

BOSTON WINNER SECOND GAME WORLD'S CHAMPIONSHIP SERIES

FOSTER'S SINGLE WINS FOR BOSTON

PHILADELPHIA DROPS SECOND GAME OF SERIES BY THE SCORE OF 2 TO 4.

VICTORY COMES IN NINTH

Phillies Tie Score in Fifth On Pair of Two-Baggers, But Lose in the Last Frame.

National League Park, Philadelphia, Oct. 9.—Pitcher Foster of Boston won his own game in the ninth inning today, when his clean single scored Gardner, who had previously singled. Foster got three hits for his team. Boston scored in the first inning on a walk and two singles and the Phillies tied the score in the fifth on two baggers by Cravath and Luderus. The final score was two to one.

The attendance as on Friday, was limited only by the capacity of the park, there being about 21,000 persons in the grounds. Considerable money was placed on today's game, even money being offered. President Wilson and his fiancée, Mrs. Galt, were present, occupying a box in the left stands between the plate and third base. The members of the party were cheered as they entered and took their seats.

The umpires were assigned as follows: Rigler at the plate, Evans on the bases, Klem in right field, O'Laughlin in left field. President Wilson tossed the first ball to Pitcher Mayer and the game began.

FIRST INNING Boston—Hooper was first up, drew two strikes and three balls, then walked. Scott fouled out to first base. Speaker singled to right field after the count was two and three on him, the long drive giving Hooper time to go to third. The double steal was attempted, Speaker being put out at second and Hooper scoring when Burns muffed the throw to the plate. Hobbittelle singled to center field, but went out trying to steal second. One run, two hits, one error.

PHILADELPHIA—Stock went out on a grounder to short. Bancroft was the first to succumb to Foster's curves, striking out. Paskert sent a grounder to Barry and was thrown out at first, Foster covering the bag and taking the throw. No runs, no hits, no errors.

SECOND INNING Boston—Mayer struck Lewis out. Gardner found Mayer for a single to left field. Barry was this inning's second strikeout. Thomas went out, pitcher to first. No runs, one hit, no errors.

PHILADELPHIA—Foster sent consternation into the Philly fans by striking the mighty Cravath out. Luderus best was a pop up to third, and Whitted went out, short to first.

THIRD INNING Boston—Foster struck out and Hooper fumbled suit. And then Scott also failed to connect, making three strike outs for Mayer in this inning and five in two innings. No runs, no hits, no errors.

PHILADELPHIA—Nichoff struck out. Burns hit a grounder to Hobbittelle and was thrown out at first. Foster taking the throw to the bag. Mayer struck out. Up to this stage of the game Foster had disposed of the

Phillies in one, two, three order. No runs, no hits, no errors. FOURTH INNING Boston—Speaker went out, short to first. Hobbittelle went out to first, unassisted. Lewis singled over center. Gardner went out on a fly to left. No runs, one hit, no errors.

FIFTH INNING Boston—Barry went out on a grounder to third, Stock making a very brilliant stop and throw on the play. Thomas gave Stock another grounder which was also safely handled. Foster gave the local rooters a thrill with a double-to-right field—the first extra base hit of the series. Hooper was passed, drawing four wide ones. With two on bases Scott flied out to center. No runs, one hit, no errors.

SIXTH INNING Boston—Speaker went out on a short fly to Bancroft. Hobbittelle sent up one of the same, which Barry handled. Lewis struck out for the second time this game. No runs, no hits, no errors.

SEVENTH INNING Boston—Gardner flied out to left field. Barry hit one in the same direction that Whitted could not reach. Thomas sent a grounder to Bancroft forcing Gardner at second. Foster sent a single into left field, putting Thomas on second. Hooper was safe at first, filling the bases on a hot one to Foster that was scored as a hit. Hendrickson was sent in by Manager Carrigan to bat for Scott, but his best was a pop up to Luderus and the Philadelphia fans rejoiced greatly. No runs, three hits, no errors.

EIGHTH INNING Boston—Speaker went out on an infield grounder to Luderus. Foster covering first. Hobbittelle sent a long foul to Cravath and was out. Lewis went out, short to first. No runs, no hits, no errors.

NINTH INNING Boston—Gardner was first up and drew two strikes and three balls, singled safely. Barry was out on a fly to center field, Gardner being held at first. Janvyn went out,

SHORT FIELD FAVORABLE TO PHILADELPHIA TEAM

By Associated Press. New York, Oct. 8.—Twelve months ago when the Boston Americans defeated the Philadelphia Athletics for the world's title of baseball champions, all the games were played on American League grounds and this year the contending teams will meet in National League parks. An exchange of courtesies between Presidents Gaffney and Lannin of the rival Boston clubs made possible an additional seating capacity of the games last year. In return for the kindness of President Lannin, last season, President Gaffney has placed Braves Field at the disposal of the American League pennant winners for the coming series thereby affording accommodations for several thousand additional spectators.

The new home of the Boston Nationals, where at least half of this year's battle will be staged, will seat possibly a few hundred in excess of 45,000 persons. At first an erroneous impression prevailed that the Braves Field after the erection of temporary stands would accommodate over 52,000 spectators. In fact a semi-official statement was made to that effect.

Since President Lannin accepted the offer of President Gaffney, Red Sox officials have been busily engaged checking up the seating capacity of the National League grounds and they found the first reports to be considerably in excess of actual figures reached after a thorough inspection of the grand and other stands and bleachers. It has also transpired that a municipal ordinance exists which prohibits the erection of temporary structures and as the time is too short in which to build permanent stands on the grounds, a liberal estimate of the park's capacity places it about 42,000.

This, however, will be far in excess of the possibilities of Fenway Park, where 35,520 persons, the largest attendance ever registered at a baseball game in Boston witnessed one of the games between the Braves and Athletics last October.

The playing field extends 385,500 and 580 feet respectively from the home plate to left, center and right fields—ranging over the broad reaches of Braves Field, the fences in which are from 355 to 520 feet

THE MAKER OF DREAMS AT THE GEM MONDAY

Hal Forde, a new photoplay favorite and Alice Hollister are featured in a four part Broadway favorites production, "The Maker of Dreams." A synopsis is given. It is Mrs. Merwin's desire that her son, Harold shall marry Rena. She gives a week end party in the heir's honor. Harold, finding himself unable to stand the chatter of the guests, strikes out toward the woods. Attracted by the music, Lorna approaches the mansion. Harold is amazed to see the girl break into a dance, brilliant in its wisdom. Discovering her audience, Lorna flees. Harold overtakes her just as she reaches her cabin. The two fall in love.

Mrs. Merwin is horrified when she discovers what has occurred. Meeting Lorna, she makes the girl believe that Harold's future demands that he marry Rena. Unaware of this interview, Harold is thunderstruck when Lorna breaks their engagement. Filled with rage and pique, the boy makes Rena his bride.

The shock drives Lorna insane. The ignorant settlers gradually come to regard her as a witch woman. Neal, Harold's son, bears a remarkable resemblance to the father. The latter has never forgotten Lorna and when Neal announces his intention of marrying Josie, a poor girl, Harold endeavors to help the boy win Rena's consent.

Neal and Josie elope, going to the Merwin mansion to spend their honeymoon. Lorna, a withered hag, sees Neal. Mistaking him for Harold, she frantically tells him that she has loved him all along. Neal, however, spurns her. Wild with rage, Lorna captures Josie and is about to kill her when Neal saves his bride's life in the nick of time. Harold follows Neal to the mansion. Thus the old sweetheart's meet again. The shock of all she has endured is too great for the old woman and she dies in the arms of the man she loves.

It is stated that W. D. Doyle, who has been drilling the test oil well on section 199, asks a six months extension of lease in order that he may drill 500 feet deeper. The well is now at 1,800 feet and there have been good indications of gas and oil. This well has cost Mr. Doyle many thousands of dollars, and money is not so easily raised this year on wild cat propositions as it was two years back. It is stated that several of the largest owners of land under lease to Mr. Doyle have readily consented to the extension asked and there is no doubt of others doing likewise. With this well at a critical depth, it looks as if there should be no hesitation in granting the extension, for if Mr. Doyle should abandon the hole and move the rig away, it is no way likely that another test would be drilled in this county in a long time.

GASOLINE IS UP TO 17 CENTS AT STATIONS HERE

Gasoline prices have advanced to 17 cents a gallon at several of the stations in Wichita Falls. This is an advance of 70 per cent in the past eight months, gasoline having retailed at 10 cents a gallon in the early spring. The advance is in about the same proportion as crude oil.

BULGARIA PLANS TO OCCUPY MACEDONIA

By Associated Press. Sofia, Oct. 8.—Delayed in transmission—Bulgaria, it is considered here, is certain to occupy Macedonia simultaneously with the launching of the Austro-German offensive against Serbia. In the view that the entente powers are bound to resent the occupation of Macedonia without their consent Bulgaria is said to be prepared to meet whatever situation may be created.

BULGARIA'S REPLY GARBLED IN TRANSMISSION

By Associated Press. Petrograd, Oct. 8.—(via London)—Bulgaria's reply to the Russian ultimatum was transmitted in the Bulgarian language and was so badly garbled in transmission that the foreign office has not been able accurately to reconstruct the text. The message is described as "bold to the verge of insolence." In substance, Bulgaria declines German and Austro-German demands that the Bulgarian armies be sent to the front to invade whom she pleases. Regarding the acceptance of financial assistance from Germany Bulgaria retains the right to make loans wherever she pleases.

INTERURBAN CAR PLUNGES INTO BARN, TWO HURT

By Associated Press. Waxahatchie, Texas, Oct. 8.—Motorman J. L. Woods was seriously injured and Conductor A. D. Chesler slightly hurt when the south-bound Dallas-Waco interurban express car left the rails here early today and plunged into a barn by the side of the track. The wrecked car took fire, while the barn was badly damaged. Both injured men are in local hospitals. There were no passengers aboard the car.

ALL NIGHT RAIN THREATENED TO PREVENT GAME TODAY

By Associated Press. Philadelphia, Oct. 8.—After an all night rain which soaked the National League Park to such a degree that it was thought impossible to play the first game between the Philadelphia Nationals and the Boston Americans for the world's championship, the wind shifted to the northwest and blew away the clouds and permitted the sun to shine brightly. At 10:54 p. m. announcement came from the National Commission that the game will be surely played, starting at two o'clock eastern time.

SUSTAINS CONVICTION IN "GRANDFATHER CLAUSE"

By Associated Press. The United States circuit court of appeals today affirmed the conviction of Frank Guinn and J. J. Beal, election officers of Kingfisher county, Oklahoma, for conspiracy to oppress negroes by the enforcement of the Oklahoma "grandfather clause." Guinn and Beal appealed from the federal district court at Oklahoma on the grounds that the act for which they were convicted was done in obedience to the State law.

LOSSES OF ALLIES GREATER THAN TEUTONS.

By Associated Press. West Point, N. Y., Oct. 8.—General Francis Greene, U. S. A., retired, in an address on the war before the New York State Historical Association last night gave what he called an "intelligent guess" of the casualties on the present war. He estimated the number killed at 2,065,000. General Greene divided the losses as follows: Entente Allies, 1,107,000; Teutonic allies, 3,820,000.

AMERICAN AIRMEN WITH THE FRENCH ARMY

By Associated Press. Paris, Oct. 8.—Seven American volunteer aviators took part in aerial reconnaissance in the battle of Champagne. Five more American airmen are scouting and raiding on other parts of the French lines and eleven are in training in an aviation school. These twenty-three men form the Franco-American flying corps which has just been opened. The American corps has two objects—to assist France and to give American airmen experience in war so as to fit them to serve in the American aerial service should the occasion arrive.

GERMANS MAKE PROGRESS IN THEIR GREAT DRIVE INTO SERBIAN TERRITORY

By Associated Press. London, October 8.—Berlin announces that the movement of the Teutonic forces across the Danube-Save and Drina are proceeding favorably. Mention of the capture of three cannons in the vicinity of Ram about 40 miles east of Belgrade on the Danube seems to indicate this is a point along which one edge of the wedge into Serbian territory may be thrown.

BULGARIA HAS ANNOUNCED DECISION FOR TEUTONS

By Associated Press. Berlin, October 8.—The Frankfurter Zeitung asserts that the Bulgarian government has issued a manifesto to the nation, announcing its decision to enter the war on the side of the Central Powers. The manifesto as quoted by the Overseas News Agency states that Bulgaria would commit suicide if she did not align herself with Germany and her allies. The manifesto as given by a news agency follows: "The Central Powers have promised us parts of Serbia creating an Austro-Bulgarian border line which is absolutely necessary for Bulgaria's independence of the Serbians. We do not believe in the promises of the Quadruple Entente. Italy, one of the allies, treacherously broke her treaty of thirty-three years."

ALLIED TROOPS RUSHING TO AID OF THE SERBIANS

RUSSIAN SHIPS FIRE ON A BULGARIAN PORT. Force Teutons Hurling Against Serbians Estimated at Between 400,000 and 600,000.

By Associated Press. London, Oct. 8.—The new Teutonic invasion of Serbia is now in full swing, in command of Field Marshal Von Mackensen the German and Austrian forces are seeking to push their way southward with the Drina, Danube and Save rivers at their backs in an attempt to seize the front line railway stretching from Belgrade to both Saloniki and Constantinople.

The official German communication now carries the sub-caption "Balkan Theater of war," indicating that these operations are to be chronicled daily. Estimates of the strength of the Austro-German forces along the Serbian frontier range from 400,000 to 600,000 men. There may have been withdrawals by the Austrians and Germans from some parts of the eastern front, but the renewed efforts of Field Marshal Von Hindenburg to capture Dvinsk does not indicate any weakening of the troops under his command.

CARRANZA'S RECOGNITION NOW SEEMS ASSURED

COLORADO GOVERNOR REFUSES TO INTERFERE. MOST NEARLY MEETS REQUIREMENTS OF U. S.

By Associated Press. Denver, Col., Oct. 8.—The more than one thousand persons made defendants in cases growing out of the recent coal strike in Colorado must go to trial. Hoping that Governor Carlson would order a sweeping dismissal of the pending cases flickered out at midnight last night when the chief executive refused to interfere in the prosecution. This decision came a few hours after the announcement of the action of the supreme court ordering the release on bail of \$85,000 of John R. Lawson, labor leader convicted several months ago of first degree murder in connection with a strike disorder.

RUMOR OF PROTEST WITHOUT FOUNDATION

By Associated Press. Athens, Via London, Oct. 8.—The official news agency announced today that there was no foundation for rumors circulated in some quarters that the new Greek cabinet intended to protest against the landing of allied troops on Greek soil.

TRAIN CARRYING MILLIONS IS ROBBED BY TWO MEN

B. AND O. EXPRESS HELD UP IN WEST VIRGINIA. Train Carried Heavy Consignment of Gold and Currency From New York to the West.

By Associated Press. Wheeling, W. Va., Oct. 8.—Two masked men early today held up and robbed a Baltimore and Ohio express train from New York to St. Louis two miles west of Central, West Virginia. Their booty was taken from the mail cars, according to reports reaching here, and was believed to be large. The train robbed is one of the best on the Baltimore and Ohio system. It

ANDERSON WINS RACE BREAKS WORLD'S RECORD

By Associated Press. New York, Oct. 9.—Anderson in a Stutz racer won the Astor cup race at Sheepshead Bay track today. His time was three hours, 23 minutes, 42 seconds, an average of 102.90. Rooney's was second. His time was 3 hours, 25 minutes and 22 seconds, an average of 112.99 miles an hour. Both are official and both broke the world record of 3 hours, 35 minutes and 25 seconds made at Chicago. Bob Burman was forced out of the race by engine trouble a few miles from the finish.

PRESIDENT AND FANCEE IN ATTENDANCE TODAY

By Associated Press. National League Park, Philadelphia, Oct. 9.—President Wilson and his fiancée, Mrs. Norman Galt, looked on while the Philadelphia Nationals and the Boston Americans came to Fenway today at the second battle of the world's baseball series before 20,000 spectators. With one line captured the Phillies pressed on the second line of the trenches to make two straight games while Manager Carrigan, leading the Boston Red Sox started an offensive to even up before the second phase of the campaign was started in Boston next week.

ANDERSON WINS RACE BREAKS WORLD'S RECORD

The crowds came early. By noon the back field was filled and the crowd still coming and pressing for admission. The reserved seats were filled slowly although many came early to see the president and his party on his arrival. The presidential box near the Boston bench of third base, was loaded with red, white and blue bunting and small American flags. The playing field was in fine shape for fast play, the wind during the night having dispelled much of the dampness from the ground and the warm sun this morning helped in the drying out process.

RECEIVER APPOINTED IN PENDING DIVORCE HEARING

In the 78th district court today, the case of Mrs. Idou vs. W. M. Idou was heard by Judge Nicholson. This suit was for injunction, receiver and alimony. A suit for divorce has also been filed, but service has not been completed and Mrs. Idou asked that her husband be restrained from interfering in the management of the store, which is their joint property, that a receiver be named for the store, and that she be allowed alimony. Judge Nicholson ordered the store placed in the hands of a receiver, who is to pay Mrs. Idou \$20 weekly for her support.

Cottolene is pure and wholesome

The shortening you use in cooking and baking should have all the excellence of the food that is prepared with it.

Cottolene itself is a pure, wholesome food, consisting of ultra-refined cottonseed oil—as fine as the choicest salad oil—and beef stearine from selected leaf beef suet.

Cottolene

is not "just as good" as other cooking and frying fats—it is better than any other—more nutritious, more wholesome, more digestible—better in every way.

Cottolene does not absorb tastes or odors. Heat it slowly and use it over and over for all kinds of frying.

Always use a third less of Cottolene than of any other shortening. Cottolene goes farthest and gives the most gratifying results.

Pails of various sizes. Arrange with your grocer for a regular supply.

Write our General Offices, Chicago, for a free copy of our real cook book, "HOME HELPS."

CHILD ATE CASTOR BEANS MADE SERIOUSLY ILL.

Iowa Park Herald.
Cecil, the young son of D. O. Smith and wife, ate some castor beans that had been given him by a school boy, thinking they were candy, and for a time was very ill, however we are

glad to note that he is improving nicely at this writing.
Castor beans are very poisonous and it was fortunate that the child did not eat more of them. This should be a warning to the smaller school children. The boy who gave Cecil the beans was fortunate in not being a victim of them himself.

The body of W. H. Parker, who died Wednesday in a local sanitarium, was shipped last night to Notasulga, Ala., where relatives reside. The deceased was about thirty years of age and had no relatives here. He had been working in the oil fields here for some time.

MUCH COMPLAINT OF THEFT OF FLOWERS HERE LATELY. Hereafter when dear teacher gets a handsome bunch of roses or other flowers from one of her pupils, an inquiry into the source of the flowers may rob them of some of their fragrance. Complaint has been made to the police department that the flowers in the city parks are being ruthlessly taken by children and steps are being taken to stop the practice. One little boy who was seen making away with a fine bunch of the city's roses recently was asked what he intended to do with them. "They're for my teacher," he said. Flowers have not only been plucked, but in some cases the plants have been pulled up by the roots, and if the police department keeps its promise flowers will appear less often on some teachers' desks.
