## Court Decides In Gatesville's Favor

The verdict in the law suit filed by the City of Gatesville against the City of Fort Gates was in favor of Gatesville.

The jury was given the case at 10:05 Wednesday morning and they returned with the verdict two hours and forty-five minutes later, at 12:50.

The trial centered around several points concerning city records, accurate measurements and accurate calculation of population.

Throughout the trial, discussion revolved around the methods and bases used in calculating population on July 13, 1965, when Gatesville declared the "Home Rule" form of government.

Witnesses and attorneys found the figures involved easy to play with, but hard to justify.

By noon Tuesday, both sides had concluded all testimony and cross-examination. Judge Truman Roberts recessed the trial until Wednesday morning at 9 o'clock, at which time, he charged the jury.

In the charge to the jury, Judge Roberts directed their attention to the questions per-

taining to the case. The jury was instructed to answer each of the "special issues" with a unanimous answer, without compromise among themselves.

The following "special issues" were given to the jury:

Do you find from a preponderance of the evidence that:

1. On July 13, 1965, that at the time it adopted the Resolution determining the population of the City of Gatesville, that the City of Gatesville did not have more than 5,000 inhabitants?

Answer: It had more than 5,000.

Do you find from a preponderance of the evidence that:

2. The City of Gatesville, Texas, acted in good faith in passing its resolution of July 13, 1965, declaring the population of the City of Gatesville, Texas, to be over 5,000 inhabitants?

Answer: Yes.

Do you find from a preponderance of the evidence that:

3. A portion of the area purported to be annexed to the City of Fort Gates, Texas, by ordinance # 12067 lies within

one-half mile of the city limits of Gatesville, Texas?

Answer: Yes.

Do you find from a preponderance of the evidence that:

4. A portion of the area purported to be annexed to the City of Fort Gates, Texas, by ordinance # 12069 lies within one-half mile of the City Limits of the City of Gatesville, Texas?

Answer: Yes.

Do you find from a preponderance of the evidence that:

5. The area purported to be annexed by ordinance #12069 of the City of Fort Gates, Texas is over one-half mile in width?

Answer: Yes.

What happens now? Attorney, Bob Cummings, representing the City of Gatesville, will draw up a judgment to present to the attorney for the City of Fort Gates, Everett O'Dowd, for approval and signing. If, for some reason, Mr. O'Dowd considers the judgment in error, it will return to Judge Roberts' 52nd District Court for a hearing.

## SENIORS NOMINATE "BEST ALL AROUND"

The nominees for the "Best All Around" highest honor in Gatesville High School were selected this week during a special senior class meeting. The nominees for this highest honor are: Back Row: Jerry Morgan, son of Mr. and Mrs. L.O. Morgan of Gatesville, Bobby Cole son of Hettie Cole of Gatesville, Janis Daniel daughter

of Mr. and Mrs. Lowell Buckner of Purmela, Doyce Wright of Gatesville. Front row: Cherri Tatum, daughter of Mr. and Mrs. Wade Tatum of Gatesville and Coleen Coward daughter of Mr. and Mrs. Milton Coward of Gatesville. The Best All Around Girl and Boy will be selected by the entire student body at G.H.S.

## GHS Follies Stars Selected

"Up, Up and Away" is the highflying title of this year's annual Band Follies to be presented by the Gatesville High School Hornet Band on February 2 and 3. The hour and a half program will take the audience on an exciting trip through outerspace to visit a few of the heavenly bodies. The

spaceship's astronauts, who will be the hosts for the evening, are two well-known comedians who are looking for new talent. An array of "stars" and "star attractions" will be featured throughout the evening.

Tickets for the evening's flight, may be purchased be-

forehand from both Junior High and High School Band Students. The price: \$.75 students; \$1.50 adults. Tickets may also be purchased at the door for slightly more.

Don't miss this exciting Band Follies "adventure" on February 2 and 3 at 8:00 p.m. in the High School Auditorium.

## County Fair Slated Feb. 2-3

The annual Coryell County Fair and Livestock Show is scheduled for February 2 & 3. General Superintendents for the show are Fred Koch Jr. and Clovis King. Mrs. Ruth Campbell and Mrs. W.T. Shoemaker head up the home economics division.

On the Board of Directors are Don Callahan, R.L. Melbern, Gene Clarke, Tom Holyfield, Sam Powell, Clovis King, Carroll Smith, Clois Stone, Homer Perryman, Charles C. Rippey, Leroy Hoermann, John Cowser, and Marcus Rose.

Each year close to 100 youngsters from around the county bring their animals to show and their skills to compete for ribbons and money in areas such as animal care, grass judging, cooking and sewing.

At last year's fair, \$720.00 was awarded to these industrious youths. They are given their prizes according to the number of points compiled through winnings of places and ribbons.

The main purpose of this fair is to help the young people fi-

nancially, and to promote interest and good habits in the areas of animal raising and agriculture and to help these contestants to gain experience that they can use in later shows they will attend.

The fair is sponsored by the Chamber of Commerce and financed through the efforts and money of the businessmen of Gatesville, Copperas Cove and Evant.

## Gatesvilleites Attend Motel Conference

"Company's Coming" was the theme of the Texas Motel Association and Tourist Court Journal Conference in Temple, Tuesday.

Attending the meeting from Gatesville, were Mr. Bob Miller, Mr. Tom Miller, Mr. Sam Powell, Mr. Travis Meharg, Bob Meharg, Mr. and Mrs. Ollie Little and Mrs. W.L. Martin.

# FUNERAL NOTICES

## Henry Clay Jones

Funeral services for Henry Clay Jones of Gatesville, were held at Scott's Chapel, Thursday with Rev. Billy Bristow officiating. Burial was in the Pidcoke Cemetery.

Mr. Jones died in a Gatesville hospital Monday. He was 78.

Mr. Jones had lived in Coryell County all his life and in Gatesville 27 years. He was employed as a restaurant cook. Mr. Jones was born at Pidcoke and lived there until he moved to Gatesville. He married Miss Linnie Jones in 1913; she died in 1965. He was a member of the Baptist Church.

Surviving are five sons, W. B. Jones of Lovington, New Mex.; Virgil Jones of Arnett, and Doyle Jones, Coy Jones and Bill Jones of Gatesville; two daughters, Mrs. Jack Klipstine of Gatesville and Mrs. Bob Osborn of Bastrop; one brother, Cecil Jones of Dallas; 24 grandchildren and four great grandchildren.

## Mrs. Jess Bell

Mrs. Jess Bell, 89, Rt. 1, Moody, died at 4 p.m. Tuesday in a Waco hospital.

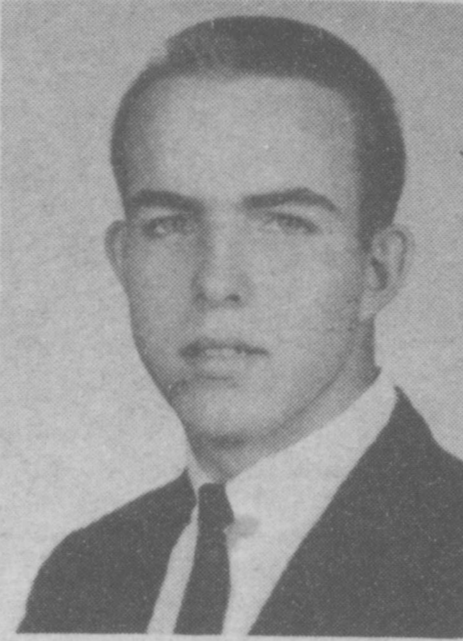

Services were held at 2:30 p.m. Thursday at the First Baptist Church of Moody, the Rev. R. B. Baker and Rev. George Brittain officiating; with burial in Moody Cemetery.

Mrs. Bell was born in Bell County near Moffatt and lived in this area all her life. She was the widow of Jess E. Bell, who died in 1958.

Surviving are five sons, Armed Bell and Bryant Bell, both of Moody, Thelbert Bell of Temple, J. C. Bell of Dallas and Ulysses Bell of Irving; two daughters, Mrs. Jess Hatter of Copperas Cove and Mrs. Sandy Rhoades of Gatesville, a brother Robert Swaim of Temple; three sisters, Mrs. J. H. Penn of Temple, Mrs. Sam Kelley and Mrs. Riley Eakin, both of Lubbock; 18 grandchildren and 19 great-grandchildren.

Grandsons were pallbearers.

## Jaycees Select Member of the Month Honors

Mr. Johnny Brown

Tuesday evening, January 23, the Gatesville Junior Chamber of Commerce announced the selection of the "Jaycee of the Month" for December, Johnny Brown of 301 Leon Street. Johnny was committee chairman for the "White Elephant Sale" held in December. The sale boosted the funds for lighting system for the Coryell County Courthouse.

Johnny is the son of Jim J. Brown of Gatesville and a 1964 graduate of Gatesville High School. He is attending Temple Junior College.

Kerrville will open its first two-weeks session Sunday, June 2, 1968. Five Sessions will be held this summer for youngsters from seven through sixteen years of age.

The camp is free to eligible blind, deaf, mute or crippled children. Transportation to and from the Camp is supplied by the local Lions. All requests for summer camp are handled locally by Lions.

For more detailed information about the Camp, you are urged to contact Howard Franks of the Gatesville Lions Club, business phone 865-5811; residence phone 865-5355.

In the past years, Lions have sent over 10,000 youngsters to camp.

Applications for a summer vacation full of fun for handicapped children in the Gatesville area are now being accepted by members of the Gatesville Lions Club. This unique Texas Lions Camp for Crippled Children at

## ...Conference

The meeting centered around two topics, Hemisfair '68 and Texas Travel Trails.

Mr. Truitt Lattimer of the Texas Historical Survey Committee, discussed the recently announced Travel Trails and encouraged local organizations to promote points of interest in their area.

Mrs. Joy Schultz of Hemisfair, presented a film about the fair and discussed the impact of the tourist dollar on the Texas economy.

There is "Company Coming", what will Gatesville offer as points of interest?

## Pee Wee Footballers

### Honored by Jaycees

The Jaycees held their regular Tuesday night meeting at the Chateau Ville restaurant with members of the Pee Wee football team present.

The youngsters were awarded letter jackets during the "banquet like" meeting.

The coaches worked with the boys on fundamentals of football.

The speaker for the event was Coryell County's representative in professional football, Cotton Davidson. Mr. Davidson was associated with the American Football League Champions, Oakland Raiders. Cotton has just returned from the game of games in football - the "Super Bowl".

Mr. Davidson conducted a question and answer session on the subject he can be classified as an authority, football.

The Jaycees honored Mr. Johnny Brown as Jaycee of the Month for his work with the auction last December. The project raised funds for the lighting of the courthouse. The Jaycees have worked hard to raise funds for the project and will sponsor many other money raising projects this year to light the courthouse.

The courthouse could become a very big part of the Texas Travel Trails if local citizens can beautify the structure.

Hats off to Jaycee Brown.

# Washington Views and News

By Congressman Bob Poage

This letter is written from Washington, and after a week of the new session has passed, there is very little action to report. Congress is a large body, and it is hard to get it in motion. There was a tremendous amount of work accumulated in our office. I have not yet dug "out from under." We have had a steady stream of visitors, which is always good. There has been plenty of talk on the Floor, but apart from the President's State of the Union Message there has been very little of real importance.

The President received repeated applause, but the one subject which seemed to evoke universal approval was his reference to the necessity of maintaining law and order. I was pleased because I don't think our government can endure, much less do a good job for our people, unless we make it possible for our law enforcement officials to arrest, convict and punish criminals. I have been invited to speak to the National Convention of the American Wool Growers in Dallas at 1:30 p.m. on Monday, January 26, I intend to discuss this vital subject. I would be happy to see any of our friends from the 11th District.

Monday morning (January 22) our Committee starts considering a number of small watershed Flood Prevention projects. I look on these Flood Prevention projects as among the very

## Speaker Barnes Officially Files For Lt. Governor

Speaker of the House Ben Barnes officially filed for the office of Lieutenant Governor of Texas in Austin today.

Barnes, who made public his intentions to seek the Lieutenant Governorship several months ago, paid his filing fee to Will Davis, the Chairman of the State Democratic Executive Committee.

Barnes told newsmen gathered at the State Democratic Headquarters that he will conduct a vigorous campaign throughout the state for the office of Lieutenant Governor, and that he hopes to see as many citizens as possible in every county.

He emphasized the fact that the people of Texas need and deserve strong leadership in our legislative halls if they are to continue to meet the ever increasing challenges of our rapidly growing and changing state.

Barnes, who is presently completing his eighth year in the House of Representatives, has served two terms as Speaker of the House.

Barnes' campaign for Lieutenant Governor moves into full swing this week with speeches and receptions in Fort Worth, Waco, Amarillo, Pampa, Van Horn, Georgetown, Bryan, Dallas and Austin.

Barnes is a native of Comanche County in Central West Texas.

best of the activities of our Department of Agriculture. We recognize, however, that the President is properly (I think) asking each Department to hold up expenditures on a great many worthwhile programs. You simply can't cut back government spending and finance every project you or I want. I had felt that it would have been wise late last Fall to make a cut of a given percentage across

the board, thus not destroying any program. Neither Congress nor the President agreed with me. The result has been that some projects are being entirely stopped. Others are not taking any cuts. I feel that all those activities which the Congress had already approved should go on at a uniformly reduced rate of spending. Under the arrangement adopted work will go on under a system of priorities established by the Executive, not the Legislative branch. Of course, the new Session of Congress will have an opportunity to pass on projects for next year.

It now seems probable that the Rural Telephone Bank bill which was approved by our Committee may be debated on the Floor next week. I think this bill should be considered and passed just as soon as possible. It would reduce the amount of tax money needed for these rural phone systems because it would require that at least part of the loans to be made by the Bank, which would get most of its money from private sources.

## \*\*\*IN SERVICE\*\*\*

### Sammy D. Stevens

Sammy D. Stephens, son of Mr. and Mrs. Jack M. Stephens of Copperas Cove, Texas, has been promoted to staff sergeant in the U.S. Air Force.

Sergeant Stephens is a radar operator at Eufaula AFB, Ala. He is a member of the Aerospace Defense Command.

The sergeant attended Copperas Cove High School and completed requirements for his diploma after entering the service. He has studied at Fresno (Calif.) City College and Troy (Ala.) State College.

He previously served in Viet-

nam.

His wife, Dapha, is the daughter of Mr. and Mrs. Thomas H. Anderson of Rt. 6, Gadsden, Alabama.

### Joe B. Ross

Airman Joe B. Ross, son of Mr. and Mrs. Bertice B. Ross, of Oglesby, Texas, has completed basic training at Lack-

land AFB, Texas. He has been assigned to the Air Force Technical Training Center at Sheppard, AFB, for specialized schooling as an aircraft maintenance specialist. Airman Ross, a 1966 graduate of Oglesby High School, attended Sul Ross State College, Alpine, Texas.

### Wayne E. Tripp

DARMSTADT, GERMANY (AHTNC)

Army Staff Sergeant Wayne E. Tripp, son of Mr. and Mrs. Cyrus M. Tripp, 112 Sly Ave., Corning, N.Y., is participating in a week of extensive field training with other members of the 93rd Signal Battalion near Darmstadt, Germany.

Operating in winter combat conditions, the battalion will be using communications techniques to insure effective coordination between units in the field.

Sgt. Tripp is a member of the battalion's Company C.

His wife, Dorothy, lives at 612 N. 13th., Copperas Cove, Texas.

# With the changes on '68 gas ranges...mom can enjoy cook-ins as much as the rest of the gang!

Mom might love the model with space age burners and ovens with solid state ignition. Or one with a handy hideaway shelf to keep all of her favorite seasonings close at hand.

Or one with sculptured stainless steel utensil supports that let her slide pots and pans without lifting! She'll love all these gas features, too—cook-and-keep-warm ovens, automatic meat probes, and Burner-With-A-Brain. Go ahead. Get Mom a new '68 gas range. She deserves it!

See the new ranges at your gas appliance dealer or Lone Star Gas!

## Gaither — Hostetler Exchange Vows

MR. & MRS. WILBUR HOSTETLER

Patricia Mae Gaither became the bride of Wilbur Edwin Hostetler in a recent candlelight service in Princeton Baptist Church. Rev. LeRoy Martin officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. W.O. Gaither 1404 First St., McKinney, Texas. The groom is the son of Mr. and Mrs. Wilbur Hostetler, Evant and Garrett's Bluff, Texas.

Miss Kathy Abbott presented the traditional Wedding music and Mr. Arthur D. Dodds sang "Whither thou Goeth" and "The Wedding Prayer."

The bride, given in marriage by her father, wore a street length dress of white satin covered with lace with three quarter length bell shaped sleeves. Her waist length veil fell from a pearl tiara. She carried a brides Bible topped with a bouquet of white orchids.

Mrs. Kenneth Gaither, sister-in-law of the bride was Matron of honor. She wore an aqua street length dress and carried a bouquet of white carnations.

Randy Hostetler, brother of the groom served as best man. Kenneth Gaither, brother of the bride, and Eldon Foster, brother-in-law of the groom, were ushers. Royce Glenn Godwin and Mike Copeland were candlelighters.

The brides mother chose an aqua A-line dress and the grooms mother wore a beige bonded knit shift for the event.

After the ceremony a reception was held in the church annex for the guests. The reception table was covered with a white satin floor length table cloth decorated with blue bows and ribbon at each corner and center of the table. The three tiered wedding cake was decorated with bells and blue flowers.

Mrs. Carl Cunningham and Mrs. Arthur D. Dodds presided at the Wedding Cake. Mrs. Eldon Foster, sister of the groom, poured the punch. At the guest register was Kathy Truelove.

Showers honoring the couple have been given at Garrett's Bluff community Center and at McKinney.

The Garrett's Bluff community Center was decorated with the brides chosen colors. White cake squares and punch were served to the guests. Hostesses for the occasion were ladies of Garrett's Bluff Baptist Church who were: Mrs. Ruby Fagala, Mrs. Alec McDaniel, Mrs. Luther Smith, Mrs. Jenel Burleson, Mrs. K.B. Drake, Mrs. Joe Cook, Mrs. Lester Cooper, and Mrs. Eldon Foster. Party guests signed the register. Mrs. Billy Parsons presided at the guest book.

A shower honoring the couple was given at McKinney in the home of Mrs. Irene Frazee. The co-hostess for the occasion was Mrs. Paul Cunningham. Coffee and cake were served to the guests. Twenty-four guests signed the guest book.

Mrs. Hostetler is employed at Pennys Store in McKinney. She resides there with her parents while Mr. Hostetler is serving with the U.S. Army as a diesel mechanic in Viet Nam.

### HAMILTON FAIR JUDGES

Mrs. Joe Walters, Mrs. Bill Shoemaker, Mrs. Luther Whaley, Mrs. Elmer Watts, Mrs. Claude Collins, and Mrs. R.E. White of Gatesville, Mrs. Frank Courtney of Jonesboro, Mrs. Dan Cross, Mrs. Earl Whitenburg of Flat and the Home Demonstration Agent judged the Junior Baking and Needlecraft Division in the Hamilton County Fair.

### Week end Visitors In The Weaver Home

Weekend visitors with Mr. and Mrs. Leonard Weaver were Mrs. Weavers sisters Mrs. Maude Lovelace of Odessa, Mrs. Ruby Parson of McGregor, Mrs. Willie Bell Bates of Waco also her sister-in-laws Mrs. Barney Fisher of McAllen, and Mrs. Ted Fisher of Lolita. Other visitors were Mr. and Mrs. Jack Weldon of Odessa, Mrs. Robert Whisenhunt, Mr. and Mrs. Ernest Timmons, Mr. and Mrs. Ernest Huckabee and Mr. and Mrs. Boss Anderson all of Gatesville.

### Second Sink Eases Home Entertaining

Elegant dinner parties, teenage record hops or backyard barbecues—almost any kind of entertaining goes easier with a hospitality center, and a "hospitality sink."

Especially designed for water convenience in limited space, a stainless steel hospitality sink can be set up anywhere in the home. Usually, it's installed away from the regular sink, to relieve traffic around the food preparation area.

Such sinks are suitable for indoor or outdoor use, since stainless steel is impervious to weather. Tall, gooseneck faucets allow glasses and ice trays to be filled with ease, according to Elkay Manufacturing Company.

## Beta Sigma Phi Slates "Battle of BANDS" Benefit

The Xi Iota Epsilon Chapter of Beta Sigma Phi Sorority is staging a big teenage attraction in Gatesville on Friday, January 26, from 8:00 to 12:00, at the old Junior High Gymnasium. Admission is \$1.25 per person and all proceeds will be used to further civic projects of the sorority's choice.

In the past, the sorority has presented fashion shows, game parties, bake sales, a Broadway Musical entitled "Mary Lou", basketball games and cook book drives as money making projects. The proceeds from these events were used to place a mobile reading unit in the Coryell Memorial Hospital; to donate a rostrum and Bible to the High School; to supply the Junior High with a movie projector; to add a selection of varied reading material to the Public Library; to give a bicycle rack, visual aid equipment and establish a fund for the needy children in Elementary school. The sorority, on a local and national basis, also contributes to the Girl's Town in White Face, Texas.

Four Bands will be in the running for first place trophy Friday at the "BATTLE OF THE BANDS"! Three of these bands are made up of local boys who have had no professional training, but can play all the top hits of today! These bands are The Slow Motions, The Creatives and The Rebellions. The fourth band, The Coachmen, are from Belton and Temple. All these boys are giving their time free for this benefit. Each band will have an hour's playing time and will be judged on presentation, appearance and quality of sound. The sorority will present trophies for first, second, third and fourth places. Members of the sorority and their husbands will be the hosts for the occasion. Master of Ceremonies will be Joe Skelton. Couples in charge of ticket sales, concessions, judging, awards and decorations are the Creston Brazzils, James McDonalds, Flavil Browns, Paul Bromsers, Joe Skeltons, Charles Grahams, Gene Arnolds, Bob Thrashers, Forrest Lawsons, Marvin Stevens, James Lees and Pat Hollingsworths.

We hope that Miss Gatesville, Renee Manning, will be present to help present the trophies and provide special entertainment for the crowd. Her schedule is a very busy one, but she will try to be here.

### CARD OF THANKS

I wish to express gratitude and heartfelt thanks to each one who contributed in any way the many acts of kindness thru prayers, the care, the cards, calls, food, flowers and words of sympathy to my mother, Mrs. Docia Turner and I, thru her long illness and death. May God keep and bless each of you in a very special way and if ever in sorrow, I pray you will find such wonderful people.

Exa Turner Williams

### JAYCEE WIVES

#### MEET

The J.C. wives held their monthly meeting, Thursday, January 18, 1968 with Mrs. Carol Brine presiding. It was held in the home of Mrs. Gerrie Kennedy. It was discussed and voted to hold the next meeting at Franks Restaurant, Belton, Texas February 15 at which time "J.C. Wife of the Year" and election of new officers will be announced. Also it was voted to finance the J.C. Wives to attend the Winter Convention in Kerrville, Texas, in March. Future plans were discussed.

Those attending were Mesdames Pat Henson, Gerrie Kennedy, Joan Baker, Pat Worthington, Jean Musselman, Sue Wicker, Linda Ament, Mary Hinesley, Nancy Pruitt, Carol Brim and Betty McGlothliar.

Refreshments of assorted sandwiches, fritos, cake and cold drinks were served by hostesses Mrs. Gerrie Kennedy and Linda Ament.

### BIRTHS

Baby girl born January 21st at 2:45 a.m. to Mr. and Mrs. Herbert Gormley of 1721 Glenn Key, Grand Prairie, Texas.

Baby girl born January 21st at 6:52 a.m. to Mr. and Mrs. Ray Meissner of 705 E. Gentry St., Hamilton, Texas.

## HOME DEMONSTRATION REPORT

A child doesn't know how well he should see. If things appear blurred or "double", he may think they are supposed to look that way.

This makes it difficult for parents to detect eye problems in children at a time when it is most important to catch and correct them.

For clues, here are ABC's for children's vision: A--Appearance, B--Behavior, and C--Complaints.

Appearance: watch for drooping eyelids, crossed eyes, inflamed or watery eyes; recurring styes and red-rimmed, encrusted or swollen eyelids.

Behavior: Note if your child rubs his eyes excessively, tilts his head, develops poor eye-hand coordination, blinks more than usual, loses interest in a favorite pastime requiring close vision, holds books close to his eyes, stumbles over ob-

jects, doesn't do as well as usual in school or seeks the chair closest to the TV.

Complaints: Listen for comments about eyes itching, burning or feeling scratchy; inability to see well; dizziness; headaches and nausea following close eye work; blurred or double vision.

Unfortunately, in some cases none of these is obvious, making eye defects harder to detect.

What can be done about it? Eye tests in school catch many eye problems. But every child should have an eye examination for visual acuity before his fifth birthday. If the doctor does not perform the test as part of the routine checkup, parents should request it.

Finding eye problems in children will help their school work as well as preventing more serious defects. Half of all blindness is preventable.

## County Agent Report

Don W. Callahan

H.A. Davidson of Mound Native pecan Entry was named Champion of the Native Division of the Regional Pecan Show held in Fort Worth January 19 and 20.

Davidson's entry contained 74 per pound with 57 percent kernel.

Miss Regina Balch of Gatesville, the 1967 Texas Pecan Queen attended the Regional Show.

Judges for the Show were Dr. Benton Story and Blueford Hancock of Texas A & M University. J.W. Worthington of Stephenville, Extension Area Horticulturist, and George Madden of the U.S. Pecan Field Station at Brownwood.

There were over 250 entries in the show said Don Callahan, County Agricultural Agent.

Results have not been released on each variety class of shelling and inshell divisions.

Signup dates for farmers in Coryell County who wish to take part in the 1968 feed grain, wheat and cotton programs have been announced by Robert L. Melbern, Chairman, Agricultural Stabilization and Conservation County Committee.

All commodity program signups will be held during the same period -- February 5, through March 15. Signup applications indicate the farmer's program intentions, including the extent of his participation in the programs.

Under both the feed grain and cotton programs for 1968, farmers may earn diversion and price-support payments as well as qualify for price-support loans on their corn and grain sorghum crops; feed grain diversion payments will be available to all program participants in 1968. The wheat program provides price-support loans and marketing certificates to bring returns up to full parity on the part of the wheat crop allocated for domestic use; no diversion payment is available for wheat.

While the signup period for 1968 commodity programs will extend through 6 weeks, the Chairman urged that farmers who wish to take part in the program's file their applications as soon as they decide on 1968 production plans. "Time has a habit of getting away from us sometimes before we know it, so it's a good idea not to delay in filing program intentions," he said.

Farmers are being mailed this week Notices of Cotton Allotment Marketing Quota, Conserving Base, Yield and Payment Rates, in order that they will have them before the signup time. Feed Grain Yields, Bases and Rates will be mailed the week of January 29th. Farmers are asked to be sure and look over these notices carefully and if there are any questions contact the ASCS office at once.

Persons who have sold either Wool, Mohair or Unshorn Lambs between January 1 and December 31, 1967, should turn in their sale receipts not later than January 31, 1968, in order to be eligible for an Incentive payment.

## MOUNTAIN NEWS

WHEN A COMBINATION DINING-FAMILY ROOM became too small for the family, a direct approach solved the problem: Make the room bigger by building an addition to it. Existing room and addition are united in design and appearance by textured, factory-finished hardwood plywood paneling on two accent walls. This view looks from dining area through open room divider, into family room. Paneling is Georgia-Pacific's Brasilia.

## Improvements Pay In More Than Cash

Outdoors, homes are getting a facelift with everything from new roofing and siding to new patio furniture and plantings. Indoors, rooms are responding to the magic of paneling, painting, wallpapering, flooring. Kitchens go modern; family rooms grow out of attics and basements; bathrooms expand and multiply. Repair and remodeling, expansion and modernization are in the air—it's home improvement time!

What's all this in aid of? Some proponents of home improvement hold that it's worthwhile to remodel because it's a good investment. Improving a home will increase property value and pay off with a better resale price, they say. True enough—but there's more to home improvement than property value, contends Edgar V. Hall, director of the National Home Improvement Council.

"We're used to spending substantial sums on cars, clothes, food, vacations, entertainment. We don't expect to recoup our expenses on these items," says Director Hall. "Why, then, should we expect to do so in the case of home improvement and remodeling?"

Remodeling pays its own dividends, he points out. For one thing, it enables families to enjoy a better over-all standard of living. Children stay at home when they have more space to play in. Tensions between parents and children are less, when a second or third bathroom relieves the usual morning congestion, or when there is a basement family room for play or entertaining.

### Saves Time For Mom

Converting an attic into a bedroom or study can mean less time spent in front of television and better grades in school. It can mean a place for Dad to catch up on office work—or, it can provide guestroom space for overnight—or longer—visits from friends and relatives.

For Mom, of course, a more spacious, better-equipped kitchen or laundry can mean a new lease on life. She will have more time to spend in community activities, or in pursuing the hobby she once dropped to raise a family.

Improvements like these make a house more livable, and they are easy to finance, too.

"The monthly payments for the kind of improvements that excite the admiration of the neighborhood are substantially less than the payments on a new house," Mr. Hall says.

There are other factors to consider, too. Inasmuch as mortgage money may be in short supply, it is difficult to buy a new home, even for those who can afford the payments. This also means that there are fewer buyers for used homes, making it harder to resell a home.

### More Contractors

The alternative, then, may be

to improve the present home. Unlike mortgage funds for new homes, financing for remodeling is not hard to come by. Most lending institutions are happy to finance remodeling projects.

With the availability of financing, there is also an increasing number of contractors who are highly qualified to do expert work at fair prices. Contractors and new home builders are entering the remodeling field in large numbers.

### Ceramic Tile Breaks "Wet Area Barrier"

Ceramic tile, once more or less confined to the bathroom, has broken the "wet area barrier." In many colors, sizes and shapes, domestic ceramic tile now lends itself to a variety of decorating ideas for virtually every room of the home.

One of the most dramatic uses of tile is the ceramic mosaic mural. Such a mural can be made from any favorite sketch or abstract design.

# HORNETS' NEST

## SENIORS NOMINATE 'BEST ALL AROUND'

Senior class president Charles Ivy presided over a meeting of the senior class Tuesday morning, January 23. During the meeting the seniors nominated three girls and three boys to run for "Best All Around." The girls nominated were Janis Daniel, Colleen Coward, and Cherry Tatum. The boys were Bobby Cole, Jerry Morgan, and Doyce Wright. The boy and girl for "Best All Around" will be elected by the entire G.H.S. student body.

Mrs. Maxine Beard also made the announcement that seniors would measure for their caps and gowns Friday, January 26, and would order the graduation invitations Monday, January 29.

Senior sponsor, Mrs. Jane Dowell, told the group that try-outs for the senior play will be held February 22 after school. Any seniors who wish to do so may check out a copy of the play from Mrs. Dowell when the copies arrive next week.

## FTA MEMBERS PURCHASE FLAG

The Future Teachers of America have recently acquired two new additions to their FTA equipment. The first is a FTA notebook. The notebook is used for keeping the minutes and checking the roll at the meetings.

The second addition is a FTA banner. The banner which is white with black trim, has "Future Teachers of America" written on it with the FTA symbol in the center. The banner will be used at all of the functions sponsored by the organization on at the meetings.

## GHS NEWZETTS

G.H.S. has received five new students this week--one senior, two sophomores, and two freshmen. The new students are as follows: Charles Evans, a senior, from Salado High School; Levi Thetford, a sophomore, from West Minister High School in West Minister, Colorado; Johnnie Patterson, a freshman, from Belton Junior High School; and Elizabeth Ann Richardson, a freshman, from Travis Junior High School in Temple.

The second shipment of the 1968 Crescent was mailed on Monday, January 22. The third and final shipment is to arrive at Taylor Publishing Company on March 1.

The G-Club recently commissioned the construction of a club flag. This black, 2' X 3' flag will be ornamented with gold athletic patches, the club motto and the words "G-Club." This flag will be displayed in the field house and carried to track meets.

The 1968 Band Follies entitled "Up, Up and Away" will be presented February 2-3 in the G.H.S. auditorium. Advance tickets will be \$1.50 for adults and \$.75 for students. Admission at the door will be \$2.00 for adults and \$1.00 for students.

## SCIENCE DEPARTMENT OFFERS THREE COURSES

One of the most important departments of any high school's curriculum is the science department. In this department of G.H.S., three science courses are offered--- physical science, biology and chemistry. The general purpose of these courses is to enable students to learn about and understand their world.

The only required science course is physical science. It is a part of all freshmen schedules. In this class the students learn the basic principles of science through experimentation. Physical science is taught by Mr. Gerald Poe and Bill Woodson.

Mr. Bill Woodson also teaches chemistry, a study of uniform and varied construction of molecules and atoms as they are in any form of matter. In this class also the students have lab days and they perform experiments, keeping notebooks on their results.

Biology is the study of the anatomy, origins, characteristics, and habits of plants and animals including human beings. Biology students learn to dissect and label many animal specimens under the instruction of Mr. Gordon Smith.

Another science course, physics is no longer a part of the G.H.S. curriculum because of the small number of

students who wished to take the course and because of the difficulty in securing a teacher.

Only one science course is required to graduate from G.H.S., but college-bound students usually take as many as two or three to give them extra preparation for college.

## MENU

Monday--Chili Mac, candied sweet potatoes, green beans, hot rolls, honey butter and milk.

Tuesday--Meat loaf, steamed rice, green peas, plum pie, bread and milk.

Wednesday--Pinto beans, with meat, cole slaw, scalloped potatoes, cornbread, butter cake, orange sauce, and milk.

Thursday--Fried Chicken gravy, potato chips, lettuce and tomato salad, fruit cup, butter cookies and milk.

Friday-- Fish steaks, catsup, whipped potatoes, Harvard beets, jello fruit salad bread and milk.

## RIGHT TO CHOOSE EMPLOYMENT HALLMARK OF FREEDOM

By Beverly Lovejoy

One's job is much more important than the money it brings in. If asked why we work, we would give these reasons: To pay for food, a place to live, clothing education. . . all the expenses of living a decent American way of life.

But in our hearts, we would feel that it is the job itself. . . the accomplishment that rewards us.

Work is the way man proclaims his worth. Work is the way man justifies the space he occupies on Earth.

The right to change jobs is so basic that most Americans take it for granted. But millions of people don't have this freedom. A toiler in a Communist Chinese Commune has not the right to stride up to his boss and say, "I'm quitting this job for a better one."

In America, we have the right to bargain with our employers and employees. Laws establishing the right of labor and management are the outgrowth of our economy.

Often our laws are imperfect. Sometimes it is necessary to change them in order to revise a balance of our freedoms. A quarter of a century ago, a body of new laws which added to the stature and power of union labor were passed by Congress. The recently ended session of the 86th Congress passed a law aimed at restraining some abuses by a segment of labor.

This legislation is based on

the concept that a man's or a woman's job is important and that the freedom of choice surrounding it must be protected from those who would exploit it.

uncle charlie

Dear Uncle Charlie,  
My boyfriend is running around with my best friend. What should I do?

Upset

Dear Upset,  
Through keen observation and profound logic I have arrived at the conclusion that you have lost both a boyfriend and a best friend. Better luck next time.

U.C.

Dear Uncle Charlie,  
I have this mad crush on you and you apparently do not think that I am alive. Now please tell me what a girl in this situation can do. I will let you wonder who I am due to the fact that you have put me through a lot of suffering.

A Secret Admirer

Dear Admirer,  
I must say that I do not enjoy your tactics, but I am thoroughly infatuated with your idol.

# EVANT NEWS

## 7 1/0 INCHES SOAK EVANT GREATER THAN 1/2 ANNUAL

Finally the good news comes! It has fallen in drizzles, mists, drops and buckets, leaks, splashes and downright wet rain. It is enough to get excited over, for this is the first of its kind in over a year. Lyle Geeslin's tanks, dug in summer of 1966, are fuller than ever before; they were completed too late that year for the last real good rains we have had. By Saturday morning, O.L. Steifer reported 4 and 1/4 inches, in his gauge, with two of the amount falling Friday night. He lives off highway 281 some eight miles south of Evant. Carl Johnson, on the Bee House Road reported five and one half inches, by Saturday morning.

By writing a few notes at different times and the rain continuing to fall, this shall go down as history as of Sunday afternoon. O.L. Steifer tells us the rain gauge at his house now reads 7 and 1/10 inches. Donald Kennedy, eight miles southwest of Evant, checked his gauge Sunday afternoon, and reported 8 and 2/10 inches; H.D. Stanford, just south of Evant quoted 8 and 9/10 inches; James Flippins, on Viessa Mountain reported even ten inches.

The tanks are now full to running over, the branches have been running bank full for hours, and Lampasas River is on a medium rise. The rains have fallen too slow, to cause much alarm, concerning real flooding.

After collecting local readings, and being told Paul Lee, Moline, is official observer for this area, we called him. His reports are for government records and goes into Waco. Never quite as high readings, but considered accurate by both weight and measure, he tells us that 6.97 inches have fallen. The total amount of this rain is almost half as much as that which fell from January 1967 to January 1968, which is the official year. Amounts recorded for that period is 14.71 by Mr. Lee. The gauge is by the Lee store in Moline. The official amount given here, includes the entire precipitation in the last four days.

As I write, on Sunday night, where it has been raining on every side of the house, neat stars are clipped to the black sky.

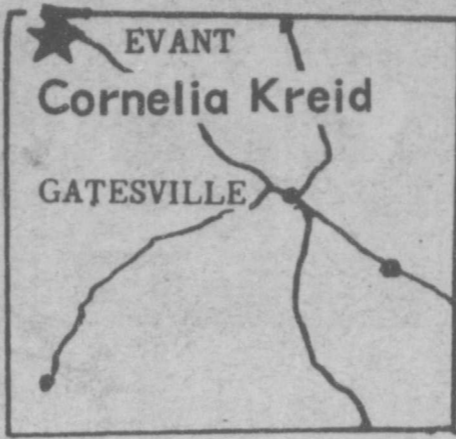

Monday morning, and clear. The country roads would "bog a snipe" as the old saying goes.

In keeping with my belief, that good begets good--and bad begets bad, even in news, the following is of interest if not unique. Mr. Elmer Conley, needing another accessory wagon for his local business, purchased a used one from Dallas. When it entered Evant, people who knew Craig Bertrand, son of Mr. and Mrs. A.C. Bertrand, who owns a home repair business in Dallas, thought it was him in town. Small world, after all. The sign read, before being painted over, "Bertrand's Home Repair and Painting". Craig had sold the wagon and purchased another the first of the month.

Mid-term vacation period found Cynthia Dawn Walton, daughter of Mr. and Mrs. Claibourne Walton, who is a student in ACC, Abilene, trip minded. She boarded a Delta plane and was just two hours and fifty minutes landing in Hermosa Beach, California to visit her brother and sister-in-law, Mr. and Mrs. Winston Walton. Cynthia Dawn left from

Dallas Love Field.

Last Monday evening, Mr. and Mrs. Lyman Scott, of Slatter, entertained several friends with a game supper. Those from Evant who attended were John Allen, Mr. and Mrs. Paul January, Mr. and Mrs. Edwin Moore and Mrs. Anon Flatt. Following the meal, games of

canasta were played. Mrs. Bill Deerman, who spent a few days in Gatesville hospital, has returned to her home in Evant community.

Tom Carl Sawyer, lifelong citizen of Evant, suffered a heart attack Wednesday night and was conveyed to Hamilton County General Hospital by J.Y. Hamilton's ambulance.

Douglas Kolb, husband of the former Christine Kinsey, of Evant, was buried in Coleman last Thursday, following his death in Tuscon, Arizona. He was operating heavy equipment in construction work and perished under the weight of the dozer. Survivors, in addition to his wife, are two daughters, Terri and Machella and one son, Douglas Wayne. Christine and the children plan to re-

main in Tuscon until school closes, at least. Her parents, Mr. and Mrs. Malcolm Kinsey reside in Evant.

Mrs. Rudy Manos, age 17, Fort Worth, was buried in Pearl Cemetery Saturday with Evant Funeral Home in charge. She is survived by her husband and a three weeks old infant, and was the daughter-in-law of Mr. and Mrs. Vernon Manos, formerly of Pearl.

Mrs. J.Y. Hamilton was admitted to Hamilton County General Hospital Saturday.

## WHY SHOULD WE HELP COMMUNISTS KILL AMERICANS?

### A Petition of Grievances to President Lyndon B. Johnson

We God-fearing Americans will no longer tolerate the injustices being perpetrated by you and your administration against our American Servicemen who are again being compelled, as in Korea, to fight and die in a NO - WIN WAR.

Therefore, WE DEMAND, IN THE NAME OF JUSTICE:

1. That you revoke your Executive Order of Oct. 12, 1966, which authorizes the Department of Commerce to allow the export of American goods to the Soviet Union and her satellites. These goods converted into war supplies, furnish more than 80% of the strategic war materials sent to the Viet Cong and used by them to maim and kill our American fighting men. Our United States Constitution states that: "GIVING AID AND COMFORT TO THE ENEMY IS TREASON." Article III, Sec. 3 (emphasis added).
2. That you urge Congress to enact legislation to stop ALL PRESENT AID TO AND TRADE WITH COMMUNIST COUNTRIES and then in your capacity as Chief Executive that you enforce this legislation. Our United States Constitution states that: "CONGRESS SHALL HAVE THE POWER TO REGULATE COMMERCE WITH FOREIGN NATION." Article I, Sec. 8, Para. 3 (emphasis added)
3. That the United States sever diplomatic relations with the Soviet Union and her slave states that are sending aid to North Vietnam.

MOTHERS' CRUSADE FOR VICTORY OVER COMMUNISM. MOTHERS OF SERVICEMEN and many other women's organizations will be in Washington, D.C. again in 1968 before the election. Our request to see and talk to you was denied when we were at the White House on May 4, 1967. In 1968 we will demand, Mr. President, that you meet with us and discuss these vital issues which concern American Mothers.

NAME ADDRESS

1. \_\_\_\_\_
2. \_\_\_\_\_

Return signed petitions to either MOTHERS' CRUSADE, INC., Ethel Johnson, Pres. P.O. Box 943, Mesa, Arizona 85201, or the MOTHERS OF SERVICEMEN, Bea Ziegler, Chmn. P.O. Box 53, South Pasadena, California 91030, before April 15, 1968. Additional Petitions with space for 12 names are available from either address at 2¢ each postpaid.

### Why Should We Help Communists Kill Our Sons?

Mrs. W.B. Rubarth Purmela, Texas

# FAST HORNET VARSITY DOWNS LAMPASAS 56 - 46

## Hornet B's Slip By Strong Lampasas

The Hornet B's surpassed the Badger B's by a slim margin of ten points in the double header Tuesday night.

The B's had picked up an eleven point lead by half time. Fred Rhea lead the scoring during the game with 12 points. The second half was an effort to hold the 11 point margin gained in the early going.

The third quarter narrowed the Hornet lead by two, 33-25. However, the Hornets out scored the Badgers's in the final stanza 10-9 and ended with a 44-34 victory.

Scoring behind Fred Rhea was as follows:

Mike Barr	7
Danny Belf	6
Doug Freeman	4
Larry Moore	2
Marshall Edwards	2
Gary Carothers	1

games from Taylor, Rockdale, and Belton to get a tie for the championship's.

Scoring in Tuesday nights action went as follows:

Reggie Scheonewolf	16
Kenny Gaston	14
Raymond Cole	12
Jerry Morgan	6
Bobby Cole	5
Buddy Wiggins	2
Bruce Neeley	1

### STAY AWAKE ITCHING?

Let doctor's formula stop it.

... UP, UP, AND AWAY ...

Two in a row - Taylor and Lampasas. The Gatesville Hornets completed the first loop of the district 13AAA North zone against Taylor last Friday night in Taylor.

Lampasas came to Gatesville Tuesday night to start the second half of the loop.

The Hornets and Badgers traded points in a very close first quarter. Coach Jack Bell employed his full court press from the start. Coach Bell describes the press as successful. "We've been pressing all year. It makes the boys play better. They even use the press during our practice sessions." The strategy behind the press is to throw the opposition off stride. Create a tempo that forces him to shoot before he is ready and at the same time create hustle in the pressing team.

This first quarter saw many broken plays and disrupted play. The Badgers dumped in one point more than the Hornets 13-12.

Gatesville's shooting picked up in second quarter play while the Lampasas crew could not overcome the press and cool off on the shooting. At half time the Hornets had moved into the lead by 3 points.

The third quarter was the decisive quarter with the locals pulling away from the Badgers adding 8 points to their lead, 37-26.

Both teams picked up the pace in the fourth quarter scoring more points than in any

other period. Neither team could pull away and show any sustained drive.

Coach Bell reported "We played good offensively. The boys shot well. It was a well

played game." Proof of the quality of the game was the low number of fouls called on both teams. Only 13 fouls were called on the Hornets and only 13 fouls on the Badgers.

Rockdale took the Belton five Tuesday night in Rockdale 63-52. The Rockdale win is one of the things that had to occur for the Hornets to have a chance to win the title. All that is left is for Gatesville to win

Raymond Cole goes high for an easy two points in the early going against the Badgers. Next stop for the Hornets will be in Rockdale tonight. The locals must win to stay alive in the 13 AAA contest.

HIGHER, HIGHER, HIGHER

HORNETTES 40 - JACKETS 34

# HORNETTES RETALIATE

The Hornets took revenge in Hornet gym Tuesday night as they dished out a defeat to a Stephenville club that had beat the locals twice earlier in the year.

The Hornets, in the two previous encounters, had suffered defeats by 11 points and 13 points.

The first quarter saw neither team moved to a commanding lead. The Hornets lead by Corliss Worthy, ended the quarter with a one point advantage 8 to 7. In the next period action piled up as players began to find the range. Stephenville found themselves 4 points behind at the half with the Hornets adding 11 points in this period.

The third quarter ran true to form with the second quarter, with the Hornets hitting on 11 more points and a 6 point lead at the beginning of the fourth

quarter.

The age old quest to hold on to a slim lead, developed in the fourth quarter.

Sometimes it is better to be behind in the final quarter. Most of the time, you want to be a head all the way to the end. (Do you believe that?)

The final quarter ended with both teams scoring 9 points and the Hornets taking a 6 point victory, 40 to 34.

Scoring for the Hornets was of course concentrated in the forwards:

Carliss Worthy	20
Carla Pfeffer	11
Susan Fry	9

In the Bteam game, the girls got off to a slow start, only scoring 2 points in the first quarter.

Everything Tuesday night was up hill for the Hornette B's. The girls began the long come

back in the second quarter by out scoring the "Jackets" 10 points to 6 points.

The third quarter ended in a "two for me, two for you" arrangement. Both teams cooled off to 6 points each.

Beginning the fourth quarter, behind by a field goal (a field goal being 2 points, of course), the Hornette B's poured in 15 points, while the stunned Stephenville girls could only manage 5 points.

It was that sweet taste of victory for the hard fighting B's, 33 to 25.

Leading the scoring was:

Hairston	16
Pruitt	14
Conway	2
Petsick	1

## WEST TEXAS PRODUCES TOUGHER FOOTBALLERS AUTHORITIES SAY

More than 100 championships have been determined in the four divisions of Texas school-boy football since the Interscholastic League mapped its program starting in 1920.

There have been 48 campaigns in the upper division since Roy Bedichek and Roy Henderson worked out that first race.

It was 1948 before there was more than one class playing to a state title. Class A was added that year. In 1951 came Classes AAA and AA.

All of this background is given to provide material answering the question--Which section of the state has dominated schoolboy football?

That is easily revealed and it is overwhelmingly in favor of West Texas. Fifty outright championships have been won by the West, 24 by the South, 11 by the North, 8 by the Central and 4 by the East.

There have been a dozen championship ties, one decided with the penetration rule, five left as co-championships. The only one ever deciding a champion was the scoreless tie played by Corsicana and Masonic Home in 1932. Corsicana won, five penetrations to none.

So actually, Central Texas has taken nine championships.

The question to be answered next is : why has the West produced more champions than all the other sections put together and why has the East had only two outright and one co-championship?

It is a vast territory of many schools.

The coaching is as good as any area. The interest seems to be as intense. Then it must be that it just doesn't have as good athletes.

It is suggested that more boys from ranches and farms play football in the West and these fellows are better physical specimens and are more rugged and have more stamina. Also, the tougher weather conditions tend to bring more hardy specimens.

Many athletic authorities say

boys of the present day are not in the good condition of those of 30 years ago because they do not walk enough. These days the boys ride in automobiles just to go around the corner. In the west though, on the ranches and farms, they walk a lot, ride horses, work hard in the open country. So they are better conditioned, more rugged.

Perhaps this explains why the west dominates in the violent sport of football.

In the first years of the Interscholastic League, when there was only one division playing to a state championship, Central Texas was the leader because of the great teams at Waco.

It was not until 1930 that an eastern team amounted to anything. That came in 1930 when Tyler upset Amarillo for the state championship. But it was 1937 before the east scored again. Longview won it that year.

The West started moving in the late twenties. The East was looked upon as a patsy area.

The best the East has done since then was Palestine's state Class AAA championship of 1964, a championship in Class A by Wills Point in 1964 and a co-championship of Class A by White Oak in 1957.

## ALERT EAGLE SQUAD ANNIHILATES GAP

The Eagle varsity squad, lead by Ray Sommerfield, won another easy victory in the district competition Tuesday night.

The well polished Eagle five again proved it could retire its starters just past the midway point, with no loss of ability.

Coach Bill Dyer has managed to play each boy often enough to develop one of the best in depty squads in the area. Dyer's boys all seem to have good self-control, knowledge of the game and all display exceptional form when shooting.

Coach Dyer explained that, "much time is spent during practice sessions shooting goals". He believes "the boys get their background in Junior High".

Tuesday night's contest began with a blast, with the Eagles dumping in 27 points in fast action and held the Gap line to only 4 points.

Fast breaks, stolen passes and very accurate shooting marked the 50 point first half

by the flying Eagles. The Gap posted 17 points in the first half.

The Eagles came out strong in the second half with a new batch of Eagles trying their wings. Everything just seemed to fall into place for the Eagles as they picked up 16 points in the third quarter and 19 points in the fourth quarter.

The high scoring Eagles ended up with an 85 to 31 victory over the Gap.

Leading the scoring was Ray Sommerfield, with another night of 31 points. Bobby Murry kept things buzzing with some heads-up defensive play and good play making.

Following Sommerfield in the scoring, were:

Flan Nichols	14
Bill Ashby	10
Larry Pruitt	9
Bobby Murry	7
Jim Ashby	7
Ray Martin	5
Paul Young	2

## Eagle Girls Slam Cranfills Gap Girls

Jonesboro's girl squad continued their winning ways Tuesday night with a 47 to 26 win over the Cranfills Gap Lions.

The Eagles completely dominated the first half, allowing the Gap only three points in the second quarter.

The nifty offense of the Eagle squad piled up 23 points in the first half to take a 20 point lead at the break.

Anita Watson sparked the offensive threesome throughout the game, scoring 12 points.

In second half action, the Gap seemed to find things more to their liking. The Eagles connected for 10 points in the third quarter, while the Gap began to score. The Lions piled up 7 points in this stanza.

The Gap group controlled the fourth quarter against a hard fighting Jonesboro team. Catching up to the Eagle girls with a 23 point lead was not accomplished, however, the Lions did outscore the Eagles in this final stanza 16 to 14. The outcome of the game had

been determined during the early stages of the contest.

Behind Anita Watson in the scoring department, were:

Sandra Watson	9
Sue Hallford	9
Ponice Holden	9
Judy King	6
Jo Ann Watson	2

On defense, the fantastic performance was turned in by many performers, including Ruth Ann Wilhelm, Jeanne Weaver, Mildred Ray, Delores Snider and Leigh Pearson.

## WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at druggists. See how fast it can help you.

Starting from the back row, left, Charles Knapp, Teddy Tatum, James Harrington, Gene Fleetwood, Mose Johnson, George Whitaker and Charles Williams. Center row: Reed Brown, Abe Ortega, Mike Blanchard, Larry Walker, Andy Smith, Aubrey Ortega. Front row: Jim Gunlock, Kyle Powell, Jesse Southerland, Randy Kennedy, Buster Galloway and James Box. Not pictured are Eddie Rhoades, Donald Warren, and Glen Bell. Coaches are Bill McGlothlin, defense line; Joe Worthington, offensive backs; Jerry Sullivan, offensive line and Benny Bankhead, defense.
