

LABOR URSED BY FEDERATION TO SUPPORT WILSON

OFFICIAL APPEAL MADE TO UNION MEN THROUGHOUT COUNTRY TO VOTE TO CONTINUE HIM IN EXECUTIVE CHAIR

RECORD IS REVIEWED

Foreign Policy is Indorsed and President is Praised for Recognition that He has Given to Wage Earners of Nation

LABOR URSED BY FEDERATION TO SUPPORT WILSON

Washington, Oct. 21.—Organized labor's first official appeal to its members in behalf of President Wilson's reelection was made public tonight at the American Federation of Labor headquarters. It is in the form of a circular letter to all officers of organized labor calling on them to hold special meetings if necessary to consider the issues of the campaign and see to it that wage earners go to the polls to protect their interests against "Wall Street." The letter is signed by Samuel Gompers, president, James O'Connell, vice-president and Frank Morrison, secretary, as the Federation's labor representation committee and it has been sent to the heads of all affiliated organizations.

LABOR URSED BY FEDERATION TO SUPPORT WILSON

In reviewing the record of the administration it praises the president's course in foreign affairs, declaring that never at any time within the last 50 years have the workers had more at stake in any political campaign than in the one that is to be decided in the election November 7.

During the present administration and particularly in this campaign, there has been developed a clear cut issue between the workers—the producers—and those who manipulate the products of the labor of the others—the exploiters. The issue is represented in the campaign by the conflicting interests represented by labor and Wall Street.

TO DECIDE MONDAY IN INJUNCTION SUIT

Court at Austin Will Pass Then on Case Against 34 Railroads in Texas

Austin, Tex., Oct. 21.—A decision in the state's plea for an injunction restraining 34 railroads of the state from operating under the proposed rates which become effective November 1 will be given Monday morning, it was announced today by Judge Calhoun, after arguments had been completed.

RUMORED MEXICO PLANNING CHANGES

Cabrera to Succeed Arredondo at Washington, Says Unconfirmed Report

Atlantic City, Oct. 21.—Members of the Mexican American joint commission here today they had received no confirmation of a report from Washington that General Pablo Gonzalez, minister of communications had been named by General Carranza to succeed Luis Cabrera as one of the commissioners and that General Gonzalez would become Mexican ambassador, designate succeeding Arredondo.

TAKE DRASTIC ACTION IN INFANTILE PARALYSIS FIGHT

Oklahoma City, Oct. 21.—Although no new cases of infantile paralysis developed here today, city health officials were busy taking precautionary measures to prevent a spread of the disease. The most drastic action taken was the prohibition of all boys and girls under sixteen from attending all churches, theatres or any public gathering for two weeks. Officials ordered the prompt closing of any theatre, church or other public building if children under sixteen were permitted to attend.

SUSPECT ADMITS \$30,000 ROBBERY

MAN IS ARRESTED AT DALLAS FOR RECENT HOLDUP IN DETROIT

IMPLICATES OTHERS

Dallas, Texas, Oct. 21.—James Walton, a local electrician, was arrested here today by Dallas police, under the guidance of L. D. Alexander, a detective and confessor, according to the \$30,000 automobile robbery of the pay car of the Burroughs Adding Machine Company in Detroit, on August 4. The police said Walton implicated two other men still at large, who are alleged to have got most of the stolen money.

MEXICAN DECREE CONSIDERED AT ATLANTIC CITY

Atlantic City, N. J., Oct. 21.—General Carranza's decree of October 9, suspending constitutional guarantees throughout Mexico as translated and explained by the American representative on the joint commission today provides that for nearly all offenses not covered by the civil code summary jurisdiction may be initiated by military authorities. Interference with railway traffic robbery and incendiaryism are characterized as crimes punishable by death without the formality of a trial when the evidence is apparent. In no case has the accused the right to appeal.

PERSHING SENDS SCOUTING FORCE SOUTH FROM BASE

Columbus, N. M., Oct. 21.—Scouting parties from the American punitive expeditions have penetrated south of Valle, by protective purposes only it was authoritatively stated here tonight. There have been no other troop movements and otherwise the expedition remains on its former line. Arrivals from Mexico report heavy movements of Mexican cavalry southward from Casas Grandes, it is said, a large force of Villa's followers is entrenched below Namiquip.

VALUABLE CARGO LOST WHEN BOAT SINKS IN RIVER

St. Louis, Oct. 21.—The steamer, Cape Girardeau struck some piling in the Mississippi river north of Chester, Illinois today and sank. Fifty passengers were saved. The steamer was driven by a sudden gust of wind against the piling which tore a hole in the bottom of the boat. The steamer and cargo are a total loss. The boat left St. Louis last night for Cape Girardeau.

FOUR MASTED SCHOONER IS WRECKED IN MID OCEAN

Norfolk, Va., Oct. 21.—Seven members of the crew of the four masted schooner, Fannie C. Bowen, of Fall River, Mass., were brought here this morning by the Norwegian steamer, Avon, after Captain Carter and the first mate had been lost when the vessel was wrecked in mid-ocean.

FOR WORTH SYNDICATE BUYS BASEBALL CLUB

Fort Worth, Texas, Oct. 21.—The franchise, equipment and rights of the Fort Worth baseball club have been purchased by a syndicate of local business men from F. N. Weaver for a consideration said to be approximately \$30,000. A five year lease has been secured on the present park. Secretary Paul LaGrave was retained in his position by the new management.

VICTOR MURDOCK VIENNA EDITOR KILLS PREMIER, CAUSE UNKNOWN

Kansas City, Oct. 21.—Victor Murdock, former progressive leader in the National House of Representatives will announce today in an editorial to appear in his paper, the Wichita Eagle.

CONFESSED SLAYER ESCAPES LYNCHING

Man Who Admits Robbing Interurban and Killing Conductor is Threatened

By Associated Press. Berlin, Oct. 21.—Count Carl Steuigh, a local electrician, was arrested here today by Dallas police, under the guidance of L. D. Alexander, a detective and confessor, according to the \$30,000 automobile robbery of the pay car of the Burroughs Adding Machine Company in Detroit, on August 4. The police said Walton implicated two other men still at large, who are alleged to have got most of the stolen money.

FOR YELLOWSTONE TROOPS ARE SENT TO BORDER

Yellowstone, Oct. 21.—Fort Yellowstone, the post of the troops who have guarded and policed Yellowstone National Park was closed as a military post and the hundreds of troops stationed there were ordered to the border. Thirty National park rangers will take the place of the troops in the park. The change is said to be part of the policy of the national park bureau which will employ only civilians to police the park hereafter.

REPORT MEXICANS HOLD 4 SOLDIERS

American Troopers Said to Be Under Arrest Across Border Near Juarez

El Paso, Texas, Oct. 21.—A report was received by army officers here today that four American soldiers were held by the Mexicans on the border near Juarez. General Francisco Gonzalez commanding the Mexican troops in the north has been asked to make a investigation of the report. It is believed the men crossed the international boundary at some point between Juarez and are being held by Carranza guards.

DANIEL BAKER WINNER OVER TRINITY'S ELEVEN

Brownwood, Texas, Oct. 21.—Trinity University was unable to field Daniel Baker's eleven for today and the "Hill-Blisses" annexed another game 4 to 0.

AMBASSADOR SHARPE RETURNS TO POST SATURDAY

New York, Oct. 21.—William G. Sharpe, American ambassador to France, sailed today on the American line steamer, St. Paul accompanied by his family, returning to his post.

PHILLIES PLAN RELEASE OF THREE VETERAN PLAYERS

Philadelphia, Oct. 21.—George Chalmers, George McQuillan and Chief Bender, veteran pitchers of the Philadelphia National League baseball club will be released next season, according to a statement of Manager McRae today. They will be replaced by younger players.

1200 Employees of "Chewin" Factory Strike in St. Louis

St. Louis, Oct. 21.—Twelve hundred employees in the plug department of a large tobacco company here quit work yesterday when the company refused to grant their demand for a ten per cent increase in wages. The strike followed the organization by the employees of a protective association. The strikers hope to induce 2300 others to join in the walkout.

WILL TREBLE AVIATION EQUIPMENT OF ARMY

Washington, Oct. 20.—Authorization was given today by Lieut. Col. Senter chief of the aviation section of the army signal corps for the complete equipment of two additional aero squadrons for the regular army, when the material, costing about \$800,000 for each squadron, has been delivered at San Antonio, Texas, the regular army flying service will have been trebled. Orders for enlistment of 1351 men for the new squadron have gone out and the selection of officers is being considered.

GERMAN CRUISER TORPEDOED BUT IS KEPT AFLOAT

WILSON DOESN'T ANTICIPATE WAR DOBRUDJA FRONT

REASON FOR BELIEF

By Associated Press. London, Oct. 21.—A Gorman light cruiser has been torpedoed by a British submarine. The cruiser remains afloat, although she apparently suffered considerable damage. The admiralty announcement reads: "A British submarine, just returned from the North Sea reports that she torpedoed a German light cruiser of the Kolberg class early Thursday morning. When last seen the cruiser was steaming slowly in evident difficulties toward German waters."

CRISIS IN POLITICS

Little Information Concerning Recent Events in Austria Has Reached America, But Strike Indicated in Dispatches

FOR PAN AMERICAN PEACE AGREEMENT

Episcopalian Report Urges Pact Similar to That in Force With Canada

REPORT MEXICANS HOLD 4 SOLDIERS

St. Louis, Oct. 21.—The establishment of a mutual agreement among the nations of the western hemisphere similar to the non-armament agreement between the United States and Canada was urged in a report submitted to the Protestant Episcopal General Convention by a commission headed by Rev. Henry J. Beck of New York. The report said: "By agreement, armament on the Great Lakes has been limited and our relations with our northern neighbors are increasingly cordial. We are part of a Pan-American union with our Latin-American neighbors. This extends the cooperative work of the western hemisphere and makes for peace. These are practical successes and suggestions for the organization of mankind in the interest of the normal condition of peace."

ITALIAN GOVERNMENT MAY SEIZE ALL EGG SHIPMENTS

Rome, Oct. 21.—The municipal authorities at Milan have seized 100 cars containing 15,000,000 eggs as the result of a campaign to prevent speculation. It is expected that the government will fix a uniform price of three cents throughout Italy and seize and sell all eggs at this price.

BOUNDARY DISPUTE IN BRAZIL SETTLED AT LAST

Rio Janeiro, Oct. 21.—The long standing boundary dispute between the states of Santa Catharina and Parana was settled today. As a result of efforts made by President Braz, the presidents of the states met here today and signed an agreement fixing the boundary. The line thus established differs from the border as defined in a decision of the supreme court, which was regarded as unfavorable to Santa Catharina and aroused such serious opposition in Parana that it was never carried out.

APPROVE HIGHER RATE ON BITUMINOUS COAL

Washington, Oct. 21.—A rate on bituminous coal of 5 1/2 cents a ton from Illinois mines to St. Louis was approved today by the Interstate Commerce Commission, overruling protests of the Coal Operators' Traffic Bureau of that city. The bureau asked approval of a 5 cent rate.

RED CROSS OFFICIAL TO INSPECT BORDER TROOPS

San Antonio, Tex., Oct. 21.—Major General Murray, retired, head of the American Red Cross society, has reached San Antonio to begin an inspection of border forces with a view to determining if the organization can do anything to make the men more comfortable in camp. He will make a trip along the border.

WILL LAY CORNERSTONE OF MONUMENT NOVEMBER 4

TEXAS DEFEATS OKLAHOMA TEAM

LONGHORNS WIN BY SCORE OF 21 TO 7 BEFORE IMMENSE CROWD

FUMBLES EXPENSIVE

Prove Costly for Oklahoma—Texas Wins With Two Touchdowns in Last Period

By Associated Press
Dallas, Tex., Oct. 21.—Texas triumphed over Oklahoma in football today. Eleven gridiron warriors from Norman, Oklahoma, representing that state's university, went down to defeat before the team sent to defend the Lone Star State's University, by a score of 21 to 7 before a record crowd at the Southwestern football classic at the state fair.

The teams were evenly matched, played magnificent football in a reasonable heat and fought for every yard gained, but Oklahoma's costly fumbles were the cause of the Sooners' undoing. The game opened with an exchange of punts which climaxed in a spectacular duel between Briscoe of Oklahoma and Lang of Texas, until well into the third period. From then on, forward passes, not altogether successful, predominated. In distance gaining, the Texas excelled his boots, passing from ten to twenty-five yards longer in almost every instance. At the close of the game Lang had punted a distance of 50 yards and Briscoe 405. Most of this was in the first period. Texas scored her first points twelve minutes after the opening whistle. The Longhorns swept down the field to Oklahoma's five yard line, where they were held and the Sooners steadily forced them back to midfield only to lose the ball. Once again the tide of battle turned, and playing in the shadow of the Oklahoma goal posts, McDermott fumbled, the ball going to Texas. Three swift line plays put Lang across for the first count.

Oklahoma evened the score in the third, by steady, persevering football, after having gone through fifteen minutes deadlock in the third period. Football by a McCain-Tolbert forward pass put the Sooners within striking distance. After losing but retaining the ball, Quarter back G. Johnson, skirted right end for a touch down. A few minutes after the kick off, Johnson fumbled, Traber's long punt, Clark, the Longhorns' fleet end, who had downed many a back field player in his tracks, took the ball and raced thirty yards for a touchdown. Thirty yards in two plays by Texas backs and a forward pass, McMurry to Lang, netted 40 yards in the last moment of play and netted Texas her final score. Texas attempted two goals from the field, but both failed. Score by periods: Texas 7 0 7 7—21 Oklahoma 0 0 7 0—7 Summary—Referee, Moise (Sawnee); Umpire, Utay, (Texas A. & M.); head line-man, Crowley (Notre Dame). Time of periods, 15 minutes. Texas scoring—touchdowns, Lang; Hart. Goals from touchdowns, Penn (2) Harwell. Oklahoma scoring—S. Johnson. Goal from touchdown, B. Johnson.

RICE INSTITUTE WINS FROM SOUTHWESTERN

By Associated Press
Houston, Texas, Oct. 21.—Southwestern lost to Rice Institute this afternoon, 54 to 0. Rice's men were slow on the offensive and completely ineffective in tackling. The fast Rice backs threw off half a dozen tacklers time and again. Seven of the eight touchdowns were on long runs through broken fields.

GEORGIA'S VICTORY SPOILS VIRGINIA'S HOME COMING

By Associated Press
Charlottesville, Va., Oct. 21.—Georgia handed Virginia a stinging defeat in the football game which the former won this afternoon by a score of 13 to 7 that the alumni's annual homecoming day was a bleak and dreary affair. It was the Athens eleven's first victory over the Orange and Blue after taking the losers' end in three contests.

OKLAHOMA AGGIES PILE UP BIG SCORE AGAINST NORMAL

By Associated Press
Stillwater, Okla., Oct. 21.—Seventeen touchdowns, thirteen goals and a safety, netted Oklahoma A. & M. College 117 points to Southwestern Normal's 0 in a featureless football game here today. Gallagher of the A. & M. College kicked eleven goals of thirteen attempts at goal while Briscoe made six touchdowns.

Princeton 33, Lafayette 0. Georgia Tech 10, North Carolina 6. Michigan 9, Michigan Aggies 0. Army 53, Trinity 0. Harvard 47, Massachusetts Aggies 0. Missouri 0, Ames 0. Kentucky 0, Sewanee 0. Drake 13, Washington 0. Tulane 40, Jefferson 3. Louisiana 50, Mississippi College 7.

ARKANSAS OVERWHELMS MISSOURI SCHOOL OF MINES

Fayetteville, Ark., Oct. 21.—The University of Arkansas football team overwhelmed the Missouri school of Mines of Rolla by rolling up 60 points and keeping their opponents from scoring.

HARVARD EASILY DEFEATS MASSACHUSETTS AGGIES

By Associated Press
Cambridge, Mass., Oct. 21.—Harvard piled up 47 points against Massachusetts Agricultural college today and easily kept the visitors from scoring. Massachusetts was unable to gain more than five yards at any one time.

HENRY KENDALL WINS FROM ALVA NORMAL TEAM

By Associated Press
Tulsa, Okla., Oct. 21.—Growth over confident following the Sooner victory of one week ago, Henry Kendall College met unexpected opposition in Alva Normal this afternoon, but won by a score of 60 to 7. The Normalites scored their touchdown on forward passes.

PANAMA GAMBLING HOUSES ARE RAIDED BY OFFICERS

Associated Press Mail Correspondence
Panama—Raids on gambling houses which have been flourishing in Colon are being conducted by Governor Ruben Arcia, who is the governor of the province and has powers superior to the alcalde of the city. Two places have been raided and their property confiscated. Similar raids were made in Panama City about a month ago. Governor Arcia has declared that he will not stop until gambling has been driven from the city.

Arcia is one of the characters of the isthmus. A comparatively young man, he has made a fair fortune out of cattle and lands, and his wealth has placed him beyond the reach of

the ordinary corruption. He is a Hindu father, to the gloom all over the province, and has an extraordinary reputation for honesty. He is on very good terms with most of the prominent Americans. The Americans have told him that he has ideas like an American or European statesman and he seems to work hard to live up to the ideal.

GETS JUDGMENT OF \$25,000 AGAINST NORTHWESTERN

(Altoona News)
District court convened Monday with Judge Frank Matthews presiding. A jury was selected and the court began the work of the term. The first case occupied two and a half days. It was W. H. Davenport vs. the Wichita Falls & Northwestern railway. Davenport was injured in a motor car accident some months ago, between Altoona and Duke. He sued the company for \$100,000 damages. A jury gave him a verdict of \$25,000.

SUICIDES IN OFFICE OF CORPUS CHRISTI MAYOR

By Associated Press
Corpus Christi, Texas, Oct. 21.—While sitting in the office of Mayor

Roy Miller this morning, H. E. Daugherty, realty dealer, drew a pistol and shot himself in the head. Death was instantaneous. Daugherty who came here from Bartlett, Texas, four years ago shot himself two years ago but the wound was slight.

WILL RELAY MESSAGES BY AMATEUR OPERATORS

By Associated Press
Great Barrington, Mass., Oct. 21.—A message from President Wilson will be relayed by amateur wireless operators to all parts of the country in the eastern time October 27 according to a statement made today by Robert T. St. James who has an amateur station here. He said he had arranged the demonstration of the relay of amateur stations. Mr. St. James said that at noon today and at the same hour tomorrow he would send a notification to the stations that are to participate in the relay.

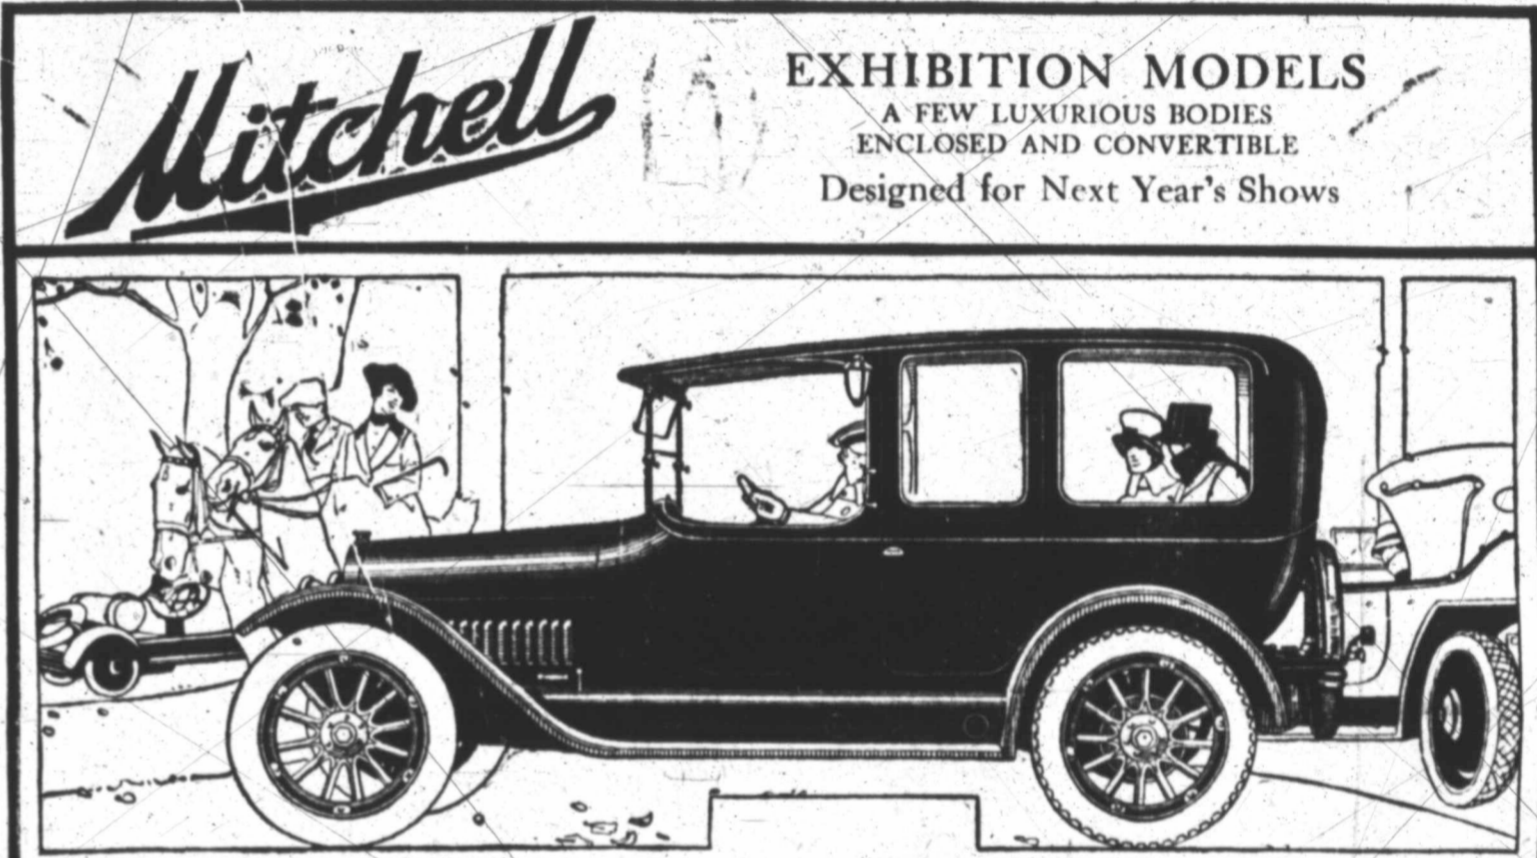

MAN WHO WROTE PRESIDENT BELIEVED OF UNSOUND MIND

By Associated Press
Chicago, Oct. 21.—Michael J. Wink in who was arrested Thursday after he had sent a letter to President Wil-

son urging the executive to install dental clinics throughout the country for the poor, is in the psychopathic hospital today where he was sent yesterday by M. J. Durcell, city physician who had examined him. The physician declared Makin to be laboring under the delusion that the rich are persecuting the poor.

RAISING FUNDS TODAY FOR ARMENIANS AND SYRIANS

By Associated Press
New York, Oct. 21.—Subscriptions and collections will be taken throughout the United States tomorrow for the relief of destitute and starving Armenian and Syrian subjects of the Turkish empire in accordance with a proclamation issued by President Wilson. An appeal has been issued to the 17,000,000 Sunday school children of America to contribute. Armenians and Syrians in this country are fastened today in order to give the money usually spent for food. The committee estimates that about \$50,000 is needed for Armenians alone and that at least \$100,000 is necessary for the relief of Syrians.

EXHIBITION MODELS
A FEW LUXURIOUS BODIES
ENCLOSED AND CONVERTIBLE
Designed for Next Year's Shows

Only 500 Built
See Them Before All Are Sold

We invite you to see some extra-fine models, to increase your respect for the Mitchell. We can get but a few of them—not half enough. But we want every luxury-lover to see them, before the few that we get are gone.

These are some new Mitchell models—winter cars and all-season cars—designed for the coming Shows.

They embody new standards in luxury cars—in finish, in equipment, in design. They have some dozens of attractions which no other one car has.

They will give to the Mitchell a new place among class cars. And we want you to judge what it means.

No More Can be Had

The factory has built just 500 of these cars. Each big Mitchell dealer gets a small allotment. Just to show these new models in cities like this, and to have a few running this winter.

No more will be built until next year. And the prospect then is that these models will cost more. Every item has advanced.

So we urge you to see them at once. Whether you want one or not, they will interest you. And will give you new ideas on bodies.

John W. Bate's New Step

John W. Bate, the efficiency expert, is responsible for these designs.

Now, inside and outside, the

Mitchell car typifies his ideas of efficiency.

The entire present Mitchell factory was built and equipped by him. And built by up-to-date methods which cut our factory cost in two.

The Mitchell car, as built today, is the final result of 700 improvements made under his regime. It offers you a full 20 per cent extra value, due to this factory efficiency.

Now this exhibit will show you his methods applied to body-building.

All Ideas Combined

Mr. Bate studies to do everything better than it ever before was done.

He has made the Mitchell a lifetime car. He has given every part 50 per cent over-strength. He includes in the Mitchell 26 extra features, to meet his idea of completeness.

Table with 2 columns: Mitchell Models and Price. Includes 3-passenger Roadster (\$1325), 5-passenger Touring Car (\$1325), 7-passenger Touring Car (\$1360), 4-passenger Cabriolet (\$1775), 4-passenger Coupe (\$1850), 7-passenger Springfield Sedan (\$1985), 7-passenger Limousine (\$2650).

Bryan's theory about increasing the coinage of money has received confirmation in a statement by Director Engleken of the United States mint. Bryan's theory was that an increase in the volume of coin would mean an increase in the price of commodities. Director Engleken says that one of the causes of the high cost of living has been the great influx of gold into this country, which is now being coined into American money.

and the Waco Times-Herald are suggesting to the depositors of the many millions of dollars in Texas banks that railroads are the great need of the hour in Texas. But in the face of the copulent deposit figures—\$62,500,000 in the banks of Houston alone—there is not an important new railway project before people of the state today. Where there is so much money and so great need for new railroads there is something wrong when the need doesn't connect with deposits. This is one of the problems of the hour in Texas and upon its solution will depend in considerable measure the development of the resources of the state.

The concession by the republican committee that Wilson will carry Ohio should not be taken too seriously by the democrats. It is true that all the polls show that President Wilson is in the lead in Ohio, but the acknowledgment of that fact by the republicans may be only for the purpose to spur their workers to fresh and desperate efforts in the closing weeks of the campaign. The democrats should not be lulled into a false security by the republican admission of a fact that is patent to all who have read the published straw polls. The democrats should strive to hold and increase all the lead in Ohio that the straw polls show. Your dollar might be used to great advantage in Ohio if you will send it to the local finance committee tomorrow.

Oil production in the Cushing, Okla., field has dropped to 100,000 barrels daily and the failure to find any new territory with big production in the last several months, indicates that the Oklahoma field has passed its zenith in respect to volume of production and that it may never again reach the high figures of two years ago. This will mean that more attention will be paid to the North Texas fields. There is not much hope of opening up another Cushing in this part of Texas; but there is hope that a number of smaller pools will be discovered. As a usual thing the North Texas pools have more producing sands than those in Oklahoma and when the shallower sands are exhausted the hopes can be drilled deeper tapping other sands that are even more productive, as at Electra. The decreasing Cushing production is an indication that crude oil will continue to sell at a high price. Continued high prices for crude means that wildcatting will continue in North Texas and that some shallow sands which would scarcely pay if crude oil brought a low price, will be developed.

A stenographic report of the proceedings of the meeting of the board of regents of the State University in which Governor Ferguson's demands were discussed, will be made public in the near future. Until this report is

made public no one is authorized to make an authoritative statement as to what transpired at this meeting. Conjectures and comments at this time are out of place. The Times with other papers has made observations that have been out of place until what actually transpired at the meeting is known. When the facts are known there will be plenty of opportunity for comment.

Wichita county farmers and land owners ought to give the fullest cooperation in the efforts that are being made to reduce the danger of a boll weevil infection here next season. Unless this is done there is great danger that the infection over the county will be general and great damage will be done. Considerable damage has been done by the boll weevil this season and crop has been cut short hundreds of bales at a time when the highest prices in the history of the cotton growing industry are being paid. One method for reducing the danger is the burning or plowing under of the cotton stalks in the fall or early winter. Already many farmers have agreed to do this. Such a sentiment ought to be developed that no farmer would fail to take any reasonable precautions in this direction.

Here in Texas we are just across the river from Mexico; one may stand on the Texas side and look far into the neighboring republic. And yet, so far as authenticity of the news is concerned, we appear really to know about as much of what is really happening in the European war zone as we do of what is taking place in the Mexican revolution zone. The news from the European war centers, weighed and balanced, may return a reasonably accurate idea of the situation. The news from Mexico, distorted and twisted until one dispatch flatly contradicts another or adds extraneous details under which the whole truth is hidden, comes to us in such a shape that discernment does not follow its perusal. We read one day that Carrancista soldiers are deserting in thousands to Villa; of another day we read that Carrancista troops, or a bloody victory over the Villistas. If we were called on for a suggestion, it would be that the Mexican-American joint commission, instead of meeting on the Atlantic coast, should meet somewhere in Mexico that it might get some real knowledge of the true inwardness of things in the Mexican interior. This knowledge, we are fair to believe, might come nearer bringing about a settlement of the Mexican difficulty than the determination of a fine commission at a distance of 3,000 miles. We hear too many alleged facts about the Mexican troubles with claims and counter-claims, and too few actual facts.—Denton Record-Chronicle.

HOME RULE
 There have been three big rebellions in Ireland and all have failed. The first failed because there were no leaders good enough for the followers they had; the second failed because the followers were not good enough for the leaders they had. In the third, the rebellion of 1916, leaders and followers were worthy of one another, matchless in spirit and devotion, but they had not the people behind them and they had to fight an immeasurably superior force. Let us hope the third rebellion will be the last. MacDonagh and Pearse and all that followed them had found their highest aspiration in the desire to die for Ireland. There are other Irishmen who turn away from that ambition and look to a harder fight in which they shall spend themselves, not in the hope of dying for Ireland, but in the hope of living for her. So writes St. John G. Ervine, the well-known Irish novelist, in "The Story of the Irish Rebellion," a feature of the November

Century. Mr. Ervine, while a Home Ruler in political faith, is not a separatist, though he writes with great sympathy and out of close personal knowledge of the rebels and their cause. Mr. Ervine was in Dublin during the whole of the rebellion, and his article is a picturesque narrative of events, as well as an elucidation of the principles and causes behind it. Home Rule does not necessarily mean separation; it likely is best for Ireland to be a part of the British empire, only Ireland must control her domestic affairs, subject only to just and orderly government. The remarkable thing is that England has given a pretty full measure of Home Rule to all her dependencies save only the Emerald Isle. This measure of justice has been for too long delayed. Home Rule is the basic principle of free institutions. The moment that principle is violated, right then and there despotic power is set up. And the curious thing is that we here in free America are constantly violating the principle and so stabbing liberty. Every time the Federal Government undertakes a task that properly belongs to the individual State, it is assaulting the liberties of the people. This day might easily come; the day will come as we are here when Texas, for example, will be only an outlying province of the central authority, to receive treatment like that accorded Ireland or Poland or Madagascar. And the question naturally arises, have we gone too far to recover our steps?—Waco Times Herald.

THE KINGDOM WITHIN YOU
 There is so much of the inspiring and the refreshing in the recent utterance of President Wilson, that the Erie Railroad, upon the existing status that it is reproduced in the hope that the hesitating, faith-shaken man of business who has been hindered by the professional scarecrows of the day will pluck up courage and go forward fearlessly. Asked if it was true that one political party had oppressed business interests and whether the success of another was necessary for the insurance of permanent prosperity, he answered by declaring that the first part of the inquiry was incorrect and assuring in response to the second, "I am not carried away by the statements and promises that any political party in the 'outs' may make. It doesn't matter so much about the cause, Prosperity is here. It must depend for its continuance largely upon our courage, initiative and enterprise and not on politicians or political parties."

Henry Ford put the same thing in another way when he said that business dependent upon legislation enjoyed only a hot house growth. Herbert Croly, the biographer of Marcus A. Hanna, points out that business men who secure governmental favors also place themselves at the mercy of political blackmail and are forever insecure. The practice is of itself erroneous and fallacious. He who gains through favor at Washington must not complain if opponents repair to the same source and by stronger inducements procure other favors to his hurt and irreparable loss.—Cincinnati Enquirer.

WHY COL. HOUSE IS A MYSTERY
 Mr. Hughes would not have referred to the President's personal friend, Col. E. M. House, as "a mysterious influence" if Col. House had acted as the personal friend of some Republican President. House has done on memorable occasions.

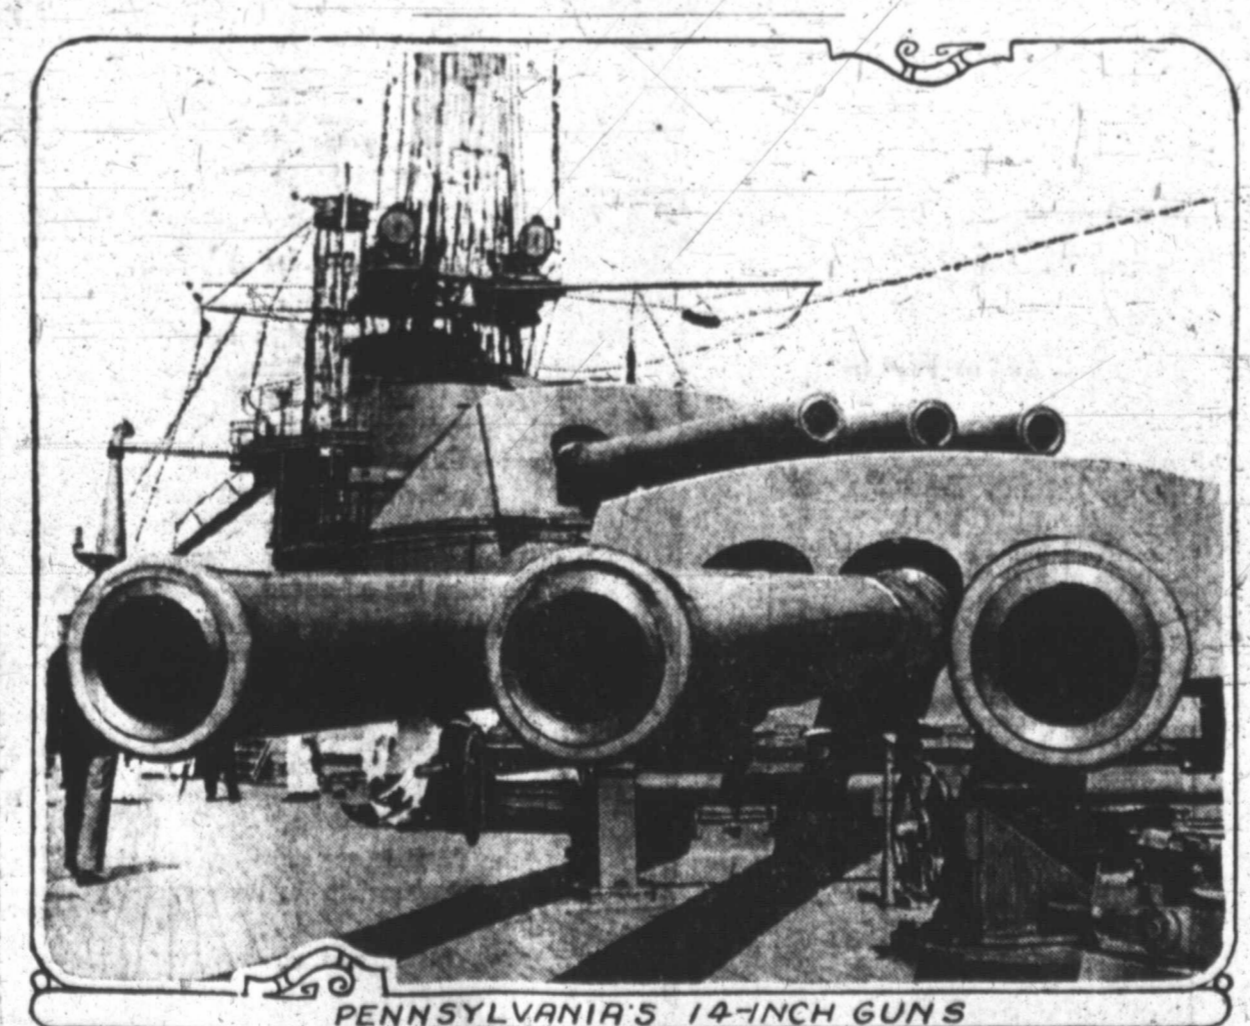

The President has been Col. House's guest and Col. House has been the President's guest. It is a matter of record that, going and coming, both have always used the front door. When Col. House has appeared in Washington he was not demanding the suspension of law in anybody's favor or seeking place or profit for himself. He did not operate as an attorney or a lobbyist. He never established a confidential clerk in the Treasury Department or opened up a pipe-line between that institution and Wall street. Like the vast majority of decent Americans, he asked for nothing and wanted nothing but good government, and he was willing to do what he could as a private citizen to promote that end. Owing to the peculiarities of the political party of which he is the candidate, Mr. Hughes cannot understand such a man. There is something uncanny about him. He is not true to life. To speak of him as "a mysterious influence" was to use great restraint. What the candidate really meant was that Col. House is abnormal, outlandish. The awful word, "unrepublican" fits his case exactly, and it should have been buried at him.—St. Louis Post-Dispatch.

WILBARGER FARMER BUYS FINE PERCHERON STALLION
 (Vernon Record)
 Fred Street, one of our substantial larger-stockmen, arrived home last Friday night from a trip through Iowa, Nebraska, Missouri and Kansas in search of a Percheron stallion man of business who has been hindered by the professional scarecrows of the day will pluck up courage and go forward fearlessly. Asked if it was true that one political party had oppressed business interests and whether the success of another was necessary for the insurance of permanent prosperity, he answered by declaring that the first part of the inquiry was incorrect and assuring in response to the second, "I am not carried away by the statements and promises that any political party in the 'outs' may make. It doesn't matter so much about the cause, Prosperity is here. It must depend for its continuance largely upon our courage, initiative and enterprise and not on politicians or political parties."

AWAITING RESULTS OF ARCHER TESTS

Interest Centers in Test of Gulf Company But Reports are Conflicting
 With the well of the Gulf Production company in Archer county at an interesting depth, conflicting reports come from that vicinity as to the prospects. It is understood that while there is a chance for a well on this test, nothing definitely promising yet has been encountered. Well No. 2 of the Developers Oil Co. has reached a depth of 170 feet and the company plans to go still deeper after drilling through 32 feet of sand a layer of shale and gumbo was encountered, but the well is now being drilled through a strata of lime and there is every indication that sand will be encountered within a few more feet. The Knight well, three miles west of Holliday, is down to a depth of 1250 feet and while there is nothing to give out of an encouraging nature, the promoters are still hopeful and should the well prove to be a paying proposition it is expected that it will develop an interest that has not heretofore been manifested in any field that has been developed in this section. In place of the Star pump, a new pump and engine has been installed at the Panther Oil Co., known as the Art well, and it is announced that this company will begin another well with in the next few days to be located within 500 feet of the Art well. Further developments are also expected in this immediate territory and altogether the prospects for a productive field is very encouraging to those interested in this section.

PENNSYLVANIA'S 14 INCH GUNS, WHICH MADE HIT AT ELEVEN MILES

In this picture are seen some of the fourteen inch guns of the new battleship Pennsylvania, photographed after completion on June 12 last, and already they, with their sister guns of like caliber, showed the world some marvelous gunnery in the recent practice. The Pennsylvania was placed in commission on June 12 last, and already her big guns and her men have shown their ability to hit a target eleven and a half miles away with shells weighing 1,400 pounds apiece. No wonder the men of the Pennsylvania and Captain Henry B. Wilson, her commander are proud of their splendid ship.

PENNINGTON'S SALE

J. N. Green Trading Stamps

In accordance with our original plan we have decided to issue J. N. Green Trading Stamps on all cash sales and on all accounts paid within six days of date of invoice. These stamps have a very considerable value to our customers and are appreciated by all who have been keeping them. They are exchangeable for a large list of handsome articles carried in stock here by the Sperry & Hutchinson Co., which articles cost our customers absolutely nothing, thus making the stamps a real discount in the purchase price of goods. On account of the cost of these stamps to us it

Maxwell Hardware Co.

STILL LACK \$77 ON WILSON FUND

"DOLLAR FOR DOLLAR" OFFER BY CITIZEN BRINGS IN ONLY \$31 SATURDAY.

HOPE TO FINISH SOON 3 MEETINGS TODAY

Determined Effort Will be Made to Complete Fund Amount by Tomorrow Night

The Wichita Falls Woodrow Wilson fund last night still lacked \$77 of the \$1,000 to which the local committee has pledged the city. A total of \$31 was paid in Saturday. Of this amount \$15.50 was contributed by a number of individuals and \$15.50 by the citizens who offered to give dollar for dollar for every amount that was contributed by others yesterday.

DECATUR REGRETS TO SEE FRANK TIMBERLAKE LEAVE

(Decatur News) Mr. and Mrs. Frank Timberlake passed through Decatur Friday in their new Cadillac en route to their new home in Wichita Falls. Their leaving Decatur is a source of great regret to their scores of friends.

NEW HAVEN ENGINEER NOT GUILTY OF MANSLAUGHTER

(Westerly, R. I., Oct. 21) - A verdict of not guilty of manslaughter was returned by a jury here early today in the trial of Charles H. Mansfield, engineer of the Gilt Edge Express of the New York, New Haven & Hartford railroad, which was wrecked at Bradford, April 17, causing the death of five persons.

CROWD ATTENDS CORNER SERVICE

REV. W. B. FITZHUGH PREACHES AT EIGHTH AND INDIANA SATURDAY NIGHT

3 MEETINGS TODAY

Special Service for Men at Empress This Afternoon - At Police Station Monday

A message of hope to those on the borderland of a wasted life was the sermon preached by Rev. W. B. Fitzhugh, the Fort Worth, legislator and evangelist, at the inspiring street service held by the Presbyterian revivalists at the corner of Eighth and Indiana last night. Mr. Fitzhugh took his text from Luke 17: "He Came to Himself."

IMMENSE NEW DRY DOCK COMPLETED AT PANAMA

(Washington, Oct. 21) - Panama Canal authorities have just completed and opened to public use a vast dry dock at Balboa on the Pacific end of the water way which is expected to be of the greatest value as a naval asset. The need of the navy for large docks already very pronounced promises to become even greater after completion of big superdredging and long battle cruisers. The new dock can accommodate the largest naval vessel in the world.

TO PUNISH RED SOX FOR PLAYING EXHIBITION GAMES

(Chicago, Oct. 21) - Members of the Boston Americans are to be deprived of the emblems usually presented to world's champions because they violated a rule of the national commission forbidding players to engage in exhibition games after the season's series. In addition 60 to 70 other major league players who have engaged in barn storming without the consent of the commission are to suffer various penalties.

SUFFRAGISTS CELEBRATE FEDERAL AMENDMENT DAY

(New York, Oct. 21) - Women's suffragists celebrated today as "Federal Amendment Day." Meetings were held in every district in the city at which speakers protested against paying taxes without having a voice in the government. Resolutions were presented asking candidates for congress to give favorable consideration to the amendment.

Murphy, Friends Say, Wants to Quit as Tammany Hall Leader

Charles F. Murphy, leader of Tammany Hall, the Democratic organization of New York city and a power in state politics, according to persons who are in his confidence, never again will sit as head of the Tammany organization in a Democratic convention. Reports that he intended to retire from his leadership have been current before, but they have never come from the lips of his friends. According to these statements, the man who for the last fifteen years has wielded the scepter in Tammany Hall, through good and evil fortune, without any one ever seriously disputing his leadership is determined in all events to retire on Dec. 31, 1917. It is the fond hope of the Tammany chief that by that time he will have added to the list of his political achievements a straight Tammany victory in a New York city mayoralty campaign.

MRS. W. W. BROWN HOSTESS TO CONGENIAL CROCHET CLUB

The members of the Congenial Crochet Club were guests of Mrs. W. W. Brown Friday afternoon for an enjoyable session with the usual diversions and needlework. The hostess served refreshments of sandwiches, rosesettes with whipped cream, spiced apples, cake and coffee, being assisted by her daughters, Misses Jewel and Imogene. The next meeting will be with Mrs. Bymann. Mrs. I. B. Fehr of Denison and Mrs. Chas. Priebow were guests Friday, the members present being Mesdames Anderson, Andree, Bachman, Duke, Dollard and Snyder.

CHILDREN'S FESTIVAL IS HELD BY YEOMEN FRIDAY

What is described as one of the most successful meetings ever held in the city by the American Yeomen or its auxiliary organizations, was that of Friday night at the hall of the organization on Seventh street. It was a celebration of the Yeoman Children's Festival and an interesting program was rendered by the children of members of that organization. The program was especially commendable because of the fact that there was no special rehearsal for the occasion, and the only drilling had was such as was obtained in the respective homes. Prior to and following the rendition of the numbers, W. W. Shuler made an interesting talk and after the rendition of the program, which was enjoyed by a large audience, wafers and hot chocolate was served to the adults, while the children were treated to nuts and candy. The following program was rendered:

Orchestra selection "Heroes of War," Rayburn Hutson cornet, Edith Danielson first violin, Leona Martice first violin, Johnnie Owens second violin, Pearl Owens piano. "Roman Goat," Glenn McAlester. Song, "Mumps," Dorothy Fullington. Violin solo, "Il Trovatore," Johnnie Owens; piano, Mrs. Charles Templeton. Song, "My Mother's Rosary," Leta Joe McAlester. Speech, "Temperance," R. J. McHam.

THE COMING WEEK'S SOCIAL CALENDAR

Monday—Meetings of church societies as announced elsewhere.
Tuesday—The Sigma Delta Phi's will meet with Mrs. Pauline Roberts, 12 E. 12th. Wood and Mrs. C. P. Moore will entertain in honor of Mrs. Frank Lullman. Mrs. Burton Stratton will entertain. Mesdames Bess Kell, The L. A. to the O. R. C. will meet at the new I. O. O. F. hall at 2:40. Mrs. Landrum and Mrs. Page will be hostesses after the business session. The Modern Crochet Club will meet with Mrs. S. Hammond at 2:30.
Wednesday—The New Century Club will meet with Mrs. C. W. Snider. The Art Library Club will meet with Mrs. H. C. Dakan. The Extra Nona will meet with Mrs. W. B. Jones. The New Idea Club will meet with Mrs. A. C. Webb. The Duplejan Society will meet with Miss Kathleen Stanclifer. The Standard Club will meet with Mrs. Alice Blumhardt.

The Sewing Club will meet with Mrs. Stacey. The Rebekahs will meet at their hall for important business and drill. The Merry Matrons will meet with Mrs. D. W. Pitchford.
Friday—The L. O. T. M. will meet in the old I. O. O. F. hall at 2:30. The Congenial Crochet Club will meet with Mrs. Bymann. The Unity Club will meet with Mrs. J. A. Kemp. Mrs. Abe Martens will be hostess to the Friday Bridge Club.
Saturday—The Library Association will meet at 3 p. m. with Mrs. C. W. Snider.

AUSTIN MOTHERS PLAN FOR NEW PLAYGROUND EQUIPMENT

Plans for adding to the playground equipment on the school grounds were considered at the meeting of the Austin Mothers Club and early action will be taken. The club elected Miss Katherine Brothers secretary, succeeding Miss Sammons, resigned. Delegates were elected to the state convention of mothers clubs which will be held at Beaumont, October 31, November 1, 2 and 3. The names of the delegates will be announced later.

MERRY MATRONS MEET WITH MRS. G. C. RALEY THURSDAY

Thursday's meeting of the Merry Matrons was held with Mrs. G. C. Raley. Although unpleasant weather affected the attendance, those who were present spent a very enjoyable

time with their fancy work and listening to Victrola selections. A refreshment course of banana loaf, cake and lemonade was served by the hostess. The Matrons will meet next with Mrs. D. W. Pitchford. Present Thursday were Mesdames Slides, Walker, Wiley, Gant and Hodge.

MRS. MILLER IS HOSTESS TO UNITY CLUB FRIDAY

Friday's meeting of the Unity Club was held at the home of Mrs. R. J. Miller, with Mrs. A. Zundelwitz as leader. The following program was carried out: "How Key Wrote the Star Spangled Banner," Mrs. Zundelwitz; reading and commentary of Shakespeare's "The Swallow Fox" and Bryant's "Song of Marion's Men," Mrs. Hunt; Albert Tike's fiery War Song, "Dixie," Mrs. Kemp; "The Bivouac of the Dead," Mrs. Langford; round table. A salad course was served by the hostess. The Unity Club will hold its next meeting with Mrs. Kemp. Present Friday were Mesdames Anderson, Carrigan, Dargell, Gorsline, Greenwood, Hunt, Kemp, Langford, Maer, McGregor, Montgomery, Miller, Patterson, Robertson, Young, Woods, Zundelwitz.

MRS. L. W. BIBB HOSTESS TO FRIENDS AT BRIDGE

One of the most thoroughly delightful of the season's entertainments was that of Friday afternoon, when Mrs. Lindsay Bibb was hostess to a large number of friends at her home on Ninth street. Bridge was the afternoon's diversion, there being eleven tables of players in attendance. The attractive Bibb home had been decked for the occasion, zinnias and ferns being employed in profusion. Miss Dent made high scores in the bridge game, being rewarded with a hand made bridge set. The consolation prize, an embroidered night gown, went to Mrs. Leta Joe. For low score, Mrs. Frank Griffin received a set of tumbler dollies. All three of the prizes were the hapwork of the hostess. A very pleasing luncheon was served at the conclusion of the round of games, consisting of creamed chicken and mushrooms in patties, lettuce and tomato salad, and grape fruit cocktail. Those partaking of Mrs. Bibb's hospitality were Mesdames Frank Griffin, E. B. Smith, Peyton Gwinn, E. B. Greenwood, W. P. Bolding, W. B. Larkin, R. O. Harvey, R. D. Thorburn, Abe Marcus, Morris Marcus, E. B. Carver, H. O. Craven, John Shaw Fred Cooper, W. B. Shoberg, Wade Walker, Mark Moore, Bert Bean, Charles Pogonobol, H. A. Allen, N. L. Inge, J. M. Sammons, H. A. Warner, Frank Collins, Jerry Clausen, Everett Jones, Marvin Smith, John Davenport, J. W. DeVal, Leon Loeb, J. D. White, W. M. Priddy, Ed Found, J. C. Starn, L. Winfree, Burton Statton, H. Warner, G. T. Dickard, John Gould, Misses Dent, Nira Dent, Ethel Chamberlain and Jessie Sammons.

ROSE REISENBURG HOSTESS TO PATHFINDERS

Miss Rose Reisenburg was hostess at the Pathfinder Club at the session Friday afternoon, entertaining at the home of her sister, Mrs. J. L. Art. The club members continued their study of New York, with Miss Tula Stokes as leader, and a very interesting program was carried out. The hostess served a delicious refreshment course. Mrs. D. K. Bell will be

TO REVIVE INTEREST IN S. C. V. PLANS

Judge Scurry, Recently Appointed Commander, Wants Big Delegation at Reunion

Judge Edgar Scurry of this city, recently appointed Commander of the Texas Division of the Sons of Confederate Veterans, has inaugurated a campaign to revive interest in the organization throughout the state, with a view to making a creditable showing at the reunion to be held in Washington, D. C. in May or June, 1917, as a means of honoring the fathers of the members of the organization of Sons, and of perpetuating the memory of the noble deeds of valor during the conflict that is to be commemorated on that occasion.

Notwithstanding, says the new state commander, "many think that these reunions are held for the purpose of perpetuating the bitterness between the sections, no word of bitterness is ever uttered in our meetings. We meet for mutual and benevolent purposes and to promote a better acquaintance in a social way among the sons and daughters of fathers who fought side by side in the four year's conflict, to perpetuate the memory of men who gave their lives, or the best years of their life, for the same cause. If those who think the purpose or practice to incite bitterness and strife would only attend these reunions, their minds would be forever disabused of such a thought."

Judge Scurry announced that it is his earnest desire that every organization of the Sons in Texas arrange at once to send one or more delegates in confederate uniform to the reunion and has expressed it as his earnest desire that Texas be represented by at least one hundred at Washington. In this connection he calls attention to the fact that this is the first time in the history of the Veterans that a reunion has been held in the national capital or in another city except those of the South, and he feels that every loyal Son should esteem it a pleasure, as well as a privilege to make a creditable showing for the memory of their fathers, at a time when their number will be reviewed by the chief executive of the nation, as well as by the leading members of our government.

ARE MAKING PLANS FOR FIELD TRIALS

Local Officers of Association Will Soon Select Place for Annual Dog Contest

Officers of the North Texas Amateur Field Trial Association, which comprises Texas and Oklahoma, are actively engaged in making preparations for the annual meet to be held on November 28 and 29. In this connection S. A. Wilfong of this city, president of the association, E. G. Hill also of this city and one of the directors with S. A. Searight of Henrietta, secretary, visited Vernon the past week to look over the ranch of R. L. Castlebury, south of that city which had been tendered the association for the trials. No decision has been reached as yet and these gentlemen will investigate a field near Henrietta the first of the week, after which an announcement of their decision will be made.

AUTOMOBILE POLO GAME TO BE PLAYED

Two Teams Promise Exciting Contest—Auto Races Are Also Planned Today

Automobile polo will be played at Lake Wichita this afternoon, marking the close of the lake season. Two teams will take part in the contest, which is described as an exciting and thrilling exhibition, with excellent prospects for wrecking one or more machines in the course of the game. Specially equipped cars are used for the game, guards being placed along the sides of the machines to minimize the danger when one is upset.

NO INSTRUCTOR FOR HIGH SCHOOL CADETS

Corps May Not Be Continued This Year in Absence of Anyone to Train Boys

Prospects for the continuance of the cadet corps at the local high school are very dark at present, due to the lack of anyone to train the battalion. Both the school board and Messrs. Clark and Jones, superintendent of schools and principal of the high school respectively are very much in favor of the military training, as thoroughly in keeping with the most advanced and best ideals of responsible citizenship and the lack of a competent instructor is all that stands in the way of a continuance of the movement started here last year.

SOCIETY

The Missionary Society of the First Presbyterian church will meet at the church at 3 o'clock, Monday.

All a fine auxiliaries of the First Baptist church will meet at the church at 3 p. m. Monday to participate in the revival services.

The Guild of the church of the Good Shepherd will meet at 3 o'clock Monday at the church.

The Ladies Aid Society of the First Christian Church will meet in regular monthly session Monday, afternoon at 3 o'clock at the home of Mrs. P. E. Walters, 1617 Tenth street, and the following members will serve as hostesses: Mesdames Schaff, Fanson, Cumley, Bond and Walters.

WITH THE WOMEN OF THE CHURCHES The Bible Study Class of the M. E. Church, south, will meet Monday at the church at 3 o'clock.

W. C. T. U. MOTHERS MEETING CALLED FOR TUESDAY

The W. C. T. U. Mothers Meeting will be held Tuesday afternoon with Mrs. I. McHam on Dallas street. This is to be a meeting of the White Ribbon recruits, it is announced, and all the mothers are urged to bring their babies. Special services will come up for attention and the attendance of all members is urged.

A DANGEROUS MISTAKE

Wichita Falls Mothers Should Not Neglect Kidney Weakness in Children

Many children have weak kidneys. An early warning is bedwetting. It is followed by backache, low, fever, languor.

This is a mistake to neglect these troubles. To blame the child for its own distress is to check the cause.

Save the child from dangerous kidney ills. Doan's Kidney Pills are especially for weak kidneys.

Wichita Falls parents know their worth. Mrs. J. K. Hissett, 602 14th street, Wichita Falls, says: "A younger member of my family had a bad case of kidney complaint. She had lost strength rapidly and was dull and irritable. There was no control over the kidney secretions. Someone advised me to give her Doan's Kidney Pills and after taking the second box, she felt better. Her health picked up and she became much stronger. The action of her kidneys also became regular."

Price 50c at all dealers. Don't simply ask for a kidney remedy but get Doan's Kidney Pills, the same that Dr. Hissett recommends. Foster-Milburn Co., Buffalo, N. Y.—Advt.

WANTS FIELD CROPS SHOW IN THIS CITY

Denver, Agricultural Commissioner Would Bring Big Farmers Meeting Here

A. K. Short, Denver agricultural agent, is very anxious that the Chamber of Commerce make an effort to bring the next annual show of the Texas field crops association, which meets in Temple in January of this year, to Wichita Falls for their next exhibition. The show, and the exhibition, with the lectures on the program by crop specialists brought here by the association, over the country is instructive and of the highest value to the farmer.

The Texas Field Crops association is the result of the combination of the Texas Hay and Storage Crops association, the Texas Cotton Growers association and the Texas Corn Growers association. The Texas Horticulturists association also makes a practice of holding the annual meeting with the Field Crops association, making the annual meeting a big thing for the agriculturist. Mr. Short points out that the show has been held in every part of the state except in Northwest Texas, and he wishes to bring it to Wichita Falls for the benefit of farmers in this part of the state.

Mr. Short who is chairman of the executive committee of the association, was in Dallas yesterday to attend the meeting to perfect plans for the January meeting in Temple, which was held at the Oriental hotel.

Mr. Short is making out a schedule for this part of the state for the diversification campaign to be put on in 15 Texas counties for the two weeks beginning January 15, by the Texas Bankers association. The slogan of the campaign will be "Safe and Sure Farming and a High Price for Cotton or Diversification by the Live Stock Route." The schedule prepared for this section by Mr. Short will be presented to the schedule committee which meets in Dallas on Monday for their approval.

Another meeting which he will attend while in Dallas will be the meeting of Texas Railway, Agricultural and Industrial association which meets Thursday and Friday of next week.

MOVING PICTURE OF NAVY TO BE SHOWN

Depicts Life Among Uncle Sam's Blue Jackets—Six Recruits Here During Week

A thousand foot moving picture reel showing the life and training of the United States navy has been received at the local recruiting station and arrangements have been made to show the picture at the Grand Theatre one-day next week, the definite date not yet having been decided. The picture shows the experiences of the recruit from the time that he enters the naval training school until he is turned out a finished product and well started in the current of the life abroad ship. Scenes included in the picture shows the sailors engaged in boxing, wrestling and other sports, and members of the crew engaged in firing practice aboard ship and ashore at the training camps. The picture is interesting from start to finish, according to advices from places where it has been shown and should be of interest to the general public as well as prospective naval recruits.

Six recruits were dispatched from the local station to the district headquarters this week. They are: Ira W. Hargrove, Merkle, second class fireman; Henry D. Lucas, Harrold, apprentice seaman; Floyd Raines, Harrold, apprentice seaman; Wayne M. Green, Quanah, apprentice seaman; Ira E. Graves, Seymour, apprentice seaman; and Seth V. Laxon, Ballinger, second class fireman.

No recruits were secured during the past week at the army station. W. J. Adams, assistant at the local station who was sent to the service hospital at San Antonio about two weeks ago suffering from appendicitis has returned to duty.

EMPEROR MAKES SPEECH TO WESTERN FRONT TROOPS

By Associated Press London, Oct. 21—A Central News dispatch from Amsterdam today says:

"Emperor William in a speech to the troops on the western front after commemorating the dead, said: 'But we who are living will fight further until nobody will ever dare again to assail the honor and liberty of the German people.'"

The emperor added, the dispatch says, that he hoped God would be with the Germans in the fighting.

TWO TENTH STREET RESIDENCES SOLD

O. T. Bacon Acquires F. F. Walters and Frank Cullinan Places for \$17,000

Two Tenth street residences figure in deals closed recently, whereby O. T. Bacon acquires possession of the home of Rev. F. F. Walters, 1617 Tenth and the Frank Cullinan home, 1620 Tenth.

Mr. Bacon purchased the Walters residence for his son Bentley, and will occupy the Cullinan home himself. He paid \$7,000 for the Walters home and \$10,000 for the Cullinan place.

The Cullinan home, which is one of the newest and handsomest on Tenth street, will be vacated shortly by Mr. and Mrs. Cullinan. Mr. Cullinan is going to Houston to become vice president and general manager of the Producers Oil Company. The house has an attractive exterior, while the interior is one of the finest in this section.

The Walters residence is a two story structure, the only house in the city of what is known as the Oriental hungalow type. It has nine rooms and was built according to plans prepared by Mr. Wilson himself. It has the appearance of a one-story house, in spite of its three large rooms on the second floor.

Mr. Bacon purchased the residences to provide new homes for his own family and that of his son, and as he expressed it, to show his faith in the town. The deal is one of the largest in residence property here in some time.

Rev. Mr. Walters will retain possession of his place for about 30 days; he is undecided as yet as to where he will locate.

GOES TO DALLAS FAIR TO TAKE CHARGE OF EXHIBIT

John W. Thomas, assistant secretary of the Chamber of Commerce left early Saturday morning for Dallas where he will relieve Secretary Johnson of the care of the Wichita exhibit for the rest of the time of the fair. While in Dallas Mr. Thomas also attended a meeting of the Retail Merchants' Secretaries' association which was held Saturday. Mr. Johnson, who has been in Dallas for the past two weeks arranging and taking care of the Wichita county exhibit is expected home today.

The man with money began by putting his first earnings in the Bank.

It all started with the first deposit. His bank account grew until he was comfortable. Then the convenience of paying his bills by checks enabled him to keep his accounts straight and saved him time and worry. Happiness was the result of seeing it pile up and grow. All of a sudden he realized he was a man of WEALTH.

YOU CAN GROW RICH too, if you will only put the money you have in your pocket, RIGHT NOW into the bank and keep on ADDING to it. Do it.

Put YOUR money in OUR bank.

We pay four per cent interest.

NATIONAL BANK OF COMMERCE
WICHITA FALLS, TEXAS

GAS COMPANY ORGANIZATION TO BE PUSHED

COMMITTEE DECIDES TO PROCEED ONCE THE FORM ORGANIZATION TO DRILL WELLS PROPOSITIONS SUBMITTED

MEET SATURDAY

No Action Taken on Any of Offers Received Pending Organization of Company Which Will Be Undertaken At Meeting Tuesday

Although several feasible propositions were submitted to the Chamber of Commerce committee which met Saturday afternoon to take up the organization of the company which is to drill in this vicinity for natural gas, no action was taken at the meeting. It being felt that the money should be raised before any choice was made, and that those who put up the money should decide what course to pursue.

Accordingly, the next step will be the raising of the \$100,000 which is proposed to finance the drilling, and this matter will come up at the meeting of the Chamber of Commerce Tuesday morning.

It is planned, as previously outlined to organize a \$100,000 corporation which will be drilling numerous tests in the vicinity of this city, seek to open up a new field in the hope that a supply of gas sufficient for the factories that are now without this form of fuel, may be discovered.

The meeting of the committee was executive and the names of those submitting the propositions were not disclosed. It was stated, however, that the propositions submitted were both reasonable and feasible, under the circumstances. They offered to secure the necessary leases for drilling, one of the proponents agreeing to take stock in the proposed company as compensation.

After going over the propositions, the committee members decided that they could not take any action that would be anything except an advisory nature, as the real decision was properly to be made by those taking stock in the company. For this reason, no decision was made upon the merits of the propositions.

At Tuesday's meeting of the Chamber of Commerce directors, it is expected that definite steps toward the organization of the company will be taken and that within a short time thereafter Wichitans will be called upon to assist in financing the venture.

MEN WITH YEGG OUTFIT CAPTURED AT ALTUS

Monday, Sheriff J. C. Ford arrested R. E. Seils, Jim Hart and Frank McGraw, strangers near the Orient depot. The three men were seen by F. A. (Cy) Perkins, switchman in the Orient yards, at the ice house in the north part of the yards. One of them crawled under the platform and dug up a Colt 45 and a double action S. & W. while the other two stood guard on the outside. They then started off. Cy phoned to Sheriff Ford, who went out in an auto, arrested them and searched them. He found on them the two guns, dynamite, cartridges with fuse, saws, keys, files, soap, a swab and other articles used by professional yeggmen. He placed the men in jail and put their cracking apparatus away, as evidence against them. L. M. Bowman, the gunsmith, identified the two pistols stolen recently from his gun shop one night when his place was entered. Seils says he is from Illinois, Hart claims he is from Indiana. McGraw says that he has been working in the mines out west. They had bid the guns, after stealing them under the ice house at the Orient yards. These men have stayed at the Star rooming house for several nights.

DEDICATION OF TEMPLE WEDNESDAY

HUNDREDS OF VISITING MASONS EXPECTED TO JOIN IN CEREMONIES HERE MARKING COMPLETION OF NEW BUILDING

EXTENSIVE PLANS

Grand Master to Attend and Former Grand Master to Be Orator. Banquet Will Follow the Ceremony of Dedication

Next Wednesday, October 25th, bids fair to be a memorable date in the annals of the Masonic fraternity of Wichita Falls and Northwest Texas, for at that time the Masonic Temple just completed in this city will be formally dedicated.

From 500 to 700 Masons are expected to attend the dedicatory ceremony, and plans have been completed for exercises and festivities appropriate to such a significant occasion. The head of Texas Masonry, Grand Master McMillan of Whitewright, will be here, as will Jewel P. Lightfoot, past grand master, former attorney general of Texas, who will be grand orator at the dedicatory ceremony.

Local Masons are urgent in their invitation to the general public to attend such of the exercises as will be open to those not members of the fraternity. W. X. Hammaek, worshipful master, announces that the lodge hall will be open to public inspection from 9 a. m. to 1 p. m. next Wednesday, and the rooms on the second floor of the Temple will be open throughout the day. Much of the program, of necessity, will be closed to the public.

The ceremonies will start at 1:30 p. m. when the opening exercises of Wichita Falls Lodge No. 635, A. F. & A. M. will start.

At 2:15 there will be the reception to the grand master and other grand officers, with the address of welcome by P. B. Cox of the Wichita Falls lodge. The opening of the grand lodge, which is convened for occasions such as this, will then take place and will be followed by music by the Krebs orchestra.

At 3:30 the dedicatory exercises according to the solemn and time-honored rites of Masonry will begin. After the dedicatory exercises all Masons and friends will repair to the Wichita Theatre where Grand Orator Jewel P. Lightfoot will deliver the dedicatory oration.

A banquet on the second floor of the Temple will follow the speech at the theatre. Arrangements have been made for several hundreds covers for this banquet, which will be an elaborate affair.

At 8 o'clock in the evening, third

Advertisement for Overland car. Features a 31 1/2 horsepower New Series Overland Model 73 B for \$635. Text includes 'Thousands Behind', 'Three to fifty per hour on high—that's the speed report we get from owners all over the country.', and 'OVERLAND SALES CO., Distributors W. Newton Maer, Manager Corner Eighth and Scott. Telephone 1616'.

degree work will be conferred upon two candidates. The Scottish Rite team of the Dallas lodge and the Yorkright team of Fort Worth will participate in the conferring of the degrees.

Invitations have been extended to hundreds of Masons in other Texas cities and the dedication is expected to bring together one of the largest and most notable gatherings of Masonry in the history of this section. Extensive arrangements have been made by the local lodge to entertain the visitors and to extend Wichita Falls hospitality in full measure.

The erection of the Temple marks the fruition of several years' effort on the part of local Masons, who felt that the size and importance of the lodge here entitled it to more suitable accommodations than had been avail-

INTERESTIN RAILROAD RUMORS HEARD AT QUANAH

(Quanah Observer)

There may be nothing to it, but a rumor is afloat that the Santa Fe system wants to acquire the Quanah, Arme & Pacific and also the Frisco road from Quanah to Oklahoma City. The rumor says that the Santa Fe would extend the A. & P. to Crosbyton, thereby making the circuit complete, and placing Quanah on another large transcontinental railroad system. It is stated that recently expert railroad men have carefully gone over every foot of the Q. & A. P. and know the physical conditions of the property thoroughly.

Another rumor is to the fact that the reorganization of the Orient road is completed, a proposition looking to establishing a division point at Quanah, moving the shops

here, etc. will be considered. Quanah will be asked to furnish right of way from Red River, switch yard room, location for shops, etc., and right of way to Pease river. It is stated that the reason for selecting Quanah is first, the two divisions at Altus are of such unequal length that overtime accrues on one of them while the other division is an hour short, but for which full time must be paid. Also that the water supply at Altus is not sufficient for the shops. This rumor move by the Orient contemplates the construction of a line from Altus, direct to Quanah, thence to Pease river bridge. It is largely way car talk just now, but usually there is something back of such talk.

Mr. and Mrs. Ed Hatfield of 1404 Eighth street are the parents of an eight month boy which arrived Friday night.

stitch called "The Saint and the Sinner." This act is a part from all the so-called stereotyped plays so often seen in vaudeville.

"To Another Woman" at Gem Theatre Tomorrow

Monday's feature at the Gem will be "To Another Woman," a Rex Lloyd drama. A synopsis follows:

Charnock is a worldly man who is no longer in love with his wife because she is a busy home body. Alice does not pay any attention to her clothes and always looks very dowdy.

Charnock seeks his diversion with a rather fast woman called Hester who keeps reproaching him because he will not divorce his wife for her. At last she gets exasperated and says that with all his money it ought to be very easy to get rid of the woman.

Some months later, there arrives a new assistant at the sanitarium, who is struck by the pathos of the case, and makes an examination. He finds that the woman is entirely sane, but when he tells the head physician, the latter gets very angry, and says that

the subject should never again be mentioned. But the young doctor perseveres, and finally succeeds in arranging for Alice's escape. He lends her a little money, and she makes her way to the city and communicates with the butler.

Henry comes and gives her very bad news about the child. The other woman has been installed in the house and the child gets nothing but abuse all the time. So Alice determines to take the child away, and tells the butler to have her ready. Then she goes to a very swell modiste and orders a stylish gown. Attired in this, she goes to her former home to confront her husband.

Charnock is astounded when he sees his wife transformed and thinks what she has come to kill him. But she merely reproaches him and leaves with her child. But the other woman is jealous and thinking that she is no longer in favor, kills Charnock. Alice is then free to marry the young doctor.

"COMMON-GROUND" TO BE AT EMPRESS WEDNESDAY

Marie Doré, one of the most celebrated dramatic artists on stage or screen, and formerly a Broadway star, will be seen at the Empress Wednesday in the Jesse J. Lasky production of "Common Ground," a thrilling drama of social conditions written especially for the Paramount program by Marian Fairfax and produced under the personal direction of William C. De Mille.

"Common Ground" shows the mental and spiritual awakening through love of a child of the slums, employed in an asphalt-factory, how she goes to college, and eventually saves from ruin, at the hands of political grafters, a young judge, the basis of this most unusual play. The method of the army of parasites connected with the city institution and their dealings with the unfortunate of the underworld, are vividly exposed.

How the grafters, to further their own ends, manufacture false conditions to keep their enemies, is brought out through a series of most unusual scenes. The Lasky Company has surrounded Miss Doré with a cast of unusual excellence consisting of such distinguished artists as Thomas Meighan, as the young judge, Theodore Roberts, Mary Mersch, Horace R. Carpenter and Vera McEvers and a number of other members of the Lasky all-star organization. The picture has the usual Lasky thoroughness of detail and splendid photography.

"INTERNATIONAL MARRIAGE" AT EMPRESS TOMORROW

"An International Marriage" is an almost everyday newspaper headline. The prominent artist who has made the participants shows it is a subject of much interest to the public. What their after marriage life is like is usually a point of ignorance with most people, the supposition being that they live happy ever after. The best possible insight into the true conditions—different from American home life—is in the Morosco-Paramount photoplay "An International Marriage" starring Rita Jolivet, Mlle. Jolivet is thoroughly qualified for the part being an Italian Countess by marriage. This quality photodrama under the Paramount label is the attraction at the Empress Theatre Monday.

UNUSUAL FEATURES OF LEAGUE SEASON

Comparison of Hits and Errors in Major League Figures Interesting

By Associated Press. New York, Oct. 21.—A review of the major league baseball season, with emphasis on the play of the recent world's series, discloses a number of rather unusual features. The pennant races in both the National and American leagues were closer and better sustained than has been the case for some years. In the American League every club, with the exception of the Boston Red Sox, led the league at week ends one or more times while the same honor fell to but three clubs in the National League, being held by the St. Louis Cardinals, the Philadelphia Phillies and Boston.

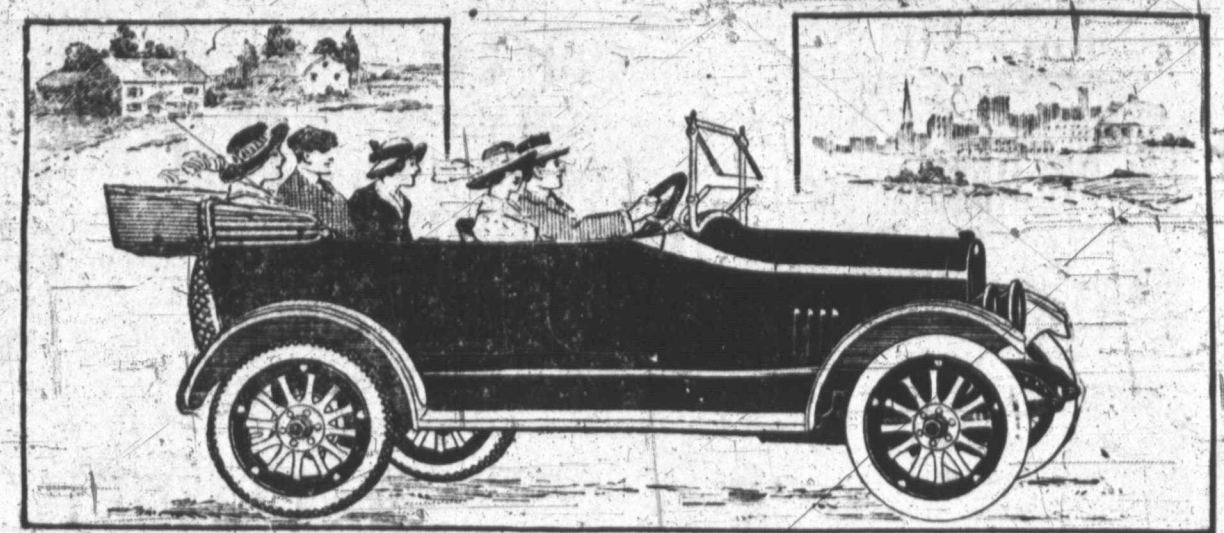

The complete record of the sixteen clubs of the major leagues showing runs, hits, errors, left on bases and runs by innings, is as follows:

Table with 2 columns: League and Team, and 2 columns: Hits and Errors. Includes National League 1916 and American League 1916 data.

THIS IS ELECTION DAY FOR MEXICANS

Delegates to Constitutional Assembly in Queretaro Are To Be Chosen

By Associated Press. Queretaro, Oct. 21.—Elections will be held tomorrow throughout the republic for delegates to the constitutional assembly which will meet in Queretaro to consider approval and adopt a new constitution for Mexico. In each state one delegate and one alternate will be chosen for each 70,000 population and each fraction of that number over 20,000 as recorded by the census of 1910. If any state or territory shall not have 20,000 or more inhabitants, that state or territory will be entitled to one delegate and one alternate. Strict rules as to the eligibility of candidates have been set forth in the

decreed of Gen. Carranza, first chief in calling these elections. Those who have taken up arms against the constitutional cause or given aid to the parties opposed to the constitution are declared ineligible and those who wish to represent states in which they resided in 1913 at the time of the overthrow of Madero must give concrete proof of adherence to the constitutional cause.

The new electoral law provided in the decree issued by Carranza will be in force in this election. This law does not provide a secret or Australian ballot, but regulates strictly the conduct of the polling places and judges.

The delegates elected at tomorrow's election will hold their first preliminary meeting at Queretaro, November 21 and their first formal meeting December 1.

If any delegate is not present, his place will be filled immediately by an alternate. Strict penalties have been provided for failure of delegates to attend meetings, a certain number of absences without permission automatically seating the alternate of the house.

After being sworn in, the delegates will be addressed by the first chief of the Executive Power, General Carranza, based in a large part on decrees

which have already been issued, putting into effect reforms advocated by the constitutionalists. This constitution will be considered by the assembly which must complete its labors within two months or by February, 1917.

BISHOP ADDRESSES BOWMAN MEETING

Texas Conference of Evangelical Association is Still in Session There Discourses by Bishop Lawrence H. Seager of Illinois have figured largely in the sessions of the Texas Conference of the Evangelical Association, which has been held at Bowman, Archer county, for several days past.

The sessions will continue through today and dinner will be served on the grounds. There will be preaching at 11 a. m. and 2 p. m. Tonight at 8 o'clock Bishop Seager will preach at the Wichita Falls church, corner Fifteenth and Broad streets.

The feature of the session has been the sermon by the bishop on "The Plow Work of the Kingdom" from the text, "And Jesus said, no man having put his hand to the plow and looking back, is fit for the kingdom of God." The bishop said that, as plowing is the heaviest work that the farmer has to do, so the "plowing" of the preacher, driving his share through the conventional overturning the traditional, breaking up the popular and expedient, exposing the sub-soil and disturbing the superficial ties of mankind and bringing to bear upon the hidden depths the sunshine of Heaven, is also a heavy and arduous task.

The bishop called the attention of his hearers to the words of the text that there must be no looking back, though the task seemed hard and the discouragements many.

About 50 workers in the Evangelical Association are attending the conference, which comes to a close early this week. Miss Virginia Perry of Houston and E. W. Rives who lives on Rural Route 4 were married Wednesday afternoon by Rev. R. C. Miller at the Baptist parsonage. They are making their home for the present with Mr. Rives' father.

LOCAL PLAYERS LOSE TO BOWIE

VISITING FOOTBALL TEAM TAKES BIG END OF 45 TO 7 SCORE SATURDAY

PUT UP GOOD FIGHT

Wichita Falls Boys Give Stubborn Defense at First, But Forward Passes Count

Bowie's success with the forward pass was primarily responsible for the 45 to 7 defeat administered by that team to the local high school football eleven at the Katz park yesterday afternoon. E. Archer, the visiting quarter back passed with deadly accuracy while Parrish and Hilliard, the Bowie wing men, on the receiving end picked up the ball from the air while literally smothered by opponents, time and again for long gains at profitable times.

The Bowie team had the locals outweighed about fifteen pounds to the man and this together with the fact that the players' physical lines were most of them veterans with experience gained in two and three previous seasons was a telling factor in the Bowie victory.

The Bowie machine worked like a clock after the first part of the game, when frequent fumbles by the backfield narrowed chances to advance the ball into Wichita Falls territory. Besides the forward pass the Bowie team was able to reel off several important gains by plowing through the lighter line of the locals, although most of the time the Wichita Falls line held up like a stone wall. While during the greater part of the game the local line fought their heavier opponents to a standstill, they were not able to open up the line to any material extent for their backs, and the chief ground gaining strength of the home guard was thus neutralized.

At the end of the first quarter when Bowie gained a first down on the local three yard line, the defense of the local line was impregnable, the Bowie aggression being held for downs, again in the last quarter the defense of the locals stiffened and held the visitors for downs after a first down on their four yard line.

A crowd of about 200 saw the game, most of them high school students. The home fans proved themselves good losers, and rooted hard for the local team to the end of the game.

The work of the local line was the feature of the home team play. Williams, Southworth and Burnside, especially frequently jamming plays started by the visitors, Hickman on end played strongly on the defensive against Bowie's attempts to circle his side, and his blocking of a Bowie punt was responsible for the scoring of the locals. The work of Parrish, left end for the visiting team, was easily the outstanding feature of the game, although his efforts were closely backed by the playing of other members of the team. The locals were unable to negotiate any material gain around Parrish's end, while his work together with that of his running mate Hilliard, was the most material contribution to the Bowie victory.

The locals got the jump on the visiting eleven, working them for a touchdown in the first five minutes of play and playing them off their feet for the rest of the period, the first quarter ending with the score in their favor, Bowie tied the score at the beginning of the second period, but it was not until near the end of the half that Bowie forged to the lead, and at the end of the first half neither team had demonstrated any out-

standing superiority over their opponents. In the second half, however, the work of the seasoned Bowie men began to tell and from then on it was nothing more than the size of the score that was in doubt. The locals did not stop fighting, however, putting up a stiff defense to the last.

Wichita Falls kicked to Bowie at the start of the game and the visitors worked the ball back to the middle of the field, when a fumble was recovered by Burnside for Wichita Falls and the ball began to travel into Bowie territory. The locals were soon forced to kick to Bowie, who in turn failed to gain and resorted to the punt on their five yard line. Hickman for the locals block the Bowie kick, and recovering the ball carried it across for the first score of the game, G. Harris kicked goal. Score: Wichita Falls 7, Bowie 0.

Bowie received again and worked the ball far into the Wichita Falls territory, until with the ball on the local three yard line with first down the locals held them for downs as the quarter ended. At the beginning of the second period, however, the Wichita Falls kick was blocked by Hilliard for Bowie, E. Archer recovering the ball and crossing the Wichita Falls line for Bowie's initial score. E. Archer kicked goal. Score: Wichita Falls 7, Bowie 7.

A thirty five yard run off left end through the broken field, followed by a 20 yard gain as the result of a forward pass from E. Archer to Parrish gave Bowie her next score. E. Archer missed goal. Score: Wichita Falls 7, Bowie 13.

A long forward pass from E. Archer to Parrish, followed by the latter's brilliant run through a broken field, throwing off several tacklers by the use of the stiff arm, and which netted the visitors a 40 yard gain was one of the features of the day, but a Bowie score was prevented by the fierce defense of the locals. Parrish attempted to drop kick a field goal was frustrated by Burnside.

A forward pass from E. Archer to Parrish, followed up with substantial gains through the line by Weldon and Burgess, the latter getting loose and gaining 55 yards, put the ball on the local 4 yard line and E. Archer dropped over for Bowie's third touchdown. F. Archer kicked goal. Score: Wichita Falls 7, Bowie 20.

Hilliard intercepted a short forward pass attempted by the locals 13 yards from the line, but a local score was prevented by the fierce defense of the locals. Parrish attempted to drop kick a field goal was frustrated by Burnside.

A forward pass from E. Archer to Parrish, followed up with substantial gains through the line by Weldon and Burgess, the latter getting loose and gaining 55 yards, put the ball on the local 4 yard line and E. Archer dropped over for Bowie's third touchdown. F. Archer kicked goal. Score: Wichita Falls 7, Bowie 20.

Hilliard intercepted a short forward pass attempted by the locals 13 yards from the line, but a local score was prevented by the fierce defense of the locals. Parrish attempted to drop kick a field goal was frustrated by Burnside.

Near the beginning of the last period Teague for Bowie recovered Wichita Falls' fumble near their own goal, and the forward pass from E. Archer to Hilliard did the rest. F. Archer missed goal. Score: Wichita Falls 7, Bowie 27.

Wichita Falls fumbled again after a few minutes of play, Ayres recovering for Bowie and running 20 yards to cross the line for another of the visitors touchdowns. F. Archer kicked goal. Score: Wichita Falls 7, Bowie 33.

A forward pass recovered in the air by Weldon after being touched by a local player and which netted a 4 yard gain gave Bowie their final score. Parrish missed goal. Score: Wichita Falls 7, Bowie 45. The lineup: Wichita Falls: Trotter, left end; Southworth, left tackle; Reeves, left guard; Williams, center; Urban, right guard; Burnside, right tackle; Hickman, right end; Davis, quarterback; Weaver, left half; G. Harris, captain, right half; Griggs, fullback. Bowie: Parrish, left end; Wilson, left tackle; Springer, left guard; F. Archer, center; Wright, right guard; Ayres, right tackle; Hilliard, right end; E. Archer, captain, quarterback; Weldon, left half; Teague, right half; Gilliland, fullback.

Substitutions: Bowie Third quarter: Burgess for Gilliland, Wichita Falls: third quarter, E. Harris for Burnside; fourth quarter, Loecke for R. Harris, E. Harris for Griggs.

Officials: Referee, Loomis, (Kansas State); Umpire, Walker, (Texas, head); Lineman, Trotter, (Carlisle Military Academy).

Time of quarters fifteen minutes.

GOLIATH, TALL GIRAFFE, A BIG CIRCUS FEATURE

Goliath is coming to Wichita Falls. He will be here on October 30 which is the date that the Barnum & Bailey circus exhibits in this city. It is known that Goliath is not the original giant of fairy tale fame, but he is quite a giant nevertheless.

He is the tallest giraffe in captivity and he is the pride of the Barnum & Bailey menagerie. He measures 18 feet from the tips of his ears to the tips of his toes, and he can pick fruit from the topmost limbs of the average fruit trees without exerting himself in the least.

Goliath was born, in far-off Abyssinia, where his ancestors still roam the jungles. He was captured by animal hunters who were members of a special expedition sent out by Barnum & Bailey in 1908. When captured he was only a few months old and his name was not "Goliath" at that time, nor for some years thereafter.

In fact he did not obtain his full growth until after his fifth year, which was only three years ago. Since that time he has attracted a great deal of attention in America, and animal experts claim he is the tallest giraffe in this country, if not one of the tallest in the world.

The giraffe family in the Barnum & Bailey menagerie at present consists of five members and is the most valuable collection of these animals ever carried by a circus. Each member is worth approximately \$6,000. Two of the animals are still babies, having been born in the winter quarters at Bridgeport, Conn., a year ago. These are known as the "rubberneck twins" and they are great favorites with the children. As a rule the giraffe is an even tempered, harmless animal, but occasionally they get obstreperous and kick viciously. They

are extremely delicate creatures and require more care and attention than any other species of animal in the menagerie. They are extremely susceptible to colds and the greatest care must be taken to keep their cages at the proper temperature during the hours of the night when they are traveling. A keeper sleeps in each cage every night and watches over his charges. Giraffes are also easily frightened by strange sights and noises and this is attended by grave danger, as they are likely to stampede and injure their long, delicate necks.

KRYPTOK SUNDAY SCHOOL CLASS MEETING FRIDAY

The first business meeting of the Kryptok class was held Friday night October 20th in the basement of the M. E. Church. The house was called to order by the teacher, R. J. Slagle, and officers were elected as follows: Moody Weaver, president; Lewis Johnson, vice president; Forrest Shelton, secretary and treasurer; Kelso Matchett, press correspondent. W. P. Akin, assistant teacher, was chosen as athletic director. Moody Weaver was elected captain of the football team, and Lawrence Nolen, assistant captain. Joe Bailey Lowery was elected yard leader, and John Gerock was elected sergeant at arms. The class was given the name of Kryptok Bible Class of M. E. Church, South. Colors adopted were red and white. The following members were present: Bailey Lowery, Forrest Shelton, Wallace Lowery, Chas. Cooke, Willie Stuyton, Horace Short, Moody Weaver, Wayne Koonce, John Gerock, Harold Knott, Emmett Hinckley, Gerard Boone, John Allen, Walter Nelson, G. Keith, Raymond Douglas, Lawrence

Nolen, Ruble Stone and Lewis Johnson and Kelso Matchett. The class was presented a football by the teacher. After the business meeting closed all were served with sandwiches by Mr. Slagle.

GOVERNMENT MAY TAKE OVER COAL BUSINESS IN ENGLAND

London.—The government is proposing to take over control of the coal industry of Great Britain in the near future, the main purpose of the scheme of nationalization being to give a certain power over the neutral shipping which coals at British ports. Coal owners owners will be allowed to take their present profits if the scheme is adopted, but the government will control the distribution of coal for home consumption, for export and for shipping. For some time past, the government has used its authority over British shipping to direct its cour-

word of honor of Norwegian captains to return to Norway, unload their ships and keep them during the war out of the surface of Germany's enemies.

The Norwegian statesman argued that tonnage would thus be lost to the allies as affectively as by sinking and would be saved for after the war when it will be invaluable to Germany.

CHANDLER SIX

\$1295
C. O. B. CLEVELAND

Chandler Price Will Advance December First

THE price of the famous Chandler Six will be advanced December 1st, 1916, and the present Chandler Model in every essential way will be continued for the forthcoming season. We have always listed the Chandler car at the lowest possible price consistent with manufacturing costs involved in producing this high grade automobile.

We had hoped earlier this season in spite of advancing costs of material to be able to continue the present \$1295 price. But conditions in the industry have now come to a point where this is impossible.

Our production costs today are fifteen and one-quarter percent (15¼%) higher than one year ago.

Our profit margin per car has always been small. And the price must, therefore, be advanced to make compensation for increased production charges.

You may purchase your Chandler car now with the assurance of a marked saving in purchase price, and with the equally important assurance that your Chandler car, purchased now, will be up-to-date next spring.

Distinctly superior Chandler features include the "Marvelous Motor" which with minor refinements from time to time has distinguished the Chandler car for four years past and which will be continued in the forthcoming series for next season; genuine Bosch high tension magnets, the highest priced and most efficient form of ignition; Gray & Davis separate unit electric starting and lighting system; silent chain drive for motor shafts; solid cast aluminum motor base, extending from frame to frame; spiral bevel gear rear axle; and the most beautiful of all modern body designs.

Until the Close of Business November 30th
