HOME MOVIES USED TO BE the classic subject for take-offs. But it seems they've been succeeded by the impersonal mimeographed letters many people send to their friends at Christmas, thus avoiding personal letters.

Jim Fitzgerald of The Mason News in Michigan pens a classic of his own this Christmas. Here it is:

DEAR FRIEND, RELATIVE, NEIGHBOR, old schoolmate or anyone we met on vacation last summer.

Once again it is Christmas time. Time to report to all you people we love so much. A lot sure happened to our family in 1971.

Son Richard got his first job. He's 4th assistant manager at Kroger's on the corner, in charge of bagging. We're so proud of him. In March he celebrated his 32nd birthday.

DAUGHTER MARCIA gave us our 11th grandson last January. For keeps. She reports that there are wedding bells in her future. I think this means she's engaged but Dad says it means she's got something going with the church janitor in the belfry.

Remember Aunt Stella who drives the school bus? She won't be here for Christmas dinner. The school sent her to Fort Knox for eight weeks of combat training.

OUR YOUNGEST SON, RALPH, is still going to Michigan State University. He visited us a couple of weeks ago, we think. It's hard to tell for sure with that beard and hair. Ralph says he doesn't want a job when he graduates, he just wants to go to San Francisco and love his fellowman. Dad told him to take Richard and Marcia with him.

Our cousin Henry, that's Stella's oldest, has steady work on TV. He sweeps up the hall after the aspirin lectures.

MY BROTHER SAM'S BOY Tom is still in Vietnam. He's been there eight years and swears he won't come home until he meets Bob Hope. Dad says he should hold out for Ann Margaret.

Now that he's 65 and retired from GM, Dad is getting more interested in politics. He's thinking of running for police commissioner. He says if he could hold onto that job until he's 90, he'd then be old enough to become director of the FBI.

Daughter Connie had her first date last summer and it was the cutest thing. When the boy asked to kiss her goodbye, Connie told him to wait a minute and then she ran in the house and wrote a letter to Ann Landers. They are still waiting for an answer, while looking at each other through the window. Connie celebrated her 38th birthday in June.

MY SISTER ANNETTE was elected president of an anti-pollution club. To help keep the earth clean, she made a great buy from The Man From Glad and she is now following the rodeo from town to town.

Cousin Harriet is happy again this year. You remember she was married to the Chevrolet dealer but he divorced her. Well, now he has recalled her, Dad says Harriet will probably be out of the bump shop by New Year's.

That's all I have room to write this year. Marcia said if I kept my Christmas letter to one page she would make 500 copies on the church Xerox Machine. She knows the janitor, Dad says.

Merry Christmas and Happy New Year.

Mary and the family
--From the Tullia Herald

\$569,000

Construction Totals For '71 Respectable

Construction totals for the city of Friona came to \$569,000 for the calendar year of 1971, according to a tally of building permits issued by the city office.

The total was, as expected, lower than that for 1970, which was near an all-time record at \$1,956,975. However, the figures for 1970 included the 60-unit apartment complex, as well as the new Friona State Bank building--well over \$1 million between them.

New residences once again led the way in the current totals, with 28 permits issued for construction valued at an estimated \$478,200. In 1970, there were 43 new residences started, at an estimated cost of \$626,400.

A total of 63 permits were issued the past calendar year, nine less than the previous year. In other breakdowns, there were four permits for commercial buildings. These included the new Chevron Station under

construction on West Highway 60; Campbell's Pit Bar-B-Que business on East Highway 60; the Crowe-Gulde Cement Company, and the car wash in conjunction with Kerr Mobil.

There were 32 permits issued for additions or alterations, worth an estimated \$48,450. This was an increase from the former year's totals of 25 permits and \$27,575.

Although the totals for 1971 failed for the first time in four years to top the million-dollar

mark, they were still considered as "healthy" by City Manager Jake Outland, particularly in light of the tight-money situation which has existed on a nationwide scale.

Building totals for the City of Friona for the past four years stand at \$4,601,075. During that period, a total of 163 new homes have been built. Counting move-in houses during that time, there have been a total of 183 homes added to the

(Continued on Page 8)

DOLPH BRISCOE

Governor Candidate To Meet Supporters Here

Dolph Briscoe, Democratic candidate for governor, will be in Parmer County on Thursday, according to G.B. (Pete) Buske, who is Briscoe's cam-

paign chairman for Parmer County. Buske also announces that Richard Collard has been named chairman of the Briscoe drive for Friona.

Briscoe will meet with his local supporters in a coffee meeting at 5 p.m. Thursday at Friona State Bank's Community Room. He earlier will hold a similar meeting at Farwell's Security State Bank, at 3:30 p.m., and at the Bovina Restaurant, at 4:30 p.m.

The gubernatorial candidate will be in Hereford for a dinner meeting Thursday evening at the Hereford Country Club, beginning at 6:30 p.m.

Briscoe served as president of the Texas and Southwestern Cattle Raisers Association from 1960-62. He was named chairman of the National Live Stock and Meat Board in 1970.

Briscoe served his area as state representative for eight years, from 1949-57. He ran for governor in 1968, one of ten men in the huge Democratic primary, but failed to make the runoff.

All of his friends in the area are invited to attend one of the meetings in this area.

Tom Lewellen Will Be Re-election Candidate

Tom Lewellen, who is serving his third term as county commissioner for Precinct 1, this week authorized the Friona Star to announce his candidacy for re-election to that position, subject to the action in the Democratic primary in May.

In making public his candidacy for re-election, Lewellen issued the following statement:

"In announcing my candidacy for nomination for commissioner of Precinct 1, subject to the will of the voters in the primary in May, I wish to express my sincere thanks and appreciation to the people of Precinct 1 and the surrounding area for the co-operation given me in the past.

"If I am elected, I pledge a continuance of my best efforts to the duties of this office. I will appreciate your support."

Lewellen was elected to office in 1960, defeating Wesley Hardesty and E.G. Phipps in the primary, having a runoff with Hardesty. In 1964, he was re-elected, having Forest Osborn as an opponent in the primary and Thomas Parson on the November ballot on the Republican ledger.

Tom Lewellen

The commissioner, who lives in the Black community, was re-elected in 1968 without opposition.

New Fire Station Requires Bond Vote

The Friona City Council voted Monday to initiate a \$100,000 bond issue to submit to Friona voters, for construction of a new fire station, along with improvements to the city's water and sewer systems.

Cost of the proposed station,

including land, is expected to be around \$50,000. Improvements to the city's water and sewer systems, designed to take care of the city's growth, would amount to around \$25,000 each. Matching funds would be anticipated for the water and sewer work.

The bond issue will probably face city voters at the annual city election in April.

The fire department's need for additional space has long been apparent. The department's current building will not begin to house the equipment, which includes some of the best equipment available for fire-fighting.

In other business, the council approved payment of \$8,608 to Frank and Petra Martinez, for right-of-way on the Highway 214 project. The purchase was the first of six parcels needed to complete the overpass.

The council also discussed a possible paving program for 1972, centered around Walnut Street between 11th and 14th Streets. Property owners along this street are to be contacted and urged to take part in paving the street.

An ordinance was passed adjusting cemetery operational costs slightly.

Also passed was a resolution to participate in the cost of preparing 2,000 maps of the city. Councilman Nelson Lewis was appointed local representative in the "Community Library" system, which the local library has joined.

PLAN MEMBERSHIP MEETING --- Parmer County directors of Water, Inc. met Tuesday morning in Bovina to plan a membership meeting. Pictured, left to right, are A. L. Black of Friona, who is also a district executive board member; W. L. "Preach" Edelman of Friona, county chairman; and State Representative Bill Clayton of Springlake, executive director of Water, Inc. The membership meeting is scheduled for Monday, Jan. 24, at 7:30 p.m. in Bovina High School auditorium.

AT MEETING

New Directors For Chamber Installed

Four new directors were welcomed at the monthly meeting of the Friona Chamber of Commerce Tuesday morning.

Dale Cary, Carrol Gatlin, M. C. Osborn and Floyd Reeve were elected as directors in balloting by Chamber members in late December, for two-year terms on the board. The four attended their first meeting Tuesday.

The four were elected to replace directors Carl Schlenker, Dr. Jon M. Roden, Marc Houser and Ralph Shirley, whose terms are expiring.

Holdover directors are W-

dell Gresham, Ray Murphree, Glenn E. Reeve, Jr., Ron Devonport and H.K. (Pudge) Kendrick, all of whom were present.

Election of the new chamber officers was postponed by President Ralph Shirley.

Shirley heard reports from various of the directors concerning the annual banquet, to be held here February 29. Jim Gilie, reported to be one of the country's outstanding speakers, has been secured as principal speaker.

Among items passed at the meeting Tuesday was the ban-

quet menu, which will be roast beef, a change from steak which has been served the past two years. Inability to adequately prepare the number of steaks needed was cited as the reason for the change.

Also, the board passed a motion on the price of banquet tickets, which will be \$5.00 this year.

Other items discussed were the Chamber's Christmas Lighting Contest; city maps which have been ordered for distribution locally; and a report on city affairs from City Manager Jake Outland.

ON WATER

Bovina To Host Meet

Parmer County directors of Water, Inc. and other interested individuals met Tuesday morning in Bovina to plan a membership meeting which has been scheduled for Monday, Jan. 24, at 7:30 p.m. in the Bovina High School auditorium.

The program will be presented by State Representative Bill Clayton of Springlake, executive director of Water, Inc. All persons both husbands and wives, are invited and urged to attend this meeting.

An updating on the California water project will be given. Latest reports on activity by the state and federal governments concerning the water problem will be presented. A report will also be given on the impact which the ecology movement is having on plans to import water.

Rep. Bill Clayton was in attendance at Tuesday's meeting. A. L. Black of Friona, a county director, is also a district executive board member of Water, Inc. W. L. "Preach" Edelman is the county chairman.

First Baby For Webbers

The first baby of 1972 for Friona was born Sunday morning, January 9, at Parmer County Community Hospital.

Parents are Mr. and Mrs. Gerald C. Webber. The baby boy was named Clifford G. Webber. He weighed in at eight pounds, 14 ounces, and was the first child for the couple.

Webber is employed by B&B Trucks of Friona. The family lives at 1207 Washington.

Bank Deposits Top All-Time Record

Deposits at Friona State Bank continue to speak well for the Friona area, as the latest quarterly statement recorded all-time records, both for deposits and total assets.

Even though some of the area's crops were not up to par, the total deposit figure for the close of business December 31 was up \$401,588.24 from the same date a year earlier, which had established the previous record.

The totals were \$13,491,914.52 on deposit as of the past December 31, as compared to \$13,090,326.28 for December 31, 1970.

Total assets showed an even greater gain, coming near the \$15 million figure. Total assets on December 31 amounted to \$14,977,567.04, an increase of \$801,779.36 from the previous year's figure of \$14,175,787.68.

Another important department on the statement also increased--the loan category. Loans were up from \$7,151,414.61 to \$8,770,508.93--an increase of \$1,619,094.32, or 22 per cent.

The overall increase can be attributed to the good profits made recently in the cattle market, which was much more stable than it was a year earlier.

Also, the increased deposit figures can

be attributed somewhat to the Nixon administration's "freeze" on the economy, which has caused people to watch their money a little closer. An indication of this is seen in the increase in time or savings deposits at the bank, of more than 25 per cent during the year--currently standing at \$4,084,762.28.

Utility Connections Indicate City Growth

Continued growth of Friona is seen in a tabulation of the number of new utility connections recorded for the city during 1971.

Southwestern Public Service Company reports 1388 electric meters as of the first of the year, an increase of 52 over their total of 1336 a year ago, states H.L. Outland, local manager.

Pioneer Natural Gas Company currently has 1245 meters, and Ralph Shirley, manager, says this is up 60 from the same time a year ago.

City Manager A.L. (Jake) Outland reports a total of 1241 active water meters at the beginning of the year, an increase of 36 from the same date a year earlier.

Perhaps the largest gain has

come in the number of telephones in use. Jerry Kehoe, manager of the Littlefield district office, said that the company installed 140 additional telephones in Friona during 1971, including 56 new "main stations" (new numbers).

"Friona continues to be the leader in growth among all cities in our district," Kehoe stated. The number of telephones installed in Friona topped the totals for both Littlefield and Muleshoe, both larger than Friona in population, although Littlefield has seven more new main stations than did Friona.

Utility connections have long been considered a good indicator of a city's growth. Apparently, Friona continues to experience good, steady growth.

Temperatures

FIRST BABY. . . Mrs. Gerald C. Webber is shown with her son, Clifford G. Webber, who was the first baby born at Parmer County Community Hospital for 1972, arriving Sunday, January 9. The father is employed as a driver at B&B Trucks.

Sincerely Yours

By Rev. Albert Lindley

(Editor's note: Albert F. Lindley, pastor of Friona's United Methodist Church, is in London, on a 27-day study seminar with other Methodist ministers. Following is a report he sends to his friends through the Star.)

London, January 4--From your Foreign Correspondent Purpose: A Raise Reason: If I'm going to play like this--I need more to play with--

I really don't know where to begin this little report but I thought it might do some good to at least let you know I made it here.

The experience has been great--from the first lift-off at Amarillo, the day in Houston, the night flight to Paris, the loss of 7 hours (you think it is rough with Texas losing just one hour, you should try 7 sometime), being in England though I am presently 6 hours ahead of you, at the moment of this writing it is 12 midnight, meaning that it is just 6 p.m. for you, now my late hour is due to several things, none of which I will share with you.

But do let me share this with you--flying over to Paris--the Stewardess would make her announcements three times--once in French--once in Spanish and then in English--I don't know why, it sounded like everyone was speaking Dutch, German or Norwegian, as are most people here, it may just be the part of town we are in.

We took the wrong Tube (Subway) today over to see the Tower of London and the Tower Bridge. We asked the lady at the window, where we could get off and find one, how to correct our mistake, we listened in utter disbelief, not a single one of us could understand her directions or what she was trying to say.

Now, another incident, and you can be sure there will be several you will never know about--

We were trying to use the Telly (Telephone) and we were given these instructions by our Hotel Receptionist--"When you hear the pin squeak, drop in your two pence."

Now, I have heard of pin-squeak all my life and now I know the origin.

I'm not making fun or belittling anything or anybody--let me make that clear--over here I'm the foreigner and that "do make a difference."

But let me close with something I think might be worth your time.

People talk and correspond in different ways. We have to tune ourselves to the wave-length to see what it all means. Sometimes, as with unknown foreign tongues, we are unable to understand the attempted correspondence or communications.

And to me, Dear Friend, that is God speaking out of that truthful statement.

Sometimes we are not tuned in to his wave length and his message to us goes unheeded.

Sometimes, we are so busy trying to figure out what a "two pence" is that we fail to hear the "pin-squeak."

But never--never--does God speak so that we are not able to understand his message to us--the purpose of his Son was so you and I could hear. Isn't that great?

So this is your friendly Foreign Correspondent signing off with a friendly reminder--"LISTEN--God is speaking to you."

Sincerely yours,
Albert F. Lindley

London WC1, England

Pause and Reflect

By Nelson Lewis

Sir Winston Churchill once said, "If we open a quarrel between the past and the present, we shall find that we have lost the future."

A further exercise in futility would be opening a quarrel between the present and the future.

It might be well to remember that as far as the future is concerned we are all just "penciled" in.

Our best bet is to prepare a sturdy bridge from the present into the tomorrows; and what better material than the hundreds of thousands of splendid young people who inhabit our land?

As the new year begins let's take a look at just a few of their activities.

Thousands are quietly returning to schools and colleges all across the country--preparing a better world for us oldsters to retire in.

Hundreds gathered at our own local schools last weekend and demonstrated hard earned knowledge, even wisdom, plus the ability to get it across to others.

New Years Day brought us the Parade of Roses from California.

Many of the most spectacular floats had been decorated by high school students.

And speaking of entertainment, how about the musical training, precision marching, and descent showmanship presented by young people during dozens of "half times"?

And have you noticed how many are taking advantage of trade schools and business colleges?

These are but a few samples of the bridge material we have on hand.

The older generation must supply the basic engineering, the mortar of understanding and the reinforcing steel of cooperation.

Together we can made 1972 a solid foundation for a better America than we have ever known.

The Prairie Prowler is always interested in anything that will tie the past of our land into the present, thereby enriching the future.

Along that line the following news release from Austin is offered.

Everyone knows the Texas Highway Department provides important transportation links between modern cities and towns. Not so well known is the Department's role in providing links to the past, too.

Texas Highway Department crews have been responsible for finding more than 800 archaeological sites since the Department was organized in 1917.

They combine with the more than 4,500 sites currently cataloged at the University of Texas Archaeological Research Laboratories in Austin to give archaeologists a more complete picture of the State's colorful history.

Discoveries made by Highway Department crews include the remains of an Indian burial mound now on display in the Witt Memorial Museum in San Antonio, Inner Space Caverns on Interstate Highway 35 near Georgetown, and an 80-million-year-old fish fossil in West Texas.

Earlier, discoveries were made more or less by accident. Construction was stopped while the site was excavated. Today pinpointing archaeological sites and locating and restoring artifacts is an important part of highway building.

The Department has its own special archaeological section to find and explore archaeological sites before construction begins.

It was established in July, 1970, shortly after the Texas legislature passed the antiquities Code in 1969. The code establishes strict rules for control of all historical and archaeological treasures in the State and makes it unlawful for the Department to build or improve a roadway at an archaeological site.

"We want to find all the sites, excavate them before a new highway is built and, at the same time, recover artifacts under existing highways," said Frank Weir.

Weir, who organized the Department's archaeological operations, and a small staff of trained archaeologists assisted by several Department employees have surveyed more than 400 miles of right of way and excavated nine sites since the section was formed.

Recent discoveries include an Indian campsite near a highway being constructed around Austin, Indian campsites and burial sites in West Texas and a Civil War powder mill near Marshall.

Probably the most significant discovery has been the original architectural plans and specifications for the temporary Capitol which burned in 1899.

The plans, considered lost, were found by Weir while doing research in the archives branch of the Texas State Library. "Through archaeology we are able to learn of achievements and failures of those who lived in this land before us," Weir said.

"Knowledge of the past is essential to understanding the present and interpreting the future," he said. "Our findings give us a deeper understanding of how we came to be what we are today and what the possibilities are for tomorrow."

Department employees across the State have provided substantial support for the program.

"They are familiar with their area and well-versed on its history," said Weir. "There hasn't been a week pass yet that someone didn't write or call with new information about a suspected archaeological site."

Artifacts recovered from archaeological sites are studied by State archaeologists and often donated to a museum near the area where they were found.

Friona Flashbacks

...from the files of the Friona Star

45 YEARS AGO--JANUARY 14, 1927

Material is on the ground, and workmen are employed at the erection of a new building in the south part of town. The new building will be used as a blacksmith shop, and operated by a man named Sylvester. Mr. Sylvester comes here from near Bovina.

40 YEARS AGO--JANUARY 15, 1932

It has long been a mooted question as to whether cattle can be fed here on the Plains at a profit and whether or not one should undertake such a project with any expectation of breaking even financially. Messrs. Trutt and Landrum of this place have been feeding a few hundred head of calves and cows here during the past few months, and are receiving satisfactory results from their efforts.

30 YEARS AGO--JANUARY 16, 1942

Among the political announcements carried in the issue: Sheriff Earl Booth announced for re-election; A.D. Smith of Farwell, for re-election, county attorney; Lee Thompson, re-election as county judge; David Moseley, re-election to office of county commissioner, Precinct 1; and O.M. Jennings, Lazbuddie, commissioner of Precinct 4.

25 YEARS AGO--(Entire 1947 issue missing from files)

20 YEARS AGO--JANUARY 10, 1952

First baby of 1952 born at the Parmer County Community Hospital has been announced as Joe Bill Jones, 6 lb. 9 oz. son of Mr. and Mrs. Bob Jones of Friona. The youngster arrived Tuesday, January 8.

Tom Jarboe, graduating from WTSU, Canyon, this semester, has been employed as a new teacher in the Friona schools, and will assume his duties as a teacher in the sixth grade next week.

15 YEARS AGO--JANUARY 10, 1957

Lakeside Phillips 66 service station will open Saturday in Friona. Kermie Deaton, longtime station manager, will be the lessee. Deaton currently is lessee of the Sloan Osborn station, also handling Phillips products, at the corner of Main and Highway 60.

10 YEARS AGO--JANUARY 11, 1962

The first baby for Parmer County in 1962 is an eight-pound boy born to Mr. and Mrs. Lawrence Jamison of Bovina last Friday. He was named Ricky Don.

Deposits for the fourth quarter at Friona State Bank showed an increase of 17 per cent over the December 31, 1960 report--standing at \$5,447,336.28.

5 YEARS AGO--JANUARY 12, 1967

Ben Robert Neelley, who was born Tuesday morning, January 10, is the first baby born to Friona parents in 1967 at Parmer County Community Hospital. He is the son of Mr. and Mrs. Robert Neelley.

Leader 'Concerned' About Ruling

"We're concerned. That's about all I can say," was the reaction this week by Friona Superintendent of Schools Alton Farr to the recent ruling by a federal court which ruled the state's system of taxing property for school financing as unconstitutional.

However, Superintendent Farr was heartened by the news that the State Board of Education has appealed the decision to the U.S. Supreme Court, with the

chance that the high court will reverse the decision.

"There is not much we can do in the meantime. You can see that there are inequities in the present method of taxation, between a wealthy district and a poorer one--but what method would you use that would not have some inequities?" Farr stated.

The three-judge federal court in San Antonio ruled on Christmas Eve that basing school ex-

penditures on local property taxes makes the quality of a child's education dependent upon the wealth of his school.

This, the court said, violates the U.S. Constitutional guarantee that all citizens will receive equal protection under the law.

It is not known when the Supreme Court will rule on the decision. It may be well into the year.

SCHEDULE Of School ACTIVITIES

January 17--Parmer County Teachers Assn., 6:30, High School Cafeteria.
 January 18--Basketball, Dimmitt, there, 6:30.
 January 20--Student Faculty Congress, 8 p.m.
 January 20-22--B team tournament at Canyon. Eighth grade boys and girls in Olton tournament.
 January 21--Basketball, Morton, here (boys) 8 p.m. Girls at Tulla, 5 p.m.
 January 22--All-Regional band tryouts in Lubbock.
 January 24--Basketball--Muleshoe 8th boys there; 8th grade girls, here.
 January 25--Basketball, girls vs Muleshoe, here, 6:30.
 January 27-29--9th grade at Dimmitt tournament. All-region band at Lubbock.

Friona School Lunch Menu

Week of January 17- January 21
 Monday--corn dogs, French fries, hot rolls-butter, pork and beans, chocolate cake and milk.
 Tuesday--meat balls and spaghetti, English peas, hot rolls-butter, buttered corn, coconut pudding and milk.
 Wednesday--hot tamales, pinto beans, corn bread-butter, mixed greens, apple crisp and milk.
 Thursday--fried chicken, mashed potatoes, tossed salad, hot rolls-butter, English peas, strawberry short cake and milk.
 Friday--barbecue on bun, French fries, brownies, catsup relish and milk.

LETTERS TO EDITOR

Dear Editor:
 What has happened to Friona's school spirit? During the holidays the Friona Squaws went to the Claude tournament and won first place. There were several parents and a few other interested people that went up to see the girls play. There weren't very many students that went but a few.
 On Tuesday Abernathy played at Friona. There was a fairly good crowd came to watch the games but not too many students. Abernathy's B-team girls led yells all during the

varsity girls game, our fans were pretty quiet as far as yells and school spirit was concerned.
 During the boys game our cheerleaders did do a few yells but nothing compared to Abernathy.
 On Friday, the team went to Floydada. There were several fans there, mostly parents and college students, not very many students or teachers. Again Floydada had their younger girls doing yells and keeping the spirit up while the varsity girls played, we had no one to lead yells.

I realize most of the cheerleaders play ball but we have some freshmen cheerleaders that might help out some in these cases. Before the boys game was over the girls teams got up and left (this isn't the first time this has happened).

Saturday the boys were in the Plains tournament and got to the finals. There were 30 people from Friona there to see the finals, one high school student, one college student, 1 junior high coach, two coaches and their families, and the other 19 were members of the boy's and coach's families.

There was not one cheerleader (Friona was the only school there without their cheerleaders) the assistant coach didn't even go or any of the other teachers, students or fans.

We say, "Well the boys aren't winning," they have an 11-8 record, this shouldn't make any difference, in fact we ought to get behind them more, they need us more now than if they had won every game.

I realize there are other things going on besides these things so let's get behind our school in whatever they are doing and get some Friona school spirit.

Name Withheld by Request

Mrs. Herbert Schueler of the Rhea Community accompanied her father, J.T. Stehr of Dimmitt, to Amarillo for a medical check-up Friday. En route home they visited Mrs. J.T. Stehr, who lives at King's Manor, Hereford.

Mrs. Walter Schueler and Mrs. Franklin Bauer, of the Rhea Community, also visited with Mrs. Stehr.

LEGAL NOTICE

To: Dale W. McMillan, Dale W. McMillan, Clyde S. Fergus, Agnes S. McMillan and Bernice Fergus, and the unknown spouses of each of such named Defendants, if living, whose places of residence are unknown to Plaintiffs, and if dead, the legal representatives of each of said named Defendants (including in such "named Defendants" the unknown spouses of each of such named Defendants, where applicable) and the unknown heirs of each of said named Defendants, the legal representatives of the unknown heirs of each of said named Defendants, if the unknown heirs of said named Defendants are dead, the unknown heirs of the unknown heirs of said named Defendants, whose places of residence are unknown to Plaintiffs;

Defendants, Greeting: You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 28th day

of February A.D. 1972, then and there to answer Plaintiff's Petition filed in said Court, on the 10th day of January A.D. 1972, in this cause, numbered 3292 on the docket of said court and styled RUBY BEARDAIN BELL and her husband, ALBERT BELL Plaintiffs, vs. DALE W. McMILLAN, DALE W. McMILLAN, CLYDE S. FERGUS, AGNES S. McMILLAN AND BERNICE FERGUS, and the unknown spouses of each of such named Defendants, if living, whose places of residence are unknown to Plaintiffs, and if dead, the legal representatives of each of said named Defendants (including in such "named Defendants" the unknown spouses of each of such named Defendants, where applicable) and the unknown heirs of each of said named Defendants, the legal representatives of the unknown heirs of each of said named Defendants, if the unknown heirs of said named Defendants are dead, the unknown heirs of the unknown heirs of said named Defendants, whose places of residence are unknown to Plaintiffs, DE-

DEFENDANTS. A brief statement of the nature of this suit is as follows, to-wit:

This suit is by Ruby Beardain Bell and her husband, Albert Bell, in trespass to try title as provided by Rule 783 of the Rules of Civil Procedure for the District Courts of Texas, and the Statutes pertaining thereto, the said Plaintiffs alleging that Plaintiffs are the sole owners and are entitled to fee simple title to the property described as:

All of Lots Four (4), Five (5) and Six (6) of Block Eight (8) of the McMillan and Fergus Addition to the Town of Friona, Parmer County, Texas, as shown by plat of said addition of record in Volume 15, page 112 et seq. of the Deed Records of Parmer County, Texas.

Plaintiffs bring this suit in trespass to try title against all of the Defendants jointly and severally for the title and possession of such land, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas this the 10th day of January, A.D. 1972.

Attest: Dorothy Quicquel Clerk, District Court, Parmer County, Texas

SWEETSTAKES WINNER. ...Friona High School was host to its annual Forensics tournament last Saturday, and Muleshoe High School won the sweepstakes trophy. Kerry Moore, team coach, is being presented the trophy by Ann Hurst of Friona. The local students did not compete in the events.

Smallpox Requirement Dropped By Schools

The Friona school board passed a resolution to drop the requirement of a smallpox vaccination for pupils entering the first grade. The action followed a recommendation from the State Department of Health, which has dropped the smallpox vaccination from their list of requirements.

The board action came at the group's regular monthly meeting Monday night.

In other business, Superintendent Alton Farr read a notice from the Texas Education Agency that the local district had been approved for application for two new school buses for next year's term.

Farr reported on the progress of the paving on the block west of Friona Junior High School, work on which is underway.

The board spent some time discussing the recent ruling in a federal district court which held the state's property tax system unconstitutional.

Routine matters filled the remainder of the meeting. Tax assessor-collector Porter Roberts reported that taxes collected through December came to \$160,731.43. The total, at the year's end, was four per cent below that for the same date a year earlier.

The board discussed the district highway engineer's re-

commendation on the school crosswalks on Highway 60, but tabled the matter until a later meeting.

Chiefs Runnerup In Plains Tourney

Friona's boys were runners-up in the Plains Cowboy tournament held Thursday and Saturday, January 6 and 8.

Friona met New Deal on Thursday and won by a 56-42 score. Friona took the lead on a basket by Willie Bailey and never trailed even though the game was fairly close throughout.

On Saturday, Friona met Seagraves. Johnny Dandy gave Friona the lead, that they never gave up, on a basket with 25 seconds gone in the game.

Friona led 18 points (54-36) with 7:43 left in the game. Seagraves scored 30 points in the next seven minutes and 10 seconds while Friona scored 16, to pull within four (70-66) with 33 seconds left in the game. Friona scored the last two points on free throws by Willie Bailey to give us a 72-66 win. Seagraves went on to win third place in the tournament by downing Plains.

Frosh Storm Past Morton

The Freshmen boys won their game here against Morton, Monday, January 10 by a 52-38 score. The game was close until the end of the game.

Friona took a 2-0 lead, Morton tied it up 2-2, again Friona went ahead, 4-2, Morton tied it up and went ahead 11-7.

Friona took the lead 13-11 with 2:38 left in the first quarter and never were tied or behind the rest of the game even though Morton pulled within 1 (29-28) with 2:12 left in the third quarter.

Gene Strickland hit 11 points in the final period to lead Friona to the win.

Friona 17 28 34 52
Morton 13 21 28 38
Gene Strickland, 6-1-13; Clay Bandy, 5-0-10; Lee King, 3-1-7; Kevin Welch, 0-3-3; David Clark, 1-0-2; David Hutson, 0-1-1.

In the finals Saturday night, Friona met Lubbock Christian High School and were defeated 54-49.

Friona took the lead in this game on a basket by Larry Fallwell but this was short lived as LCHS took the lead and kept it until Willie Bailey gave us the lead with 52 seconds left in the first quarter.

LCHS outscored Friona, 14 points to 11, the second quarter to give them a 24-22 halftime lead.

Friona came back in the third quarter and scored 16 points to 9 for LCHS to give us a 38-33 advantage. The last quarter saw LCHS score 21 while we scored 11 to give them the win. The score was tied 10 times and changed leads 9 times.

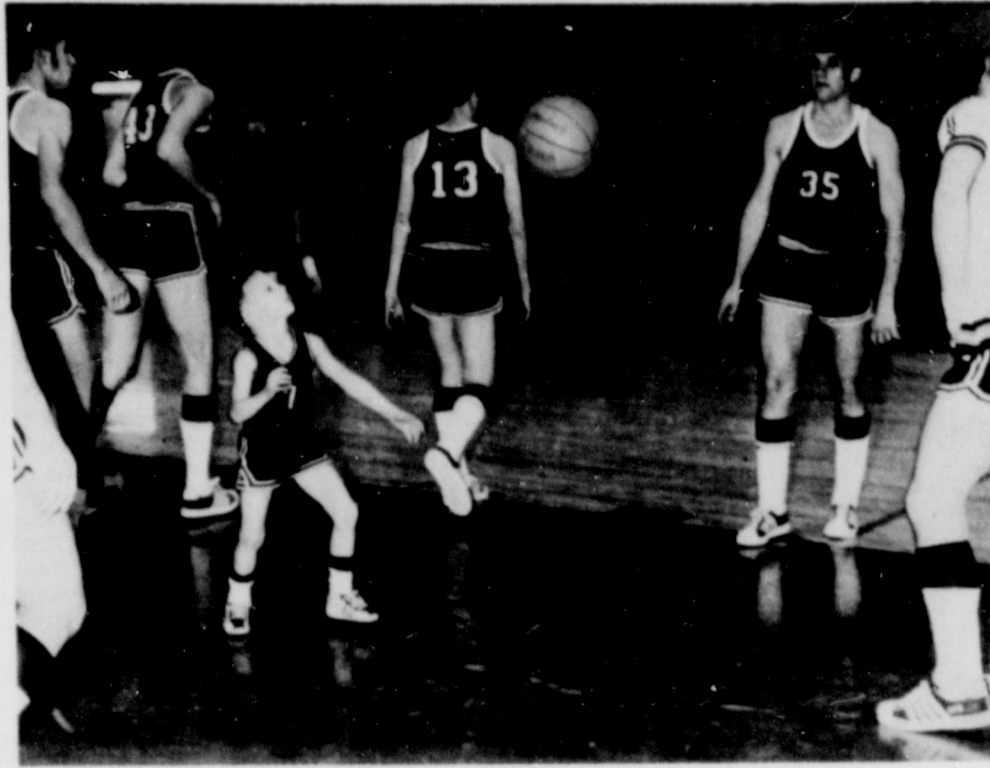

Friona placed two boys on the six-man all-tourney team picked from the eight teams entered in the tournament. Our boys picked were Larry Fallwell and Johnny Bandy.

BIG MAN'S GAME? . . . Who says it's a big man's game? You couldn't convince this fellow, who is the young son of Abernathy's basketball coach. He entertained local fans recently by consistently hitting free throws, from the regular free throw line. Watch out, class of '83!

AT FLOYDADA Teams Drop First District Contests

Friona's boys and girls both lost their first district games at Floydada, Friday, January 7.

The girl's game was close from start to finish with the longest lead by either team being only seven points and Friona had this lead (20-13) with 2:45 left in the first half.

The game was tied at the end of the first quarter and at the half. Friona held a 31-30 lead at the end of three stanzas. The last quarter saw the lead change seven times and was tied once.

Friona had its last lead of 39-38 when Sharon Smith was fouled and hit both free shots with 47 seconds left to play. Floydada went ahead 40-39 on a basket with 18 seconds left. Friona tried to work the ball

around for a last shot, but it just didn't work out and Friona lost by the 40-39 score.

The boy's game was close the entire game with Floydada leading most of the game. Friona's longest lead was four points, which they had once, although having a two point lead several times.

Floydada took the lead to stay at 16-14 with 5:46 left in the first half. Floydada outscored Friona 15-9 in the second quarter to take a 27-19 halftime lead.

Friona came back and scored 17 in the third quarter to 16 for Floydada. Friona was only eight points behind with 2:05 left in the game but Floydada scored eight points while Friona only scored three.

Friona had several turnovers that were costly. Floydada was the fastest and quickest team Friona had met.

Friona's B team girls won their game.

Seventh Grade Splits Pair Of Cage Games

Friona's seventh grade boys split a pair of basketball games last week. They won 33-23 over Littlefield at Littlefield Thursday, January 6 and lost 39-31 to Morton at home Monday, January 10. They now stand 4-3 for the season.

On two baskets by Leslie Broadhurst Friona led 4-2 at the end of the first quarter at Littlefield. The half time score was 10-7 on baskets by Lester Aven, Keith Martin and Leslie Broadhurst.

Friona scored 17 points in the third quarter to Littlefield's seven for a 27-17 score. Keith Martin's basket to start the fourth quarter gave Friona their longest lead, 29-17.

Friona never led in their game with Morton. Lester Aven scored four points in the first quarter to make the score 4-13. A big third quarter gave Morton a 31-18 lead.

Enter Tourney

The Freshmen and B team boys are entered in the Littlefield tournament this weekend. The B team plays Abernathy their first game at 5:45 Thursday. Other teams entered are from Dimmitt, Slaton, Lockney, Roosevelt, Shallowater and Littlefield.

The Freshmen play Abernathy at 4:30 Thursday. Freshmen teams entered are Littlefield A & B, Slaton, Lockney, Sudan, and Shallowater.

8th Graders Are Edged

The eighth grade boys lost a hard fought game to Littlefield there Thursday, January 6, 35-30.

Friona jumped to an 8-0 lead and kept the lead until Littlefield took the lead, 25-24 on a free throw with 4:17 left in the game.

Littlefield had tied the game twice (17-17 and 24-24). Friona took the lead again 28-27 with 3:15 left in the game. Littlefield tied it 28-28 with 2:52 left and went ahead 30-28 with 2:17 left.

Friona tied it 30-30 with 1:50 left and this was all of our scoring but Littlefield scored five more to take the win.

Friona	10	16	24	30					
Littlefield	2	11	22	35					
Davy Carthel	4-3-11	Kent Miller	3-0-6	Troy Messenger	2-1-5	Roy Smith	2-0-4	Doug Norwood	1-2-4

8th Graders Lose Tilt

The eighth grade boys were defeated here Monday, January 10 by the team from Morton. The game was fairly close the whole game. Friona took a 4-0 lead on two baskets by Davy Carthel.

Morton made the next eight points to put them in the lead 8-4. Friona then scored the next five points to make it 9-8, again Morton made the next 11 points to give them a 19-9 lead they never lost.

Friona	7	16	25	38					
Morton	8	23	32	50					
Davy Carthel	7-2-16	Mike Bartlett	4-0-8	Doug Norwood	3-1-7	Roy Smith	3-0-6	Kent Miller	0-1-1

Frosh Blast Littlefield For Seventh Win

Friona's freshmen boys won their seventh ball game of the season at Littlefield January 6. This gives us a 7-2 record for the season.

The game was close for the first 3-3/4 quarters but Friona pulled away in the last minute and half to score the last 9 points to give them a 60-47 win.

The score was tied seven times and swapped leads four times in the first half. Friona took the lead at 23-22 with 3:15 left in the first half and never

trailed after this even though Littlefield was within three points six times before the end of the game.

Littlefield's longest lead of the game was three points (22-19 with four minutes left in the first half) and Friona's was the 13 points of the final score.

Friona	13	29	42	60

PAVING UNDERWAY. . . Work is currently underway to pave the block on Cleveland Avenue, west of the Junior High Building. When completed, this will take care of what has been a muddy street in wet weather.

DONNY CARRASCO

Carrasco Receives Scholarship

Donny Carrasco, 36, pastor of Templo Bautista Damasco, Friona, and presently enrolled at Wayland Baptist College, Plainview, received a scholarship from the Baptist General Convention of Texas during recent interviews at the Baptist Building in Dallas.

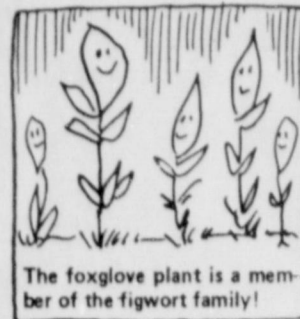

Rev. Carrasco is one of 550 deserving Latin American students to receive the \$500 a year scholarships in the last 15 years.

"Many of the students have already graduated and have made their marks as teachers, ministers, and other outstanding Christian, professional leaders," said Charles Lee Williamson of Dallas, chairman of the scholarship committee and director of the Texas Baptist Missions Division.

The scholarship program is financed through the annual Mary Hill Davis Offering for State Missions, sponsored by the Texas Baptist Women's Missionary Union in some 4,000 Texas Baptist churches annually.

Scholarship criteria include at least a "B" average in high school, recommendations from pastor, teachers and friends, membership in a Baptist church or mission and personal Christian testimony.

Paul Fortenberry, Raymond Euler, G.B. Buske, Curtis Murphy, Frank Truitt, and Ray White were active pallbearers. Burial was in Friona Cemetery under direction of Claborn Funeral Home.

The foxglove plant is a member of the figwort family!

Former Resident Dies In Lubbock

Funeral services for Kay Darlene Pack, 24, who died at Methodist Hospital, Lubbock, Sunday, were conducted from Higginbotham Funeral Chapel in Rising Star at 2:00 p.m. Tuesday with Floyd Killough of Fort Worth officiating.

Mrs. Pack, who was the daughter of Mr. and Mrs. D.E. Bush and a former Friona resident, moved to Lubbock from

Clovis a few months ago. Survivors, in addition to her parents, include her husband, Ray Pack; a daughter, Tammy Denise Campbell, both of Lubbock; one sister, Marquita Bush, Friona; and two brothers, Paul Alan and Mack Bush, also of Friona.

Burial was in Rising Star Cemetery.

"Take Five" to millions of military veterans means to take time off to rest.

To us, "take five" means detailed work and planning for the next five years.

We'll be investing more than \$144 million in power plant capacity and the lines and equipment needed to get an adequate supply of electricity to you. Electricity that will be needed for sewage and water treatment, disposal of wastes and for other environmental "clean-ups." Electricity, the cleanest of all energies at the point of consumption, is being depended upon as the means for effectively and efficiently cleaning up our environment.

And, adequate electricity will be needed just for the normal growth of people, their industries, their jobs, their resources — nothing frivolous, mind you — just normal, everyday solid growth.

Yes, through 1976, we'll be taking five — doing the worrying — so you won't have to . . . so when you want electric power it'll be there at the flick of a switch.

8th Girls Win Tenth

The Friona eighth grade Maidens stormed to a 52-20 win over Canyon last week, for their tenth win of the season against a single loss.

"We finally put it all together," said Coach Bill Wood. He credited the offense, along with the starting guards of Paula London, Sherri Thorn and Myrna Phipps, with doing a good job.

The Maidens are averaging 38.6 points per game, to 25.5 for their opponents.

The same day, Canyon's seventh grade toppled the seventh grade Maidens, 34-17. Wood said this team was making good progress, explaining that this is the girls' first exposure to basketball.

Friona 8th 13 25 38 52
Canyon 8th 7 13 20 20

Fallwell, 16 pts; Patterson, 24 pts; Rodgers, 8 pts; Martinez, 2 pts; Singletary, 2 pts.

Friona 7th 1 7 11 17

Widner, 4 pts; Dixon, 7 pts; Rando, 4 pts; Bennett, 2 pts.

Golfers Place In Tournament

Larry Sanders and Richard Shirley, Friona High School golfers, placed second in a low-ball partnership tournament at Clovis last weekend.

The local twosome, who are members of the Friona High School golf team, shot a score of 69, which was two strokes under par on the Clovis Municipal course.

George M. Baker Buried Wednesday

JANUARY 19

Funeral services for George M. Baker, 91, who died Sunday, were conducted from First Baptist Church at 2:30 p.m. Wednesday. Rev. Russell Pogue, pastor of the First Baptist Church at Cisco, was the officiating minister. He was assisted by Rev. Charles Broadhurst, pastor of the local church.

George Baker and Alpha J. Bradley were married in Johnson County, Illinois, March 4, 1906. They moved to Texas twelve years later and moved to Friona from Nocona. Except for the years 1942-1950, when the couple was doing defense work during World War II, they have lived here since 1927.

Survivors, besides his wife, include eight sons, Oliver of Cisco, Melvin of Portales, Raymond of Amarillo, Duke of Big Spring, George of Joplin, Missouri, Elmer of Kennewick, Washington, Gilbert of Chewelah, Washington and Arthur of Rose Pine, Louisiana; three daughters, Mrs. Florence Boyce of 1915 16th Street, Lubbock; Mrs. Jean Kelly of Cleveland, Ohio, and Mrs. Opal Ware of Morton.

Also 30 grandchildren; 35 great-grandchildren and four great-great-grandchildren.

Honorary pallbearers were Wesley Hardesty, E.E. Taylor, George Brock, Claude Osborn, Otis Massey, Clyde Hays, Leon Hart, M.C. Kelly, C.A. Turner, M.A. Black, T.E. Wood and H.A. Hyde.

Paul Fortenberry, Raymond Euler, G.B. Buske, Curtis Murphy, Frank Truitt, and Ray White were active pallbearers.

Burial was in Friona Cemetery under direction of Claborn Funeral Home.

GEORGE M. BAKER

American "Independence" was declared on July 2nd, 1776, not July 4th.

Nominees Sought For Homemaker Award

A nominee from Parmer County for the Texas Conservation Homemaker Award is being sought by the Soil Conservation Service and Extension Service of the United States Department of Agriculture.

Jana Pronger, Parmer County Home Demonstration agent, and Herb Evans, Work Unit Conservationist for Soil Conservation Service, are in charge of finding a county nominee.

Former regional winners of the Homemaker Award may enter the county contest providing they update their record books and submit it to the HD agent by Feb. 1.

Women will be judged on farm and ranch conservation practices followed, 50 per cent; conservation practices followed in the home, 25 per cent; and leadership and community life, 25 per cent.

County nominations will be sent to a regional judging committee, in the case of Parmer County, it will be Region I. The regional committee will pick one nominee who will be given a silver award at the regional awards banquet held in May.

The regional nominee from each of Texas' five regions will have her records sent to a state judging committee who will be in charge of picking a Texas Conservation Homemaker. The top award will be a silver service presented to the honoree during State Conservation Awards Program held May 13 in the Student Center Ballroom on the Texas Christian University campus in Fort Worth.

The Texas Conservation Homemaker Award—"Walter H. Humphrey Award"—is one of many awards sponsored by Fort Worth Chamber of Commerce in the 1972 Awards Program. It is given to recognize achievements of Texas homemakers in the area of conservation of human and natural resources and to inspire others to cooperate in good conservation practices.

A three-member county committee will be in charge of selecting a nominee from those entering record books. Any organization wishing to sponsor a woman in the contest must have her record book in the extension office by Feb. 1.

SCS Aids Five Area Producers

During 1971 five producers completed improving their farms and ranches with cost-share from the Great Plains Conservation Program. These include Otho Whitefield of Friona, J.L. Ivy of Lazbuddie, Owen Seamond of Hereford, R.T. Harbour of Bovins, and Joe Jones and Lillian Aldridge of Friona. They drew up to 80% cost-share for improvements such as seeding grass, installing vegetated waterways, installing irrigation pipeline, leveling land for irrigation, and building parallel terraces.

Employment Data To Be Secured In Friona Area

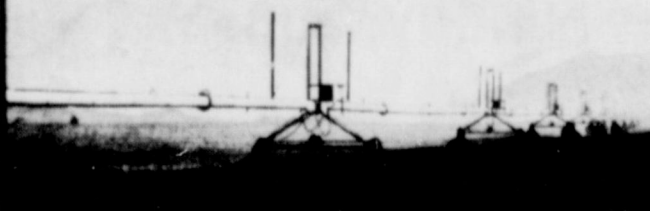

Information on employment and unemployment will be collected in this area by the Bureau of the Census during the week of January 17, Walter A. Freeman, Jr., Director of the Bureau's Data Collection Center in Denver, announced today. Laura Hart will collect the information locally.

The sample of households in this area taking part in the survey are among 50,000 across the country scientifically selected to represent a cross section of all households in the Nation.

Nearly one hundred producers have been assisted through this program since 1958. The treatment spooled through the program serves a multiple purpose. It promotes the conservation of soil and water while at the same time it enhances the habitat for wildlife, it helps control air pollution by preventing the land from blowing, and saves tax money by reducing siltation into road ditches and lakes.

The survey is taken monthly by the Bureau for the U.S. Department of Labor. Statistics on conditions in the labor force, especially on the unemployed, are prime indicators of economic conditions of the United States. For example, the Labor Department reported that the November survey showed there were 4.8 million unemployed persons.

THE "EXTRA FLOATATION" Pivot Irrigation System

LOCKWOOD 2100 LOCK-IN-LINE SYSTEM

- The Lockwood 2100 teams up—
- LOCK-IN-LINE: the most automated tower alignment available. holds tower paths to essentially a single wheel width without frequent in-field adjustment.
 - Totally enclosed final drive.
 - Electric drive for infinite watering speeds, wet or dry operation, forward and reverse pivoting.
 - Safe, reliable 110 volt control circuits.
 - Extra floatation of streamlined tower design and mainline cable suspension.
 - Lockwood's engineering leadership, which has served specialized agriculture since 1935.
- There's a Lockwood Irrigation System for every need and locale—the "Keyrain Reading" 2200 Flexline System—the "Low Profile" 6' Mainline 2100 Unit and the 2300 Electric—a true competitor of oil and water units.

Call Bill Jim St. Clair or Clifford Black (806) 272-3433 or 272-4630 Muleshoe. Office phone 272-3307. Find Out What This System Can Do For You. **B & S IRRIGATION CO.**

On The Farm In Parmer County
MACK HEALD
 County Agent

Land leveling can be used to improve water conservation and allow efficient furrow irrigation, but it also presents a whole new set of soil fertilization problems.

After eight years, yields from the cut area are still well below those from the fill area, but the yield differential is decreasing. In 1963, yield on cotton lint between the cut and fill areas differed as much as 440 pounds per acre. But in 1970, the greatest spread was only 290 pounds.

During the leveling process, the soil that is highest in organic matter and plant nutrients is often moved into the low areas, leaving poor soil on the graded land.

This points out the importance of proper fertilization of cut areas when land is leveled. Land owners should plan specific fertility programs around soil tests. The results of research conducted at the Center are incorporated into the fertilizer recommendations made by the Soil Testing Laboratory.

While most High Plains soils are naturally low in organic matter, the amount present is usually an adequate source of most micronutrients and may contribute small amounts of the major plant nutrients.

Forms and directions for taking soil samples can be obtained from the County Agricultural Agent's Office.

If the topsoil is removed in land leveling, the remaining layer may be severely deficient in plant nutrients: in addition to being alkaline and having poor structure.

Growers and businessmen in Parmer County will be interested in the agricultural information contained in the 1971 High Plains Irrigation Survey now available at the County Extension Office. The survey contains 1971 crop acreages and irrigation trends in Parmer County and 41 other High Plains counties.

Studies to correct this problem were begun at the Center in 1963 on land that had been bench-leveled in 1962. The research team has spent the past several years trying to increase the production on the graded portion through application of materials such as cotton burs, nitrogen, phosphorus, potassium, iron, zinc and sulfur.

The survey gives the current irrigated acreage, number of

At Home In Parmer County

Jana Pronger

Information concerning the Texas Conservation Homemaker Award is now available in my office. Any woman living in the county and she or her husband operates a farm or ranch under a basic soil and water conservation plan is eligible to enter the contest.

Anyone knowing someone who might be eligible, refer her to my office as the deadline for entering is drawing near. Herb Evans of the local SCS Office has agreed to give assistance to entrants. Please let either of us know if you need assistance (Guidelines for record books may be obtained by contacting my office in Farwell, Box 683 or phone 481-3619 or stop by the courthouse.)

I'm including this week two casserole recipes shared with us by members of the Oklahoma Lane Home Demonstration Club which might come in handy for a quick hot lunch or supper that needs to be prepared ahead of time.

CHICKEN DISH
 Mrs. Truman (Mary) McKillip
 1 chicken, cooked
 1 onion, chopped
 1/2 cup celery, chopped
 1 can ripe olives
 1 can mushroom soup
 1 cup noodles, cooked
 1/2 cup cheese
 Mix all ingredients, grate cheese onto.
 Put in 350 degrees F. oven until onion has cooked and cheese melted.

Holloway-McGregor Vows Are Exchanged

Brenda Gail Holloway and Douglas Jay McGregor, both of Clovis, were united in marriage at 5:00 p.m. Wednesday, December 29, at First Christian Church there.

Parents of the couple are Delbert Holloway of Wray, Colorado, and Mrs. Dwan Thomas and Mr. and Mrs. T.B. McGregor, all of Clovis.

Rev. Rod Conover read the double ring ceremony before an altar bearing lighted tapers in a half-moon candelabrum banked with jade palms and centered with a bouquet of white mums, blue carnations and baby's breath. After the vows had been exchanged, Mr. and Mrs. McGregor paused to light a unity candle.

Wedding music was presented by Roy Thornton, who also accompanied Mrs. Pat Hill, vocalist.

As the bride was escorted to the altar and presented in marriage by her father, she wore a formal wedding gown of white shadovel velvet, designed and made by her mother. It was fashioned with an empire bodice, high neckline, lantern sleeves trimmed in embroidered scroll lace and an A line skirt.

Her floor length veil of illusion, which extended into a train, was borrowed from Pat Thompson, Dallas. For something old she wore an 80 year old cameo necklace, which belonged to her maternal great-grandmother. She wore a lucky six pence in her shoe and two blue garters, one of which was borrowed from her matron of honor.

She carried a cascade bouquet of white carnations centered with a white orchid.

Mrs. Doug Williams was the matron of honor. She wore a

formal gown of electric blue velvet designed with a portrait neckline and empire waist. She carried a nosegay of blue carnations.

T.O. McGregor was his brother's best man. Ushers were Doug Williams and Lynn (Jeep) Westbrook Jr.

Wedding guests were registered by Paige Buzzard.

Hostesses for the reception, which followed the ceremony, were Mrs. Jack Fulgham, Hugoton, Kansas and Mrs. Bill Kent, Dimmitt, aunts of the bride; Mrs. T.O. McGregor, Mrs. Jim Garrison, Mrs. Lloyd Brady, Mrs. Fred Fien, Mrs. Mae Moore and Mrs. Melvin Thomas.

The three tiered wedding cake, which was decorated with white and blue, was served with nuts, mints and punch.

Out-of-town guests signing the register were Mr. and Mrs. W.B. Fulgham, Mr. and Mrs. Floyd Brookfield and Joan Gail Brookfield, all of Friona; Mr. and Mrs. W.H. Holloway, Petersburg; Mr. and Mrs. Jesse Holloway, Lubbock; Richard Browning, Dallas; Carrie Holloway, Plainview; Mr. and Mrs. Jack Fulgham, Shannon and Sandy, Hugoton, Kansas; and Mr. and Mrs. Bill Kent and Wade, Dimmitt.

For a wedding trip to Ruidoso, Mrs. McGregor wore a three piece turquoise knit pants suit with brown accessories. Pre-wedding courtesies for the bride included a shower in the home of Mrs. Ray Wiese, Petersburg, and one in the home of Paige Buzzard, Clovis.

Mr. and Mrs. McGregor are at home in Clovis. They are both graduates of Clovis. He is employed by Santa Fe Railway and she is employed by Mountain States Bell Telephone Co.

MRS. DOUGLAS J. MCGREGOR

Americanism Program Features Guest Speaker

Highlight of the Thursday evening meeting of New Horizons Junior Study Club at Federated Club House was an illustrated

Sheltons Visit

Mr. and Mrs. Tom Shelton and daughter, Sherrie, and Izzy Cordova, spent the weekend sightseeing and visiting in the Dallas, McKinney, Greenville-Emory area.

The group visited the Shelton's son, Jimmy, who lives in Greenville. Pa John Shelton, who also lives there; and other relatives and friends in the area.

Pa John Shelton returned to Friona with the Frionans for a visit in the homes of his sons, John L., Tom and Ralph, and daughter, Mrs. John L. Ray, and grandchildren who live here.

According to the American Rheumatism Association, 580 Park Avenue, New York, N.Y. 10021, some 5,000,000 Americans are suffering from rheumatoid arthritis. Contribute generously to this worthwhile organization.

lecture by Dr. C.L. Kay, assistant president of Lubbock Christian College.

Dr. Kay, who was a member of a group of 70 civilian leaders, representing a cross-section of American Business and professional leadership, recently made a trip to Europe for a first hand view of our armed forces at Army, Navy, Air Force and Marine field commands.

Theme of his lecture was "Freedom Is Just Another Name Until You Lose It." Included in his slides, which were in color, were the Berlin Wall, the World's Fair at Brussels, Belgium, and other interesting places which were visited by the group.

Mary Johnson opened the program with a patriotic reading, which was followed by the pledge of allegiance to the American flag. Girl Scout Troop 211 presented the colors.

The audience sang, "God Bless America."

Refreshments of pumpkin pie with whipped cream, coffee and hot spiced tea were served to club members and guests by the hostesses, Mrs. Valton Howard, Mrs. Jimmy Bynum and Mrs. Dale Houlette.

Janet Scruggs Weds Galen Ray Brewer

Janet Scruggs, daughter of Mrs. Curtis Scruggs, Olton, became the bride of Galen Ray Brewer, son of Mrs. Wana Brewer and the late Judge Loyde Brewer, at Main Street Church of Christ, Olton, Saturday, January 1.

The double ring vows were read by Jarrell Edwards, Church of Christ minister of O'Donnell, before a pedestal of greenery topped with two white doves holding red and white ribbon streamers extending to white spiral candelabra holding red tapers.

As the bride was presented in marriage by her brother, Dick Scruggs, Odessa, she wore a formal wedding gown of silk organza accented with bands of bridal satin at the waist line, on the stand up collar and on the cuffs of long full sleeves. A satin cummerbund formed a bow in the center back.

A Juliet cap held her shoulder length veil of imported silk illusion.

She carried a bouquet of red orchids tied with white satin loveknots.

She wore a borrowed heirloom wedding band, which originally belonged to her great grandmother; wore a traditional blue garter; wore pennies minted in the years of her own birth and that of the bridegroom.

She also wore a pearl necklace, which was a gift from the groom.

Mrs. Deana McLain, Hart, sister of the bride, was the matron of honor. Chris McLain, also of Hart, was the ring bearer.

Mrs. McLain wore a red bridal satin gown fashioned identical to the bride's gown and carried a red orchid.

Byron Brewer, who is currently stationed at Fort Polk, Louisiana, was his brother's best man.

MRS. GALEN R. BREWER

Lewellen Families

Host Get Together

About fifty persons were present for a get together of the Tom Lewellen families and former neighbors and friends of the families from Kress, Olton and Plainview in the home of Mr. and Mrs. Delton Lewellen and family Sunday.

Co-hosts were Mr. and Mrs. Tom Lewellen, Mr. and Mrs. T.A. Kelley and family, Mr. and Mrs. Joe Lewellen and family, all of Friona, and Mr. and Mrs. Gary Goetz and daughters, Stratford.

A buffet dinner was served at noon. The afternoon was spent visiting, singing and playing games.

Out-of-town guests were Mr. and Mrs. Clyde Witten and Mr. and Mrs. S.E. Witten, Kress; Mr. and Mrs. Tom Witten, Mr. and Mrs. Claude Witten, Glenn Witten and Mr. and Mrs. Chester Hooper, Plainview; and Mr. and Mrs. Charlie Burrus, Kauli and Boe, and Mrs. Harlan Carson, Kody and Kamber, all of Olton.

Classroom Teachers

Adopt Resolution

At the January 3 meeting of Friona Classroom Teachers board of directors plans were made for sending a delegate to the State CTA Convention, which will be held in Dallas February 17-19.

A preliminary planning meeting of the board of directors of District XVI will be held in Amarillo January 13. Friona CTA president, Cecil Maddox, will attend the meeting.

The board also acknowledged the acceptance of the following resolution by the general classroom teacher's membership.

"We the members of the Friona Classroom Teachers Association, do hereby go on record as recommending:

That any person guilty of in-

flicting vandalism, bodily harm or any other type of crime on any other employee of the Friona Independent School District shall be prosecuted to the limit of the law because we believe that overlooking such crimes only encourages further crime:

That the individual members of the organization give unstinting moral support to anyone found to be a victim of any of the above mentioned crimes; and

That since we believe that the members of the teaching profession are neither better nor worse than members of any other profession, they should not be singled out as victims of the above mentioned crimes."

Shower Fetes Mrs. Fallwell

A lullaby shower in the home of Mrs. Mike Wilson, 1607 James, from 3 to 5 p.m. Sunday was a courtesy for Mrs. Gary Fallwell. Co-hostesses were Andrea Wilkins, Amy Sue Renner, Amelia Sims and Romalee Rector.

Special guests were the honoree's mother, Mrs. Joe Odom, mother-in-law, Mrs. W.E. Fallwell, and sister-in-law, Mrs. Jesse Lanpin.

Refreshments of pink lemonade and cookies were served by the hostesses.

DONNA GARNER

Local Student

Receives Honors

Donna Garner, who is a 1971 graduate of Friona High School and the daughter of Mr. and Mrs. Wendell Garner, was named to the Dean's Honor Roll at South Plains Junior College, Levelland, for the fall semester. Her grade point average was 3.29.

Miss Garner, who is pictured here in her uniform, has also been chosen for membership in the college's Tex Anns Drill Team.

The Lonely Heart

The Library Corner

BY MRS. VON EDELMON

This is the season for term papers so the librarian has been busy trying to fulfill the needs of the students. If the Friona Library doesn't have what you need, we can order the material from Amarillo just for the cost of postage and have it here in three days.

Story Hour will resume this Thursday at 10 a.m. for the 3-6 year olds. Readers are always needed so if you would like to spend one hour of your

time, please call the library at 247-3200. The children enjoy this hour so much and you will feel as though your time was well spent.

With spring approaching, the young children might enjoy, "Bus Seeds" about the world of growing things. The junior reader might enjoy "Ukrainian Folk Tales" and the older reader "Shady Grove," "Custer's Last Stand," and "Diary of an Early American Boy."

Yearbooks Presented At Study Club Meeting

Members of Black Study Club were presented yearbooks at the Thursday afternoon meeting in the home of Mrs. DickRockey, 1108 West Sixth, by Mrs. Bill Carthel, program chairman.

The business meeting was presided over by Mrs. Harry Lookingbill. Roll call was answered with results of New Year's resolutions made one year ago.

Mrs. Travis Stone directed the opening exercise.

Refreshments were served to Mrs. Cliff Allmon, Mrs. Carthel, Mrs. Emma Elmore, Mrs. Helen Fangman, Mrs. Teddy Fangman, Mrs. Glynn Hamilton, Mrs. Clyde Hays, Mrs. Rosco Ivie and Mrs. Johnny Mars.

Also Mrs. Lookingbill, Mrs. T.J. Presley, Mrs. Travis Stone, Mrs. Ellis Tatum, Mrs. Tommy Tatum and daughters, Wendy and Holly, and Mrs. Ted White and son, Bill, by the hostess.

Refreshments were served to Mrs. Cliff Allmon, Mrs. Carthel, Mrs. Emma Elmore, Mrs. Helen Fangman, Mrs. Teddy Fangman, Mrs. Glynn Hamilton, Mrs. Clyde Hays, Mrs. Rosco Ivie and Mrs. Johnny Mars.

Also Mrs. Lookingbill, Mrs. T.J. Presley, Mrs. Travis Stone, Mrs. Ellis Tatum, Mrs. Tommy Tatum and daughters, Wendy and Holly, and Mrs. Ted White and son, Bill, by the hostess.

MR. AND MRS. BILL STEWART

Bill Stewarts Celebrate Golden Anniversary

A reception at Federated Club House from 7 to 9:30 p.m. Friday, January 7, was a courtesy for Mr. and Mrs. W.M. Stewart, who were observing their Golden Wedding Anniversary.

Hosts were Dr. and Mrs. John R. Chandler, Alpine, Arizona, and Mrs. J.E. Dewey, Charlottesville, Virginia. Mrs. Chandler is the daughter of the Stewarts and Mrs. Dewey is their granddaughter.

The serving table was covered with a white linen cloth and centered with an arrangement of red roses, rose pink carnations, pink variegated glads and gypsophelia in a silver candelabra compote.

The three tiered cake, which was decorated with gold colored roses and topped with Wobensabbey roses and gypsophelia, was lettered "Bill and Willard-1922-1972."

Cake, nuts, mints, coffee and tea were served by the hosts. Others in the houseparty were Mrs. Sloan H. Osborn, Mrs. Wendell Gresham and Lois Norwood.

Guests were registered by Mrs. John Stewart Chandler, Flagstaff, Arizona.

Traditional wedding selections were presented by Mrs. H.K. Kendrick, pianist, during calling hours.

The Stewarts, who were married January 7, 1922, at Prescott, Arkansas, moved to Friona from Texarkana, Arkansas, in

June of 1948.

Special guests were Stewart's three sisters, Mrs. Alice Dickenson, Henderson, Nevada, Mrs. Fred Bowen, Delight, Arkansas, and Mrs. Rush Huffman, Okolona, Arkansas; Mrs. Stewart's brothers, Don Ethridge of Friona, and R.E. Ethridge of Winston-Salem, North Carolina; and her sister, Mrs. Harold E. Meeks, Little Rock, Arkansas.

Others from out-of-town were Mr. and Mrs. Flake Barber, Hereford; Mr. and Mrs. Bill Sheehan and Jack, Dumas; Gary Chandler, Flagstaff, Arizona; Larry Chandler, Alpine, Arizona; and Nicole Dewey, Charlottesville, Virginia.

About 100 persons signed the guest register.

Candlemaking

Is Demonstrated

Highlight of the Thursday afternoon meeting of Friona Young Homemakers in Friona High School cafeteria, was presentation of a demonstration on making soda fountain candles by Mrs. Larry Moyer.

Mrs. Moyer molded candles in Coca Cola glasses and in a mushroom mold.

Following the program, refreshments of carrot cake and punch were served by the hostesses, Mrs. Jarrell Wright and Mrs. Danny Black in the reception room of the home economics department.

One guest, Janice Richards, and eleven members were present.

Club Members Learn Needlework, Macrame

The Monday evening meeting of Rhea Home Demonstration Club in the home of Mrs. Le-lund Gustin began with a brief business session, during which Mrs. Herbert Schueler was appointed reporter. Then the current year's yearbooks were filled in.

The program, which was presented by Mrs. Cordie Potts and Mrs. Ralph Wilson, featured a display of articles created by the two. Mrs. Potts demonstrated some needlework and Mrs. Wilson presented a Macrame demonstration.

Guests present, besides Mrs. Wilson, were Mrs. Carl Schlenker, Mrs. Ron Dixon and Mrs. J.H. Bartlett.

Refreshments of coffee cakes

and tea were served by the hostess.

Other members attending were Mesdames Bill Smock, Chris Drager, Herman Grissom, Shirley Smith, Elmo Dean, Bill Brandt, Norman Taylor, Walter Dittmar, Franklin Bauer, Andy Anderson, Walter Schueler, Wendell Garner and Keith Garner.

The next meeting of this organization will be held in the Parish Hall Monday, January 24, with Mrs. Herbert Schueler as hostess. The program will be on physical fitness.

"Religion? How square!"

Some people do make religion seem as if it ought to be put in mothballs.

Does that mean you have to?

Sure you're full of social protest. New ideas. Feelings about integrity and justice and today's values.

So is religion.

And your church or synagogue can become—if you help—the place where the action is—in solving the important problems in the world, in your community, in your life.

Don't knock it. Join it. Worship this week. And put your Faith to work.

VISITS FRIONA... Making their first visit to Friona since learning that Parmer County would be in his district was Senator Max Sherman, right, and his wife Jean. The couple spent some time in Friona last Thursday, and are shown talking with H.K. (Pudge) Kendrick at Friona State Bank.

1971 Started Dry Ended As Wet Year

The year of 1971, starting out on the dry side from a moisture standpoint, finished up with a wetter-than-average total of 18.34 inches, according to official rainfall totals tabulated by the City of Friona.

The total was 5.13 inches above that recorded during the previous year, and was the second wettest year in the past eight years here, topped only by the 22.34-inch figure of 1969.

Rainfall at the year's midpoint stood at only 4.98 inches, with recordings of only .02 inch for January and .04 for March. However, bolstered by a wet fall, when many of the area's farmers really didn't need the rain, the second half of the year rang up a total of 13.36 inches, to make the year above average from a moisture standpoint.

The year's total compared to a total rainfall in 1970 of 13.21 inches.

Heaviest rainfall was recorded

in August, with 4.64 inches at Friona. Four other months tabulated over two inches—June, July, September and November. Driest months were those previously mentioned—January and March, when only .02 and .04 inches, respectively, were recorded.

Following is a month-by-month tally of the 1971 rainfall, followed by a summary for the past ten years at the Friona weather station.

January .02; February .95; March .04; April 1.22; May .57; June 2.18; July 2.06; August 4.64; September 2.24; October 1.57; November 2.14; December .71. Total: 18.34 inches.

1962--12.22* 1963--18.80; 1964--10.82; 1965--17.23; 1966--17.20; 1967--11.17; 1968--9.38; 1969--22.34; 1970--13.21; 1971--18.34. *1962 figures only cover half of calendar year.

New Rates For DDD Are Given

New long distance telephone rates postponed by the wage-price freeze went into effect Wednesday, December 29 after approval by the Price Commission, according to L.L. Porter, traffic director of General Telephone Company of the Southwest.

Porter said the new rates which benefit the customer who dials his own long distance calls within Texas and takes advantage of special calling periods were originally scheduled to become effective September 1. The changes were delayed as a result of the wage-price freeze because the lower dial-it-yourself rates were coupled with higher rates for operator assisted calls such as person-to-person.

"The change in rates brings customer dialed station-to-station calls within the state in line with already established lower dial-it-yourself rates and calling periods for interstate calls," Porter explained.

He emphasized that the new lower DDD rates also apply to customers in towns where DDD is not yet available.

Charges for operator handled calls are higher under the new rates.

Other changes include new rate periods for day, evening, night and weekend calls within the state which are the same as those now in effect for calls going outside Texas, and addition of Labor Day and July 4 to the reduced rate schedule during holiday periods.

Also a one-minute initial period between 11 p.m. and 8 a.m. has been established. Calls during other periods are charged for a three-minute initial period as has been usual for intrastate calls.

Big Mining Operations

More than 100,000 wet short tons of nickel ore per day are hoisted from the 12 producing mines of The International Nickel Company of Canada, Limited in Ontario and Manitoba.

Congratulations. You just saved \$5 by doing your own income tax. And all it cost you was three long, sleepless nights.

And a slight case of heartburn.

If you had gone to H & R Block, on the other hand, you could have relaxed while someone else figured out your return. Quickly and confidentially. Probably unlike any way you've ever done it before.

And, when you figure your own, you may be entitled to deductions you're not taking and taking deductions you're not entitled to. For instance, do you know all about deductions for child care or casualty losses? Or, that if your income increased over the last few years, you may save tax dollars by "income averaging"? And even if you did, would you know how to go about "income averaging" to begin with? Probably not. And there's no reason why you should. After all, you're an amateur when it comes to doing income tax.

You see, when it comes to income taxes, amateurs should depend on H & R Block. We have over 6,000 conveniently located offices manned by thousands of specially trained personnel. They're warm and friendly people who are anxious to help you. They'll sit you down over a free cup of coffee and show you some things about your income tax that you might never have known existed.

Furthermore, if your return is audited, we will accompany you, at no extra cost, to the Internal Revenue Service and explain how your return was prepared, even though we will not act as your legal representative.

This means that H & R Block is ready to offer you year 'round tax service for just one low fee a year, with no extra charge for audits and estimates.

H & R Block's charges start at \$5 and the average cost was under \$12.50 for the 7 million families we served last year.

Which is somewhat less than what you paid.

Not to mention the fact that aggravation isn't tax deductible.

And we are.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

H&R Block.

The income tax people.
