Concerted Junk Drive Will Open In Gatesville Tuesday, August 25

"Junk for the Skunks," that could be the slogan of the drive which is to begin in Gatesville in earnest Tuesday, August 25, according to N. Foote, head "kisker" for the drive.

Tuesday Boy Scouts will make a house-to-house drive, and there will also be handbills passed out urging the gathering of the discarded metals.

Already large quantities of metals have been picked-up from all over the county including Gatesville, but this will be a special concentration drive in Gatesville.

Surrounding communities and their weights, which they have already gathered are as follows, and Mr. Foote says the average per farm is 1,100 pounds:

Too, if you have a quantity of junk iron and nothing to move it with, phone 29, and transportation will be provided.

Arnett 16,000 lbs., Jonesboro 15,500 lbs., Pidcoke 3,500 lbs., Pearl 1,500 lbs., Oglesby 15,000 lbs., Evant 11,000 lbs., Levita 2,000 lbs., Ireland 5,500 lbs., Coryell City 2,500 lbs., Leon Junction 3,500 lbs., Mound 4,000 lbs., Turnersville 30,000 lbs., Topsey 11,500 lbs., Copperas Cove 8,000 lbs., Purmela 13,500 lbs., Plainview 10,500 lbs., Ewing 3,000 lbs., Whitson 9,000 and Hurst Springs 2,500 lbs.

Mrs. Eude Hodges and daughter, Mildred, are visiting Mrs. Steve Winfield.

Army Does "Fade-Out" in Gatesville For Camp Hood

Gatesville is practically army-less.

It's been happening for a week or two. Yesterday the OCS home office in the city auditorium moved, and there were only two classes at the CCC which were doing the fade-out today.

The high school is empty, the junior high school, just about everything except the Provisional Truck Company at the oil mill. Things have again changed.

FIVE POUNDS SUGAR FOR NEXT STAMP OUT OF RATION BOOK

War Ration Stamp No. 8 will be valid for 5 pounds of sugar during the 10 weeks, August 23 to October 31, E. H. Nesbitt, chairman of the Coryell County War Price and Rationing Board said Thursday.

This don't mean you can use more, but the scarce stuff has been packaged or packed in 5, 10 and 25 pound packages and this will help unload these. Don't let your sweet tooth get away just because you can get 5 pounds per at once.

Nos. 6 and 7 are still good for 2 pounds until August 22. You might like to know that, too.

ROY EVETTS HAS A STATEMENT FOR VOTERS OF BEAT 2

To the Voters of Beat 3: To any one I have missed in this campaign, please take this as a personal solicitation of your vote next Saturday.

To those I have already seen, let this be a reminder that I will still appreciate your vote and influence Saturday, August 22, and if elected I promise a service of my best ability to all.

Again thanking all of you, I am Sincerely,
ROY EVETTS.

"Machine Politics" Read This Then Vote Your Way

The Dallas Morning News, "Letters from Readers," has this to say from two readers:

"He" O'Daniel, "carried home counties of Sam Rayburn, Tom Connelly, Coke Stevenson, John N. Garner, by majorities; those of Lyndon Johnson, Wright Patton, Lindley Beckworth, Nat Patton, Clyde L. Garrett, George Mahon and Charles L. South by majorities; Hatton W. Summers, Luther Johnson, J. J. Mansfield, W. E. Poague, Paul J. Kilday, Martin Dies, Milton H. West by pluralities, according to the Texas Election Bureau." Letter by W. H. Bosworth, 2927 Maple, Dallas.

This is the "machine part"—but let's look at the dukedom of Duval county. In that county Allred received 2,500 votes, O'Dailed 50, and Moody 18. The return showed that other machine ridden counties such as Starr, Webb and Zapata were overwhelmingly for Allred." J. E. Quaid, 316 Capel Bldg. El Paso.

Is it men or machine? You answer that Saturday.

U. S. EMPLOYMENT SERVICE USDA BOARD BOOST PROGRAM

According to N. Foote, a plan is being worked out with the help of the U. S. Employment Service to provide farm help, and cotton pickers, if possible for farmers of this vicinity.

Plans have not been completed as yet, and Mr. Foote said further announcements will be made as to the operation within a short time.

RED CROSS ROOMS NOW OVER McCOY BUILDING

The local chapter of the American Red Cross has just moved to the McCoy building on East Main Street.

Our adviser says there is plenty of knitting thread and sewing material and workers are always needed. Give a little time, to the Red Cross.

J. T. Weaver who has been working at Freeport has returned to Gatesville.

Billions of words and probably millions of dollars have been thrown into the election promises of scads of candidates since July 25. The results have not been added as yet. We will know something, surely, Sunday.

In the headline attraction, O'Daniel, the present U. S. Senator has as his run-off opponent, James V. Allred, former governor and federal judge.

O'Daniel lacked a fraction less than 2% winning the race in the first primary and is due to be the "leading man" when the final vote is polled this second trip.

In the local fracas, nothing much has been heard, as in the other state races. Here are those "job hunters": Lt. Governor, J. Lee Smith and Harold Beck; for treasurer: Jesse James and W. Gregory Hatcher; Railroad Commissioner, (unexpired terms) Beauford H. Jester and Pierce P. Brooks.

County races, Commissioner Beat 1: A. M. (Bub) Berry, Leo M. Brown; Commissioner Beat 2, W. E. Holcomb, Roy Evetts; Commissioner Beat 4: Dick Payne, Oad Painter.

There you are, folks, be an American citizen and vote you own sentiments, without any prodding, inuendoes or dictation. Retain a little Democracy, anyway, the right to vote your own way.

LISTED YOUR BOY WITH THE NEWS? THEY'RE COMING

They're coming in fast. Folks are listing their "Men in Service" in response to the coupon carried in the News.

If you have not already done this, DO IT NOW!

We are trying to get a card catalogue of every man and woman in the service (any of them) from Coryell county. Our success, of course, depends on you filling out the coupon. If you are not a subscriber to the News, that is okeh too, we want to know about ALL of them, and have extra coupons at the office.

NORTH EAST WEST SOUTH

A SUMMARY OF WORLD, NATIONAL AND STATE NEWS

DIEPPE INVASION ENDS

London, Aug. 19 (AP).—Commando forces and tanks of American, Canadian, British and Free French, invaded and lambasted Germany's ironclad zone of coastal forts at Dieppe Wednesday and withdrew as planned after achieving an all-day assault on the enemy shore of the English Channel, something Hitler never dared to try.

NELSON MAD, THAT'S GOOD

Washington, Aug. 19 (AP).—War Production Chief Donald M. Nelson, obviously fighting mad and ready for a showdown on his administration of the war program, asserted Wednesday that "from now on anyone who crosses my path is going to have his head taken off." That's good, Donald, and you can start in Washington.

ACCEPT EVEN PAIRITY

Washington, Aug. 19 (PA).—Secretary of Agriculture Claude Wickard called on farmers Wednesday night to take the lead in breaking a price control log jam

by giving up a provision of the price control law prohibiting ceilings on farm prices at less than 110 per cent of parity. It's another good idea.

PAPERS "NO BILLED"

Chicago, Aug. 19 (AP).—A federal grand jury, after 5 days of investigation, Wednesday found no violation of law in an article estimating Japanese naval strength in the battle of Midway by the Chicago Tribune, the New York Daily News and the Washington Times Herald. All three are said to be anti-administration papers.

KRASNODAR JUNCTION FALLS

Moscow, Aug. 20 (UP).—The Red Army has evacuated Krasnodar, railway junction in the northwest Caucasus only 60 miles from the Black Sea naval base of Novorossisk, which has been under heavy German attack for several days, the Soviet high command announced Thursday.

PAY-AS-YOU-GO PLAN

Washington, Aug. 19 (AP).—

Treasury officials suggested on Wednesday that a pay-as-you-go income tax collections proposal might be modified so as to cancel part, but not all, of the taxes on 1942 income falling due next year.

POLITICS IN NEW YORK

New York, Aug. 19 (AP).—The New York democratic state convention met for an hour today and then adjourned until tomorrow in an apparently deadlocked struggle to name a candidate for governor precipitated by the divergent choices of President Roosevelt and his old-time political aide, James A. Farley. Happens in other states besides Texas.

FDR ORDERS TAKE-OVER

Boston, Aug. 19 (AP).—Acting on presidential orders, the army tonight took possession of a war-busy plant whose failure to obey a war labor board directive had created, Acting Secretary of War Robert P. Patterson said, "serious threat to production of vital war materials it manufactured."

SIDE GLANCES ON TEXAS HISTORY By Charles O. Hucker, University of Texas Library

It was in the summer of 1832, according to his own story of the incident, which appears in D. W. C. Baker's 'A Texas Scrap-Book' in the Texas Collection of the University of Texas Library. He and three other men were out after horses.

AD LAWRENCE AND HIS RIDE FOR LIFE

The thrill-a-minute races which appear in almost every cowboy movie are exciting affairs, as they are meant to be; but some of the real rides for life of American history surpass any ever imagined by a movie writer.

The four of them, some ten miles beyond the Trinity, came within sight of a heard of about a hundred mustangs grazing quietly in the tall prairie grass. They approached cautiously and were congratulating themselves on not having scared the horses when suddenly a hundred Indians leaped up out of the grass, mounted, and were after them in a screaming pack.

Indian Cunning 'I tell you,' Lawrence related, 'you've no idea how much an Indian can get out of them mus-

tangs. Instead of being a weight to them, they seem to help them along.' The Texans realized this sadly after three miles or so, when the Indians began to pull up close behind them.

Lawrence and his friends became even more uneasy about this time, as the Indians split up into two groups, some of them disappearing off to one side for no apparent reason. But suddenly the Texans came to a deep gulley which they couldn't cross, and they understood. They could imagine what would happen when they tried to circle the gulley and found half the Indians at the near end waiting for them. But they had no choice.

'Just as I came to the head of the hollow,' Lawrence went on, 'the Indians were within about one hundred yards, and yelling awfully. They thought they had us sure. I gave my mare the rein, and just touched her with my spur, and turned the corner with about fifty arrows whizzing about my ears.' He got around safely, and his mare stretched out magnificently for the race to come.

A 15-Foot Plunge

'Soon as I got headed right again,' he continued, 'I looked around to see what had become of the others. One look showed me. They were all down. About half the red skins had stopped to finish them, and the balance were coming for me like red-hot lightning.' The Trinity was still three miles away.

Lawrence's mare now began to puff heavily, and after another mile he pulled up to a stop, dismounted, and gave her a chance to catch her breath. About forty Indians were several hundred yards behind, and one lone rider was practically upon him. Having lost his rifle in the race, he pulled out his knife and waited. 'The Indian was game. He never stopped until he got within ten feet of me. Then he threw away his bow, jumped off, and came at me with a long knife like mine.' Half a minute later Lawrence was mounted and off again, the Indian lying dead behind him.

A fifteen-foot bluff confronted him on the bank of the Trinity, and he took it at one leap with mare. 'We both went under for a second; then she rose and struck out for the opposite bank with me on her back.' She got nearly across and then gave out; but Lawrence, while his savage pursuers, apparently not daring to follow his example, stood on the bank behind him and howled, swam the rest of the way to safety.

100 Years Ago in Texas 'Congress.—We regret that this body is so tardy in its proceedings. The country does not expect nor wish that it should pass many laws. But it does expect and hope that whatever is to be done should be done promptly. If retrenchment is to be the order of the day, the Congress should be the first to retrench in regard to its own expenses. What will it avail if three or four weeks are squandered in idle debates, relative to retrenching the government expenditures, when the expenses of Congress during this protracted session, may exceed all other expenditures for the civil departments. We are of opinion that the best measure of retrenchment Congress can now adopt, is to limit its session to sixty days, or less if possible.'—The Telegraph and Texas Register (Houston), December 8, 1841.

Washington, D. C.

WAGE STABILIZATION

You can write it down that the President will use his executive powers to keep wages in check rather than ask congress for any new legislation dealing with wage stabilization.

There are two reasons for this:

(1) Wage control legislation would be sure to stir up another bitter congressional controversy, as bad or worse than the brawl over farm parity prices. It might even require months to get both houses to agree on a bill satisfactory to the administration.

(2) The President believes that the policy proposed by the War Labor board's recent steel wage decision—limiting wage increases to 15 per cent over scales prevailing on January 1, 1941—plus additional rationing of consumer goods, will be sufficient for the time being to brake inflation threats to the working man's pocketbook.

Inside fact is that the War Labor board is contemplating only one further step in its wage stabilization program, and this is not so much an anti-inflation move as a concession to certain labor groups and a contribution to the prosecution of the war.

Wages in certain industries, including shipyards and tool-and-die plants, are above the 15 per cent increase ceiling set by the board. This raises the question—shall wages in these industries be brought down to conform with scales in other war plants which pay below the ceiling?

The answer is—there will be no reduction in wages. The President has decided definitely against this.

Instead, to prevent piracy and migration of workers away from vital war plants paying below the 15 per cent ceiling, the War Labor board is planning to amend its wage policy to permit the payment of 'premium wages' (above the ceiling) in such plants.

Note: One industry sure to be allowed 'premium wages' is aircraft, which has lost many workmen, by piracy and migration, to higher-paying shipyards.

NEW ARMY FOOD

To save shipping space, the army is sending food overseas in dehydrated form. Experiments in taste-preserving dehydration have been carried out and tested on a group of army cooks.

At the Chicago depot of the quartermaster corps, the cooks sat down to a meal of dehydrated foods, principal item on the menu being scrambled eggs made by adding water to a yellow powder.

It has been discovered that one pound of dehydrated turnips will serve 28 persons, after water is added.

BEHIND THE AIR CORPS

This war will be won or lost in the air. But despite that fact the air forces will win or lose the war on the ground. In other words, the success of operations in the air depends on ground crews, who outnumber air crews ten to one.

Featured in the headlines and the newsreels every day are the pilots and machine gunners. But the unsung heroes of this war are the ground crews.

Real fact is that it takes only one

man to pilot a fighter plane, but it takes eight or ten maintenance men to keep it in shape to fight. A four-engine bomber requires a flying crew of nine, and a maintenance crew of 25. Often a ground crew will be assigned exclusively to one plane, and will become attached to it with the affection a stable boy has for a race horse.

Chief of Staff General Marshall has revealed that the over-all strength of the air force is expected to reach 1,000,000 men by the end of 1942, and 2,000,000 by the end of next year. If the war is won in 1943, it will be won by these 2,000,000 men. But 1,800,000 of them will be 'fighting' on the ground.

They are the overall-boys, the grease monkeys, the men who spend all day overhauling an engine which has been flying all night, the men who know what heat is like in the deserts of Africa, because they don't get up in the air for relief, as do the pilots.

OVERSEAS CANDY

The quartermaster corps is in the market to buy 2,500,000 pounds of hard candy: peppermint, orange, lemon, lime, anise, and cherry.

The hard candy is being bought for overseas troops, as part of the regular field ration. Official explanation is that candy is an excellent source of energy.

AFRICAN CAMEL CREWS

They are the mechanics, the armorers, the metal workers, the welders—yes, and they are the pick and shovel men who build the landing fields in foreign posts, and repair them after enemy bombers have passed over. They are also the cooks and the mess boys, the pay masters, the doctors, and the truck drivers. In short, they are the men who perform every duty that keeps a plane in the air.

They do everything except replace the African camels.

Experience meats efficiency

After having served more than four years as Assistant State Treasurer, Jesse James was appointed State Treasurer last October by Governor Coke R. Stevenson to succeed Charley Lockhart who resigned because of failing health. His experience, proven qualifications and appointment to a partial term entitle him to be elected by an overwhelming vote to a FIRST FULL TERM on August 22.

Jesse James Will Try at all Times

Girls' Service Organization Is Formed Here

On Monday, August 17, forty girls met at the USO to form a Girl's Service Organization to aid in serving the men who have left their homes and are sacrificing their personal plans to aid U. S. during this emergency. The name of the organization was not decided upon, and any soldier may submit a name before September 1. To the soldier who selects the name will be given a free, 3 minute telephone call anywhere in the United States.

The following officers were chosen: Katie Spradley, president; Betty Joe Stewart, vice-president; Johnnie Belle Coskrey, secretary; Evelyn Treadaway, treasurer.

Wives of Enlisted Men Honored at Informal Tea

On Tuesday, August 18, eight wives of enlisted men and wives of the members of the Lions Club made a trip through the State Juvenile School for Boys after which they enjoyed an informal tea at Raby Park. The USO deeply appreciates the Lions and their wives making this social possible, and it is of inestimable value to the wives who are now making their homes in Gatesville. There was a spirit of informality, friendliness and fun.

Former Coryell County Couple Marry in California

On August 15 Miss Wanda Coward, daughter of Mr. and Mrs. J. R. Coward of Jonesboro, became the bride of Herman C. Glass, son of Mr. and Mrs. O. Glass of Levita, at the First Methodist Church in San Diego, Calif. Rev. George R. Warner officiated.

Both Mr. and Mrs. Glass are Gatesville high school graduates. After a short honeymoon to Tijuana and other parts of Mexico they will make their home in San Diego.

Minnesota Girl Marries Camp Hood Soldier

Wednesday evening at 8:30 Miss Katherine Blair of Duluth, Minn., and Staff Sergeant Robert E. Ronning of Duluth, Minn., were married at the home of the officiating minister, Rev. E. L. Craig.

The bride was lovely in a printed silk jersey frock and used white accessories. Her corsage was of white gladioli arranged with a red, white and blue ribbon.

Sergeant and Mrs. Roger Holt were the couple's only attendants.

After "seeing Texas," the couple will be at home in Gatesville. Sgt. Ronning is with the 634th T. D. Bn., Camp Hood.

Church Services

CHURCH OF CHRIST

A cordial and friendly welcome is extended to service men and their wives, to all soldiers, and to all in Gatesville to attend our services at Tenth and Saunders streets. We believe that God the Father, and Christ the King can, and will, give unto us all that come unto them the spiritual rest, the peace of mind and the courage, the consolation, and the inspiration which we so sorely need in these days of uncertainty and unrest.

Come and worship with us. "Ye shall know the truth, and the truth shall make you free."

Freeman, Spencer Rites Solemnized Saturday

Miss Leota Freeman, daughter of Mr. and Mrs. W. P. Freeman of Pearl, and Alton Spencer of Purmela were married Saturday night, August 15, at the home of Rev. Lawrence Hayes, the officiating minister.

For the ceremony the bride wore a navy blue dress with white accessories. Her corsage was of pink gladioli. For something old, she chose a wedding ring given to her grandmother in 1869, and for something borrowed, she wore her sister's pearl necklace.

The bride's only attendant was her sister, Miss Dene Freeman. W. T. Spencer, brother of the groom was best man.

Following the ceremony a reception was held at the home of the bride's parents.

Pink tapers burned in candelabra at either end of the bride's table, centered with a three-tiered wedding cake.

Mr. and Mrs. Spencer will make their home in Purmela.

Fegette and Bunnell Families Gather for Reunion Sunday

The Fegette and Bunnell families met at Mother Neff Park, Sunday, August 16, for their annual reunion. The day was cool and pleasant and all enjoyed meeting old friends and relatives. ALLRED CONFIDENT OF VICTORY IN RUN-OFF SATURDAY

Confident that he will emerge victorious in Saturday's run-off primary, James V. Allred was bringing his campaign for United States senator to a close this week with renewed appeals for all-out support of the war effort, through election of a real war senator.

Dan Moody's formal announcement that he was supporting Judge Allred was the most encouraging development of the week for the Allred forces.

Allred declared, "Supporters of Governor Dan Moody have come over to our camp almost 100 per cent. And others who voted for other candidates in July are changing their vote now. I have yet to hear of one who voted for Jimmie Allred switching over to the other side."

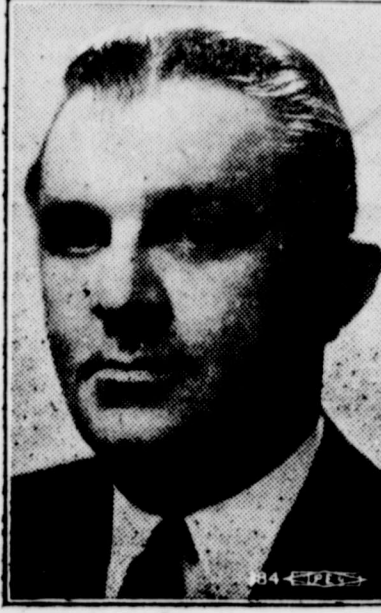

The former governor has had an especially big response on his pledge to work for "real parity" prices on farm and ranch products, including a 25-cent floor of cotton prices for the duration. Allred has declared that immediately after his nomination he will go to Washington and tell national leaders that anything less than 25 cents a pound for cotton is "unthinkable" anything less than fair and equitable prices for all farm and ranch products is unjust.

tuted at the expense of the aged folk, the blind, the dependent children and the teacher retirement fund.

Sen. Beck supported the anti-violence strike bill, but does not pose as the hero of the legislative action, because all other members of the state senate voted for the measure.

Tommy Carlton of Los Angeles, Calif., is visiting in the Emmitt Stewart home. Tommy and his mother, Mrs. Ruth Carlton, are former residents of Gatesville.

BECK QUALIFIED BY EXPERIENCE FOR LIEUT. GOVERNOR

Based on his unquestioned record of supporting all legislation in the interest of the people, Sen. Harold Beck of Texarkana seeks the office of lieutenant governor in the run-off primary this Saturday.

When Coke Stevenson became governor, relinquishing the lieutenant-governorship, members of the state senate unanimously elected Sen. Beck president pro-team, pending election of a new lieutenant governor in the primaries.

Beck is known as the type of legislator who gets things done with a minimum of oratory and none of the hand-waving, chest-pounding eloquence that frequently wastes time and delays passage of vital legislation.

Sen. Beck's pledge is to work closely and cooperatively with the governor. Beck is confident that history will repeat itself, through the people giving him first place in this year's run-off.

While the senator is for economy in state government, he has made it plain during the campaign that economies must not be insti-

OAD PAINTER HAS A STATEMENT FOR VOTERS OF BEAT 4

To the Voters of Beat 4:

I desire at this time to express to you my appreciation for the many favors shown me during my campaign and while I have served you as commissioner.

I am glad to report that Beat 4 does not owe a dollar and is in the best financial condition in its history.

If you feel that the experience that I have had together with my first hand knowledge of the many trying problems with which the county is now confronted leaves me in a better position to serve as your commissioner then I will deeply appreciate your vote and a kind word in my behalf in the election Saturday.

Sincerely yours,

CAMP HOOD'S

Men with the Colors!

Like Father, Like Son in OCS No. 4; Hooker and Hooker

Major John C. Hooker of South Carolina (station) was a member of the first Officers Orientation Course, and now comes John C. Hooker, Jr., of OCS No. 4 who was only one brief week in Gatesville before he was summarily transferred to Camp Hood.

Hooker, Jr., may not be the sharp shooter that his pop is, but if he's just half as good, he's going to be sending them far and wide over Hitler, Mussolini, Hirnito way and it won't be nice.

Young Hooker was a corporal in the army when he was selected for the OCS and with a background like he has, he'll probably be tops in officers parlance when the "Lucky Thirteenth" is completed. The OCS is 13 weeks long. Good luck, father and son. N. B. Major Hooker was a captain when in Gatesville in the OCS.

igan. The OCS Command is increasing the load of the 2½ ton trucks as a means of saving rubber. This makes it possible to carry 25 men in the trucks instead of 17 and each 150-man class can be packed into 6 trucks instead of 9.

638th TANK DESTROYER BATTALION NOTES

(By Pfc. E. R. Leonard)
The battalion enjoyed a hilarious fun feast in Marlin last week end. Feature of the visit was a dance held at the Falls Hotel and sponsored by the Marlin Chamber of Commerce. From all indications, we will probably find several of the fellows returning to that fair land of hospitality in the future.

HAS A WORD FOR IT—Confronted with the question of "Who were you with in Marlin," S/Sgt. Lee of Company "A" exclaimed to his wife: "Oh! She was only a guide."

OUR LATEST INSTRUCTOR—Any one desiring lessons in driving can now be instructed by Pvt. Frey of Company "C". For reference consult Captain Parks. Frey is the latest to cross lines with Pvt. Frey, emerging on the short end of a score of "to much to nothing."

KITTY, KITTY, KITTY—M/Sgt's. Cox and Tilley in a recent field problem came upon the prettiest little black and white kitten they had ever seen. Both decided that their tent needed a change and so decided to adopt the cat. Well, there was a change alright, for "Stinke" as he was named, turned out to be a pole cat.

Gossip, Scandal and Stuff—Pvt. Frank Stowe of this battalion is the latest to become united in the holy matrimony of marriage. Also recently married were, Sgt. Blake-man, Sgt. Griffith, and Sgt. Kent. Our congratulations fellows. What well known photographer of Headquarters Company is still brooding over a batch of no good pictures? "Anybody seen Kelly?" seems to be the cry from Waco. What prominent young man of Company "B" was caught Sunday trying to sing "South of the Border" to some lovely specimen of Mexican femininity. And with that, Adios.

ROSES & RAZZES

534th TD Bn.
By Cpl. Gronet
This last week end the 634th Battalion enjoyed the hospitality of the citizens of Cameron. The soldiers owned the town, it was open to them. Cameron being a wet town, the boys didn't loose time and they had it dry by Sunday morning. The soldiers behaved themselves as gentlemen in an orderly, peaceful and military

He also amassed a total of ten strikeouts.

Also sharing the spotlight was powerful "Red" Kock, who blasted a rifling line drive to deep center field that went for an inside the park homer with the bases loaded. It was "Red's" first start of the season.

Bright spot of the evening for the 606th club was Higgin's line drive triple to left field with two men on to account for all their tallies.

Congrats! Turnersville. Boxes of home-made cookies have been coming to the USO for four weeks. Soldiers have extended their appreciation for this fine spirit of cooperation. Plans are being made to entertain 50 soldiers at a time for the week end in Turnersville. No one comes in for special credit for this nice work—it's community wide!

Lights are on! Bathroom practically ready! Service Station moving out! USO spreading out! Things are coming to a head at USO. Signs have been put out on highways! Drop by citizens and see what's being done.

Sunday guests? O. K. prone USO. We've got 'em and you can get 'em. Remember your boy, or your neighbors may be a long way from home, too.

Join the Pick 'em Up Club, Get a soldier off his feet, and give him a lift. Leavin' town for the week end, then give 'em a life, wherever.

Civics may be invited to participate in some activities held in the Service Center at "Hood." At least they are planning.

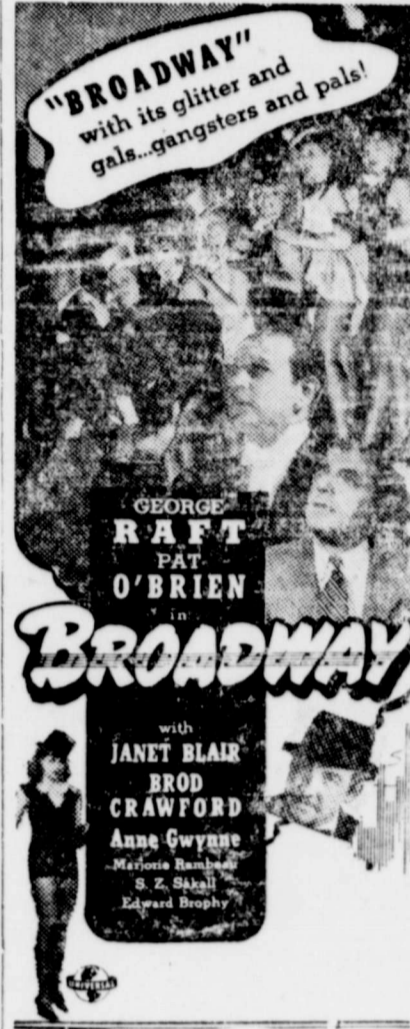

New USO Clubs will soon open under direction of different agencies: Lampasas, National Catholic Community Service; Copperas Cove, Jewish Welfare Board; Killeen, Jewish Welfare Board; Belton, Salvation Army. Plans are underway for forming a USO area council.

That is all for now.

638th WINS SOFTBALL CHAMPIONSHIP OF CAMP HOOD

By Pfc. E. R. Leonard
In a play-off for the alleged softball championship of Camp Hood, the 638th Tank Destroyer's emerged victorious over the 606th club by a score of 9 to 2.

It was the 638th's ninth consecutive victory since losing their seasons opener to the Gatesville Ramblers. Included in this string of wins are such teams as the strong McGregor Blue Bonnet's and the China Springs club.

As usual it was the fine hurling of "Suzy" Suwalkowski that held the spot light as he did not allow a hit or run until the final frame.
