REVIVAL PARTY HAS BUSY TIME

TWELVE MEETINGS IN TWO DAYS BY PRESBYTERIAN WORKERS

CROWD AT EMPRESS

Notable Service in Theater Sunday Afternoon—Two Downtown Meetings

Twelve services in two days, with good attendance and gratifying results at practically all of the meetings of the revival party which is conducting services at the First Presbyterian church.

Of the five services which were held yesterday, probably the most notable was the men's meeting at the Empress Theater in the afternoon, when after a striking sermon by Dr. Hendrick on "Is a Young Man Safe?" there were two conversions and ten came forward for prayers. No success followed the service that, at the bidding of these men, attendance, it was decided to hold another next Sunday. Yesterday's activities included Sunday school, morning service, afternoon meeting, and two night services, one at the First Presbyterian church, the other at the Floral Heights church. Members of the evangelical party taking part in all of these gatherings. If they felt that yesterday was a fairly busy day it did not prevent a still heavier program being mapped out for today. They started at nine o'clock with a brief school, then the musical at the high school, then the downtown meeting at the police station there was the regular service from ten to eleven at church and at noon the second of the factory meetings was held at the Wichita Mill and Elevator company. This afternoon at three o'clock there was another downtown service at the City National bank, held just as the bank closed. Tonight two meetings are scheduled, at the First Presbyterian church and at the Floral Heights Presbyterian church.

Meetings will be held at the Floral Heights church, nightly this week, being conducted by Rev. W. B. Fitzhugh of Fort Worth, who is here assisting Dr. Hendrick and party. Mr. Fitzhugh conducted the first meeting last night and will speak again tonight. On an afternoon this week it is planned for Dr. Hendrick to speak at this church, of which Rev. J. Walter Haggerty is pastor.

There were 422 present at the Empress yesterday afternoon the theater being comfortably filled, although there was room for more.

Dr. Hendrick took as his subject, "Is a Young Man Safe?" He asked this question, and in his sermon, answered that a young man was not safe if he gambled, lived impurely, kept bad company, or was without high ideals. He took each of these up in turn, showing its influence and pointing out the dangers. Then in a stirring appeal he urged his hearers to forsake evil habits and get on the safe side.

The address was one of marked eloquence, rather different from those usually heard at such meetings, and it was evident that the speaker had a deep impression upon the hearers. At the close of the sermon two men were converted and ten others came forward for prayers. The church was filled to its utmost capacity, chairs being placed in every available foot of space. A lengthy song service preceded the sermon and during this service a very brave little boy and a very brave little girl each climbed up on the rostrum and sang a verse of a song taught them by Mr. Carter. One selection by the children, which was also a feature of the meeting, Mr. Carter called for expressions regarding the successful meeting of the afternoon and the responses were numerous. A dozen or more different states of the union were represented among those speaking.

The subject last night was "The Unpardonable Sin," the text being "there is a sin unto death." The evangelist said that there were many views of the unpardonable sin; some men died in the belief that they had committed an unpardonable sin, he declared, yet with a mistaken belief as to its nature. Man can get forgiveness for many misdeeds, he said, if he seeks it, his definition of the unpardonable sin being a continued rejection of Christ.

He recalled the words of Christ, "My spirit shall not always strive with you." It is a terrible thing, he said, "to grieve away the spirit of God." He cited the conduct of the Pharisees who again and again confronted with evidence of Christ's divinity, continued to say each time, "away with him, away with him."

"You are living in a land where there are more church spires pointing heavenward than in any other land in the world. There are countless influences pointing you to Christ. Your mother's prayers are exerting their influence. Yet some of you are drifting, drifting."

"Neglect your business, stay away from it a few days in a week, go fishing, what becomes of your business? You lose it. It's that way with you."

It Requires But Little Demonstration To Convince Anyone Who Is at All Musically Inclined Why The PLAYERPHONE

Is superior to all other re-producing instruments. Its tone is soft and sweet, as sparkling as the gems in the summer light. This is due to the tone chamber, which is constructed of violin wood, instead of metal, which entirely does away with the metallic sound. And it re-produces, instead of merely recording, the exact, personal touch of the artist's work exactly as if the artist were before you in person. And it plays any kind of disc record, thus giving access to all the best music of the world, instead of that of only some few favorites of any one company.

We would like to demonstrate the Playerphone to you, and cordially invite you to drop into our store at any time you wish and we will be glad to play any of your favorite selections.

TWO SUSPECTS MAY BE BANK SWINDLERS

Paraphernalia Found in Their Possession Indicates Activities of Doubtful Nature

The possession of rubber stamps, blank forms, facsimile signatures of bank officials and other paraphernalia used by various banks scattered all over the southwest and middle west, for certifying checks, drafts and exchange caused the turning over of two men arrested last night by Night Chief McDonald and Officers Fred Smith and Pitchford on a charge of gambling to the county for further investigation on a more serious charge. The men are said to have had one draft of \$500 fixed up in readiness to cash at some bank when they were arrested. One was recognized by the police as a former companion of a man who has given the police much trouble here. He had been in jail with the latter here once before, and had been released on a promise to leave town a fine of \$100 against him being suspended on this condition. As he had considerably more than that amount with him, the \$100 fine was collected before he was turned over to the county.

The men were arrested on the gambling charge with another party, apparently drugged, who after retaining consciousness alleged that he had been playing poker with them and that the two men had slipped him a knockout drop. The party claimed that he had \$30 with him at the start of the game, but that when he came to himself he had only \$50. The men are being held by the county on the gambling charge.

Three other cases were passed at this morning's session of the court. Twelve cases of intoxication also came up this morning, ten of them resulting in the usual \$5 fines, one dismissed for cause and the other going over.

COURT HOUSE WORK PROCEEDS NICELY

Some Delay Caused by Lack of Sand, Due to Shortage

Work on the court house is progressing in a satisfactory way, although trouble has been experienced in securing a supply of sand, due to a shortage of cars at the brick works. The brick work is now practically complete on the first story of the building and the finishing rock is being placed preparatory to going on with the second story work. At the present rate of progress it will be but a few months until the exterior of the building will present a finished appearance, after which some time will be required to complete the interior.

Crushed rock is being received now at the rate of three cars a day and it is understood that an effort is being made to have the entire quantity to be used delivered before the first of November, when the increase in freight rates on state shipments is scheduled to take effect.

"Read my palm, please." "Ah, you want a hand-picked future, do you?" Indianapolis Star.

EIGHT ARE NOW STUDYING BUSINESS ADMINISTRATION Austin, Texas, Oct. 23.—Eight applications for the Bachelor of Business Administration have been filed with the registrar of the University of Texas. This course in business training was inaugurated at the University a year ago.

This far the new course has not been taken up by any of the female students at the university, although the "coeds" are taking almost every other branch of study.

LOUIS ENTZMINGER OF FORT WORTH OPENS BAPTIST CHURCH REVIVAL

DR. JENKINS ARRIVES

Conducts First of Series of Meetings This Afternoon—Several Additions Sunday

church after the night service, and a gratifying number of requests for prayer. Dr. Millard Jenkins, who arrived today from Abilene to conduct the revival services, is considered one of the finest—pastor-organists of Texas. He is a member of the regular team of "tent evangelists" who conduct services in New York City as well as in other parts of the country. Dr. Jenkins is also engaged. Rev. C. A. Cook, also of Abilene, arrived today to conduct the singing service. Rev. R. C. Miller, pastor of the First Baptist Church, announced yesterday that the recent religious census showed that there were living within the territory of the First Baptist Church, a total of 2,000 Baptists. These included many active members of the church, but many more whose membership was in other cities, it was found. One feature of the census, which is not yet complete, was the large number of young people who were unsaved, it was stated.

LAKE ATTRACTIONS LARGELY ATTENDED

Auto Polo Game and Motor Races By Local Drivers Amuse Large Crowd

One of the largest crowds to visit Lake Wichita on a Sunday in some time was present yesterday afternoon to witness the auto races and to enjoy the pleasure always afforded by a visit to this popular recreation spot. The auto races included two events, one of ten miles and the other for fifteen. Four cars were entered, but the Hubbard did not participate in either event. In the first race Harry Smith, driving an Oakland, was first, M. F. Gupton in a Duxor, second and A. P. Phillips, driving a Maxwell, came third. In the second race of fifteen miles the Oakland again finished in first place, leading at the end by three laps, with Phillips in a Maxwell second. Gupton was forced to quit on the eighth lap when his car ran out of gas. The races were exciting enough to please the large crowd present and there was quite a little rivalry among the friends of the different drivers and cars. The novelty of the auto polo exhibition provided a very interesting program and the many exciting plays by the Savage Brothers furnished a thrill that is not often found in the average exhibition of skill and daring. They executed a number of exciting turns and drives and altogether their work was good and enjoyed by the crowd present. While yesterday marked the closing of the lake for the season, as is expected that there will be other exhibitions at the race track and ball park on Sundays when weather conditions are favorable. It was stated today that another program of automobile races was already being planned to be held next Sunday or the Sunday following. The success of the races yesterday has served to encourage those interested in the sport and it is expected that in the event of another program several more cars will be entered.

SMOKE ABATEMENT WEEK OBSERVED IN PITTSBURGH

Pittsburgh, Oct. 23.—Smoke abatement week is being observed here starting today. During the week

many speakers who have made a study of the smoke question will be heard. The principal speaker was J. W. Henderson of Pittsburgh, chief of the bureau of smoke regulation. Lantern slides were used to show the work accomplished since 1912 in clearing the skyline of Pittsburgh.

IN THE SPHERE OF WOMANKIND

Faith. Across the dusky vale I hear The vesper thrushes call. Now far, like elfin flute, now near The lyric answers fall. Across the years heart calls to heart With all the heart's deep cry; The strains down silent aisles do part. No lips of love reply. But firmer than the hills that dream The centuries away Is that sure faith of love supreme Untouched by time's decay. The faith that waits, through years be long. And vows, ere hope take flight. A voice whose tones are sweetest song Shall answer through the night! —Arthur Wallace Peagh in Exchange

MONROE CLUB MEMBERS GUESTS OF MRS. SMITH

The members of the Monroe Club were guests of Mrs. Frank Smith last Wednesday afternoon, an enjoyable time being spent with needlework and the usual diversions. The hostess served a delicious salad-course. Those present were Mesdames Cole, Smith, McKin, Wells, Miller, Bland, Tuttle, Jessie Smith and Stephens, all guests; Mesdames Williams, Bennett, McConnell, Davernport, Bradshaw, Chauncey and Taylor. The next meeting of the club will be held two weeks hence with Mrs. J. T. Williams.

MR. AND MRS. C. J. PATE CELEBRATE ANNIVERSARY

Mr. and Mrs. C. J. Pate celebrated the third anniversary of their wedding Sunday, with a dinner at their home, a four course repast being served. The center piece on the dining table was of bride's roses, grown from the cuttings of the shower bouquet worn by the bride of October 22, 1913. Mr. and Mrs. Pate received several handsome anniversary gifts. Those present Sunday were Mr. Harris of Frederick, Mr. and Mrs. Bowen, Miss Hamlin, of Frederick, and the bride's parents, Mr. and Mrs. J. C. Ziegler. The Musicians' Club will meet Thursday afternoon at 2:30 at the First Presbyterian Church.

IOWA PARK HOME IS SCENE OF BURGLARY

Two Men Are Caught By Officers and Missing Articles Recovered

The home of E. E. Willard, who lives beyond Iowa Park, was burglarized last night while the family was at church. Two men were arrested within a short time and were turned over to the sheriff's office this morning by City Marshal C. H. Scott of Electra. It seems that Mr. Willard met two men in a buggy, driving one horse and leading another, shortly after leaving the house, and so near home were they that the men drove by and were supposed to have returned. Arriving home from church the burglary was discovered, shortly after which the men were pursued and caught on their way to Electra. Those following hurried to Electra and notified the officers who went out and met the party at the stock pens near town. When searched the missing articles were found in the buggy and consisted of a new suit of clothes, a good overcoat, three or four pairs of hatters, three coats, some underwear, a slicker, a pair of shoes, an everyday hat, a sweater and other smaller articles. Mr. Willard also reported the loss of \$125 which had been at the house. The men were lodged in jail here this morning to answer to a charge of burglary and theft. One gave his name as Shelby Willis and the other as Fred Hall. They claimed to be cotton pickers who had been working in that section. The buggy and two horses are being held at Electra by the officers there until disposition can be made of them. Mr. Willard, whose home was burglarized is a brother of C. C. Willard of this city.

MIDDLE AGED SOLDIERS SHOW BEST IN ENDURANCE TEST

Santo Domingo, October 23.—In a test of endurance, conducted by Lieutenant Kingston of the United States Marines in Haiti to determine the staying powers of his men, one hundred and eighteen men, ranging in age from nineteen to fifty-two and carrying the regulation field equipment, were given the test of ascending a steep mountain path, approximately eight miles, within a two-hour limit. Eighty-four men accomplished the feat in the prescribed time, and of those, twenty per cent were veterans of forty-four years and over. The average age of those who succeeded was twenty-nine years, while the percentage of tender-foot recruits among the losers reduced their average to twenty-four years. This experiment strengthens the theory of many that trained middle age rivals unseasoned youth.

The Greatest Merchandise Event in the History of Wichita Falls

Sensational price cutting, fine new stock, ideal weather and splendid financial conditions, all combine to make this the Greatest Sale Ever Held Here. Don't delay, Come Now! Every article in this store must be sold at once to close up the business. Wichita Falls, Texas, October 23, 1916

The issuance of \$6,669,000 in bonds by independent and common school districts during the past two years is a good evidence of a genuine desire in Texas for education. It signifies that the people not only want education but are willing to pay for it. Bond issues mean more taxes and taxes come hard for most property owners. It may be said to the credit of the people of Texas that a bond issue for school purposes is rarely seriously opposed.

Some fellow who has taken the trouble to count has found that in one of Colonel Roosevelt's campaign speeches the Colonel used the personal pronoun, "I," 247 times, mentioned Wilson 43 times and spoke Hughes name thrice. Lintype operators who set Colonel Roosevelt's speeches are compelled to go slowly so as to give time for the "I's" to be redistributed.

The consumers will be forced to pay still higher prices for food in the immediate future. This will be true especially in the line of canned goods. Wholesalers and jobbers are now quoting canned goods to the retail merchant at prices almost if not quite equal to those at which the retailer is now delivering the same goods to the consumer. The wholesaler's account for the advance by a combination of circumstances in which the heavy demand from abroad and short fruit crops at home are big factors.

Clarence Ousley who several months ago prophesied that if cotton was marketed slowly the price would go to eighteen cents, has come out in another statement in which he warns cotton growers that an exorbitant price for cotton will result either in the substitution of other fibres for cotton or the increased cultivation of cotton in other countries. Mr. Ousley points out that there are vast areas in South America, Asia and Africa that are suitable for the growing of cotton and that excessively high prices for the staple will encourage cotton growing on an extended scale on those areas. He calls attention to these facts to influence farmers not to curtail next season's cotton acreage too much or to take other measures which would restrict production to a point that would send cotton to still higher levels.

MAY SEND EXHIBIT TO COTTON PALACE

Dallas Fair Display May Go to Waco Exhibition—Directors Will Decide

The suggestion of a large number of persons that the Wichita county exhibit which took second place at the Dallas Fair be taken to the Cotton Palace which is soon to be held at Waco will be brought before the directors of the Chamber of Commerce at tomorrow morning's meeting by B. F. Johnson, secretary, who has just returned from Dallas where he had been in charge of the exhibit since the opening of the fair. Mr. Johnson had a picture taken of the exhibit, cuts made and the cut printed on cards which will be placed in the windows of local merchants in order to give the people of the city a chance to see what the exhibit looked like. Mr. Johnson states that he received messages of good will from hundreds of people living in various parts of the state who were attracted to the Wichita county exhibit and unable to deliver them individually he wishes to do so collectively through The Times.

J. N. Green Trading Stamps

In accordance with our original plans we have decided to issue J. N. Green Trading Stamps on all cash sales and on all accounts paid within six days of date of invoice. These stamps have a very considerable value to our customers and are appreciated by all who have been keeping them. They are exchangeable for a large list of handsome articles carried in stock here by the Sperry & Hutchinson Co., which articles cost our customers absolutely nothing, thus making the stamps a real discount in the purchase price of goods. On account of the cost of these stamps to us it is impossible for us to give them on charge accounts that are not paid promptly, yet wishing to give our customers who carry an account with us the very best prices and service possible, we have determined hereafter to give them to all customers whose bills are paid within six days of the date of invoice. When you get our invoice you can readily compute the time for yourself, and if it is paid within six days of the date we shall be glad to give the trading stamps, but positively no stamps will be given on accounts not paid within the six days.

Maxwell Hardware Co.

URGES MUNICIPAL HALLOWE'EN FETE

Secretary B. F. Johnson Has Suggestion for Observance of Occasion

B. F. Johnson, secretary of the Chamber of Commerce is working on a plan for a municipal Halloween fete for Tuesday night week. It is thought that such a fete, in addition to furnishing entertainment and amusement will serve to keep the younger element downtown and prevent the usual property damage usually occurring on that night. Mr. Johnson's idea is that every one wear masks on that night and let the carnival spirit prevail unchecked. In addition to that it is expected that the merchants will agree to keep their places of business open on that night, giving the revelers an opportunity for the mingling of business with pleasure. The roping-off of a section of some downtown street and possibly an open air ball-massage is a feature of the plans, as also the suggestion that prizes be awarded for the best costume worn by men, women and children and for the best decorated automobile. The plans will probably have assumed more definite shape within the next day or two.

Local Brevities

The following marriage license has been issued by the county clerk since Saturday evening: George Gaines and Blanche M. Shelton.

Mrs. Maggie Center was adjudged insane in the county court this afternoon. The case was set for trial on Saturday evening. George Gaines and Blanche M. Shelton.

In the 78th district court this afternoon the case of Frank Marrinson vs. H. Sonnemaker is on trial. The case results from a disagreement over a land transaction, this being the second time to be tried. The first trial resulted in a hung jury.

Mrs. H. C. Harding of Amarillo, is the guest of her mother, Mrs. Robert Cobb.

Deputy Sheriff Glenn had a narrow escape from being shot early Sunday morning when he went to answer a disturbance call from a place in the flats. Two men, who had been raising a rough house had been elected by the proprietor, but instead of going away they were being and kicking on the door when Mr. Glenn got there. As he stepped up on the porch the woman shot through the door to scare the disturber the ball passing within a few feet of the officers. The two men were collared and put in the county jail, being fined in the justice court this morning.

Mr. and Mrs. H. E. Wilson and Mrs. Gladys Wilson and Burke Taylor were in Dallas Sunday to visit the fair.

Market Report

ANOTHER RECORD IS BROKEN IN LOCAL WHEAT MARKET

The price of local wheat went to \$1.65 per bushel here today, the five-cent advance setting a new high record. Cotton was selling at about eighteen cents, basis middling.

Fort Worth Livestock. Fort Worth, Oct. 23.—Cattle receipts 4500, steady; steers \$8 to \$7.50; Hog receipts 2500, steady; ten cents higher; Tots \$10.05. Sheep receipts 1500, steady; lambs \$9 to \$9.50.

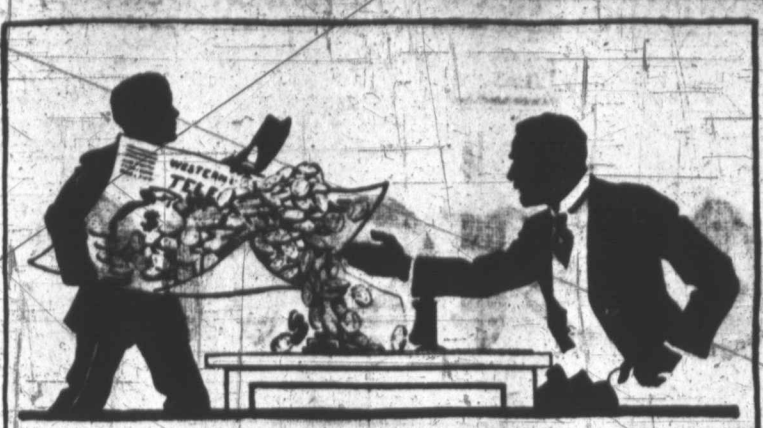

Chicago Grain. Chicago, Oct. 23.—Estimates that the world's 1916 crop was 25 per cent short of last year's total led to a decided new advance today in the price of wheat. Opening prices which ranged from 1 to 3 1/2 higher with December at 1.72 1/2 to 1.74 and May at 1.72 to 1.74 were followed by a substantial setback and then a fresh advance. Corn rose with wheat. Wheat closed unsettled 1.34 to 1.38 net higher with December at 1.74 and May at 1.74 5/8 to 1.78.

member contracts had, sold up to 19 cents, January to 18.95 and March to 19.07 or about 44 to 48 points net higher. Cotton closed at 18.15, December 19.19; January 19.18, March 19.22; May 19.45; July 19.46.

DISMISS APPEAL IN BRIDGE BOND INJUNCTION SUIT

The case of A. L. Schultz, vs. T. B. Greenwood et al. being an injunction against the bridge bonds, will not be taken to the higher court, according to announcement today by Ralph B. Matthis, attorney for Mr. Schultz. The injunction was denied by Judge Nicholson in the 78th district court and motion for new trial was overruled, notice of appeal being given. Failure to prosecute the appeal removes all legal obstruction in the way of building the three bridges for which the \$75,000 bond issue was voted.

NEGRO IS CHARGED WITH THEFT OF THREE PISTOLS

Weyman Gains, a negro who has been in the employ of Kruger Bros. for a few weeks, was arrested today, charged with the theft of three automatic pistols. Mr. Kruger on ascertaining the loss took the negro in charge until Policeman Ashford and Deputy Sheriff Lassiter came to make the arrest. It seems that Gains had pawned two of the guns with the City Loan Co., and had the pawn ticket given to other negroes. When one of them came to redeem the gun the theft was discovered. On looking through his stock Mr. Kruger discovered that two of his pistols were missing. The officers expect to be able to recover all three in excess of \$50 conviction will mean a term in the penitentiary.

FARMERS ARE BUSY JURORS ARE SCARCE

Out of 50 Summoned For Two Courts This Morning, Only Nine Show Up.

As a result of the busy season with the farmers, incident to the work of gathering the remainder of the cotton crop, as well as the activity due to the desire of the officers to get the grain in the ground following the recent rains, the courts are finding it hard to secure juries with which to conduct the cases that are ready for hearing at this time.

This fact was demonstrated this morning when the 78th district court and the county court attempted to start for the week. In the former court only eight of the 38 jurors summoned for the week put in an appearance and adjournment was taken until this afternoon at 1:30. In the county court but one juror out of fifteen answered the roll call when court was convened and Judge Harris also adjourned until this afternoon.

The judges of the different courts, understanding and appreciating the situation, are disposed to be as lenient as possible with those jurors who are known to be busily engaged with their crops and otherwise, yet at the same time a number of officers are facing a fine for non-attendance. It being explained that in such instances excuses should be obtained from the court, conducting the business of the county is expensive at the best and the officers, while disposed to be as lenient as possible, must nevertheless protect the interests of the county in conducting its affairs. It is explained.

SEVERAL HUNDRED WICHITANS AT FAIR

Four Pullman Sleepers and Many Chair Cars Used to Transport Crowd

Close to 300 Wichitans visited the State Fair at Dallas Sunday taking advantage of low rates for the occasion. About 225 went down Saturday night and several scores had gone down in cars or on earlier trains. Four Pullman sleepers were used out of this city, one on the Katy's special train leaving at 11:30, and three on the Denver. In addition, a large number put up with chair car accommodations.

Most of those going from here returned this morning. Though enjoyment of the fair's attractions appeared to have been general among those who went from this city, and were proud of Wichita county's exhibit at the fair. The extra business put a severe

ROBERT E. HUFF Attorney-at-Law Prompt attention to all civil business Office: First First National Bank

Personals

J. W. Butz, superintendent of the Northwestern, is in Dallas today attending a meeting of the Katy division superintendents.

F. H. Shaffer, chief dispatcher at the local Denver office, has returned from his vacation spent in Illinois and Michigan. Mr. Shaffer, who relieved Mr. Shaffer while away, has returned to his track.

Judge J. A. L. Wolfe of Sherman is spending several days in this city on legal business.

Judge B. E. Taylor of Henrietta passed through Wichita Falls enroute to Petrolia on business connected with the suit of the Henrietta Gas company against the Lone Star company.

Mrs. J. E. Robinson, 311 Fourth street, was operated on for an abscess Saturday afternoon at Wichita General hospital. She is reported doing very nicely.

Mr. and Mrs. Nat Chenault and Mr. and Mrs. J. O. Wheat expect to leave in the morning in a Kissel Kar for a trip to the Dallas Fair.

John Grundy, editor of the Byers Herald, was in the city today, enroute home from a visit to Dallas.

Frank Burby, who came to Austin where he will be a witness in the case against the Dodd brothers, charged with the robbery of a bank in Marble Falls, Burnet county, and the killing of the cashier about a year ago. One of the brothers was convicted on a charge at a trial some months since in Burnet county, and the case was transferred to Travis county on account of the wide publicity given the former trial.

Horace Nutt, city attorney has returned from a business trip to Fort Worth.

Mr. and Mrs. G. F. Marchman returned this afternoon from a visit to Dallas.

M. W. Stanforth left today on a business trip to Fort Worth.

C. D. Shamburger left this afternoon for a business trip to Decatur, and from that place will go to Dallas to visit the fair.

Attorney S. Heysler returned this afternoon from a trip west on the Denver.

John Prescott of Florence, Texas, and Mrs. Cora Allen of Saginaw, arrived today for a visit with Lee Prescott and family. They are father and sister of Mr. Prescott.

R. S. Sands left this afternoon for a business trip to Amarillo and may possibly visit Denver before returning.

Jack Ringenback of the Katy general offices returned this afternoon from a visit to the Dallas Fair.

E. M. Yeakley was here today enroute to his home at Archer City from Holliday, where he preached yesterday.

W. S. Atkinson has returned to Knox City after a visit to the Dallas Fair.

Mrs. J. F. Ausbury of Oklahoma city is visiting V. S. Shook and family.

Jack Dial of Stamford, was a visitor to the city yesterday.

Walter D. Farmer and H. T. Cotton of Nashville, Tenn., who some time ago bought a place near Byers are in this city looking after their property, stopping at the St. James.

Fountain Pens

A good Fountain Pen is one that will write the instant you touch it to the paper, that will not spread more ink than wanted whether you write fast or slow—we sell and recommend the

PRODUCTION OF RAW FUR SHOWS LARGE INCREASE

By Associated Press
Washington, Oct. 23.—Despite the fact that the finer fur-bearing animals are steadily decreasing, the value of raw fur production in the United States and Canada has shown an enormous growth in recent years. A report issued by the department of

agriculture today estimates the earnings of trappers in North America last year at not less than \$20,000,000, although exports of raw furs were only about half the normal proportion. Success of the industry is attributed largely to fur animal protective legislation. Thirty nine states in addition to Alaska now have such legislation.
