

REA Meet  
Saturday

# THE FRIONA STAR

Faculty Play  
Monday Night

VOLUME 24—NUMBER 39

Friona, Texas, Friday, April 28, 1950

Price 5c

## COLUMN LEFT...

Chris Bievi of Rant I, Texico, New Mexico, receives a year's subscription to the Star courtesy of our genial friend, Ray Landrum, of the Friona Locker and Cold Storage Company.

More and more I hear speculation on the possibilities of Republican Ben Guill edging ahead in this oncoming congressional election. In this freak contest, a few hundred votes or even a few dozen votes might mean \$7,500.00 to some even obscure candidate if no one Democratic candidate gains district-wide approval in the next few days. One of the candidates stopped by the Star office today, and reiterated the supposition that should Guill edge out a victory in his election, he would not have a chance in the July primary. On the latter I agree. But imagine... the office of Congressman pays \$15,000.00 annually with \$2,500.00 of that exempt from taxes... which boils down to the startling fact that even though this election's winner failed in the primary, he still would be half a year's salary ahead, with a third of that tax exempt! A high price for you and myself to pay for a "temporary" employee who, with the same of ability, could not hope to influence any congressional action at all with an early adjournment.

In the interest of full representation, economy, and maximum political prestige of this district, I express the probable futile hope that one or two of the candidates swing into a definite lead before the May 6 election. I predict that the leading candidates will narrow of Walter Rogers, a man of evident ability; Altavene Clark, the highly successful Washington servant of past years; Blake Timmons, with a background of state legislative experience; and Ben Guill, the hard-hitting Republican.

The Friona Bakery will be closed until Monday because of the death of Mrs. McReynolds' father, Thursday.

Miss Lucille Hoffman of the Rhea Community takes on her duties this week as the newest of the Star correspondents. Welcome Lucille. She, with the other correspondents of the Star will be glad to take your subscription at the present special rate of only \$1.50 in Farmer and adjoining counties and \$2.00 elsewhere.

Added to the political announcements this week is the name of Robt. L. Kirk, candidate for District Judge. Kirk is at present the county attorney for Lamb County at Littlefield.

Did you know Friona had a son in the congressional race? He says its a fact. Woody Montgomery running on the slogan "A Small Man for the Small Man" taught his first school in Friona, and has taught over the Panhandle for some twelve years. He was kind enough to come back to Friona and offer your try a very nice contract for some twenty thousand tabloid news sheets outlining his program. This was appreciated, as I am convinced Mr. Montgomery has a limited budget and was placing practically all his allowance at this one plant; however with my first obligations to the Star and to the Farmer County folks who depend on its functions, I turned down Mr. Montgomery's order.

### Friday Bridge Club Has Dinner Theatre Party

The Friday Bridge Club enjoyed a special occasion Monday night when the lows entertained the highs. The group went to Hotel Jim Hill in Hereford for dinner and then to a theater party. Some attended Harley Bulls' vocal concert instead of the show.

Members of the club attending the party were Mesdames Roy Slagle, O. F. Lange, Bert Shackleford, J. C. Wilkinson, Pearl Kinsley, M. S. Weir, and C. O. Maurer, W. B. Stark.

MR. AND MRS. J. B. McFARLAND

## Golden Wedding Celebrated by Couple; Four Generations were Present to Offer Congratulations to the J. B. McFarlands

Rev. Tommie Allen Reads Double Ring Ceremony

By MRS. J. T. GEE  
Mr. and Mrs. John Barton McFarland celebrated their golden wedding anniversary Sunday with a reception in the home of a daughter and son-in-law, Mr. and Mrs. Claude Osborn, Friona. When Miss Sally Roundtree, 19-year old, became the bride of J. B. McFarland, age 23, as they sat in a buggy April 26, 1900, she

did not foresee this happy celebration at which 125 relatives and friends called to offer their congratulations.

Included in this group were the four generations represented by the honorees, their son Lonnie his daughter who is Mrs. W. R. McBrayer of Lubbock, and her two daughters Sheryl and Lynn Louis. The McFarlands' nine living children were all present, and 15 of the 18 grandchildren, with two of the three great grandchildren.

A program of vocal selections was given by four granddaughters—Suzanne Taylor, Ft. Worth; Gail McFarland, Bovina; and Doris Jane McFarland and Sally Osborn, Friona.

Rev. Tommie B. Allen pastor of the Friona Baptist Church, read the double ring wedding ceremony during which the honored couple renewed the wedding vows. They were attended by R. H. McFarland, a son and a daughter, Mrs. Roy Clements, who was her mother's wedding dress. Mrs. Roy Lee Jones, Lovington N. M. youngest daughter, played the traditional wedding march as the wedding party entered the living room, and appropriate music as the vows were read. The attractive lace-covered table from which the tiered wedding cake and refreshments were served, was decorated with gold carnations in a golden wedding bell arrangement. Bouquets of yellow tulips and gladioli were used in the receiving rooms.

Other daughters helping were Mrs. George C. Taylor, Ft. Worth who presided at the guest register; Mrs. S. H. Osborn, Friona and Miss Lora Mae McFarland Clovis, New Mexico, who assisted in the dining room. Mesdames J. G. R. H., and M. L. McFarland, daughter-in-laws, and Gay Ann McFarland, Friona, and Mrs. McBrayer, Lubbock, were in the house party.

Many changes have taken place in the last 50 years according to the honorees. One important one was the arid condition on the day of their golden anniversary as compared to the torrents of rain that fell on their wedding day. Married in Bertram, Texas by a combination justice of the peace and Baptist preacher Rev. J. B. Baumgardner, who is still living, the couple lived their for several years. Later they moved to Bell County, Texas and then on to Friona in 1925.

(Continued Next Week)

Mr. and Mrs. Rex Marshall and family, Ray Strickland, and Mrs. James E. Brown and Larry; of Muleshoe, visited in Tahoka and O'Donnell last Sunday.

## Services Are Held For Former Friona Accident Victim

Funeral services for Irvin Lowell St. Clair, former Friona who was fatally injured west of Muleshoe Tuesday night, were conducted Thursday afternoon at the First Baptist Church in Muleshoe. Rev. L. C. Hamilton of Ft. Worth officiated. Mr. and Mrs. St. Clair at one time owned and operated the variety store in Friona.

The fatal accident occurred on the highway about 15 miles from Muleshoe on the Clovis highway when the pickup truck St. Clair was driving overturned.

At the time of his death he was owner of the St. Clair Dry Goods and Variety Store in Muleshoe and owned stores in Andrews and Brownfield, in addition to his farming operations. He was a former Muleshoe city commissioner and was active in the Chamber of Commerce and Lions Club there.

Survivors include his wife, Mrs. Naomi St. Clair; two sons, Billy Jim and Lowell Irvin of Muleshoe, and one brother and two sisters.

## Parents-Teachers Hear John White Install New Officers of the Group

At a recent meeting of the Friona P-TA new officers were installed.

Mr. John White, former editor of the Friona Star was in charge of the impressive ceremony in which Mrs. Roy Miller was installed as president. Other new officers are Mrs. A. L. Black, vice-president; Mrs. Dick Rocky, secretary; Mrs. Ralph Taylor, treasurer; Mrs. Claud Osborn, parliamentarian; and Mrs. Ray Landrum, historian. Mrs. Landrum is the retiring president.

The Friona P-TA gave Mr. Glenn Cunningham, band and chorus director, a rising vote of thanks and appreciation for the splendid work he is doing with the school bands and choruses. Recently the senior choir won a sweepstakes award in the regional meet. Cunningham directs 3 bands—senior, junior and beginners; and two choirs—senior and junior.

Following the business meeting a program on "Teamwork in the Business World" was given in question and answer form by Mr. Wesley Foster local business man and Mr. Frank A. Spring, local banker. The 6th and 7th grades under the direction of Mrs. Belcher gave an interesting program.

Robert Hines (Shine) McFarland and family have recently moved to Tucuman where he will be engaged in ranching. They moved from the McFarland home place near Friona.

MRS. KING HOLT

## Taylor-Holt Wedding Announced in Virginia

Mr. and Mrs. A. E. Taylor Friona, are announcing the recent marriage of their daughter, Ethel Mae, to King Holt Camp Lee, Va.

Wedding vows were read at Camp Lee April 10 where both the bride and groom are stationed. Mrs. Holt is a PFC working as bookkeeper in headquarters office. A Friona High School graduate, the bride has been in the Armed Forces for the past year.

# Appliance Show Will Feature Electric Co-op Meet

## Names Are Drawn For Ballots In Special Election

Hulett J. Brice of Potter Co. Talma L. Smith of Donley Co. Ronald Davis of Childress Co. Walter Rogers of Gray Co. Bill Pickel of Hutchinson Co. Ben Guill of Gray Co. LeRoy "Pete" LaMaster of Ochiltree Co. E. T. Burk of Potter Co. Woodrow Montgomery of Potter Co.

## Three-Act Comedy Slated Monday Night by Faculty

"Meet My Wives," Friona faculty play, will be presented Monday night, May 1st. Proceeds for this three act comedy will go toward the purchase of new stage equipment for the new auditorium. Admission prices will be: Adults, 50c; High School Students 35c, and Grade School Students, 25c.

## W. C. Lowery, Father Of Mrs. McReynolds, Succumbs at Hereford

Services of William Chester Lowery, father of Mrs. W. B. McReynolds of Friona, will be held today in the First Baptist Church in Hereford. Mr. Lowery died Tuesday morning at 8 o'clock. Besides Mrs. McReynolds, he is survived by two daughters, Mrs. W. J. Dickson, and Mrs. C. E. Smith of Hereford, two sons Bob and Earl Lowery of Hereford, four sisters, two brothers and fourteen grandchildren. He was born February 13, 1890 in Rockwall County, Texas, and moved to Hereford in 1940 where he was engaged in farming seven miles south of town.

Services will be conducted by Rev. R. L. Shannon of the First Baptist Church of which Lowery was a member, and assisted by Rev. R. H. Cagle of the Hereford Baptist Church. Burial will be in the West Park Cemetery.

## Bovina Seniors To Give Play Tonight

The Seniors of Bovina High School will present their annual play this Friday night, April 28th, at 8:15 o'clock, at the high school auditorium. The admission is 30 cents for grade school students and 60 cents for high school students and adults.

## More Subscribers Take Bargain Rate

New subscribers receiving the Friona Star this week are:

John Kimbrow, Bovina; I. W. Quicke, Bovina; Troy Armstrong Bovina; Von Bowen, Bovina; O. W. Rhinhart, Bovina; Brock Ellis, Bovina; C. R. Elliott, Bovina; Alice Moore, Bovina; J. P. Macon Bovina; Lee Thompson, Bovina; W. A. Foster, Friona; David Carson, Bovina; Emmett Tabor, Bovina; C. E. A.H.I., Friona; James W. Cunningham, Friona; R. O. Taylor, Friona; Mrs. H. T. Reynolds, Bovina; Ray Landrum Friona; Ralph Smith, Friona; John W. Blackburn, Friona; Jesse Walling, Bovina; Russel Loflin, Springfield, Colo.; Jake Lamb Friona; Roy T. Slagle, Friona; Mrs. Ted Rutherford, Clayton N. M.; Glenn Cunningham, Friona; L. R. Hand, Friona; Wright Williams, W. L. enable; Mrs. F. L. Reed, J. R. Southward, L. F. Lillard, D. O. Robason; Herman Herzog; O. B. Moyer, all of Friona.

R. L. Rule, Bovina; Mrs. Will Thomas, W. C. Weis, Friona; Charles Lovelace, Farwell, R. O. (Continued on Page 8)

## Electric Cooperative Members Will Meet For Annual Program, Barbecue Sat.

MARY NELL FULS

## Bride-Elect Honored At Supper-Shower

Miss Mary Nell Fuls, bride-elect of Richard L. London, was honored at a supper and shower Thursday night in the Friona Womens Clubhouse. Hostesses were June Moody and Mariede London.

Supper was served from a table covered with a hand-crocheted cloth and centered with an arrangement of sweetpeas. "I Promise You" was the duet sung by Joyce Miller and Bobby Joyce Tedford.

La Quitta Brannon read an original poem "Marriage For Two". Vera Ann Jones gave the reading "The Wedding". Guests present were the honoree, Mary Nell Fuls, Joyce Ann Miller, Bobby Joyce Tedford, Vera Ann Jones, Ruby Shaffer, Helen Carr, Ray Nell Foster, Tila Rue Day, Patsy Cobb, La Quitta Brannon, Alta Maye Wilkins, Fern Hand and Rose Williams.

## "Our Church" Subject Woman's Club Program

The Friona Woman's Club met Wednesday in the clubhouse for a program on "Our Churches". "The church is not a dormitory for sleepers, it is an institution for workers," a quotation from Billy Sunday opened the interesting discussion.

Mrs. Estes Bass gave a paper entitled "What are Our Churches Coming To?" "What about Sunday?" was the question discussed by Mrs. J. L. Shaffer. "A question of Priorities" was Mrs. A. H. Boatman's subject. "Youth and the Church" given by Mrs. J. D. Sanders was the topic that captured the sincere interest of all members present.

Sacred songs were sung by the group directed by Mrs. J. A. Lamb.

During the business session Mrs. Beecher Bristow was elected to secretary for next year. Carrying out the program theme in the decorations the hostesses used a miniature church on the table. The chimes which the replica church played aroused the interest of the cluded jonquils, tulips and sweet peas in spring arrangements.

Hostesses for the meeting were Mrs. Floyd Schlenker and Mrs. W. A. Tiney. Members present were Mesdames J. C. Wilkinson, Fred White, Roy Slagle, Shaffer, A. Shackleford, Sanders, Charles Russell, F. W. Reeve, Frank Reed, S. S. Pritchard, S. L. McLellan, Lem Miller, J. F. Miller, C. C. Mauer, L. F. Lillard, O. F. Lange, Lamb, Pearl Kinsley, V. R. Jordan, Ervin Johnson, G. L. Hough, Wesley Hardesty, Bert Chitwood, Bristow, Boatman, and Bass.

On April 29th, 1950, the 12th Annual Meeting of the Deaf Smith County Electric Cooperative Inc. will begin with an old fashioned barbecue with all the trimmings in the High School Cafeteria, at 12:00 noon. The business meeting and program will begin immediately following the barbecue at which time the reports of the officers of the Cooperative will be given.

An excellent program consisting of a demonstrated lecture will be given by Mr. Emerson Roland, Line Foreman, at which time he will show some things concerning line operation, what causes outages, and how the consumer may help in cutting down these outages.

The Hi-Y group from Hereford High School will furnish about 20 minutes of entertainment. Following the entertainment the remainder of the program will be devoted to an open forum on the rural telephone program. The forum will be conducted by Mr. W. M. Ricketts, Field Representative of REA.

As an added feature this year the electrical appliance dealers of the area are to have a display in the High School Building. This display will open at 9:00 A. M. and it is suggested that all members who can possibly do so come early view these exhibits, and register in each booth, as the merchants are giving away some very nice appliances as prizes. The Electrical Appliance Dealers and Suppliers are giving the following prizes:

- Forty gallon, 2 element Frigidaire Hot Water Heater.
- An Electric Carton Scales and \$12.50 worth of food packaging material.
- Philco radio.
- Pop-up Toaster and waffle iron.
- Certified Floor Lamp.
- Waffle Iron.
- Sandwich Grill and Waffle.
- Proctor Electric Iron.
- Sampson Electric Iron.
- Pop-up toaster.
- Toastmaster Waffle Baker.

At the conclusion of the program held in the afternoon, a drawing will be held in which the electrical appliances listed above will be given away. Members only are eligible for these prizes and each one who desires an opportunity to participate are in the drawing must register and be present at the time of the drawing.

On the Board of Directors of braces Farmer County is S. H. this organization, which em-Osborn of Friona, and G. T. Watkins of Farwell.

## Jones, Schlabs, Osborn, And Rogers Place at Regional League Meet

Friona students ranked high in the Region 1, Texas Interscholastic League contest, held on the campus of Texas Tech last week-end.

Vera Anne Jones placed first in typing competition with a score of 149.38, just one point under last year's state winner. She competed against over 60 schools.

In slide rule contests, Edmund Schlabs placed second, with Joe Osborn, third.

In Boys Tennis Doubles, Joe Osborn and Lavon Rogers were beat by Sudan in the finals after having decisively advanced past entries from Hart, Memphis, and Perryton.

Vera Anne and Edmund will go to state competition in Austin accompanied by Dillie Kelly, Friona teacher.

## Sewer Connection Charges / re Listed by Friona Officials

In the recent publication of the sewer regulations incorporated in Friona, section 16 of the regulations was inadvertently omitted. It is as follows:

**SECTION 16**—The charges for each connection with the City sewer system shall be as follows:

The depths and lengths of connections or services shall be as determined from the revised plans and specifications of said system.

For a 4" connection with wye in lateral, up to and including 3' in depth and not over 10' in length to point of connection—\$12.50.

For a 6" connection with wye in lateral, up to and including 3' in depth and not over 10' in length to point of connection—\$17.50.

For each additional foot or fraction thereof in depth over 3' for 5", the rate shall be \$2.00 per foot; for 6", the rates shall be \$3.00 per foot.

For each additional foot in length or fraction thereof over 10' the rate shall be, for 4" \$1.50 per foot, and for 6" \$2.25 per foot.

Where no wye or tee or other connection is in the lateral it will be necessary to cut in a special wye for which the charge shall be for 4", \$3.50 and for 6", \$5.50.

—30—  
Visting in the home of Mr. and Mrs. Glenn Phillips this week-end was Mrs. Yeary from Fort Worth, who is the Mother of Mrs. Phillips.

## Health Officer Advises Sun Stroke Precautions

Summer weather is just around the corner and many Texans will try to acquire a sun tan as quickly as possible. Dr. Geo. W. Cox, State Health Officer today released a statement concerning the danger of over exposure to the sun.

"Sun stroke is not thought to be due to the heat of the sun but to certain direct effects of the sun on the human brain. It is likely to occur after the sun has shone excessively on the back of the head and neck," Dr. Cox explained. "This can be prevented by protecting the head and back of the neck from the sunshine," he explained.

Dr. Cox asserted that exposure of the skin to the sun has some virtue since the action of the sunshine tends to kill the germs on the skin. Further sunshine produces vitamin D from the fats in the skin and this product is absorbed and used by the body.

"In general the good effects of sunshine are not due to the heat rays but ultraviolet rays," Dr. Cox stated. "It must be remembered, however, that it is these same rays which burn the skin and extensive application of direct sunshine to the skin may produce painful and severe burns which actually may endanger life."

The State Health Officer advises those who wish to obtain an extensive suntan to get it by slow degrees. Expose small portions of the skin to the sun for a short period of time. When tanning is established, exposing a greater area for a longer period of time should prove safe and comfortable.

## WEIS IS NAMED MEMBER ENGINEERING HONORARY SOCIETY, NEW MEXICO

John Weis, Friona, has been named a charter member of the Tau Delta chapter of the honorary mechanical engineering society at New Mexico A&M. It was revealed this week. Thirty-one students comprise this 53rd chapter established.

## PIANO RECITAL

Mrs. R. E. Everett will present her piano pupils in recital, Tuesday evening, April 25, at 1:15 o'clock, at the First Baptist Church at Bovina.

This fetching cotton polka dot frock in the new theatre length was inspired by one of Mary Martin's costumes in "South Pacific," according to the National Cotton Council. The polka dot organdy, designed by Emma Domb, has a deep pleated collar that may be used as a capelet or removed entirely for a formal effect.

Bright new fashions are blossoming with the arrival of spring. One of the outstanding new cottons this season is a harlequin plaid sundress in green and lilac gingham by Galey and Lord. The National Cotton Council reports that colorful plaid cottons will be among the most popular fashion fabrics this spring and summer.

**TO BE AT BOVINA SOON**  
Ois Echols and his Melody Boys will be at the Bovina High School Auditorium on Tuesday night, May 9th, 1950, at 8:00 p.m. The admission is 30c and 80c. Sponsored by the Senior Class

**BACCALAUREATE SERVICES**  
The Bovina Senior Baccalaureate services will be held Sunday, May 14th, at the High School Auditorium at 11:00 o'clock. Reverend D. C. Lee, of the Bovina Church of Christ, will deliver the address. Rev. Dixon, pastor of Lazbudie Methodist Church will leave Sunday April 23, to attend the Masonic Lodge in El Paso.

## Take it from me... there's nothing like Ford Hydraulic Touch Control

Maybe I'm lazy or maybe I'm smart. Anyway, when I'm on a tractor, I don't want any tugging at stiff levers to raise heavy plows, cultivators and whatnot. I'll take Ford Hydraulic Touch Control every time. I can sit on this new Ford Tractor and lift or lower and set an implement by moving the Touch Control lever.

Say! Maybe you are like me... lazy or smart, take your choice. Anyway, if you want easier, faster farming tell me to bring out a new Ford Tractor for a free demonstration that you'll enjoy... without obligation.

By the way... my good service on all Ford Tractors and equipment for them has a lot of folks talking.

### Where Are We Headed?

Some people are bewildered about where we are headed... Some people quote the frightening pronouncements of trouble-makers. Some people point to sensational reports and opinions. Some people are alarmed by scare words. Is it any wonder that some people... good people... are bewildered?

Most of us believe that this is the fairest country in the world today... a country where good citizens give their courage and talents to helping others... to working to build a better community... a better America... a better world.

Most of us believe that ours is a nation of families... where every family deserves the right to dream of and work for a home—and, if need be, to defend that home against political abuses.

Most of us believe this is a land where folks have an inherent right to prosper by their skill, their toil, their management.

Most of us believe this is a country of men and women who are capable of standing on their own good judgment in selecting those to represent them in Washington... selecting Representatives who will place right above personal pride... duty before pleasure... the good of the majority ahead of special interests... service against empty political promises.

Most of us believe this is a country where faith will not be denied... where people can continue to depend upon Divine guidance and help!

*Altavene Clark*  
**FOR CONGRESS**

These are the things in which ALTAVENE CLARK believes and for which she stands. ALTAVENE CLARK is a candidate of ALL the people—not the candidate of any special group or interest. When elected she can and will work CALMLY BUT FEARLESSLY for all these things. Now is the time when EXPERIENCE counts!

(POLITICAL ADV.)

**You Can Now Plan and "Build" Your All-Electric Kitchen on Your Dining Room Table at Home**

When you start to plan an all-electric kitchen for your new home, or to remodel your present one, a neighborhood kitchen planning specialist or appliance dealer can help you "build" the new kitchen on the dining room table weeks and months before construction gets under way.

He probably is no magician, but he brings the kitchen, including draperies and samples for floor covering, so that you may select everything from the room arrangement to the fittings. Today, Hotpoint, a leading producer of electric kitchens—and this includes planned home laundries—has outfitted thousands of kitchen dealers with miniatures of all the automatic pushbutton appliances that have been developed to save the housewife time and work.

The planning specialist will drop around in the evening when the family is together, carrying a little black suitcase. When the case of kitchen fittings is opened, the kitchen engineer opens his suitcase and pulls out a board divided into one inch squares made of linoleum or composition board. This is the floor for the kitchen you are going to "build."

If you are building a new home you may have architect's drawings showing the room size, windows, doors and radiator locations. The visiting specialist takes these drawings and places walls which simulate your new kitchen on his miniature floor. If you are going to remodel your present kitchen he measures its dimensions and makes a floor plan on a pad of squared paper.

When the basic room is "constructed" you are ready to select and place the floor appliances and cabinets. There will be the refrigerator, the electric range—perhaps in the apartment house size as well as the standard, the sink enclosing the dishwasher or a separate dishwasher which can stand alongside the sink; a selection of base and wall cabinets in various sizes.

Among his aids for kitchen planning, the specialist will have diagrams which show three, or possibly more, basic kitchen designs such as the common "U" shape, the "U" shape, or the kitchen in which the appliances

are arranged along opposite walls. After selecting the basic floor design for your appliances, you determine how each should be placed in order to create the greatest accessibility to other parts of the house and the outdoors. For example, the refrigerator will be located at the point nearest the door where supplies arrive.

**Center Work Points**

The range is frequently at the point closest to the dining room or eating nook. Most kitchen planners prefer to have the sink—sometimes called the "clean-up center" because it can include the food disposal and automatic dishwasher—between these two points. Foods taken from the refrigerator usually go to the sink before they reach the range. This works in reverse as meal left overs are transferred to storage containers at the sink and then placed in the refrigerator.

Also the center position of the sink makes water convenient to both refrigerator and range. Another point that the specialist will advise is to have a window above the sink. This not only permits better light for cleaning jobs, but also offers a view when you are doing chores at the sink.

When the floor layout has been settled, you select the wall-cabinets. There are different sizes for areas over working counters, the range and the refrigerator. The number of these handy storage units is limited only by the wall space available.

In a well-planned kitchen the amount of space needed in the wall-cabinets should be determined to a considerable extent according to the specific appli-

ances. For example, should you select an 8 cu. ft. refrigerator you need a total of 24 cu. ft. of dry storage space close at hand for foods awaiting preparation.

Home economists at Hotpoint, Inc., have determined that a three to one ratio of dried to refrigerated foods make a very adequate storage center. The cabinets over and near the range should contain the condiments and such dry foods as cereals and others that go directly to the range from the packages. Of course, the equipment and utensils used for cleaning should be near the dishwasher sink.

All the foregoing steps in building your kitchen on the dining room table can be accomplished in the same time it has taken to read about them, if you have no unusual complications.

The next, and probably as important as any other step in the process, is the selection of the colors and type of decorations you want to "personalize" your kitchen. You have two basic elements to consider—the floor covering and the tone on your base cabinets.

**Change Color Scheme**  
The color scheme of your curtains and any decorative items that enter in are equally important but, unlike the floor and the base tops, they can frequently be changed. The floor and the cabinet tops will be with you many years if not for the rest of the time you may use the house and they must have colors and patterns that you know you will enjoy living with.

Many of the larger department stores and home furnishings stores have divisions which not only supply floor coverings and drapes, but also take a complete contract for the appliances and all other fittings. This type of transaction has one advantage in that it assures you that a single "family of mechanics" will do the entire job. Also, you have to deal with only one merchant.

If you are going to build or remodel, by all means make inquiries about this "build-it-yourself-in-miniature" service. It takes much of the guess work out of procuring your new kitchen.

**Mrs. Lange Was Hostess To Congregational Meet**

Mrs. O. F. Lange washostess to the Ladies Aid of the Congregational Church for the regular meeting last week.

Mrs. J. C. Wilkison gave the devotional. Rev. George E. Meyer, pastor of the Congregational Church, gave the study on The Christian Religion.

Mrs. L. F. Lillard played as a piano solo, Falling Leaves; and Mrs. F. W. Reeve played Fluttering Butterflies.

Those present were Mesdames Pearl Kinsley, Dillard, Carl Maurer, Al Malzer, Reeve, Buel Sanders, F. W. Schlenker, Bert Shackelford, Pat Sisseell, Lillie Taylor, Rule, Fred White, Wilkison, Scot Weir, George Treider Pat Terry, and Rev. Meyer.

**Words of Thanks**

Words fail to express my sincere gratitude and deep appreciation to my wonderful and true friends for their thoughtful kindness and wonderful deeds of loving goodness to me during my eleven weeks stay in the hospital. Thanks to each and every one of you. God bless you all. T. A. O'Brien.

SENIOR CLASS WILL PUT ON PLAY APRIL 28th AT 8:15

The Senior Class of '50 is presenting their Senior Play "Growing Pains" on Friday night April 28th at 8:15 in the high school auditorium. The Psychology of the girl growing into womanhood, and the boys growing out of puppy love, seemed to hit the right note, and to throw some light an experience in life

Panhandle Writer Praises Timmons' Law-Making Record

By Bascom N. Timmons (Washington Correspondent; former Amarillo editor)  
To those of my friends in the Eighteenth Congressional District, who have communicated with me regarding the special election of May 6, I have replied that I hope they will give their support to my nephew, State Representative J. Blake Timmons.

J. Blake Timmons

In 1891 I became a resident of the Texas Panhandle when my parents moved to Washburn, Armstrong County, and although my work as a writer has called me to all parts of the Nation I have retained, and always expect to retain, my legal residence in the Panhandle Congressional District. I am, therefore, no outsider.

Some years ago at the end of his distinguished public career in Washington, which had lasted for a quarter of the life of the Republic, former Vice President John N. Garner said:

"The best training for a member of Congress is in his State legislature. He learns his District and his state there. He learns the legislative process and how to work with other men. I laid the foundation for my Congressional career in the legislature of Texas."

From this training school also came Senator Tom Connally and Speaker Sam Rayburn of Texas. Representative J. Blake Timmons, 33, has ably served this District four years in the Texas legislature, exactly the apprenticeship served there by John Nance Garner.

It has become a custom of the people of Northwest Texas to choose an able young man to represent them in Congress and to keep him there, thus reaping the benefit of his increasing experience and the friendship and respect he has gained from his Congressional colleagues.

In the last 53 years this Congressional District has had three Representatives in Congress, John H. Stephens, who served 20 years, Marvin Jones, who served 24 years, and Eugene Worley, who served 10 years. It has a my privilege to enjoy the friendship of all these able men. I believe that J. Blake Timmons would make a worthy successor to them. He is young, industrious, able and sound. He has been an up-and-forthright public servant in these critical times. J. Blake Timmons will serve his country and his Panhandle District well.

Girl Scout News

Adult girl scout leaders met in the home of Mrs. J. G. McFarland Tuesday to make plans for the Saturday afternoon cook-out for all intermediate girl scouts must have their parents sign consent blanks. The group of about 50 will go to a ranch near McFarland where they will cook their supper. They will return to town by 8 o'clock.

Scout Troop 1 is planning and purchasing the groceries and supplies; Troop 2 will make out the Kapers Chart; and the Tenderfoot Troop will be responsible for the games and songs.

Scout leaders are Mesdames Bill Stewart, S. H. Osborn, Dan Ethridge, Frang Spring, Ralph Miller and Ralph Wilson. Mrs. McFarland is chairman of the Friona Scout Council.

**Brownies Meet**  
Brownie Scouts met at the Scout Hut Friday with their leader Mrs. Weldon Dickson. They played games and planned for an overnight affair sometime later. Brownies present were Betty Agee, Jan Edelman, Barbara O'Brian, Linda Gee, Peggy Taylor, Bonnie Stowers, Connie Cruse, Billy Rae McKee.

**Troop I Cooks Out**  
Girl Scout Troop No. 1 enjoyed a cook-out at the city park at their last meeting. Plans for more outdoor activities were made. Scouts present were Mary Sissell, Florence Dean, Dean Buske, Carol Blackburn, Cleta Rae Stowers, June White, and Joan Agee. Joyce Miller was a guest. Leaders are Mrs. Ralph Wilson and Mrs. Ralph Miller.

**Another Cookery Session**  
Girl Scout Troop 2 under the leadership of Mrs. Sloan Osborn and Mrs. Bill Stewart met at Fellowship Hall of the Methodist Church Thursday for an outdoor cookery session. "Buddy burners" were used to cook bacon eggs and toast. The girl scouts had made the burners from inverted gallon cans with vent holes at top and a little door at the bottom. Inside this was placed a small can of paraffin in which was a wick made of corrugated cardboard. On top of these "Buddy Burner" the girls cooked their meal.

Scouts there were Eugenia Ray Landrum, Sally Osborn, Loletta O'Brian, Thomalu Fallwell, Ann McKee, Glenna Pope, Sue Cranfill, Gladys Baxter and Bonnie Sissell. They will meet at 10 o'clock Saturday to sell the rest of the GS cookies.

The Tenderfoot Troop met in the backyard of Mrs. Dan Ethridge, the assistant leader for a week's last Thursday. They cooked cook-out on their "Buddy Burner" and eggs. Present were Phyllis Treider, Patsy Tedford, Patsy Anthony, Carolyn Stover, Kathryn Dunn, Doris McFarland, Mary Dudley, Iva Jo Brooks, Jerry Bell, Norwood, Loretta O'Brian and Mrs. Frank Spring.

STEPS TO NEW WASHDAY freedom

Simple as 1-2-3! Wash-day drudgery vanishes completely when you leave it to electricity. No steaming heat, no back-breaking labor, no hours-on-end of energy-robbing soak, scrub and rinse. Just place clothes and linens in your electric washer . . . set the dial . . . and leave the hard work to electricity! So convenient, so efficient . . . so dependable, too. Even the most fragile linens and laces come out fresh as an April dawn . . . beautifully clean . . . thanks to this gentle, modern care. Ask to see the new, completely automatic electric washers when you visit your dealer. Remember—only a few cents a day gives you new wash-day freedom.

SOUTHWESTERN  
PUBLIC SERVICE  
COMPANY  
25 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Parmer County Implement Company NEWS

Sunday, April 23, Grandad and Grannie celebrated their 50th wedding anniversary. 125 friends and relatives were present at a tea honoring them in the home of Mrs. Claude Osborn. When they performed the wedding again, and Grandad got a wedding band he said that they had added new since fifty years ago. The Junior-Senior Banquet will be held Saturday, April 29, in the Jim Hill Hotel. This year there are 21 Juniors and 29 Seniors.

Special this week-lever type spring loaded Grease Gun \$2.35. Drop by and get yours now.

Last week Vera Ann Jones went to regional in Lubbock and won first in typing. Joe Osborn and Lavon Rogers won second in tennis doubles, Edmund Schlabs won second in slide rule and Joe Osborn won third. Vera Ann and Edmund will get to go to Austin to state. We hope they both return with high honors.

Have you done your laundry the Bendix Way—with a complete Bendix Home Laundry-Bendix Home Laundry. We offer you satisfactory terms on oursthold Appliances.

The Friona High School Band held an all day clinic Friday under the direction of Mr. Maxwell of Andrews, Texas. The band will go to contests at Canyon Friday. We hope they bring back as good honors as did the chorus, who returned with sweepstakes.

Mrs. Katherine Biggers expected to join her husband who is a sergeant in the army in the Philippines this month, but because of the righting over there her visit has been postponed until August. Mrs. Biggers is the daughter of Mr. and Mrs. A. W. Anthony.

Mrs. Roy Slagle and Mrs. Boyles were guests of the Bovina Woman's Society of Christian Service Monday evening.

We have a very good stock of syphon tubes—plastic and aluminum tubes of all sizes. We have a very attractive price on these tubes and they carry a guarantee. See these guaranteed tubes, if you are going to need tubes.

The Baptist revival is being conducted this week at the local church. Rev. H. Brown of Clayton, New Mexico is the preacher and Bob Lawrence of Hereford is leading the singing.

Very special: a good used Chaffin V. Type Ditcher at a bargain.

Roy Wilson, City Manager, is building a new home in the West part of town. Glenn Stevick is the contractor. Several new homes are under construction and Ernest Osborn will start building next month.

R. H. McFarland (our Uncle Shrine) and family moved to Tucumcari this week, to be near their ranch which is twenty miles North of Tucumcari. Mrs. Slough, Uncle Shine's mother-in-law, moved with them. She has been in ill health but is feeling much better.

Thursday is Lades night at Lions Club. Rev. Leon Hill of Amarillo will be the guest speaker, and Mrs. Cunningham's Senior Choir will sing. The Ladies Auxiliary will serve the dinner at the Legion Hall.

Girl Scout Leaders met at our house Tuesday afternoon to plan an all day meeting and cook out for all intermediate Scouts.

Mr. Jim Valance has been visiting Jake Lamb this week. He came up to get Jake to go fishing or at least to get Jake's new boat. Mr. Jim Valance is Mrs. Lamb's brother and lives in Memphis.

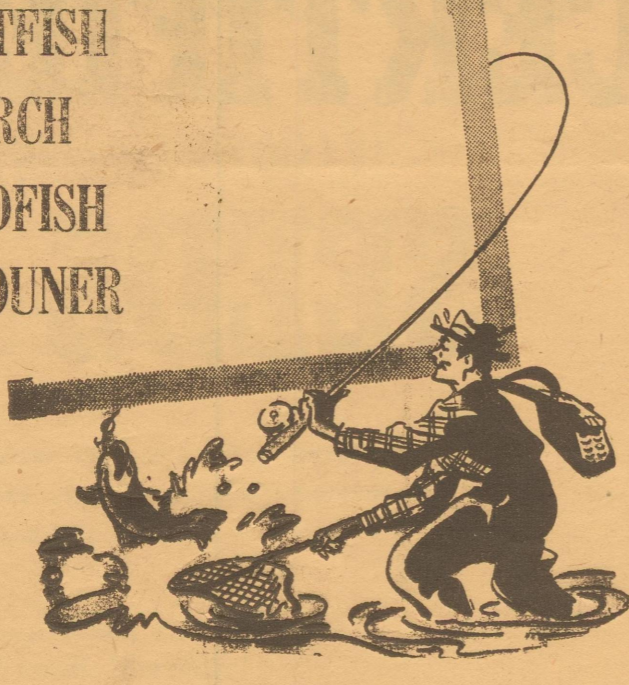

The faculty play "Meet My Wives" will be presented Monday night at 8 p. m. in the grade school auditorium. Admission is 25c, 35c, and 50c. The proceeds of the play will be used for stage equipment for the new auditorium. The play is to be given earlier than planned because of the teachers taking some of the students to Austin for the state meet the 4, 5 and 6 of May.

Laura Tozett Widner is the new baby born at the Parmer County community hospital this week. We have many good buys in used cars. If you are going to need a used car drop by and see our selection of O. K. used cars.

**J. E. McDonald Says Guill  
Has Best Farm Program**

From Amarillo Globe-News, April 17.

**SHAKE, SON**

**McDonald  
And Guill  
In Huddle**

Texas Commissioner of Agriculture J. E. McDonald, who has supported Republican Presidential candidates since 1940 and has consistently won reelection on the Democratic ticket, edged fairly close to the Panhandle congressional campaign here today.

While in Amarillo for a wheat meeting, McDonald conferred with Ben Guill of Pampa, the Republican candidate for Congress.

"I have no intention to try to suggest to the people of this district how they vote for Congress," he said, "but if I were voting here, I would pick out the best man for the place and support him regardless of his party label. I think we ought to do that all over the country."

"Moreover, I'd like to say that after World War I, the soldiers were turned loose and a bunch of swivel-chair politicians wrote the peace and made a mess of it. The same thing happened after World War II. It seems to me a good idea to have the men who won the war helping run the government and writing peace policies," he declared.

McDonald visited quite some time in Guill's headquarters in the Herring Hotel. He was photographed with Guill.

The commissioner of agriculture is a plain-spoken man who would . . .

CONGRATULATIONS . . . J. E. McDonald, Democrat, Commissioner of Agriculture for the State of Texas for twenty years, shakes hands with Ben Guill of Pampa, 40 year old Navy Purple Heart war veteran, who is running for Congress in the May 6 election. McDonald, one of the most respected agricultural experts in the world, said that Ben Guill is the only candidate with a constructive and intelligent farm program.

Ben Guill, the son of a farmer and a resident of the Panhandle for thirty-one years, says: "The farmer has been kicked around and dictated to by the bureaucrats in Washington too long. When I go to Congress I shall bring with me a farm program dictated by the farmers of the Panhandle themselves and I shall fight for that program on the floor of the House."

**ELECT BEN GUILL  
TO CONGRESS**

May 6

(Political Advertisement)

## To Europe and Back, No, But Friona Teacher Has Covered Equal Miles

Dr. Roy Boger, Director of the Amarillo Center of West Texas State College, says that during the school year 1949-1950 two teachers from Friona have been enrolled for night classes at the Center. They are Mabel C. Jones and Ima D. Stark. Mrs. Jones attended during the fall semester only. Mrs. Stark has attended both fall and spring semesters, and as she is taking two courses this spring she is now making the trip twice weekly.

"With pencil and paper and figuring 19 weeks to the semester," Dr. Boger said. "It will not take long to determine that Mrs. Stark has driven enough miles to and from Amarillo during the two semesters to take her to Europe and back. I don't doubt that Monte Carlo and night spots on the Riviera would be more fascinating than 3-hour sessions with Speech, Education, or Art classes, but \$11.00—the cost of a regular 3-hour course at the Center—would not go far towards paying the checks at these places. I advise anyone to consult Mrs. Stark on how to travel widely on less than a hundred dollars and at the same time increase the sum in the pay envelope."

Dr. Boger says plans are under way for more class rooms to accommodate next fall even more students than are now enrolled at the Amarillo Center, and the total is 726. In all, 1,413 students have enrolled during the 1949-1950 session. He hopes to see more folks from Friona when classes are resumed next September.

## Western Hospitality A La Osborn Delights New Hampshire Group

Mr. and Mrs. Forest Osborn were true Western hosts this past week to a group from Conway, New Hampshire, including an old service buddy of Forest's Broughton Shackford. While here the party including, Shackford, Roger Ceavy, and Robert Shackford and wife, accompanied the Osborns to Colorado with a truck load of cattle. Forest states that this operation was somewhat surprising to the Easterners who likely anticipated some wild and wooly wrangling with a whoop and banjo.

Most interesting to the visitors was a tour through a local elevator revealing a much different operation to the familiar one-hundred pound sacks of New Hampshire grain.

## Zelma Fay Beaty Proves Worth In County Contest

Zelma Faye Beaty, local 7th grade winner of the National Spelling Bee contests, followed through this week, copping top honors at Bovina in the county competition.

Zelma Fay goes to Amarillo May 6 where contestants from twenty-eight counties will vie for a chance to represent this region in the famous National Spelling Bee in Washington, D. C.

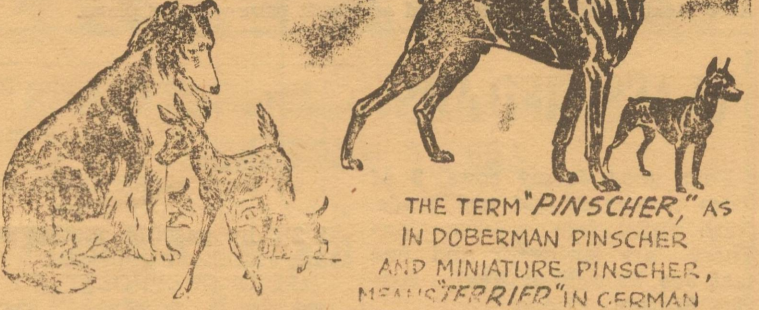

County Agent Joe W. Jones attended a meeting held by the Texas State Department of Health in Lubbock, April 21. Discussed location of wells and septic tanks and the services offered to farmers through this department.

Those from Farwell attending the Aggie Muster held in Littlefield, April 21 were Joe W. Jones, Robert Morton and Alex R. Bate. Robert Morton and Alex R. Bate.

## Bovina Nine Wins By 5 to 4 Score Over Friona Men

The Bovina baseball aggregation played host to Friona in a game Sunday in Bovina, scoring out a five to four victory in week's loss to Friona.

Enthusiasm is growing over the county for this season's play, and Friona is scheduled to play Lazouade Sunday at 2 P.M.

Lineups for the Bovina game were: London, left field; Renner, pitching; Clark, first base; J. Wilkins, catcher; John Smith, center field; Agee, right field; David Smith, right field; W. Wilkins, second base; and Hall at third. For Bovina: D.C. catching; Joe Morris, short stop; Hart, first base; Hromas, second; White, third; Venable, center field; and Bush, right field; with Renner tossing the win.

## CLOVIS RECRUITING READY FOR INCREASE IN QUOTAS

Officials of the Navy recruiting station, Clovis, New Mexico announced that due to the recent increase in enlistment quotas the Clovis Navy Recruiting station will be open from 8:30 AM to 5:00 PM Monday through Saturday. The station has previously closed at noon Saturday.

At present there are no specific educational requirements for enlistment in the Navy. Interested persons are asked to call the post office building in Clovis or phone 6622.

Doctor and Mrs. I.W. Hicks from Lubbock are spending a few days with their daughter, Mrs. Tommie Allen.

Rev. F.N. Allen has returned. Johnnie Martinez, son of Lola Martinez of Friona, celebrated his first birthday April 16, at the home of his great-grandparents, Mr. and Mrs. Manuel Martinez.

The Commissioners' Court held its regular bi-monthly meeting Monday April 24th in the Court House in Farwell. This was just a business meeting and nothing new was taken up.

**STAPP  
Chiropractic Clinic**

Corner 3rd & Main

Phone 128

While the wide scope of Chiropractic is amazing to the uninformed, we do NOT recommend Chiropractic as a CURE-ALL. Chiropractic is effective in those cases only where the cause is found to be defective in organic energization due to spinal misalignment. (Most of those that had previously resorted to ordinary methods of healing. Our examination is designed to eliminate those we cannot cure.)

**NOTICE**  
Case histories published here are from the files of Dr. Le Mond Clinic in Austin. They are displayed here to show the extent of Chiropractic.

**REHEUMATISM**

CASE NO. 2392: A man, age 55, came to the clinic complaining of pain in left leg, gas in stomach, a drowsy, dizzy-headed feeling, dull headaches, backaches, nervous shaking in left side, and low blood pressure. A spinal analysis and spinal X-rays revealed a nerve interference. Adjustments were begun and in time he reported all symptoms gone and that he was feeling fine.

**LOW BACK PAINS**

CASE NO. 135—Man, 32, complaining of back hurting for several months, could not do his work as a mechanic. Was advised to go to hospital for an operation. The Spinegraph Analysis showed the cause. The Chiropractic Health Service removed the cause. Patient has been well since November 10, 1948 doing hard mechanic work.

**SINUS TROUBLE**

CASE NO. 1186: This case is a lady, age 49, who had a history of 6 years of sinus trouble and hay fever, pains in right side of neck and shoulders, rheumatic pains in knees, tired back, pressure feeling in stomach, dizziness and nervousness. After going the rounds of doctors, and remedies, she finally came to the Chiropractic clinic for spinal examination. After the spinal analysis and spinal X-rays located the cause of her trouble, spinal corrective adjustments were begun to realign and remove interference in nerve wave frequencies which restored normal function to the entire ill-functioned body. Upon discharge, this patient reported no symptoms of sinus trouble remained. The body was in perfect health.

**OFFICE HOURS**  
Mon.-Wed.-Fri., 9-12-2-5  
Tues., Sat., 10-12  
Closed—Thurs., Sun.  
Phone 128 for Appointment

**NEURITIS**

CASE NO. 1216: A lady of 39 years complained of irregular periods, right side pains, bad cramps for two days a month, severe headaches before and after dizzy spells, low back pains, bladder pains, neuritis in shoulders, and sinus inflammation. She came to the Chiropractic Clinic for her headaches because a patient had recommended it for that complaint. Spinal analysis and spinal X-rays indicated defective energizations of the pelvic area and subaxial (misaligned) vertebra in the neck causing spinal cord interference. After a few months she was amazed to discover her female trouble and other complaints had vanished with the headaches. An operation had been recommended. It is not necessary now, for she feels perfect in all respects.

**LOW BLOOD PRESSURE**

CASE NO. 2013: A young mother, age 32 after being treated three times a week for a year without results, came to the Chiropractic clinic complaining of a pressure feeling inside her head. "Feels like the top will blow out," she said, "then it is itchy and tingle, and then my entire back tingles painfully. Nose stops up all the time. Eyes burn and feel sore above them, and the back of my head and my neck feels sore. I feel tired all the time and have weak spells. Have frequent colds, dizzy spells, indigestion, gas bloating, constipation, and low blood pressure. Generally speaking," she said, "I've been sick most of my life." The spinal examination and spinal X-ray located a spinal sub-

**IRREGULAR PERIODS**

CASE NO. 879: A lady of 28 years had not felt well for three years suffered with back pains, nasal dripping in throat, irregular periods and bad cramps, and would grind teeth at night. She came to the Chiropractic clinic where spinal nerve analysis and spinal X-rays disclosed an old neck injury causing nerve interference and defective energization of several areas of body. Corrective adjustments began to restore alignment, removing nerve flow interference and patient was prompt to report a feeling of general good health.

luxation. It was corrected by adjustments. When the patient was discharged she said she felt perfectly well, full of life and vigor, and not a single complaint remained.

**ASTHMA**

CASE NO. 481: A lady, aged 31, weight 87 lbs., suffered with Asthma for six months following a severe attack of influenza also complaining of chills, aching in body, hay fever, nervousness, female trouble, pressure feeling in lower abdomen, and pains in right ovary extending up to ribs, in bad several days a month, frequent colds, dizzy spells, rapid heart, low pressure, under continuous care of family physician and being gradually worse all the time. Although advised against chiropractic she feared she would die unless she did something different, so she came to the Chiropractic Clinic for a spinal analysis and spinal X-rays. She began her right back to health under our care. She now does her home, cares for her children, holds a job in business, weighs 120 lbs. and is free of symptoms. She continues periodic check-ups to remain well for she never wants to lose again that glorious feeling of being healthy and full of life.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

**CONSIDERED TWICE!**

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

**REJECTED TWICE!**

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

**FEATHER-BEDDING!**

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the featherbedding proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

**"The Safety Record of Diesels is Outstandingly Good..."**

PRESIDENTIAL FACT FINDING BOARD REPORT  
Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel electric locomotives operated under current rules indicate that Diesel electric operation has been safer than steam locomotive operation."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

**HEREFORD**

Mrs. Tinney Submits Prize-Winning Letter

### What Friona Needs Most In My Opinion:

Friona needs to pave some of the main-traveled streets, such as Main Street, east to the FFA show barns, and 6th Street west to the Church of Christ. This would make our town seem larger and more interesting to folks producing them to establish new businesses and to make their homes here; and it would be a lot nicer for those who already live here. More pavement will cut down on a lot of the dust that originates here in town with

every breeze. One of the best things that can be done in Friona is some arrangement that will prevent the parking of cars at corners of streets in such manner that people entering Main Street from cross streets cannot see whether or not it is safe to enter; also the 'No Truck Parking' should be enforced on Main Street. Signal lights should be installed at the intersection of Sixth and Main Streets, and street

names should be placed at all street corners. Pavement that now exists could be repaired; and it should be extended up to each business house in cases where there is no paving now. One of the biggest improvements is to build a City Hall and Fire station, combined. An active Boy Scout organization is needed, together with some kind of summer project for the children and teenagers. Editors Note: Mrs. Tinney's letter was selected because of the large number of improvements suggested. Other letters set forth some very strong points on lesser number of items, and they will be published from time to time. We welcome letters at any date that advocate means of progress in this community; we only ask that each be signed.

## HEREFORD HI SCHOOL AUDITORIUM

As an added feature this year the electrical appliance dealers of the area are to have a display in the High School Building. This display will open at 9:00 A. M. and it is suggested that all members who can possibly do so come early, view these exhibits, and register in each booth, as the merchants are giving away some very nice appliances as prizes. The Electrical Appliance Dealers and Suppliers are giving the following prizes:

Forty gallon, 2 element Frigidaire Hot Water Heater—Goodhousekeeping Shop, Hereford and Reeves Chev., Friona, Texas  
An Electric Carton Sealer and \$12.50 worth of food Packaging Material—Hereford Implement Co., Hereford  
Philco Radio—Hereford Furniture Company, Hereford, Texas  
Pop-up Toaster and waffle iron—Commercial Oil Co., Hereford  
Certified Floor Lamp—First National Bank, Hereford  
Waffle Iron—C. B. Anderson, Amarillo, Texas  
Sandwich Grill & Waffle Iron—G. E. Supply, Amarillo  
Froctor Electric Iron—Grabar, Amarillo, Texas  
Sampson Electric Iron—Western Light and Supply, Amarillo, Texas  
Pop-up Toaster—Westinghouse Electric, Amarillo, Texas  
Toastermaster Waffle Baker—Joslyn (Paul Carson) Amarillo, Texas  
Witherspoon Electric, H&H Furniture and other dealers will participate.

At the conclusion of the program held in the afternoon, a drawing will be held in which the electrical appliances listed above will be given away. Members only are eligible for these prizes and each one who desires an opportunity to participate in the drawing must register and be present at the time of the drawing.
