LOUISVILLE, Ky., Sept. 24. Chaplains in the United States army will hereafter wear no insignia of official rank, retaining only the cross, according to a war department order received late yesterday by Major A. A. Proden, commandant of school of chaplains, and approved chaplain candidates at Camp Zachary Taylor.

Great dissatisfaction among the students at the school is said to have been caused by the order and last night it is reported more than 100 members of a class of 252 who are to be graduated Thursday, had wired to authorities of churches to which they belong and to members of congress protesting against the war department's action.

BANDIT ENGAGES IN PISTOL FIGHT WITH THE POLICE

By Associated Press

KANSAS CITY, Sept. 24.—A man thought by the police to be one of the bandits sought by the government in connection with the Missouri, Kansas and Texas train robbery at Koch, Kansas, two months ago, engaged in a pistol fight with a score of policemen here this afternoon. The man is barricaded in a two-story brick house and several volleys of shots have been exchanged. The officers have surrounded the house but so far have been unable to effect an entrance. One policeman was wounded.

Officers declare that the barricaded man is Dale Jones, one of the Lewis band, members of which were arrested two weeks following two running revolver fights with the police between Sedalia, Colorado and Denver. Officers reported that the man had been severely wounded by them.
