YORKE'S BIG PUZZLE Inability to field bunts is a handicap Jim Forke must overcome it he ever expects to shime as a big leaguer. Yorke, who goes to Los Angeles from the Chicago Cubs as part payment for Outfielder Arnold Statz, has plenty of stuff, but lacks experience. Yorke's greatest trouble last year was his fielding rather than pitching. A big husky fellow, he found it difficult to field bunts. Opposing teams soon discovered his weakness and made it as uncomfortable as possible for him.

His title was not a stake as Hend-ier weighed 1333 pounds. Dundee's weight was 12. The decision was popular with

COLONEL CAMP BECOMES BOLDER.

"We'll see who has the biggest crowd at the next election," Colonel Joe G. Camp, lecturer for the Ku Klux Klan, who call themselves the Invisible Emire, shouted to an audience at Corsicana a few days go. This is rather a bold and open statement and challenge for hidden and invisible forces whom Colonel Camp represents.

There can be little question but that the "Invisthle Empire" seeks to extend its realm to the visible and open government of ours and the people of Texas ought to thank Colonel Camp for his frank acknowledgement of their purpose. Perhaps it is yet time for those who do not wish a masked and hidden and secret government to vote in accordance with this

It is interesting to note that the further Colonel Camp goes in his speaking campaign in Texas the stronger he gets. Here is more of the stuff with which he sought to inflame prejudice in his address
