harley Starnes, Bob Campbell, Carl Elliott, Robert Knight, and Bill Hamilton. Mrs. Hamilton is a new member of the club.

**Local Scouts Attend Camporee at Lamesa**

Sixteen members of Boy Scout Troops 71 and 85 attended a Scout camporee held at Lamesa last Friday and Saturday. They were accompanied by Scoutmaster of Troop 85, R. T. Wilson.

During the camporee the local scouts attained a second class average, placing sixth out of the twelve towns represented.

# More people named Jones\* own Chevrolets than any other car!

\*Of course we haven't actually counted all the Joneses. But it seems a safe guess. Because this year—as they have year after year—more people are buying Chevrolets. And 2 million more people drive Chevrolets than any other car. Maybe you ought to come in and see why this is so.

(Are you keeping up with the Joneses?)

Those visiting in the L. P. Carroll home Sunday were Mr. and Mrs. C. S. Carroll and family, Mr. and Mrs. D. S. Carroll and family

and the Ernest Moore family. Mr. and Mrs. Jack Christie and son visited her sister and family Mr. and Mrs. Floyd Joplin, Sunday.

Meadow-Challis Home Demonstration Club members met Tuesday April 17 for a regular meeting in the home of Mrs. W. J. Henderson.

Mrs. Sam Gossett, president had charge of the business meeting and Wanda Doak read the minutes for the last two meetings.

Roll Call, "Give Your Favorite Salad" was answered by each member. The program was Salads and Salad Dressings. Miss Cox, county agent, made and served salads with the refreshments served by the hostess. Refresh-

Want to remain young and healthy? The Clean-Up Day in Brownfield (as far as I can find out, that is) will be May 29. Wanted to let you know well in advance so that you can be thinking about what you'll need in the way of materials for getting your premises ship-shape.

As for the Privitt household, the fine father (as Richie refers to Sam) has already been baptized in a stream of gray paint, getting the first coat on the little house and most of the fence. Of course, it also has a fine layer of sand all over it, but I feel that we're making progress. The screens are still lying in the back yard, and may still be there, come May 29, but the first move has been made. However, by May 29, the sandies should be over, and it will be easier to clean up the premises and keep them looking neat. Although I don't believe the corner-full-of-tumbleweeds will ever look otherwise.

Want to thank everyone for being so nice about calling or coming by to give me your news. It's extremely nice of you, and I like having you take me up on the cup of coffee. It gets a little lonesome around here sometimes, and I'm always glad to have you drop by and chat over a cup.

April is Cancer month all over the United States, which means even here in Brownfield. Last year about 245,000 Americans died of

menstrual problems were sandwiches, cheesits, cookies, coffee, and cold drinks.

The following were present: Mmes. L. P. Price, E. N. Corley, Moss, Joplin, Henson, T. C. Pettigrew, Gossett, Wanda Doak, McCutcheon, Maduell Farrar, and Miss Cox.

Mrs. Earl McCutcheon will entertain the next club meeting May 1 in the home of Mrs. L. P. Price.

cancer, but also last year, every seven minutes on the average, another American who had cancer was saved. Why? Early diagnosis. Now, doctors are busy people and cannot be chasing you down, forcing you to have a physical examination. That is up to you. This year one in every four Americans, according to present rates, will have cancer. Will it be you? Cancer is an uncontrolled growth of cells which, if permitted to spread unchecked, almost inevitably will lead to death. But if detected while it is still limited to its place of origin, it can be cured, by X-ray, radium, or surgery. Many more thousands of cancer victims could be saved this year if:

Men and women generally would have a complete physical examination once a year.

Women over 35 would return in six months for a mid-year check-up.

Men over 45 would return in six months for a mid-year chest X-ray. All women would examine their own breasts once a month for signs of cancer.

Learn the seven danger signals that may mean cancer:

A lump or thickening anywhere on your body.

Unusual bleeding or discharge.

Any change in a wart or mole.

Persistent indigestion or difficulty in swallowing.

Persistent hoarseness or cough.

Any change in normal bowel habits.

The time to act is now. Make an appointment now for a complete physical check-up. And believe me, busy as they are, the doctors do not feel that you are wasting their time by insisting on a thorough examination although you feel perfectly well, because they must, so many times a day, give the dread

news, "you have cancer," to patients, that it is a pleasure to them to be able to say, "you are in perfect physical condition."

The Brownfield Order of the Rainbow Girls will have a bake sale Saturday, beginning at 9 a.m., at Copeland Hardware. Special orders may be placed with Jeanie Criswell at 4357. The girls are raising money to defray expenses to attend Grand Assembly in June.

The Mother Advisor, Mrs. Ione Turner, called me to give me this information, and during the course of our conversation, she made the statement that she wondered if the press would give more publicity to the good organizations of our youth, perhaps it would balance the scale and tone down the notoriety of juvenile delinquency. Yes, I think perhaps she has a point there, and I certainly feel that, even here in Brownfield, we have plenty of both good and bad. It's people like Mrs. Turner, the other workers in the Eastern Star and Masons, the very creditable work being done in our churches and of course our fine Scout and pre-scout workers who devote so much time to the youth of Brownfield and who have a great concern for the youth of today, who are making progress in cutting down delinquency. Despite the fact that I'm not an authority on the subject, I feel that our young people today are not to be lumped into one wad of juvenile delinquents and that, as a whole, I think they're a great bunch. The ones who get into trouble are just the unfortunate ones, and I feel that somehow,

somehow, there is hope for them. Could I please have your views on it?

Don't forget the big championship roping contest to be held here Sunday. Tickets from all Posse members. This is going to be a great show—an opportunity to see sixteen great champions vieing in an event that is a rare occurrence in Brownfield, Texas. Don't miss it.

Want to publicly thank everyone of the people at Collins, Cobb's, Dunlap's and Shelton's, who so kindly helped to make the style show at the Country Club last week (Friday) such a success. Just one more reason for being glad I live in Brownfield, where your merchants are friendly and

**Wesley Price To Wed Miss Alma Faye Morlan**

ABILENE, April 21—Dr. and Mrs. G. C. Morlan are announcing the engagement and approaching marriage of their daughters, Alma Faye, to Wesley Woodford Price, son of Mr. and Mrs. S. W. Price of Brownfield.

Miss Morlan is a 1955 graduate of Abilene Christian College and is now teaching in Lubbock. Price is a former student at ACC and is now a junior student in Texas

anxious to please you. Wish you'd remember that, the next time you are on your way 'north' for a shopping trip.

Technological College. They will be married June 16 in the auditorium of the College Church of Christ. The uncle of the bride-elect, Dr. Walter H. Adams, dean of ACC, will officiate.

**AND THE TERRY COUNTY HERALD**  
Vol. 19 Brownfield News-Herald, Thursday, April 26, 1956 No. 17

**IN MEMBERSHIP QUOTA**  
**Yoakum Farm Bureau 'First' in State**

The Yoakum County Farm Bureau was the first in Texas to reach its 1956 membership quota.  
The "first" was announced Monday by H. L. (Hub) King of Brownfield, director of Texas Farm Bureau's District 2, which includes Yoakum and 18 other counties.  
In its drive, which was begun Feb. 17, the Yoakum farm organization enlisted 70 new members, said Homer Suddeth, membership chairman and vice-president.  
Set by the bureau's own board of directors, the 1956 quota was 125 members — it was exceeded by 14. Potential in the county is 250 members. By the Oct. 31 deadline, the group expects to have another 68 new members.  
In 1952, YCFB counted 113 members; in 1953, 104; in 1954, 84, and in 1955, 98. Ray Bearden is president of the Yoakum farm bureau.

**Poisonous Plants on Ranges Will Cause Losses in Livestock**

Livestock losses will occur if animals are permitted to graze ranges on which poisonous plants are growing. Weather conditions, says A. H. Walker, extension range specialist, haven't helped the situation because the continuing drought has limited the growth of desirable forage plants and grazing stock will get the new plants even if they're poison.  
Buds, leaves and tender shoots of all trees in the oak family possess a toxic substance which may cause severe illness in cattle, sheep, goats and horses. The poisonous condition is greatest from the time buds begin to swell until the new leaves turn dark green in color.  
Low growing oaks cause most of the trouble and cattle are most commonly affected, says Walker. Removing livestock from pastures where poisonous plants are growing until the danger period is passed is recommended.  
Bitterweed, a plant especially toxic to sheep, is best controlled by deferred and rotation grazing. Loco and peavine are other plants which can cause trouble. Walker says animals should not be allowed to graze pastures containing these plants until sufficient growth of other plants can satisfy the forage needs of the animals.

Plans are well afoot here to make the period May 14-19 a "highly successful" Cotton Week in Terry county.  
The days here correspond with the nationwide week sponsored by the National Cotton Council. Emphasis here will be placed, however, on the relation of the county to its own cotton.  
In the American tradition, the week will be concluded with the selection of a Terry county girl who will wear the crown signifying "Maid of Cotton."  
To date 20 girls are entered in the contest, all daughters or sisters of men actively engaged in farming.  
The week promises to be full of activity and its theme, "Wear More Cotton," certainly will be appropriate.  
"A man is known by the soil he keeps."—Anonymous.

An impartial soil scientist with the U. S. Soil Conservation Service is acting as judge. He will name four of the teams, comprising four men each, to receive

**USING DISTRICT'S GRASS SEEDER** — In the upper panel, George Bartlett looks over his shoulder as he puts down 10 acres of Indiangrass seed on his farm 8 miles east of Meadow. Bartlett is using the grass seeder recently bought by Terry Soil Conservation District. The seeder is shown more in detail in the bottom panel. Bartlett is planting 2 pounds of seed in 40-inch rows to the acre. After the plants are 4 to 5 inches tall, he will sidedress with 30-0-0. Bartlett, who bought the seed from Western Grain Company for \$1.35 a pound, is planting it for a cash crop. Because Indiangrass seed is trashy, it is placed in the square box. Smooth seed, such as those for legumes, are placed in the round box. Seeding is governed by the tractor's ground rate. SCS men recommend no fertilizer prior to planting — "why give the weeds a chance to compete?" In view of the proposed soil bank, there has been an increased interest in the county in planting grass. A Morton farmer last year scored a spectacular success with 14 acres of Indiangrass. The new seeder is available to all farmer-cooperators of TSCD. Further information may be obtained from Vee Hicks or Walt Meyer, vo-ag teachers in Brownfield High School. (Staff Photos)

A spanking new grass seeder TSCD and maintained by high school students has been added to the numerous other farm implements owned by See FARMING, Page 6

**THE CHURCH AND THE SOIL**

Dr. T. F. Gullixson, president of the Lutheran Theological Seminary in St. Paul, Minn., has said: "A country church can only live where people can live, and will be rooted only as its people are rooted, in a soil which will remain and will sustain them. Unless soil erosion is checked, many areas will have innumerable abandoned farms. And as farms die so does the country church, and the city church one generation later."

## CARS DON'T THINK!

### Children's Safety Rests With Motorists

"Children don't think, cars don't think, so YOU must think!" Drivers today received that reminder of their responsibility for the safety of children in traffic from Mr. E. C. McFadden of Dallas, as he spoke of the current child pedestrian safety program being sponsored by the Texas Safety Association, the Department of Public Safety and the National Safety Council.

"Drive as if every child you meet is your own little boy or girl," Mr. McFadden said. "If you treat all children as you want other motorists to treat your children, you're not likely to run down a youngster who heedlessly darts into your path."

"This solicitous attitude is necessary," he said, "because children can't be expected to use adult judgment in traffic. On this score, he roundly condemned the driver who fails to give

youngsters a break in traffic and who insists on right-of-way and other legal prerogatives. "It's the nature of youth to be impetuous and sometimes heedless," he said. "It's the duty of adults to protect children from the results of their own heedlessness, even if their actions are wrong."

Mr. McFadden listed the following rules for drivers to follow in order to do their part in cooperating where children are concerned:

1. Always expect the unexpected where children are concerned.
2. Give young bike riders every break.
3. Drive with extreme caution near schools and playgrounds and any place where children are expected to gather.
4. Be especially alert in school areas for signs, signals, traffic police, school patrols and for children themselves.

### The Customer Gets It in the Neck (?)

## THE AMERICAN WAY

### ROBBING OUR CHILDREN

By George Peck

(EDITOR'S NOTE: George Peck is Chairman of the Board of the National Labor-Management Foundation and Executive Editor of its official publication, PARTNER.)

A great deal of the spending we, as a nation, have been doing over the past 20 years, is going to be charged up to our children and our grandchildren. Our youngsters, born and unborn, who have had no voice in the creation of the huge national debt we oldsters have piled up, will be presented with the bill for our extravagant folly.

For our own selfish benefit, we have been deliberately robbing our children of their heritage — what is worse, we will leave them a legacy of heart-aches and back-breaking debts.

We Americans point to ourselves with great pride — have we not established the finest economy for all classes that the world has ever known? But really we should view with great

alarm the spending binge which we have not only condoned but have actually abetted. We, who consider ourselves a high-minded people, have actually been dishonest because we are intelligent enough to know that as a nation we have been giving out promissory notes — with no idea of ever paying them ourselves.

For two and a half decades, we have listened to and heeded the preaching of men who have had the unbalanced training of welfare workers — men who are experts in the distribution of wealth but know nothing and care less about how wealth is produced. "This true the things they advocate are eminently desirable in themselves — better housing, old age pensions, etc., etc., and there is rightfully in this country a strong tide of sentiment for better things for everyone. But we have let our emotional sentiments destroy our sense of values and have taken no thought as to when these things are to be paid for and by whom.

In the first stages of the spending orgy, we spent on ourselves, but in the second stage, we were not content with this, we took on a great part of the world upon which to shower our largesse. We kidded ourselves into believing that our money could buy friends. Despite the fact that we now know that we haven't made any friends through this "buying process," we still continue to scatter our money willy-nilly over the world. Worse still, plans are a-making to increase the tempo of our "foreign aid."

Now to provide better things for Americans and for the citizens of other nations is a worthy objective, but if in so doing we mortgage the future of our children and our children's children by putting an impost upon them that will make their lives unbearable, we are guilty of conduct unbefitting to parents. Our off-spring, instead of revering our memories, will damn us for our selfishness, inconsideration and recklessness.

Huge spending by government was at first a temporary emergency due to the depression of the early 30's. Then came the Defense Program prior to Pearl Harbor, followed by World War II and Harry's "Police Action." Now it's the Cold War as a pretext. Extravagant governmental spending is no longer a temporary measure — it has assumed a definite aspect of permanency. It has established an entrenched bureaucracy at Washington that has but one thought — to spend and spend and spend. This bureaucracy now has so much power that it threatens the very freedom of this nation.

That brings us to the \$64 ques-

George Peck

## POLICIES AFTER MAY 1

### Lower Auto Insurance Rates Assured

Terry and Yoakum County insurance buyers will come in for reduced automobile insurance rates according to Brownfield insurance agencies.

One agency spokesman stated that the over-all decrease may be quite substantial, percentage-wise. He added that even though there will be quite a decrease in one form of coverage, say collision there may be a very slight increase in some other type of coverage, to take up some of the slack. However, the over-all decrease, "will be substantial."

New rates will go into effect on May 1, for all local automobile insurance buyers.

Fire and theft and collision rates on commercial vehicles operating within a 50 miles radius of the place of principal garaging were reduced 25 per cent and 8.4 per cent respectively; fire and theft and collision rates for commercial vehicles operating not more than 150 miles from the place of principal garaging were reduced 20.1 per cent and 12.8 per cent respectively; fire and theft rates for commercial vehicles operating regularly or frequently beyond a 150 mile radius of the place of principal garaging were reduced 11.5 per cent and the collision cov-

erages for such vehicles were increased 2.3 per cent. These changes apply in all sections of the state.

Brownlee pointed out that the private passenger changes applied to all classes of drivers and that the 10 per cent discount allowed for male and female drivers under 25 years of age who complete the driver education course approved by the State Department of Education was continued without change. He said that statistics were not yet available to indicate whether this discount would be higher or lower.

**Highlights and Sidelights**  
**State CAPITOL**

By—VERN SANFORD  
 Texas Press Association

AUSTIN, Tex.—Harmony may yet come to the Democratic party in Texas.

But it will come only if Gov. Allan Shivers, Sen. Lyndon Johnson, and Speaker Sam Rayburn get together—as they did when they named Lt. Gov. Ben Ramsey national committeeman.

A backer of Senator Johnson as Texas' favorite-son candidate for President suggests that the Senator seek only the favorite-son role and not attempt also to be chairman of the delegation.

Both Shivers and Johnson have been recommended as chairmen—each by a different faction—Shivers by the conservatives, Johnson by the liberals.

Mrs. H. H. Weinert of Seguin is the "dove of peace" in the present controversy. She is Texas' Democratic National Committeewoman.

She predicts that the state convention will end up with two delegations to the national convention unless Shivers, Rayburn and Johnson get together soon.

Meanwhile a full-fledged campaign is under way by Johnson boosters, for his nomination as Texas' favorite son candidate for President. Prominent Texans aligned with the movement include Speaker Rayburn, Former Vice President John Nance Garner, Former Gov. Miriam A. Ferguson, and Former Congressman Lloyd Bentsen Jr.

Shivers, who likes Johnson in the favorite son role, but not as head of the delegation, predicts that his conservative group will win out in the May 5 precinct, May 8 county and May 22 state conventions. Liberals say that should this happen, they will send a contesting delegation to Chicago in August.

**Newcomers Due in Legislature**  
 New faces can be expected when the 35th Legislature convenes next January.

Some 66 races—55 in the House and 11 in the Senate—already are underway over the state. More filings are expected before the May 7 deadline.

Some political observers predict an unusually large turnover in both houses.

Of the 16 senators whose terms are expiring, two will not be cand-

**Water Group Formed**  
 Six major Texas farm groups have joined forces to form the Texas Agricultural Water Committee: Texas Sheep and Goat Raisers Association, Texas and Southwestern Cattle Raisers Association, Texas Farm Bureau Association of Texas Soil Conservation Districts, Texas State Grange, and Texas Farmers Union.

See HIGHLIGHTS, Page 3

**Additional Referendums Asked**  
 Texas Citizens Councils want a July primary referendum on school integration and mixed marriages.

Petitions asking the Democratic Executive Committee to place these questions on the ballot are being circulated in 30 cities. These would be in addition to the interposition referendum proposed by Governor Shivers.

"We're going for interposition too," said Ross Carlton, head of the pro-segregation organization "but we think more direct action is needed."

**UNDERPAID THIEVES**  
 Coolidge, Ariz.—Burglars were determined that the effort they put into breaking into a drive-in theater was not to go unrewarded.

They found only two cents in the cash box.

They took it.

American Association of State Highway Officials, is the newly elected president of the Western Highway Officials Association. . . Hammond Life Insurance Co. of Dallas has challenged the validity of the 1955 law which gave the Insurance Commission power to determine whether officials of an

### AG ENGINEER SAYS

#### Correct Pre-Irrigation 'Highly Essential'

By WILLIAM E. CRABTREE, SCS Engineer

Now that we are in the pre-irrigation season, we should do a little checking to see what kind of job we are accomplishing. There are several things that could be done which might improve the efficiency of this irrigation.

After the free water has soaked into the soil—but the ground is still muddy—take a steel rod and push it down until it becomes hard to push.

The rod will indicate the depth which has been wetted. After checking with the rod up and down the row, it is easy to see the amount of irrigation water being applied.

#### Uneven Distribution

Chances are, in some cases, the water that penetrated the soil has been uneven—caused by winds blowing along the sprinkler line, uneven pressures on the line or by individual sprinklers delivering different amounts of water.

After checking the field by the

probing method, it may be found that the depth of water penetration is not as much as was thought. If this is the case, the water is being pushed across the land too fast. A longer setting would correct this.

#### Allow For Penetration

A better result can be obtained by waiting until the water has penetrated as much as it will and has dried on the soil surface. Then, by boring or digging holes along the rows, the moisture content can be more thoroughly checked.

These conditions will vary with the different types of soil and the different types of land-treatment. The local office of the U. S. Soil Conservation Service is willing to help in such instances.

"It is better to have one good irrigation that two light ones."

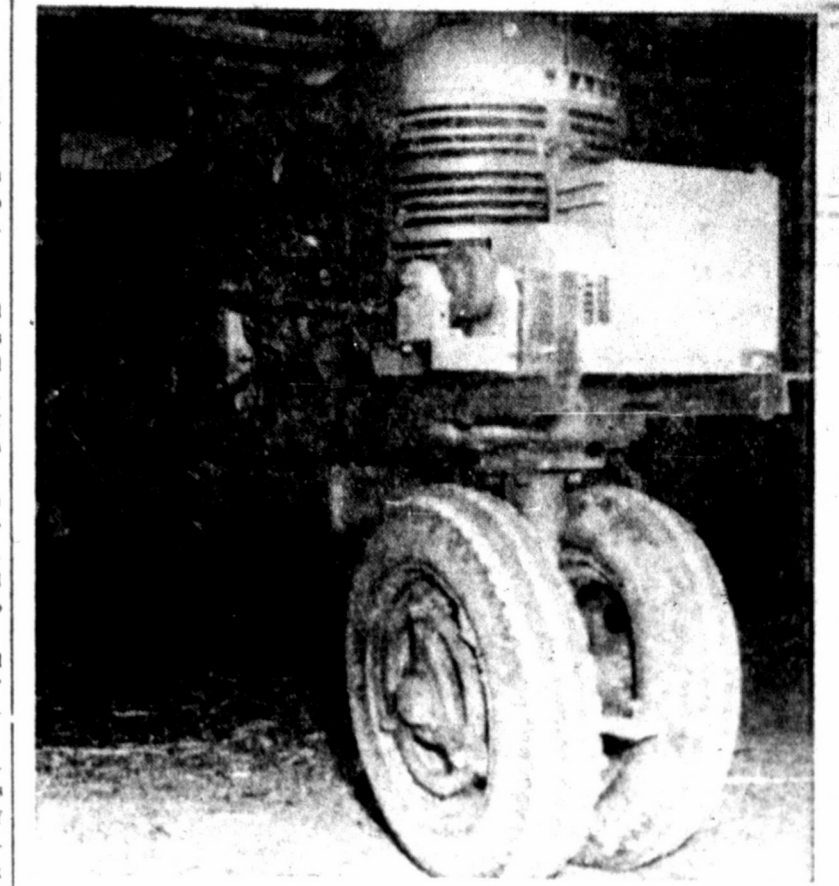

#### LATE INSURANCE

Pine Bluff, Ark. Charles A. Gordon is 75, about seven years older than the life expectancy of American male as figured by insurance actuaries, but he took out a \$25,000 policy on his life.

R. C. Coulter, agent who wrote the policy, says:

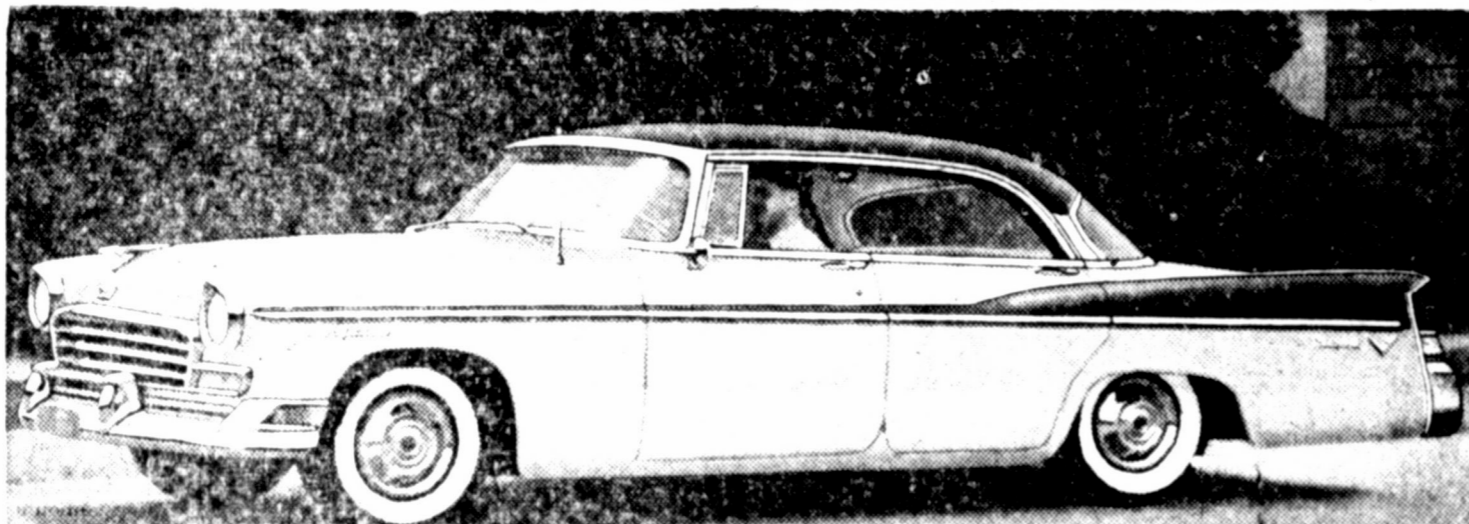

Gordon met all the requirements of record of surgery or serious illness, and he was actively engaged in his line of business at the time the policy was issued. The rate, Coulter said, was "standard."

quality. . . Of the Texas men entering service in March, 47 per cent were volunteers. . . A Chicago investment firm has been authorized to issue \$5,000,000 in revenue bonds for building tourist hotels in the state parks at Atlanta, Lake Texhoma and Inks Lake near Burnet.

**PORTABLE ARC WELDER** — In the picture above is a portable electric arc welder rigged on his tractor by George Bartlett, farming 8 miles east of Meadow. Bartlett made the welding unit a permanent part of his tractor. It is power-driven by a belt working off the drive wheel. Bartlett has a complete workshop on his farm, where he is set up to handle his own repair jobs — in addition to a few for his neighbors. (Staff Photo)

**'No car made in America can shame it in a down-the-pike hassel!'**

So says expert Tom McCahill of the Chrysler Windsor V-8 in *Mechanix Illustrated* (Feb.)

Yet you can own this bigger, more powerful Chrysler Windsor V-8 for the cost of a medium-price car . . . even for the cost of a fully equipped "low-price" car! Won't you come in and drive the YEAR-AHEAD car yourself.

Here's proof that the Chrysler Windsor V-8 offers more that's NEW than any competitive car at any price!

New in 1956	Chrysler	Car "C"	Car "M"	Car "O"	Car "P"	Car "R"
Major style changes	YES	NO	NO	NO	NO	NO
Longer Body	YES	NO	NO	YES	NO	NO

You Will Provide  
Good Soil . . .

We Will Provide  
Good Seed . . . If

Good Seed in good soil means good crops, and good crops mean increased income. Get the most out of your soil by putting back more plant food elements than you are taking out. If you are in doubt about the soil improvement plan on your farm, consult some qualified man in this field to help you. Your Soil Conservation Service and County Agent are here for these specific purposes.

Along with your soil planning, PLAN TO COME BY OUR PLACE AND PICK UP YOUR PLANTING SEED.

## Goodpasture Grain

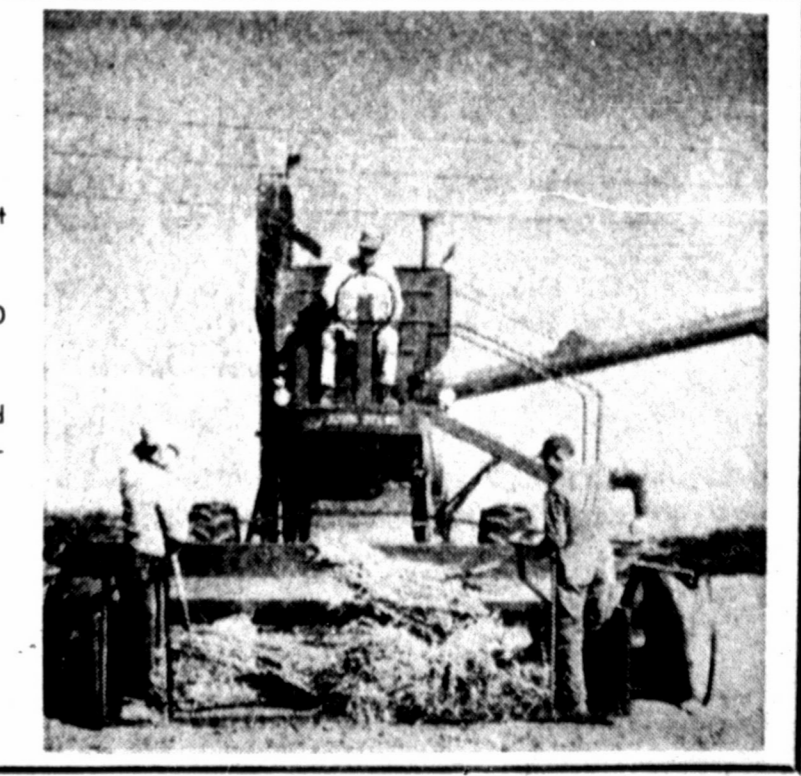

### PLANT YOUR IDLE IRRIGATION ACRES TO SESAME

#### SIX GOOD REASONS FOR GROWING SESAME

- TAP ROOTED AND DROUGHT TOLERANT:** Sesame grows well in the entire cotton producing South and Southwest. It has a combination tap root and fibrous root system and is very drought tolerant.
- SHORT GROWING SEASON:** Sesame matures in 90 to 110 days and fits your farming program. Farmers agree crops following Sesame produce better.
- HIGH QUALITY:** The whole seed, the oil and the meal of Sesame are top quality. Sesame oil is recognized as "QUEEN OF THE VEGETABLE OILS."
- GOOD MARKETS:** There is a good and improving market for Sesame in the United States and for export.
- RETURNS:** Average price to growers in 1955 was \$10.10 per 100 (\$11.20 in 1953, and \$9.60 in 1954.)
- PROFITS:** The low cost of production and relatively good price for the commercial seed allows growers producing normal yields to make good profits.
- NO ACREAGE CONTROLS.**

If You Plan To Plant Sesame . . . Turn Your Order In Now For Planting Seed And Sign Your Marketing Agreement.

**LUSH VETCH GROWTH**—In the picture above, Herbert Hicks, left, and Allyn B. Cox, sit in the middle of 80 acres of vetch on Hicks' farm, northwest of Brownfield. The vetch measures an average of 15 inches. Here's its history: On Sept. 25, last year, Hicks seeded (drilled) 30 pounds of hairy vetch to the acre. On Oct. 20, he sidedressed with 200 pounds of 11-48-0 at \$5.75 a hundred pounds. Waterings to date include 1.25 inches on Oct. 20, 2.80 inches on Dec. 15, 2.8 inches on March 10 and 4.25 inches on March 25. Last week, Hicks clipped 31,460 pounds of tops—green weight. Hicks said he was quite satisfied with his vetch—"This 80-acre block was run down. By planting this vetch, I am sure that I have built it up for much higher yields. Besides, this is the cheapest fertilizer for cotton and feed that I know of." (Staff Photo)

**PREPARE FOR SOIL CONTEST** — The Future Farmers shown above were studying last week for a soils judging contest here today. From left, they are Charles Kersh, Tommy Lamar, R. Lee Petty and Gus Foshee, all members of the Brownfield FFA chapter, and A. R. Hodges of the U. S. Soil Conservation Service.

**Harmful Changes In Cotton Revealed by South Plains Study**

Cotton kept too long in the field before harvest undergoes harmful chemical changes, according to research by Dr. Lyle E. Hessler, Texas Tech textile engineering professor. But these changes are diminished by early harvesting, Hessler reports.

His findings demonstrate that two types of chemical changes, biological and oxidative, cause degradation in field-weathered cotton.

Biological decay, due to heavy rain or fog during harvest causes no harm to South Plains cotton, Dr. Hessler said. But oxidative degradation, because of sunlight, wind and dust, causes color changes in the area staples, he added.

Oxidation-induced cotton changes are latent, and show up in finishing and laundering, Hessler said.

starting Nov. 9, according to Hessler.

"Oxidation's effects are removed by alkali boiling and alkali bleaching," he stated. "Dye absorption is affected, and this causes shade variations in the completed fabric."

Oxidative degradation is lessened by early harvesting which necessitates stripping the cotton leaves by a chemical process, rather than waiting for the first frost to strip them, Hessler said.

Experiments leading to these results were conducted in two cotton fields—one weathered up to five months, starting Sept. 4, and the other up to two months,

# Style Show Is Highlight of Annual Co-Op Meeting

A net profit for the past year of \$62,647.95 was reported Monday a week ago to stockholders of Meadow Co-op Gin. The favorable fiscal report was rendered during the gin's annual meeting in Meadow.

In addition to the stockholders

attending ate a huge fish supper and watched a style show, directed by Mrs. Billie Louise McCallister and Mrs. Clois Sharp.

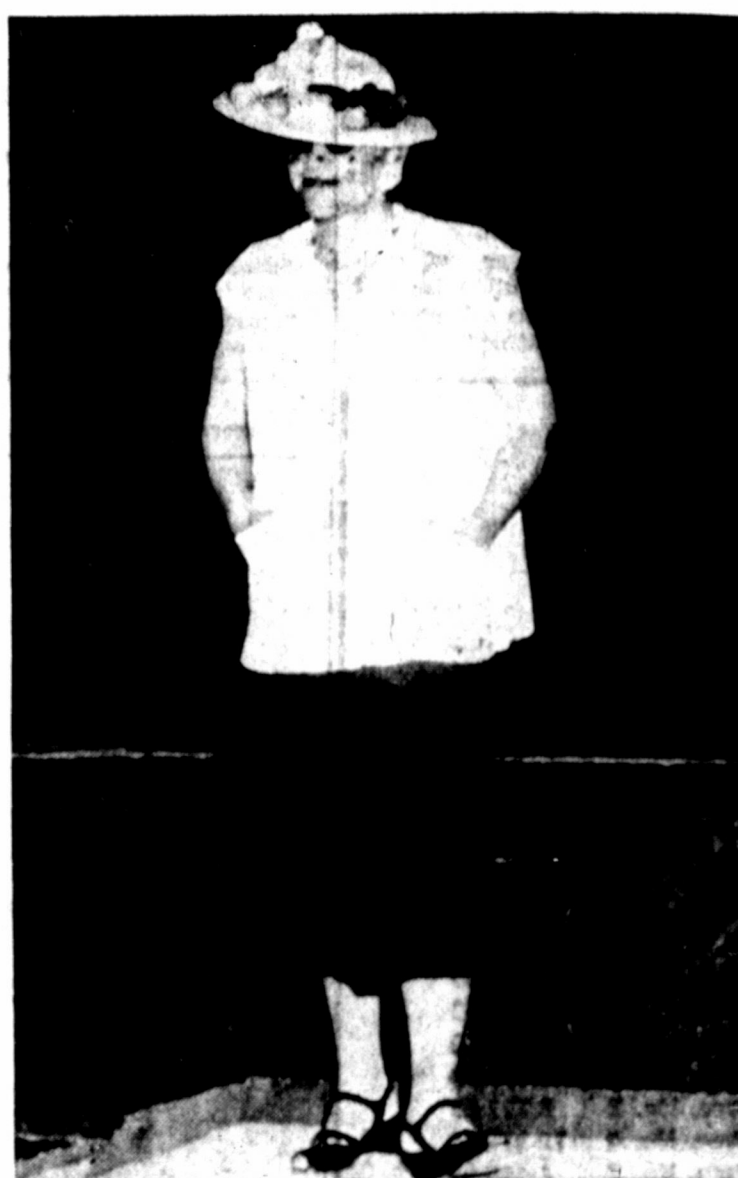

Wilmer Smith, president of the board of directors, Plains Co-op Oil Mill at Lubbock, was the guest speaker, giving a brief resume of the Lubbock co-op's progress and its meaning for farmer-

members of the South Plains area. Carl Prichard, who will remain as manager of the Meadow co-op for the coming year, discussed briefly its progress of the past year.

The session was climaxed with the re-election of the following as directors: Homer Barron and J. C. Keese.

**MEADOW STYLISTS** — From left in the upper panel: The Robert Liles family, Carol Hester, Linda Barron and Barbara Russell. To the right: Mrs. Bill Marchbanks, Harriet Burleson, L. L. Ericson and Joe Burleson. In the bottom picture: Tootie Henson. The group took part in the style show Monday a week ago which climaxed the annual stockholders meeting of Meadow Co-Op Gin. An estimated 1,226 persons attended the session, eating a fish supper and hearing the fiscal report. Homer Barron, co-op president, acted as emcee. (Staff Photos)

offered for sale at competitive world prices, deals with one of the most pressing problems facing the American cotton industry."

In discussing the USDA announcement that the 1956 cotton crop will be supported at 82½ per cent of parity, based on 7/8-inch middling, Blake declared:

"The 82½ per cent, based on 7/8-inch middling, indicates a support price for middling inch of approximately 32½ cents a pound. This is 2½ cents below the support for middling inch last year."

"Based on these loan rates, the cotton support is approximately 87½ per cent of parity for the

## Dairy Farms Are Upping Milk Yield

The number of U. S. farms selling milk is declining, reports the U. S. Department of Agriculture. Average of the crop."

Yet total milk sales have reached a new record high, as sales per farm rapidly increase.

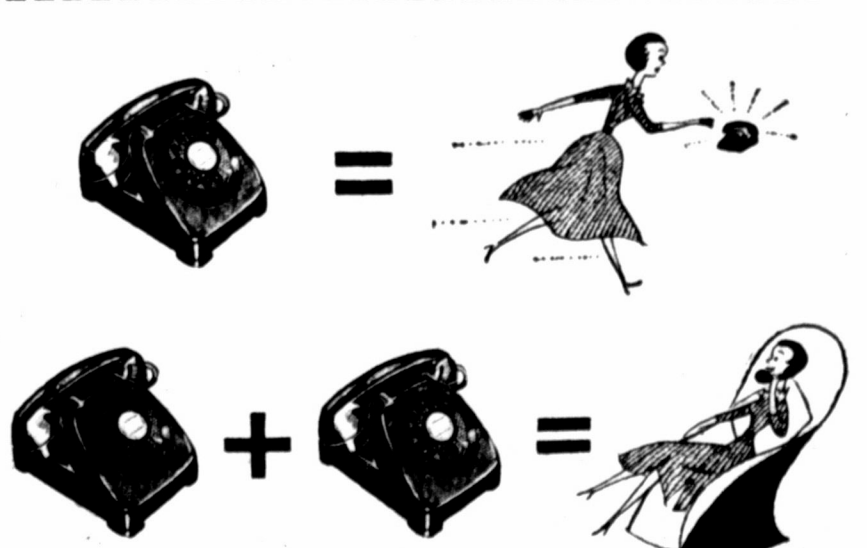

For the country as a whole, the number of farms reporting milk cows declined 19 per cent from 1941 to 1950 and an additional 20 per cent from 1950 to 1954.

Sales of whole milk per farm averaged 88,000 pounds for

the U. S. as a whole in 1954, an average of 240 pounds per day. The variation among States was very wide—from less than 30,000 in Tennessee to more than 400,000 pounds for California and more than 500,000 pounds for Florida. All states showed a higher average-per-farm production in 1954 than 5 years

earlier, in some cases more than doubling the volume.

Part of this increased volume, according to the USDA, is the result of rising production per cow. The rest is due to larger numbers of cows per farm. The gain in average rate of production per cow, between 1 and 2 per cent each year during the past 15 years

**HD CLUB WOMAN**—In the picture above is Mrs. Dorris Tuggle, a fairly new member of Harmony Home Demonstration Club. Mrs. Tuggle, like all HD women, is quite enthusiastic about her work. The club at present is helping nine others in the county to put over the annual Cotton Week in Terry, May 14 through 19. (Staff Photo)

**MYSTERY FARM NO. 34** — Without a doubt, MF33 of last week belongs to C. E. Barton— five persons telephoned to say so, and Barton came in to say so, himself. First to call was Bobby Beadles of Route 4, Brownfield. The others called in the following order: Billy Nipp of Gomez, Mrs. Lee Bartlett of Meadow, Val Garner of Brownfield and C. W. Sims of Brownfield. The Barton farm is located 2 miles north of Gomez. Beadles will receive two tickets to any one of the four Jones theatres.

1956 crop year with practically the same legislative program as they experienced during 1955, with veto of the proposed farm bill by President Eisenhower.

Cotton farmers who already have received 1956 cotton allotments will operate under the same program with the Agricultural Stabilization and Conservation office in each county.

The program is almost identical except that the sliding scale for supported crops pushed the guaranteed loan price a bit lower.

Price supports for cotton will be 82.5 per cent of parity on the national average and figures to about 28.85 cents a pound on middling 7/8-inch cotton.

"The future hope of each farmer and the future hope of all farmers lies in soil protection and soil building."—Anonymous.

South Plains farmers face a mous.

Figures for the first five months of the Seagraves cage egg program show that operators in the project have made good progress in liquidating their obligations, banker Bill McMurry of Seagraves said this week.

"The conclusion is plain: Time and land are running out, and we dare not delay for a single unnecessary reason in safeguarding the productive land which we have left."—Dr. H. H. Bennett.

Communitywide observance of Cotton Week, May 14-19, will be pushed in the Seagraves area by the Chamber of Commerce.

Chamber directors voted to sponsor the event after hearing a discussion of cotton problems by John Gregg of Lubbock, representative of the National Cotton Council.

"Conservation must exist in

the mind before its exists on the land."—Ollie E. Fink.

Brownfield youths are expected to be in Lubbock on Saturday for the 29th annual Vocational Agriculture judging contests to be held at Texas Tech. The Brownfield boys will be competing with some 1,600 others from FFA chapters in West Texas.

Contests are to get under way at 10 a.m. The boys will be judged in livestock, dairy cattle, dairy products, cotton, wool, crops, poultry, meats, grass and land judging.

"The foundation of soil conservation farming is proper land use."—Anonymous.

The fifth annual Cotton Insect Control Meeting will be held May 3 in the Agricultural Engineering Auditorium at Texas Tech, it was announced last week by Welton H. Jones, district extension service agent. The meeting is for county agents, vocational agriculture teachers, processors distributors

and aerial applicators.

"There is no genius in life like the genius of energy and industry."—D. G. Mitchell.

The U. S. Department of Agriculture reports production of rayon and acetate broad woven goods totaled 1.9 billion linear yards in the 1955 calendar year, up 13 per cent over 1954 production.

Cotton lost still more ground to man-made fibers of flax and silk in a competitive battle for markets. Cotton made up 66 per cent—lowest annual percentage on record—of the fibers used last year

**Cpl. Willingham Joins In Task Force Assault**

BARKING SANDS, KAUAI, T. H. (Apr. 7) (FHTNC) — "Operation MAUKA," first full-scale assault by Marines of the 1st Provisional Marine Air-Ground Task Force, was marked with landings on this Hawaiian island from sea and air shortly after dawn this morning.

Participating in the exercise with Marine Aircraft Group 13 is Cpl. Fred L. Willingham, son of Mrs. Mattie Willingham of 1210 E. Cardwell st., Brownfield, Tex.

Participating in the exercise with Marine Aircraft Group 13 is Cpl. Fred L. Willingham, son of Mrs. Mattie Willingham of 1210 E. Cardwell st., Brownfield, Tex.

"Yep," said the boy, pointing to a puppy with an enthusiastically wagging tail. "Give me the one with the happy ending."
