MEN'S SUITS AND LADIES' SKIRTS

XX

WE MAKE 'EM

To Individual Measurement Only

Our lady customers can rightly be thankful to have such people as The Royal Tailor's make them their skirts to measure. We have been ordering clothes for men for the past ten years from The Royal Tailors and we have customers today who will willingly testify to their good merits. Our spring samples are now ready for inspection.

Our Ladies' Skirt Department

Is a new feature with us. It has been organized on a scale of completeness that insures the production of skirts of the highest merit. In addition to MAN-TAILORED SKIRTS from our extensive line of men's cloths which are suitable for ladies wear we show a magnificent variety of patterns which have been designed exclusively for our Ladies' TAILOR-MADE SKIRTS. Ask the local dealer in Royal tailoring to show you our Spring Fashion Plate for 1902, including our Challenge Walking Skirt "THE TIGRESS". All skirts made to measure, on our own premises, by our own expert tailors.

Feb. 8—Why not a few lives from our community?

Well as the snow has come to wet the earth in stead of rain, we farmers feel a l.o.k. once more. The people can now get to plowing and prepare their land for another crop and stop that old growl, "too dry".

Stock is going through the winter very well, but feed is going to be an object with some of us.

Some of our boys left for the South a few days ago and more are to follow. Brother Green Robinson and Emery Robinson have gone. George Robinson and C. W. Gilbert are among those to follow soon. We regret to lose them, but some of them will return as did the Prodigal son and be satisfied with Callahan county. We are always glad to welcome new comers, especially those with money, but we know we will have to welcome these poor boys back in hard shape, bursted flat.

We have a fine school conducted by Prof. T. E. Lane. There are fifty-eight scholars enrolled.

There is being a good deal of new land being put in cultivation here by some of the boys who are not afraid of the grubbing hoe. Among those who are putting in new land is Riley McDonel, Lawrence Stewart, C. F. Oglesby, C. J. Oglesby, Bert Gilbert J. E. Hudson.

O. H. Gilbert has a tree and stump puller which pulls them up right now. This is the tool for the timber spur.

Mr. Editor, I see there is going to be a good crop of candidates this year but there is one good thing sure, while we will have to be bothered to death with them we will have the pleasure of trashing them out to one in a place.

What about the primary? Is there any use for a primary, there being only one party.

Success to THE STAR and its many readers.

CROSS PLAINS LOCALS.

Feb. 10—Well after being frozen up for quite a while the bright rays of sunshine this morning, have brought us to life again.

Everything seems full of business this morning. The sound of the anvils are heard in all the shops, and the farmers faces are cheerful and bright.

Messrs. Scott Gilbert, and Bill Coffman left for Brownwood yesterday.

Mr. Gaines, our editor, went to Burket yesterday. We didn't learn his business, but presume he still has an interest there he has to look after every Sunday.

Mr. Speed, of Cisco, has decided to take up his abode with us and has been busy moving, this bad weather. He brought his family down Saturday. We extend to him and family a hearty welcome.

Mrs. Clapp, and little grand daughter Eloise, of Thorp Springs, are visiting Mrs. W. R. Wagner.

Rev. Cooper preached at the Baptist Church yesterday at 11 o'clock and at night.

Messrs. Mike Wyatt, and Bob Baum of Thorp Springs are visiting here, working up the Life Insurance business.

The Methodist will hold their Quarterly Conference at this place next Sunday.

Mr. Hill is putting a coat of paint on the school building, which is adding a great deal to the appearance of it.

Cross Plains citizens are thinking of having an Artesian well drilled, which would be a grand move for this place, and which is just becoming an actual necessity.

There are wagons in from Coleman Co. after cotton seed this morning. Success to THE STAR. X

Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily. You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food. Sold by Powell & Powell, Baird, Texas.
