Attorney Bob Cummings, representing Gatesville attempts to establish city limits of Gatesville and population of Gatesville with first witness.

JURISDICTIONAL TRIAL BEGAN MONDAY IN 52nd. COURT

The trial of the law suit filed by the City of Gatesville against Fort Gates began Monday morning in Judge Truman Roberts' 52nd District Court. The suit seeks to nullify an annexation ordinance passed by the City of Fort Gates.

The trial will center around the City of Gatesville's population July 13, 1965 when the city became a "home rule" city. If Gatesville is determined to be less than 5000 in population it will mean the annexation ordinance did not include Gates-

ville's extra-territorial jurisdiction. (Cities under 5,000 population have only 1/2 mile extra territorial jurisdiction) On the other hand, if Gatesville proves the city did have 5,000 population the extra territorial jurisdiction will include part of the Fort Gates property annexed last May.

The jury selection was completed in less than two hours Monday morning and other proceedings began.

The jury consisted of 11 men and 1 woman.

Mr. Nathan Cooper
Mrs. Ueva Freeman
Mr. Quentin McCorkle
Mr. Ray Byrom
Mr. James Inabret
Mr. M.J. Hana
Mr. Otha Moreland
Mr. Tom P. Holeyfield
Mr. Wayne Pearce
Mr. Don Saunders

Thirty-two prospective jurors were questioned before the final selection was made.

Bob Cummings, Attorney for the plaintiff, Gatesville, called as his first witness, Mr. Eiland Lovejoy, City Manager of Gatesville, and long time employee of the city. Mr. Cummings questioned Mr. Lovejoy as to the city limits of Gatesville last May at the time of the suit. Also the calculation of Gatesville's population was interred into evidence at this early time.

San Antonio Man Charged With Assisting Jail Break

Fred Gaston, 23, of San Antonio and formerly of Gatesville was jailed Friday and accused of smuggling the saw blades to Donald Lee Gentry and Tommy Harrelson.

Gentry and Harrelson escaped from County jail last week with the aid of the blades. They were recaptured and returned to jail late Tuesday January 16.

Mr. Gaston had been released on \$2,000 bond in October 1967 on a charge of forgery. He returned around Christmas time with a gift for the inmates. The package allegedly contained the blades used in the escape.

Friday, Gaston appeared for arraignment and was charged with the new crime. Sheriff Windy Cummings had been investigating Gaston since the jail break and merely waited for the suspect to appear for arraignment on the forgery charge.

Bond for Mr. Gaston has been set at \$5,000.

Henson Attends Election Study

Thursday January 18, Mr. Bubba Henson attended an Election Law Seminar in Austin. Secretary of State, John L. Hill conducted the seminar on the changes in election procedures made by the 60th. Legislatures

The changes in election law does not concern individual citizens when they vote only the procedures and clerical duties are effected.

Mr. Henson reported that county clerks and other election officials throughout the state were present at the conference. Secretary Hill instructed attendants to arrange local seminars to inform all election personnel of the changes.

WET WEATHER STATEWIDE

7.36 IN SUBMERGE GATESVILLE AREA

By The Associated Press
Clouds, fog, drizzle and rain covered Texas Saturday night after downpours in the state's midlands sent streams boiling out of their banks in the deadliest floods since Hurricane Beulah's September deluges.

The death toll mounted as the inclement weather hung on with slight hope for quick relief.

Searchers in West Central Texas found the bodies of two young men missing since an automobile was swept down Brady Creek early Saturday.

The dead were Ernest Powell Halmark, 28, of Brady and Larry Bishop of Mason. Three

other young persons managed to reach the safety of the swollen creek's bank.

Police said their car was swept away at a low water crossing about 3 a.m. The bodies were recovered late in the day.

In the same area, Llano had 4.90 inches of rain in three days and the Llano River leveled off with an eight-foot rise. In San Antonio, the body of Robert Hernandez, 18, was found in rainswept Woodlawn Lake on the city's west side. He had been dead two or three days, a medical examiner said.

LONE STAR GAS OFFICIAL DIES; RITES HELD JAN. 19

Funeral services for D.A. Hulcy, Sr., retired chairman of Lone Star Gas Companies and a national business and civic leader for the past three decades, were held 2 p.m. Friday, January 19, in Dallas.

Hulcy died 12:30 Wednesday, January 17, at Baylor Hospital in Dallas. He was 75.

Hulcy, whose business and civic activities assumed national proportions in 1951 when he simultaneously served as president of his company, president of the American Gas Association and president of the Chamber of Commerce of the United States, ended a 47-year Lone Star Gas Company career in April, 1967.

Hulcy began his Lone Star career in January, 1920, as a clerk in the firm's Accounting Department. He became chief clerk of his section within four years and was named assistant comptroller in 1927. He became assistant to the president in 1929 and was elected to the company's board of directors and elected a vice president in 1935. In 1936, he was elected executive vice president, the post held when he was elected president in February, 1940, at the age of 47.

He served in the dual capacity of president and chairman of the board of directors from 1952 until he relinquished the presidency in July, 1957, to devote full time to board matters.

A native of Franklin, Texas, D.A. Hulcy ran an aptitude for figures and correspondence course in accounting into a leading role in fashioning one of the nation's largest multi-service natural gas utilities. In his

17 years as the firm's president Lone Star's size more than doubled, and during his tenure as chairman of the board the company achieved its present size and diversified into the field of chemical fertilizer manufacturing through Nipak, Inc., a subsidiary of Lone Star Producing Company.

A distinguished civic leader, Mr. Hulcy received a special award from the Greater Dallas Planning Council in 1958 for his outstanding service as chairman of the Dallas Master Plan Committee. Mr. Hulcy served three terms as president of the Dallas Chamber of Commerce and one term each as president of the Dallas Community Chest, Dallas Citizens Council, Dallas Petroleum Club, Circle Ten Foundation and Circle Ten Council, Boy Scouts of America, and Texas Bureau of Economic Understanding. He held honorary Doctor of Law degrees from Texas Wesleyan College and North Texas State College, now North Texas State University, and he was named Salesman of the Year by the Dallas Sales Executives Club and was honored as "All-time Headliner" by the Press Club of Dallas. In 1948, he received the Linz Award for outstanding community service in Dallas.

Survivors include wife, Mrs. Elsie B. Hulcy; two sons Louis and D.A. Hulcy, Jr., all of Dallas; two daughters Mrs. Albert Yeargan of Dallas and Mrs. Fred Owen of Whitney; one brother R.A. Hulcy, Palestine; eleven grandchildren and two great grandchildren.

YOU Register To Vote

Voter registration for Coryell County continues at a slow pace partly because of the rains of the last week.

The last day for registration is January 31 and that leaves nine days in which to register.

This will be an important election year in the state and county. The Governors race shapes up as one of many choices. County races are of direct importance to citizens and citizens will want to vote.

As of last count only 5586 persons had registered to vote in Gatesville and Copperas Cove. It was reported that Copperas Cove was beginning to show increased voter registration. The last minute rush is at hand don't fail to register.

School Employees Get Pay Raises

Gatesville school board has passed an order hiking the minimum wage rate for school employees to comply with the change in federal wage and hour regulations becoming effective February 1.

Under the change, the minimum pay will be \$1.15 per hour for a 42-hour week. The present minimum is \$1 an hour for a 44-hour week.

Supt. L.C. McKamie estimates the increase will cost the school \$7,000 a year, including \$4,400 in pay raises for cafeteria personnel.

A CITIZEN SPEAKS OUT

To a society as large and diverse as this one, large government is a necessity. To a nation as strong as this one, strong government is indispensable. There are many things that can be done only by government and best by government.

There are other things, however, that can be done only by the private organizations and individual citizens working together and best by them.

There is a feature in the nature of government that keeps it from accomplishing many things that need to be done. An understanding of that factor both inside and outside of government would do much to explain the frequent frustration caused when well-intentioned programs do not live up to expectations.

The feature is that no matter how positive a government wants to be and no matter how positive the statements of its officials are, its efforts are often negative in execution.

Government can pass laws against theft, but no law can make a people want to be honest. Government can pass laws forbidding the abridgment of freedom of religion, but no law can make a people want to worship God. Government can pass laws against drunkenness, but no law can make a people want sobriety.

Even in its attempt to assure basic civil rights to all citizens, which appears positive, government can only pass laws against denying a member of any race the right to live wherever he wants and to work wherever he qualifies. No law can make families, neighborhoods, employers or workers want to share what they have with members of another race.

Government can and does try to stop people from doing undesirable things, but it cannot make them want to do desirable things.

The real danger to freedom today, as well as the cause of much frustration, anger and bewilderment, is that too many people are looking to the government to grant freedom, assure rights, build prosperity and create brotherhood--things no government in history has ever been equipped to do alone. Many people expect the government to do what only they can do for themselves.

Our nation faces an apparent widespread deterioration in personal integrity, seen in practically every segment and level of society, from the repairman who does shoddy work... to the factory workers who gives no thought to the quality of the product he is making... the clerk who takes office stamps... the salesman who pads his expense account... the manager who cheats on his taxes... the attorney who recommends an unjustified lawsuit... to the physician who might expand a medical report to inflate the insurance payment to himself and his patient. It also is seen at every level of government from censure proceedings in our highest legislative bodies to a city where national guard troops are mustered to prevent election abuses.

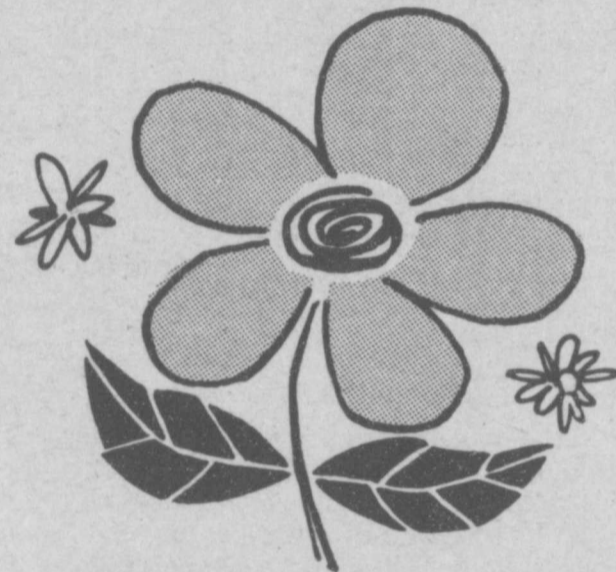

Government alone cannot solve this problem. There already are laws against all of these things. The solution can come only from a heightened desire by all people to be honest themselves and a willingness to insist on integrity in their neighbors, associates and elected officials.

Leaders in government understandably see it as their duty to do for the people of this country whatever they believe, or whatever they are told by citizen groups, is not already being done equitably, effectively and efficiently by the private sectors of society.

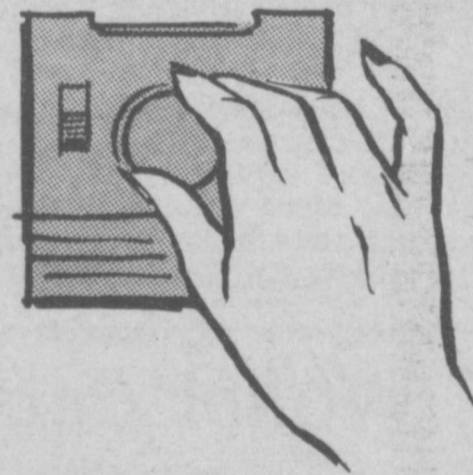

When private citizens abdicate their responsibilities and ask the government to do a job, government responds in the only way it can: it passes more laws and usually appropriates more money. And every time another law is passed, it means another small or large restriction on somebody's freedom.

As citizens, in other words, we have this choice when facing a situation that needs correcting. We can do it ourselves; or we can ask the government to pass a law that says we must not fail to do it--and that sets up an administrative mechanism to enforce the prohibition. The former choice is by far the best way to meet a situation, at least from the standpoint of economy and independence; and often from the standpoint of speed efficiency and effectiveness, depending on the nature of the problem.

The government will be called on to help. Its resources and responsibilities certainly cannot and should not be overlooked. But the initiative, leadership and work should remain in the hands of the citizens.

Miss Maxwell Engaged To James Leslie Sims

MISS CAROLYN MAXWELL

Mr. and Mrs. Stephen Maxwell of Gatesville announce the engagement and approaching marriage of their daughter, Carolyn Marie, to James Leslie Sims, son of Mr. and Mrs. Curtis O. Sims of Gatesville.

Miss Maxwell is a 1967 graduate of Gatesville High School and Nixon-Clay Business College in Austin. Mr. Sims is a 1966 graduate of Gatesville High School and is currently completing his sophomore year at Rice University in Houston.

The couple will exchange wedding vows in the home of the bride's parents Jan. 27. Rev. Frank L. Turner Jr. of Mexia will officiate.

Miss Helen Waller and Van Jones Wed in Teague

Miss Helen Diane Waller and Van Edward Jones were married Dec. 31 in the First Methodist Church of Teague. The double ring ceremony was performed by J. Sullivan Bond Jr., rector of Saint Paul's Episcopal Church of Waco.

The bride is the daughter of Mr. and Mrs. Ben Waller of Teague. Parents of the bridegroom are Mr. and Mrs. E.W. Jones Jr. of Gatesville.

Given in marriage by her father, the bride wore a street length dress of white Desire. The dress was A-line with mink and rhinestone trim forming the cuffs of the three-quarter length sleeves. A Lillie Rubin original, the dress had a high neckline with small rolled collar. Her headpiece was a mantilla of net and Alencon lace. Her jewelry was a diamond and pearl pendant, a gift from the bridegroom. She carried a nosegay of pink sweetheart roses and white lace, tied with pink velvet ribbon, atop a white prayer book.

Attending the bride as matron of honor was her sister, Mrs. Jack Gravitt of Carbondale, Ill. Mrs. Gravitt wore a dress of pink crepe with matching pillbox and carried one long stemmed pink rose.

E.W. Jones Jr. served his son as best man. Ushers were Johnny Bates and Edwin Powell. Members of the immediate families and a few close friends attended the wedding.

The bride's parents were hosts for a buffet supper in their home immediately following the ceremony.

Mrs. Jones is a junior home economic major at Baylor University in Waco. She is a member of Tri-D Home Economics Club and of Alpha Lambda Delta, national freshman honor society. Mr. Jones, a senior at Baylor University, is a member of Alpha Kappa Psi fraternity.

After a short wedding trip, the couple is residing in Waco.

CARD OF THANKS

I would like to express my sincere thanks to everyone for all the kindness and concern shown to me while in the hospital. I deeply appreciate the flowers, cards, gifts, candy and visits. I especially thank Dr. E.E. Lowrey, Dr. O.W. Lowrey, Dr. K.R. Jones, the nurses and hospital staff who were so nice to me. May God bless each of you.

Miss Jones Weds Charles Melton in Church Rites

Miss Katherine Jones became the bride of Charles E. Melton in a recent candlelight service in Live Oak Baptist Church. Rev. Royce Christmas officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. John W. Jones of Gatesville and Mr. and Mrs. Norman Melton, also of Gatesville.

Miss Mamie Sue Halbrook presented the wedding music and Mrs. Harold Drake sang two solos, "Oh, Perfect Love" and "I Love You Truly."

Given in marriage by her father, the bride wore a floor length gown of white satin with a white lace jacket with long bell shaped sleeves, and a lace train. Her veil was of white net with pearls across the crown. She carried a bouquet of white carnations and a white Bible. Her jewelry was a wrist-watch, a gift from the bridegroom, and a pearl necklace belonging to her grandmother, Mrs. Roy Gilchrest.

The bridal gown and veil and the dresses and bouquets of the matron of honor, the bridesmaid and flower girls were made by the bride's cousin, Mrs. Carolyn Kilgo.

Mrs. Kilgo was matron of honor and Janice Dyson, cousin of the bride, was bridesmaid. Flower girls were Brenda Dyson, cousin of the bride, and Peggy Jones, sister of the bride.

James Evetts, cousin of the bridegroom, served as best man. Gary Fruge and David Fruge, also cousins of the bridegroom, served as groomsmen and ring bearer. Candlelighters were Tony Jones, brother of the bride, and Ricky Fruge. Ushering were Royce Jones, brother of the bride, and Steve White.

Mrs. Nancy Gray, sister of the bridegroom, presided at the bride's book.

After the ceremony, a reception was held in the home of

Highlights and Sidelights

By Vern Sanford

Democrats will have at least a five-ring circus in the upcoming primary race for governor. In fact, there's a good chance that as many as eight candidates will toss their hats in the ring by the February 5 filing deadline.

It will be a free-for-all, with the two best-known Democratic leaders, Gov. John Connally and Sen. Ralph Yarborough, standing on the sideline. For the first time since 1956 the incumbent governor will not be running for re-election.

Lt. Gov. Preston Smith, happy that his prediction that Connally and Yarborough would stand aside, continued his steady campaigning for governor as, one by one, other candidates got into the race.

Gordon B. McLendon, Dallas radioman, and Pat O'Daniel of Dallas, son of former Gov. W. Lee O'Daniel, were the first to follow Smith in the filing.

Then came former Attorney General Waggoner Carr.

Secretary of State John L. Hill of Houston lines up at the post Monday for a running start to become No. 5.

Don Yarborough of Houston, who ran against Connally in 1962 and 1964, was in chute No. 6.

In chutes Nos. 7 and 8 were two Texans who have been serving as ambassadors. These are Eugene Locke of Dallas, who has been in South Vietnam, and Ed Clark of Austin and San Augustine, who has been in Australia.

Decisions by Sen. John Tower and U.S. Rep. George Bush of Houston to stay out of the Republican primary for governor leaves that race open for the moment. Albert Fay of Houston is mentioned most among the GOP as their standard bearer against the winner of the Democratic donny-brook.

JUNIOR COLLEGES TO 'OPEN DOORS'

Junior college admission for anybody who wants to "succeed or fail on his own effort" is part of the policy of the public junior college master plan adopted by the Coordinating Board, Texas College and University System.

Senior colleges and universities are getting more and more selective, and the Board felt there must be a place for the "late bloomer" -- the student who demonstrates academic ability later than most, as well as the person whose employment ambitions require only two years of college, and the post-college age people who need continuing education.

There are 39 public junior college campuses in the state now, and the Board's plan envisions 73 within 20 years, with total enrollment of 305,000. Junior college enrollment is increasing at the average rate of 20 percent a year, compared to a 10 percent average increase for four-year schools.

Ironically enough, the plan adopted and labeled "emergency" was similar to one proposed by Rep. Jerry Sadler in 1955, but rejected as "too ad-

vanced."

ATTORNEY GENERAL RULES

A member of the Texas Teacher Retirement System can "buy" out-of-state experience credit less than three years before he retires and draw corresponding additional benefits three years after payment, Atty. Gen. Crawford Martin held.

In other recent opinions, Martin has concluded that:

Texas Air control Board must determine which plants processing agricultural products in their natural state (those which come to plants in substantially the same condition as they existed in nature) are under its jurisdiction.

Members of Air Control Board also can serve on the advisory National Center for Air Pollution Control or as faculty members at state-supported universities.

Junior colleges are exempt from standard floor space, type building, bond and number-of-instructors requirements for cosmetology training courses.

Utility companies are responsible for costs of relocating poles and other facilities incident or widening of county roads where facilities are located on a prescriptive road right of way. Companies have no right to any portion of right of way due to long use.

PARK FUNDS GRANTED

A \$219,500 federal grant has been approved for acquisition of 1,259-acres of land on Lake Livingston in Polk, Trinity, San Jacinto and Walker Counties to develop six different park sites.

Trinity River Authority will put up an equal amount for the project.

SMITH NAMES COMMITTEES

Lt. Gov. Preston Smith named four Legislative Council committees to undertake studies ordered by the 1967 Legislature. Committees also will make recommendations to the Council, and the 1969 Legislature.

To the Committee on Feasibility of Establishing and Operating an Academy of Science in Crime Prevention and Detection, Smith named Rep. Gene Hendryx of Alpine, chairman; Sen. Jack Hightower of Vernon; Sen. David Ratliff, Stamford; and Reps. Paul Floyd of Houston and James Slider of Naples.

To the Committee to study Rules and Procedures of State Administrative Agencies, he appointed Rep. R.H. (Dick) Cory of Victoria (chairman); Sen. Barbara Jordan of Houston; Sen. J.P. Word of Meridian; Rep. Grant Jones of Abilene and Rep. Ralph Wayne of Plainview.

Smith picked Sen. Murray Watson Jr. of Waco to chair the committee to study the Fire Record Credit and Debit System. Others on this committee are Rep. Tommy Shannon of Fort Worth, Rep. Don Cavness of Austin, Rep. George Hinson of Mineola, and Sen. Hightower.

Rep. Menton Murray of Harlingen, Representative Cory and Representative Jones will serve with Senator Jordan on the committee on Statutory Revision. Senator Word will chair that committee.

APPOINTMENTS ANNOUNCED

Governor Connally named First Assistant Atty. Gen. George Cowden, 37, chairman of the State Board of Insurance. Cowden, of Waco, succeeds William Hunter McLean of Fort Worth, who is retiring February

1 after five years' service on the major state board.

Atty. Gen. Crawford C. Martin then elevated Nola White to Cowden's post as Martin's top assistant. White, 62, of Beaumont has been heading the crime prevention division on the attorney general's staff.

HORNETS STAY ALIVE WITH VICTORY OVER DUCKS

The Hornets traveled to Taylor Friday night. The locals kept alive their chances of victory in the 13AAA North game championship with their 61 to 59 win over the Ducks.

Starting the action for the Hornets was Reggie Scheonewolf with 22 points for the evening. Reggie connected nine times from the field and capitalized on four foul shots.

Gatesville moved into a commanding lead early in the game. The first quarter ended with the Hornets holding a 6 point lead. Then in the second quarter the game opened up with Gatesville outscoring the Taylor

Ducks 24 to 16 and leading at the half 41 to 27.

The Hornets came out in the second half looking for the sure shots and playing a cautious game. The Ducks moved up in the third quarter when the Hornets scored only 8 points.

The Hornets picked up 12 points in the fourth quarter while the ducks picked up 20 points. The game did not come down to a last minute as the score might indicate. The Ducks picked up their last two points in the closing seconds while the Hornets made sure not to foul.

Scoring went as follows:

Reggie Scheonewolf	22
Bobby Cole	11
Kenny Gaston	10
Raymond Cole	8
Buddy Wiggins	4
Bobby Stovall	3
Kermit Swindall	2
Jerry Morgan	1

Hornet B's Smash Duck B's

Traveling to Taylor with the "A" boys were the Hornet "B". In the Duck gym Friday night it was Duck season and the Hornets used both barrels (A & B).

"B" team action followed the same line as the "A" team with an early margin. By half time the Hornet offense had bagged 28 points while the Ducks only got 10 points.

Three Hornets scored in double figures, Bruce Neely 14, Fred Rhea 12, and Doug Freeman 10 points.

The second half was still all Hornet action extending their lead to 40 to 17 at the end of the third quarter.

Fourth quarter action ended with a comfortable win for the B's 52 to 32.

Bruce Neeley	14
Fred Rhea	12
Doug Freeman	10
Danny Belf	2
Gary Carothers	2
Mike Moore	2
Billy Stovall	2

FROSH LOSE IN OVERTIME BATTLE

On the local hard wood the Freshman lost an overtime contest with Nolan High School Freshman.

The Nolan squad, with their height and good shooting, dominated the first half. The Hornets were not hitting at first. The half time score was 24 to 14.

The Hornets played a good third quarter and managed to break even with points 10 and 10.

Still 10 points behind, things began to happen. The zone press used by the Hornets began to take its effect. The Nolan five only picked up 3 points in this final regulation quarter.

Good defensive play marked the quarter with Steve Palmer leading the charge with fine ball hauling.

With 2 minutes to play Gary Kofer tied the game with a couple of tosses from the foul line. The game remained close with each team matching the others points. With only 20 seconds to play Steve Palmer scored the tying two points on a fast break. The Hornets

set up the full court press and stopped the Nolan five from scoring again in regulation play.

The three minutes of overtime was some of the finest basketball played in the local gym. Leading scorer for the Hornets, Randy Scheonewolf with 21 points picked up the 6 overtime points for Gatesville squad but the good field shooting and free throws by the Nolan five broke the tie.

One of the officials mentioned during a time out that he had never seen so many close games in one gym. He had officiated two one point margin games, and two overtime contests in the last month.

The Hornets except a hard fought loss 43 to 45.

RAIN

continued from page 1
On the local scene, the Gatesville area was splashed with a total of 7.36 inches of rainfall since last Thursday reported Mr. Pat Holt. The downpours ranged from heavy to fine mists but nevertheless caused creeks, streams and rivers in the immediate area to go on a frantic rampage southward toward the Gulf.

The Leon River was reported flowing out of its banks through-

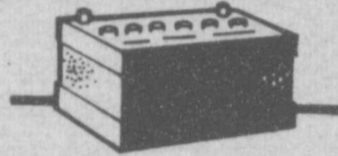

out the area. State Highway Patrolman, Wallace Plentl, reported the river out of its banks and 3 feet deep on the highway near Mound.

As Monday morning rolled around, the skies cleared and a beautiful sunny day heralded "promised" clear days for this week.
