

In this era of preoccupation with sex and nudity under the guise of freedom of expression, a simple letter written to man about the image of womanhood is creating a lot of interest throughout the country. Some radio personalities such as Los Angeles' famous Dick Wittinghill have read it repeatedly on their radio programs. Newspapers and magazines, both religious and secular, are reprinting it. And private citizens are copying it for distribution to their friends.

This is what "Open Letter to Man" says:
"I am a Woman.
"I am your wife, your sweetheart, your mother, your daughter, your sister... your friend.

I NEED YOUR HELP.
"I was created to give to the world gentleness, understanding, serenity, beauty and love. I am finding it increasingly difficult to fulfill my purpose.
"Many people in advertising, motion pictures, television and radio have ignored my inner qualities and have repeatedly used me ONLY as a symbol of

SEX
"This humiliates me; it destroys my dignity; it prevents me from being what YOU want me to be an example of."
"Beauty, Inspiration and Love—
"Love for my children, love for my husband, love of my God and country.

"I need your help to restore me to my true position. . . . ALLOW me to fulfill the PURPOSE FOR WHICH I WAS CREATED.
"I know you will find a way."

This letter was written about ten years ago by songwriter Sy Miller and his wife, the former actress, Jill Jackson. But it wasn't until "Open Letter to Man" was discovered shortly after a year ago by the Rev. Francis J. Caffrey of the Maryknoll Fathers that it received widespread circulation.

Father Caffrey was so impressed with the letter that he got the Millers' permission to reproduce it. From that humble grass roots beginning, "Open Letter to Man" has developed its own quiet underground movement protesting the degradation of women as mere sex objects. Many prominent businessmen and entertainment personalities have assisted Father Caffrey in his efforts to help restore woman's proper image of love, beauty and dignity in our contemporary society.

R.D. Funk, Managing Editor of the Santa Monica (California) Evening Outlook was among the first to tell the story of the Millers', Father Caffrey and "Open Letter to Man" in his column. Since then the "Open Letter" has been reproduced and circulated widely in the U.S., in some foreign countries and is on its way to expanding its message of common decency throughout the world.

"Open Letter to Man" is a simple, powerful message, challenging today's animalistic, sex-oriented image of womanhood. It's difficult today for a girl or young woman to believe anyone really cares about morality, femininity and virtue in our society. But the challenge is simply stated for all to meet, "I know you will find a way."
The invitation to help find a way is open to all. Copies of the "Open Letter" are available free of charge. Simply send your name and address, plus the number of copies desired to: Open Letter, The Solo Cup Foundation, 7431 East End Avenue, Chicago, Illinois, 60649. A supply of the Open Letter will be sent free of charge to be passed along to friends and acquaintances.

In addition, a free recording of "Let There Be Peace," composed by Sy Miller and Jill Jackson and performed by Dora Hall, will be included.

We heard somewhere that most marriages are happy, it's the living together afterwards that causes the trouble.

A bookstore received this request by mail: "Please send me the name of a book on hygiene. I'm afraid I have it."

PATRIOTIC FLAG. . . Nelson Lewis, right, and City Manager Jake Outland are shown hoisting a flag which Lewis secured on his recent trip to Washington. The flag was presented to Lewis by Congressman William Ayers, and was certified to have flown over the nation's capitol. The flag is flying this week over Friona's City Hall.

PENTECOSTAL New Pastor Announced

Rev. O.G. Stanton is the new pastor of Friona's United Pentecostal Church.
Rev. Stanton, his wife and 12-year-old daughter, Dana, moved here from Charlotte, N.C., although they are originally from Texas and say they are just "coming home."
Rev. and Mrs. Stanton are originally from Paducah and Munday, respectively.

The Stantons have a son-in-law in the ministry. Rev. and Mrs. T.L. Smith live in Florence, S.C.

A son, Dan, who is a railroad engineer, lives in Tyler. Another daughter, Odessa, lives in Hollywood, California. The couple also have three grandsons.

Dana will be a seventh-grade student at Friona Junior High School this fall.

Rev. O.G. Stanton

Rev. Stanton, a graduate of the International Bible College, San Antonio, has pastored churches in six states during his 20 years in the ministry.
"We like the small towns best, and we are already liking Friona," says Rev. and Mrs. Stanton.

Referendum Postponed

Secretary of Agriculture, Clifford M. Hardin, has announced postponement of the national wheat referendum previously scheduled for July 27-31, according to Louis Welch, Chairman of the County Agricultural Stabilization and Conservation Committee. The action was authorized by Congress.

The postponement permits the USDA to delay holding the referendum not later than October 15, 1970, or 30 days after Congress adjourns, whichever date is earlier.

Accordingly, the U.S. Department of Agriculture's ASCS, which administers the wheat, feed grain, and similar programs, has instructed its state and county offices across the nation to withhold ballots and other referendum materials, Welch said.

The chairman explained that basic farm legislation requires a referendum for wheat marketing quotas.

OPENS FRIDAY

Nellie Jane's Shoes New Business Here

A new business is opening on Main Street in Friona Friday, to be known as Nellie Jane's Shoes. Owners of the new shop are Nellie Pearl Shelton and Jane Garth.

The store is decorated on a "botique" theme, with antique store furnishings. It will carry hard-to-fit sizes as well as popular sizes for women and girls. A complete line of men's and boys shoes will be added at a later date.
Mrs. Garth will be manager. The store will feature several new lines that have not been shown anywhere else in this area. It will feature the newest in ladies' handbags at inexpensive prices. Other accessories will include scarves, belts and gloves.
Nellie Jane's also will carry

Koscot cosmetics. The two ladies invite everyone in the Friona area to come by and inspect their new store.

Bookmobile To Make Schedule

The High Plains Bookmobile will make its regular schedule this week in the Friona area.
Thursday, the bookmobile goes to Oklahoma Lane, 9-10 a.m.; Rhea, 10:45-12 noon, and Black, 1:15-2:30 p.m.

On Friday, stops are at Hub, 8:45-9:45 a.m.; White's Elevator, 10-11 a.m.; Lazbuddie, 12-1 p.m. and Clay's Corner, 1:15-2:15.

Saturday, the bookmobile comes to Friona from 1-4 p.m.

NEW OWNERS. . . Jane Garth, left, and Nellie Pearl Shelton are the new owners of Nellie Jane's Shoes, which is slated to hold its opening at 715-B Main in Friona Friday and Saturday.

SEASON ENDS

All-Stars Perform Around Raindrops

Friona's Little League all-stars battled the weather as much as they did one-another in the windup games for the 1970 baseball season last Friday night.

In the Pee-Wee League game, the "South" topped the "North," 7-2, and in the Intermediate League, the South had to rally to nip the North, 16-14.

The winners in the younger all-star game scored at least one run in each inning and scored twice in the first and fourth. The losers were scoreless in every inning except the fourth when they tallied their two runs.

Jesus Mata had a pair of hits for the winners and Jeff Whiteside and Terry Wilcox each had two hits for the North team.

Pitchers John Carson and Mike Hutson combined to strike

out 12 South batters in the six-inning game.

In the Intermediate League game, the Friona State Bank-Star-Hurst team spotted Friona Feed Yard-Reeve Chevrolet a 9-0 lead, and then came back for a 16-14 win.

The North team sent 14 men to the plate in the first inning, and scored nine runs. The South came back with one in the first and six in the third to trim the margin to 9-7.

Then in the sixth, two walks and a single by Jody Menefee set the stage for a grand-slam home run by David Hutson, and the blast completed the comeback and sent the South out front to stay, 14-11. Davy Carthel finished up on the mound for the winners, and gave up only four runs and one hit in his half of the game.

All-Star Game Box Scores

PEE WEE LEAGUE

South

South	106	205	2x-16

LEGAL HURDLES CLEARED

Right-Of-Way Buying Next On 214 Project

Rhea Bradley, resident engineer, State Highway Department, Littlefield, said this week that the next step in the improvements scheduled for State Highway 214 would be getting the land appraised and securing the right-of-way needed for the project.

All legal aspects concerning the road improvements have been carried out, and a major delay was avoided when a threatened request for a hearing on the road was withdrawn. This could have held up progress on the road project for several months, Bradley said.

As it now looks, the highway engineer hopes that all needed right-of-way can be secured by the end of the year. At the beginning of 1970, it was hoped that a contract could be awarded for the work by the end of the year, but that now appears out of the question.

"It looks more like the spring of 1971 now," Bradley said this week.

Scheduled on the job is an overpass, which will come straight north where the road begins its curve just south of Friona. The overpass will span the Santa Fe Railroad tracks, and the highway will be constructed to intersect Spur 270 (Fifth Street) at Grand Avenue, where traffic will then be dispersed. Also, the road will be widened from Friona to Hub.

At the south end of the overpass, connections will be made to existing State Highway 214 and the east-west county road by the construction of an interchange. There will be no left turns necessary to give farmers access to the various farm-related markets located off the highway.

Bids Opened For New Road

Bids for paving the new farm road, which will span the three miles from U.S. Highway 60 to Farm Road 2397 were to be opened by Highway officials on Wednesday.

This is the road which goes past Friona Feed Yard.

Bulletin

A car-truck accident was reported at the Hub intersection at noon Wednesday. Two women were in the car. Two ambulances were summoned from Claborn Ambulance Service. Further details were unavailable as of press time.

SPORTSMANSHIP WINNERS. . . Keith Pryor, left, and Bron Euler, were presented the sportsmanship awards for the Intermediate and Pee Wee leagues respectively at last Friday's all-star game and awards night. Clarence Monroe, president of the Summer Baseball board of directors, makes the presentation.

RARE LITTER. . . "Cherie," a toy French poodle belonging to Randie Kelley, is shown with her litter of five puppies, which is about as rare as a sow with 16 pigs, according to Jerry Gleason, DVM, Muleshoe, a breeder of toy poodles. This also was Cherie's first litter. Father of the litter is Bon Bon, who belongs to Keena Moore.

AN EDITORIAL

My Childhood Wasn't Very Happy, Either

"I didn't have a very happy childhood— But nobody worried very much about it. I was too busy, I guess—cutting lawns, shoveling snow, running errands, delivering groceries for 10 cents a load, selling newspapers, doing house-chores, going to school. I passed my grades, too. If I hadn't, I'd have had the hide strapped off me.

No one concerned himself about my amusements. What fun we had, we made. But if we did any damage—like breaking a window in a ball game—we paid for it by working it out.

I don't suppose people understood me; but if I had said so, my mother would have asked: "Why should they?" And no one ever gave a thought to my "problems." They were mine, weren't they? Mine to solve. Why should I expect anyone else to bother?

We never heard phrases like "standard of living," "subsistence level," or "minimum requirements." Our standard of living was whatever my father earned. If my father was laid off, we stopped spending on anything but food and a lot less of that. My dad spent every waking hour looking for work—any work. We lived on savings and if things became too tight we'd move in with relatives—or the relatives would move in with us. If there had been no relatives we would have gone to the only place left—the County Poor House, but that would have been an admission that we couldn't take care of ourselves.

I guess we didn't have much. But we had something that was infinitely more important, infinitely more rewarding—we had self-respect, because whatever we had, we earned.

It seems to me that is why America is the strong nation it is today—and it will stay strong only so long as there are enough Americans more interested in earning than getting."

Friona Flashbacks
...from the files of the Friona Star

40 YEARS AGO--AUGUST 1, 1930
John H. Aldridge, Jr. was the winner of the county judge race in the Democratic primary last Saturday, with 759 votes to 529 for Clyde V. Goodwine. J.M.W. Alexander will succeed Judge D.H. Meade as commissioner in the Friona-Black precinct, winning by 250-214. There will be a runoff for county sheriff between W.D. (Bill) Kirk and W.D. (Bill) Hall. Lee Thompson was elected commissioner in the Farwell precinct. W.S. Menefee was re-elected in the Lazbuddie precinct.

30 YEARS AGO--AUGUST 2, 1940
In the Democratic primary last Saturday, David Moseley won the race for commissioner, precinct 1, over L.F. Lillard 305-272. Charlie Lovelace and D.K. Roberts will meet in a runoff for county and district clerk. Roy B. Ezell won over two opponents, Robert Maddux and W.M. Lloyd, for county treasurer. Lee Thompson, Earl Booth and A.D. Smith were unopposed for county judge, sheriff and attorney, respectively.

25 YEARS AGO--AUGUST 3, 1945
In view of the long continued drought from which this territory has been suffering since last September, a serious feed shortage is one of the most apparent conditions with which our farmers are now confronted. There will apparently be no cotton grown this year. Farmers had their soil in fine condition in the spring for planting row crops, but realizing the futility of planting before rain came, they simply waited for that rain, and are still waiting.

20 YEARS AGO--JULY 29, 1950
Over 1600 Parmer County voters went to the polls last Saturday in the Democratic primary. In county races, A.D. Smith held his office with 1015 votes to W.L. Edelman's 545. Henry Ivy unseated present Precinct 4 commissioner W.S. Menefee, with a 178-vote total to Menefee's 81. County voters followed the general pattern of other Panhandle counties, swinging to Mrs. Altaewne Clark for Congress, Harold LaFont for state representatives, and E.A. Bills for district judge.

15 YEARS AGO--JULY 29, 1955
J.B. McFarland, a well-known promoter of Parmer County Community Hospital, recently donated a new oxygen tent, not only for the benefit of the patients, but the nurses. Old style oxygen tents had to be cooled with ice, which was carried to the tent every few hours. The new model tent gives the hospital three tents, to adequately serve the hospital's needs, states manager Jimmy Baxter.

10 YEARS AGO--JULY 28, 1960
Martell Leveque and Porter Roberts are co-chairmen of Friona's annual Maize Days Celebration, which is September 5-10 this year.

Members of the Friona City Council okayed plans and specifications for the modernization and improvement of the city's water and sewer systems to bring the systems up to serve a town double the present population.

Pause and Reflect

By Nelson Lewis

Of all the government agencies we are forced to recognize, the department of Health, Education and Welfare is perhaps the most frustrating.

We middle-class Americans who spend most of our time trying to make ends meet cannot understand the generous hand-outs given to people who refuse to become self-supporting.

I don't know about everyone but I am sick up to here when it comes to paying the bills for a bunch of no good lazy characters who have neither self-respect, moral values, nor ambition.

The financial side of this labyrinth of bureaucratic regulations is ridiculous; however it may be explained as a direct result of too much big brother government too far removed from the people.

Clumsy and mis-managed as the economic program certainly is, it is not a direct threat to the future of our nation; however the evident lack of respect for moral values presents a hazard that could be our undoing.

The most startling example of how a basically sound plan can be warped into a senseless practice may be found in the "aid to dependent children" operation.

No one will deny that there exists thousands of children who need all the help they can get and the nation's heart and pocket book should be open to them.

But is there any reason why we should support immoral women and their male cohorts, who make a business of adding to the population explosion?

American industry and business is full of decent hard-working mothers who are justified in objecting to their tax dollars being spent to encourage universal licentiousness.

These women are a part of the great silent majority but they are tired of paying the bills for the more wayward of their sex and they are beginning to ask what can be done.

The answer is too simple for our confused complex-ridden people managers to comprehend.

We have been brainwashed into thinking that all questions are major problems, solved only by appointing more and more governmental committees whose findings are lost in the mumbo-jumbo of Federal Bureaus.

It never occurs to the legislative mind to forget partisan politics and expose their problems to the strong light of reason.

That would doom the chances of self-perpetuating big government and the welfare office holders' revolt at the idea of killing the goose that lays the golden egg.

In the final analysis the answer to our question as to why this laxity exists is the same old hackneyed phrase—let Congressman and your Senators know exactly how you feel about things, and what you think should be done.

We can argue and discuss events among ourselves but that won't get the job done.

How about advancing the old theory that said "no work--no eat?"

Or is that too out of date?

Out of Orbit

"YOU WON'T NOTICE THAT PLUMBER WHEN WE'RE WEIGHTLESS, ORVIL."

MEN FACE STYLE CHOICE

Straight-leg, flare, bell-bottom or traditional, with cuff or without—these are some of the fashion choices confronting men buying pants today. It's similar to the mini, midi or maxi decisions faced by women. There are belt and beltless pants with a variety of pocket treatments, too. Never before have the makers of men's pants provided so many choices in style. For example, the company best known for its Levi's blue jeans now has 198 models and fabrics in its current men's line.

LETTERS TO EDITOR

Bill, Carol and Staff,
Where do you go from here? You are the best and I predict you will stay in that position. We read your paper each week and agree with the judges—it is the best.

Wouldn't The World Be A Better Place--

Wouldn't this old world be better,
If the folks we meet would say--
I know something good about you--
And treat us just that way?

Wouldn't it be fine and dandy,
If each handclasp warm and true
Carried with it this assurance--
I know something good about you!

Wouldn't life be a lot more happy,
If the good that's in us all,
Were the only thing about us
That folks bothered to recall?

Wouldn't life be lots more happy
If we praised the good we see--
For there's such a lot of goodness
In the worst of you and me!

Wouldn't it be nice to practice
That fine way of thinking too--
You know something good about me
I know something good about you!

KEY-CHAIN WHISTLE
If you need something to attach your boat motor keys to, try using one of those little plastic whistles that can be bought in a dime store. They will float and are easily seen. Also, they come in handy at times for signaling purposes.

Pure Comfort—that's

TE means pure comfort in everything in your home from dishwashers to dryers, from heating to hair dryers... disposers, tooth cleaners, air conditioning, vacuum cleaners, ranges, refrigerators (frost-free, of course)... the list goes on and on. We could say Pure Comfort, Pure Convenience and certainly Pure Cleanliness... 'cause TE gives you all three.

P.S. If some of the national news stories about power shortages give you some concern... don't worry! Here, in our area, Reddy has all the power you'll need... and, then some. Use it and enjoy it.

E. G. Gonser Buried Friday

Funeral services for E.G. Gonser, longtime resident of Laverne, Oklahoma area, were held in Seeger Funeral Chapel there at 2 p.m. Friday, July 17. Gonser, who was 84 years of age, died at Laverne General Hospital the previous Tuesday after an illness of only a few hours.

Rev. Jack Barker was the officiant. Burial was in the Rock Church Cemetery near Woodward, Oklahoma.

E.G. Gonser, the son of David and Mary Gonser, was born January 9, 1886, at Kingman, Kansas. His family moved to Grand County, Oklahoma, after opening of the Cherokee Strip and later to Woodward County.

He was married to Viola Brawner August 4, 1905, at Larned, Kansas. They had one son, Leonard of Friona.

In 1907, they moved to a farm near Laverne. Then in 1928 the couple bought land in the Lazbuddie Community and moved to Parmer County, where they lived 25 years before returning to Laverne. Gonser, who was very active for a man his age, continued to take care of his farm and livestock until the time of his death.

Survivors, besides his widow and son, include five grandchildren, Douglas Gonser,

E.G. GONSER

Pawhuska, Oklahoma: Mrs. Ralph Broyles, Mrs. Patti Hughes and Mrs. Jack Redfearn, all of Friona, and Mrs. C.B. Looper, Liberal, Kansas.

Also two brothers, Henry Gonser, Calumet, Illinois and Frank Gonser, Melrose, New Mexico; 16 great grandchildren and three great-great-grandchildren.

Frionsans, besides his son, daughter-in-law and grandchildren, who attended the services were Mr. and Mrs. E.L. Fairchild, Mr. and Mrs. Eugene Ellis, Mr. and Mrs. G.E. Reed and Roy Daniel; and Jim Roy Daniel of Lazbuddie.

Twenty Scouts Attend Camp Don Harrington

Twenty members of Friona's Boy Scout Troop 56 returned recently from a week's stay at Camp Don Harrington.

Fifteen of the boys received the "first class" swimming award. These were Noel White, Darrell Roth, Brad Beene, Stephen Jones, Ken Jordan, Darrell Mason, Danny Campbell, Ronnie Williams, Joe Cunningham, Brian Witten, Joe Jones, Clay Cudd, Kenny Gabehart, Mickey Harrelson and Gordon Stokes.

Seven of the scouts reached the "swimmer" classification. They were Doug Norwood, Noel White, Darrell Roth, Stephen Jones, Gary Rector, Joe Cunningham and Clay Cudd.

Four boys completed requirements for the second class rank. They were Noel White, Gary Rector, Brian Witten and

Joe Jones.

Also attending were Rolando Caballero, Danny Holley, Johnny Jones, Scoutmaster V.R. Wilcox and assistant scoutmaster Roger Field.

Mickey Harrelson was chosen as "honor camper," and was invited to the junior leaders training camp the following week.

While on the camping outing, the troop participated in three five-mile hikes; practiced map reading, compass reading, stalking and tracking, fire-building, cooking without utensils, use of knife and ax, first aid, hike precautions, and what to do when a person is lost.

Some anxious moments were endured, as two rattlesnakes and a scorpion were killed during the outing.

The Friona Independent School District is soliciting bids on regular gasoline and motor oil for school bus operation for the 1970-71 school year. Sealed bids must be in the school superintendent's office by Aug. 10, 1970. The board of trustees reserves the right to reject any or all bids. Alton Farr, Superintendent. 42-3tc

Friona Star To Mark 45th Birthday Friday

This week the Friona Star observes its 45th birthday, and the Star, like the city of Friona, has changed greatly and come a long way since the Volume 1, Number 1 issue hit the street on July 31, 1925.

The Star, which was started as a project of the Friona Chamber of Commerce, had a turbulent beginning, having the depression years of the 1930s hit during its formative years. However, to our knowledge, the Star has never missed a publication date except during a week's lapse between owners, and at designated weeks between Christmas and New Year's, when the newspaper has occasionally declared a holiday for its staff.

This is especially commendable of the staff in the early days, who had to fight mechanical difficulties, a shortage of material, and a scarcity of money for advertising and subscriptions.

Much credit for the survival of the newspaper must go to the late J.W. (Uncle John) White, who started the paper, and served its editor for the better part of 25 years, during which time the ownership of the paper changed hands at times, and for long stretches of time, the newspaper was set, composed and printed in other towns.

In fact, at various times, the Star has been printed in Clovis, Farwell, Panhandle and Hereford, in addition to Friona.

Credit for naming the newspaper is given to A.W. Henschel, who at the time was president of Friona State Bank. In the spring of 1925, the Chamber of Commerce adopted as a project the establishment of a newspaper, and instructed Chamber secretary John W. White to advertise for, and secure an editor.

White, fearing that unless the editor had an investment he might leave after a period of time and turn the newspaper back over to the Chamber of Commerce, told the Chamber directors he could give the town "that kind of newspaper."

In short order, the Chamber directors passed a motion that the publication of a newspaper be added to the secretary's duties, and "Uncle John" had a job which he was not to be rid of completely until Bert Neelley purchased the newspaper in 1950.

Seth Holman of Hereford had bought the paper from the Chamber of Commerce in 1926. In the intervening years, other towns had included the Nunn-Warren Publishing Company of Amarillo, and later D.M. Warren.

During the first 15 years of its existence, the Star ranged in size from a six-column, eight-page paper down to what Westlizard of the Amarillo Daily News called "The Tabloidest Tabloid" he had ever seen, an 8-1/2 x 11 inch page size. These size changes were all by necessity.

Mrs. Seth Holman and Jimmie Gillettine of Hereford purchased the Star in the late 1940s, and then sold it to Neelley in 1950. W.H. Graham, Jr. and Joe Osborn bought the Star in June of 1956. It was under the Graham and Osborn ownership that the Star pioneered the offset printing method in this section of the country, being the first weekly newspaper to be printed by the new printing method, which by now prints more than half of the newspapers in the nation.

Osborn purchased Graham's interests in the newspaper in 1963, and then in 1968 the last ownership change was made when Bill Ellis, who served as editor since 1962, bought the Star from Osborn.

In case you don't know, the ancestors of today's goldfish were green. Also, when goldfish are used for bait-minnows and get loose in streams they finally become carp.

HOSPITAL REPORT

Admissions:
Janie Deen, Black; Beatrice Mesza, Bovina; Deward Adams, Dimmitt; Mrs. Walter Cunningham, Friona; Mrs. Tom Gibson, Friona; Mrs. Radford Venable, Bovina; Billy J. Payne, Farwell; Yolanda Lucero, Bovina; Rosa Barlow, Farwell; Houston Edwards, Farwell; Mrs. David Lee Carson, Amarillo; and A.V. Warren, Farwell.

Dismissals:
Deward Adams, Mrs. Walter Cunningham, Otho Whitefield, James Rodriguez, Janie Deen, Mrs. Bennie P. Barron, and baby, Mrs. Tom Gibson, Buck Williams, Mrs. Radford Venable and baby boy, Laura Whitson, Yolanda Lucero, Mrs. Alejo Vasquez and baby, Billy J. Payne.

Patients in Hospital:
Rosa Barlow, Mrs. David Lee Carson, Houston Edwards, Mrs. Alfred Mesza and baby, and A.V. Warren.

LIONS' GUEST. . . Marshall Cooper, center, the Executive Director of Girlstown, U.S.A., was the guest speaker at the regular meeting of the Friona Lions Club last Thursday. He is shown with Lions president Dale Smith, left, and W.L. Edelman, a member of the Girlstown board of directors. Cooper explained that Girlstown receives 1300 applications each year but can take only 41 girls.

ENTRANTS SOUGHT

Women's City Tourney On Tap This Weekend

All women golfers who are members of Friona Country Club are invited to take part in the annual women's championship tournament.

Women golfers are requested to sign up at the Country Club pro shop, so that all entrants may be placed in flights, according to their ability. Those entering must play 18 holes of golf Thursday, Friday or Saturday of this week.

Two or more players may play together. Those planning to enter must declare their intentions to turn in a tournament score card before teeing off. The tournament will be scored according to medal play.

All golfers wishing to play in the championship flight must indicate this when they register. Play in the championship flight will be scratch (no handicap), and will be match play for 36 holes.

Winners will be announced and awards presented at a luncheon on Tuesday, August 4 at the Country Club.

Women wishing to play on Tuesday will tee off at 9:30 a.m. Each one is to bring a covered dish for the luncheon.

If you are average, your brain weighs 3 1/2 to 4 pounds. If you are more than 20 years old, your brain is gradually losing weight. (So never let anyone call you a fat head.)

In your body, a starch-splitting enzyme called amylase will break down 20,000 times its own volume of starch in half an hour!

The longest reef in the world is the Great Barrier Reef off Queensland, northeastern Australia, which is 1,260 geographical miles in length.

MIGHT BE WISE TO PUT OFF TIL TOMORROW WHAT YOU SHOULDN'T BE DOIN' TODAY.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT (HJR 22) General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Subsection (a), Section 64, Article III, of the Texas Constitution, be amended to read as follows: "Section 64. (a) The Legislature may by special statute provide for consolidation of governmental offices and functions of government of any one or more political subdivisions comprising or located within any county. Any such statute shall require an election to be held within the political subdivisions affected thereby with approval by a majority of the voters in each of these subdivisions, under

such terms and conditions as the Legislature may require." Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county."

Gun Club Sets Practic Shoot

The Friona Gun Club will hold another practice shoot on Friday, July 31, at the trap house a mile east of Friona beginning at 8:30 p.m.

Anyone interested in shooting is invited to attend, according to a spokesman for the club, who said that guns and ammunition would be available.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT General Election Nov. 3, 1970 NUMBER FOUR ON THE BALLOT (HJR15)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Section 51-b, Subsection (a), Constitution of the State of Texas, be amended to read as follows:

"(a) The State Building Commission is created and succeeds to the powers and duties heretofore vested in the agency of the same name by this Constitution and to the powers and duties the Legislature has vested or may vest in the Commission. Its membership shall consist of three Texas citizens appointed by the Governor with the advice and consent of the Senate. The term of each member shall be six years except in the first appointments to the Commission the Governor shall appoint one member for two

years, one for four years, one for six years, and thereafter one member biennially. The Governor shall biennially designate one member as Chairman. Vacancies in the Commission shall be filled by appointment by the Governor for the unexpired term. The provisions of this paragraph shall be self-enacting."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment reconstituting the State Building Commission as a three-member appointive commission."

OFFICE MANAGER. . . Dale Hart, right, who opened an H & R Block tax service office in Friona the past year, received a first-place award from R.H. (Bob) Fishkind, regional H & R Block manager, at a meeting recently in Dallas. The award was presented on the basis of the Friona office having done at least \$1.00 business per capita. Hart's award was the only one presented in the Amarillo and Lubbock districts.

Debora Bainum Awarded Honors

Debora Bainum, daughter of Mr. and Mrs. Johnnie Tinnie of Amarillo spent last week camping at Hidden Falls Ranch near Clarendon.

During the week Debora received several honors. She was awarded the Star Girl Camper, first place in western pleasure riding in the rodeo, first place in arts and crafts, fourth place in swimming and a special award for learning the required number of Bible verses.

Church Slates Benefit Supper

A bean supper at the United Pentecostal Church Friday night will honor the church's new pastor, Rev. O.G. Stanton, and will also serve as a fund-raising affair for the church's foreign missions program.

A price of \$1.00 per plate will be charged for the fund-raising affair. The menu will consist of beans, corn bread, salad, pickles, onions, tea, coffee or Kool Aid, cake and pie. The public is invited to attend.

Women of the church will begin serving at 6:30 p.m. and continue as long as necessary. Games are planned for after supper at the church.

RESULTS GIVEN

Irrigation Study Is Done On Mabry Farm

"A big challenge during the peak summer irrigation period is to manage available water to obtain maximum profit," says Leon New, area irrigation specialist with the Texas Agricultural Extension Service. "Decisions that put available irrigation water where it will count the most are not always evident when the pressure is on to get water to spanning acres of thirsty crops."

New cites a study conducted in 1969 in discussing summer irrigation procedures. Jimmy Mabry who farms in the Hub Community in Parmer County and Ronny McNutt, former county agricultural agent for that county, investigated the effectiveness of three irrigation management procedures on grain sorghum. In the study, a full season hybrid grown on Olton loam soil was irrigated three, four and five times. Each of the five irrigations were in alternate furrows.

"The pleasant surprise in the test was that the highest yield of 8,460 pounds per acre was harvested where five alternate furrow applications were made," explains New. "Of particular interest was whether or not the rows farthest from the water furrow on the double-rowed sorghum would receive

adequate water. Apparently they did."

Mabry irrigated in alternate furrows at 9 to 12-day intervals beginning 34 days after planting. Less water, about two inches, was applied during a single irrigation, making the need for additional water slightly more frequent than where every row was irrigated. The irrigating rate was one and one-half to one and two-thirds times faster using alternate furrow irrigation, thus making it possible to water more acres when the crop needed moisture the most.

With three well-timed irrigations, the full season hybrid produced 8,350 pounds per acre. These irrigations in each furrow were on 21 and 26-day intervals that also began 34 days following planting on May 29. These irrigations were less frequent than normal practice. However, they supplied additional moisture for crop use during high water requirement growth stages and ideally supplemented early July and late August rainfall.

"This shows that timely irrigations can be combined with rainfall to get lots of mileage from irrigation water even during drier-than-normal summers," adds the specialist.

Four irrigations in the study, again in each furrow, produced 8,290 pounds of grain per acre. The first irrigation was applied 27 days following planting, six days earlier than on the other two plots. There were fewer days between applications than with three irrigations. However, the crop did not utilize both July rainfall and irrigation water in grain production as well as that receiving three irrigations, points out New. The 60-pound yield difference indicates a lack of yield response from the greater quantity of water.

"Yield differences are more clearly compared by the irrigation water use efficiency of the three application procedures," New contends. "With three irrigations, water use efficiency was 994 pounds per acre-inch; with five alternate row irrigations, it was 890 pounds and with four, 829 pounds. All of these are high but also point out differences that can be handy water management tools. Pounds of grain produced per inch of irrigation water gives a good evaluation of the effectiveness of irrigation procedures and is a value worth knowing."

A similar irrigation study is being conducted on Mabry's farm this year.

IRRIGATION RESULTS. . . Looking over a field of grain sorghum in an irrigation study in Parmer County are Jimmy Mabry, left, who farms in the Hub Community, and Ronny McNutt, former Parmer County agricultural agent. The study highlighted efficient water management. The top yield of 8,460 pounds per acre was obtained with five alternate furrow irrigations. (Texas Agricultural Extension Service Photo)

4-H Members Take Part In District Horse Show

Four Parmer County 4-H members attended the District 1 4-H Horse Show in Amarillo on July 24. The youngsters were Penny Norton, daughter of Mr. and Mrs. Walter Hughes, Johnna and Garvin Thorn, daughter and son of Mr. and Mrs. Bill Thorn and Laura Doshier, daughter of Mr. and Mrs. Frank Doshier, Jr.

Garvin participated in the western pleasure and reining divisions. His registered mare placed sixth out of approximately thirty horses in the aged mare class. Johnna and Penny were both in western pleasure, with Johnna also running the barrels. Her gelding placed fifth in the grade gelding 14-3 and under class.

Highlight of the day was when Laura Doshier won the pole bending contest, out of seventy horses in the timed event. Laura won first with a time of 22.38 seconds. This automatically won her the right to attend the state show. But, not being satisfied with taking it easy, Laura came back in the barrel racing division and won fifth out of seventy-five entries with a time of 17.41 seconds, thus adding more points to her total score. She will show in

the State 4-H Horse Show, which will be held in Amarillo August 6-8.

The entire day proved to be a long one. The youngsters were on the road by 6:00 a.m. in order to get ready for the show to start at 9:00 a.m. The show started on time, but didn't end until after 10:00 p.m. that night. Both horses and youngsters had a full day by the time the show was over and everyone had returned home.

At Home In Parmer County

By Janice Miller
County HD Agent

Parmer County 4-H'ers have completed another year by turning in their 4-H records. These fifty members who took the time to complete their projects will be honored at the annual Achievement Banquet. This banquet which will be October 10 will be the highlight event of National 4-H Week.

Many of you right now are planning for your summer vacations. I came across some information about vacations from Dr. Barbara A. Gunn, with the California Extension Service. She gives Seven Good

Reasons Why You Should Take A Vacation.

1. To live longer and in better health.
2. To take time to enjoy life (right now).
3. To provide a change of pace.
4. To do a better job upon return.
5. To give others a chance.
6. To maintain closeness among family members, particularly husband and wife.
7. To prepare for leisure time to come.

The USDA gives a plentiful

Friona Girls Place High In Dress Revue

Twenty-two Parmer County 4-H members participated in the annual Dress Revue, July 21. Lee Ann Williams of Farwell was high point individual, according to Janice Miller, County Home Demonstration Agent. She was winner of the 12-13 year old group, with Cheryl Gohlke, of Oklahoma Lane as alternate.

Winner of the 9-11 year age group was Penny Norton of Farwell and Senior winner was Deborah Harding of Farwell. Diane Bennett and Mary Beth

Bennett of Friona were named alternates for the 9-11 age group and senior group respectively.

White ribbon winners for the Revue were Terri Boling, Lisa Kittrell, Jacquelyn Langford and Sonia Kube.

Red ribbon winners were Diane Bennett, Linda Gohlke, Peggy White, Carrie Haseloff, Georgia Terry, Holly Hart, Claire McFarland, Tami Haseloff, Audrey Magness, Arlene Magness and Vicki Jupe.

The blue ribbon winners at the County Revue were Lori Norton, Karene Hart, Mary Beth Bennett, Penny Norton, Deborah Harding, Cheryl Gohlke, and Lee Ann Williams.

The girls modeled their "Signs of Fashion" before signs of the Zodiac. Cheryl Kaltwas-

SATURDAY, SUNDAY

**Plainview Hospital,
Mental Health Center
Slates Opening**

A massive tan-brick hospital complex, destined to become a modern model from which other cities will work, is having open house in Plainview, August 1 and August 2 from 2 to 5 p.m. each day. The hospital will open officially for patients on August 10. The Mental Health Center opened on a limited basis--out patient clinic on July 21.

When one views the building from the front, it is as if looking at a thick "Y" from the top. The "arms" of the Y (slanted toward you) are, above the first floor wings for patient rooms. The "tail" of the Y will house facilities for surgery obstetrics and intensive care of heart cases, guarded by a central nursing station on each floor, restricting visitors to the patient wings only. At the Open House on August 1 and 2 all visitors will be able to see the Hospital and Mental Health Building from top to basement and from wing to wing. Rooms normally off limits will be able to be seen by all who come to celebrate the opening. The hospital is licensed for 151 patients.

The main hospital building will include four floors and a partial basement which is under the central part of the building. This basement will house Central Supply, connected to all floors by dumb waiters. Also included will be classrooms for inservice training. An area for pathology and the morgue is in the basement area. The print shop and a central storeroom is also in the basement.

The main floor of the hospital includes one-story additions in the front for administrative and laboratory facilities. The most modern lab and X-Ray equipment and facilities is already installed.

To the right of the entrance way of the main hospital is a

beautiful gift shop and working space for the Hospital Auxiliary, the Pink Ladies.

A cafeteria for the hospital employees and families of patients is through the lobby and on the south of the building. The kitchen, adjoining, is as modern and complete as is available. Refreshments will be served in this area at the Open House.

There are six VIP rooms with kitchenette. Adjoining and connecting rooms can be available which will turn these into suite. All patient rooms will have a recliner chair for the comfort of the family. All rooms are equipped with electric beds. Each room, reception area, lobbies are beautifully draped. All cotton drapes were selected since the 9 county area this hospital serves is "cotton country." The drapes were made in Plainview. The landscaping is being done by local people. The American Legion is presenting a flag and flagpole and presentation of the flag will be part of the dedication of the hospital.

The Mental Health Center Building is on the northwest part of the Hospital grounds attached to the Hospital by a corridor. The Emergency Room is between the buildings. A full time psychiatrist is on the staff of the Mental Health Center and an outpatient clinic is now in operation. In this building five services will be phased in. The inpatient service has 25 beds and three partial hospitalization bed/office combination rooms. A fully equipped occupational therapy and recreational therapy department is in the south part of the building. The north part is for inpatient rooms. The East entrance is for the outpatient clinic. The full staff and operation of this facility is dependent upon a federal staffing grant from Health/Education, and Welfare. The Texas

BAND STUDENTS AT CAMP. . . . Two band students, one from Friona and the other from Fieldton, get some special attention at the annual Texas Tech University band camp from Jim Suddath, a member of the band camp faculty. The students, from left, are Denise Frazier of Friona and Shelley Malone of Fieldton. The camp will continue through Friday, July 24, and is being attended by more than 600 junior and senior high band students from a wide area of Texas and New Mexico. (Tech Photo)

xas Department of Health/Mental Retardation started funding this facility November 1, 1969, for partial operation. Local funds were used for matching money. This operation is legislated to cover the following 9 counties: Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Motley, Parmer and Swisher.

The nine county board is selected by each judge appointing a Trustee.

No financing for this Hospital Complex has been done with tax money. . . County or City. The PEOPLE pledged \$891,282.85. Of this pledge \$682,157.50 has been paid to date. Other financing has been from Hill Burton, Federal Housing and Urban Development Agency and bonds were sold to First Southwest Company. Also included in the pledge was 80 acres of farmland, and a 12.8 acre new hospital site. Medical Center Hospital merged with the Plainview Hospital in 1969. Their property was bought by the Hale County Hospital Authority.

The project was designed for the specific needs of Plainview

and its area. There have been two boards while the building project was developing and finalizing. The present Board of

**Fifteen Attend
Family Picnic**

Five members of Friona Young Homemakers and tenneguests attended the annual summer family night picnic at Federated Club House Thursday evening at 7:30.

Mrs. Larry Moyer, president, conducted a brief business session during which plans were made for Maize Days participation.

A game session followed supper of fried chicken, potato salad, baked beans, tossed salad, and home made strawberry

ice cream. Special guests were Mr. and Mrs. Dee Willard.

Others present included Mr. and Mrs. Larry Moyer and sons, Doug and Brad, Mr. and Mrs. Gene Bedford and Julie, Mr. and Mrs. Roy O'Brian, Mr. and Mrs. Larry Morgan and Mr. and Mrs. Calvin Dozier.

The next meeting of the club will be August 27, when officers for the coming year will be installed.

food

Tuna Platter--Riviera Style

Tuna is popular in Mediterranean cuisine--especially in the service of appetizers. So are marinated vegetables. Put the two together and, voilà, a tempting, high protein, low cost tuna salad, in the style of those served on the Riviera.

Tuna Riviera Platter

Drain oil from 2 cans (6 1/2 or 7 ounces each) tuna in vegetable oil into mixing bowl. (Leave tuna in cans.) For marinade, add 1/2 cup vinegar, 1/4 cup lemon juice, 1/2 teaspoon Tabasco pepper sauce, 2 teaspoons dry mustard, 1/4 teaspoon salt and 1 teaspoon sugar into tuna oil, mix well. Spoon 2 tablespoons marinade over tuna in each can. Toss 4 cups prepared vegetables* in marinade (together or in separate bowls). Marinate in refrigerator at least 1 hour before serving. To serve, drain tuna; place on lettuce leaves in center of platter. Arrange drained vegetables around tuna.

YIELD: 4 luncheon servings or 6 appetizer servings.

*For vegetables, use sliced cucumbers, sliced radishes, pimiento and green pepper pieces, sliced green beans, carrot curls, cherry tomatoes and celery slices.

**Clifford Crows
Have Visitors**

Recent visitors in the home of Mr. and Mrs. Clifford Crow have been Mr. and Mrs. Gene Dabney of Atlanta, Georgia; Mr. and Mrs. Reeve Guyer of Pasco, Washington; and Mr. and Mrs. Gerald Barnett and children of Many Farms, Arizona. Mrs. Dabney and Mrs. Guyer are sisters of Mrs. Crow and Mrs. Barnett is the former Barbara Crow.

Reeve Guyer is the son of Mrs. John Guyer of Farwell and the late John Guyer, who were pioneer Friona residents.

**Church Women
Hold Meeting**

The Interdenominational Church women will meet Friday, July 31 at the First United Methodist Church, 2:30 p.m.

Rev. D.W. Calcote of the Assembly of God Church, will be the speaker. The WSCS Chapter of the Methodist Church are the host group. All church women of Friona are invited. The theme for this year is "Christian Leaders." A fellowship hour will be held following the meeting.

**Frionans Attend
Abilene Meeting**

Mr. and Mrs. Clarence Martin and Steve Messenger attended a two day meeting of the West Texas Chamber of Commerce in Abilene last week. Martin, who is a director of the organization and a member of the agriculture committee, attended meetings of the directors and committee members.

Messenger is a member of the state affairs committee and attended a meeting. The group returned to Friona late Friday.

MOM'S ACTION. . . These pictures show action from Tuesday night's mother's softball game. In the top photo, umpire Ronald Smiley settles an argument at home plate between Patsy Bandy and Donna Mears by flipping a coin. In the bottom photo, Sondra Nichols and Phila Mize Weatherly are about to have a collision at third base which caused the ambulance to be called out. It was all in fun, however.

**New Employee
For County SCS**

A new employee of Parmer County's Soil Conservation District office is Edwin Livengood, who comes to Friona's office from Levelland. Livengood has had four years experience with the SCS. He is originally from Haskell County. The new SCS employee is married and has a son, Bobby, who is two. The family lives at Friona Mobil Estates.

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER THREE ON THE BALLOT (SJR15)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 1-d, Article VIII, Constitution of the State of Texas, be amended to read as follows: "Section 1-d. The Legislature shall have the power to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops rather than upon the value of such lands and the crop growing thereon." Sec. 2. That the foregoing con-

stitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to authorize the Legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops."
