SCHWAB ON STAND TESTIFIES BEHALF CHARLES W. MORSE

SAID HE FOUND ALEXANDRIA PLANT IN FIRST CLASS CONDITION.

QUESTION AROSE OVER EMPLOYMENT SONS

Urged That Morse Curtail Activity Letter's Sons in the Business.

WASHINGTON, July 24.—Charles M. Schwab, who served during the war as head of the emergency fleet corporation, appeared in court here today as a witness for the defense in the trial of Charles W. Morse and others charged with conspiracy in connection with war time ship building operations.

The steel magnate has been mentioned in previous defense testimony as providing a high opinion of the Morse plant at Alexandria, Va., the efficiency of which has been questioned by the government. He came to Washington from his home in Loretto, Pa., after a week end conference with Morse counsel.

Mr. Schwab told the court that he had visited all the yards in the country, and the pressing needs for ships of all type in April, 1919. He said he visited all the yards in the country, and the pressing needs for ships of all type in April, 1919.

COHEN IN JAIL AFTER LEAVING BRIDE-TO-BE WAITING AT CHURCH

ATLANTA, Ga., July 24.—Ben Simmons Cohen of Rome, Ga., whose thoughts turned to love as he sat up with a corpse, was in the Fulton county jail today in default of a \$1000 peace bond.

DR. LOUISE STANLEY TO HEAD NEW BUREAU

WASHINGTON, July 24.—Dr. Louise Stanley, a native of Nashville, Tenn., and now a dean of home economics at the University of Missouri, Columbia, Mo., has been selected by Secretary Wallace to head the newly established bureau of home economics of the department of agriculture. She will assume her duties September 1.

GARNER HEARING AT ARCHER CITY, THURSDAY 10 A. M.

Special to The Times. ARCHER CITY, July 24.—The preliminary hearing for J. J. (Blackie) Garner, which was scheduled for Monday afternoon, was postponed today until 10 o'clock Thursday morning.

Nebraskans Will Attempt To Capture Amphibious Monster Inhabiting an Alkali Lake

SELECTING JURY FOR TRIAL BLANTON ON LIBEL CHARGE

OMAHA, NEB., July 24.—A sealed envelope, containing an order to a Boston firm for a whale harpoon, line and whaling gun, was mailed from the town of Alliance, Nebraska, today. With it went the interest of thousands of Nebraskans, whose curiosity for years has been piqued by the mysterious freak of Alkali lake, near the village of Hay Springs, Nebraska.

FRENCH CABINET HAS APPROVED REPLY TO REPARATION NOTE

PARIS, July 24.—The French cabinet today unanimously approved Premier Poincare's attitude toward the British proposal to reply to Germany's reparations note which the premier set forth in his collection of the cabinet minutes.

LITTLE ROCK DETECTIVE KILLED AND ANOTHER SERIOUSLY WOUNDED

LITTLE ROCK, July 24.—George W. Moore, a city detective, was shot and killed and L. C. Gay, another detective, was seriously wounded early today when they attempted to make a telephone call in a building where they were patrolling.

KIRBY MADE PRESIDENT KIRBY LUMBER COMPANY

HOUSTON, July 24.—John H. Kirby, former chairman of the board of the Kirby Lumber Company, was elected president of that company at a meeting of the board of directors this morning.

KIRBY MADE PRESIDENT KIRBY LUMBER COMPANY

HOUSTON, July 24.—John H. Kirby, former chairman of the board of the Kirby Lumber Company, was elected president of that company at a meeting of the board of directors this morning.

TURKEY AT PEACE THROUGH SIGNING LAUSANNE TREATY

TWELVE YEARS OF WARFARE WITH EUROPEAN COUNTRIES ENDED.

TREATY LAUNCHES CRUEL MOVEMENT

Falls to Solve Armenian Problem and Provides Transfers Greeks and Turks.

LAUSANNE, July 24.—The Lausanne peace treaty formally establishing peace between the European and Anatolian states was signed today.

Rotary Leaders Of 40 District Discuss Plans

CHICAGO, July 24.—Further discussion of the platform and program of the second day's session today took place at the annual meeting of the Rotary club of Chicago.

CALCIUM ARSENATE SUPPLY BIG PROBLEM IN BOLL WEEVIL FIGHT

MOBILE, Ala., July 24.—The greatest problem presented to boll weevil fighters in the boll weevil fight is the assembly of an adequate supply of calcium arsenate.

TRUANT LEPPER RETURNED TO THE LEPROSARIUM

NEW ORLEANS, July 24.—John Early, the truant leper, is back at the leprosarium at Carville, after his fourth escape from the institution to visit his old haunts in Washington, D. C.

HI JOHNSON HONOR GUEST AT LUNCHEON

NEW YORK, July 24.—Senator Hiram W. Johnson of California, honored by friends of the presidency, who returned from Europe yesterday, was tendered a luncheon today at the National Republican Club by a group of supporters.

SEARCH FOR BUILDING CO. HEAD AND GIRL

CHICAGO, July 24.—Search was started last night by detectives for a young woman and Frederick S. Bohl, temporary president of the Garden Building Company, following the announcement by attorneys for the company as stockholders' meeting of an apparent shortage of \$150,000 in the funds of the construction company.

6,893,000 BALES COTTON ESTIMATE FOR THE SOUTHWEST

DALLAS, July 24.—Estimates of the cotton production and acreage of five cotton producing states in the southwest were announced tonight after a survey, made today, by the southwest regional advisory board cotton committee.

DR. WILMOT DIES IN NEW YORK CITY FOLLOWING STROKE

AUSTIN, July 24.—Dr. E. P. Wilmot, president of the Austin National Association of Physicians, died in New York City this afternoon at 1:30 o'clock as a result of a stroke of apoplexy.

TOPOGRAPHIC ENGINEER ASSIGNED TO TEXAS

AUSTIN, July 24.—C. L. Nelson, topographic engineer of the United States geological survey has been assigned to duty in the state of Texas.

Dollar Day Is Lure To Crowds

Thursday. Such a crowd! Everybody is out—streets are jammed with automobiles.

MISSING SECRETARY ARRESTED IN MONTREAL

CLEVELAND, Ohio, July 24.—A search of almost a year for Michael M. Dugan, former secretary to James W. Corbin, wealthy steel man, ended yesterday with his arrest in Montreal.

PLAN ULTIMATE UNION NORTH AND SOUTH METHODISTS

READY FOR PRESENTATION TO UNIFICATION COMMISSION AT CLEVELAND. CONFIDENCE FELT IN PLANS ACCEPTANCE

Must Be Acted Upon by General Conference of Both. CLEVELAND, OHIO, July 24.—A plan which it is believed will ultimately result in the union of the northern and southern branches of the Methodist Episcopal Church, divided in 1844 over the question of slavery, was ready for presentation to the joint commission of unification at the opening session of its first day meeting here today.

The results of the meeting will not be made public, it was said, until the plans had been submitted to the general conference of each branch, the second of which will not be held until 1926. The plan was prepared by a joint committee of 14, the members of which are confident that it will be accepted, according to Bishop Wilbur F. Anderson of Cincinnati, chairman of the northern branch of the committee.

“We are confident that we have finally hit upon a plan which will accomplish the object for which we have been striving since 1816,” Bishop Anderson said. “Our differences are administrative rather than doctrinal and I am sure our plan will enable the two branches to meet perfectly.”

On the other hand Bishop John M. Moore of Dallas, Texas, believes there will be no unification until “racial differences can be ironed out,” which will probably be several years. Prejudice still exists in some degree between the north and the south, he said.

There has been much agitation in both branches for reunification for some time, and the standing commission on the subject has been maintained for several years. It is composed of 32 representatives of each branch, 19 of whom are bishops, five from the north and five from the south.

The northern branch has a membership of 4,000,000, the largest of any Protestant denomination in the country, according to latest reports. The southern claims 1,800,000 members.

GUEST ADMITS SLAYING THREE IN HIS ROOM

Declares Persecution Drove Him to Do It—Shows No Regrets at Deed.

“How tall me,” he said to a reporter, “did you ever go to bed, drop off to sleep and in a few minutes feel a small dagger thrust into you, then another and another until your blood boiled with rage to think of the loathsome pest?”

Bryan Continues Crusade Against Darwinianism In Public Schools In South

ATLANTA, GA., July 24.—Organization of southern legislatures against the menace, as he sees it, of the teachings of Darwinism, agnosticism, and atheism in public education, apparently is the present undertaking of Wm. J. Bryan. In the past several months Mr. Bryan has visited virtually every general assembly in the south and asked the legislature to go on record as opposed to the teachings of such doctrines. So far as is known he has met with more than fair success.

LEGIONAIRES WILL ASSEMBLE HERE EN ROUTE STATE MEET

Wichita Falls will be a concentration point for legionnaires in this section of Texas and southern Oklahoma Monday, August 27, as former service men en route to the state convention of the American Legion at Galveston, August 28, 29 and 30, will assemble here en route to the island city, it was announced Tuesday by Sam Beattie, commander of Post Carrigan Post.

TEMPORARY ORDER RESTRAINING MARRS HAS BEEN LIFTED

SAN ANTONIO, July 24.—S. M. N. Marrs, state superintendent of public instruction, was said by attorneys to be free to determine his course of action regarding review textbook regulations as a result of Federal Judge Duval West declaring here yesterday that the American Book Company's petition attempting to prove the existence of a contract between the company and the state superintendent was insufficient in point of law. The temporary injunction granted the company and restraining Superintendent Marrs from authorizing the use of old textbooks expired with the hearing for a permanent injunction yesterday.

7 ESCAPED: CRIMINAL INSANE STILL AT LARGE

CHESTER, Ill., July 24.—Twenty-three of the forty-one prisoners who escaped from the Illinois state hospital for the criminal insane were captured here today. Seven captured, seven still being at large today.

Forty Teams Are At Work Grading Northside Canal

By the end of the present week the hydraulic fill at the storage dam of the Wichita irrigation project will be completed, it was announced Tuesday by R. A. Thompson, chief engineer and general manager.

WAR PROFITS WILL BE EMBARRASSING FORD'S CANDIDACY

DETROIT MANUFACTURER HAS FAILED TO KEEP PROMISES OF CAMPAIGN.

HAS NOT RETURNED WAR CONTRACT PROFITS

Opponents Have Copy of Pamphlet Of Which Ford Made This Promise.

BY CHAS. N. HAYDEN.
Washington Correspondent Wichita Daily Times.

WASHINGTON, D. C., July 24.—The question of profits on war contracts is destined to be one of the embarrassing issues which advocates of Henry Ford will have to face in advancing his claims for a presidential nomination. It is known that opponents of the Detroit billionaire intend to demand what became of these profits, estimated at not less than \$100,000,000, and which it was publicly announced would be returned to the government.

In 1918, when Ford was the Democratic nominee for U. S. Senator in Michigan against Truman H. Newberry, his managers pledged return to the government of every penny made on war contracts. Although nearly five years have elapsed since the armistice was signed so far as known not a dollar of the hundreds of millions collected by the Ford Motor Company on supplies, cars and Eagle boats sold the government has been refunded.

Of course, it is admitted, there is no legal obligation that this be done but opponents of Ford have obtained a copy of a pamphlet circulated by the Ford organization during the Michigan campaign. This is declared to have been drafted by E. G. Leibold, Ford's secretary, and Alfred Locking, his attorney. On page ten of the pamphlet appears the following:

"Notwithstanding all this great list of achievements, to the guiding genius of which the government could well afford to pay millions upon millions, Mr. Ford from the very beginning of his war work declared to the government that he would not accept one dollar of profit on his war work for himself individually. He was advised that his company must accept the contracts upon the same terms as others, which involved a moderate profit of about ten per cent, but

he declared from the beginning and has repeatedly stated in writing and verbally to the government that whatever his share of the profits may be when computed will be returned to the United States government. 'He will not accept a dollar of profit upon war work.'"

The last sentence was printed in italics to give it emphasis. Confirmation of the foregoing determination is contained in a statement made by E. G. Phipps, Detroit newspaperman and first editor of the Dearborn Independent, Ford's newspaper, in contained in account of an interview with the automobile manufacturer, who is quoted as saying:

"I own 88 per cent of the stock of the Ford Motor Company. The government lets contracts only on one basis, the cost of production, plus a profit of 10 per cent. Jim Coussage and John and Horace Dodge and other stockholders who own the other 12 per cent of the Ford Motor Company stock want the profit on their share of the war contracts. The only thing to do is to have it all figured out. I am going to find exactly to a penny what my share of the profit is, and I am going to return every last cent of my profit to the government."

"Why taking profits on war materials is taking blood money, I don't want any of it. You can't tell anybody and everybody that I am going to return it all."

Now as an indication of what war contracts did for the Ford Motor Company, it is pointed out that between August, 1917, and August, 1918, its assets jumped from \$162,975,968 to \$232,998,121. Another index is shown in the company's profits during 1917 and 1918. In 1917, the first year of the war, they were \$131,809,956 while the year following they were \$174,541,128. Figures are not available for 1919 but as this was the time when the government made final payments on war contracts it is conservatively estimated that it could scarcely be less than forty million dollars.

OSTENSIBLE TRAVELER AN ESCAPED CONVICT

NEWTON, N. C., July 24.—Well dressed and prosperous in appearance and claiming to have traveled all over the world, Dan Brinkley was arrested at Claremont, near Newton, today as an escaped convict. He escaped 22 years ago from the North Carolina penitentiary where he was serving a ten year term for robbery. He admitted his identity to officers and will be taken at once to the penitentiary at Raleigh.

CINCINNATI ARTIST DIES FROM PNEUMONIA

CINCINNATI, July 24.—Rudolph Tachube Sr., 68, for many years a prominent Cincinnati artist, died at his home here last night after an illness of only four days. His death was caused by double pneumonia.

LIONS AT ELECTRA MAKING CITY MORE ATTRACTIVE PLACE

ELECTRA, TEXAS, July 24.—The local Lions club has practically completed the work of parking a large tract of ground at the municipal lake, and is now working to get the cooperation of railroad officials in beautifying the Denver reservation in the heart of Electra. A large grove of willow trees gave a nucleus at the city lake for an attractive park. These were thinned out, weeds and grass were cut and walks laid out. The planting of shrubbery, grass and flowers will next be taken up.

ELECTRA ROTARIANS WILL PUT ON PROGRAM FOR WICHITA FALLS CLUB

ELECTRA, TEXAS, July 23.—Electra Rotarians will go in a body to Wichita Falls Thursday, when they will have charge of the program. Wichita Falls recently put on a special program here and also at Burkburnett. Buford O. Brown is in charge of the program. J. A. Drannen is chairman of the local organization.

WEST TEXAS C. OF C. IS PLEASED OVER VICTORY IN GRAIN RATE CASE

STAMFORD, TEXAS, July 24.—The officials of the West Texas Chamber of Commerce feel elated over the victory won at Washington in the long contest for the reduction of grain rates between West Texas and the Southeastern States. In 1920 the West Texas Chamber of Commerce and the Texas Grain Dealers' Association arranged a fund of \$1,000 for the purpose of conducting a contest to equalize the freight rates as between West Texas points and Oklahoma, Kansas, Nebraska and Dakota points to points in Alabama, Mississippi, Georgia, Florida, North Carolina and South Carolina. Ed P. Byars, traffic manager of the Fort Worth freight bureau, was selected to handle the contest. The victory won will result in a largely increased business in the sale of the grain-sorghum and other grain products between West Texas and the Southeastern states. President Spencer of the West Texas Chamber today wrote a special letter of congratulation to Ed Byars.

Girl Reserves Having Wonderful Time at Prescott Farm Camp

The Y. W. Girl Reserves, something over a score of them, are having a wonderful time at their camp at Prescott farm, according to reports brought home by visitors Sunday afternoon.

The girls went out with their several chaperones, early Monday morning, carrying provisions, tents, bedding, etc. for the week's stay. Most of Monday was spent straightening out and pitching camp, with a trip or two in the big Magnolia pool during the day. Meals were cooked by a camp cook, and were apparently eminently satisfactory.

Miss Durnell of the Y. W. Miss Lillian Pain and Miss Lucia Tucker are with the camp, with two Boy Scouts for guards.

Personal Mention

Miss Vera Cain returned home this week from Dallas, where she spent the past week or two.

Miss Fay Rhine is in Denton to spend the remainder of the summer. Mrs. R. H. Rhine, her mother, is in Colorado Springs.

Mrs. J. H. Taylor and sons, Roy Lee and Robert, and little daughter, Geneva, left Saturday in their Cadillac for Colorado Springs for the remainder of the summer.

Mrs. Mary B. Adams and little daughter, Jane, leave Wednesday for Houston to spend the summer.

Mrs. J. E. Carter returned home to Jernyn Sunday after spending a week at the bedside of her daughter, Mrs. D. B. King, who has been seriously ill.

Mr. and Mrs. W. H. Jellison and son, J. L., of Orange, who have been visiting Mrs. Jellison's brothers, W. J. and J. R. Burr, and families, left Monday for Kansas City on an overland trip.

Mr. and Mrs. H. L. Boggs of Houston, who visited Mrs. Boggs' sister, Mrs. C. B. Clements, and family, have returned home.

Miss Leona Maricle leaves Wednesday morning for Denton, Texas, on business connected with the Desdalian Annual of the College of Industrial Arts, of which she was recently elected editor-in-chief for '33-'34.

FLORAL HEIGHTS BAPTIST CHURCH WITH MRS. DAVIS

Mission circles one of the Floral Heights Baptist Church met with Mrs. E. J. Davis Monday afternoon in study and business session.

The meeting opened with a song, and prayer led by Mrs. J. D. Beagle. Mrs. F. R. Riley made a talk on the effects plan from the W. M. U. Manual of Methods. During the business session the circle planned special to be held Thursday week at the home of Mrs. H. N. Lumpkin.

The members present included Mesdames D. M. Willis, H. A. Over, J. S. Williams, J. B. Alfred, J. W. Lovin, J. D. Beagle, E. M. Fry, E. J. Davis, F. M. Copeland, H. N. Lumpkin, J. S. Whitley, J. C. Bell, F. R. Riley and J. H. Nutson.

12 HOUR BRIDGE CLUB MEETS WITH MRS. PARKER

Mrs. R. B. Parker will be hostess to the 12 Hour Bridge Club at Lake Wichita Wednesday afternoon from 1:30 until 4:30.

Children's frocks reflect the general kindly feeling toward quilts. Some of the finest skirts are quite covered with them.

GIRLS! LEMONS BLEACH OUT TAN AND FRECKLES

Mix the juice of two lemons with three ounces of Orchard White, which any drugstore will supply for a few cents, shake well in a bottle, and you have a whole quart-pan of the most wonderful freckle and tan cream, and complexion beautifier.

Massage this sweetly fragrant lemon cream into the face, neck, arms and hands each day and see how freckles and blemishes naturally bleach right out and how refreshingly clear, soft and rosy-white the skin becomes.—adv.

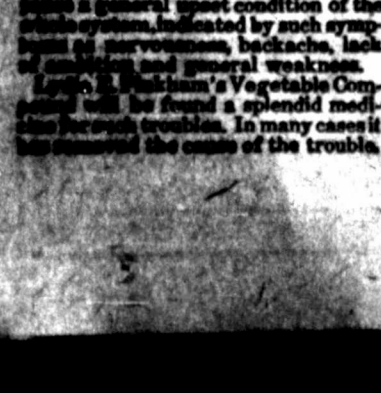

LOST SLEEP FROM PIMPLES
On Face, Neck and Arms. Cuticura Healed.

"My trouble began with small pimples that broke out on my face, neck and arms. They were hard and red and the skin was sore and inflamed. Later the pimples came to a head and formed small, sore eruptions that itched so badly that I could hardly keep from scratching. The eruptions ceased, but I lost a great deal of sleep. The trouble lasted five or six months before I sent for a free sample of Cuticura Soap and Ointment. I purchased more and now I am healed." (Signed) Miss Charles Harper, Brownsville, Texas.

Use Cuticura for every-day toilet purposes. Bathe with Soap, soothe with Ointment, dust with Talcum.

Sample Free by Mail. Address: "Cuticura Laboratories," P.O. Box 1024, Portland, Maine.

SERIOUS AUTOMOBILE ACCIDENT

Young Society Matrons Edith Hart, One Perhaps Fatally

Mrs. John Alden Prescott and Mrs. Harry Ellington were picked up unconscious about four miles out of the city on the Post Road at 10 o'clock this morning.

When found the car was overturned and Mrs. Prescott was vantaged under it. She is very badly, perhaps fatally, injured.

Both the Mrs. Ellington was rushed by Stanley Roberts to the Flower Hospital a few moments after he found them.

Mrs. Ellington regained consciousness in about an hour. She said they were motoring at a moderate speed for pleasure when something broke and Mrs. Prescott lost control of the car.

Both women were paralyzed with fright and neither had time to say anything reported by Ellington before the car catapulted down a slight embankment and into telegraph pole.

Mrs. Ellington knew nothing more until she awoke in the Flower Hospital. Mrs. Prescott has not yet recovered consciousness.

Both women are among the most popular in the smart set of Albany. Mrs. Prescott came here a bride a few months ago and she has already made many friends.

FRIDAY CALLS ATTENTION TO TEMPERATURE REPORTS

Editor The Times:

In my opinion much harm is being done Wichita Falls by the publication of temperature records, which I understand are taken from a thermometer at the Allen Company store. This thermometer is located under an awning and is exposed to the glare and heat from the side walk and is not of standard make. I am advised by Mr. R. A. Thompson that he has checked this thermometer several times recently and that it registers from 1 to 2 degrees above the true temperature taken in accordance with the government regulations.

A few days ago I invited an acquaintance from Galveston to come to Wichita Falls to see a visit and in reply, he cut out and sent me a clipping, which reads as follows:

"Mercury Bubbles Over the Top."

"By Associated Press."

"Wichita Falls, Texas, July 14.—Thermometers aren't graduated high enough in Wichita Falls. Last year the highest temperature reached was 112. August is the hottest month here—and Wichita Falls wonders what will come next."

I understand that the standard regulations for correct temperature requires that the thermometer must be located in a shady place—not exposed to the sun or glare or reflection from the streets; that most of them are installed in places surrounded by grass and properly shaded against the sun or direct contact with concrete that is exposed to the sun.

Mr. Thompson told me a few days ago that if the newspapers and others in Wichita Falls were interested in buying and installing an accurate thermometer, that he would be glad to buy it for them at a special price which he is able to get from some of the instrument houses.

It does the town no good—to the contrary, it does it harm, for the people to think that the papers are publishing very much higher than they really are.

I shall be glad for you to publish this letter in order that the people may know that the temperatures heretofore published have been unreasonable and inaccurate and I hope you will take steps to prevent a repetition of this. We most all have a breeze, which makes a temperature of 100 in Wichita Falls far more agreeable than a temperature of 85 in New Orleans or Houston, or a temperature of 85 in Dallas or Fort Worth. Our nights are most always cool and pleasant and when everything is taken into consideration, there are but few places that have a year-round climate better than Wichita Falls.

Yours very truly,

WALTER M. FRIDAY.

SPECIAL VENIRE MEMBERS DO NOT HAVE TO REPORT

Members of the special venire who were summoned to report to the 10th district court Thursday morning in the E. J. Allen murder case need not report, according to advice given from the district attorney's office Tuesday afternoon.

Jurors in the county who received a notice to report at that time are hereby notified, at the request of the district attorney, that they need not appear, as it is impossible to get to the case by that time, two other cases preceding it.

The jurors are excused for the term.

(Toilet Tip)

A safe, certain method for ridding the skin of ugly, hairy growths is as follows: Mix a paste with soft powdered detelone and water, apply to hairy surface about 3 minutes, then rub on wash the skin and the hairs are gone. This is entirely harmless and seldom requires repeating, but to avoid disappointment it is advisable to see that you get genuine detelone. Mix fresh as wanted.—adv.

JURY COMMISSION FOR DECEMBER IS CHOSEN TUESDAY

Judge H. R. Wilton of the 10th district court Tuesday selected members of the jury commission which will select members for the grand jury for the December term of court.

The commission, which is composed of J. D. Avis of Wichita Falls, Frank Boyd of Iowa Park and R. H. Henry of Burkburnett, will meet Wednesday morning, at which time the jurors will be chosen and their names placed in an envelope and sealed.

The envelope will be broken three weeks before the opening of the December term of court and the members selected notified to report on the opening date of the new term of court.

—TIMES DOLLAR DAY THURSDAY—

General Drop In Temperature For Wichita Section

During the past few days the temperature generally over the entire surrounding territory seems to have dropped several points, due to the southwest wind that has been blowing. Monday afternoon the mercury barely reached the century mark on the thermometer at Art's jewelry store, while the temperature fell to 84 degrees early Tuesday morning as a minimum.

The cool wind, coming as it did when it was needed most, is doing wonders toward making the summer days comfortable. Conditions over the district are the same, calm and fair, with a very slight drop in temperature. No rains were reported as having fallen Monday night or Tuesday morning.

RUMORED FIRPO AND DEMPSEY AGREE TERMS FOR FIGHT

NEW YORK, July 24 (AP)—Promoter Tex Rickard conferred today with Jack Kearns, manager of Champion Jack Dempsey, and Luis Angel Firpo, South American heavyweight, and then made it known that he would make a definite statement at 3:30 p. m. tomorrow regarding the proposed match.

Gossip at Madison Square Garden where the conference was held, had it that Rickard had reached an agreement with the boxers regarding terms. Indications were that Rickard planned to hold the bout in or near New York about Labor Day.

Firpo had proposed Buenos Aires as the scene of the battle and Rickard at first was inclined to favor the suggestion but today it was rumored around the garden that the promoter had definitely ruled out the Argentine.

AUTO MARATHON GRINDS ON AT GALVESTON

HOUSTON, July 24.—Three of the original 13 drivers who started at 8 o'clock Friday night remained this morning in the competitive auto marathon now in progress at the Gulf Coast speedway near here.

Mrs. Mabel Lowe, the only woman entered, is still in the running.

Make your salad dressing with Mrs. Tucker's Shortening

EVERY woman knows the convenience of always having mayonnaise ready to serve. It enables you to fix up a delightful salad of fruit or left-over vegetables in just a moment's notice.

And mayonnaise made with Mrs. Tucker's Shortening is very inexpensive and wonderfully good. It is easy to make. Simply melt the shortening and while still warm, pour two cups spoon mustard, salt, one teaspoon lemon-juice or vinegar and a pinch of paprika or cayenne pepper. Chill on ice for thirty minutes. This will give you a delicious salad dressing.

Mrs. Tucker's Shortening is ideal for all shortening purposes. Use it in both cooking and baking, and notice the improvement!

Be sure to get the blue pail with Mrs. Tucker's picture on it. Mrs. Tucker's is a southern product.

Mrs. Tucker's Shortening

Made exclusively of choice Cotton Seed Oil. The South's own cooking fat.

THEATRE AND TAILOR SHOP BURN AT OZONA

SAN ANGELO, July 24.—Fire of undetermined origin last night destroyed the Majestic Theatre and George Baker's tailorshop at Ozona, Crockett county, 52 miles southwest of here, according to reports received here today. The loss was estimated at \$15,000.

FINLEY WILDCAT OPENS NEW AREA SOUTH OF ELECTRA

Coring into a sand five feet, the top of which was picked up at 1730 feet and has indications of making a 50-barrel well, the test of D. T. Finley, located in section 19 of the George Ansel land, block 2, H. & T. C. R. survey, just across the Wilbarger county line, promises the opening up of an entirely new section of land comprising thousands of wildcat acreage in the southwest corner of Wichita and in the southeast part of Wilbarger county. The well is about seven miles due south of the south Electra producing area, the nearest production being the wells on the Waggoner tract, seven miles to the north.

Gulf No. 2 Near Henrietta Looks Like a Producer

After a quiet period of about six weeks, in which very little activity has been shown in the Clay county field, interest is again centered on the progress being made by the Gulf Production Company in their No. 2 well on the Wortham tract near Henrietta. The well is located one and one-quarter miles north of that company's discovery well and is rapidly drilling toward the level from which No. 1 that is still producing 184 barrels daily, receives its production. No. 2 is now down to a depth of 445 feet, after setting the 4 1/2 casing at 3420 feet with a reduced hole, and the next 24 to 48 hours may find another producer in this part of the country.

OIL OPERATIONS IN GRANDFIELD SECTION

GRANDFIELD, OKLA., July 24.—The Okla. Tex. drilling on the Goehler farm, midway between the Burk Senator and the Testerman well, reported a depth of 1500 feet Thursday evening. They were rotating slowly so as not to pass up an oil sand. The derrick for Revenue 2 is being erected. This drilling operation will be under the supervision of M. R. Stepes. Mr. Stepes is the man who brought in the Swastika well in Archer field. J. J. Tipton, president of the Fort Auger Oil Company, has secured the services of a Mr. Scott, who is an expert tool fisher. Mr. Scott took charge of the work at well Monday, July 23, and will endeavor to re-engage a string of tools now lodged in the hole. The well is reported to be 2700 feet deep and is showing gas that will ignite. Mr. Tipton believes if the well can be saved it will be the biggest producer in this section.

DRILLING REPORT TEXAS PANHANDLE

AMARILLO, TEXAS, July 24.—Many new drilling operations are under way throughout the Panhandle counties, as will be shown by the following drilling and production report by counties. Potter county: Producers and Refiners Corporation No. 1 Bivens, section 26, block 8, B. S. & P. building street, P. & R. No. 1 Masterson (Little pool) drilling deeper to increase gas production. Four new locations are expected to be announced by P. & R. once. Hutchinson county: Whittington No. 1 Sanford, section 22, block 46, storage full and complete at 2140 feet at 1000-barrel well and shut down for pipe line. Plains No. 1 Weatherly, section 17, block Y, erecting storage to test and 40 gravity. Humphreys No. 1 Johnson, section 14, block 47, driving 500 feet and drilling at 1905 feet. R. G. Barnum No. 1 Johnson, section 27, block Y, driving 29-inch surface casing, all pipe on hands to complete the well to usual pay depth. Whitaker-Newbold Oil Corporation No. 1 Johnson, section 14, block X02, location, moving tools. J. C. O'Guinn No. 1 Whittenburg, section 78, block 46, rigging. Emerald No. 1, section 16, block 47, driving surface casing through quicksand.

Carson county: Texas No. 2 Burnett, section 22, block 5, setting 4 1/2 to liner to complete around 2,050 feet, hole half full of fluid. Gulf No. 2 Burnett, section 114, block 5, setting 8-inch pipe at 2875 to shut in 50 million feet of gas, logging identically with their No. 2 producer. The well is located one and one-quarter miles north of that company's discovery well and is rapidly drilling toward the level from which No. 1 that is still producing 184 barrels daily, receives its production. No. 2 is now down to a depth of 445 feet, after setting the 4 1/2 casing at 3420 feet with a reduced hole, and the next 24 to 48 hours may find another producer in this part of the country.

USES PISTOL FOR FIRE ALARM, WOUNDS WIFE

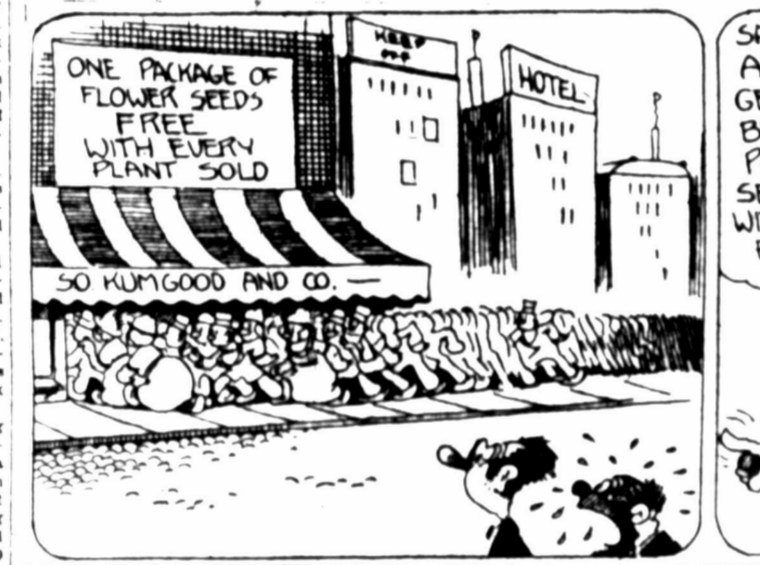

MEXIA, TEXAS, July 24.—E. Sberstein, a local merchant, fired a pistol outside his home early today to attract attention to a fire nearby. He thought he had fired every cartridge and after returning to the room he and his wife occupied, one cartridge, which had not been discharged, exploded. The bullet struck Mrs. Sberstein, wounding her seriously.

TWO MORE WICHITA SAFES ARE RIFLED MONDAY; LOSS SMALL

Two more office safes were burst open in Wichita Falls Monday night, but in one attempt the burglars failed, while in the other between \$150 and \$200 was taken away with them. The plants of the Magnolia Petroleum Company, located at the north end of Indiana avenue, was entered by forcing open a rear window. The safe door was cracked open and the contents rifled. Although no figures were available at a late hour Tuesday afternoon, officials stated that the loss would be more than \$150 but less than \$200. An auditor is at work checking accounts in order to determine the exact loss. A drawer in one of the office desks was also burst open and hundreds of invoices scattered over the floor. There was no money in the drawer. The discovery of the robbery was made early Tuesday morning, when the plant was opened for business. At about the same time the robbery was discovered there, the manager of the Coca Cola Bottling Works reported that his safe had also been burglarized.

The outer door gave way under the battering ram used, but the inner door proved to possess too great a resisting ability and the burglars gave it up for a bad job. Within the second set of safe doors over \$1,000 in currency was stored. The cash drawer in one of the desks was broken open and the robbers were rewarded with approximately \$8 in change. A. M. Beidenhorst, manager of the Coca Cola Bottling Works, stated late Tuesday afternoon that all efforts to open the inner doors of his safe were futile and that it would require a safe expert to open them for him. The same methods that were employed in opening the Gas company safe two months ago and that of the Morgan Feed Store on Sixth street last week were used in opening the outer doors of the two safes robbed Monday night. Officers who were called to investigate the cases are confident that the same parties who were interested in the two affairs Monday night had a hand in the two preceding ones. The combination dial in each case Monday night was battered off and punches and crowbars used to destroy the tumblers, which are hidden between the two steel sheets of the massive door. With the tumblers ruined the bolts were forced back.

CLAN OFFICIALS SENTENCED TO JAIL FOR CONTEMPT COURT

DURANT, OKLA., July 24.—J. D. Stephenson and E. M. Blanton, alleged local officers of the Ku Klux Klan, were sentenced to thirty days in jail and fined \$50 each by District Judge Porter Newman yesterday on a charge of direct contempt of court for refusal to produce Klan records as ordered by the district court grand jury. They will appeal the case to the state supreme court. It was announced.

COLORADO PRESENTS ITS ADVANTAGES

dred thousand dollars intersecting the Glacier to Gulf and Bankhead highways, a recently installed modern sewer system and many other advantages. The locating board was met at Stanton by a committee from Big Spring with their cars to take the locators on to Big Spring. W. W. Rix, president of the chamber of commerce headed the committee. The business session of the conference was held in the Masonic hall where Big Spring numerous advantages were described in detail. Following the conference the board was taken for a drive along the scenic highway and just after dusk they sat down to a chicken dinner on the heights overlooking the city and a vast stretch of country. The big water reservoir one hundred and eighty feet higher than the city was inspected after dinner. The board will spend the night here and leave at 8 o'clock tomorrow morning for Colorado, traveling in the private car of A. C. Fistic, division superintendent of the Texas and Pacific Railway.

DEATHS

C. H. Reed, aged 38, died at Lake Wichita at 5 o'clock Tuesday morning. Mr. Reed, a resident of Fort Worth, had been prominent in Masonic work. The body will be sent to Fort Worth by Merkle-Lunn Undertaking Company for burial, accompanied by a brother of the deceased, who arrived from Fort Worth Tuesday. (Lansdowne Flight Co. Don't fool your stomach. Eight for a quarter. Evening Speedway and Brook.)

BANKERS WORKING ORDERLY MARKETING PLAN FOR COTTON

DALLAS, July 24.—Fifty Texas bankers and business men meeting here today were working out a plan for the orderly marketing of the fall cotton crop in Texas through the substitution of a crop mortgage note for a warehouse receipt against the actual cotton which will be eligible for redemtion with the federal reserve bank. Six bankers from various cotton producing areas of the state were appointed as a committee to draw up a statement urging the orderly marketing of the fall cotton crop and suggesting methods for cooperation between the banks and the growers. The meeting was called by R. A. McKinney, governor of the Dallas federal reserve bank. The committee, composed of Lynn P. Talley, federal reserve agent, F. M. Law, Houston; Gus F. Taylor, Tyler; W. W. Woodson, Waco; W. T. Ridley, Fort Worth; and W. M. Williams, Hillsboro, will incorporate in the resolution a method for cooperation on the part of country banks, banks in the larger centers and the federal reserve bank for financing the crop. Another committee was appointed to confer with warehouse men and compress companies regarding the issuance of protective warehouse receipts.

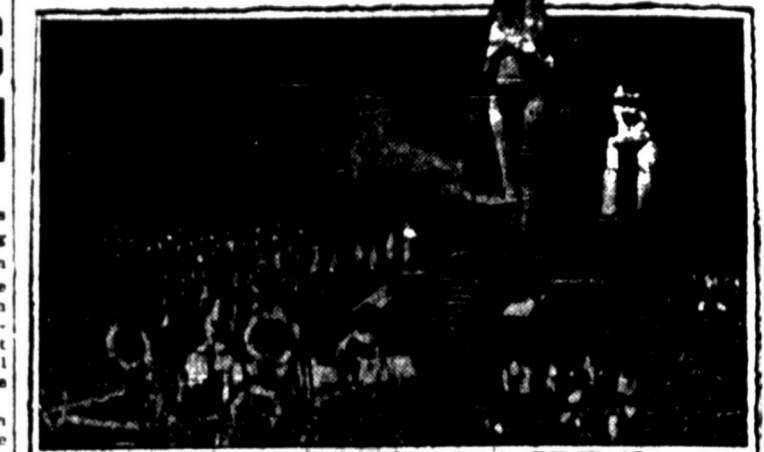

STATE MEETING OF FORD SUPPORTERS ON AUGUST 14TH

WACO, TEXAS, July 24.—A statewide meeting of those who favor the candidacy of Henry Ford for president will be held at Fort Worth August 13, according to announcement today by Clyde Essex, who announced some time ago that he had been made state chairman of the Ford forces. Mr. Essex made the positive statement in issuing the call for the meeting that Ford would be a candidate for the presidency. (Times Dollar Day Thursday)

GEN. CHRISTMAS PLANS OIL EXPEDITION

NEW ORLEANS, July 24.—General Lee Christmas, around whom Richard Harding Davis wrote his classic "chick" story of "The Exploitation of Fortune" is through with Latin American revolutions but plans an invasion of Guatemala in the form of an expedition to hunt the elusive oil. He is in a hospital here recuperating from tropical fever which overtook him 11 months ago after seven years of successful evasion. He anticipates leaving within a few days and then shortly after start his conquest.

TO JURORS HAVE BEEN SELECTED IN LUECKE CASE

At 3 o'clock Tuesday afternoon 12 jurors had been accepted and sworn in to try the case against A. Luecke, charged with a statutory offense. It was evident that the entire jury would be chosen before the close of the afternoon session and that the examination of witnesses would begin Wednesday morning.

HUNGARIAN PREMIER CHALLENGES COLONEL TO FIGHT A DUEL

BUDAPEST, July 23.—Premier Bethlen has challenged Colonel Frenay to a duel. Count Bethlen has publicly declared the premier "never keeps his word of honor."

The statement was made in the course of a speech at Keosaukee in which Col. Frenay attacked police orders inspired by Count Bethlen, chief of the awakening Magyar, has been opposing the premier's attempt to recognize the international dissenters and negotiate the neighboring states.

"LET US ALONE" TO BE SLOGAN OF RAILROADS

TOPEKA, Kan., July 24.—Attorneys and traffic experts of the Santa Fe railroad today want the Kansas City streetcar officials in Oklahoma, Texas and eastern lines. The purpose of the meeting, officials said, was to discuss a "let us alone" campaign on behalf of the railroads. This move conforms with the suggestion in President Hoover's annual report that all the rail lines desire at this time is to be "left alone" and work out their own salvation.

TURKEY CONTRACTS FOR AMERICAN MACHINERY

NEW YORK, July 24.—A contract to supply American agricultural machinery and to introduce modern agricultural developments in Turkey has been signed by the Turkish government and the Otisome-American development company, owner of the "Chester concessions" the company announced today.

—TIMES DOLLAR DAY THURSDAY—

SOLUTION FOR LAGOON SUGGESTED TO COUNCIL

A possible solution for the lagoon situation on Monroe street, of which the city council has heard much during the past five weeks, was suggested to the council Monday night. The suggested remedy to relieve the neighborhood of the unpleasant water pond was to lower the pavement on Monroe street and

permit the lowland to drain off in this manner. It was stated that this would be more economical than constructing a number of outlets for the pool.

—TIMES DOLLAR DAY THURSDAY—

SHEPHERD CITY ATTORNEY WRITES ON GAS FIGHT. A letter to Mayor Frank Collier from City Attorney Abner, of Shepherd, was read to the city council in session Monday evening.

—TIMES DOLLAR DAY THURSDAY—

meeting have been much appreciated. No more enthusiastic advocates of the teachings of Jesus Christ has been listened to in this section, and his method and delivery has been the talk of this community.
