

Legislators Introduce Bills: More 'Spenses!'

AUSTIN, February 3. (AP)—The Legislature's first house bills introduced today, 24 days after the session opening. Speaker Durwood Manford told the House Committee Chairmen to call organization meetings to speed bill processing.

Some Bills: To create a board to manage state hospitals instead of the Board of Control. Appropriate \$3,600,000 for the University of Texas to take over the Southwestern Medical College in Dallas. To create a committee to recommend election law changes.

Here We Go Again: 'Nother Norther Comin'

By The Associated Press
A moderate cold front is scheduled to hit the Texas Panhandle late tonight. The weather Bureau said it would be mild compared to the norther which set Central and South Texas record lows the early part of this week. (Note:—Gatesville's official low was 6 below zero, and the snow is reported to have been from 5 to 7 inches.)

Joe's "Peace Maneuver" Not To Disrupt Plans

WASHINGTON, D. C., Feb. 3. (AP)—Diplomats see the U. S. warning it will allow no Russian "peace maneuver" to disrupt the growing Western unit in Secretary of State Dean Acheson's rejection of Stalin's declaration that he was willing to meet Truman. President Truman is expected to endorse Acheson's statement, indirectly accusing Stalin of playing international politics. Acheson blamed Russian "obstructionism" in the United Nations and elsewhere for the present world condition.

Gov. Jester Asks Confirmation

AUSTIN, Feb. 3. (AP)—Governor Beauford H. Jester today asked the Senate to confirm the appointment of H. T. Johnson of Waco to the State Board of Public Welfare; also H. H. Coffield, Rockdale, and Warren Bellows, Houston to the State Prison Board.

Governor Beauford Jester Congratulates 13th Stork Derby Parents and Winner

Governor Beauford H. Jester of Texas has written the parents of the News-Merchants Stork Derby Contest, Mr. and Mrs. Carl Lyle Chambers of Box 417, Gatesville, a letter congratulating them on the birth of their son, Ronald Carl Chambers, 1949 Stork Derby Winner.

The letter reads:
EXECUTIVE DEPARTMENT
Austin, Texas
February 2, 1949.

Mr. and Mrs. Carl Lyle Chambers, Box 417, Gatesville, Dear Mr. and Mrs. Chambers: My friend Mat Jones has sent me a copy of his fine publication, The Coryell County News, and I note that one Master Ronald Carl Chambers was the winner in the annual Stork Derby at Gatesville.

"I want you to extend my congratulations to this young man, at such a time he will appreciate them. In the mean while, I want to express my sincere congratulations to you.

Very sincerely yours,
BEAUFORD H. JESTER

That's a nice gesture from Gov. Jester, and we're certain Ronald Carl will treasure this by putting it in his "baby scrapbook" or his mother will.

NTSTC Concert Band Gets "2nd Bid" For Concerts: On Tour

Appearing here Monday, Feb. 7, The North Texas State College's Concert Band will play four concerts in "repeat performances" where they have appeared before.

These are the Victoria Musical Festival, Keene, Luling and Gonzales.

Maurice McAdow, director of the band is a graduate of Illinois Wesleyan and has done graduate study at the American Conservatory of Music in Chicago, and has 8 years professional experience,

Lt. Grover C. Martin To Be Reburied Here Today In Restland

Lt. Grover C. Martin, Jr., 25, who was with the 8th Airforce as a navigator during World War II will be reinterred today in Restland cemetery.

He was wounded on a flight over Munich and died before reaching his base on the eve of his 25th birthday. He was awarded the Air Medal for meritorious achievement and courage while participating in heavy bombardment mission, and was a holder of the Purple Heart and two other decorations.

He volunteered January, 1943 at Memphis, and was a graduate of both Gatesville High School and A and M holding a CE degree.

He was a son of Grover C. Martin and the former Miss Eppie Perryman, and was born July 13, 1919 in Coryell County. He was a member of the Methodist church and was married September 29, 1942.

Services will be held at Scott's Funeral Home, Gatesville, today, with Rev. J. W. Sprinkle conducting the services. Morton Scott & Son, Funeral Directors, in charge.

Surviving are his wife, Mrs. S. H. Sandifer, Richmond, Virginia; his mother, Mrs. Grover C. Martin, Sr., Gatesville; a daughter, Darla Joy Martin of San Antonio; two sisters, Mrs. John T. Dyche, Gatesville; and Mrs. Ray R. Ward of Lafayette, Ind.

Pallbearers are Cloyce Duncan, Harold Jones, Jim Miller, Pat Hollingsworth, Jack Straw and J. R. Colgin, Jr.

Taxes Coming In Nice For School-City: Better'n Expected!

City Secretary Eiland Lovejoy reports the percentage of collection of city-school taxes is 93.33 percent, which is good.

The City's part of this is \$29,755.89 and the school got \$37,685.51.

principally in Illinois high schools.

Both classic and popular numbers are included in the program and four soloists will be featured.

Elaine Johnson and Reva Hackney, both of Gatesville, are in the clarinet section of the band which is composed of students from Nebraska, Tennessee, Oklahoma, Missouri, and of course, Texas.

February 16 and 17 Set As Dates For Texas' First Town Inspection: 25 Field Men Here

Fieldmen who are insurance experts will number probably 25, when Texas' First Town Inspection is made of business and residential property in Gatesville, in a fire prevention program sponsored by nearly everybody and headed by a special Fire Safety Council charmaned by R. D. Foster, Sr.

Outlining the events, Walter Plangman, director of Public Relations for the Texas Insurance Advisory Association of Austin, outlined the planned inspection which begins at about 9 a. m. the 16th with headquarters in the Fireman's Recreation Center in the City Hall.

The field men, accompanied by members of the Gatesville Volunteer Fire Department and a Boy Scout will thoroughly inspect all the business places in town, and homes, and each will be given a booklet showing what is needed to be done, and told definitely, that nothing has to be done, and that items marked in the book are only suggestions, but, for each property owners' good.

Mayor Kermit R. Jones and the City Council will be asked to cooperate, as will the merchants in giving space for window posters.

At some time during these days, or before, as will be announced, a special film on fires will be shown at the schools and "Home Inspection Blanks" will be given to the children to be taken home and be filled out by the parents.

Planned, too, is a "mock" fire, at which local fire equipment will be used, and this will probably be done on the town square.

Theatres will be asked to use "trailers" giving publicity to the

fire safety campaign, and KCLW Hamilton-Gatesville is being urged to use spots and "program breaks".

Out of town prominent guests will be invited, including State Fire Marshall, Eugene Saunders of Austin, and Lee Harrington, Fire Chief of Waco.

Insurance trade publications will have representatives here, and since this is Texas' First, wire services and daily newspapers have been invited to either send representatives or to use local newsmen as their sources.

After the town inspection a follow-up program will be instituted, to see what, if any of the recommendations have been carried out.

Thursday noon, 17th, there will be a luncheon, open to the public, at which time, Clarence Kelly will be the speaker and State Fire Marshall Gene Saunders. Byron Leaird McClellan will act as toastmaster, and the Boy Scouts will be guests. Tickets will be 75c.

Here with Mr. Plangman, but from Dallas, were Judd Stiff and Clarence Kelly, who assisted in explaining the program.

Members of the Fire Safety Council include besides the chairman are: Dawson Cooper, Mrs. Frances Powell, Dorothy Culbertson, Mrs. Wade Sadler, Mrs. Floyd Zeigler, Byron Leaird McClellan, Jack Straw, Rev. J. W. Sprinkle, Crawford Scott, R. G. Davidson, John F. Post, Paul Hensler, Sherrill Kendrick, Ernest Cummings, B. K. Cooper, O. D. Bates, Raymond Ward, and Mat Jones.

BENEFICIARY PRESENTS "DIMES" TO DRIVE CHAIRMAN

Larry Headrick, son of Mr. and Mrs. Walter Headrick of Gatesville, one of Coryell County's "Polio" victims, who recovered, is shown here presenting Mrs. Lucille Brown his 1949 contribution to the March of Dimes.

We hear that the quota is \$4,000 or rather that amount is needed if a similar polio epidemic hits Coryell County in 1949, and it's no worse than it was in '48.—Photo by Hite Studio.

"West Texas Today" Has "Mesquite Story" In January Edition

In the January Issue of "West Texas Today" published by the West Texas Chamber of Commerce with headquarters at Abilene, published this story about the "World's Largest Mesquite Tree".

The article reads:
"Largest Mesquite Is Near Gatesville"

"Coryell County claims the world's largest mesquite tree. The tree is located near Flat, a few miles from Gatesville. Its circumference at 4 1/2 feet is 40 feet 9 1/2 inches; its spread is 65 feet; its height 60 feet. Some of the larger limbs which spread out to 75 feet were broken off in a recent high wind.

"In 1883 when Charlie and Andy Smit settled in Coryell County the tree on their place was being eyed for its unusual size.

"Real fame came to the monster tree in September of 1940 when the American Forestry Association recognized it as the "World's Largest Mesquite" and gave it a place in the Hall of Fame of Trees in Washington, D. C."

Mr. and Mrs. Rex Lee, Mr. and Mrs. Lewis Schange and children spent the week end in the home of Mr. and Mrs. Raby Lee of Hubbard.

Billy Potts of A and M College spent a few days here with his parents, during the mid-term exams.

Mrs. Humphrey Presents Her Play At First Baptist Church, Oglesby, Feby. 8

Mrs. George C. Humphrey, wife of the head of the Department of Bible of Baylor University will read her play, "I shall Live On", at the First Baptist Church of Oglesby, Tuesday afternoon, February 8, at 2:00 p. m.

Mrs. Humphrey was graduated from Stephens Junior College and received her A. B. degree from William Jewell College in Missouri. She has done work toward a Master's degree in English.

Mrs. Humphrey is the mother of three children, 2 girls and a boy. Much of the play is drawn from her own experience as a wife

and mother. "I Shall Live On" is the story of a young bride who tries so hard to please members of the church where her husband is serving his first pastorate. She thinks her efforts have failed, however, when the Deacons advise her husband that "he had better resign, because his wife is not friendly enough, and besides, she tries to monopolize the piano."

The play expresses all the joys and tribulations of an average family.

All the women of Oglesby are invited to hear Mrs. Humphrey.

Weldon Fowler, was a week end visitor with his parents Mr. Mrs. Oscar Fowler.

Engagement Of Helen Johnson Announced: Wedding February 19

Announcement is made today of the engagement and approaching marriage of Helen Marie Johnson, daughter of the late Mrs. Minnie Johnson of this city, to George James Hickins of Port Arthur, Texas.

The ceremony will take place Saturday, February 19, at 6 p. m. at the First Methodist Church in Gatesville, with the Reverend J. W. Sprinkle as officiant.

Miss Johnson has chosen Mrs. Ray Byrom as her matron-of-honor and Bert Campbell will serve as best man.

An invitation is extended thru the press to friends and relatives of the couple to attend the wedding.

The bride-to-be is a graduate of Gatesville High School and for the past six years has been employed with the E. I. Du Pont Nemours and Co. at Orange, Texas.

Mr. Hickins graduated from A and M College and for the past four years has been employed as traveling engineer for the state of Texas for Westinghouse Electric Company of Houston.

The couple will make their home in Beaumont, Texas.

Surviving are his wife, Mrs. Otto Culp of King, Mrs. Laura Sharp of Bronte, a half brother, Edgar Culp of Gatesville and a sister, Mrs. Hugo Haase of Pidcoke

The copy desk is said to have been devised by Charles Dana.

Clarence A. Morton, Pastor FIRST BAPTIST CHURCH

Services Sunday at 10:50 a. m. and 7:00 p. m. with the pastor in the pulpit. The Training Union Meets at 6 p. h. and after the evening hour of worship, the young people meet for Youth Fellowship.

Due to conflicting dates in the school, the Sweetheart Banquet date had to be set for Wednesday night, February 9th. Because of this the regular Wednesday night schedule "All Church Night" will be held on Tuesday, February 8th. This change is just for this week and next week we will go back to our regular time.

At prayer meeting hour Tuesday night at 7:30 all Sunday School Training Union and Woman's Missionary Union officials, deacons members of the special committees, Choir members and Block Missionaries are especially asked to be present or this meeting. The pastor is teaching the book: "How to Win to Christ" and this week is discussing the topic of winning through visitation and enlstment.

The church is looking forward to the Spring Revival March 6th to 13th with Dr. Harry Lee Spencer of Brownwood preaching and Mr. Gale Dunn of Dallas leading the singing.

Stewart-Thomson Vows Are Read In Sunday Ceremony

In a beautiful setting at the First Methodist Church, Gatesville, Sunday evening, January 30, 1949 at 3:00 o'clock, Miss Patti Ruth Stewart, daughter of Mr. and Mrs. E. L. Stewart, became the bride of Tommie Thomson, son of Mr. and Mrs. L. K. Thomson, both of Gatesville.

Reverend J. W. Sprinkle, pastor of the First Methodist Church, performed the single ring ceremony.

The bride, given in marriage by her father, wore the traditional wedding dress of white satin, styled with marfuesite yoke, and fitting waist length sheering in front. The full gathered skirt, and double bustle fell into a chapel length train with a finger-tip veil of illusion, orange blossoms and embroidered seed pearls. The bride carried a crescent shaped bouquet of white roses centered with orchids.

For something old and borrowed the bride carried a handkerchief belonging to Granny Post. For something new a string of pearls given her by the groom, and for something blue she wore blue garters, and a coin in her shoe.

Wedding music was furnished

Chess Club To Be Reorganized

Coryell County Chess Club met February 1 to reorganize the club which was disbanded during the war. The club is for the advancement of interest in the game, and is free, and Evan J. Smith gives us this information.

Some of the local players are Dr. K. R. Jones, Dr. Wendell Lowrey, Dr. Otis C. Ray, Byron Leard McClellan, Mel Catlin, E. A. Dunam, Jack Straw, Erle Powell, Don Saunders, Albert Dickie, F. F. Chamlee and R. G. Davidson.

Martha Ann Davidson, student of North Texas State Teachers College is spending a few days with her parents and friends.

by Miss Orpa Mayo, for the prelude, the organist played "I Love You Truly" and "Holy, Holy". The soloist, Billy Clay McClellan sang "At Dawnig", and "Through The Years".

Serving the bride-groom as best man was T. L. Copeland; Miss Carolyn Stewart, sister of the bride, served as maid of honor; dressed in a light blue dress and carrying a bouquet of light pink roses, with lace gloves and head dress.

Miss Lola Beth Wright, Gatesville, and Miss Betty Brann of Hamilton, acted as brides-maids, both were dressed in bronzed satin gresses and a bouquet of talisman roses was carried.

Tommy Carlton and Billy Chamlee lighted the candles, and ushers were Carl Gandy, Dan McClellan, Tommy Carlton and Billy Chamlee.

The church was beautifully decorated with cathedral candelabra and palms, with white satin forming the background. Aisle cloths were placed in both aisles and immediately before the altar.

Miss Stewart is a graduate of Gatesville High School, and attended Texas University, she was a member of the Delta Cappa Gamma Sorority, and also the Literary Society of the University. At the time of her marriage she was employed with Powell Supply Company of this city.

Mr. Thomson is a student at A and M College and will receive his degree in June. He is also a graduate of Gatesville High School.

For going away the bride chose a navy blue gabradine suit with accessories of navy; with white gloves and white jersey blouse, and a corsage of orchids.

After a short wedding trip to South Texas Mr. and Mrs. Thomson will make their home in College Station until he has received his degree in June.

PTA Monthly Meeting To Be At Junior Study Hall February 17, 1949

The regular monthly meeting of the PTA will be held in the Junior High School study hall, with Mrs. Floyd Ziegler presiding over the business session.

A very grand musical program will be presented by the High school choral club, directed by Miss Mamie Sue Halbrook. Also a debate from the Speech Department will be a part of the afternoon program, their topic of discussion being "The Home A Democratic Unit For World Peace".

The mothers are reminded that the nursery department, in the Homemaking Building will be open to anyone desiring to leave the children there. This nursery is under the direction of Mrs. John O. Potts, and the children will be cared for and entertained by the Homemaking Girls.

MRS. W. E. GATLIN ENTERTAINS FRIENDS

Friday evening, January 14, Mr. and Mrs. W. E. Gatlin of 310 Fennimore St. were hosts to a group of friends with a dinner honoring Pvt Lynn Phillips of Fort Bragg, North Carolina, who was spending a few days here with his parents.

A delicious dinner was served the following callers: after which games were played: Sallie Jean Gatlin, Billy Jo Gatlin, Jim Phillips, Melita Mildred McBride, the honoree Lynn Phillips and the hosts, Mr. and Mrs. Gatlin.

Colonial newspapers made little or no profit because readers failed to pay their subscription rates.

Ten Schools In Or Six More Possible: That's Annexation!

As near as we can get, there are now ten schools which have already "signed" to become a part of the new Independent School District, which, seems to be in the cards. Superintendent L. C. McKamie said Wednesday evening that only five or six more were expected.

So far, there are the names of the schools which have so far "signed the pledge": Leon, Big-ham, Woodward, Hay Valley, Enterprise, Spring Valley, Stringtown, Slater, Davidson and Plain view.

Others are expected momentarily, and, as was said in the first meeting on the subject, "speed is essential".

Gatesville 'B' Hornets Bowed Out To Camp Hood 32-22 At Gym Here

The local 'B's' outplayed Camp

Hood the first quarter, ending it 1 point in the van, 7-6, but the Hooders came back and the half time count was 12-15; their lead was kept thru the third and fourth, ending 32-22.

FEBRUARY						
SUN	MON	TUE	WED	THU	FRI	SAT
		1	2	3	4	5
6	7	8	9	10	11	12
13	14	15	16	17	18	19
20	21	22	23	24	25	26
27	28					

Levi paced the visitors with 10 counters, and McCarver bagged 16 for the locals.

Starters: Camp Hood—Levi, Harding, Richardson, Fry and Blainsten. Gatesville—McCarver, G. Davidson, Gilmer, Hightower, and Galloway.

The Sunday supplement to newspapers became popular in the 1880's.

"This Week," a Sunday supplement, first appeared in February, 1935.

Hornettes Stop Cubettes Easily In Clifton Friday Night

By Hammil
GHS Hornettes stopped Clifton Cubettes in a game at Clifton Friday night, the count was 50-13.

The count kept skyrocketing at every quarter, and the score by periods was: 13-2; 25-5; 39-11 and 50-18.

Pederson was high for Clifton with 12, while Lengefeld flipped in 20 for the locals.

Starters were: Clifton—Danz, Wilcox, Pederson, Anderson, Jergenson and Mateson. Gatesville—Lengefeld, Necessary, Blackman, Necessary, Nottingham and Martin.

Hornets Take Second From Clifton Cubs And Close Play With Them

By Hammil
Gatesville Hornets stopped the Clifton Cubs, easily, in their second meeting with them, but the Cubs played a much better game this time, due to the fact, probably, that they were on their own court. The Hornets forged into the lead in the first, that period ending 12-3, and almost doubled their lead in the 2nd, the half ending 23-8.

BONES

By Hammil
GHS Hornets, after defeating the Cubs last Friday night can rest until tonight, when they meet the Waco Tech Trojans at the local gym.

The Techs went down under the McGregor Bulldogs 45-22 last Friday night. And so far, it is a tie between Waco Tech and McGregor for 2nd place, altho McGregor seems to be the stronger.

The Hornettes easily defeated the Clifton Cubettes last Friday night at Clifton with Lengefeld sinking 20 tallies for the locals.

Thursday night, the Hornet 'B' team was defeated by Camp Hood 32-22 with McCarver being high for the locals with 16 counters.

The County Girls' Basket Ball Tournament sponsored by Mrs. Cloyce Duncan got under way on Tuesday evening. Gatesville met Oglesby at 6:30 Tuesday; Pearl-Evant at 7:30 and Jonesboro-Turnersville, 8:30.

Wednesday night games were Gatesville-Oglesby loses vs Pearl-Evant; Gatesville-Oglesby winner vs Pearl-Evant winner.

Saturday night will be the finals, and Gatesville is picked to be second best, but the locals believe differently.

At the third, they'd run it up to 37-13, and kept on until the final, when it was 56-16.

Schmidt was high for the home club with 6, and Roberts sacked 11 counters for the Hornets, for high. Cotton Davidson played a bang-up game on defense.

Starters: Clifton—Canuteson, Hansen, Gouldman, Langseth, and Prince. Hornets—Davidson, Anderson, Knapp, Bradley, Roberts.

This is a diesel ... a modern locomotive that means better service to you.
Leaders of two unions think it's a feather-bed ... a "make work" grab that means less service to you.

● Leaders of unions representing railroad engineers and firemen seek to force railroads to add extra, needless men on diesel locomotives. This is sheer waste—a "make-work" program which would mean fewer improvements and higher costs—for YOU!

Railroads use modern diesel locomotives because they are one of the means of giving faster, better service to you.

Two men compose the crew of a diesel. They occupy a clean, comfortable cab at the front. The engineer handles the throttle. The fireman sits and watches the track ahead. With no coal to shovel, he has practically nothing else to do.

No Benefit To You
Now the leaders of the Brotherhood of Locomotive Engineers and the Brotherhood of Locomotive Firemen and Enginemen want to use the diesel locomotive as a means of forcing a feather-bedding scheme on the railroads. The extra men they propose to add to the diesel crews are not needed. There is no work for them.

The union leaders are fighting among themselves about which union should furnish these extra, needless men. The Brotherhood of Locomotive Engineers have even threatened a strike. You may not be interested in this dispute of these two unions, but you would be vitally concerned if these groups succeed in putting through this feather-bedding scheme, because it would mean a slowing up of the improvement program of the railroads—of which the diesel is the outstanding symbol. Diesel crews are among the highest paid

railroad employees—real aristocrats of labor! Their pay is high by any standard. Granting of these demands, therefore, would mean that the railroads would be paying out millions in unearned wages to those in the very highest pay brackets.

We'd Like To Spend This Money On You

You know how much the diesel has meant to you in increased speed, comfort and convenience. The railroads have many more of them on order for even greater improvement in service to you. But needless drains of money, such as this present demand of the unions for needless men on diesels, reduce the ability of the railroads to spend money on better service for you.

Proud as the railroads are of the diesel, it is only a small part of their improvement program. Since the War, literally billions of dollars have been spent on improvement of

tracks and stations, on new passenger and freight cars, as well as on diesel locomotives, and on the many other less conspicuous details of railroading that contribute to improved service.

Feather-Bedding Means Less Service To You
But brazen feather-bedding schemes like the one now proposed would, if successful, divert large sums of money from our present improvement programs. Even worse, they make improvements like the diesel worthless, by making the cost of their operation prohibitive.

These demands are against YOUR interests—as well as those of the railroads. They are schemes to "make work". Neither you nor the railroads should be forced to pay such a penalty for progress.

That's why the railroads are resisting these "make work" demands to the last ditch—and why they are telling you about them.

January 28, 1949.

Dear Friends:

This has been one of those weeks where the record reflects very little activity but where there has been a great deal of work. From my standpoint much of this work has been in the Agricultural Committee.

This morning the final organization was completed, and I was named Chairman of Sub-Committee Number One. There are three sub-committees. On my Committee my associates will be Congressman Abernathy of Mississippi, Albert of Oklahoma, O'Sullivan of Nebraska, White of California, Andresen of Minnesota, Hill of Colorado, and Cotton of New Hampshire. The last three are Republicans. Messrs White and O'Sullivan are new men. Mr. White was born in Temple and lived in both Bell and McLennan Counties before moving to California.

We have held both morning and afternoon sessions every day this week working on the 1949 cotton program. Today our Committee recommended a bill which will eliminate 1949 from any cotton base that may be adopted in event of quotas in 1950. If this bill passes, no one will gain anything in the way of future allotments by planting cotton in 1949. Old growers will be considered to have planted their 1942 allotment in 1948. New growers will have to receive their allotment out of the reserve that is set up for that purpose by the present law. We think this will tend to reduce the amount of land planted to cotton in 1949.

It is extremely important to keep 1949 plantings as low as possible because there can be little doubt that we must have cotton acreage allotments in 1950 if we are to maintain our present price supports. I am definitely in favor of supporting the price of basic commodities at not less than 90% of parity whenever the producers are willing to reduce their production. Production controls will not be placed in operation with-

out an affirmative vote of the producers themselves.

Assuming these controls are voted for the 1950 crop, the size of the carry-over from 1949 will be a very important factor in both the price and the acreage for 1950. Should we grow another bumper crop in 1949, the price would be forced down not only this year but for years to come as it was following 1937. In addition, the acreage allotments for 1950 would of necessity be greatly reduced.

I think that another factor of importance in the cotton picture for 1949 is the support price on other crops—particularly grain sorghum. The Secretary of Agriculture has power to support grain sorghum at 90% of parity, but is not required to do so under the present laws. A loan rate of less than 90% of parity would actually increase the planting of cotton. I have urged him to announce a 90% support for grain sorghum and am very hopeful of prompt and favorable action.

I have also been working on the question of an export market for our domestic oils. I discussed this matter two weeks ago. Since then I have met with both Secretary of Commerce and the Secretary of Agriculture. They both claim to want to let more cotton seed oil move. We did get the release of a substantial amount of oil shortly after we began this agitation. I think we should get all restrictions as to the sale of American oils to friendly countries removed. It is, of course, necessary for the government to say where these oils can be sold as long as world conditions are as they are, but I can see no reason why America should be denied the right to sell American oil on the world market, which is about twice as high as the African market, so long as there is a surplus in the United States. The drop in the price of cotton seed oil has not been followed by any appreciable saving to the consumer of vegetable shortening or cooking oil, but it has resulted in a drop of 50% in

You are invited to attend all of these services.

The first newspaper cartoon in America was that of the divided snake, with the caption reading "Join, or Die."

the price of cotton seed, and if nothing is done, we will open the cotton seed market next year at less than \$50 a ton, or a three hundred and fifty to four hundred million dollars loss to the farmers of the South, to say nothing of the effect it will have on the hog and soy bean growers.

The first big fight on labor legislation has already started in the Labor Committee, but I have no opportunity to attend any of the hearings which are now in progress. That Committee had at first announced no hearings would be held, but I am glad to report they have reversed that policy.

With best wishes, I am
Your Friend,
W. R. POAGE.

GHS HORNETS MEET WACO TECHNICAL HIGH SCHOOL TONIGHT: GIRLS FINALS SAT.
 Tonight, Gatesville steps out in another conference game which will interrupt for one evening the tournament being carried on for the girls at the gym.
 Gatesville meets an apparent easy club in Waco Technical High School on the home boards, and it's due to be a "substitute" game for most part.

ACA Announces There Will Be Allotments On Peanuts For 1949

"As most peanut farmers know" Coryell County ACA Committee,

GIRLS TOURNAMENT STILL IN PROGRESS: BRIEFLY, HERE'S THE RESULTS SO FAR

Opening the series, Gatesville met Oglesby, and the count was 48-16, with Lengefeld really connecting, and she looped 11 field goals and shot 6 free ones, while McKelvain was high for Oglesby 3 field and 2 free.
 The same evening, Evant downed Pearl 28-19, with Lemmer for Evant hanging up 6 field goals, and Patterson for Pearl getting 4. Jonesboro stopped Turnersville 38-24, with Myers getting 8 the hard way, and Hale 5; Brown got 3 fields and Sadler the same for Turnersville.

states N. Foote, Chairman of the "there will be acreage allotments on the 1949 crop of peanuts". These allotments have been approved for Coryell County and notices of such allotments will be mailed to the operators of each farm having an allotment for 1949 within the next few days.

Farmers are being mailed prior approvals to eliminate cedar as fast as they have a preliminary inspection made on the cedar they intend to cut. During the past few days approvals on this practice have been issued to D. M. Eakin, E. F. McKinney, C. H. Graves Estate, H L Anderson and Joe V. Martin. Since January 1st the Coryell County ACA has issued prior approvals on eliminating cedar to approximately 160 farmers amounting to over \$10,000.00. Farmers who plan to cut cedar between now and May 1st of this year should make their requests now so the cedar can be inspected when the ACA fieldmen are out in that part of the country.

GSSB Boys Get Keys, Car And Get: Not Got: 2 More Out, Making 2 Out

Complicated isn't it! Well, 2 GSSB boys got out early in the week, broke into A. H. (Red)

Oglesby 35, Pearl 11, with Ross of Oglesby getting 20 points, and McKelvain 10. Patterson for Pearl and Gardner 2 each.

Gatesville beat Evant 22-9, with Lengefeld high with 3 field and 5 free, and Lemmer got 3 field and 2 free, in a low scoring game, with only two field goals made the first half. Defensively, the game was a standout, with both Evant and Gatesville tall guards giving their opponents a fit.

Thursday night, last night, Turnersville met Evant and Jonesboro took on Gatesville.

Former NEWS Carrier Is Co-Sports Editor Of A&M Paper, "The Battalion"

COLLEGE STATION, Feb. 2.—(Spl.)—Robert William (Sack) Spoede of Beaumont and John William (Bill) Potts of Gatesville have been appointed sports co-editors of The Battalion, daily student newspaper at Texas A&M College. The appointments were effective February 2.

Spode is a senior studying history. Potts, also a senior, is a business and accounting student. Both have been members of the Battalion sports staff for many months. Potts is also a member of the Texas Sports-Writers' Association.

Billy, or Bill, as he is now known, was formerly a News carrier boy while he was in high school in Gatesville and is a son of Mr. and Mrs. John O. Potts, of Gatesville.

McCoy's used car office, got the box of car keys, selected a '49 Ford, and drove off. Car found 3 miles east of McGregor. Boys gone.

Two Mexican boys got out on Wednesday night and were caught in the rear of Dan McClellan's War Surplus Store by the dogs, in the rear.

Johnny Morrow Says Combine For Recreation Program

Johnny Morrow, well-known football official and head of the Waco Recreation Program advised Gatesville Lions to combine with schools and other organizations in working out a joint recreation program for Gatesville and Coryell County.

This has been advocated by this newspaper for years—to no avail. Among the facts presented was that 15 billion spent for crime last year, and 9 billion 360 million for recreation, which can be in many forms, from violent athletics to stamp collecting, music, chess and the restive arts and recreations.

He suggested school plants be used in summer, with coaches and other recreation officials working out a well-rounded recreation program with the cooperation of a "joint committee" or board from every organization. Included in this could be the American Legion Junior Baseball, which goes from district to regional, state and on to national championships, similar to the Golden Gloves in Boxing.

Mrs. Pauline Smith of Richmond, Virginia is visiting in the home of her parents, Mr. and Mrs. M. D. Allen of Flat.

Jo Ann Bailey, student of Texas University was a recent visitor with her mother, Mrs. Clyde Bailey in Gatesville.

FANCY LAMB

Glenn Bragg, Talpa, Texas, 4-H Club boy is happy about the \$7.50 per pound that Raymond dated Vultee Aircraft Corp. (P) Buck, Fort Worth attorney, paid Wire photo.

The Principles of AMVETS

We, the American Veterans of World War II, believing that we bespeak the mind of the American men and women who bore arms, fought, and died for a free America and a free world, do hereby declare:

I. That our national leadership must assert itself through cooperation with the leaders of all nations who accept and practice world peace as a national policy to the end that common principles be established for the settlement of international disputes and the abandonment of power politics as the world level in order that no nation be permitted to breach the international peace.

II. That we are determined that this final opportunity for the avoidance of another world war, which would result in the extinction of civilization, shall not be lost by individual or collective greed, ignorance or indifference.

III. That we shall not fail the trust of developing mutual confidence and understanding within our Nation and between America and the other nations of the world to the end that all men may live in peace and be responsible members of an enlightened family of nations.

IV. That we accept our paramount obligations and duties as American citizens, and adopt the basic principle that the best interests of all the American people are superior to any group or organization within the national political, economic or social structure.

V. That the objectives of the four freedoms must be made a living precept for all peoples and all nations.

VI. That we shall not discriminate between veterans because of rank, service, sex, race, creed or political affiliation and that we shall honestly and effectively represent all veterans.

VII. That we shall not front or permit our organization to be used as a front for any individual, group, party, movement, or "ism".

VIII. That our unparalleled industrial achievements during the war, accomplished thru the combined efforts of industry and labor and cooperation between them, must be continued without interruption.

IX. That industry and labor both have a paramount duty to the American people to re-establish the faith of the American people by denouncing and removing from the ranks of industry and labor all professional racketeers, labor haters, labor baiters and agitators, regardless of what names they go by or what positions they occupy.

X. That the "free" world press must also be an honest press and that only through the honest, impartial and unslanted dissemination of news can internal wounds be healed and the problems of the world be understood.

XI. That American veterans be given a decent opportunity for employment so that they may re-establish themselves as thrifty, in-

dustrious, self-respecting and worthy citizens of the American community.

XII. That we deplore the wasteful extravagance of human and material resources in war and that we dedicate ourselves to a program whereby part of the national income will be devoted to the development of means by which future wars may be made impossible and that ignorance and disease will be abolished.

XIII. That the deep obligation, appreciated by the American people, to those disabled in the war be maintained so that all things necessary to care for and assist them will be done so long as that may be necessary.

XIV. That those who made the supreme sacrifice will be preserved in memory through living memorials in the form of additional recreational and educational facilities, so that no American shall lack opportunity for adequate education and a healthy mind and body.

XV. That there be maintained such military training programs, and adequately equipped active and reserve components of the armed forces as may reasonably be necessary to insure that this Nation shall never again be vulnerable to attack or invasion.

XVI. That this country shall lead all

peace-loving nations in such military and scientific techniques as may be required to preserve and maintain the peace against any future aggressor nation or nations.

XVII. That we shall resist by whatever means are reasonably necessary any attempts by enemies from within or from without to undermine or destroy the democratic principles upon which this nation is founded.

XVIII. That by eternal vigilance on the part of all Americans, we will preserve for ourselves and our posterity our heritage of peace and freedom.

XIX. That public office is a public stewardship and trust and must be administered as such.

XX. That it is our responsibility as citizens to exercise our voting franchise, and to elect and to maintain in office men and women of personal and public integrity.

XXI. That we will stand with any man who is right, but part with him when he is wrong.

XXII. That we, The American Veterans of World War II, believe in the America which we fought to preserve, in the men and women who have made it great and who will make it greater. In this faith we will seek fullest development of the spiritual, mental, physical, economic and human resources of the Nation.

To these ends, we AMVETS, The American Veterans of World War II, do dedicate ourselves so that there may be freedom, liberty, justice and opportunity for all. This we will do in this cause of mutual assistance, THIS BY THE GRACE OF GOD.
