Illustrious Lee Lockwood, 33' head of Scottish Rite Masonry in Texas and Grand Chancellor of the Supreme Council of the Ancient and Accepted Scottish Rite at Washington, D.C. will make an official visit to the reunion and address the class of candidates at 11:00 A.M.

This reunion class has been named in memory of Walter Scott Amsler, 32', of McGregor, a prominent civic, church and Masonic leader until his death on July 1, 1967.

Cove Boy Jailed

A 17-year-old Copperas Cove boy was being held in Coryell County jail in Gatesville Saturday on a charge of selling a dangerous drug.

Copperas Cove police chief Buck Ray signed the complaint. Bond was set at \$10,000.00

Lee Roy Fisher III, son of Mr. and Mrs. Lee Roy Fisher 704 Shady Lane, Copperas Cove, was charged Friday night in Justice of the Peace A.J. Saeger's court after an investigation by the Copperas County sheriff's department and the Texas Department of Public Safety.

FFA Selects Sweetheart

Marsha Tippit, Gatesville High School sophomore, was of the school's Future Farmer chapter at the unit's October meeting. She will represent the chapter at several official functions during the year and at the Central Texas District talent and sweetheart contest early next year. Two winners from the district will go to the area contest, with the winner there advancing to the state contest.

Miss Tippit is the daughter of Mr. and Mrs. Bill Tippit, Rt. 2, Gatesville. She is a member of Future Homemakers, Future Teachers and the Spanish club and plays on the Hornette basketball team. As FFA sweetheart, she succeeds Pam Curry.

Police Report

At 2:55 p.m. Nov. 4, on Leon and Park Street, a 1965 Wards Riverside Motor cycle driven by Mr. Jack Demore Phillips, of Gatesville, flew through the air 30 feet before landing. Mr. Phillips lost control of the cycle and hit the curb causing the accident. Mr. Phillips was hospitalized overnight for observation. The vehicle was a complete loss.

Two vehicles, both traveling west on Main Street Saturday Nov. 4, collided when they apparently each crossed over the lane. One vehicle, which was a 1950 Chevrolet driven by Robert Dyer of Gatesville had a left rear fender bent in, the other car a 1968 Chevrolet driven by Kenneth Marriott of Gatesville, had a right front fender dented in. There was \$100.00 damage to the 50' Chevrolet and \$300.00 damage to the 68' Chevrolet.

Early Sunday morning at approximately 3:00 a.m., someone stole a bicycle from 117 Cottonwood drive. The bicycle was a Sting Ray model, the color was gold.

Wednesday, Nov. 1st at 3:20 p.m. a 1955 Ford driven by Buddy Blansit of Oglesby traveling east on a county road 1.4 miles east of Oglesby overturned when the driver lost control on a curve. There was \$200.00 damage and no injuries reported.

One man was picked up late Thursday evening and charged with drunkenness. He was fined \$25.50 in the J.P. Court by judge Stoney Hammack.

10 Nominated To Cove CC Directors

Ten men have been nominated to fill the five vacancies on the Copperas Cove Chamber of Commerce board of directors.

They are: Monty Dewald, J. L. Williams, Melvin Hempel, E. H. Rhode, Lovett Ledger, Reed Whatley, Floyd Allen, Eldor Schwausch, Ed Palmer and J. A. Darossett.

Terms are expiring for Byron Freeman, T.K. Bishop, Trop Donnell and H.L. Terry. Those is serving an unexpired term.

Members will vote by mail. Ballots must be returned by Nov.15.

Walking Safely—Plan the safest way to walk to school. Always walk on the left side of the road facing traffic if there are no sidewalks. Look out at corners for turning cars. When it gets dark early, wear something white so you can be seen easily. Don't run into the street between parked cars. BYRON E. FREEMAN

Dear Mrs. Jones, Boys and Sally Maude:

I would like to congratulate you on your first edition of the Coryell County News to be printed the offset method.

Newspapers and job printing shops all over the country are discarding the old typesetting way of printing and switching to offset, which is more versatile and faster.

Being in the printing business for over 30 years I feel that letterpress printing can't be beat in many cases, but to compete in this fast moving world, we all need to keep pace to satisfy public demands.

For many years Mr. Mat Jones has talked of switching to offset, and hoped some day to do so. I think his family has made a big step in carrying out his desires, and I know the people of this area will support you with their subscriptions and advertising.

Good news coverage with pictures is what the people like and I'm sure they will support you 100 percent.

Again may I say congratulation and good luck.

Yours very truly,

MRS. R.N. ATTERBURY

Marilyn Webb, R.N. Atterbury Exchange Vows

Miss Marilyn Webb and Ronald Noel Atterbury were married last Friday in the home of the bride's uncle and aunt, Mr. and Mrs. Knox Lovejoy, of Gatesville with Rev. Walter Allen officiating.

The bride was given in marriage by her parents, Mr. and Mrs. John Wesley Webb of Gatesville. The bridegroom's parents are Mr. and Mrs. Paul Atterbury of Marceling, Missouri.

The bride wore an azure blue A-line dress designed with a jewel neck. Her only jewelry was a diamond pendant. She carried a bouquet of split white carnations centered with a white orchid on a white Bible. Her short illusion veil was held by a white satin circlet accented with seed pearls.

Miss Sylvia Onofrey, maid of honor, wore a pastel pink A-line dress and carried a single longstemmed white carnation.

Michael J. Trolano of Fort Hood served as best man.

A reception was held in the Lovejoy home following the ceremony. Mrs. Gip Lovejoy presided at the punch bowl and Mrs. Oley Beard Jr. served the wedding cake. Miss Linda Beard registered the guests in the bride's book.

Mrs. Atterbury is a high school graduate and also a graduate of Truman's School of Beauty Culture in Waco. Mr. Atterbury graduated from Marceline High School and has recently returned from a 13 month tour of duty in Vietnam.

The couple will make their home in Kansas City, Mo., where the bridegroom is employed. He plans to enter college in January.

Home Suffers Fire And Smoke Damage

Saturday evening November 4, at approximately 7:30 p.m. a fire alarm was turned in to the Gatesville Fire Department. The blaze was in the home of the Westview Addition.

Soon after the fire trucks arrived at the scene, the blaze was doused out. Fire department officials reported the fire was started by grease in a frying pan being ignited.

Mrs. Lee was alone in her home at the time and said the grease burst into flame and the flames shot up and ignited the vent hood over her stove. She

reported extensive smoke damage throughout the home.

Never accept gifts or rides from strangers. Go home promptly after school and don't loiter along the way. Stick to your safety route and stay away from dark and lonely streets. Check in with your mother to let her know if you plan to play elsewhere. Then come home promptly at the time she sets. (This safety panel, one of a series for JUNIOR FIRE MARSHAL, has been prepared as a public service of The Hartford Insurance Group.)

Paul or Paula?

HER NAME is Paul but maybe it should be Paula. Certainly there's no masculinity about Republic Adohr Paul who has given birth to six consecutive daughters in a five year period including a set of twins. Normal ratio is 50-50 between heifers and bull calves. And she's superior in butter fat production, too, giving out 782.4 pounds in one 330-day period. A 500 to 600 pound figure is considered very good. She's being admired by Willard Thompson, left, and Bob Zeimantz, members of dairy crew at Boys Republic, California, a 240-acre rehabilitative farm-school community for 'teen-age boys near Los Angeles. Meanwhile, Paul is still awaiting her first bull calf.

Cattle Feeders Association Meeting Nov. 13

With the rapid development of the cattle feeding industry in the Southwest, the future direction the industry will take is of important interest. Jack Carrothers, President of the Texas Cattle Feeders Association said today, "The program for the first annual meeting of the association will be directed toward answering some of these questions."

Carrothers stated that "Leading authorities in the feeding and allied industries will express their views on the subject of feeding development. In addition to cattle feeders, packers, bankers, ranchers, nutritionists, researchers, order buyers and representatives of the Agricultural Press will take part on the two-day annual meeting program."

The meeting will begin Monday, November 13, 1967 at 2:30 p.m. in Amarillo, Texas. The Holiday Inn-West will be the

meeting headquarters. A highlight of the meeting program on Monday will be a panel, "the packing industry looks at the plains." Representatives of packers now operating in the region, as well as representatives of packers building or planning new packing facilities, will participate on the panel.

On Tuesday, the program will include an address by Dr. Ralph Durham, Texas Technological College, Lubbock and Dr. J.D. Aughtry, Palm Desert, California. Tuesday's program will also feature a panel which will discuss "YOUR FEEDER REPLACEMENTS-FROM WHERE-UNDER WHAT ARRANGEMENTS." The panel will be moderated by Charlie Ball, editor of THE FARM JOURNAL. Taking part on the panel will be Jack Idol, Benjamin, Texas, Manager of a ranch and growing operation; Kendall

Quinn, Jackson, Mississippi, partner in a large Southeastern order buying firm; Bill Roach, partner in one of Texas' largest order buying firms; Doug Shelton, rancher from Clarendon, Texas and Jim Barron, rancher and feeder from Spur, Texas.

The Tuesday afternoon program will include an address by Charles Quarre', Manager of the Kern County Land Company, Bakersfield, California. Paul Engler, rancher and feeder from Wyola, Montana and Hereford, Texas, is chairman of the Southwest section of the American National Cattlemen's Association Market Development Committee. Engler will outline the plans of the committee to improve the marketing system and work toward increased livestock profits.

The afternoon program will also include a panel on the

important subject, "HOW FAR WILL FEEDING DEVELOPMENT GO ON THE PLAINS." Panel members will include Joe Easley operator of a 35,000 head feeding facility at Hereford, Texas; H.C. Hitch, Jr., President of the Oklahoma Cattlemen's Association and a large rancher and feeder at Guymon, Oklahoma; Pat Malone agricultural representative and Vice-President of the First National Bank in Amarillo; Bob Morford, feeder and packer-buyer, Abilene, Texas and Dr. Willard Williams, head of the Department of Agricultural Economics, Texas Technological College, Lubbock.

For the ladies, there will be a luncheon and style show Tuesday at 12:15 p.m. The meeting will conclude with a dinner dance Tuesday evening.

Tom Herrick, Amarillo feeder and Chairman of the planning committee, said, "All functions of the annual meeting program are open and we invite all feeders and those interested in the feeding industry to attend and take part in the discussions." Advance reservations indicate that attendance at the first annual meeting of the association will exceed four hundred.

The modern world appreciates results but it is not interested in excuses, good or bad.

A "Different" Sweet William

Most sweet williams are biennials. That is the seeds are sown one year and develop into small plants. These winter outdoors and bloom the following year. Red Monarch sweet william acts, instead, as an annual, blooming in two months from seeds sown in early spring; or in spring from fall-sown seeds. That's one characteristic that makes it "different."

A second is its flower color which is solid scarlet red, relieved by white stamens. Since mature plants grow 10 inches high if spring sown and 16 inches tall if seeds are sown in fall, those scarlet red blooms are good for cutting. They last a long time as individual florets continue to open.

Because of its annual flowering habit and its new color Red Monarch received an award for 1966 from All-America Selections. Seeds of all award winners should be purchased early as there never is enough to go around.

Voters to Decide Amendment

Saturday, November 11, the voters of Texas will decide on a Constitutional Amendment that concerns the future of state-supported higher education.

Amendment 6 seeks to alter a section in the 1876 Texas Constitution to allow non-elective state officers and employees to serve on state and federal advisory boards and committees.

The Constitution currently prohibits such appointments by stating that officers and employees of the state cannot hold more than one office of "trust, honor or profit." The provision will still not allow state officials to hold two bona fide and

salaried offices.

Much of the contract research being conducted by the federal government is guided by personnel serving in an advisory capacity. With no representation by the members of Texas' public institution on these boards, the state is placed at a serious disadvantage. The state loses millions of dollars by not obtaining such contracts, and research, and federal grants.

Appointments to the various advisory boards can greatly help faculty members keep abreast of developments within their fields.

Approval of Amendment 6 also would benefit Texas' state-

supported colleges and universities by allowing employees of government agencies, NASA scientists for example, to accept appointments as part-time faculty members and consultants.

Amendment 6 does not allow a person to be paid for holding both offices. It does permit an individual to accept per diem and allowances for his secondary appointment. And, all such appointments must be approved by the State Legislature.

You can succeed in your work despite bad judgment, a quality everyone possess in some degree.

Fiancee of Odis W. Nichols Jr.

Mr. and Mrs. John Smale of Arlington announce the engagement and approaching marriage of their daughter, Robyn Louise, to Odis Wesley Nichols Jr., son of Mr. and Mrs. Odis Wesley Nichols Sr. of Gatesville.

The couple will exchange wedding vows Jan. 6 in the First Presbyterian Church at Arlington.

Miss Smale is an Arlington High School graduate and attended East Texas State University, where she majored in speech and hearing therapy. Her sorority is Alpha Phi.

Her fiance, a graduate of Gatesville High School, received his bachelor of science degree in aerospace engineering from the University of Texas in Austin and is presently employed by Ling-Tenco-Vought.

Funeral Held For Gatesville Rancher Nov. 4th

Funeral services for Lloyd Williamson, prominent rancher in the King community, were held Saturday at Scott's Chapel here. Burial was in Pearl Cemetery.

Mr. Williamson, 72, died in a Gatesville hospital Wednesday. He had been ill four months. Mr. Williamson was born in Coryell County, son of Bush Williamson and Exah Williamson. He served with the U.S. armed forces in World War I. He lived most of his life in the Slater community, moving to the King community about 12 years ago. Mr. Williamson married Miss Irene Carpenter Jan. 18, 1922. He was a member of First Christian Church.

He had long been a leader in agricultural circles in the area and was a past president of

Coryell County Farm Bureau.

Surviving are his wife; two daughters, Mrs. Ervin Richmond of Nome and Mrs. Paul L. Smith of Okinawa; one sister, Mrs. Oscar Whitt of Cherokee; and one grandson, George Lloyd Edwards of Nome.

SCOTT REEVE PLEDGES PHI ETA SIGMA

Twenty-seven University of Texas students have been selected for membership in Phi Eta Sigma, national honorary scholastic fraternity for freshmen men.

Among those pledging were Scott Reeve of Gatesville. Scott is a 1966 graduate of Gatesville High School and the son of Mr. and Mrs. Charles A. Reeve of 114 North 27th Street in Gatesville.

Hornettes In Service. . . Open Season

Girls basketball season will open at the GHS gym tonight, Tuesday evening, Nov. 7, when the Hornettes will make their 1967-68 debut against strong Robinson. The night's twinbill will begin with a B game at 6:30 p.m. followed by the varsity clash.

Coach Gerald Poe, who has guided the Gatesville girls to a series of district titles, has named the following varsity squad:

Forwards -- Corliss Worthy, Carla Pfeffer, Joy Denny, Susan Fry and Jackie Fry.

Guards -- Joyce Nichols, Lou Ann Hasty, Sharon Hightower, Margo Veazey, Jan Byrom, Debbie Day and Catherin Mayberry.

Ft. Hood, Tex. (ATHNC) Army Specialist Five Leonard C. Draper, 29, son of Mrs. True D. Draper, Rt. 1, Gatesville, Tex. was assigned as a senior instrument repairman with Company B of the 1st Armored Division's 123rd Maintenance Battalion at Ft. Hood, Texas, October 15.

(9x0591) USS CONY (DD-508) (FHTNC) Oct. 27 -- Boilerman Fireman Joseph W. Wolf, USN, son of Mr. and Mrs. Arthur L. Wolf Sr. of Gatesville, Tex., is aboard the destroyer USS Cony, which pounded enemy strongholds 13 miles south of Tam Quan, Vietnam with its bombardment crushed two enemy command posts and paralyzed supply routes in the area.

Air spotters who controlled the attack, confirmed the area neutralized and reported smoke trails from secondary explosions.

The Cony, one of eight destroyers in Destroyer Squadron 22, has the job of battering enemy activities along 300 miles of Vietnamese coastline and supports the First Air Cavalry's operations in the area.

High School Coaches Association Studies Pro-Interference

L.W. McConachie, executive vice-president of the Texas High School Coaches Association, is in the position of working for something that does not affect his state.

But since it's for high schools in general, McConachie is pushing the project. He is chairman of the executive committee of the National Council of State High School Coaches Associations.

The committee has just concluded a meeting in Washington at which it was pointed out that the televising of pro football is hurting high school football attendance.

Only last March Congress passed a law prohibiting the telecast of professional football games on Friday nights and Saturday afternoons within 75 miles of the site of a college or high school game.

That, on the surface, seemed to have solved the situation.

But there was one flaw--the high schools had asked that televising of pro football games be banned of Friday nights both by a league or by individual clubs.

Congress went along with the league idea -- package television. But the individual clubs were left free to televise any time they wanted to.

McConachie says that in Texas there is no problem because the pro clubs are doing as the high schools want and not televising in competition with the schoolboy games even on an individual basis.

But this isn't true in other areas, McConachie found, and that's where the newest agitation of high schools comes in.

The high school of areas where the season starts before the enforced period of protection begins claim the pros are hurting their games although they have to admit that there's nothing illegal about it.

It so happens that Texas does not start the high school season until the enforced protection period comes in, thus there is no conflict.

It would seem here that the high schools of the areas that start before the protection period should just begin their season the first week in September instead of starting in August. But they claim they need to start that early because they wind up before Thanksgiving since weather is too bad to play after that.

Again, it would seem the high schools are being a little unreasonable. Why not just shorten the season? It would appear financially expedient any

way since money is lost on the games played before the protection period.

Anyway, it doesn't seem likely that the high school can get this idea across.

However, there are areas where the pros telecast during the week in competition with the high schools. But it is on an individual club basis and does not conflict with the law, which applies only to package television of a league.

It seems here the high schools have some cause for complaint. In fact, it seems here the pros would think it to their advantage not to televise in competition with the high schools and thus damage their source of player supply.

anyway, the National Federation of High Schools and the NCAA are going to the pros with a proposal that they sign an agreement not to televise on the nights the high schools play.

"If we can't get this agreement, then we are going to Congress and ask that the law include the individual clubs," said McConachie. "We have leaders in Congress who tell us they will pass such a law if we do not get the agreement."

It seems there will be no difficulty in getting the agreement in Texas. The pro club owners already are doing this.

FFA Selects Sweetheart

Marsha Tippit, Gatesville High School sophomore, was of the school's Future Farmer chapter at the unit's October meeting. She will represent the chapter at several official functions during the year and at the Central Texas District talent and sweetheart contest early next year. Two winners from the district will go to the area contest, with the winner there advancing to the state contest.

Miss Tippit is the daughter of Mr. and Mrs. Bill Tippit, Rt. 2, Gatesville. She is a member of Future Homemakers, Future Teachers and the Spanish club and plays on the Hornette basketball team. As FFA sweetheart, she succeeds Pam Curry.

Golden Circle Dinner

The Golden Circle Sunday School Class of the First Baptist Church of Gatesville, held their annual Thanksgiving Dinner at the Chateau Ville last Thursday night. Mrs. Bob Salter, president of the class was master of ceremonies for the evening.

After the turkey dinner, the women of the class and their husbands listened attentively as Bob Salter gave a short talk on showing gratitude in everyday life and religion.

Once upon a time there was a man who remembered his friend and repaid a favor.

Friday night in Jonesboro, two of the state's finest six man football teams - the Jonesboro Eagles and the Oglesby Tigers renewed a long standing rivalry in the highest tradition of competition. To add to the excitement, it was Homecoming in Jonesboro and the stands were full of Eagle fans and exes.

Starting the clash for the Jonesboro Eagles were Bill Ashby, 165 pound senior; Flan Nichols 155 pound senior; Dale Summerfield 135 pound sophomore; David Young, 140 pound junior; Randy Robuck, 160 pound junior, and Bobby Murry, 145 pound senior.

Tommy Leos, senior; Robert Marquez, senior; Rocky Dunlap, junior; Johnny Pitts, junior; Randy Dunlap, sophomore; and Donald Waddill, junior, start the clash for the Oglesby-Tigers.

With Oglesby winning the toss, the Eagles' Bill Ashby kicked the opening kickoff into the end zone to halt an Oglesby renback. The Tigers moved the ball consistently down the field against an extremely tough Eagle defensive attack. Rocky Dunlap passed and ran with help from Tommy Leos and Sidney Ross. With a first and 15 (in six man football a team must move the ball 15 yards for a first down) at the 21 yard line of Jonesboro, the Eagle defense stiffened and stopped Tommy Leos for a one yard gain. On second down Rocky Dunlap tried a sweep off of left tackle but found the Jonesboro defense quick to react. With third and 16 yards to go, Leos hit Dunlap in the flat only to find a host of Eagle defenders. Then an incomplete pass from Sidney Ross stopped the first drive of the ballgame.

On Jonesboro's first offensive possession the Eagles took over at their own 30 yard line. Flan Nichols went left for two yards. Bill Ashby went to the right side for 16 yards and a first down at the Oglesby 29 yard line. Flan Nichols carried on first to the Oglesby 18 yard line. Then speedy Bill Ashby got outside the Oglesby defense to score the first touchdown. Ashby's kick was blocked leaving the score 6-0.

Both teams were stopped by stout defensive play on their next possession. Then Oglesby took the ball when the speedy

Ashby was unable to pick up the one yard needed at mid field.

Rocky Dunlap passed to Larry Ross for a fifteen yard gain to the Jonesboro 27 yard line and a first down. Rocky Dunlap then carried around the right side for twelve to the Jonesboro 15 yard line. Then on third and two Tommy Leos passed complete to Rocky Dunlap who fought his way to the Jonesboro two yard line. With first and goal Leos hit Larry Ross on a quick pass over the middle for the touchdown. Then sure footed Ronnie Sulline kicked the extra points to give Oglesby an 8 to 6 lead.

Bill Ashby returned the kick-

off to the Jonesboro 29. Then on first down Ray Summerfield hit Bill Ashby over the middle with a perfect toss and a 51 yard touchdown. Jonesboro held on and took a 4 point lead into the half time activities.

Following the third quarter kick off Jonesboro wasted no time in scoring a bomb to Bobby Murry to take a commanding lead. This touchdown proved to be the winning score. Later in the third quarter Flan Nichols crashed in for a score to make the tally 24 to 8 Jonesboro. Then Bill Ashby kicked for two extra points 26 to 8.

Later a Bill Ashby kick was blocked and Oglesby took over at the Jonesboro 14 yard line. Dunlap then passed complete to hard running Donald Waddill who carried to the five yard line. Then in three tries Timmy Leos crashed in for the score making the score 26 to 14 Jonesboro.

Oglesby tried an on side kick which is a very effective weapon in six man ball but Charlie Gilmore took no chances and recovered the ball at the Jonesboro 35 yard line. From that point it took six plays with the score coming by speedy Flan Nichols from the Oglesby 11 yard line making it Oglesby 14 - Jonesboro 32.

Then coach Billy Dyer decided to kick short punt and Ashby performed the tactic to perfection and Jonesboro has the ball at the Oglesby 14 yard line. With two minutes to play Ashby carried a first down to the Oglesby 14 yard line where

he met the Oglesby defensive terror, Randy Dunlap. Then Flan Nichols carried to the nine yard line and met Mr. Randy Dunlap. Speedy Charlie Gilmore got the call on the third down and crashed to the 1 yard line. Then fourth down, it was Charlie Gilmore's speed and a touchdown. Jonesboro 38, Oglesby 14.

Six man football is a special experience, very fast and hard hitting. The fans often seem to have better communication with the player than the coaches. Shouting encouragement to the players and walking up and down the field as play moves back and forth. Excitement is just naturally a big part of six man

Highlighting the football game was the crowning of the 1967 Eagle Homecoming Queen Miss Judy King. The petite brown-haired beauty is the daughter of Mr. and Mrs. Barney Ray of Jonesboro. A senior at Jonesboro High, Judy has been on the Eagle basketball, volleyball and track squads since she began her high school career. Other honors Judy has received are FFA Sweetheart, class Favorite and Third Vice-President of the FHA. Miss King is a true asset to Jonesboro and a fine representative of Eagle Royalty.

Queen Judy's attendants were Miss Elizabeth Courtney, Patsy Schrank, and Gloria Hohertz. Miss Courtney, a vivacious brunette, is manager of the Eagle basketball team, an active member of F.H.A. and this year was elected an Eagle cheerleader and reporter for the sophomore class. She is also a member of the volleyball and track teams.

Miss Schrank, a junior, was elected President of FHA, and serves on the Student Council. She is on the Eagle basketball track and volleyball squads and was a cheerleader her sophomore and junior year.

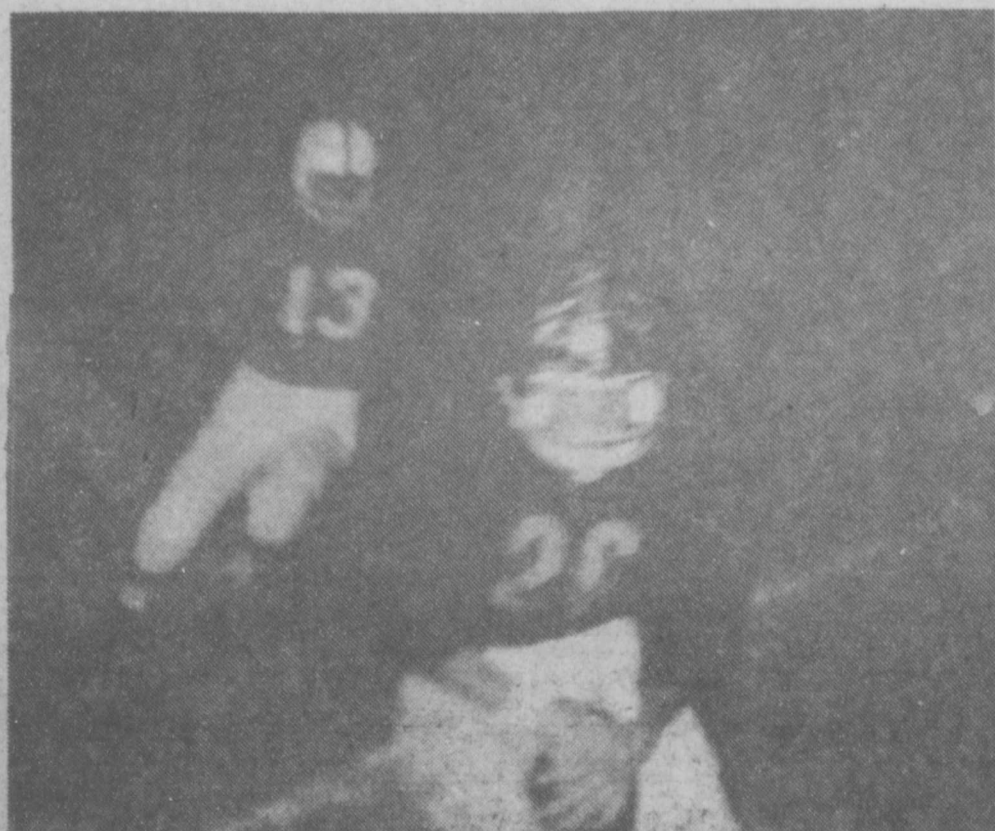

Miss Hohertz also a junior was a cheerleader and on the Student Council last year. She is also a member of the basketball, volleyball and track squads.

football and both these temas provide all the necessary ingredients.

Keep watching the Eagles this year because they have the potential to win state.

Under the pressures of 6 man football, and the heavy pursuit of a hungry Tiger, a Jonesboro Eagle juggles the ball.
