W. H. SCHENCKE OF GRAHAM URGED FOR DISTRICT ATTORNEY

EXECUTIVE COMMITTEE OF CITIZENS ASSOCIATION MAKES RECOMMENDATION.

W. H. Schencke, Graham attorney, will be the new district attorney of the 30th district, if Governor Neff heads the recommendation of the Citizens association of this county.

The executive committee of the association recommended Mr. Schencke after considering one other attorney who was understood to be an applicant. It is said that Mr. Schencke has not applied, but has indicated a willingness to accept.

Members of the committee Tuesday morning did not seem satisfied that their recommendation would be adopted by the governor. The fact that owing to demoralized wire service, the governor will not receive the association's message probably before Wednesday, may also affect the situation, as the governor had promised to wait until Tuesday and might feel free to make an appointment of his own choosing in the event he did not hear from this county's committee.

Permanent organization of the committee was effected at Tuesday's meeting. Judge R. E. Huff, over his protest, had someone other than a lawyer ought to head the committee, was elected chairman; Frank Boyd of Iowa Park and R. H. Henry of Burkburnett were elected vice-chairman, and the Electra members of the committee will also choose one of their number for a vice-chairman.

Members of the executive committee constituted members of a membership committee to enroll citizens in the organization and collect the one dollar in dues. Iowa Park was represented by all of her committeemen and W. H. Kincaid of Burkburnett represented that community. Electra committeemen were reported as ready for the meeting, but was thought to have been held up by the weather.

The secretary was instructed to write to the governor, and to formally apprise them of the action of the mass meeting Sunday in asking for prompt trial in criminal cases.

The committee voted to recommend that Sam Holliday, now acting district attorney, be removed as acting district attorney.

W. B. Hamilton of the Texhoma Oil and Refining company is home after a stay at Battle Creek, Michigan, and a trip to a number of centers in the north.

Among the points he visited and in which he interviewed leaders in business and finance were Cleveland, Buffalo, Chicago and St. Louis.

"I found an optimistic spirit among these men," said Mr. Hamilton. "The financial strain is greatly eased and some of the basic industries of the country are again operating at nearly normal capacity."

Mr. Hamilton mentioned the steel industry as one which was operating on a nearly normal basis. The automobile industry was another he said that was reviving.

"Large numbers of cars are being sold," he said. "The manufacturers have reduced prices to the point where the people are buying again and it is surprising the number that are being sold."

Mr. Hamilton looks for a big demand for gasoline and refinery products in the spring.

One party went on trial in the 14th district court Tuesday afternoon on a charge of having violated the state prohibition laws. A motion to quash the indictment and a motion for continuance were filed. The court stated he would hear the motion for continuance later.

Examination of the jurors proceeded but at a late hour the jury had not been selected.

PRINCESS MARY'S WEDDING GOWN

Copyright, 1921, by the New York Herald Company. All Rights Reserved. Reproduction Prohibited. Industrious hands in many odd corners of the world have been toiling for many months in what has been almost a labor of love—the making of Princess Mary's wedding gown.

Woven in Britain, spinners in Holland, silk threaders in Japan, lace makers in Belgium all have played their part in the creation of this marvelous filmy billow of dainty satin and organdy. No Queen of England, no Czarina or Empress ever wore so alight a wedding gown as truly beautiful and as smartly modish. Mary is her father's subjects like to call "a regular girl." She may not be able to estimate the details of her wedding ceremony, but she has insisted that her gown—that dream dress of every girl's play days—shall be a "regular gown."

NOT EARNING THE MONEY

MRS. HELEN LUDKE (LEFT) AND MRS. MAUDE ARNOLD

By NEA Service. THREE OAKS, MICH., Feb. 27.—Mrs. Maude A. Arnold and Mrs. Helen M. Ludke, elected a year ago to serve two years on the Three Oaks town council, have decided they are not earning their money.

"They have quit as councilwomen. The money in question? Only \$25 a year!"

But it was enough to raise the honest question with Mrs. Arnold and Mrs. Ludke. And they agreed that, with having to devote much of their time to meal cooking and dish washing at home, they were cheating the taxpayers of Three Oaks.

Service a Success. Their first year of service was a success. In view of the record the women made.

a duty that was paid for, we just decided to drop the matter.

And as Mrs. Ludke puts it: "Since we could not devote all the time required, both by our consciences and the trust imposed by the public in taking care of our administrative positions, we simply felt that it was dishonest to accept our yearly salary of \$25. That's all there is to our quitting."

Then both women said: "No political employe has a right to accept money without having earned it. And a political employe should devote at least eight hours a day to his elected position if it is to be properly administered."

Mrs. Ludke, between times, helps her husband run a dry goods store. Mrs. Arnold looks after the interests of a grown son.

SEND INSTRUCTION FOR DRAINAGE AND DRAGGING OF ROADS

INFORMATION FURNISHED BY THE STATE HIGHWAY DEPARTMENT.

AUSTIN, TEXAS, Feb. 28.—Instructions for the drainage and dragging of earth roads, the mileage of which in Texas is far in excess of the total mileage of all other types of roads and must necessarily bear the burden of the traffic, have been sent out by the state highway department.

"It is very important that no delay be allowed to stand either on the surface of an earth road or in the side ditches," said the department's director. "This can be accomplished by giving the proper crown to the surface of the road and keeping the surface free from ruts or holes by dragging so that water will drain rapidly to the side ditches."

"The surface of the road should be kept smooth, free from ruts and holes, by frequently giving the proper blading. This can be done by the use of steel road drags, road planers or graders of some type of which are on the market, if properly handled."

"The proper time to drag or plane the surface of the road will depend largely upon the character of the soil and experience alone will teach the patrolman when different sections of his road are ready to be dragged. In general, however, work should begin as soon after a rain as the surface of the road is sufficiently dried out so that the material is easily loosened and will roll and spread evenly in front of the patrolman's wheels. If the road is too wet the material cannot be moved ahead of the drag or plane into the ruts and holes. If the surface is too dry it is difficult and expensive to drag or plane out the ruts."

"In those sections of the state where the soil is sandy and the roads become out up during dry weather they can be greatly improved by adding a certain quantity of clay to form a binder for the sand."

SLIPPERY GOING IS EXPERIENCED BY AUTOS AND FOLKS

With the ground encased in ice beneath a covering of dry snow and sleet, except in the places where the wind had swept the ice bare, it was perilous going in Wichita Falls Tuesday.

Automobiles were either skidding on the ice or whirling their wheels helplessly in the snow. It was estimated at noon that at least two score machines had come to grief in various parts of town as a result of skidding. Six cars with wheels smashed against trees were counted within a two-block radius of Brook and Tenth.

Pedestrians suffered numerous falls, usually with no greater damage than a fractured dignity. In smashed against the curb were estimated. Mrs. Ella Keith at 910 Fourth street fell at 910 Seventh, severely wrenching her back. She was given medical attention after being taken home by her husband. Attorney, fell near the court house, and appeared to be badly stunned, but was soon able to walk to his office.

The stinging particles of sleet, whipped into pedestrians' faces by the stiff wind, made going extremely unpleasant up to the early afternoon. All things considered, the weather was hardly reminiscent of last Tuesday, when the thermometer was up in the eighties.

JURY ASSESSES 8 YEAR SENTENCE IN CASE AGAINST GEE

After deliberating less than 30 minutes a jury in the 20th district court Tuesday afternoon returned a verdict of guilty in the case against S. M. Gee and assessed his punishment at confinement in the state penitentiary for a term of eight years.

Gee was charged with robbery with firearms in connection with the holding up of Joe Colonna, a local business man last September. The case against Mary Dobson and G. N. Adams are companion cases to Gee's.

Gee and his mother received the verdict of the jury in a very calm manner, neither showing any emotion. Gee listened attentively while the clerk read the verdict, and then calmly lit a cigarette.

LOCAL HIGH SCHOOL GIRLS TO OKLAHOMA CLUB CONVENTION

Ten local high school girls will leave Thursday night for Oklahoma City to attend the Oklahoma State Girls Club convention. They will be gone Friday, Saturday and Sunday.

The Texas girls club will have no state convention this year, with the result that when an invitation was received here for the local girls to attend the Oklahoma convention there was a mad rush of applicants for a delegate's commission.

At the Dallas convention last year Wichita Falls was represented by a large delegation than any other Texas city and it had been hoped that a similar event would be held again this year. However, state officials of the Y. W. C. A. were unable to arrange for such a large undertaking and the annual meeting called off.

Those who will make the Oklahoma trip from here are: Jo Betty Miller, Jennie McAllister, Frankie Adikes, Louise Scott, Jack King, Cecil McCurdy, Elizabeth Brown, Alma Willis, Burch Murphy and Edna Stanley, accompanied by Mrs. Witherspoon.

Church Is Excluded Preacher Removed Result Practices

BOSTON, Feb. 28.—At a stormy meeting yesterday of the Boston presbytery, the ruling body of the Presbyterian denomination for Greater Boston, the First Presbyterian church of Brookline was removed from the denomination and its supply pastor, Edwin Curtis, was deposed.

The charges against the pastor included allegation that he had on several occasions said grace frivolously and in one instance baptized immediately after officiating at a funeral.

The case has been the subject of several hearings before the presbytery and the fact that several hundred members of the Brookline church upheld the pastor led to the church being removed from the denomination at today's session.

CHICAGO, Feb. 28.—Guards at the death cell of Harvey Church, sentenced to be hanged on Friday, announced today that the prisoner had come out of the state of semi-coma into which he lapsed shortly after his self-imposed hunger strike 40 days ago and that during the night the prisoner had muttered words, unintelligible syllables.

It was stated that the family was living in an old covered wagon and that during the night when the cold spell came up that they were forced to huddle together and throw what scanty clothing they had around them in an effort to stave off the cold.

Beat Salesman With Blacksnake; Warned to Leave

CLAREMORE, OKLA., Feb. 28.—Jack Burlington, traveling salesman representing a Kansas City firm, was taken from the city jail early Monday morning by a band of masked men, spirited away to a point three miles from the city and beaten with a blacksnake.

The following letter signed Knights of the Ku Klux Klan was received Monday afternoon by a local newspaper:

"We don't want the innocent to suffer for any of our activities, therefore we want it understood that the officers are not to blame for us getting the man from the city jail. We broke the lock with a pinch bar. The man to whom we were compelled to administer a whipping admitted trying to seduce our young womanhood. Let this be a warning to others that we must and will protect our girls even unto the sacrifice of our lives, if necessary. Justice has not been perverted. He was a wolf in sheep's clothing. God save our country. Is our cry."

Beat Salesman With Blacksnake; Warned to Leave

CLAREMORE, OKLA., Feb. 28.—Jack Burlington, traveling salesman representing a Kansas City firm, was taken from the city jail early Monday morning by a band of masked men, spirited away to a point three miles from the city and beaten with a blacksnake.

The following letter signed Knights of the Ku Klux Klan was received Monday afternoon by a local newspaper:

"We don't want the innocent to suffer for any of our activities, therefore we want it understood that the officers are not to blame for us getting the man from the city jail. We broke the lock with a pinch bar. The man to whom we were compelled to administer a whipping admitted trying to seduce our young womanhood. Let this be a warning to others that we must and will protect our girls even unto the sacrifice of our lives, if necessary. Justice has not been perverted. He was a wolf in sheep's clothing. God save our country. Is our cry."

Is this the Third Influenza Wave? In the type of heavy cold now prevalent a true influenza? Doctors disagree. It will be remembered, that after the terrible epidemics of 1918 and 1919, it was predicted that "waves" of influenza would recur, milder each time, until humanity should have acquired immunity against the disease.

Avoid Influenza---Grip---Pneumonia Apply Vicks to help avoid infection. Use Vicks at the first sign of an oncoming cold.

MOST medical authorities now agree that Colds, Grip, Influenza and Pneumonia are all germ diseases—most commonly spread by breathing in the germs. In fact the germs of all of these diseases are frequently found in perfectly healthy persons. It is only when the bodily resistance is lowered—as by a cold for instance—that they are able to harm us.

PRINCESS WEDDING A BRILLIANT EVENT

(Continued from Page One.) will now contribute to securing the strength, orderliness and sunshine of a great English household.

The bride and groom then passed to Edward, the confessor, chapel, where two registers were signed—one known as the royal register, in which the entry of today's ceremony occupied six pages, and the other the abbey register, which is signed alike by royalty and subjects.

The king and other members of the royal family moved toward the altar and the new vicar, and her husband began their nuptial return through the tumultuous street throngs, using this fine the carriage.

Edmond L. Wheeler, formerly postmaster of Paducah, appeared before the United States commissioner, J. A. Lantz, in this city late Monday evening in answer to the charge of conspiracy to use the postoffice funds for gambling purposes. He perfected a bond of \$1,500 and was permitted to leave.

## OLDER LITTLE FOLKS TO BE PRESENTED IN RECITAL FRIDAY EVE

The "older" little folks of Miss Knickerbocker's expression classes will be presented in recital Friday evening at Kemp library, for which invitations have been issued to about 300 guests. The entertainment will begin at 8:00 o'clock and move swiftly through a pretty program, in which the talents of a score or more of little folks will be pretty well shown off.

The program will be as follows:

Pantomime: "Little Miss Muffet"—Eloise Hawkins, Adelyn McGregor, Marion Proctor.

Reading: "Two Points of View"—Amy Graham Melat.

Monologue: "Johnny on the Spot"—Kemp Mason.

Musical Monologue: "To Marry or Not to Marry"—Dorothy Shamburgen.

Reading: "Freckled Faced Girl"—Mary Louise Staley.

Denunciation: "I Am an American"—Arch Greenwood.

Reading: "The Minuet"—Margaret Granberry.

Comedy sketch: "Bill Smith"—Virginia Allen.

Monologue: "Jimmy Butler and the Owl"—Truman Willis.

The "Six Cups of Chocolate," play-let.

Characters: Miss Adeline Von Linden, northern girl—Pearl Smith. Miss Marion Lee, southern girl—Mary Hanks. Miss Dorothy Green, New Englander—Flora Bruce Greenwood. Miss Hester Beeson, a Bostonian—Helen Mae Smith. Miss Beatrice Von Kortlandt, New Yorker—Jewell Charlotte Mear and Master Guy Edward Bates Jr., were both from the Nossett studio. As the same line has been inadvertently omitted before on the Nossett pictures, this credit is gladly given.

## STRAIGHT LINED JACKETS

NEW YORK, Feb. 28.—So popular are the smart, straight lined jackets and light-weight coats that in this Claire model one finds an interesting combination of the two. A quite plain and quite full skirt, topped with a light little bodice is the basis of the clever outfit. The straight lined jacket of soft crepe in a vivid orange wears a trim little Peter Pan collar with which no tie is worn. Fascinating little panels of white extend from the side of the skirt to the hem of the skirt, part of them are fastened and some swing loosely.

Over the whole is thrown the straight lined cape, which also sports a flat collar of bright orange snow crepe.

The headwear which completes this outfit is an exceptionally large tam, with two swagger tassels at the side.

## FIRST BAPTIST CIRCLES MET MONDAY AFTERNOON STORY-SOCIAL SESSION

The Women's Auxiliary of the First Baptist church met in mission study circles Monday afternoon at seven different homes (circles four meetings being postponed), and studied the "Call of the South." The meetings were study and social, and at the close of each the hostesses served dainty refreshments. The separate reports follow:

Circle one met at the home of Mrs. J. T. Brooks, Tenth street, with 11 members present. Mrs. Reeves led the devotional and gave a mission story sketch, and Misses Whitely, Morgan, Nossett and Goddard took special part in the lesson.

Circle two met with Mrs. J. L. Maxwell with 40 members present. The Maxwell home was attractively decorated in Washington colors. Mrs. Compere led the mission study and special music on the Edison was enjoyed. Mrs. Fred Carter presided at the tea table, where refreshments were served.

Circle three met with Mrs. Pink Hammond on Tenth street with eight members present. The devotionals were led by Mrs. Finley and Mrs. Humphrey gave a mission study sketch, with an interesting discussion conducted following.

Circle five met with Mrs. W. W. Anderson, Mrs. H. L. Ray leading the Bible study session. During an informal program following the mission lesson, Miss Veale sang and Misses Herma Pounds and Marjorie Hines gave readings. Refreshments were served to Misses A. R. Biskley, E. B. Bailey, Ira Craig, A. W. Everett, C. H. F. A. Garsert, Ralph Hines, Homer McGregor, McKay, W. H. Morrison, O. L. Powers, H. L. Day, Jim Robertson, G. C. Wood and J. C. Horton and Misses Veale, Pounds and Hines.

Circle six met with Mrs. George Rowden on Filmore, with Mrs. O. W. Smith leader of the mission study. Mrs. M. A. Colquitt made an interesting talk on women's mission unions of former days, and suggested new ideas of the women of today. Refreshments were served to Misses George Parker, C. W. Watson, M. A. Colquitt, W. C. Beach, E. B. Stout, O. W. Smith, J. W. Thomas, Bert King, J. C. Walker and J. G. Dickson.

Circle seven met with Mrs. E. P. Bass on Ninth street, with Mrs. C. D. Whitley leader of the mission study, in which all members took an interested part. During the social hour which followed little Miss Dorothy Shamburgen and Master Perry Richardson sang songs reading under the direction of Mrs. Hubert Harrison, assistant leader. Ten members were present.

Circle eight met with Mrs. H. W. Willis on Tenth street, with good attendance and three new members. Mrs. E. J. Bartels led the lesson and Mrs. Willis the devotionals. During a business meeting the offering was taken, followed by an informal program. Piano numbers were given by Miss Almie Willis, a reading by Ernest Willis, and a reading by Miss Laura Simmons. The three new members were Mesdames Fred Dunham, McCordie and Charles Grantham.

## FIRST CHRISTIAN AID ALL DAY MEET MONDAY

The women of the First Christian Aid society held their regular monthly all-day meeting at the church Monday, conducting one of the best and most interesting meetings they have recorded for months, with a splendid report of work accomplished.

During the business session the society voted to pay \$100 on the educational fund, with which it is maintaining three young people in college—a boy in Midland college, a girl in Cary-Burdette and a boy in Texas Christian university. One hundred and one dollars and 85 cents was collected on dues and division money also.

At noon a luncheon of chicken pie, cranberry sauce, hot biscuits, marshmallows, pudding and coffee was served by Mrs. J. E. Shipley's division, who were hostesses for the day. These included Mesdames C. G. Taylor, T. M. McDaniel, J. W. Snow, O. G. Hamlin, H. Grady England, E. C. Brown, Dan Oster, T. T. Reese, M. L. Reid, R. D. Bone, T. A. Jetter, H. Saxbury and J. A. Sims.

After luncheon the program was conducted and reports given. The social service committee, of which Mrs. L. C. Tyson is chairman, reported six families looked after, 61 garments for adults and 2 garments for babies and six pairs of shoes distributed among those who needed them, with \$745 in money. The chairman made an urgent request for all who have clothing to give away to either bring it to the church or to her home, as it is badly needed. The committee also reported 318 calls and visits to the sick.

During the program session Rev. Mr. Keevil made a talk and little Miss Margaret Bone gave a reading on the "Ladies Aid."

## H. L. CHILDERS TO BE WED IN M'ALLISTER

H. L. Childers and sister, Mrs. Charles V. Chensault, and little son Charles Jr. left Monday for Meadester, Okla., where Mr. Childers will be married Wednesday evening to Miss Evelyn Miller Crowl, daughter of a prominent family of that city.

After the wedding, Mr. and Mrs. Childers will visit in Dallas, Houston, San Antonio and other Texas cities, expecting to return here early in March. They will be at home after March 5 to their friends here at their new home, 1805 Kemp boulevard.

## WOMEN'S AUXILIARY, CHURCH OF GOOD SHEPHERD, MONDAY

The Women's Auxiliary of the Church of the Good Shepherd, met Monday afternoon at the parish house with a good attendance in spite of the bad weather. Papers on the lesson study were read by Mesdames Hunter, Thames and Allen, and a very interesting discussion conducted by the leader.

## FLORAL HEIGHTS M. E. MISSION STUDY MEET

The Floral Heights M. E. mission study class met at the church parlor Monday afternoon with Mrs. A. L. Land as leader. Fifteen members were present despite the bad weather, all entering into a lively and interested discussion of the subject.

## NOSSETT PICTURES

The two attractive pictures published in Monday's Times of little Miss Beryl Charlotte Mear and Master Guy Edward Bates Jr. were both from the Nossett studio. As the same line has been inadvertently omitted before on the Nossett pictures, this credit is gladly given.

## Brief News Items

Miss Flora Lee McCullough of Waco is visiting her aunt, Mrs. C. W. Stephenson and her grandmother, Mrs. George W. Graves, at 1805 Taylor street. Miss McCullough was one of the attractive visiting girls here last summer, and her friends will be glad she is here again.

The Junior Travel club will not hold its Wednesday morning meeting at the library tomorrow morning, but has postponed the meeting and program to next Wednesday instead. Members are asked to take notice.

The Standard club meeting, which was to have been held Tuesday afternoon at 8:30 o'clock in the school building, was stated in Sunday's Times. Some inquiry has been made as to the correct date.

The Floral Heights M. E. P. class, which was to have met Wednesday afternoon with Mrs. Paul Cotner, has postponed the meeting indefinitely on account of the bad weather.

The Beta Delphians have postponed their Wednesday meeting with Mrs. J. A. Lincoln on account of the bad weather, and will meet with Mrs. Lucia next Wednesday, March 5, instead.

The Alamo Mothers will meet Friday afternoon at 8:30 o'clock in the school building, as was stated in Sunday's Times. Some inquiry has been made as to the correct date.

## ADVENTURES OF THE TWINS SEVEN MOUNTAINS

By OLIVE ROBERTS BARTON

The minute he touched the mountain he gave such a bounce that he landed on a distant island.

Buskins said that he had an errand in his own country and that he'd leave the Twins with the Muskroom, if they didn't care. "You've been a big help," he told them in parting, "and thank you very much. I hope you'll have no trouble in finding the lost record of Longhead the Wizard, because I know the Diddyevers are very fierce, and the Korknotts are very savage and there will be all sorts of trouble until it is found." He disappeared then, and the last the Twins saw of him was a pair of large boots stalking away over the tree-tops.

"Come," said the Magical Mushroom, "you have your Magic Green Shoes. You'll have to go on once to the first mountain. It was there that Nimble Toad lost the record that told whether the Diddyevers with the blue hair were more handsome than the Korknotts with the green heads."

"The first mountain is made of rubber and no one can cross it. That is, no mortal at all, or no fairy who forgets the charm," said the Magical Mushroom. "And Nimble Toad forgot the charm. The minute he touched the mountain he gave such a bounce that he landed on a distant island, and the record went spinning out of his hand. No one can tell where it went. Whether to the bottom of the sea or up to the sky. And as long as it is lost the Diddyevers and the Korknotts will be at war, and there is no hope for peace because the question must be decided.

"Couldn't we go back to Longhead the Wizard and get him to say it over again?" said Nick. "No, that wouldn't do," said the Magical Mushroom. "Because Longhead won't say things twice. I've a suspicion that he forgets, but of course he won't let on. We'll have to find the record."

## FROM GIRLHOOD TO WOMANHOOD

Woman Relied Upon Lydia E. Pinkham's Vegetable Compound

Emporia, Kansas.—"I began using Lydia E. Pinkham's medicines years ago when I was a girl. For several years I had severe menstrual periods, making me very weak and interfering with my regular duties. I tried several remedies without obtaining relief. I was induced to try Lydia E. Pinkham's Vegetable Compound by friends and it restored me to normal health. I often have occasion and do recommend your Vegetable Compound to my friends who have troubles similar to my own. You may use these facts as a testimonial."—EVA ALDEN, 215 Union St., Emporia, Kansas.

There are many women who first used our Vegetable Compound during their girlhood days. They found it a valuable help during trying periods. In later years they use it whenever they feel those annoying symptoms which women often have.

It is prepared carefully from medicinal plants, whose properties are especially adapted to correct the troubles women have.

## ADITORIAL

You know people will talk in the street cars, and around the dinner table about their shopping adventures and bargains, sometimes discussing what they found and bought, and now and then recounting what they wanted and could not find, and the advantages and disadvantages of one store and another. There seem to be but few people that want to buy something for nothing; and there are but a very small percentage of our patrons that are not willing to pay a fair equivalent for good articles. There is plenty of room and abundant patronage for the careful merchant who provides the safe qualities of goods and who keeps on marking down the prices to meet the new conditions as they arise.

SPODDERS BEGINNING TO SEND IN 1922 CONTRACTS BENNIE ALLEN TO RETURN

TRACK NOW HOLDING INTEREST AT A. & M.

Farmers Strong in Weights But Weak in Distance Events.

COLLEGE STATION, TEXAS, Feb. 21.—A good share of athletic interest at the A. and M. college is centered around the coach's path these days.

Bennie Allen, the outfielder who joined the Spudders late last season from Meridian, will be back for another tryout this spring, according to an announcement made by Skipper Salm Tuesday.

The eclipse of the sun on March 28 occurs by reason of the fact that the sun is near the direction of the point A and the moon in passing the point A comes between us and the sun.

### 4 PRISONERS FAIL TO CONQUER JAILER IN ESCAPE ATTEMPT

DEPUTY'S STRUGGLE FOILS EFFORT TO OVERPOWER HIM AND GET KEYS.

### THREE OF ASSOCIATES ALREADY CONVICTED

One Seizes Jailer As Latter Is Putting Supplies Into Cage. Gun Saves Officer.

A deputy sheriff who kept on fighting after he was virtually overpowered prevented the escape of four prisoners late Monday evening at the county jail, probably blocked a general jail delivery.

John M. Simmons, jailer, was the deputy; Hunter Russell, under two-year sentence for burglary; Bill Milburn, under two-year sentence for burglary; Sandy Harvell, charged with robbery, and M. S. Sautler, convicted Monday afternoon and given a five-year term for forgery, were the prisoners who joined in the attack.

Simmons had gone to the third floor of the jail to carry some groceries which the prisoners had purchased. Two cans of oil, used on a small stove by the prisoners, were in the corridor just outside the entrance to the "monkey cage" into which the cells open.

Russell, standing near the entrance, asked Simmons to put the oil cans inside the enclosure.

The jailer shoved one can in with his foot and stooped to pick up the other. As he did so, Russell lunged at him, catching him behind the shoulders and attempting to throw him down.

Simmons' mouth was cut and bruised by a blow delivered in an attempt to silence his calls for help, but was otherwise unharmed.

"I guess it was a good deal my fault," said Simmons Tuesday morning. "I should have known better than to trust Russell even as much as I did. But I had known him a long time; he and I used to work in a garage together, and I got a little careless."

Two other prisoners in the cage took no part in the attack. The four who overpowered him and take his gun and keys, they would have gotten away and could have liberated all others in the jail.

Sheriff Smith said Tuesday that the liberties of the four would be strictly curtailed until they leave the jail.

### FIVE YEAR PRISON SENTENCE GIVEN IN M. S. SAULTER CASE

M. S. Sautler, alias G. J. Holt, was found guilty of the charge of passing a forged instrument, moving the same to be a forged instrument by a jury in the 50th district court at 4:30 o'clock Monday afternoon and was sentenced to five years in the state penitentiary.

Sautler was charged with having cashed a fraudulent sight draft at the Iowa Park First National Bank and then securing a cashier's check for \$1,000 upon the fraudulent deposit. The cashier's check was cashed at the City National Bank of Commerce in this city.

### 1200 NEW PHONES PROMISED BUT MAY BE ON PARTY LINES

COMPANY TO SPEND \$60,000 BY MIDSUMMER, COUNCIL IS TOLD.

### PAVING OF BURNETT STREET IS ORDERED

Steps Taken to Provide For Working City Prisoners—Priddy Is Appointed New Censor.

The city council Monday night—heard a specific promise from the telephone company of a \$60,000 improvement program, to be completed by mid-summer.

Took favorable action on the sixth petition, in as many years, for paving Burnett street.

Instructed preparation of an ordinance providing for the working of city prisoners on the streets.

Ordered the city election for April 4.

Approved the irrigation district franchise for its power line.

Decided to condemn property for opening of Broad street into Sibley Taylor addition unless terms can be reached with property owners.

Started proceedings to readjust water department finances with a view to having that department take care of its bonds.

Approved plans for observance of "health week" and the staging of a pure food show by the city health department, starting next Saturday.

M. P. Caldwell of Fort Worth, division commercial superintendent, made the council some very definite promises about the telephone service. The plans for extension here, he said, were the first 1922 plans for any Texas town to receive the approval of the St. Louis headquarters of the company, and he thought that by mid-summer, at the latest, additional cables with a capacity of 1,200 "pairs"—that is, that number of telephones, would be installed.

To Urge Party Lines. Folks who want new phones, however, will be very strongly urged to install the "selective ringing" phones, or party lines. If they don't, Mr. Caldwell said, they will run the cost of installations here up to a point where a raise in rates will be necessary.

Mr. Caldwell said that residential sections in many cities were getting to use the party-line system extensively, there being two parties to a line.

"In Toledo, 85 per cent are selective ringing phones," he said. "In Sacramento, 87 per cent; in Chicago, 87 per cent; in Denver, 52 per cent."

Equipment for the improvement here is now being ordered, Mr. Caldwell said, and work will start within 40 days. He submitted some figures showing the growth of telephone service here.

"In 1908 we had 60 phones here," he said. "In 1910 there were 850 by 1920 the number was 5,913, and over a thousand investment here in since then. In 1917 we spent \$21,990 here; by 1919 the amount had increased to \$251,908, and in 1921 we added \$450,000 more. I do not see any chance for the local plant earning enough, for two years at least, to pay for itself."

Mayor Cline thanked the telephone official for his promise of relief, and told him that the council would expect improved service.

"We don't want you to promise anything you can't deliver," said the mayor.

Faving of Burnett. The paving of Burnett from Eighth to the Wichita Valley tracks now seems probable, as the result of Mr. Priddy's action Monday night. Judge J. W. Moore, C. M. McFarland, G. P. Maricle and other property owners presented a petition for paving with bitulithium southward from Tenth. Property owners between Eighth and Tenth have already contracted for concrete paving.

Mayor Cline spoke of the desire for the April 4 election, reappointing former election officers.

Mayor Cline announced the appointment of W. M. Priddy as a member of the censorship committee, vice T. B. Noble, resigned. The appointment was ratified by the council.

A. W. Thompson presented a petition for Sibley-Taylor residents on the opening of Broad street. The council discussed the situation there at some length, finally adopting two motions, one for a final definite offer of what is considered a fair price for the property needed, the other being to start condemnation proceedings if the offer is not accepted.

The request of the irrigation district for a power line franchise from the power plant to the Wichita Valley tracks, thence over the Valley right of way, was granted with little discussion.

Plans Pure Food Show. At the request of Dr. Douglas, the mayor said that a "health week" proclamation would be issued. Dr. Douglas said it was his plan to stage a pure food show on Scott avenue, starting next Saturday, in connection with the show.

Action on readjustment of water department finances was delayed, owing to the absence of Commissioner Bonner, but Mayor Cline explained that it was intended, by requiring that department to pay its own interest and sinking fund, to release other funds quickly needed in other city departments.

A petition signed by a number of plumbers was read, asking that C. A. Kaufman be appointed at the expiration of B. A. Moore's term, the petitioners saying they understood "Daddy" Moore planned to resign. No action was taken by the council.

Want Trunk Removed. Several residents of the east end of Collins avenue petitioned the council to require the traction company to move its tracks from that street. At present the Seventeenth street line ends at Collins at Clark. The council referred the petition for investigation.

Commissioner Pitts reported that there is no provision for working city convicts, and that the latter stay in jail and board at the city's expense. It was decided to have the necessary ordinance prepared at once.

The council passed a formal or-

der for the April 4 election, reappointing former election officers.

**To win a race a Jockey doesn't put extra weight on the horse that helps him succeed**

No man or woman who wants to succeed in the race of life can afford the handicap of headaches, indigestion and debility. Nor can they afford to take anything that may keep up a continual irritation of the nervous system.

Yet this is what many people do who drink excessive amounts of tea or coffee. For tea and coffee contain caffeine, a substance that is sometimes very injurious. Many doctors say that caffeine raises the blood pressure, irritates the kidneys, and over-stimulates the entire nervous system. Also that it is especially bad for growing children, or for any one who has any tendency to nervousness or insomnia.

If you want to avoid a possible cause of headache, insomnia, or nervousness, it might be well to stop taking tea and coffee for awhile, and drink rich, satisfying Postum, instead.

Postum is a delicately-roasted, pure cereal beverage—delicious and wholesome.

Order Postum from your grocer today. Drink this fragrant, healthful beverage for awhile, and see if you will not feel brighter, more active, and more resistant to fatigue—as so many thousands of others have felt.

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.
