

# The FRIONA STAR

Volume 47, Number 5

Thursday, November 4, 1971

FRIONA, TEXAS, 79035

14 Pages

An Amarillo candy manufacturing company has begun using products exclusively from the local area, it was pointed out the past week.

Just in time for Halloween candy, Camel's Sugar Time brand, manufactured by Camel's Candy Factory of Amarillo, began making its confections with sugar from Hereford's Holly Sugar Plant, and corn syrup from Dimmitt's corn plant (Dimmitt Agri Industries).

W.C. (Bud) Campbell, president of the candy firm, said the new candy was the first ever produced in Texas from all Texas-grown ingredients.

The candy executive points out that his company has used Holly Sugar for some time, but that only recently has the Dimmitt corn syrup become available. Previously, the company had to secure its syrup from Iowa.

Camel said that the beet sugar and corn syrup produced in the Golden Triangle are both high-quality commodities, completely suitable for candy manufacturing.

Corn syrup and sugar are 99 per cent of the ingredients which the Amarillo factory uses in hard candies. Only flavoring and colorings must be obtained from outside the Panhandle. Camel's Candy Factory distributes about 100 different lines of candies. Hard candies, suckers, stick candy and peanut candy are all produced at the Amarillo facility, located at 63 S. Grant.

The company president estimated that the factory uses about 35,000 pounds of corn syrup and 45,000 pounds of sugar during a month.

The firm's products are distributed throughout the Southwest, and some lines go nationwide. The factory has operated in Amarillo since 1926, and employs 35 people.

So...look for the brand Camel's Sugar Time at your favorite grocery or super market. You might just be eating candy made from products grown by Friona farmers.

Two former Friona Chieftain football players are starring in college football this season. Tony Peres, in a newspaper clipping sent to his family is called the "Heart of the University of Texas-El Paso defense." In the team's first two games, the clipping said, Peres had a total of 55 tackles, assisted and unassisted, from his middle linebacker position.

An article in the school newspaper, "The Prospector," says "Tony Peres has been doing a tremendous job from his line-backing position. With more national publicity, he could be an All-American."

Then, the last account we had from Eastern New Mexico, former Chieftain Donny Carthel had scored 15 points for the Greyhounds, all by kicking. Carthel kicks the team's extra points, and also has a pair of field goals this season.

This past week, Carthel booted a 37-yard field goal for Eastern in the third quarter, to give his team a 10-9 lead going into the final quarter.

However, the team ran into a streak of final-quarter bad luck in the game played at Greeley, Colo., and fell to the University of Northern Colorado, 29-10.

Speaking of sports, it appears there is a new sport about to come into its own on the local level. It has to do with bow hunting and buffaloes.

For details on this new sport, see the club's advertisement on this week's classified page.

The owner of a big Dallas department store was awakened at home at three in the morning. A voice on the telephone said, "I want to compliment your store. I bought a stereo phonograph and it is the finest we have ever had."

"Thank you," replied the store owner. "I appreciate the compliment. When did you buy the stereo from us?"

"Four months ago."

"You bought it four months ago, and you call me at three in the morning to tell me about it?"

"Yes. It just arrived."

## FOR FHS ATHLETICS

### Elevator Owner In \$5,000 Gift

Leo Potishman, owner of Santa Fe Grain elevator (recently leased by Goodpasture) has given the Friona Independent School District a gift of \$5,000 to be used by the school's athletic program.

Under the terms of the endowment, the school is to use just the interest from the principal gift. This will amount to roughly \$250.00 per year, depending on current interest rates for long-term deposits. "Friona High School is highly

appreciative of the endowment proposed by Mr. Potishman. We are naming it the Leo Potishman Athletic Fund," states Alton Farr, superintendent of schools.

It is not known at this time how the money will be used, but a committee has been formed to administer expenditures from the fund. The committee is to be composed of the superintendent, school board president, athletic director, high school principal and counselor.

"Expenditures proposed by the committee will be made for the best interest of the sports program of Friona High School, and an accounting will be made," Farr told the fund donor in a letter of acceptance.

"I am happy that this has come at a time in which it will practically commemorate entrance of one of the finest grain firms in the world, in my opinion, at Friona. Goodpasture has taken charge and will operate the elevator of the Santa Fe Grain Company at Friona," Potishman said.

"I feel that the Friona area is to be congratulated upon having Goodpasture in their community. They own a 10-million bushel elevator at Houston, one of the largest, most modern in the country. Goodpasture, Inc. is in a position to pay top prices and give splendid service," Potishman stated (See further statements in advertisement, this issue).

Potishman built the first tennis courts for the Friona school system, at the present junior high school, and has donated to local churches. "I've always felt that whether a man lives in a community or not, if he does business in that community, there is a definite obligation to citizens of the community, children of the schools, and churches," Potishman said this week. "I am interested in Friona, and always will be," he concluded.

## BANDY OUT

### Final Home Game Pits FHS, Morton

Two similar teams will meet here Friday night when the Friona Chieftains host the Morton Indians in the final home football game for Friona's 1971 season.

Friona has a 2-5-1 season record, compared to Morton's 2-6. However, Morton has a district win, having beaten Dimmitt, 30-8. Friona will be attempting to break the goose-egg in district play, and escape the cellar in District 3-AA standings.

However, Friona will be going with an altered lineup, due to an injury suffered by quarter-

back Johnny Bandy against Floydada. Bandy sustained a pinched nerve and was spelled in the second half last Friday by James Sims. Sims will be the signal-caller again this week.

Bandy had lost all feeling in his right hand, and was unable to grip a football. He might be available for spot action on Friday, but it looked doubtful.

The game has been designated as "Dad's Day" for fathers of the Chieftains. They will be saluted in pre-game activities. Kickoff is slated for 7:30 p.m.

## FOR SERVICE

### Parmer, Area SCD Honor A. L. Black

A.L. Black, a director for the Parmer County Soil & Water Conservation District for the past 23 years, was honored at the board's monthly meeting this week.

Black is retiring from the board, and Leroy Johnson has been elected to take his place.

Black was presented a plaque of appreciation by Aubrey Dalrymple, field representative of the State Soil and Water Conservation Board. The award was from the South Plains Association of SWCD Directors. He also was presented an attractive attache case from the county SCD board in appreciation for his years of service.

Black has been on the board of supervisors for the county's Soil and Water Conservation District ever since its formation in 1949. In 1959, the Texas Bank and Trust Company presented him with its Banker Award for Outstanding Supervisor.

That same year, he was named by the Friona Chamber of Commerce as "Man of the Year."

The long-time leader for conservation has served as a director in the State Association of SWCD Directors, and was the organization's president in 1967, 1968 and 1969. Black also served as a director on the National Association of CD from 1967 to 1971.

The plaque was originally presented at the state association's annual meeting in McAllen recently.

Black has been instrumental in the Running Water Draw Watershed project. As a member of Friona's industrial committee, he was instrumental in securing Missouri Beef Packers for Friona.

Black was born in Hollene, N.M., and moved to Clovis as a child. He married Clyde

in 1939, and farmed in New Mexico prior to moving to a farm east of Hub in 1943.

The Blacks have three children, Kitty (Mrs. J. Don Gallman) of Lazbuddie; Danny of Friona and Keith, who is with the U.S. Army in Pleiku, Vietnam.

Black has been written up many times for his work in the field of soil and water conservation. His tributes have been published by the Progressive Farmer, Farmer-Stockman and Irrigation Age magazines, just to name a few.

COLORING WINNERS. . . Cherlee Parker was the winner in the older age group, and Michael Deaton won the pre-school division in the Halloween Coloring Contest sponsored last week by the Friona Star. Cherlee is the daughter of Mr. and Mrs. Curtis Parker. Michael is the son of Mr. and Mrs. Everett Deaton.

## Long Time Resident's Final Rites Conducted

Funeral services for C.W. Dixon, who died at his home, 509 West Ninth Street, Saturday evening, were conducted from First Baptist Church at 3:00 p.m. Monday. Officiating minister was Rev. Charles Broadhurst, pastor of the church. He was assisted by David Crow of Melrose, New Mexico.

Dixon, who was born September 23, 1893 in Millican, moved with his parents, the late Mr. and Mrs. W.S. Dixon, to Castro County in 1902. He was married to Mary McLean of Dimmitt there in June of 1915.

Five years later the couple moved to the Rhea Community and have been Parmer County residents since 1920. He was a farmer and rancher.

Honorary pallbearers were Charlie Turner, Charles Allen, Frank Spring, Spencer Hough, Eric Rushing, O.B. Moyer, T.E. Wood, M.C. Kelley, Otis Massey, Carl Maurer, H.A. Hyde, Roy Miller and Leon Hart. Douglas Stephenson, Paul Fortenberry, Curtis Murphree, Wesley Hardesty, John L. Ray, Claude Osborn, G.B. Buske and Clyde Hayes were active pallbearers.

Survivors, in addition to his wife, include one daughter, Mrs. Rosella Landrum of Friona; two sons, Buck Dixon of Conway Springs, Kansas and Jim Dixon of the Rhea Community; and two brothers, Ollie Dixon, Canyon and Elmer Dixon, Dimmitt.

C. W. Dixon

Also ten grandchildren, Mrs. Ben Konis and Joel Landrum, Amarillo; Clark Scott Dixon, Lawrence, Kansas; Trine Dixon, who is a student at Colorado University, Boulder; Polly Dixon, who attends Colorado State University, Fort Collins, Colorado; and Clint and Tori Dixon of Conway Springs, Kansas.

Also Melodi, Mendan, Millie and Milton Dixon of the Rhea Community.

Also five great-grandchildren, Brian, Ben and Jeff Landrum and Kelly and Jade Konis, all of Amarillo.

Burial was in Castro County Memorial Gardens under the direction of Claborn Funeral Home.

## Volunteer Firemen Have Enviably Record

Records of the Friona Volunteer Fire Department released recently by Fire Chief Ralph Shirley reveal that the department's 33 members have compiled a total of 426 years of service.

Leader in terms of service is Fred White with 42 years. Ruben Taylor has put in 24 years as a member of the department, James Cunningham, Ray White and Orville Houser have 23 years, and Shirley, and Pete Hollis each have 20 years of volunteer service.

That adds up to 175 years of service for these seven members.

Ten other members of the department have compiled at least 14 years of service. They are Ralph Taylor, 19; Clyde Fields, 19; Joe Mann, 18; J.C. Blankenship and Hank Outland, 17; Howard Love, 16; Walter Cunningham, 16; Glenn E. Reeve, Jr., John Allen and Robert Zetsche, 15 each, and Leo Reed, 14.

That adds up to 181 more years of service, and a total of 356 years compiled by 18 of the members.

Other members of the department, and their years of service, are Ray Campbell, 4; Ronald Smiley, 9; Ray Murphree, 6; Bill Dentrey, 4; Harrell Meys, 3; Dale Cummings,

ham, 2; Troy Young, 5; Bill Morgan, 5; Porter Roberts, 6; Ray Strickland, 8; C.H. Veazey, 2; Joe Reeve, 8; Jimmy Campbell, Curtis Butler, Roger Pryor and Raymond Auburg, one each.

The Friona Volunteer Fire Department has sent a total of 106 men to the state firemen's school during the past 23 years. They have put in a total of 3,180 hours of training, or an average of 72 hours each per year.

In 1970, the department spent 112 hours at fires, and 184 hours in training. In 1971, to date, the department has put in 80 hours fighting fires, and 152 hours training.

There were 56 fire calls in 1970: 39 outside the city limits and 17 inside. Thus far in 1971, there have been 41 fires, 11 in the city and 30 outside.

The department has purchased rolling stock since 1959 at an initial cost of \$58,000. Shirley estimates that the replacement cost of this equipment today would run well over \$100,000.

By sending men to the state firemen's school each year, the department keeps the city's key fire insurance rate down. The premium runs on the average about half what it would if the local firemen did not attend the school.

## Warning Sounded By Highway Officials

"If the current trend continues, the highway system as we know it today will disappear," Bob Beale, design engineer for the Texas Highway Department, told members of the Friona Lions Club last Thursday.

Beale, along with Rhea Bradley, resident engineer, Littlefield, and Weldon Moody, Parmer County Maintenance Supervisor, Bovins, brought the program for the regular meeting of the Lions.

Beale pointed out in his presentation that government "red tape" and the tendency to make federal money a "political football" are seriously hampering the highway program in Texas.

There is so much red tape involved in getting highway improvements approved, that the highway system in Texas is almost at a standstill, highway officials said. Highway programs now take from five to six years that formerly were completed within a year.

"We don't need more taxes... we simply need to get the tax

dollars that are rightfully ours," Beale said.

It was pointed out that part of the red tape delay can be attributed to the furor over pollution, which admittedly is a problem for highways to some extent.

"But if the automobile is causing some pollution, can you imagine the pollution there would be in Dallas if everyone rode to work on a mule?" Beale asked the group.

As a part of the program, Beale showed a color slide presentation entitled "The Day the Roads Were Closed," which graphically illustrated the fix that our modern civilization would be in if the roads were suddenly closed.

The highway officials pointed out that approximately 50 miles of roadwork in Parmer County has been requested. This would require approximately \$5,000,000 for the needed construction in this county alone.

An indication of how the building of new roads has been cur-

(Continued on Page 3)

## Bovina Principal To Direct Spelling Bee

Jim Noyes, Principal Bovina Junior High School has been named to direct the activities for the 1972 Spelling Bee program for Parmer County.

April 8, 1972 is the latest deadline for the event to be held in the county, and the winner named will be a participant in the 24th Regional event in Amarillo on April 29, 1972.

In 1971, Connie Ware, daughter of Mr. and Mrs. Leon Ware of Bovina represented Parmer County in Amarillo, and placed 16th from a field of 46

## Halftime Show Is Patriotic

Friday night's halftime show at the Friona-Morton football game will be on a patriotic theme, according to Charles Faulkner, band director.

Featured will be both the high school and junior high school bands, as well as members of local church choirs.

The bands will play "The Battle Hymn of the Republic," "America, the Beautiful," and "America." The choir will sing the Pledge of Allegiance. The program will finish with the "Star Spangled Banner," followed by fireworks.

## Temperatures

(Readings are made at 8 a.m. daily for the previous 24 hours)

November 3	63	29
Moisture: .06 Oct. 29; .09 Oct. 30; .02 Nov. 1. Light frost Oct. 31; heavy frost Nov. 3.		

## CURRICULUM BROADENED

### School Offers New Vocational Courses

The Friona school system has added to its curriculum during the past two years, creating two new vocational courses, designed to help those students who are good at working with their hands, and are not particularly interested in a liberal arts education.

Don Reeve is teaching a General Mechanics course for freshmen and sophomores in high school. This is the second year for the course.

Ron Cain is instructing a Building Trades course—a new course in the curriculum this year. Cain has seventh and eighth grade boys in his class.

Reeve has 26 students in two classes, which are instructed in the repairing of automotive engines and smaller engines.

"I have been real pleased with the course," says Reeve, who states that it is a real challenge to keep ahead of the class in devising things for the class to be working on.

The mechanical class can help prepare the student for a possible career in mechanics. Students can also go into the D-E or ICT programs for high

school juniors and seniors. "This gives the vocational student a more complete schedule," Reeve says.

The building trades class, instructed by Cain, has as its year's project the remodeling of the old junior high field house north of the junior high athletic field.

There are 30 boys in the junior high program, 15 seventh graders and 15 eighth. The class is insulating the building, and installing sheetrock. They will finish the sheetrock, paint the building inside and out, and redo the floors. An open house is planned at the completion of the job.

The building trades class has all new machinery and tools, which are provided through a cost-share program with the federal government. Besides learning building trades and carpentry skills, class members are taught safety practices. "Take Time to be Safe" has been adopted as the class slogan.

"They are real safety fanatics," says Cain, adding that the students seem to enjoy the

class. The building trades course is fairly new with the Texas Education Agency.

However, it would appear that both of these new courses have a definite place on the school curriculum.

## United Fund Goal Given

Friona's United Fund Drive will possibly kick off this next week, depending on harvest operations.

Steve Bavousett, chairman, said the local goal this year is \$6,450.00. The goal is the same as last year's, although individual funds have undergone slight changes.

Benefiting from the drive will be the Boy Scouts (\$1500), Girl Scouts (\$1560), Red Cross (\$1200), Salvation Army (\$900), U.S.O. (\$125), Texas United Fund (\$50) and local emergency fund (\$115).

RECEIVES AWARD. . . A.L. Black, left, was presented a plaque by Aubrey Dalrymple, on behalf of the South Plains Association of Soil Conservation Districts, at the monthly meeting of the Parmer County SWCD Tuesday. Black is retiring as a member of the county organization's board of supervisors after 23 years.

## Friona Flashbacks

...from the files of the Friona Star

40 YEARS AGO--NOVEMBER 6, 1931

Another firm of grain dealers has recently been organized in Friona, and is composed of O.G. Taylor and E.B. McLellan, and the new firm proposes to make grain, especially grain in the head, bring all it should for the farmers in this locality. They do their weighing at the Farmers Elevator, and their office is wherever they may be found, with their shingle hung on their car window.

35 YEARS AGO--NOVEMBER 6, 1936

To date, the cotton census report shows that there were 349 bales of cotton ginned in Parmer County from the 1936 crop prior to October 18, as compared to 213 bales ginned by the same date in 1935.

On Thursday night of last week, the Friona Chiefs met the valiant team from Melrose, N.M., on their own grid, and came out with their first victory of the season, by a 37-0 score.

30 YEARS AGO--NOVEMBER 7, 1941

One of the most apparent signs of the steady progress of Friona is completion of the new building erected by Dr. R.J. McReynolds, adjoining his residence on Main Street and housing Friona's new clinic. It is a neat and roomy structure, and houses a reception room, four bedrooms for patients, a consultation room, private office, operating room and X-ray laboratory.

25 YEARS AGO--NOVEMBER 1, 1946

Jimmy Womack celebrated his 13th birthday on Saturday with a party in the park. Refreshments were served to sixteen boys. Those present were Darrell Robbins, Randy Reed, Frank Lee, Ross Miller, Jackie Loofer, Ralph Reed, Jimmy Hughes, Walter Haws, Doyce Barnett, Rex Blackburn, Johnny Parker, Ben Wylie, Edward White, Ben Jordan, Vidhan Wels and Jimmy Walker.

20 YEARS AGO--NOVEMBER 1, 1951

Official and final population figures released last week by the United States Department of Commerce listed Friona with 1202 population, an increase from the first announced figure of 1196. Parmer County was listed with 5,787 residents.

15 YEARS AGO--NOVEMBER 1, 1956

Two Friona businesses have planned promotions of interest to the public in the coming week. T & H Service Station, the new Texaco station, will have its formal opening Saturday and Mary's Cafe will be open for business on Monday. The new service station is located on Friona's recently widened Highway 60. Mary's Cafe, owned by Mary Pilgrim and Hayden Cayson, is in the Welch-Shackelford development in western Friona, just off Highway 60.

10 YEARS AGO--NOVEMBER 1, 1961

The budget committee for Friona's 1962 Community Chest Campaign discussed and accepted quotas for the drive in a meeting Tuesday. The actual drive will not begin until later this month. A budget totaling \$5,880.00 was adopted, according to Robert R. Ginsberg, chairman of this year's drive. Halloween pranksters did considerable damage to the back door of the American Legion Building, the ceiling of the city jail, and various other acts of mischief on Tuesday night.

5 YEARS AGO--NOVEMBER 3, 1966

Mrs. Glen Mingus became the first woman golfer to get a hole-in-one shot on the Friona Country Club Course Sunday afternoon. She holed out her tee shot on the 150-yard seventh hole with a 5 wood. Her husband has the distinction of being the first golfer to shoot a hole-in-one on the course. The husband-and-wife record beat unknown odds by each achieving the golfer's dream.

## HOSPITAL REPORT

### Admissions:

Joe Garza, Bovina; Owen Patton, Bovina; Maggie Barron, Bovina; Connie Reed, Friona; Micaela Rodriguez, Bovina; E.G. Phipps, Friona; Melvin Hassemflug, Friona; Jewel Ashcraft, Friona; Manuela Torres, Hereford; Nellie Hapke, Texico; Zell Auburg, Friona; Raymond Schnell, Friona; Pat Pharis, Texico; Paula Salazar, Bovina; Kenneth Hukill, Clovis; Maria Rodriguez, Bovina; Hortencia Salas, Friona; Herminal Ureste, Friona; Julia Gutierrez, Friona; Larry Sanders, Friona; Donita Martin, Friona; Lavern Bell, Hereford; Charlotte Lyons, Friona; Carol Dane, Bovina; Raymond Edwards, Farwell; Diane Cunningham, Texico; and Charles Morris, Clovis.

Paula Salazar, Manuela Torres, Melvin Hassemflug, Zell Auburg, Jewell Ashcraft, Micaela Rodriguez and baby girl, Connie Reed and baby girl, Raymond Schnell, Larry Sanders, Kenneth Hukill, Donita Martin, E.G. Phipps and Lavern Bell.

### Patients In Hospital:

M.A. Black, Maggie Barron, Carolyn Bridges and baby girl, Anna Lee Carroll, Diane Cunningham and baby girl, Carol Dane and baby girl, Joe Garza, Emily Griffith, Julia Gutierrez, Nellie Hapke, Raymond Edwards, Charlotte Lyons and baby girl, Lela Martin, Charles Morris, Jessie Orr, Pat Pharis, Owen Patton, Lena Rhine, Maria Rodriguez and baby boy, Hortencia Salas and baby boy, and Herminal Ureste and baby girl.

Discharges:  
Sharon Young and baby girl, Mary Rando, Denise Carnes.

## Pause and Reflect

By Nelson Lewis

Among the many beautiful things to be seen in Washington D.C. are the philosophical axioms engraved in white marble around various shrines.

The Library of Congress, Lincoln Memorial, Jefferson Memorial and Kennedy's grave to name a few.

By no means are these "quotes" entirely original; a little research will demonstrate their foundation to be far back in history.

They are none the less meaningful and our Nation would be a far better place in which to live had their graven messages been more closely followed.

One cannot view these "gems of truth and knowledge" without being reminded of another message written on a palace wall many centuries ago.

"Mene, Mene, Tekel, Upharsin," so read the handwriting on the wall and King Belshazzar's "loins were loosed, and his knees smote one against the other!"

It remained for Daniel, in this year of 538 B.C., to give the bad news to the King.

"God hath numbered thy Kingdom, and finished it. Thou art weighed in the balances, and art found wanting. Thy Kingdom is divided and given to the Medes and Persians."

Perish the thought, but must America be divided and given to the Russians and the Communist Chinese?

We are already ringed about by a navy far superior in firepower to our own.

Our Ethnic Groups, instead of all pulling together for independence, are tearing at each other's throats in a life and death struggle.

Fifty years of Communist infiltration into labor unions and political offices are at last reaping an awesome harvest for our foes.

Cuba, our "neighbor" to the south, was "saved" by Fidel Castro; but not for the downtrodden Cubans.

Captured might be a more fitting word; then placed in the Red Camp!

Today Castro is entertaining Kossygin--and lots of us can recall the day when Castro was hailed as a hero!

Our good friend to the north, Canada, has had the "Red Baron" for a week and who knows what plans were hatched during the visit?

One source says "Canada must maintain an army against invasion from the United States!"

South America seethes with revolt--Chile's leftist government is in the process of taking over one of DuPont's powder factories.

Are these messages not as plain as Belshazzar's "Mene-etc.?"

Is it necessary to have another Pearl Harbor to snap us out of the curse of lethargy?

We not only came away from the recent United Nations hassel with our reputation for diplomacy badly damaged, we also caused our only true friend in the Orient, Nationalist China, to lose face; and that is the supreme insult to those brave people.

When you add it all up how much "World-wide Peace" and how many "friends" have we obtained by pouring billions into trying to attend to everybody's business except our own?

The Senate by voting to curtail Foreign Aid, as now administered, has at last reflected the will of the majority of their constituents.

It is to be hoped that President Nixon will heed this "hand writing on the wall" and not insist upon the give away policies being re-instated.

Such flagrant action on his part could very well cost him the next presidential election.

## LETTERS TO EDITOR

Mr. Bill Ellis  
The Friona Star  
P.O. Box 1057  
Friona, Texas 79035

Dear Bill:

Thank you for sending me a copy of that splendid ad. I'm mailing it on to Mr. Goughnour, Lubbock, manager of that area for Goodpasture.

I want to congratulate you on your get-up of the ad. I wish that you were working for me as an advertising man. You are a dilly. What a beautiful ad. The presentation was wonderful.

I'm sending you a letter under separate cover about an endowment to the school, knowing how athletically inclined that you are, I know that you are pleased with it.

Thanks for your splendid cooperation. I do feel sincerely and from the bottom of my heart, Bill, the growers of that area are going to feel very deeply the effects of Goodpasture being in that area.

The name, Goodpasture, there is going to be like 14 carat on gold. I was very happy to trade with him because his philosophy is identical to mine. Pay as much as you can, not as little as you can. You watch and see if that isn't the way

that it is going to be.

This is not just a sales talk to you.

Again, thanks for your nice cooperation. If I can be of service to you in any way, do not hesitate calling on me. All of the operations are in the hands of Goodpasture, Inc. entirely.

All good wishes.

Very truly yours,

Leo Potishman

Mr. Bill Ellis, Editor  
The Friona Star  
Friona, Texas

Dear Bill,

On behalf of the members of the New Horizons Junior Study Club I would like to take this opportunity to say thank you for the publicity you gave us in promoting the Halloween Carnival which we sponsored last weekend. You will be pleased to know that between 850 and 900 people attended the festivities and we know that a large part of the credit goes to the Star and yourself for the fine coverage which you gave us.

Thanks again for your support.

Cordially,

Mrs. Dale Houlette

Pres, New Horizons Junior Study Club

## From Around The Country

OKABENA, MINN., PRESS: "Procrastination is a bad habit--like oversleeping or being late for everything. Most of us are guilty of putting things off, and most generally it is because we are crowded for time and can't quite stretch the minutes far enough to make room for all of the details that demand our attention. We end up trying to do the most important things first and pushing other things aside until another time. Human frailty, and very habit forming."

BIRMINGHAM, ALA., INDUSTRIAL COMMUNITY PRESS: "I can understand a business having a tough time, even getting into debt. Reason this happens is because most businesses have a minimum expense they can go around, but have to earn and build the source of income. Government has a fixed income, known in advance. It ought to be able to operate debt free, it seems to me."

## Bookmobile To Make Rounds

The High Plains Bookmobile will be in the Friona area the next few days.

Thursday, the bookmobile stops at Rhea (10:45-11:45); Friona Elementary School (1-1:30); and Black (1:45-2:45).

Friday, stops are at Hub (8:45-9:45); White's Elevator (10-11 a.m.); Lardbuddie (12 noon to 1 p.m.) and Clay's Corner (1:15-2:15).

On Saturday, the bookmobile makes its regular stop in Friona, from 1-4 p.m. at the City Park.

## WARN CHILDREN ABOUT PLANTS THAT POISON

Plant	Toxic Part	Symptoms
Hyacinth, Narcissus, Daffodil	Bulbs	Nausea, vomiting, diarrhea. May be fatal.
Oleander	Leaves, Branches	Extremely poisonous. Affects the heart, produces severe digestive upset and has caused death.
Poinsettia	Leaves	Fatal. One leaf can kill a child.
Mistletoe	Berries	Fatal. Both children and adults have died from eating the berries.
Lily-of-the-valley	Leaves, Flowers	Irregular heart beat and pulse, usually accompanied by digestive upset and mental confusion.
Iris	Underground stems	Severe, but not usually serious, digestive upset.
Rhubarb	Leaf blade	Fatal. Large amounts of raw or cooked leaves can cause convulsions, coma, followed rapidly by death.
Waterloo	Seeds, Pods	Mild to severe digestive upset. Many children are poisoned by this plant.
Laurels, Rhododendron, Azaleas	All parts	Fatal. Produces nausea and vomiting, depression, difficult breathing, prostration and coma.
Jessamine	Berries	Fatal. Digestive disturbance and nervous symptoms.
Yew	Berries, Foliage	Fatal. Foliage more toxic than berries. Death is usually sudden without warning symptoms.
Oaks	Foliage, Acorns	Affects kidneys gradually. Symptoms appear only after several days or weeks. Takes a large amount for poisoning. Children should not be allowed to chew on acorns.

PRESENT PROGRAM. . . Weldon Moody, Bob Beale and Rhea Bradley presented the program last Thursday at a meeting of the Friona Lions Club. The Highway Department representatives decried the myriad of red tape and other federal regulations which has resulted in a log-jam for highway construction.

### Battle For Lead Rages In Contest

The battle for the top spot in the Friona Star's football contest continued to be heated this week, as for the third straight week the contest had a different leader.

Jerry Loflin, with a score of 10, leads the pack by one point, having a season score of 77 after the contest's eighth week. There are four weeks left in the contest.

There is a six-way tie for second place, among Bill Bailey, Jack Clark, F.G. Crofford, Mrs. J.P. Fortenberry, L.F. Jacobs and Jim Johnston. With 13 contestants within three points of the leader, the contest may be in for one of the closest finishes in its history.

Lee Roy Nuttall claimed the weekly first prize of \$5.00, being the only contestant to rack up a score of 12. Actually, Nuttall's score was practically the same as having 13 of the 14 games right, as one of the contest games (Kansas City-Oakland) ended up as a tie; hence every contestant had that game marked wrong, since theoretically it is possible to pick a tie.

Nuttall's only miss besides the tie game was the Tulsa-Muleshoe game, won by the Mules, 6-0.

Seven contestants managed

scores of 11. From this group, Jerry Brownd and Edward Castillo emerged with the cash, tying for second and third place, and each receiving \$2.50. Both missed the Friona-Floydada score by three points. Brownd guessed it at 28-6, while young Castillo pegged it at 28-0.

Ray Strickland barely missed one of the top three places, picking the score at 28-7, missing by four points. Others correctly picking 11 games were Don Timms, Don Maynard, J.L. Lambert and Bob Clark.

Nineteen contestants correctly picked 10 games on the slate, and this was a good score. They were Trip Horton, Kim Bryant, Matilde Castillo, Rickie Carr, Pilo Castillo, Jerry Loflin, Duane Balize, Diane Morgan, Thelma Watkins, Floyd S. Reeve, John White, Edward White, Lloyd G. Purvis, Lucy Beth Hinkle, Mitchell Wiseman, Winston Wilson, Melba Smiley, John Seright and Ray D. Fleming.

Another big week of the contest is ready for contestants on an inside page of this issue. If they can pick the right upsets, there are few contestants who can be considered as eliminated at this stage of the game.

### Orders To Be Taken For 1972 Chieftain

Orders for the Friona High School yearbook, the 1971 "Chieftain" are being taken now, through November 10, according to yearbook sponsor, Mrs. Dub Cleveland.

The cost of the yearbook this year is \$7.00 each. Mrs. Cleveland explained that the yearbook will be delivered prior to graduation, with a summer supplement to come later covering the end of school activities.

Townpeople wishing to buy an annual are invited to come by and turn in their orders, or call the school and a representative will be happy to call on them.

### Highway Officials. . .

(Continued from Page 1)

tailed by the federal government is the fact that for 1972, only 18 miles of new Farm to Market roads have been allocated to the 17-county district around Lubbock—scarcely one mile per county.

"We need to communicate with our representatives about the situation, and see if we can get it corrected," was the suggestion by the visitors.

**Misty Dawn Lyons Born Monday**

Mr. and Mrs. Rocky Lyons became parents of a baby girl at Parmer County Community Hospital at 2:06 p.m. Monday, November 1. She was named Misty Dawn and weighed 7 lbs. 4 ozs.

Mr. and Mrs. Charlie Wise, Friona, are the maternal great-grandparents. Grandparents are Mr. and Mrs. Earl Green, Catoosa, Oklahoma; Harvey Smith, who is in Germany; and Mrs. Yvonne Smith, Comanche, Oklahoma.

Mr. and Mrs. Darrell Miller of Comanche, Oklahoma, are the maternal great-grandparents.

**It's A Boy**

**For Manchees**

Mr. and Mrs. Mal Manchee of 125 Northwest Drive, Hereford, became parents of a son, John Michael, on October 16. The Manchees are former Friona residents.

The new arrival weighed eight pounds, four ounces. The Manchees have an older son, David. Mrs. Manchee's brother, Butch Casey, also makes his home with them.

DOOR PRIZE WINNER. . . Debbie Cole, daughter of Mr. and Mrs. Lester Cole proudly displays the hand painted trunk which she won as a door prize at the Halloween Carnival last Saturday night. The drawing was just one of the many events sponsored by the New Horizons Junior Study Club and other local organizations at Friona's first Halloween Carnival in many years.

CARNIVAL-GOERS. . . These three young Halloween Carnival participants took time out from the festivities last Saturday night to have their pictures taken with the "Great Pumpkin." The little goblins are Jessica and Gwendolyn Maurer and Duane Cole. Approximately 900 people attended the Carnival sponsored by the Junior Study Club and "a good time was had by all."

The only man in the nation to hold its two highest offices was William Howard Taft. He was the 27th president of the United States and later the chief justice of the Supreme Court.

**DeSoto thought he had found the "Fountain of Youth" . . . and he almost did!**

The unique mineral waters of Hot Springs National Park, Arkansas, have revitalized people ever since DeSoto and his hardy band of explorers refreshed themselves in 1519 in the hot springs.

Today these same soothing thermal springs flow into the world-famous THERMIC-Baths of The Arlington Hotel in the heart of Hot Springs National Park, Arkansas.

Years melt away . . . tensions dissolve when your body cases into the bubbly action of our underwater massage. Localized capillary circulation is stimulated, improving the texture and complexion of your skin.

You'll do things with zest that you haven't done in years. Jet to The Arlington and begin to live again.

Call, write or wire Edgar M. Manager

**Winners Listed In Star Coloring Event**

Winners in the coloring contest sponsored last week in the Friona Star have been announced.

Group I (pre-school) winners were: 1. Michael Deaton, son of Mr. and Mrs. Everett Deaton; 2. Daniel Gowens, son of Mr. and Mrs. Bernie Gowens; and 3. Julie Reeve, daughter of Mr. and Mrs. Don Reeve.

Group II (7-10): 1. Cherlee Parker, daughter of Mr. and

Mrs. Curtis Parker; 2. Deena Mason, daughter of Mr. and Mrs. Thomas B. Mason; and 3. Fidel Morales, son of Mr. and Mrs. Fidel Morales.

Honorable mention was cited for Jens Fay Mason, daughter of Mr. and Mrs. Thomas B. Mason, and Rodney Allen, son of Mr. and Mrs. Frankie Allen (Group I) and Kim Purvis, daughter of Mr. and Mrs. Lloyd Purvis, and Kathy Rhnea White, daughter of Mr. and Mrs. Ray White (Group II).

The top three entrants in the contest received cash prizes, courtesy of the civic-minded merchants who sponsored the contest.

# COTTON BOWL FOOTBALL CONTEST

UGH!  
Win  
Plenty  
Wampum . . .  
Heap Big  
Prizes

## CONTEST RULES

1. Pick the winner of the 14 games listed in the advertisements on this page. Write the winners in the blanks provided on the official contest blank.
2. Pick the score of the tie-breaker game. This score will be used to break weekly as well as grand prize winners.
3. Bring your entry blank by the Friona Star or Bi-Wize Drug by 5 p.m. on Friday. Entries must be post-marked on Friday to be eligible, if mailed.
4. The leading contestant at the close of 12 weeks will receive two free tickets to the Cotton Bowl Football game, along with \$30 expense money. Second place winner will receive two tickets to the Sun Bowl game and \$25 expense money. Third place winner gets two season tickets to the Friona Chieftains games next fall.
5. Only one entry per person.
6. To account for grand prizes, entries must be on official blank printed in the paper.
7. Contestants must be 12 years of age or older.
8. Everyone eligible to enter (sponsors included) except employees of the Friona Star and their families.

## GRAND PRIZES

1. Two tickets to the Cotton Bowl Game & \$30 Cash
2. Two tickets to the Sun Bowl Game & \$20 Cash

**WEEKLY PRIZES:** 1st \$5 2nd \$3 3rd \$2

**ENTER EVERY WEEK- TOP TWO CONTESTANTS FOR THE ENTIRE SEASON WILL WIN BOWL GAME TICKETS**

TIE-BREAKER: (Pick Score) Friona \_\_\_\_\_ Morton \_\_\_\_\_

NAME \_\_\_\_\_

ADDRESS \_\_\_\_\_

# Floydada Cashes In On Breaks, Takes 28-3 Win

Friona's Chieftains couldn't come up with the big upset against the Floydada Whirlwinds that they were trying for, but the Chiefs must have caused the league leaders to think twice during the first half of play, when Friona was nursing a surprising 3-0 lead.

However, the Whirlwinds finally overcame the tenacious Friona defense for three second-half touchdowns and a 28-3 win, to stay atop the district standings with a 5-0 record.

The Frionans grabbed the lead early in the first quarter on Bobby Drake's 29-yard boot, and it stood up until only 2:17 remained in the first half, as the Chieftains played some inspired defense.

A little later in the quarter, sophomore quarterback Jim Cagle caught the Friona pass defense napping, hitting Williams, who was wide open, at about midfield. Williams went all the way for the score, a 61-yard pass play, that broke the game open and gave Floydada a 21-3 lead with two minutes left in the third quarter.

Midway through the final quarter, Floydada pounced on a Friona fumble at the Chieftain seven, setting up a three-play Floydada scoring drive. Kunkel again got the points, and the score became 28-3 with 5:30 left in the game.

Not giving up, Friona mounted a drive that began on their own 17. Bill Bailey got loose for a 27-yard gain, and Louis Lee gave the team a first down with a seven-yard run to the Floydada 45.

However, after Lee made another first down at the 33, a penalty stalled the drive, and the ball went over on downs a minute later at the 35.

Red flags seemed to hamper Friona every time they had a drive going, while Floydada was called for only one five-yard penalty during the game.

Quarterback Johnny Bandy injured his right arm during the second quarter, and was unable to grip the ball thereafter. He moved to an end position, with James Sims quarterbacking the team during the second half.

Coach Bob Owen had words of praise for his team, playing inspired football throughout the game.

The game, which wound up competition between the two schools as district opponents for at least two years, was played in chilly temperatures on a foggy, wet field. With the win, Floydada claims a 6-2 edge in the eight-game series.

# Anton Takes To Air To Beat Lazbuddie

Quarterback Brent Couch tossed two touchdown passes Friday night and guided the Anton Bulldogs from behind in the third quarter to take a 22-15 District 3-B victory from the challenging Lazbuddie Longhorns.

The win left the undefeated Bulldogs top-ranked on the South Plains and a heavy favorite for the district crown. Lazbuddie entered the game as the second-ranked Class B team.

Mark Barnes, who led the Longhorns to an important victory last week, almost did it again Friday night.

Anton jumped off to a quick lead in the first quarter, when Couch struck for 45 yards on a pass to tight end Bill Walthall. The conversion attempt failed and the score stood 6-0.

Barnes kicked a 25-yard field goal in the second quarter. Then quarterback Ricky Seaton kept for one yard and a touchdown that let Lazbuddie go to the halftime dressing room with a 9-6 edge.

The Bulldogs bounced back in the third quarter. Tailback Alvin Williams got the go-ahead touchdown on a three-yard effort. Couch's conversion pass to Leroy Medlock was good for two points and a 14-9 lead.

A 15-yard pass from Couch to Walthall later in the period, followed by Couch's two-point keeper, ran the score to 22-9.

Barnes picked off an Anton fumble in mid-air in the fourth quarter and rambled 74 yards with it for the touchdown that narrowed the count to the final 22-17 left in the half.

Early in the third quarter, Floydada blocked a Friona punt and took over on the Chieftain 16-yard line. Seven plays later, Kunkel again scored, and the kick made it a 14-3 ball game.

yards for a first down. Anton had 10 first downs or 203 yards rushing and two pass completions for 60 yards.

Lazbuddie picked up 162 yards rushing and had nine first downs but completed only two of 14 passing attempts for 20 yards.

# Defense Shines As Bs Top Tulia, 6-0

The Friona Chieftain B-team hooked up in a defensive duel with the Tulia B-team last Thursday, and came out with a 6-0 win to remain undefeated for the season.

Only score in the hard-hitting game came in the third quarter when Friona blocked a Tulia punt and recovered it in the end zone.

The B-Chiefs held Tulia to only four first downs and 70 total net yards, all rushing.

Friona gained 178 yards during the contest, with 10 first downs, but never could sustain a scoring drive.

Friona put together three straight first downs in the first quarter, one of their most serious threats, but had to surrender the ball at the Tulia 22.

Later, Scott Lillard passed 15 yards to Bill Fallwell, and Danny Waggoner gave the team a first down at the Tulia 25. Waggoner then ran five yards to the Tulia 14 for another first down. But on the next play, Friona fumbled and Tulia recovered to end this threat.

Late in the second quarter, Friona was again driving. Waggoner gave the team a first

down at Tulia's 37, and following a 15-yard penalty against Tulia, Danny carried to the Tulia 11 for another first down.

However, on a third down play from the nine, Friona again fumbled, and Tulia claimed the football.

Midway through the third quarter, Tulia was forced to punt from their own 25. The punter got a bad snap, C.B. Loooper stormed through to block the punt, and then chased the ball down and covered it in the end zone for the big six points for Friona. Loooper tried to carry for two extra points, but was stopped short.

The score became 6-0, Friona, with 5:40 left in the third quarter.

The remainder of the game was a defensive standoff, Tulia having one drive that went from their own 16 to the Friona 35 before running out of steam.

Rushing leaders for Friona were Randall Snyder, 63 yards; Waggoner, 41; Lillard, 35, and C.B. Loooper, 19.

Friona lost no time getting on the scoreboard. The Braves scored their first win of the season, a 14-0 victory at Dimmitt last Tuesday. The game was played on a cold, windy day which hampered the game considerably.

Keith Martin, quarterback, pitched out to Lester Aven, who went for the touchdown. Leslie Broadhurst tried for two points, but was stopped short. However, Friona had a 6-0 lead.

Later in the quarter, Keith Martin passed for a touchdown, but it was called back by a clipping penalty.

Friona led in first downs, 6-5, but trailed on the scoreboard.

On the first play following the fumble, Dimmitt went 62 yards for a touchdown and a two-point conversion made the score 8-0.

In the second quarter, Dimmitt drove 55 yards in four plays, stretching their lead to 14-0.

There was just time for the kickoff and three plays by Dimmitt before the game ended.

The Braves held Dimmitt to only one first down during the game, while making six of their own. The team had tied Bovins earlier in the year, but this was their first win.

Friona led in first downs, 6-5, but trailed on the scoreboard.

On the first play following the fumble, Dimmitt went 62 yards for a touchdown and a two-point conversion made the score 8-0.

In the second quarter, Dimmitt drove 55 yards in four plays, stretching their lead to 14-0.

COLLISION COURSE... Walter Harris (11) runs head-on with Friona's Mike Royal (42) in the Chieftains' game with Floydada last Friday. Giving Royal a hand is Bill Bailey (35). Harris was stopped after a seven-yard gain. He was the Whirlwinds' leading rusher. (Photo courtesy Floyd County Hesperian).

## TITLE AT STAKE

# Floydada, Littlefield Meet In 'Showdown'

The showdown has arrived. And just as predicted, it will come off in Littlefield, and on Nov. 5.

Remainder of District 3-AA may be jumped from its pre-season lineup, but the two contenders for the 1971 championship, and that prestigious playoff spot are the ones who were expected to finish on top.

The showdown was set up by Floydada's 28-3 win over Friona and Littlefield's 24-15 win over Abernathy. Other games Friday night found Lockney dropping Dimmitt 33-12 and Olton taking out Morton 20-7.

met four common foes. Floydada beat Olton 28-13 and Littlefield lost to the Mustangs 13-7. Floydada bested Friona 28-3 and Littlefield won 35-0. Against Lockney, the Whirlwinds and Wildcats won by respective 35-14 and 28-0 scores.

Friona lost no time getting on the scoreboard. The Braves scored their first win of the season, a 14-0 victory at Dimmitt last Tuesday. The game was played on a cold, windy day which hampered the game considerably.

Keith Martin, quarterback, pitched out to Lester Aven, who went for the touchdown. Leslie Broadhurst tried for two points, but was stopped short. However, Friona had a 6-0 lead.

Friona led in first downs, 6-5, but trailed on the scoreboard.

## Seventh Graders Happy After 14-0 Victory

Friona lost no time getting on the scoreboard. The Braves scored their first win of the season, a 14-0 victory at Dimmitt last Tuesday. The game was played on a cold, windy day which hampered the game considerably.

Keith Martin, quarterback, pitched out to Lester Aven, who went for the touchdown. Leslie Broadhurst tried for two points, but was stopped short. However, Friona had a 6-0 lead.

Friona led in first downs, 6-5, but trailed on the scoreboard.

## Eighth Grade Drops 14-0 Dimmitt Tilt

Friona lost no time getting on the scoreboard. The Braves scored their first win of the season, a 14-0 victory at Dimmitt last Tuesday. The game was played on a cold, windy day which hampered the game considerably.

Keith Martin, quarterback, pitched out to Lester Aven, who went for the touchdown. Leslie Broadhurst tried for two points, but was stopped short. However, Friona had a 6-0 lead.

Friona led in first downs, 6-5, but trailed on the scoreboard.

# 1972 Grain Program Explained By ASCS

BY PRENTICE L. MILLS  
County Executive Director,  
ASCS

The 1972 feed grain program is very similar to the 1971 program with changes as follows: The new program raises the minimum set-aside requirements to 25 percent of the base (this was 20 percent in '71), boosts set-aside (price-support) payments, brings barley into the feed grain program, adjusts loan levels upward for grain sorghum and barley (more consistent with the feeding value of corn), and offers farmers two new options to set-aside additional acreage above the minimum qualifying 25 percent. Set-aside payments will be 40 cents per bushel for corn (32¢ in '71), 32 cents per bushel for

barley, and 38 cents per bushel for grain sorghum (29¢ in '71). These are paid on the established farm yield times one-half the barley, corn, or grain sorghum base. The farmer will have 3 options at sign-up time. The sign-up will start on January 17, 1972 and the 3 options are as follows:

1. He will decide whether to participate and, if so, to what degree. The minimum participation requires a 25 percent diversion to qualify a farm for loans and payments.

2. At sign-up time, a farmer can agree to set-aside an additional amount of acreage, up to 10 percent of the farm's corn or grain sorghum base and up to 20 percent of the barley base. The government will accept this

additional voluntary acreage set-aside at sign-up time and will make set-aside payments for grain sorghum at the rate of 49¢ per bushel times the farm yield for the additional acreage set-aside. The corn payment rate is 52¢ per bushel and the barley rate is 42¢ per bushel.

3. Also, at sign-up time, the farmer may offer to set-aside still another 5 percent or 10 percent of his corn or grain sorghum base acreage. It will not be known at sign-up time whether this acreage is accepted. If it is accepted, the payment rate for each additional acre would be the same as that computed in item 2 above. The Secretary of Agriculture will announce by around the middle of March whether any of this additional acreage will be accepted.

Now, when will the farmer be paid? The answer—As soon as possible after July 1. The 1972 program offers even more flexibility than the 1971 program for the farmer and USDA. The farmer is allowed to plant whatever crop he wishes on that part of his farm not in set-aside or conserving base use. Also, soybeans have been added to the list of crops which may be planted to protect the farm's feed grain base or wheat allotment. Of course, feed grains may be planted in lieu of wheat and vice-versa.

Any person desiring further information about the 1972 program, especially as it might pertain to a certain farm, are invited (even urged) to contact their County ASCS office.

**On The Farm  
In Parmer County  
MACK HEALD  
County Agent**

A tax management meeting for farmers and ranchers is set for Thursday, November 4, 1971, at 7:30 p.m. in the Community Center at Hub. This meeting is sponsored by the Texas Agricultural Extension Service, in cooperation with the PEP program. Topics for the meeting will be tax management tips, changes in tax laws that affect farmers, record keeping, casualty and drought losses and involuntary conversions. This meeting should be of interest to all producers, as income tax time is just around the corner.

The annual problem of "when to cut" is again facing grain sorghum producers, with an added twist this year. Grain is coming into elevators with higher-than-normal moisture content. The late rains and subnormal temperatures have delayed drying of the grain, which is constantly threatened with wind loss during the fall months. Producers must decide whether to go ahead and accept the reduced price that goes with early harvest or to wait for the grain to field dry and take a chance on yield loss.

Ray Anthis, chief inspector for the Lubbock Grain Exchange, says the recent rains caused sucker heads to emerge on the plants, which increases the moisture level of the entire crop. "As of last week, the number of carloads moved through Lubbock was only about ten per cent of the amount moved by the same date last year," Anthis says. He explained that harvest usually peaks the last half of October, but will probably come much later this year.

A possibility that presents problems to both the producer and the elevator manager is the chance of a frost in the next few days. The young suckers would be frozen and dried out, but the endosperm will remain white. A test at the elevator will show the load of grain to be low enough in moisture, but damage will still occur. The white endosperm will eventually turn brown and show signs of

heat damage without ever getting hot. Elevators generally desire grain with 14 percent moisture or lower, which is at the level commonly referred to as "storable moisture." Grain which is harvested at 20 percent moisture will lose about seven per cent of its weight to shrinkage by the time the elevator can dry it to 14 per cent.

Grain harvested at lower moisture level loses much less weight to shrinkage. For instance, 18 per cent moisture grain will lose only 4.6 per cent of its weight when dried to 14 per cent moisture. Another factor is that there is much less carry-over in elevators than in past years. Ordinarily, an elevator can combine the new grain with older material that is very low in moisture, and help in the overall drying process. Reduced yields in recent years, plus the big increase in grain sorghum use, has resulted in very little carry-over. The obvious question is "why doesn't the producer just wait until the grain is field dried?" Here is where vital decisions must be made.

Old Man Weather is the chief factor. The dock on wet grain may seem like quite a large sum, but one day of damaging wind can easily offset the income gained by waiting to harvest. Also, the producer must often schedule his harvest to match the availability of custom equipment. Here is an example of what adverse weather can do. A producer with a crop that will yield 6,000 pounds per acre will have to face a reduction of 11 cents per hundredweight if the grain has 18 per cent moisture at the elevator. This would amount to \$6.60 per acre lost for the early harvesting.

If he decides to wait, and adverse weather such as wind and rain knocks down ten per cent of his crop, this would be a loss of almost \$11 per acre if the current price of grain sorghum was \$1.80 per hundredweight. Under the heavy financing that most crops are burdened with, it is easy to see why the producer harvests early. There are alternatives to every question; and this is just another of the problems faced by High Plains and Panhandle producers, whether to harvest early or wait.

**Title Game**  
sure game, though, and Floydada has been under pressure before (being in the playoffs two straight seasons). But, then again, Littlefield has the home advantage. "I'll say this: It'll be an interesting game." Jim Kunkel was Floydada's big man last week as the full-back rushed for three touchdowns, hiking his total for the season to 60 points. Funk, the highest scorer on the South Plains, matched Kunkel's total against Littlefield. Funk has now scored 126 points in eight games. Olton held onto its outside shot at the title with a win over Morton. Keith Workman scored twice for Olton, once on a pass from offensive leader Steve Stockdale.

Bi-Wize Employees Helen Fallwell, Frank Truitt, Wilma Wise, Dixie Wilkins  
 Ralph Roden  
 Owner & Pharmacist

**BI-WIZE OWNER**

**Roden Family Entrenched In Drug Store Business**

Back in the early thirties the fellow who presided behind the counter at the soda fountain was known as a "soda jerk" and was pretty much the town hero to the local young people. Friona's own "soda jerk" earning about \$60.00 a month in those days was none other than Ralph Roden, now owner and pharmacist of Bi-Wize Rexall Drug.

Following his High School graduation at Bennington, Oklahoma, Ralph came to Friona to work at the Corner Drug Store for his older brother, J.R. From helping out in many varied capacities in the store, Ralph became interested in becoming a pharmacist and enrolled in the Danforth School of Pharmacy in Fort Worth.

Practically all the members of the Roden family are associated in some way with the drug store and pharmacy business or in related professions, so Ralph spent the next several years working with various family members in Hereford and Littlefield and he even farmed for several years South of Summerfield. For three years he was employed as pharmacist and manager of the local hospital and in July of 1953 bought the present drug store.

"The drug store business has seen a lot of changes since I've been associated with it," Ralph states. "For one thing, we didn't have near as many products in the drugs or in the cosmetic lines to have to keep up with."

Richard Hudnut and Coty were some of the early cosmetic lines that Roden remembers. He also states that Bella Donna is one of the few oldtime drugs that is still in use today. Most of the products people use now are newer discoveries.

He also remembers when Coke

syrup came in 50-gallon drums and when malted milk machines were in use. One of the Roden family's prized possessions is a square shaped ice cream scoop which was used in the early drugstore days. This object was used to scoop up the ice cream which was then dipped in chocolate, and placed on a stick. This was the forerunner of today's popsicle, or fudge-stick.

Mrs. Roden has saved several old bottles from the early drug store days. All the drug items came in glass bottles with stoppers then, and, of course, some of these are collector's items today.

In 1933 Ralph married Marie McMillan of Farwell. Marie has been a big help to Ralph in his business and has worked wherever and whenever she was needed. The couple have two children, Jon Mack Roden, who is practicing dentistry here in Friona and Pam, who is now Mrs. Roy Baker of Lubbock, and works as a Dental Hygienist there. Both of the Roden offsprings graduated from High School in Friona.

Jon Mack is married to the former Nancy Outland of Friona and they have two boys, Ricky Jon, 8, and Ross Daron, 4. Still keeping the pharmaceutical business in the family, Nancy's brother, Hank, is now holding down the pharmacy at Friona's hospital.

Remembering some of the harder times during their early years of marriage, Ralph states that he and Marie had to walk ten blocks to work every day as they couldn't afford a car for the first eight years of their marriage.

Ralph's brother, who started him out in the business has had the Roden-Smith Drug Store in Clovis for around 15 years but has now retired and only works when he is

needed to fill in. His nephew, Bob Lee Roden, is a pharmacist in Albuquerque, N.M.

Another nephew has a drug store in Paris, Texas and a second cousin of his was head of the State Pharmacy Board of Texas a few years back. In fact, one of the few members of his family who is not in the drug business that Ralph can think of is a first cousin, Gene Roden, who owns a funeral home in Paris.

The local Roden is active in the civic affairs of Friona and has served more than one term as a Chamber of Commerce director. He was active in Lions Club work until a few years back and is an avid golfer. He takes a long lunch hour each day and can be seen out on the local golf course right after lunch doing his nine hole round.

On Sunday he plays a full 18 hole game. The weather has to be pretty foul for Ralph to miss his daily game. He is also a big fan of the Texas Longhorns and is proud of the fact that his son Jon Mack is a UT grad.

Another of his prized possessions is a framed picture of himself talking to Texas Coach Darrell Royal. The picture was snapped one day when Royal stopped for a short while in Friona, and the picture holds a place of honor on the prescription counter in the back of the store.

Among the employees, Frank Truitt has logged 14 years with the firm, and his face is almost as familiar as Roden's to the store customers.

Whether it's drug products you need, or just some interesting coffee-cup conversation, folks in the Friona area can rely on Bi-Wize Drug.

The Panhandle's New Legislative Map

### Clayton's District Adds Oldham County To List

Representative Bill Clayton is thus far the least affected by the legislative redistricting board's re-mapping of districts of any of Parmer County's state or national representatives. Clayton's former six-county district along the western edge of the Panhandle has been enlarged by one county by the board. Oldham County, which formerly was just to the north of Clayton's District, has been added to his territory. Oldham has a population (1970 census) of only 2,258, and is now the least populous of Clayton's district. The addition of Oldham Co-

ounty brings the population of Clayton's new district to 73,743...within about 1,000 of the average population for Texas legislative districts. Deaf Smith County is the most populous in Clayton's district, with 18,999. Lamb County has 17,770 people, followed by Parmer, 10,509; Castro, 10,394; Bailey, 8,487; Cochran, 5,326 and Oldham.

Clayton was one of the few representatives from this part of the state whose district showed a population gain. Some representatives are either paired against another incumbent legislator, or have their districts substantially increased.

### Reeve Named To Who's Who

David Reeve, son of Mrs. Fay Reeve and a 1967 graduate of Friona High School, was recently notified that he was one of the 25 junior and senior students at McMurry College, Abilene, who had been named to Who's Who in American Colleges and Universities. Reeve is a senior majoring in chemistry and minoring in biology.

### E. S. Whites Have Guests

Sunday dinner guests in the home of Mr. and Mrs. E.S. White Sr. were Mr. and Mrs. Edward White Jr. and children, John Claud, Larry and Sami, of

VOCATIONAL CLASSES. . . Members of Don Reeve's General Mechanical class are shown above watching as Nickle Salz uses a steam cleaner on an automobile engine. Below, Ron Cain's building trades class of junior high boys are about to install a water heater in the old junior high fieldhouse.

Friona: and Mrs. John R. Cannon and daughters, Dianne and Terri of Dumas. Also Mr. and Mrs. Raymond White and son, Raymond Jr., of Stratford.

The Test Cancer researchers are seeking a universal blood test for the disease. Support them by giving to the American Cancer Society.

### Juniors Slate Chili Supper

Plans have been completed for a Chili Supper to be served in the Friona High School cafeteria beginning at 5:00 p.m. Friday. This supper is being sponsored by members of the junior class and adults will be served for \$1.25 and children for 75¢. After the Friona-Morton game coffee and pie will be

served in the same location. Admission will be 50¢. Class members and sponsors invite everyone in the area to attend.

### Common and Rare

Of the 90-odd elements in the earth's crust, nickel ranks 24th in abundance. Yet, it is estimated that nickel ranks 11th or 12th in abundance in the cosmos.

**Sincerely Yours**

By Rev. Albert L Indley

I was a participant in a study-seminar the other day and heard our group leader tell about the time he had decided to stop using some of the hymns that had been around for so long and to replace them with a more "modern" list. . . whatever that might have been.

Trying to convey his idea to his organist. . . whom he thought might not "cotton" to his idea, and still wanting to keep her friendship, he stated, "I think we should not use them since they are always talking about a very personal approach, kinda selfish. . . always the 1st person, like 'me-I-mine-my', etc. To which the wise organist replied, "Well, have you looked at the 23rd Psalm, lately?"

Ha! Do you like to see a preacher set down? Why is that so?

We are doing some studying now in a group and the current object of our concern is the 23rd Psalm and I honestly don't think I have ever seen anything so personal, in all my life.

One of the physical parts of the study is that we are to read it five times daily, for one week.

Of course that necessitates some memory and discipline and I somehow feel that those two things are a part of the value received by the study. . .

I suppose we could classify this article today... (everything has some kind of classification) as a "Bible Appreciation" statement. It may even be thought of as "God Appreciation" before I conclude. . .

Well, back to the theme, one of the strong points about the Christian Faith is the understanding of how "personal" God is. . . Think it over. With all of his care and concern about his "chillin," he has a personal relationship with everyone. . .

Now, that relationship may not be a very good one but that is our problem and error, not God's.

You know, God isn't really such a bad guy when we really get down to "brass tacks." We just misunderstand him alot because it seems that he often goes contrary to our will, and that does tend to heat us up just somewhat.

The real point that we need to latch onto is the realization of the basic thread that runs along the ideas of the 23rd Psalm--he cares in a very personal way for every single person--YOU, TOO!

Have you read the Psalm, lately? I would allow you the time to do so right now if you wish. . . No, don't recite it. Go get a copy and read it. . .

I reason that not all of you read it right then and you are probably going on with the reading of this exciting article, but will you read it just as soon as you get a chance? . . . I tell you what, just keep reading. . . "The Lord is my shepherd: I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me: thy rod and staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever."

See what I mean? You just can't get away from it. In fact, you shouldn't try. . .

REX TALLEY

### Rex Talley Is Band Member

Calvin Rex Talley, son of Mr. and Mrs. Calvin Talley of 1212 White, is a member of the 1971-72 Golden Wave Band at Baylor University.

A sophomore oral communication/radio-TV major at Baylor, Talley is one of 150 members composing the marching band.

The band, which lives up to its name by appearing in bright gold-colored uniforms, will present special half-time shows at all Baylor home football games and at several basketball games this year.

In addition to performing at the home games, the band will go on the road for Baylor's football bouts with Texas A&M at College Station, Texas Tech at Lubbock, the University of Texas at Austin and Rice in Houston.

After the football season, the band will be divided into a symphonic wind ensemble composed of about 50 members and later into the Baylor Symphonic Band, which gives concerts throughout the year on campus.

A tour of the West Texas area is planned by the symphonic band next March.

Gene C. Smith, a native of Abilene, and Baylor graduate, is director of Baylor bands.

### Local Halloween Carnival Is Rated As Big Success

The near capacity crowd at the first annual Halloween Party, which was sponsored by New Horizons Junior Study Club in the McFarland Building at the corner of Sixth Street and Euclid Avenue Saturday evening, attested to its success.

Approximately 900 persons participated in the festivities, which began shortly before six o'clock and lasted until about 10:30. The fourteen booths, which were sponsored by local Girl Scout Troops, civic clubs and high school organizations, provided a variety of activities for party goers.

There were games and events suited to the interests of everyone present, from the small children to the adults.

There were two concession stands and one fortune teller. Plans are being made for a larger location and more attractions for Halloween 1972.

Debbie Cole, daughter of Mr. and Mrs. Lester Cole and an eighth grade student at Friona High, won the handpainted trunk which was the grand door prize for the evening. The drawing was sponsored by the New Horizons Junior Study Club.

A bean guessing contest was sponsored by Progressive Study Club and was won by Angela Sims, daughter of Mr. and Mrs. J.P. Sims. The prize was a transistor radio. There were 3,333 beans in a jar and Angela guessed the closest with 3,200.

MR. AND MRS. RUDOLPH RENNER

### Golden Anniversary Is Marked With Reception

Mr. and Mrs. Rudolph Renner Sr., 200 East Eighth Street, were honored with a Golden Wedding Anniversary reception in their home Sunday, October 24. Host couples were Mr. and Mrs. John Renner, Mr. and Mrs. Rudolph Renner Jr., Mr. and Mrs. Delmer Renner, Mr. and Mrs. Billy Dean Baxter and Mr. and Mrs. Doyce Barnett, all of Friona, and Mr. and Mrs. Lee Renner, Willcox, Arizona.

The serving table was covered with a white hand crocheted cloth over gold and centered with an arrangement of bronze mums and gold tapers in a gold candelabra compote. A tiered cake decorated with white and gold and topped with a cluster of golden wedding bells, a crystal punch service, nuts and mints in footed dishes of gold and matching forks completed the table setting.

Cake, punch, nuts, mints and coffee were served by the couple's granddaughters, Mrs. Gary Murphree, Canyon, Debbie Baxter and Vicki Renner, Lubbock and Lana Renner, Tyler.

Another granddaughter, Cindy Barnett, presented a medley of piano selections and accompanied Paula Fortenberry, soloist, as she sang, "Silver Threads Among The Gold," and "When I Grow Too Old To Dream." Miss Barnett also accompanied group singing of "The Bride and Groom of Fifty Years Ago," an original composition by Leslie Ainsworth, Banning, California, which was written especially for the occasion.

Clara Baker and Rudolph Renner were married October 24, 1921 in Arnett, Oklahoma. After living on a farm near that city five years, the couple moved to a farm near Friona with their two small sons, John and Lee. The four younger children, Lillie Mae, Rudolph Jr., Mary Joyce and Delmer, were born here.

The Renners moved from their farm home to their present home in the spring of 1955. Only three of their grandchildren were unable to be present for the reception. They were Ted Renner, Johnny Baxter and Dickie Lee Renner. Other grandchildren present included Robin and Darcy Renner, Blayne Baxter and David Barnett, all of Friona; Mr. and Mrs. Gary Renner and daughter, Janna, of California; and Conrad Renner of Levelland.

Out-of-town guests attending included Mr. and Mrs. Fred Sherman, Floyd and Lloyd Botsford, Mr. and Mrs. Clarence Schultz, Mr. and Mrs. Darrell Culp and Keith, Mr. and Mrs. J.E. Warrick, Ronnie Hall and Mr. and Mrs. Merlin Weber, Hereford; Mr. and Mrs. Jona Laubhan, and Mr. and Mrs. John Laubhan, Follert, Texas; M.L. Worley, Letha Brown and Deborah Kay and Mr. and Mrs. Carl D. Appel, Amarillo; and Mr. and Mrs. Ben Jennings, Irving, Texas.

Also Mr. and Mrs. Robert Oblander, Mr. and Mrs. W.G. Erlick, Marie Meir, Mr. and Mrs. Robert Fechner, Mr. and Mrs. Carl J. Oblander, Mr. and Mrs. Elmer Oblander, Mr. and Mrs. Arthur Appel, Shattuck, Oklahoma; Mr. and Mrs. Johnny Appel, Higgins, Texas; Mr. and Mrs. Leslie Weis Jr. and Stacy, Harland Weis, Mr. and Mrs. Gary Murphree and Mrs. J.G. Renner, Canyon, Texas; Mrs. John Baker and Mr. and Mrs. Diane Stutz, Utica, Kansas.

Also Vidian Weis, Perryton, Texas; Mr. and Mrs. Dean Hall, Debbie and Jerry, Debra Baxter, Vicki Renner and Paula Fortenberry, Lubbock; Mr. and Mrs. Jack West, Scott City, Kansas; Mrs. Gene Ezell and Mrs. Tom Griffith, Bovina, Texas; Mr. and Mrs. Leon Oblander and Mr. and Mrs. Merlin Schmidt, Woodward, Oklahoma; Mrs. Orvette Reinbolt, Tempe, Arizona and Mrs. Mike Jaross, Ontario, California.

Also Hugh Moseley, Farwell, Texas; Mr. and Mrs. Alex Meir, Derrouzen, Texas; Wayland Appel, Billings, Oklahoma; Mr. and Mrs. L.C. Ainsworth, Banning, California; Mr. and Mrs. Les Renner, Willcox, Arizona; Mr. and Mrs. Joe Vasek, Littlefield, Texas; and Conrad Renner, Levelland, Texas.

Lubbock and Lana Renner, Tyler.

Another granddaughter, Cindy Barnett, presented a medley of piano selections and accompanied Paula Fortenberry, soloist, as she sang, "Silver Threads Among The Gold," and "When I Grow Too Old To Dream." Miss Barnett also accompanied group singing of "The Bride and Groom of Fifty Years Ago," an original composition by Leslie Ainsworth, Banning, California, which was written especially for the occasion.

Oblander, Mr. and Mrs. Elmer Oblander, Mr. and Mrs. Arthur Appel, Shattuck, Oklahoma; Mr. and Mrs. Johnny Appel, Higgins, Texas; Mr. and Mrs. Leslie Weis Jr. and Stacy, Harland Weis, Mr. and Mrs. Gary Murphree and Mrs. J.G. Renner, Canyon, Texas; Mrs. John Baker and Mr. and Mrs. Diane Stutz, Utica, Kansas.

Also Vidian Weis, Perryton, Texas; Mr. and Mrs. Dean Hall, Debbie and Jerry, Debra Baxter, Vicki Renner and Paula Fortenberry, Lubbock; Mr. and Mrs. Jack West, Scott City, Kansas; Mrs. Gene Ezell and Mrs. Tom Griffith, Bovina, Texas; Mr. and Mrs. Leon Oblander and Mr. and Mrs. Merlin Schmidt, Woodward, Oklahoma; Mrs. Orvette Reinbolt, Tempe, Arizona and Mrs. Mike Jaross, Ontario, California.

Also Hugh Moseley, Farwell, Texas; Mr. and Mrs. Alex Meir, Derrouzen, Texas; Wayland Appel, Billings, Oklahoma; Mr. and Mrs. L.C. Ainsworth, Banning, California; Mr. and Mrs. Les Renner, Willcox, Arizona; Mr. and Mrs. Joe Vasek, Littlefield, Texas; and Conrad Renner, Levelland, Texas.

James Buchanan was the only President of the United States who was a bachelor.

### Frionans Return

Mr. and Mrs. Bill Turner and Mrs. Ina B. Coker returned home late last week after spending two weeks vacationing in several central states. They toured several places of interest and observed much changing of colors along creeks and rivers along the way.

The trio drove through Oklahoma, Kansas and Nebraska en route to Iowa City, Iowa, where they visited in the home of Mr. and Mrs. Joe Elam. Elam and Turner are cousins.

From Iowa City they went to Shelbyville, Missouri, where they were guests in the home of Mrs. Hazel Harryman. Then went to Eureka Springs, Missouri, for a visit in the home of Elmer Harryman.

Enroute home they visited the Dick Mobleys at Oklahoma City.

Bats are the only true flying mammals.

### The Library Corner

BY MRS. VON EDELMON

National Children's Book Week is November 14-20, so the Library is again recognizing this special week through the schools. Students in Mr. Wied's sixth grade art class were given the opportunity to draw a poster commemorating this event. The posters will be judged and first, second and third place winners will be recognized by having a book placed in the Library in their honor. The posters have been turned in and the winners will be announced soon.

Story Hour continues to be fun time for pre-school children on Thursday mornings. Last week the children were given a Halloween Party by

Mrs. Bill Benham and Mrs. Carr.

The next time you have some out-of-state visitors, try some recipes out of the "Texas Cookbook." History is always a popular subject. We have "Documents of American History" and for juniors, "The Battle of Yorktown."

Or if you are interested in fiction, we have a new novel by Geven Bristow, "This Side of Glory."

Jupiter, the biggest planet, also leads the list for moons—it has 12. Saturn is next with 9, Uranus has 5, Mars and Neptune have 2 each. Earth has one and Mercury, Venus, and Pluto have none!

## WILLIAM F. WALKER

Of Midland, Texas Will Be Speaking In A Series Of **SPECIAL SERVICES**

At The **SIXTH STREET CHURCH OF CHRIST NOV. 7 - 10**

**SERVICES 8:45 a.m. And 8:00 p.m. Monday Through Wednesday**

**SUNDAY SERVICES 10:30 a.m. And 6:00 p.m.**

Please Accept Our Invitation To These Services

## "They Run In Our Family" Will Be Junior Class Play

Presentation dates of "They Run In Our Family," the annual Junior class play will be Monday and Tuesday, November 8 and 9. Curtain time will be 7:30 p.m. Admission prices

will be \$1 for adults and 50¢ for children.

The story is about a family which is athletically inclined. Different members are inter-

ested in every kind of sport. The football team is scheduled to meet its toughest opponent of the year and the coach stakes his job on the outcome of the game. Then two of the best players are victims of accidents.

No one will want to miss following the family through this delightful three act comedy to its surprise ending.

Characters and players are as follows: Peggy Pennywinner, Cindy Hutson; Alvin Pennywinner, Jayson Grimley; Buzz Pennywinner, Matt Garth; Pat Pennywinner, Patricia Phipps; Alice Pennywinner, Holley Stephenson; and Coach Sam Pennywinner, Carl Evans.

Girl Scout Troop 266 met Monday afternoon at Girl Scout House. Becky McLellan, Teresa Cortez and Sylvia Bernes presented the flag ceremony. Following a Halloween program, was a sewing session, during which eye glass holders were made. Refreshments were served by Maria Villanueva, Karen Patterson, Ross Garza and Jamie Fulks.

### Girl Scouts Report

Wednesday afternoon 17 cadette Girl Scouts of Troop 311 rededicated themselves to the promise and laws of this organization. Preceding the rededication ceremony, Mrs. Russel O'Brian, area association chairman lectured to the girls on the inner-self. Pamela Lindley, president, held the rededication service.

Also one new leader, Mrs. Lester Cole, and one girl, 17-year-old Wilson were invested as Girl Scouts for the first time.

At the close of the meeting plans were made for a concession stand at the Halloween

### Singing Planned

Plans have been completed for a community wide singing at First Assembly of God Church beginning at 7:00 a.m. Tuesday, November 9.

Rev. J.M. Ashley, pastor, and members of the church cordially invite everyone in the area to attend.

**RHONDA EPPES**, . . . Lt. Col. and Mrs. John D. Eppes of Houston have announced the engagement of their daughter, Rhonda, to Lowery Harper, son of Mr. and Mrs. Clifton Harper, Friona. Miss Eppes is a 1969 graduate of Palestine High School, Palestine, Texas, and a former student of Southern Methodist University. She is currently employed in Houston. Harper, who is a 1969 graduate of Friona High School, is an electrical engineering major at Southern Methodist University, Dallas. Wedding vows will be exchanged at Southwest Methodist Church, Houston, Tuesday, December 28.

**CYNTHIA WISEMAN**, . . . Mr. and Mrs. Buddy Wiseman, 905 West Sixth Street, Friona, have announced the engagement and approaching marriage of their daughter, Cynthia Elaine, to Michael S. Proctor, son of Mr. and Mrs. Billie Rae Proctor, Sr., Midland. The couple plans to exchange wedding vows at 4:00 p.m. Friday, December 31, at First Baptist Church here. Miss Wiseman, who is a 1970 graduate of Friona High School, and her fiancé, a 1969 graduate of Midland High School, are both students at West Texas State University, Canyon. She is an art education major and he is an English education major. Wedding invitations are not being mailed locally, but relatives and friends are being invited to attend.

## Hospital Rummage Sale Closes This Weekend

Mrs. Darrell Simpson, Chairman of the Hospital Auxiliary Rummage Sale, has announced that the annual sale will continue one more weekend before coming to a close. October 30 was originally set for the closing date of the sale.

"Prices on all items will be reduced," Mrs. Simpson said. "And we have many really good items left."

### Arranging To Be Demonstrated

Mrs. Clyde Woodard, who is a graduate of Cliff Mann Floral Institute in Denver, will present a flower arranging demonstration at the Thursday afternoon meeting of Friona Young Homemakers.

The meeting, which will be held in the high school cafeteria, will begin at 4:00 p.m.

Members of the club are inviting all women who are interested to attend. Members of the Future Homemakers of America will baby sit with small children.

Clothing, toys, and household goods are among the many items still on hand at the sale site at the building next door to the Friona Hotel in the 500 block of Main Street.

The doors will be open from 2 to 5 p.m. on Friday and from 1 to 6 p.m. Saturday of this week only.

Proceeds from the rummage sale go each year to assist the Parmer County Community Hospital in some way. Plans are to use the money from this year's sale to continue the redecorating of the Hospital Lobby which was started last year.

All items that are left from the final sale will be given to the needy and to charitable institutions.

### Frionans Attend Parents Day

Mr. and Mrs. Ansel Renner, Mr. and Mrs. W.V. Elmore and Mrs. Joyce Hill were among the parents of South Plains Junior College students who attended the annual Parents Day festivities in Levelland Saturday.

Amy Sue Renner, who is the daughter of the Ansel Renners, and Donna Garner, daughter of Mr. and Mrs. Wendell Garner, are members of the Tex Anns, a group which performed during the day's festivities.

### Surprise Honors Charles Allen

Members of the First Baptist Church Choir presented a surprise gift of a watch to Charles Allen at a party in the newly-built home of the Dave Thompsons last Sunday night after church. The gift was a token of appreciation for the work Allen had done with the choir in the absence of a regular director.

Bill Myers, formerly of Dimmitt, is now serving in this capacity.

Approximately 60 choir members and their families attended the get-together in the Thompson home. Cookies and homemade ice cream were served. Other special guests besides Mr. and Mrs. Allen were Mr. and Mrs. Myers and Rev. and Mrs. Charles Broadhurst.

Now women can help protect themselves against cancer of the uterus or womb. Ask for a Pap test as part of your regular health checkup, the American Cancer Society urges.

There will be no reason for any of us to be cooking supper Friday evening. That is, if we enjoy eating chili. Members of the Junior Class are sponsoring a Chili Supper in the high school cafeteria beginning at 5:00 p.m.

Prices will be \$1.25 for adults and 75¢ for children. Then, this year there will be an added bonus. Pie and coffee will be served after the game for fifty cents per person.

In addition to being able to get out of the kitchen for one evening, we will be supporting a good cause and the Juniors will appreciate having as many of us as possible.

Perhaps each of us should make sure we have a roll of aluminum foil in each of our vehicles at all times. Then, if a flat tire, empty gas tank or dead battery stalls us on a dark road at night we can make a warning signal.

If the aluminum foil is stretched along the back and side of the car nearest the road, it will reflect the headlights of oncoming cars and could be a life saver. The foil may be secured by closing the car doors or windows on it, so no other equipment will be needed.

Do you need an up-to-date Texas Official State Highway map? If so, you may pick one up at the Star office. These maps, which are prepared for free distribution by the travel and information division of the Texas Highway Department, contain a lot of useful information.

You may also request free copies from the Texas Highway Department, Austin, Texas, 78703.

Congratulations are in order for Amy Sue Renner and Donna Garner, two of Friona's students who are attending South Plains Junior College, Levelland. These two 1971 graduates of Friona High School have been accepted into the Tex Anns, a very fine campus organization. This group performed during the Parents Day program Saturday. Amy Sue has also been nominated for Homecoming Queen.

## Public Affairs Is Meeting Feature

Fifteen club members were present for the Wednesday afternoon meeting of Friona Woman's Club at Federated Club House. Mrs. Ethel Bengler, president, had charge of the business session.

Public Affairs was the theme of the meeting. Roll call was answered with the name of a woman who is involved in public affairs. Mrs. Joe Moyer presented "Today's Woman." "Why Write Your Legislators," was presented by Mrs. G.E. Reed. This was followed

## Spook House Opens Halloween Party

Entrance to the Halloween party at Federated Club House Saturday evening was through a Spook House, which had been prepared by Mrs. Lee Spring, Mrs. Clarence Monroe, Mrs. Buddy Wiseman and Mrs. Von Edelman.

A game session, which was directed by Mrs. Jimmy Mabry and Mrs. Don Reeve, was followed by refreshments which were served by Mrs. Tom Pruett, Mrs. Steve Bavousett and

with an Open Forum presided over by Mrs. Joe Moyer and Mrs. E.S. White Sr.

Patriotic music, which was arranged for by Mrs. Carl Maurer, was presented by three guests, Carleen Schlenker, pianist, accompanied Ann Hurst and Sally Kendrick as they sang, "Let There Be Peace."

Refreshments of gingerbread, coffee and hot spiced tea were served by Mrs. C.W. Dixon and Mrs. Mabelle Hartwell, hostesses.

Mrs. Mickey Griffin.

A song session led by Mrs. Dale Cary concluded the party.

Children of the members of Progressive Study Club were guests.

Special guests were Mrs. Wayne Wallace and Laura, Brookhaven, Mississippi; Mrs. Yale Canfield and Kim, Rainelle, West Virginia; Mrs. Martha Palmer, Clarence Monroe, Steve Bavousett and Tom Pruett.

JUNIOR PLAY. . . "They Run In Our Family" is the Junior Play, to be presented on Monday and Tuesday evenings of next week, November 8 and 9. Two of the characters (right), Carl Evans and Holley Stephenson, go over details of the play with student director Davy Hill (left) and Mrs. Leonard Coffey, class sponsor.

**At Home  
In Parmer County**  
Jana Pronger

With Autumn rolling in and bringing Halloween and Thanksgiving thoughts of bobbing for apples, hot spicy apple cider and apples on a stick seem more frequent. It is reported that there is an abundant supply of apples this fall and the best part of it is the fact that these favorite snacks are also good for the kids!

They've got natural sugars that are easily digested and give "instant energy" plus they are not harmful to teeth. They have vitamins and minerals needed for healthy cells and tissues, for resistance to infections, and for growth.

Set out a big basket of shiny, red apples and an assortment of mixed nuts to beckon visitors, this Halloween.

For a special "treat" for those older type visitors try this Apple Dip Appetizer--an easy "trick" that will please them!

Cut cored, unpeeled red apples into bite-size chunks; dip in lemon juice; spear on wooden picks; insert picks in with red apples. Serve on fancy platter with one of these cheese dip suggestions:

1. Pineapple cheese spread blended with dairy sour cream.
2. Pimiento cheese spread blended with a little mayonnaise.
3. Cream cheese, softened with heavy cream plus crumbled blue cheese, whipped together to "dipping" consistency.

Want to know how to make applesauce without cooking? Try this easy idea while apples are in plentiful supply says the U.S. Department of Agriculture's Consumer and Marketing Service. Combine 1/2 cup water, 1/2 cup sugar (use less if apples are sweet), and 1 teaspoon ascorbic acid/citric acid mixture in an electric blender. Add 1/4 teaspoon salt. Slice 1 pound tart apples that have been peeled and cored, into blender. Run blender at high speed about 30 seconds (or less).

**Friona Residents  
Attend Funeral**

Mr. and Mrs. Dan Ethridge, and Mr. and Mrs. Bill Stewart returned late Tuesday from Hot Springs, Arkansas, where they attended the funeral services for Mrs. Richard Ethridge of that city.

Mrs. Ethridge passed away last week in Winston-Salem, N.C., after a brief illness. Richard Ethridge is the brother of Dan Ethridge, and Mrs. Stewart.

What Does  
The  
Bible Say?

The church of the New Testament is not a product of human thinking, but was conceived in the mind of God and established in the world by His Son (Matt. 16:18). The apostle Paul wrote, "Unto me. . . is this grace given that I should. . . make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God who created all things by Jesus Christ, to the intent that now unto the principalities and powers in heavenly places might be made known BY THE CHURCH the manifold wisdom of God, according to the ETERNAL PURPOSE which He purposed in Christ Jesus our Lord" (Eph. 3:8-10). Since Jesus came to do the will of God (John 6:38) and in the performance of the divine will purchased the church with his Blood (Acts 20:28), it is not hard to see the importance of the church in the mind of God, and is becoming a morally responsible person to fail to attach any real significance to it. It is the body of which Christ is the head (Col. 1:18) and only in this body can man truly glorify God.

Questions Invited. Address "What Does The Bible Say?" Box 515, Friona, Texas.
