

U. S. TO ADHERE TO PANAMA DECISION OF THE CHIEF JUSTICE

PRESIDENT HARDING SO ADVISES IN ANSWER TO RECENT APPEAL.

EXPRESSES REGRET THAT PANAMA IS DISPLEASED

Notes Insisting On Enforcement Of Decision Has His Hearty Approval.

WASHINGTON, March 19.—The decision of Chief Justice White in the Panama-Costa Rica boundary dispute "must be the unalterable position" of the United States government, President Harding declared today in reply to a personal appeal from President Porras of Panama.

Although he expressed regret that Panama should feel wounded by the White decision, described in Senator Porras' message as "painful and humiliating," Mr. Harding declined to consider any other basis of settlement and asserted that the recent state department notes insisting on enforcement of the decision had his hearty approval.

The exchange between the two executives, made public textually tonight, was in the nature of an ad interim discussion while the state department awaited Panama's reply to its note. Costa Rica already has accepted the White award, and some definite answer from Panama now is expected within a few days.

In making his appeal, President Porras recalled the expressions of friendship for Panama given by Mr. Harding last November during his visit there, and voiced a hope that the Panamanian people might not be disappointed in their faith in the new administration at Washington. To this President Harding replied, giving his avowal of cordiality, but added that the exercise of friendly relations always must be tempered by justice.

The message from the Panamanian president was received late yesterday, and before replying Mr. Harding held a long conference today with Secretary Hughes of the state department. It is understood that they not only went over in detail the latest information regarding the situation between the two Central American republics, but also discussed the broad questions of policy involved in a final determination of the position taken by this government.

President's Reply.
Following is President Harding's reply: "The communications from our government to the government of Panama and the government of Costa Rica have been sent with the full knowledge and hearty approval of the executive."

"It would be exceedingly distressing to believe that the government of Panama had cause to feel wounded or to assume, for any reason, the government of the United States is in any way unmindful of our peculiar friendly relations, with a recognized mutuality of interest. The friendly expressions made in your presence informally last December are popular now and there is deep concern for full justice in the exercise of our friendly relations."

"It must be apparent, however, that the decision of the chief justice of the United States in an arbitration submitted to him, and reached after exhaustive study and rendered in fullest devotion to justice, must be the unalterable position of this government."

WILL MAKE EFFORT TO SECURE RE-TRIAL FOR THOS. MOONEY
SAN FRANCISCO, March 19.—A new effort to secure a retrial for Thomas J. Mooney, San Francisco, preparedness day parade bomb case defendant, now serving life in San Quentin, came to light today when R. C. Parker, who said he was acting for Mooney, filed a power of attorney with the local courts, empowering him to act for Mooney.

He said the exact plan under which he hopes to bring Mooney's case before the courts is a novel one, but will not be revealed for several days.

FORBID CRYING THE SALE OF HENRY FORD'S PAPER OF STREETS OF ST. LOUIS
ST. LOUIS, MO., March 19.—Martin O'Brien, chief of police, today ordered the arrest of all persons "crying the sale on the streets" of Henry Ford's publication, the "Dearborn Independent," because of the anti-Semitic campaign being conducted by that newspaper.

FORD'S HOME TOWN HAS CURBED SALE OF PAPER
DETROIT, March 19.—Detroit, Henry Ford's home town, has curbed the sale of his paper, the "Dearborn Independent," because it has been warned by the police to refrain from shouting that paper's reference to the Jews when selling their papers.

IRISH REPUBLICAN PARTY TAKING STEPS TO PREVENT IMMIGRATION TO AMERICA
DUBLIN, March 19.—A resumption of immigration to America has become so evident that the Irish republican party is taking steps to prevent it. An immigration agent in Listowel, county Kerry, has been threatened with death if he books any males between the ages of 16 and 45 for passage to America.

GVERNOR IS CONSIDERING VARIOUS GENERAL BILLS
AUSTIN, TEXAS, March 19.—After disposing of a number of local bills and practically cleaning up all such measures passed by the regular legislative session, Governor Neff today began consideration of general bills.

"Not a Chance" for Beer at Fountains, Declare Officials

WASHINGTON, March 19.—The sign once displayed in the dining room of a North Carolina hotel announcing that to prevent guests taking fruit from the table, there would be no fruit, there will be no beer, was the spot of opinion by house prohibitionists.

Several members declared today that former Attorney General Palmer rightly construed the act in holding that beer, like liquor, could be prescribed for a sick man. But they added that they were awaiting, with deep concern, a decision of the prohibition department regulations prescribing the manner and amount of beer dispensation.

While the Volstead act limits the amount of whiskey that may be prescribed, there is no provision dealing with beer. Prohibition leaders think it may be necessary to fix that by statute.

Predictions are made by several prohibition members that the future policy of congress will depend upon department regulations and a beer try-out. "They see no likelihood of an early change in the law by which a pint of whiskey in any ten day period."

By going to pre-prohibition days, dry leaders recalled that the sick man's beer supply was rather liberal, certainly as compared with modern possibilities. It used to be prescribed by the case, and three bottles a day often was regarded by physicians recommending it as a model dose.

Prohibition enforcement officials declare they are not responsible for the idea that somehow has spread over the country that the new regulations will permit the use of beer in the treatment of beer at a drug store fountain. There is not a chance. Druggists alone will be permitted to handle it on non-recipe prescriptions.

AMERICAN LABOR IS BARRED FROM MEXICO

Other Foreign Labor Is Included In Decree Issued By President Obregon.

WASHINGTON, March 19.—All foreign laborers and particularly American laborers have been barred from Mexico by a decree issued by President Obregon, a copy of which was received today at the state department. The reason assigned was that an influx of foreigners would serve to prevent the full employment of native labor during the period of scarcity of work.

The decree, it is understood, was aimed more directly at the situation in the oil fields where there has been an increasing number of American workmen, but no specific reference to this was made in the document.

Exception was provided in the decree for those who could show that they had "sufficient sustenance and implements" for colonization or agriculture. Indication was given that the new order would not be applied indefinitely, one paragraph stating that the department of government "will issue the orders which it may deem expedient to prevent the entry of foreign laborers into the country while the present scarcity of work exists."

ENFORCEMENT OFFICER NAMED AS CO-RESPONDENT IN CHICAGO DIVORCE SUIT

CHICAGO, March 19.—Frank D. Richardson, prohibition enforcement officer for the Lake States, was named as co-respondent in a divorce suit filed by Ralph Neager here today.

Neager said that a child was born to his wife last September and declared he was not the father.

TWO ENLISTED MARINES KILLED AT GUAM AND EIGHT OTHERS INJURED

GUAM, MARIANNE ISLANDS, March 19.—Two enlisted marines stationed here were killed and eight others injured in an automobile accident here today. Kimes enlisted from Chicago in July, 1920, and Kimbell at Mare Island.

COTTON ASSOCIATION IS TO MEET IN FORT WORTH

GALVESTON, TEXAS, March 19.—Fort Worth was today selected as the city in which to hold the 1920 convention of the Texas Cotton Association and W. J. Neale of Waco was elected president during the closing session here today of the tenth annual gathering of the organization.

Dr. W. R. Hissel, president of the Agricultural and Mechanical College of Texas, was the principal speaker and discussed the credit needs of the farmer.

HENRY TOUSSAINT SHOWS EFFECT OF LIVING IN JAIL

Henry J. Toussaint, who is charged with the murder of his father, is beginning to show the effect of being confined in the county jail. The offense with which he stands charged is unshakable and it will be necessary for him to remain there until his case is called for trial.

CYCLONE HITS NEAR THE TOWN OF PLANO

Considerable Damage Is Done to Farm Houses But No One Is Injured.

PLANO, TEXAS, March 19.—A cyclone which struck three and one-half miles east of here this morning caused considerable damage to farm houses and telephone wires. The farm of Eugene Boggs suffered most. The chimneys of the house being demolished, three barns were damaged and live stock and chickens injured. None of the occupants were injured. Telephone and telegraph wires along the Cotton Belt railroad were blown down during the heavy rain which followed.

Discover Comet of Ninth Magnitude, Cablegram Report

CAMBRIDGE, MASS., March 19.—Discovery of the comet of the ninth magnitude was announced in a cablegram to the Harvard college observatory today. It came from the central bureau of astronomical telegrams at Brussels and said that at Cape Town on March 14, Astronomer Reid sighted the stranger of the skies in the constellation of Capricornus.

JAMES LINN ROGERS IS HARDING'S MEXICO AGENT

KANSAS CITY, March 19.—James Linn Rogers, who has been in conference with President Obregon, is believed to be President Harding's confidential agent in Mexico.

KANSAS CITY OFFICER IS SLATED FOR PROMOTION

KANSAS CITY, MO., March 19.—Fred M. Tate, head of the federal secret service in this district, today said he had received notice from Washington that he had been promoted to head of the Cleveland district. Tate has been in charge of the Kansas City office eight years. He was instructed to go to Cleveland as soon as possible.

EXPLODE THEORY THAT CABIN HELD TREASURE

PADUCHAH, KY., March 19.—Long time reports of hidden treasure in the cabin home of John Waters, who was found dead yesterday, were myths, an investigation by the coroner and police indicates.

PROMINENT AMERICANS JOIN IN CAMPAIGN TO GIVE RELIEF TO IRELAND

The local organization of the American committee for relief in Ireland has received a telegram from national headquarters of the committee, that Henry Morgenthau, former ambassador of the United States in Turkey; Jane Addams, Hull House, Chicago; Bernard M. Baruch; Chas. Nagel, former secretary commerce and labor; David Starr Jordan and Charles G. Dawes have accepted vice chairmanships of the American committee for relief in Ireland.

In Washington, D. C., the following persons have agreed to act as vice chairmen of the committee: Wendell P. Stafford, associate justice, District of Columbia supreme court; James F. Smith, chief justice, court customs appeals; Joseph P. Tumulty, W. Gwynn Gardner; Arthur D. Marks, business manager, Washington Post, and Capt. Julius I. Peyer.

National headquarters also announce that Daniel W. Donohue, executive chairman, Washington committee, notified Captain John F. Lucey, national campaign director, that the capital city surely would double its fifty thousand dollar quota.

JAPANESE HOUSE DEFEATS MOTION DECLARING WANT OF CONFIDENCE IN MINISTRY

HONOLULU, March 18.—The Japanese house of representatives defeated overhelmingly a motion declaring a want of confidence in the Hara ministry, based on six charges connected with the alleged South Manchuria railway scandal. A local cable to Nippu Jiji, Japanese language newspaper here says.

PETROLIA MAN SUFFERS AFTER LONG ILLNESS

Eugene J. Deane, aged 55, died at a local hospital early Friday night after a long period of falling health. He came to the medical institution a week ago for treatment, but was in a critical condition at the time and grew rapidly weaker.

News From the Courts

JUST OUT OF JAIL, NEGRO LAD GETS BACK IN AGAIN

Eddie Thomas, aged 13 years, who was released from the county jail only a week ago after serving thirty days for stealing an automobile and taking a joy ride to Bowie, Texas, got back in again Saturday afternoon. Juvenile Officer R. W. Morgan picked him and another negro boy, Leonard Smith, up while they were trying to board a freight train, headed for Vernon.

SHERIFF FRED SMITH GOES TO ST. PAUL FOR PRISONER

Sheriff Fred Smith left Saturday evening for St. Paul, Minn., to bring back Harvey Hall, who is under arrest there on a warrant from Wichita county charging him with perjury. The sheriff held extradition papers from Governor Neff. Hall is under indictment here on a charge which is said grew out of testimony submitted before a master in chancery in this county. He was indicted at the last session of the grand jury.

JURY COULD NOT AGREE IN A COMMISSION SUIT

The jury in the case of M. T. Killion vs. Heinz and Powell was discharged Saturday afternoon after it reported that it could not agree on a verdict. The suit was for commission and was tried before Special Judge Fisher. The case was originally filed in the county court of law, but Judge Rogers was busily engaged in the trial of another jury case.

PLAINTIFF AND INTERVENOR ARE BOTH AWARDED JUDGMENT

The plaintiff and the intervenor each received a judgment in a case in the county court of law Saturday afternoon in a trial which was begun Friday morning and which was concluded at 3 o'clock Saturday. Duffy and Helford, brokers, sued John E. Zyberg for \$900 which they alleged Zyberg agreed to allow them to charge as an advance on the sale of an oil lease. The jury rendered a judgment of \$900 in the plaintiff's favor. S. Minshen, a broker of Houston, entered the suit as an intervenor and asked for a judgment of \$650 regardless of which way the jury decided the original suit. He asked this judgment

from the plaintiff, alleging that was the agreement that he had with them with reference to the sale of the property.

WICHITAN IS ELECTED VICE PRESIDENT OF THE GRAHAM NATIONAL BANK

GRAHAM, TEXAS, March 19.—Porter Oakes of Wichita Falls was elected director and vice president of the Graham National bank here today, following a meeting of the board of directors and stockholders of the bank.

Mr. Oakes is a Wichita Falls business man with oil interests in Graham and local fields and in Breckenridge. He is president of the Dispatch Petroleum company, and active here as an oil operator and investment banker. Mr. Oakes said Saturday that he will continue to live in Wichita Falls.

The Graham National bank is a rapidly growing institution, and has recently made plans for expansion to accommodate the increasing business resulting from oil development in the oil fields near Graham. Frank MacDowell is president of the Graham National bank, and H. D. Hemphill, until recently an officer in the City National Bank of Commerce, became active vice president last week. 310-1ic

CHARLES M. DODGEN SLATED FOR UNITED STATES MARSHALSHIP

It became known in court circles Saturday afternoon that Charles M. Dodgen of this city has been slated by the republicans of Wichita county to become the next United States deputy marshal. Mr. Dodgen was not located, and no confirmation of the report could be made.

J. M. Allen, the incumbent, stated that he had heard of the report and was expecting to be relieved from duty at any time. He stated that the affairs of his office were in such a condition that it could be turned over at once.

Mr. Dodgen acted as deputy sheriff under R. L. McFall and was a candidate for the sheriff's office against Fred Smith on the independent ticket last fall, and was endorsed by the republicans. He is well known in Wichita and adjoining counties.

ELECTRIC COMPANY PLANS BEAUTIFICATION PROGRAM ON GROUNDS AROUND PLANT

The Wichita Falls Electric company will start work shortly improving and beautifying the grounds around its plant at the foot of Burnett street, and expects to create an attractive little park there.

Formerly the grounds around the plant were handsomely parked, but the additions made to the plant in the past 18 months obliterated the improvements to the grounds. J. L. Downing will be in charge of the landscaping.

It is the aim of the City National Bank of Commerce to render service, small or large, so satisfactorily that each transaction will invite a further use of the facilities of this bank. The departments of the institution include checking, savings, certificates of deposit, foreign exchange, safe deposit, loans. 310-1ic

SEWER GANGS BUSY IN FLORAL HEIGHTS; PAVING IS HALTED

Sewer work in North Wichita and on the outlet plant was brought considerably nearer completion last week, and a start was made on the Floral Heights part of the project. Work began on the Monroe, Polk and Taylor street laterals, and will continue in that section of the city for some time. Little paving work was done during the week. Further progress on the Ohio avenue work was checked until 68 per cent.

objections of some property owners can be heard further. Grading started on Grant avenue, and paving will start there within a short time, practically all of the property owners have signed.

On Ninth street, signatures of over 80 per cent of the property owners have been obtained, and about an equal number it is understood, on Eighth street.

L. H. Roberts has been given the sub-contract for the curb and guttering work on all bitulithic paving to be done, and will start as soon as the contracts are finally approved.

TOTAL POPULATION OF PORTLAND IS 238,342
WASHINGTON, March 19.—The white population of Portland, Oregon, in 1920 was 232,961 with 1,846 Chinese, 1,757 Japanese, 1,568 negroes and 219 Indians, Filipinos and others, the census bureau announced today. The Chinese population decreased 1,382 or 68 per cent. 210-1ic

PROTEST AGAINST PASTORAL LETTER OF CARDINAL BOURNE

LONDON, March 19.—Irish Catholics adopted resolutions at a mass meeting last evening protesting against the pastoral letter issued in February by Cardinal Bourne, in which the cardinal denounced disorders in Ireland.

DEATH OF MONSIGNOR HOLO IS ANNOUNCED AT PARIS

PARIS, March 19.—The death of Monsignor Holo was announced today. He was the brother of Holo Pasha, who was executed at Vindennes in 1918 for treason. Beechnut breakfast bacon at the Bon Ton Grocery. 310-2ic

CITY NATIONAL BANK of COMMERCE

EIGHTH & SCOTT
WICHITA FALLS, TEXAS

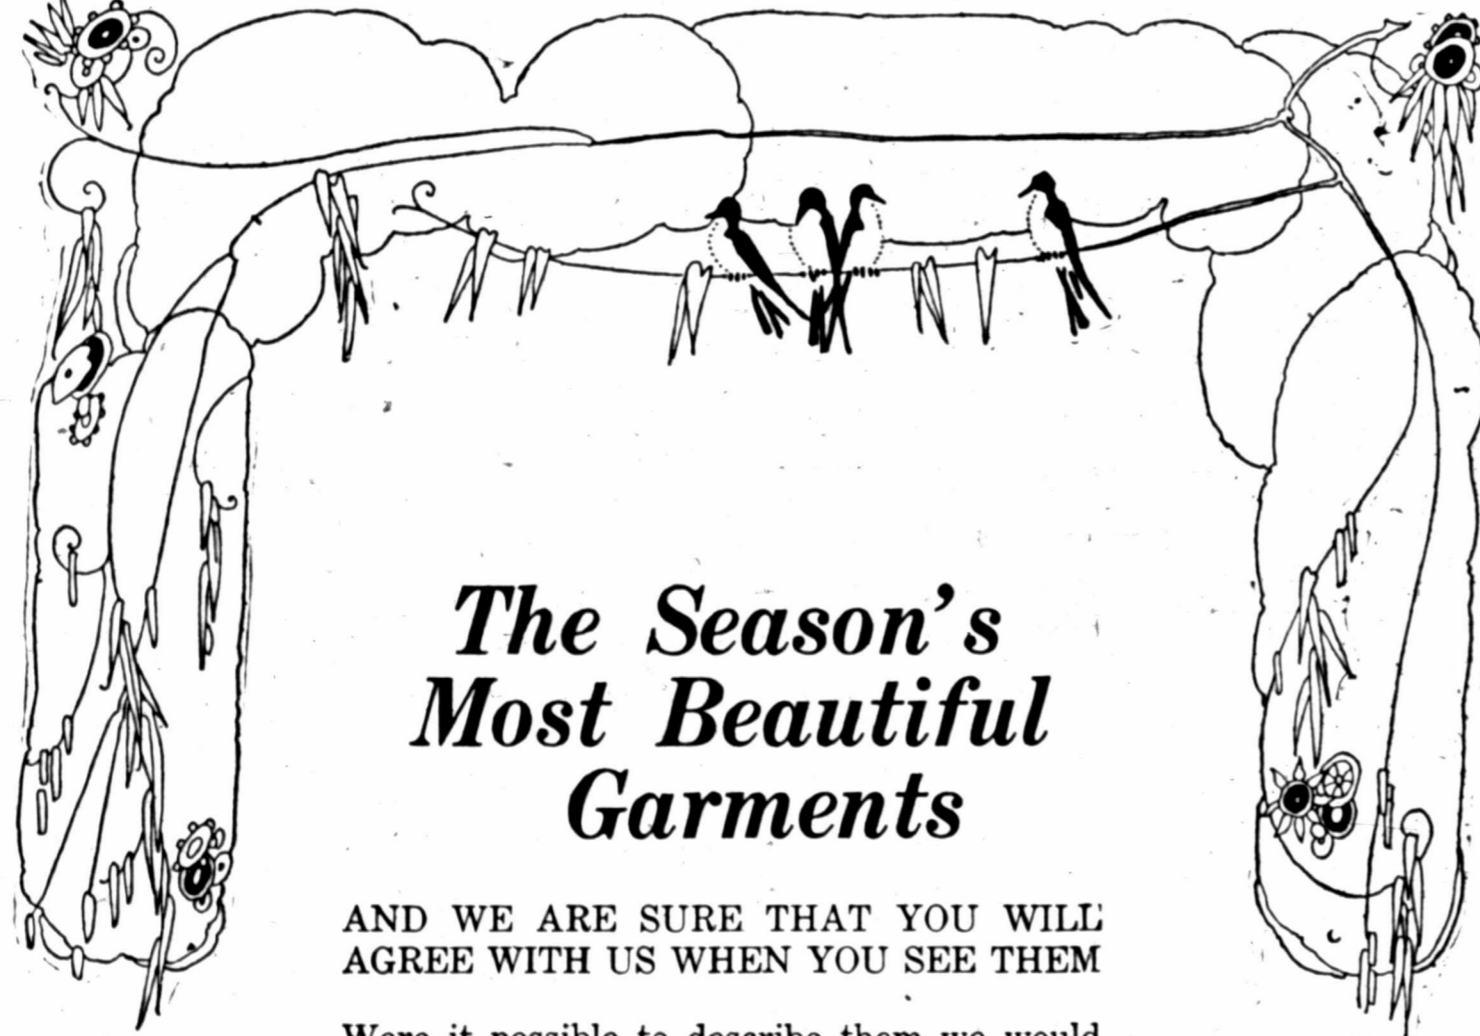

A Plain Fact

which every man must face—whether he likes it or not—is that if he must depend for a living at present upon the money which he himself earns, he must also depend for his future needs upon what he is able to save.

In the CITY NATIONAL BANK OF COMMERCE he can deposit any sums from a dollar upwards, at 4% compound interest, with the assurance of absolute protection for his money.

Many of the largest accounts in this bank were built up through the systematic depositing of small amounts.

What others have done you can do, and we will heartily welcome your account.

The Season's Most Beautiful Garments

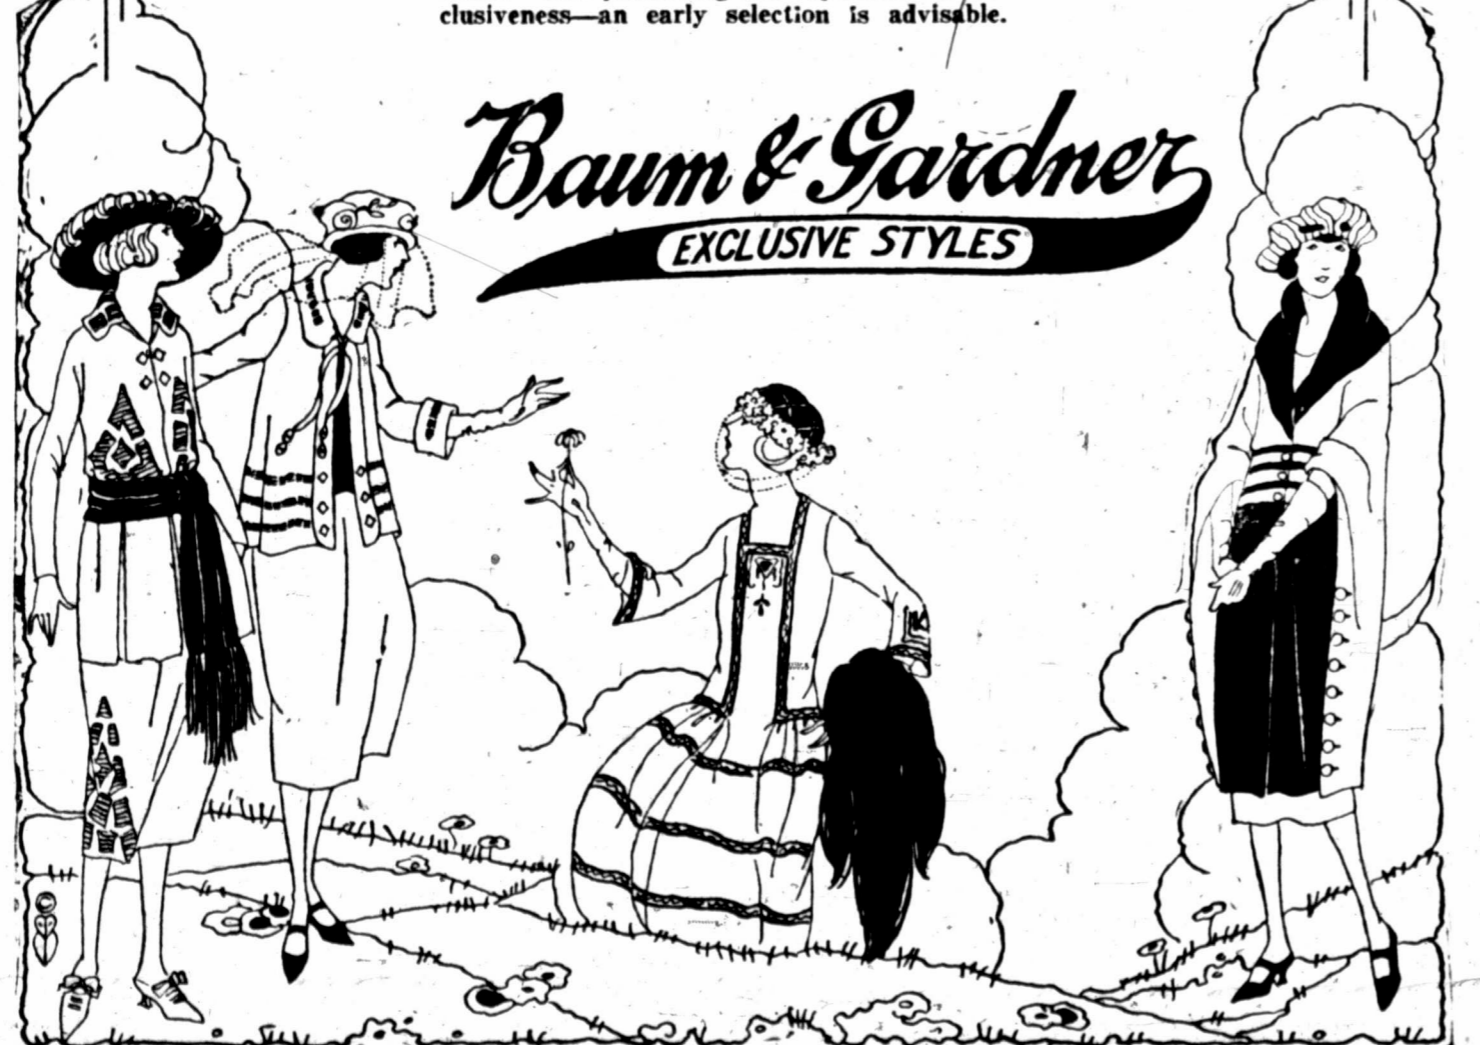

AND WE ARE SURE THAT YOU WILL AGREE WITH US WHEN YOU SEE THEM

Were it possible to describe them we would gladly do so, but the rare colorings in both plain and patterned fabrics, have in the hands of skillful designers become creations that must be seen to be appreciated.

For the past week we have been busy installing new fixtures in the store and have not been able to give our customers our usual careful attention. By Monday, however, everything will be in readiness to display our selection of smart Easter apparel to the best advantage, and urge upon the ladies of the city the advisability of visiting this store this week.

Since garments are limited to but one of a model—thus preserving our reputation of exclusiveness—an early selection is advisable.

MARLOW EXPLAINS HIS ATTITUDE IN ALBERMANS RACE

DECLARES THERE IS NO ANTI-ADMINISTRATION ORGANIZATION IN EXISTENCE

CRITICIZES COUNCIL FOR SEVERAL OF ITS ACTS

Gas Rate Increasing, Sewerage Work and Paving Bids Are Some of Matters Complained Of.

Former Mayor J. B. Marlow, in a statement issued Saturday afternoon, declared that any anti-administration organization existed in the city campaign, and also indulged in criticism of some of the acts of the city council.

Permitting the gas company to increase its rates, alleged inefficiency in sewer and paving expenditures and the cost of the city for the purchase of bonds, are the matters of which Mr. Marlow particularly complains.

Another statement issued Saturday was that of R. L. Yates, candidate for alderman, place No. 1, in which he declares that he does not intend to withdraw, and declares it to be his intention if elected to bring about a "shake-up" in the police department.

Mr. Marlow's statement follows: "The impression seems to have been created that in city political affairs I am the anti-administration leader and that I have built up an organization of my own for the purpose of opposing the city administration. This idea was probably given birth when the newspapers made some capital out of my statement to a gas company representative that I would support Dr. Reed for sanitary commissioner."

"I desire to say now that I am not interested in the controversy now going on between my opponents. I want to state to the people of this city that I expect to get strength and support of every class, creed and kind, and with such vote everybody ought to have a home."

"I earnestly ask my friends to continue to vote for me, and I also ask the vote and influence of every man and woman in this city. I honestly believe that I am going to be elected."

ALABAMA GOVERNOR ANNOUNCES AWARD IN COAL STRIKE CASE

MONTGOMERY, Ala., March 19.—Recognition of the United Mine Workers of America is not obligatory upon the coal operators of Alabama and the award scale and sub-contract system, which has been unchanged, is the day announced today by Governor Thomas E. Kilby, sole arbitrator in the strike.

THE GOVERNOR also declared in his award that the existing method of adjusting grievances are found to be fair and equitable. It is also declared that the operators are under no obligation to reemploy the striking miners, but the recommendation is made that they reemploy the unemployed men who struck, as far as possible, and be paid for them without displacing men who are at work, as a means to promote peace and harmony.

THE GOVERNOR also declared in his award that the freedom of contract shall be inviolate and that agreements may be entered into by mutual consent.

OFFICIALS BEFORE THE LABOR BOARD

(Continued from Page 1.)

Chairman of the executives' association, was on the stand and maintained throughout his testimony that he had had no part in the formation or adoption of any labor policy.

FORMER SERGEANT ADMITS HE KILLED MAJOR CRONKHUTE

PROVIDENCE, R. I., March 19.—Roland R. Pothier of Central Falls, formerly an army sergeant today formally admitted that he killed Major Alexander P. Cronkhute, son of Major General Adelbert Cronkhute at Camp Lewis, Washington, October 24, 1918.

Major Cronkhute, who was in command of a battalion of Infantry at Camp Lewis had marched his men from camp for pistol practice on the day of his death. During the noon hour while the men were at mass, the major walked some yards away behind a clump of bushes and began firing at an old tobacco tin.

On the fifth shot, he turned toward some soldiers idling on the ground nearby and called out "Did you see that?" The men turned toward him, when suddenly another shot was heard and they saw Cronkhute fall. There was a bullet wound under his right ear.

Further arrests are expected, however. The case further, but it is understood that Pothier told them his pistol discharged accidentally while he was cleaning it.

Suite Homes and Their Romance

By O. HENRY.

NEW young couples in the Big City of Bluff began their married existence with greater promise of happiness than did Mr. and Mrs. Claude Turpin. They felt no special animosity toward each other; they were comfortably established in a handsome apartment house that had a name and accommodations like those of a sleeping car; they were living as expensively as the couple on the next floor above who had twice their income; and their marriage had occurred on a wager, a ferryboat and first acquaintance, thus securing a sensational newspaper notice with their names attached to pictures of the Queen of Roumania and M. Santos-Dumont.

Turpin's income was two hundred dollars per month. On pay day, after calculating the amounts due for rent, instalments on furniture and piano, gas and bills owed to the florist, confectioner, milliner, tailor, wine merchant and cab company, the Turpins would find that they still had two hundred dollars left to spend. How to do this is one of the secrets of metropolitan life.

The domestic life of the Turpins was a beautiful picture to see. Every day was just like another; as the days are in New York. In the morning Turpin would take bromo-

selzer, his pocket change from under the clock, his hat, no breakfast and his departure for the office. At noon Mrs. Turpin would get out of bed and humor, put on a kimono, and the water to boil for coffee.

Turpin lunched downtown. He came home at six to dress for dinner. They always dined out. There came a time when it dawned upon Turpin that his wife was getting away with too much money. If you belong to the near-swell class in the Big City, and your income is two hundred dollars per month, and you find at the end of the month, after looking over the bills for current expenses, that you yourself have spent one hundred fifty, you very naturally wonder what has become of the other fifty dollars. So you suspect your wife. And perhaps you give her a hint that something needs explanation.

Turpin's suspicions were allayed for the time. But one day soon there came an anonymous letter to him that read: "Watch your wife. She is blowing in your money secretly. I was a sufferer just as you are. The place is No. 342 Blank Street. A word to the wise, etc."

Turpin took this letter to the captain of police of the precinct that he lived in. On the next afternoon at three, the captain and the captain crept softly up the stairs of No. 342 Blank Street. A dozen plain-clothes men, dressed in full police uniforms, so as to ally suspicion, waited in the hall below.

At the top of the stairs was a door, which was found to be locked. The captain took a key from his pocket and unlocked it. The two men entered. They found themselves in a large room, occupied by twenty or twenty-five elegantly clothed ladies. Racing charts hung against the walls, a ticker clicked in one corner, with its arms and forgery her. All about the room were men in uniform, some calling out the various positions of the horses in a very exciting race. The occupants of the room looked up at the intruders; but, as if reassured by the sight of the captain's uniform, they diverted their attention to the man at the telephone.

YOUNG WOMAN SHOT AT WAXAHACHIE DIES; DRUG CLERK SUICIDES

WAXAHACHIE, TEXAS, March 19.—Miss Kathleen Connally, 23, who was shot last night by A. G. Harvey, died today. After shooting Miss Connally, Harvey killed himself with the same revolver. Miss Connally was the daughter of former Tax Collector R. N. Connally, and was well known in social circles here.

No reason for the tragedy has been assigned, but officers said Harvey had been suffering from mental trouble. He was a clerk in a drug store and survived by a wife and one child. His body was sent to Kerens tonight for burial tomorrow. Funeral arrangements for Miss Connally have not been announced. Harvey was 30 years old.

SING SING NEWSPAPER IS FORCED TO SUSPEND

OSBORN, N. Y., March 19.—Sing Sing prison newspaper, the Sing Sing Bulletin, was suspended today because of lack of funds. Warden Lewis E. Lawes announced tonight. He explained that the paper had been exhausted and although funds would be provided in the budget for the new fiscal year beginning July 1, he doubted whether the paper ever would be resurrected if abolished for four months.

GOVERNOR CHARGES A WASTE OF MONEY THAT IS APPALLING

AUSTIN, TEXAS, March 19.—Before finally approving the emergency appropriation bill passed by the legislature in its regular session, Governor Neff today vetoed 47 items of the bill with a total of \$371,920.73. The original bill carried an appropriation of \$1,048,247.24, the final total being \$714,247.24.

Among the larger items vetoed by the governor was \$107,500 to pay off state bonds; \$12,000 to repair the dome of the capitol; \$20,000 for general inside repairs to the capitol; entire appropriation of the fish, game and oyster commission of \$5,524.34; \$5,000 for repairing the capitol; \$10,000 for erecting an extension building at A. & M. college; \$25,000 for equipping the engineering building at the college.

The other items disapproved by the governor ranged from \$50 to \$20,000, and covered deficiencies in the various state departments and repairs to state buildings.

In vetoing the items the governor said that in his opinion a large number of them were not emergencies and should be carried in the general appropriation bills which will be passed at the special session. He pointed out that some of the items vetoed were for departments "which had extravagantly spent the annual appropriations previously made."

The governor said that in the two months he has been in office he had observed "a waste of money in our institutions and departments of government that is appalling."

Josephus Daniels Pays His Respects To Navy Secretary

By United Press. WASHINGTON, March 19.—A self-styled country editor, hopelessly tainted with the salt of the sea, today exchanged felicitations with the secretary of the navy.

FORMER SERGEANT ADMITS HE KILLED MAJOR CRONKHUTE

PROVIDENCE, R. I., March 19.—Roland R. Pothier of Central Falls, formerly an army sergeant today formally admitted that he killed Major Alexander P. Cronkhute, son of Major General Adelbert Cronkhute at Camp Lewis, Washington, October 24, 1918.

Major Cronkhute, who was in command of a battalion of Infantry at Camp Lewis had marched his men from camp for pistol practice on the day of his death. During the noon hour while the men were at mass, the major walked some yards away behind a clump of bushes and began firing at an old tobacco tin.

On the fifth shot, he turned toward some soldiers idling on the ground nearby and called out "Did you see that?" The men turned toward him, when suddenly another shot was heard and they saw Cronkhute fall. There was a bullet wound under his right ear.

Further arrests are expected, however. The case further, but it is understood that Pothier told them his pistol discharged accidentally while he was cleaning it.

Further arrests are expected, however. The case further, but it is understood that Pothier told them his pistol discharged accidentally while he was cleaning it.

COMMON LABORERS ON TEXAS & PACIFIC AND KATY REDUCED

DALLAS, TEXAS, March 19.—Wages of common laborers in all departments will be reduced on the Texas & Pacific railroad May 1, and on the Katy line April 16, it was announced here today.

The reduction will affect all allied lines of the two roads and will reduce pay checks of 4,000 men on the Texas & Pacific and 2,000 on the Katy. Conferences will be held with representatives of employees to decide on a new wage scale.

EMPLOYEES OF KATY LOSE FIGHT ON RENTAL CHARGE

CHICAGO, March 19.—Employees of the Missouri, Kansas & Texas railway today lost their fight before the United States railroad labor board for the abolition of a rental of \$5 a month charged by the company to occupants of its section houses. The employees contended that this charge was a violation of the national agreement.

ALABAMA GOVERNOR ANNOUNCES AWARD IN COAL STRIKE CASE

MONTGOMERY, Ala., March 19.—Recognition of the United Mine Workers of America is not obligatory upon the coal operators of Alabama and the award scale and sub-contract system, which has been unchanged, is the day announced today by Governor Thomas E. Kilby, sole arbitrator in the strike.

OIL STRUCK IN FLORIDA!

A. L. HUEY, as President of the Florida Oil Company, of DeFuniak Springs, Fla., announces that in one of the wells being drilled by this Company at Bruce, Walton County, Fla., considerable quantities of oil have been bailed from one well at 770 feet, but quicksand has interfered and it will be two or three weeks before casing can be set and a real test made. We know we have oil. How much, remains to be seen.

Note Our Holdings 260,000 Acres

Already two wells—one at Rat Head, another at Bruce—are being drilled. A third derrick near Rock Hill is up and ready for business. As stated above, one well is already showing oil, and the promoters of the enterprise believe they will bring in a wonderful new field.

CAPITALIZATION

The capital of the Florida Oil Company is \$500,000, divided into 50,000 shares of \$10 each. The Company is not a corporation, but is organized under a Declaration of Trust, the most flexible, efficient and economical organization known at present. All shares are non-assessable. Owing to the small number of shares to be sold and the immense acreage, the returns to individual investors will unquestionably be enormous when once this becomes a proven field. Shareholders participate equally in the money received from lease sales. Only enough shares will be sold to carry on the necessary operation. Inasmuch as good leases adjoining a producing well frequently sell at from \$1,000 to \$5,000 per acre, the potential wealth in this vast lease acreage is staggering. It is our belief that when operations are further along, a portion of this acreage can be sold for enough to liquidate the entire capital of the parent company, leaving all its future earnings as net profit.

SAFEGUARDS IN OIL INVESTMENT

There are three big safeguards which can be thrown around an oil purchase to make it a good investment and not a big gamble. The first of these is proper location; the second is large acreage; the third is honest management. Now to get down to brass tacks on the Florida Oil Company. The holdings of this Company in Walton and Holmes Counties, Florida, are in a country of hills and valleys—like that of Kentucky. Oil seepages, mounds, anticlines, blowouts and other natural formations indicate the presence of gas and oil in considerable quantities. It is a well-known fact that all along the Gulf Coast from Tampico, Mexico—northward and eastward—is a continuous belt of producing oil fields as far as development work has been sufficiently carried out. For a time it was thought that the Mississippi River might be the Eastern boundary of the field, but production has leaped this natural barrier and is proceeding steadily Eastward. Everything seems to indicate that the next great field to be opened up will be Northwest Florida and Southern Alabama.

THINK! COMPARE! ACT!

If a month or so from now you read a huge headline in your daily newspaper, "Great Oil Well Gushing in Florida," how will you feel? Will you glow with joy over a fortune earned by a "lucky" investment, or will you sigh over an opportunity lost, never to return?

Compare our enormous acreage with the acreage of other companies. Compare our modest capital with the over-capitalization of some companies, owning only limited acreage of doubtful value. Pause for a minute and consider that practically all of our acreage is in a solid body, and that we already have a showing of gas in two wells, and some oil in another at only 770 feet, and that we are actually going to give you three tests.

"Faint heart never won" anything of consequence. It takes action to win—action and the willingness to take a chance. Will you hoard every dollar, keeping it where it can only earn moderate interest at best, or will you set aside a part of your money, the part you can spare without suffering—and give it a chance to win a fortune for you? Are you content to sit back and never have an opportunity to make the big money? Surely not!

OIL THE MILLIONAIRE MAKER

Come, let us reason together! Few people are born rich. The vast majority of us have to work—and work hard—for every dollar we make. Yet thousands and tens of thousands achieve riches. How do they do it?

Benjamin Franklin said, "Early to bed and early to rise, makes a man healthy, WEALTHY and wise." With all due deference to Ben, it DOES NOT! The pluggler who works faithfully day by day and saves his money carefully, sometimes acquires enough to live on in his old age—but rarely more. Check up on all the really wealthy men you know. Did any single one of them make their fortune that way? The chances are 1,000 to 1 against it. They made their fortunes by TAKING A CHANCE—and generally a long chance at that. Think that over.

How did American millionaires of today make their money? Here's one way: It is said that over FOUR THOUSAND millionaires and multi-millionaires made their money in oil! Get that? What a vast number, then, must have made thousands—a competence enough for all their needs—in oil. Future generations will look back on the money-making opportunities of today with astonishment and envy.

Oh! the romance of oil!

\$100 invested in Farmers Petr. Co. made.....	\$10,000
\$100 invested in Paraffin Oil Co. made.....	4,000
\$100 invested in Lucile Oil Co. made.....	10,000
\$100 invested in Pinal Oil Co. made.....	16,000
\$100 invested in Joaquin Oil Co. made.....	5,700
\$100 invested in Mettitt Oil Co. made.....	57,000
\$100 invested in Southern Petr. Co. made.....	3,000
\$100 invested in Imperial Oil Co. made.....	4,500

\$100 invested in Marine Oil Co. made.....	1,700
\$100 invested in Burk Waggoner made.....	3,333
\$100 invested in Trapshooter Oil Co. made.....	92,000

Remember, not one man alone made this in each company, but practically all the shareholders who held their stock in these companies made the same. If you want to make money, study how others made theirs! With one good oil well on our holdings, it would not be at all unreasonable to say that we might sell out our Company for ONE HUNDRED MILLION DOLLARS, in which event every \$100 invested would bring our shareholders \$20,000.

BRING IN YOUR ORDER TODAY

In conclusion, I wish to state that we are only going to sell a limited amount of this stock for development purposes, and this wonderful opportunity will only be open to you for a few days. Already forces are in the field and orders are pouring in from Florida and Alabama, where we are just placing it on the market. Wichita Falls just barely hearing of the proposition is already aroused and impressed with the great possibilities this company offers to its shareholders. Several have already taken stock voluntarily without solicitation and many thousands will be placed this week, and possibly if you delay you will be too late. Some people right here in Wichita Falls are figuring on taking \$5,000 and \$10,000 worth of shares, and many have said they would be in and take from \$500 to \$1,000 each. Fill out your check and bring it in today. You never know what tomorrow will bring forth in the oil field.

Should you desire any further information we will be pleased to have you phone 6478 or call at our offices, 305-306 Morgan Bldg., this city.

ON THE GROUND FLOOR

Most people do not realize that the chances of failure in a new field of this sort, well located geologically, are no greater than in "wildcat" territory adjoining a proven field; yet in such wildcat territory, owing to the high lease values, it is not unusual for a company having leases from 10 to 80 acres to have a capitalization as large as that of the Florida Oil Company with 260,000 acres. Our chances of vast earning are just about one thousand times greater. The development of an oil field is necessarily speculative as to whether you are going to get oil or not. We do not want to mislead anyone on this point. No one knows what is down there a half-mile or more in the earth. There is only one way to find out. We must send down the drill. It costs money—and lots of it—to do this. If you are willing to take your chances with the rest of us, we guarantee you a fair, square deal. If we bring in a good well and a new field, you will gain enormous profits. Our advice is invest in oil, but be conservative as to when and how you invest it.

We know that we have started out on the right track to make money for our Company, and that our shareholders are going to get a big run for their money. This is evidenced by the fact that we have not reserved a single acre of leases, but have put them all into our Company, including drilling wells, casing, automobiles, six well-equipped offices, brand new three-passenger Curtiss aeroplane, etc. We also honestly believe that we have a good chance of getting shallow oil at 770 feet, where we are now reaming down to set casing.

One hundred dollars invested now may make you many thousands within a few months. Do you know of any other enterprise in which you can invest a small sum of money and hope to receive a fortune in return? Many thousands of people have done just that in oil, the greatest money-maker in history.

THE MEN BEHIND THE DRILLS

The Florida Oil Company was organized recently by A. L. Huey and H. E. McConnell of Wichita Falls, Texas. Charles E. Logan of Kansas City, Mo., and I. W. Davis of Tulsa, Okla., all experienced in the oil business. It purchased all of the holdings of the Oklahoma Star Refining Company in Walton and Holmes Counties, Florida, and proposes to carry on development work in different parts of the territory energetically and efficiently. Remember, we are not telling the people that we propose to drill oil wells, but we are actually doing things just as set forth in this advertisement. Up to the time when I returned from Florida, we had not offered any stock or acreage for sale, but have been busy carrying on development. The proposition actually looks so good to us that if we were financially able we would not sell a dollar's worth of stock. Having carried the proposition as far as our finances permit us, we now come among our friends to give them the first opportunity to join us and make some real money. We are now getting in touch with the most up-to-date salesmen in the United States and will sell a portion of our acreage and make our stock bring par even though we should fail to get oil.

Spudders Out to Turn Tables on the Blues

MRS. MALLORY WINS WOMAN'S NET TITLE

Defeats Mrs. Cole in Straight Sets in Boston Championship Tournament.

BOSTON, March 19.—Mrs. Frank M. Mallory of New York, formerly Miss Molla Bjurstedt, won the national indoor women's singles championship for the fourth time today by defeating Mrs. Benjamin E. Cole, second, of North Anover, straight sets in the final round of the women's national tournament on the courts of the Longwood Cricket club. The score was 6-0, 6-2.

Mrs. Mallory, teamed up with E. T. Tilden, second, of Philadelphia, world's tennis champion, to compose the first team of national indoor mixed doubles champions in the first tournament for that title.

In the final rounds Mrs. Mallory and Tilden defeated Mrs. George W. Wrightman and Norris Williams, second, of Newton; score, 4-2, 6-4. The women's doubles title was won by Mrs. Wrightman and Miss Marion A. Zinderstein of Brookline, who by a score of 6-3, 5, defeated Mrs. Mallory and Mrs. L. G. Morris of New York, sharers of the 1920 title with Mrs. Helen Phillips and Edith whom Mrs. Mallory succeeds as indoor singles champion.

SPORT SHOTS

By Paul W. Larkin

"Great Game."
Yesterday's game at Athletic park should prove a good drawing card for the fans today. There were enough thrills in the battle to satisfy the most rabid fan and a "great game" was heard on all sides as the crowd left the park. Before the Blues took the field some of them complained of being tired and stated that the jump from Dallas coupled with their strenuous activities there Friday when they met the Indians and staged a field meet, knocked all the fire out of them. If they were tired yesterday, we'd like to see them go once when they are full of pep. They acted anything but tired.

Some Stellar Fielding.
It's almost worth the price of admission to watch "Bunny" Brief whip the horse hide and "Dutch" Zwilling go after the fly balls. These two Kansas vets looked like a million dollars. The hit credited to Brief was his poorest clout of the day, but it managed to drop safely in back of second. His other attempts enabled Jake Miller to turn in two of the prettiest catches of the matinee. Jake covered a world of territory yesterday, but not an inch more than Zwilling. The visiting right gardener was led a merry chase, especially by Miller and McDonald.

Gabriel Has Off Day.
Gabriel had one of his poorest days thus far, but he's only a rookie and he's not looking for the league stuff from the youngster yet awhile. He's got a lot to learn, but he knows it and is willing to take tips. He's O. K. when it comes to the mechanical end of the game, but there are many of the finer points which he hasn't mastered yet. We'll gamble that if he returns late in the week he'll be a different man when Dallas shows here April 15. We've seen vets who didn't know what to do with the ball in a pinch more than once.

Hope for the Best.
There's a whole lot depending on Salm's trip to Hot Springs and when he returns late in the week he'll be hoped that he will have a careful of good dope to slip the fans. His greatest needs are one outfielder, a first baseman with experience and at least one reliable hurler. If he can persuade Dreyfuss to return Johnny Moak and Carl Eberhard everyone will be satisfied. Eberhard worked a few innings in the Pirates' exhibition game with the Red Sox yesterday and was bumped rather freely.

Abe As An Arbitrator.
Abe Bowman found yesterday that the life of an umpire is not the softest occupation in the world. He missed a few more than the average arbitrator. The fact that Knabe took exception to many of his decisions made him look worse than he really was. Otto has to have somebody to pick on and Abe was the fall guy yesterday. When he wasn't jawing at Abe he hurried a bit at Buddy Tanner, but he missed the match there. Buddy's been kidded by professionals and one has to get up early to slip one over on him.

Marshall on Way.
Walter and "Rube" Marshall must have come to terms overnight because the Spudders boss told us yesterday that "Rube" was on his way here. The day before he said that he was holding out. He did not state whether or not he met the "Rube's" demands, but matters not as long as they agreed. If "Rube" is as good as everybody says he is he'll be welcomed with open arms. He turned in 15 victories for Memphis last season.

"Commy" at First.
It would not surprise us very much to see "Specks" Comstock given a try-out at the initial corner one of these days. "Commy" is no novice at the bag and might give a good account of himself. He made a great bid for a blow yesterday when he was sent in to hit for Moore in the ninth, but his drive went straight into Good's hands. It was a solid smash and the kind that Salm likes to see his men deliver.

Ruth Mastering Slow Ball.
While "Rube" was hit rather freely yesterday he was doing a lot of experimenting with a slow ball that he is trying to master. He had it working in great shape and caught more than one of the visitors off his stride. His efforts were costly, however, as he tired after the game was half over. Salm is up against it at the present time for hurlers and cannot afford to send in any men for relief work. Dargough will get the assignment today and should turn the Blues back if he's right.

Dr. Duval, eye, ear, nose, throat.
Testing eyes for glasses specialty. 222 American Natl. Bank Bldg. 310-11c
Beechnut breakfast bacon at the Bon Ton Grocery. 310-21c

Del Pratt, former Yankee, has not been heard from, but the Boston club has arrived and looked his 1921 season over for the first time. Both President Frazee and Manager Duffy are pleased with the showing of their young players and have been instructed by all of the holdouts in the Red Sox will present a strong lineup in the coming pennant race.

President H. H. Frazee of the Boston club has arrived and looked his 1921 season over for the first time. Both President Frazee and Manager Duffy are pleased with the showing of their young players and have been instructed by all of the holdouts in the Red Sox will present a strong lineup in the coming pennant race.

Personal Glimpses

FRANK ("KITCH") KITCHENS.

"Kitch" is the real veteran of the Spudders club and has been playing in organized ball since 1908. He's the daddy of them all and he's probably more popular with the fans here than any other player in the Texas league. Frank claims he first saw the light of day in Orange, Texas, in 1888. When he was 18 years old he joined the Austin club in the old Texas league and stayed with it during the entire season of 1905. The following year he went to the Alexandria club in the Gulf Coast league and in 1908-09 he was with Monroe in the Cotton States circuit.

He went to the New Orleans club in 1910 and came back to the Texas league in 1911 with Galveston. In 1912-13 he was with Fort Worth and then tried his luck with Houston in 1914. He went back to the Southern Association in 1915-16 and caught for the Chattanooga team. He jumped from there to the American Association and played one season for Canton in Minneapolis. He went back to New Orleans in 1918 and started the 1919 season with the same nine, finishing with Beaumont. Salm got him from Beaumont last year. He bats and throws right handed and hit .228 last season. His fielding average was .977.

"Kitch" says that he intends to play ball for ten more seasons and then will take a fling at umpiring. He is married. Tomorrow: "Buddy" Tanner.

WICHITA HI SECONDS FINISH WITH A WIN

Local Quintet Defeats Archer City 16 to 8—Has Not Lost This Season.

The Wichita Falls High school second team motored to Archer City yesterday and took another fall out of the Archer City second quintet by the score of 16 to 8. It was the final game of the year. Evans was the outstanding star of the game, though McCauley gave him a rub for first honors.

The local quintet has gone through the entire season without meeting defeat at the hands of any out of town team. Score:
Wichita Falls Pos. Archer City
Shaw c Fish
Evans rf Herron
McCauley cf Hull
Pardo lg McCauley
Neal 3b Mobley
Baskets: Shaw 2, McCauley 2, Evans 2, Neal, Fish 2, Herron 2.

OXFORD AND CAMBRIDGE TIE IN ANNUAL DUAL MEET

LONDON, March 19.—Oxford and Cambridge universities broke even in their annual dual track and field games at the Queen's club here this afternoon. Each team won five first places in the ten event program. Of the five Americans who competed for Oxford, two won their events, thus scoring two of the five points credited to the Oxonians. G. A. Trowbridge, former Princeton hurdler, captured the 120-yard dash, and A. J. Rees from the University of Nebraska was first in the 160-pound shot put.

H. J. White of Bowdoin gained second place in the running high jump, and H. W. Smith of Johns Hopkins was second in the 440-yard run, but under the English intercollegiate system of scoring second and third places do not count in the final result.

B. G. D. Rudd, the Oxford South African star, who gained international track fame at the Olympic games and in the University of Pennsylvania relay carnival, finished third in the 100-yard dash.

COLLEGIATE WRESTLING CHAMPIONSHIP TO PENN.

PRINCETON, N. J., March 19.—Pennsylvania State college won the intercollegiate wrestling championships here today with a total of 24 points. Cornell finished second with 13 points and Princeton third with 11 points. The others finished as follows: Yale, 10; Lehigh and University of Pennsylvania, 5; and Columbia, 4.

VINCENT RICHARDS LOSES TO FRANCES HUNTER

NEW YORK, March 19.—Vincent Richards, national indoor tennis champion, was eliminated today from the Metropolitan indoor championship tournament when he was defeated by Francis T. Hunter of New York, 4-1, 3-6, 6-4. Richards ranked twelfth in the national list and Hunter 17th.

Gassers Think They Have Already Won The 1921 Pennant

SHREVEPORT, March 19.—Billy Smith and his Gassers await the gong. There is nothing else to wait for as Eibel and Hartford, old dependables, are here. The rest of the Shreveport colony has been romping around the fair grounds until all the kinks are straightened out and the boys are headed in the direction of the Texas league pennant. There seems to be nothing in store but a busting to be tacked on the flag pole when the end of the season rolls around.

There is but one infield position that has not been written down as certain yet. That is the shortstop. It's a toss-up between Hartford and Watt with the odds slightly in favor of the latter. Not that he is considered a better man than Hartford, but Billy thinks he will fit in there better for the time being.

As to Greenlee, the big rookie catcher, there is a doubt. But he has a lame finger, which, coming so early in the season, is not calculated to put any manager in a talking mood. He has all the ear marks of a first class back-

JUDGE MARTIN WILL NOT OPEN COURT ON MONDAY

Judge P. A. Martin of the 59th district court will not hold court Monday morning as he will leave Sunday evening for Dallas to attend a meeting of the committee on education of the Northwest Methodist conference which convenes Monday morning.

Martin is chairman of this committee. He will return to Wichita Falls Monday evening and will open court Tuesday morning promptly at 9 o'clock.

MEXICAN RAILWAY EMPLOYEES AT WORK

MEXICO CITY, March 19.—Railway employees who have been on strike for several weeks, returned to work unconditionally today. The government made no concessions to them. Traffic was practically tied up during the strike.

DR. STRONG APPOINTED DISTRICT SURGEON FOR FEDERAL GOVERNMENT

The United States compensation commission of Washington, D. C., has appointed Dr. Thos. J. Strong of this city as surgeon of this district for all employees of the United States government who require medical and surgical treatment for injuries received while in the performance of their duties and for other purposes.

Under the Federal compensation act of September 7, 1916, civil employees of the United States have the right to compensation for personal injuries as well as medical, surgical and hospital service and supplies, and transportation if necessary to secure them, also health benefits while disabled for work, expenses in case of death and benefits in case of death. Therefore the appointment of Dr. Strong, which came unlooked for and as a pleasant surprise, undoubtedly is in recognition of his services as both an officer in the army medical corps for several years and in the United States public health service in North Dakota.

DUFFY BELIEVES HOLDOUTS WILL ARRIVE IN DUE TIME

HOT SPRINGS, March 19.—That Menosky, Vick, Walters and McInnis, now listed as holdouts by the Boston American league baseball club, will be with the team before it leaves the Hot Springs training camp, was the opinion expressed by Manager Hugh Duffy. Manager Duffy said that he had reason to believe that Menosky, Vick and Walters are now en route to Hot Springs, and that McInnis would soon fall in line.

TEXHOMAS WIN FIRST FROM NORTH SIDE, 7 TO 5

The Texhoma team of the City league won a snappy five-inning contest from the North Side Athletic club yesterday at the Texhoma grounds, 7 to 5. Beasley was in the box for the winners and held his opponents to six hits, errors in back of him being largely responsible for the losers' tallies.

RINGGOLD GIRLS CLAIM BASKETBALL CHAMPIONSHIP

RINGGOLD, TEXAS, March 19.—The Ringgold High school girls' basketball team is claiming the championship for north Texas. This team has played eleven games and not lost one. The hardest game played was with Wichita Falls High school, and in that game the score was 15 to 10 in favor of Ringgold.

Superintendent G. C. Rowwell of the Ringgold High school says the team will play any in Texas.

TIMES DAILY MARKETS

New York Stocks—Grain and Provisions—Cotton—Livestock

COTTON MARKET.

New York Cotton.
NEW YORK, March 19.—More optimistic of European political prospects reflected in the steadiness of cotton market here this morning. Failed to create any general or aggressive demand, but week end realigning sales were readily absorbed. The general market closed steady at a net advance of 1/32 to 22 points with March relatively firm.

The opening was irregular. There was a little more southern selling and active positions sold off a few points right after the call or about 4 to 8 points net lower. There was Wall street and scattered buying, however, and the market soon steadied up again.

A prominent Alabama spot firm estimated the reduction in acreage at from 20 to 35 per cent and both European and domestic spinners have been buying low grades of staples.

New Orleans Cotton.

NEW ORLEANS, LA., March 19.—During a good part of the session in cotton today, trading revolved around the question of how large the final ginning figures of the season would be in the report due from the census bureau Monday morning. In the early trading there was much talk of unfavorably large figures and the market fell 1/8 to nine points below the level of yesterday. In the latter trading the view appeared to prevail that a bearish report had been discounted and the market reacted to higher levels. Closing prices were at net gains on the day of 2 to 19 points.

LIVESTOCK.

Fort Worth Livestock.
FORT WORTH, TEXAS, March 19.—Receipts of live stock for the final session of the week on unchanged basis. Shipments were mixed and quality was fairly good. One car went at \$2.75 and other deals were round \$2.75 to \$3.15. Pig prices were about steady, the best stockers clearing at \$8.75 to \$9.50. Nothing was on sale in the sheep market, but the market reacted to higher levels. Closing prices were at net gains on the day of 2 to 19 points.

Quotations.
Cattle—Heavy, \$5.00@5.25; stockers, \$4.00@4.50; cows, \$2.50@3.50; canners, \$2.50@3.50; heifers, \$5.00@6.00; bulls, \$2.50@3.50; calves, \$2.00@3.00; yearlings, \$2.00@3.00.
Hogs—Light, \$9.00@9.50; medium, \$8.50@9.00; mixed, \$8.00@8.50; sows, \$7.00@8.00; rough, \$6.00@7.00; pigs, \$5.00@5.75.
Sheep—Lamb, \$2.00@2.50; yearlings, \$2.00@2.50; ewes, \$1.50@2.00; culls, \$1.00@2.00.

Kansas City Livestock.
KANSAS CITY, March 19.—Cattle—Receipts 150 head. For week mostly weak to 25c lower, some off more; canners weak, bulls 25c lower, calves 25c@50c lower, stockers and feeders 50c@75c lower.
Hog receipts 300; steady to strong with yesterday's average to \$9.70; bulk, \$9.40@9.50; good stock pigs, \$11.00.
Sheep—No receipts. For week: Sheep steady, carcases 25c@50c lower, lambs 75c@90c lower.

NEW YORK STOCKS.

NEW YORK, March 19.—Aside from the customary week end settlement of short contracts in oil, coal, metals and selected specialties at fairly substantial advances, today's short session of the stock market was dull and featureless.

A few shares under recent depression, notably Atlantic Gulf, moved contrary to the general list. This applied to more moderate measures on New Haven and Pennsylvania but rails almost as a whole were in the back-

ground the clearing house weekly report showed the relatively small increase of about \$3,000,000 in actual loans and discounts. Reserve of members at the federal reserve bank decreased by almost \$15,000,000, offsetting the greater part of last week's gain and contraction of slightly over \$21,000,000 in cash holdings reduced the excess reserve to \$24,449,000.

A more hopeful note was sounded in the day's general news authoritative and reviews reporting again in the wholesale dry goods business over the corresponding period last year. Mercantile conditions were better as to collections and further shrinkage of failures is indicated.

Liberty issues were again disposed to recede, but the bond list otherwise was steady, on a very narrow turnover.

Dealers reported more than usual activity in the foreign exchange.

Liberty Bond Quotations.
NEW YORK, March 19.—Liberty bonds closed: 3 1/2, \$90.42; first 4 1/2, \$87.00; second 4 1/2, \$86.94; third 4 1/2, \$87.20; fourth 4 1/2, \$87.12; victory 3 1/2, \$87.16; victory 4 1/2, \$87.12.

GRAIN AND PRODUCE.

CHICAGO, March 19.—Liquidation was on today with support lacking and was responsible for a sharp break in wheat at the finish which caused other grains to descend. At the close, wheat, led down 2 1/2 to 3 1/2 with March 1 1/2 to 1 1/2; and May 1 1/2 to 1 1/2; corn was off 1/2 to 3/4, oats were down 5/8 to 1/2, while hard was higher and pork and ribs lower.

Resistance against bids was the main factor in checking the decline in wheat. Crop reports were generally excellent. The market was generally bearish, the bears covering early and encountering little difficulty in obtaining wheat. After the shorts had completed their covering the market collapsed and finished near the low point. The world's economic conditions, however, remains the dominating influence on the market.

Corn was quiet. The feature was the buying of July on resting orders, credited to a leading elevator interest. There was a good trade in oats. Prices, however, averaged slightly lower, because of the decline in other grains. Strength in hogs was responsible for a firmer provision market early.

NEW WHITE BLOOM, NAMED AFTER MRS. HARDING, DISPLAYED AT FLOWER SHOW

Among the thousands of superb horticultural products on exhibition at the eighth international flower show at the Grand Central Palace, New York City, is an entirely new bloom which has been named the "Florence Harding".

Solo and Chorus Program for Gaul Oratorio Sunday

Solo and choruses making up the ensemble of Gaul's "Holy City" to be sung by the First Methodist church, South, choir Sunday evening, beginning at 7:45, will be given as follows:

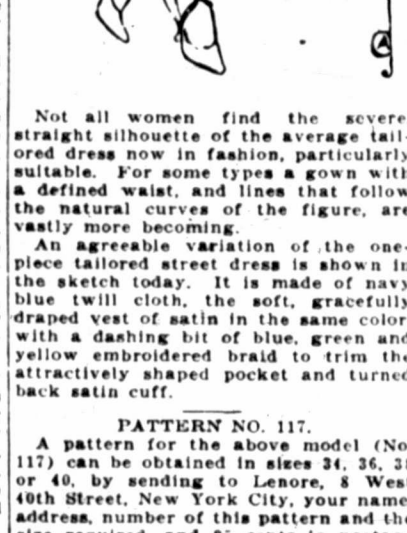

By Way of the Transom

What is the first sign of spring to you? If you know what it is, and can tell why it signifies to you more than any other one thing does the re-creation of life in nature, write it down in three hundred words or less.

Beauty Unsurpassed

The wonderfully refined, tender, white complexion rendered, bring back the appearance of youth. Revitalize your skin. Highly antiseptic. Exerts a really soothing action. Over 75 years in use.

Dull hair is delightfully improved with a Golden Gilt shampoo. 251-260

Not all women find the severe, straight silhouette of the average tailored dress now in fashion, particularly suitable. For some types a gown with a defined waist, and lines that follow the natural curves of the figure, are vastly more becoming.

A pattern for the above model (No. 117) can be obtained in sizes 34, 36, 38, 40, 42, 44, 46, 48, 50, 52, 54, 56, 58, 60, 62, 64, 66, 68, 70, 72, 74, 76, 78, 80, 82, 84, 86, 88, 90, 92, 94, 96, 98, 100.

By Way of the Transom

What is the first sign of spring to you? If you know what it is, and can tell why it signifies to you more than any other one thing does the re-creation of life in nature, write it down in three hundred words or less.

WHEN EASTER COMES

When Easter comes, I do not think of the man who hung with bleeding hands and feet, upon a rough hewn cross. I do not see a man who suffered pain and loss.

When Easter comes, I like to think of Youth, aflame With all the vivid promises of Spring. I like to think of budding trees, and winds that sing; And—most of all—when some one speaks the Savior's name, I like to close my eyes, and in His shadow, see a little, smiling boy against His mother's knee.

UNITY CLUB DISCUSSES IRISH ART AND MUSIC THIS WEEK

The Unity club met at the home of Mrs. Eugene Sherrod last week, and a very interesting lesson combined a study of "The Playboy of the Western World," a discussion of the Irish question and Irish art and music.

THE BATHTUB KING

Macnooder, the Tennessee Shad—all the old Lawrenceville heroes back again in this first of a new series by the unrivaled writer of school-boy stories.

THE FOUR SEXES

Some boys play with dolls; some girls play soldier; some men design clothes; some women go to Congress. Have we really four sexes?

THE BROAD-MINDED MARQUIE

INCOME PAYMENTS FROM WICHITA FALLS SMALLER THIS YEAR

DECIDED FALLING OFF IN CONTRIBUTIONS TO UNCLE SAM IS REPORTED.

LARGEST INDIVIDUAL SUM AT LOCAL OFFICE \$30,000

Some Of Greater Size Believed To Have Been Made Direct To Dallas Office.

Income tax receipts from Wichita Falls during the year 1920 will fall far short of those in 1919, according to Henry Wampler, deputy collector at the head of the local office. The actual number of returns filed in his office will be about the same as last year, he believes, but the revenue collected will be much less.

No indication could be given Saturday by Mr. Wampler in regard to the number of forms returned nor the amount of money collected. It will probably be the middle of next week before definite figures are available as only one-half of the forms have been tabulated to date.

The largest single tax payment to be handled through the local office was in the neighborhood of \$30,000, although a number of much larger returns are known to have been mailed direct to the main office of Scott Reed, internal revenue collector for the Eleventh Federal Reserve District in which this city is included. Checks for payments ranged from the \$50,000 mark all the way down to a few cents.

NOTED MUSICIANS WILL ENGAGE IN "TONE TEST" AT PALACE ON APRIL 4

A concert in which two musicians of proven ability will appear in a "tone test" with the Edison phonograph will be given Tuesday evening, April 4, in the Palace theatre under the auspices of the Musicians Club.

Miss Helen Davis, a talented mezzo-soprano, and Sybil Sanderson Pagan, whistler, will appear in a number of songs and whistling solos, as well as duets, in which the audience will be afforded the opportunity of judging for themselves whether or not the musical machine can reproduce the sounds exactly or not.

Cards of admittance can be secured at the Phonograph Shop, 429 Indiana. April 4 was originally being held for the concert to be given by Morgan Kingston, noted American tenor, but this engagement has been cancelled by Mr. Kingston and the two Edison artists secured in his place.

PROMINENT CITIZENS ASKED FOR VIEWS ON HIGH SCHOOL QUESTION

Twenty-five letters were sent out Friday from the public high school office to prominent citizens of the community requesting signed statements in regard to their attitude on the new high school building question.

The letters were formulated by the student staff of the senior class publication, the "Coyote," and all answers will be published in the magazine. The questions are being asked by the seniors merely with the idea of obtaining expressions from local residents.

CIRCLE ONE, FIRST METHODIST MISSION MEETS WITH MRS. CLARK

Circle One of the First M. E. Mission, south, meets Monday afternoon with Mrs. C. H. Clark.

ROSE CROIX KNIGHTS BANQUET THURSDAY

Will Meet at Kemp For Annual Observance Of Pre-Easter Ceremony.

Knights of the Rose Croix, or all 18 degree Scottish Rite Masons in Wichita Falls, will meet in the Kemp hotel at 8 o'clock Thursday evening, March 24, and observe the Maundy Thursday Mystic Banquet, an annual custom observed in Masonic circles throughout the land.

The observance of Maundy Thursday is of the utmost importance to all Knights of the Rose Croix, and no matter if a knight be alone in a far-off land he must at least feast in spirit with his brethren on this day. A brother, if he be traveling and meet another brother on the road or in a strange city, shall feast with that brother and observe in full the ritual of the Maundy Thursday banquet.

Scottish Rite Masons in Wichita Falls now number 350, which means that Thursday's banquet will be well attended.

Practically all local Scottish Rite Masons are members of Dallas consistory No. 2, which is one of the largest consistories in the southern jurisdiction. With the exception of the fifteen northeastern states this jurisdiction controls all territories and dependencies of the United States as well as the army and navy.

Wichita Falls has, at the present time three distinguished Masons who have received the honorary degree of knight commander of the court of honor, a degree given for meritorious service rendered after having received the 32nd degree. J. A. Kemp, Frank Collier and C. O. Fritz, all of whom have been prominent in Masonic circles of the state, are the three local men of high rank.

The following program for the Rose Croix banquet will be given. Reservations at \$2 per plate may be made through Otto Stehlik.

Invoication—N. F. Grafton, 32.
To the President of the United States—J. G. Culbertson, 32.
Solo—R. E. Shepherd, 32.
To the Supreme Council—J. A. Kemp, 32 K. C. C. H.
To the Sovereign Grand Commander by name—Frank Collier, 32 K. C. C. H.
To the Sovereign Grand Inspector General in Texas—John C. Kay, 32.
Quarantine—R. E. Shepherd, 32; Paul von Almsen, 32; R. Vaughn Ray, 32; G. C. Hullington, 32.
To the Most Worshipful Grand Lodge of Texas—J. D. Avis, 32.
Solo—R. Vaughn Ray, 32.

To the memory of the brethren of these degrees whose labors here below have ceased during this Masonic year—N. F. Grafton, 32.

To all Masons and Masonic bodies, of all rites and degrees, over the surface of the earth. Honors and laurels to the worthy, health to the sick; comfort to the needy, and succor to the oppressed, everywhere—L. G. Hawkins, 32.
Benediction—R. E. Shepherd, 32.

FINDS CITY WATER SAFE FOR DRINKING

Discoloration And Unpleasant Odor Nothing to Worry About Says Chemist.

A number of queries have come to the city sanitary department lately regarding the discoloration and the unpleasant odor of water taken from the city mains. According to Dr. A. H. Douglas, director of the department, this discoloration, the odor, and occasionally the peculiar taste, are nothing at all to become alarmed for, they are brought about by natural causes and the water is not rendered impure.

Lake Wichita to the city filter plant, according to Dr. Douglas, algae "oil," a secretion of the plant, gives to the water its smell and taste, but aside from rendering it slightly disagreeable to the human palate causes no trouble whatsoever.

The discoloration, says Dr. Douglas, occurs only when filter tanks at the water plant are being cleaned. All running water carries a certain amount of suspended sediment which is removed by using alum, and when the vats in which this alum treatment is made are shut off for cleaning, the water goes directly to the city mains from the filtering apparatus and the sediment naturally goes with it.

"There is no cause for alarm at the situation," said Dr. Douglas, "and it is not necessary to boil water to render it safe for drinking purposes. Daily tests made at the city laboratory show that the water is perfectly safe and practically free from all injurious impurities. It is impossible to remove the algae oil, and although it is distasteful, every city which has a water supply system similar to ours is troubled with the same thing and no one yet has traced disease or sickness to it."

"The discoloring caused by sediment is equally as harmless and need not cause worry."

That this city's sanitary department is rated as one of the best in the state was indicated in a letter received Saturday morning from Manton H. Carjick, president of the state board of health, in which he warmly complimented Dr. Douglas on the success of his department in keeping the city sanitary at all times. The recent rat extermination campaign conducted here under direction of sanitary officers evidently attracted the attention of the state officials, for they tendered their congratulations on its success and remarked that if other communities had applied themselves as diligently as had Wichita Falls the rat situation in Texas would be much better.

RECOVER SADDLES THAT WERE STOLEN RECENTLY FROM TOM BURNETT RANCH

Several valuable saddles which were stolen over a month ago from the Tom Burnett ranch near Iowa Park have been recovered in New Mexico, according to the Iowa Park Herald. Among the saddles was one used by Mrs. Lucille Mulhall Burnett, which she prized very highly. The saddles were located by New Mexico officers.

Mr. and Mrs. J. T. King of Okmulgee, Okla., are visiting Mr. King's sister, Mrs. J. L. McMahon. Mr. King is interested in the oil and gas business in that state.

For your special type of skin—there is a special treatment

Skins differ widely—are you using the right treatment for your type of skin?

If your skin is a constant problem to you—if you cannot keep it smooth and flawless—then you may be sure it is because you are not using the right treatment for your special type of skin.

Skins differ widely—and each different type of skin needs a different kind of care.

The girl whose complexion is of an oily type should use a special form of cleansing to counteract its tendency to become disagreeably shiny.

The girl with a pale, sallow skin needs a treatment that will rouse and stimulate the delicate pores and blood vessels.

No matter what your type of skin happens to be—you can overcome its defects! By the right treatment, followed persistently, you can give it the natural charm, the fresh loveliness and color that come from a healthy, well-cared-for condition of the skin itself.

Remember that your skin is constantly changing—each day old skin dies and new skin takes its place. By giving this new skin the special care suited to its needs you can make it as clear and smooth as you want it to be.

Study the special needs of your skin—find out just what its weaknesses are, and begin, now, to use the treatment that will overcome them. Three of the famous Woodbury treatments for improving the skin are republished on this page. You will find additional treatments for each different type of skin in the booklet of treatments, "A Skin You Love to Touch," which is wrapped around every cake of Woodbury's Facial Soap.

Get a cake of Woodbury's today, at any drug store or toilet goods counter, and find in the booklet the treatment recommended for your skin. Begin using it tonight.

A 25-cent cake will last for a month or six weeks of any treatment, and for general cleansing use for that time. The Andrew Jergens Co., Cincinnati, New York and Perth, Ontario.

For the girl with an oily skin

If you are continually embarrassed by that most common of troubles—an oily skin and shiny nose—begin tonight to use this simple treatment:

First cleanse your face thoroughly by washing it in your usual way with Woodbury's Facial Soap and warm water. Wipe off the surplus moisture, but leave the skin slightly damp. Now with warm water work up a heavy lather of Woodbury's Facial Soap in your hands. Apply it to your face and rub it into the pores thoroughly—always with an upward and outward motion. Rinse with warm water, then with cold—the colder the better. If possible, rub your face for a few minutes with a piece of ice.

This treatment will help to make your skin clearer and fresher the first time you use it. Make it a nightly habit, and before long you will see a marked improvement—a promise of that lovelier complexion which the steady use of Woodbury's brings.

For the girl who is troubled with blackheads

APPLY hot cloths to the face until the skin is reddened.

Now with a rough washcloth, work up a heavy lather of Woodbury's Facial Soap and rub it into the pores thoroughly—always with an upward and outward motion. Rinse with clear, hot water, then with cold—the colder the better.

If possible, rub your face for thirty seconds with a piece of ice. Dry carefully.

To remove blackheads already formed, substitute a flesh brush for the washcloth in the treatment above. Then protect the fingers with a handkerchief and press out the blackheads.

For the girl who is pale and sallow

If your skin is pale and colorless, use this new steam treatment for it:

One night a week fill your bowl full of hot water—almost boiling hot. Bend over the top of the bowl and cover your head and the bowl with a heavy bath towel so that no steam can escape. Steam your face for thirty seconds. Now lay a hot cloth with Woodbury's Facial Soap. With this wash your face thoroughly, rubbing the lather well into your skin with an upward and outward motion. Rinse first with warm water, then with cold. Finish by rubbing it for thirty seconds with a piece of ice. Dry carefully.

The very first time you use this Woodbury steam treatment, your skin will begin to show more color. The other six nights of the week, cleanse your skin thoroughly in the usual way with Woodbury's Facial Soap and warm water.

Easter—the Time When All the Universe Seems Bursting Forth With Song and Happiness

Easter suggests New Apparel and you have but one more week to make your selections for this occasion—visit our store this week—you'll find everything in readiness for you

THE SECOND FLOOR APPAREL SECTION Awaits you with all the new prevailing Easter modes—On every side is found dainty things for Milady's wardrobe and one has but to look around to see just the things to please you. This week will be an opportune time to make your selections.

BELLER TAILLEURS

Many and alluring are the new ideas in the Spring Suits that make selection a delight. Mannish tailored suits, novelty suits, embroidered, braid-bound, with split panels, flared cuffs, semi-fitted effects, or box coats opening from the neck to show smart gilets—all developed in Picotine, Twillcord, Tricotine, Poirer Twill.

\$100.00 to \$225.00

Other Suits \$29.50 to **\$150.00**

WOMEN'S EASTER DRESSES

New and unusual notes of elegance appear in both street and afternoon frocks—such as English eyelet embroidery applied to Tricotine, Chantilly lace with taffeta, decorative motifs and medallions of self ruching embroidered effects and lace. Canton Crepe and Georgette in straight effects, but Taffetas frankly bouffant with panniers, puffs and flounces.

\$19.50 to \$350.00

BOTH CAPES AND COATS TO BE WORN THIS SPRING

Whether you've decided what you want in the way of a wrap, or whether you've waited to be convinced by new models, this collection holds in store a delightful revelation. Aside from the beauty of the styles and materials, you'll find the gratifying reflection of your own discriminating taste and refinement—the same exquisite attention to detail and tailoring found in custom made apparel.

See Our Easter Showing

IN OUR BOY'S DEPARTMENT

We have rearranged our Boys' Section and added extra fixtures and we are pleased to announce that when completed this will be the best equipped Boys' Department in the country. This will be welcome news to the mothers, as a department of this kind will fill a long felt want.

REPUBLICAN LEADERS LACKING IN COURAGE, SHY AT LEGISLATION

NOT AGREED AMONG THEMSELVES AS TO JUST WHAT IS TO BE DONE.

TAXATION AND TARIFF TROUBLESOME PROBLEMS

With All The Majority Leaders Are Unwilling To Take a Chance As Expected.

By MARK SULLIVAN
National Political Correspondent of the New York Evening Post.
(Copyright, 1921, by the New York Evening Post.)

WASHINGTON, March 19.—The republican leaders who are responsible for the coming tariff and tax legislation do not give an impression of being sure of themselves.

They are not agreed among themselves as to just what is to be done, they don't realize how great is the country's expectation of them, and it is doubtful if they are as fully aware as some business men are of what the conditions are.

Longworth wants to take up the tax legislation first. Fordney wants to make the tariff first.

On this point some western leaders suggest a compromise in the shape of a tariff first, then tax revision, and then a leisurely and thorough protective tariff.

As to taxation, Fordney and Smoot believe in the new gross sales tax, while Longworth does not.

Where Penrose stands isn't certain, he had an experience during the recent session which has made him wary about taking strong positions.

Penrose is Cautious.
When he first arrived in Washington after his year's illness he laughed

publicly at the idea of wanting time on an emergency tariff measure. Then some of the western republican senators stood him on his head and made him go solemnly through the motions of leading the fight for the bill he had laughed at. Penrose will be cautiously sure of what he can put through before he takes a strong public position again.

All the republican leaders feel in their hearts that the gross profits tax ought to be repealed, and a few of them have the courage to be willing to do it. But the others think it would look too much like exempting the corporations from a burden that individuals still must bear. They want merely to reduce it.

In the same way it is generally agreed that the sur taxes of over 40 per cent, on incomes over \$10,000 a year work a harmful economic effect in that they tend to cause all the great fortunes of the country to take refuge in tax free municipal bonds, thus limiting the amount of investment money available for ordinary enterprises.

Most of the leaders fear to reduce the high sur taxes lest the act be unpopular.

Most of the tax discussion is in terms of popularity and political effect.

With a tenure of four full years in the White House ahead of them, with a majority of 23 in the senate, and over two thirds in the house, the republicans are still unwilling to take a chance.

Fear for Their Jobs.

They are unwilling to find out what is sound and do it courageously. They talk as if there was danger of losing their dominance next month.

As for their lack of courage, they don't have the information or insight into conditions that many business men have. The republican leaders think they can leave the income tax where it now is, and that the public will go on paying cheerfully as much as they have in the past.

These republican leaders, and every one responsible for the conduct of the government's business, were going to get a shock when we learn the amount of the income tax and profits tax turned in on Tuesday.

It will be far short of past amounts and far short of enough to meet the government's bills. And if they continue to rely on these taxes next year, the disappointment will be greater yet.

Probably Mellon, after he has had time, will be able to give the republic-

an leaders a correct view of how things stand and what must be done. But Mellon can't supply the republican leaders with courage, or with co-operation, or with the kind of personality that alone makes leadership. There is an opening in congress for an Aldrich.

DETROIT FEDERATION OF LABOR RENEWS DEFENSE OF SOVIET GOVERNMENT

DETROIT, MICH., March 19.—Imputation of Samuel Gompers, president of the American Federation of Labor, that leaders of the Detroit Federation are receiving or should receive compensation from the Russian soviet government for advocating its recognition by the United States, comes with bad grace and is unworthy of a reply, the local organization informed Mr. Gompers in a letter made public here today.

The letter, in reply to one in which Mr. Gompers accused Detroit union leaders of being "servants of the soviet government," defends the Russian government and renews the recommendation for recognition.

"The soviet government," it asserts, "possesses a better mandate from the Russian people than does any government on the face of the earth."

Mr. Gompers' statement that the Russian government has nothing of value to export is declared at variance with general information from apparently reliable sources. Resumption of trade with Russia, the letter adds, "would in some measure temporarily relieve the suffering American workers are now forced to endure because of the unemployment situation."

Lack of organization among workers here, which Mr. Gompers charged to the local federation, is explained by the statement that the Detroit body has opposed to it the largest and best organized "open shop" employers association in the United States. The fact that Michigan is known as the "grave yard of organizers" is cited as proof that the condition is not due to lack of effort on the part of the Detroit federation leaders.

Long association with the growing Wichita Falls district extensive facilities and large resources place the City National Bank of Commerce in a position to be of exceptionally valuable service to the business men, oil men, manufacturers and merchants in this territory. The officers of the bank invite consultations looking to the opening of accounts. — 210-11c

AUSTEN CHAMBERLAIN PROBABLE SUCCESSOR ANDREW BONAR LAW

LONDON, March 19.—Austen Chamberlain, chancellor of exchequer, was being mentioned in political circles today as the probable successor of Andrew Bonar Law, who has resigned as spokesman for the coalition government. His designation for that position was said to be contingent only upon his wishes.

Should Chamberlain accept, it will be that either Sir Robert Horne, president of the board of trade, or Sir Worthington Evans, minister without portfolio, would be made chancellor. Stanley Baldwin, under secretary of the treasury, would succeed whichever of these two was named as Chamberlain's successor.

Efforts to induce Earl Derby to accept leadership of the unionist party apparently have been unsuccessful.

ST. LOUIS PLACES BAN ON THE DEARBORN INDEPENDENT

ST. LOUIS, MO., March 19.—All persons selling the Dearborn Independent, Henry Ford's weekly paper, will be arrested beginning today, Police Chief Martin O'Brien announced.

The action was taken on the grounds that the publication was a disturbance of the peace and contributed to the defamation of a class of persons, according to the chief, who said that the publication is at this time conducting a campaign against persons of Jewish extraction.

MRS. MILLER IS ACQUITTED OF MURDER OF HUSBAND

By United Press.
CLEVELAND, March 19.—Mrs. Maud Miller was acquitted today of the murder of her husband, Peter J. Miller. The jury deliberated five hours. Mrs. Miller said she mistook her husband for a burglar and shot him early on the morning of January 29 as he entered their home.

Style-Value Satisfaction Ladies!

If you had three wishes when you were buying your new Suit, you would probably ask for smart styles, for real value and for lasting satisfaction

If you will come here for that new Suit Monday, you will find your wishes gratified before you have a chance to express them.

The smart styles featured will give you "that well-dressed look" now, but it's the excellent tailoring and material that will keep it for you during many months' hard service.

The assortment of Suits we offer for Monday at \$69.50 are real worthwhile values. See them in window today. Come, try them on Monday.

TAFFETA FROCKS ARE SO SPRINGLIKE!

Lattices are not confined to rose arbors this season. One finds them trimming adorable Frocks of Taffeta. Fashioned of bands of self-material or narrow velvet ribbon, they are arranged to form alluring open-work effects. Other trimming features which mark the new Taffeta Frocks as out of the ordinary are quaint puffings, garlands of taffeta flowers, clever side flares and basque bodices. Navy heads the wide range of attractive colors.

Priced \$25.00 to \$95.00

SHOES HELP TO MAKE THE COSTUME

There is no question about it. This fact applies to grown-up folks just as it does to little tots. Shoes, high and low, which take into consideration the needs of every hour of the day are here in pleasing varieties. Smart styles, good leathers and obviously superior workmanship make the note of economy which pervades these displays most apparent.

Priced \$10.00 to \$15.00

Radiant Easter Modes

Alive with the Freshness of Spring

Easter Sunday, March 27, 1921

CUSTOM has selected Easter Sunday as the day for new spring wearables. Every man, lady and child will be looking their best this the dress up day for America.

This store's beautiful assembly of spring's most wanted merchandise awaits your selections for Easter wear. We have spent months of time assembling this beautiful stock of wearables and now await an opportunity to show you the new spring styles.

These Beautiful Spring Suits

Never comes the Spring without an enlivened interest in Suits. This year's exposition modes show an amazing variety developed in Piquette, Poret Twill, Twill Cord and other smart Woolens. Particularly youthful and typical of the zest of Spring are the various interpretations of the unbelted jacket. Some are box, others have the graceful ripple back, while others follow the lines of a coolie jacket. Almost without exception smart sashes of self fabric, Satin or Ribbon, fringed or bead-tasseled, accompany these Suits.

Prices are reasonable this season for these quality Suits and range from \$35.00 to \$125.00.

You Should See This Showing of Dresses

What frock would not be gay when it is the style to be lavishly and exotically decorated? Medallions of glass beads in red often match little vests or bindings of red duvetyn applied on navy twill. Grey continues in the path of popularity and women visiting the Exposition will find the collection of grey frocks comprehensive in number as well as varied in style and price. Many of the models have the popular new flare skirts, tiered flounces or side plaitings.

You will appreciate these beautiful dresses when you see how reasonable they are priced from \$20.00 to \$100.00.

A Fascinating Display of Spring Millinery

Gage, Fisk, Johnson, Rosenthal have their most beautiful styles represented in this display of Spring Millinery and have had their part in making this the most popular millinery store in this section of Texas.

That most important, most delightful detail of a Spring costume—the Hat—is here in all its loveliness for Easter week. Styles are now established and one sees models exquisite with handwork, embroidery and colorful fabric. Beautiful decorative braids and straws, fruit and flowers, pert ribbon bows, odd decorative pins and smart veillings are trimmings which combined with color form fetching models for the sunny days of Spring.

Prices are very reasonable and range from \$5.00 gradually to \$35.00

Two Pair of Trousers With These Boys' Suits A Real Baseball Free With Each Suit.

Boys have to have quality suits and an extra pair of trousers in order to get satisfaction out of their clothing. We have assembled some of the best all wool suits we could find for the boys and the patterns are certainly good looking this season. In addition to this these suits have an extra pair of trousers. With each Boys' suit we give a dandy league baseball free. You can get the best quality of Boys' suits here with an extra pair of trousers and please the boy by getting a baseball free.

Choice \$12.50
Other Boys Suits Priced \$8.50 and \$10.00

TOM SAWYER BLOUSES FOR BOYS

Tom Sawyer blouses for boys are better made and are perfect fitting. All materials are the best and these blouses do give satisfaction.

Boys' Blouses are priced from \$1.00 to \$2.50
Boys' Little Brother Union Suits priced \$1.00 and \$1.25

Langham High Suits for the Young Man

Just as boys' suits are different from men's suits, these Langham High suits for the first long pant suit are different.

Langham High only makes suits for the young man, therefore they know just what he wants. Most of the boys are buying their first long pant suits from this store because we have what they want.

Langham High Suits are priced from \$25.00 to \$50.00

Bannister Shoes and Oxfords

Easter and the new suit and hat call for new shoes or oxfords. Bannister footwear for men is recognized as the best for men who appreciate good shoes that fit perfectly and give satisfactory wear.

Bannister Shoes are priced this season \$15.00
Bannister Oxfords are priced this season \$13.50

Bion F. Reynolds Shoes for Men

We have sold Reynolds shoes since we have been in business and we know that these shoes will give satisfaction. Many men will not wear any other make of shoes and our new oxfords and high shoes are in stock and are priced \$12.50 and \$13.50

La Camile Spring Corsets Await Your Selection

With the approach of warm weather many women like a light weight corset. Here are excellent values, lightly, yet correctly boned, low bust, and with supporters placed so as to give the best fit to the corset and comfort to the wearer. So inexpensively priced that one may have two or more pairs with which to alternate during the warm weather.

Every attention will be given to assure you of being fitted in the corset that will give your new clothes that effect of being worn over a perfect foundation. Prices range gradually from \$2.50 to \$25.00

AMUSEMENT CALENDAR FOR COMING WEEK

Motion Pictures

Famous Saxophone Six at the Wichita Theater This Week

Brown's famous Saxophone Six, a musical comedy which is probably the best known exponent of jazz music now before the public, will be the headlines at the amusement bill of the Wichita theatre during the coming week. The company has made a number of phonograph records during the past few years and are well known through that alone, but since their tours of American concert and vaudeville stages has started they have increased their fame many fold.

The sextette is composed of six of the best saxophone artists in the country, and their combined efforts reach the pinnacle of musical perfection. The harmony, melody, chords, life and joy that they can draw from their instruments puts all other attractions of a similar nature to shame, and wherever they have appeared the public has been loud of their praise.

A recent issue of the Indianapolis News had the following to say of the Browns:

"Brown's Saxophone Six in an unusual entertainment scored heavily with a large audience at the Columbia yesterday in a repertoire of classic, popular and jazz selections. The performers are all fine musicians, and one of them in addition is a black face comedian of rare merit."

A strong picture program, starting on Monday and Tuesday with Edith Sterling in "The Girl Who Dared," has also been provided for the week by Manager Seeman. This first picture is a new western that has just been released and is said to be a knockout.

Manager Seeman has also announced the return on Monday, March 23, of Rube Hooper and his "Oh You Wildcat" troupe, who opened the new policy play at the Wichita some weeks ago.

"THE GILDED LILY" FEATURE AT THE OLYMPIC THEATER

A brilliant new Paramount picture, "The Gilded Lily," starring Mae Murray, will be the feature at the Olympic theater for the first three days of this week. The play was produced by Robert Z. Leonard, and is the first Mr. Leonard has made with Miss Murray, who in real life is his wife, under a new contract with the Paramount Pictures corporation.

"The Gilded Lily" is reminiscent of the George Fitzmaurice production of "On With the Dance," in which Miss Murray achieved a notable success last year. The bewitching blond star is seen as Lillian Drake, a typical Salsamander—one of those women who can take from men and give nothing in return—but though she is all laughter and rouge and silk on the exterior, her chief aim in life is not to play the part of the butterfly, and how she finally achieves this end furnishes a thrilling climax to the story.

A real optical feast is promised patrons of the Olympic on Thursday, Friday and Saturday when Douglas

AT THE STRAND THEATER FOR THREE DAYS THIS WEEK

Allan Dwan presents "The Forbidden Thing"

Fairbanks' new photo feature, "The Nut," opens a run.

According to advance reports regarding this production, the public may expect to view a real celluloid innovation, for in originality and novelty of treatment this picture is said to excel anything yet attempted by the ingenious Doug. No exact announcements have as yet been made as to the nature of the photoplay, but it is said to provide a new type of characterization for the popular star.

A statement issued from the New York office of the United Artists, which is releasing this screen offering, conveys the information that "The Nut" deals with a girl in New York's historic Greenwich Village, and Doug's adventures as a gay Lothario are said to involve some of the most amazing and comical complications shown upon the screen. Much of the "business" of the story, as well as data relating to locations gas gathered personally by Fairbanks during his stay in New York after returning from a honeymoon jaunt to Europe last fall.

Three former Edison artists at Olympic Monday and Tuesday

A special musical program in which three former Edison phonograph artists are slated to appear will be given Monday and Tuesday of this week at the Olympic theater. Merle Alcock, Henry Mayo and company have been secured to offer the main attractions in the musical line, and it is possible that Edlers orchestra from the Palace theatre will also be on hand to offer some selections.

The Edison trio are touring this part of the country giving concerts in the

OLYMPIC THEATER ATTRACTION MONDAY, TUESDAY, WEDNESDAY

various theatres and were secured through the Dallas office of Dye, Ford and Rodgers. Their offerings will include classical, popular and jazz numbers and is said to be exceptionally fine.

Some special solos on the big Olympic organ will also be given by Mr. Carlisle and will round up the music feast. No advance in prices for the special treats will be made.

Incidentally the Olympic has been making some long steps toward advancing into a class by itself as an amusement center, for it is seldom that a week goes by without some new innovation being made by Manager Sparks. His latest stunt was the decking out of the Olympic usherettes in decidedly attractive costumes. Those who have attended the theatre within the past ten days need no further evidence that the young ladies who handle the traffic are exceedingly well garbed.

W. S. HART COMING IN "O'MALLEY OF THE MOUNTED"

William S. Hart's biggest and finest picture, "O'Malley of the Mounted," is being featured at the Olympic on Monday, Tuesday and Wednesday of this week, and according to press reports, official reviews and sundry other remarks it is a knock out, better even than "The Testing Block," which heretofore has been acknowledged as the finest which Hart ever produced.

The story deals with the events surrounding a chase into the wilds of the Canadian Northwest by Sergeant O'Malley of the Royal Northwest Mounted Police, a group of officers which is perhaps the most famous of any on either continent. The very nature of the film permits of the staging of some remarkable scenes of strength and the incorporating in the picture of some exceptional thrills.

In filling his role, the star is forced to go through dangerous situations more than once, but the care and thoroughness with which the directors worked resulted in the picture being completed without mishap.

Although it is hard to conceive of a finer production than Hart's "O'Malley of the Mounted" the picture booked for the last three days of the week is also declared to be among the best now on the market. William Farnum in "If I Were King" is the feature, the story being taken from the famous novel of the same name.

Mr. Farnum has had a long and successful career, and has made many fine

OLYMPIC THEATER ATTRACTION MONDAY, TUESDAY, WEDNESDAY

MAE MURRAY and LOWELL SHERMAN in "THE GILDED LILY"—A PARAMOUNT PICTURE

pictures during the years he has been before the camera, but according to experts who have viewed this latest production it is far and away better than anything he has even attempted heretofore.

"If I Were King" is a splendid story, splendidly told and well handled by a capable cast of actors.

Altogether it looks as though the Olympic has a full week ahead.

ECZEMA IN LARGE WATER BLISTERS

Around Edges of Hair and Nose. Cuticura Heals.

"Eczema broke out in large water blisters around the edges of my hair, temples, and nose. After a few days they turned to sore eruptions, which caused terrible discomfort, also itching and burning. The itching and burning were so intense that I scratched and irritated the affected parts and lost rest at night. My hair became thin, dry and lifeless. A friend advised me to try Cuticura Soap and Ointment, and when I had used about two cakes of Soap and three boxes of Ointment I was completely healed." (Signed) Miss Marjorie E. Hughes, 815 12th St., N. E., Washington, D. C.

Monday and Tuesday: Charles Ray and Louise Glaum in "The Wolf Woman."

Wednesday and Thursday: Shirley Mason in "The Girl of My Heart" and 13th episode of "The Son of Tarzan."

Friday and Saturday: Jack London's story, "The Mutiny of the Elsinore."

Gem. Monday: Rex Beach's famous story, "The North Winds Malice."

Tuesday: May Allison in "The Marriage of William Ashe."

Wednesday: Robert Warwick in "An Adventure in Hearts."

Thursday: Louise Lovely in "Partners of Fate."

Friday: Ethel Clayton in "More Dearly Than the Male."

Saturday: Harold Lloyd in "Captain Kid's Kids," westerns and topics.

"THE NORTH WINDS MALICE" HEADS ATTRACTIONS AT GEM

Rex Beach's crowning dramatic achievement "The North Winds Malice" heads a long list of fine pictures which shall be shown at the Gem theatre during the coming week.

Although the Beach story is expected to be the big drawing card the rest of the week's bill is by no means weak, and contains a number of fine productions by popular stars.

Tuesday brings May Allison, the well known Metro star, in "The Marriage of William Ashe," a delightful comedy interspersed with drama and pathos.

The story deals with the daughter of an English nobleman who, tiring of the life of a convent maid, marries a big diplomat and starts out on a wild series of adventures. She gets

her husband in bad by publishing a book of satirical caricatures on members of the British political cabinet and later gets in Dutch herself by appearing at a lawn party wearing nothing but her flowing hair, an impersonation of the Lady Godiva of bygone days. Altogether the story is one of thrills and interest from first to last.

On Wednesday comes Robert Warwick in "An Adventure in Hearts," the screen version of Anthony Hope's exciting novel "Captain Dieppe." Some wicked boxing matches and a well arranged plot make this story a very good one.

Thursday brings Louise Lovely in "Partners of Fate," which is a novel treatment of the eternal triangle situation. And on Friday Ethel Clayton in "More Dearly Than the Male" makes her appearance. Both of the pictures are fine and show the respective stars at their best.

Harold Lloyd, comedian supreme, finishes the week in "Captain Kid's Kids."

EMPRESS THEATER SECURES A WELL KNOWN ORGANIST

What local amusement patrons consider to be the best music ever heard in a Wichita Falls playhouse has been on tap at the Empress during the past week, and this has been explained by the fact that Harold Gulbrandsen, a musician of rare talent, has been secured by Manager Harwell as first string organist.

Mr. Gulbrandsen came to Wichita Falls from the Palace theatre in Little Rock, Ark., but previous to that time he has been one of the best known organists in the north, having played at the Lyric theatre in Minneapolis, the Buckingham in Chicago and the Garrick in Minneapolis.

After graduating from the Hinshaw conservatory of music in Chicago in June, 1916, he studied privately under Julius Johnson, then manager of the Garrick, and later under Eulia Chenereux, a famous French organist of Northfield, Minn. Before taking permanent assignments as a theatrical musician Mr. Gulbrandsen traveled throughout the northwest with Oscar Gronroth, well known Scandinavian baritone, on a concert tour. In all he appeared in 55 concerts, rendering piano and organ solos in addition to playing piano accompaniments for the vocalist.

His work at the Empress during the last week has attracted a large amount of attention, for in handling his instrument, using the pictures and getting the best possible effects he is a master. Arrangements are now being made whereby a special overture will be given each day by Mr. Gulbrandsen at the opening of a picture program, and with this as an extra added attraction he is expected to be a big drawing card for the Empress.

A man is judged by his record. That is the way in which the City National Bank of Commerce wants to be judged—by its record of uninterrupted success and constructive service to the business interests and the people of Wichita Falls and vicinity.

310-110

NOTED PICTURES BOOKED BY THE EMPRESS THEATER

Below is given a list of pictures which have been booked for the Empress theatre in the near future, and they run without farther comment. Mark them off on your date book, for they are all well worth seeing.

These are just the "big" ones, and of course do not take in many fine plays which are not quite in a class with this list.

March 21—William S. Hart in "O'Malley of the Mounted."

March 24—William Farnum in "If I Were King."

March 26—Priscilla Dean and Lon Chaney in "Outside the Law."

Other bookings, dates not settled—Ole Skinner in "Kismet," "The Connecticut Yankee in King Arthur's Court," Ibsen's famous story "The Four Horsemen of the Apocalypse," screen version of the famous story "Black Beauty."

"THE FORBIDDEN THING" IS SPECIAL FEATURE AT STAND

"The Forbidden Thing," a special production by Allan Dwan, and "The Small Town Idol," a seven reel special Mack Sennett production, have been booked by the management of the Strand theatre and will be the main attractions at that playhouse during the coming week.

A good supporting bill of Pathe news reels and topic films will also be shown on each occasion.

In the first picture, which makes its appearance on Monday, Tuesday and Wednesday, Mr. Dwan has handled a much discussed subject in a manner which has made it offensive to none, and has injected into the film a liberal amount of thrills and drama which aid in making it a success.

James Kirkwood has been cast in the feature role and surrounded by a strong supporting cast.

In "The Small Town Idol" Mack Sennett production one of his best known comedies, replete with funny situations and pretty girls, Sennett's comedies have come in for an ample share of criticism from the reformers of late because of some of the "features" that they show, but there is no denying that his pictures always make a distinct hit with the public and never fail to attract large crowds.

All the well known Sennett stars, including Ben Turpin, Marie Prevost and others are included in the cast of the forthcoming production. The title is descriptive of the play, for the story deals with a youthful Beau Brummell in a small village, whose activities with the ladies win the undying hatred of the other eligible masculines. Comical situations abound, and have been treated in a fine manner by the producers.

Phone 2657

SHIRLEY MASON AT MAJESTIC IN "THE GIRL OF MY HEART"

A strong and exceptionally interesting story, with a star role entirely suited to the charm of Shirley Mason, is "The Girl of My Heart," a Shirley Fox production which is to be featured at the Majestic on Wednesday and Thursday of this week.

It is a screen version of Francis Marian Mitchell's novel "Joan of Rainbow Springs."

Based upon the experiences of an orphanage girl who began life as a nameless foundling, the story takes one into a southern home of wealth, and thence west to the Indian country where the heroine and the handsome hero are precipitated into various perils born of intrigue and hatred.

The thirteenth episode of "The Son of Tarzan" will also appear on Wednesday and Thursday.

Monday and Tuesday brings Charles Ray and Louise Glaum, two of the screen's best known film favorites, in a return showing of "The Wolf Woman," a story filled with thrills and exciting situations from first to last.

This picture was shown at a local theatre several months ago, and attracted a great deal of attention.

For the last two days of the week a stirring tale of sea life has been secured, the screen version of Jack London's famous novel "The Mutiny of the Elsinore" being featured. If ever a story dealt with blood thirsty pirates, murder and loot, "The Mutiny of the Elsinore" did, and in the screening none of the original "charm" of the story has been left out. A strong cast has been used and some exceptional scenery secured.

A Message to the Good People of TEXAS

EIGHTEEN YEARS AGO a few of us formed an association to market our fresh berries. Pretty soon we found we lost many of our berries because they became dead ripe and could not be shipped. Then we built a little cannery and preserved the best of our berries. The trade liked our berries because they tasted different from any other berries.

That was because the damp but sunny climate makes this the best berry land in the world. Also because we put up our berries when they were fresh and fine. Also because we tried to do our work a little better all the time.

Thus grew a demand that now reaches every state in the union. We have been going pretty fast the last 18 months. That isn't because we have discovered anything new. We have merely taken the well known fact that the best berries are those that you pick fresh from the vine and we have used common sense in learning how to preserve them in the best way.

That's the whole secret of Paul's Jam. We are telling it to you at this time because we want you to have confidence in us—to understand the simple reasons why Paul's Jam must be different from store jam.

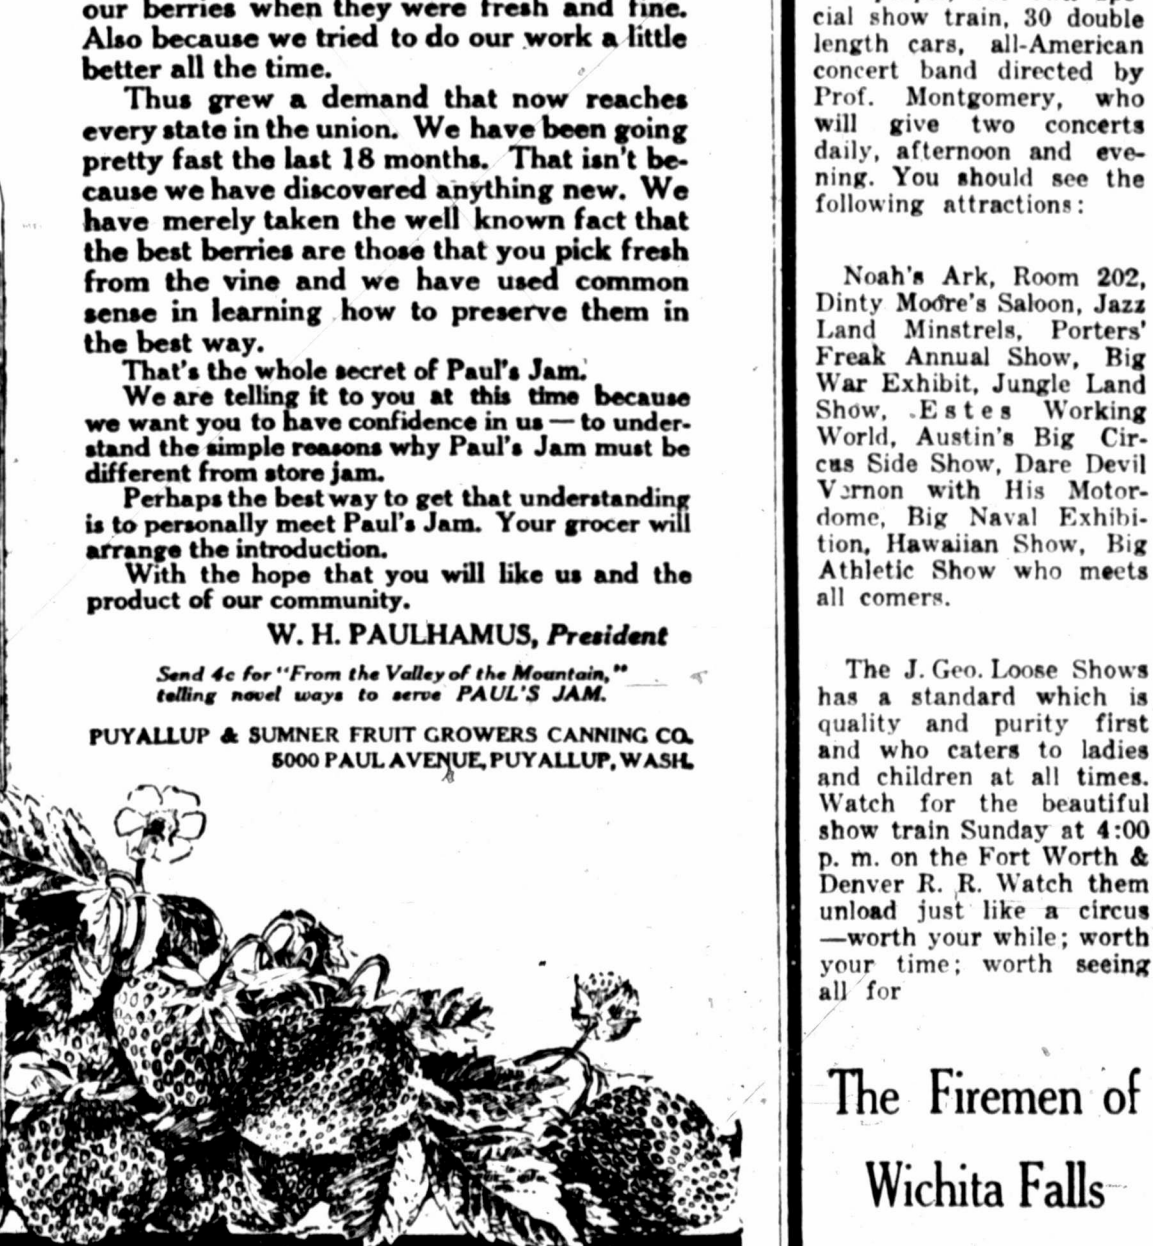

Perhaps the best way to get that understanding is to personally meet Paul's Jam. Your grocer will arrange the introduction.

With the hope that you will like us and the product of our community.

W. H. PAULHAMUS, President

TWO CLAY COUNTY SCHOOL DISTRICTS MAY INCREASE TAX

Two school districts in Clay county will be among the very first in Texas to go over the old 50-cent limit in school taxes, according to the Henrietta Independent, which says that the Petrolia and Buffalo Springs districts will have elections on this matter in the next few weeks. Each will seek to increase the tax to one dollar. A tax of 50 cents on the \$100 was until a short time ago the maximum that could be levied. The adoption last November of a constitutional amendment making one dollar the new limit, and the subsequent enactment of laws by the legislature putting the amendment into effect make it possible to double school taxes, if the property owners affected desire to do so. It is quite likely that the distinction of being the first district in Texas to vote a higher tax will go to either Petrolia or Buffalo Springs.

SEVERAL FEATURES ARE PLANNED FOR SESSION OF KIWANIS CLUB MONDAY

A talk by Rev. F. T. Danson on "The Other Fellow Movement" will feature Monday's session of the Kiwanis club at the Kemp. W. S. Currie is chairman for the luncheon, and "glad hand" duty will be performed by Carter McGregor and W. M. McGregor. Dodger Hoover is to furnish the treats for the luncheon, cigars. "The Other Fellow Movement" to be discussed by Mr. Danson, was instigated by Dr. J. Berg Eisenstein of Springfield, Mass., and is said to be a matter of much interest to Kiwanians. Musical features will include the singing of "Kiwanis" by Mrs. E. C. Huckabee and the leading in other songs by Mr. Huckabee.

Woman Acquitted In Connection With Murder of Jailor

COVINGTON, TENN., March 19.—Mrs. Irene Shaw, daughter of a Moscow, Michigan, farmer, whose husband, Aida F. Shaw and Edward B. Kelly of Imlay City, Michigan, recently were sentenced to twenty-two years imprisonment for complicity in the killing of George T. Reeves, Shelby county jailor, was acquitted today on a charge of accessory to murder in connection with the death of Reeves. The verdict of not guilty was reached on the first ballot after a trial lasting two days. Reeves was mortally wounded when he attempted to prevent a jail delivery at Memphis last November. Mrs. Shaw was charged with having smuggled a pistol into the jail. She denied having brought any weapon into the prison. After the verdict was read at the opening of court today several citizens announced their intention of raising a purse to be given the woman. The cases were tried here on a change of venue.

They're Biting Now At Lake and Many Fishermen Are Out

Catfish and crappie are biting greedily now at Lake Wichita, according to local fishermen, and each day sees the fishing pier lined with smokers, most of whom bring in good-sized strings. While Lake Wichita is plentifully stocked with fish, they are a rather temperamental lot, and bite only by spells, according to local fishermen. At present one of the biting spells seems to be on. Some fishermen are using a new kind of bait, known as "stink-bait." It is said to have an odor so powerfully disagreeable that the action of the water falls to extinguish it, and catfish take kindly to it.

TO BRING RAILWAY INVESTIGATION TO AN EARLY CLIMAX

CHICAGO, March 19.—Railroad labor union officials today planned to bring the investigation of the railway executives' discussion on national adjustment boards to a climax by examination by the railroad labor board of W. W. Atterbury, vice-president of the Pennsylvania railroad, and C. R. Gray, president of the Union Pacific, both of whom were chairmen of the labor committee of the Association of Railroad Executives. Atterbury was chosen to succeed Gray when the latter's report on the adjustment boards, although receiving the approval of a majority of the labor committee, was voted down by the executives' association.

AUTOMATIC TELEPHONE SYSTEM NEARLY FINISHED BUT DELAY IS LIKELY

Installation of the automatic telephone system is now about 92 per cent complete, according to C. C. Kirby of the telephone company, but nobody knows just when the remaining eight per cent will be completed and the new system put into use. Delay in getting needed material from the factory is causing postponement. The automatic sets have now been placed in the homes and offices of nearly all subscribers, and the system will be completed as soon as the remainder of the material arrives.

ROTARIANS GOING TO VERNON TUESDAY FOR INSTALLATION OF CLUB

I. H. Roberts, president, and several other members of the Rotary club here, will go to Vernon Tuesday to assist in completing organization of a

PAPER ON HISTORY OF SHRINE READ SATURDAY AT WEEKLY LUNCHEON

An interesting paper on Shrine history was read at the weekly luncheon of the members of Maskat Temple Saturday, by D. O. Fritz, recorder of the Temple. The paper sketched Shrine history from its origin in Arabia down to its present-day activities in this country. Horace Robbins, captain of the Shrine Patrol, told of plans for the March 9 ceremonial, when a large class will be received.

TEMPORARY ORGANIZATION OF CLUB IS EFFECTED

VERNON, TEXAS, March 19.—Temporary organization of the Vernon Rotary club was effected yesterday at a meeting of representative local business men, E. O. Brown, editor of the Vernon Record, was elected temporary chairman and Jed Morrow, manager of the chamber of commerce, temporary secretary.

Tuesday was chosen as the day for weekly luncheons and a permanent organization will be effected next week when Wichita Falls Rotarians will come to Vernon and assist in perfecting the local club. The Vernon Rotary will begin with a membership of about seventeen, after which not more than three members may be taken in during any one month.

HIGH SCHOOL ENROLLMENT AT GRAHAM IS INCREASING

GRAHAM, TEXAS, March 19.—Enrollments at the high school continue to pour in, Superintendent Cogdell said today in announcing that 23 new students had been received since Monday. Fifteen of these came in Monday and six on Tuesday. Mr. Cogdell believes it will be necessary to start a downtown school soon. The examination period for the third nine weeks' term closes today and pupils have done very good work. The present enrollment of the school is around 1,100.

SWEAR OFF TOBACCO

"No-To-Bac" has helped thousands to break the costly, nerve-shattering tobacco habit. Whenever you have a longing for a cigarette, cigar, pipe, or for a chew, just place a harmless No-To-Bac tablet in your mouth instead, to help relieve that awful desire. Shortly the habit may be completely broken and you are better off mentally, physically, financially. It's so easy, so simple. Get a box of No-To-Bac and if it doesn't release you from all craving for tobacco in any form, your druggist will refund your money without question—adv.

BREAD at a FAIR PRICE

The public is hereby advised that the Home Bakery is selling a pound loaf of bread at 10 cents. A 1 1/2-pound loaf is being sold over the city at 20 cents—no better in quality, if as good, as ours. The grocer makes a greater profit off of this 1 1/2-pound loaf—and the public "pays the freight."

We have been urged by certain grocers to raise the price of our loaf to 15 cents, so that they may make a greater profit. We refused. We will continue to give a full weight, pound loaf for 10 cents.

Will you stay with us and buy an Honest Loaf at an Honest Price?

Pre-Easter Specials in Ladies' Ready-to-Wear

BEING OFFERED ENTIRE WEEK OF MARCH 21ST, BEGINNING MONDAY

This announcement should mean much to you. It means that we are going to give our customers the full advantage of some of the luckiest purchases that this firm has ever made. A few days ago we received a wire from our New York buyer telling us he could secure these items for us if we could take the entire lot at a very close price. Knowing that the people of Wichita Falls would appreciate this rare opportunity for money-saving on their Easter wearables, we wired him immediately to buy and rush.

For the entire week, commencing Monday, March 21st, we are going to let our friends share our good fortune. We are going to give you values which would cause surprise even at the end of a season. Come and see the value-feast we have prepared for you. Be here early. Many of the items are destined to go in the first few hours of selling. We want you to share in the greatest week in the history of this store.

Four Special Dress Values WHICH PROVES OUR ABILITY TO Give Best Prices

ONE LOT OF DRESSES in Georgette, Crepe de Chine, Mignonettes, Taffetas and Tricolettes. Colors: Navy, Gray, Brown and Black. These could be conservatively priced at \$25. Special for this week, **\$14.95**

ANOTHER LOT OF SMART DRESSES in all popular materials. All the plain colors and some combinations. Selling today for \$30.00. Special for this week **\$19.50**

ANOTHER LOT OF DRESSES, exclusive models and patterns. A liberal selection of colors in Satins, Canton Crepes, Georgettes, Crepe de Chines, Taffetas and combinations. These Dresses are bringing from \$35.00 to \$45.00 today. Special for this week **\$27.50**

STILL ANOTHER LOT of about fifty Dresses which are about as pretty as we have seen. The materials are the same as the lot described above, but they are of finer finish and workmanship. Many show eyelet embroidery; many more are trimmed with beads. Every one a beauty. Regular \$50.00 values, special this week at only **\$34.50**

Lovely Georgette and Crepe Blouses

Which Will Add Greatly to Your Easter Costume

The assortment consists of fifty charming Blouses cut from Georgette and Crepe de Chine. All the newest shades and very handsome. One of these Blouses will add a full 100 per cent to the beauty of your new Easter wardrobe. Look them over early. You will agree that they are fully \$10.00 values. Special for this week only ... **\$5.95**

Extra Specials in \$1.00 Values

We have established a reputation for the wonderful dollar values we have given in the past. These offerings outshine all of our previous efforts. Read the list of specials and ask to see the garments themselves—

- A lot of 100 Organdy and Voile Blouses.
- Muslin Gowns.
- Muslin Petticoats.

WHY?

Do Leaves Change Color in the Autumn?
 (Copyright, 1920, by The Wheeler Syndicate, Inc.)
 Just as bears and a number of other animals retire into the seclusion of their caves and "hibernate" during the winter months, so also do trees. The only difference is that trees being firmly fixed in the ground, cannot move. They make up for this, however, by withdrawing their sap and other life-giving ingredients, resting up during the cold weather much as human beings go to sleep at night. In other words, they must be at work. One result of the withdrawal of the sap from the tree, is that it not only stops the growth of the trunk and the branches, but it also takes the life-supplying ingredients from the leaves, and the latter gradually die. This process of death is not instantaneous, and the chlorophyll, or green coloring matter, slowly changes to a bright brown, producing the varying colors which we see in the woods during the autumn months. A touch of frost will hasten this change perceptibly, cold having a marked effect upon the chlorophyll, and it is because of this that a tree will often alter its appearance overnight, turning from the bright green of the summer foliage to the flaming red of the early autumn days.
 Monday—Why does a cat arch its back when it meets a dog?

JUST FOLKS

By EDGAR A. GUEST.
 Bill Pays a Call.
 Bill dropped in with his "Howdydo?" An' he gave the baby a kiss or two. An' he hugged the girls all round till they were all laughing and a-weepin'. Had cheeks as pink as the buds of May.
 Then he went to Mother an' shook her head.
 An' bowed to her with a sweep most grand.
 An' her face lit up with a merry smile.
 As she joked with Bill for a little while.
 He galloped the youngster on his knee.
 An' told him a tale of the rolling sea.
 He sprang full length on the parlor floor.
 An' made us laugh till our sides were sore.
 Then the girls came in from the kitchen where they'd been doin' the dishes, an' Bill said: "There, now the work's all done, it is time for play."
 Let us get to our singing right away."
 Bill dropped in for a little call.
 An' he brought in gladness for us all.
 Old an' young, when he passed the door,
 Seemed happier folks than they were before.
 An' when he wasn't a care we had known that day.
 But seemed to leave us an' fade away.
 Till he suddenly said: "Oh me, oh my!
 It's ten o'clock, how time does fly!"
 Isn't so much to a tale like this,
 Unless you are one who is rich an' miss
 The friendliness an' the warmth an' all
 The joys of havin' folks come to call.
 Oh, we're richer than millionaires by far.
 An' happier, too, than the 'great men' are.
 For with all their pomp an' their pride
 An' their 'fun' an' their 'fun' they can't
 Bill passes 'em by to call on us.

BETTER PROVISION FOR THE INSANE.

A marked increase since 1910 in the number of insane institutions in all parts of the United States is a feature of a census of patients in insane hospitals, just completed by Horatio M. Pollock, statistician of the New York state hospital commission, and Edith M. Furbush, statistician of the national commission for mental hygiene. The rate of insane persons in institutions increased from 1910 to 1920 by 16 to the hundred thousand. In 1910, the rate was 204 and in 1920, 220 per 100,000 of the general population.

A report on the census, which appears in the current issue of Mental Hygiene, the journal of the national committee, contains many other interesting features in addition to the facts regarding the increase in the number of insane.

The last census of this kind was taken January 1, 1918. At that time there were 223,957 mental patients under treatment in the country, while at the beginning of 1920, there were 232,550, an increase of 8,593. The males predominate, the ratio of males to females being 52 to 48, but the report says in this connection: "With the marked decline in alcoholic psychoses and the gradual reduction in syphilitic psychoses, it is probable that the excess of males in the hospitals for mental diseases and among first admissions to them will ultimately disappear."

Remarkable progress in the establishment of institutions for the care and training of feeble minded persons has been made in the last decade. In 1910, 17 out of 48 states had no institutions whatever for the care of the mentally defective, while in 1920, all states except five had provided special institutions for this class of unfortunate. Since 1918, the movement for specialized training of feeble-minded persons has swept over the south and in two years, Louisiana, South Carolina, Alabama, Florida, Georgia, Tennessee and Mississippi have made provision for state institutions.

Concerning the question of alcoholism, the report finds that inebriation from alcohol or drugs has shown a rapid decrease in the past three years. Bearing on this question is the fact, set forth in the report, that today not a state in the union maintains a hospital for inebriates, the last of these institutions having been closed in 1920, or converted to some other use.

The report is encouraging in its comment upon the fact that institutional care of persons suffering from mental diseases is increasing much more rapidly than the incidence of these troubles.

REVENUE PROBLEM OF PRESSING IMPORTANCE.

According to Washington dispatches President Harding regards tax legislation as of first importance and will insist that congress take up the revenue and taxation problem ahead of the tariff.
 There are good reasons why President Harding will insist on tax legislation being given right of way. Secretary of the Treasury Mellon has submitted estimates showing that instead of a reduction in government expenditures an increase will be necessary. A half billion dollars in short term government notes are about to mature and some provision must be made to meet them. Reports from income tax collectors indicate a decrease of nearly a billion dollars in income and excess profits taxes. All of these circumstances combine to make the question of revenue and taxation one of pressing importance.
 The republicans are pledged to the discontinuance of the excess profits tax. As government expenditures are to be heavier rather than lighter, and as the loss of revenue from the discontinuance of the excess profits tax must be made up from some other source, it can be seen that little relief can be expected by the ordinary tax payer.

Old H. C. L. continues to grow weaker, and, while he may not die it is pretty certain that it will be some time before he will have back his old strength. Government statistics show that wholesale prices declined 5% per cent during the month of February and that food prices declined seven per cent during the same period.

NEW REALTY FIRM OPENS FOR BUSINESS HERE
 The Dyas Realty company is the latest addition to the real estate fraternity in Wichita Falls.
 Robert Dyas, the senior member of the firm, has been engaged in the real estate business in Wichita Falls for the past two years, and is well and favorably known.
 A. J. Dyas recently resigned his position with the Kehler Flour Mills in St. Louis to join his brother in the organization of the new firm.
 The Dyas Realty company has its office in room 422 Bob Waggoner building.

THE ANNOUNCEMENT OF THE DRAMATIC TREAT OF THE SEASON

TWO TRAINS DAILY LIKELY ON SOUTHERN

The straight passenger train will leave Wichita Falls at 8 a. m., reaching Graham at 11:30 a. m., and the return train will leave Graham at 4 p. m., reaching here at 8 p. m.
 Tentative plans for the schedule into Breckinridge when the line is completed there provide for day and night trains, the latter with through sleepers. No effort will be made to perfect details of these schedules, however, until the road is completed into Breckinridge.
 Very satisfactory progress was made last week at the several places where construction work is in progress, and no serious delays were experienced. Officials were unwilling Saturday to make a guess as to the exact date of completion into Graham.

NEW ICE CREAM FACTORY OPENS FOR BUSINESS

M. K. Alston, formerly of Dallas, Texas, and G. W. Manes, of Seladina, Mo., have opened an ice cream factory at 705 Tenth street, under the name of the Crystal Ice Cream company, and will make an aggressive campaign for the trade of the dealers of Wichita Falls and the surrounding territory.
 Both members of the firm are experienced in the business and the firm has installed new and modern equipment with every facility for doing a successful business.

CITY TO ENTERTAIN MANY VISITORS IN NEXT TWO MONTHS

FOUR STATE CONVENTIONS ARE SCHEDULED AND ONE DISTRICT GATHERING.

SHRINE CEREMONIAL AND RODEO ALSO TO BE HELD

Meetings Expected To Bring Several Thousand Visitors Here In Next Two Months.

Wichita Falls will entertain some thousands of visitors during the next two months, a number of conventions and special occasions being scheduled.

Four state conventions, one district convention, the annual rodeo and a Shrine ceremonial are the events on the program, and all of them combined will bring many thousands of out-riders to this city. Active plans for entertaining the delegates to the several meetings are already under way.

On April 19, 20 and 21 the state convales of Knights Templar will be held here, and several hundred members of this Masonic organization will be here.

April 25, 26 and 27 will bring here the district convention of the Texas Federation of Women's clubs, and delegates from a number of northwest Texas counties will attend.

April 28, 29 and 30 are the dates set for the spring rodeo and wild west show, an annual stunt which always brings thousands of visitors here, and which is planned on a more elaborate scale than ever this year.

May 6 and 7 will bring the convention of the state organization of osteopathic physicians and surgeons here, with 100 or more expected. Dr. A. O. Scharff of this city is president of the organization and is making extensive plans for the occasion.

May 9 is the date set for the next ceremonial of Maskat temple, when several hundred candidates from Wichita Falls and west Texas will become shriners.

On May 9, 10, 11, 12 and 13 the Christian missionary convention will be held here, with delegates from practically every Christian church in Texas expected to attend.

Wichita Falls is again inviting conventions to this city, after going several years without attempting any entertainment on account of lack of accommodations. It is hoped to bring a great number of state and district meetings here for 1922.

SCHOOL TRUSTEES ELECTION APRIL 2

W. M. Priddy Only New Man Whose Name Has Been Mentioned For Board.

Three members of the present school board, whose terms expire this spring, have consented to be candidates for re-election. It was learned Saturday, they being W. R. Ferguson, W. W. Brown and W. T. Willis.

J. L. Jackson, who has been on the board for a number of years and whose term also expires, has declined to serve again, and the friends of W. M. Priddy have brought him forward for a place on the board. The election is set for April 2.

Mr. Priddy has taken a very active interest in school matters in the past, having a leading part last year in the raising of the supplemental funds needed to carry on the term, and having been of service in several other ways, and it is felt that he would make a valuable addition to the board. Members whose terms do not expire until next year are Judge A. H. Carrigan, M. O. McDowell, Mrs. M. M. Adickes.

NEARLY MILE OF IOWA PARK ROAD FINISHED

Labor Cost Of Paving Highways Thus Far Has Figured Only 41.4 Cents Per Square Yard.

At the close of work Saturday night nearly one mile of pavement had been laid on the Iowa Park road project. Although the contractors have been handicapped on account of the break down of one mixer they have been successful in paving from 600 to 640 feet a day by working two six-hour shifts on one machine.

At the close of work Friday night, 4,426 feet of the road had been completed and by keeping their daily average Saturday brought the total to over 5,000 feet. Thus far the labor cost per square yard has been 41.4 cents.

The broken parts for the mixer have not arrived as yet although they were expected last Wednesday. Telegraphic advice from the Cleveland factory was to the effect that the parts were shipped by express on March 12.

The daily runs this last week up until Friday night follows: Monday, 356 feet; Tuesday, 411 feet; Wednesday, 552 feet; Thursday, 610 feet; Friday, 625 feet.

BOUND OVER TO GRAND JURY UNDER BOND OF \$1,000

L. E. Wright, charged by complaint with theft by bailee over the value of \$50, was bound over to await the action of the grand jury under a bond of \$1,000. An examining trial was held before Justice of the Peace R. V. Irwin Saturday morning.

A man is judged by his record. That is the way in which the City National Bank of Commerce wants to be judged—by its record of uninterrupted success and constructive service to the business interests and the people of Wichita Falls and vicinity.

MAYS & MAYS LAW FIRM ESTABLISHES OFFICE HERE

Announcement was made yesterday that the law firm of Mays & Mays had established law offices in Wichita Falls. The firm opened their office in the City National Bank of Commerce building and is in charge of Howard and John Mays.

Mays & Mays is one of the best known criminal law firms in the state, having for many years been engaged in Fort Worth. There are six brothers of the Mays and they are all attorneys.

Kidnaped, Forced, To Wed, Beaten on Her Wedding Night

ST. LOUIS, MO., March 19.—A story of how she was kidnaped, forced to marry, beaten on her wedding night and then deserted by her husband, a Camp Grant soldier, was told to police by Thomas May Hook today.

Mrs. Marie Samoil, the mother of Clarence Halew, said to be a private in company E, 57th Infantry, at Camp Grant, is being detained by police. Authorities announced they would issue a warrant for her.

Let us sell your car. Security Motor Sales Co., 112-14 Ninth street, 203-101c

CONTENDS COMPANY DID NOT PAY WHEN INSURED AUTOMOBILE BURNED UP

F. E. Hill, in his suit for a judgment of \$1,750 contends that the Camden Fire Insurance Company did not pay for his insured automobile after it was destroyed by fire in Iowa Park on December 24, 1920.

Mr. Hill, in his suit for a judgment of \$1,750 contends that the Camden Fire Insurance Company did not pay for his insured automobile after it was destroyed by fire in Iowa Park on December 24, 1920.

He alleges that H. R. Denny was acting as the company's agent and that he insured his Buick car for \$1,800 with him on June 15, 1920, and paid the first yearly premium of \$47.50. He states that for some reason he never did receive the policy on the car and that after the fire he demanded payment on his policy but that the company refused.

URGENT IMMEDIATE RELIEF FOR THE CATTLE INDUSTRY

By United Press

WASHINGTON, March 19.—Senator Arthur Capper of Kansas and a delegation of livestock men called at the White House today to urge immediate steps for relief of the cattle industry.

Lower freight rates and steps to reduce importations of foreign meat were suggested.

HAVE YOU SEEN RIGGS?

It's Good Values—Not Good Luck—that Filled the Store to Capacity

You should have seen our store at closing time last night—looked as if a cyclone had been through it. In spite of what the "apostles of gloom," "calamity howlers" and "crepe hangers" predicted about business, we have had the biggest business this store ever saw. We are exceedingly thankful for the big results that we are obtaining and we are going to make somebody else just as joyful. It proves conclusively that people are anxious and willing to buy good merchandise when swollen profits have been eliminated. If you have not attended this sale, it will be to your advantage to do so at once, because we are making drives in prices that are worthy the attention of all. Did you ever see such an opportunity? No! Therefore, decision is necessary for time is limited.

MEN LOOK! CLOTHING VALUES

If you live as far as fifty miles from Wichita Falls, don't fail to attend this sale and purchase a new suit, the very best models made by Universal Tailoring Company, G. S. At the Churches Today

First Presbyterian Christian Endeavor
Program for March 20: Leader, Mr. Stuart. Song service. Prayer. Song Reading. Edlene King. "Home Life in Alaska." H. W. Tatum. Duet, Mrs. J. D. Harris and Mr. Dooley. "Commercial Resources of Alaska." Mr. Dooley. Scripture on Evening. Mission Work in Alaska. Leader, Piano solo, Gladys Coleman. Program starts at 6:45.

Lamar Avenue Baptist Church.
Corner of Lamar and Fourth streets. Sunday school at 10:00 a. m.; Fred Come, Supt. Preaching at 11:00 a. m. and 7:30 p. m. Subject for the morning sermon, "Two Men Following." Light Luncheon 2:00 p. m. Senior B. Y. P. U. 4:30 p. m. On Friday evening, March 25, there will be a social meeting at the church building. The hours are from 8:00 to 10:00 o'clock. A special effort is being made to have every member of the church present. Friends are also invited. There will be an interesting program and refreshments will be served. Come and enjoy the evening with us.—A. J. HOLT, Pastor.

First Methodist Church.
Seventh and Lamar—Morning sermon, "If He Had Not Come." Evening sermon, "The Tragedy of Sin." Let us go beyond the 200 mark in the Sunday school and start on the next goal of 200—come on and try it! The Epworth League should reach 100 at the 10 o'clock hour. Come and bring a friend with you and help to make this church what you would like it to be. Join the Wednesday night Bible class.—J. S. PITTENGER, Pastor.

First Christian Church.
Tenth and Travis streets—Bible school 9:30 a. m. Morning worship 10:30 a. m. Young Peoples Christian Endeavor 6:30 p. m. Evening worship 7:30 p. m. Everyone is cordially invited to attend Sunday school and the morning services. Come early and hear the good music by the Sunday school 12-piece orchestra. Join in the singing. The anthem to be sung by the choir at the morning services will be "The Crucifixion (by Morrison)." Also Mrs. Clark will sing a solo. Visitors to the city are cordially invited to attend.

Seventh Day Adventists.
Meet at Floral Heights Presbyterian church, corner Kemp boulevard and Avenue C. Bible study on Saturday at 2:00 p. m.; subject, "The Lord of Glory." Preaching at 3:00 o'clock; subject, "The Power of the Gospel." Preaching on Sunday night at 7:30 o'clock; subject, "The Coming of Elijah Before the Great and Dreadful Day of the Lord."—GEORGE W. SHIRES, Pastor.

Floral Heights Methodist Church.
In the series of sermons on "The Word of the Bible," the pastor's subject for Sunday evening is "The Boy Who Kept His Window Open." Only a few more Sundays in the tabernacle. Let us make them days long to be remembered. Good music and a cordial people.—W. L. TITTLE, Pastor.

First Presbyterian Church.
The music at the First Presbyterian church Sunday will be exceptionally good. Miss Teresa Neale is going to repeat her solo that the electrical storm disturbed last Sunday. The choir has a beautiful anthem for the morning service and Mr. Martin is going to sing a solo at night. Mr. Martin has delighted music lovers every time he has prevailed upon to sing and a rare treat is in store for those who attend our Sunday night service. The pastor will speak at both hours and an opportunity for church membership will be given in the morning service.—N. F. GRAFTON, Pastor.

International Bible Students Association.
Will meet Sunday at Labor Temple.

702 Travis, room 10, for Sunday school at 10:00 a. m.; at 11:00 a. m. to study Tabernacle Shadows, and in the afternoon at 2:00 o'clock at the Wichita theater, where "Dr. R. L. Robie of Brookline, N. Y., will speak on the subject of 'Christ's Kingdom is at Hand.' Millions now living will never die. This topic is proven with many Bible texts. Mr. Robie is a man of wide travel and experience and a Bible student of note. This lecture has been delivered in some of the principal cities of the world and has created wide comment and interest. Those who are fortunate enough to hear Mr. Robie on this occasion will be amply repaid for any effort it may cost them. An are invited. There will be no charges for admission and no collections will be taken.

Church of the Good Shepherd. (Episcopal)
Services for Palm Sunday: Holy Communion 8:00 a. m. Brotherhood Corporate communion at this hour. Sunday school 9:45. Palm Sunday services 11:00. Adams' Office in "P" will be sung by the choir and for the offertory "Hosanna to the Son of David" by Varley Roberts. Palms will be distributed at this service. Evening, Palace theater, 7:15. A great service of song, worship and inspiration. Fine orchestra leads the evening, always a Gospel message and a wholesome moving picture. Holy Week services: Monday, Tuesday, Wednesday and Thursday, services at 9:30 a. m. On Good Friday from 12:00 noon until 3:00 p. m., "The Three Hours," a service of meditations on Sunday School "Last Words." In the evening at 8:00, the choir assisted by vocalists from other choirs will sing Stainers' Oratorio, "The Crucifixion." We cordially invite you to attend this service. The congregation will be provided with the words of the oratorio, and are asked to sing the hymns found therein. Everybody always welcome to the services of this church.—FRED T. DATSON, Rector.

Floral Heights Epworth League.
Meets at 6:30 Sunday evening in the tabernacle at Tenth and Denver. Two splendid talks are slated under the general topic of "Golden Opportunities." You will enjoy them. Good music also will be heard. The League is making arrangements for a contest to start soon and be completed about the second or third Sunday after moving to the new church. Come Sunday evening and hear further announcement of the contest.

Lutheran St. Paul's Church (Mo. Synod)
Eleventh and Holiday streets. Sunday school at the usual hour—9:30 a. m. Evening services in the German language at 10:30 a. m. Berea Bible class Bible study meeting at 7:30 p. m. The entertainment committee of the Bible class will meet Wednesday night at 7:30 in the school room. Friday evening good Friday, we shall have services at 10:30 a. m. Everybody is cordially invited to worship with us, especially all strangers.—C. M. BEYER, Pastor.

First Baptist Church.
Sunday school 10 a. m. We have a very fine and deeply interesting subject for our Sunday school lesson, "Jesus on the Cross." Time, crucifixion A. B. 30. Place, Mount Calvary, just outside Jerusalem. Behold the suffering Saviour: (1) See the Saviour submitting. Voluntarily, with deliberate purpose Jesus "endured the Cross." (2) See the Saviour transfixed. The Cross was much more than an instrument of torture and the machinery of death. It was the altar of sacrifice. (3) See the Saviour characterized. The title plate gave Him, whatever it designed, was not inapt. He was the kinglet of the Jews and king of all the earth. (4) See the Saviour humiliated. To the depths He went when they stripped Him, nailed Him to the rough Cross.

Keep Your Face Looking Fit THE DAILY SHAVE

means not only neatness and comfort, but it really adds to your personal efficiency—and whether you use the safety or the old-style razor, the shaving stick, cream or powder, we have the makings. Most self-shavers these days want something with interchangeable blades—and we can offer you a wide choice in these, both straight and safety.

unfilled Him to the gaze of the morbid crowd, taunted Him, saw Him die! (5) See the Saviour blasphemed. The vinegar dripped from bitter tongues into His dying ear. How cruel were their challenges! Silent, He heard it all. (6) See the Saviour shrouded. Nature folded a canopy of black across the face of the sun, and darkness prevailed for three of the fiercest hours of the day. (7) See the Saviour forsaken. When he looked up into the black heavens and saw not the smiling face of the Father, His cup of agony overflowed in that heart-breaking utterance of utter loneliness. (8) See the Saviour dying. At last, treachery and trial, scourge and thorn, nail and challenge, did their worst. There was the paroxysm of dissolution and Jesus was dead! (9) See the Saviour atoned. Why did the great Temple curtain tear in two when Jesus died? Because through Him we all have access to the mercy-seat. (10) See the Saviour recognized. Not the living Jesus but the dying Christ, was confessed by the centurions as the Son of God. In the death He accomplished more than in all his life. You are earnestly invited to join our Sunday school and study each Sabbath morning such interesting and helpful subjects as the above mentioned. W. C. Ashford, general superintendent. Morning service 11 o'clock. Subject: "The Church's Heritage" by W. C. Ashford, associate pastor. Evening service 7:45. Subject: "The Crucifixion of Christ." Very fine music will be heard at the evening service. Remember the meeting of the Junior B. Y. P. U. at 4 and 5 o'clock. Also the Seniors at 6:15. The subject of the Holy Spirit in the Christian life will be the very interesting and helpful topic for study and discussion by the Seniors. You are invited to meet with them.

the great men's Bible class. At 9:30 at the church, the Sunday school will have 100 per cent attendance and begin the great contest with the Amabillo Sunday school. Cline is chief goat-herd; Knickerbocker his first assistant.

seven years from an 800-foot sand. Mr. Powell and others have recently drilled another deep test on the tract, which is now on the sand at 1,850, the same depth as the Long well.

LONG WELL IS ESTIMATED AT 200 TO 300 BARRELS
The well of Joe Long et al on the J. L. Powell tract, of which mention was made in the Times of Friday, will make 200 to 300 barrels, according to estimates. It will be drilled in within the next few days. The well is near Fowles station, four miles east of Sietra in the shallow field, where there has been production for the last

Automobile News

WITH THE AUTO DEALERS

L. M. Forcier, manager of the Electric Service Station, spent two days in Graham last week.

S. Bemrod of the S. Bemrod Auto & Supply Co., spent a couple of days in Duncan, Okla., last week. He reports a general improvement in business conditions in that section.

Until he ran out of cars, Manager L. E. Dixon of the Dixon Motor Co., local agents of the Buick machine, was beating his average in February, when he sold one and one twenty-eighth cars daily.

Many Wichitians will attend the annual meeting of the Texas Automobile Dealers' association, which meets in Dallas Thursday, Friday and Saturday of this week.

"Business really is picking up," said E. V. Leslie, manager of the Auto Tire Co. of West Texas. Federal tire distributors, "so much so that I have been forced to add two new men to my service crew. With the number of cars buzzing around that are now being sold, there should be plenty doing for the man selling good tires."

The Holmes Sales and Service Co. is fitting up a new show room next their saleroom in the 600 block on Ohio and will carry a complete line of accessories. The company is open for business at the present time.

A new one-ton light delivery Republic truck has just been placed on the market, according to word received last week by the Gaines Auto company, and it is hoped to have one

of the machines in this city in a short time. The truck has been designed for speedy delivery work where heavy loads are not required and combines all the quality of the heavier Republics. The machine is equipped with self starter, electric lights and other conveniences.

An Oakland touring car sold to E. L. Stromquist during the auto show last week by the Marshall Huff Motor company, was delivered immediately after the close of the exhibition. The same concern also reports the sale of a McFarlan sport model.

Sid Gaines of the Gaines Auto company was in Graham for three days last week and reports business to be very brisk in that section. He says he saw an oil well go over the top one night but none of it came his way.

A number of second-hand machines were sold last week by the Nolan Stringer concern, local distributors for the Haynes and Lincoln machines. They expect to receive a snappy Lincoln four-passenger machine early this week.

Eckman & Von Allmen disposed of a Humobile and two second-hand machines last week, according to reports from their camp.

O. C. Somers, manager of the Victory Motor Co., local Premier distributors, spent Wednesday in Electra.

Frank Shubert of the Lloyd Weaver Automobile company, made a hurried trip to Dallas Tuesday to drive back a Hudson seven-passenger touring car to Wichita Falls.

Here's the latest Daugherty and Hill et al are telling out around the Overland diggings: "A lady who has an Overland 4 sedan came in the other day and complained that every time she rode over a bump the car would stop, so we put the car in the shop

and one of our mechanics investigated. A few days later the lady came back and said that no matter how hard she tried, the machine wouldn't stop, so we sent the same mechanic back to work and told him to use about half his intelligence and ability. He did, and now the car runs like a million dollars when it's supposed to, and stops on the spot when the driver says so." Moral: Ain't mechanics wonderful?

"The past week has been the best we have had for several weeks," said Frank Quisler of the Motor Sales Supply Co., local Ford distributors. "We sold nine cars the first two days of the week, while the Paris department has been unusually busy due to the general Spring overhauling. We are looking forward to a big business for the remainder of the month, and sincerely believe the quiet period has completely passed."

Mary Jane, two-year-old daughter of B. C. Cochran of the Cochran Motor Co., local Ch-violet distributors, has been very sick for the past week. Mrs. T. J. Wright of Throckmorton, Texas, sister of Mrs. Cochran, is in the city attending the little one's bedside.

"Looks like everybody wants a used car," said B. C. Cochran of the Cochran Motor Co., local Chevrolet distributors, "and, so far, we have been able to supply the demand, although if this demand keeps up we will have to do some tall skrimishing to meet it. You know that's the way with a Chevrolet—as long as it hangs together it will run, and there is always a market for the used car."

Sales by the Lloyd Weaver Automobile Co., local Hudson and Essex distributors, showed a most extraordinary increase last week. Among those who

bought cars were: N. O. Monroe, a 7-passenger Hudson; Cooper & Stewart, Hudson speedster; V. N. Potts, an Essex roadster; C. E. Veros, a Hudson speedster; W. F. Shubert, Essex 5-passenger; P. O. Henning, Essex 5-passenger; Joe McBe, Essex roadster. Business shows many evidences of improvement for the Lloyd Weaver people, according to Office Manager C. F. Hall.

Among the sales made by the Fritz Motor Co. during the past week was a Marmon coupe to C. W. Delp, 1802 Huff street. The business outlook is much better, according to D. L. Fritz of the company.

C. C. Myers of the Connor-Myers Motor Co. spent Thursday in Graham.

W. F. Lampe of the Tippons Co., Dallas, distributors of Marmon cars, was the guest of the Fritz Motor Co. last week.

TREND OF TRUCK DESIGN FOR 1921 IS DISCUSSED

"Maxwell truck owners have been calling to the attention of Maxwell dealers an article in a recent issue of the Scientific American, captioned 'Trend of Motor-Truck Design for 1921,'" said S. Bemrod of the S. Bemrod Auto & Supply Co., local Maxwell and Chalmers distribution.

This is a brief survey of the features displayed by 482 American truck models and Maxwell truck owners are interested in finding that the Maxwell truck design incorporates a majority of the features which the article says are favored by most engineers.

"The first and most important fact brought out by Victor W. Page, M. S. A. E., author of the article, is that the 1921 truck is the most popular, inasmuch as 127 distinct models of this capacity are available—which makes it

the most popular truck by a fair margin, according to this system of comparison.

"It has long been appreciated that there was a strong trend to the 14-ton capacity truck—it being estimated that 70 per cent of all haulage is in loads of that weight or under."

"Practically all commercial vehicles are provided with water-cooled engines," says the article, and points out that the thermo-syphon or natural system of water-cooling seems to be gaining in popularity, especially on trucks of less than 2-ton capacity. The Maxwell truck uses the thermo-syphon system.

"The lubrication systems of practically all engines operate on the combined force feed and splash principle, which is a Maxwell truck feature."

White water-cooling is by tubular finned radiators—the Maxwell type."

SAYS CLOSED CAR IS NOT LIKED BY THIEVES

Another argument in favor of the closed car has been brought out by police records in Chicago. It has been proved that the professional motor car thief is wary of the sedan or coupe.

In many cities—and rural communities—the automobile thief has become a public enemy. His activities do not discourage the ownership of automobiles but in some cities his "work" has

boasted insurance rates. Motorists who know that no insurance covers the annoyance of finding an empty garage or a vacant space at the curb and the consequent delay before police adjustment.

Recently the police of Chicago undertook a drive to break up bands of organized motor car pirates. The theft of a car, they realized, usually leads to another crime in which the stolen vehicle is employed as an instrument of escape.

Let us sell your car. Security Motor Sales Co., 112-14 Ninth street. 362-104

ESSEX

Consider Its Price

Compare It With Others When You Measure Their Quality With Essex.

Men no longer accept the doctrine that higher priced cars mean correspondingly finer cars.

Of special interest is a price to price measurement of the Essex against cars you have always judged in its quality class. Its advantage shows surprising margins when viewed thus.

Will you find any car of comparable quality and ability within hundreds of dollars of the Essex class?

And doesn't its low cost, with such quality, appeal to judicious buyers, whether they are considering a car slightly less in cost or have been seeking Essex quality in some much costlier car?

Just Arrived

Car Load of New Models

Everywhere it has been shown, the Oldsmobile "4" seems to have struck the keynote of strong demand for better value in a four-cylinder car of modest price. Its enthusiastic acceptance by farmers and other business men who travel the highways, proves how great was the need for a roomy, powerful Oldsmobile "4" in their communities.

A DEMAND FOR BETTER VALUES ABLY MET

The last addition to this twenty-three-year famous line has that characteristic touch of grace and beauty you always expect of Oldsmobile design.

MOST DEALERS FEEL THAT SHOW WAS WELL WORTH ALL EXPENSE AND TROUBLE

That the benefits of the Wichita Falls Automotive Dealers' Association are already being felt by the owners of this territory is the opinion of many of the leading citizens, according to a brief canvas made among local owners. The principal benefit has been in the standardization of service and the very material reduction in the cost of upkeep, due to the education campaign carried on in the local press by the association to the end that owners be induced to have their service requirements attended by the local agents of distributors, to whose interest it is that the cost of upkeep be reduced to the minimum.

"A lot of people used to have the idea that the service stations made it a point to run up repair costs for all the traffic would stand," said C. C. Eckman of Eckman & Von Allmen, prominent members of the Wichita Falls Automotive Dealers' Association. "This may have been true back in the old days when the automobile owner desiring repairs or service drove into the first garage he came to or to some place where he had a friend, but it positively is not true today, and for a perfectly good reason.

"No dealer wants his car to get the reputation of being an expensive one. His future business depends largely upon the lowness of upkeep, the reducing of the cost per mile to an absolute minimum. Therefore, now that practically all owners have their cars repaired at the agencies selling their particular make of car, it is up to the service station to keep the car running at the lowest possible cost or see his car get into the undesirable position of being overly expensive."

Another big advantage, according to members of the association, is that the W. F. A. D. A. has practically run the "wild cat" game—the back-alley fellow who doesn't get much business but when he does sinks the hooks into his victim, to the limit, to say nothing of fixing it up with a string—out of business. The owner, having become wise to the fact that a new deal has been given him, won't stand for the old methods, with the very excellent result that any man or concern doing a general repair business today has to do his very best upon every job entrusted to him, whether he would like to do so or not.

The first aim of the W. F. A. D. A. members was to get their service stations in order and bring home to the public the benefits of having their cars repaired by those most interested in reducing the cost of upkeep. Now that this has been accomplished, it is understood that the association will devote a great deal of its time to civic affairs—especially to the matter of good roads, advertising the advantages of "The City that Faith Built" and similar matters.

Tractor Pushes Lawn Mowers.
A garden tractor has been designed that pushes three lawn mowers in front of it so that the grass is not flattened before being reached by the knives.

KNOWLEDGE FOR CAR OWNERS

Interesting and Important Facts That Every Motorist Should Know.

Continuous lubrication is afforded a new automobile spring by cup-shaped oil reservoirs in the end of each leaf.

Loss of power is not the only trouble that is caused by leaking valves. The hot flame which escapes past the valves distempers the valve stem, softens the valve springs, corrodes the stem bearing and forms a sediment that prevents free action.

For safety's sake never try to beat the "Stop-Go" sign just as the policeman is changing the signal. If you are traveling south, the driver of the car going east may also attempt to pass the corner as the sign turns.

In ball bearings that move with great rapidity ordinary lubricating oil is the best to use. On the other hand, for slow moving bearings semi-hard graphite grease is the most satisfactory.

Occasionally you should clean the strainer of the fuel line and fuel tank. It is easier to do this at your leisure when prepared than to experience the necessity when unprepared, possibly in the rain or dark.

A disagreeable squeak may often be traced to the headlamp bracket. If it is not solidly attached to the frame a squeak may arise at this point. A loose rivet or bolt is quite often the cause of the annoyance.

When the leather fan belt develops con-

siderable slippage, though it is reasonably tight, it is very probably because the rough side of the leather is against the pulley surface. The smooth side of the leather has a much greater traction adherence.

In fitting a spark plug in a cold cylinder, be careful not to screw it too tight. The principal cause of the breakage of the porcelain insulators is the expansion of metal when the engine gets hot, thereby creating a crushing effect on the plug and resulting in a cracked insulator.

It is a very good plan to shift the cross links of the tire chains from time to time. The wear and tear upon the tire chains centers at the links to which the cross chains are attached, and for this reason moving these latter from time to time spreads the wear.

UP-TO-MINUTE NEWS OF
AUTOMOBILE PROGRESS

Extension Arm For Spotlight.
The awkwardness, and sometimes danger, of having to lean over the steering wheel to adjust the windshield spotlight, is responsible for the production of a new automobile accessory. It consists of a small telescoping arm, with clamp and universal joint at one end, and a ball-shaped handle at the other.

Clamped to the spotlight shank, the joint and telescoping arm are adjusted so that the ball handle always is within a few inches of the steering wheel.

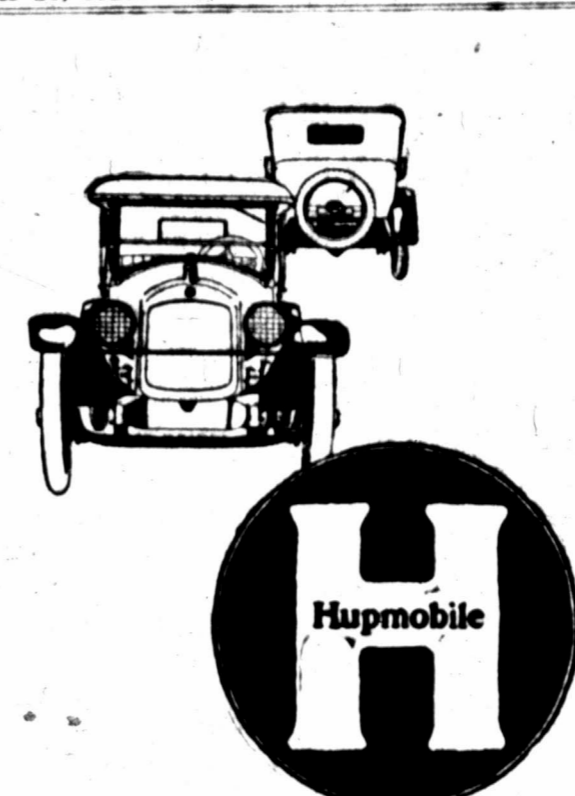

Snow Plow For Automobile.
A New York man is the inventor of a three-bladed snow plow to be mounted in front of an automobile. The center blade breaks the way for the side ones, which open tracks for a car's wheels.

Converts Tractor Into Wagon.
A Missourian has designed a farm tractor that can be converted into a road wagon, the drive being through the front wheels, while two wheels replace a single rear wheel when it becomes a truck.

Alarm Sounds If Auto Moves.
An automobile-theft alarm devised by a Nebraska inventor utilizes the drive shaft to operate its own bell or horn signal when the car is moved improperly. A friction gear, thrown into or out of engagement with the shaft by a cam, is enclosed with the alarm in a riveted steel case, fixed to the shaft housing and radius rods. The cam also short-circuits the magneto, so that turning the key in the lock stops the engine and sets the alarm. The lock is located in the floor of the driving compartment.

This is
Battery Inspection Week

Free examination and unbiased advice at Prest-O-Lite Service Stations

DRIVE around to the Prest-O-Lite Service Station this week and let experts give your battery the once-over. Get ready for the motoring season just ahead. No matter what make your battery is, the service station's job is to examine it and advise you intelligently and honestly. Maybe it doesn't need so much as a drink of distilled water. Anyhow, it won't cost you a nickel to find out. And now's the time to do that. Some little five-minute adjustment NOW may save you the price of a new battery later. You are careful to see that your car has gas, oil and water. Don't overlook that equally important element—battery-juice. Every Prest-O-Lite Service Station is a life-extension dispensary for batteries. When you do need a new battery, you'll be glad to know that Prest-O-Lite is back to pre-war prices and that an allowance will be made on your old battery. Get that examination now.
