"FUSTEST WITH

THE MOSTEST"

## little 'g' gatesville, Texas

Well, the rodeo's history, the 90th leaves this week end and Father's Day is the 19th, Sunday.

Let's look at the situation.

The rodeotricians worked so hard handling the records, prizes, money, etc., that there's no information available this early Monday morning on the show. That's typical of a 'weekly' town.

Then, the 90th paraded, and we saw a total of 33 citizens at the show. They leave this week end.

And, Father's Day is June 19th, Sunday, and so is Juneteenth. That's a double-take for the Negro fathers—hard luck in any case—two events one day.

As for father, if he sent off his checks to pay his bills the 10th, then, they'll come bouncing back around the 19th and the Old Boy'll be in some really hot water by that time. He gets it regularly. Ask any 'pater'!!

Now what! Onliest thing we know of is the three-day clean-up fix-up which is scheduled this week. We went back to our March Advertising service to get something to go with this 3-month late promotion.

Suppose, after these events, those lucky enough to take a vacation will be off and some of them already are. We can't see one in the foreseeable future, but since we dont deal in futures one might bob up. Who knows?

Did hear that Monday noon some of our Waco friends were over here in the interest of a Kiwanis Club, which weve thought for years might be a good thing for Gatesville. Competition is the life of trade, and with all due respect to the Lions, of which we were a charter member, we do think they need some competition. They already have, with the Jaycees, C-C and some of the up and coming ladies clubs. Competition keeps any business or civic organization on its toes.

"If we had everything we wanted we wouldnt like what we had"

This is a quote, too, partial: "Few enterprises, if any have a more valid claim on the loyalty of a neighborhood or community than the traditional home town newspaper, yet the gusts and eddies of latter day change carry to this treasured institution a crisis in current operation as well as foreboding of extinction. The attack is three fold and they

### CLEAN-UP DRIVE DUE HERE JUNE 15-16-17

It has been announced that Clean-Up Daze here are June 15-17, and trash, rubbish (dirt dust and grime are due to go, as well as weed-infested lots. It's a C-C deal, by the civic development committee.

A county truck and crew have been arranged for to pick up the trash, and it will follow the city garbage collection truck Wednesday,

Thursday and Friday, hauling off plenty.

Wednesday Westview Addition and the Negro residential section will be covered; Thursday, south Gatesville and Friday, north Gatesville.

The cleanup helps prevent fire, health, safety, and improvement of property as well as citizenship.

### 90th DIVISION PARADE "WALKON" FOR SPECIAL GUESTS SATURDAY A. M.

Seven thousand or ore TOs paraded before some 100 civic leaders from the home town units in the division, ending their 2 day visit via plane from Amarillo, Marshall, Corpus Christi and Harlingen.

Notables in the reviewing stand Norman Storm Col. Al Hopkins, included Mayor McNeil, Judge all of Gatesville.

Other VIPs were Lt. Paul Free-Lt Gen. Edward T. Williams, Maj. Gen. Stanton Babcock, Maj. Gen. Earl Rudder, M-Sgt. Garcia, Mr. McCall president AUS, Col. Wilmoth Maj. Gen. Edward G. Farland, C O Ft. Hood, Brig. Gen. Mr. Evert V-P AUS Brig. Gen. Kidwell Yesterday it was back to William J Sutton, Ass't Div. Com. work for the 90th and they'll return to their home communities on June 18.

### NEW VEHICLES REGISTERED

Morton Scott & Son '60 Chevy pickup.

Read the label, Mable!

have to contend with a rising level of costs, encounter the competition of radio and television and the competition of city papers which, more and more, are extending circulation and advertising activity into suburban and rural areas.

Loss of a local newspaper can rob a village of its sense of unity and demote it from the status of a community to that of a mere 'wide place in the road.'

### NEW ASSIGNMENT FOR ME. IN GATESVILLE DISTRICT

Gatesville District of the Methodist Church has had these assignments made to it, Coryell County only.

Evant, Bruce Baker; Gatesville, First Church, A. K. Marney; Gatesville Circuit, Wayland Bratton; Ireland Circuit, Wesley Jones Turnersville-Jonesboro, Fere Little; Mosheim-Cayote, M. W. Stewart; Oglesby, Henry Radde; Pidcoke Circuit, Bennie McBryde.

### Amarillo Newsmen Here To Cover 90th Parade Sat.

Mike alley of The Amarillo Globe-News and Ray Cullen of KGNC-TV Amarillo, were among the many newsmen here Saturday covering the parade and activities of the 90th Infantry Division.

They flew down with VIPs from Amarillo and vicinity, and the planes landed at Gray Air Base. They returned early Saturday afternoon.

### COMMISSIONER'S COURT BUYS NEW EQUIPMENT

At a meeting of the Commissioner's court last week they bought 4 pieces of equipment for precinct 3, and one for pct. 1

For pct. 3 two 8 to 10 yd. hydraulic dumps, for \$3030 with no trade-in from Hobbs Trailer Co. in Ft. Worth.

Also 2 Chevy trucks from Powell Chevrolet Co. for \$7286 with trade-in. For Pct. 1 a one half ton Ford pickup from Miller Motor Co. for \$990 exchange.

Read the Label, Mable.

### GRAND JURY NAMED 34 FELONY INDICTMENTS EVERYTHING ELSE OKAY

Sheriff Cummings finally rounded them up—the Grand Jury!!

Some didn't show for reasons and were excused by Judge R. B. Cross, but they finally got 12 tried and true, and here they are: Ted Brumbalow, foreman, Crs. Edwin Bradford, W. G. Hale, Mrs. Amos Comer, Mrs. Betty Schaub, Mrs. Louis Powell, Bill Smith, Keith Brooks, Ed Magee, Frank

Door Bailiff is Fred Cayberry Morgan, Jim Miller, A. T. Hull Jr and riding Bailiffs are Eric Sharp and George Hodges.

34 indictments were turned in by the Grand Jury: SSBs Bruce Kennard, James P. Smith, Robby Gene Whitfield, Gene Kestner, and Larry McMillan, escaped April 17 and are charged with trussing up Lyle Waddill and stealing \$7 from him. Others Manuel Villegas, theft over \$50, Frank Knapcar: Roger W. Buckles, theft over \$50 a pickup Jan. 17; Richard Lenn Smith, burglary of Levita school

Four Coryell Countians, 2nd offense DWI, names withheld pending arrest.

Burglary filed against Leon Alton Despain, Dallas, charged with robbery of Elementary school and Oglesby School Nov. 19

Forgery and passing against Henry Stillwell and George Brake, Kenneth S. George charged with theft of Larry McMillan's car.

Others: theft over \$50 cars and little, Geo Bryant, James P Smith Robby Whitfield, Gene Kestner, Bruce Kennard, Larry McMillan, Derol Warsham, Leighton Thomson Cobb and Rex Bennett.

Forgery and passing, Mary Margaret Murphy, robbery, D. Frank Braldy, and John William Willis, Jr., Others have not been apprehended or arrested.

The report to Judge Cross was practically the same thanks to the Judg for his 27 years on the bench and his recognition thruout the state for efficient and able way he has handled the affairs under his jurisdiction: Thanks to the sheriff, bailiffs, Supt. O. F. Perry or SSB, and that he and staff were doing an excellent job under the circumstances, but the opinion that conditions there are crowded, and there would be fewer escapes with more authority and a reasonable amount of work by the SSBs. Commended Highway Patrol and other law enforcement officers for keeping down crime in county noting that there was not one major criminal case. Inspected both jail and SSB, and were favorably impressed with the operation of both.

### MARRIAGE LICENSES

Claude K. Moehlman and Charlotte Ann Derrick

John Frederick Wensorski and Rita Joy Lee

### RODEO PARADE WINNERS GARDEN CLUB: B. S. PHI NATIONAL GUARD

In Gatesville Jaycees Rodeo the Gatesville Garden Club took down 1st prize, Beta Sigma Phi 2nd, and The National Guard, 3dr. Prizes were \$50, \$30 and \$20

## Co. Agent News

Grasshopper infestations are heavy in some areas of the county. This pest is small now but is growing rapidly. They are infesting range or pasture land at the present time.

During the presnet stage of growth, the grasshopper is fairly easily destroyed. After they become larger, effective control becomes more difficult. So to protect your ranges and crops, now is the time for control measures to be taken.

Grasshoppers can be contolled with Aldrin, toxaphene, and dieldrin. These insecticides may be applied as dusts, sprays, or bait. The sprays give higher initial kill, continue to kill over a longer period and require less insecticide per acre. Emulsifiable concentrates and wettable powders and dusts are obtainable from insecticide dealers. Emulsified concentrates and wettable powders should be diluted with water to suit available spray equipment. Emulsions are less likely to clog nozzles than wettable powders.

Dosage recommended follows: Dust-2 1-2 per cent aldrin, 20 per cent toxaphene, 2 1-2 per cent dieldrin Apply dust at the rate of 10 to 15 pounds per acre. Spray per acre: One half to 1 pint aldrin(2rb) One third to two thirds pint dieldrin (1.5 lb.) 1 qt. Toxaphene (6 lb) Bait mixture: 100 pounds bran 10 to 12 gallons water Add either 2 ounces aldrin or 1 lb. Toxaphene. Spread wet bait uniformly by hand at the rate of 20 lbs. per acre. PRECAUTIONS: All the insecticides recommended are poisonous to man and animals, but the diluted sprays are not dangerous to handle if ordinary precautions are followed. Follow directions of the manufacturers. Remove cattle from treated area for 15 days after insecticide application.

## With The Colors

CAMP WOLTERS

Army 1st Lt Donald J. Johnson whose wife Arlene lives in Lawton, Oklahoma, completed the 16-week officer rotary wing aviator course at the Primary Helicopter School, Camp Wolters, on May 19, 1960.

The course is designed to train Army officers in helicopter flying techniques and in the employment of rotary wing aircraft for observation missions.

The lieutenant is a 1951 graduate of Cranfills Gap High School and a 1953 grad-

## LIBERTY LADIES CLUB

The Ladies Club held its first meeting with Mrs. Ernest Smith, May 24. It was the first time that many of the members had visited in the Smith home.

Mrs. Smith, who loves the country and everything connected with it, had her floral decorations of wild flowers. One very attractive arrangement was one of white yucca and scarlet wood cypress that were placed on each side of the massive fireplace.

Another of her attractions was the bedspread in the south room. It was an heirloom quilt fashioned of diagonal squares, its piecing and quilting masterpieces of perfection.

Mrs. H J Billingsley announced these future meetings: Hostesses for June: Leona Billingsley and Katherine Calhoun July: Mrs. Clovis Belvin and Mrs. Ralph Perryman. August: Mrs. H. J. Parrish and Mrs. Albert Ledenham. Sept. Myrtle Perryman and Grace Elam October Mrs. J. Frank Blair and Mrs J B Sanders November Ms. Milton Brown and Mrs. J. O Winslar The Christmas party will also be in the Milton Brown home. Jan. Mrs Geo Parrish, and Mrs. J. W. Laxson, Feb. Mrs. Herbert McCayer, and Mrs C. C. Onstott March Mrs. L. A. Brewer, and Mrs. H. J Billingsley April: Mrs. Ernest Smith. The Ladies Club quilted for the hostess

The dining table was laid with an ivory cloth of Juaker lace over mahogany. The appointments were silver and crystal. Refreshments of sandwiches, pick-and fruit punch was served to 19 ladies, fruit jell-o with cream, cake, ladies and 4 children.

Mrs. Smith was assisted in her hostess duties by her neighbors, Mrs. Ernest Coston and Mrs. Marvin Winningham.

The next meeting will be with Mrs. H. J. Billingsley, June 14. Those present at the Smith meeting were Mesdames: H. J. Billingsley, J. B. Sanders, L. C. Perryman, Ralph Perryman, Bess Brown, Milton Brown, Gayle Calhoun, Clovis Belvin, E. Smith, Albert Ledenham, J. O. Winslar, Herbert McCayer, M. L. Winningham, Ernest Coston, George Parrish, Clifford Onstott.

Miss Grace Elam, Dianna Mil-sap, Connie Stewart, Darrell and Ronnie Perryman.

## DULUTH MINN. PUBLICITY

The U. S. income tax was 47 years old Feb. 25. Does anyone want to sing happy birthday to the joyous occasion?

When it was born in 1913 few people foresaw how the tax would grow. It started with a nibble of one to six per cent. Now it gobbles 20 to 91 per cent!

The result has been eating up savings and capital and stunt the growth of national economy.

Pennies coined by the U. S. mint are made of 95 per cent copper and five per cent tin and zinc.

uate of Texas A & M College. Lt Johnson is the son of X John M. Johnson Rt 1, Jonesboro

## IST CAVALRY DIV., KOREA

Sergeant 1st Class Jayvee Head, 32, whose wife, Christine lives in Copperas Cove recently participated with other personnel from the 1st Division's 8th Cavalry in an Army training test in Korea.

The test, conducted under realistic combat conditions to determine the unit's efficiency, involved defensive action against a simulated enemy force.

Sergeant Head, who arrived overseas last August on his tour of duty, is assigned to the Cavalry's Company C. He entered the Army in November of 1947.

His parents, X James B. Head, live at 611 Locust St. Piggot, Ark

YEAR AROUND  
COMFORT

*Automatically yours*

with **ALL-ELECTRIC HEAT PUMP**  
indoor climate control

An all-electric Heat Pump in your home sets the stage for carefree comfort all year long. On hot days, it removes heat from indoor air and pumps it outside to keep you comfortably cool. On cold days, the Heat Pump automatically reverses itself. It extracts heat from outdoor air (even in below freezing weather) and pumps it inside your home to keep you comfortably warm. You just set the thermostatic controls *once* and enjoy springtime year around. You'll like the cleanliness of the Heat Pump, too. Dust and pollen are filtered out, and, because the Heat Pump is all-electric, there's no smoke or soot to soil your walls and curtains. Come in and get the full story about the versatile Heat Pump soon.

H. A. (Buddy) BIFFLE District Manager

Dr. C. D. JOHNSON HONORED FOR 28 YEARS SERVICE AT BAYLOR UNIVERSITY

BAYLOR EDUCATOR HONORED

TEXAS AP SUPPLEMENTAL SERVICE

WACO, Tex., June 2, (AP) — Tribute is paid Dr. Charles D. Johnson as time draws near for him to relinquish chairmanship of the Department of Sociology at Baylor University.

He has headed the department since 1938, and will give up executive duties at the end of this school year under the university's retirement rule.

Vice President Abner V. McCall praised Johnson for his work at Baylor, and announced his appointment to the rank of Distinguished Professor, explaining that Johnson will continue to teach certain advanced courses.

"Dr. Johnson has given 28 years of service to Baylor University over a period of 37 years," McCall said. "And that service has been marked by the upmost devotion and the most dynamic creativity. He has earned the respect and admiration of all as a teacher, writer, editor, scholar and Christian gentleman."

McCall cited these accomplishments of Johnson at Baylor:

Founding the Baylor School of Business; founding the Department of Journalism; securing the charter for the first professional fraternity on the campus; founding the first scholarship fraternity; founding the first social organization for women students; founding the first alumni magazine; converting the campus newspaper from a weekly to the first daily publication; instituting the first Journalism Week which became the present Southwestern Journalism Congress; founding the Southern Literary Festival; and writing the first authentic history of Southern Baptist schools.

"Few men in the history of Baylor University have been so versatile, able, untiring, or effective in their efforts, not only in behalf of Baylor University and its students but of the Baptist denomination of Texas and the South and the educational causes of the nation," McCall

Dr. Charles D. Johnson, above, has been honored by Baylor University official for his 28 years of service. Dr. Johnson, who will soon relinquish chairmanship of the department of sociology, has been named a distinguished professor and will continue to teach certain advanced course. (AP Photo).

A native of Mississippi, Johnson first joined the Baylor faculty in 1922 as chairman of the departments of Sociology and Public Discourse. He left Baylor in 1933 to serve three other southern colleges in executive capacities for nine years. He returned to Baylor in 1938.

Dr. and Mrs. Johnson, the former Miss Claude Eager, a writer and musician, live on a tree-shaded street near the Baylor campus. Their only son, Charles Eager Johnson, is a Baylor graduate, a veteran of World War II, and a business man of Monticello, Ark.

MRS. TEXAS WINS CAKE BAKING CONTEST FORT LAUDERDALE, Fla.

(AP)— Mrs. Texas scored points toward the Mrs. America contest by winning the first round in a cake baking contest Tuesday night.

Mrs. Texas, who is Mrs. Betty Cutbirth of Brownwood, baked a lone star cake to win the award.

Mrs. Oklahoma, Mrs. Mary Jane Mason of Tulsa, won the laundry contest.

## Miss Doloma Chappel Is Honored With Tea In Verne Perryman Home

Miss Roloma Chappel was honored with a tea Saturday, May 21, in the home of Mrs. Verne Perryman. Miss Chappel was the bride-elect of Billy Sam Marlin.

Greeting the guests at the door was Susan Perryman. Receiving the guests were Mrs. Perryman, Miss Chappel, Mrs. Jack Chappel, mother of the bride-elect, Mrs. Lane Marlin, mother of the future groom, Mrs. Sallie Watson, grandmother of the future groom, and Miss Sally Marlin, sister of the groom.

Guests were served cake by Miss Charlotte Mitchell and Miss Sandra Basham served punch. The tea table was decorated with a white floral arrangement centered with a miniature bride and groom. The brides colors of green and white were carried out in the table arrangement.

Mrs. John Henry registered the guests. Others in the houseparty were Miss Sharon Chappel, Mrs. Dean D. Meeks and Mrs. H. P. Brookshire.

## OBITUARY

### SAMUEL WELDON MANNING

Samuel Weldon Manning, 27, died at Inks Lake June 12. He lived at Copperas Cove.

He was born Nov. 19, 1933 near Killeen and his father was Arnold Manning and his mother was the former Miss Athlee Cox. He was a member of the Church of Christ.

Services were held June 13 at 4 p. m. at Scott's Funeral Home and interment was in Restland Cemetery.

Surviving are his parents, X Arnold Manning, Copperas Cove; a brother, Audrey Lee of McNeil; 3 sisters, Mrs. Nelda Courtney and Mrs. Relda Stellner, both of Copperas Cove, and Mrs. Belva Jean Ayers, McNeil.

## FREEDOM VIA COLLECTISM

The current series called a debate on National Purpose in Life Magazine is worth reading for a look at the ideas, good and bad, competing for the American mind. Perhaps it is encouraging that at the first we are exposed to the worst.

For certainly anything that comes later will be an improvement on Adlai Stevenson's formula that American interests are too individual that there must be more public responsibility by which he means more government!! Thus he says we can present to the world a convincing working model of a free society.

In short the new sense of purpose we are supposed to buy is the old collectivist cry of letting government reorder our society, taking more of our private income and spending it as political officials believe is in the public interest!

Our oncestors had a purpose. Oppressed by tyranny their purpose was freedom—Freedom for the individual. Mr. Stevenson wants to reverse all that. Modern America is cursed by individual freedom; our purpose must be another tyranny.

The way to win the world to the vision of a free society is for people to give up their freedom. Believe it or not, this is seriously being proposed to America!!!

### MRS. ANNIE D BROWN

Mrs. Annie Daugherty Brown, 81, of Houston died June 9 in Houston.

She was a native of Rockdale and of Houston the last 11 years. She was a member of the West University Baptist Church.

Services were held at 11:30 a. m. June 10 at Sette-Gast-Knof Chapel, Rev. Ray V Mayfield officiating, and additional services at the First Baptist Church, Gatesville at 4:30 p. m. and burial was May 11 in the City Cemetery.

Surviving are daughters, Mrs.

## GOVERNOR TAKES ACTION

*the Great Books speak to Today...*

*The Lie*

To lie to your enemy has rarely been thought a sin, as the history of modern diplomacy too plainly shows.

-CHARLES DARWIN (1809-1882)  
English naturalist

Rostov was a truthful young man and would on no account have told a deliberate lie. He began his story meaning to tell everything just as it happened, but imperceptibly, involuntarily, and inevitably he lapsed into falsehood... It is very difficult to tell the truth, and young people are rarely capable of it.

-LEO TOLSTOY (1828-1910)  
Russian novelist

The public weal requires that men should betray, and lie, and massacre.

-MONTAIGNE (1533-1592)  
French essayist

Everyone admits how praiseworthy it is in a prince to keep faith, and to live with integrity and not with craft. Nevertheless our experience has been that those princes who have done great things have held good faith of little account and have known how to circumvent the intellect of men by craft and in the end have overcome those who have relied on the word.

CHIAVELLI (1469-1527)  
ian political philosopher

**ABUNDANT LIFE**

by ORAL ROBERTS

**IF I CAN FIND THE ARMS OF THE CROSS**

A large passenger plane bound for Hawaii took off from the great airport in San Francisco. Sometime later, as the pilot checked his course over the Pacific Ocean, one engine began to sputter, then stopped completely.

Immediately, the pilot turned the plane around to return to San Francisco, since it was only 800 miles from Hawaii lay nearly 2,000 miles away.

In a short while the pilot was approaching San Francisco, but a heavy fog had settled over the bay area. The pilot lost his way in the fog even though he had instruments. He was not sure of the direction in which he was flying.

The pilot turned to his copilot and said, "There is a mountain east of the city and its top will be above the fog. There is a cemetery on the top of the mountain; one of the tombs has a tall cross on it. Let's fly toward the mountain and if I can find the arms of that cross, I can bring the ship safely to land."

Rising above the heavy bank of fog, the pilot of the plane soon saw the mountain and found the cross standing in the cemetery. Taking his bearings from the arms of the cross, he was soon able to land the plane safely.

Do you often feel as if you were lost in the fog of trouble, worry and despair that surrounds you? Do you ever feel that you have lost your bearings—your sense of values and direction?

When your way is not clear or your journey is hindered, find the arms of the cross. When you find the cross, you will find a person, Jesus Christ.

Christ is a master pilot. He is the Master Navigator. Christ has never been lost. The fog of doubt has never confused Him, and the fury of the storms of life has never been able to turn Him from His course.

During a storm on the Sea of Galilee, when the sea was raging and the waves were tossing high, Jesus raised his hand and said, "Peace, be still." Immediately, the tempest-tossed little boat began to stop its wild pitching and rocking as the wind and sea obeyed the command of the Master. The disciples, cowering in the bottom of the boat, were only too glad that Christ had taken the helm and become their pilot.

Today, that same Master Pilot is ready to help you. He is not a dead Christ but a live, vigorous, real person who will guide you back to your course. After you find Him, He will help you arrive at your destination. All you must do is find the cross.

**VIEWES and NEWS**

from our Congressman **BOB POAGE**

Dear Friends,

The major instrument of disposal of our agricultural surpluses has for several years been known as Public Law 480. This measure was passed with support from both parties and from many leading farm organizations. I supported it. I think it has done much good but I think that the time has come when we should review this plan and revise it to fit present needs. Our committee has been working on it for several days.

Basically P. L. 480 allows the sale of surplus agriculture stocks for foreign currency. This made it possible for many countries who did not have dollars, to buy. It has accounted for a substantial part of our agriculture export market. This was helpful to us and to other but as the program developed our government began to make it less and less helpful to the United States. It is understandable that any country is reluctant to allow someone else to hold large amounts of its currency with which goods might be demanded at holder's convenience. Actually, such an arrangement has exactly the same implications to the debtor nation which an outstanding demand note has to an individual debtor.

To make it possible for underdeveloped nations to buy our surpluses we began by entering into agreements which generally provided that we would not use more than 30 per cent of currency we took in to pay regular expenses. We would lend, say 70 per cent of

**IRRIGATION OF TEXAS SOIL**  
The great demand for irrigation water makes soil and water management increasingly important in crop production.

Much more efficient use of the water and soil resources for crop production will be required if the dwindling water supplies are to be conserved and used most effectively. Since the competition among agriculture, industry, and municipalities for water will become greater in the future, it

will be necessary for each segment to make the most efficient use of its share of water if the public interests are to be served in the most effective manner. When a farmer changes from dryland to irrigation farming, he often overlooks the importance of the relationships which exist among soil, water and plants. Good irrigation practices also must take into account such important factors as soil fertility, amount and quality of water, adapted crops and varieties, land preparation for irrigation, water distribution over the land, irrigation timing to suit crop needs, rate of water application for a particular soil type, capacity of soils to store and release water, rates of seeding and root development and distribution within the soil storage reservoir for obtaining both water and plant nutrients.

The variable distribution of rainfall continues to be the most important factor affecting the yield and quality of crops in Texas. As a result, the irrigated acreage has grown from approximately 1 million acres in 1939 to about 7 million acres in 1959. This expansion has come about largely by individual development of ground-water resources. Since soil and climatic conditions vary greatly over Texas, it is impossible to give a set of rules for irrigation which can be applied to every problem area. However, by studying and considering all aspects of the interrelated soil-plant-water system, the irrigation farmer should be in a much better position to work out a suitable soil and water management program for his farm. It is of major importance that the irrigator be more concerned about what is taking place below the soil surface than he is about the conditions above it. In many cases, special problems will exist on individual farms. Where they occur, it will be necessary to consider them on a local basis. If a farmer cannot cope successfully with a particular problem concerning soils and irrigation, he should consult a local representative of the state or federal agency concerned for additional technical help.

the currency, back to the underdeveloped country. Often we required the country to bind itself to repay as much of its currency as it took at the time of repayment to buy the same number of U. S. dollars which could be purchased loaned at the time of the loan. Without advising Congress with the local currency actually. This is known as maintenance of the Administration began to eliminate those agreements. Then we began to loan back a larger and larger percentage of the currency. At last we have reached the point where we are agreeing to give back a large part of this money.

An example is the recent billion dollar agreement with India under which we agree to supply India with a billion dollars' worth of surplus grain. In return, India is to pay us the equivalent of a billion dollars worth of rupees. We agree that we will not use more than 15 per cent for our own benefit. We agree to loan 42.5 per cent to the Indian government & to give them the remaining 42.5 percent. Obviously, this is not what Congress intended when we set up this program. In a later letter I will discuss the policy I think we should follow.

Shortest U. S. presidential term was that of William Henry Harrison, who died after one brief month. In native dialect, the word "giraffe" means "the one who moves swiftly."

Services were held June 6 at 3 p. m., at the Pidcoke Baptist Church with Revs. M E Fairchild and Keith Moore conducting the services and interment was in Pidcoke Cemetery. Surviving are his wife, Mrs. Wm. P. Garrett, Pidcoke; a daughter, Mrs. D. E. Herrington, Pidcoke; a granddaughter, Shirley Ann Herrington, Pidcoke; 3 brothers, Arthur of Lake View, Oregon; Tom of Devine, Dan of Alpine; 55 sisters, Mrs. L. H. Francisco, Ft. Worth; Mrs. E. P. Langley, Nashville, Ark.; Mrs. Virgil Brown, Friona; Mrs. Annie Ellison, Houston, and Mrs. Sid Davenport, Cuba; a brother, D. E., died in Austin in 1950.

Gatesville's leading citizens were guests Sunday of Lt. Col Joseph Jackson, Deputy Post Commander of North Ft Hood and officers of the 50th Inf. at a buffet held on the patio of the NFH officers club. Included were Mayor D. W. McNeil, Judge and Mrs. Norman Storm, C-C President and Mrs. Pat Hollingsworth, T. R. Williams vice-president and member of the board of governor Ft. Hood Chapter AUS and Mrs Williams C-C vice-president and Mrs. Floyd Ziegler, C-C manager and Mrs. Alfred H. Hopkins, C-C military affairs committeemen and their wives: Military guests: Col: Wm. and Mrs. ell, Maj. Pedro Vega Lt. and Mrs. Darrell P. Thompson.

Services were held at 2:30 p. m., Friday in Clifton Chapel, Rev. Carl Jones officiating and burial was in Valley Mills Cemetery. Surviving are two sons, P. W. Whitnew, and Albert of Houston, 3 daughters, Mrs. Earl Lawrence, Valley Mills; Mrs. Josie Cummings, Gatesville; Mrs. H. W. Cherry, Wortham; 2 brothers, Joe of Morgan and Lee of Velley Mills; 3 sisters, Mrs. Cora Nettles, Houston, Mrs. Victoria Powers, Valley Mills and Mrs. Willie Lockley, Austin.

Dramatic proof of the need for aid for Chilean earthquake victims is evidenced by this Puerto Montt orphan—his only belongings heaped in a string bag—shown waiting a mercy plane trip to a refugee reception center in Santiago.

Nations throughout the world are responding to appeals for help. President Eisenhower appointed American Red Cross President, General Alfred M. Gruenther, as coordinator of U. S. voluntary relief efforts. Numerous religious and welfare organizations are engaged in the massive relief project. The Red Cross, which is conducting a nationwide fund appeal, made an initial allocation of \$175,000 and provided \$250,000 worth of donated medical and other supplies.

**OBITUARY**

**JAMES A. CUMMINGS**  
James A. Cummings, 83, died June 2 at his home in Austin.

Services were held at 2:30 p. m., Friday in Clifton Chapel, Rev. Carl Jones officiating and burial was in Valley Mills Cemetery.

Surviving are two sons, P. W. Whitnew, and Albert of Houston, 3 daughters, Mrs. Earl Lawrence, Valley Mills; Mrs. Josie Cummings, Gatesville; Mrs. H. W. Cherry, Wortham; 2 brothers, Joe of Morgan and Lee of Velley Mills; 3 sisters, Mrs. Cora Nettles, Houston, Mrs. Victoria Powers, Valley Mills and Mrs. Willie Lockley, Austin.

**WM. P. GARRETT**

William P. Garrett, 78, died June 10 at 10:30 a. m., at his home near Pidcoke.

He was born February 2, 1882 near Devine and was a farmer. His father was Mr. Garrett and his mother was the former Miss Sallie Littleton. He was married to the former Miss Willie Christine Maple October 14, 1908, munity since 1907. He was a and had lived in Pidcoke member of the Baptist Church.

**MCGREGOR BLAST**  
 VICTIMS SUCCUMBS

Steven L. Heller, 22, of 3333 Willowbrook Drive died Friday night in Baylor Hospital in Dallas from burns received in and explosion at the Rockefeller Plant at McGregor May 27.

Two other men died as a result of the blast and another, J. R. McClothlin of Gatesville, remains in critical condition at Baylor Hospital in Dallas.

Two C-C Directors named  
 President Pat Hollingsworth, under a '59 amendment to C-C constitution has named Charles Powell and Weldon Routh 1 year term directors.

Eddie Winfield was chairman to a committee to make arrangements for a Gatesville booth at the HOT Fair, Oct. 4-8, along with Dawson Cooper and Sam J. Powell Jr.

About 5,000 people visit the United Nations headquarters daily.

# Government under God

"When one rules justly over men, ruling in the fear of God, he dawns on them like the morning light, like the sun shining forth upon a cloudless morning." — Samuel 23: 3-4

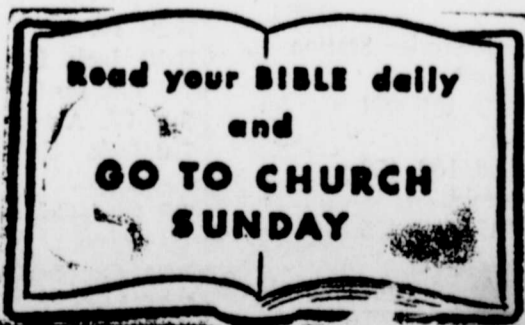

With these words, Samuel, the Judge of Israel, described the rule of wise, competent and good men in government.

In our country it has become a fashion to criticize governmental officials. True, many need criticism and even more. But has it occurred to you there are hundreds even thousands, of honest and hard working, competent and truthful officials that need our praise and a kind word?

Contrary to what the Communists preach, the truth is that, under the influence of Christianity, government is getting better and better. This is true in all Christian nations.

It is only the Godless ones that we find oppression, slavery, drudgery and murder.

Little League scores (just missing): Jackson Ins. 12 DQ 9, E MEN 32, Gv. Ins. 2; Merchants 6, Guard 9, Powell 1; Powell mmmings 13, Gv. Ins. 2 Scott 3, Killen AFB 2 Gv. 12 mmmings 13, Gv. Ins. 2. They're t that hard to get.

So far no information has come from the local Jaycee golf tournament to be staged Monday the 13 to entries. Danny Shepard, Olye Beard and then their room for plenty more if they'll get the lead out and get out and do a little practice. Gatesville ought to have kids from a up playing golf regularly.

Principal C. A. Ethridge of Bras running a double elimination tournament for boys of that vicinity with seniors on down being eligible. It ought to happen here.

Now golf scores we've heard of recently. Carolyn McClellan got 80 and Johnny Jones a 33 at the course.

The Nationals of the Senior League belted out a 10-2 with Copperas Cove, Coy Wayne getting a triple and David Bell mer.

Wednesday night's marathon White Auto top Cummings

Insurance 16-3 and Jackson Insurance got 41 to Gatesville Insurance 3. That means everybody enjoyed the ball games because they all must have scored. Anyway, the kids have a time and that's what it's all about.

Something new for sports-minded Gatesville: A trampoline center is to be opened behind the Dairy Queen this week. Trampolining is throwing one's self off a springy contraption, like kids jump on a bed spring. The center will be 60x90 with 12 trampolines installed over a pit in the ground, the bed being at ground level. Children and adults on a time-pay basis.

Sporty Coryell: Max Ewcom, former pro baseball player is starting a youth baseball clinic for 6 days at 5 simoleons a throw, 20th turn 25 at Lions League Park 8:30 a. m., 11:30 daily. Kids bring shoes and gloves; bats, balls furnished. Fundamentals stressed, hitting, sliding, throwing, bunting.

While we're in the 'giving' business, make it unanimous: Miss Margaret Cuberson will "give" swimming lessons to country club members, 75c if she comes and gets you. Started yesterday and goes for 2 weeks or longer. These 'contributed as a public service' by the Coryell County News.

One central Texas newspaper—definitely not the NEWS—has in its mast head—if there's an admission charge, it's advertising, and we get ours, or else.

Look At The Label, Mabel

By RUDY EVINS

The Solunar Theory, emphasized by John Alden Knight, seeks to prove that fish feed during certain periods of the day and night with no apparent reason.

As many of us have experienced, fish will bite like crazy for a certain length of time, then all of a sudden stop, only to hit again several hours later. According to Knight the positions of the sun and moon have much to do with the activity of fish. That's how the name is derived—"sol" meaning sun and "luna" meaning moon.

Knight says that there are two major and two minor periods during which the fish feed. The major period lasts about two hours or longer and the minor period about one hour.

The periods are accurately timed according to standard time, therefore the fisherman must make the proper adjustments according to the time used in his fishing region.

As an example, say the major period is 12:55 in the morning and the minor at 6:30 a.m. The other major period occurs at 1:10 and the other minor at 7:00 p.m. All you do to find out the "best fishing time" is to add 10 minutes to each of these times. Knight, however, contends that this table is not accurate when the barometer is falling and the air warmer than the water and if the weather is cold and windy and the water high.

Again I will not say whether or not this theory is sound. All I'm trying to do is inform you as to the various ideas of "weather vs. fish."

Happy boating... and fishing too. Rudy

PEOPLE

People often overlook

'Pop'!

He's just taken for granted

— or, is just 'taken'!

The old Boy, however, usually knows his way around, and when the struggle gets close, usually, comes to the GUARANTY for a lift and assistance.

Yes, he's just that kind of a guy, and, frankly, the GUARANTY just don't know what'd do without a lot of 'Pops' popping in every now and then for a 'lift'. Good habit, you might learn!
