## Two From Here Get Three Years: Didn't Heed Uncle Sam

Judge Charles A. Boynton of Waco Federal Court delivered a verbal spanking to members of Jehovah's Witness sect, when he sentenced them Friday to 3 years imprisonment each for failing to report for induction after drafted.

He told them he couldn't understand how they could allow their neighbors and their neighbors' sons to fight for the country which protects the religious liberty of their sect, and then try to get out of fighting for it themselves.

As to their plea that they were ministers, Judge Boynton told them that testimony showed that everybody who joined the sect considered himself a minister and further declared that the law exempting ministers from the draft referred to regularly ordained pastors. They had given their occupation as farm laborers.

The two sentenced from this county were Marvin and Marvel Stockton.

## It's Started! Army Moved In! Others, Out!

Another mass migration has started!

Saturday, or, at least this weekend, soldiers have moved into the Ewing district near the school ground, or on it, and yesterday, we saw the army trucks moving, and they were not "passing the ammunition". No, it was corn, farm implements and other impedimenta used by all good farmers of Coryell county.

Eventho, so far, no announcement has been made as to when the cantonment would start, but, surely, it won't be long now!

## Straight "A's" Given Everybody In School Friday And Saturday

This business is all mixed up. Schools all over the USA handed out "A's" Friday, Saturday and Thursday." More of us made "straight A's" than every before. We usually got "C's", "B's" and were sometimes lucky to get "D's". However, it was ALL Straight "A's", and the first "Honor Roll" we ever made.

And to add to this screw New Deal, all of us are now going to try to get a "B" or a "C" card or something more; might even end up with a "Z".

You just never can tell what will happen with the New Deal Administration, or Misadministration.

The whole story, of course, refers to the registering for Gasoline Ration Books, and the actual Rationing, we predict, regardless of the so-called squawks being made, will go into effect December "worst".

## Thousand Visit New Hospital On Opening Day: Patients, Dec. 1

Patients will have to be patience, that is, until about 12-1-'42, when the Coryell County Memorial Hospital will really get down to business and start accepting patients,—that's the approximate date.

Anyhow, more than 1,000 will know what they're getting into when they get in the hospital, because just a little more than that number have seen the beautiful, and we don't exaggerate, hospital.

If we know our equipment, which we don't, but that's just about the finest equipped hospital we've seen, when you talk about physical equipment. They have even done away with the bell and buzzer systems, and you just lift the receiver and yell "Nurse" bring me some candy! Imagine, you won't get it.

Take off a couple of minutes and go on down and look this new business over. It's quite something.

Mr. and Mrs. John Webb had their Thanksgiving dinner early this year in order to have all their children together again. Those present were PH3 and Mrs. Wesley Webb and Mr. and Mrs. Lorraine Webb and Rita Kay.

Mr. and Mrs. A. L. Rodie of Chicago came Friday and visited the Rodie's mother, Mrs. R. S. Farmer. They are spending this week in Goldthwaite visiting with their daughter and sister, Mrs. V. C. Bradford.

Mrs. Tommy Davis and son and Miss Gladys Marie Phillips of Stephenville spent the week end with Miss Phillips' parents, Mr. and Mrs. Jack Phillips.

# Hornets End Season In Blaze of Glory Downing Bulldogs 6-0

## CAPTAIN DAVIS, GARTMAN COPELAND STAR FOR GHS HORNETS

It was not 40-0 and it was not 14-7, but it was SIX TO 0. It was "curtains" on a very successful 1942 football season, and barring one bobble, which we know the boys are not proud of, the season was grand. Stars twinkled Friday night, but they were also on the gridiron.

Captain Davis, the most consistent Hornet player of the season, finished the season in a blaze of glory. He went when others didn't. He called a good game, and played heads-up ball the entire season. Part of Davis' success has been due to that "good Old Hornet Line" and also, nice work by Boynton, Lengefeld, Thomas and Henderson who have done unusually good blocking for a GHS club.

But, all the honors on a football team don't go to one man, especially when there are 11. Whittenberg and Williams, and the latter more spectacularly, have been powers on offense and defense this year, Williams sparking brilliantly on interceptions, and also has picked out a number of passes out

of the air.

But, the other men in that "old Hornet Line", pivoted by Fry, an outstanding center, if we've seen one this season, both on offense and defense, and right along with him, Gartman, the Hornet's ace Tackle, who has shown in every, yes, every game of the season, and if there's an All-District Tackle, it's Gartman. Powell and Morgan have held down the other post, and you can safely say, "they ain't bad" all of which, means they were excellent.

On the other side, Copeland and Edwards have made that "balanced line" which was necessary to make the line a line, and Edwards, not a showy or sensational player has nevertheless, been a smooth working lineman, that has showed extremely well in many instances. Copeland, too, has to be handed poses, and, playing on his toes Friday night, and stepped out and made a good name for himself, covering fumbles, and has the entire season, been mighty close to Gartman. Picking out individuals is young on this club, and we certainly don't want to overlook Lengefeld's play, some a little erratic, but for the most part, on the up and up, and, then there's Henderson's punting. Early season, he wasn't the best, but that toe has been educated, and he, along with Boynton have been booting them in the air unusually well for this class football. Henderson also doubles, or triples with Boynton and Painter, south-paw passer, and they've been good.

But, here's the game:

McGregor receives, and Davis holds while Whittenburg kicks, ball going to Spradley on the 20, returns to 35. Spradley makes 3, but penalty kills. McGregor loses 5, backfield in motion. Johnson makes 3 at LT. Ball called back, Hornets off side. Spradley receives, fumbles and recovers on 20, losing 7. Jenkins kicks to Lengefeld on the 40, taken back to the 37 by big Riley.

Davis takes on weak side for 5. Hornets lose 5, too much time. Henderson passes, intercepted by Spradley on 40, returned to 45.

Johnson picks up 3, but there is a 5 yard penalty against both, and Jenkins goes to the 38 for 1st D. and 13 yards. Jenkins hits LG for 4. Next play, ball recovered after fumble by Copeland.

Davis makes 2 at right side, then 5 more. Hand back Davis to

Lengefeld makes 7 and 1st D. on McGregor 47. Boynton passes long over Lengefeld, Davis picks up 2 stopped by Riley at C.

Davis takes at Rt. E. for 4. Penalty refused by Bulldogs, backfield in motion. Henderson fumbles but kicks to 26 from 40.

Handback, and Jenkins makes 2. Guinn fails to go. Johnson carries on next play for 1 at Rt. G. Jenkins punts from 30 to Lengefeld on 35, spins and returns to 37. ## MAKING THE MOST OF YOUR LIGHTING

(No. 3 of a Series)

## Eliminate Colored Bulbs

Amber-orange and flametint bulbs in round or flame shape give a mellow, amber lighting effect, but there is a considerable loss in light to obtain it. Replace them with inside-frosted lamps of the same wattage and you'll get a lot more light from the same amount of current. It's a good idea, too, to see that bulbs are equipped with shades to prevent glare and to direct light where it is needed. We'll gladly help you in any way we can to make the most of your lighting.

### For Home Study . .

. . . an I. E. S. Better Sight Study Lamp equipped with a 100-watt bulb provides abundant, soft, glareless light that helps youngsters finish their lessons quicker and easier. Get one for your child today. Better light means better grades.
