THURSDAY NIGHT

Annual Meeting Set For Credit Union

The school's drug awareness laboratory which is the recommended approach to the field of drug education for the present school year, was held yesterday for students in grades eight through 12.

The next phase of the educational program will be held next Thursday, January 21, and this will involve the parents and other interested adults.

We have heard much discussion concerning the program, and almost invariably, the question gets around to "Are the parents going to be involved?"

The answer to that question is "Yes!" This will be the situation on January 28 when the final phase of the program is held at Friona High School.

We commend the local leaders and student leaders who took part in the drug education laboratory.

Some 15 members of the community, along with 48 student leaders from the four classes were chosen. They first underwent an orientation on Monday night, with professional guidance as to their roles in the laboratory.

Professionals in the field of drug education were on hand at yesterday's drug awareness lab, assisting these volunteers in carrying out the laboratory.

In many ways, the success of the entire program lies in the parents' participation, through the "community action" portion of the laboratory, scheduled next Thursday night.

All parents and other interested adults are urged to make plans now to attend this seminar.

It might be the most important meeting you ever attended.

The annual meeting of the Friona, Texas, Federal Credit Union will be held Thursday night, January 21. A chili supper will be the feature, beginning at 7:30 at the Friona Junior High School Cafeteria.

Lloyd Lovell of Lubbock, federal examiner with the National Credit Union Administration, will be the featured speaker.

The membership of the Credit Union will elect three board members and one member to its credit committee.

Board members with terms expiring are Geneva Williams, secretary-treasurer; Edward White and Dale Houlette. Holdover members of the board are M. Ray Landrum, president; Bill Teel, vice president; Richard Collard and C. C. Scales.

Leonard Coffey's term is expiring on the credit committee. Other members of the committee are Ralph Roden and Alvin Gaines.

Recently the credit union has paid 4.8 per cent dividend on savings invested by its members, amounting to \$13,945.62. It also was announced that members having loans were to receive a five per cent refund on interest paid during the year.

During the past year, the Credit Union's statement reflected growth in shares from \$289,359.60 to \$351,484.38. During that same period, total assets increased from \$336,198.77 to \$430,947.46.

Also during 1970, the Friona, Texas, Federal Credit Union's territory was expanded to include all of Parmer County. A total of 122 new members were added during the year, bringing the membership to 953 as of December 31.

Banquet Tabs Go On Sale

Tickets to the Friona Chamber of Commerce and Agriculture's annual banquet, scheduled for February 4, went on sale this week.

Tickets for the banquet are priced at \$4.00 each, and are available from any of the members of the Chamber's past and newly-elected board members.

Dr. Reagan Brown, who is with the Extension Service at College Station, will be the speaker.

DUCKS A-PLenty. . . The duck migration was in full swing at the twin lakes west of Friona one day this week. Both lakes were completely covered with ducks. At the stopping of the photographer's car, many of the ducks took flight, as seen, leaving an exposed portion of water in the foreground. (Photo by Carol Ellis)

Ralph Shirley Shirley To Head C-C

Ralph Shirley was elected to head the Friona Chamber of Commerce and Agriculture for 1971 at a re-organizational meeting of board members last Thursday morning.

Named vice-president of the group was Wendell Gresham, and Ray Murpree was elected secretary-treasurer.

Gresham and Murpree were among the five newcomers to the board. Others were Ron Davenport, Glenn E. Reeve Jr. and H.K. Kendrick.

Holdover members of the board, in addition to Shirley, are Marc Houser, Dr. Jon Mack Roden and Carl Schlenker.

Those directors whose terms expire are Steve Messenger, president; Clarence Martin, Dale Smith, W.D. Buske and Doyle Elliott. Messenger remains on the board as an ex-officio member for the coming year.

Messenger, the retiring president, complimented the work of the 1970 board, for their good attendance of meetings and their cooperation.

He voiced a desire to see a change made in the Chamber's board which currently sees five directors elected one year and four the next, whereby there is a complete turnover every two years.

"It would be much better to have this divided by three, so that a third of your board would be elected each year. The new board will have to decide upon the mechanics, should the change be made," Messenger said.

CERTIFICATE GIVEN. . . Geneva Williams is shown presenting the charter from the National Credit Union Administration, which provides insurance for accounts under the new National Share Insurance Act. Ray Landrum, president, is seated. Standing are Dale Houlette, Charles Scales, Bill Teel and Edward White.

SATURDAY, SUNDAY

MBP Plainview Plant Sets Grand Opening

Missouri Beef Packers will dedicate its second Texas plant at Plainview this weekend, with ceremonies slated for Saturday afternoon, and an open house on Saturday and Sunday.

U.S. Secretary of Agriculture Clifford M. Hardin is scheduled to give the dedication speech. Texas Commissioner of Agriculture, John C. White, also is on the program.

The dedication ceremony and ribbon-cutting will conclude a series of three programs preliminary to introducing the plant to the public. The facility will begin operation in February. MBP's third major beef packing plant will have a capability of processing 10,000 head of cattle in a six-day week, the same as at Friona, where the company made its first expansion in 1967-68.

The Plainview plant is located four miles north of Plainview off U.S. Highway 87.

The dedication ceremony is scheduled at 1:30 p.m. Saturday. State Rep. Ralph Wayne of Plainview will be master of

ceremonies for the dedication. Hale County Judge Henry Heck and Mayor Louis Thomas will appear on the program. Charlie Young, Plainview Chamber of Commerce manager, has charge of program arrangements.

J.C. Walker, Amarillo, president of Missouri Beef Packers, Inc., will introduce the board of directors and company officials.

Charles Bacon of Kansas City, of the MBP board, will introduce Secretary Hardin.

At 10 a.m. on Thursday, the company will be host to members of the news media from throughout the area. On Friday at 10 a.m. MBP will be host to bankers and security analysts from numerous cities across the nation. Both groups will have a tour of the plant followed by lunch at noon.

Missouri Beef Packers is one of the fastest-growing independent companies in the nation, as shown by this second major expansion program within four years.

Receipts Are New Record

Postal receipts continue to set records in Friona, according to figures released this week by Postmaster Wright Williams for the calendar year 1970.

The total receipts for 1970, eclipsing the record established the previous year, were \$69,338.51. This was an increase of \$1,298.34 over the totals for calendar 1969, which came to \$68,040.17.

Biggest quarter of the calendar year was the Christmas quarter, as usual, when receipts totalled \$22,340.41. This was an increase of \$44.20 over the fourth quarter of 1969, which came to \$22,296.21.

Receipts for the last six months of 1970, which is actually the first half of the postal's fiscal year, were a healthy \$39,783.37. This was an increase of \$215.51

TRIPLETS ARRIVE

Three At A Time Is Hospital Motto

"Good things come in threes."

Perhaps that should be adopted as the theme at Parmer County Community Hospital, where last week the second set of triplets were delivered within three years.

Mr. and Mrs. Dale Cunningham's triplets, two identical twin girls, and a boy, arrived shortly after midnight the morning of December 15.

The multiple births came within three minutes of making history another way—having one with a different birthday. Sherry Ann, the smallest girl, was born first at 12:03 a.m. She tipped the scales at four pounds, 12 ounces. Shelly Gail was the second child born at 12:18 a.m. weighing five pounds, four ounces. The boy, Corey Dale, was the last to be born, at 12:54. He weighed in at a husky six pounds, 14 ounces.

Doctors say that the odds for having triplets are something like 50,000 to one. So you can see it's something for the Friona hospital to have recorded their second set of triplets.

Dr. Paul Spring, who was the obstetrician, said it was a big thrill for him. "Many

doctors go through a career and never have an opportunity to deliver triplets," he said. Dr. Robert Alexander, another staff member, delivered the Trevino triplets.

Almost as amazing as the tremendous odds against their being born in the first place was the fact that the Cunningham babies were full-term babies, and required only the regular incubator treatment and nothing more. Often, multiple births happen pre-maturely, and the tiny babies have to have special care for some time.

Multiple births have not been a rarity in the Cunningham family, as Mrs. Cunningham's great aunt had two sets of twins.

The children were the first for the Cunninghams, who have taken the "notoriety" in stride. They had known for some time that there would be triplets, and many people in the community were anxiously expecting, right along with them.

The babies' grandparents are Mr. and Mrs. James W. Cunningham and Mr. and Mrs. Edgar Fletcher, all of Friona. Great-grandparents are Mrs. Susie Cunningham, Friona, and Mr. and Mrs. W.P. Hunt of Clarksville.

AN ARMFUL. . . Mrs. Dale Cunningham proudly poses with her new triplets, which put Friona in the limelight during the past week. The boy, Corey Dale, is at the left, and the twin girls are snuggled at right, getting a nap. It's the second set of triplets for the local hospital within three years. (See Story)

Dress Code Adopted

The Friona school board approved a "dress and appearance" code at its meeting on Monday, which has been the object of student and faculty work for some time.

BOYS

1. Boy's hair length is not to be worn below the eye brow or collar line of a normal dress shirt in a regular standing position. Boy's hair must be tapered or blocked in the back, also trimmed or combed so that the ears are fully exposed.

2. Boy's sideburns may extend to the ear lobe provided they are uniformly blocked and neatly trimmed.

3. Boys will be expected to dress neatly and cleanly at all times: A. Shirtrails designed to be worn in must be worn in at all times. B. Socks must be worn with shoes at all times. 4. No hats will be worn in the building at anytime.

GIRLS

1. Girl's hair should be neat, clean, well groomed, and styled in such a way that the vision will not be obstructed.

2. Dresses must be of such a length to provide that undergarments can be covered at all times.

3. Pant-dresses and culottes may be worn so long as the length is skirt length, and the appearance is of a skirt rather than of shorts.

4. Shirtrails shall be worn in skirts unless the shirtrail is square cut and definitely designed to be worn outside the skirt.

5. Shirtrails may be worn outside slacks so long as they do not exceed the standard length.

BOTH BOYS AND GIRLS
1. Sunshades are not to be worn in the school building unless prescribed by a doctor or the school nurse.

THREE OF A KIND. . . The Trevino triplets, born to Mr. and Mrs. Joe Trevino, will be three years old on February 6. The triplet girls are Maria, Martha and Marguerita. The father is employed by Louis Welch. The mother, by the way, is expecting another multiple birth.

Pause and Reflect

By Nelson Lewis

The Amarillo Daily News of Friday, January 15, carried a piece on the editorial page that heralded a rare commodity--some pleasant news!

Under the heading "Place for Opposition" we were brought up to date on the organization and operation of the World Youth Crusade for Freedom.

Dr. Walter Judd, one of the founders and a member of their Senior American Advisory Council, has said, "WYCF has given anti-Communist youths all over the world something they did not have before: a voice and a plan of action."

Members of this organization have travelled abroad to observe actual living conditions under Communist control. After their return they have lectured on hundreds of campuses.

Through 600 college representatives they have distributed almost four million pieces of literature to 817 colleges.

Thus we learn that hundreds of young people are working to maintain a balance of reason among their peers.

That their efforts are successful is shown by the severe criticism the WYCF has earned in the Soviet press.

By their very existence they prove that the real spirit of America is neither dead nor asleep.

They prove further that our colleges and universities as well as our churches, homes and school systems are capable of turning out products of which no one need be ashamed.

The much maligned establishment may not be perfect, but like democracy, it is still the best that the human race has been able to produce in all its eight thousand years of recorded history.

.....

An encouraging feature of this sort of organization, and one which these dedicated youngsters may not be aware of, is this:--for every one of their generation working within the framework of WYCF there are probably a thousand members of their parents' and grandparents' generation who will labor shoulder to shoulder beside them.

Our nation was not formed and sustained by a group of old men plotting in a "smoke filled room"; not did it come about due to the rantings of radical rabble screaming "Ho Chi Min" and "Burn, Baby, Burn."

The United States of America grew out of a desire to free men from the exact type of shackles that now threaten future re-enslavement.

Its preservation will come from informed citizens of all races and political parties working in the cause of Freedom.

What better leaders could we desire than well educated young men and women?

ANY SUGGESTIONS ?

AN EDITORIAL

Private Enterprise ; Press Go Together

Political and economic liberty live or die together. Stated another way, free enterprise and ownership of property by private citizens is inseparable from representative self-government. A free press depends upon the advertising support of private enterprise. Under the U.S. constitutional form of government, the law is the guardian of both persons and property.

An example of what happens to political liberty when property rights are trampled upon by the state is being starkly demonstrated in Chile, a country that is now rapidly falling under totalitarian Marxist rule. Industry is being nationalized--taken over by government. And foreign investors are becoming wary of putting their money anywhere in Latin America. If private enterprise dies in Chile, so does liberty. The press will soon be nothing more than a sounding board of dictatorship. As U.S. News & World Report states, nationalization of industry is automatically removing political opposition as advertising is cut off and newspapers go into bankruptcy.

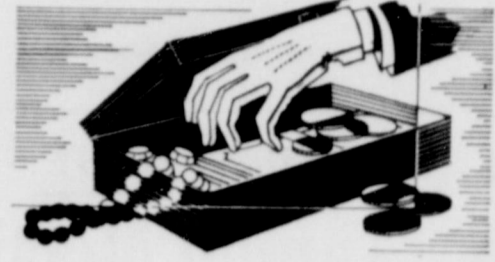

The experience of Chile should show why, as a matter of principle, U.S. citizens should support the institution of private enterprise whether it be the local corner grocery store or a basic industry. Where private enterprise--and a free press--are destroyed, elections become meaningless rituals, and oppression becomes a way of life.

Here's a driving tip from the Portland, Oregon, Traffic Safety Commission: One moment's distraction to light a cigarette, or to shape up the kids in the backseat might be the instant when a traffic emergency comes up. Watch for the unexpected... every second.

"Today oil and natural gas supply about 75 percent of U.S. energy needs, compared with less than 28 percent in 1927," noted the West Texas Utilities Company in their publication, "The Electric Times."

Flashbacks

...from the files of the Friona Star

40 YEARS AGO--JANUARY 16, 1931

Friona is to have a new business enterprise started here February 1. It will be the Friona Home Bakery, and will be located in the Crawford building formerly occupied by the City Drug Store. Sherman B. Goodwin, formerly of this city, has recently operated a bakery in Sudan, and will be the proprietor. Wick's Modern Hatcheries which also has stores in Clovis and Portales, N.M., will open in Friona on January 13. Mr. Jennings is the manager.

35 YEARS AGO--JANUARY 17, 1936

Conway Frost of Friona has been recommended for a varsity football letter at Hardin-Simmons University for the 1935 season, head coach Frank Kimbrough announced. Frost earned his first letter playing at a backfield position.

30 YEARS AGO--JANUARY 17, 1941

Work on the row of tourist camp cottages that has been in progress for the past several weeks, for James P. Wilson on the north side of Highway 33-60, has been practically completed.

Work has been in progress for the past week or longer, on the new filling station building that is being erected by Wright Williams, at the intersection of Highway 33-60 and Main Street, on the south side of the highway and west side of Main Street.

25 YEARS AGO--JANUARY 18, 1946

A 12-inch snowfall broke the winter-long drought here this week. The snow began about the middle of the afternoon on Monday, and continued into the morning on Tuesday. Drifts as high as three feet were common. Traffic was halted in town and on the highways.

Blanton Butane Gas Company has announced plans to open its new office in Friona as soon as space is available.

20 YEARS AGO--JANUARY 18, 1951

Community meetings have been scheduled next week for Farmer, Deaf Smith and Castro county residents desiring service by the West Texas Rural Telephone Cooperative. The government has allocated \$454,000 for the construction of a telephone system in this area.

15 YEARS AGO--JANUARY 20, 1956

Winners in the local March of Dimes talent show last Thursday were Betty Hawkins and Dal Hartnell of Bovina, first; Bobby Shirley, eight years old, Friona, second; and Owen Green, Friona, third. Shirley, accompanied by George Green, Reaford Shirley and Don Green, sang "Satisfied Mind," and Owen Green, accompanied by the same trio, sang "Crewcut and Baby Blue Eyes." She is an eighth grader.

10 YEARS AGO--JANUARY 19, 1961

Serious efforts have been launched and a council has been organized to work toward bringing a foreign exchange student to Friona schools next year. Working through the American Field Service, the council has learned most of the requirements, procedures and expenses involved in bringing a student here from a foreign country.

5 YEARS AGO--JANUARY 20, 1966

Donny Anderson, Texas Tech Red Raider All-American who recently made history by signing with the Green Bay Packers for a reported \$700,000, was the main speaker at the Friona High School athletic banquet last Saturday. Friona Coach Don Light coached Anderson in high school.

LAMBERTVILLE, N.J., BEACON & RECORD: "The government wants to help you shop and tell you what to buy. We're not the least bit certain that the 'truth in lending' and 'truth in packaging' law really helped the consumer, other than to increase the cost of goods. We still believe that the free enterprise system with its proven record of over a hundred years is the best in the end. We don't like to see government-oriented programs that businessmen must follow. Sort of takes the competition out of things."

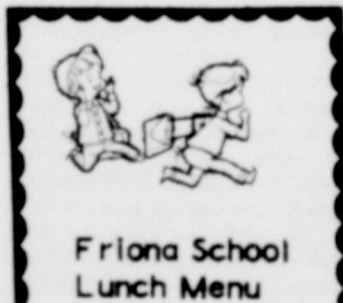

LETTERS TO EDITOR

Dear Bill:
Once again, the Modern Study Club wants to express appreciation to you and your staff for the excellent job you did promoting Project Christmas Card for the new heart monitor.

We feel it was largely due to your efforts that the campaign was so successful!

We would like to thank the community for their support. Frionans always respond to a need! The heart monitor has already been ordered and soon the cardiac center at our hospital will be a reality.

Sincerely,
Deke Kendrick, Chmn.
Community Service Committee

Friona School Lunch Menu

Monday--steak, mashed potatoes, hot rolls-butter, green beans, strawberry shortcake and milk.

Tuesday--tacos, pinto beans, corn bread-butter, lettuce and tomatoes, plum cobbler and milk.

Wednesday--pizza, buttered corn, apple sauce, lettuce and tomato salad, crackers and milk.

Thursday--fried chicken, mashed potatoes, hotrolls-butter, buttered asparagus, chocolate cake and milk.

Friday--hamburgers, French fries, onions, fruit salad, lettuce, tomatoes, pickles, catsup and milk.

Petit Jurors Are Listed

Those summoned as jurors include:

Billie Sifford, E.J. Hodges, Mrs. Wendell Garner, Robert White, T.L. Gleason, O.T. Patterson, James W. Dixon, Leroy Mayfield, Donald Martin McGuire and Fred Curtis.

Also, Mrs. Glenn O. Marsh, Charles W. Sanders, Ralph Shirley, Jose T. Rodriguez, Ralph A. Smith, Gilbert Wemmer, Mrs. G.W. Crain, Owen Broyles, James Procter and John L. Mitchell.

Also, Hubert Elliott, Doyle
(Continued on Page 9)

Sincerely Yours

BY REV. ALBERT LINDLEY

Have you ever really noticed how very easy we take so many things for granted?

For instance--you never really worry about water out of the faucet until one day you turn it on and nothing comes out--the farmer who has had to lower his water well or looked longingly at some waterless clouds, knows what I mean here--you see, we take water for granted.

We could cover many areas here. We didn't have the trouble with a shortage of gas during the recent "cold spell" that some of our northern communities did, but we can know for sure that not getting gas for warmth when it was needed helped them to see how they simply take it for granted when all is going well . . . most of us do.

There are still many other things we could mention. . . the telephone service--the electricity--the various services supplied by city and county--I even take our Police Force for granted--I travel the streets and go to bed with a relatively secure feeling that they have things well in hand--I don't even get upset when I see the "radar" pocket at work on the speed of highway travel, because they are there for our protection--Can you imagine what it would be without these check points? We simply take them all for granted. . .

I do think I should insert here that I have been upset when the "radar" picked me up--and it has--but never yet has it been wrong--I was exceeding the lawful speed limit--but I still have my right to get excited--I suppose it's like yelling at the umpire or the referee and all the time knowing they are right--it's the American way--which again we take for granted. Can you ever imagine what it would be like without all of these things?

What I'm sure you see by now, I think we take so much for granted.

Let me try another idea. It just didn't cross my mind that everything wasn't set up for the Super-Bowl last Sunday. But after the smoke cleared away and some interviews from some of the Baltimore personnel and fans--it became clear that they

were thankful that the "Good Lord" had been with them and had sure helped pull them through. . . you see--my problem came in just taking for granted that the "Good Lord" was on my side, not theirs. . . I really had to do some wrestling with that one. . . I just took for granted that all of the necessary adjustments and assistance had been made and sought out for the game--I didn't know He wasn't a Cowboy fan. . . (I wonder if that means I yelled against the Lord? . . .)

We sure take slot for granted. . . Are you ready for the full load now? Surely you knew that I would end up in this area. . . or is that something you just took for granted? . . .

In the whole scheme of things, in the whole circle of your complete life, in all of your relationships with everyone, and even in all of your decisions about your future, your direction, your hope and concern--in all of this, just where in your world have you put God? Or is it that He simply is lined up with some of the many things you take for granted?

You see--it is my concern that we somehow decide that God is always there--and we are 100% right, so far--but then we simply decide that He will do His "thing" and we don't have to worry--we don't have to respond, we don't have to relate or even seek--and in this, we are wrong.

We cannot simply take Him for granted and fulfill our prospective mission. We cannot take Him for granted and be in proper relationship with Him. We cannot take Him for granted and even be in proper relationship with others, who are our brothers and His children, incidentally.

My good friend, when you take God for granted, you have missed your whole purpose of existence. Now, isn't it a shame to waste yourself, just because of that attitude? Just for the wrong idea?

SOLUTION: Get in contact with "The Man," get in that church you claim, mix it with your friends in sharing your faith and for good-ness sakes, don't take Him for granted!

If there's ever a napkin twisting contest, I want someone to be sure to nominate a Friona resident. It would be difficult if we had more than one candidate in the contest.

A recent invitation for the local Chamber of Commerce and Agriculture to have a float in the inaugural parade in Austin Tuesday resulted in a community wide effort. Members of the Junior class were asked to re-build the float which won first place in our Maize Days parade last fall.

After a decision was made to enlarge the float, it was immediately evident that a lot of work would have to be done in a short time. The J.C. Becks volunteered their two car garage as a workshop. Then class members, fathers, mothers, friends and grandparents were called upon to help.

Some of the older persons who have a lot of napkin twisting ability are Mr. and Mrs. Jack Brown, Mrs. Hattie Snead, Mrs. Aubrey Baize and Mrs. Arma Coffman. These five people twisted a lot of napkins.

Then Girl Scout Troop 244 got into the act one afternoon. Fourteen or fifteen members of the troop twisted more than 5,000 napkins during the one session work period.

Two college students even got into the act. These two had had some previous float making experience while they were students at Friona High School. Denise Buske, who attends Texas Tech University, and Becky Coffey Weatherly, who is a student at Texas A & M University, College Station, were a great deal of help.

The float was truly representative of community effort by the time mothers, fathers, and others finished putting on the final touches. Chamber officials can proudly say, when complimented upon the float, "It was a community effort."

A recent copy of The High Plains Journal, which is published at Dodge City, Kansas, carried a front page story about development of popped wheat for snacks by a Cortez, Colorado man, Carl Jones.

According to the report, popped wheat may prove a future market boom to wheat growers by bringing wheat into play for shelf competition with salted peanuts, potato chips, corn chips and other snack foods.

Jones says that a number of flavors can be worked into the popped wheat and he recently passed out samples which were barbecued flavor and those tasting them praised the product.

Perhaps local wheat growers should get together and promote a "wheat popping" plant for Friona. Surely we grow enough wheat to support such an industry.

Who knows???? We might even start popping maize!!!!

Twenty-nine Students Listed On All A Roll

The honor roll for the first semester was released early this week by Tom Jarboe, principal of Friona Junior High. The largest category was the All A Roll on which 29 names were listed.

Those in this category were: Fifth Grade: Bryan Johnston, Menielle Petty and Terry Wilcox.

Sixth Grade: Vicki Barnett, Cris Beck, Rolando Castaneda, Johnny Gonzales, Darle McClellan, Keith Martin, Janice Peak, Donna Ruzicka, David Whitaker, Jason Widner and Brian Witten.

Seventh Grade: Carla Bauer, Danny Campbell, Lisa Edelman, Julie Johnson, Sarah Kretzmann, Ronald Land, Troy Mesenger and John Seright.

Eighth Grade: Carol Bavousett, Diane Hamilton, Jeanne Jarboe, Hope Mays, Beverly Schueler, Becky Walker and Pam Wilcox.

Fifth grade students listed on the 1 B Rest A's list were: Marsha Carlan, Ernie Chavira, Jay Jarboe, Jeff Porter, Larry Sims and Diane Westbrook.

John Carson, Phillip Chambers and Dennis Morgan made

s and rest A's.

Sixth grade students making 1 B rest A's were: Melodi Dixon, Phillip Hand, Jesus Mata, Don Maynard, Clint Mears and Lonnie Mitchell.

Linda Anthony, Peggy Baca, Diane Bennett, Randy Boeckman, Leslie Broadhurst, Larry Broyles, Elaine Dandridge, Charles Fleming, Larry Gore, Danny Holley, Mary Schilling, Jena Short and Tomasita Trevino made 2 B's rest A's. Cathy Cunningham, Nell Fulks, Kent Miller, Terri Patterson, Gary Self and Debbie Wilkerson were seventh grade students who made 1 B rest A's.

Seventh graders making 2 B's rest A's were: Davy Carthel, Stephen Jones, Peggy Martinez, Myrna Phipps, Denise Shipp and Pam Veazey.

Eighth grade students making 1 B rest A's were: Holly Hart, David Hutson, Connie Lindeman, Pattijon Talley and Stacy Wheeler.

Janice Hayes, Amanda Mason and Mitchell Wiseman made 2 B's rest A's.

FRIDAY

Marker To Be Erected At Parmerton Site

An Official Texas Historical Marker for the site of Parmerton will be erected on January 22, 1971, it was announced today by Hugh Moseley of Farwell, chairman of the Parmerton County Historical Survey Committee.

The marker will be placed at Hwy. 60, 6.5 miles southwest of Friona, adjacent to the old Townsite of Parmerton. Dedication plans will be announced in the near future.

Made of cast aluminum with Swedish steel effect, the marker measures 18 x 28 inches and is sponsored by Parmerton County Historical Survey Committee. The inscription on the marker reads:

SITE OF PARMERTON (Elevation 4,202 Feet) Founded as Parmerton Switch on Pecos & Northern Texas Railroad in 1898. In 1906 became site of a model farm, using Campbell dry farming method, run by Capt. Freehold Land & Investment Co. In 1907 Parmerton Townsite Co. bought 200 acres of the farm and laid out a town, which was

designated first county seat that same year. A post office was soon established.

When, in late 1907, Farwell was elected new county seat, Parmerton's citizens departed, taking homes and other buildings with them. Only the railroad switch marks the site today.

The marking of local historic sites and landmarks is part of the Texas State Historical Survey Committee's program of preservation activities. These include archeological investigations, small museum consultation, and administering the National Historic Preservation Act in Texas. As of 1970 the Survey Committee had erected more than 5,000 official markers.

The name and location of the present marker will appear in the next edition of the Guide to Official Texas Historical Markers in order to stimulate tourist travel in this area, to arouse interest in historical tours, and to acquaint the people of this locale with their unique heritage.

WOODMEN LODGE PRESENTS FLAG. . . Glendel Jones who is a representative of the local Woodmen Lodge, is pictured with five members of Brownie Troop 315, Rosa Garza, Dora Garcia, Brenda Schilling, Mary Ann Rodriguez, Mary Lafuente, and one guest, Alecia Bandy, as they accepted an American flag, which the lodge presented to the troop. Leaders of the troop are Mrs. William Bandy and Mrs. James Petty.

Girl Scouts Report

Twenty-nine Girl Scouts were present for the Thursday afternoon meeting of Troop 266 at Girl Scout House.

Rene Brock, Cindy Brailiff, Shannon Parr and Joanna Merritt conducted the flag ceremony. Detricia Miller led the Pledge of Allegiance to the American flag.

Sharla Duggins directed group singing of "America The Beautiful." Readings were presented by Kimber Britting and Debbie Wilson.

Refreshments were served by Velma Flores, Diana Glover, and Cindy Brailiff to the girls present and three leaders, Mrs. Kenneth McLellan, Mrs. John C. Miller and Mrs. Tom Mason.

Following a review of Brownie books, there was a game session.

Eight local Girl Scout leaders attended an area associate meeting at Hamlin Memorial Methodist Church, Farwell, Monday.

They received instruction in ceremony, basket making and cookie selling.

Quartet To Appear Here

The Kings Quartet of Albuquerque, N.M., will sing Saturday night, January 23, at the First Assembly of God Church in Friona.

Rev. J.M. Ashley, pastor, states that the public is invited to hear this musical program. There will be no admission charge, although a free-will offering will be taken for the group.

Frionan's Father Is Buried

Funeral services for S.L. Fulgham, 84, a pioneer resident of Clay County, Texas, were conducted from the First Baptist Church in the Joy Community at 2:00 p.m. Tuesday, January 12, with Rev. Kenneth Cantrell, pastor of the First Baptist Church, Henrietta, officiating. He was assisted by Rev. David Campbell, pastor of the Joy church.

Fulgham, who was born November 23, 1886 in Lamar County, moved to Clay County in 1909 and was married to Zora Sexton, who survives, August 14, 1910, at Joy. He died about 8:30 p.m. the previous Sunday at Pioneer Manor Nursing Home, Henrietta, where he had been for seven weeks.

Survivors, besides his wife, include one son, W.B. Fulgham, Friona; one sister, Mrs. Mattie Peterson, Joy; one brother, Jack Fulgham of San Angelo; four grandchildren and six great-grandchildren.

Pallbearers were a grandson, Jack Fulgham, Hereford; Glen Sanders, Wayne Sanders, John Garner, John Cockrell and Norman Starnes, nephews. Honorary pallbearers were Charles Fulmer and Carl Slagle.

Spend some time reading to or entertaining children with retarded mental development. According to the Bureau for Children with Retarded Mental Development, 99 University Place, New York, N.Y. 10003, approximately 3% of all the children in the United States are handicapped with such a condition.

Dr. Kay Will Speak At Study Club Meeting

Dr. C.L. Kay, assistant president of Lubbock Christian College and one of the most outstanding speakers in the nation, will be guest speaker at the Thursday evening meeting of New Horizons Junior Study Club at Federated Club House at 8:00 p.m.

Dr. Kay's talk will be entitled, "God and Country."

He has delivered more than 2500 addresses on the principles of the American System of Private Enterprise, the nature of man, comparative economic systems, and the religious, historical and moral values that have contributed to our economic well being. He is an exponent of the free market, private ownership of property and limited government rationale.

Dr. Kay holds bachelors and masters degrees from Eastern New Mexico University, Portales, and a doctorate from Oklahoma Christian College, Oklahoma City.

During the past ten years he has received several Freedoms Foundation awards; been listed in Who's Who in Texas, "Outstanding Personalities of the West and Midwest," and the "Dictionary of International Biography, London England."

He was also selected to appear in the 1970 edition of "The Two Thousand Men of Achievement," published in London, England, and distributed to every country in the world.

DR. C.L. KAY

Mrs. Walter Cunningham, president of the sponsoring organization, invites everyone in the area who is interested in hearing Dr. Kay to attend.

Jan Wallis Presents Club Program

Guest speaker at the Thursday evening meeting of Progressive Study Club at Federated Club House was Jan Wallis, who is the American Field Service exchange student from Australia.

Miss Wallis, who lives with Mr. and Mrs. Carl Schlenker and Carleen, spoke on customs, geography and life in her native country. Her talk was illustrated with colored slides.

Mrs. Darrell Simpson presented the devotional. Paige Osborn, guest pianist, presented several selections.

During the social hour refreshments were served to 12 members and four guests, Mrs. Wayne Wallace, Mrs. Carl Schlenker, Jan Wallis and Mrs. Bobby Weld.

Friona Man's Brother Dies

Funeral services for Buel Rhodes, 66, a resident of Amarillo, were conducted in Duncan, Oklahoma, Monday at 2 p.m. Rhodes was a brother of Aubrey Rhodes of Friona.

Other survivors are his wife, Lois, a daughter, Mrs. Gwendolyn Scott of Amarillo, and a grandson, Brad. Three brothers survive--Aubrey of Friona, Woodrow and Tom of Duncan, as well as two sisters, Marie Kelley of Fort Worth and Mrs. Otha Watkins of Duncan.

Thomas Rhodes of Bovina is a nephew.

Son Born To Amarilloans

Mr. and Mrs. Kenneth W. Squires, 105 North Western, Amarillo, became parents of a baby boy, January 10.

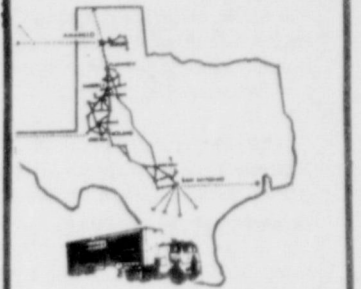

He was named Steven Scott and weighed 6 lbs. 14 ozs. Paternal grandparents are Mr. and Mrs. Buddy Squires, formerly of Friona.

MBP's Plainview Plant Uses Latest In Modern Techniques

(Re-printed from the Lubbock Avalanche-Journal) Missouri Beef Packers, Inc., an organization that in only four years has established itself as one of the foremost companies in the meat packing industry, is to begin operation of its multi-million dollar plant at Plainview early in February.

Designed as a completely automated facility, the plant will be capable of processing more than 1,800 fat cattle daily for marketing all over the United States and in several foreign countries.

The Missouri Beef buildings, cattle pens, hard surfaced areas and landscaped grounds occupy 9.5 acres on a 265-acre plot four miles north of Plainview on a spur of the Santa Fe railway a few hundred yards north of U.S. 87.

The location affords an unlimited view of irrigated Plains acres where livestock feed is produced in abundance and is not far distant from numerous feedlots, conditions that went a long way in inducing the Missouri headquarters firm to come to the Plains.

The plant at full capacity will be capable of processing 10,000 head of cattle in a six-day week, will employ approximately 400 people and will have a sales volume of \$175 million annually.

It is by no means improbable that some old cowboy who worked cattle on the range that is now the Missouri Beef site may visit the ultra-automated plant and observe a phenomenon that will bring the cattle industry in this region full circle in a lifetime.

Such an old cowhand if he ever skinned a steer, probably used his saddle horse to pull off the hide after application of the skinning knife, will see animals knocked, skinned, eviscerated and dressed at the rate of one every four minutes.

Since ground was broken 15 months ago, 190,000 square feet of floor space has been enclosed in steel and masonry construction, making the Plainview plant more than 25 per cent larger than either of the two Missouri Beef facilities already in operation. The company's plant at Friona, operating since

1968, has 124,487 square feet of floor space and the one at Rock Port, Mo., totals 136,280 square feet of roofed area. The Rock Port plant is the firm's original installation and was activated in 1966.

Workmen have poured and finished more than 500,000 square feet of concrete, installed 22,000 feet of water and sewer lines of 4 to 18 inch diameters and installed 14 power transformers that will deliver 4,000,000 watts of electrical power through 200,000 feet of wiring, in addition to installing the innumerable other pieces of equipment.

At full capacity the plant will use a lot of another Plains product, natural gas, which will be consumed at the rate of 1,176,000 cubic feet daily.

Residents of this area, proud and grateful that Missouri Beef chose them for neighbors and customers, will get an early viewing of the immense plant and its mechanism.

The news media will be invited to look the plant over and

get acquainted with company officials and the Plainview personnel on Jan. 21. A meeting of security analysts and brokers and bankers from this region and various cities over the U.S. is scheduled for Jan. 22.

Dedication and ribbon cutting ceremonies with state and other dignitaries appearing on the program and open house for those participating are set for Jan. 23. Following these preliminaries the plant officials and administrative staff will be free to welcome the general public for open house on Jan. 24. Riding herd on the many crews and contractors who put the huge plant together were Dutch, Boyenga, engineer, and Bob Burns, general manager.

Burns is a 35-year-old native of Kansas City, Mo., who grew up in the beef processing business, having been connected with the industry since he was 20 years of age. He attended Kansas State University before going to work for Wilson Company in Kansas City in 1955. He

was with that company for nine years, then was employed by Iowa Beef Packers for five years, during that time managing plants at Luverne, Minn., and Dakota City, Neb. He has been with Missouri Beef since Oct. 1969.

Packing Plant Tours Set

Missouri Beef Packers, Inc. will give newsmen a preview of the firm's multi-million-dollar Plainview plant at 10 a.m. Thursday. A similar tour for brokers, bankers and security analysts is slated Friday. The plant will be dedicated during public ceremonies at 1:30 p.m. Saturday, with guest speakers to include U.S. Secretary of Agriculture Clifford Hardin and John White, Texas commissioner of agriculture. The general manager of the plant is Bob Burns (inset).

Seek To Raise Farm Income By \$1 Billion

A program to increase Texas agricultural income by more than a billion dollars by 1976 was announced by Dr. John E. Hutchison, director of the Texas Agricultural Extension Service, in January of 1970.

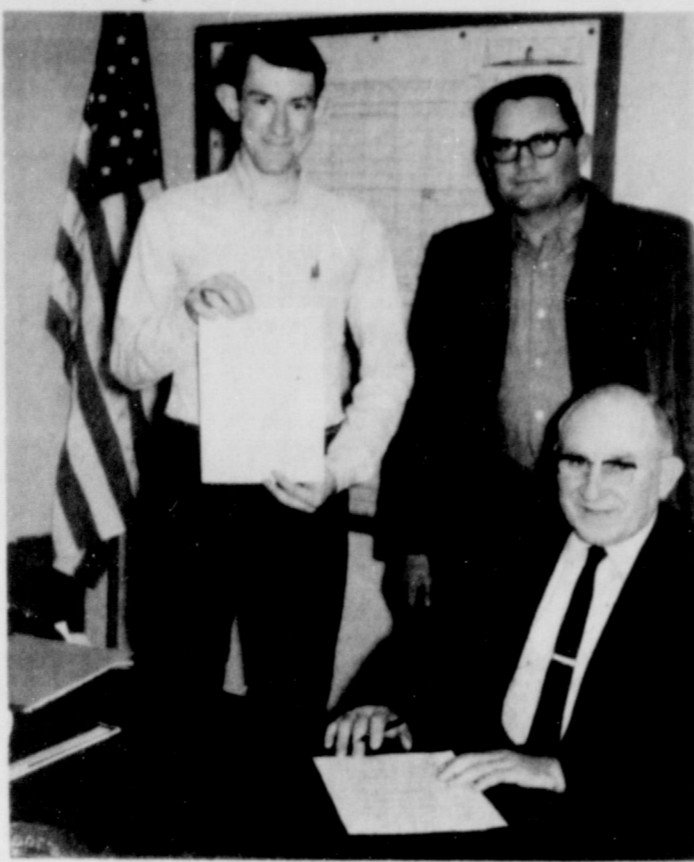

This goal calls for \$3.76 billion in total cash receipts by the end of the 1976 crop year, not including government payments; and was determined from projections by Extension specialists and individuals in the agricultural industry. A committee of agricultural economists with the Extension Service studied past production records and made projections for 1976 based on current trends and expected improvements in technology and marketing.

Projections on an individual county basis were made by program building committees, made up of businessmen and

producers. The expectations were then organized along county, Extension district and economic area lines to give producers across the state "something to shoot for."

In addition, annual goals were determined for the various agricultural commodity groups to allow a yearly measure of the program's success.

Texas presently accounts for about five percent of the total national agricultural cash receipts. But to achieve the goal of \$3.76 in '76, the state must claim almost ten percent of the projected national increase in the coming years. Extension specialists and county agricultural agents are scheduling meetings with producers throughout the state to help them with new advancements in technology and marketing in their particular areas.

PROCLAMATION. . . Parmer County Judge Archie Tarter, seated signs a proclamation setting aside the week of January 25-29 as "3.76 in '76 Week" in Parmer County. Looking on are, left, Mack Heald, Parmer County Agent, and Herman Gerles, general chairman of the program in Parmer County. Texas agriculture, through the Extension Service, is striving to reach the 3.76 billion dollar mark in output by 1976.

At Home In Parmer County

By Janice Fant
County HD Agent

It looks and tastes like bacon, costs half as much and has one-third the calories of bacon. But it's not bacon. It's a new synthetic meat analog being tested called bacon.

The bacon analog has fourteen ingredients, including generous measures of wheat and soy proteins and corn oil. It looks like strip bacon, but has no cholesterol, is precooked

and does not shrink during cooking.

The synthetic bacon was market tested in forty supermarkets in Indiana for a six month period. It was sold as a frozen food. Bacon stocks were displayed, as usual, in refrigerated cases in a separate section of the store.

Results of the market testing showed that there is a good

chance for the commercial success of bacon analog. A consumer survey indicated that the analog's price of 69 cents for an 8-ounce package was an important consideration for the buyers, who considered the price reasonable. But the consumers also continued to buy bacon.

A favorite recipe of Mrs.

Cordie (Helen) Potts of the Rhea Community is a vegetable casserole.

GREEN BEAN CASSEROLE
1 or 2 cans French-style beans
1 can Mushroom soup
1 small can Mushroom pieces
1/2 can French fried onion rings
Mix beans, soup and mushrooms in casserole. Bake at 350 degrees F. until heated through. Top with onion rings.

MALOUF'S SHOPPING CENTER

FRIONA, TEXAS, 79035
Former Friona Lanes Building

TOURNEY CHAMPS. . . . Friona's eighth grade boys basketball team won its own invitational tournament last weekend, running the team's season record to 11-1. In the back are Coach Jackie Morgan, Eddie Waggoner, Kevin Welch, Gene Strickland, Dale Cleveland, Clay Bandy, Ruede Rule and Mitchell Wiseman. In front are Charlie Wilkins, Edward Burchett, Dee King, Robin Baize, David Clark, David Hutson and David Blackburn.

Friona Boys Winners In 8th Grade Tourney

Friona boys and Tulla girls took first place honors in the eighth grade tournament here, January 14, 15 and 16.

This is the first time a Friona boy's team has won a first place tournament trophy since the varsity Chiefs won their own tournament in 1966-67.

Tulla girls defeated Muleshoe's A team 16-15 and Friona eighth grade team, 12-10, to qualify for the finals. Tulla defeated Olton 25-16 for first place.

Olton had defeated Canyon, 36-26 and Dimmitt, 33-25 in their first two games.

Dimmitt defeated Friona's eighth grade 20-13 for third place honors. Dimmitt had defeated Friona's seventh grade 42-25 and then lost to Olton before beating Friona's eighth grade.

Friona's eighth grade had beaten Muleshoe's B team, 29-5 before losing to Tulla and Dimmitt. Canyon girls won consolation honors by beating Muleshoe A team, 20-9. Canyon lost to Olton in their first game and then beat Friona's seventh grade 40-18 to qualify for consolation play.

The boys played a round robin tourney. Friona won all three of their games. They defeated Muleshoe 45-42, Olton 47-34 and Morton 38-29.

Morton won their first two games, beating Olton 27-26 and Muleshoe, 41-30. Muleshoe won

third place by defeating Olton 54-25.

Squaws Take First Half District Crown

The Friona Squaws won the first half of District 3-AA last Friday night at Lockney, coasting to a 56-29 win over the Longhornettes.

The win gave Friona a perfect 5-0 record for the first half, compared to Dimmitt's 4-1 record.

Earlier in the week, on Tuesday, the Squaws had to hold on to defeat the Olton girls, 47-42 to remain unbeaten going into the last game of the first half.

In District 3-AA, the teams play a "two half" round-robin schedule. A team must win both halves to be champions, else a playoff is arranged between the first and second half champs.

In the Lockney game, the Squaws lost little time putting the lid on the game. They led by 27-16 at the half, and had increased that to 42-23 going into the final quarter. Diane Day scored 19 points and Karen Crofford 18 to pace Friona.

The Olton game was a little closer.

Friona started out with no difficulty, holding a 12-8 lead after one stanza, and increas-

ing that to 30-18 at the half. However, the "Fillies" kept nipping at the lead and made it a closer game in the last half, when they outscored the Squaws, 24-17.

Sharon Smith led the scoring in this game with 19 points. Miss Day tallied 18.

The Squaws got the second half of district play off to a rousing start with a spine-tingling 31-30 win over Dimmitt here Tuesday in a game that went right down to the wire.

The three wins in the last three outings pushed Friona's season record to 20-2. Their only losses have been to Spearman and Claude in the finals of the Friona and Claude tournaments.

SQUAWS 12 18 8 9--47
Olton 8 10 11 13--42
Diane Day, 6-6-18; S. Crofford, 2-0-4; K. Crofford, 1-4-6; S. Smith, 8-3-19.

SQUAWS 8 19 15 14--56
Lockney 9 7 7 6--29
D. Day, 8-3-19; S. Crofford, 4-2-10; K. Crofford, 9-0-18; S. Smith, 2-5-9.

Chiefs Split Two Games

Friona High School's Chiefs split a pair of games last week in District 3-AA action.

The Chiefs surprised the Olton Mustangs, 45-43 for their third district win, but fell prey to a disastrous fourth quarter cold spell at Lockney and fell, 54-38.

Their game at Olton was a nip-and-tuck affair. The Chiefs jumped ahead, 16-6 in the first quarter, led by the shooting of Ronnie McPherson.

Olton forged ahead at half-time, 27-22, and although Friona outscored the Mustangs 13-9 in the third quarter, the hosts still held a 36-35 lead going into the last quarter.

McPherson's 26 points, the highest individual output of the 1970-71 season, led the Chiefs.

At Lockney, the Chiefs seemed locked in another close one for three quarters. The Longhorns held quarter leads of 15-10, 26-22 and 34-33 going into the final eight minutes.

But the last quarter was a nightmare for the Chiefs, as the pressing 'Horns tacked up 20 points on the board while Friona was managing just five. The loss left the Chiefs standing 3-2 in district play.

CHIEFS 16 6 13 10--45
Olton 8 19 9 7--43
Finley, 0-1-1; Fortenberry, 2-0-4; McPherson, 11-4-26; L. Fallwell, 2-0-4; Clark, 3-2-8; Bandy, 1-0-2.

CHIEFS 10 12 11 5--38
Lockney 15 11 8 20--54
Finley, 3-0-6; Fortenberry, 5-1-11; McPherson, 3-3-9; Royal, 0-4-4; Weatherly, 1-0-2; Cook, 1-0-2; Bandy, 2-0-4.

Friona game was 72-40. Morton's longest lead of the game was 35 points, 56-21, with 7:21 left in the game.

Friona 10 18 21 40
Morton 20 41 54 72
Ricky Carr, 6-0-12; Bill Fallwell, 5-1-11; Kent Patterson, 2-2-6; James Perea, 2-0-4; Jay Messenger, 1-1-3; Bobby Lewellen, 1-0-2; Benny Hamilton, 1-0-2.

Friona Wins One, Drops Two In Morton Contests

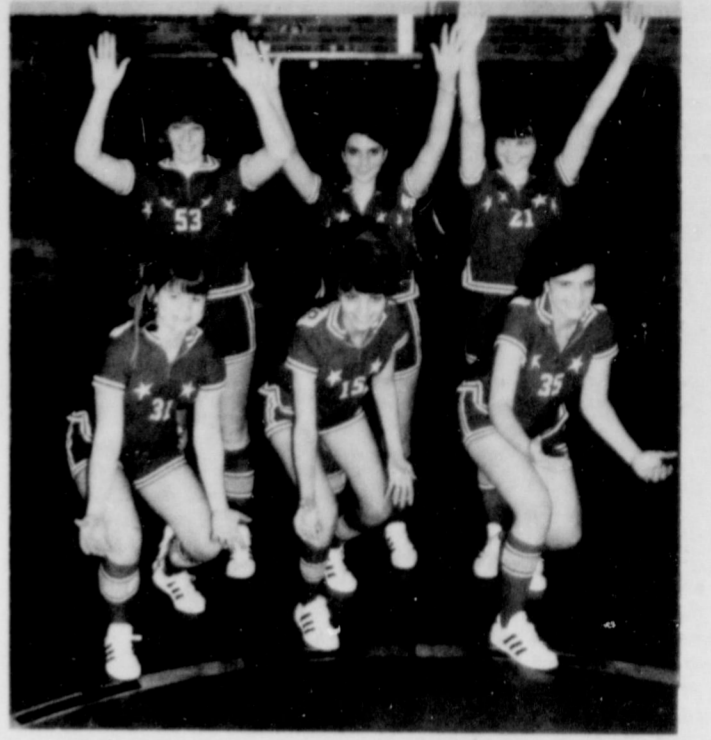

The seventh grade boys were defeated at Morton last Monday night January 11 by a 36-27 score.

Morton jumped out in front, 8-0 before Davy Carthel hit for Friona with 2-1/2 minutes left in the first quarter. Friona pulled within three points (19-22) with 5:50 left in the game, but Morton went on to win by nine, 27-36.

Morton's longest lead was 11 points and they had this two times (11-22 with two minutes left in the first half and 25-36 with 45 seconds left in the game.

Friona 5 11 17 27
Morton 12 16 22 36
Davy Carthel, 4-0-8; David Barnett, 2-1-5; Troy Messenger, 3-0-6; Kent Miller, 1-2-4; Ronald Land, 1-0-2; Other, 1-0-2.

The eighth grade boys won their eighth game of the season against one loss when they played Morton there, January 11. Friona started off slow and fell behind as much as six points early in the second quarter. Friona trailed by four points at the half, 19-15 but came back in the third quarter.

SQUAW GUARDS. . . . The Friona varsity guards, who have been doing their jobs in holding opponents to low scores this season, are shown above. In the back are Glo Brown, Janice Milner and Vicki Ulen. In front are Kathy King, Ginger Murphree and Kevin Welch. Tuesday night the guards held the Dimmitt Bobbies to 30 points to enable Friona to win, 31-30.

Longhorn Stampede

By Mike Casey

The varsity boys chalked up another district victory last Tuesday night by beating the district favorite Anton 58-56 in a tightly contested game that went into overtime. The bulldogs came to Lazbuddie a big favorite to knock the Longhorns off and capture sole possession of first place in the district standings.

With the Bulldogs jumping to an early five point lead and at one time a seven point lead, things looked bad for the 'Horns.

At half-time the 'Horns however took a 31-30 lead to the dressing room. But Anton's James Turnbow helped give his team a 44-38 edge at the end of the third quarter.

In the fourth quarter, though, the 'Horns outscored the Bulldogs 14-8 to tie the game, 52-52 at the end of regulation time.

The game looked as if it would be forced into another overtime when with five seconds left Charles Lee shot and Anton's Bill Spradley was called for goal-tending. So with five seconds left, the 'Horns held a 58-56 lead that stood until that five seconds elapsed.

In the girl's game, Lazbuddie fell, 39-31. Debbie Engelking was top scorer for the Longhorns with 18 points.

The varsity boys faced another stiff test last Thursday in the Spade Longhorns. Lazbuddie met the challenge but had a tough go of it in the first half and at one time were behind by as much as 15 points but at half-time Lazbuddie was behind only one point.

As the second half got underway though Lazbuddie gradually built up a substantial lead with the final score reading 71-63.

In the girl's game Spade thrashed Lazbuddie 57-36. High point girl for Lazbuddie was once again Debbie Engelking who tallied 18.

FARM SALE

FRIDAY, JANUARY 22, 1971 - - - SALE TIME: 11:00 A. M.

LOCATED: 10 miles South of Friona, Texas, on Highway 214, then 1 1/2 miles West — or, 18 miles North of Muleshoe, Texas on Highway 214, then 1 1/2 miles West — or, 25 miles West of Dimmitt, Texas, on Highway 86 to Hub Corner, then 2 miles South on Highway 214, then 1 1/2 miles West.

Terri Sue Cummings Weds Robert Bumpas

In a double ring ceremony at Sixth Street Church of Christ in Friona, December 29, 1970, at 7:00 p.m. Terri Sue Cummings exchanged wedding vows with Robert Brett Bumpas.

Parents of the couple are Mr. and Mrs. Doyle Cummings and Mrs. Sue Bumpas and the late W.M. Bumpas.

The vows were read by Ray Fullenwider, Educational Minister of Broadway Church of Christ in Lubbock.

The altar was decorated with an arch and two stands on either side of the podium which was intertwined with garlands of greenery and held white tapers. A white kneeling bench completed the setting.

As the bride was escorted to the altar and presented in marriage by her father, she wore a formal wedding gown of candlelight peau de soie. It was designed with a high neckline, long tapered sleeves which came to a point at the hands and an empire waist line. Appliques of candlelight lace accented the sleeves. Her elbow length veil was attached to a headpiece fashioned of candlelight peau de soie and accented with small velvet petals. A detachable train of candlelight peau de soie enhanced with scallops of lace fell from the shoulders. She carried a white bible which was carried by her mother on

her wedding day. It was topped with a bouquet of cymbidium orchids and feathered carnations tied with satin streamers and pearl drops.

The bride wore a cameo belonging to her late grandmother, Mrs. E.H. Cummings and a string of pearls which were a wedding present from her father to her mother. She also wore a watch belonging to her grandmother, Mrs. C.A. Cassidy, Texico. It was almost fifty years old. Also a blue garter. Pennies minted in the year of their births were given to Terri and Brett by her grandfather, C.A. Cassidy of Texico.

Maid of honor was Lisa Cummings, sister of the bride. Mrs. Scott Cummings of Levelland was bridesmatron. Bridesmaids were Gayle Medlock of Lorenzo and Martha Kirchoff of Mason. Their formal gowns were of sapphire blue peau de soie designed with empire waistlines, long sleeves and high necklines. Their veils were of sapphire blue illusion attached to matching headpieces of peau de soie. They carried long stemmed pink mums tied with pink streamers of satin ribbon.

Best man was Michael Driver, Lubbock. Groomsmen were Bryan Bumpas, Benjamin, brother of the groom, Jerry Leaverton, Benjamin, and Mike Smith, Poteet.

Charla Chesher was flower girl. Her dress and veil were of candlelight peau de soie fashioned similar to the bride's dress. She is the daughter of the Lloyd Chesher.

Ringbearer was Doug Gamble, cousin of the bride. He is the son of Mr. and Mrs. Robert Gamble of Lariat.

Candlelighters were Cathy and Christy Chesher. Rice bags were presented to the guests by Cindy Chesher. They are daughters of Mr. and Mrs. Lloyd Chesher of Friona.

Guests were registered by Mrs. Mike Reznik, Lubbock.

Ushers were Scott Cummings, Levelland, brother of the bride, Elbow Reece of Lorenzo, and Kirk Cummings, Friona, brother of the bride. The reception was held immediately following the wedding. A cloth of white satin over several layers of net was used. The satin overlay was gathered into scallops at several places and was pinned with white velvet roses. White candles were used and the bride's bouquet was the centerpiece. Mrs. Forrest Osborn, lifetime friend of the bride, decorated

MR. AND MRS. ROBERT BUMPAS

the three tiered wedding cake which was white with candlelight roses. The cake was topped with white love birds. The silver service used was imported from England and belonged to Mrs. E.T. Cummings, Canyon, aunt of the bride. Coffee, spiced tea, cake, nuts and mints were served to the guests by Connie Stark, Canyon, cousin of the bride, and Cindy Pope, Wichita Falls. Those helping with hostess duties were Mrs. Clifton Harper, Mrs. Russell O'Brian, Mrs. Forrest Osborn and Mrs. Rene Snead.

Floating hostesses were: Janet Mings, Denise Buske, Paula Fortenberry and Pat Roberts.

Mrs. C.A. Cassidy, maternal grandmother of the bride was a special guest. Her grandfather was unable to attend because of illness.

Out-of-town guests were: Mrs. Sue Bumpas, Benjamin; Mr. and Mrs. Wayne Stark, Connie and Kenn, Mr. and Mrs. Nate Stark, Mr. and Mrs. E.T. Cummings, Canyon; Mr. and Mrs. Johnny Pruitt, San Antonio; Mr. and Mrs. Robert Gamble, Doug and Brian, Lariat; Mr. and Mrs. Billy Bumpas, Arlington; Mrs. Bill King, Munday; Mr. and Mrs. Michael Driver and Trent and Mr. and Mrs. Hayden Garrett of Lubbock, Mickey Driver and Walter Trainham, Benjamin, Mr. and Mrs. Otis Huggins and Roy Dunn, Farwell.

For a wedding trip to the Cumming's Cabin at Tres Ritos, N.M., the bride chose a grey pants suit with long tunic top which featured a long row of silver buttons. Her accessories were of matching grey crushed patent leather. She wore a corsage which was lifted from her bridal bouquet. The bride's bouquet was caught by Denise Buske.

Mr. and Mrs. Bumpas will be at home at 2019 B 9th in Lubbock. Both are attending Texas Tech and are Juniors. He is an animal production major and she is majoring in speech and hearing pathology.

Darran Procter

Born In Lubbock

Darren Wayne is the name Mr. and Mrs. Dewayne Procter chose for the baby boy born to them at 7:45 a.m. Saturday, January 16, at Methodist Hospital, Lubbock.

Darren is the first child for the couple. His grandparents are Mr. and Mrs. James Procter, Friona, and Mr. and Mrs. Gerald Ramage, Snyder.

Great-grandparents are Mr. and Mrs. J.O. Peterson; Mr. and Mrs. Ramage, Post; and Mr. and Mrs. Beavers, Snyder. Mrs. N.F. Peterson, Lamesa, is the paternal great-great-grandmother.

MR. AND MRS. BILLY PEAK

Regina Duke, Billy Peak Exchange Wedding Vows

In a double ring ceremony at Parmer County Courthouse, Friday, January 8, Regina Duke became the bride of Billy E. Peak. The ceremony was read by J.R. Thornton, justice of the peace.

Parents of the couple are Mr. and Mrs. R.L. Duke, Friona, and Mr. and Mrs. Oval Peak, Annona, Texas.

Mrs. Larry Taylor, Friona, sister of the groom, was the matron of honor. Gary Duke, Friona, brother of the bride, was the best man.

The bride wore a white crepe street length dress designed with long lace sleeves gathered onto wide crepe cuffs and a v-neckline. Her wrist corsage was of red roses with white satin ribbon love knots and streamers.

Mr. and Mrs. Peak are at home at 1208 Pierce Street. He is employed by Easley-Pitman Feedyards. Mrs. Peak completed requirements for graduation from Friona High School at mid-term.

Frionans Attend District Meeting

On Sunday, January 17, 1971, six members of Friona's Sigma Upsilon Chapter attended ESA's district meeting for District IX, in Muleshoe.

The business meeting was preceded by a style show presented by the Muleshoe Chapter, and a Beauty Queen Contest. Friona members present were Mrs. James Andrews, Mrs. Cliff Mowbray, Mrs. Paul Galyon, Mrs. Charles Faulkner, Mrs. Douglas Stephenson and Mrs. Leon Massey, local chapter queen contestant.

Mrs. Massey, who is the former Johnny Tomlin, is the mother of three sons, Douglas, who is 8-1/2; Mitchel, who is 7 and Brook, who will be four in April. Her husband is a farmer. They are engaged in farming.

Mr. and Mrs. Massey are both graduates of Friona High School and the family attends First Baptist Church.

Mrs. Massey's hobbies include decorative and tile painting, refinishing furniture, needlework and sewing. She spends much time on outings with her husband and sons. The district meeting to be

LOCAL CONTESTANT... Mrs. Leon Massey, the former Johnny Tomlin, represented the Sigma Upsilon Chapter in the District IX Epsilon Sigma Alpha beauty queen contest in Muleshoe Sunday afternoon. Mrs. Massey is a graduate of Friona High School and a full time homemaker. She and her husband and three sons live at 912 Washington Street.

held in April will be held at the Friona State Bank and will be hosted by the Friona Chapter.

ESA To Have Jewel Pin Ceremony

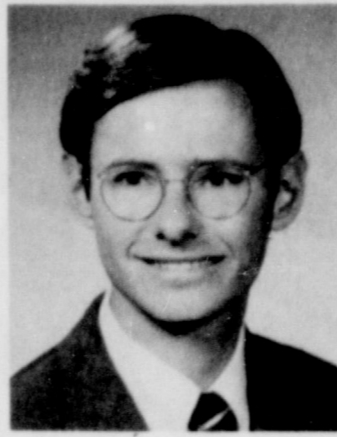

A formal installation ceremony, during which Mrs. Floyd Reasoner, became a member of the Sigma Upsilon Chapter of Epsilon Sigma Alpha, was conducted by Mrs. Charles Faulkner, president of the local chapter.

Each ESA member is required to complete a six month pledge period. Upon completion of this requirement, members receive jewel pins symbolizing full membership.

The eleven chapter members of the organization will have completed their pledge period by the end of January and will receive their jewel pins. The jewel pin ceremony for these members will be hosted by the Epsilon Chi chapter of Muleshoe on February 13. Mrs. Jack Rennels, president of that chapter, will present the pins following a Val-

ANN AYERS... Major General and Mrs. Ross Ayers of Austin, on 27th December, announced the engagement of their daughter, Linda Ann, to Nicholas Charles Pry, son of Mr. and Mrs. G.J.E. Pry of Paris, France. A May 31st wedding is planned at the Westminster Presbyterian Church in Austin. The bride-elect, a graduate of Friona High School, is a student of Austin College in Sherman. Pry, a graduate of the University of Grenoble, is employed by the University Computer Corporation in Dallas.

BYRON BREWER

ROGER NELSON

1966 Graduates Complete Requirements For Degrees

Two members of the 1966 graduating class of Friona High School completed requirements for degrees at the end of the fall semester at Texas Tech University, Lubbock.

Roger Nelson, who is the son of Mr. and Mrs. Jack A. Nelson of 1408 Elm Street, was a mechanized agriculture major. He was listed on the Dean's Honor Roll several semesters and had a 4 point grade average for his final semester.

Nelson has returned to Friona and will join his father in farming operations.

Byron Brewer, son of Mrs. Wana Brewer and the late Loyde A. Brewer, was a sociology major. He also had a 4 point grade average for his final semester.

Brewer is currently serving in the United States Army and left Tuesday morning for Fort Polk, Louisiana, where he will take his basic training.

GOLDEN WEDDING ANNIVERSARY... Mr. and Mrs. Frank Griffith, 608 Prospect Avenue, will be honored with a Golden Wedding Anniversary in their home from 2:30 to 5:00 p.m. Sunday, January 31. Hostesses will be Mrs. Foister Rector, Mrs. Raymond Adams, Mrs. Floyd Brookfield and Mrs. J.B. Buske, sisters of the couple. They will be assisted by Mrs. Sam Rule, Friona, and Mrs. Kenneth Houlette, Dumas. The Griffiths, who were married February 1, 1921, at Arnett, Oklahoma have lived in the Friona area since 1927. Invitations are not being mailed locally, but relatives and friends are being invited to attend. The couple requests that no gifts be sent.

Planned Parenthood Has Monthly Meeting

The board of directors of the Farmer County chapter of Planned Parenthood met in regular session Monday, January 18, at 10:00 a.m. in the Community Room of First State Bank, Bovina.

Betty Garza, outreach worker, reported an enrollment of 41 persons with 23 from Bovina and seven from Farwell. Karli Kaufman, the executive director, and Lili Caro, field coordinator, both from Amarillo were present.

Others attending were Virginia Rhodes, Lee Stephenson, Pearl Lee Fleming and Betty Garza, Bovina; Benita Sanchez, Farwell; and Johnnie Mae Hood, Rev. I.S. Ansley

and Sarah Alexander, all from Friona.

Planned Parenthood is now in operation in eight of the Panhandle counties with about 1700 participants.

Anyone interested in more information is asked to call Betty Garza, Bovina, Texas, Phone 238-3891, or to go to the Neighborhood Center, which is located on Highway 60 in the building formerly occupied by Warren Auto Supply.

Recent Bride Is Honored With Parties

Mrs. Billy E. Peak, who was Regina Duke before her recent marriage, has been honored with two showers recently.

Hostesses for a miscellaneous shower in the home of Mrs. Lester Cole from 3 to 5 p.m. Saturday, January 16, were Nancy Scales and Mesdames W.H. Ford, V.E. Nichols, Marion Clark, Richard Perkins, James F. Crump, Marvin R. Jordan, Stanley Bishop, Lester Cole, L.L. Kirby, Travis Stone, P.W. Hughes, Richard Vaughn

and Tommy Edwards.

The serving table was covered with a white linen cloth trimmed in lace and centered with a bouquet of red and white carnations.

Cookies, punch, coffee, mints and nuts were served by the hostesses.

A lingerie shower at Holiday House on January 2 was hosted by Mrs. Ronnie Reed, Mrs. Rorabough and Connie Fallwell. Cookies and cold drinks were served.

Shower Fetes

Pam Hartwick

A combination kitchen-gadget shower in the home of Mrs. John Blackburn, 1003 West Sixth Street at 8:00 p.m., was a courtesy for Pam Hartwick, bride-elect of Robert Dorris.

Hostesses were Brenda Blackburn and Paula Fortenberry. Refreshments of fondue, soft drinks and cookies were served by the hostesses.

Those present, besides the honoree and hostesses were Missy Renner, Linda Carson, Debbie Baxter, Kathy Banly, Janice Clark, Pat Roberts, Pam Turner, Mrs. Jim Schlenker and Mrs. Rex Bracken.

Baby Boy Born To McDowells

Mr. and Mrs. Dennis McDowell, Route 1, Friona, became parents of a baby boy at 4:36 Friday, January 15, at Farmer County Community Hospital. He was named Martin Allen and weighed 7 lbs. 8 ozs.

He was the first child for the couple.

Grandparents are Mr. and Mrs. Claude McDowell, Friona, and Mr. and Mrs. Roy M. Miller, Lazbuddie.

MRS. FLOYD REASONER was accepted for membership in Epsilon Sigma Alpha during a meeting of Sigma Upsilon Chapter at the Friona State Bank Community Room recently. Mrs. Reasoner was also elected to serve as parliamentarian due to the resignation of Mrs. Rodney Green, who is moving to Plainview.

VISITS PARENTS... Tommy F. Allen left Monday for Tyn-dall Air Force Base, Florida, after spending a 12 day leave visiting his parents, Mr. and Mrs. John Allen Jr. and other Friona relatives and friends. Allen, who has completed his basic training at Lackland Air Force Base, San Antonio, is a 1970 graduate of Friona High School.

1971 Mustang Hardtop

Ford's answer to dull...the bold Mustang.

White Sale Special
1971 Ford Galaxie 500
2-Door Hardtop

Ford's special value...Galaxie 500. Free Power Steering! Free Power Disc Brakes!

Import-sized car. Pinto. Ford's Pinto is import-sized, import-priced, but with these advantages over the popular imports: more usable room inside, a lower silhouette and wider tread for good stability on the highway, a 75-hp engine so you don't have to worry about moving into expressway traffic. And remember Pinto is a carefree little car. It saves you on gas. It's designed to need less routine maintenance. Most maintenance you can do yourself.

Bold, new personal car. Mustang. Mustang is at it again this year with a lineup of personal, sporty cars that could bring out the new you. There's a new look in Mustang '71. Its spirit is bolder. And there's a new wider stance for better handling. New standard features include side door Steel Guard Rails, concealed windshield wipers and recessed door handles. And there's a long list of options to let you design any of six new models to your own specifications. Mustang...it's a personal thing.

NOW! SPECIAL WHITE SALE SAVINGS ON BIG, LUXURIOUS GALAXIE 500's!

Free Power Steering... When you buy this quiet Galaxie 500 2-Door Hardtop White Sale Special equipped with vinyl roof, wheel covers, white sidewall tires, bumper guards, accent stripe, special paint and special luxury seat trim.
Free Power Disc Brakes and Free Power Steering... If the Galaxie 500 White Sale Special you choose is also equipped with air conditioning, tinted glass, automatic seat-back release, and visibility group which includes a parking brake light, remote-control sideview mirror and extra courtesy lighting.

WEST TEXAS VEGETABLE PRODUCERS TO MEET IN HEREFORD

The annual West Texas Vegetable Producers Committee will be held on February 3, 1971, in the Bull Barn, in Hereford. This will be a day-long meeting beginning at 8:30 a.m. The program is planned primarily for producers of vegetables in the field.

The keynote address will feature the all-important topic of marketing, "How Texas Vegetable Growers Can Secure a Successful Future for the Texas Vegetable Industry by Working Together in a Strong Marketing Association." Wayne Hawkins, manager of the North Florida Potato Exchange, Florida Sweet Corn Exchange, Zellwood, Sweet Corn Exchange and South Florida Pole Bean Association, will be the speaker.

Ed Garnett of Amarillo, farm management specialist with the Texas Agricultural Extension Service, will discuss the economic potential of vegetables and how this relates to "3,76 in '76," the Extension program designed to increase agricultural income in Texas by \$1 billion by 1976.

Discussions of vegetable research will also be featured on the program. Dr. William Lipe of Lubbock, assistant professor of horticulture with the Texas Agricultural Experiment Station, and Dr. John Downes of Lubbock, professor of agronomy at Texas Tech University, will discuss research conducted by Texas A&M University and Texas Tech, respectively. Dr. John Larsen of College Station, Extension horticulturist-vegetables, will discuss adaptive research in vegetable seedling with vermiculite.

Other topics which should be of interest to vegetable producers include "Vegetable Response to Band Placement of Phosphorus, Mechanization of Onion Harvest, Symptoms and Control of Major Potato Diseases and Potato Tuber Moth."

Discussing these topics will be Dr. Billy Hipp of Weslaco, associate professor of soil chemistry, Texas Agricultural Experiment Station; James Hatton of Weslaco, Extension agricultural engineer; Dr. Robert Berry of Lubbock, Extension plant pathologist; and Dr. Roland Roberts, also of Lubbock, Extension vegetable specialist.

Bruce Parr, vegetable producer at Friona and president of the West Texas Vegetable Council, will report on the activities of the West Texas Vegetable Marketing Association and will preside at a brief meeting of the council during which directors will be elected.

A roundtable panel discussion on vegetable marketing and production will wrap up the program. Featured will be the program speakers as well as David Pitts, a USDA marketing specialist; Thomas Longbrake of Weslaco, Extension vegetable specialist; and Floyd Butler, Jr., vegetable producer at San Angelo.

The meeting is being sponsored by the Extension Service and the West Texas Vegetable Council.
