"FUSTEST WITH

THE MOSTEST"

little 'g's' gatesville, Texas

little 'g's' took a beating liately.

There's district, bi-district and now regional, there's Santa Claus, Thanksgiving, Veteran's Day, C-C open meeting, Kiwanis meeting, Jaycee meeting, Morris Federation meeting, Fall Festival, this, that, and another, so how could ANYBODY be interested in 'little g'.

However in case you've got a minute here's a few cracks that might relieve the strain.

Even when there is no news, the newspapers must print something.

Professional beggars hit the main street of my city just as we begin a drive for the United Appeal, hoping, I suppose, to tap us when our hearts are bleeding.

If a woman has decided to sulk you might as well let her enjoy herself.

What you would like most of all to conceal from your kids, the neighbors children tell them.

"Amazing how many millions spent money on pills to sleep, and other millions spend money on coffee— to keep awake."

"If you dont know a little about everything, you don't know anything."

Mrs. C. E. Jones Falls And Breaks Arm: Was Alone At Her Home

Mrs. C. E. Jones of N. 10th Street, Gatesville, fell off a stool at her home Monday morning and broke one of her arms.

She was alone at the time and staved where she fell until her daughter, Mrs. C. McCarver returned home from work.

BIRTHS

Baby girl born Nov. 23 at 12:16 p. m. to X Roger Lee, 1909 Waco St., Gatesville.

NEW VEHICLES REGISTERED

Otis C. Ray, '61 Buick, Darrell Tharp '60 Plymouth, Charles Cummings '61 Ford station wagon

MARRIAGE LICENSES

Garland Troy Sexton and Annie RRuth McLaughlin.

Over one-third of all the clothing produced in the U. S. is manufactured by firms in New York State.

GEORGE LOSES PECANS, LAM LOSES PICKUP, MITCHELL, CONSCIOUSNESS

Lam Construction Company lost a pickup via the SSB route about 8:30 Monday evening. The boy took it, bought some gas at a station on St. Hwy. 36, SE of Gatesville, drove off without paying, and officers nabbed him and the pickup in a field south of Belton.

Burglars Monday night broke in Geo. R. Hodges & Son's produce house thru a rear window and took 250 to 300 pounds of pecans, and got away.

At J. Mitchell's Humble Station in Copperas Cove, a party drove up, ordered gas, \$3.00 worth, hit him on the back of the neck with something, and drove off. He called to someone else in the station and then blacked out. Chief of Police Strange, Constable H. H. Maynard and Sheriff Winfred Cummings are working on it. This was Monday night, too.

FARM NEWS

The Cotton Marketing Quota Referendum will be held on Dec. 13. Polling places will be Gatesville, Turnersville and Oglesby. The polls will be open from 8:00 a. m. to 6 p. m.

Each person who is engaged in the production of cotton is eligible to vote. The wife of each eligible voter will also be eligible to vote. Absentee ballots may be obtained upon request at the County ASC office prior to the date of election by any eligible voter who will be out of the county on Dec. 13.

Notices of the 1961 Cotton Acreage Allotments will be mailed prior to the date of the Referendum.

Cards have been mailed to all known wheat producers, ASC County Office Clois D. Stone advises. He says it is very important that the card be filled in and returned by mail as soon as the wheat has been seeded. The cards are not official unless returned through the mail, Stone said, and therefore asks that they not be brought to the office. Any farmer who has wheat seeded and does not receive a card is asked to contact the ASC Office. Every farm is permitted to plant 15.0 acres of wheat, Stone said. However, unless the ASC Office has a record of the seeding the farmer cannot receive a marketing card to use in selling the wheat.

Quack, Quack, Duck, Too Duck

It's Regional, Hornets, And There's Duck Down For The Taking: They're No. 2 In Texas

Gets rougher the further down the road you go, Hornets!

This is the No. 2 team in Texas, Class AA, Hornets, and certainly it's no pushover. The Ducks have a 3-year letterman speed merchant in Buggie Ford, and the boy's got plenty of assistance in the backfield, according to Coach Al Langford.

The Duck backfield was the nucleus of All-State Class AA sprint team, and 'they get around' and fast. The Duck line is lighter than the Hornets, but are a scrapping, hard-hitting bunch that know their okra.

They'll pull all the stops out of their organ to take this hectic contest, and the turf at Killeen High School Kangaroo Field will be worn and haggard by the time 11 Hornets and 11 Ducks get through tearing it up.

Predictions, we don't even read

em, but in our book, it's going to be quite a contest, and you'll just about see the cream of the crop in Texas Class AA football unfolded on the field come Friday evening.

The 'Roo people, all of them, are opening their welcoming arms to both Taylor and Gatesville folks and telegrams have been sent to the Mayors, C-C presidents, welcoming them and their citizens to the contest.

School kids must know. The Killeen Daily Herald says no student tickets will be sold at the gate. Everything there will be \$2. You gotta get your fo-bit game ticket in Gatesville.

We could write a book on 'this deal' but there is no use—you and me are 'too hopped up' to read a lot of bologney, and the mainest thing: "LET'S BRING THE REGIONAL HOME!" Hornets, with heads-up football, you CAN!

Gatesville Merchants On KCLW Radio Broadcast Of Hornet-Duck Game

In case you missed a play—suppose you're all goin' anyway—you can catch up Saturday morning when KCLW broadcasts the play-by-play of the Gatesville Hornet, Taylor Duck Regional Championship Football Game in Killeen at 8 o'clock Friday evening.

Co-sponsors of the program are City Drug Co., W. T. Hix Co., Jim Miller Army Store, Hollingsworth Food Market, A. H. (Red) McCoy, Scott Furniture Co., White Auto Store, Garland Knight Humble S. Sta., Bennett's Department Store, Leaird's Department Store, Gatesville Drug Co., and maybe others.

Many advertisers also have taken a 'spot' on the page sold by THE NEWS inside this edition.

We're all fuh you, Hornets! Get Duck Down!

FORMER GHS BOY NOW NEWS EDITOR OF WEST TEXAS NEWSPAPER

Brents Davis, former GHS student, and son of X "Bole" Davis, formerly of Gatesville, and now of Ireland, is News Editor of the Muleshoe Journal of Muleshoe.

He came to Muleshoe from Waco, where he was a student in Baylor University, and did freelance newspaper work. He is a graduate of Temple Junior College. He has had a thoro college grounding in photography and was associated with the Temple Daily Teelegram as photographer. He is a member of Delta Psi Omega, honorary dramatics fraternity, and is a member of the Sons of the Republic of Texas.

He is single, and 22.

ELEPHANTS, CHIMPS, HORSES, OLD SANTA, AND WORKS HERE FREE MON.

Monday, there'll be a free circus on the south side of the square beginning at 11 a. m. and continuing until about 6:30 p. m., and there'll be elephants, one dressed as Old Santa Claus, chimpanzees, free rides for the kids on horse. Part of the display will be on the Powell Suply Company parking lot.

This is a part of the State Circus, and Funket's or some such carnival attractions. The publicity is lousy.

And, Old Santa Claus will be there, and will talk to the kids in his workshop. It's the beginning of the Christmas season and there's to be added attraction each Saturday until the grand old man comes around.

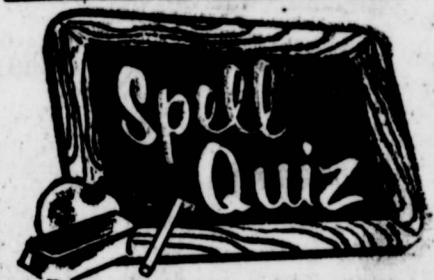

The information is brief, but you don't need informaton—just bring the entire family to the Santa Claus opening Monday, November 28.

D. S. Gilbreath Dies At Leon Junction: Funeral Arrangements Incomplete

D. F. Gilbreath died at his home at Leon Junction about 8 p. m. Tuesday.

Funeral services early Wednesday morning were incomplete.

NOMINATIONS TO MERCHANT MARINE ACADEMY OPEN

Congressman W. R. Poage has announced that he is accepting requests for nominations as a candidate for appointment to the U. S. Merchant Marine Academy. The Academy is located at Kings Point, Long Island, New York, about 16 miles from New York City. It offers successful applicants a splendid opportunity to secure a college education and to qualify for a good profession.

The Academy offers a four-year course leading to a license as an officer in the U. S. Merchant Marine, a commission as Ensign in the U. S. Naval Reserve and the Bachelor of Science Degree. The sophomore year is spent as a Cadet on merchant vessels of the U. S. Merchant Marine.

Tuition, room and board, required uniform and textbooks as well as medical and dental care are furnished by the United States Government.

Candidate must be simple, meet physical standards similar to those of Midshipmen, O. S. Naval Academy, must have reach-

ed his 17th but not 22nd birthday by July 1, 1961, be a high school graduate or now in his senior year, and must now make among the highest grades in a state-wide competitive examination. Congressman Poage can name only 10 young men to take the examination. He cannot name anyone to the academy itself. Those selected on a competitive basis as a result of the College Entrance Examination Board's tests in March, 1961, and other pertinent factors, will enter the U. S. Merchant Marine Academy in August 1961.

Those wanting to compete should contact Congressman Poage's office by mail at 205 Federal Building, Waco, as soon as possible.

Happier Days for Education

About 10 years ago a huge cry went up about the "school problem"—shortage of classrooms, low teacher pay and too few teachers, especially in science and mathematics.

With typical American urgency, American communities went to work. The results are amazing.

Ten years ago hardly one-fifth of students entering college would consider teaching. Today nearly one-third of all college graduates are choosing teaching careers.

From 1949 to 1959, school instructional staffs increased 51 per cent, compared with an increase in the entire civilian labor force of 12 per cent. The number of graduates qualified to teach mathematics and science doubled in the short span of five years from 1954 to 1959.

In constant dollars, the pay of public school teachers increased 45 per cent in the 10 years, while that of all employed persons went up only 29 per cent. Teacher salaries have more than doubled since 1946 averaged around \$5,000 last year.

During the decade, 567,000 classrooms were completed—200,000 replacements and 367,000 additional ones. The U. S. Office of Education estimates 610,000 classrooms will be needed by 1969. In the last five years, we have built an average of 67,360 classrooms per year—a rate 10 per cent greater than will be required to meet estimated needs in coming years.

Over all, it's quite a record of accomplishment. The school situation seems to be changing from a "problem" to a point-with-pride proposition.

BENEFIT PROGRAMS

A larger and larger share of our tax dollars has been going, not for National Security and Defense, or International Affairs, but to finance "Benefit" programs. A "Benefit" Federal Government style, is something given by the Federal Government to its citizens "for free". Benefits for fiscal '61 will amount to over 25 percent of the total Federal

programs is that while launched to meet some real or imagined crisis, they've a nasty tendency to live on the GROW.

This will be something for the 87th Congress to ponder well, if the newly elected administration actually does attempt to carry out its campaign promises and those of the Democratic Party platform. The Congress must bear in mind that new benefits will not only call for more taxes or more deficit spending, but that the comparatively small initial expense is the seductive charm to invite Congressional approval.

Each new program requires staffing a bureau (more people feeding at the public trough) and as has been the case with other "Benefit" programs, it will grow. The worst feature of these Benefit programs is that they divert the Federal Government from devoting its full attention to important things such as national defense and preserving a free society peopled by self-reliant, self-respecting individuals.

Supporting Gatesville

Merchants who do not advertise are invited to read the following from the American Bankers Magazine, as it might give you a new slant on business, your own business, as well as the matter of building Gatesville.

"No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns. This does not mean you should have a whole, a half, or even a quarter page in each paper, but your name and business should be mentioned, if you do not use more than a two-line space.

"A stranger picking up a newspaper should be able to tell what business is represented in Gatesville by looking at the paper. This is the best possible advertising. The man who does not advertise his business does an injustice to himself and the town. The man who insists on sharing the business that comes to town, but refuses to advertise his own, is not a valuable addition to any town. The life of a town depends on the live wide-awake and liberal advertising business man."

Woe unto them that call evil good and good evil; that put darkness for light.— (Isaiah 6:20)

Mistaking evil for good is one of the traps into which those who follow Communism have fallen. To them, anything that helps the Communist cause, no matter how base it may be—is "good." Followers of the Bible know that only thoughts and acts conceived in love and brotherhood are good in the eyes of God.

Card of Thanks

CARD OF THANKS

I wish to express my sincere
thanks and appreciation to all
who were so kind to me during
my recent illness in the Corvelli
Memorial Hospital—to my friends
and for their interest, well wishes
and prayers; to the entire hospital
staff for the attractive care I
received; and to Drs. Jones,
Brown and Bellegie. I am truly
grateful.

G. P. Schaub.

Pearl on November 16.
He was born Sept. 27, 1899, son of Mr. and Mrs. S. W. Graham. He had been a resident of Bee House and of Pearl almost all his life. He was converted in early manhood and was very faithful in his church attendance.

On March 20, 1921, he was united in marriage with Miss Leota Thompson. To this union was born three sons and one daughter.

He is survived by his wife, 3 sons Edwin of Gatesville, Eugene and Elton, both of Dallas. One daughter Evelyn Hammack of Amarillo, his father Sam Graham of Austin, 2 sisters Mrs. M. O. Thomson of Austin and Mrs. Clyde Gardner of Burnet, six grandchildren Harold, Elaine, Deborah Sue, Roger, David and Gloria Ann.

Funeral services were conducted Friday Nov. 18 at 2 o'clock at the Pearl Methodist Church with Rev. Wayland Bratton officiating. Burial was in Pearl cemetery with Evant Funeral Home in charge of funeral arrangements.

Pallbearers were Lee Powell, Arlie Gartman, John Doyle, Ora Stewart, Chrls Heald, Charlie Freeman.

There are 9 planets and 31 moons in the solar system known to the modern astronomer.

OGLESBY LIONS HAVE LADIES NIGHT: SPEAKER DIST. GOV. PEARSON

District Governor Horace Pearson of Clifton was the speaker at Oglesby Lions Ladies Night Friday evening at the Oglesby High School Cafeteria, when they had their Thanksgiving program.

Lion Charles Zeigler was in charge of the program, and the welcome address was given by Lion President Joe Draper.

Music was furnished by Lawton, Henry, Jim Searcy, Rannel Graves and ZZone Chairman Newlon Sanford of Gatesville who also introduced the speaker.

A delicious turkey dinner was served to 88 guests and members.

COPPERAS COVE TO SEEK CLINIC

COPPERAS COVE (SPL - A) steering committee headed by Jim Vodry has been named to help get a medical clinic for Copperas Cove.

A group of citizens, meeting with John R. Sedgwick, consultant in individual and group medical practice for the Sears Foundation, voted to accept the assistance of the foundation on the project.

Others on committee are W. C. Hooper, finances and Byron Freeman, publicity. Dr. Fred Barbee will be technical advisor.

COUNTY 4-H COUNCIL MET SATURDAY NOV. 19 IN COUNTY COURT ROOM

The Coryell County 4-H Council met Saturday morning November 19 in the County Courtroom. 1961 officers elected were: Chairman - Sue Moore, Oglesby; Vice chairman - Glenna Wright, Gatesville; Sec. Treas. - Audene Lynch Gatesville; Reporter appointed was Helen Watson, Jonesboro.

Business conducted by the council included: Christmas Party plans, Share-the-Fun Festival contest, standing rules revision discussed and money making projects.

The 1960 Achievement Awards Program will be held November 30, 8:00 p. m. at the courthouse in Gatesville.

The Christmas party and Share the fun festival contest will be held Dec. 17.

Those present at the meeting were Glen Wright, Audene Lynch, Linda Faubion, Seaborn Ashby, Sue Moore, Jerry Roberts, Carol Layne, Pamela Hale and Janet Bottlinger.

FARM INCOME FORECAST

For what it is worth, the outgoing USDA administration of Ezra Taft Benson has prepared and released a forecast of farm income for 1961, which will be the first year of the new Democratic administration.

According to the forecast, farm income should continue at about the same level as 1960, taking no account of any new Kennedy-Johnson Democratic farm programs.

Programs affecting most 1961 crops, of course, will have been set before the planting season for sharp changes to be made. The forecast anticipates relative stability in cash receipts, farm cost rate and net farm income.

In summary, the forecast predicted as follows:

"Relative stability in cash receipts, production expenses, and net income will likely continue in 1960. Reflecting record farm output this year, the volume of farm marketings is running about about three per cent above 1959 and may increase further in 1961 if growing conditions are average or better.

"Livestock production will likely increase in 1961. Cattle prices in 1961 probably will continue to decline under the impact of larger marketing and result in some further decline in cash receipts from cattle.

"Marketing of hogs will continue below a year earlier well into 1961, reflecting the reduced pig crops this year, and prices are expected to remain relatively high in 1961.

"Prices for dairy products and eggs are expected to hold above a year earlier well into 1961. But egg marketings in the last half of 1961 are expected to rise above a year earlier and prices may be lower. Prices for most crops so far in 1960 average about the same

NOTICE TO OUR READERS: There are 12 spaces and letters in "Mr. and Mrs." That takes up space. Hereafter, THE NEWS will refer to "Mr. and Mrs." using a capital "X" instead of conventional "Mr. and Mrs."

as a year earlier and they probably will continue fairly stable in 1961.

President-elect John F. Kennedy has pledged to sponsor a broad program aimed at boosting farm income by various means including higher price support, stricter production controls, an extensive program for disposing farm surpluses which tend to hold prices down.

The USDA forecast was included in a farm income report prepared for a department out conference with government economists, state extension leaders and others taking part.

P-T-A Congress Met No. 16-1

Mr. and Mrs. Roy Conner and Supt. A. E. Greer returned Thursday from attending the 51st annual convention of the Texas Congress of Parents and Teachers in Austin, November 16-18. Some 4000 delegates and visitors were present.

Mrs. T. W. Whaley of Kosse, state president, presided, assisted by Mrs. W. J. Danforth of Fort Worth, first state vice president, and Mrs. F. C. McConnell of Austin, second state vice president.

Governor Price Daniel brought greetings.

The theme, "Homes Create Community Strength Through Character Development," was developed in pageant form by pupils of the Austin public schools, and was stressed in addresses, panels, and workshops.

Dr. Calvin H. Reed of the University of Nevada at Reno, national chairman of parent and family life education, was the National Congress representative. In his talk, according to Mr. Conner, he stressed: Homes create more strength through character development; to develop character a sharp focus on the home, school, parents, and teacher; community activities.

A convention highlight was an address on "What is Right with Families Today" by Dr. Evelyn Millis Duvall of Chicago, noted author, lecturer and family life consultant. She made the following points: Love and understanding; a closer devotion of parents; more concern for children from cradle through adolescence.

In her dialogue later with Dr. Reed, on "What Kind of Parents Promote Character Development?" the following ideas were brought out: Religious aspects; trained parenthood, and united families.

Col. John A. Powers of the Space Task Group, Langley Field Va., was in charge of a program on "Challenges of the Space Age." Highlights included: The very near future when a man can be injected into space and returned safely.

Afterward, a panel composed of Dr. Reed, Mrs. Danforth, Dr. Irby Carruth, superintendent of Austin public schools, and Mrs. Lucile J. Martin of San Antonio, state chairman of education for family living discussed "The family in the Aero-Space Age."

One afternoon was taken up with "Ages and Stages" workshops, directed by Dr. C. H. Dent of the University of Texas and state chairman of workshops. Emphasis was upon basic human needs and characteristics of various age groups with implications for the P-T. A.

Dr. John Keltner of St. Louis, Mo., was moderator of a panel titled, "Let's Listen" composed of pupils from five Austin schools. He also assisted with the workshop, with audience participation, and in a summary of the convention with Drs. Dent Reed.

The four vice presidents elected were: Region 1, Mrs. D. O. James, Iowa Park; Region 2, Mrs. L. P. Shafer, Tsrillo; Region 3, Mrs. R. B. Reid, Sherman; Region 4, Mrs. L. O. Mayo, Galena Park.

Other features included organ music; assembly singing; reception for delegates; open house at the Governor's Mansion, State Capitol, and State P. T. A. office; a cultural arts program by the University of Texas; greetings P.T.A. and school officials; reports; luncheons; recognition of special guests; presentation of membership, life membership and parent-teacher magazine awards; life membership breakfast.

Principal Auditorium were outstanding. Austin was most gracious with a big welcome.

Proposed Platform of 1960-62 Texas Congress of Parents and Teachers

For fifty years certain principals have been the basis for action by the Texas Congress of Parents and Teachers. We have endeavored to raise the standard of home life, support public education, strengthen our faith in God, and stimulate community responsibility in order that we might make a contribution to the advancement of the political, social, economic, educational, and spiritual welfare of all citizens of our democracy.

Therefore, we pledge ourselves anew to the support of the program and principals contained in this platform.

We Believe that the Home can Give to the Youth the Strength That is Our Nation's Greatness by:

- Providing a wholesome environment.
- Building sturdy bodies and personalities.
- Developing creative and cooperative family living.
- Stressing the importance of developing strong spiritual values.

We believe that the School can Perpetuate the American Way of Life through a Program of Public Education Fitted to the Abilities, Interest, and Needs for each Person and of the Society in which he lives, by

- Continuing to evaluate and adjust its curriculum.
- Emphasizing the worth and dignity of all essential work.
- Encouraging a program of joint lay and professional activities for an intelligent understanding of the schools.

We believe that the Community can create a climate conducive to the pursuit of moral and Intellectual Excellence for All its citizens by:

- Working together to develop intelligent leadership.
- Promoting an atmosphere in which people can live together in harmony and with mutual respect.
- Realizing that every privilege in a democracy must be matched by an equal responsibility.

PROPOSED RESOLUTIONS

1. BE IT RESOLVED, That the Texas Congress of Parents and Teachers be concerned for the health, education, and welfare of migrant children and work with the Governor and all appropriate agencies in developing programs to meet more effectively the needs of these children.

2. BE IT RESOLVED, That the Texas Congress of Parents and Teachers actively support legis-

lation for the improvement of the Minimum Foundation Program to assure adequate financing for better schools in Texas on both the local and state levels.

3. BE IT RESOLVED, That the Texas Congress of Parents and Teachers state unequivocally its opposition to the distribution or sale of pornographic, lewd and or salacious material, and

That State laws governing such distribution and sale be strengthened through the passage of appropriate legislation during the coming session of the 57th Legislature, and

That the Texas Congress of Parents and Teachers press for the passage of such legislation with all the resources at its command within its policies and procedures, and

BE IT FURTHER RESOLVED, That in our concern for improvement of the moral standard of our youth that the membership of the Texas Congress of Parents and Teachers, as individuals, become aware of and discourage, the sale of pornographic material on their newsstands, the showing of lewd and demoralizing motion pictures, and crime or violence programs on television, and

That local units encourage respect for, and support of local law officers in enforcing enacted laws.

PROPOSED LEGISLATION
To supplement our educational program on the American way of life:

That we support issues, not candidates . . . legislation, not political parties . . .

CITIZENSHIP
We urge each council and local unit to appoint a legislation chairman to give information concerning the legislation program regularly to local members and to conduct "pay your poll tax" and "get out the vote" campaigns in the community.

EDUCATION
We support legislation for the continued improvement of the Minimum Foundation Program such as:

- Teachers salaries
- School bus program improvements
- Regional libraries for film and audio-visual aids

We support legislation that will continue to preserve for the children of Texas the television channels now allocated for educational purposes.

We support legislation to provide for extended library service with special emphasis on needs in rural areas.

SAFETY
We support legislation for the continued improvement of laws that strengthen the traffic safety program of Texas.

HEALTH

We support legislation that strengthen health services the prevention of mental physical illness of children youth.

GENERAL

We urge action on the recodification of Texas School Law Texas Criminal Laws and cedure and other laws affect the welfare of children youth.

We support legislation to vide funds to implement ed laws such as:

Legislation for the protection of youth from the sale distribution of pornographic literature and juvenile pa system.

We urge co-operation with all ognized agencies in the commty interested in achieving quate laws securing the protect of children and youth.

1627 BALES OF COTTON GINNED THIS YEAR'S CROP

It's really short, and dead cotton caused it, says Charlese Powell Powell-Caruth Gin.

The total for the gin this year was 1627 bales, which is may 1000 bales less than was expected.

Jonesboro High School Gets Tests To Get Driving

By St. Hwy. Dept.

Students of Jonesboro school Nov. 30, will get tests in driving given under the direction of Smetana, Director of Safety (Ass't Safety Director) Texas Bureau Safety Department. The first part will be a lecture, and the second part will be a demonstration showing correct and incorrect driving habits.

A specially equipped car with a electric detonator mounted on front bumper which will fire air paint bullets indicating distance required to stop a car in an emergency.

The drive will be signalled to by the report of the first bell; the second will be fired when the brake is applied and the third when the car stops. Distance between the spots of paint will be measured to determine reaction and braking distances. Speeds will be limited to 20, 30 and 40 miles per hour, and police officers will be used in high speed tests.

The program is being presented by the Coryell County Farm Bureau, R. A. Hempel, president, and the public is invited.

New York plants produce 92 percent of all the fur coats made in the U. S.

Oglesby High Tigers To Uphold Coryell Co. Flag In San Angelo

The Oglesby Tigers defeated the Gustine Tigers last Friday night at Hamilton by a score of 48-25. This was the tenth straight victory for Oglesby, and along with a Bi-District Championship, get the right to meet Wall High School for the regional championship. Oglesby lost the flip of the coin, and will play in San Angelo High School Stadium, Thursday night at 7:30. Wall has a 9-1 record and advanced to the regional finals by defeating Moxell High School 46-12.

The Gustine battle was an offensive show from the word go, Oglesby speel vs Gustine power. Oglesby scored two quick touchdowns by Leslie Vincent in the first quarter and were never led. Score at first quarter 12-7.

The second quarter featured the passing of Donald West who set up the third touchdown on a 35 yard pass play to Bill Schrader, David Vincent going over the center of the line for the final two yards. Donald then hit David Vincent on a 40 yard pass play for the fourth score, David had gotten far behind the Gustine safety. Score at half Oglesby 26, Gustine 13.

Bill Schraeder kicked three extra points, in five attempts, scoring 6 of the points.

David and Leslie took turns scoring in the final half, David getting two touchdowns, and Leslie one. Final Score 48-25.

Cruz Ledesma, the only Oglesby Tiger who weighs over 148 lbs., and who himself weighs a hefty 210, played a major role in the tiger defense, stopping the Gustine Tigers time and again in the center of the line, he also covered a fumble on the Oglesby one yard line to save a Gustine rally from scoring. In the third quarter he picked off a jump pass, and returned it 15 yards to hit the Gustine 3 yard line.

The Oglesby Tigers outweighed 40 lbs per man stopped the Gustine power cold, but in doing so, allowed them three touchdowns via forward passes.

Oglesby has won a district title only once and never a regional title, it might be noted that this was done in 1945, the same year Gatesville won its last district title.

COPPERAS COVE CRAMS DISTRICT 9-A SELECTIONS

Copperas Cove Bulldogs dominated the District 9-A All-District landing 3 on the offensive team, and 4 on the defensive.

They were: Offensive, Johnny Breeden, end; Leslie Ledger, tackle, Cecil Newton, backfield.

Defensive: Mike Harmon, end; Jerry Summers, tackle, Lynwood Walters, guard, Bill Roy back.

Honorable mention: Chisholm, Sneed, Irumley and Tilghman, offensively, and Webb, Isholm and Hammack.

COVE POLICE ADD NEW MAN

COPPERAS COVE - Police Chief Frank Strange announced Wednesday the addition to his force of Nedom McCann, a retired Fort Hood soldier who has made his home here most of the time since 1940.

McCann, recently a sergeant in the 2nd Quartermaster, 2nd AD, was among the vanguard of soldiers to arrive here when Fort Hood was established prior to World War II. Except for brief tours of duty in Europe and Korea, McCann has lived here since.

The addition of McCann brings the Cove police force to four, including Strange. McCann will serve as dispatcher and patrolman.

LET US FORD DEALERS SHOW YOU THE MOST MAINTENANCE-FREE FORD IN HISTORY

BECAUSE IT'S BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

With all of its flash and T-Bird dash, the new Ford is so maintenance-free it can save you hundreds of dollars in operating costs alone and end most bothersome servicing.

And Ford's performance rates high, with Wide-Tread design and a choice of 4 great engines. Remember, too, each part of '61 Fords, except tires, is dealer warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Normal maintenance service or routine replacement of parts such as filters, spark plugs, condensers, ignition points are not covered.

BEAUTIFULLY PROPORTIONED TO THE CLASSIC FORD LOOK

This medal was presented by the international fashion authority Centro per l'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF—HERE'S HOW

- Lubricates itself.** You'll normally go 30,000 miles without a chassis lubrication.
- Cleans its own oil.** You'll go 4,000 miles between changes.
- Adjusts its own brakes.** New Track Size brakes adjust themselves automatically.
- Guards its own muffler.** Ford mufflers normally last three times as long as ordinary mufflers.
- Protects its own body.** All vital underbody parts are processed to resist rust.
