

SANTA VISIT TUESDAY, DEC. 21

Serving the Gateway to the Irrigation Belt and the Greater Diversified Farming Section of Texas

THE FRIONA STAR

VOLUME 31, NUMBER 15

THE FRIONA STAR, THURSDAY, DECEMBER 9, 1954

5 CENTS PER COPY

BUILDING PERMITS

Deon Awtry, residence at 803 W. Fifth, \$11,000 brick veneer.
W. H. Long, 909 W. Ninth, \$30,000 brick veneer.

The Merchant Around the Corner says too many people quit looking for work when they find a job.

Steve Messenger has moved into new office quarters in a re-modeled office in the American Legion Building. Also note he has a new phone number—4611.

Sure hope you remember to purchase your Christmas Trees from the Boy Scouts at their teepee stand across from the postoffice in Friona.

Noticed where in Memphis, Tennessee, first prize in an anti-alcoholic essay contest, sponsored by the Woman's Christian Temperance Union was won by a 12-year-old boy whose father runs a liquor store! Well, that youngster should know what he's talking about, anyway.

Birthdays of the Week:

Dec. 14: Leroy Brookhart, Mrs. Lloyd Ridland.
Dec. 15: Don Reeve, Cherry Ann Mingus, Eugenia Landrum, F. L. Spring.
Dec. 16: M. B. Buchanan, W. E. McGlothlin.
Dec. 17: James Noel Schlenker, Vera Ann Jones.

In glancing over the "Echo," prison newspaper published behind the walls at Huntsville, we notice the show calendar for their one show is headed with the words "At Your Favorite Theatre!"

He who is prejudiced is usually down on something he's not up to.

Notice Mrs. Emmitt Gish, Rt. 1, Friona, received \$15 in groceries as an award at Johnson's Corner Grocery last week-end.

The Philosopher on the Corner says that the man who is down and out usually has friends who are up and gone.

TOO LATE FOR AD PAGE
LOST: 1 Cow and 3 Yearlings. Yearlings have hole in ear, and cow branded with N on either left or right shoulder. Notify Bert Chitwood. 1p

Cpl. Ralph R. Reed returned home Dec. 8th from Korea. He received his discharge Dec. 7. Reed was overseas 18 months with the 8th Army, serving as an MP.

Understand the Shirley Bros. local talent artists, won recognition at an Amarillo TV show last week.

A lot of people deserve credit for the beautiful nativity scene in the park. Believe the Modern Study Club comes in for much of the credit.

Next Tuesday night is Legion Zone meeting in Friona. A full turnout of local Legionnaires and Auxiliary members is urged.

HUMAN LIFE IS PERSONAL

The growing number of fatal accidents on the streets and highways has engaged the attention of the White House, and soon a serious effort will be made to do something about it. Last year (1953) a total of 38,300 persons young and old lost their lives in traffic accidents, and the economic loss was placed at 4 billion dollars in hospital and medical costs, property damage and other expenses.

The President's Action Committee for Traffic Safety has designated December 15 as Safe-Driving Day. It will be observed on a Nation-wide basis, under the Committee's sponsorship with the cooperation of various other city, State and national organizations.

Most of the fatalities charged to traffic accidents and much of the property damage and other economic losses could have been prevented if drivers and pedestrians alike would realize their personal responsibility for their own safety as pedestrians, and the safety of themselves and others if they are drivers. Traffic actually is a personal responsibility.

Pedestrians cannot overlook their responsibility in reducing the traffic toll. Following the laws and applying the courtesies of the road to themselves and others will bring this about.

Personal responsibility—it's as simple as that.

New Business To Be Established

A new feed, seed and fertilizer firm is to be built in Friona soon, according to announcement this week by E. H. and Doyle Cummings who are planning the operation.

The plant will be located across the corner southeast of Houlette's Laundry, the Cummings men announce. They are selling their farm equipment this week, leasing the farm, and plan to start immediately on the Friona enterprise.

Mrs. Tonie Edens and daughter Barbara have been in McKinney attending the funeral of a cousin, Andy Carter.

SANTA ARRIVES EARLY FOR SOME!

MRS. JIM BAXTER OF FRIONA ACCEPTS CONGRATULATIONS FROM J. B. POOL OF HEREFORD FOR WINNING A HOME FREEZER GIVEN IN NATION-WIDE COMPETITION BY WESTERN AUTO STORES.

MRS. JIM BAXTER, WITH A HOBBY OF ENTERING CONTESTS AND "MAILING IN COUPONS" THIS WEEK WAS HANDSOMELY REWARDED WITH A 15½ FT. WIZARD HOME FREEZER.

THE AWARD CAME ABOUT WITH CONTESTANTS SUBMITTING COUPONS FROM A CATALOG RECENTLY MAILED BY THE SPONSORING ORGANIZATION, WESTERN AUTO STORE OWNER J. B. POOL OF HEREFORD, WHO MADE THE PRESENTATION AT THE BAXTER HOME, STATED THAT SHE WAS ONE OF 32 NATIONAL WINNERS, THE ONLY ONE FROM THIS AREA.

EDITOR'S NOTE: MRS. BAXTER SAID THAT "THIS FREEZER CERTAINLY CAN BE USED AT MY HOUSE — AND NOW JIM CAN BUY ME FURNITURE FOR CHRISTMAS RATHER THAN A FREEZER FOR WHICH I HAVE BEEN HINTING!"

Hospital Drive Completion Urged

Attempt is being made by drive workers for the new Parmer County Community Hospital to complete the present drive for \$50,000 by the 15th of this month.

Figures tallied yesterday indicated that \$34,640 was on hand in cash for the building; \$7,404 on the books in pledges unpaid. Some \$5,200 of the pledges are due by January 15, Manager Jimmie Baxter reports.

In recent hospital board meeting, Lee Thompson of Farwell and G. B. Buske of Friona were re-elected to the only vacancies occurring. Auditor Bill Curtis of Amarillo presented his annual report, again showing the local operation "in the black" financially.

With less than \$10,000 needed for commencement of actual building planning, hospital officials urge all workers to make their reports as soon as possible, completing their contacts in a successful wind-up of the drive for the initial \$50,000. The directors have indicated their belief that much of the remaining expenses of the building can be financed, with payments made out of the normal revenue of the hospital.

Locals Placed On All-State Choir

Friona Choir and Band representatives ranked high last Saturday in the all-state try-outs held in Canyon, against some of the larger schools in the area, including Amarillo, Borger, Plainview, Hereford, etc.

Selected for the all-state choir were Don Lewis, Deniese Magness, Phyllis Treider and June White, who was selected as alternate. Phyllis was selected as candidate for membership in the all-state band.

Only thirty-two applicants were chosen from the 185 contestants, which represented the top 10 percent from their organizations.

The all-state contests will be held in Dallas on February 9 through February 12.

Hi-way Improvements Assured for County

The Texas Highway Commission has announced from Austin the first step which will set up a new program of work in Parmer County for the calendar year of 1955. E. H. Thornton, Jr., chairman of the Texas Highway Commission, stated that the funds for this program are being derived from state sources.

Mr. S. C. McCarty, District Engineer of the Texas Highway Department at Lubbock, Texas, has stated that the following State highways and roads in his area are scheduled for work under this program:

Seal Coat on U. S. 60 from Farwell to Castro County Line, a distance of 27.0 miles.

Seal Coat on FM 690 from U. S. 84 to 0.5 mile East of FM 299, a distance of 16.7 miles.

Seal Coat on U. S. 84, from New Mexico State Line to Bailey County Line, a distance of 10.7 miles.

Mr. McCarty stated that the highway Commission has authorized the development of this program for the purpose of protecting the investment of the public in the State Highway System.

It was announced that work will begin on these projects just as soon as final planning is completed and right-of-way secured. Mr. Bruce Bryan, Maintenance Engineer, will be in charge of the work in this area.

McFarlands Bask In Nassau Summertime

Mr. and Mrs. Granville McFarland left via air Wednesday for a 10 day vacation in Nassau, Bahama Islands.

The trip came as an award to "Red" for local sales, given by the International Harvester Company.

The McFarlands were to fly from Amarillo at 7 a.m. Wednesday, making their only enroute stop at Dallas.

FRIONA ITEMS FROM THE SCHOOLS

Dear Uncle Bert, Basketball season is here and is now in full swing. You know, there are really going to be some exciting games played this year.

Monday evening at 7 o'clock there is to be a game with the boy A and B teams of Farwell. Tuesday evening Muleshoe will play

here also. Both boys and girls will play at that time. Saturday, our boys will go to Farwell to compete with their A and B teams again. On December 14, Friona boys and girls will go to Kress to play a conference game. As you can see, all of our teams have quite a lineup, so you be sure and come to all the games, Uncle Bert. They need your support.

Last week-end our basketball teams went to Burdick for a tournament. The boys lost out but played very good. The girls played Panhandle in the tournament and won a second place in the tournament.

The grade school teams will go to Vega Tuesday afternoon, and on Thursday will go to Farwell to play.

On December 9, the Friona High School Band will present their annual Winter Concert. This will be held at 8 p. m. at the school auditorium. The admission is 25 and 50 cents. This is the first public performance of the band at Friona since the arrival of the new band suits. Mr. J. D. Fry is the director of the band.

The Friona High School students voted Tuesday to bring to school a dollar or whatever a student feels he can contribute and donate the money to the Hospital fund, instead of exchanging gifts for Christmas.

Monday afternoon, the Freshman class will go to the Canyon for a swimming party. They will leave after school and a large group is expected to go.

A Southern School Assembly will be presented by a famous American clown on December 16 at 8:45 a. m. There will be many thrills from the life of Sawdust and Spangles and the show will be very entertaining. Admission is 25 cents.

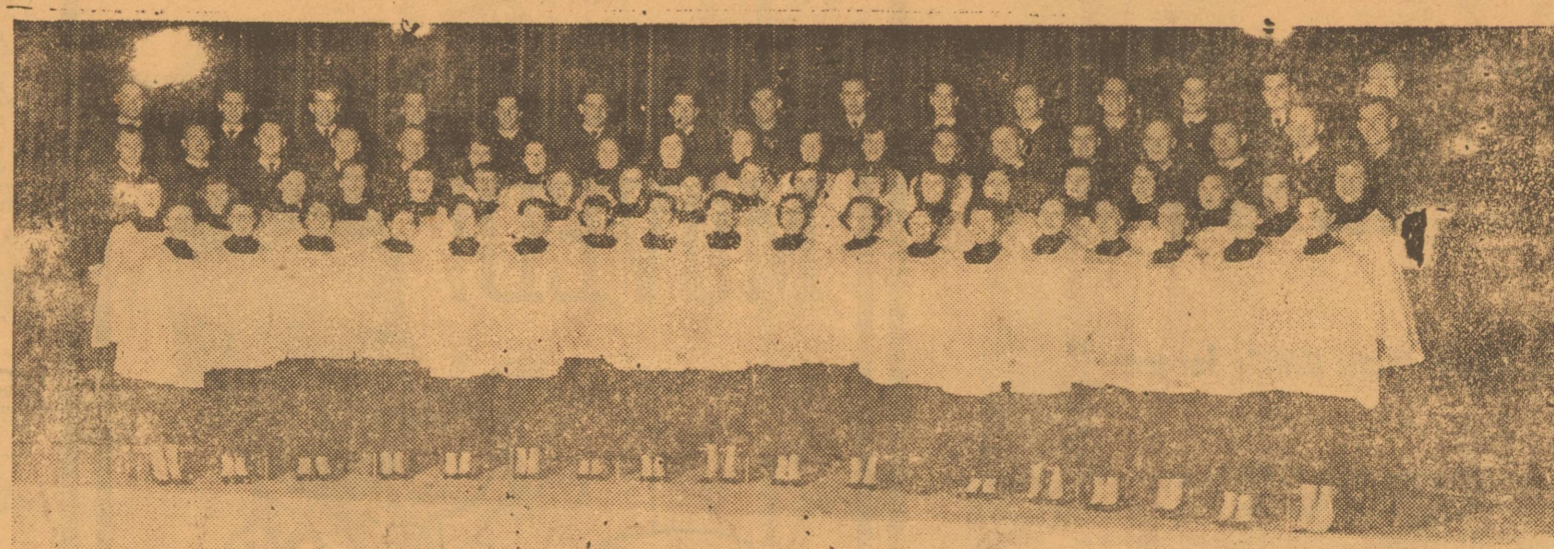

Two classes of Homemaking girls are getting quite a treat now. Miss Tommie Martin, a registered nurse, is giving first aid instructions. She will give four or five one-hour instruction periods.

December 16, the FHA will have a Christmas Tea, to which the mothers are invited. The second and third year homemaking students will model their dresses. The time is 3:00 p. m.

I must close now, Uncle Bert. I'll see you at the basketball games. Love,

— Big Minnie

W. T. Choir to Present Friona Concert

Seventy-five Voices in West Texas State College Choir

The 75-voice A Capella Choir of West Texas State College will present a concert in the Friona High School auditorium at 10:00 a. m. Wednesday (December 15), the seventh of a series in eight Panhandle cities.

Directed by Dr. Houston Bright, associate professor of music at WT who is well-known throughout the area for his choral compositions, the choir makes an annual Christmas concert tour. A second tour is made in the spring. The group will appear in Dumas, Dalhart, Phillips, Panhandle, Hereford, Vega, Friona, and Canyon, before returning to the WT campus.

Two special groups within the choir, as well as a number of soloists, will perform during the program. They include the Varsity Quartet and the JazzBelles, men's and women's specialty quartets. Soloists with the choir are Joanne Hill, Wayside; Kathleen Huber, Amarillo; Pat Lewis, Borger; Keith Gaede, Muleshoe; Fawayne Murphy, Dimmitt; and Allen Greer, Phillips.

Numbers from which the choir will draw for its program include sacred part-songs and choruses, Christmas carols and arrangements, choruses by Dr. Bright and John Butler, a WT ex-student now teaching at Vega, and choral and music

for fun. Both Dr. Bright and Butler have written sacred part-songs, and among Dr. Bright's choruses are "Come to Me, Gentle Sleep," "Solomon Grundy," "Lament of the Enchantress," and "I Hear a Voice A-Praying."

Among other works the choir will perform are "The First Noel," a Houston Bright arrangement; "Carol of the Bells"; "I Wonder as I Wander"; "Mary, Mary, Where Is Your Baby"; and "Silent Night."

Choir members from cities in which the group appears are Doris Bullard, Dalhart; Evelyn Fulfer, Borger; Patricia Lewis, Borger; Cherry Moore, Borger; Lotus Root,

Hereford; Barbara Winters, Canyon; Pat Childers, Hereford; Bee Chinn, Borger; Dorothy Cleavinger, Canyon.

Janelda Cunningham, Canyon; Glenna Rae Downs, Panhandle; Weedon Echols, Canyon; Pat Lee Garrison, Dumas; La Nelle Gum, Canyon; Wanda Henderson, Phillips; Pat Hubbard, Canyon; Linda Luttrell, Borger; Jo Ann Mickey, Canyon; Nancy Patterson, Hereford; Gary German, Borger; Jim Quisenberry, Phillips; Loyd Reynolds, Skellytown; Richard Whitton, Borger; William Gill, Phillips; Allen Greer, Phillips; and Dale Howard, Borger.

FRIONA FARMER COUNTY TEXAS

-Washington Views

To the People of the 18th District:

WHEAT

Since wheat is one of the major supports of our economy in the Panhandle, I thought it might be appropriate to point out a few of the interesting facts about its history. Its earliest ancestor, Einkorn, was first domesticated in Eastern Iraq and was one of the earliest plants cultivated by man. Recently wheat kernels were found in Eastern Iraq under conditions indicating that they were 6500 to 7000 years old, and it was observed that the resemblance between these early kernels and modern grain is remarkable.

It has been interesting to notice that all civilizations have been founded on wheat or wheat and a combination of other cereals such as rye, barley, oats, rice, and corn

In both the old world and the new, the science of agronomy was invented by the cereal growers as a part of their planning for the planting and the harvest seasons. Out of this science, the calendar and a system of arithmetic was developed. Cereal cultivation has created sufficient food supplies to permit some leisure for the people. Leisure, in turn, fostered the development of arts, crafts, and sciences. I am glad that the people in the early days did not consider surpluses as sinful. Had they followed such a philosophy, it could logically be concluded that there would have been no beginning to many of the arts, crafts, and sciences.

Wheat first served as a food with no more being done to it than merely the parching of the grain. The second stage was the grinding and soaking of the parched grains. It is probable that this method was used for some centuries before bread came into being and use, because it appears that bread wheats as we know them today were not developed until 2500 B. C. or 4500 years ago.

The key differences between the bread wheat and the early Einkorn is the ease with which the husks can be removed from the kernel by threshing and the peculiar quality of their gluten or protein. Of all the cereals only the bread wheat can be made into light fluffy loaves, and this is due to the content of highly elastic gluten.

As the population of the world increased, the production of wheat as a basic food had to increase and, of course, this is a process that will continue. In 1952 the world crop was almost one-fourth larger than were about thirty people present.

pre-war; about 7,400,000,000 bushels, of which North American contributed 2,000,000,000 bushels, or a crop for our continent 100 per cent larger than pre-war. The 1953 world crop was a little smaller, and that of 1954, by preliminary estimate, only about 10 per cent above pre-war. This decline is actually man-made by acreage reduction.

FEDERAL PAYROLL

According to reports to the Committee on the Reduction of Non-essential Federal Expenditures, the number of civilian employees in the Executive agencies of the Federal Government totaled 2,323,029 for the month of October, 1954. Of this total, 1,182,058 employees were working for civilian agencies, and 1,140,971 were working for military agencies. This is an increase of 5,464, compared with the preceding month of September.

In addition to these, there were 382,837 foreign nationals working for U. S. Military agencies overseas during the month of October.

WALTER ROGERS,
Member of Congress
18th District of Texas

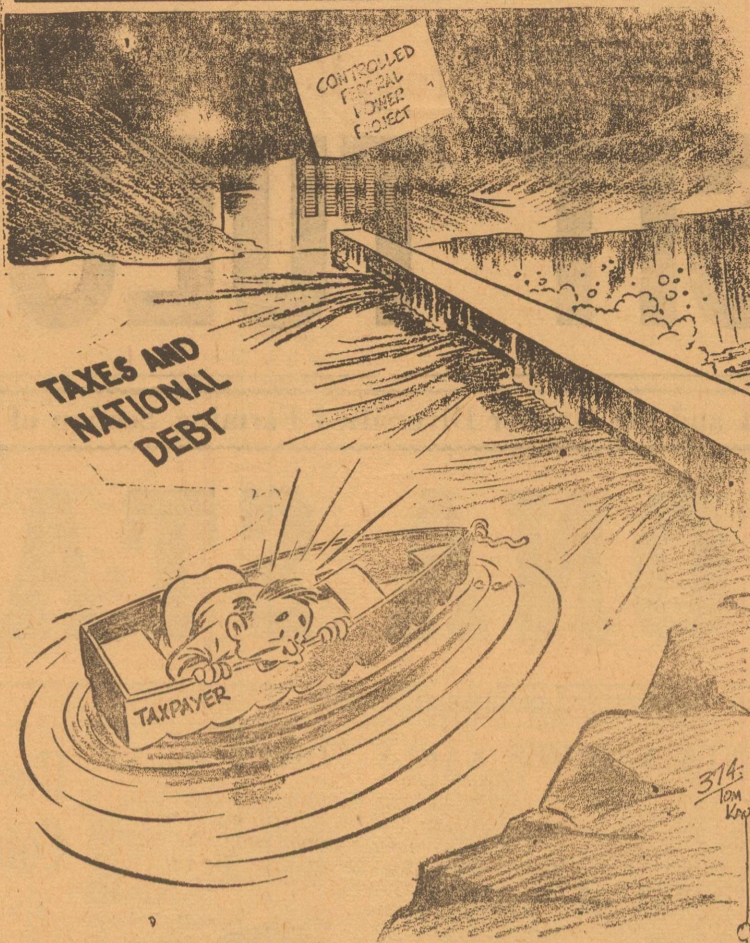

Clyde Ray Bragg of Brownfield visited last week in the home of Mr. and Mrs. Fred White.

John Lamb made a business trip to Amarillo, Wednesday afternoon.

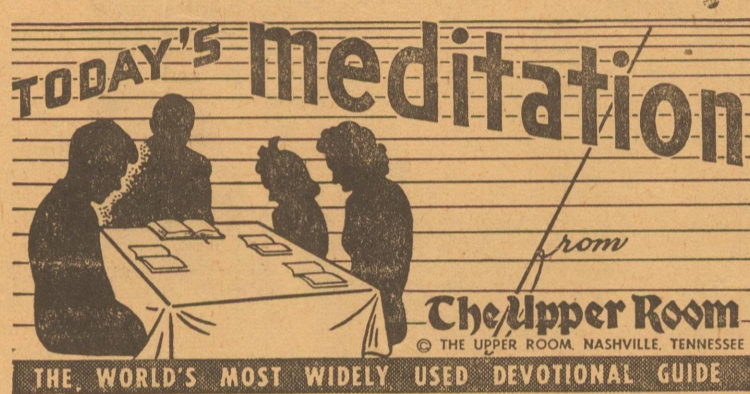

Mr. and Mrs. B. C. Danley of Perry, Oklahoma, visited last week with Mr. and Mrs. Granville McFarland. The Delaneys own land here and were also here on a business trip.

Mr. and Mrs. Willie Walls and family visited with Mr. J. E. Walls of Clovis, Thanksgiving day. There were about thirty people present.

THE AMERICAN WAY

It's Not Only The Water Level That Gets Raised!

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Luke 4:16-19

If the Son therefore shall make you free, ye shall be free indeed. (John 8:36.)

The Jewish Law said: "If thou buy an Hebrew servant, six years he shall serve; and in the seventh year he shall go out free for nothing."

This was a blessed day for many. It has been said that when that morning approached, all the slaves to be freed journeyed up the highest mountain and waited. When the first rays of the sun shone upon them, the slaves danced and shouted for joy.

The coming of Jesus of Nazareth into the world has brought similar joy to millions of people. In dedicating their lives to Him, they have become free. This is the good news of the gospel. Jesus Himself announced that He had come to preach deliverance to the captives. Men imprisoned by fear have faced the future with certainty through faith in Christ. The shack-

les of sin have melted in the light of His purity. The tenacles of greed and the grip of evil habits can be broken by Christ. Christ comes seeking entrance to our hearts. He would bless us with the healing and redeeming freedom of God's love. Such glorious tidings are to all people.

PRAYER

Lord, through Thy Son, free us of the shackles of sin, for we are helpless to rid ourselves of them. Through Him, make us the free persons Thou wouldst have us to be. We pray in the name of Christ, the Prince of Peace. Amen.

Thought for the Day
The servants of Christ are free men.

B. W. Middlebrooks (Texas)

Mr. and Mrs. Jake Lamb were Amarillo visitors Wednesday. Mrs. Lamb has been ill and went to an eye specialist.

HYDRA-MATIC GMC TRUCK OWNERS REPORTING!

"Far better gas mileage—"

"Not 5¢ for repairs in 34,400 miles—"

"More work done in less time—"

"Only Hydra-Matic GMC's for me—"

Now—as mileage piles up on Hydra-Matic GMC trucks in service—the pay-off is looming large on the books of their cost-conscious owners. Reports are pouring in from farmers and florists, from diaper services and milk companies, from wholesale butchers and bakers and paper box makers, from owners and rental operators all over the land. They sum up to one conclusion:

Hydra-Matic GMC's are doing more work for far lower operating and maintenance costs—saving time—keeping drivers happier—improving safety records. Why handicap yourself with outmoded equipment? There's a Hydra-Matic GMC to fit your need, in every size truck from a Pickup to a heavy-duty tractor. Come in and let's talk it over—soon. Be careful—drive safely

*Standard on many models, optional at extra cost on some others

J. F. Millers Were Feted on Sunday

Mr. and Mrs. J. F. Miller celebrated their Golden Wedding Anniversary with a tea at their home Sunday afternoon, December 5.

The serving table was laid with a gold lace cloth, and held a centerpiece of gold epergne with gold mums and snapdragons, flanked with gold candles.

Mr. and Mrs. Miller were married December 8, 1904, at Bradley, Oklahoma. They moved to Friona in 1933.

Mr. and Mrs. Miller were assisted in greeting the guests by their sons, and their wives, Roy V. and Ralph B., and their daughter, Mrs. Cleola Kirk.

Also present were their grandchildren, Mr. and Mrs. J. B. Taylor, Diana, James and John, Mr. and Mrs. Ansel Renner Kathy and Amy Sue, Miss Kay Kirk, Miss Janice Miller, Charles Kirk, Johnnie Miller, Miss Joyce Miller, Monte Sue, Midge and Bob Welch and Ross Miller.

Eighty-five guests from Friona called during the afternoon to extend congratulations, and many sent cards who were unable to attend.

Out-of-town guests were Mrs. L. W. Roysden of Ninnekah, Oklahoma, and Glenn Cunningham of Bowie.

CHRISTMAS THEME

Thirty-two Bonnie Baptist Sunbeams met at the church Tuesday afternoon for their Christmas party.

Refreshments of Christmas cookies and candy were served by Mrs. Claude Osborn and Mrs. Ralph Miller.

After games and songs of Christmas, the group made Christmas wishes.

Mrs. Osborn told the Christmas story, "The Little Black Lamb," and the closing prayer was given by Mrs. Miller.

John Guyer of Farwell was a Friona visitor Tuesday.

PHONE YOUR NEWS TO 2291

Open House in Brock Home Will Mark Golden Anniversary J. A. Wimberleys.

In honor of their Fiftieth Wedding Anniversary, Mr. and Mrs. J. A. Wimberley of Friona will hold open house, Sunday, December 19, in the home of their daughter, Mrs. G. H. Brock of Friona. Friends are invited to call between the hours of 2 p. m. and 5 p. m.

Mr. and Mrs. Wimberley were married in the home of the bride's mother, Mrs. June Whiteley, on December 18, 1904, at old Olga, near the present town of Blackwell, Texas. Neighbors, friends and family members attended the wedding. Many of them are still living, and are expected to attend the Golden Wedding celebration.

They both moved to Coke County the same year, 1902, from Bell County. Alfred had lived at Killen, and Addie at Belton. They did not meet until they had moved to Coke County. Alfred came west in a covered wagon. His brother had planned to come with him, but at the last moment decided it was too wild and dangerous a trip for him. To save his money in case he was robbed, Alfred put his fortune of sixty dollars, in bills, between two pairs of socks, put on his boots, and did not take them off until he arrived at his uncle's house, some eight weeks later. After his uncle had his fun about the sweated, moulded mess, they took it to the bank at Robert Lee, made affidavit, and he came out with crisp new bills.

He then grubbed out some farming land on Boosler Creek, that his father had bought for \$3.50 per acre. His father gave him all he made on the land the first three years, for the grubbing. He worked part time for his uncle at fifteen dollars per month, and board, which was considered top wages.

A few months after he arrived, he heard of a man moving up-creek, who had seven daughters. "Well, surely one of them will do for me"—so he saddled his pony and rode over one Sunday afternoon. Another boy had the same idea, and was ahead of him, calling on Addie. After looking the situation over, he decided to stay in the race, and eventually selected Addie. He took a pony and side-saddle for Addie to ride when they went to parties and singings,

and after a courtship of two years, they were married by a Methodist preacher, Ben West.

They started housekeeping in a two-room shack. Alfred went to a mill up the creek and made of barrel of sorghum molasses and a few sacks of flour, and the couple was well supplied with provisions for the winter.

Four daughters were born, the last of which was called "Bud" for many years. There has never been a death in the immediate family, and Alfred's only disappointment was that his "boys were all girls." The daughters are Mrs. Loverna Brock, Friona; Mrs. Opal Adair, Big Spring; Mrs. Lucille Andrews, Carlsbad, New Mexico; and Mrs. Mabel Reese, Keene. They have two grandsons and eight granddaughters. All will be on hand for the celebration.

The Wimberley family moved from Coke County to Parmer County in 1926, and have resided on a farm eight miles northwest of Friona, which he farmed until four years ago. He retired at the age of 70, and moved into Friona.

They have both been active members of the Baptist Church for many years, and Mr. Wimberley is a deacon. His main hobby is people. He never seems to forget a person he has met. He may be seen on the street most any day, discussing politics, the topics of the day, and the progress of the county.

Mrs. Wimberley's hobby is crocheting, and keeping him straight on all details, as he uses her as his constant reference.

Many out-of-town friends and relatives are expected to be in attendance at the Open House, and all local friends are cordially invited.

Holiday Motif Featured By Progressive Club

"Holiday Workshop" was the theme for the program and decorations at the recent meeting of the Progressive Study Club. The club room was beautifully decorated with holiday decorations which each club member had designed and brought to the meeting.

The devotional was given by Betty Baxter.

Several tables were set and decorated for different occasions during the holiday season. The table appointments were donated for the evening by Allen's Jewelry. Displayed were several decorative Christmas cakes, pies and candies, which were prepared by Mamie Lou Welch and Avis White and later served to the club members.

Several musical numbers, including a Christmas carol, were sung by the High School Sextet.

Hostesses for the meeting were Mamie Lou Welch and Avis White.

Book Reviewed by Rev. Knight Wednesday

The Women's Fellowship of the Congregational Church met in the church Wednesday, December 1, with sixteen members present.

Hostesses were Mrs. Carl Maurer and Mrs. Edd Uri Luttrell.

The last four chapters of the book, "A Firm Faith for Today," were reviewed by the pastor, Rev. Lewis Knight. Mrs. L. F. Lillard gave the devotional.

Following the study period, the group held a work session and re-finished the tops of the tables in the church basement.

Mr. and Mrs. C. W. Dixon visited their son, C. E. Dixon, and family in the Estancia Valley last week. They visited briefly in Roswell.

Southall's Daughter Living in Honolulu

HONOLULU — (Special) — Recent newcomers to Honolulu include Lt. (J.G.) and Mrs. Aubrey C. Tucker, who are residing at 1819-A Lippeepe Street in the Wai-kiki Beach district.

Both are natives of Texas. Mrs. Tucker is the former Patti Southall, daughter of Mr. and Mrs. P. O. Southall of Friona, and Lt. Tucker is the son of Mrs. Austin Collard of Borger. The Tuckers made their home in Amarillo prior to Navy life.

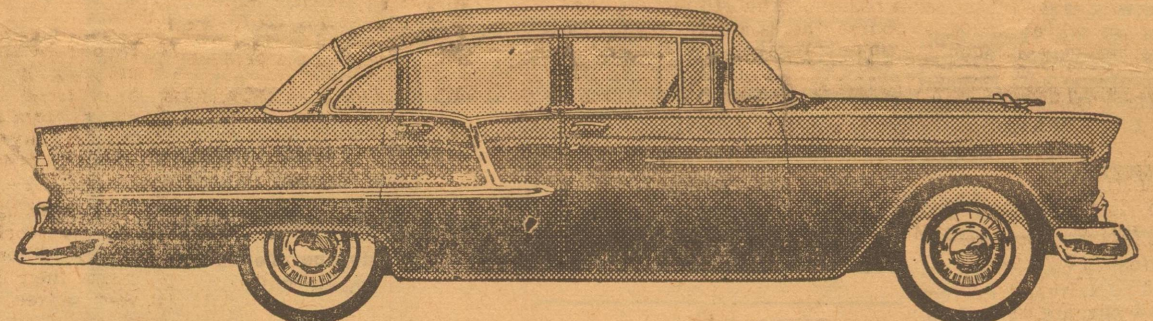

Lt. Tucker recently took over duties in charge of the deck force and gunnery department of the LST 859 at Pearl Harbor. He formerly was gunnery officer of the AVS Jupiter doing a tour of duty in the Far East. During this time Mrs. Tucker was a student at West Texas State College in Canyon.

The Tuckers expressed pleasure at being stationed in Hawaii, and Pearl Harbor circles extended a welcoming aloha to these young Texans.

Mr. and Mrs. Frank Spring and children and Mr. and Mrs. Dan Ethridge spent the week-end in Claude visiting in the home of Mrs. Spring's sister, Mr. and Mrs. Terrell Christian.

Jim Dixon, home for the Thanksgiving holidays from Texas A. and M. College visiting his parents, Mr. and Mrs. C. W. Dixon, was honored with a dinner on Thanksgiving day. Guests were Miss Evelyn Ray and Mr. and Mrs. M. R. Landrum and family.

The exciting new idea behind the motoramic Chevrolet

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Like most good ideas, this one is pretty simple. Chevrolet and General Motors set out to build the first low-priced car that would:

- bring you the very freshest and finest styling to be had.
- bring you the most advanced engine design and engineering features.
- bring you the kind of performance and the kind of ride that have never been available before in a low-priced car.
- bring you the highest quality of manufacture and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, skills, resources and facilities, to carry out this exciting new idea? Here is how this new Chevrolet changes all your ideas about cars!

to its wide-eyed Sweep-Sight windshield... a new outlook for motoring. And that outlook doesn't change when you slip inside... exciting fabrics and trim are harmonized with the whole car.

Real Show-Car Styling!

Your eye tells you the Motoramic Chevrolet is no styling "patch-up" job. A rakish, low profile... soft sleekness from its sleek rear fenders

A Sensational Ride!

You live the new idea instantly... you glide... actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns... turns made so effortless by new ball-race steering.

And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front... you get "heads up" stopping. Tubelless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

Power Beyond Compare!

You also feel the new idea quickly... quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might desire. You have a transmission choice of economical Overdrive, and improved, automatic Powerglide (optional at extra cost) or standard shift.

Even Air Conditioning!

And if you desire the convenience of power assists (optional at extra cost)... you'll find new power-steering and improved power brakes on all models. Power-controlled windows and powershift seat are available on the "Big Air" and "Two-Ten" models, while air conditioning may be added on V8 models.

Won't You Try It?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you? First chance you get.

A NEW CONCEPT OF LOW-COST MOTORING

Everything's new in the motoramic

PATENT PROTECTIVE MEASURES EXPLAINED

Got a good idea for a new invention floating around in the back of your mind? Yes? Perhaps to protect your rights you should file an application for a patent with the U. S. Patent Office.

Under the patent laws of the United States, an application for patent must be filed, if at all, earlier than one year after the date of first public sale or use or published disclosure of the invention.

If this deadline is met, then the person who first conceives a new and novel patentable idea is entitled to it, provided he thereafter pursues a course of reasonable diligence in reducing his invention to practice or filing a patent application thereon. Therefore, if conflicting claims arrive as to who is entitled to a patent, it is necessary to establish who first had the idea, and not just who filed the first application for patent.

Since an inventor is automatically given credit for a date at least as early as his application, without having to introduce any proof, an early application date is advantageous though not conclusive. But if an inventor protects himself while he is making tests and perfecting his invention, he can get credit for a date earlier than his date of application.

To do this, he should, as soon as he conceives the idea, make a written record of the facts, including a general statement of the nature of his invention, a recitation of the structural elements or steps of the process of his invention, and a rough drawing if possible. Preferably the written record is photocopied. The photocopy of the record should be dated and signed by two witnesses who have read and understood it and who can be called upon later to certify that they read and understood the photocopy of the record on the dates beside their names.

While some inventors mail written disclosures of their inventions to themselves, such procedure is not necessary if the foregoing preferred procedure is followed.

By taking the above precautions, an inventor establishes a preliminary date showing the time when his original idea was conceived.

After that he can continue with his work, perfect his idea, and after it is perfected, make application for a patent, if he feels that he has a patentable idea. But the inventor must also keep records of his continued work, and the continued work should be disclosed periodically to a witness who is not a co-inventor.

While an inventor should seek a patent as soon as possible after he conceives his idea and works out structure or process steps for the practice of the idea, if he keeps complete records of his work and has his work witnessed periodically by someone who can later be called upon to corroborate the inventor's story, the inventor may protect himself clear back to the date of his original conception.

(This column, based on Federal and Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Annual Feed Held By Local Firemen

The Friona Fire Department held their quarterly feed in the School Cafeteria, December 2, and enjoyed a dinner of fried chicken, mashed potatoes, English peas, jello salad, hot rolls, butter, tea, coffee and ice cream.

The Firemen had as their guests their wives, children, Mr. and Mrs. Dan Ethridge, and Mr. and Mrs. Bill Stewart.

After the dinner the entire group went to the school auditorium to see a film on the hazards, safety and how to evacuate a hospital in case of fire. A short film was shown on household fires to demonstrate how an individual can extinguish a fire, or keep the fire under control until the Fire Department arrives.

The entire Fire Department wishes to express their thanks and appreciation to Mrs. Mayfield, Mrs. L. D. Pope, and Mrs. Roberts for the excellent food and service that made the dinner an enjoyable one.

CARD OF THANKS

We wish to take this means of expressing our sincere thanks and appreciation for the many kind words, food, floral gifts, and numerous other deeds that our many friends so bountifully bestowed upon us during the illness and death of our Daddy.

May the Lord richly bless you.
—The G. A. Collier Family.

Newcomers to Friona are Mr. and Mrs. L. C. Johnson who have moved here from Greenville. They will farm the Gordon Hough place.

Mr. and Mrs. Tom Lewelyn and children of Colorado have been visiting Mr. and Mrs. Forrest Osborn.

RHEA

Mr. and Mrs. Floyd Schlenker and Mr. and Mrs. Billy Alderson attended the Golden Wedding Anniversary of Mr. and Mrs. Joe Miller in Friona on Sunday.

Miss Mary Sissell spent Sunday with Mr. and Mrs. Billy Sifford.

Mr. and Mrs. Herman Sifford visited Monday with Mr. and Mrs. Billy Sifford.

Rev. George Pullman and Carl Schlenker attended a meeting in Lubbock this week.

Rev. Pullman reports a large crowd and quite a few visitors attended the Lutheran Church, Sunday.

Miss Bonnie Jean Wagner and Robert Schueler were confirmed Sunday at the Lutheran Church.

Visiting in the Martin Wagner home Sunday were Rev. and Mrs. George Pullman, Mr. and Mrs. Melvin Sachs and family, Mrs. Selma Wagner, Mr. and Mrs. Kinkle, Mr. and Mrs. Gene Snells and family, Mr. and Mrs. Frank Meier and family, Mr. and Mrs. J. D. Steven and family of Bovina, Mr. and Mrs. Gus Meireur of Portales, and Mr. and Mrs. Paul Keoltzow and family of Clovis.

Mr. and Mrs. Herman Schueler and Lillian, and Mr. and Mrs. Robert Schueler attended the wedding of Miss Mildred Meissner to Wallis Pulji, Sunday evening in the Lutheran Church at Lariat.

Mr. and Mrs. Walter Schueler

went to Lovell, Sunday, to visit her grandmother, Mrs. E. H. Woolver.

(Too Late for Last Week)

Thanksgiving services were held at the Lutheran Church, Thanksgiving day. Dedication service was held for the new church parsonage.

After services a dinner was served in the Parish Hall. Several guests attended both services and the dinner.

Mr. Lester Dean and girls went to Sundown, Thursday, for Thanksgiving. They came home Sunday evening.

Mr. and Mrs. Velvin Sachs and boys went to Austin for Thanksgiving and to visit her mother, Mrs. Kurger. They also visited Mrs. Sachs's sister and husband, Mr. and Mrs. C. K. Geetz of Thorndale.

Mr. and Mrs. Glen Shadix of Kress visited here Thanksgiving day.

Family night begins at the Lutheran Parish Hall, Sunday evening. This will be held the last Sunday evening of each month.

Mr. and Mrs. Jim Spencer and Mr. and Mrs. Jack Patterson and Sandra visited in Amarillo, Friday. Cynthia Patterson spent Friday night with Lindy Dean.

Connie Schlenker and Lindy Dean spent Saturday night with Mr. and Mrs. Floyd Schlenker.

James Schlenker spent Sunday with Mr. and Mrs. Herman Schueler.

Mr. and Mrs. Floyd Schlenker attended the funeral of Mr. Ab Lofton at Clovis, Monday.

Karen Treider of Friona visited with Lindy Dean, Sunday.

P-TA Christmas Program Planned for 16th

The music department and the speech department of the Friona schools will present a Christmas program at the meeting of the Friona P-TA, next Thursday night, December 16, in the school auditorium.

Time for the meeting will be 7:30 p. m.

Baptist Groups Have Christmas Party

The Ruth and Home-Makers Classes of the Baptist Church met in the church Monday evening at 8 o'clock for a Christmas party. The center of attraction was a Christmas tree in the party room. Opening prayer was given by Mrs. Lereña Wood, and the group sang Christmas carols. "Winter Wonderland" was sung by Mrs. Mattie

Faye Crow and Mrs. Jerry Sherrieb. The devotional, "The Gift of the Magi" was given by Mrs. Melba Miller.

After "Santa" distributed the gifts, pie and coffee were served to the following guests: Mesdames Elsie Parsons, Eleanor Prewett, Mattie Faye Crow, Jerry Sherrieb, Gordon Massey, Thelma Ruth Shelton, Lorena Wood, Carolyn Fields, Henry White, Faye White, Aline Turner, Clyde Black, Movelda Fortenberry, Phyllis Sanders, Frances

Baker, Wabeta Haylor, Melba Miller and Miss Tacy Smith.

RHEA

Members of the Rhea Home Demonstration Club met in the home of Mrs. Marie Walls, Friday, December 3, for a buffet supper of Mexican food and venison.

Representatives to the Home Demonstration meeting in Bovina on December 6 were elected by the group. Selected were Mrs. Floyd Schlenker, and Mrs. Markham. Mrs. Helen Potts volunteered to be council delegate to help Mrs. Lawrence.

Games were played and prizes were exchanged among the members from their secret pals, and the club presented Mrs. Selma Winner with a crown.

Rev. and Mrs. C. M. Fields were shopping in Clovis, Monday morning by the members. attending were Ona Patterson, Mrs. Markha, Mrs. Kunkel, Velma Schlenker, Malinda Schlenker, Sarah Dean, Selma Wagner, Helen Potts, Mrs. Watson, Dorothy Rauer, Emma Schueler, Martha Schueler, Frances Spencer, Nola Drager, the hostess and two guests, Mrs. George Pullman and Mrs. Downy.

Carlson designed and engineered fittings are made exclusively for CARLON PLASTIC GAS PIPE. Carlson goes underground faster ... costs only a fraction as much as steel and it is guaranteed.

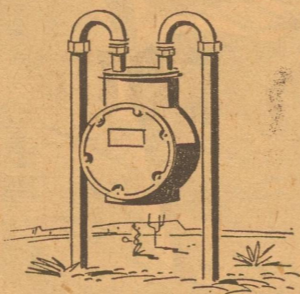

Longer gas pipelines can be installed at a lower cost with Carlson plastic gas pipe. Hundreds of miles of trouble-free pipelines have been installed in Texas High Plains area.

"Solvent" weld at joints assures years of dependable service ... completely resists corrosion and is guaranteed forever against rust. Every foot of Carlson plastic pipe is tested under pressure at the factory.

Irrigation Farmers:

A NATURAL GAS PIPELINE WILL SAVE YOU 50% ON FUEL COSTS!

...and Carlson Plastic Gas Pipe provides a better pipeline for less money.

SAVINGS ON FUEL COSTS by converting to natural gas are only the beginning. In Texas, over-all savings on an installation total a minimum of \$800.00 per mile. That's your savings over steel when Carlson plastic gas pipe is used.

When you convert to natural gas, or plan new wells, PLAN ON CARLON PLASTIC GAS PIPE. Carlson gives you extra savings ... extra years of service ... a better pipeline for less money.

Carlson costs less than steel ... and can

be installed for less. By using Carlson plastic pipe, you can save one-fourth the cost of a steel pipeline. Carlson "LP" is right for gas.

Carlson plastic pipe can't rust ... so it can be buried and forgotten. Its performance is proved by hundreds of miles of trouble-free installations right here in the Texas High Plains area.

ALL INSTALLATIONS ARE MADE BY TOP-FLIGHT CARLON APPROVED CONTRACTORS AND SUPERVISED BY FACTORY TRAINED CARLON ENGINEERS.

ONLY CARLON PLASTIC PIPE GIVES YOU ALL THESE ADVANTAGES

LONGER LIFE—Anti-oxidant in Carlson resists aging. Makes Carlson last years longer than ordinary plastic pipe. Lasts longer than steel.

STRONGER—Carlson plastic pipe is 10% stronger. It has greater resistance to electrolytic corrosion. Carlson's base material is the toughest formula which can be successfully extruded.

TOP PERFORMANCE—Precision extrusion of Carlson provides smoother plastic walls which offer less friction and higher flows. It's like adding a reserve capacity to systems when Carlson is used.

TOP QUALITY—Because of Carlson's "know-how", engineering skill and ultra-modern facilities, Carlson plastic pipe is extruded without lubricants which contaminate ordinary plastic pipe.

ABSOLUTE UNIFORMITY—Precision

controlled manufacturing processes guarantee accurate compounding and control of tolerances. Special Carlson processing eliminates flaws ... makes Carlson the perfect plastic pipe.

PROVED PERFORMANCE—Almost 47,000 miles of Carlson plastic pipe are already in use.

TROUBLE-FREE FITTINGS—Carlson fittings are made especially for Carlson plastic pipe. With a Carlson installation, no trouble can be caused from purchasing pipe from one source and fittings from another. Carlson makes both ... fittings and pipe become an integral unit.

GUARANTEED—Guaranteed forever against rot and rust. Completely resists corrosion caused by both acid and alkaline soils. This guarantee is backed by Carlson's reputation as the world's oldest and largest manufacturer of plastic pipe.

Only Carlson Plastic Pipe is Guaranteed. Always Buy Carlson, The Pipe With The Stripe.

BUY THE PIPE WITH THE STRIPE

PUBLIC NOTICES

THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas—GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Parmer County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: James M. Finley, Mrs. James M. Finley, if living, and the unknown heirs, devisees and assigns and legal representatives of any of the aforementioned parties who are deceased, Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Parmer County at the Courthouse thereof, in Farwell, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of January A.D. 1955, to Plaintiff's Petition filed in said court, on the 19th day of November A.D. 1954, in this cause, numbered 1752 on the docket of said court and styled Ralph A. Smith, Plaintiff, vs. James M. Finley, et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiff brings this suit in trespass to try title, alleging that on or about 1st day of November, 1954, he was the owner in fee simple of lot 5, block 67, of the Original Town of Friona, Parmer County, Texas, and that on such date the Defendants and all of them unlawfully entered upon said land and ejected Plaintiff therefrom; and in the alternative, Plaintiff prays for title to and possession of his land, for costs of suit, and for general relief, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand the seal of said court at Farwell, Texas, this the 19th day of November A.D. 1954.

Attest:
LOYDE BREWER, Clerk,
District Court
Parmer County, Texas.
By Bonnie Warren, Deputy.

Mrs. O. F. Lange, Mrs. Bert Shackelford, Mrs. Joe Beaty and Mrs. W. A. Tinney were shopping in Hereford, Friday.

Commercial rose bushes are being dipped in wax before leaving the nursery to help conserve plant moisture. Research shows this causes the young roses to grow off quicker, bloom earlier and have greater plant vigor.

Farm animals need an occasional dental check-up. Symptoms of dental troubles in animals include frequent drooling; slow, deliberate chewing, indicating pain; and sudden drawing back from water while drinking. Call a veterinarian if these symptoms are noted.

Mr. and Mrs. Ed Boggess and Mrs. Bud Reed have returned from a 2 week visit in Medford, Oregon, where they attended the wedding of their daughter and sister, Irene Sheets, to Emil Berg. The wedding was held at the Christian Church parsonage on Dec. 7th.

Mr. and Mrs. Berg and daughters Barbara and Lyndia will make their home in Medford.

Important Cotton Referendum

Vote Scheduled Next Tuesday

COLLEGE STATION. — Cotton growers have a red letter day Tuesday, December 14. That day growers will decide whether marketing quotas will continue in effect on the 1955 crop, Claude K. McCann, chairman of the state ASC committee, reminds farmers.

"The decision will affect every cotton grower and it's important that each cast a ballot," says McCann. All farmers who grew upland cotton this year will be eligible to vote in the referendum, which will be held in each upland cotton growing county in Texas. At least two-thirds of the growers voting in the nationwide poll must approve the quotas if they are to continue, he explains.

The vote follows the Secretary of Agriculture's proclamation of a national marketing quota and acreage allotments for the '55 crop. Such a proclamation must be made under the law when the prospective "total supply" of cotton exceeds the "normal supply."

Under the marketing quota program, growers who do not exceed their acreage allotment may market free of penalty the entire crop from the farm. Growers exceeding their allotments will be subject to penalties of 50 per cent of parity on the farm's excess production.

If farmers approve the referendum, the price support on cotton to eligible growers will be between 82.5 and 90 per cent parity.

Farm Bureau Report

By RAYMOND EULER

On December 1, we went with several other Farmer County Stockholders in Producers Grain Corporation to Amarillo to attend the 16th Annual meeting of that Corporation. There were upwards of four hundred members and their wives in attendance at the banquet in the evening.

Frank Triplett, PGC Manager, prevailed upon farmers to give consideration to the serious need for production of milling quality wheat if they intend to continue to participate in the competitive market for domestic and foreign use. We think it will be wise to heed this advice.

W. N. Stokes, Jr., president of the Houston Bank for Cooperatives reported that the bank is for sale to the Cooperatives. If this transaction is made, it will further insure the future security and independence of farmer's marketing groups. This is the only loan agency that has enough practical knowledge of cooperative success and security to make loans to them in the amounts necessary for continued expansion.

We were favorably impressed to hear Marvin McClain, Director of Grain Division C.S.S., U.S.D.A., speak complimentary of Public Law 480, the marketing agreement promoted by Farm Bureau to expedite foreign trade as replacement of the general give-away program. He also favored the idea of seeking new and expanded markets for our products to reduce the amounts of government loans now being made. This, coming from a bureaucrat, as he referred to himself, who is dependent upon the loan program for his salary, is commendable. We think you'll appreciate this attitude, too.

C. H. Moseley, Director Dallas Office (C. S. S.), though not as fluent a speaker, impressed us favorably with the same conservative attitude toward the loan program (recognizing it as an emergency, not a market).

The banquet speaker, Dr. George H. Wilson, who spoke on "How Uranium Will Be Used in American Agriculture," was very interesting and entertaining. Most of you will understand the entertainment angle when we tell you the doctor was Stuttering Sam, a well known personality in this area some years back.

CONSIDER THIS: Bread of deceit is sweet to a man; but afterwards his mouth shall be filled with gravel. Proverbs 20:17.

Parmer County Students

Students enrolled for the fall semester at Texas A. and M. College from Parmer County are Jim Dixon, M. C. Osborn, John Fred White, Friona; John Christian, Farwell; Jerry D. Gleason, Lazbuddie; and Elmer Rex Isham, Bovina.

FFA-

The Junior FFA Farm Demonstration team returned from the area meeting in Plainview, Saturday, with second place honors.

Both the Junior and Senior teams and the instructor, Mr. J. T. Gee, attended the meeting. There were teams from eight districts represented in the contests.

Tuesday night the Junior and Senior teams and Mr. Gee attended the FFA District banquet held in Littlefield.

These teams are composed of Dale Williams, O'Neal Greason, Leon Massey and Jerry Hinkie, Juniors; and Jimmy Patton, Joe Allen, Charles Beaton and Wayland Hinds, Seniors.

Lewis Gore has received his discharge from the service and returned to Friona, Saturday. He is the son of Mr. and Mrs. Newt Gore.

Court of Honor Slated Monday

The public is invited to attend a Scout Court of Honor to be conducted Monday night at 7:30 in the Friona High School Auditorium.

Recognition will be given individual scouts for achievements, and Scout leader Bill Phillips of Hereford will be guest speaker.

Several Scouts appeared before a board of review this week to qualify for the honor court. These were Tommy Barker, Frankie Spring and Robert Neelley who are passing to 2nd Class Scouts, and Floyd Reeve to Tenderfoot.

Merit badge qualifications include Ted Sanders for three; first aid, pioneering and safety; John Miller for home repair, and Neelley for printing and home repair.

The Board of Review consists of Chairman Bill Sheehan and Nelson Welch, Frank Spring, H. K. Kendrick and Glenn Reeve.

Friona Firemen Render Service to Gins

Friona volunteer firemen this week answered calls at two area gins: Saturday at the Tri-County Gin near Summerfield, and Monday at the L & H Gin at Friona.

Sam Patterson, manager of the Tri-County firm called the Star and asked that special thanks be accorded the Friona men who answered the call for help. A previous appeal to Hereford firemen was turned down, he said. Making the run in the midst of the dustier at about 4:30 p. m. were Fire Chief Charlie Bainum, W. H. Ford Wayne Bainum, Tom Jones, O. C. Jones, Leonard Coffey, Pete Hollis, and Roy Wilson.

Churchmembers Attend Amarillo Conference

The Amarillo District Conference of the Methodist Church was held in the Buchanan Street Methodist Church in Amarillo on Thursday, December 2, from 10 a. m. until 4 p. m.

Dr. Earl G. Hamlett, District Superintendent of the Amarillo district, presided during the session. Attending from Friona were Mr. and Mrs. H. C. Kendrick, Mr. and Mrs. Dick Rockey, Mrs. Roy Slagle, C. L. Mercer, A. W. Anthony, Sr., Forrest Osborn, Mrs. W. H. Stewart, and Rev. and Mrs. U. S. Sherrill.

Attend Grandfather's Funeral

Ralph Wilson and Mrs. Bill Hannold received word Monday morning that their grandfather, Mr. J. G. Wilson, had died at his home at Glen Cove, near Coleman.

Mr. and Mrs. Hannold left Tuesday to attend the funeral services which were held on Wednesday.

VETERANS

Q.—I am planning to go to school under the Korean GI Bill. Could I count my parents as dependents for GI allowance purposes?

A.—You could include your parents as dependents only if they are in fact dependent on you.

Q.—I am being retired from active service because I have a service-connected disability. What would my deadline be for getting the special GI insurance for disabled Korean veterans—one year from my retirement, or one year from the date VA adjudicates my disability as service-connected?

A.—You would have one year from the date VA determines your disability is service-connected.

Q.—Could I take on-the-job training under the Korean GI Bill in a silversmith shop in England?

A.—No. Under the law, the only type of Korean GI training you could take outside the United States is college training in a VA-approved course.
