

## Future Gatesville Exhibit Will Close Today

Future Gatesville is viewed by future citizens: Miss Barbara Bennett, Miss Paula Bromser and Mr. Paul Coon. The exhibit closes today at the end of regular banking hours. Stop by the Guaranty Bank and see the exhibit.

Today is the last day of the exhibit of Mr. Garland S. Anderson Jr.'s planned view of Gatesville's future, the photographic look of Gatesville, today.

Mr. Anderson spent last summer in Gatesville making an in depth survey and study of the downtown district and park regions under grants from the Aermican Beautification Fund of the Natural Area Council, Inc. and the City of Gatesville.

The exhibit is sponsored by the city planning commission, headed by Sam Powell, Jr.

The display will be on-

hibit through regular banking hours at the Guaranty Bank and Trust Company, today, and is worth your time to see.

Hostesses for the exhibit are members of Xi Iota Epsilon Chapter of the Beta Sigma Phi sorority and will guide and explain to interested citizens all aspects of the study.

Improvement of traffic flow will be required of the city, by the Texas Highway Department, in the future, which sets up the opportunity for the city to plan correction of the present situation along the line of Mr. Anderson's design.

How do City Governments achieve desired goals when they must depend upon the individual property owner as they will in this project?

Mr. Powell said that "Improvement of property is contagious". Renovation of property and repair of existing property is expected to come from businessmen's initiative.

"Face lifting" is contagious but it is slow and lacks organization. The proposed plan for the area can be the organizational tool to produce one of the most attractive communities in the State.

## Tourism Meeting Held Monday Night In Courthouse

Gatesville citizens interested in attracting "tourist dollars" to Gatesville held a meeting Monday night at 8 o'clock in the Coryell County Commissioners courtroom to arrange a public meeting on the subject late this week.

It is estimated by economists that the "tourist dollar" "turns over" 7 to 8 times in a community before it loses its effect. Communities, as nations, have balance of payments. Gatesville has no method of keeping accurate take inflow and outflow of dollars, but comparing strictly "tourist dollars" surely spends more than it makes.

When the date is set for the Tourism Conference, take the opportunity to point out things you know of tourist value. There could be a dollar or two in it for you.

## MOD Drive Nears \$1100 Mark

The March of Dimes is nearing the end of another successful drive. Mr. W.H. Donaldson expects to complete the drive in February.

The Copperas Cove Elementary school has turned in \$240 with the other Cove schools yet to report.

Only some loose ends remain to be received. All envelopes in the downtown area have arrived back at the courthouse, despite some delays.

Mr. Donaldson expects the drive will reach the \$1100 mark before completion.

## Jonesboro PTA Meeting Held

The Jonesboro PTA held its monthly meeting, February 15, at 7:30 p.m. in the school cafeteria.

Mr. McPhearson, Hamilton County School Superintendent, Mr. L.C. McKamie, Gatesville School Superintendent and Mr. W.H. Donaldson, Coryell County School Superintendent talked to the group. Discussion centered around the problem of keeping our youth in school and different methods of solving the age-old problem.

## Help Sought in Locating Flat Resident

Sunday afternoon at 1:30, the local Sheriff's office received word that Mr. Melvin Bird, 73, was missing from his brother's home 2-1/2 miles Southeast of Flat.

It was reported that Mr. Bird left his residence at 4 p.m. Saturday. Sunday, Mr. Bird was seen near Pidcoke around 12 noon and later seen near "Hard Bargain Mountain" on Farm to Market Road 116, around 2 p.m.

Officers are still looking for Mr. Bird, as of Monday noon, and asked anyone seeing the 5' 3", 120 lb, grey haired man to notify the sheriff's office. When Mr. Bird left home, he was wearing a black jacket, blue jeans and a cap, thought to be black.

Over the weekend, it was reported to the sheriff that 1963 white pickup belonging to J.C. Tennison, 112 Oak Lane, Gatesville, had been stolen.

The pickup was taken Saturday night and reported stolen at 8 p.m. Sunday morning.

## Area Boy Scouts Hold Camp Near Gatesville

### ... Scouts Test Their Skills

Scores of young boys from the Central Texas area traveled to Gatesville this weekend to attend an area campout for the Boy Scouts of America. The campout was located approximately 8 miles south of the city on the Leon river. The young scouts remained encamped on the river from Friday until Sunday.

A total of 151 area scouts from 12 troops attended the camp. The area troops attending were 67, Fairfield; 70 Mexico; 72, Gatesville; 101 Temple; 112, Temple; 121, Ft. Hood; 124, Ft. Hood; 125 Ft. Hood; 150, Temple; 251, Waco; 257 Waco and 98, Hamilton.

Leading the scouts was camp director, Roger E. Herman - Scoutmaster Troop 125 of Ft. Hood, an avid scout enthusiast. Herman is currently a member of the Armed Forces stationed at Ft. Hood, but will leave this year for his home in Ohio, where he will do voluntary Boy Scout work.

The camp committee included Bill Crenshaw, Scoutmaster of Troop 150, Jack Carruth, Scoutmaster of Troop 70; Henry Marris, Scoutmaster, Troop 72; and Norman Baker, Assistant Scoutmaster, Troop 101.

The Scout activities began Friday with the boys setting up campsites and a camp-wide sing.

### J C's Banquet

Jaycee President, Damon Wicker, announced Monday morning the Jaycee Installation and Awards Banquet will be held March 15, 1968 at the Chateau Ville Restaurant.

Guest speaker for the occasion will be Mr. Waggoner Carr, candidate for governor. Mr. Carr has been a political figure in Texas for several years and is presently Attorney General of Texas.

At the Banquet, officers for the new year will be installed. Jaycee of the Year will be announced. Distinguished Service Award will be presented. Committee of the Year will be recognized and Layman of the Year will be honored.

### Call-up Continues from Local Board

Texas Local Board, No 23, has received notice of induction call for five (5) men to report March 12, 1968. The call for physical examination has not yet been received. The following men reported for induction Tuesday morning, February 13, 1968: Bill Martin Murdoch, Rt. 3, Hamilton, volunteer; Sidney Lee Miller, Rt. 1, Carlton, Texas; Richard Mathew Adams, Rt. 4, Gatesville; Allan Norris Crawford, 207 Spindletop, Gatesville; Jackie Dwayne Blackburn, Hamilton; James Lee Stone, Star Rt. 2, Evant, Texas; Jerry Thomas Bankhead, Rt. 1, Oglesby and James Anderson Fowler, Jr., Gatesville. There were thirteen (13) men who reported for physical examination on this date also.

Saturday morning, it was up at 6 for the young scouters and work on requirements for Tenderfoot, 2nd class and first class merit badges. The staff members conducted informal classes.

A working party was presented to Norman Baker, Assistant Scoutmaster, Troop 101 of Temple.

The Heart "O Texas Scout leaders also announced the Philmont Expedition from the Heart "O Texas Council to be held in July and the Council canoe trip to Canada to be held in August.

On the final day of encampment, the youths were again up at 6. At 9:00 a.m. the scouts attended church services performed by Protestant and Catholic chaplains.

Sunday afternoon, the scouts attended advancement classes

before the formal camp closing at 2:00 p.m.

Guests for the campout included, Mr. Richmond Wilkins, District Scout Executive, Leon Valley District; Mrs. Margaret Wright, Den Mother, Gatesville; and Mrs. Margaret Wright, Den Mother, Gatesville.

Selected for next year's committee officers were Jack Carruth and Bill Crenshaw, Co-chairmen, Norman Baker in charge of staff and Henry Marris, secretary. Committee members are John W. Chapelle, Belton and Tucker Wyche, Temple.

The Boy Scouts have secured a 99 year lease on the Gatesville Campsite from the U.S. government.

## Jaycees To Conduct Lighting Display Tonight

The Junior Chamber of Commerce will conduct another lighting demonstration Tuesday night at approximately 7 o'clock depending upon preparations for the display.

The Jaycee sponsored event will be conducted by an engineers from Ved-a-Ray, a division of Lear-Siegler Inc.

The demonstration will probably be conducted on the East side of the County Courthouse for comparison purposes with the previous experiment on that side.

The engineers will draw up a tentative lighting plan with estimated cost data and make a presentation to the Jaycees at a future time for approval.

The Community Public Service Company has been working with the Jaycees and have tentatively planned to assist the Jaycees in the lighting project in some way. Possibly the CPSS will furnish labor for the installation of the system or some other form of aid. Nothing is definite.

The Jaycees have sponsored numerous events to raise funds for the project. At present, the needed funds have not been raised, but the Jaycees are confident of raising the funds.

Come out tonight and compare the display with last summer's exhibition.

### Baptist Men Meet

The Texas Baptist Men's executive board will hold its first meeting Monday, March 4, in the First Baptist Church in Dallas. Roy Akers of San Antonio is president and will preside.

The Texas Baptist Men, formerly the Texas Baptist Brotherhood organization, officially came in to being in mid-January, upon the formal approval of a constitution and by-laws.

Messengers at the annual Baptist General Convention of Texas okayed the formation of such an organization at the Lubbock convention held last fall. Mike Poston of Gatesville is a member of the executive board of Texas Baptist Men.

**HEART SUNDAY**  
FEB. 25

### Girl Scout Cookie Sale Begins Friday

Five thousand Brownie Girl Scouts, Junior, Cadette and Senior Girl Scouts will be selling Girl Scout Cookies throughout the jurisdiction of the Bluebonnet Girl Scout Council beginning at 4 p.m., Friday, February 23, and for the ten days following, ending March 2. The goal for the number of boxes of cookies to be sold by the Girl Scouts this year is 125,000 boxes of cookies, only 5% more than the number of boxes of cookies sold in 1967. The profits from the annual Girl Scout cookie sale are divided between the maintenance and improvement of the Council Girl Scout camps, Camp Kachina at Lake Belton and Camp Howdy, Bryan. Four cents of each box is kept in the Girl Scout troop for troop outings and expenses; 1/2 cent per box is for national, regional and international opportunities for Senior Girl Scouts and 1/2 cent per box is given to a Council campership fund which is to help girls register for summer resident camp at Belton's Camp Kachina.

Girl Scouts and Brownie Scouts have been including in their troop program, during February, good manners in selling for the annual sale, safety, neatness and courtesy in netting and selling to the public.

Five varieties of Girl Scout cookies are to be offered for sale, with each box priced for the same price as previous years, 50¢ per box.

The local cookie chairman is Mrs. Wm. Floyd.

### I. R. S. Warns Against Mistakes

Simple errors on Federal income tax returns delay refunds and cause taxpayers trouble, according to Stanley Ferguson, administrative officer of Internal Revenue for Waco, Texas.

Here is a suggested simple check list:

1. Print or type name and address, including zip code.
2. List your Social Security number correctly. On a joint return, both husband's and wife's number should be reported.
3. Use correct tax table.
4. Total your deductions if you itemize them on page 2.
5. Check arithmetic.
6. Attach Forms W-2 from employers.
7. Sign your return. Both husband and wife must sign a joint return.
8. Tax payers can save the Internal Revenue Service and themselves valuable time and money by carefully checking their 1967 tax returns before mailing them.

### ... Display Tonight

Coryell County Courthouse long a land mark in the county, will undergo another lighting test tonight. The Jaycees have been working with several engineers since taking over the project last fall. The organization is confident of completion of the project in the near future.

# **FUTURE FARMERS of AMERICA WEEK**

**FEB. 17<sup>th</sup>-24<sup>th</sup>**

**Learning to Do...  
Doing to Learn...  
Earning to Live...  
Living to Serve...**

With this motto, Future Farmers of America prepare for careers of leadership and accomplishment in agriculture. During Future Farmers of America Week, February 17th to 24th, we especially salute our local FFA members for their many contributions to the good and growth of our community. Their dedicated efforts and achievements are truly outstanding.

## NATIONAL FFA WEEK FEB. 17-24

Future Farmers of America —Gatesville Chapter—

At Gatesville High School, as it is also nation-wide, the week of February 17 through 24 has been slated as Future Farmers of America Week.

The FFA Clubs around the country are celebrating this occasion by assemblies and special programs, honoring the nation-wide Club. The Gatesville chapter is no exception. At GHS this week, the FFA boys gave a special assembly program Monday morning in the GHS auditorium. Each officer of the Gatesville Club gave a short talk concerning FFA.

The FFA Club is sponsored by Mr. Robert Hopson and Mr. Carroll Smith, agricultural instructors at GHS.

The Ag boys have been active in county, area, district and state levels this year. GHS was represented well in the Ft. Worth Stock Show by the GHS Grass Judging Team, which won 3rd place.

The 1967-68 Sweetheart of the FFA Gatesville Chapter is Miss Marsha Tippit, daughter of Mr. and Mrs. Ray Tippit.

"The discontent of our winners is shoveling snow."

1967-68 FFA

Officers...

Officers for the 1967-68 Future Farmer Chapter of GHS are shown above, left to right, front row, Marshall Long, Sentinel; Doyce Wright, Executive; Larry Fry, Vice-President and Bobby Bone, President. Back row: Jerry Ashby, Secretary; Keith Blackman, Treasurer; James Lee, Reporter and Barry Marshall, Chaplain.

### WAGES AND JOBS

Minimum wage laws result in partial and temporary benefits for a few, and a long-range hardship for the many, according to Professor Yale Brozen of the University of Chicago.

Professor Brozen's paper states that "employers cannot afford to pay a worker \$1.60 if his skills are worth only \$1.25." This is a sure way to go broke, thereby resulting in the loss of all jobs in the affected firms. The low-wage workers whose skills do not justify the new minimum are liable to be cut loose. The rising wage floor results in unemployment for people who have the most need for gainful work, among them the physically and mentally handicapped.

The employment figures from 1954 to 1967, indicate the American economy grew substantially, that the unemployment rate went down from 5.5 per cent to 3.8 per cent, but the statutory minimum wage increased from 75 cents an hour to \$1.40 an hour, and the unemployment among the non-white teenagers went up from 16.5 per cent to 26.5 per cent.

The clear result of the minimum wage, he concludes, is that "such groups as unskilled teen-agers, women over 45, Negroes and people living in economically handicapped sections of the country . . . lose one set of jobs and then are forced to take lower wage employment in non-covered occupations or remain unemployed."

Let us hope that Congress takes a good look at Professor Brozen's findings before it considers still higher minimum wage rates and throws still more people out of work.

## HOME DEMONSTRATION REPORT

BY GRACE CHANDLER

If you have small irritating problems with your carpet, this suggestion may help.

If you have noticed signs of moths and carpet beetles on your wool or wool blend carpet or rug, you may spray around the edges of the carpet with a water base insecticide. Good daily or regular cleaning with air and light in hidden places, usually is effective. All manufacturers who are members of the American Carpet Institute permanently mothproof rugs and carpets.

To make the pile, which has been crushed down by furniture, stand up, use a steam iron on the spot or dry iron over a damp cloth being careful not to press down on the iron. Then brush the crushed pile. Sometimes one tuft rises above the others. Do not pull it up, but simply cut it off even with the other tufts with scissors.

During excessively damp weather, size of your carpet may increase slightly with temporary buckling. It will probably disappear with dryer conditions, but if not, a carpet layer can solve the problem by restretching the carpet installation.

Often static electricity, created by the friction of walking across a carpet or rug, is felt when one touches a metallic object. One way to reduce this problem is by adding moisture to the air or by applying an anti-static chemical to the carpet.

In new rugs and carpets, fluff material appears on the surface. This is usually loose pile left by the manufacturer. The problem ends after all the loose ends have come to the top. Wear creates a problem especially on the frequently used parts of the rug or carpet.

If you have a rug, turn it just before evidence of wear appears. For carpet, use accent or decorative area rugs in these areas. They will increase the life of the carpet and add interest to the room if used with principles of design in mind.

### Evant Future Farmers To Attend Show

At the regular meeting of the FFA Evant Chapter, the members and sponsors decided who would attend the San Antonio Fat Stock Show, to be held this spring. The students are Weaver, Dennis, Dwight, Darlene, Debbie, Scott, Johnny, Danny, Dee Parr, David Pruden, Jimmy Prudent, Thomas Brooks, Doug Forrest, Darrell Forrest, Rodney Parrish and Donald Parrish. The Evant Club is looking forward to the event with high hopes and confidence.

The Evant youths took top honors at the Coryell County Fair.

### Future Farmers Slate Banquet

The Evant Chapter of the Future Farmers of America held a club meeting, February 14th at the school. The members decided to hold an informal pie and ice cream banquet as their annual fete.

The average family of four uses over a ton of paper per year.

One inch thick, dry Texas yellow pine lumber gives the same insulation as six inches of brick or 12 inches of concrete.

**BUSINESS OPPORTUNITY MAN OR WOMAN**  
Reliable person from this area to service and collect from automatic dispensers. No experience needed . . . we establish accounts for you. Car, references and \$985.00 to \$1785.00 cash capital necessary. 4 to 12 hours weekly nets excellent monthly income. Full time, more. ## Pair of Humorous Films Win in 1967 Teen-Age Movie Awards

A pair of films produced by two California boys have won the top prizes in the 1967 Kodak Teen-age Movie Awards. Fifteen-year-old O'Connell Driscoll of 10515 LeConte Drive, Los Angeles, won the top prize in the junior category for a film version of a popular song "I Live for The Sun"; while Charles (Cal) Lewin of 4104 Stansbury Avenue, Sherman Oaks, attained the senior award with a humorous adaptation of a longtime teen-age problem—what to do with free time.

## Wallpaper Makes Major Difference at Minor Cost

Home improvements can be major or minor, both in effect and amount of time and money involved. Among the most major effects of change with the least amount of time or money spent are those accomplished with new wallcoverings. New wallcoverings go on easily and can take a lot of abuse, because new manufacturing methods render them washable or scrubable and fade and stain-proof, as may be required. Wallpapers go on easier because a higher percentage of papers are pre-pasted at the factory. These just need dipping in water to activate the adhesive and require only measuring, matching and cutting to prepare for installation.

## Air Stewardesses Get New Careers

What happens to airline stewardesses, when they are grounded by age or matrimony?

Two former airline employees supply the answer for those in the metropolitan area of New York. Paul Correrri, a former public relations man and his wife, a former stewardess, have teamed up for a New York personnel agency, called Flight 485.

It has on its rolls 400 former stewardesses, 80 per cent of whom came down to earth to be married. Flight 485 also has 500 working stewardesses who may have as much as a four-day stretch in New York between flights to Amsterdam, Tokyo, Stockholm, Bombay or San Francisco.

Most of the jobs turn out to be similar to the ones the girls already have, such as acting as hostesses at a branch bank opening, a stockholders meeting, or as guides and demonstrators for trade shows, conventions and department stores.

Many papers are pre-trimmed to save time, too. Patterns in wallpaper and wall-coverings can be purchased for as little as a dollar and a half per roll, although, of course, they can increase in price to as much as the pocketbook can afford. Colors are bright or muted and can be found in many pattern types. Florals are of every description and scale. Paisleys and other Middle Eastern patterns are predicted to be fashionable for the next few years.

Traditional patterns such as damasks, toiles, brocades, flocks and stripes are in every color imaginable. Plaids, tweeds, caning, woods and bricks are readily available, too.

Look at interesting scenes in both pasted and unpasted sample books. There are some new novelty papers for children's rooms and dens, in particular.

A new wall pattern can set either an exciting or a calm mood in any room. Large, bold patterns can be interesting in a large room, whereas small-scaled patterns are usually more in keeping with the smaller room.

Wallpapered screens at either side of a picture window, with a valance across the top, can create a new look. Or, cover a bookcase or table with wallpaper, for a decorative effect.

## Miss Annette May Eugene Doyle Pledge Vows In North Dakota

St. Mary's Church in Lakota, North Dakota was the setting for the recent wedding of Miss Annette May and Eugene Doyle Rev. Theodore Wisniewski performed the ceremony.

Parents of the couple are Mr. and Mrs. Joe H. May of Libby, Montana and Mr. and Mrs. Dwight E. Doyle of Bartlett, North Dakota.

Annette is the granddaughter of Mrs. Johnny Whittenburg of Gatesville and the niece of Mr. and Mrs. John Johnson and Mr. and Mrs. Otha Galloway and Mr. and Mrs. Les Shelton of Gatesville.

Lighted Christmas trees and poinsettia plants decorated the altar. The church choir sang, and Miss Grace Carlson played the wedding music.

The bride, given by her father, wore a white satin floor-length gown, with long sleeved over blouse of lace. The lace decorated satin train was attached at the waist and her bouffant veil was of illusion net. She carried a bouquet of red

roses, peppermint carnations and ivy.

Miss Kathy Doyle, sister of the bridegroom, was maid of honor. Her dress was an empire style moss green floor length gown with matching headpiece of net and pearl and she carried a bouquet of peppermint carnations.

Mark L. May of Libby, Montana, brother of the bride served as best man. Donald Doyle brother of the bridegroom and Dale Leith of Bartlett were ushers.

The bride's mother wore a dark rose, knit suit. The bridegroom's mother wore a rose two piece dress. Both chose a pint and white carnation corsage.

A reception was held in the parish hall following the ceremony.

Following a short wedding trip, the couple is residing at 1333 8th Aven South, Fargo, North Dakota.

Joy comes with the morning.—(Psalms 30:5)

When there is misunderstanding or inharmony in the home, when there seems to be a lack of communication between husband and wife or parent and child—this too shall pass. Let us have the patience and forbearance to keep poised and peaceful, to know that inharmony cannot continue, that love will make all things right. Joy comes with the morning.

## Future Home - Makers Meet

The Evant Chapter of the Future Homemakers of America met in regular session Tuesday, February 13, in the Home-making Department. Sherry Lee, first vice-president, presided in the absence of president, Cheryl Horton. Members answered roll call with what their families enjoy doing together. Mary Billingsley and Jacquelyn Calvert had charge of room arrangement.

We live for the future, we miss the time for living."

One other thing to be remembered is that words and actions may never be retracted, so they should always be the most desirable possible. Linda Bates brought a devotional on "Home is What We Make it." It was as follows: Remember that your family is people too! Be considerate and understanding. It isn't easy but what, that is worthwhile in life is easy?

"A home is what we make it A haven of content, Or just a place at which to stay Where with cares we are bent."

"So why not have the former? 'Tis as easy as can be, Just smile and look for happiness And what a change you'll see.

"It's not material things that count Or that make a home worthwhile It's the occupants within That live, and love, and smile!" Dorothy A. Clark

## Flat H-D Meets In Clawson Home

The Flat Home Demonstration Club met Tuesday, February 13, Mrs. O. Clawson was hostess.

The table was decorated in a Valentine motif. Refreshments of pie, coffee, punch and chips were served. And a Valentine game was played. Present were Mrs. Lillie Clawson, Mrs. Bessie Whittenburg, Mrs. Wilson Whigham, Mrs. Zonnell Haynes, Mrs. Jimmy Gossett, Mrs. Jerry Sevedienge, Mrs. Dan Closs and Miss Grace Chandler, who is the County Home Demonstration Agent.

Miss Chandler gave the program on Family Activities in relation to Home Management. The next meeting will be March 11.

## Graves Florist

"Since 1925"

kitchen cabinet, brought it from Houston and set it in her kitchen, sure was a good day for the Indians. Saturday nite, there was an 84 party at the Weavers'; also boys beat girls. Mr. and Mrs. Jack Sellers of Gatesville were visitors in the W.R. Whisenhunt home, Saturday.

Mr. Dan Coward has been off work with the flu bug, doing very well now. Visiting her mother, Mrs. Edna Haley, Monday, was her daughter, Lillian. There will be an 84 party at the Ater school house Thursday. Everyone is invited to come on out and play. There will be food for all. Sam Weaver cut wood from Leon Evans place and donated it to the club for fires, Roy Huckabee's boy did the hauling.

Mrs. Sam Weaver had a phone call from her folks in Louisiana and they are looking for grandson home soon from Vietnam.

I wish I could write lots of things today, but the "bug" got to me and I can't talk over the phone, some are glad and some are happy about it, especially my dog and Sam, hal hal! It was the first birthday I have ever had I didn't talk, but it was very nice, thanks to all for lovely gifts and flowers. While Mrs. Jones and Sally Maude are off gadding around, I guess I'll tell something stupid, like where I was born, in Mississippi, on the banks of Pearl River. My mother and our cook, I should say our black mama, we called her, went fishing this cool February 12th about 4 a.m., took corn in a sack for the horse to have his breakfast at day break, but he had to eat early, 'cause I came along and they had to have the sack to put on me, hal hal So, dipped in the cool water of that old Mississippi and wrapped in the cook's undershirt, with a feed sack around me, I made it all the way to Texas. I for got to tell you I am a descendant of the late Will Rogers, so with a little broadening of the mind instead of the body, I might have been a whiz.

See you next week! if I'm not fired. Watch your Coryell County News, you never know what you will miss.

Curtis Smith Files For Election

Commissioner Precinct #1

To the People of Precinct 1: This is to formally announce my candidacy for the office of County Commissioner, Precinct 1. In asking the privilege of again serving you, I am basing my candidacy on my experience, my qualifications and my record during the 18 years that I previously served as your commissioner.

I believe that, during that time, I proved that I can fairly and impartially administer county affairs to the benefit of everyone and that I can get road-building and maintenance jobs done efficiently and economically.

As a life long resident of this precinct, I know its problems and needs and how to meet them. I pledge, if elected, to work hard and devote my very best efforts to the job. You fine people deserve no less. It is my intention to contact each of you during this campaign and personally solicit your vote and support. In the meantime, I will certainly ap-

IT'S IN THE BAG

prelate your serious consideration. Respectfully, CURTIS SMITH Candidate for County Commissioner Precinct 1

More Cities Use City Income Tax

In the early 1800's, Charleston, South Carolina, hit on a new method of raising city revenue—a city income tax. It was eventually abandoned, and

this sort of tax wasn't tried again in any U. S. city until 1939, according to the Tax Foundation, Inc.

"If cities continue to impose an income tax at the same rate as characterized the first six years of the 1960's, by 1975 well over half the large-city population of the United States will be subject to a city income tax," the Foundation said.

In 1950, 4.6 million persons, or about 11 per cent of the large-city population were subject to the levy, an increase of 2.5 million or 6 percentage points since 1939. But in the

Steel Imports Set Record As Domestic Shipments Decline

Foreign steel mills sent into the United States a record tonnage during the first ten months of 1967. This occurred while shipments of domestic steel producers declined.

From January through October 1967, the flood of imported steel mill products totaled a record 9,133,209 net tons, up three per cent from 8.8 million tons during the identical part of 1966.

At the same time, domestic mills' shipments declined 8.6 per cent, to 69.6 million net tons as compared to 76.1 million tons in ten months of last year.

Imports equaled 11.8 per cent of the total supply of steel in this country from January through October, against 10.6 per cent in the corresponding part of 1966.

Along with the increase in import tonnage came an increase of five per cent in valuation, to \$1,039 million from \$993 million in the ten months of the previous year.

Exports from the United States totaled 1.4 million tons and were valued at \$352 million compared with 1,389,000 tons valued at \$341 million in the year-earlier period.

FUNERAL NOTICES

Mrs. Frances McMullen

Funeral services for Mrs. Frances E. McMullen, 90, a resident of Oglesby, were held 2:30 p.m. Friday, February 16th, at Lee's Chapel with Rev. M.E. Fairchild and Minister Max T. Neel officiating. Burial was in Post Oak Cemetery at Oglesby. Mrs. McMullen, the former Miss Frances Wood, was born at Smackover, Arkansas and moved to McGregor in 1889. She married Mr. Flen McMullen at Oglesby in 1897 and he preceded her in death in 1913. Later she married Mr. W.A. McMullen who died in 1956. Mrs. McMullen had lived in the McGregor and Oglesby area for the past 7 years. She died

O.L. Haferkamp

O. L. (Shorty) Haferkamp passed away last Sunday in a Los Alamos, New Mexico hospital.

Funeral services were held Saturday at 2 p.m. in Scott's Chapel, with burial in City Cemetery.

Mr. Haferkamp was a native of Coryell County, having moved

Mrs. Roy Wallace

Mrs. Roy Wallace died at 7:10 a.m. Sunday at her home 520 N. 23rd Street, Waco, Texas.

Funeral services were held Monday in Wilkerson Hatch Chapel at 4 p.m. with Rev. Owen Kersh officiating. Burial was in Oakwood Cemetery.

Mrs. Wallace was born in Jonesboro and lived there until her marriage to Roy Wal-

lace in 1943, when they moved to Waco. Mrs. Wallace was a noted classical singer, having studied voice and sang many times at the old Cotton Palace in Waco and also on the radio in Dallas, Fort Worth and Waco. She is survived by her husband; one sister and two nieces, seven years since 1960, the population covered by such taxes increased by 12 million individuals and by 25 percentage points.

Large advertisement for an electric oven with a self-cleaning feature, including an illustration of the oven and text describing its benefits.

FROM THE DESK of Sen. John Tower

While I realize that all of us have our attention riveted on Southeast Asia -- virtually the exclusion of anything else -- I'd like for you to think with me this week about the other side of the world. I'd like us to think about Europe.

repan Common Market and to concentrate her defense facilities around Europe.

It is obvious that the addition of British Indian-Oceanic fleet units to NATO's Mediterranean flank would help very much to offset increased Soviet pressures in that sea.

Italy, too, hopes to make increased naval contributions to Mediterranean defense. West Germany plans to maintain her troop strength, and hopes to find ways in which she can help defray more of our American costs for NATO.

France continues to pursue a separatist course in strategic defense with her growing nuclear forces. But she also continues to cooperate on a tactical level and to maintain troops for NATO in Germany.

French actions also have opposed U.S. interests in international finance and prevented Britain's entry into the Common Market.

All these things France's neighbors hope she will modify with the eventual and inevitable coming of a new French government.

One particular grievance troubles a lot of our NATO allies -- and that is the proposed Nuclear Non-Proliferation Treaty between the United States and the Soviet Union. -- Talks on it are going on in Geneva.

A lot of Europeans feel many safeguards must be worked out for that treaty so that peaceful uses of atomic power may be developed and so that an eventually politically-unified Europe may retain the same nuclear defense rights France and Great Britain now hold. I'm hopeful these things will be worked out before the U.S. Administration signs the Non - Proliferation

Treaty and presents it to the Senate for ratification.

We owe our friends every consideration in this regard, and as a practical matter, a Treaty unacceptable to any one of them could have little useful effect.

It was clear to me, from just brief stops in several European cities that the NATO nations are not only able to, but anxious to, make increasing contributions to our Atlantic Alliance.

It was clear to me, also, that the vast majority of the officials and scholars I saw understand that American defense commitments include Southeast Asia. They understand that whenever and wherever Communist-foisted instability achieves gains Europe's own vulnerability is increased.

I do not think it is realistic to expect our European allies to soon take over any large measure of U.S. world leadership and responsibility. But, I found at the Conference many thoughtful men from many increasingly-prosperous nations who expect that in the next decade Western Europe can and will assume additional defense burdens from the United States.

We will welcome this help, and we will continue to do our part to keep our Alliance strong.

# Basketball Teams Reach Playoff

It is another play-off season for area basketballers with boys teams from Copperas Cove, Jonesboro and Evant, and in girls' competition Gatesville has a bi-district bout and Jonesboro and Evant will have a district play off.

The Jonesboro Eagles will move into playoffs against Blum in a bi-district contest at Meridian Tuesday night, February 27.

The powerful Eagles have

Sandra Watson

meeting with 25 points. However the Eagles lost the contest 36 to 38.

Jonesboro won both contests with Iredell at home and lost both contests in Iredell. The evenly matched teams will meet on neutral ground Friday night to decide the district champs.

The District 26-B winner will go against Tolar for the bi-district bout. Tolar will work from a fast moving attack with well organized and executed offensive maneuvers.

The Evant Elkettes played in a one game district playoff against Lometa in Lampasas Monday night at 7:30 to decide things in District 53-B. At the end of regular season both teams posted 7-1 records. Evant went to Lometa last

Ray Summerfield

completed district play with a 12-0 record. Ray Summerfield, Flan Nichols, Larry Pruitt, Bobby Murry and Bill Ashby led the Eagle squad this season.

Coach Bill Dyer has molded a fundamentally sound group of boys into a well coordinated team. Coach Dyer's squad is very impressive with their good shooting and play making ability.

The Eagles will have a district playoff against Iredell in Meridian Friday night. Iredell and Jonesboro played four times during the regular season, splitting the series.

The Eagles are led by Judy King and Sandra Watson. Miss Watson led the squad against Iredell in the two teams fourth

Bernadine Conner

Tuesday for the last regular season game against the previously unbeaten Lometa club and came away with a 42-33 victory and a playoff chance at the title.

In boys action the Evant Elks advanced into the playoffs with a perfect district record of 8-0 by taking Lometa last Tuesday night 64-50.

The Elks will take this record to Marble Falls Tuesday night February 27 to do battle with Kyle.

Action will center around the

Jimmy Flippen

biggest man in Coryell County basketball, 6 ft. 9 in., Jimmy Flippen. Flippen has improved all year long and is becoming an all around ball handler.

Copperas Cove completed an 8-0 season after a victory over Del Valle last Friday night 77-65. Cove will play a bi-district match the last week in February.

# Hornettes Win District Down Rockdale 36-35

The Gatesville Hornettes completed District 13 AAA basketball in Rockdale Thursday night, February 15, with an exciting, nerve shattering victory over the Rockdale Tigers.

The Hornettes led all the way under the guidance of Corliss Worthy and Susan Fry.

The locals took an early lead in the first quarter, stunning the Tigers with what proved to be the biggest lead of the night, 4 points.

Despite the closeness of the contest, the Hornettes led all the way.

In the second quarter, the Tigers closed to a 15 to 17 half time score.

The Hornets pulled together in the third quarter to protect a slim lead, each team holding tight, matching basket for basket.

Fouls caught up with key per-

sonnel in the closing minutes, with Rockdale losing one of their top forwards and the Hornets losing standout guard, Margo Veazey.

The Hornettes out lasted the Tiger charge and won by a slim one point 36-35.

Hornette scoring went as follows:

Corliss Worthy	16
Susan Fry	10
Carla Pfeffer	6
Joy Denny	4

The Hornette B's suffered a two point defeat to the Tiger B's 31-33. The B's led at the end of the third quarter, but were unable to hold the two-point margin. Scoring went as follows:

Hairston	16
Pruitt	11
Conway	2
Price	2

# Gatesville Jaycees Win Second In State Tourney

The Gatesville Jaycees played their way to the runner-up spot in the State Jaycee Basketball tournament in Waco this weekend.

The Gatesville team consisted of Charles Hollingsworth, Benny Weaver, Jerry Sullivan, Tom Kennedy, Dean Meeks, Sammy Cockrell, Bob Bush and Paul Hollingsworth.

Saturday afternoon, the locals went to battle with the host team, Waco. Benny Weaver and Charles Hollingsworth led the scoring in a two-point victory, 62 to 60. Benny scored 22 points and Charles scored 20 points in three quarters of play.

Later Saturday, the locals beat Lockhart, 90 to 68 in a high scoring contest. Benny Weaver led the scoring with 28 points and Charles Hollingsworth picked up 18 points.

In the championship game, played at 2 p.m. Sunday, the local suffered a 12 point defeat to Lufkin, 84 to 72. Charles Hollingsworth led the scoring with 20 points and Benny Weaver scored 14 points.

Both Benny Weaver and Charles Hollingsworth received all-tournament honors for their performance.

Nine teams from Jaycee organizations over the state competed in the two day tournament.

# Track Team Goes To Schertz-Cibolo Sat.

The 1968 edition of the Hornet track team began running against the clock Friday, in preparation for their first meet in Schertz-Cibolo, February 24.

In the sprint and relay events, Gatesville will field some promising speedsters in Bobby Cole, Raymond Cole, Gary Carrothers and Larry McCutchen.

In Friday's time trials, Bobby Cole dashed off a 10 seconds flat, 100 yards, with one stop watch registering 9.9 seconds.

Not far behind in the 100 yard test was brother Raymond, with a 10.1 second clocking. Larry McCutchen and Gary Carrothers both recorded 10.5 second times in the same heat.

In a 440 yard dash, later in the afternoon, Bobby and Raymond finished one second apart with Bobby sporting 53.9 seconds and Raymond 54.9.

Only nine-tenths of a second behind Raymond, was Larry McCutchen, with 55.8 run. Gary Carrothers and Kenny Gaston finished two-tenths of a second apart with 56.5 and 56.7 respectively.

Coach Bishop explained that the boys should improve on their time with practice on starting techniques and proper timing of the final "hitch".

The district record at the 440 distance belongs to Collahan of San Marcos at 48.9 seconds.

Coach Bishop expects each boy to improve by 4 to 5 seconds with a couple of very low 50 second runs.

At the 880 yard run test, sophomore Chris Montgomery and senior Jim Ferguson will be relied upon for top performances.

In the field events, much work is required to achieve efficient control of muscle and action.

High jumpers, broad jumpers, shot putters and discus men are working at their specialties.

Mark Reeves, Gene Braziel and James Ingram will take care of the weight duties. Mark has already sent the discus sailing for 136' in practice and seems to be well on his way, beating his last year's mark of 146 in district competition.

Braziel is a sophomore and has been recording 100 foot tosses in early season practice. Coach Bishop will keep Gene on a weight training program to strengthen and improve Gene at his specialty.

James Ingram will put the shot for the Hornets this year.

In the jumping department, "Bobby Cole will be a candidate for district," stated Coach Bishop. Bobby will work cautiously in the early season to prevent injury.

Vaulters will be Jerry Morgan and Buddy Wiggins, Jerry

finished second in the event as a sophomore and will be out to grab top honors this year as a senior.

Buddy Wiggins has posted a 10'6" vault this season and is a promising addition to the squad.

Freshman Steve Palmer works at the vault as much as any athlete and has cleared 11' already this season. Steve will have a chance to represent the Hornets this season.

Look for big things from the Hornet tracksters this year. And here is where to go see the action:

February 24 - Schertz-Cibolo Relays  
February 29 - Triangular meet in Gatesville  
March 15 - Rockdale relays  
March 16 - Temple relays  
March 23 - Gatesville relays  
March 30 - Marlin relays  
April 5 - District 13 AAA relays

April 7 - ???  
Despite the question marks, look for additional scheduling of this 34 man squad of athletes.

A Tree Farm is a privately owned tax-paying forest area whose owner has been publicly recognized for doing an outstanding job in protecting and managing his woodlands for continuing growth of forest crops for commercial purpose.

... End

Bobby and Raymond Cole cross the finish line in Friday's time trials in the 440 yard run.
