Heavy Voter Turnout Elects New Judge, Treasurer, Commissioner

Voters turned out in strong numbers Saturday May 2nd to elect three new office seekers to county positions and vote Lloyd Bentsen into the senate seat in place of Ralph Yarborough in Coryell County. Approximately 56% of the registered voters over the county cast ballots Saturday concentrating on 13 contested races in State and County politics.

The race for County Judge attracted the most attention over the county with 4304 ballots being cast in the two man race. Doug Smith, Gatesville businessman, defeated incumbent Judge Norman Storm by 168 votes with the victory margin being recorded in the last two boxes to be counted.

In the Judge race Smith carried or tied 13 of 15 boxes while Judge Storm carried two boxes and absentee balloting. Storm's strength centered in the two Copperas Cove boxes but voter turnout in the two boxes was low. The Cove voters turned out 35% and 45% in Precincts 1 and 5 respectively compared to the county average of 56%. In small boxes over the county Smith carried all but one where a tie was recorded. Voting in the small boxes totaled 1198 votes approximately 63% of the registered voters.

In the Gatesville area, Smith won all three major boxes over voter turnout ranged 65-70% of registered voters. Other new faces in County politics will include George Jageler Jr. who defeated incumbent Cleo Carroll in a tight race for Commissioner Precinct 4. Jageler won by 27 votes with the widest vote margin coming in the Jonesboro voting precinct where Jageler won by 37 votes. The large Precinct 4 box was the last one to report Saturday night and with a 22 vote lead the giant box carried the winning margin for either candidate. In a tight race Jageler out polled Carroll by only 5 votes in a box that almost cast a 1000 votes.

In the county-wide race for county treasurer Mrs. Vesta Leonard defeated the incumbent, Mrs. Leona Fowler by 740 votes. The two candidates ran close in the rural boxes and Copperas Cove, however Mrs. Leonard carried Gatesville boxes by sizable margins. In the contested race for County School Superintendent incumbent W.H. (Bill) Donaldson won by over 600 votes in his bid for a second elected term against Morris Bell. Donaldson was strong in Gatesville and rural area where rural schools are important. He was behind in Copperas Cove and rural areas where small schools have no role in the community. In the five way race for Commissioner Precinct 2, three challengers had a good following in areas of the county but Luke Austin and Cloyce Duncan will be in the June 6 second primary. Duncan, seeking his first elected term after being appointed in June of 1969, lead in the primary with 601 votes. He was the only man to re-

ceive a sizable block of votes in both the Gatesville and Copperas Cove boxes. Austin received 313 votes in Copperas Cove and 23 other votes to get into the run off. Earl Bond proved to be a big vote getter as he picked 248 votes. Lee Roy Hairston received 153 votes and Lonnie Dossie 36 votes. In Copperas Cove A.J. Seagret held on to his position as Peace Justice as he defeated Virgil Smith by over 100 votes. Joe Wrackford was unopposed in his bid for constable at Copperas Cove. Other unopposed county candidates winning re-election were Floyd Murray, district clerk; Rebel Henson, county clerk; Harold Burleson, county surveyor; Charles Freeman, constable precinct 1; C.W. Turner, constable precinct 2; Stony Hammock, constable precinct 4; and Charles Powell, democratic party chairman. Precinct committee chairman in all 15 precincts were elected.

Gatesville Man Charged With Murder

A 62 year old Waco woman was struck by a car and killed late Monday night in East Waco. The driver of the car was later charged with murder without malice. Angella Earline Washington of 1307 East Webster was struck by a car driven by Jimmy Roy Herman of Gatesville. Patrolman Monroe Kelinsky said Angella Washington was apparently standing in the middle of East League Street when she was struck. Kelinsky and Patrolman Robert McCollum said the accident occurred near the intersection of East League and Forrest. Officers arrested Herman after the mishap and charged him with murder. Justice of the Peace Joe Johnson set bond at \$2,500. Funeral arrangements are pending at E.G. Boykins Funeral Home.

TSTA Unit Elects Donaldson President

Approximately 200 teachers attended the annual Coryell County Chapter of the Texas State Teachers Association meeting at the Gatesville High School Auditorium. The teachers and guest were treated to dinner at 7:00 p.m. in the school cafeteria with the program starting at 8:00 p.m. in the school auditorium. Mrs. Eva Bates, president of the Coryell County Unit of TSTA presided at the program. The Unit honored the retired teachers at the program including: Irene Adams, Mrs. J.E. Blankenship, Ted Brumalov, Mrs. W.T. Brumalov, Bertha Clement, Mr. and Mrs. Carl Eutanks, Ima Fellers, Catherine Gannaway, Mamie Sue Halbrook, Mrs. W.E. Hayes,

Florine Kyser, Mrs. J.W. McLean, Mrs. John Milner, Mollie Montgomery, Maude Alyce Painter, Mrs. B.D.W. Pollard, Genella Post, Tivis Potts, Mrs. Willis Pruet, Ruby Rogers, Mrs. Allis Sawyer, Isabella Schloeman, W.F. Stiles, Laura Tharp, Gertrude Watson, Erine Whitt, Delphia Wilkins, Ruth Yongue, Eula Faubion, Mrs. Head, Mrs. C.C. Brown, Mrs. Bill Jeffries, Mr. and Mrs. Homer Smith. W.H. Donaldson introduced the guest speaker for the evening, Dr. Norman Hall, superintendent of the Lampasas Public Schools. Dr. Hall talked to the group on "The Educator's Responsibility...Prepare the Youth."

A new slate of officers were elected at the program. W.H. Donaldson will be president of the Unit with Joe Williams, president elect; Mrs. Connie Bell, first vice president; Mrs. Nellie Sheldon, secretary; and Mrs. Barbara Adams, Treasurer. Entertainment at the dinner was provided by James Burton and the Gatesville School Stage Band. On the program at the annual meeting was the GHS Choir under the direction of Harold Rucker.

Big Moment Near For Hornet High Jumper

The minute Gary Kafer has been waiting for is now just over 24 hours away as he heads for the State AAA Track Meet in Austin. Gary, 17 year old junior at Gatesville High School, has waited ever since last year's State Meet to return for another try at an individual win in the high jump. The "big minute" will come at 7:00 p.m. Friday May 8 in Memorial Stadium, Austin as the talented junior begins competing with seven other high jumpers from 3A schools. Kafer has been impressive this season as he has averaged over 6'5" in ten track meets and has been undefeated in all outings. The young jumper has probably the best jumping form in the state. He is calm most of the time. Good competition brings forth the best from Kafer. Coach Jack Moss noted that last time Kafer was in Memorial Stadium he faced good competition and the "bigness" of the Texas Relays just helped to pull Gary to his best jump ever of 6'7 3/4". The jumping pit at Memorial is ideal and Gary should turn in a top performance. Coach Christopher noted this week that four 3A jumpers will compete with Kafer seriously but surprise performances could be turned in by any of the eight jumpers. Sweeney has a 6'4" jumper; Brenham has a 6'3" jumper; Andrews a 6'4" jumper; and Denna has a 6'2" jumper to jump against Kafer. Gary has been working out at 6'5" for several weeks. Coaches have chosen this height because it forces Kafer to jump as well as work on his form. The idea is to have the athlete jump high and then roll over the bar, holding out of

Big Moment Near For Hornet High Jumper

the roll until maximum height is reached. In talking with Gary, he indicates, "I feel like it will all come together during the meet." This week the "A student" has worked at heights between 6'5" and 6'7" and he said minor things were effecting his jumping. Confident of the good effect of competition, Kafer hopes to jump better than his early season performance at Memorial Stadium. Kafer expressed real excitement when asked about the jumping pit at Memorial. The tartan approach and the astro turf runway were perfect according to Kafer. Coaches and their jumper will leave Gatesville Friday afternoon at 3:00 p.m. for Austin and the "7:00 o'clock jump."

Gary Kafer is pictured here winning one of his 10 high jump competition this season. Kafer has averaged over 6'5" and Coaches at GHS predict a jump of 6'5" will be good enough to win the State 3A high jump in Austin Friday night.

DPS Unit Called To UT Anti-War Demos

Gatesville Department of Public Safety Highway Patrolmen J.K. Hamilton and David Jund were among the force of state law officers called to Austin Wednesday.

The call-up stems from the campus riots that have swept the country in protest of the entry of American troops into Cambodia. The University of Texas Student Mobilization Committee previously announced a march to the capital Wednesday.

The local DPS unit received word Tuesday night of the riot alert and Austin duty. Graves is a member of the

SCHOOL BOND ELECTION JUST TWO WEEKS AWAY

Voters will turn their attention to a \$500,000 School Bond Election in the Gatesville Independent School District following the May 2nd Primary. The Bond Election is scheduled for Saturday May 16.

School Administrators and trustees have indicated that future requirements for kindergarten and added school age population in the Gatesville School District have produced over crowded conditions. The Gatesville Schools have expanded curriculum to meet vocational needs and other courses to prepare the Gatesville School youth.

Superintendent, L.C. McKamie has indicated that the bond issue would relieve the pressure on the school system. He noted it would possibly take care of the next ten years of the school building programs. The Bond issue is planned to provide funds for the new elementary and matching funds for a vocational wing at the high school.

McKamie plans to reorganize the schools with three grades in high school, three grades in junior high, and a break-up of the six elementary school grades and kindergarten between the present elementary and the proposed new elementary.

Absentee balloting has already started at the School tax office on North Lutterloh with 13 absentee votes being cast.

Crawford Schools To Hold Bond Election Saturday

A 200,000 school bond vote is scheduled for May 9 in the Crawford School District, reports Bill Farney, superintendent of the Crawford School District.

The bonds are to be used to build a new elementary school and reconition the old school plant. All qualified voters regardless of ownership of property can vote in the election. The polls will be open from 7 to 7 Saturday.

Farney indicated that the bond issue would cause an increase in taxes of about 30%. He noted that voters in the Osage and Coryell City area would be interested in the election.

Voters View Verdict

The traditional election returns board on the Southeast corner of the Courthouse yard attracted a large amount of interest Saturday night. Coryellites turned out in large numbers during the voting box reporting Saturday night to get first hand information on the state and county results. The results were in early this year as the final box reported at 9:30 p.m.

Residents Attend Bentsen Tea

Mrs. Boyd Cheatham, Mrs. Mabel Foote, Mrs. Sonny Foote Jr., Mrs. Curtis Watson and Mrs. Helen Daniel attended a tea for Lloyd Bentsen, U.S. Senator, in the home of Mrs. Bonnie Standefer, Clifton, Tuesday afternoon.

Carl Davis with the help of his wife, Hettie, Mrs. L.D. Humes, Miss Ellen Balch, and Mrs. Peck Tharp took care of the election in Turnersville, Saturday May 2nd even if they did nearly freeze.

Mrs. Robert Gardner and little Kim arrived Friday from San Bernardino, California, to spend a two week vacation with Mr. and Mrs. Virgil Gardner and Mr. and Mrs. R.P. Williams.

Mr. and Mrs. Jack Buster have moved to Hamilton.

Those helping address envelopes for the letters sent out in regard to Homecoming have been Mrs. L.D. Humes, Mrs. Helen Daniel, Mrs. Bill Scott, Mrs. Lottie Gallegly, Mrs. Kathleen Turner, Mrs. Erna Rose,

Mrs. Cliff Worthy, Mrs. Boyd Cheatham, Mrs. Samantha Pruitt, Mrs. J.E. Hollingsworth and Laura Tharp. We are thankful to Mrs. Cliff Worthy for typing and folding the letters to be mailed.

Mr. and Mrs. Cooter Tharp arrived from Pecos to make a few days stay here and made a rush trip to Franklin Saturday night to see a new grandson, Kyle Thomas, son of Mr. and Mrs. Dale Fletcher, who have a daughter, Kimberly, age 3. They were dinner guests in the home of Mr. and Mrs. Terry Fletcher, Sunday.

Visiting in the home of Mr. and Mrs. Herman Foust, Saturday afternoon were Mr. and Mrs. Oscar Foust, Rhonda and Ronald of Ft. Worth, who also visited with Charlie Foust.

Miss Mattie Cooper is visiting with Mr. and Mrs. Bill Cooper, in McGregor who see that she gets to be with and check on her sister Mrs. Dick Payne who had surgery in the Providence Hospital, Waco last Thursday.

Mrs. Florine Kyser and Mrs. J.E. Hollingsworth and Carey Boswell visited Mrs. G.T. (Tom) Wilson, at Arrowhead Point, Belton Lake, Thursday.

Friday, they attended the funeral of Tom at Temple. Mrs. Florine Kyser and Mrs. J.E. Hollingsworth attended an open house honoring Mrs. Tully Jones on her birthday, at the Arrowhead Ranch on Neff Park Road, in the home of Mr. and Mrs. Carl Wright, Sunday afternoon and enjoyed the scenery along the roadside and also seeing Mother Neff's Park, even if they did get off their road, because of being lost.

Sympathy goes out to Carey Boswell in the loss of his brother, Charles who died March 12, at Duncan Arizona and William J. (Bill) Davies, husband of Monta Boswell who died April 9 in San Antonio, and Tom Wilson husband of Bonnie Boswell who died April 29 in Temple. Memorials for Tom Wilson were given to the Turnersville Cemetery Memorial fund by Mrs. Florine Kyser, Mrs. J.E. Hollingsworth and Mr. and Mrs. Zoo Gilmore.

Sunday dinner guests of Mr. and Mrs. Bryant Lee were Mr. and Mrs. Virgil Herring, Valley Mills and Miss Ellen Balch.

Mrs. Erna Rose and Mrs. Donna Beck have mowed the school ground, Mr. and Mrs. C.E. Pancake and Judge Pancake have mowed the cemetery this week. Mrs. Rose and Mrs. Beck are going to do special work on some of the lots in the cemetery. Donations to the cemetery fund this month have been made by Warren Fulton and Mrs. Samantha Pruitt, Bill Scott and Sonny Sadler have done special work on some vacant lots in Turnersville.

Miss Laura Tharp enjoyed visiting in Pearl, Tuesday April 23, attending the judging of their work in the Community Improvement Contest. She was thrilled to see A.V. Freeman an ex-student of Pearl High School doing such a good job of leadership with the Pearl Community and it was good to see so many of the patrons who were loyal supporters in the gay 30's still active and interested in their community today.

She made a part of the tour making notes of the highlights of it, one being the new home of A.V. Freeman, where he had made use of native stone and for the woodwork in one of the bathrooms, had used unfinished lumber of his father's sheep shed. Another highlight was a pig parlor built by Bill Loden, and folks, you have heard of being as awkward as a pig in a parlor, but this is a new thing, yet if you stay there long enough and go around to the back you will find it has the perfume

or odor of a regular pig pen. Then the home of Bunk and Allie Bynum with a touch of red paint and their good looking horses and cattle made a lovely picture. Gordon Shook had a clever exhibit of his Suffolk sheep with their wearing apparel attractively displayed. Their cemetery was well kept also.

Another interest was the exhibit of canned food, beautiful hand made quilts, pillows, rugs and also the beautiful hand made jewelry of Otha Medart's made from rock or stone. Not to be left out was the display of cookies which proved to be delicious also. However, to any one living in Pearl for eight years, eating such food as squirrel, fish, venison, steaks, last day of school barbecue, chicken and turkey and dressing which the community is noted for it seemed unusual to settle down to cookies.

She also enjoyed visiting with Mrs. Harry King in the store and in the home of Mrs. Lula Harris and with Mrs. Jeannette Bagby, two fellow teachers of hers while in Pearl.

Sam Nance Dies In Arkansas

Samuel H. Nance 78, was found dead at his home in Lincoln, Arkansas April 27. He died of an apparent heart attack.

Mrs. Freeman's Rites Held In Waco

Mrs. Elizabeth Freeman of 2605 Colonia, a former employee of Reed's Flowers, died Sunday morning in a Waco hospital. She was 88.

Graveside services were held at 11:30 a.m. Monday in Oakwood Cemetery with Reverend Cyrus U. Barcus officiating.

Mrs. Freeman was born and reared in Hamilton County. She moved to Waco when she was 20 and married Dr. Robert Freeman in 1900. They lived in Gatesville. Dr. Freeman died in 1925.

She had worked for Avon Products, traveling across the country, and then in 1942 went to work for Reed's. She retired in 1954 from Reed's because of ill health.

Survivors include one daughter, Mrs. Mildred Pattilo of 2605 Colonia; two brothers, James W. Hammock of 3909 Homan and Stoney Hammock of Gatesville; two grandchildren and two great grandchildren.

Card Of Thanks

Please let this be a sincere thanks to all the neighbors and Evant Fire Department who came so promptly and put out the fire in our rent house on Saturday morning. You have saved us an untold tragedy by your kindness, which will never be forgotten.

The Taylor Williams Family

food for thought

BY MRS. B.A. SNODDY

Once again, we come to the time of year when we pause for a little while from our busy hurried life, to give tribute to our mothers.

It has been said that behind every famous man, has stood a noble, courageous woman; whether it be his own mother, or whether it be the mother of his own children.

Being a mother, I know the strength of a mother's love. I know that even tho all others might fail our sons and our daughters, my love for them could never fail and I feel, I express the sentiment of every true mother.

I'm thinking of a mother whose son had broken the laws of our country, and the penalty for his crime was a term in the state penitentiary.

Altho his confinement was in an institution clear across the nation, from her home and she was a widow, she worked her way across the states to where he was, and even then, her search was not ended, but when into her presence, he said, "Oh mother, why did you come?" And her reply was: "Because I love you, son." She believed in her son. She looked beneath the marks of sin and saw him as the clean, happy boy that was her baby.

Her constant prayer to God, and her faith that he would be restored to a useful, fruitful life has been realized and he is now preaching the Gospel of the Lord Jesus Christ, proclaiming the transforming power found in his Saviour. This is a true story.

I would like to add an encouraging word to all mothers. If you have yet seen your sons and daughters in the saving grace of the Lord Jesus; God is still on the Throne, and he still answers prayers.

I would like to use the following scripture, as our line of thought for this week: "When Jesus therefore saw his mother and the disciple standing by whom he loved, he saith unto his mother, 'Woman, behold thy son!'" Then saith he to the disciple: "Behold thy mother." And from that hour, that disciple took her into his own home. John 19:26-27.

These words were spoken when Jesus was on the cross of crucifixion. Even tho he was suffering the agonies of death, he remembered his mother and was concerned about her welfare. He wanted her to live in the home of the disciple, whom he loved. I'm sure he believed she would be well cared for. This is the way the one who did so many things as examples unto us, loved his mother, and we know it is fitting for us to reverence and

love our mothers, and to be concerned about their welfare.

After Jesus had spoken these words knowing that all things were now accomplished, that the scriptures might be fulfilled, said: "I thirst". And a sponge was filled with vinegar and given him to drink, after which he cried, "It is finished." So we know that his last concern was about his mother.

Another thought which I would like to bring concerns a teaching which Jesus himself brought:

As he was ministering to the people, while he yet talked to them, his mother and his brothers stood without desiring to speak with him. Some one told Jesus they were there wanting to talk to him but he answered the man by saying: "Who is my mother? and who are my brethren?"

Thn he turned toward his disciples and stretched out his hand and said: "Behold, my mother and my brethren; for whosoever shall do the will of my Father which is in heaven the same is my brother and sister, and mother." Matt. 12:46-50.

This puts us all in the spot light.

We should respect and honor our parents, or their memory, every day, but because this day has been set aside, let us not forget our mothers since this is "her" day.

If you haven't written her in a long time, sit down and write her tell her you love her or call her and let her hear your voice.

Her responsibility toward you is not so heavy now, as it was when you were a baby, in her arms but she loves you just the same.

If you can drive over to see her for before you realize it, she will not be there, to welcome you home.

This is the cycle of life, and we do not want to have a lot to regret.

If we make our mothers happy; I'm sure we will be happy too.

MOTHER'S DAY

Sunday May 10

This notice is being printed again for further study. The officials of the school want a complete understanding about the issue and the needs of the school.

Information On Proposed Bond Issue

For years the school board has made a study of the building needs for our school system. The first incentive for such study was brought about by a proposed vocational building for which 50% will be financed by the federal government.

The district cannot obtain the federal money unless funds are on hand to match federal funds. The school board believes that a new elementary building and the vocational building can be constructed out of this bond issue. Some remodeling can also be done at the same time.

Why Now?

1. The schools are overcrowded.
2. The district will be made eligible for federal funds, the amount of which is approximately \$150,000.00.
3. Under a new state law, the district must establish a kindergarten within a few years. Eventually there will be 150 students under six years of age. There is no room for these students.
4. New vocational courses such as auto mechanics, general mechanics, general homemaking, distributive education, and vocational office education along with cooperative agriculture and one in trades and industries demand more room.

Note: Students are being transported each day to the old junior high building. This practice is not sound from a school standpoint, and the building there was condemned years ago.

How Sound Is The Program

The valuations of the district will approach \$16,000,000.00 for the 1970-71 school year. Since the high school bonds were voted in 1959, valuations have increased over \$5,000,000.00. The junior high bonds are being paid mainly from state aid for such. Some federal money was used at the junior high for sciences and equipment.

The district has a surplus of \$100,000.00 in the interest and sinking fund. The district also has a surplus of \$60,000.00 in the incentive aid fund. Incentive aid due the next eight years is \$196,152.00. Total liquid assets are \$356,152.00.

The surplus in the interest and sinking fund cannot be used except to pay bonds. The reason the district has not called in the bonds for payment is that the bonds average 3% interest and the district invests the surplus, receiving 5% to 7% interest. These investments create a profit for the bond account. If the new issue is approved, the district will probably call in some bonds or purchase its own bonds from the new issue.

After August 1st this year, the district will owe approximately \$900,000.00 in bonds (all old issues). If \$356,152.00 is deducted in liquid assets, approximately \$544,000.00 for the present bonded indebtedness will be left if the district takes the surpluses, pays off bonds, and uses credit on incentive aid due the next eight years. By law the district can incur 10% of valuation which would be \$1,600,000.00. Therefore, if the issue is voted, there will be still a good margin of safety. The present bonded indebtedness plus the new issue, less assets, will incur a net obligation of approximately \$1,050,000.00. If one looks at the bond finances from another viewpoint, the new issue will provide \$500,000.00. Less the present surplus of \$160,000.00 net new obligations will be \$340,000.00.

If one considers incentive aid due, new obligations can be reduced further. New obligations will then figure \$143,848.00. If the district has money on hand to match federal funds, new money will amount to approximately \$150,000.00. Money on hand will increase the chance of the district to receive federal funds.

What Will The Bond Issue Cost The Taxpayer?

Fifty cents (50¢) will, in all probability, finance the bonds.

Special Notice

There are in effect two taxes; one for bonds and one for operations. The bond tax of 50¢ will be assessed. A 75¢ operating tax will not operate the schools regardless of the new issue.

The district has never promised that the operating tax will remain the same. The district has had the same total tax rate of \$1.25 since 1949. Under our present economic structure, the 75¢ will not meet today's costs. The district valuations are less than one-third of actual values.

Other Vital Information

Thirty to 40% of the new high school building and equipment was paid for out of federal funds.

Approximately 80% of the new junior high school building and equipment is being paid for mainly with state and federal funds.

The stadium, with over \$100,000.00 in costs, was financed locally.

Purchases of land during the past twenty years were paid locally because of acquisition of federal funds. Land and land preparations cost over \$100,000.00.

At the present time, the district has no indebtedness that it cannot pay except the bonds.

Other than providing for construction of an elementary building and a vocational building the money on hand will increase eligibility of the district for approximately \$150,000.00 in federal funds to be applied on the vocational building. In addition to these two projects, some extensions and remodeling can be done.

If there are any questions, please request further information.

Oscar Peterson Rites Held

Memorial services for O.T. Peterson were held at the First Presbyterian Church at 10 a.m. Wednesday, May 6th.

Mr. Peterson underwent brain surgery in 1963 and returned for a second surgery last fall and had been hospitalized since August. His home was at 811 Colorado Blvd.

A native of Iowa, Mr. Peterson attended schools there and became a sales director for General Foods in Cleveland before moving to San Jose in 1936 where he opened an insurance agency.

During World War II he was active in athletics, recreation, and housing programs in the Bay Area and was sent under the auspices of the American Red Cross to Sidney, Australia, where he stayed during the re-

mainder of the war as director of an officers club.

On his return to the United States, Mr. Peterson was sent to Washington, D.C. from 1956-7 as co-ordinator of planning and civic affairs for the Veterans of Foreign Wars.

He returned to San Francisco where he started the city's first multiple listing service for real estate and retired in 1960 to move to Santa Rosa.

He was active in boys clubs and Young Men's Christian Association, was a director of the San Francisco USO, a member of the First Presbyterian Church in Santa Rosa and the founder of the Sonoma County Council, Navy League of the United States, in 1961, and served as its president for two years.

Mr. Peterson was commissioned an admiral in the Nebraska Navy and spent several tours aboard naval ships, including the USS Hancock aircraft carrier in 1963.

He married the former Ann Bigham in Dallas prior to moving to San Jose in 1936 and is survived also by his brothers, L.T. Peterson, Maryland and his sister, Mrs. B.W. Gregory of Iowa; one sister-in-law Mrs. Elizabeth Barton of Gatesville, and two brothers-in-law, Thomas Bigham and Robert Bigham of Gatesville.

Students From Evant Make Trip To Six Flags

Members of Evant Public School accompanied by their teacher and several sponsors, attended the "fun and food day" at Six Flags over Texas, Arlington last Saturday. The bus was "ill-fated" by having to be replaced before they got many miles from home, but they all had a good time and ate plenty, in spite of the delay. No matter how many times each had been, all wanted to return together, for the class trip, a long time planned event by the students, themselves. Every student, except Ronnie Leflin, who was ill, made the trip together with Mr. and Mrs. Bruce Jones, Mrs. David Lemons, Mrs. James Inabnet, Mrs. Belva Perkins and the bus driver, Reverend Bob Stokes and his family. Mr. Bruce Jones is seventh grade home-room teacher.

Mrs. Galaway's Son Receives Promotion

Word has reached Mrs. Prentiss Galaway of the promotion of her son, Clynton Smith from Lab assistant to Leading Foreman with the Hurricane Creek Plant, Benton, Arkansas. Clynton, a graduate of Evant High School became employed with this firm in 1965 and worked with the laboratory division following his first eighteen months of employment, where he remained until this new position was offered him. He is married to the former Patsy Conner and they have two children.

Mrs. B.T. Arnold spent last Saturday night with Mrs. Leah Caraway, Hamilton, and attended church with her.

Mrs. B.T. Arnold had the good surprise ever this week end of having her sisters, Mrs. Ethel Serley, Waco and Mrs. Evangeline Elliott, Grand Prairie as well as her brother, George Wolf and his daughter, Judy of Houston came for a visit.

During the high wind on Saturday morning, the rent house of the Taylor Williams family became a smoldering flame which was put out by neighbors and the Evant Fire Department. Little damage was done to the building, but bedding and other furnishings was badly damaged by smoke and water.

Mrs. Mary Welch and her small daughter Kay made their home there at the time of the fire, but were away, when the flames were discovered. Fortunately for all, the Williams family canceled out their plans to be out of town that day, and found the damage while still small. Flames could have soon swept over both the houses had it not been so. A card of thanks is found elsewhere in this paper from the Williams family to their neighbors and the Fire Department.

Mr. and Mrs. Herman Kreid and Mr. and Mrs. Bill Smith and sons spent Sunday in Ft. Worth visiting Mrs. Willie Smith, their mother and grandmother, and Mr. and Mrs. Jim Sheffield, sister and brother-in-law of Mrs. Kreid and Mr. Smith.

On Sunday morning, May 3rd Mr. Evant Brooks, retired banker and rancher who shall ever remain the symbol of banking and ranching to the Evant community, passed away. He has inspired numerous young people into making successful

business managers, but none has exceeded him. His quiet dignity, his confidence in himself and his fellowman, has made his name an engraved image for the generations to come to continue to remember.

Mr. Brooks home and family has always been a high point in his life; they remain to remember his devotion and everlasting leadership. He was married to the former Ruth Baker, who survives him together with one son and a daughter, Keith and Ellen Douglas. They each have two children giving Mr. Brooks the happiness a well grounded family man deserves.

Miss Gertrude Hill returned to her room at January Care Home, Evant, last week. She had spent sometime in Hamilton County General hospital.

Mr. Chester Sheldon returned to his home west of Evant Monday after an extended stay in two different hospitals.

Mr. and Mrs. Hays Miles, Midkiff, spent the week end in the Bertrand family home, at Evant and visited her parents who are both patients in the January Care Home. They are both as well as can be expected at this time.

ATTENDS FIREMAN'S CONVENTION... Three Gatesville couples attended the Central Texas Volunteer Fireman's Convention in Granger last weekend and caught up on the latest news from other fireman's organizations.

Gatesvilleites attending were Chief and Mrs. Pat Patterson, Mr. and Mrs. Jack Mitchell and Mr. and Mrs. Robert Earl Ashby. The group heard discussions concerning the proposed pension plan for volunteer firemen and watched female pumper teams from the area compete for trophies.

In the pumper team competition the girls readied a truck for fire fighting just like the firemen do. The team from Copperas Cove took a second place trophy home to Coryell County. The Cove group also received recognition for the highest attendance at the meeting.

ATTENDS FUNERAL IN HOUSTON... Mrs. Ruby Smith and Mr. and Mrs. Fred Smith of Gatesville attended funeral services May 3, in Houston for Foy Sharp, brother of Ruby Smith.

Foy Sharp was born and reared in Gatesville. He was the son of the late Mr. and Mrs. Walter Sharp of Gatesville.

CELEBRATES 95TH BIRTHDAY... Miss Ada Johnson of Gatesville was a happy woman of 95 Saturday when her niece Mrs. Otha Johnson honored her with a birthday party in her home.

Miss Johnson's birthdate is May 4, but all of the excitement of the birthday party made Saturday seem like her birthday. There was delicious cake for party guests along with Miss Johnson's favorite, homemade vanilla ice cream.

Guests helping Miss Johnson celebrate were Mrs. Edna Johnson of Temple, her sister-in-law, Mrs. Ida Bell Hulif of Crawford, Mrs. Charlie Parrish, Mrs. Annie Johnson, Mrs. Hill Martin, Mrs. Fannie Fisher, Mrs. Joe Ayers and grandson Billy Smith, all of Gatesville.

GIFTS FOR
Mother's Day

IN BRANDS MOTHER KNOWS AT

BENNETT'S

GATESVILLE

MOMS ARE GREAT, AREN'T THEY?... She changed your diaper, fed you from infancy until maturity, patched your skinned knees, wiped tears from your sad little eyes, smiled at your "portrait of Mom," felt what you felt—your smiles, your fears, your joys and your tears—understood your problems, guided your actions and most of all gave you love in abundance. There can be no question about the identity of this person—ITS MOTHER!

Sunday is Mother's Day. As we pause to honor our mothers on this very special day, let each of us think about our mother and the dedication and love that she devoted to us in childhood, adolescence and maturity. May we each honor her everyday and make each of the 365 days of the year MOTHER'S DAY!

You know, children for centuries have honored their Mothers, but Mom did not have a special day set aside until this century. The observance of Mother's Day began in 1907, under the inspiration of Miss Anna M. Jarvis, of Philadelphia.

Miss Jarvis thought that at least once a year sons and daughters should pay a tribute to their mothers. She arranged for a special service in honor of mothers in one of the Philadelphia churches. Each person attending was asked to wear a white carnation denoting the tribute to mothers. This first Mother's Day appealed to the imaginations of others and services were held in more churches the next year. The second Sunday in May was agreed upon as the suitable date.

After four years of observing Mother's Day, the observance was so wide-spread that there was not one state in the United States that did not observe Mother's Day in some special exercise. That year (1911) Mother's Day was also observed in Canada, Mexico, South America, Africa, China, Japan, and some islands of the sea.

The Mother's Day International Association was incorporated to encourage a greater observance of the day, in December of 1912. As the "special day for moms" celebration snowballed, the House of Representatives unanimously adopted a resolution which called upon the President, his Cabinet, the Senators, Representatives and all Federal Government officials to wear a white carnation on the second Sunday in May. Two years later Congress designated the day as Mother's Day and the President proclaimed that the flag would be flown on government buildings. Now home owners signify their love and reverence for the mothers of the country by flying the flag on their homes.

The well-known custom of wearing a white carnation was modified so that the distinction might be made between those whose mothers were still alive and those whose mothers were dead. White flowers are worn by those whose mothers are dead and red flowers are worn by those with living mothers.

The ancient custom of holding a festival in honor of motherhood dates back to the ancient Greeks. The Greeks honored Cybele, mother of the gods, with rites in woods and caves. The Romans borrowed the custom from Greece about 250 B.C. On the Ides of March the festival of Hilaria in honor of Cybele was begun and continued for three days.

No matter how many days we would set aside for the honoring of our mothers, we would be unable to express the love and devotion of child to mother, mother to child. Happy Mother's Day MOMS!

HOUSTONIANS VISIT HERE... What fun it was for Mark and Dave Durham of Houston last weekend when granddad Frank Cohagan took them on a fishing trip. The boys were in Gatesville with the rest of the family, Ricky, Patsy and daughter Linda and son Mike.

The Durhams arrived in Gatesville Friday night late but made up for lost time Saturday with a fish fry in the home of Mr. and Mrs. Frank Cohagan and Linda. Saturday night, the Houstonians stayed in the home of the Emmet Durhams.

The family gathered at the Cohagan home again Sunday with Mrs. Mildred Price and Mrs. Harold Cohagan and Wendy as added guests.

THAT'S WHATYA CALL WIDE OPEN SPACES... In our recent election, 4,304 Coryellers took to the polls to scratch in the "X" of victory for some and the whitespace of defeat for others. In the same election Loving County in far west Texas had a total of 80 voters. Former Gatesvilleite Dickie Putnam and his family live near Orla, a tiny settlement in that county. The Putnams live on a ranch which covers 200 sections of that arid, west Texas soil amid cactus, oil fields and sagebrush.

Dickie is employed with the Phillips Petroleum Company there but "moonlights" on the ranch.

In case you haven't placed the county, it is located on the New Mexico line between Carlsbad, New Mexico and Pecos, Texas. The county, last to be organized in Texas, was created in 1887 from Tom Green and organized in 1931. It was named for Oliver Loving, a trail driver.

The county seat is Mentone which consists of a court house, school and a service station. It is the only town for the state's least populous county. Three teachers teach 38 children in the tiny school and Vernon Jones, Dickie's step-son is one of them. Vernon, 8, travels 100 miles a day to the school house which educates the children of 365 county residents. Dickie and his wife Janet have one other child, Paul who is 3 years old.

Dickie is the son of Mr. and Mrs. Don Putnam of Gatesville. The Putnam's daughter, Margaret, lives in a bit more populated county in Austin with her husband and family. Her husband Bryan Stevens is a sergeant with the Austin Police Department.

HOME FOR SHORT VISIT... Paul Franks returned home from Oklahoma recently to visit with his parents Mr. and Mrs. Allen Jones and grandmother Mrs. Bertha Brazzil.

Paul is stationed at Fort Sill, Oklahoma and was so glad to have a three day pass for a family visit.

RETURNS HOME AFTER TWO MONTH VISIT... Mrs. Sue Little of Gatesville returned home after two very enjoyable months in Amarillo with her daughter, Lucille Childress.

The Gatesvilleite was an eye witness to the destruction caused by the rash of tornadoes that struck the Texas panhandle last month. Weather varied greatly over her visitation period. Mrs. Little also viewed white snow fall on the area and was snowed in.

A special treat for Mrs. Little came when she was visited by grandson Donald Harper and great grandson Jeffrey, 3, of Lubbock. The two months flew by and the visit ended all too soon according to Mrs. Little.

Federation Outing To End Year

The Morris Federation of Gatesville will wind up the year's activities Saturday with a spring outing at Idle Acres on Lake Belton.

Special guest and hostess for the end-of-the-year meeting is Mrs. Price Bauman of Gatesville.

Members are urged to meet on the First Baptist Church parking lot at 11 a.m. "We want everyone to come with us and enjoy the out of doors, good food and fun," said Mrs. B.W.D. Pollard, spokesman for the federation. "Let's end the year with a big time at Idle Acres," she added.

In charge of transportation to Lake Belton are Mrs. Jack Dold, Mrs. Earl Odam, and Mrs. Carl Eutanks.

Miss McCoy Feted In Lampasas

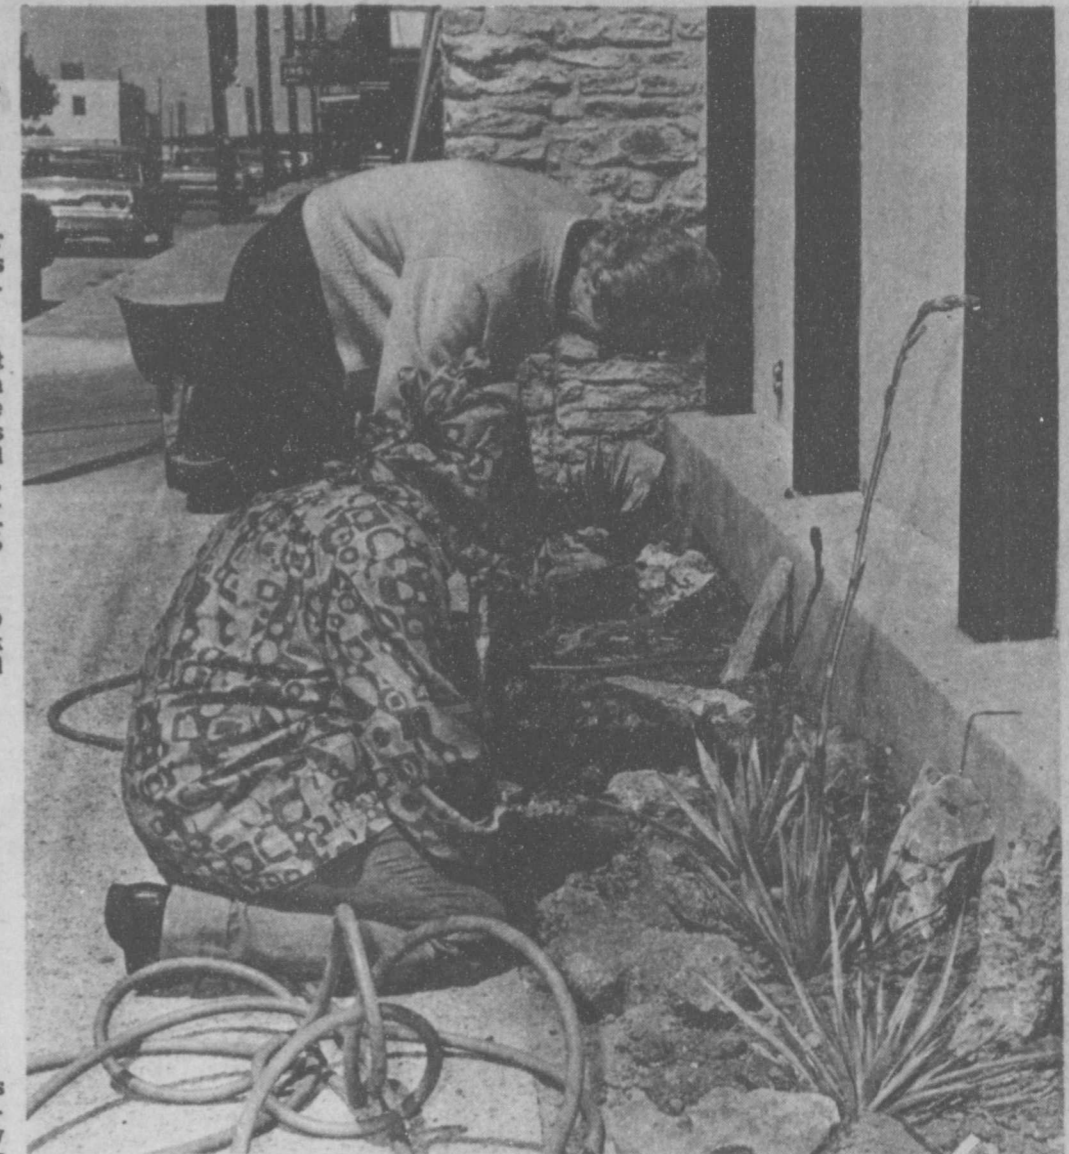

Miss Deborah McCoy, Gatesville High School Senior, was honored Saturday with a luncheon at the home of Mrs. Dudley Terry in Lampasas. Hostess with Mrs. Terry was her mother Mrs. Charlie Walsh and sister Mrs. Bill Summers, both of Copperas Cove.

Miss McCoy, her mother, Mrs. Frank McCoy and grandmother Mrs. J.D. Walsh Sr. were presented corsages of white carnations.

Each table was centered with a small arrangement of spring flowers. After a delicious lunch the group was honored with a book review of Mark Twain's "Innocents Abroad" given by Mrs. Camilla Langford.

Those enjoying the occasion with the special guests were: eight GHS seniors and their mothers, Mrs. Ray Byrom and Jan, Mrs. Earl Powell and Cecilia, Mrs. Hal Anderson and Melinda, Mrs. Claud Lovejoy and Beverly, Mrs. Ollie Little and Janet, Mrs. Sidney Pruitt and Debbie, Mrs. Cloyce Duncan and Pam, and Mrs. H.P. Brookshire Jr. and Joy.

Garden Club At Work On Library Landscape

They "Dig"

Gardening...

Gatesville Garden Club members Mrs. Sam Powell Sr., and Mrs. Lydia Patillo busily work on the landscaping of the front flower bed at the new public library site. The gardening pair planted desert or arid land plants for best endurance during the long hot summer months. Adding a handsome touch to the plant life is a collection of rocks.

The Garden Club is in the process of landscaping the entire new library site.

Library Receives Federal Grant

The Gatesville Public Library has again received a grant for the purchase of books and audio-visual material from the Health, Education, Welfare De-

partment of the Federal Government. These grants become available each year when the library can show an increase in local support. This year's grant is for \$870. And an order for eighty-nine new books has already been sent out. Be sure to come in and browse among these and the many other new books we will be adding to our collection with the aid of this grant.

Among the new books ready to go on the shelves this week is the 1969 Newberry Award Winner, *Southern* by William H. Armstrong, about a boy and a dog; one of the Caldecott Award

runner-up books, *Thy Friend, Obadiah* by Brinton Turkel; and the 1969 Honor Award Book, *The Skating Rink*, by Mildred Lee. The picture book age children will enjoy the colorful new *Floralabelle* by Garry Smith and *The Green Machine* by Polly Cameron.

New books for adults include one from the best seller list, *Deliverance* by James Dickery; a book of poetry by Judith Viorst entitled, *It's Hard to be Hip Over Thirty*; a biography of T.H. White; *Sight Unseen*, a mystery by Lindop and a new Elizabeth Seifert book, *To Wed a Doctor*.

Miss Alexander-Herbert Cull Engagement Told

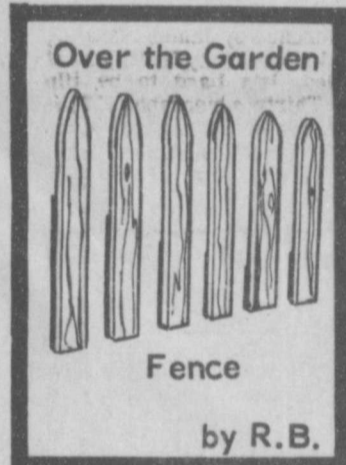

MISS ALEXANDER

Mr. and Mrs. Robert L. Alexander of Oglesby announce the engagement of their daughter, Millie Alice to Herbert Graham Cull, Jr., of Houston, son of Dr. Herbert Graham Cull, Sr. of Humble.

Miss Alexander, a 1961 graduate of Oglesby High School, received her B.A. degree in history and English from Mary Hardin - Baylor College in Belton in 1965. She received a masters degree in political science from the University of Houston in 1967 and worked toward her PhD degree in the summer of 1968 at Texas A&M University. She taught at Blinn College in Brenham from 1967-1969. Miss Alexander is employed with a Houston insurance firm.

Mr. Cull is a graduate of Lamar High School in Houston and has a B.S. in political science from the University of Houston. He is currently working toward a master's degree in political science at Sam Houston State University in Huntsville.

The couple has not set a wedding date.

Over the Garden

Fence

by R.B.

I spent an enjoyable afternoon with some friends roaming the hills and creek banks. Since it was a hot afternoon we didn't expect to see much wild life out stirring around but we saw a few deer and wild turkeys besides the inevitable jack rabbits and armadillos. Wild flowers were everywhere, most of them old

friends but quite a few new ones turn up on each trip like this, that send us looking through the pages of the wild flower books when we get back home. It's very frustrating not to find the one I'm curious about though.

We sampled ingredients for a wild salad and could have made a good one if we had found some watercress. The pepper grass and sheep sorrel would have added just the right seasoning and we found that the first six inches of new growth of wild briar have a nice crunchy texture and a pleasant taste. If the bass that were caught had been a bit bigger we could have had a "wild supper" instead they were put in the new tank to grow some more.

So I would enjoy only good memories of a delightful afternoon I took a bath with plenty of bleach in the water as soon as I got home, just in case I had gotten too close to the poison ivy we saw by the path.

Peachy Pancake Breakfast

As cheery as spring daisies are these delightful Peachy Pecan Pancakes. It's springtime in the kitchen, too, when you short-cut preparation with a convenient pancake mix. These tender, golden pancakes, crunchy with pecans, are topped with bright peach slices and light, delicate maple-blended syrup poured right from the drip-proof bottle.

Prepare Peachy Pecan Pancakes for your family soon, and greet spring with a bit of breakfast sunshine.

PEACHY PECAN PANCAKES

Makes 4 servings

- 1 cup pancake mix
- 1 cup milk
- 1 egg
- 1 tablespoon melted or liquid shortening
- 1/4 cup chopped pecans
- Fresh or frozen sliced peaches, thawed and drained
- Butter or margarine
- Aunt Jemima Syrup

Place mix, milk, egg, shortening and pecans in bowl. Stir lightly until batter is fairly smooth. For each pancake, pour about 1/4 cup batter onto hot, lightly greased griddle to make 8 pancakes. Turn pancakes when tops are covered with bubbles and edges look cooked. Turn only once.

Top pancakes with sliced peaches. Serve with butter and syrup.

Robert Pruitts To Note 50th. Wedding Date

MR. AND MRS. ROBERT PRUITT

Mr. and Mrs. Robert Pruitt of the Pancake community will observe their 50th Wedding Anniversary on Sunday, May 24th, in the Fellowship Hall of the Jonesboro Methodist Church. Their children, Mr. and Mrs. Wayne Pruitt of Route 2, Jonesboro, and Mr. and Mrs. B.E. Latham of Dallas will host the occasion. Also helping with the reception will be their four grandchildren. Friends and relatives are invited to call from 2:30 to 5:30 p.m.

The Pruitts were married May 18, 1920 in the present Jonesboro Methodist parsonage by the Reverend Henry Francis. Both were born and reared and have spent their entire married life in the Jonesboro community.

Both Robert Pruitt and his wife, the former Maggie Turner, were born into large families. He was one of ten children of the Mono Pruitt family residing in the Mt. Zion community. His wife, Maggie, was one of eight children born to the Ben Turner family in the Evergreen community.

Weems-Cayce Families Hold 18th. Reunion

The Chateau Ville was the setting last weekend for the Weems Cayce family to gather for their 18th annual reunion.

The get-together convened in the restaurant Saturday with a dinner. J. Albert Dickie, chairman for the clan, presided over the meeting, calling on Richard Ferguson of Seymour to give the invocation, making announcements and introducing the Sunday speaker, Mrs. John Adamson of East Lansing, Michigan.

After some visiting and reminiscing by family members, the group adjourned until 10 a.m. Sunday.

Craft Friendship Club Meets

The Craft-Friendship Club met April 23 in the home of Mrs. Ruby Weaver.

Two quilts were quilted for the hostess and all enjoyed a very delightful visit.

Delicious refreshments were served to 20 members and two guests, Mrs. Ethel Rogers and Lisa Young.

"Visitors are always welcome to meet with us," said Mrs. Maggie Smith, spokesman for the club.

The next Craft-Friendship Club meeting will be held May 14, in the home of Mrs. Homer Smith of Jonesboro.

Saturday's meeting included 37 members of the families representing California, Michigan, Oklahoma and many places in Texas.

Sunday's activities included 57 members gathering for the noon meal, and announcement of officers. Herman C. Lynn of Redlands will serve as chairman with Mrs. R.G. Dickie of Gatesville as secretary-treasurer and Mrs. Roy Hanks of Wichita Falls as historian.

Also Sunday, Mrs. Richard Ferguson of Seymour spoke a few words in memory of two members who passed away since the last reunion, Mrs. R.S. Griggs of Fort Worth and Mrs. Jim Hanks. The last order of business was a speech given by Mrs. John Adamson on a "Branch of the Slade Family." Many of the relatives were dependents of this family. Each person was given a copy of the information discussed by Mrs. Adamson.

Each family returned to their respective homes with happy memories of another successful reunion.

PTA To Install 1970 Officers

The Gatesville Parent-Teacher Association will install club officers for the 1970-71 school year Monday night in the Gatesville Junior High School Auditorium.

The 7:30 meeting will mark the close of the PTA 1969-70 schedule. Mrs. Laura White is in charge of the meeting.

The devotional will be given by The Live Oaks, a group of singing girls. Reports from the historian on the year's progress will be heard. Refreshments will be served following the meeting.

The PTA executive board will meet at 6:30 p.m. "We urge all PTA members to attend this final meeting of 1970," a PTA spokesman said.

Woman's Forum To Hear Mrs. Charles Reeve

The Woman's Forum will see the comedy in the modern American woman through the eyes of columnist Jane Goodsell Monday when Mrs. Charles Reeve will review the gifted writer's book, I've Only Got Two Hands And I Am Wringing Them.

The fine arts group will gather at the Guaranty Bank Community Room at 3 p.m. for the meeting which will close the club's schedule for 1970. Mrs. Price Bauman is hostess.

Dr. & Mrs. Langston Celebrate 60th. Wedding Anniversary

Coryell Retired Teachers To Install 1970 Officers

The Coryell County Retired Teachers Association will hear Judge Bates discuss, "The Old Gatesville School-House" at their monthly meeting today.

Brumalow will propose that the association write a history of Coryell County schools in an effort to preserve data on the county school system for future generations.

and in 1935 the number of schools increased to 136. Currently there are only 6 schools in the county, he added.

The group will meet at 10 a.m. in the Civic Room of the National Bank.

The former principle of Gatesville Junior High School noted that in 1894 there were 88 schools in Coryell County

TO THE PEOPLE OF CORYELL COUNTY

I appreciate the votes and the support given me in my race for re-election as your county judge and am grateful for the many courtesies and the encouragement accorded me during the campaign.

Although I did not win the election, I want to thank those who voted for me and to thank those friends who worked hard in my behalf. I want you to know I will never forget you.

And I also want to assure you that, although I lost, I feel no ill will nor resentment toward those who voted for the other candidate. Instead, I hold deeply-felt and immeasurable appreciation toward the fine people of this county who honored me by electing me their county judge on three previous occasions. I will always be grateful for the courtesies and cooperation extended me while serving as county judge.

During my time in office I have worked with nine different commissioners, and I greatly enjoyed my association with these fine men. It has been a privilege to serve with them and we always enjoyed the most amicable relations.

Every decision made by me while serving as your county judge has been based on what I felt was best for the county as a whole and what was right and just. These factors will continue to be my guide in my remaining months in office.

Thanks again for the support I received in Saturday's election and thank you, too, for the honor, you the people, have accorded me in the past.

Sincerely,
NORMAN STORM

PEARL NEWS by Mrs. Lyda Cooper

Albert Gates Rites Held

Word was received here last Friday of the death of Mr. Albert Gates of Port Arthur, funeral services for Mr. Gates were on Monday in Port Arthur.

Mrs. Joe Blakley had the misfortune of falling and breaking a bone in her foot. Those visiting her on Sunday afternoon were Jo Ann Blanchard of Gatesville, Mr. and Mrs. Jim Smith of Evant, Imo Medart, Mrs. Babe Freeman, and Doug and Mr. and Mrs. Charlie Freeman.

Mr. Albert Freeman spent Saturday night in Copperas Cove with his daughter and son-in-law Travis and Bettie Ballard.

Recent visitors of Mrs. Susie Smith and Archie were Mr. Bood Myers and his daughter Shirley from Silverton and Alvin Wolf of Gatesville.

Those visiting in the Tully Ballards and A.V. Freeman homes last Saturday afternoon were: Mr. and Mrs. Travis Ballard and Sherry and Mr. and Mrs. Keith Ballard, Don and Keithelin. This was Keithelin's first visit to meet her great grandparents, uncles and aunts.

Those calling on Lyda Cooper Sunday after the singing were Carl Edwards and Mrs. Gladys Lewis of Gatesville, Mrs. Alice Winningham and Eunice

and Mrs. Opal Deal of Hamilton. Mrs. Ronald Ballard and Ronnie of Fort Worth visited the O.Z. Ballards and the Robert Kelly's over the weekend. Mrs. Ballard and Mr. and Mrs. Kelly attended funeral service for Mr. Schaub in Lampasas Sunday afternoon. Mr. Schaub was a brother-in-law of Mrs. Kelly.

Susie Smith and Lyda Cooper called on the A.V. Freeman's Sunday night.

Stephann Prinz has been with her grandparents, the Harry Kings for two weeks. She has had a real case of the measles. Those visiting in the King home Sunday was Mr. Arthur Prinz, Mrs. Redden, Mrs. Vester Farmer of Durango, Velma Kemp of Purlmeta and Mr. and Mrs. Yogie Prinz.

Mr. and Mrs. Jerry Boudreaux, Kim and Jay of Levelland visited their parents and grandparents the Boone Wilkerson the first of the week. On Monday Mrs. Wilkerson, Mrs. Boudreaux and children visited the J.A. Carswell's in Grandbury.

Cleburn Doyle had some growth cut out of his throat at Scott and White last Monday and he returned home Monday night and at present is doing as well as possible.

Mr. and Mrs. Jim Wilkerson and boys of Copperas Cove visited Boone Wilkerson Saturday.

enacted legislation providing 55 percent of the cost of building ships in U.S. shipyards and sharing in operating costs of American flag vessels on the high seas.

Congress took this action because it knew there was no other way American shipyards and American flag ships could survive in the face of competition from shipyards elsewhere in the world and foreign flag ships, where men are paid far lower wages than are Americans--and have a much lower standard of living.

Why should not this same concern be shown for the biggest and most vital of all American industry--agriculture? There are some who say any segment of agriculture which can't pay

its way should be left to die, but they fail to realize that the farmer is not operating in any open market. He buys tractors and other farm machinery built with high labor costs and protected by tariffs from foreign equipment. He buys input items with price tags inflated through one form or another of governmental action. Cotton costs about 27 cents a pound to produce in the United States. The world market price is approximately 20 cents. We could abandon cotton production in the United States, but we would create chaotic economic and social conditions for tens of thousands of Americans. Wheat is in only a little less favorable situation relative to the world market. Obviously, it

is just as essential to keep a capacity for producing food and fiber in this country as it is to maintain American merchant marines. American agriculture can survive only if producers receive enough return to pay for their investment in time and money and labor, and hardly anyone will challenge the statement that the American farmer today is barely receiving enough to stay in business. A great many are not, for on most major commodities they are actually receiving about the same or even less than they did 20 years ago. And that brings us back to the question of subsidies, which amount to a

Washington Views and News
Bob Poage

While Congressman Poage is away from the Capitol attending a U.S. Agricultural Attaches conference, I am pleased as a member of his Agriculture Committee staff, to act as his guest columnist this week.

Since he has been deeply engrossed for many months in the drafting of a farm bill which hopefully can surmount the numerous obstacles in its path, it might be timely to comment on what I feel is at the heart of the problem of getting a measure enacted into law.

That is the question of subsidies--and the failure of the public generally to realize that almost every segment of the American economy receives the benefit of government subsidies, either directly or indirectly.

Webster's Dictionary, among other definitions, has this to say in describing a subsidy: "a grant by a government to a private person or company to assist an enterprise deemed advantageous to the public."

Subsidization has been a policy and an instrument of the United States since the Republic was founded. The very first act of the 1st Congress in 1789, was to devise a system for administering oaths. The next thing was to enact a tariff law to protect and

promote industrial development in what was then a predominantly rural society. In order to encourage development of an American fleet, the legislation also provided that goods shipped to the United States on

American vessels should have a 10 per cent reduction in customs duties. Early in the 19th Century began a program under which 6,340,000 acres of public lands were awarded to private interests to promote canal building and river improvements. Between 1850 and 1871 approximately 183 million acres of federal and state lands were granted to railroads. Mail subsidies began in 1845, and are at the core of the huge postal deficit to this day. Even as the American fleet was subsidized in 1789, Congress recently

Wife Of Former Gatesvilleite Killed In Houston

Funeral rites for Mrs. Charles Bratton of Houston will be held at 2:30 p.m. today in Curtis Mortuary in Silver City, New Mexico. Mrs. Bratton, wife of Charles Bratton formerly of Gatesville was killed Monday afternoon in a two car collision near Houston. She was the lone occupant in the car. Mrs. Bratton was enroute to her home when the accident occurred. She is survived by her husband, one son Russell Lee, 2, father and mother-in-law, Mr. and Mrs. Oscar Bratton of Gatesville.

THANK YOU TO THE VOTERS

I want to say a great big Thank You to the voters of Precinct 4. I humbly accept the job of being your next County Commissioner and I promise to serve you to the best of my ability. To those who worked so hard to get me elected I say many thanks. To those who supported Mr. Celo Carroll, you can be proud of him. He conducted himself like a real gentleman throughout the campaign and has served you well as your Commissioner. So now I ask you to consolidate with me so that I may serve Precinct 4 and Coryell County.

Freshman League To Open Season Friday

The rain delayed start of the 1970 Lions Summer Baseball program will try again Friday night as Baseball Commissioner, Jim Miller has scheduled a double-header for fans starting at 6:30 p.m.

Last year's Freshman league pennant winner, Dairy Queen, will face Cable Vision in the first game of the season. The Dairy Queen squad advanced into the post-season play offs last year and fans can expect the two teams try to jump into an early season winning tradition.

In the second game of the double-header, Methodist Men will take on Fire Department in an inter-division game between the American and National Divisions.

The eight teams of the freshman league will all have seen action by Saturday as the other four teams are scheduled for double-headers on Saturday. Jackson Insurance will face Cummings Real Estate in an American Division contest while Coca Cola and Schloeman-Ashby will battle in another inter-divisional contest.

The inter-division contest of the Freshman league counts toward the division standings as all eight teams play each team twice.

The Junior League five team schedule may be expanded into a six team circuit due to an increase in the number of older boys wanting to play in the summer league.

A meeting was set for Wednesday afternoon by Commissioner Miller to determine the fate of the proposed expansion team. Miller indicated Wednesday that prospects of a new team are slight now due to some players dropping out of the league.

In any event the league will kick off the season May 15 with National Bank facing Scott's Furniture in the opener. The Bankers made it to the state

play offs last year and finished third over the state.

Coach James Box is looking for a good season this year with eight returners: James Haferkamp, Mike Blanchard, Aubrey Ortega, Bobby Sellers, Jerry Blanchard, James Box, Billy Bartlett, Mack Rainer.

New players for the Box Bankers are: James Taylor, Dennis Struempfer, Richard Easley, Frank Powell, Eddie Benson, Reggie Harden, Joe Moore.

Carolyn Donaldson Wins Whiff 1st. Flight

The Gatesville Country Club Whiff Club continued their weekly tournament program with a three flight handicap tourney Tuesday afternoon.

Winning in the first flight were Carolyn Donaldson and Evelyn Lawrence both with net 38 scores. Mrs. Donaldson shot a 42 before handicapping and she plays with a four handicap.

Eloise McClellan has low putts for the day with 13, that is five putts less than regulation.

In the second flight Connie Smith captured first place with a net 42 with Nimfa Arreaga in second place with 44.

The third flight was won by Emmae Jones with a net 44, with Marcelle Claxton second at 48.

Tuesday, May 12 the Club will hold a 9:00 a.m. tee off for their next touney. The Scotch-foursome planned for May 10th has been cancelled.

little over \$3 billion a year in price support programs under the existing farm law which expires at the end of this year. That cost figure has to be met somewhere is production is to be maintained, and if it isn't met through subsidies, it will have to be passed on to the consumer at the retail level. The consumer would find it more expensive than the \$3 billion probably, because the farmer actually receives only about a third of the retail price of the groceries, and as one factor in an item cost is raise, other factors also almost certainly would rise.

These are some of the complexities of the farm bill that may soon come to a show-down vote in the House and Senate. Not only the welfare of the farmers is involved, but that of 204 million Americans as consumers. And the American economy generally, for not only domestic marketing is concerned--farm commodities have been a major factor in our international commerce and balance of trade situation since the 1st Congress met back in 1789.

Reverend William Agee Will Conduct Revival Services

Mountain Baptist Church will hold its annual revival beginning Sunday May 10th and running through May 17th.

Reverend William Agee, Pastor of the Emanuel Baptist Church of Waco will conduct the services and Bill Rucker will lead the singing.

Reverend Agee attended Ouschita Baptist College in Arkadelphia, Arkansas and Southwestern Theological Seminary of Fort Worth.

Services will be at 7:30 p.m. nightly and Sunday services will begin at 11 a.m. Thursday night Reverend Agee will show slides he made on a journey to the Holy Lands.

The public is invited to attend these services.

GRC Has Pot Luck Supper -Plans Trail Ride

The GRC met Monday night at the local Community Center for their monthly business meeting and a pot luck supper.

After the meal, club president, Ollie (Bunk) Bynum called the meeting to order. The main business for the evening was the up-coming trail ride. The Club agreed to have a 2 day trail ride to precede the Jaycee Rodeo, which will be June 4th, 5th, and 6th. On the night of June 2nd (Tuesday night) the trail riders will spend the night at the local Community Center. The trail ride will begin at 8:00 o'clock Wednesday morning; enroute toward Pearl, Wednesday night the riders will spend the night at the Pearl Community Center. There will be a big Bar-B-Que supper on this night. Anyone wanting to eat supper, who is not on the trail ride the price for the meal will be \$1.00 for GRC members and \$1.50 for non-members.

The next morning the riders will mount and head back toward Gatesville to make it in time for the yearly rodeo parade. Anyone interested in going on the trail ride can call Jackie Whittenburg, 865-5347

Worship In Church This Sunday

Out of Bounds

Gary Kafer will be back in action this weekend looking for his eleventh straight high jump win. Kafer is the top 3A jumper in the State and still has another year. Coaches will be just like the spectator come 7:00 p.m. Friday as the tall high jumper takes charge of his last "moon trip" of the year.

The return match with the Fort Hood golfers was not what the Gatesville Country Club 22 golfers hoped for. The locals were soundly defeated. The local did enjoy the outing on the well kept 18 hole golf course on base at South Fort Hood.

Of course, the evening meal removed all depression from the golf course defeats. I wish I had been there to lose.

Football will be big in Gatesville High School next year with 60 new freshman athletes to join the ranks. Coach Jack Moss is looking for nearly 150 fall warriors. Moss has been having a mathematical problem however, is it "lockers divided by boys" or "boys divided by lockers."

Last week in the story on the Girls Regional track meet, I erred when I stated that Tonya Price's fall effected the results of the mile relay team finish.

The Jaycees are a sporty bunch, but this time the "big idea" men of the Jaycees have really proved their ability. Spectators will enjoy the rodeo this year even more due to the Jaycees resourcefulness and money. (That brings to mind another slight inaccuracy. The Jaycees paid \$500 for the Holmes Stadium seats.)

Close the door on kitchen smoke.

When you broil with some ranges, you have to worry about smoke getting into your kitchen. Dirtying your walls and ceiling; soiling your curtains; irritating your eyes and nose.

But you don't have to worry about smoke with a gas range. Because the gas flame consumes it. And, that's why you can broil with the broiler door shut.
