

SURVEY SHOWS

County Holds Spot In Cattle Feeding

A Friona resident approached us this week with the idea of establishing a youth center in Friona. Establishment of such a center will entail the outlay of a considerable amount of money, and he wonders if the project would be justified.

We volunteered to run a survey and try to find out if the people of Friona were in favor of such a center, and if they would allow their young people to participate.

Don Flint is employed at Pittman Feed Yard. He and a friend, Joe Sanderwal, are considering renting a building locally and establishing the center.

The center would provide dances for the youngsters throughout the summer, particularly on Saturdays. Plans would include a fountain, a juke box and some tables. Alcoholic beverages, or anyone using them would be prohibited.

We invite you to call us or write in, giving us your opinion as to whether such an enterprise would work, particularly since these men would like to have some opinions before they expend their money on the project. Call us at 247-2211, or write in care of the Friona Star.

Live bands would be booked whenever possible for the dances, Flint says.

Most of our readers have seen "Os" Lange with a couple of fingers in a cast for the last month or so. But did you know that Lange broke the fingers by falling out the church door? Os was carrying a vase of flowers out to his car when he slipped and fell.

We told him that sounded like a pretty good argument against going to church.

The accident hasn't slowed the pioneer lumberman down any, and we doubt that it has kept him from going back to church, either.

The Friona Community Center Building Committee has come up with a plan to construct the proposed community center on school property, just west of the bus barn, adjacent to the football practice field. This is about the best site we've found. The committee had other sites in mind earlier, such as the Jaycee arena property, but certain drawbacks developed.

If school officials approve construction of the building on this site, it will be a big step toward the center becoming reality. This is also a paved location, which is a big plus factor.

Monday night, the city council agreed to act as escrow agent for contributions to the fund drive. This will insure that all donations to the drive are tax deductible, and will enable the committee to get their drive into gear.

Several organizations have indicated they would contribute, committee representatives said. In fact, the committee thinks it can raise \$20,000 in a short time, which is a little less than half of the estimated \$45,000 needed for the building.

Present plans are for a 50 foot by 150 foot building, with one end (50x100) partitioned for smaller meetings. This portion would be paneled.

There are a number of possible uses for the center, both as a community center, and by the school system.

The committee will approach the school board on the proposal at its meeting next Monday.

The Texas Municipal League released figures on city sales tax collections recently which showed that Friona collected \$13.86 per capita in sales taxes during 1971. By comparison, the city of Hereford received \$15.60 per capita, Dimmitt \$15.39 and Amarillo \$19.92.

We suspect that part of the reason for the higher figure per capita in Amarillo is brought about by local dollars spent there.

Recently we were at the "31 Flavors" ice cream parlor in Clovis with the Carlos Becks. Carlos noticed a sign in the dress shop next door which read: "No ice cream allowed." Whereupon he suggested that the ice cream parlor should retaliate with a sign suggesting "No dresses allowed."

Parmer County continues to be among the leading cattle-feeding counties in a four-state area surveyed by Southwestern Public Service Company, a report issued last week by the company revealed.

Parmer County retained its position as the second biggest county in feedlot capacity, number of cattle fed during the past year, and number of cattle on feed at the time of the survey. Neighboring Deaf Smith County ranked first once again in all three of the categories.

According to the report, Parmer County fed a total of 380,300 cattle in 1971, a slight increase over the total of 378,427 fed in 1970. Deaf Smith County's comparable figure was 446,225 cattle fed.

The number of cattle on feed in the county's 10 feedlots was 163,556 as of March 1, the date the survey was taken. This was up by 35,006 over the figure of 128,550 on the same date a year earlier.

The feedlot capacity in Parmer County on March 1 was listed at 202,000 up 2,000 from the previous year.

However, since March 1, Paco Feed Yards near Hub has added pen space for an addition-

al 12,000 head—which would boost the county's total capacity to 214,000.

Bill Teel, manager of the Paco yard, said construction on the addition, which boosted capacity of that yard to 35,000, began on March 25, and was completed about May 25. The new pens were filled as they were completed, so the total

number of cattle on feed also should be up from the survey date.

The addition to Paco's capacity makes it the third largest lot in Parmer County, ranking behind Hi-Plains Feed Yard (50,000) and Parmer County Cattle Co. (37,000). It now ranks ahead of its parent company, Friona Feed Yard, first

IN FUND DRIVE

City Named Escrow Agent For Center

The City of Friona agreed to act as escrow agent for the Friona Community Center Fund as a highlight of its monthly meeting Monday night.

The council also told members of the Friona Community Center building committee that it would pursue other problems connected with the proposed build-

ing, such as ownership and maintenance, with the Friona Independent School District.

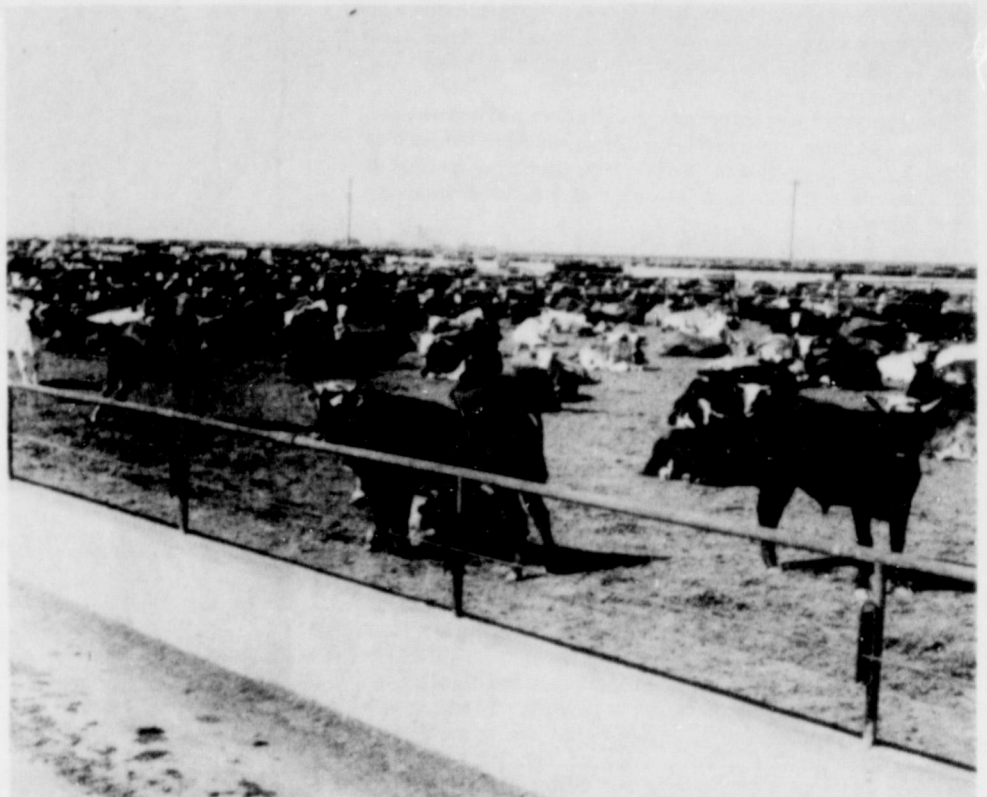

The building committee is to approach the school board on the possibility of building the community center on land just west of the bus barn.

In other business, the council re-affirmed the purchase of a new wellsite for the city from Deon Awrey, at \$1500, provided Awrey and the city share the cost of clearing title to the land.

A Resolution was passed allowing an easement on the old Kinsley property, and a similar resolution on the Andy Hurst property at 1919 W. 10th Street. The city manager was authorized to enter into contract with Jake Dief for paving a block

major feeding establishment in the Friona area, which has a one-time capacity of 30,000.

Third-place county, also a member of the local "Magic Triangle," was Castro County, in feedlot capacity, at 165,900. However, Hansford County ranked third in number on feed (124,516) and number fed in 1971 (297,200), with Castro third.

MORE PEN SPACE... Some of the newly-constructed pens at Paco Feed Yards are shown above, already filled with cattle. Paco added pen space for 12,000 additional cattle during the past three months, and now is the third-largest yard in Parmer County.

RESULTS GIVEN

City, County Voters Are Close To Trend

Friona and Parmer County voters differed from the official results of the Democratic runoff only slightly last Saturday.

The county totals went for three of the state winners—Dolph Briscoe, Barefoot Sanders and Robert Calvert. Parmer County differed only in the lieutenant governor's race, where it gave Wayne Connally a whopping 923-311 majority.

Connally lost the nomination to Houston's Bill Hobby, 1,091,105 to 848,192.

Friona also went heavily for Connally, 425-110, and the local precinct also differed by giving challenger Jim Wilson a 270-256 edge in the race for state comptroller. Eighty-year-old Calvert was re-elected to his position.

Annual Meet Next Tuesday

The annual meeting of the stockholders of Friona Wheat Growers will be held next Tuesday, June 13, at the Friona High School Cafeteria. The meeting will begin at 9 p.m.

Two directors are to be elected at a business session. Terms of W.M. Massie and Ernest Osborn are expiring. Holdover directors are A.W. Anthony, Jr., E.L. Fairchild and Leroy Johnson.

Only 64 people voted in the Republican party runoff. Albert Fay was favored in all four county precincts, although Henry Grover received the GOP nomination for governor. Fay won at Friona, 17-5, at Bovina, 13-1, at Farwell 6-3 and at Lazbuddie, 16-3.

Jack Hamil of Friona was elected county Republican chairman in a write-in on the ballot, receiving 54 write-in votes. Hamil will replace Glenn Lust, who has held the position for the past few years.

Briscoe, Connally and Sanders won every voting box in Parmer County. Calvert won four of seven boxes, losing only at Friona, and at Lakeview, which he lost 17-11 to his former office assistant. The absentee box was split, 18-18.

Briscoe was a big winner in the runoff, just as he was in the May 6 primary. The Uvalde rancher received 988 votes to 256 for Frances (Sissy) Farenthold. Briscoe received 79.5 per cent of the county vote.

Yarborough, who lost only his second statewide race in his career, dropped all of the county precincts. In the May 6 primary, he had won at Bovina and Rhea. However, Sanders edged him at Bovina, 106-101. This was typical of the apparent vote switching across the state during the past month.

The Rhea precinct, along with Black, voted at Friona in the runoff.

Yarborough also ran close at Lazbuddie, trailing by only seven votes, 59-52. Total vote in the county was 816 for Sanders and 418 for Yarborough.

Calvert, in spite of losing at Friona and Lakeview, had an edge in the county totals, 664-548.

Briscoe's biggest percentage was at Lakeview, where the vote was 28-1 in his favor.

Partnership Is Dissolved

Richard Collard and Wm. Doyle Elliott this week announced that they had dissolved the law firm of Collard and Elliott, as of June 1.

Each of the attorneys plan to continue practicing law in Friona. Collard's office will remain at the old location. Elliott has established an office in the Mabry building.

Wheat Harvest Is Underway In Area

Wheat harvest began in the Friona area this week, with the delivery of several loads of dryland or light-irrigated wheat.

First load was brought to Friona Wheat Growers early Monday morning by Floyd Reeve, who had harvested a load of dryland wheat on Saturday. Reeve narrowly beat Roger Gee to the elevator with his load. Gee had also cut a load last Saturday afternoon.

Also Monday morning, the first load in the southeastern part of the county was brought to Bruegel & Sons elevator by Dee Willard, whose farm is 1.3 miles east of the elevator.

The first load was brought to West Friona Grain on Monday afternoon by the Talley Estate.

On Tuesday, Calvin Talley brought in the first load of barley to Friona Wheat Growers. Reeve's wheat was Tascosa variety. It had a test weight

of 62 pounds per bushel. He estimated that he would make about ten bushels per acre. Reeve had 30 acres of dryland wheat northwest of Friona on the old F.W. Reeve place.

Willard's wheat tested 58 pounds per bushel. It had received one irrigation. His wheat was Palo Duro variety. He has 18 acres in two patches.

Harvest of the irrigated wheat crop is expected to begin in earnest within a week or 10 days, depending upon the weather. There is not a great deal of wheat this summer, due to the fact that the majority of the crop was "grazed out." However, those who chose to harvest their wheat appear to have a pretty fair crop.

FIRST WHEAT... Floyd Reeve, left, harvested and marketed the first load of wheat for Friona during the past week. Reeve is shown dumping the wheat, aided by Charlie Wise of Friona Wheat Growers, where Reeve brought the dryland wheat.

Sincerely Yours

By Rev. Albert L. Lindley

Would you like to hear a strange event? It has been said that "fact is often stranger than fiction" and I presume that to have been stated by some politician who was losing at the opinion polls but wanted to encourage others to continue to back him. (We seem to have many this year. . . .)

Well, back to my story. The other day I was traveling through a town and had stopped for some purpose. As I started pulling away from the curb to leave, a man came running from across the street, yelling at me. (People yell at me, a lot—even strangers—but usually not in that town.)

He ran up to the car and then became rather embarrassed and said something like, "I'm sorry. I thought you were someone else."

I admitted that I was someone else and that it was okay and he then asked me a few questions about the trailer I was pulling, saying, "I thought you were a good friend of mine who lives here named Lindley, who had just bought himself a trailer."

Well now, if you noticed the by-line of this article, Lindley is my name.

I looked at this guy real good for some sign of recognition but he remained a stranger.

I should have had a photo of his expression when I told him I WAS Lindley.

He came up with something like, "This is remarkable. You look very similar to a good friend of mine with that name."

It turned out that our first names were different so that helped our predicament, somewhat.

He is probably still trying to tell his friend Lindley, all about it and I am working out my anxiety by telling you.

That almost caused my gizzard to operate as fast as the time a Highway Patrolman stopped my car and came up to the door and said, "I'm looking for Albert Lindley." Wow! That really starts the adrenal flow. . . .

Well, what is all of this about?

I don't know unless I really feel like many of us are all mixed up about our identities—our thoughts of who we are and what we are not. . . .

We are forever being told, by others—what we would like to eat, wear and wash our clothes with—how we should feel, physically and thoughtfully—who to vote for if we want to survive and also to not squeeze the "Charmin."

I was almost talked into being someone I wasn't. . . . It seems to me that out of all of the providential gifts of God, a very dear commodity for our personal use is that which might be characterized by "reason," "intellect," proper amounts of "emotion," "spiritual guidance," "horse sense" and "consideration of others."

I know there are many others but these seem to stick out for me right now, so why not join me in some further research? (Just a suggestion)

Pause and Reflect

By Nelson Lewis

A few weeks ago we wrote of "straws in the wind"—current events whose nature indicate a trend of thought and action. For several months now the eyes of the Nation have been focused on the politics of Texas.

Leading business and financial publications as well as the ones we classify as "fire alarm, picture books" have had a field day with the Sharpstown Caper.

We offer no comment on the guilt or innocence of the persons involved in this monetary fiasco.

We do, however, very emphatically, wish to alert the reader as to the value of his vote and to remind him of his important role in politics.

There is much that needs correcting in our country; we have never claimed perfection, but here in Texas we have witnessed a splendid example of what happens when "we the people speak."

May those who occupy the "Seats of the Mighty" take heed—they are expendable.

In fact we are all just "penciled in"; a good thing to remember when our ego gets in the way of reason!

The elections are over, for a while at least, but we do have another opportunity to demonstrate our patriotism.

Next Wednesday, June 14th, is Flag Day. Let's show the world that Friona, Texas appreciates everything that America stands for.

Let's everybody, fly Our Flag!

I want to see Main Street blossom as a rose in an irrigated desert.

I want to drive around through the residential areas and tell where loyal Americans live.

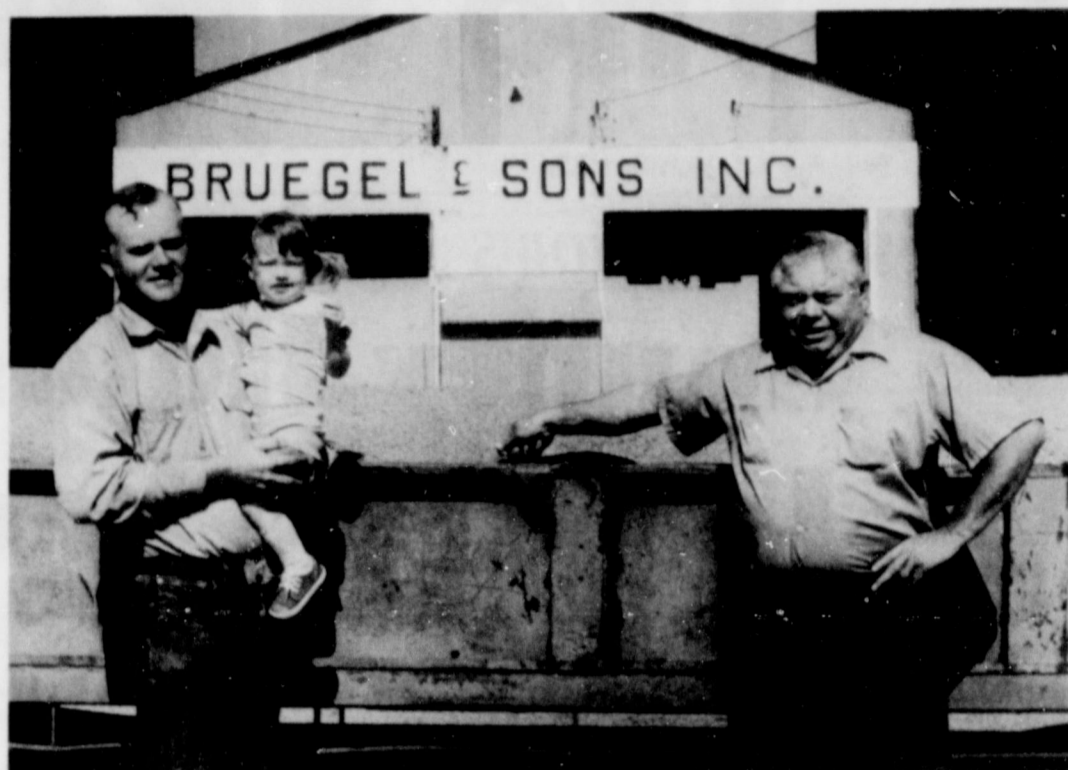

I want to see red, white and blue evidence that the spirit of Freedom is not dead!

President Nixon can travel around the world a hundred times, Congress can pass laws, but if we the people do not uphold our heritage of Freedom and Liberty we will go down the drain just as surely as the crookedest politician who ever lived.

How about it Frionans? Do we mean it or don't we?

MBP Semi-Annual Report Shows Drop

Missouri Beef Packers, Inc., reported for the twenty-six weeks ended April 29, 1972, net income from operations of \$398,855 or 35 cents per share on sales of \$177,274,829 compared with \$878,112 or 77 cents per share on sales of \$127,014,898 a year ago.

David LaFleur, President, said earnings were adversely affected by the short supply of fat cattle in December and January and the expiration on December 16 of a labor contract at our Friona, Texas Division. On February 8, the Friona production employees went on strike. The plant resumed operations the same week with management personnel, non-striking employees and newly hired employees and is now in normal production. Although we have not been successful in negotiating a new labor contract, we firmly believe that a contract based on current union demands would seriously impair our fu-

ture ability to remain competitive.

We expect normal operating conditions during the second half. Cattle supply should be adequate in our operating areas and the demand for beef should continue to increase. Thus, we expect to maintain normal margins for the remainder of the year.

Construction will commence on our new beef slaughtering and processing facility near Boise, Idaho next month.

We are pleased to announce that the company has negotiated a loan commitment from John Hancock Mutual Life Insurance Company. The \$12 million, 20-year loan will replace an existing five year term loan. The loan will also provide funds for the Boise, Idaho facility, and management feels that it will further strengthen our financial position.

Harman Is New Coach

end at the Texan Dome in Levelland.

Friona will play the New Deal all-stars in their opening game at 1:45 p.m. Thursday.

There are 11 teams representing 10 towns in the tournament. Teams entered are from Levelland (South and North), Hale Center, Plains, Friona, New Deal, Springlake-Earth, Anton, Brownsboro, Littlefield and Loop.

If the Friona all-stars win their opener, they will meet the Hale Center-Plains winner at 8 p.m. Thursday. If they lose, they will play the loser of that game at 9 a.m. Friday. The tournament is a double-elimination affair. Finalists will have played five games at the conclusion of the tourney.

Members of the Friona All-Stars are Betty Rando, Johns Thorn, Linda Nelson, Teresa Clark, Varla Welch, Cindy Cleaveland, Renau Monroe, Barbara Rhodes, Della Snyder, Cynthia Bermea, Bonnie Fallwell and Kim Frye.

Mary Priest is coach of the team, assisted by Janice Richards.

This is the first year for an official organization for the girls Little Dribblers program.

The team will play the Littlefield team a warmup game on Wednesday at Littlefield. They beat a Farwell team, 27-24 here last Thursday. Farwell had a girls' league, but will not participate in the Levelland tournament.

My son is a member of the fuzzi. He's 16 years and lost his razor.

Allen Harman, an assistant coach for five years, has accepted the job as head football coach at Luzzbuddie High School. He replaces Buddy Brock, who resigned earlier this spring to accept an assistant's position under Don Beck at Perryton.

Harman was backfield coach at O'Donnell for two years and was line coach at McLean for the last three seasons under Robert Langford. McLean finished 6-4 last season and in a tie for third with Wheeler in District 2-A.

A member of White Deer's state championship football team in 1958, Harman was graduated from McMurry College in Abilene. He and his wife, Malinee, have one child, Amy.

"He knows what he's doing -- he formed a real fine line here," said Loyd Hunt, McLean principal.

Annual Swim Lessons To Be Offered

Swimming lessons will once again be offered at the Friona Dive-In Pool this summer, with Baker Duggins instructing.

Registration for the session will be held this Saturday, June 10, at the pool, between the hours of 9 a.m. and 12 noon. Courses will be offered to beginners, advanced beginners and other levels where interest is shown.

Cost of the lessons is \$15.00 for 15 lessons. The lessons run June 10 through June 30. Lessons will be given daily in the morning at the pool.

Other sessions will probably be offered this summer, although details on them have not been worked out as yet.

Golfers Win In Tourneys

Friona Country Club pro Cotton Renner and his wife Kay did well in a pair of golf tournaments on Sunday and Monday. Sunday, Cotton and Kay were on the second place team in a pro-am tournament at Tucumcari, with a two low ball score of 128.

Monday, the duo teamed with Ike Johnson and R.L. Knox of Floydada to tie for third place in a field of 30 teams at the Dimmitt pro-am. Johnny Ethridge of Lubbock captained the winning team.

Schedule To Stand

It was announced this week that the proposed changes in the schedule for the Major and Senior League games will not be made, but the original schedule will be followed.

The only change will be the shifting of the June 17 Saturday

doubleheader for the senior division to June 24.

"People had already made trip plans around the announced schedule, and we felt it was unfair to deviate," said a member of the Little League board of directors.

Egbert, Ethelwulf, Ethelbald, Ethelbert and Ethelred were the first five kings of England.

Two Teams Tie For Senior Minor Lead

Hi-Pro Feeds and Parmer County Implement Company took the lead in the Senior Minor League at the end of the first week, each with 2-0 records. Hi-Pro downed the B-J Bees, 18-13 in the season opener, and then downed the same team 12-6 on Thursday. The first game was actually a forfeit win, but the teams played a scrimmage game.

Parmer County Implement topped Ethridge-Spring, 16-10 on Tuesday, and then 19-2 in a re-match on Friday.

Mark Pankratz had a pair of hits for Parmer County Implement in his team's 16-10 win over Ethridge-Spring.

Pepper Weatherly had two hits for Hi-Pro in their 12-6 win over the B-J Bees.

Randy Eakins, Jimmy Fallwell and Roy Brito each had

three hits in Parmer County's 19-2 win on Friday.

LINESCORES

FRIONA ALL-STARS... Members of the Friona girls Little Dribblers all-stars, who will compete in the national tournament at Levelland this week, are shown above. In the back row, left to right, are Betty Rando, Johnsna Thorn, Linda Nelson, Teresa Clark, Varla Welch and Cindy Cleveland. Kneeling are Rensu Monroe, Barbara Rhodes, Della Snyder, Cynthia Bermea, Bonnie Fallwell and Kim Frye.

Bank, Friona Feeders Lead In Major League

Friona State Bank and Friona Feed Yards got off to the best start in the Major League, winning their first two games to lead the league, with 2-0 records after the first week.

Friona State Bank topped Reeve Chevrolet twice, 10-0 and 12-2. The Feed Yard bested Friona Star, 17-3 on Tuesday, and 8-7 on Friday.

Cliff McLellan had a triple and a single for the Bank in their opening game 10-0 win over Reeve. The Bankers scored six runs in a big fourth inning.

Friona Feed Yard got the season rolling in a big way with a 17-3 win over Friona Star, scoring six runs in the second, four in the third and seven in the fourth. The Feeders banged out ten hits.

On Thursday, the Bank picked up where they left off on opening day, with a 12-2 win over Reeve. However, Reeve held a 1-0 lead going into the fourth inning, when the Bankers broke loose for all 12 of their runs. John Carson had a double and single, both in the big inning.

The Friday evening Major League game between the Star and Friona Feed Yard was a see-saw affair. The Star held a 7-6 lead going into the last of the fifth, when the Feeders scored twice for the 8-7 win. Alan Monroe socked a home run for the Star in the fourth, to give his team its 7-6 lead.

WIN FIRST THREE

Benger Grabs Lead In Senior Division

Benger Air Park scored three wins during the first week of play to grab the lead in the Senior Division of the local Little League program.

Benger stopped Cattle Town twice, 14-0 and 12-4, and then outslugged Hi-Plains Feed Yard, 12-8 on Saturday to claim the lead.

Pioneer Cattle Buyers are runners-up, winning their first two games over Hi-Plains, 11-8 and 3-2, but Pioneer was bested on Saturday by Cattle Town, 15-8, for a 2-1 record.

Benger used seven hits and nine Cattle Town walks for its 14-0 win in the season opener. David Clark got three singles in four times at bat to lead Benger. Robin Baize was the winning pitcher, allowing only three hits and walking just one.

When the teams met again on Friday, Benger again took advantage of Cattle Town wildness, scoring six runs in the third inning on only two hits enroute to a 12-4 win. Baize was the leading hitter with two of his team's four hits. One was a triple and the other a double.

Pioneer sent 12 men to the plate in the second inning against Hi-Plains on Tuesday, scoring six runs which helped

them to an 11-8 win. Gene Strickland and David Hutson each had a pair of hits for the winners. Hi-Plains outbit the winners, 12-5, but two Hi-Plains pitchers gave up 13 bases on balls.

When the two teams met again on Thursday it was a little different game, but Pioneer again won, 3-2. Randy Melton led off the bottom of the seventh with a double, and scored the winning run on an error. It was close all the way, with Pioneer having four hits to Hi-Plains' two. Pioneer pitchers gave up four walks, to three for Hi-Plains.

Pioneer Cattle fell from the ranks of the unbeaten in the second game of Saturday's doubleheader, when Cattle Town took a 15-8 decision. Cattle Town took off in the first inning, with nine runs on six hits and three walks, and Pioneer could never recover. Leslie Broadhurst had a pair of doubles, both in the big first inning, for the winners.

Benger took advantage of ten walks, and added a home run by Clark in its 12-8 win over Hi-Plains on Saturday, which put them in the league lead.

Bill's TV Leads Jr. Minor League

Bill's TV grabbed the lead after the first week of play in the Junior Minor League, with a pair of wins. The team also won on Monday afternoon, to stand 3-0 after playing each of the other league teams.

Bill's TV edged Friona Parts, 20-18 in their first game, and then outscored Piggly Wiggly, 20-2 on Thursday.

Tasty Cream and Friona Parts were in second place after the first week. Tasty Cream edged past Piggly Wiggly 15-13 in the season opener, and Friona Parts bombed Tasty Cream, 19-5 on Friday.

This is the younger league, which is using the T-Ball system for the first time, and provided fans a lot of hits, runs and action.

The BHP's TV-Friona Parts game was a see-saw affair, with the score tied, 11-11 after two innings. However, the winners scored four runs in each of the third and fourth innings for the margin of victory.

The Piggly-Wiggly vs Tasty Cream game was also a close one, with Tasty Cream holding on for a 15-13 win.

An evening out ... at home

... where the charm of a GAS light lets the evening last a little longer

... and the food has an exciting outdoor aroma and flavor, found nowhere else in the World!

A GAS outdoor grill gives food a tangy outdoor flavor without the time and bother of charcoal fire. Char-broiled flavor comes from the smoke of meat juices dripping on hot briquets. Charcoal itself provides no flavor. Permanent ceramic briquets in the gas grill reach cooking heat in a few minutes, and there is no long wait to start cooking. The heat is regulated manually so there is no need to move a grill up or down.

SAVE \$28.50 BY BUYING A PATIO PAIR.

Gas Light #300 or #325 AND . . .	Cash Price	Budget Price	Budget Terms
Master Chef (AMK)	\$121.75	\$147.24	\$4.09/36 mos.
Party Host (HEJ)	\$139.60	\$168.84	\$4.69/36 mos.
Chef's Choice (CC-1)	\$174.25	\$210.96	\$5.86/36 mos.

Patio Pair prices include normal post-type installation (up to 50 feet of line and both in same locality) and 5% sales tax. Budget terms are available at 12.75% annual interest on declining balance.

BUY A GRILL NOW AND RECEIVE FREE a handy aluminum SHELF for your grill. (Offer of a free shelf expires July 31, 1972)

Call Pioneer or ask a Pioneer employee about a Gas light and grill for many memorable EVENINGS OUT AT HOME

PIONEER NATURAL GAS COMPANY

An outdoor GAS light adds a touch of safety and elegance to any patio or front yard.

Prices include normal post-type installation (up to 50 feet of line) and 5% sales tax. Budget terms are available at 12.75% annual interest on declining balance.

Parallel Terraces Aid In Saving Rainfall

According to the latest figures available, the underground water level is going down about two feet a year. Some wells are even drying up. This means it takes more time to water fewer crops resulting in less money for each farmer.

What is the answer? There is not a cure-all answer according to Edwin Livenood of the Soil Conservation Service, Friona. One possible remedy is to design our irrigation systems to take advantage of natural rainfall.

Another is the construction of Parallel Terraces. Parmer County has an average yearly rainfall of seventeen inches. Of this ten inches runs off most our farms in the county.

J.P. Sims, whose farm is north west of Friona, is con-

structing a system of Parallel Terraces. By constructing these terraces, J.P. is saving ten inches of rainfall which would normally run off. This is equal to a six inch well pumping thirty eight days on eighty acres.

The new design procedures for Parallel Terraces provide for even distribution of rainfall; also soil erosion is prevented and pollution is stopped. Another advantage J.P. has found is the efficient use of large equipment.

With all these advantages and water saving prospects you will want to see how this will apply to your farm. Contact the Soil Conservation Service, Friona.

Ever notice how the neck change once they inherit?

CAST THEIR VOTE... Mr. and Mrs. Earl Chester are shown casting their ballot in last Saturday's runoff election. A total of 570 people voted at Friona in the Democratic and Republican primaries.

Bouncy, playful and energetic children dot the playgrounds as spring and summer weather rolls in.

Because children are happy and free, young mothers will want to provide their offspring with clothing that helps them enjoy their freedom.

Spring and summer clothing should encourage the growth of children.

Independence may be developed by selecting clothes that have self-help features. A child wants his clothes to be easy to manipulate. Children become impatient if dressing takes too long or if they have to obtain help in dressing.

The ability to dress himself gives a child the feeling of independence and self-confidence.

Choose dresses and shirts with front openings—snaps, decorative zippers or large buttons. Pullovers that easily slip over the head are helpful. Avoid back openings, back tying sashes and small buttons. According to the spec-

alist, poor fit is why most young children don't wear certain clothes. Comfortable clothes allow freedom. On the other hand, loosely fitting garments bought for a child to grow into are just as disturbing as those that are too tight.

To allow for growth, look for clothing designs that may adapt themselves easily to growth, rather than buying garments which are too large.

Features that allow some growth include undefined waistlines, raglan or kimono sleeves, deep hems or cuffs, long tails on shirts and blouses and knit or stretch fabrics. Deep-cut armholes, comfortable cuffs and necklines also allow freedom of movement.

A well-dressed child is better mannered, more self-confident and less rowdy than a poorly dressed one.

As children approach school age and enter a world of playmates and classrooms, their dress should suit the activities they'll take part in. Simple, uncluttered lines are compatible with a child's active life.

Consider the number and size of pockets. Children are collectors and enjoy using large pockets. Younger children prefer bright colors and often want to express their choice.

Suitable clothes can make childhood a delightful period. They may contribute to the developing social character of the child. Carefully chosen clothes encourage independence, self-confidence and freedom of activity.

Although some of our local 4-H'ers may still seem to be children, we have some handy little 9, 10 and 11 year-old beginning seamstresses.

And for the 4-H girls in the county we are planning a Seminar on June 14 at 2:00 p.m. in the Friona High School Auditorium. This is co-sponsored by Castro and Deaf Smith Counties. The program will include tips for the girls on grooming, fashion and modeling to prepare them for the County Dress Revue on July 25.

Thomas Appointed New State Conservationist

Youth, dedication, experience, professionalism—these are some of the traits of Edward E. Thomas, newly appointed state conservationist for the U.S. Soil Conservation Service in Texas.

Thomas returns to his native state from Nashville, Tennessee where he was deputy state conservationist for SCS. He succeeds Clyde W. Graham who has been named director of the South regional technical service center in Fort Worth.

A career conservationist since 1954, Thomas was an assistant to Graham at the Temple state office until he went to Nashville in January 1971.

"Having the chance to return to Texas as State conservationist exceeds my fondest dreams," Thomas admits matter-of-factly. "My family and I learned to love Tennessee, but it was always second to Texas."

After starting his conservation career at Lubbock in 1954, Thomas worked at Wellington, Wheeler, Jayton and Morton. Then he became area conservationist at Pecos in 1963. After holding a similar position at Harlingen, he moved to Temple

EDWARD E. THOMAS

as assistant state conservationist in 1968.

Thomas is a 1954 graduate of Texas A&M University where he was a member of the track team. He is also a graduate of Vernon High School and served as an Army officer in Korea from 1954 to 1956. He is a member of the T Association at Texas A&M, the Soil Conservation Society of America, and the American Society of Range Management.

He and his wife Mary have three children: Eddie, 15; Bill, 13; and Susan, 11.

VICKI SMART

Farwell Girl Is Farm Bureau Queen

A Farwell girl was named the winner in the 1972 Farmer County Farm Bureau's Queen's contest last Saturday night in Friona.

Seventeen-year-old Vicki Smart, daughter of Mr. and Mrs. Jim Bob Smart, was named the queen. Runnerup was also a Farwell girl, 16-year-old Sandra Watkins, daughter of Mr. and Mrs. Donald Watkins of Farwell.

Miss Smart played a piano solo for her talent act, as did Miss Watkins.

Other entrants in the contest were Debra Wassom, Jeannie Thompson and Carleen Schlenker of Friona. Miss Wassom presented a reading: Miss Thompson did a twirling and singing act to "Raindrops Keep Falling On My Head," and Miss Schlenker played a piano number.

Jacky Adams and Benny McCain of Bovina, winners in the Farm Bureau's "Discussion Meet" and "Talent Find," performed during the program.

Rays Of Dawn Meets Thursday

Rays of Dawn study group met Thursday evening in the home of Mrs. Earl Jameson.

Eunice Hotchkiss of Clovis was a special guest.

A study of criticism and sympathy was moderated by Jan Jameson.

Next meeting of this organization will be in Room 6 of Friona High School at 8 p.m. June 15.

Topic of study will be greed and kindness. The public is invited to attend by Mrs. Jerry Wickle, spokesman for the group.

These two, along with Miss Smart, will compete in elimination contests sponsored by the Farm Bureau at a later date.

The girls performed a special number "How You Gonna Keep 'Em Down On The Farm?" Kathy McLean, a special guest, presented three vocal numbers, accompanied by Kathy Horton.

Eva Miller provided background music for the program. Longtime Clovis radio personality Otis (Poo) Echols served as master of ceremonies for the contest.

Frionan Named To Honor Roll

Bob Welch, 1964 graduate of Friona High School, has been named to the Dean's Honor Roll for the 1972 spring semester at Abilene Christian College.

He is among 409 students who enrolled in 12 or more semester hours and who earned at least a 3.5 grade average out of a possible 4.0.

Welch, son of Mr. and Mrs. Nelson Welch, Box 818, Friona, is a junior law journalism major.

James Procters Have Visitors

Mr. and Mrs. Ronnie Procter and son, Jeff, are visiting in the home of his parents, Mr. and Mrs. James Procter, 1403 West Sixth Street. Their home is at Beville, Texas.

Other weekend visitors in the James Procter home were Mr. and Mrs. Dewayne Procter and son, Darran, of Amarillo.

NAMED QUEEN... Vicki Smart was crowned Farmer County Farm Bureau Queen last Saturday night. The Farwell entrant was chosen from a field of five girls. (J.C. Beck photo)

Dale Houlette Moderates Study

Members of the Laws of Life Club met Sunday afternoon in the Community Room of the Friona State Bank.

The meeting was called to order by the club's Chief Pilot, Mrs. Jerry Wickle. Mrs. Leon Smith led a prayer and Mrs. Earl Jameson gave the Navigator's report.

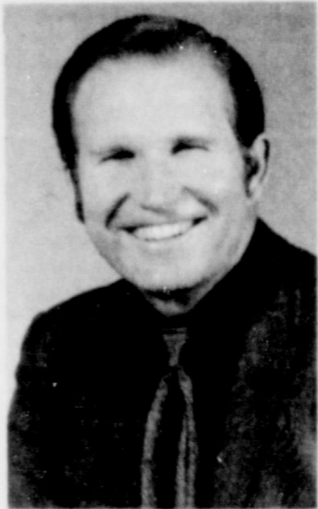

A study and discussion of hypocrisy and of its opposite, courage, was moderated by Dale Houlette.

The next meeting will be held in the Community Room, Saturday, June 17 at 8 p.m., at which

Ivies Return

Mr. and Mrs. Rosco Ivie, 1620 West Ninth Street, returned home late Sunday after a visit in the home of Mr. and Mrs. Calvin Ivie and children in Irving.

Shawn and Stasia Ivie returned to Friona with their grandparents for a visit.

REV. CARLOS McLEOD

Evangelism Conference Slated Here Friday

Rev. Carlos McLeod, pastor of First Baptist Church, Plainview will speak at the Encounter '72 Evangelism Conference, at the First Baptist Church, Friona, Friday evening, June 9, at 8:00 p.m.

The Conference is sponsored by several area churches and is a preparation meeting to the Encounter '72 Crusade to be held in the Friona Football Stadium in July.

Music for the program includes a singing group from Petersburg. The First Baptist Church Choir will sing "The

King Is Coming" and "The Banner of The Cross." Carolyn Murphree will sing "Something Good Is Going To Happen To You." Accompanist will be Eva Miller and Sherri Taylor.

The public is cordially invited to attend the meeting.

Shopping for a gift in a Fort Worth department store, a woman was overheard telling a clerk, "It must interest an 8-year-old boy and yet be simple enough for his father to play with."

Ferguson Infant Buried Saturday

Graveside rites for Mitchell Lee Ferguson, infant son of Mr. and Mrs. Kenneth Ferguson, 302 East Seventh, Friona, were held in the cemetery at McCaulley, Texas at 10:00 Saturday morning, May 27.

Mitchell died in the Farmer County Community Hospital on May 24 shortly after his birth.

Survivors, besides his parents include a brother, Chris, of the home and his grandparents, Mr. and Mrs. W.L. Moore, Hamlin, Texas and Mr. and Mrs. Charles A. Ferguson of McCaulley, Texas.

Services Set Friday For Ada Lou Moize

Funeral services for Lou Ada Moize, 72, will be held Friday, June 9, at 10 a.m. at the First Baptist Church. Rev. Charles Broadhurst will officiate.

Mrs. Moize was the mother of Mrs. James (Kitty) Bailey of Friona.

A service will also be held at 3 p.m. in Lubbock at the 25th Street Baptist Church, with Rev. Mansell Webb officiating.

Burial will be in Resthaven Cemetery, Lubbock, under the direction of Claborn Funeral Home.

Mrs. Moize had moved to Friona about two years ago from Lubbock. She passed away Tuesday afternoon after an apparent heart attack.

She is also survived by Mrs. Lester (Irene) Mullins of Hereford and three sons, Oscar, Cheyenne, Wyo., James, Napa, Calif. and Earl, Carlisle. A brother, Searcy Jarvis of Noble, Okla., and two sisters, Mrs. Izora Calvert, Noble, Okla. and Mrs. Mary Manners, Collins, Calif., also survive, as do 17 grandchildren and six great-grandchildren.

The weight of the atmosphere on earth's surface is equivalent to a layer of water 31 feet deep!

KATHY RENNER

Kathy Renner Receives Degree

Kathy Lynn Renner received a Bachelor of Science Degree in Elementary Education from Lubbock Christian College on May 6. Her degree is in the field of Social Studies.

She plans to teach this fall and do graduate work at Texas Tech. She is working as a counselor at Camp Blue Haven in Las Vegas, New Mexico this summer.

Kathy is the daughter of Mr. and Mrs. Ansel Renner and is a 1968 graduate of Friona High School.

Rhea Residents Plan Reception

Mr. and Mrs. Christian Draeger of the Rhea Community have announced plans for their Silver Wedding Anniversary, which will be Saturday, June 17.

Festivities will begin with a brief service at Immanuel Lutheran Church at 2:30 p.m. This service will be followed by a reception in Parish Hall.

Friends and neighbors of the couple are invited to attend.

You think you have troubles? I know a sheep who's allergic to wool!

Dana Nettles Is Born Monday

Mr. and Mrs. Danny Nettles of the New Home Community south of Lubbock became parents of a baby girl at St. Mary's Hospital in Lubbock Monday, May 30.

She was named Dana Rachelle.

Mr. and Mrs. Leonard Nettles also of New Home are the paternal grandparents. They are former residents of Friona. The maternal grandparents are Mr. and Mrs. George A. Sealy of Tahoka.

FASHION FORECAST — Brushed cotton denim is the fabric to watch in menswear. Designer Jon Jolein uses it for a suit sparked by diamond-stitched yoke and bold panel trim. Outside pockets and close-to-the-body shaping give a neat military air.

Del Lewis Workshop Scheduled For Friona

Del Lewis will be in Friona for a drama workshop, which will begin July 31 and run through August 12. This workshop, which is sponsored by Friona Fine Arts Council, will be open to students from thirteen and adults.

Lewis, who is better known to Frionans as Don, is a graduate of Friona High School and began his acting career here. Since his graduation from Midwestern University in Wichita Falls, he has spent most of his time in New York City and has appeared in several productions. At the present time in New York City and has appeared in several productions. At

the present time he is working on his doctorate at the University of Wisconsin, Madison, Wisconsin.

At the Thursday meeting of Friona Fine Arts Council, in the Community Room of Friona State Bank, Mrs. H.K. Kendrick was elected president; Mrs. Dan Ethridge was elected vice-president; Tom Jarboe was elected secretary and Richard Collard was elected treasurer. The council approved plans for an arts and crafts show to be held during Matze Day this fall.

Further details will appear in later editions of the Friona Star.

Just now learned that there's at least one other yard in town which its owner feels might be eligible for the "Worst Looking Yard In Town" award. Visited briefly with Pearl McLean, who also lives on Columbia Street, and learned that her yard isn't one of the prettiest in town.

Perhaps it would be a good idea for some of us to get together and make some "before" pictures of our yards. Then later on we could set a date for the "after" pictures. Maybe some competition would inspire all of us to do better.

A yard improvement project would probably be one of the most worthwhile things we could do for the summer.

Everyone who participated in the first workshop to be conducted by Del Lewis, a former Frionan, here two summers ago will probably be interested in knowing that there will be another such event soon.

The second workshop, which is being sponsored by Friona Fine Arts Council, will be held July 31 through August 12. Watch for further announcements in The Star from time to time.

Friona's "Grand Old Lady," Rosie Lange, has observed another birthday. A number of years ago this fine old lady said, "I've never been one to evade the subject of age. I'm real proud I have had the privilege of enjoying so many years and am always glad when I mark up another birthday."

One day last week Os and Rosie flew down to Houston to be with their daughters, Carolyn Lynn and Doris Lange, and other members of their family.

After a family get-together down there, one of Rosie's sons, Bob Conaway of Leavenworth, Kansas, and Carolyn drove the Langes back to Friona and spent a few days with them. Congratulations Rosie!

A recent release from Texas A & M University was entitled, "Mental Health—A Family Affair."

Of course, most of us have known for a long time that attitudes are of utmost importance, but after reading this article by a specialist, I wonder if we really realize how important they are.

Miss Taylor expressed her ideas thusly: "Attitudes of the family, particularly the parents, begin molding a child's personality almost immediately after birth," said Dorothy Taylor, Texas Agricultural Extension specialist in family life education.

"People are often influenced by the atmosphere surrounding them in the first weeks and months of life," Miss Taylor explained. "Personality problems can hatch during these crucial earliest stages."

According to the Texas A&M University specialist, understanding and influencing the development of man's personality problems begins with a close look at his parents.

"Happiness, a universal goal, depends on the parents' own state of mind," Miss Taylor said. "Emotional difficulties between father and mother will destroy the climate of security and love, which children need to develop normally. But if parents are happy, they will bring up happy children."

The family life education specialist pointed out that deeply-felt happiness is mental health.

"Men and women who have a sense of well-being, a zest for working and playing and an ability to derive the utmost satisfaction from personal relationships are mentally healthy. And chances are their children will also be mentally healthy."

She said that the first step in dealing with early stages of personality problems in families is to help parents become happier. The modern American community offers many resources through which family ties can be strengthened and the home atmosphere can be improved.

"To find these resources, parents must look within their communities and within themselves. They must have a pride in their parenthood, imagination to investigate new ideas, and courage to put these ideas into action."

God is a game in which a ball 1 1/2 inches in diameter is placed on another ball 8,000 miles in diameter. The object is to hit the small ball, not the large one.

The Library Corner
BY MRS. VON EDELMAN

It's Summer Reading Program time again for first through sixth graders. For every book you read, you get a gold nugget placed in a sack with your name on it. The program starts June 6 and ends August 1, so hurry down to the Library and register.

For you Taylor Caldwell fans, we have her newest, "Captains And The Kings," a novel about an American dynasty. We also have her autobiography, "Taylor Caldwell—On Growing Up Tough."

If you happen to be the handy man (or woman) around the house, maybe you would be interested in "The Unhandy Man's Guide To Home Repairs" by Barbara and Richard O'Neill. Hair seems to be quite a "hairy" subject these days. We

It's A Boy For Bingham

Mr. and Mrs. Bing Bingham, 8615 Valley View Road, Amarillo, became parents of a baby boy Saturday, May 20, at Hi Plains Baptist Hospital. He weighed 6 lbs. 15 ozs. and was named Brett Dean.

Brett is the first son for the couple. Their daughter, Deana, is 2-1/2.

Mrs. Dean Bingham, Dalhart, is the paternal grandmother. Maternal grandparents are Mr. and Mrs. Elvin Wilson, Friona. Great-grandparents are Mr. and Mrs. Grady Wilson, Sturgis, South Dakota, and Mr. and Mrs. George Robertson, Hereford.

Mr. and Mrs. Bingham and children visited in the Elvin Wilson home during the past weekend.

MRS. JOHN BAKER

Vows Exchanged Between Karen Johnson, John Baker

Karen Johnson, daughter of Mr. and Mrs. Howard A. Johnson, Seattle, Washington, exchanged wedding vows with John S. Baker, son of Mr. and Mrs. John G. Baker, Sunday, May 21.

The double ring ceremony was read by Dr. Herbert F. Bergstrom, pastor of Parkland Baptist Church, Clovis, in the Baker home, 1002 West Fifth Street.

Mrs. Edward Allen, sister of the groom, was the matron of honor. Best man was Otis Nichols.

The bride wore a white street length dress of crepe designed with an empire waistline and short sleeves. The square neckline and sleeves were edged with double ruffles of nylon net and lace. Her veil of imported silk illusion was held in

place with lace flowers. She carried a cascade bouquet of daisy mums, Wobben Abeyroses and gypsophilla atop a white Bible.

Wedding cake, punch and coffee were served at the reception which followed the ceremony.

Mr. and Mrs. Baker are at home in Friona Apartments. She is a graduate of Seattle High School and former student of Eastern New Mexico University, Portales.

He is a graduate of Friona High School and attended Texas State University, Canyon, before entering the United States Armed Forces.

Mrs. Baker is an employee of S. & R. Fabrics and her husband operates a custom cattle care service.

Gwyn Moore Feted With Bridal Shower

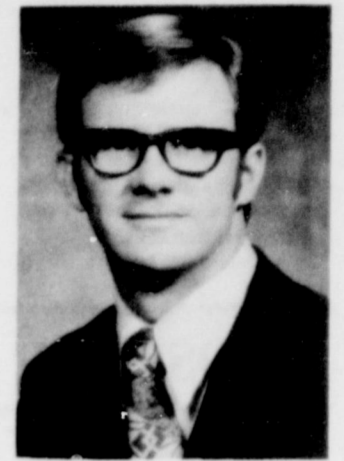

A miscellaneous bridal shower in the home of Mrs. David Grimsley, from 3 to 5 p.m. Wednesday, was a courtesy for Gwyn Moore, bride-elect of Steven Hanes of Hart.

The serving table was covered with a white linen cloth and centered with a blue and white floral arrangement. Refreshments of punch, cookies, nuts and mints were served by the hostesses.

Co-hostesses with Mrs. Grimsley were Mesdames A.L. Reznik, Ronnie Altman, John

Blackburn, James Procter, Johnny W. Hand, Eugene Bogges, T.A. Kelley, Rene Snead, Glenn Floyd, John Hays, L.R. Hand and Everett Gee.

Guests were greeted by the honoree, her mother, Mrs. Kenneth Moore, and Mrs. C.C. Hanes, mother of her fiance.

MAC HANCOCK III Got Law Degree

Mac Wesley Hancock III, son of Mr. and Mrs. Mac Hancock Jr., of Farwell, will graduate with a law degree Saturday night from Tulane University in New Orleans, La.

Hancock, a graduate of Friona High School, will also receive a B. A. degree from Texas Tech University in August. He entered Tulane in 1969 after completing 99 hours toward his degree at Tech.

While attending Tech, Hancock was on the Dean's List, Phi Eta Sigma, men's honorary fraternity, and Saddle Tramps, men's service and spirit organization.

His honors and activities at Tulane include Moot Court Board, Senior Fellow, Delta Theta Phi Law Fraternity and Distinguished Military Student in ROTC. As Tribune (business secretary) of Delta Theta Phi, he attended their convention in Miami, Fla.

Hancock will go on active duty in the United States Army October 3 to Virginia.

Baby Boy Born To Tom Tutors

Mr. and Mrs. Thomas A. Tutor Jr. of Roswell became parents of a baby boy Wednesday, May 17.

He was named Jason Thomas and weighed 8 lbs. 11 ozs.

Jason has one sister, Johanna, who will be four in August. His grandparents are Mr. and Mrs. Thomas A. Tutor Sr., Seminole, and Mr. and Mrs. John B. Taylor, Center, Colorado.

The Taylors are former residents of Friona. Mrs. Tutor is the former Diana Taylor.

Jay D. Bates Born Recently

Capt. and Mrs. Phillip Bates of Vandenberg Air Force Base, California, became parents of a baby boy Saturday, May 20. He weighed 8 lbs. 12 ozs. and was named Jay Dwight.

Jay is the third son for the couple, who also has one daughter.

Older Bates children are Amy, Don and Rob.

Mrs. R.L. Bates, Friona, is the paternal grandmother. The maternal grandparents are Mr. and Mrs. W.B. Brown, Houston.

Mrs. J.M. Watson, Friona, is the great-grandmother.

God Is A Personal, Divine "Listener"

Read Jeremiah 29:4-12; James 5:13-16

"You will call upon me and come and pray to me, and I will hear you." (Jeremiah 29:12, RSV)

Dialing the telephone number I wanted, I heard in response; "This is a recording. When you hear the signal, please leave your message and your call will be returned."

The signal sounded and I began to talk hesitantly--hesitantly because I realized that no one was hearing me on the other end of the line.

What would happen if God dealt with us in this way? How would we feel if our prayers were answered by a recording? Such is not the case, for we believe, as Jesus believed, that the God who made us is still available to hear us, and upon hearing us He is prepared to respond.

God who numbers the hairs of our heads and is aware of the fall of a single sparrow is not a God who would leave a recorder to do the work of listening to the prayers of His children.

For the nonexistence of a divine recording, I am thankful. For the existence of a personal, listening God, I am grateful.

PRAYER: Father, we rejoice that You are always available to listen to us and willing to respond to our needs. Most especially, we are gratified that You responded to our need by sending Your Son, Jesus Christ, to give us new life. Amen.

THOUGHT FOR THE DAY: There is no substitute for God who listens to His children's prayers.

Underclassmen Receive Awards At Assembly

Sixteen underclassmen at Friona High School were recipients of "major awards" at the annual awards assembly.

Those honored, with their department award in parentheses, included: Darlene Harper (English), Greg Collier (mathematics), Annette Reznik (science), Beverly Bailey (social science) and Marie Russell (foreign languages).

Also, Diane Hamilton (home economics), Kevin Wiseman (vocational agriculture), Edward Burchett (industrial arts), Elsie Aguirre (business), Gary Mings (music), David Darnell (Distributive Education) and Donna Jewell (L.C.T.).

Also honored, for placing in regional UIL events, were Jay Messenger and Trip Horton, boys debate team members; and seniors Sally Kendrick (girls persuasive) and Steve Stone (prose reading).

Secondary awards were presented to students who participated in the regional meet, but did not place. These included Sheila Struve and Diane Rodgers (debate), Carl Evans (informative speaking), Davey Hill (poetry reading), Diane Day (shorthand), Carolyn Gore and Beverly Bailey (spelling).

Other secondary degrees went to the seven girls receiving their state FHA licenses and the two boys gaining their Lone Star Farmer awards.

These were Kathy King, Rhonda Bauer, Pat Phipps, Sarah Gammon, Mary Bennett, Glenda Reeve, Annette Reznik, Maron Finley and Kevin Wiseman.

Students receiving awards for 90 or above averages were: Juniors—Willie Bailey, Cindy Barnett, Tessa Bingham, James Burchett, Carl Evans, Sarah Gammon, Darlene Harper, Donna Harper, Sylvia Hernandez and Robert Jackson.

Sophomores—Beverly Bailey, Kay Cochran, Greg Collier, Carolyn Gore, Trip Horton, Gary Land, Bob Lewellen, Annette Reznik, Marie Russell and Gayla Self.

Freshmen—Carol Bavousett, Diane Hamilton, Joanne Jarboe, Hope Mays, Beverly Schueler, Becky Walker and Pam Wilcox.

Nineteen high school students were honored for perfect attendance during the 1971-72 school year. They were seniors Bill Bailey, Kathy Horton and Richard Shirley. Also, Juniors Jerry Bentley and Carol Reeve.

Sophomores honored were Beverly Bailey, Carolyn Gore, David Hardgrove, Trip Horton, Joe Jones, Ray Pennington and Glenda Reeve. Freshmen receiving pins were Kim Bryant, Dale Cleveland, Joe Cunningham, Marilyn Jones, Jesse Rodriguez, Gene Strickland and Mitchell Wiseman.

Superintendent of Schools Alton Farr presented five teachers with employee pins. Receiving ten year pins were Benny Pryor and Joy Morton. F.C. Crofford, Larry Dyess and Bob Middleton received five-year pins.

Directors Re-Elected

Gene Welch and Melvin Southward were re-elected to spots on the board of directors of Friona Consumers at the company's annual meeting last Saturday.

Billy Dean Baxter was re-elected as president of the board. Holdover directors include Roy V. Miller, Johnny W. Hand and Baxter.

Winners of door prizes at the annual meeting were Mrs. Bee Westbrook, Melvin Southward, Mrs. Joe Clark, Mrs. Sam Mears and Sara Mears.

Jobs Sought For Students

All high school age students from low income families who need employment are asked to contact Baker Duggins in the Friona High School counselor's office between the hours of 9 and 11 a.m. Friday, June 9.

The program is administered through the federal government, through the Neighborhood Youth Corps.

PARENTS WHO REALLY PAY ATTENTION TO THEIR CHILDREN COMPLY TO THEM THAT THEIR IDEAS ARE VALUED AND THAT HE IS RESPECTED. SUCH RESPECT GIVES THE CHILD A SENSE OF SELF-WORTH. THE FEELING OF PERSONAL WORTH HELPS THE CHILD DEAL MORE EFFECTIVELY WITH THE WORLD OF EVENTS AND PEOPLE.
