THE FRIONA STAR

Trade at Home Play on the Team That's Friona!

Volume 24 — No. 52

Friona, Texas, Friday, July 21, 1950

Price 5c

COLUMN LEFT

In the absence of editorials this week, attention is called to the article on page 1, section 2 of this issue, setting forth some policies of the Friona Star. We invite your attention to these policies.

CL LeRoy LaMaster will do quite well in this Congressional race if all his boosters are as enthusiastic as was his sister-in-law who visited in Friona this week. Mrs. Cy LaMaster, the former Eula May Chappell (Toone) will be remembered locally as she lived here, teaching commercial work in the Friona schools from 1937 to 1941. Her recommendations for brother-in-law LeRoy were quite convincing.

CL For those who receive the Star on Thursday evening, attention is again called to tonight's (Thursday) public meeting for discussion of re-activating a chamber of commerce and agriculture. Some new plans will be presented by W. L. Edelman who has called the meeting, and the entire public of this area is urged to attend, voicing your wishes in this civic enterprise. Like public elections, this discussion period is your opportunity to make your wishes known about civic or rural programs affecting you and your neighbor. Let's have all the pros and cons, but be there!

CL We do not enter into local politics, but there are some posts to be filled on the regional and state level that we are going to commit ourselves on, listing our personal choices with supporting reasons. This is done only because we believe many local voters are unfamiliar with the candidates for these down-state offices.

CL Here goes: For governor, we will certainly support Allan Shivers, who has conducted no intensive campaign, but who has made a clean record in office, and who has made numerous trips over the entire state, meeting its citizens and studying its problems, all at his own personal expense. We have met Governor Shivers on numerous occasions and we are thoroughly convinced of his integrity, ability and usefulness as a leader.

The lieutenant governor's race has several good men seeking the office. Preston E. Smith of Lubbock County is the only West Texan and would probably do more for this area than other contestants. West Texas blocs will support Smith almost one hundred percent. Ben Massey of San Augustine County and Pierce P. Brooks of Dallas are conducting quite active campaigns and should be among top vote-pullers.

The position of Judge of Court of Criminal Appeals has its share of worthy seekers also. Well-known Bob Lattimore of Dallas County and Joel W. Cook of Harris County are leading contenders who will be faced by another West Texan—G. H. Nelson, the highly capable Lubbock candidate whom we will support.

We have never understood just what the Texas Commission of Agriculture did for 365 days of the year, but we find no outstanding opponents to incumbent J. E. McDonald, the rugged and likable incumbent who recently spoke in Friona. This paper will support Mead F. Griffin of Plainview for the post of Associate Justice of the Supreme Court, Place 3. Many of us here know first hand of his work as a Christian gentleman, a highly qualified attorney, both at home and abroad during the German war-crimes trials, and of course he is the only West Texan ever to have this post, as far as we know. He deserves your support.

CL For congress — well, Walter Rogers is a man of undisputed capabilities. Aitavene Clark is a woman of rare Washington experience, knowing the ropes there, and our friend LeRoy LaMaster is a sincere level-headed Panhandle type of man. Now all these are mighty good qualifications. Likely any would make us a very creditable representative should Republican Ben Guill be

At home or at the hospital... it's work for Dr. and Mrs. Charles C. Henderson who arrived in Friona Saturday! Upon seeing the doctor already acclimated to his surroundings when this Star reporter called on him Monday morning, we naturally were curious regarding Mrs. Henderson's experiences... we just couldn't believe a weekend move could be made with as much ease as the doctor's calm bearing indicated. And, oh, what we found upon calling at the home! We're publishing the graphic proof of the romance of being a young physician's wife... the unpacking of box after box, the establishing of a new home, the behind-the-scenes plain hard work that only the doctor's wife knows! Pictured left is Dr. Henderson being assisted in the office by Miss June Plezewski. At right is the attractive Mrs. Henderson with son Bob, unpacking at the residence formerly occupied by Dr. Childress.

Dr. C. C. Henderson Joins Local Staff

Dr. Charles C. Henderson arrived Saturday from Houston to assist Dr. Paul Springer at the local Parmer County Community hospital.

Dr. Henderson brings with him an enviable background of surgical experience and schooling. For the past two years he has been at the M. D. Anderson hospital for Cancer Research, Houston, where he was a Ramon Runyon fellow. A graduate of Southwestern Medical College, Dallas, a division of the University of Texas, Henderson served internship at the United States Naval Hospital in San Diego, and he also saw two years active duty as a medical officer in the U. S. Navy.

Mrs. Henderson received her Master of Arts degree from Rice Institute, Houston, this June. Both Dr. and Mrs. Henderson are natives of Dallas, and they have one child, Bob. The entire family expressed great satisfaction in their Friona location. After a few months they will go to Mayo Clinic where Dr. Henderson will do further study.

Contract Let for Immediate Building Of 200,000 Bu. Addition to Santa Fe Grain

Potishman Announces Contract Made Tuesday Announcement of a construction of a 200,000 bushel elevator addition to the local Santa Fe Grain Company was made jointly in Fort Worth and Friona Tuesday morning.

Contract was let to the Johnson & Sampson Construction Company of Salina, Kan., for immediate construction. The new concrete unit of six bins will give the grain company a total storage capacity of 715,000 bushels here, and will be located just east of the present bins.

G. Preach Cranfill is the local manager of Santa Fe Grain, with Leo Potishman of Fort Worth as president. In a statement to the Star, Potishman said: "For 26 years we have attempted to serve the growers in this section. Friona has always been recognized as a marketing center. Top prices in the entire Panhandle have been paid at Friona. And I have always felt that if one does business in a

town, they must serve that town, and must cooperate with the citizenship toward making it a better place in which to live; with this in view, we are adding the additional storage."

Public Poll

In view of the present discussion of a re-activated Chamber of Commerce and Agriculture for the Friona area, a number of local people were asked this week, "Why do you favor or why do you not favor a re-activated chamber of commerce and agriculture?" Their answers follow:

Roy Wilson — "I definitely think we should have a Chamber of Commerce. It would help the city by helping the merchants work together."  
Ramza Bogges — "If a Chamber of Commerce would help Friona, then I'm in favor of getting one started, one that will function."  
Allen Stewart — "A Chamber of Commerce stimulates interest in a town, promotes and advertises, and therefore the city grows. Co-operation between the business means bigger and better things for the town. I think a working Chamber of Commerce will do these things for Friona."

Wesley Foster — "I see no reason why a re-activated Chamber of Commerce and Agriculture would not work in Friona. Many towns over the our area are progressing because of an active Chamber of Commerce. If we will get behind it I believe it will work. We can't just say 'Well, it did not work before so it won't work this time.' I think the Chamber of Commerce has done more than a lot of us know about."  
O. J. Beene — "I believe the reason our Chamber of Commerce didn't function well before is the fact that there was no one to really put all their time into making it work. I think it would be in the interest of Friona businesses and Friona citizens to have a good Chamber of Commerce and Agriculture."

Lightning Strikes Home Of Charles Bainum, Windows Are Shattered

Lightning striking about 5 a. m. Tuesday morning shattered three windows of the Charlie Bainum home in Friona, knocked out light fixtures, and otherwise played havoc without catching any of the woodwork afire or molesting the occupants. Wayne Bainum and Jimmie Ray Bainum were sleeping with their heads quite close to one of the windows that was knocked out, but were uninjured.

Babies Mr. and Mrs. Glenn Stevick, boy, Ronnie Glenn, July 2nd. Mr. and Mrs. Hadley Reeve, boy, David Lee, July 13th. Mr. and Mrs. Jack Razberry, boy, Donald Rex, July 11th.

Saturday Demo Voting Nears; Few Contests Draw Wide Interest

Varying Rains Fell Throughout County

No Extensive Damage Has Been Reported

The Friona area received its share of the torrential rainfalls generally reported over the Parmer County and Deaf Smith area Monday night. Friona received 2.6 inches with heavier falls reported in spots over the county, Lazbuddie receiving over three inches, and up to 6 inches falling in several localities north of Friona and near the Harrison highway line. The Bovina area had from 1 3-4 inches to 3 1-2 inches, with heavier rains to the northwest at the state line. Little damage has been reported to crops; and no damage to homes has been reported with exception of the Hereford area, where a few homes within the city limits were waterlogged and streets were damaged. Specific falls reported to the Star include:

- D. O. Robason, 6 miles southeast of Friona, 1-4 inches.
- Claude Osborn, 5 1-2 mi. northwest Friona, 2 inches of rain, causing him to replant all row crops.
- W. H. Long, Bovina, 2 1-2 in.
- Leo McLellan, 1 mile northwest of Friona, reports that recent rains are causing weeds to completely take his row crop.
- Gordon Massey, 8 miles southeast Friona, 2.3 inches.
- G. L. Mingsus, 5 miles southwest Friona, 2.5 inches.
- C. L. Mercher, 18 mi. southeast, 2.7 inches.
- E. M. Wtner, 20 miles northwest 1 1-2 inches.
- A. W. Anthony, Sr., 5 miles north Friona, 2 3-4 inches.

General opinion of farmers is that the rains will not cause any wholesale damage to row crops. The weeds certainly will take over for awhile, but airplane spraying devices can combat that if the fields remain too wet for tractors. A few farmers already are planning to replant and some fear early rust, but generally the tone is rather optimistic.

After the drought of last season, the situation is likely to be completely reversed, with green pastures and fattening cattle in store!

Music Courses Will Be Taught at The Lazbuddie School

New Football Suits Are Planned for Next Year

The Lazbuddie Independent school will offer public school music next term for the first time, Superintendent Archie Sims announced this week. Mrs. William R. Laws will be the instructor. At the present time Mrs. Laws is attending school in Canyon. She has been giving private music lessons in Amarillo for the past several years. In addition to offering public school music, Mrs. Laws will be available for private music lessons. Rhythm band will be offered for the first two or three grades; choral singing also will be offered. Longhorns Get New Suits The Lazbuddie Longhorns will play in new football suits next season. The pants will be black, trimmed in orange. The jerseys will be orange with black trim. A complete schedule of all Longhorn games will be announced later.

Teachers Re-elected All teachers at Lazbuddie have been elected for another year with the exception of one English teacher and a commercial teacher. These vacancies are expected to be filled in the near future.

Congressman Guill Wires Statement On The President's Wednesday Report

Congressman Ben Guill pledged support of the President and outlined his reaction to the present world condition in the following telegram received Thursday morning:

"I shall support the President because it is evident that we are faced with a more extensive war than we had believed. "I hope we can avoid price control, but if we must have it, I am in favor of placing this simultaneously all the way down the line, restraining business men farmers, labor and consumers so that no segment of our nation will be able to profit from the blood of those who are fighting. We must avoid the mistakes of World War II, strikers, feather-bedding, and the hoarding of industries. "Cost plus laborer contract and other industrial abuses added billions to the cost of World War II. As a Congressman I reserve the right to vote to eliminate all controls reduce presidential wartime powers as soon as the crisis is definitely passed. This crisis must not be used to perpetuate wartime legislation in peacetime."

Parmer Will Share In Distribution of Road Fund, Sept. 1

Specific Local Amount Not Yet Known—Smith

Parmer County will share in the September 1 division of some \$14,600,000.00 rural road funds, it has been announced from Austin. This fund represents a surplus derived from the state gasoline tax fund allocated to rural roads, and will be divided among all Texas counties on a ratio based on area, rural population, and road mileage. It will be split between the state highway department and the counties.

In a telephone conversation with County Judge A. D. Smith, the Star was informed that no notice had been received by county officials on this distribution at this date. However, Judge Smith stated, it will likely be a modest amount for local use similar to the annual allotments made here. Last year's being some \$20,441.63.

The Austin report states that counties may use their part of the money for building new lateral roads "to get the farmers out of the mud" after first meeting obligations on county road bonds issued before 1939. The state share of the fund is earmarked for building farm-to-market roads.

Congregational Ladies Aid Has Wednesday Meet

The theme, "Lord, Speak to Me that I May Speak" was chosen by Rev. Mrs. Meyer in giving the devotional program at the Congregational Ladies Aid meeting Wednesday afternoon in Friona. Meeting with fifteen members present, the group spent an afternoon in devotion, sewing, and business meeting in the flower-bedecked basement of the church. Refreshments were served by the hostesses, Mrs. Bert Shackelford and Mrs. L. F. Lillard to Mesdames Pat Terry, Fred White, O. F. Lange, Geo. Treider, F. W. Reeve, C. A. Holmgren, C. P. Sissell, Buell Sanders, Otho Whitefield, F. T. Schlenker, Geo. Meyer, Pearl Kinsley and J. C. Wilkison.

The next scheduled meeting is August 2 with Mrs. J. C. Wilkison as hostess.

Congressional Race Takes Top Billing In Interest Here

County Judge Seat Is Only County-Wide Race

With the Democratic Primary election only two days away, still there is no widespread fanfare in most of the contested posts.

Only one county-wide office is contested—that of County Judge and Ex-Officio County School Superintendent with incumbent A. D. Smith being faced by W. L. (Preach) Edelman.

County commission races are contested only in precincts 2 and 4. In Precinct 2, C. H. Jefferson and G. F. Trimble have their names on the ballot, and in Precinct 4, H. L. Ivey and W. S. Menefee are listed.

See the Complete Sample Ballot on Page 3 of Second Section of this Issue.

Drawing most comment among regional races seems to be those contests for the congressional post, 18th district, representative, 120th district, District Judge, 64th Judicial district, and Associate Justice of Supreme Court, Place 3.

Rogers, Clark, LaMaster and Timmons are keeping air-ways and card-passers busy these last few days seeking to represent the Democratic party in the attempt to unseat recently elected Republican Ben Guill.

Quite a bit of local interest has been manifest in the Supreme court position sought by incumbent Meade Griffin, the West Texan seeking his first elective term.

At the close of absentee balloting Tuesday, 48 votes had been cast in Parmer County.

Poll Taxes Listed Poll taxes paid in the county total 2,019 with 56 exemptions. By precincts, poll taxes paid are: Black, 71; Friona, 621; Bovina, 334; Farwell, 332; Lazbuddie 326; Oklahoma Lane 214; Rhea, 65; Lakeview 56.

Results will be posted at the City Drug in Friona as soon as they come in Saturday night, owner O. J. Beene states.

Methodists Go To Ceta Canyon for Picnic Saturday

Members of the Friona Methodist church will go to Ceta Canyon, east of Happy, Saturday morning for an all-day picnic. The two-day weekend outing was cancelled, and the one day at the canyons will be followed by the regular Sunday services at the church here Sunday.

Those making the trip are asked to meet at the church at 9 a. m. Saturday and leave in a group for the picnic area.

Intermediate Camp

Beginning Monday, the Intermediate group of the Methodist church, Amarillo district, will hold a week-long encampment at Ceta Canyon. Rev. James Tidwell, local pastor, will be the director of the entire camp of some 200 young people. Probably twelve or fifteen from the local church will attend with adult leaders Mrs. Ernest Osborn, and Mr. and Mrs. John Gaede.

The camp will end Friday.

NEW EMPLOYEE

Miss Wanda Billingslea has been employed as a secretary for the local Soil Conservation office, commencing her work Wednesday. At the present she is driving from her home some 14 miles east of Friona.

English and South African Men Address Friona Lions Club; Bob Wear Delivers Address on 'Threat of Communism Here'

Foreign Guests Explain Agricultural Trends In Their Home Countries

Richard Nott of Worcestershire, England, shared guest speaking honors with Bob Wear, Church of Christ minister of Hereford, at last Thursday night's meeting of the Friona Lions club.

Sent to America to study the work of Future Farmers of America, Mr. Nott was in Friona to observe the work of the local F. F. A. chapter which is under the leadership of J. T. Gee. Here he visited the projects of Tommy Jones, Harold Joe Wells and Keith Brock.

The work of the Youth Federation of Agriculture in England is not sponsored by the schools as is F. F. A. work here, Nott explained. All work and organization is done outside of school in the free time of students.

Nott spoke on general farm practices and dairying in England. "After the war, we in England learned to grow many things we thought we could not, because we had to furnish ourselves and our neighbors food,"

unseated. Personally we cannot go along with J. Blake Timmons, also a strong contender for the office. He will draw a sizable vote from labor organizations, we know, and he has consistently been a little too far left of center regarding labor pressure groups, a number of his former Austin colleagues report.

he said. Fertilization and crop rotation has helped the English farmer grow more on his land. Nott also mentioned the fact that they had learned how valuable the use of summer fallowing could be to the land.

"I believe our farming is more diversified than it is here in the United States. We spend more time and effort on beef, dairy and poultry products than cash crops."

When he was asked by a Lion member about mechanized farming in England, he replied that because of the high cost and shortage of labor there was possibly more mechanized farming in England than in America.

Nott lives on a large 200 acre farm so he was justly surprised at the size of Texas farms. He will visit various parts of Texas for three months. He is staying with the F. F. A. state president in Plainview.

Mr. Wear took his topic the "Threat of Communism in America" a subject on which he is well versed, giving a thought-provoking message on this very real threat to the American way of life.

Also attending the meeting was Pat Crouse of South Africa who is here studying sheep. Crouse asked Nott what his impression of the people here was and Nott replied that he was impressed with everyone he met! "They are so friendly that I haven't yet had time to get homesick," Nott added that the Americans asked so many questions about England that he had not had time to ask about the United States.

## New Game Rules Sought by State Game Commission

Many Hunting, Fishing Regulations Affect Farmer Sportsmen

The Texas Game, Fish and Oyster Commission recommended a straight 45 day waterfowl shooting season beginning November 10. An earlier request for a zoning season to benefit Panhandle counties has been placed before the Federal Fish and Wildlife Service as has also a proposed bag limit of eight ducks per day and eight in possession instead of the four ducks per day and four in possession allowed last fall.

The Commission authorized a nine-day antelope season west of the Pecos to be patterned after the 1948 special session in which 702 permits were issued to bag male antelope. The number of 1950 permits to be issued has not yet been determined.

Game and fish seasons for the newly created regulatory authority in the new twenty-eight county Panhandle area also were approved. They call for a deer and turkey season from November 17 to November 26 for all Panhandle counties except Armstrong, Randall and Briscoe. The limit will be one buck deer and two turkey gobblers for each hunter. The three counties were exempted because of recent restocking activities by the Game Department.

The Commission approved a whitewing dove season for September 15, 17 and 19 beginning at 4 p. m. and lasting until sunset with a limit of ten birds a

**PAINTERS HURLED TO TRACKS . . .** Two painters, Harry Paravolos (left) and Frank Pavich, working on the underside of the Melrose Ave. bridge at the New York Central yards, Bronx, N. Y., await removal to Morissania hospital after they were hurled about 25 feet to the tracks when their scaffold slipped. The injured victims were covered with the black paint they were using to paint the bridge. Police stand by as doctors prepare stretchers for their removal to hospital.

day and ten in possession. The Commissioners voted for a statewide dove season of 45 days, beginning October 20 and lasting until December 3 in the south zone and beginning September 1 and running through October 15 in the north zone, with a daily bag limit of ten and a possession limit of ten.

The Panhandle area was

granted a quail season from December 1 to January 16, which are the same dates as the general state law, but the bag limits for the new regulatory area were cut from 12 per day to 10 per day and the possession limit was cut from 36 per week to 20 in possession at any one time. The Commission abandoned plans for open seasons on antelope, prairie chicken and pheasants in the Panhandle because of insufficient data and a policy of "playing it safe" until more information on these species could be obtained.

For the regulatory area west of the Pecos, the Commission authorized a deer season and quail season similar to 1949. In this area, El Paso and Terrell counties were eliminated from the antelope shooting regulations.

The statewide deer and turkey season as well as the quail season are set by law and are not affected by the latest commission action. Deer and turkey seasons for the state at large run from November 16 through

December 31, inclusive with a limit of 12 per day and 36 per week and 3 gobblers. The quail season is from December 1 to January 16, inclusive, with a bag limit of 12 per day and a possession limit of 36 per week.

The Commission, after a lengthy hearing, authorized an increase in the quota of commercial fishing boat licenses from 1550 to 2325. It also approved experimental studies in connection with authorizing issuance of licenses for 14 additional menhaden seines, to be used until September 1.

Other action concerning the new Panhandle regulatory area include: squirrel season, May 1 to July 1 and from October 1 to December 31, with a bag limit of 5 per day and a possession limit of 5; trapping season on furbearing animals, December 1 through January 31, except muskrat, which will be December 1 to December 28; limiting crappie bag to 15 per day and 30 in possession and similar provisions for channel cat, with black bass limited to 6 per day and 12 in possession, and no bag limits for sunfish, perch, bream, blue cats and mud cats; restricting each fisherman to one trotline of not more than 20 hooks and an aggregate of not more than 20 hooks on all kinds for each fisherman, limiting a fisherman to possession of 200 minnows and putting a 20-foot limit on minnow seines.

The Panhandle regulatory district comprises these counties: Randall, Potter, Oldham, Gray, Roberts, Hemphill, Motley, Cottle, Dallam, Hartley, Childress, Hollingsworth, Sherman, Hansford, Moore, Wheeler, Donley, Hall, Hutchinson, Carson, Deaf Smith, Armstrong, Palmer, Castro, Swisher, Briscoe, Lipscomb, and Ochiltree.

### Record WTSC Session Attended by Frionans

Seven students from Friona are included in the record enrollment of the first semester of summer school at West Texas State college in Canyon. The record mark of 1196 exceeds all other summer enrollment by 185 students.

Those attending from Friona are:

Cecil Robison, graduate; G. Lee Cranfill, sophomore; Hallie Dent, graduate; Erma Elliott, sophomore; Jane Gallagher, sophomore; Estelle Caffey, graduate; and Irma Stark, senior.

Mr. and Mrs. Wesley Foster and girls and Billy Connor went to market in Amarillo Sunday. Ray Nell and Billy attended the meeting of the Youth Caravan at the San Jacinto Methodist Church Sunday night.

## Writer's Round-up At WTSC Features Noted Speakers

Among the many noted speakers to appear at the first Writer's Round-Up sponsored by the Panhandle Pen Women and to be held at West Texas State July 23-29, will be Loula Grace Erdman, a member of the West Texas State faculty and instructor in the English department. Others to be speakers and critics are Fred Gipson, J. Evetts Haley, Sallie Fletcher Hill, Elvon Howe, Essie Forrester O'Brien, Lewis Nordyke, Arthur Sample and Caroline Deason Timmons.

Assistant professor of English at West Texas State, Miss Erdman is also director of the conference. During the regular school session she teaches creative writing classes and workshops on the campus and at Amarillo Center.

Miss Erdman's publications are in the field of fiction. She has had published such novels as "The Separate Star," "Fair Is The Morning," "The Years of the Locust," "The Lonely Passage," and another novel will be published in September, "The Edge of Time". She has also written short stories which appeared in Red Book, Reader's Digest, American Girl, Woman's Day, Christian Herald, and Progressive Farmer.

Fred Gipson is a professional writer and an ex-newspaperman who now lives in Mason, Texas.

**Judge W. N. Stokes**

Candidate For Re-Election as Associate Justice of the Court of Civil Appeals, Seventh Supreme Judicial District.

Judge Stokes has been an associate justice on the court during the last thirteen years. Before becoming a member of the court, he was a District Judge and practiced law in all the courts. He submits his seasoned experience and training as qualifications which justify the people re-electing him for the ensuing six-year term.

His candidacy is subject to the pending Democratic primary election, and your favorable consideration will be appreciated by him.

(Paid Political Adv.)

He worked on the Corpus Christi Caller and the San Angelo Standard-Times as a newspaperman. The past ten years he has been doing free lance writing, his stories having appeared in Collier's, Progressive Farmer, Southwest Review, Reader's Digest, Pageant and Holiday. His most popular novel is "Hound Dog Man" which was chosen as the Book-of-the-Month selection. J. Evetts Haley is well known in the Panhandle territory for his writings on the area. Other than his many magazine articles he has also written "History of the XII Ranch", "Ben Melton, a Good Man With a Gun," "Charles Goodnight, Cowman and Plainsman," and many others.

Entertainment for the nights to be spent here by those attending the conference has been planned with a picnic and coon hunt in Palo Duro Canyon being one of the star events.

**CHURCH PRESIDENT . . . Walter S. Cross, Fitchburg, Mass., has been named incoming president of the Mother Church, Christ the Scientist.**

## Fishing Barehand Costly, Dangerous

A Stephenville man paid a stiff fine for pursuing the old sport of catching fish with his hands.

Arrested by Warden D. W. Bowers of San Saba, the man was assessed \$63 covering fine and costs for grabbing.

In his report covering the infraction which occurred in the Colorado River, Bowers said the man "had caught several catfish under rocks with his bare hands."

This primitive means of catching catfish became so popular and so devastating to spawning fish that the legislature barred it years ago. The success of the sport used to lure an occasional angler to his death, usually from getting into deep water after making contact with a huge fish that proved unexpectedly ferocious.

**TOUGH FOR TABBY . . . The serious milk situation in Washington, D. C., is working a hardship on the cats as well as humans. Here, Tabby gets his last lick of milk from bottle top offered by Stuart Story. There is a strike in the milk industry in the capital.**

## Messenger News

By Mrs. J. N. Messenger  
Between three and four inches of rain have fallen in this vicinity since July 2. Before that time only light sprinkles were recorded.

Floyd and Ralph Messenger are again at home. Floyd is employed at Owen Seamonds, and Ralph at Claud Millers'.

During the summer Mr. and Mrs. C. L. Vestal, Jr., will live in the home of Mr. and Mrs. J. L. Smith. Mr. and Mrs. Smith are living in the home of their son-in-law in Friona while Vestal is farming.

George Messenger and sons Steve and Lloyd are putting in over 200 acres of row crops on the old Taylor ranch which belongs to Clarence Dixon.

### Bridge Party Given In Slagle Home Thursday

Mrs. Ted Rutherford was honoree at a bridge party given in the home of her mother, Mrs. Roy Suggle, Thursday evening, July 1-3.

Attending were Mrs. O. F. Lange, Miss Lora Mae McFarland, Mrs. Bert Sheackelford, Mrs. Winnie Wilkinson, Mrs. Pearl Kinsley, Miss Doris Ann Lange and Mrs. George Taylor of Fort Worth.

The prize for high score went to Winnie Wilkinson and guest

gift to Mrs. Rutherford. Refreshments of cake and tea were served. Mrs. Rutherford and twin sons returned to their home in Clayton, N. M. last Friday.

## EVEN HENS ARE ADVERTISERS!

The following presentation of the age-old subject "it pays to advertise" recently appeared in the Dade County (Fla.) Veteran:

ISN'T IT FUNNY?

Isn't it funny  
That so many  
Business men  
Will get up in the morning,  
Shave with an advertised razor,  
And advertised soap,  
Put on advertised underwear  
Advertised hose, shirt, collar,  
Tie, Shoes and suit;  
Eat advertised breakfast food,  
Drink advertised coffee or  
Substitutes,  
Put on an advertised hat,  
Light an advertised cigar,  
Go to their places of business  
in an advertised automobile,  
Read advertised books and magazines enroute to the advertised office building,

Eat lunch at an advertised restaurant,

Attend advertised places of amusement,  
And patronize dozens of other places and commodities, luxuries and what not—all advertised

And then,  
Turn down an advertising plan  
On the ground  
That advertising doesn't pay?  
Isn't it funny?

Everybody knows about and eats hen eggs—every time a hen lays an egg, she cackles. The event is well advertised.

But few persons know about and eat goose eggs—Geese do not cackle, crow or quack to advertise the laying of their eggs; therefore but few people know about them.

### World Cannot Exist Half Slave-Free

**From Canadian Record**  
 Whether we like it or not, we are at war.  
 We have been at war for the past five years and have refused to admit it. The Korean outbreak has at last brought us . . . and our leaders . . . face to face with facts that can neither be ignored nor denied. We are at war with Communism, and we must be prepared to hold the line against its spread wherever it appears.

Abraham Lincoln once said that "no nation can exist, half slave and half free." He was right. Apply that statement to the world and he's still right. Korea may prove to be an isolated skirmish . . . or it may be the first act in World War III. If it's only a skirmish, it will not be the last. We may expect, and must be prepared, for these incidents to recur at all points on the face of the globe. We must be prepared to hold the line against Communism wherever it is threatened . . . or resign ourselves to the horrors of a full-scale war.

In doing so, we may be able to avoid total war . . . or maybe not. If we fail to do so, we certainly face the prospect of total war or annihilation.  
 The positive action taken by the United States government last week in the Korean crisis may mark the turning point not only for our nation but for the world. Certainly to most Americans, it has brought with a certain measure of relief. With the memories of World War II still fresh in our minds, we have no eagerness for war . . . but the memories of events of the nineteen-thirties have left us with even less eagerness for further appeasement.

The pattern of Communist aggression today is closely paralleling the pattern of Nazi aggression in the thirties. Only the names have changed. We learn-

ed our lesson the hard way before . . . perhaps this time we can profit from our own mistakes.  
 Let's have no talk, this time, of "all measures short of war." To save our freedom, our self-respect, and our very lives, let's prepare now to meet Communist aggression with military force whenever and wherever it appears.

### Allan Shivers Is Deserving Of A "Term of His Own"

**From the Ochiltree County Herald**

We do not hesitate to recommend Allan Shivers for election to the office of governor. We think he has made Texas a good governor since he took over the office in July, 1949, at the death of Beauford Jester, and we think he will continue to make a good governor.

Texas elected Allan Shivers Lieutenant Governor in 1946. They re-elected him in 1948 with the largest majority ever given an opposed candidate in Texas. We believe he will win the governor's race by the same large majority.

He has constantly supported soil conservation, better roads, better schools and proved his worth as a public servant last February when he called the Legislature into special session to provide funds for the operation and enlargement of the State hospitals, special schools and correctional institutions.

As State Senator, as Lieutenant Governor and as Governor he has supported and originated constructive measures that have benefited all Texans.

Another important thing, we believe, is that Allan Shivers is a conservative in the spending of money—his own money and the public's money. In the past four months he has made 60 public appearances, none of which were at state expense.

He established the Texas Economy Commission and appointed as its members more than 500 prominent Texans, asking them to find out where savings can be made in the executive branch of the state government.

We believe Allan Shivers is the man to elect as governor of Texas in the July 22 Democratic primary.

## Rhea News

By Lucille Hoffman

Mr. and Mrs. Adolph Herzog and family of Lubbock visited with his brother, Herman Herzog of this community Sunday.

Mrs. Albert Drager and children left last week for Wilson to visit with her folks.

Mr. and Mrs. Mart Bulmann, former residents of this community, and Mr. and Mrs. Chris Macke, all of Indiana, are here visiting with all of their friends in the Rhea community.

Visitors in the L. H. Hoffman home Sunday afternoon were Mr. and Mrs. John White of Clovis. Evening visitors were Mr. and Mrs. E. M. Wagner and son, Mr. Paul Teinert and Mr. Alvin Tienert.

Mrs. Paul Koeltzow gave a weiner roast for some of the neighborhood children Sunday evening. Those present were Sandra and Ronnie Bieri, Ruth and Bonnie Wagner, Robert Schueler, Barbara and Norman Taylor, a cousin of the two, and the two Koeltzow boys, Edgar and Donald.

Br. and Mrs. Bert Shackelford spent the weekend in Perryton visiting in the home of their son Gordon Shackelford.

### Game Molesters Hike June Fines

Fishermen comprised one-third of game and fish law offenders during June but the largest fines were paid by illegal deer hunters and stream polluters.

Total of fines and court costs was \$4,450.65 for 202 cases compared to \$3,988.30 for 133 cases for June, 1949 and \$4,024.85 for 162 cases for May, the preceding month this year.

Seventy persons were charged under the fishing license code, with 62 Texans drawing fines for having no license. The other eight were non-residents.

The alertness of wardens in checking angler's bait under the new law which permits persons to fish without licenses in counties adjoining their home counties, providing they do not use live or artificial bait was reflected in two cases. One San Antonio man and one Adkins man assured the investigating wardens they were using worms. When the officials checked further, they found they were using minnows. The strategy backfired so badly that both men paid fines and lost their fishing rights for one year.

The largest individual sum paid during the month was \$219.75 in fines and costs levied against a Corpus Christi man for operating two unlicensed commercial fishing boats in coastal waters. The pollution assessments included two Rockport cases that produced \$342 in fines and costs.

Three Freer men paid \$61 each for a headlighting foray that netted them a doe and a spike buck. In another case, a Freer man paid a total sum of \$111 for an illegal hunt at night. When caught, hunting at night with a gun was levied for each of the men. Two Sabinal men paid \$13 each for killing deer at night. One was a bartender.

**RISKS CONTEMPT** Dr. Edward Rumely, secretary of committee for constitutional government, a Washington lobby, checks watch after testifying before committee investigating lobbying. He refused information subpoenaed by the committee.

Wardens said that after he shut off the spigots at closing time, he rallied the customers for outlaw raids on wild game.

Mr. and Mrs. George Taylor of Fort Worth were visitors in the home of Mrs. Taylor's parents, Mr. and Mrs. J. B. McFarland last week end.

### Volunteers Asked For Naval Reserves In Eighth District

Since Naval reservists, both organized and volunteers, are desired for active duty, Rear Admiral W. K. Phillips, USN, Commandant of the Eighth Naval District, today announced that the machinery has been set up throughout Texas, Oklahoma, Louisiana and New Mexico for processing applications of those who volunteer.

"The Navy needs additional male officers and enlisted men," the Admiral said. "Primarily it needs them for afloat and overseas duty." The Navy requires a minimum of six months active duty from those who volunteer. Twelve months of active duty will be guaranteed to those who desire it.

Male officers should submit their requests for active duty directly to the Bureau of Personnel (Section Pers. B1), Navy Department, Washington 25, D. C. The Bureau of Personnel will issue all orders to officers. Aviators should include flight time and types of plane flown during the past year in their applications.

Enlisted men are to volunteer at their nearest naval recruiting station. There are 51 naval recruiting stations in these five states, 45 of these are sub-stations.

Those who volunteer at recruiting sub-stations will be transported to Main Recruiting Stations for final determination of availability for active duty. All of those finally accepted will be given active duty orders immediately and sent on to receiving stations for further assignment.

All enlisted applicants must be physically qualified for unlimited active duty and have at least one year remaining in their current naval reserve enlistment.

Applicants are not desired at this time from Chief Petty Officers, except in the ratings of messengers, radarmen, fire controlmen, firecontrol technicians, communication technicians, yeomen and photographers' mates.

Male volunteers are desired at this time from enlisted personnel in the recruit and apprentice grades.

### Personals

Mr. and Mrs. M. C. Denton left Thursday for a trip to Big Spring and returned Sunday.

Mr. Charles Osburn left Saturday to attend the second semester of summer school at Texas A. & M.

R. B. Miller is home after attending summer school at Texas Tech.

Mr. and Mrs. A. G. Roland returned from California this week.

Mrs. Henry Lewis went to market in Amarillo Monday.

Enlisted organized naval reservists, who intend to volunteer for active duty should contact their local naval reserve Inspector-Instructors prior to reporting to recruiting stations.

Mrs. J. Shepperd, Mrs. J. P. Godfrey and Linda, Mrs. Bess Crump all of Memphis and Mrs. W. C. Crump of Los Angeles, Calif. were week end guests in the home of Mr. and Mrs. Bud Crump. Visiting the Crumps this week are Mrs. B. H. Hayes, Mrs. H. L. Stewart, and Mrs. Homer Burleson, Jerry Don and Judy, all of Memphis.

# An Open Letter To Parmer County Voters

## A. D. Smith Asks for Re-Election As County Judge

The Primary is Saturday July 22. In support of my candidacy for County Judge of Parmer County, Texas, I submit the following:

I have lived in Parmer County for eighteen years, was born and reared on a farm in Johnson County, Texas, near Grand View, graduated from High School at Grand View and attended the University of Texas for two years, taught school in Johnson County, Texas for two years, then came to New Mexico and taught school. I lived at Fort Sumner, De Baca County, New Mexico where I taught school for ten years, and was County Superintendent of schools of De Baca County for four years. I was Superintendent of Schools at Melrose, Curry County, New Mexico. I went to school in New Mexico and graduated from the Normal University, now Highland University, at Las Vegas, New Mexico, with an A. B. degree.

At the close of my second term as County Superintendent at Fort Sumner, I attended law school at Cumberland University, Lebanon, Tennessee, graduated at this University with the degree of Bachelor of Laws, took the State Bar Examination at Austin, Texas, and received license to practice law in all of the Courts of the State of Texas. I commenced practicing law at Friona, Parmer County, Texas, on October 1, 1931 and practiced law here for five years, then, was elected County Attorney of Parmer County and served in this position until May 1, 1945. Since this time I have served as County Judge and Ex Officio County Superintendent of Parmer County, devoting my entire time to the duties of the office and would appreciate your support for the coming term.

Respectfully yours,  
A. D. Smith

CHARACTER BUILDING IN HIS HOME HURTS FATHER MORE THAN IT DOES HIS SON

THIS IS FATHER BUILDING CHARACTER ON THE HIGHWAY

## Caution Urged In Using Life Rafts Made from Rubber

Reports to the Game, Fish and Oyster Commission indicate increased water hazards in Texas from the common use of rubber life rafts.

According to the Executive Secretary, several near tragedies have been averted because the standard collapsible rafts, as well as ordinary automobile and truck inner tubes, became deflated in deep water.

The Texas situation was pointed up by the recent news report from Grand Junction, Colorado, about two navy officers drowning in Cottonwood Lake when their rubber raft collapsed far from shore.

Safety experts have noted that most persons venturing into deep water on inflated automobile tire tubes cannot swim and thus are helpless when the makeshift preserver loses its buoyancy. The commercial variety of rubberized raft are generally considered sinkproof since they have separate air compartments. If one compartment becomes deflated, others usually keep it afloat.

I hate the guys . . . who criticize . . . and minimize . . . The wise guys . . . who see enterprise . . . Has made them rise . . . Above the guys . . . Who criticize . . . And Minimize . . . The other guys.

E. A. BILLS  
DISTRICT JUDGE  
SIXTY-FOURTH JUDICIAL DISTRICT  
LITTLEFIELD, TEXAS  
July 20, 1950.

To the Voters of the 64th Judicial District:

As you know, I am now District Judge of the 64th Judicial District. The Governor of this State appointed me to fill out the unexpired term of Judge Russell who resigned.

At the time of my appointment I had practiced law for many years, over 25 years in this district, in the district courts and appellate courts of this State. During the 6 months I have been District Judge I have tried many cases, civil and criminal, and by diligent work the dockets of the courts are up in good shape. I am willing to leave it up to the people who know me and to the jurors, litigants, lawyers, and others who have appeared in the courts as to my qualifications.

The fact that I have been engaged in the trial of cases almost every day since my appointment has made it impossible for me to see you. I therefore take this method of personally soliciting your vote and support in my race for a regular term as District Judge.

Sincerely yours,

*E. A. Bills*

# THANKS

We take this means to thank everyone of you who so generously favored our firm with your grain handling during the wheat harvest. We are very proud of the volume of business you gave us, and we are looking forward to bigger harvests and greater service!

**KEEP**  
this  
West Texan  
in the highly  
important post of  
Associate Justice  
of the  
Supreme Court  
of Texas

Judge Griffin is the only representative that West Texas has on the Supreme Court. It is pointed out that should a line be drawn from Laredo to Dallas to Wichita Falls, Judge Griffin would be the only man on the Supreme Court West of this line.

NEEDLESS TO SAY—HIS QUALIFICATIONS ARE SUPERB!

# Long Ago

## 10 YEARS AGO

Lee Spring left Monday for Lubbock where he is attending school.

John, Tom and Jeanette Hartwell of Bovina were Friona visitors Saturday nite.

Rev. C. C. Dollar, pastor of the local Congregational Church returned home from Colo.

Ex-students of Texas Tech met at the Bovina Park to organize a Farmer County Texas Tech club, according to information given by Otho Whitefield.

A. N. Wentworth, one of Friona's oldest citizens, moved to Iowa.

## 20 YEARS AGO

Bruce McLean will be the new cashier of the Friona State Bank, it was announced Tuesday.

Clyde Goodwine proved the banner wheat grower of this vicinity. He harvested 21 bushels per acre in spite of dry weather.

Misses Estella Welch and Mary Reeve entertained a group of friends with a checker party Friona at this time is abundantly provided with a great variety of entertainment features. In addition to the Marvelette theatre, we have a miniature golf course medicine show, Lumber yard here in Friona was merry-go-round.

Ready made dresses were advertised from 95 cents to \$2.75 at F. L. Spring's store.

## 25 YEARS AGO

Good rains fell during the week yielding a total of about two inches.

O. F. Lange, the hustling manager of the Rockwell Bros. Lumber yard here in Friona was a business visitor at the county capital Saturday.

The present extensive land sale which is being carried on by the Capitol Land Co. under the able management of J. D. Hamlin, is going a long way toward settling and development of the vast area of raw prairie land to the south and east of Friona.

R. H. Kinsley sold his well stocked hardware store to J. A. Blackwell of Pleasant Hill, N. M. F. B. Jones of Hub stated that he would furnish dinner for 29 prospective land buyers who were out with representatives of the Capitol Land Co. with a view to locating here.

B. T. Galloway hired Wallace Murray to break out 200 acres of raw land which he will sow in wheat this fall.

"Step Up... Sit Down... and Take Over"  
This New Leader of the Heavyweights

Here's a powerful Diesel that defies all comparison for comfort, convenience, and ease of handling in a big tractor.

See how easy it is to step on and off... look at its deep-cushion seat... its extra-large platform... its convenient controls... its clean-cut design. Extreme ease of starting and steering... hydraulic Powr-Trol... direct engine-driven power shaft... hand clutch—these are just a few of its many operating advantages.

You bet you'll like to drive it—more than any other tractor you've ever had your hands on. But the biggest thrill of all is in owning it. Then is when all your worries—about adequate power to handle big equipment in your tough conditions, about getting through in time—will literally melt away. Then is when

you'll know the true meaning of John Deere two-cylinder Diesel performance and economy. Then is when you'll say, "I wouldn't give it up at any price if I couldn't get another."

We've Had the Rains — So . . . .

NOW IS THE TIME TO BUY THEM! THE TIME TO USE THEM!

Let us demonstrate to you the economy and satisfaction of this great team—

THE JOHN DEERE "R" DIESEL

and

JOHN DEERE 20 Ft. SURFLEX TILLER

YOU

Can use this great team for as little as 4c and 5c Per Acre!

## Frank Answer is Given Regarding Some Policies of the Friona Star—Policies That Reflect on Our Scope of Service

The Star has been asked this week if we charge for publication of local pictures of general news interest. No, we do not make a charge for this service; however, we do use discretion in selecting pictures of definite and general news interest.

And here are reasons that we follow this free service policy. The New Friona Star was founded on the principle of service; and this editor considers adequate pictorial coverage just as much a part of our obligation of fair, impartial reporting, as are the articles and general news items we carry.

The horse and buggy days have been over for sometime... that is common knowledge, we believe. And concurrent with their demise was the exit of newspaper profit through its editorial columns. And that does mean that the present day news sheet is economically unsound. To me and to the readers who expect value received, it simply means that the editorial columns belong impartially and FREE to the public it serves; revenue and expenses are derived through the advertising lineage sold at a fair and sound price to the man with goods or services for sale.

Unfortunately, there are those in every trade and profession who seem to successfully maneuver that trick of drawing money from a community or individual, as the case may be, returning the minimum of contributions—in money or talents or service. And there are those who KNOW the proper balance of profit and service, but who practice it only when forced by competitive business or pressure groups.

The man I respect—the firm I respect is that one giving full value over the years, regardless of competition or any outside influence, or private inclination to be a "lazy" drifter.

We believe you get the idea of the type publication we seek to give you; we hope you recognized the principles and aims of the Star even before this editorial... we doubt if we need tell you that the Star is dedicated to "service above self" to the entire Farmer County public.

The entire staff here welcomes suggestions as to method or principles involved in giving you the county-wide paper Farmer County has deserved for years and years, and will continue to merit. We are rather new in this location, but we are thoroughly seasoned in our understanding of the obligations of a forthright newspaper to its community and county. Honest criticisms will help us grow; our honest efforts in turn will be reflected, in even a more progressive county, we sincerely trust.

This editor has so often been envious of that apt slogan of one of the Chrysler Corporation members. "Packed with Value, and Ready to Prove It." That is service in a nutshell.

## 4-H Youths Join In National Farm Safety Program

National Farm Safety Week is being observed throughout rural America, July 23-29. Therefore we feel that now is the time to salute another nationwide safety activity in progress 365 days a year.

It is the 4-H farm and safety program carried on by nearly half a million 4-H club members between the ages of 10 and 21. We are told that these youth—who conduct safety surveys of their home farms and neighboring farmsteads—have the best organized safety program in the rural field. They not only ferret out hazards, but follow through and correct thousands of unsafe conditions relating to farm machinery, livestock, homemaking, recreation, motoring and scores of other things.

Since the project was launched on a national basis eight years ago, enrollment has increased five times. This would indicate that our farm boys and girls have steadily become more safety minded. It means, also, that in addition to the 4-Hers themselves, safety education has reached parents, residents of the local community, club leaders and extension personnel.

So it seems a foregone conclusion that many times the half-million young folks taking part in the 4-H safety program are influenced and benefited. Perhaps this widespread flux of safety knowledge will prove to be a direct route to decreasing the 17,500 fatal accidents to farm people each year, or save some of the 35,000 farm buildings destroyed by fire; or put to constructive use the \$1,000,000,000 in losses annually represented by these disasters.

J. M. Bradley was called to Lubbock Saturday to be at the bedside of his uncle, Joe Shearer, who is very ill at this time.

Mr. and Mrs. Red Crow, children and mother of Mrs. Crow, spent Sunday at Littlefield visiting Roy Jenkins who has been in the Payne & Shotwell hospital there 10 weeks. They say they found him doing nicely but he goes back to surgery again Wednesday. Mrs. Crow and Mrs. Bradley will go back over to be with him that day.

Mr. and Mrs. Bill Stewart visited in the home of their daughter, Mrs. Roscoe Chandler in Albuquerque this weekend.

CRISIS IN UNITED NATIONS . . . Faced with the greatest crisis of its history, the United Nations ordered a halt to the Korean war. Ignored by the Communists, the U. N. found itself in a bad spot. Unless military sanctions were ordered and its authority in the world upheld, its future existence was but a matter of time. The delegates, however, voted 7 to 1 for an American resolution endorsing the President's decision to send aid to South Korea in the form of United States planes and ships. By its action the U. N. has secured its future and its influence in world affairs, observers have agreed. The security council is shown voting 9 to 0 to invoke Chapter VII of the U. N. Charter.

FORTY-SECOND GOVERNORS' CONFERENCE . . . The 42nd annual governors' conference got underway at White Sulphur Springs, W. Va., with talks on reorganization of state governments and water power development. The Communist issue dominated conversation outside the meeting hall. Governors James Duff of Pennsylvania and Earl Warren of California, two top-ranking Republicans among the more than 40 governors attending the conference, voiced blunt disapproval of what they termed the "blanket" accusation of Senator McCarthy of Wisconsin. Among outstanding speakers the governors heard Secretary of State Dean Acheson who submitted to a barrage of questions in reply to which he stoutly defended the state department as an honest, loyal, clean outfit.

EAST GERMAN STUDENTS SEEK REFUGE IN WEST BERLIN . . . Twenty-five boys and girls, representing an entire class at the Einstein high school in Potsdam, have been granted refuge in West Berlin. The class fled to West Berlin to escape arrest because of their resistance to the Communist school administration. The youngsters complained the teachers were ignoring usual studies and concentrating on political indoctrination and compulsory sports. The Red officials ordered the school closed and reprisals after the students distributed pamphlets attacking the puppet regime. Two of the class were seized but the rest managed to escape.

GRIM-FACED TRUMAN DISCUSSES KOREAN CRISIS . . . Cutting short a vacation in Missouri, President Truman is shown upon his arrival in Washington following the invasion of South Korea by Communists. He was met by Defense Secretary Johnson (left) and Secretary of State Dean Acheson (right). The seriousness of the situation is reflected on the faces of three of this country's top officials. His historic intervention order was made a few hours later.

ARMY SERGEANT TURNED SPY . . . David Greenglass, 28, (center), in custody of FBI agents at New York, is charged with turning over documents, sketches and notes to the confessed spy courier Harry Gold in 1945, apparently giving Russia the inside tip that the U. S. had achieved an atom explosion. Explaining his action Greenglass said: "I felt it was gross negligence on the part of the United States not to give Russia the information about the atom bomb because she was an ally."

BERLIN COMMUNISTS BLOW UP CHURCH . . . The historic Georgian church, one of Berlin's most famous landmarks on the Alexander Platz, survived the fire and explosives of World War II. The Communists, contrary to reports by engineers, termed it unsafe and destroyed it by dynamite. Protestant leaders protested, but the demolition squad destroyed it as Communist police and Russian soldiers cowed an indignant crowd of Berliners. The church was damaged by World War II bombs.

### Lion J. T. Gee Is Attending Chicago Club Convention

The Friona Lions club is sponsoring the trip of ex-boss Lion J. T. Gee and wife to Lions International in Chicago.

Mr. and Mrs. Gee left last Friday afternoon from Hereford and planned to return tomorrow. Highlight of the Lions International was the Texas parade Monday morning. Thursday the Gees attended the radio program "Breakfast Club" and they also attended the Chicago Cubs and Boston Braves baseball game. Secretary of State Dean

Atchison spoke to the group Tuesday morning. Of added interest was the Chicago fair.

Also attending are Mr. and Mrs. Homer Brumley, Mr. and Mrs. Wayne Edwards, and Mr. and Mrs. John McLean of Hereford and Mr. and Mrs. C. D. Holmes, of Stratford.

**BRIDGE CLUB MEETS**

Seven tables were present at the Couples Bridge club Monday night. Hostesses were Mr. and Mrs. Mack Balnum, Mr. and Mrs. Nelson Welch and Mr. and Mrs. Wright Williams.

Carl Maurer and Mrs. Wesley Foster had high score. Mrs. Roy Miller won the bingo prize.

"There is no future in any job! The future lies in the man who holds the job." — G. W. Crane.

**CITIZENSHIP REVOKED** . . . Harry Bridges, (right) controversial west coast labor leader, has had his U. S. citizenship revoked by San Francisco federal judge George B. Harris. The order was based on the perjury conviction of the Australian born CIO longshoreman union leader. Bridges is being interviewed by a reporter upon his arrival in Chicago. The man in the background is unidentified.

### Call Is Issued For Volunteer Enlisted Reserves

An immediate call for volunteer enlisted Reserve men and WACs for extended active duty has been announced today by Colonel Oscar B. Abbott, chief of the Texas Military district.

Reservists most urgently needed include radar, radio, tank, antiaircraft artillery mechanics, engineer heavy equipment operators, cryptographis technicians and engineer construction specialists.

Included in the requirements for enlistment are: Reservists agree to serve on extended active duty for a minimum of one year and meet current physical requirements.

Interested enlisted Reservists are urged to contact their Organized Reserve Corps unit commanders and instructors for further details.

Mr. and Mrs. Gib Boatman and Mrs. A. H. Boatman went to market in Lubbock Sunday.

### Examination Clinic For Cerebral Palsied Children To Be Held

A clinic for the examination of cerebral palsied children will be held Monday, August 14 in Lubbock. Five specialists will be present at the Center to examine children.

Cerebral palsy is a condition which may be present from birth or may be caused by childhood diseases as whooping cough or measles, or by head injuries. Under treatment, many of these children improve to the extent that they can care for themselves, attend school or become employable. Treatment began at a nearly age is most effective.

Parents interested in bringing children to the clinic on August 14, are requested to register the child at the Center at some time before the clinic date. Further information may be obtained by contacting Dr. Esther Snell, director of the treatment center, 3502 Avenue N, Lubbock, or by calling Lubbock 6541.

### Civil Service Is Giving Exams For Wage-Hour Posts

The Civil Service Commission announces an examination for filling vacancies in the position of Wage-Hour investigators at the entrance salary of \$3825 per annum. Employment will be with the Wage and Hour and Public Contracts division, Department of Labor, in the states of Arkansas, Louisiana, New Mexico, Oklahoma and Texas. Application forms and additional information may be obtained from the postoffice; the executive secretary, Board of U. S. Civil Service Examiners, Department of Labor, Wage and Hour and Public Contracts division 1114 Commerce street, Dallas, Texas; or the Regional Director, Fourteenth U. S. Civil Service Region, 210 South Harwood st., Dallas 1, Texas.

(This is No. 6 of a series of photographs and stories about home people and home scenes. A weekly feature devoted to Parmer County farmers, presented by your Parmer County Implement Company).

One of four UD-24 engines on the extensive farming operations of Lee Sudderth, this well in photo is 280 feet deep with pump setting of 260 feet, pumping 2,000 gallons per minute.

Mr. Sudderth farms 22 sections, has 21 wells; three of these wells are equipped with UD-24's and one UD-24 is used to develop new wells.

In commenting on the efficiency of the International Harvester Power Units, Mr. Sudderth says, "Our four UD-24 engines are hard working machines running day and night with heavy loads. The oldest engine is on its third year and the trouble and repairs on all don't amount to anything. I'll say these are darn good engines."

PLACE NUMBER ONE

This assembly was held the past week near Plainview. All enjoyed it and report a very good time.  
**Mrs. Rhodes Honored On Birthday**

On Friday, July 14, a group of friends and relatives went to the home of Mrs. Tom Rhodes with covered dishes for dinner, also gifts for the honoree, thinking to surprise her. But the group got the surprise, as she had gone to Clovis to shop on that particular day, and after getting dinner all on the table, and the lovely birthday cake with the candles on it which looked so pretty with the lovely bouquets that Mrs. June Rhodes and Mrs. Odie Ellison had brought, we waited until all were most famished. Finally about 1:30 or 2:00 o'clock Mrs. Rhodes came home and was really surprised after all. She and all the rest really enjoyed the very nice dinner and then the gifts were opened.

Attending were Mrs. Ward Thompson, Mrs. Lee Thompson, Mrs. J. R. Caldwell, Mrs. D. E. Lee and Sheila, Mrs. Oscar Venable, Mrs. Tom Griffith, Mrs. Jim Ellison, Mrs. Aubrey Rhodes, Mrs. Bass Elliott, Mrs. Mell Gunn, Mrs. A. G. White, Mrs. Lorene Jefferson, Mrs. Odie Ellison. Those sending gifts were Mrs. F. W. Ayres, Mrs. Polly Venable, Mrs. W. L. Venable, Mrs. Levi Johnson.

We will let you know next time Mrs. Rhodes, when we intend to come.

**Misses Carrie and Loula Smith Honored With Shower**  
On Tuesday afternoon, July 11, a group of friends and neighbors gathered in the home of Misses Carrie and Loula Smith to honor them with a handkerchief shower. Miss Carrie has been confined to her home for the past several months with an injury to her leg and foot, and Miss Loula has been so wonderful to care for her sister, that she was included in the shower.

Many nice gifts were presented to the girls, also some to a sister Mrs. Brown, who is visiting them.

Refreshments of cake and ice cream was served to the following: Mrs. Condy Billingsly, Mrs. Jim Ellison, Mrs. Tom Rhodes, Mrs. Edith Cavalier, Mrs. Lee Thompson, Mrs. E. D. Ashcraft, Mrs. J. R. Caldwell, Mrs. Mollie White, Mrs. Hubert McKinney, Mrs. A. G. White, Mrs. Lonnie McFarland, Mrs. John Kimbrow, Mrs. Ward Thompson, Mrs. Joe Bunch and baby, Mrs. Mell Gunn, Mrs. Elmer Venable, Mrs. D. E. Lee and Sheila, Mrs. Levi Johnson, Mrs. Madie Brown, Mrs. June Rhodes.

Those sending were Lorene Jefferson, Carylene Richards, Mrs. E. H. Moody, Mrs. F. W. Ayres, Mrs. W. L. Venable.

Mr. and Mrs. Charles Jefferson and daughters, Sonnie and

Catherine, enjoyed an outing at Palo Duro Canyon Sunday.

Mrs. I. W. Quickel and Mrs. Lula Quickel left Sunday for parts of California to visit for the next few weeks with relatives and friends.

Mr. and Mrs. J. W. Ellison have just returned from several months visiting in Alabama, Tennessee and Georgia. We are glad to have them back.

Mrs. Lucy Wilson had some dental work done in Amarillo Thursday.

Mrs. Lola Rhodes of Ft. Worth and Mr. and Mrs. L. C. Rhodes and son of Amberst, were dinner guests in the home of Mr. and Mrs. A. G. White Sunday.

Carolyn Wilson is spending the week in Lubbock with Nancy Johnson.

Mrs. Jim Guinn and two daughters of Friona visited her mother, Mrs. G. W. Horton Saturday.

Pete Davies and Byron Turner made a business trip to Las Vegas, N. M. this week.

Frank H. Wilson and daughter Delores, and Tommy Kaylor went to Nash, Okla. Friday. Frank and Delores to visit his brother who is ill in a hospital there, and Tommy to visit his home near Nash.

Mrs. Ray Davies is now home from an Amarillo hospital. She is improving at this time.

Peggy Sue Starr of Lefors, is visiting relatives and friends in Bovina.

Mr. and Mrs. Howard Ellison would like to take this means of saying thank you to the many

friends and neighbors that have been so wonderful and generous with flowers, gifts, cards and all since June was burned. She is now in an Oklahoma City hospital and will probably be there for four to six months. So don't forget those cards and letters that make life worth living while having to lie in bed.

Mrs. Jessie McSpadden received word this week that her daughter Mrs. Stanley Barber and two children, who live in Fort Smith, Ark., were all stricken with polio. It is reported that Mrs. Barber is partially paralyzed.

Mr. and Mrs. Paul Green and daughter of Wheeler visited in the Aubrey Wilson home the past week.

Mr. and Mrs. Mell Gunn have his father as a guest this week. Mr. Gunn is from Flomot.

Evelyn Bender of Los Angeles, Calif., is visiting her sisters, Mrs. Tom Griffith and Mrs. Gene Zell. After visiting here for a few weeks she will visit relatives.

Mr. and Mrs. Floyd Englant and children from California are visiting in Floyd's parents home, Mr. and Mrs. E. H. Englant.

Erma Lee Rovards, underwent surgery in the Memorial hospital in Lubbock Monday. She is a sister of Mrs. Lorene Jefferson.

Margarite Jean Robards, of Clovis is visiting her sister, Mrs. Lorene Jefferson this week.

Mrs. Oscar Venable and Sarah Marie returned from Corpus Christi Wednesday, where they

visited a daughter.

Mary Letrice Looney and son and Atwood Cherry visited in the John Wilson home Sunday.

Ted Brock, D. C. Looney and John McFarland left Saturday for a few days fishing at Conchas.

J. W. Ashcraft, Bill McDonald and E. D. Ashcraft spent the weekend at Buffalo lake.

Mrs. Oscar Bruce returned from Temple Saturday. She reports her mother is better and expects to return home soon.

On Thursday evening, July 13, John Elbert Steelman, son of Mr. and Mrs. Carroll Steelman of Bovina, and Miss Helen Hogdon of Quinlan, Okla. were quietly married in Clovis. They were accompanied by Miss Patsy Loflin and Darlene Isbell and Ellison Glover of Bovina.

John Albert is employed by Raymond Sudderth. They will reside in Bovina.

On Tuesday, July 11, a group met at the Bovina American Legion hall for a zone meeting. Zones represented were Littlefield, Farwell, Dimmitt, Hereford, Friona, Bovina. They transacted business, then had a very enjoyable program.

Billy Derrick sang, "Song of the Open Road." Jerry Jones sang, "On the Road to Mandalay." Accompanied by Mrs. Doris Wilson at the piano, Mrs. Pat Kunselman sang, "Blue Moon."

Rev. Oscar Bruce gave a very good talk on democracy and freedom. Refreshments were served to around 25. Their next

meeting will be August 8 at Dimmitt.

Some of the most vitriolic criticisms that the cop had ever heard was coming from a parked car alongside the curb. So he walked over to it and demanded "What's wrong in there?"

The befuddled face of a man obviously drunk appeared at a window of the car and said, "Some dirty, lousy so-and-so

swiped my steering wheel." "Take it easy," cautioned the cop. "Just quiet down and get up in the front seat where you belong."

The Stars first paid subscriber was Mr. W. H. Warren who paid for his third year's subscription on July 15, 1927.

J. T. Crawford installed the first locker system in Friona in April of 1941 in his grocery store.

## NATIONAL FARM SAFETY WEEK July 23-29

**4400 FARMERS KILLED  
300,000 INJURED**

# DON'T "CULTIVATE" ACCIDENTS ON YOUR FARM

**A field half plowed—a furrow left unturned—work stopped by accident!**  
To the farmer, working against time and weather, delay can mean the difference between a crop and no crop, a good year or a lean one. So accidents have no place in his schedule; they cost money, delay production—and the growing season keeps rolling along.

Yet, farming ranks third most hazardous in eight major industries. Think of it, while the death rate for all industry is 29 per 100,000 workers, in agriculture it is 55 per 100,000! One farmer in every 15 is injured on the job! Total—4400 killed, 300,000 disabled by injury every year.

The wise farmer knows where his hazards are—and avoids them. Falls, machinery and animals account for most accidents down on the farm. Their annual cost—\$75,000,000. Yet, they're so easy to prevent. Just a little caution is all it takes.

Don't "cultivate" accidents and losses! Instead, "cultivate" safety and success!
