

Final M.O.D. Plans Told

Mayor Charles Allen has proclaimed this Friday as "Mothers' March on Polio Day" in Friona. He asks full cooperation in this effort and others directed to alleviating the suffering and handicaps of polio.

Mothers' March Will Begin 7 PM on Friday

When you hear the fire siren blowing at 7:00 o'clock this Friday night, don't blackout your homes, light them up. The siren will not be warning of approaching danger, it will serve as a reminder to the people of Friona to "light up" their porches as a beacon for the women who will march against polio from 7:00 until 8:00 o'clock.

During this hour long Mothers' March on Polio, women from the Modern Study Club will call on those who signal by lighted porchlight or candle or lamp in the front window, that they wish to contribute to the fight against polio.

SENIOR 4-H HELPS

Friona Senior 4-H girls will assist with the March of Dimes program by setting up headquarters in the Friona Farm Bureau office this Saturday, taking donations and selling balloons. The girls will be on hand after 2 p. m.

Legion MOD Dance Slated Saturday

An American Legion sponsored March of Dimes dance will be staged at the Friona Legion Hall, Saturday night, all proceeds going to the MOD fund.

Commander Joe Brummett states that no fixed admission will be charged, but donations will be taken at the door.

The dance is scheduled to commence at 8:30 o'clock.

ODDS AND ENDS

Next Tuesday evening is regular meeting night for the Friona American Legion Post 206 and Auxiliary.

Officers state a heavy docket of business is on hand, consequently full turnout of members is urged.

New residents moving into Friona this week are Mr. and Mrs. C. W. Wright and Mr. and Mrs. A. P. McGee, both families moving into town from the country.

Superintendent Dalton Caffey has invited the public to attend the assembly program in the school auditorium on Tuesday afternoon, February 7, at 3:00 o'clock. The program will be a demonstration of Liquid Air, and Mr. Caffey thinks it will be interesting and educational to everyone, stating that it is one of the best programs of the year scheduled by the Southern School Assemblies.

Birthdays of the Week:

- Jan. 28: Herman Schueler, Mrs. C. D. Day, June Brummett.
- Jan. 29: Myra Eastep.
- Jan. 30: Robert Cleveland, John C. A. Lynn, Jim Carl Lillard.
- Jan. 31: Barbara S. Bolten.
- Feb. 1: Fleeta Terry, Martha Euier.
- Feb. 2: Oleta Houser, Cynthia Caffey, Sheila White, John Fred White.
- Feb. 3: Edith Lillard.
- Feb. 4: Glenn Reeve, Peggy Krueger.

BUILDING PERMITS

Milton Williams, 20' x 32' residence at 810 Ashland Ave., frame construction, \$3,700 estimate.

Friona Wheat Growers, Inc., permit to demolish wooden grain elevator, estimated expense \$5,500.

Friona Wheat Growers, Inc., concrete elevator construction, 42'x30' \$395,000.

Vestal Brewer Hardware Holding Formal Opening

The Star joins in congratulating the owners and employees of the Vestal-Brewer Hardware upon occasion of its Formal Opening this Saturday in Friona.

Valuable awards have been announced by owners Loyde Brewer and Mrs. Vestl who invite everyone to come out Saturday.

List of awards is found inside this issue.

Even Music Box Nickles Going to Polio Fund

Playing the juke boxes these days? Then likely you are contributing to the March of Dimes.

A recent resolution by the music operators of America assured the MOD one day's receipts from boxes over the nation.

Sully Gleaton, Hereford operator of several local music boxes, is going still further—donating his share during a two-week period to the MOD, according to Raymond Euler, MOD chairman. The two weeks will terminate next Thursday. Several cafe operators also are donating their share of the music proceeds to the fund.

FFA at Ft. Worth Guests Potishman

Forty-seven Friona Future Farmers this week-end will attend the Fat Stock Show in Fort Worth, being guests while there of Leo Potishman.

Superintendent Dalton Caffey this week received a letter from Potishman, often a benefactor of local projects, stating that he had paid all hotel bills for the local group.

In company with J. T. Gee, instructor, the boys will make the trip via bus, leaving at 6 a. m. this Friday, returning Sunday.

College Basketball Here Saturday Nite

The college girls basketball game scheduled here for this Saturday night has been drawing considerable interest and comment over the area.

The Wayland College girls and Texarkana College teams are to meet in the Friona gym at 8:30 Saturday night, affording local fans opportunity to see two top teams in action.

A local high school girls game is scheduled afterward, probably Friona vs. Lazbuddie.

Proceeds above game expenses will go toward purchase of jackets for the local student players.

Farm Bureau Report

By RAYMOND EULER

Aubra Ellison of Parmer; Virgil Dodson, Deaf Smith, Bill Millen, Bailey; and Roy Pyatt of Castro Vouty, were in Waco this week attending a Farm Bureau President's conference. Purpose of the meeting was to create a closer relationship between county and state officials and get the home folks' ideas for improvement of legislative and service procedures within their organization, Monday, February 7, will find T. E. Lovett, vice-president of our county and five or six of his membership captains in Lubbock for a district planning meeting for the membership drive which will probably take place the latter part of February.

Speaking of membership, the promptness of dues payments being evidenced upon billing promises to give workers more time for new member acquisition. March statements will be mailed early in February so the four hundred or more falling due then will have opportunity to contribute to the worker's time to talk to prospective members. You can help. The membership goal set for this year is 775 in Parmer County, which will, of course, be exceeded.

For the information of those who are not sure, the so-called acreage diversion plan adopted by USDA is not the Texas Farm Bureau plan by quite a bit. It has features that are not favorable, by any means. If Texas can acquire a few thousand more members this year there will be a greater possibility of the Texas Plan's earlier adoption. We don't know of any plan giving the farmer promise of more freedom of choice in his operations and at the same time giving him a sound hope for more stable markets. There are few farmers in Texas who do not enthusiastically support this plan when it is explained to them. This goes for stockmen, too.

CROP contributions still come in. One farmer who brought his check in was disappointed to know contributions were so short. He said if farmers would give only one percent of their maize or cot-

VISITATION DAY

The Friona school has set March 10 as first grade visitation day. All children who will enter the first grade this fall should attend school that day, according to Principal John Parish.

Gospel Meetings Begin in Friona

A series of gospel meetings will commence February 4 at the Sixth Street Church of Christ in Friona, according to announcement this week by M. E. McKinney, pastor.

Guy N. Woods of Memphis, Tennessee, will be speaker for the series.

Services will be held each evening at 7:30, and from Feb. 7 to 12 inclusive morning services will be conducted at 8:45 a. m.

Congregational singing will be featured at all services, McKinney added.

ASSEMBLY OF GOD CHURCH REVIVAL

W. C. Wade, pastor of the Assembly of God Church, has announced that a revival is now in progress at his church.

Services are held nightly at 7:30 o'clock, with Evangelist Glen Lester preaching. The public is invited to attend.

Navy Recruiting Rules Explained by Van Dusen

The Clovis, New Mexico, Navy Recruiting Station in the Post Office Building, announced today that former Regular Navy men who held certain ratings may now reenlist in the Regular Navy after three months but within one year of discharge and retain the rate held at discharge or released to inactive duty.

Since 1952, the only Regular Navy enlisted men who were permitted to reenlist with the rate held at discharge were those who reenlisted within three months following date of discharge. The new program, according to Chief Van Dusen, recruiter-in-charge of the recruiting station, will remain in effect until June 30, 1955.

FRIONA MAN ENLISTS

David Joe Cobb, son of Mr. and Mrs. Giles Cobb, of Friona, was enlisted in the U. S. Navy at Albuquerque, New Mexico, on January 21, 1955, and has departed for San Diego, California, for basic training.

Cobb was enlisted in the Texas Panhandle Big Bend Company, all men which are from the Amarillo, Lubbock, El Paso area, and was enlisted through the Clovis, New Mexico recruiting substation.

CONSIDER THIS: The ear that heareth the reproof of life abideth among the wise. Proverbs 15:31.

School Heads Plan Standards of Comparison

In coordination with the statewide move to set standards whereby schools can be accurately measured (as to instructional program) a local group of school officials will meet Monday evening in Farwell with other school men of the area.

Superintendent Caffey, Principal Dillie Kelley and Principal John Parish will confer there with schoolmen from Muleshoe, Bovina, Lazbuddie and Farwell.

Findings from such meetings will be coordinated at a state level, enabling appraisal of every school unit in the state against a standard measure.

Caffey points out that comparative measuring facilities have been absent since the L. A. Wood program some years back.

Hospital Notes

- Admitted—
- Mrs. Joseph Garcia — OB — Friona.
 - Mrs. Fred Langer — Med. — Bovina.
 - David Patterson — Med. — Friona.
 - Mrs. R. L. Barber — Mer. Muleshoe.
 - Mrs. Eugene Bandy — OB — Friona.
 - Mrs. I. N. Jasper — Med. — Friona.
 - Mrs. Leonard Coffey — Med. — Friona.
 - Mrs. Margie Lopez — Med. — Bovina.
 - Mrs. Rosa Lee Williams — Surg. — Bovina.
 - Mr. Roy White — Med. — Friona.
 - Mr. J. B. McFarland — Med. — Friona.
 - Mrs. Mary Bainum — Med. — Friona.
 - Mr. R. S. Tucker — Med. — Farwell.
- Dismissed—
- Mrs. Raymond Roberson, Bruce Bolton, Mrs. Joseph Garcia and baby boy, Mrs. R. H. Horn, Mrs. Fred Langer, Troy Lynn Christian, David Patterson, Mr. Leroy Felix, Mr. Harry P. Hamilton, Mrs. R. L. Barber, Mr. Roy White, Mrs. Margie Lopez, Mrs. Thelma Coffey, Mrs. Eugene Bandy and baby boy.

School Taxes Due; Deadline on 31st

Dan Ethridge, collector of taxes for the Friona School District, reminds this week that January 31 is deadline for paying school taxes without penalty and interest.

After that date a 10 percent penalty will be imposed, together with 6 percent interest.

To-date, some \$102,000 has been collected, leaving unpaid balance of \$24,000, Ethridge said.

Fire Destroys Hill Home Friday Night

Fire Friday night brought almost complete destruction to the Ashford Hill residence southeast of Friona.

Mr. and Mrs. Hill were absent from home at the time, visiting in the Dave Moseley home. Jim Shaeffer, neighbor, first detected a blaze at the Hill home; he enlisted help of other neighbors—the Joe Brummetts and Bob Jones, while Mrs. Brummett called in the alarm about 10:00 p. m. This group was able to save some few items of furniture and clothing.

Seventeen firemen answered the call, bringing the fire under control in an unbelievable short time.

According to Fire Chief Bainum, indications were that the fire could have started from a floor lamp cord.

Insurance was believed to cover furniture loss.

Sunday Morning Call

Early Sunday morning Chief Bainum was alerted to another local fire, this time on a call from the Santa Fe dispatcher at Amarillo! The dispatcher, 70 miles distant, reported a tool house on fire at the railroad tracks three blocks west on Main in Friona.

However, upon making the run to the location, the local firemen found only some planking burned between the house and the track. No damage resulted.

Shower Will Benefit Ashford Hills Saturday

A shower for Mr. and Mrs. Ashford Hill will be given at the Methodist Annex, Saturday afternoon from 2:30 until 5:00 o'clock.

Mr. and Mrs. Hill lost their home and most of their household goods in a fire last Friday night.

Everyone is invited to the shower and donations and gifts will be appreciated.

School Heads Plan Standards of Comparison

In coordination with the statewide move to set standards whereby schools can be accurately measured (as to instructional program) a local group of school officials will meet Monday evening in Farwell with other school men of the area.

Superintendent Caffey, Principal Dillie Kelley and Principal John Parish will confer there with schoolmen from Muleshoe, Bovina, Lazbuddie and Farwell.

Findings from such meetings will be coordinated at a state level, enabling appraisal of every school unit in the state against a standard measure.

Caffey points out that comparative measuring facilities have been absent since the L. A. Wood program some years back.

STORK FEATHERS

Mr. and Mrs. Eugene Bandy are the parents of a baby boy born January 21. He weighed 6 pounds, 14 ounces, and has been named Johnny Deyane.

Announcement is made elsewhere in this issue of a farm sale to be held Wednesday, February 2, by Sam Patterson, located 2 miles west of Summerfield at the Tri-County Gin Company on Highway 60.

Anthony Assumes Duties City Commissioner; Was Appointed

A. W. Anthony, Sr., Monday night was administered oath of office as the new city commissioner in Friona, filling the vacancy incurred by resignation and moving of Raymond White.

Anthony's position comes from appointment by Mayor Allen and Commissioner O. J. Beene.

Business conducted at the Monday night commission session was largely routine.

Dean Hammock of the Hammock Construction firm, building the new Friona elementary school, was present, requesting 60-day permit to retain the construction shed on the right of way to the front of the building. Permit was granted upon motion by Anthony.

Hammock previously had been filed upon by the city in Justice Court, paying a fine of \$25 plus costs, on charge of obstructing the street with this building.

Motion was made by Commissioner Beene to engage the firm of Parkhill, Cooper and Smith to conduct a study of water and sewer needs in the city.

Motion was made by Anthony that the city purchase 15 water meters per quarter to meet increased demand in 1955.

The group also voted approval of the proposed bill coming before the Texas Legislature wherein the present city and county ad valorem tax on autos and other vehicles would be abolished.

Under the bill, an average tax of \$12 would be paid the state, with one-third of this being channeled back to the city, county and school districts in which the vehicle owner resides. Though this would lower the tax on vehicles, advocates of the bill state the counties, cities and schools would profit as all vehicles would be collected from, whereas, now a large number are missed under the separate ad valorem assessment and collection.

FRIONA ITEMS FROM THE SCHOOLS

Dear Uncle Bert,

The 3B Interscholastic league officials met here the 19th of January and made plans to hold the track and field meet at Vega, April 9. The literary events and volleyball will be at Vega, April 1. The one-act plays will be at Friona March 15.

Mr. Caffey received a new shipment of textbooks Monday that will be used in the selection of new books for next year. These books will replace the present books going out of adoption.

There will be a District 3A basketball meet January 26 at Springlake to select officials for the District tournament at Sudan. This group will also discuss the Spring meet.

Miss Pat Rhymer will join our faculty Wednesday. She will replace Mrs. Zeman and will teach Home Economics. She has just received her Bachelors degree from NTSC at Denton.

Well Permits Still At Record Pace

Fifty-four irrigation well permits have been issued at the local water committee office during the last two weeks, Secretary Raymond Euler stated today.

Of this amount, 49 were issued at the last meeting of the committee, indicating the continuing rapid pace of irrigation development in Parmer County.

Considerable land sales activity is reported by real estate dealers, the irrigation of course being a major factor in both rapid sales and higher price. Wells and cotton allotments are listed as top considerations in land pricing locally.

Several sales have transpired with price at \$250-\$300 per acre.

Washington Views

long as this is so, there will be heavy government spending.

Much has been said about the expansion of our economy. Unless our economy does expand, we will dry up. The reason is simple. Our population continues to expand at a rapid pace. Unless our economy expands with it, we would not be holding our own but slipping backward. Unless it expands with the population, there would be much unemployment and much hardship, the standard of living would be measurably reduced and great damage come to the entire country. If our population continues to increase as it has in the past, and there is no reason to think that it should not, the present national production of 360 billion dollars must be expanded within the next ten years to a point somewhere between 450 and 500 billion. That is, if we are to maintain the same standard of living that we are now enjoying.

Several proposals in the President's Economic Report were most interesting. One, to permit national banks to make amortized real estate mortgage loans with maturities up to twenty years and construction loans of perhaps nine months, would be to permit banks to do directly what they are now doing indirectly. The proposal to give the President discretionary authority to adjust interest rates of government back mortgages will no doubt meet with strong opposition, because it would not be to the

benefit of the borrower. It would be to the benefit of the lender.

Officers Elected By Local Credit Union

All officers were re-elected at the first annual meeting of the Friona Federal Credit Union, Tuesday evening.

Ralph Taylor, president of the board, conducted the election and a free discussion period wherein questions regarding operation of the union were answered to inform both members and non-members present.

Mrs. Lucy Jones, secretary-treasurer, announced that 109 memberships had been issued to date, believed to be a significant and admirable figure, considering the association has been in operation only since November 16 of last year.

To-date, six loans have been made.

Twenty-seven were present at the Tuesday night meeting.

Members of the board of directors are Taylor, O. J. Beene, L. A. Parsons, Boyd Knox and Lucy Jones.

On the credit committee are Bill Woodley, Bill Flippin and Ralph Roden.

Elected to the supervisory board were Mack Bainum, Steve Messenger and Harry McCauley.

Bond Program Is Organized Locally

The 1955 U. S. Savings Bond goal for Parmer County is \$120,000, according to information released this week by Frank A. Spring, Parmer County Chairman of the Savings Bond Committee.

Besides Spring, other local citizens participating as part of the volunteer Savings Bonds organization are Superintendent Dalton Caffey, school savings division; Bill Sheehan, community activities; Mrs. Lucy Jones, retail merchants; J. T. Gee, agriculture; Mrs. C. W. Dixon, women's organizations; Willie Williams, Bovina, city chairman; and Bert Neelley, publicity.

Leaders of the volunteer organization for Savings Bonds are taking steps in all communities to enlist more volunteers in various activities to increase participation and expand the program. The state, areas, counties, and communities are being given their proportionate share of the national Savings Bonds goal of \$5.5 billion for 1955. Texas' share for this year is \$201.9 million.

"Buying bonds is important to every person and each community," Mr. Spring said. "This is one of the best and easiest ways to save and to build personal, business, and community reserves. More people should regularly buy Savings Bonds to help insure a stable economy and an effective sound money program."

The Savings Bonds program is designed primarily for the individual citizen and his community to benefit from the American custom of personal thrift and initiative, he pointed out. The program differs from most other community programs in that it encourages the individual to do something for his own personal benefit instead of for some other individual or organization. At the same time it helps the community and the country, he added.

1954 City Taxes Are Due

1954 Taxes for the City of Friona are due and payable on or before January 31, 1955.

Taxes which are not paid by that time will become past due on February 1, 1955, and will take a penalty, with interest to be added until paid.

All property owners in the city are urged to pay their taxes before the End of Payment Time

City of Friona

ROY WILSON, Clerk

Livestock Report

By TED GOULDY
WAR CLOUDS SPUR STOCKER DEMAND

FORT WORTH.—Demand for stocker and feeder cattle and calves was again very active and prices strong to 50 cents or more higher at Fort Worth, Monday. Several factors influenced the brisk demand and observers pointed to them as:

1. The buildup of international tension was credited with stirring some speculative buying and contracting.

2. Continued improvement of moisture conditions which created some speculative demand in the hope the long drouth was nearing an end and that come green grass and weeds in the Spring a higher stocker trade would result.

3. The stability of the price structure on fat cattle for the past year was encouraging professional feeders to take an optimistic view of the months ahead when fed cattle will be in smaller supply than now.

4. The nations' consumers are showing no signs of let-up on their beef eating spree and apparently will continue to eat record amounts at current prices, a stabilizing factor for the months ahead.

5. Nearby needs for cattle and calves to graze grain fields which in many areas of the grain belt are coming along fast after recent moisture and open weather.

Stockers and feeders were strong to 50 cents higher Monday and some spots up more, the kind and quality considered. Lightweight calves topped at \$22 and numerous loads and smaller lots of medium to choice stocker calves and yearlings cashed at \$16 to \$21. Replacement cows also had strong demand and prices of 78 to \$12 were seen, and light cows of choice quality were quotable above that figure.

Slaughter steers were fully steady to strong. Cows ranged at fully steady to strong prices with shippers and independent packers out-distancing the majors for the big end of the supply. Bulls held fully steady.

Slaughter calves and yearlings and heifers were slow and weak to 50 cents lower. Numerous short-fed lots of yearlings and heifers again appeared in the day's run.

Choice fed steers topped at \$24 but were quotable etc. \$25 and

above. Plainer offerings sold around \$12 to \$18. Fat cows drew \$10 to \$13, and canners and cutters sold mostly from \$7 to \$10, a few shells below \$7.

Good and fat calves cleared mostly at \$16 to \$19, a few to \$20. Lower grades sold around \$10 to \$15.

LAMBS SELL FIRMLY, TOP IS \$20.50

Smaller than expected offerings of sheep and lambs found the market strong on most kinds at Fort Worth, Monday. Good and choice woolled lambs topped at \$19 to \$20.50, and shorn lambs with No. 1 pelts sold from \$19.50 downward, and shorter pelts sold accordingly at \$19, \$18.50 and down. Cull, common and medium slaughter lambs cashed at \$10 to \$16.

Stocker and feeder lambs cashed at \$15 to \$15.50, the latter figure for mixed feeder and fat lambs. Slaughter ewes sold at \$5.50 to \$7, and breeding ewes sold from \$6 to \$12. Old bucks sold around \$4 to \$5. Yearling muttons were quoted from \$11 to \$17. Old wethers were listed at \$6 to \$12.

HOGS OPEN WEEK WITH 50-75c HIGHER

Butcher hogs started the week with a sharp advance at Fort Worth as top butchers sold at \$18.50 to \$18.75. Less desirable butchers such as underweights, heavies, fat backs, cold bloods, etc., sold from \$17 to \$18.25. Sows drew \$13.50 to \$16, or steady to 50 cents higher.

Lighter offerings of hogs around the major marketing circle, which meant there might be fewer surplus Cornbelt hogs offered Southwestern packers this week, was a factor in the strong butcher hog market.

Shippers and independent packers were again very active in the trade, forcing the majors into higher ground for the available hogs.

"Smile away 'Washday Blues' with an ELECTRIC Clothes Dryer!"

"I really had the washday blues when I had to hang clothes on the line. Besides the long walk out to the line, and lifting that heavy clothes basket, there was always the uncertainty about whether the clothes would be dried right."

"That's all gone now with an electric clothes dryer, and I have a smile — and time for a coffee break — on washday. What's most important, I know the clothes will be dried perfectly and I've ended the lugging and lifting."

says
Mrs. Bill Bates
3603 37th St.
Lubbock,
Texas

Ladies, the lugging out to the clothesline adds up to one-third of a mile every washday, and the lifting, by the end of a year, is the same as picking up a two-ton load.

Be like Mrs. Bates, instead of lifting on washday, get a lift with an electric clothes dryer.

Wire for Reddy and Convenience

Nearly everyone has added new appliances in their home lately, but most of us have expected our old wiring to carry the new load. Be sure you're wired for Reddy and electric convenience. Have your electrician check your home wiring now. Good wiring never grows old — it serves and saves.

Carlson designed and engineered fittings are made exclusively for CARLON PLASTIC GAS PIPE. Carlson goes underground faster ... costs only a fraction as much as steel and it is guaranteed.

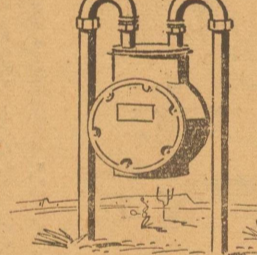

Longer gas pipelines can be installed at a lower cost with Carlson plastic gas pipe. Hundreds of miles of trouble-free pipelines have been installed in Texas High Plains area.

"Solvent Weld" at joints assures years of dependable service ... completely resists corrosion and is guaranteed forever against rust. Every foot of Carlson plastic pipe is tested under pressure at the factory.

Irrigation Farmers:

A NATURAL GAS PIPELINE WILL SAVE YOU 50% ON FUEL COSTS!

...and Carlson Plastic Gas Pipe provides a better pipeline for less money.

SAVINGS ON FUEL COSTS by converting to natural gas are only the beginning. In Texas, over-all savings on an installation total \$500.00 to \$800.00 per mile. That's your savings over steel when Carlson plastic gas pipe is used.

When you convert to natural gas, or plan new wells, PLAN ON CARLON PLASTIC GAS PIPE. Carlson gives you extra savings ... extra years of service ... a better pipeline for less money.

Carlson costs less than steel ... and can

be installed for less. By using Carlson plastic pipe, you can save one fourth the cost of a steel pipeline. Carlson "LF" is right for gas.

Carlson plastic pipe can't rust ... so it can be buried and forgotten. Its performance is proved by hundreds of miles of trouble-free installations right here in the Texas High Plains area.

ALL INSTALLATIONS ARE MADE BY TOP-FLIGHT CARLON APPROVED CONTRACTORS AND SUPERVISED BY FACTORY TRAINED CARLON ENGINEERS.

ONLY CARLON PLASTIC PIPE GIVES YOU ALL THESE ADVANTAGES

- LONGER LIFE**—Anti-oxidant in Carlson resists aging. Makes Carlson last years longer than ordinary plastic pipe. Lasts longer than steel.
- STRONGER**—Carlson plastic pipe is 10% stronger. It has greater resistance to electrolytic corrosion. Carlson's base material is the toughest formula which can be successfully extruded.
- TOP PERFORMANCE**—Precision extrusion of Carlson provides smoother plastic walls which offer less friction and higher flows. It's like adding a reserve capacity to systems when Carlson is used.
- TOP QUALITY**—Because of Carlson's "know-how", engineering skill and ultra-modern facilities, Carlson plastic pipe is extruded without lubricants which contaminate ordinary plastic pipe.
- ABSOLUTE UNIFORMITY**—Precision

- controlled manufacturing processes guarantee accurate compounding and control of tolerance. Special Carlson processing eliminates flaws makes Carlson the perfect plastic pipe.
- PROVED PERFORMANCE**—Almost 47,000 miles of Carlson plastic pipe are already in use.
- TROUBLE-FREE FITTINGS**—Carlson fittings are made especially for Carlson plastic pipe. With a Carlson installation, no trouble can be caused from purchasing pipe from one source and fittings from another. Carlson makes both fittings and pipe become an integral unit.
- GUARANTEED**—Guaranteed forever against rot and rust. Completely resists corrosion caused by both acid and alkaline soils. This guarantee is backed by Carlson's reputation as the world's oldest and largest manufacturer of plastic pipe.

Only Carlson Plastic Pipe is Guaranteed. Always Buy Carlson, The Pipe With The Stripe.

BUY THE PIPE WITH THE STRIPE

Mr. and Mrs. Otho Whitefield visited last week in Denver, Colo. Mr. and Mrs. Coy Patton and family spent the week-end in Rantan visiting his family. Harris Dunn, M. C. Osborn and Jerry Gleason will arrive home Friday from Texas A & M College to visit with their parents. John Fred White and Jim Dixon will arrive Saturday night. The boys will be here about a week between the semesters at college.

Patrol Leaders Are Elected by Scouts
The Boy Scouts of Troop 56 met Monday night at the Scout Hut, with the Scout leaders, Jay Sanders and Mr. Williams. The Scouts elected patrol officers and worked on advancements. A pot-luck supper will be given in the Scout Hut, Monday night, February 7, with all parents and Scouts invited to attend. Each family is to bring sandwiches and pie.

Scouts present were Jimmy Patton, Dale Panzer, Floyd Reeve, Joe Reeve, Billy Zachary, Kermit Whitten, Robbie Osborn, Robert Neelley, Frankie Spring, Sterling Prichard, Tommy Barker, Randy Williams, Johnny Miller, and Ira Parr.

CARD OF THANKS

We wish to thank all our neighbors and the Friona Fire Department for their efforts to save our house, furniture and clothing last Friday night. For every assistance we are sincerely very thankful. Mr. and Mrs. Ashford Hill.

What's new with Chevrolet...
everything!

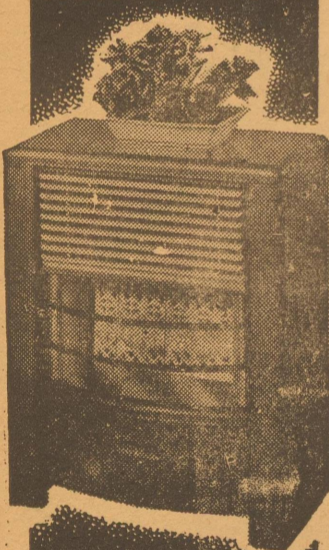

Here are just a few of the features that make the 1955 Chevrolet an utterly new kind of car. It is a low-cost car, with low-cost gasoline economy and maintenance. But in everything else it rivals the finest—in styling, handling ease, riding comfort, acceleration, a full range of power assists and drive options. Call us—today—for the most eye-opening drive you'll ever take.

8 New 162-h.p. "Turbo-Fire V8" engine has ultra-short stroke, 8 to 1 compression ratio.	 Sweep-Sight windshield gives safer wide-angle view.	 Tubeless tires are standard on all models, offer more protection against blowouts.	6 New "Blue-Flame 123" engine has six-cylinder economy, better cooling and lubrication.
 "Outrigger" rear springs are set wider apart to resist body-roll, permits lower frame.	 Glide-Ride front suspension with spherical joints gives softer flexing over bumps.	 Anti-Dive braking control checks tendency of front end to nose-down during fast stops, keeps car "heads up."	
 Glass area is up to 18 per cent greater so all passengers get a broader panorama.	 Lower center of gravity provides greater stability on curves, better road-holding.	HOTCHKISS DRIVE HOTCHKISS DRIVE lets rear springs absorb acceleration and braking thrusts and lowers the center of gravity.	 New "Touch-Down" Overdrive* transmission reduces engine speed 22 per cent.
12 VOLTS 12-volt electrical system gives easier winter starting, higher voltage for all speeds.	 Swing-type brake and clutch pedals permit draft-free seating of passenger compartment.	 Bodies are wider inside, with more room for hips, hats and shoulders, both front and rear.	 Powerglide* automatic transmission now offers smoother shifts, has more durability.
 High-level ventilation intake at base of windshield picks up cleaner air above road fumes.	 Over-all height is cut as much as 6 inches without any sacrifice of headroom for passengers.	ALL 4 All 4 fenders are visible to the driver for use as guides in parking, traffic driving.	35 COLORS and COMBINATIONS 35 colors and combinations. A rainbow-full of 14 solid colors and 21 two-tone combinations.
 New "Blue-Flame 136" engine teams with Powerglide* automatic transmission.	6 motoramic Chevrolet more than a new car... A NEW CONCEPT OF LOW-COST MOTORING		

*Optional at extra cost.

By GLADYS DEAN

Mr. and Mrs. Franklin Bouer, Mr. and Mrs. Gilbert Schueler, and Mr. and Mrs. Herman Hertzog were the people from the Rhea Community to attend the wedding of Franklin's sister, Mary Alice, to Earnest Ramm of Muleshoe, Texas. They were married in Canyon, Texas.

Mr. and Mrs. Robert Calaway and family and Mr. and Mrs. Paul Jones and Randy of Bovina, Texas, visited with Mr. and Mrs. Charlie Calaway, Sunday. They celebrated Robert's birthday.

Mr. and Mrs. Cordie Potts went to Amarillo, Saturday.

Mr. and Mrs. Cordie Potts and family visited with his sister, Ann

Brown, who lives in Walcox.

Farm Bureau will be held Friday night with each family bringing a pie and enough chili and crackers for their own family.

Mrs. Melvin Sachs, Charles and Stevie visited in Clovis, Saturday, with Mrs. Selma Wagner.

The H. D. Club had a quilting party and a covered dish dinner at Mrs. Billy Sifford's Friday. They are making a quilt for Girl's Town and also a quilt for Farm Bureau. They are going to meet again to finish the quilts Tuesday afternoon in Mrs. Floyd Schlenker's home.

Mr. and Mrs. Willie Wall and family spent Sunday with Mr. and Mrs. Hubert Singletery of Friona.

Mr. and Mrs. Paul Hall are residents of the old Holt place.

Mr. and Mrs. Willie Wall and

family visited with Mr. and Mrs. Raymond Schueler, Friday night.

Mr. and Mrs. Billy Sifford spent Sunday with Mrs. Elmo Dean and girls.

Mr. and Mrs. T. E. Parsons, Sr., of Brownwood, Texas, visited with Mr. and Mrs. Floyd Schlenker Sunday afternoon.

Mr. and Mrs. Herman Schueler and Mr. and Mrs. Robert Schueler went to Inley, Kansas, to be with Mrs. George Pullman over the week-end after the death of her husband, Rev. George Pullman, Rev. Pullman was the pastor of the Lutheran Church at Rhea.

Mr. and Mrs. Bert Shackelford and Mrs. O. F. Lange spent Monday in Lubbock. Mr. Shackelford attended a Texaco Company meeting at the Caprock Hotel and Mrs. Shackelford and Mrs. Lange shopped while there.

Hub HD Club Held Wardrobe Study

The Hub Home Demonstration Club met Thursday, January 20, in the home of Mrs. Dean Bingham. Miss Corinne Stinson, Farmer County Home Demonstration Agent, gave a demonstration and talk on choosing the family wardrobe.

The next meeting of the club will be February 3, in the home of Mrs. T. I. Burleson.

Refreshments were served to Corinne Stinson, Bess Elliott, Beulah Jowell, Dorothy Ellis, Helen Fallwell, Mildred Walters, Melba Burleson, Anna Mae Thomas, Clyde Black, Jinx Snead and the hostess, Gennie Bingham.

Attend Fort Worth Meeting

Mr. and Mrs. Cayce Dunn left last Thursday for Fort Worth to attend a Frigidaire meeting and see the preview of the 1955 line of Frigidaire appliances, including a new line of air-conditioners, new type stove with built-in oven, dishwashers and disposals.

They went to College Station, Saturday, and spent the week-end with their son, Harris, who is attending school there.

Champ Spellers Named at School

Champion Friona school spellers were selected Wednesday to compete in further contests in the National Spelling Bee program, sponsored in this area by the Amarillo Globe-News.

The winners named below will compete at county level in Friona, February 9 at 1:00 o'clock. Winners from that session then will go to Amarillo on March 12, winners progressing to the national contest.

Taking honors in the fourth, fifth and sixth grades were Billy Gene Barnett, Kay Struve, Donald Blackburn and Janet Smith. Winners in the seventh and eighth grades were Adelle Smith, Judy Smith, Carol Oldham and Ruth O'Neal.

Teen-Twenty Gives Proceeds to MOD

An unusually large attendance was reported at the Saturday night dance of the Teen-Twenty Club, at the Friona Legion Hall.

Music was played by George Green, Reaford Sherley and Donald Green, with several numbers sung by Donald Green, Gwendolyn Green, Leon Coffey and Don Lewis.

All proceeds from the dance, after paying the band, went to the March of Dimes. Several new memberships were bought.

Sponsors were Mr. and Mrs. Joe Brummett, Mr. and Mrs. Joe Mann and Mr. and Mrs. Leonard Coffey.

The next scheduled dance will be Saturday night, February 5, at the Legion Hall, beginning at 8:00 o'clock.

Continuous Prayer Church Program

The Methodist Church of Friona is among more than 900 churches taking part in a year-long "chain of prayer" developed by the Prayer Life Movement of the General Board of Evangelism of the Methodist Church.

On February 2, members of the congregation will take turns in a 24-hour vigil, adding another link in the 365 days of continuous prayer.

They will be relieved by other groups as day and night, around the clock, clergymen, laymen, women and children kneel at the altars of city and country churches.

On New Year's Day the chains' first links were hammered out in the prayers of Methodist in eleven cities and towns—joining the staff and employees of the Methodist General Board of Evangelism and three of the Nashville Churches in The Upper Room Chapel were churches in—New York, Washington, Chicago, Memphis, San Antonio; Phoenix, Ariz.; Ashland, Ky.; Minter City, Miss.; Holden, Mo., and Springfield, Ore.

Every day of the year is scheduled for two or more churches. When the last "Amen" is whispered next January 1, 1955, at 6 P. M., in churches of Ogden, Utah, and Allston, Mass., it is estimated that 50,000 to 100,000 persons will have participated in the relay prayer.

Peace is expected to be at the top of most prayer lists, tying in with the Methodist Crusade for World Order, a churchwide emphasis in 1955. Pastors are asked to meet with their prayer teams to discuss community and national needs, and world areas of concern.

This Prayer Movement is sponsored by the Methodist Board of Evangelism, Nashville, Tenn., and is one of the great prayer programs being developed by the "Prayer Life Movement" for 1955. "We hope that prayer cells will be formed in every Methodist home and church, and that other denominations will join us," said Dr. Harry Denman, executive secretary of the board.

Mr. and Mrs. G. E. Shackelford, Terry and Danny of Perryton visited last week in the home of his parents, Mr. and Mrs. Bert Shackelford.

Mrs. Reznik Hostess To Green Acres Club

Mrs. Al Reznik was hostess to members of the Greenacres Home Demonstration Club at her home Wednesday afternoon, January 19. Roll call was answered by the members telling of "our worst or best buy in clothing." The brief business session was conducted by the president, Mrs. Clyde Sherrieb.

Miss Corinne Stinson gave a demonstration on color and lines in the wardrobe.

The next club meeting will be in the home of Mrs. A. Mitchell, February 2.

Refreshments were served by the hostess to Mesdames Gene Anthony, Ernest Anthony, Gordon Hough, Charles Howell, Floyd Brookfield, A. Mitchell, Wesley Hardesty, H. C. Wells, Clyde Sherrieb, Meryle Massie, one new member, Mrs. H. R. Coconaugher, and one guest, Mrs. Johnson.

Mrs. Shackelford Led Church Study

The Congregational Ladies Aid met in the church basement Wednesday afternoon, January 19. Hostesses were Mrs. Fred White and Mrs. Bill Flippin.

The devotional was given by Mrs. Marie McKee, and the study on "Tougaloo" was given by Mrs. Bert Shackelford. This is a negro college in the east, supported by the Congregational churches.

Members present were Mesdames Gladys Helmke, Francis Holmgren, Edith Lillard, Kitty Loveless, Louella Maurer, Ethel Reeve, Melinda Schlenker, Ann Shackelford, Francis Spring, Violo Trieeder, Wilma Wise, Marie McKee, Rose Lange, and the hostesses.

Mrs. Moyer Leads WSCS Program

The study of "India, Pakistan, and Ceylon" was continued under the leadership of Wilma Jones, at the Tuesday afternoon meeting of the Methodist W.S.C.S.

The devotional was given by Mrs. U. S. Sherrill, and Mrs. Ova Outland sang, "A Prayer for Peace."

Mrs. Addie Moyer was in charge of the program which included talks on "Education and Languages" by Loretta Brookfield; "Food and Health," by Loreen Johnson; "Agriculture," by Joy Lindeman; and "Politics," by Dot-tie Osborn.

Present were twenty-eight members and one new member, Mrs. G. L. Hough.

Public Invited to School Assembly For Liquid Air Demonstration

John Sloan, a former science teacher, is now specializing in presenting demonstrations on liquid air to high school and college students. This program will be presented at the school auditorium, February 7, at 3:00 o'clock. Superintendent Dalton Caffey has invited the public to attend this unusual and interesting demonstration.

CUB SCOUTS PACK MEETING

Cub Scoutmaster Fred Barker reminds all Cub Scouts and their parents that the monthly Pack meeting will be held this Friday night at the American Legion Hall, at 7:30 o'clock.

Theme for the month for the Cub Scouts has been Railroad, and the program and stunts for the Pack meeting will be based on this topic.

All Scouts and parents are asked to be present.

Seventeen years have been devoted to research and extensive experimentation with liquid air, resulting in many new and spectacular experiments. Probably no product of the laboratory lends itself to more spectacular demonstrations than liquid air. It piques the curiosity not only of the student but the technician as well.

While a liquid air demonstration is a marvelous "show" in itself, this program will be given by a man who is not only a showman, but a scientist as well.

In the course of his lecture-demonstration, Mr. Sloan will call to the audience's attention new uses for liquid air. The remarkable properties of liquid air are being used for more practical purposes now than ever before.

According to Caffey, several experiments with liquid air will be performed, all of which will surprise and amaze you.

best interests of the economy of this country. The request was refused last year, and should be refused again this year. The truth is that interest rates are being fluctuated by discount practices on these mortgages. If Congress gives up the right to fix the interest rates themselves, the people can expect to pay more for borrowed money.

SOCIAL SECURITY BENEFITS FOR WIDOWS

My good friend, Honorable Peter Rodino, Jr., of New Jersey, has introduced a bill that merits early consideration and passage. Under the present law, a widow can get social security benefits only if she is 65 years of age or if she has a minor child in her care. Many women who have been housewives

and her fine husband take with them our most sincere blessings and congratulations.

WALTER ROGERS
Member of Congress,
18th District of Texas

A WEDDING AT NATIONAL CATHEDRAL

Lovely Ann Perkins became the bride of Lieut. Fred D. McMurry at Washington National Cathedral on January 22 at 4:30 p. m. Ann is the daughter of Mr. and Mrs. Tom Perkins, of Pampa, Texas, two of the finest people you could know. Lieutenant McMurry is the son of Mr. and Mrs. Y. D. McMurry of Midland, Texas. It seems like only yesterday that Ann was a beautiful child in the next block on Russell Street. Time does fly. Jean and I were bursting with pride to have a part in this grand occasion. Ann is one of the finest and loveliest persons we know. She

VETERANS ? Box

Q—Toward the end of my grace period, I made out a check for my monthly GI insurance premium, but I just now remember I forgot to sign it. I have plenty of money in the bank to cover the payment. What will happen? Will my insurance lapse?

A—Your insurance will not lapse. VA will send you a letter notifying you of your error. You will have 31 days from the date of the letter to send in another check, bringing your premium payments up to date.

Q—If I make advance payments on my GI home loan, is there any minimum size the payments must be?

A—Yes. Your advance payment may not be less than the amount of one installment, or \$100—which ever is lower.

Q—My husband, a World War II veteran, bought a home with a GI loan before he died of a service-connected disability. As an unmarried widow, would I still be eligible for a GI loan in my own right, even though he used the benefit?

A—Yes. The fact that he used his GI loan entitlement would not serve to bar you from using yours, as the unmarried widow of a veteran.

Q—I am a lawyer. I interrupted my profession to join the armed forces, and I have just been discharged. Would I be allowed to take some brush-up courses in law under the Korean GI Bill, before resuming my practice?

A—No. The law prohibits veterans from training for objectives they already had reached, by reason of prior experience or training. Before service, you already reached your objective of lawyer.

NEW FACULTY MEMBER

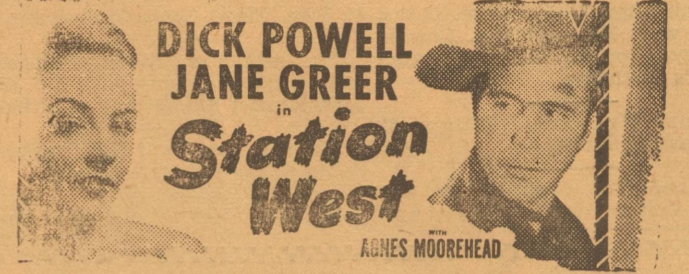

Miss Pat Rhymer of Walnut Springs arrived in Friona this week to take over the teaching duties of Mrs. Mary Kate Zeman, who has resigned as Home Economics instructor, effective this Friday.

Miss Rhymer recently received her B. S. Degree from North Texas State Teachers College.

Sunday dinner guests in the Albert Roland home were Mr. and Mrs. John L. Shelton and family.
