

AG COMMITTEE TOURS CORYELL AREA WITH TS&GA

Local and state director of the Texas Sheep and Goat Raisers Association hosted a luncheon for five members of the agriculture committee of the U. S. House of Representatives. The Congressional Committee members toured Texas and Colorado last week, following a listening conference held by Agriculture Secretary, Dr. Clifford Hardin at A & M University. At the listening conference state agriculture men made presentations concerning many aspects of farming in 1969.

The group headed by Congressman W. R. Poage included Rep. John L. McMillian, committee vice chairman, D-S. C.; Rep. Graham Purcell, D-Texas; Rep. Robert D. Price, R-Texas; and Rep. John T. Myers, R-Ind. The caravan arrived from Copperas Cove at noon at the Agriculture Building at 2504 Main Street and were greeted by Bob Melbern, director-at-large of the TS & GA, along with several other local and area agriculture men.

An informed tour and introduction tour was made at the local ASCS offices, followed by a luncheon for the Agriculture Committee men and representatives of the TS & GA. Representatives of the TS & GA presented a position paper, "The Sheep and Goat Industry and Its Problems," at the listening conference at College Station and no business session was conducted during the Gatesville stop. At College Station last Thursday, Joe York, Jr., President

of the TS & GA asked that the National Wool Act of 1954 be extended beyond the 1970 ending date. York discussed "predators" as a serious problem facing the Sheep and Goat Raisers. "Predators pose one of the gravest threats to the sheep and goat industry today. Coyote numbers have gradually built up until they are killing in areas that have been coyote-free for many years. The gold-

Ernest Hahn Appointed To Key Post As Area Director With TADA

Ernest Hahn, owner of Hahn Motor Company in Gatesville, has been appointed to the key post of Area Director of the Texas Automobile Dealers Association. H. C. Pittman, TADA Executive vice president in Austin, said Hahn will report to the TADA Board of Directors on all phases of activity relating to the motor vehicle buying public in the Gatesville area. "Mr. Hahn will work closely with legislative and other governmental officials on all matters pertaining to the industry and the auto buying public," commented Pittman. "The job of Area Director is one of the most important in our giant statewide association," said TADA President Ben Bock, New Braunfels, "and we are confident Mr. Hahn will serve with distinction." TADA represents the franchised new car and truck dealers in Texas.

Congressional leaders and directors of the Texas Sheep and Goat Raisers Association visited in Gatesville, Friday. The group arrived by bus and were greeted by Robert Melbern and other local leaders at the Agriculture Building.

The Hornet defense played a key roll in the one point victory over Marlin. Each time the Bulldogs started a drive the tough Hornets stopped them cold. Pictured above Jim Saunders, No. 18 and Mike Williams, No. 84, team up to stop Marlin's speedy halfback, Garrett. Other Hornet Numbers pictured are Lyn Mohundro, No. 70, George Thompson, No. 67; Keith Bell, No. 60; Steve Palmer, No. 30, Randy Schoenewolf, No. 33 and Ronnie Jones, No. 72.

King Kicks Hornets To One Point Victory Against Marlin

Terry King, junior lineman and kicking specialist for the Hornets, kicked the deciding point late in the third quarter to give the Hornets a 7 to 6 victory over a hard hitting Marlin team. King, who played as a freshman, but not as a sophomore, returned this season and has proved to be a real asset to the Hornet team. "It is like learning to play all over again," said Coach Moss, talking about King's performance. A single point victory for the Hornet over Marlin means an outstanding effort by the Hornet squad.

on fourth and one, at the Marlin 31, Barr hit up the middle to the 29 and the first down. Barr then raced to the 12 yard line. A penalty put the ball on the 17 yard line first and 15 to go. Brown, sophomore tailback, burst up the middle to the Marlin six yard line. Two plays

LOCAL SCOUT GETS EAGLE

Donald Loden, 15 years old, son of Mr. and Mrs. Bill Loden of Pearl was presented the Eagle Badge, Scouting's highest award at a Boy Scout banquet

and court of honor, here, Friday night. The Eagle badge is awarded to only one scout in 600 for his Scouting achievements.

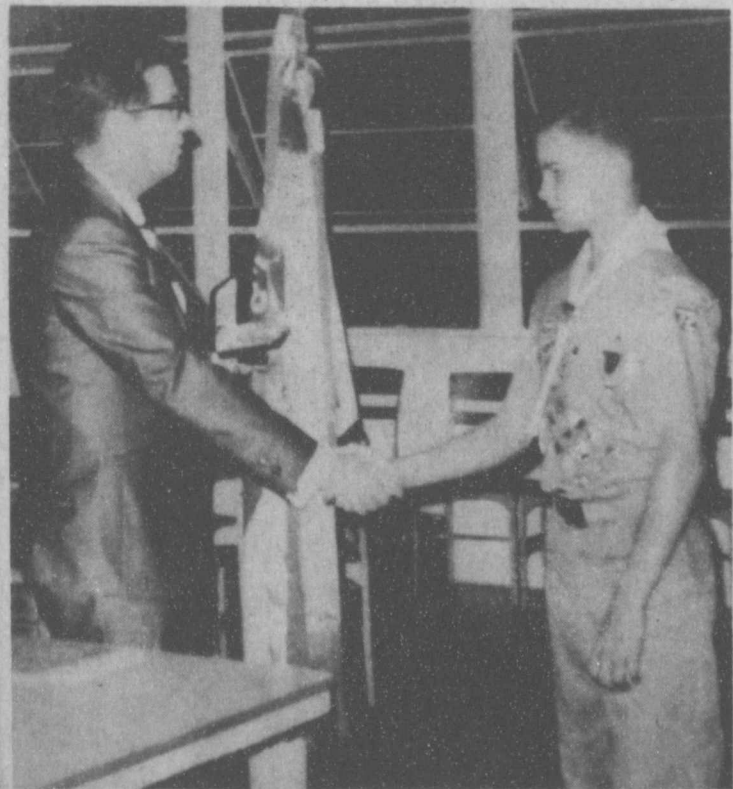

Young Loden is a sophomore at Gatesville High School and junior assistant Scoutmaster of Gatesville's Troop 272. The troop held the parent-son supper and court of honor to recruit new scouts and present awards to outstanding members.

of achievements, are the 50 mile hike award, International Camper and Baden Powell awards. The Baden Powell award is presented by the German Boy Scouts and makes its recipient an honorary member of the Boy Scouts of Germany. A member of Local troop 272, since his return to the States, Donald is a member of the Leon River Valley District. He was recently chosen to attend Junior Leader Instructor Training at the Philmont Scout Ranch in New Mexico.

Donald entered the Scouting program three and a half years ago, when he joined as a Tenderfoot in Troop 145 in Pirmasens, Germany, where his father was serving at tour of military duty. Before returning to the States in 1968, he advanced to the rank of Life Scout.

With a total of 31 merit badges, Donald lives and breathes scouting. He lives by the Scout Oath and is an active member of his church and an honor student in school. He received congratulatory

see SCOUTS page 3

EAGLE BADGE WINNER... Don Callahan, Coryell County Agent and active participant in local youth programs presents Donald Loden with Scouting's highest honor--the Eagle Badge.

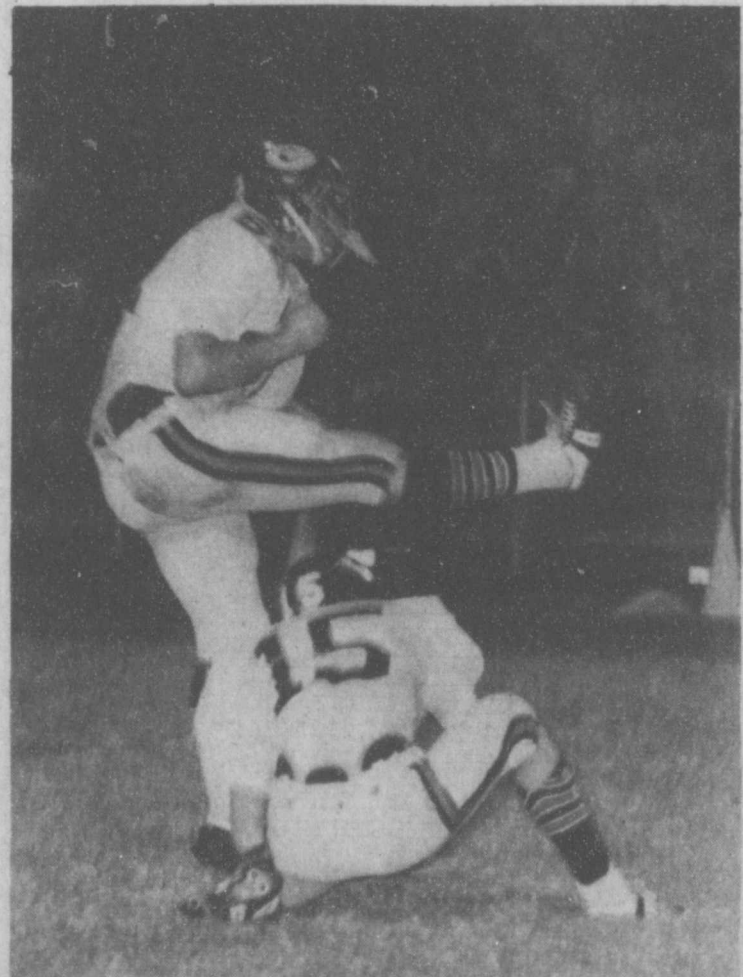

Parent-Son Supper Fetes Lodens

Gatesville Boy Scout 272 held a parent-son supper and court of honor here, Friday night. The dinner, prepared by parents feted Donald and James Loden for achievements of Scouting's Eagle and Life awards respectively. The Pledge of Allegiance was led by James Loden with Richard Mitchell and Donald Loden performing the Scouting Candle Ceremony. The ceremony was followed by reciting of the Scout Oath led by Freddy Kid. Local 272 Scoutmaster Bill

Loden welcomed the parents and scouts to the special festivities and introduced Don Callahan, Coryell County Agent. Callahan, active in local youth programs, presented the awards to Donald and James Loden. Following remarks by Donald Loden on receiving the coveted Eagle Badge, the Scoutmaster urged parents to send friends and relatives on the road to Scouting. In closing, the Scouts formed the Friendship Circle and repeated the Scouter's Prayer.

SCOUTING TRADITION... Carrying out the tradition of pinning a miniature of scouting awards on the scout's mother, Donald Loden pins his mother with a miniature Eagle Badge at Friday night's honor court.

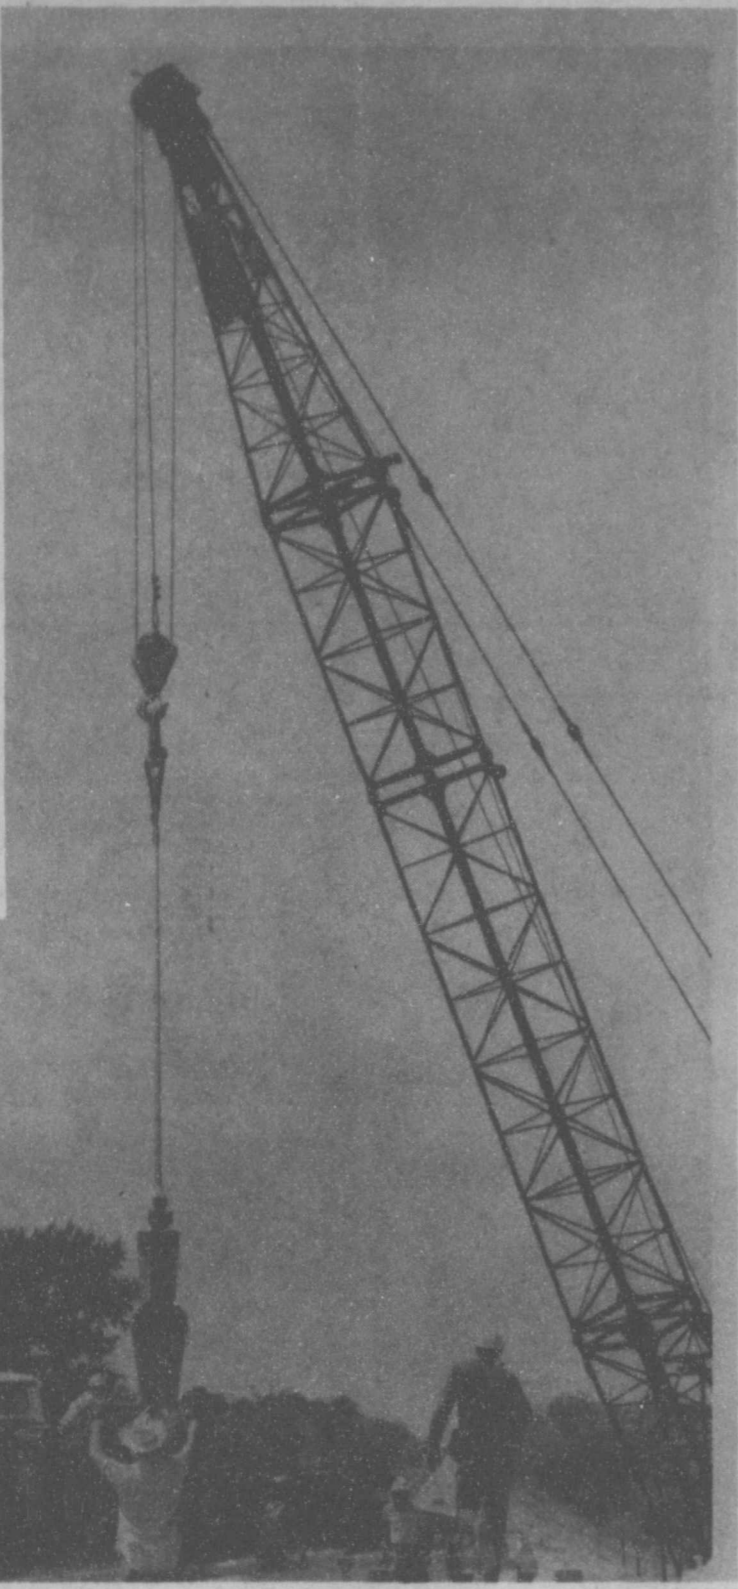

Terry King swings his toe into the football as Mike Barr holds. This scene happened twice Friday night--once on a field goal attempt that narrowly missed the up rights and then a perfect strike on the extra point effort to win the game.

Ronald Brown cracks into a Bulldog defender above, during Friday night win over Marlin. Brown and Randy Schoenewolf (lower right of picture) played important roles in the Hornet touchdown. Brown carried the ball and Schoenewolf made the key block on the Marlin line-backer.

**Leon Bridge
Widening Project
35 Percent Complete**

Widening of the Leon River bridge is proceeding with good weather holding on as autumn arrives. The Austin Bridge Company has completed an estimated 25 percent of the project, which will widen the span to four lanes (66 feet). Pictured here, workmen are setting 40 foot concrete beams, which weigh 1100 pounds each. A total of 84 of the beams are being placed on the newly completed foundation columns. "The main channel of the river will be spanned by 250 foot beams of continuous Steel I Beam. Jack Poston of the local Highway Department estimated that the new construction would require 1/2 million pounds of re-enforcing steel and 2100 yards of concrete. The beams will support a 7 1/2 re-enforced concrete bridge surface, which will be topped with a one inch asphalt overlay.

**RECENT RAINS MAY
ALTER USE OF
COTTON
DEFOLIANTS**

Recent rains may alter planned use of cotton defoliants or desiccants. Dry weather stunted cotton will likely take on new life, says Fred C. Elliott, Texas A & M University Extension cotton specialist, and if the showers continue, a change in preharvest chemical use may be necessary.

Elliott outlines what he calls a "two-shot" treatment for stripper harvesting when conditions are not favorable at harvest time. A defoliant, either a cholorate or phosphate material, is applied when 60 percent of the bolls are open. This should cause about 80 percent of the leaves to drop and green bolls to mature and open more rapidly.

If defoliation is not complete in seven to ten days, he suggests the use of arsenic acid to get the remaining leaves. He says the practice can speed up harvest and also improve the grade of the cotton.

If a desiccant, arsenic acid, is used for the initial application and unfavorable weather follows, a second application of arsenic acid is not recommended. Could get into residue trouble, warns Elliott. If a second application is necessary, he says, use a chemical with different active ingredient. The use of 2,4-D formulations is not recommended.

Elliott cautions against the use of any defoliant not labeled as to exact chemical content. Unknown defoliants may injure exposed fibers, unopened bolls or cause fire hazards at the gin. He suggests defoliating only enough acreage to stay ahead of harvesting and adds that unusual delays in harvesting may result in regrowth or barmy cotton. Stripping too soon after applying a desiccant, on the other hand, may also cause barmy cotton, he says.

For further information on the use of defoliants and desiccants, he suggests that growers visit or call the local county agent for a copy of the 1969 "Cotton Defoliation Guide."

Crouch of 5808 Northwest 56 Street, Oklahoma City, is serving with U. S. Naval Mobile Construction Battalion Seven in Davisville, Rhode Island.

The battalion is presently engaged in various types of training, both military and construction. It is preparing for a scheduled deployment to Vietnam later this year.

"DON'T BLINK OR YOU'LL MISS IT"-- An Honest John rocket streaks from its launch carrier at the Sept. 13 demonstration firing by Battery A, 1st Battalion, 16th Artillery, 2nd Armored Division. About 250 civilians and military personnel witnessed the event, which indeed happened so fast that a blink would have obscured it completely. The flames coming from the sides of the projectile are "spin rockets," which impart stability to its flight.

Highlights and Sidelights Vern Sanford

Gov. Preston Smith has signed into law a \$5.8 billion 1970-71 state budget. This was after vetoing \$4.4 million in miscellaneous spending items. Yet the expenditure set an all-time record.

Earlier, Smith approved a new \$348.6 million tax bill which takes effect October 1. (In addition to state revenue, cities will get an estimated \$6 million a year due to extension of the sales tax to beer and liquor. Sales tax rate goes up from 3 to 3.25 percent).

Tax bill as passed by the Legislature provided plenty of revenue to fill the State's needs, but Smith said his vetoes are "justified for the sake of economy perhaps more than for anything else." Many of the items vetoed, he noted, were not part of the original House or Senate appropriations acts, and some were not even requested by agencies.

Smith also signed other acts of the special session, including legislation creating 28 new Texas district courts. He will name all judges to serve until the next general election. This may be the largest single amount of judicial patronage assigned a Texas governor at one time in state history.

Governor Smith vetoed the following items now "unjustified or non-essential": Construction funds totaling \$2.9 million for the Dallas Neuropsychiatric Institute; \$262,717 for the Department of Public Safety sub-district headquarters in McAllen; \$250,000 for the Junction adjunct of Texas A&M; \$160,000 for Texas Maritime Academy Pelican Island Development.

Also an appropriation of \$225,000 for contracts for private lawyers to assist the Attorney General in tort claims cases in 1971; \$172,000 for park land acquisition in Hardeman and/or Motley counties; \$207,500 for acquiring land and development of Port Lavaca Causeway State Park; \$50,000 for drilling a water well at Lyndon B. Johnson State Park in Gillespie County; \$25,000 for Longhorn Cavern State Park; \$29,000 for completion of a master plan for the Red River authority; \$60,000 for a fish raising facility at Stephen F. Austin College in Nacogdoches, and \$65,000 for environmental pollution control studies at Prairie View Agricultural and Mechanical College.

BARNES FOR SENATE?
Is Lt. Gov. Ben Barnes, 31, about to become a candidate for the U. S. Senate against Sen. Ralph W. Yarborough, 66?
Nobody can truthfully claim to know the answer to that, including Barnes himself, who says he has not yet made up his mind.
Yet, Governor Smith opened up new speculation on the subject during the recent Southern Governor's Conference at Williamsburg, Virginia.
Asked by reporters if he thinks Barnes could beat Yarborough, Smith said he believes that is possible--depending on the kind of races run by each, their financial resources and a lot of imponderables.
Smith didn't claim to know, but the fact he was willing to discuss the prospective race at all was an indicator of the widespread circulation of the Barnes - Yarborough contest rumor.
Smith also told newsmen he feels Yarborough is in the best political position he has enjoyed since he went to Washington more than a decade ago.
Smith will, he emphasized, take no hand in the Senate race no matter who the candidates are.

make new rules covering collection of taxes on mixed drink (in private club) before the levy goes into effect October 1.

Many Texas nursing homes are withdrawing from medicare program because of government red tape, according to an association spokesman.
Law enforcement leaders have scheduled meeting here for Sept. 27-28 for the 19th annual attorney general's law enforcement conference.
DPS is actively recruiting men (ages 20-35) for Texas Highway Patrol training.
A last-minute item in the appropriations bill was the \$100,000 allotment to the Texas Water Quality Board to contract with the Sabine River Authority for a study of pollution in the Sabine.

ATTORNEY GENERAL SPEAKS
University of Texas cannot strip Dr. James McCrocklin, former Southwest Texas State University president, of his PhD, degree, and court action would be necessary to annul it, Atty. Gen. Crawford Martin said.
In other recent opinions, Martin concluded that:
* Commercial feeding lots "finishing out" scattle for market must provide county tax collector a list showing the numbers of cattle they need for each owner, on January 1.
* New type liquor wholesalers permit does not discriminate against other permit holders, and is constitutional.
* Harris County commissioners may grant the county sheriff and his deputies the same authority DPS officers have, to remove vehicles from county roads.
* Depository interest earned on special constitutional funds or federal trust funds created for specific purposes should be deposited to the credit of those specific funds rather than the general revenue fund.
* Employees of the House and Senate are not part of the class of elected officials for purposes of membership in the state employees retirement system. Therefore, they are not eligible to make contributions or receive benefits as elected personnel. Only officers of the two houses who are required to take the constitutional oath of office, can be so considered.

Gatesville at a Glance

by sally jones

SCOUTING CAN BE FUN . . . Boy Scouting can offer a boy a chance to grow into manhood, a well-rounded and well-anchored young man.

It offers him the opportunity to "round himself out" through dealing with other boys his age and members of the community. Scouting gives boys good foundations and to anchor his principles with, to get a base on which to stand.

Two of our local boys are fine examples of how Scouting "rounds a guy out." They are Donald and James Loden, sons of Mr. and Mrs. Bill Loden of Pearl, the boys are high ranking members of BSA and are a credit to the organization

and to their parents. Mr. and Mrs. Loden must have been proud of their boys when they, Donald was presented the Eagle Badge and James the Life Award this week. Congratulations Lodens!!!

ONE MORE VICTORY . . . I hope you Gatesville fans were in the bleachers at the Marlin-Gatesville war games Friday night. It was a tough battle to win, but our HORNETS came through in fighting style!

I don't know how you fans felt, but as for me the game was pretty shaken? then at the last moments, when the Bulldogs were knocking at our victory door! I was awfully proud of the Hornet defense, when the boys held off the Marlin attack.

Friday, we have another tough (perhaps the toughest) opponent slated on our 1969 schedule - the Killeen Kangaroos. See you at Killeen--Let's back the Hornets!

Wedding Plans Told

MISS PATSY ANN MOORE

Mr. and Mrs. Floyd D. Moore of Flat announce the engagement and approaching marriage of their daughter, Patsy Ann, to Joe Edward Lee, son of Mr. and Mrs. James W. Lee of Tampa, Florida.

The bride-elect is a 1968 graduate of Gatesville High School, a graduate of Glen and Lottie School of Beauty in Abilene. She is now employed at Betty Lee's Beauty Salon in Abilene. Mr. Lee is a 1967 graduate of Robinson High School in Tampa, Florida. He is now stationed at Dyess AFB, in Abilene. The couple will exchange wedding vows Saturday, November 1, in the Flat Baptist Church of Flat. Friends and relatives are cordially invited.

Turnersville Couple To Note 50th. Wedding Date

MR. AND MRS. LESTER D. HUMES

The children of Mr. and Mrs. Lester D. Humes will honor

their parents on their golden wedding anniversary, Sunday, Oct. 5, with open house at the Turnersville Community Center, from 2:00 to 5:00 p.m.

Hosts will be Mrs. Wayne Wells of Jacksonville, Florida, Mr. and Mrs. Robert Haskin of Ingleside, Mr. and Mrs. William O. Callihan, of Oklahoma City, Oklahoma, Mr. and Mrs. Clifford Worthy of Turnersville and Mr. and Mrs. Donald Humes of Fort Worth. Mrs. Humes, the former Blanche Davis was born in Oglesby and was living in Turnersville at the time of their marriage.

Mr. Humes' family pioneered in the Turnersville area and he farmed and ranched there until he retired eight years ago.

They were married October 2, 1919 and have lived in the Turnersville Community most of the 50 years.

They have twelve grandchildren and one great-grandchild.

by MARY LEE

If you're over 45 and feeling like the forgotten man or woman, cheer up. Somebody out there cares! The head of a leading advertising agency (McManus, John and Adams) told a recent Newspaper Advertising Executives Conference that the over-45 age group is still the most desirable group for them to consider.

The over-45 people spend 50 percent of our U.S. dollars, while the under-30 market accounts for only 25 percent. In spite of all the advertising and publicity given the young, it's the older generation that travels more, lives better, and buys higher quality products. Now, if more retail stores would only confirm that fact with more products and fashion geared to the mature side of the generation gap, it would make a good many people happy.

Miss Karen Ann Geppert And Harvey Darrell Miller Married In Bryan

St. Joseph's Catholic Church of Bryan was the setting for the Sept. 6 wedding of Miss Karen Ann Geppert and Harvey Darrell (Jackie) Miller. Monsignor Tim Valenta officiated at the double ring ceremony.

Parents of the couple are Dr. and Mrs. Joseph W. Geppert of Bryan and Mr. and Mrs. J. W. Miller of Gatesville.

Appointments of brass decorated the church. On either side of the altar were brass urns on pedestals filled with white bridal flowers. Candelabras with votive lights and swirl candelabra completed the setting for the bridal party.

Wedding music was presented by Mrs. Ann Dempsey, organist, and Mrs. Walle Conoly, soloist.

Given in marriage by her father, the bride chose a formal length white gown of net Point D'esprit trimmed in Venice lace. The slim fitted lines of the gown were defined with lavishly embroidered Venice lace in a rose trellis motif. The bodice featured a sheer yoke of English net and short sleeves, and a Sabrina neckline, all bordered in Venice lace. A train of net Point D'esprit trellised with Venice lace was gathered to the high Empire line across the back. Her veil of pure silk illusion billowed from a tiny cap of matching lace. The bridal bouquet was fashioned of stephanotis and a phaenopsis orchid in a cascade design. Garlands of satin and greenery fell from the bouquet to the hemline of her gown and were tied with tufts of tulle, stephanotis and ivy leaves.

Mrs. Richard Bain of Lubbock was matron of honor. Bridesmaids were Miss Mary Diane Geppert, sister of the bride, Mrs. Barbara Smith, sister of the bridegroom, Mrs. Don Armstrong of Bryan and Mrs. Dale Phelps of Dallas. The attendants wore formal length gowns of green lace fashioned with the high Empire line sashed with deep pink velvet ribbons. They carried old fashioned nosegays of elegance carnations and happiness roses.

Kermit Miller, brother of the bridegroom, served as best man. Groomsman were Mark Geppert, brother of the bride, William Townsend and Allen Welch of Houston and Dale Phelps of Dallas. Ushering were Frank Thornton of Bryan, Walter Stowell of San Antonio and Jack Maxwell of Huntsville.

Lisa Smith, niece of the bridegroom, was flower girl and Gary Geppert, brother of the bride was ring bearer.

A reception was held in St. Mary's Student Center following the ceremony. Kay and Kathryn Miller, nieces of the bridegroom, distributed rice bags. Members of the house-party were Mesdames Truman Melcher, W. H. Ritchey, Carlton Lee, Tom King, Jay Martin, John Haisell, Linton Jones, Joe Cox, W. H. Arnold, H. Blackhurst and Truman Jones of Bryan; Mrs. Kermit Miller of Gatesville; Mrs. Mark Geppert of Houston; and Miss Diane McCoy of Dallas.

The bride, a graduate of Stephen F. Austin High School in Bryan, received her degree from Texas Tech University in Lubbock and taught mathematics last year in the Richardson Independent School District. Mr. Miller, a Gatesville High School graduate, received his bachelor's and master's degrees from Sam Houston State College and is currently working on his doctor's degree at Texas A. and M. University. He is a member of Phi Delta Kappa, Kappa Delta and Phi Epsilon Kappa.

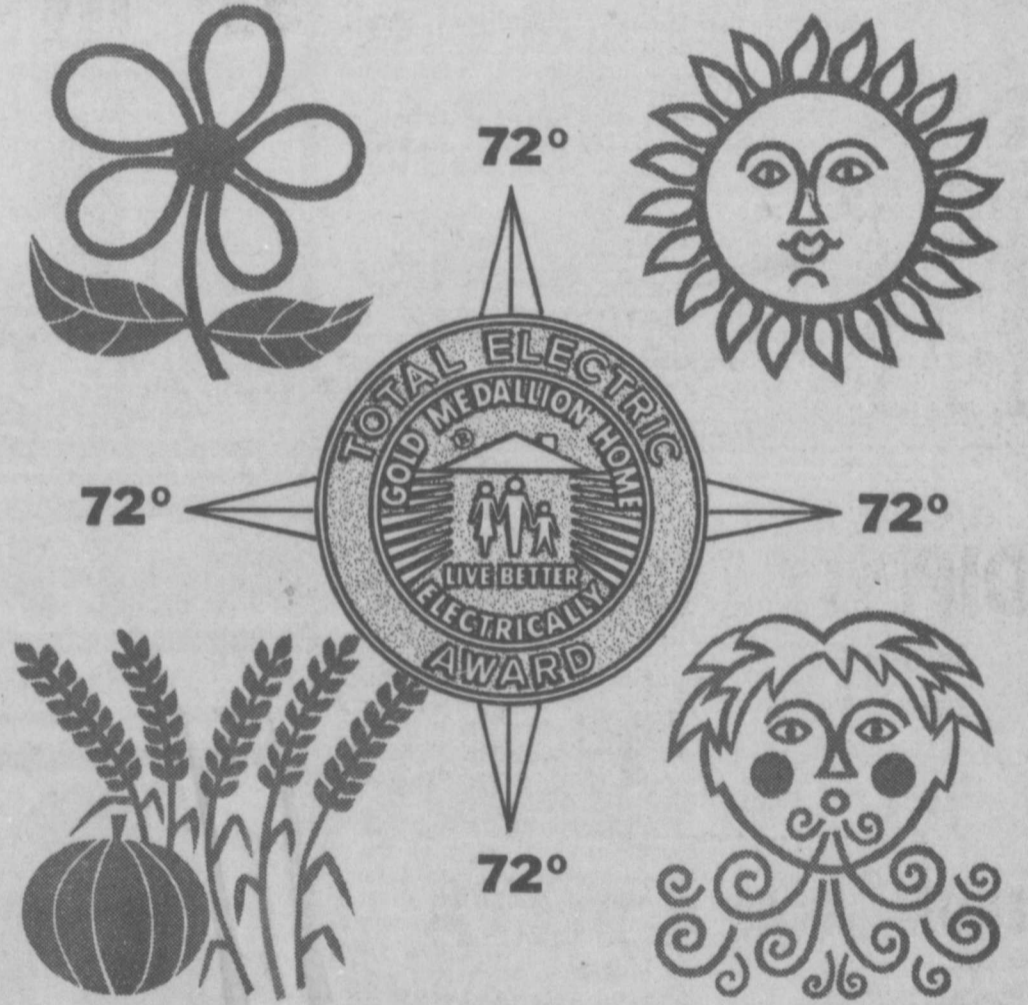

Mr. and Mrs. Miller will make their home in Commerce where Mr. Miller is a member of the faculty of East Texas State University.

Among the out-of-town guests were Mr. and Mrs. Dick Wallace, Wayne and Kathy, of Turnersville; Mr. and Mrs. Jerry Beard of Lovelady; Dr. and Mrs. Leo J. Geppert and Cindy, Mr. and Mrs. Larry Geppert and Mr. and Mrs. Rich Fayette of San Antonio; Mr. and Mrs. Medford Webb and Miss Sharon Mendel of Dallas; Mr. and Mrs. Lance Sindo and Michael of Houston; and Mr. and Mrs. Travis Arterbury and Bradley of Commerce.

Mrs Harvey Darrell Miller

Formerly Miss Karen Ann Geppert

Move up to year 'round comfort in a Total Electric Home

No matter what the season, your family will enjoy the same comfortable room temperature all year . . . thanks to clean, dependable electric heating and cooling. In a Total Electric home electricity does everything . . . from cooking food to drying clothes . . . operates work-saving appliances . . . and provides lighting and entertainment. JOYS OF VICTORY . . . The feelings of most Hornet fans Friday night can be summed up in the four "teethy" smiles above. Four of the GHS Hornets' best and most enthusiastic backers are (left to right) cheerleader, Susan Martin, Head Cheerleader, Debbie Hairston, coach, Jack Moss and cheerleader, Debby Day.

The Hornets came back in the third quarter to score the necessary seven points to skim by the Marlin Bulldogs.

... FOOTBALL

from page 1

later, Brown followed a good block by Randy Schoenewolf for the touchdown.

Terry King then "did his thing" to provide the winning margin with only 47 seconds remaining in the third quarter.

Marlin came right back and drove to the Hornet 28 yard line and before the Hornet defense stopped the drive. The Hornets began rolling for 12 plays only to fumble at the Marlin 30 yard line.

The Hornet defense shined with 4:37 remaining in the game when Marlin began their final drive.

Marlin reached the Hornet 17 yard line, with two minutes to play. Gene Braziel stopped the first down play for no gain. Then Lyn Mohundro and George Thompson tackled Garrett for a three yard loss.

On third and 13 defensive halfback, Mike Williams leaped high into the air to intercept a King aerial inside the 20 yard line with 1:51 remaining.

Ronald Brown carried for four straight plays, including a first down to run out the clock and retain the one point lead.

Wait A Minute! The discussion late in the fourth quarter between Coach Jack Moss and officials followed a pressure packed play where red flags flew and Hornets felt more should have been thrown. The Hornets were still able to hold the ball for the last two minutes of the game to insure victory.

Hornet Freshmen

Stunned By Copperas

Cove 30 - 0

The Hornet freshmen team traveled to Copperas Cove, where they accepted a 30 - 0 lashing.

The freshmen played an inconsistent game, both offensively and defensively. Coach Ronnie Barr noted that all freshmen squad members saw action in the contest.

Barr said, "they (Cove) had a good team, but we hurt ourselves a lot."

The Freshmen were playing in their first action of the season since Taylor, failed to show up last week, in the original freshmen opener.

Mistakes and normal early season problems completely stunned the Freshmen efforts.

HORNETS VS KILLEEN FRIDAY NIGHT

Ricky Thompson, sophomore quarterback for the Hornet B's, found a host of Marlin B teamers waiting for him on an end sweep last Thursday night in McKamie Stadium. The Hornet offense could not get going against the tough Marlin defense. The Hornets dropped their second game of the season 12 to 0.

Oglesby Holds On To 26-18 Victory Over Trinidad

The Oglesby Tigers picked their first victory of the season in a "come from behind" and "last second defense" against Trinidad, Friday night in Oglesby.

The Tigers fell behind in the first quarter as Trinidad's Everett Berry, quarterback, fired two touchdown passes to Roy Stanfield.

Trinidad held the 12 to 0 lead until well into the second quarter, when Willie Leos raced 36 yards for the first Tiger score. Joe Guerrero, freshman, followed with a 20 yard scoring run and a Joe Pitts to Larry Ross pass gave Oglesby an extra point and one point lead.

The Tigers picked up their third touchdown of the second quarter on a "Center Pass" from Joe Pitts to Larry Ross making the half-time score 19-12 Oglesby.

Early in the third quarter, Trinidad scored when Julius Stevenson scored on a ten yard run, leaving the Tigers with a one point lead.

The Tiger's ended the scoring on a Leos to Mike Robinson pass, covering 40 yards. Leos hit Stanley Peveto for the extra point, making the score 26 to 18.

Trinidad drove to the one yard line as time ran out and with third and one, Stevenson tried a sweep and Larry Ross prevent a touchdown at the "coffee corner" pushing Stevenson

out of bounds. Trinidad could have tied the game with an eight point touchdown extra point kick. The Tigers had 322 yards total offense with Leos and Ross

gaining 75 yards each. Coach Gary Fox noted defensive play by Peveto and Ross during the game. He said, "Pitts played his usual fine game, but Peveto and Ross

played tops against Trinidad." Ross's last second play prevented a possible tie. Oglesby will face Cranfills Gap next Friday night in Cranfills Gap.

B'TEAM DROPS DEFENSIVE BATTLE TO MARLIN

The Hornet B team fell victim to tough Marlin squad, Thursday night at McKamie Stadium, 12 to 0.

The Hornets played what Coach Wilson Elliot describes as a "good effort." The team allowed the Bulldogs to score in the third quarter on a pass play, covering nearly 30 yards. Then as the Hornets tried to start a drive with a pass, a bulldog interception and touchdown spelled the scoring for the game. In less than a minute, the bulldogs had all the scoring completed.

The Hornet offense was dulled by the loss of Steve Braziel, due to a pulled muscle. Both squads began driving several times, only to have a series of back plays force punts.

Elliot noted, "our defense looked a whole lot better than last week." Last week, the team faced Richfield Sophomores, losing by a scant eight points.

The Hornet B's will take on Killeen at Killeen on Sept. 25.

Eagles Tied By Gap In Last Minute

Long passes and "pressure kicking" spelled trouble for the Jonesboro Eagles, Thursday night as Cransfill Gap pushed across the tying score in the last minute of play.

The Eagles lead 22 to 14 late in the fourth quarter when the Gap threw a long bomb between two Eagles for the tying touchdown.

Coach Bill Dyer reported his team played well except for pass defense. Dyer noted that three long passes were completed against the Eagles.

"The big play of the night came with one minute left in the first half," noted Dyer. He recalled the "fourth down and 30 yards to go" situation at mid-field and the Gap completed a long touchdown pass

and kicked a two point conversion to go into the half-time only one touchdown behind, 14 to 8.

The Eagles got on the score board early, in the first quarter, when Ray Martin capped a drive with a five yard run. The extra point failed -- 6 to 0, Eagles.

Midway in second quarter, Martin scored again, this time on a ten yard run. Martin kicked the extra point giving the Eagles a 14 to 0 lead.

After the half time pause, the Eagles found moving the ball tough and failed to score in the third quarter. The Gap pushed across their second touchdown to tie the score 14 to 14.

The Eagles marched for their last touchdown in the fourth quarter with Dean Patterson, 210 pound freshman, scoring from two yards out. Ray Martin then kicked what later proved to be the game, tying two points making the score 22 to 14.

Then with one minute to play, the Gap made the tying touchdown and extra point.

Coach Dyer noted his team played well, except for "mental lapses" on defense and the all important, "momentum", turned in favor of the Gap just before half time.

The Eagles now, 1-0-1 for the season will take on Gustine on September 25. Coach Dyer said his team would have to play better against Gustine.

Dyer faces his first district opponent, Oglesby on October 24. Dyer looks for Oglesby and Malano to battle for the 1969 crown, with possibly Buckholts around to spoil someone's dream.

... TOUR

from page 1

an eagle, the bobcat, the Russian bear and several other predators each year cause great losses to our producers.

The Texas Sheep and Goat Industry Report, compiled in 1968 by the USDA Crop and Livestock Reporting Service and the Texas Department of Agriculture, reported: that 108,000 kid goats were lost to predators in 1967; 20 percent to golden eagles, 13 percent to bobcats and four percent to coyote. Sixty-four thousand adult Goats were lost to predators. The estimated value of the kids and adults lost is \$872,800, which is a sizable monetary loss.

Similar heavy losses have been noted in the sheep industry. The answer lies not in the elimination of the predator, but in reasonable control."

Attending the luncheon with the Congressmen were Joe York of Del Ro, president; Louis Lee Farr of Barnhart, first vice president; Craddock Ulmer of Stephenville, second vice president; Melbern, director-at-large; Cloyce Duncan, director from Coryell County; Frank Courtney, director from Hamilton County; C. B. Hodge, director from Bell County; and Clayton Egger, director from Mills County.
