

Top Coat Applied On All Friona Paving

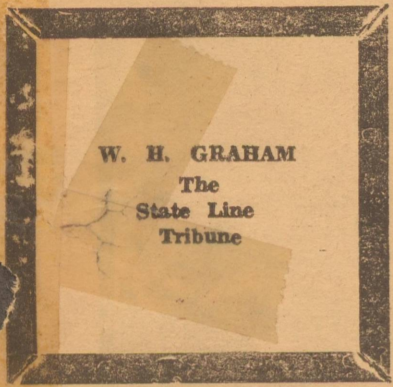

A seal coat of gravel and asphalt mix is being applied this week to the paved streets in Friona.

The Brown & Root Construction Company, contractors for the paving program last year in Friona, has sublet contracts to Kerr and Middleton of Lubbock to complete this latest work. The

firm began patching operations several days ago on faulty pavement, and they are laying the topping this week with expected completion on Saturday.

Brown & Root authorized the work without any additional cost to the city or property owners, Mayor Charles Allen, states. Representatives of the Houston Firm examined the paving some weeks ago, taking laboratory tests of sample blocks, and they volunteered the placing of a seal coat to bring the work to specifications.

W. H. GRAHAM
The
State Line
Tribune

Two veteran Panhandle newspaper publishers have signed "30" since our last publication.

W. H. "Hop" Graham, was the better known to most of our readers, he had been linked with Farwell and Parmer County activities since the mid-twenties, and his passing is felt as a distinct personal loss by many of us.

Van W. Stewart of Perryton preceded Mr. Graham in death by only three days.

This writer commented in the MMM columns of Mr. Stewart's contribution to the newspaper field and state-wide activities; the lines were written Monday morning before the passing of our neighbor Hop Graham, and we can only add the postscript at this late hour that Mr. Graham is equally missed—his accomplishments and service are matters on record.

CL

Walter Loveless, Justice of Peace of the Friona precinct, has been named as Friona City Judge replacing J. D. Hamlin.

Appointment of Mr. Loveless was effective May 1st.

Over Hundred Attend FFA Father-Son Fete

One hundred and nineteen Future Farmers of America, their fathers and guests, were present Tuesday evening for the fish supper provided courtesy of Granville McFarland and the Parmer County Implement Company.

From the short talks by FFA members to the quartette singing of Tech and Hereford groups, the entire affair was a friendly informal session of good fellowship.

Arnold Pangman, local FFA president, presided at the session. Ira Holt presented a short history of the organization, outlining work of some of the members. Hog cholera, its symptoms and various preventative and cures, was discussed by Clyde Hayes, Jim Dixon, Jim McLellan and Harris Dunn.

J. T. Gec, vocational agriculture instructor, introduced guests and recognized the farm skill teams. The Junior team consisted of Danny Mack Rainum, Dwayne Taylor, Cotton Renner, Joe Allen and Donald Petty. The Senior team was composed of Kenneth McLellan, Virgil Phipps, Jim Dixon, Harris Dunn and Clyde Hayes.

The quartette from Texas Tech presented several numbers including novelty singing and piano selections by Ned Hardin. Other members of the troupe were Tim Magness, spokesman, Clarence Whiteside and Bill Carmack.

Four songsters from Hereford led to the program with further numbers: they were David Stoston, David Stanton, Tommy Sorn and Leaton Clark accompanied at the piano by Raymond Childers.

Guests of the implement firm and the FFA included Superintendent Caffey, board members Clyde Hayes, Roy Clements and Paul Fortenberry, Lee Burnett and Raymond Cook of the faculty, and Ralph Miller, Tiny Mag-

ness, Sloan Osborn, Forrest Osborn, Joe Fallwell, Frank Spring, Floyd Messinger, Pete Buske, Weldon Dickson, Arthur Hilton, Bert Neelley and Roy Wilson, and several members of the Parmer County Implement staff.

Open house was held in the agricultural rooms of the high school immediately following the program at the cafeteria.

RETURNS FROM ALBUQUERQUE

Mrs. Allen Stewart returned yesterday from Albuquerque where she had been at the bedside of both her mother and father, Mr. and Mrs. W. E. Smith of Black, who are hospitalized there. Mrs. Smith is in the St. Joseph Hospital and was operated on this Monday. She is reported recuperating as well as could be expected. Mr. Smith, in the Santa Fe Hospital, is resting well, Mrs. Stewart brings word.

Wheat Acreages, Production Records Are Requested in County; Possibility of Quotas

Wheat growers were urged today by Joe Camp, PMA Secretary, to come to the County Production and Marketing Administration office at their ear-

liest convenience. Their help is urgently needed to bring farm program records up to date in allotments and marketing quotas. This appeal follows a recent

preparation for possible acreage on the 1954 wheat crop. Announcement by Secretary of Agriculture Ezra Taft Benson that the U.S. Department of Ag-

riculture would immediately start the preliminary work necessary in case productions and marketing controls are required for the next wheat crop.

According to A. F. Phillips Jr., Chairman of the County Committee, certain information from farmers is absolutely necessary in order to do a sound administrative job of setting equitable acreage allotments for individual farms. Farm allotments will be determined by the County PMA Committee, with the assistance of the community committees.

Data needed includes the farm's wheat acreage and production data for the 3 years 1951, 1952, and 1953; the legal description of the land, and other pertinent information. If the farmer operates a rented farm, he should be able to supply such additional information as the name and address of the owner.

Mr. Phillips emphasizes that the final decision has not yet been made as to whether acreage will be used for the 1954 crop of wheat. That decision will be

made later, when more is known about the supply and prospective demand situations. However, the about the supply and prospective indicated wheat supply is such that production controls will probably be necessary as directed by law.

Proclamation of a national wheat acreage allotment is mandatory unless dispensed with by the Secretary because of a national emergency or a material increase in exports. Proclamation of quotas is mandatory when supplies reach a certain point specified in the legislation, except under emergency conditions.

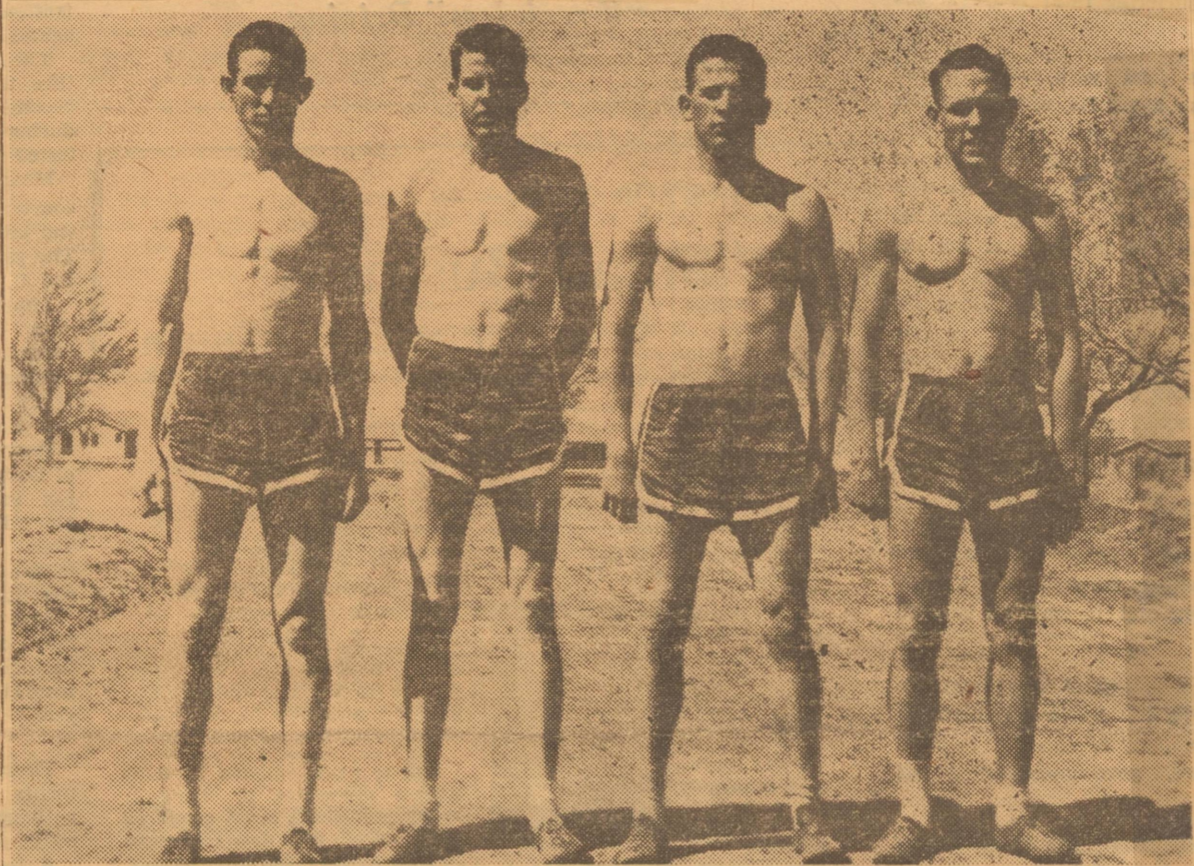

An early start on the necessary advance work is particularly urgent, Mr. Phillips explained, because the decision and proclamation must be made not later than July 1 for marketing quotas and July 15 for acreage allotments without quotas. If quotas are proclaimed, a national referendum among growers must be held by July 15.

In requesting farm's cooperation in supplying the needed information, Mr. Phillips said that the county office should have all the data by June 1, if at all possible.

Parmer county has an estimated 1200 farms growing wheat, but were discontinued before the end of the marketing year. Wheat marketing quotas have been used only twice, for the 1941 and 1942 crops.

As an added convenience to farmers in reporting this information, they are urged to watch their May PMA Newsletter for Community meetings scheduled this coming week.

Locals Shatter State Records

These Friona High School representatives were responsible for the third place honors copped in the state-wide meeting at Austin last week. Pictured left to right are D. O. Robason, M. C. Osborn, Ben Wayne Jordan and Darrell Robbins.

Competing in unquestionably the fastest track meet in Texas Interscholastic League history, the Friona delegation racked up 28 points last week-end at Austin to

place third among Class B schools. Darrell Robbins took 1st place in the 440 yd. dash in 50.2, shattering the old Class B record of 50.5.

The Friona relay team also set a new state Class B record of 3:27.6, the old time being 3:31.5. Running were M. C. Osborn, Ben Jordan, D. O. Robason and Darrell Robbins.

Robbins took 5th in the high jump at 5.11 3-8.

Sugarland won first honors with 48 points, followed by O'Donnell with 33, then by Frionna. In the entire meet 22 records were shattered.

Accompanying the local boys were Coach Raymond Cook, Mr. and Mrs. Claude Osborn and Sally, Mr. and Mrs. V. R. Jordan, Mr. and Mrs. Robbins and Phyllis, and Sue Roberson. The boys went down on Thursday, returning Sunday.

Dr. Martin Cole To Address Students

"Living with Yourself" will be the subject of the commencement address to be delivered before Friona graduates on May 21st by Dr. Martin L. Cole, academic dean of Eastern New Mexico University of Portales.

Dr. Cole is an outstanding educator of the southwest, having a brilliant record in his professional capacities at the University of North Dakota, Augustana College, St. Olaf College, and at Portales; he is author of numerous articles and books, and has received many honors and distinctions in the teaching, athletic, and civic fields.

The graduation exercises will be held at 8 p.m. in the auditorium next Thursday.

Lockhart to Speak

"Happiness" will be the chosen subject of Stanley Lockhart, minister of the Sixth Street Church of Christ, in his Baccalaureate Sermon to be given Sunday evening at 8 o'clock.

Twenty six seniors will participate in the commencement functions.

Two Deaths in Week

Sadden Sanders Family

Mrs. Lyndon Sanders received word Wednesday morning that her father, W. M. Piehl of Canyon, had died of a heart attack in Detroit, Michigan while on a vacation trip.

Mr. and Mrs. Sanders, who had just returned to Friona after attending the funeral of his father who died last Wednesday of a heart attack, left Wednesday afternoon by train for New Knoxville, Ohio, where burial services will be held.

Bovina Co-op Meeting on Mon.

Annual stockholders meeting of the Bovina Wheat Growers will be held next Monday according to announcement of A. C. Teter, manager of that organization.

Supper will be served at 8 p.m. in the Bovina American Legion Hall with a varied program immediately following.

Frank Pharris of the Producers Grain Corporation at Amarillo will be featured speaker. The financial report also will be presented to the group.

Rev. Weldon Butler, pastor of the Methodist Church at Vega and district director of the young people's work in the Amarillo Methodist district, preached at the local Methodist church Monday night.

The youth of the church were in charge of the service.

Farm Bureau Report

Have you seen signs, upon entering counties in other areas, placed there by 4-H and FFA chapters, welcoming you to the place at hand. You feel sure that interested in you when you see these chapters are active and interested in you when you see their signs of friendly welcome. Well, of course, we know that the chapters in Parmer County are active because of their many projects exhibited at the stock shows and fairs, et cetera. In a short time, however, strangers entering the county from any one of five paved entries will know it, too. Members of FFA and 4-H have been planning for this recently, and Parmer County Farm Bureau, in cooperation with them,

is helping with the project. Bruce Parr, Farm Bureau President, had already committed himself to furnish a large portion of the expensive materials for sign construction, and the directors granted a sum of money, that, with possible further contributions of materials will make possible attractive welcoming signs that everyone will be proud of. County Agent Joe Jones with committeemen Earl Stevenson and Carl Schlenker have taken the responsibility of assembling materials and seeing that the signs are designed and erected in the near future. Watch for them.

Graham Funeral Today at Farwell

Funeral services are being held today in Farwell for W. H. "Hop" Graham, publisher of the State Line Tribune, who died Wednesday morning after a lingering illness.

Death came on his 62nd birthday; he had been in the newspaper profession since 1909, and had published the Farwell paper for 27 years.

Funeral rites are to be held this afternoon at 3 o'clock in the Harmon Memorial Methodist Church in Farwell. Rev. Stroup Miller, pastor, will officiate. Burial will be in the Lawn Haven Cemetery, Clovis.

Mr. Graham, was born May 13, 1891 in Dundee, Archer County, Texas.

His first newspaper job was on The Review, a weekly paper in Irene, Tex., but he got most of his training as typographer and pressman on the Lawton, Okla., Star.

He became a publisher in 1914 when he bought The Andrews Times. He was married at Andrews in 1915 to Miss Arrie Black. Mrs. Graham is among survivors, who also include a son, W. H. Graham, Jr., Farwell, and a daughter, Mrs. Vance Crume, Hereford.

There are four grandchildren. The first grandson, child of Mr. and Mrs. W. H. Graham, Jr. was born last month.

Other survivors are a sister, Mrs. Blanche Shull, Lawton, Okla.; a brother, L. W. Graham, Oklahoma City, and two half brothers, Harmon Graham, Paul Valley, Okla., and Master Sgt. H. Lee Graham, Lackland Air Force Base, San Antonio.

Mr. Graham came to Farwell from Melrose, where he began publication of the Melrose Messenger in 1918.

A member of the Methodist Church for many years, he had served on the board of stewards. He also had served on the Farwell School Board and during World War II was chairman of the Parmer County Selective Service Board. He was president of the Panhandle Press Association in 1939.

Monday Morning Musings

Where There's a Will...

We set in on a roundtable discussion of some wide-awake high school students last week. They were casually discussing youth activities, and they brought about some mighty good suggestions that we hope they personally push to reality, with the community lending full support.

Among activities proposed were use of the old gymnasium here for skating, ping pong and related activities. Then playground ball and baseball teams were mentioned. What would create more community interest and youth participation than a local league of soft ball players. With regular summer evening games under the lights at the football field? They would have little trouble finding sponsors, would they?

We were delighted to hear these suggestions for concrete action coming FROM THE STUDENTS. Let's hope the project materializes.

MMM

A fellow publisher lists this creed:

We must write over and over again the old copybook maxims. Honesty is the best policy. There is no substitute for work. Folly brings its own penalty. Right living brings its own reward. The market place is mightier than any legislative hall.

MMM

GREAT MEN PRAY

And we think the favorite prayer of Major General Frederick Irving is worthy of quotation. General Irving is superintendent of West Point.

CADET PRAYER

O God, our Father, Thou Searcher of Men's hearts, help us to draw near to Thee in sincerity and truth. May our religion be filled with gladness

and may our worship of Thee be natural.

Strengthen and increase our admiration for honest dealing and clean thinking, and suffer not our hatred of hypocrisy and pretence ever to diminish. Encourage us in our endeavor to live above the common level of life. Make us to choose the harder right instead of the easier wrong, and never to be content with a half truth when the whole can be won. Endow us with courage that is born of loyalty to all that is noble and worthy, that scorns to compromise with vice and injustice and knows no fear when truth and right are in jeopardy. Guard us against flippancy and irreverence in the sacred things of life. Grant us new ties of friendship and new opportunities of service. Kindle our hearts in fellowship with those of a cheerful countenance, and soften our hearts with sympathy for those who sorrow and suffer. Help us to maintain the honor of the Corps untarnished and unsullied and to show forth in our lives the ideals of West Point in doing our duty to Thee and to our Country. All of which we ask in the name of the Great Friend and Master of men. — Colonel Clayton E. Wheat, Former Chaplain of U. S. Military Academy.

MMM

We have frequently quoted in these columns from the writings of Van Stewart, editor and publisher of the Ochiltree County Herald at Perryton.

But this week we can only offer "In Memorium" for this stalwart citizen, Christian, and tireless newspaperman is dead, suffering fatal heart attack Sunday morning.

Mr. Stewart and his good wife visited in our office only a few weeks ago. He understood the problems of little towns and the country weekly, having started his newspapering career at Perryton when that community also was quite small. He was a builder by trade and first choice, but by a turn of circumstances found himself at the helm of the little newspaper there, and he turned his entire time and interests into that field. Ever since, he has placed Service as his vocation and goal, as evidenced by his marked accomplishments in his local church, civic clubs, chamber of commerce, and the regional and state press activities.

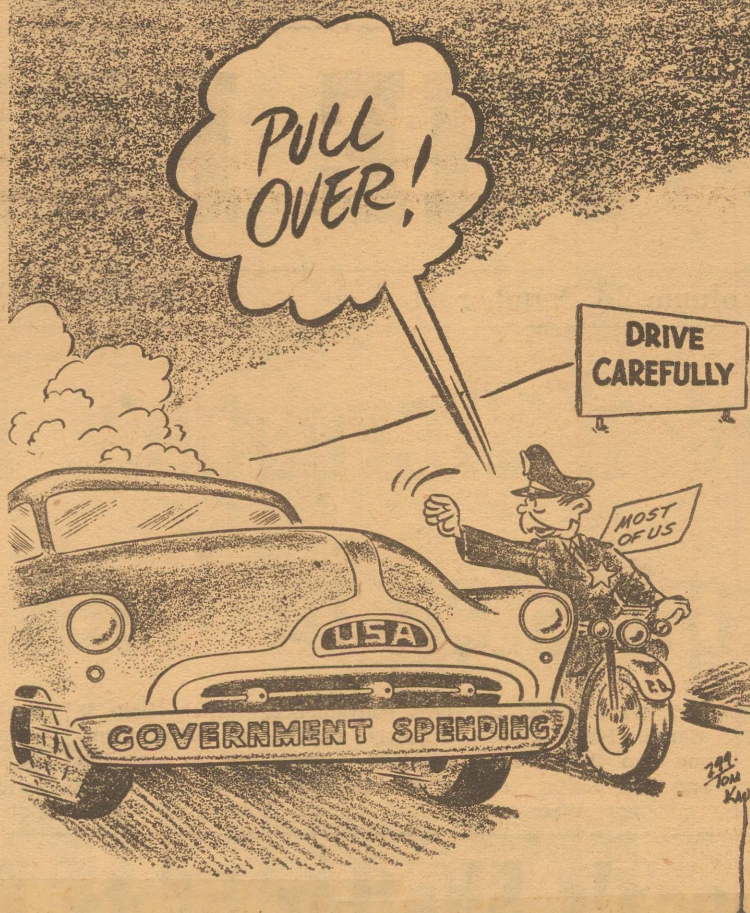

Give us more such inspiring characters.

MMM

The trend is away from national handouts and assistance. And small wonder; we invite your study of the following situation, and it isn't an isolated one by any means.

Cuyahoga Heights is a village of 765 persons in Ohio near Cleveland. The Air Force has commissioned the Aluminum Company of America to build a \$40 million plant there, government-owned but leased to Alcoa.

As a government installation, the plant would pay no taxes, though as a private industry its tax would be \$500,000 a year. Yet it will require municipal and school facilities which the little community could ill afford. There is a problem in federal ownership of defense industries which penalizes the locality for the benefit of all the nation. It is one of the many injustices of government ownership, whose solution should appeal to an administration committed to the encouragement of private enterprise.

"Wreck-less" Driving

WASHINGTON AND

"Small Business"

—By C. WILSON HARDER

A plan to solve newspaper problem is before Congress.

Background data supporting this plan was amassed during Senate Small Business Committee study of newspaper situation about a year ago. Facts were found, for example, that the U. S. press depends on Canada for 5/8's of its newsprint supply where producers appear to operate as a monopoly.

It is time for action, says C. W. Harder, Sen. Francis Case (Rep. S. D.).

He has introduced a bill that will permit a newspaper industry in the vast Tongass National Forests of Southeastern Alaska

Although these reserves were held inviolate for years, recently permission was granted an international firm to cut pulp timber to make cellulose.

Senator Case feels time has come to protect interests of independent U. S. publishers.

His bill has several interesting provisions. A private company shall operate Alaskan newsprint industry. It must agree to reserve a certain percentage of production to meet needs of American newspapers with circulation of 10,000 or less.

In addition, the bill recognizes the financial problems faced in establishing an Alaskan newsprint industry. Therefore, the emergency rapid tax amortization allowed major U. S. industries will be granted. As it costs around \$70,000 per ton of capacity to build a newsprint plant, the bill also provides RFC may loan up to \$50 million, to be paid

back over 50 years.

Strenuous objection to this bill from both domestic and foreign sources can be expected. Former State Department opposed action on newsprint problem.

But in Senator Case's mind the problem is quite simple.

Preservation of American liberties, both political and economic, rest on a free and independent press in the smaller communities of the nation.

Due to price gouging by Canadian newsprint producers, many publishers must spend 50 cents out of every dollar taken in just for paper. Mortality among independent newspapers has reached a new high.

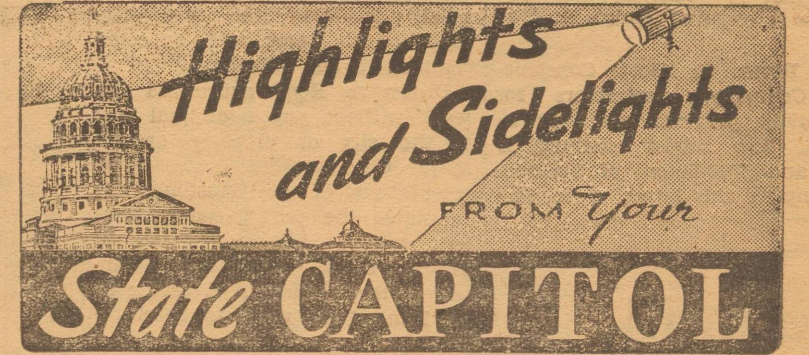

On the other side of the picture, more and more the big cities are being served only with a chain newspaper. And due to what many consider laxity by the Federal Communications Commission, television and radio station ownership is being given to big combines, many of them also having interests in metropolitan newspapers.

Thus, more and more, weekly and small daily newspapers remain the only institutions where freedom of expression is found in the United States.

Opposition to this bill will undoubtedly claim this is a plan by which newspaper publishers are trying to use the government to feather their own nests.

But the facts are the major support comes from independent businessmen not connected with the publishing business. The leaders of these businessmen feel that as so goes the independent newspaper, so goes the freedom of enterprise in all fields of endeavor. The progress of this bill will be watched by millions.

Austin - Washington Comments ..

By VERN SANFORD
Texas Press Association

The Legislature worked this week

lic school teachers more pay. Those who wanted more money for teachers seemed ready to accept something less than the \$600 mandated.

per year they had originally demanded. The House lagged behind in committee action on new tax bills to provide the money for teachers, per year to give the school people

It would take about \$33 million an additional \$600 annually.

At the same time, the administration kept up its pressure against new taxation.

The governor asked the legislature to wait and see what would become of a natural gas tax, passed during the last session and being tested in the courts.

Meanwhile, the State supreme court declared the tax valid. But the issue was not finally settled. The gas companies could appeal to the U. S. Supreme Court.

Representative Douglas E. Bergman of Dallas suggested that teacher pay be hiked \$306 per year, starting next September, if the state wins its fight for the natural gas tax.

Representative D. H. Buchanan of Longview wanted to pass a new tax on natural gas, to bring in \$15 million per year for teachers. This tax would become invalid if the present tax is found to be constitutional.

And Representative Lamar Zivley of Temple recommended financing a \$30 per year raise for teachers with a tax on natural gas.

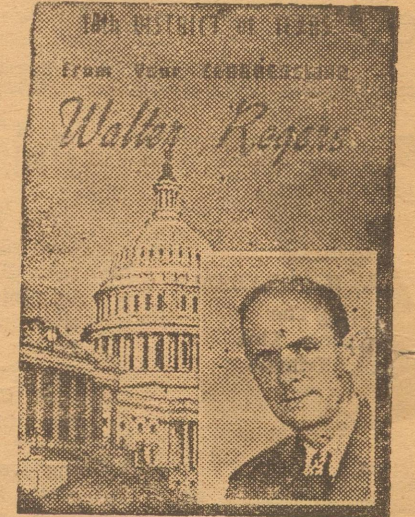

TPA

There was strength behind movements to adjourn the session — without any new tax. That would mean no pay increase for teachers.

Although both houses have voted \$600 per year pay raises for school mums, Comptroller Robert S. Carver has said that the money is not in sight to pay the cost.

That means no more money for teachers, unless a tax bill is passed.

Washington, D. C.
May 8, 1953.

IS HISTORY REPEATING ITSELF SO SOON? Many have forgotten during the past fifteen years the events that preceded

World War II. On September 15, 1938, the Prime Minister of England, Neville Chamberlain, met with Hitler at Berchtesgaden concerning the Sudetenland. Hitler demanded self-determination for

Sudetens and their return to Germany; he promised to refrain from hostilities until after Chamberlain's consultation with the British Cabinet. This was because the Prime Minister did not have authority to make commitments for the British Empire. Subsequently, on September 22nd, Chamberlain and Hitler again met at Godesberg. The Prime Minister refused Hitler's demands for the immediate occupation of

Sudetenland. Hitler refused to guarantee frontiers until his other minority claims were satisfied. On September 29, 1938, the conference at Munich was held. The four powers, Germany, Italy, Great Britain and France, agreed to cession of Sudetenland. Britain and France offered to guarantee new boundaries of Czechoslovakia against external aggression. This was perhaps due in

Do You Remember ..

27 YEARS AGO

J. B. Bailey of Clovis had been to Friona to organize a Boy Scout troop here. Twenty seven business men and farmers had met during the week and elected officers. J. A. Blackwell was named Scout Master; C. M. Stevens, assistant. The Scout committee consisted of F. W. Reeve, A. D. Carter, F. L. Spring, T. J. Crawford, O. F. Lange and J. G. Weir.

The community picture show, which had been conducted once each week while school was in session, had been taken over by the Friona Woman's Club and pictures were shown each Saturday night.

Miss Cleo Hicks and Virgil Whitley had been married May third in the Baptist church in Roswell, New Mex. and were making their home near Friona.

Mr. and Mrs. Dick Habbinga had been visiting in Abernathy.

The Will Jones family had narrowly escaped death from arsenic poisoning on Sunday morning. Mrs. Jones had mistaken the ar-

nic for baking powder and used some in the biscuits.

Heavy loss had been sustained in two fires during the week. The barn and contents on the E. E. Taylor farm had burned. 500 bushels of threshed grain and three calves were lost in the fire. W. D. Knight had lost about three hundred bushels of corn when the rick in which he had the corn stored caught fire and completely burned.

The weather had been dry and on two days the thermometer had registered as high as 99 degrees. Some wheat was still holding out and fair yield was expected in spite of the extreme drought.

Prof. Nelson C. Smith had been employed as superintendent of the Rhea school. He had been teaching at Oklahoma Lane.

W. D. Kirk, Reuben Gischler and Chick Schlenker had returned from a ten day trip to Austin and the Rio Grande Valley. They had attended the state tract meet in Austin.

At the theatre Saturday night was Buck Jones in Desert Valley.

Reddy for ICE CREAM!

SYMBOL OF QUALITY

...and all the other frozen desserts that make your family call for "More!" Remember, too, that the freezer-refrigerator combination brings you the extra economy of saving left-overs, and turning them into entirely new meals, as well as the low cost luxury of frozen desserts and salads.

If you're ready for home-made ice cream and desserts, and food storage economy, too, then you're ready for a freezer-refrigerator combination.

THEIR ENTHUSIASM for the "Rocket" can mean money in your pocket!

HERE'S HOW...

Every survey shows it... every dealer knows it—America goes for the "Rocket"! It's among the most admired automobiles around today—this high-powered, high-styled Super "88" for 1953—and that's a mighty profitable situation for every "Rocket" owner! It means that your Oldsmobile will command top price as a trade-in... will get you top deal on your next Oldsmobile. America's enthusiasm for the "Rocket" means—literally—money in your pocket! This great popularity is just one more advantage of owning an Oldsmobile—with its famous "Rocket" Engine, Power Styling, Power Steering*, Pedal-Ease Power Brakes*. So make a date with the Oldsmobile "Rocket 88"—right now!

*These Power Features and New Autronic-Eye are optional at extra cost.

COTTON QUIZ

Informal Elegance

Age, evidently, has not withered, nor custom staled the infinite
variety and adaptability of cotton curtains. A recent survey rep-
resenting a national cross section of an estimated 40 million home-
makers in the United States revealed that cotton for curtains was
preferred above all other fabrics.

It's not surprising to find that today's homemaker has rediscovered
for herself that few fabrics can equal the touch of informal
elegance cotton curtains lend to any interior. Shown here are a
pair of ruffled crisscross curtains in Hathaway Dots—a sheer
cotton marquisette with fluffy cotton dots woven in, a truly three-
dimensional curtain. A further boon to the young homemaker on
a budget is the economy factor of Hathaway Dots—they are
priced within the reach of everyone.

Bridal Beauty

WITH THE LILTING gaiety of
lacy fluted ruffles in matchless
nylon tulle deftly edged with

Melody Club Planning Sunday Program Here

Students of the Melody Club
gong group, pupils of Miss Mattie
Mae Swisher, will present a con-
cert Sunday afternoon at the
First Baptist Church in Friona.
Time is 3 o'clock.

The program will consist of
sacred songs, spirituals, art songs,
light opera, ballads, and humorous
and light songs.

Mrs. Eva Miller will be accom-
panist, and Betty Joyce Agee, a
pupil of Mrs. L. F. Lillard, will
be presented as guest piano artist.

Students participating are June
White, Don Lewis, Joe Reeve,
Patricia Lindsey, Robbie Osborn,
Sue White, Iva Ben Parr, Martie
Lee Fulcher, Richard White, John-
ny Miller and Vicki Lovett.

A cordial invitation is extended
the public to attend.

Jay Beene Celebrated Fifth Birthday Tues.

Jay Beene was honored on his
fifth birthday with a party given
Tuesday afternoon by his mother,
Mrs. O. J. Beene.

Television provided entertain-
ment for the young guests.

Birthday cake and punch was
served to Gibby, Vance and
Elana Beene, Steven Thornton,

Carolyn, Eddie and Tommie
Jimmy Stokes, Patti Foster, Ka-
ran Sue Osborn, Ramey Beene,
Mrs. Charles Holmgren, Mrs. Ma-
rie Sanders, Mrs. Valeris Osborn,
Mrs. Modena Thornton, Mrs. J.
W. Beene and Miss Myrtle Beene
of Hereford and the honoree.

Mr. and Mrs. Carol Day and
Geraldine visited her parents in
Amarillo Sunday.

For Safe Sun

NOTHING'S MORE relaxing after a hard week of work than going to the beach, stretching out in the sun and letting those ultra-violet rays revitalize your body (and soul, too). But don't be careless—take a tip from TV star Cindy Cameron—and use a reliable sun-tan lotion, such as Tartan, approved by the American Medical Association.

TROOP V

We met Monday afternoon at the Clubhouse. We planned a little play. The girls talked about Girl Scout Camp and were sorry Erma Drake could not be present.

We were served cokes, peanuts and bubble gum with the money left from our camp out trip.

There were seventeen members present, leaders Jinx Sneed and Helen Potts and visitors, Mrs. Vera Bainum and Joy Potts.

Mrs. O. J. Beene and children spent Sunday in Amarillo visiting her brother and family, Mr. and Mrs. Robert Beene.

Experienced people—people who KNOW say the Classifieds are tops.

Locals

Mr. and Mrs. Torie Eden and Barbara, spent Sunday in Amarillo with Mrs. Eden's parents, Mr. and Mrs. A. D. Mills. Mrs. Mills suffered a heart attack on Friday and is in the Amarillo Osteopathic Hospital.

Mr. and Mrs. James Bragg and family of Brownfield, visited Sunday with Mr. and Mrs. Fred White and Mr. Clyde Goodwine.

Mr. and Mrs. Joe Beaty and family, visited over the week-end in Plainville with her parents, Mr. and Mrs. B. W. Smith, and with her brother and family, Mr. and Mrs. Maurice Hill.

Rodney Hinkle visited his father, Clyde Hinkle, and other relatives in Floydada, over the week-end.

Visitors in the S. T. Thornton home Wednesday were Mrs. Grace Latham and Mrs. Dub Reeves and Debra of Hereford.

Bill Bell flew to Nebraska Friday to do some corp dusting. He expects to be gone about three weeks.

Students of the third grade went to Clovis Wednesday for a picnic and industrial tour. They were accompanied by their teacher Mrs. Mast, and several of the mothers.

Mrs. A. E. Stanley returned home from three weeks visit in Lubbock with her son and family, Mr. and Mrs. Jack Stanley and Roger.

Bovina Concert Will Be Held This Evening

Miss Deniese Magness will be guest pianist at a vocal concert to be given at the Bovina Methodist Church this evening (Thursday) at 8 o'clock.

The concert is being presented by the Mattie Mae Swisher students, and Deniese is a piano pupil of Mrs. W. W. Vinyard of Farwell.

The public is invited.

Mr. and Mrs. Bert Shackelford spent the week end with their son and family, Mr. and Mrs. Gordon Shackelford, in Perryton.

Mrs. W. A. Tinney spent three days visiting her sister and son, Mrs. Marjorie Brown and Gary, and her mother, Mrs. Carrie Bridges, who is in the hospital.

De-Mated on Order

W. L. EDELMON
PHONE 2641 FRIONA, TEXAS

Highlights—
(Continued from page 2)

Even so, the Senate has signified that it is ready to quit and go home.

And in the House, a week's end, it seemed likely that the sine die adjournment would come during the week of May 25.

The session passed its 120th day Tuesday, and the pay of legislators automatically dropped from \$10 per day to \$5 per day.

TPA

The House passed on second reading a bill to change the Gilmer Aikin minimum foundation fund by revising the economic index annually, instead of every four years.

Under the bill, no district's dues can be changed more than 10 per cent in any one year.

The annual \$45 million contribution of all districts would remain the same.

TPA

After a 26 hour filibuster, the Senate finally passed a bill to create a statewide toll road authority.

TPA

As originally passed in the House, the bill created a Dallas-Fort Worth turnpike authority. The bill went back to the House for approval of Senate amendments.

Dead or dying was a bill to of optometry.

A motion in the Senate to suspend rules and bring the bill up for debate failed of the necessary two-thirds majority.

TPA

Other measures also became lost causes, unless the Legislature should hang on for a long session.

The Senate passed, 17 to 13, a proposed constitutional amendment that would boost the salaries of legislators from \$10 to \$25 per day.

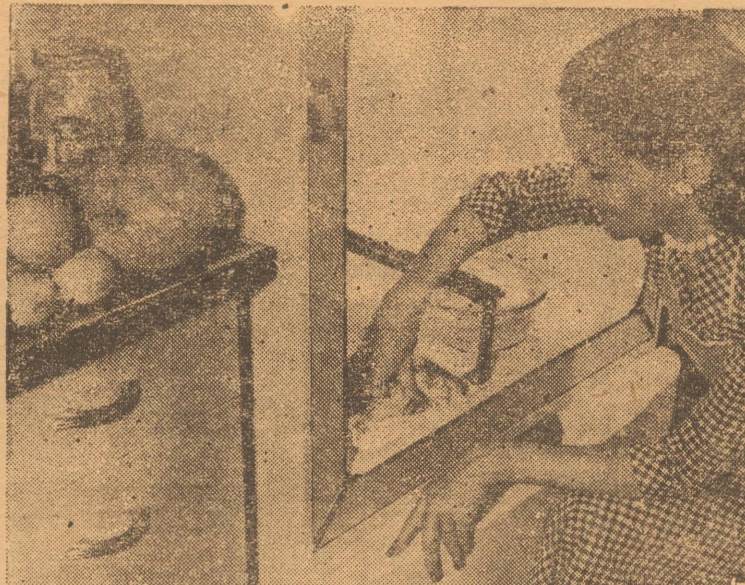

But the vote was insufficient to give the resolution, already passed by the House, final approval.

Senator George Parkhouse of Dallas lacked two votes to bring up the Ford bill—one that would would prohibit payment of union employment benefits to union members off the job in one plant of a corporation because of a strike in another plant of the same corporation.

This one is called the Ford bill because the Ford plant at Dallas closed because of a strike at another Ford plant.

TPA

A so-called loan shark bill took

WHILE YOUR REFRIGERATOR is defrosting, wash interior with warm soapsuds to deodorize it and to remove food stains which feed bacteria and are harmful to the finish. Rinse and polish by buffing with a clean soft cloth.

A weekly defrosting of a gas or electric refrigerator helps you get the most value from your food dollar. Thick frost insulates the refrigerating unit, reducing the flow of coolness which keeps food in prime condition.

Refrigerators will last years longer with proper care. Wipe up spills at once to prevent stains from harming the finish. Acid foods (lemons and milk) "bite" into the finish and strongly colored vegetables leave stubborn stains.

To defrost, empty ice trays into a large pan and place butter, milk and quick-frozen foods among the cubes. Use hands to loosen ice crust, but don't force it off with knife or sharp instrument. Wash ice trays in warm soapsuds; hot water dissolves surface wax that makes trays easy to remove from freezing unit and cubes easy to remove from trays.

Remove foods, shelves and crisper covers. Wash all "parts"

in pan of warm soapsuds. Wash interior—floor, walls, ceiling and inside of door—with cloth wrung from warm suds. Rinse with damp cloth, then wipe dry. When frost is melted, use warm suds on refrigerating unit and replace trays and shelves.

Wipe "dew" from jars, containers, and fresh fruits and vegetables before replacing food in refrigerator. Consolidate leftovers to avoid overcrowding; cover with clean plastic caps to guard against absorbing foreign odors.

Use soapy cloth on outside of your refrigerator daily, and wax it occasionally. Wash rubber gasket regularly so grease and soil won't interfere with the airtight insulation it provides.

Clean an ice-cooled refrigerator before "icing-up" on market day. Wash both food and ice compartments with hot suds. Remove drainpipe and use a long-handled spiral brush to scrub out inside, then scald with boiling water to help kill bacteria.

a rugged punch in the House, but refused to lie down and be counted out.

The bill, by Representative Reagan R. Huffman of Marshall, would authorize courts to assess jail sentences against any lender whose charges exceed 36 per cent.

Huffman asked the House to order a report on the bill from the judiciary committee.

The motion failed. Thereupon, Representative Ben Atwell of Dallas, head of a subcommittee studying the bill, set about to revise it.

The subcommittee's report promised a report to the full committee next Tuesday.

Atwell said his proposal would require all lenders to be licensed by the State Banking Commission, but would not limit charges.

TPA

The House passed a bill requiring cities to hold, when petitioned, an election on reducing the work week of police and firemen.

As amended the election would be held at the next city election, general or special. Originally, the bill called for the election to be held within 90 days after submission of the petition, which would have to carry the names of 25 per cent of those who voted in the last preceding election.

TPA

Official public business should be conducted publicly, according to a resolution passed by the House.

The Senate had already passed the measure.

The affairs of the federal government, the states, counties and cities were included in the resolution.

Representative H. A. (Salty) Hull of Fort Worth said, while discussing an amendment, that "I think there are certain instances—and I think the press recognizes

it—when committees may need privacy."

Executive sessions are customary in certain instances, such as, for example, when the Senate is considering whether or not to approve appointments made by the governor.

During the present session, leg-

islators closed the doors to reporters while considering the general appropriations bill.

TPA

Representative Horace B. Houston Jr. of Dallas added his name to the list of candidates for Speaker of the House at the next session.

Houston said he had withheld his announcement until late in the present session because he wanted the House to get its main work done before turning attention to the speaker's race.

Prospective candidates for Speaker, in addition to Houston, include Representatives Jim T. Carr of Lubbock, Joe Pyle of Fort Lindsey of Texarkana, Waggoner

Worth and Dolph Briscoe Jr. of Uvalde.

TPA

SHORT SNORTS: The House approved and sent to the Senate a bill that would increase the auto-employees from six to seven cents a mile . . . The House also voted to outlaw cross-filing by political candidates—that is, running as candidate of more than one party . . . different provisions, is a proposed Passed by both houses, but with constitutional amendment to permit Texas members of the armed services to vote . . . A conference committee will have to adjust the differences before the measure can be finally passed.

CANCER'S 7 DANGER SIGNALS

1. Any sore that does not heal.
2. A lump or thickening in the breast or elsewhere.
3. Unusual bleeding or discharge.
4. Any change in a wart or mole.
5. Persistent indigestion or difficulty in swallowing.
6. Persistent hoarseness or cough.
7. Any change in normal bowel habits.

None of these symptoms necessarily means that you have cancer, but any one of them should send you to your doctor. Cancer is usually curable when detected and treated early. Remember the danger signals. Cancer strikes one in five. Strike back. Give to the American Cancer Society.

WALTER ROGERS:

CONTINUED FROM PAGE 2

part to the indications on the part of Hitler that he was interested primarily in Sudetenland and did not anticipate or have in mind any hostilities. On October 1, 1938, in keeping with the Munich conference Hitler occupied Sudetenland. On March 15, 1939, exactly six months after the Berchtesgaden meeting, he occupied Czechoslovakia. On August 23, 1939, the Hitler Stalin non-aggression pact was entered. On September 1, 1939, Hitler invaded Poland. On September 3, 1939, Britain declared war on Germany. On June 22, 1941, Hitler attacked Russia.

You will recall that in the beginning Hitler began his program on the theory that the German people needed living room. Shortly after World War II, and so far as we know before the end of World War II, Russia began moving on her program which for all intents and purposes has as its ultimate objective the same as was Hitler's to wit, world domination. Russia's program differs from Hitler's only in the fact that Russia has not offered any excuse for her aggressive actions. She has moved in almost identical pattern, subjugating one country after another, and has procured the willing services of the communistic forces in China and North Korea to carry the battle in Korea up to the present time. There has been some wonder as to what the next step would be after Korea. However, there seems to be little doubt now as to the her next move would be in southeast Asia. It has been concluded by many here that her next move would be in southeast Asia. It has been concluded by many here that Russia is delaying the present truce talks on the theory that she has full control of determining the reports are that many of the Red Chinese troops are being moved out of Korea. Where they are being moved to is not presently known, but it is safe to assume that they will be used as seasoned troops to bolster and carry the attacks in Indo-China. When such movements of troops and building up of supplies have reached a point satisfactory to Russia and China, these two will then work out the necessary mechanics for the cease-fire in Korea. They feel that the progress of the truce talks so far leave them in a good position, as they have Korea a divided country, with the dividing line just north of the 38th parallel. This does not meet with the approval of the South Koreans, and Russia knows that the situation there will continue United Nations must maintain some sizable force in South Korea. The communists will undertake to make cease-fire day conform to their timetable. This they can do by making certain commitments and then violating them, as they have so many times in the past, and as they have in recent days concerning the return of sick and wounded POW's. The communists are not interested in the controversial POW's held by the United Nations, except to use them as a pawn for argument and delay purposes. The communists have an abundance of manpower and are not interested in the POW's who do not want to return to communism, except for the purpose stated. The communists have forced the United Nations to give them money and material to the Korean front. They have substantially accomplished their purpose in that field and will move into Indo-China and the other portions of southeast Asia to gain control of the vast supplies of raw materials in that sector that are so necessary

in waging war. They will then no doubt move either into India or the Middle East, the latter for the oil that they so badly need for their war machine. Continental Europe will of course be next on prime target outside the Americas. All of this adds up to one thing. The United States must awaken now. We must build the strongest possible defense. The primary problem of this nation is international, and if we fail to recognize what is so obvious and not domestic at this time. It is less our defenses and our defense program, we will be like an ostrich with his head in the sand. We can expect another Pearl Harbor, which of course will mean World War III. We in this country have it within our power to prevent history from repeating itself in this respect. We must not fail. VISITORS from the district.

Sheer Loveliness

For a happy transition from spring into summer, these delightful Bemberg rayon sheers are the perfect solution. For the young in heart who want cool comfort combined with a bright print, McKetrick has designed a charming dress (left) in a diamond design featuring a full skirt, slim waist, bow-tied short sleeve, jaunty collar and a grosgrain belt. The dress comes in blue, garnet or jade green pattern on a grey background. At right, for the lovely ladies who are 5 ft. 5 or under, Korell has fashioned a slim-lined sheer in a fresh-looking floral pattern using green, blue or lilac flowers on a white background. With its simple square neckline, perfect for pearls, comfortable short sleeve and soft umbrella skirt, this dress is ideal for its crease-resistant Bemberg rayon sheer fabric makes it a "must"

SACKS FOR SPRING

This brunette beauty is ready to greet spring in a sunny fashion she designed from three cotton feed sacks. Using soft, pale yellow cotton fabric salvaged from feed bags, she whipped up this fetching afternoon frock. The trim, a gay plaid, is also bag fabric.

Star Recipes

RECIPE OF THE WEEK

Deep Dish Dewberry Pie

2 1/2 cups prepared dewberries
1/2 cup sugar
2 tablespoons flour
1-8 teaspoon salt

Plain Pastry:

1 cup flour
1-3 cup shortening
1-3 cup shortening
1/2 teaspoon salt
2 to 3 tablespoons cold water.

Wash and pick over berries. Combine with sugar, flour, and salt. Fill baking dish (deep pie plate or individual ramekin) with prepared berries heaping slightly in center to hold crust. Moisten edge of plate with water so crust will stick. Make pastry. Sift flour and salt together and cut in the fat. Add water carefully, distributing it evenly. Add just enough so particles will just cling together when lightly pressed with fingers. Roll pastry 1-2 inch larger than top of dish. Cut slits to allow steam to escape. Place on top of fruit. Press to edge of pan. Bake in hot oven (425 degrees F.) about 35 to 45 minutes. until brown and filling is cooked. Let's Eat This For One Day

BREAKFAST

Shredded Whole Wheat Biscuits with Sliced Bananas, Bran Muffins, Butter or Margarine, Strawberry Preserves, Milk, Coffee.

DINNER

Braised Short Ribs of Beef, Baked Potato, Lettuce and Egg Salad, Corn Meal Muffins, Butter or Margarine, Deep Dish Berry Pie, Milk.

SUPPER

Cheesse Souffle, Buttered Green

Scout Meetings

TROOP VI

Troop IV met at the Methodist annex Monday and practiced the program they will give at the Court of Awards.

Barbara Edens served pop and candy to thirteen girls and the leaders, Mrs. O'Brian and Mrs. Mabry.

TROOP V

Fifteen girls of Troop V along with the troop leaders, Jinx Sneed and Helen Potts, and two committee members, Mae Magness and Vera Bainum, spent an all-night camp-out at the Magness farm.

The group left the club house at 4:30 Friday afternoon in a pick-up and two cars. We had Mr. Magness's big barn for protection or we might have blown back to town. We built our campfires and cooked our supper. Bernice Crump drove out Friday night and again Saturday morning so we had company while out there.

We had lots of fun when it came time to fix our bed rolls. Some slept in a large trailer inside the barn and some on the floor. Six girls were real brave and slept outside on the ground.

We cooked our breakfast on buddy burners. Bacon, eggs and toast and most all agreed that they ate more than usual.

After breakfast we had fun just loafing around.

About 10:30 campfires were built again and each patrol fixed their big pot of stew for lunch. After camp was cleaned up we came in to go to the show.

We were tired but happy and to tell the truth we almost blew away.

Beans, Cabbage Slaw, Toasted Corn Muffins, Milk.

Timely Tips

1. Berries are a good source of vitamin C: one of the vitamins we must have each day as it is not stored in the body.

2. Dewberries are excellent frozen.

Column Left

CONTINUED FROM PAGE 1

F. L. Spring was in the Star office Thursday morning with a branch from one of his current plants and he stated that these berries and his plum trees were the only fruit to survive the cold spring weather and recent freeze.

Have you seen the giant clock dial in Allen's window with the pictures of the Friona seniors on its circumference? The clock is expected to run down sometime this week, and the student toward whom the hand is pointing will receive a valuable gift watch from the firm. This is a regular annual gift of the jewelry firm to some senior student.

Seems that the Boy Scout Troop tent is missing, and Scoutman W. M. Teague and Fred Barker Jr. asked that the following classified ad be inserted: "Wanted: Information about Boy Scout troop tent. Contact 'Judge' Barker. Reward of one year potential egg supply."

Now we'll just bet that the reward would be that lazy ol' hen we've seen wandering around back of Thornton's; wouldn't say she was lazy, but it looks peculiar that Judge would be digging worms for her otherwise. Anyway, the Scouts sure need that tent pronto for their forthcoming camp.

Beginning with this issue, The Star will publish birthdays of local people for the coming week. We shall appreciate your notifying us of any approaching birthdays of you, your children or your acquaintances.

May 14: Everett Parson and Owen Drake.

May 15: Irene Brookhart, Mrs. Tim Magness, Dorothy Grant.

May 16: Mrs. John Bengier.

May 18: Malinda Schlenker, Bill Bell.

May 19: Ramey Carroll Beene, Dan Luttrell.

Allen's Jewelry is marking its Fifth Anniversary in Friona this week. We send congratulations to this firm that is growing with the area it serves, and we especially commend its owner, Mr. Allen Stewart, for his active community interest.

Den mothers and Cub Scout leaders taking the training course series conducted by W. M. Teague for local leaders are asked to meet tonight (Thursday) at the Coy Patton residence northwest of Black.

YOUTH FELLOWSHIP MEET

The Sub-District Methodist Youth Fellowship will meet at the Friona Methodist Church on Sunday, May 17, at 2:30 in the afternoon.

The Sub-District officers will be installed at the close of the meeting.

Woman's Club Studies "Building for Future"

"Building for the Future" was the program theme at the meeting of the Friona Woman's Club Wednesday afternoon. Quotation for the day was "The best is yet to be; the last of life for which the first was made."

Two vocal numbers were given by Billy Don Thomas accompanied on the piano by his mother.

Poems on "Learning to Grow Old Gracefully" were given by Mrs. George Meyer.

Five minute life sketches were given by four of the club members. Mrs. Spencer Hough presented a talk on Herbert Hoover; Mrs. C. W. Dixon, Douglas MacArthur; Mrs. H. F. Brewer, Madame Curie; Mrs. Pearl Kinsley, Mahatma Gandhi.

Floral arrangements in the club room was furnished by Mrs. Charles Schlenker.

Refreshments of gelatin salad, cookies and coffee were served to twenty-four members by the hostesses, Mesdames Mabelle Hartwell, Carl Maurer, J. C. Wilkinson and O. F. Lange.

The last meeting of this club year will be May 27. All members are to meet at the Clubhouse at one o'clock and drive to Clovis where they will have luncheon at the La Vista and be entertained with a Spanish program by Miss Lura Mae McFarland, Spanish Closs.

Approaching Wedding Told, Evelyn Carey

Mr. and Mrs. Colin P. Carey have announced the approaching marriage of their daughter, Evelyn, to Sgt. Glynn Thompson, son of Mr. and Mrs. Joe Thompson of Coleman, Texas.

The wedding will take place June 14 in the University Baptist Church in Abilene.

Sgt. Thompson is now stationed at Fort Hamilton, Brooklyn, New York.

Miss Carey has taught in the Friona grade school the past year.

HOSPITAL NOTES

ADMITTED

Mr. L. A. Caillovet—medical—Farwell.

Mrs. P. Garcia.

Grads Give Program At Joy Mac YWA Dinner

Graduates of the Friona High School who are members of the Joy Mac Y.W.A. were honored with a dinner Monday evening in the Educational building of the First Baptist Church. Mrs. T. E. Lovett, the counsellor, was also given a surprise in the form of a birthday cake and a gift in honor of her birthday.

Following the dinner the five seniors present gave the program. The devotional, given by Katherine Brand, was on the five ideals of the Y.W.A. and the others were asked for any advise they could give the younger members. Mary Joyce Renner, Shirley Fields and Imogene Sherley took part in the discussion.

A business meeting was held by the president, Mary Joyce Renner. Further plans were made for their Mexican friends.

The Y.W.A., as one of its services, presents white Bibles to members who are being married. Vice-president Deann Buske had charge of the presentation. Betty Rhodes discussed their future lives and homes and pointed out that without Christ a home is but half a home. She gave them a charge "to always put Christ first and their homes would be happy homes." Mrs. Roy Lovett presented the three girls, Imogene Sherley, Shirley Fields and Mary Joyce Renner with their Bibles.

The seventeen girls and their counsellors joined hands and a prayer closed the meeting.

STORK FEATHERS

A daughter was born to Mr. and Mrs. Glenn Floyd May 10. She weighed 9 lbs.

A daughter was born to Mr. and Mrs. Jack Lane May 9.

A daughter was born to Mr. and Mrs. Burke McGee May 10.

A daughter was born to Dr. and Mrs. Paul Spring May 12. She weighed 6 lb., 4 oz.

Maurine Dunn Student Recital Slated Monday

The piano and dance students of Mrs. Maurine Dunn will be presented in recital at the Friona High School auditorium Monday night at 8 o'clock.

The public is invited to attend. Mrs. Dunn will also present her dance students in a recital at Muleshoe Tuesday night.

Visiting in the Wright Williams home Sunday was his mother from Abernathy.

Mr. and Mrs. Carl Schlenker made a business trip to Amarillo, Amarillo Monday.

RHEA NEWS

A dinner honoring Mrs. Blanch Regue of Nevada, Mo., a niece of Mrs. Charles Schlenker, was held in the home of Mr. and Mrs. Floyd Schlenker Sunday. The guests enjoyed watching a grease lamp that Mrs. Regue brought with her. The lamp has been in the family a hundred and fifty years.

Those attending were Mr. and Mrs. J. R. Schlenker and family of Portales, New Mex., Mrs. Mabel Hartwell, Mrs. Charles Schlenker of Friona, Mrs. Elmo Dean and girls, Mr. and Mrs. Carl Schlenker and family and Billy Sifford of this community. Afternoon visitors were Mr. and Mrs. Charles Lovelace and boys, Mr. and Mrs. John Guyer of Farwell and Cordie Potts and Larry.

Mrs. Fred White, Mrs. Bert Shackelford and Mrs. W. A. Tinney were in Muleshoe last week.

Mrs. Henry Drager was in the hospital at Clovis this week.

Miss Lola Goodwine spent the week-end in Vernon with her sister and family, Mr. and Mrs. C. J. Price.

FARM BUREAU

(Continued from Page 1)

night, May 5, Farmer County Farm Bureau Directors voted to endorse the USDA reorganization. They also agreed to contribute substantially to the expense of sending 4-H boys to the Roundup at Texas A & M as we have done in the past.

Aubrey Ellison reported briefly on the meeting in Abilene where he and Hadley Reeve attended the study of the Agricultural Act of 1949. In summarizing the report, Ellison said, "If this act goes into effect in 1955 with features we, as agricultural people, don't like, it can be no one's fault but our own. We are being given full information concerning the act as it now reads, and methods of offering amendments to improve it. Let's let our people know what it is so they can tell us what to recommend to our State and National Farm Bureau."

Consider this: "He that oppresseth the poor to increase his riches, and he that giveth to the rich, shall surely come to want." Prov. 22:16.

R. B. McKee left Monday for a visit at Hot Springs, New Mex.

AGE... Not Necessarily Measured in Years, But in FRIENDS

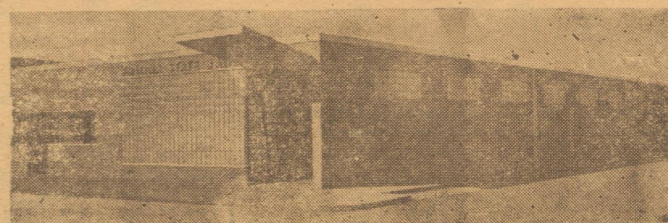

We could tell you why you'll be well pleased if you select the Friona State Bank as your bank, but we'd rather have our own friends and customers tell you about us.

Ask them, for example:

- "Is it a friendly bank?"
- "Will my business really be welcome?"
- "Can I talk things over confidentially?"
- "Will I like banking there?"

We'll rest our case with our customers — if you are not already a customer we hope to be seeing you soon. Our banking services are adaptable to your particular requirements.
