

Fifth, Sixth Grade Bands In Festival

The Friona fifth and sixth grade bands traveled on Saturday, May 1 to Wilson, Texas to compete in the 1971 Wilson Band Festival. Both bands received Sweepstakes trophies for their performances. The trophies are given only to bands which receive first division ratings in both concert and sight-reading events.

The students, along with some junior high band members, also competed in solo and ensemble events.

Participants who receive a first division rating in solo or ensemble performance are awarded a medal. The Friona bandsmen returned with 36 medals—a very high percentage.

Fifth grade students who earned medals were:
Flute—Mark Edelman, Holly White and Faith Mays.
Clarinet—Johnna Thorn, Cindy Cleveland, Debbie Parker and Debbie Fallwell.
Saxophone—Diane Clark and Sharla Benge.
Cornet—Terry Wilcox, Bryan Johnston, Jeff Porter and Curt Miller.
Trombone—Dan Nazworth and Lynn Welch.
Baritone—Tommy Schilling.

Percussion—Jay Jarboe.
Fifth grade soloists receiving a second division rating were: Connie Martinez, flute; Alan Monroe and Paul Lindley, cornet; Linda Nelson, baritone; Jeff Whiteside, tuba; John Carson, percussion.
Sixth grade solo medals:
Flute—Regina Walters.
Clarinet—Danny Holley, Jenna Short and Jason Widner.
Cornet—Brian Witten and Phil Brock.
Baritone—Cris Ingram.

Sixth grade division II ratings:
Joe Menefee, alto sax;
Larry Gore, cornet; Roy Don Smith, Mike Blackburn, trombone; James Whiteside, baritone; Randy Mitchell, tuba; and Terry Self, percussion.
First Division Junior High soloists were: Cindy Lundy, bass clarinet; Lisa Edelman, bassoon; Julie Johnson, alto sax; Carol Bavousett, horn; Clay Cudd, trombone, Division II soloists: Leesa Mercer and Nell Fulks, flute.
First Division Ensembles:
Cornet Trio—Hal Blackburn, David Gowens and Mike Bartlett.
Brass Quartet—Phillip Duggins, Clay Cudd, Beverly Schueler and Diane Spencer.

DONATIONS SOUGHT

Opportunity Plan Needs Building Up

Richard T. Collard, chairman of the Friona Division of the Opportunity Plan, Inc., this week issued a plea for donations to the OPI, which serves as a lending agency to assist students in attending college or trade school.

"A total of \$2,650 was loaned this past year. The balance on hand in the Friona chapter's fund is only \$177.43, and this is not enough to materially help even one student," Collard said.

Five local students were helped through the OPI during its first year of operation. These students are attending Amarillo College, Texas State Technical Institute, The Uni-

versity of Texas at Arlington and Jessie Lee's School of Hair-dressing.

"If the people of Friona will continue to support the Opportunity Plan, in a few years there will be enough working capital in the fund to help any student who is ambitious and has potential to continue his education," Collard says.

Those wishing to make contributions may contact either Collard, Tom Jarboe, Mrs. Frank Spring, Glenn Reeve, Jr. or Cecil Maddox. Checks may be made payable to "The Opportunity Plan, Inc., Friona Division." Contributions are tax deductible.

REPORT GIVEN

Electric Co-op Meet Is Well-Attended

Some 1,000 people attended the 33rd Annual Meeting of Deaf Smith County Electric Cooperative which was held in the Bull Barn in Hereford, Texas.

The meeting became extremely crowded at times because of the large crowd registering and enjoying the barbeque luncheon being served by the Hereford Rotary Club. Entertainment during the luncheon period was furnished by the West Texas State University Stage Band.

Awards were presented to Government-In-Action Youth Tour winners, Sally Kendrick of Friona, and Pat Acker of Nazareth. Troy White, first place alternate from Friona, accepted the award for Miss Kendrick who was unable to attend.

Manager James Hull, in his report to the member-owners, talked of the establishment of C.F.C., the Bank for Rural Electric Cooperatives. He pointed out that this bank was es-

tabled because of the inevitable change in government appropriations which has been happening over the years. Eventually all money needed for construction will come through loans from this bank.

Hull also stated that in future years member-owners would see lesser capital credits with the possibility of them being abandoned completely. This, of course, will depend entirely on the influences of the money market as it exists in our changing world of today, and with the ultimate purpose of keeping this cooperative in sound financial position.

The meeting concluded with the re-election of two of its present directors, Raymond Higginbotham of Deaf Smith County and A.W. Anthony, Jr. of Farmer County.

Cancer Drive Is Success

The local fund drive for the American Cancer Society has been an overwhelming success, reports drive chairman A.L. Outland.

As of Tuesday morning, a total of \$2,020.00 had been deposited to the fund, with at least 10 block chairmen still to report. Last year's drive raised \$1770.00 locally, Outland said.

"The success is due to the willingness of the block chairmen to canvass their neighborhood, and we thank them for their effort," said Outland, who also asked those who still had envelopes to turn them in right away.

School Holds Third Phase On Drug Abuse

The Friona school system held the third phase of its drug education program recently, with "rap sessions" for the fifth through the seventh grades.

Panels of high school students conducted the sessions, held in the classrooms.

Baker Duggins, high school counselor, was in charge of the program, and indicated that he believed the sessions were successful.

"We turned the classrooms over to the high school kids, and no teachers were in the rooms. In this way, we feel that more of the students participated through asking questions than they would have if teachers had been present. Many students responded," Duggins said.

High school students serving as panel members included John Bingham, Wesley Clark, Jamie DeLeon, Bryan Elliott, Jim Paul Harvey, Larry Johnston and Lucy Rodriguez.
Also, Susan Spring, Ginger Murphree, Bill Bailey, Oberlin DeLeon, Fran Dodd, Denise Frazier and Kathy Horton.
Also, Ann Hurst, Sally Kendrick, Melissa Pruett, Sammy Vera, Raymond Spencer and Joel Constancio.

Members of the Friona Volunteer Fire Department attended the annual convention of the Panhandle Firemen's & Fire Marshalls Association last week in Amarillo.

The local department brought home the first place award in the water polo race, winning a \$15.00 cash prize. Members of the water polo team were Ruben Taylor and J.C. Blankenship.

Chief Ralph Shirley stated that Friona's entry in the pump-race also stood a good chance of winning, but had the misfortune of blowing their hose connection prior to completing the course. Comprising that team were Chief Shirley, Glenn E. Reeve, Jr., Ruben Taylor, J.C. Blankenship and Joe Reeve.

Mark Blankenship, who is the local department's mascot, was re-elected as mascot for the Panhandle organization during the group's business session.

Attending the convention from Friona were Mr. and Mrs. Shirley, Mr. and Mrs. Taylor, Mr. and Mrs. Glenn E. Reeve, J.C. and Mark Blankenship and Joe Reeve.
The meeting was held at the Holiday Inn East.

Firemen Win ADVERTISING AWARD Assn. Award

Members of the Friona Volunteer Fire Department attended the annual convention of the Panhandle Firemen's & Fire Marshalls Association last week in Amarillo.

The local department brought home the first place award in the water polo race, winning a \$15.00 cash prize. Members of the water polo team were Ruben Taylor and J.C. Blankenship.

Star Named Winner In Press Contests

The Friona Star was one of five newspapers in the Panhandle to be awarded a first-place plaque in the annual Panhandle Press Association's Better Newspaper Contests, presented the past Saturday at Amarillo.

The Star won its plaque in the "Advertising Initiative" division of the contests, which drew entries from 14 of the newspapers published in the Panhandle.

Friona also took a third place citation in the "best special edition" category. The Star received awards in two of the three categories which it entered.

For its entries in the advertising competition, the Star chose three "open house" editions which it published during the latter part of 1970, for Friona Consumers, Friona State Bank and Crow's Meat Company.

Each of the grand openings was promoted with a special section of the newspaper, and each one featured "tie-in" ads promoting the openings, from those responsible for the new buildings, as well as suppliers and business associates.

Absentee Vote Now Underway

County Clerk Bonnie Warren reminded voters this week that absentee voting for the May 18 election is being held in her office at the Court House in Friona.

The election, which will decide the fate of four proposed constitutional amendments, will be held on Tuesday, May 18. Absentee voting will continue through Friday, May 14.

Mrs. Warren said there had been no absentee votes cast as of Tuesday.

Walker Quits

Missouri Beef Packers, Inc. has announced that J.C. Walker has resigned as president and a director effective June 1, 1971. The company declined to comment further at this time.

AUSTIN PROFILE

AN EDITORIAL

He Who Dances Must Pay Piper

Was Thomas Jefferson a "liberal" or a "conservative?" When we were back in school, Jefferson was generally described to us as a "liberal." But we're beginning to wonder.

According to the March, 1971 report of Tax Foundation, Inc., Americans will have to work two hours and 37 minutes every workday to pay their 1971 taxes. That is nearly one-third of their eight-hour day.

Your 1971 taxes will require nearly two and one-half times the effort you expend to buy food and tobacco, and more than two and one-half times the cost of housing. Do you spend much for transportation, clothing, medical expense and recreation? If you're an "average" family, your tax burden will be about one and one-half times the total cost of all those items combined.

Other significant figures are available in the research organization report. In 1960 the funded, interest-bearing Federal debt amounted to \$286 billion, or \$1,591 per capita. But by 1970 the Federal debt had climbed to a whopping \$371 billion, which figures out to \$1,816 per capita—an increase of \$225 for every man, woman, child, and babe in crib in the nation.

Did Thomas Jefferson have some ideas on this subject? Indeed he did. In a letter to John W. Eppes, Mr. Jefferson wrote: "There have existed nations—and civilized and learned nations—who have thought that a father had a right to sell his child as a slave in perpetuity. . . . But we, in this age, and in this country especially, are advanced beyond those notions. . . . We acknowledge that our children are born free; that freedom is the gift of nature and not of him who begot them. . . . (but) we believe, or we act as if we believed, that although an individual father cannot alienate the labor of his son, the aggregate body of fathers may alienate the labor of all their sons, of their posterity, in the aggregate, and oblige them to pay for all the enterprises, just or unjust, profitable or ruinous, into which our vices, our passions, or our personal interests may lead us. But I trust. . . . that we shall consider ourselves unauthorized to saddle posterity with our debts, and morally bound to pay them ourselves."

It is interesting to speculate how many of the thousands of HEW bureaucrats in Washington believe that we are "unauthorized to saddle posterity with our debts," but are "morally bound to pay them ourselves."

LETTERS TO EDITOR

Dear Sir:

I have read dozens of newspaper stories and "letters to the Editor" and not one have I seen which discussed Amendment One fairly or even objectively.

Amendment One was prepared by a group of citizens throughout the state even before our present legislature was elected. The Ethics Commission which would be so created would be appointed by the judiciary over which legislators have absolutely no control.

The big lie which has been carried by all state papers in its "letters to the Editor" reflect this is a subterfuge for legislators to get a pay raise. The facts are salaries will be left as they are or adjusted only by the Ethics Commission. The legislature has only the power to accept or reject any change.

The truth of the matter is this plan has worked well in many states in giving a fine balance of representation in the legislature.

Finally, why have Texans resisted all efforts to raise legislators' salaries? The answer is simple. Obviously any effort on the part of us, as legislators, to campaign for a raise would be resented. As a result, those who fall for the commu-

nist line "that all elected officials are bad," have their heyday.

SHACKLEFORDS HAVE GUESTS

Sunday afternoon visitors in the home of Mr. and Mrs. Bert Shackelford were Mr. and Mrs. G. D. Anderson and Mrs. Marilyn Edwards, all of Farwell. Anderson is Mrs. Shackelford's brother and Mrs. Edwards is her niece.

The Long Island Lighting Company's publication, "Lilco News," states that, "Being fair is very important. But when people are fair, they are sometimes looked upon as naive, weak and simple. It is important then that fairness not be taken advantage of in mischief, frivolity or carelessness."

Appliance Service News announced that the car manufactured after July 1, 1973 will have to be equipped with air bags or some other form of "passive restraint" to protect drivers and passengers in front auto seats, according to the Transportation Department.

Sincerely Yours

BY REV. ALBERT LINDLEY

"If you must quarrel with your helpmate, do it in low, cathedral tones"---now isn't that about the most ridiculous thing you have ever heard of? Have you ever tried to get your helpmate to do something in a quarrel by speaking in a low, cathedral tone? Ha. I was musing through a camping magazine (what else?) and the article was making reference to some "do's and don'ts" while out camping, on how to be mindful of the rights of the other guy and I ran across that statement about quarreling with your helpmate in low, cathedral tones---ha. It still sounds funny.

Now I'm not saying one shouldn't quarrel with your helpmate---I'm just saying that it is most difficult to do quietly.

I do assume that the meaning of "cathedral tones" is that the reference is to a very subdued and soft spoken encounter. Now, just try to imagine that. . . .

I really shouldn't mislead you into believing that I think it is perfectly alright to quarrel in loud and boisterous ways with your helpmate---neither would I have you to believe that there should never be disagreement or even a quarrelsome moment between the two---it is a rarity that would not contain some of the above. (Of course, I'm not really talking about you or yours. . . .)

All along I'm sure you were thinking that the "helpmate" was indeed, the companion or spouse, even though I really hadn't said so.

A father and his son were out on a fishing trip when a car accident sent them both to the hospital. When the Doctor saw the boy, the Doctor exclaimed---"My goodness, it's my son."

Now you may want to read that over a few more times---and we have the time---. . . .

Figured it out yet? The Doctor was a woman---the boy's mother and wife of the boy's father.

See how quickly you jumped to the conclusion that the Doctor was a man?

The Women's Lib Movement is after people just like you---to try to get you to think positively and always including women as

possible resources for our world, culture and equal maker of decisions. . . . Just like you knew I was referring to the other spouse when I mentioned "helpmate."

(The Women's Lib Movement also like the idea that God made woman from a rib---making her come from beside the man. . . .)

But the only helpmate I have is not just my wife, of which I have only one. . . . I have other helpmates, too.

I have people of care and concern who spend lengths of time trying to assist me in my particular responsibility---and we differ, too.

But let me tell you about my greatest helpmate---and you already know. . . .

I think of God as being my real helpmate---and he comes to me in many different ways. He shows up in my inward feelings, my intuition, in the expressions, lives and witness of other people with whom I come in contact.

He becomes my partner---sometimes silent and sometimes very boisterous, as he seeks to break through some of the thick shells I keep around my life and my desires.

Never so vividly as when he speaks in "earthquake, wind and fire" does he become my real helpmate---and I just might as well tell you---I depend upon him strongly and need his strength and guiding power daily.

And quarrel---you can "bet your sweet bippy" we do. In fact, I often become very quarrelsome with him---mostly because I'm simply not willing to give up my desires for things he really wants me to do and be. Yes, we quarrel. But when I am at my worst with him is when I yell the loudest in real defiance and you can know it isn't in soft "cathedral tones."

One little secret that I have found and now pass on to you for what it may be worth, I have noticed that my greatest time of shared concern with God and times when he has spoken to me in the most meaningful ways, have come in moments of soft cathedral tones.

Often these follow the quarrel, but he has a way of soothing one's tantrums, explosions, gulfs and fears and walking in peacefulness and tranquility at one's side.

JUDY AND FRIEND. . . Judy Northcutt of Broadview will be competing for the "Miss Shorthorn Lassie" state title next month, after winning the runnerup title last year. She is shown with Kinnaber Clipper Bernice, the Tri-State Fair grand champion female Shorthorn.

JUDY NORTHCUTT

Broadview Girl Seeks Shorthorn Lassie Title

The Great Plains Shorthorn Lassie Princess, Judy Northcutt, 17-year-old daughter of Mr. and Mrs. Bob Northcutt of Broadview, N.M., will be traveling to Abilene, Texas the first part of June to compete for the title of Texas Shorthorn Lassie Queen. Judy was first runnerup last year and her travels as Princess have taken her all over the state. She has appeared and helped conduct cattle shows

at Ft. Worth, Houston, Dallas, Tyler, and Texhoma, Okla., to mention a few. The girl winning this title will travel to the International Livestock Show in Chicago, Ill., where she will vie for the crown of National Queen. The winner and her parents will receive a two-week vacation to Scotland, where shorthorn cattle originated. Miss Northcutt is a junior at Grady High School.

Tips Given On Making Grocery Dollar Stretch

Are you finding it harder each time you grocery shop to make a given amount of money go the same distance?

Prices of practically all goods and services, including foods, have increased, but not as fast as incomes, reports Mrs. Gwendolyn Clyatt, Extension consumer marketing specialist. Still, a major concern of homemakers is how to save on food expenditures.

Remember several factors influence food prices, she says. Along with the general national economic climate, these include business costs, weather, and future market expectations.

Mrs. Clyatt makes several suggestions to help cut food costs.

First, figure how much you presently spend for food. Some record-keeping may be necessary for a few months, so you will know just how much you are spending.

Then determine why you are spending what you are. Several

factors affect family food spending: inflation, age of family members, frequency of entertaining, nutritional requirements, family size, types of food purchased, planning and preparation skills, and family likes and dislikes.

To help cut the food budget, put some tools to work--a sharp pencil and some paper, the weekly newspaper food ads, a favorite cookbook, and generous amounts of desire, says Mrs. Clyatt.

If you are cost conscious and want to improve your buying skills, you will make full use of label information, advertising, store displays and even friends' comments.

In the grocery meat department this week, you will find beef prices have changed little in the past two weeks. Most markets are featuring various cuts of mature and baby beef at special prices; be sure to check the ads for your family's preferences. In general, Mrs. Clyatt suggests best values will be found on round steaks and roasts, chuck roasts and steaks, ground beef and liver.

Pork prices are unchanged from a week ago, she says. Best buys include shoulder roasts and steaks, end-cut loin roasts and chops, hams, picnics and liver.

Fryers remain a bargain, along with large size eggs. Frozen turkeys are available at prices below last year's and make an excellent choice.

Produce counters are beginning to get the "fresh" look we expect this time of the year, the specialist reports. Carrots, cabbage, celery, green onions, cooking greens, lettuce, potatoes, sweet potatoes, radishes and rutabagas remain low cost items. Cauliflower, eggplant, squash and broccoli may also be added to the list of reasonable, good quality vegetables.

Quality fresh strawberries and cantaloupes are appearing in many stores at reasonable prices. Other selections worthy of your consideration are apples, avocados, bananas, grapefruit, pineapples, oranges, lemons and tangerines.

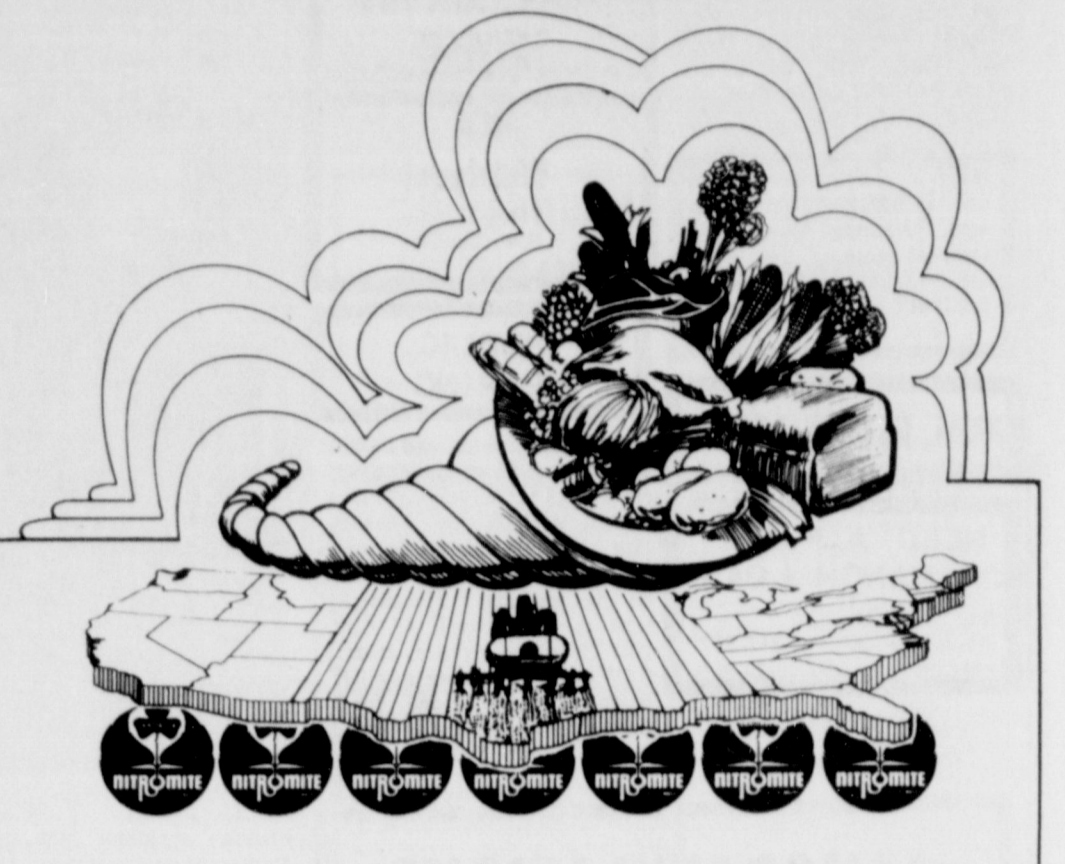

Price Representative To Appear In Friona

Congressman Bob Price announced this week that his District Representative, Charles Lanehart, will be in Farmer County on May 13 to assist local residents with any problems they may have with the federal government.

Lanehart will be at the Security State Bank in Farwell from 9 a.m. to noon and the City Hall in Friona from 2 p.m. to 5 p.m.

"I find that with each passing year my legislative workload becomes heavier in Washington and it is becoming more and more difficult for me to be in each of the 28 counties in our district on a regular basis. For this reason, I have made arrangements for Mr. Lanehart to be in each county in the 18th District as frequently as possible, hopefully once a month," Price said.

The Texas Wheat Producers Association is conducting a wheat referendum on Tuesday, May 11, 1971. The voting will

be conducted from 8:00 a.m. to 5:00 p.m. in the courthouse in Farwell. The purpose of the referendum is to vote on a proposal to assess each producer not more than 5 mills per bushel on all wheat and to select a 9-man producer board to administer the use of such funds in research and promotion programs.

All producers, including farm owners, tenants and sharecroppers who grow wheat are eligible to vote. Ballots for absentee voting may be obtained from my office and returned prior to the voting date deadline.

For the referendum to pass it will take a 2/3 majority of those who vote in the referendum. If it should pass, the assessment will begin with the 1971 crop.

Six 4-H youngsters participated in the District 14-H Elimination Contest in Canyon on Saturday, May 1. Winning first in the Junior Share-The-Fun Contest were Tammie Smith, Candy Moore and Karla Littlefield.

They won over several other groups and presented their song numbers before the entire assembly prior to the awards presentation. These three girls are from the Lazbuddie 4-H Club. Also from the Lazbuddie Club were Kent Winders and Mike Mimms.

They won second with their Junior Farm & Ranch Management demonstration. Deborah Harding won third place in the senior division of the Food & Nutrition Educational Activity. Deborah is a member of the Farwell 4-H Club.

These youngsters were competing against 4-H members from a 22-county area covering the entire Texas Panhandle.

WHEAT VOTE

Referendum Termed Vital

Melvin Sachs of Friona, Parmer County leader of the Amarillo-based Texas Wheat Producers Association said today that "Individual farmers are showing an increasing interest in the forthcoming wheat referendum and producer board election as a step toward strengthening their income from wheat through stronger organized producer efforts."

Wheat farmers in 34 counties of Texas that normally produce 75% of the state's 50 million bushel wheat crop vote Tuesday, May 11 in a research and promotion referendum. If passed, an assessment of not more than 5 mills per bushel will be made at the first point of sale on all wheat marketed in the area. Proceeds from the program, if passed, will be invested in research in production and marketing, disease and insect control, and market development at home and abroad.

The referendum is being sponsored by the Texas Wheat

Producers Association on certification by John C. White, Commissioner, Texas Department of Agriculture under authority of the Texas Commodity Referendum Act of 1969, passed by the 61st legislature.

Leo Witkowski, Hereford, President, Texas Wheat Producers Association, said that "wheat has been a declining crop in Texas the past few years from the standpoint of acreage planted, harvested and marketed." He pointed out that "This decline has been very costly in terms of loss in income, not only to the producer, but also to the elevators handling wheat, and to the entire agricultural economy dealing in servicing, financing, transporting and supplying the wheat farmer. Passage of this wheat referendum would provide funds to initiate development projects which might help in reversing the decline in the wheat industry and increase producer income from wheat."

"Passage of the Wheat Pro-

ducers Referendum in Texas is a must," according to State Representative Delwin Jones of Lubbock, Texas. Mr. Jones, Chairman of the Agricultural Committee of the Texas House of Representatives, stated, "Those of us in state and national legislative bodies are watching to see if farmers are really concerned about their problems. When insects, disease, and other problems need immediate attention, the legislature is usually willing to help solve them when farmers themselves show enough concern to help with the costs, such as could be done with passage of the wheat referendum."

Since passage of the 1969 Commodity Referendum Act, successfully led through the legislature by Representative Jones, producers of peanuts, turkeys, grain sorghum and soybeans have held referendums and voted self-assessments for research and promotion of their commodities.

Carl Dumlér, President of Great Plains Wheat, Inc., which conducts market expansion programs abroad for U.S. wheat producers, recently reported that "we could hasten the acceptance of types, quality and purchase of wheat grown in the United States by many potential foreign users if we had a larger budget to work with—foreign market development is a lot harder today than it was even five years ago, so the American farmer will have to work harder through commodity groups like Texas Wheat Producers Association to get and keep his share of the expanding wheat markets around the world."

The percentage of the funds generated by the program, if passed, that will be directed toward insect and disease con-

trol, foreign and domestic market development and production of marketing research will be determined by a 9-man producer board elected on the same ballot as the assessment. Fourteen producers names, from as many counties in the Rolling Plains, South Plains and North Plains areas, will appear on the ballot from which the nine will be elected.

Voting will be conducted at the county courthouse in all 34 counties between 8:00 a.m. and 5:00 p.m., Tuesday, May 11. In addition, absentee ballots may be obtained at the County Extension Agent's Office in each of the designated counties between now and the May 11 deadline.

Hog Producers To Meet Here

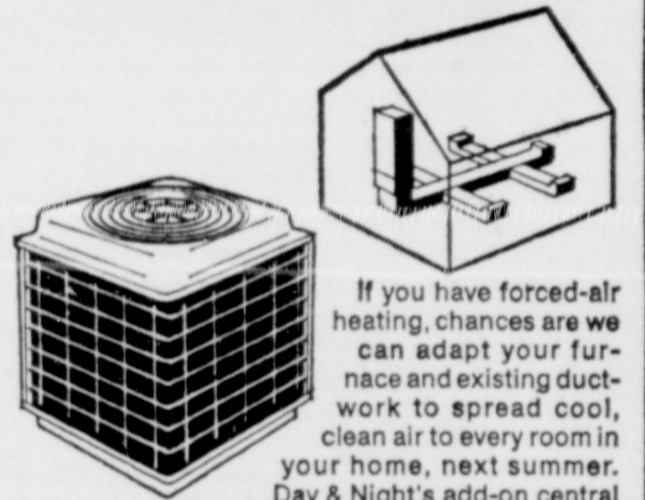

There will be a hog producers meeting Thursday, May 6 at 8:30 p.m. at the NFO office in Friona (Mabry Building). The meeting is being held to inform hog producers what they can do to get better pork prices. This meeting is for members of NFO and also non-members. Every hog producer in Parmer County is invited to attend.

Little Dribblers Second In National Tourney

Friona's Little Dribblers came within two points of being crowned national champions in the second annual national tournament last weekend in Levelland.

The Friona team won three games in the tourney, but were hampered by fatigue on Saturday, and could not hold a lead which had been as much as nine points in the finals.

Friona downed Cochise County, Arizona in the first round, 28-25. The team came back on Friday with a 38-31 win over Van Horn.

The Little Dribblers lost to Meade, Kansas, 27-23 in an early game Saturday, battled back with a 31-27 win over Seagraves in the afternoon, and then dropped a 26-24 decision in the finals to the Kansas team.

Saturday morning, Friona met Meade, Kan. in an 8 a.m. game. Friona went to the dressing room with a 10-8 lead after a very slow first half.

The second half was to be a preview of the championship game, as Friona's only point production in the third quarter was Mark Neill's only field goal of the game. Meantime, Marvin Stoll, a little redhead, made four consecutive field goals from 15 to 25 feet to account for eight of his team's 11 third quarter points as the Kansas took a 19-12 lead.

Friona outscored Meade, 11-10 in the final quarter, but could not overcome their bad third quarter.

The Friona team overcame their morning performance with a 20-point second half, to down Seagraves 31-27 after trailing by four, 15-11 at halftime.

"We felt this was our best game of the tournament," said Neill, as the winput Friona back into the tourney finals.

In the finals, Friona was brilliant in the first half, taking a 17-8 lead into the dressing room. However, the second half was like a different game.

Fatigue began to be a factor on Friona, with Broadhurst getting his fourth foul and missing

most of the half. Friona's only points were three free throws by Mark Neill, as Meade cut Friona's margin to 20-19.

Keith Martin scored all of Friona's four points in the final quarter, but Meade scored seven, to give them the championship by two points, 26-24.

Broadhurst led the team's scoring during the tournament with 51 points, Neill scored 43 and Keith Martin 23.

Standing are Jeff Whiteside, Jerry Martin, Keith Martin, Mike Blackburn and Chris Ingram. Kneeling are Edward Castillo, Mark Neill, Leslie Broadhurst, Sammy Felder and Randy Waggoner.

Senior Little League Kicks Off On Tuesday

The Friona-Bovina-Farwell Senior Little League will kick off its second season next Tuesday, with three games scheduled.

Again this year there are two teams from each of the Parmer County cities. Friona teams are Bengier Air Park and Hi-Plains Feed Yard. Bovina entries are Charles Oil and Sherley Grain. From Farwell are the Helton Oilers and the Bankers.

For the opening game, Friona will inaugurate its new Little League park when Bengier and Hi-Plains, the two local teams, square off.

Other games on Tuesday are Sherley vs. Charles Oil and Helton Oilers vs Farwell Bankers.

Next Thursday, May 13, the schedule is Bengier at Sherley Grain; Helton Oilers at Hi-Plains and Charles Oil at Farwell Bankers.

The complete, confirmed schedule will be presented in next week's edition of the Star.

The tentative schedule begins on May 11 and runs through June 29, with games on Tuesdays and Thursdays.

Plans are also being made for a dedication ceremony for the new Little League park.

Mrs. Jessie Lappin Hosts Meeting

The Baptist Young Women of Calvary Baptist Church met in the home of Mrs. Jessie Lappin at 9:30 a.m. Thursday. Mrs. Donnie Gibson was a special guest.

Eleven members were present.

The group will meet Thursday, May 6, with the Women's Missionary Union at Calvary Baptist Church.

The next regular meeting will be May 13. A box of supplies for patients of the State Hospital at Wichita Falls will be packed for mailing.

Project Outreach was discussed as a project for the group for the coming year.

Butler Soars To Top Height

Steve Butler, West Texas State University sophomore, cleared 6-8 in the dual meet with Wichita State University last weekend--his top effort of the year.

Butler, whose parents, Mr. and Mrs. Curtis Butler live at 310-10th St. in Friona, placed second in the meet.

The former Canyon High School athlete will compete again this weekend in the Missouri Valley outdoor meet.

BE KIND TO ANIMALS WEEK—May 2-8

BE KIND TO ANIMALS week; officially designated as May 2-8 has stimulated a new labor movement—"The Union of Working Cats."

The "Union," formed by Friends of Animals, will press merchants to "stop operating as kitten factories," according to Alice Herrington, president of the humane group with headquarters in New York City at 11 West 60 Street.

Stores, institutions and individual pet-owners who send proof that their cat was spayed or altered will be awarded an emblem to affix to a window. The slogan reads:

"In return for Service, Companionship and Trust We give Love, Care and Protection."

The cat in the photo, above, is portrayed on the emblem.

A GAS outdoor grill gives food a tangy outdoor flavor without the time and bother of charcoal fire. Char-broiled flavor comes from the smoke of meat juices dripping on hot briquets. Charcoal itself provides no flavor.

Permanent ceramic briquets in the gas grill reach cooking heat in a few minutes, and there is no long wait to start cooking. The heat is regulated manually so there is no need to move a grill up or down.

Junior Band Wins Superior

The Friona Junior High Band competed in Lubbock Tuesday April 27 at the Region XVI UIL Junior High Band Contest and was awarded the special award plaque.

The plaque is given when a band receives First Division (Superior) ratings in concert performance and in sight-reading. The earnings of this year's award gives the Friona Junior High Band a string of five consecutive Special Award Plaques.

Only two of the 14 bands in Friona's division received the superior rating.

Cycling for Cleaner Air

To an increasing number of the younger generation of high school and college students, "doing their own thing" means taking an active part in the nationwide drive for less air and water pollution. The youngsters have taken the lead in the back to the bike movement, riding to classes, riding to work and riding for pleasure, because they know that bikes don't pollute. During American Bike Month in May, cyclists of all ages should get their bikes inspected to make sure they are in good operating condition, and make sure they know the rules of the road for safe cycling. "Safe Bike. Safe Driver" is the goal for Bike Month this May.

"AG" DAY

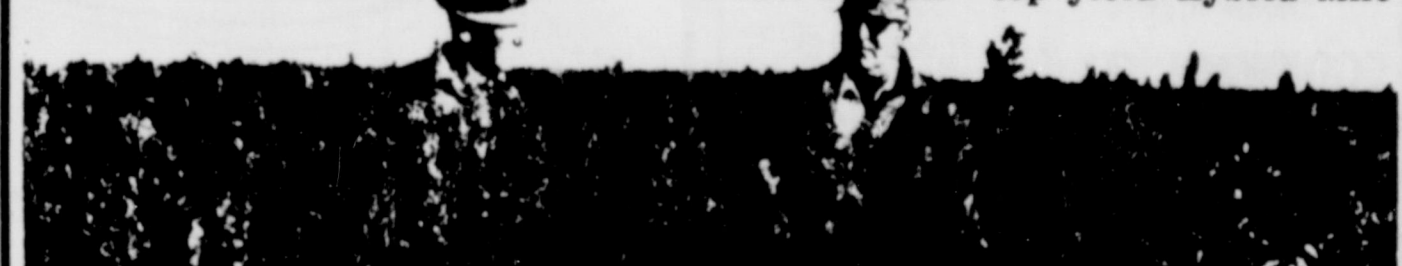

Anthony's To Attend D. C. Fete

GSPA President, A.W. Anthony, Jr., and Mrs. Anthony of Friona, Texas, will attend President Nixon's "Salute to Agriculture Day" on Friday, May 7.

Mr. and Mrs. Anthony received a telegram from Secretary of Agriculture Hardin in behalf of President Nixon inviting them to attend the all day session. A special program is arranged for the ladies while the men are hearing the administration's plans for agriculture. That night they will be the guests of President and Mrs. Nixon for dinner at the White House.

About sixty agricultural leaders from across the nation and their wives have been invited to this special occasion. The Anthony's will leave Lubbock at noon Thursday and return Saturday.

Homemakers Are Invited Winners Announced In Essay Contest

Members of Friona Young Homemakers are inviting every homemaker in the area, who is interested in seeing a cake decorating demonstration, to attend their regular meeting this week.

The meeting will begin at 4:00 p.m. in Friona High School cafeteria.

Two guests, Mrs. Leo Ruzicka and Mrs. J.R. Bartlett, both of the Hub Community, will present the demonstration.

Baby sitters will be provided.

The Friona Woman's Club this week announced the winners in the club's essay contest on the pollution problem.

First place winner was Lisa Edelman, who received a prize of \$5.00 in cash. Elaine Dandridge was second, and received \$3.00; and Joe Lafuente was third, and received \$2.00.

The club cited for honorable mention the essays written by Ross Middleton, Oralia Ramirez, Linda Anthony and Susan Bentley.

"The club was quite pleased with the response to the contest, as 18 essays were submitted. Most of them were very good, and showed that some research and thinking had been done in regard to the pollution problem," a representative of the club stated.

A committee of five persons judged the essays.

Some of the comments from the top three essays were deemed worth mentioning here:

"We have killed enough plants, animals and people by our pollution. It is a modern sin that will soon destroy all

living things."

"What are people doing to stop pollution? Help before it gets worse."

"The average family throws away about 84 lbs. of garbage every week--But it won't just go away--Don't run away from pollution, help stop it, Now!"

"I really do care about America and about pollution. I would like to keep America beautiful and I will."

"The main cause of pollution is man and if man is to get rid of it--Man is going to have to fight and fight hard."

"Just think pretty soon it's going to be the end of the line, so do something before too late."

"Pollution is the worst enemy the earth, and man have ever had."

"Will pollution ever stop? The answer is "Yes, if we all try hard enough."

"Pollution is a very bad thing--because it stinks."

"In Friona, we don't have much pollution, because we don't have any factories--People could stop smoking--that causes pollution, too."

"We've got to help stop pollution for the sake of us and the young people who would like to grow up. Just as we old folks have, and still hope to."

"Pollution makes people sick--animals are dying--We don't need it--Please help prevent pollution."

"God brought us into the world to do some good, not destroy it. So let's take our part and solve the problem of pollution."

"I really wonder sometimes if people realize what they're doing to bring on pollution! It isn't the factories that go on picnics and don't pick up the trash."

"All the people today want to do is fight the problems with their tongues! They don't want to get rid of pollution or they would get up and do, instead of talk."

Girl Scouts Report

Girl Scout Troop 266 met Thursday afternoon at Girl Scout House. Those participating in the flag ceremony, which was conducted outside, were Rene Brock, Sharla Duggins, Shannon Parr, Joanna Merritt and Detricia Miller.

Following a scavenger hunt and session of outdoor nature games, refreshments were served by Maria Escalante, Rene Brock and Tina Milligan.

Four troop grandmothers were chosen. They were Mrs. C.L. Mercer, Mrs. A.H. Boatman, Mrs. Lura Bradley and Mrs. Opal Buchanan.

Twenty-seven Girl Scouts and three leaders, Mrs. Tom Mason, Mrs. Johnny Miller and Mrs. Kenneth McLellan, were present.

VONDALE BLEEKER, . . . Mr. and Mrs. Vernon Bleeker, 1800 West Birch, Muleshoe, have announced the engagement and approaching marriage of their daughter, Vondale, to Joe Bob Mann, son of Mr. and Mrs. Joe Mann, Friona. Wedding vows will be exchanged Friday, June 11, at 8:00 p.m. at First United Methodist Church, Muleshoe. Miss Bleeker, a 1967 graduate of Muleshoe High School and former student of West Texas State University, Canyon, is an employee of First National Bank, Muleshoe. Mann, who is a 1967 graduate of Friona High School and also a graduate of Denver Automotive Institute, is currently serving in the United States Navy and is stationed at Charleston, South Carolina. Wedding invitations are not being mailed locally, but friends of the couple are invited to attend.

KRITA LOIS MORRIS, . . . Mrs. C.H. Steele of Bovina has announced the engagement and approaching marriage of her daughter, Krita Lois Morris, to Barry Jay Potts, son of Mr. and Mrs. Cordie V. Potts of the Rhea Community. The couple plans to exchange wedding vows at the Potts home Saturday, May 29.

Officers Installed In Formal Ceremony

Future Homemakers of America officers for the coming year were formally installed in a ceremony in Friona High School Library at 7:30 p.m. Monday. Susan Floyd and Gay Welch, outgoing presidents, conducted the installation.

Incoming officers were advised of their duties after being escorted by outgoing officers. The organization's colors, red and white, were used in decorations and the purposes of the organization were explained.

Those installed were Jill Riethmayer, president; Carol Reeve, first vice-president; Rhonda Bauer, second vice-

president; Lou Whaley, third vice-president; Carolyn Murphree, fourth vice-president; Annette Reznik, fifth vice-president; and Mary Beth Bennett, treasurer.

Also Diane Day, historian; Glenda Reeve, parliamentarian; and Janice Milner, secretary.

A report of the state convention was made by Kathy King and Sarah Gammon. Gifts were presented to Mrs. Ernest Osborn and Mrs. Dale Guber, chapter advisors, by Susan Floyd and Gay Welch. Then Miss Riethmayer presented gifts to Miss Floyd and Miss Welch.

Local Piano Pupils Participate In Audition

Mrs. Eva Miller and Mrs. Johnnie Walters, members of the National Guild of Piano Teachers, entered sixty-two piano students in the guild auditions, which were held at Federated Club House Thursday, Friday and Saturday of last week.

The judging was done by Mrs. Ruth F. Reese of Denver, Colorado.

The number of pieces played by each student determined his type of membership.

Local members with two or three pieces were Tommy Ashley, Della Snyder, Bryan Snyder, Trip Horton and Dorothy Johnston.

District members with four to six pieces were Jimmy Menefee, Cathy Chesher, Phillip Veazey, Pamela London, Debbie Menefee, Cindy Cleveland, Mindy Moseley, Cindy Cleveland, Diane Westbrook and Vanda Brock.

Also Melodi Dixon, Paula London, John Carson, Carolyn Murphree, LaDonna Broadstreet, Phillip Duggins, Kathy Horton, Mike Messenger, Teresa

Love Is Theme Of Church Meeting

A program entitled "Love Is Trusting," was presented by Mrs. Carl Maurer at the recent meeting of Women's Fellowship of Union Congregational Church. She was assisted by Mrs. Bert Shackelford.

Others present were Mrs. R. B. McKee, Mrs. Scott Weir, Mrs. Paul Lee, Mrs. Malinda Schlenker and Mrs. Lillie Taylor.

Refreshments were served by Mrs. Malinda Schlenker, hostess.

Who's Who Lists

Jim Bob Jones

Jim Bob Jones was among the honorees receiving some 125 awards at the Honors Day Convocation at North Texas State University Thursday afternoon, April 29.

The event is sponsored annually by Mortar Board, honor organization for senior women.

Jones, a 1967 graduate of Friona High School, will be listed in the 1971-72 volume of "Who's Who Among Students in American Universities and Colleges."

Club Members

Plan Trip

A meeting of Friona Woman's Club has been planned for Wednesday, May 12. Members of the club will meet at Federated Club House at 2:00 p.m. Then will go in a group to King's Manor, Hereford.

Mrs. Ethel Bengler requests that all members be at the Club House on time with cookies to be served to residents of King's Manor. She also suggests that each member check her club book and prepare for roll call.

Study Club Sponsors Healthy Baby Week

Healthy Baby Week, May 9 through 15 has a long-range goal: prevention of birth defects. Beginning on Mother's Day, members of The National Foundation-March of Dimes and the New Horizons Junior Study Club will speak out on prenatal care as an important step in this direction.

"Seeing a doctor early and regularly during pregnancy is a must," says Mrs. Walter Cunningham, President of New Horizons Jr. Study Club. "Professional scrutiny at this time can detect possible danger to the unborn baby."

Women who fail to seek prenatal care, either through a private physician or at a clinic, may be putting themselves and their children to needless risk. Today, a mother certainly

should be warned against smoking. There is no longer any question about the link between cigarettes and low birth weight, often a threat to the child.

Every woman should have medical advice about proper diet, nutrition and vitamins. If toxemia is spotted early enough, the condition can be corrected. A woman exposed to infectious illness, particularly venereal disease, should have prompt treatment.

Haphazard self-medication or use of home remedies is another danger that a woman should avoid. She should take only what a doctor or nurse recommends.

Healthy Baby Week is just the time to make people aware of the rubella vaccine and Rh serum. Both can save lives. Healthy Baby Week is a national public health education project sponsored by The National Foundation-March of Dimes and supported by leading service groups. Events this year that

the New Horizons Junior Study Club has been involved in include the annual Preschool Vision Screening Clinic, patterning Mrs. Darrel Thompson in her presentation on Mental Retardation to Emilea Smith Study Club at Morton and our study club.

Four Healthy Baby Week posters will be displayed at the hospital, bank, post office, library and other local businesses and the mother of each new baby born at Parmer County Community Hospital during Healthy Baby Week will receive a red rose.

DR. HERBERT DILL

Concept-Therapy Lecture Scheduled For Thursday

The area study club of the Concept-Therapy Institute of San Antonio will sponsor a free informative lecture on concept-therapy at Friona Country Club Thursday evening, May 6 at 8:00 p.m.

The lecture will be presented by Dr. and Mrs. Herbert Dill, teachers and representatives of the institute, which is a non-profit educational institution.

Dr. Dill, who has been with the institute since 1955, has lectured all over the United States and in New Zealand. Mrs. Dill, who holds a master's edu-

Two Frionans Initiated Into Delta Kappa Gamma

The Iota Eta, Iota Zeta and Delta Xi Chapters of the Delta Kappa Gamma Society formally initiated new members in a formal ceremony in the Hereford Community Room Saturday.

Mrs. Eloise McDougal, Hereford, was the installing officer. She was assisted by presidents of the three cooperating chapters.

Frionans initiated into the membership were Mrs. Mary Bavousett and Mrs. Billie Dodd. Mrs. Margaret Duggins was re-instated into membership.

A noon luncheon followed the

installation. After the luncheon a brief Founder's Day program was presented by Mrs. Alice Cowan and Mrs. Faun Welker, Dimmitt.

Tentative plans were made for participation in the Alpha State Convention, which will be held in Amarillo June 10, 11 and 12.

Other Frionans attending the meeting were Mrs. Ethel Bengler, Mrs. Wana Brewer, Mrs. Lois Miller, Mrs. Martha Bates, Mrs. Coleman Moseley, Mrs. Fay Reeve, Mrs. Byron Hardgrove and Mrs. Frank Truitt.

Brother Of Frionan Awarded Flying Cross

U.S. Air Force Major Charles D. Peterson, son of Mr. and Mrs. J.O. Peterson of Lamesa, has been decorated with the Distinguished Flying Cross for extraordinary aerial achievement in Southeast Asia.

He is the brother of Mrs. James Procter, Friona. Major Peterson, a navigator, distinguished himself while flying a special military operation conducted by the Joint Chiefs of Staff.

When his aircraft's primary navigational system became in-

operative, the major's professional skills enabled him to keep the aircraft on course, avoid enemy ground fire and safely complete the mission.

He was honored at McClellan Air Force Base, California, where he now serves with a unit of the Aerospace Defense Command, which protects the U.S. against hostile aircraft and missiles.

He is a 1961 graduate of Lamesa High School.

Mac Hancock Is Honored At Tulane

Mac W. Hancock III, a 1967 graduate of Friona High School and a Tulane University law student from Farwell, has been presented a key in recognition of scholastic achievement in the 1970-71 Moot Court competition at Tulane.

Moot Court is a program of competitive court cases designed to provide law students with

practical experience in the presentation of cases in court. Hancock, who was the third rank student scholastically in the 1967 graduating class, attended Texas Tech University, Lubbock, before enrolling at Tulane University, where he is now classified as a junior.

His parents are Mr. and Mrs. Mac Hancock Jr. of Farwell.

Cub Scout Happenings

Cub Scout Pack 56 of Friona met April 22, 1971 in the Grade School Auditorium.

The meeting was called to order by Robert Alexander. Den 7 presented the flags and led the audience in the pledge of allegiance. The Scouts then explained what each part of the pledge meant to them.

Cub Master, Pete Hollis, then presented past Cub Master, Eugene Bandy, with a gift of appreciation for his services in behalf of the Friona Cub Scouts.

There was an awards presentation to the following boys: Randy Richards, Bear; Joel Light, Wolf; Bobby Thompson, Wolf; David Fleming, Bear; Eddie Wilkins, Wolf; Leon Evans, Bobcat; Jimmy Evans, Gold and Silver Arrow Point in Wolf Rank; Robert Alexander, Wolf and two Gold and one Silver Arrow point in the Wolf Rank; and Mark Bavousett, Wolf.

Larry White earned athlete, engineer, naturalist and artist, but was not present to receive the badges.

The program theme for the month of April was "Vaudeville." In the skits performed by the different dens we saw strong men, clowns juggling, straightmen and monkeys taking over their trainer.

We also were entertained by a ventriloquist and his puppet, hand dancers, a commercialist and a human pyramid, and some good, old time, straight jokes.

I think all the people in the audience will agree that the Den Mothers, Mrs. Bill Nazworth, Mrs. Bob Owen, Mrs. Pat Fleming, Mrs. Joyce Wilkins and Mrs. Burito all deserve a pat on the back for jobs well done.

There was a discussion on the possibility of the Boy Scouts in Friona getting another building. After the brief business discussion, Den 1 had the closing ceremony and retired the colors.

Den Meetings:

Den 1 met April 20 in the home of Mrs. Bill Nazworth, Den Mother. The boys worked on a skit for the pack meeting.

Refreshments were served by Leon Evans and Bret Moore, Mark Nazworth, Mark Pankratz, Rudy Pena and Jimmy Evans.

Den 7 Cub Scouts met April 19 in the home of their Den Mother. The twelve boys present worked on the flag ceremony for the pack meeting and planned an outing for Saturday, April 24. The Den 7 Cub Scouts

will clean the grounds at the Little League Park, and the American Legion Hall.

The boys were to take sack lunches with them on Saturday. Refreshments were served.

Pack 56

The Cub Scout leaders of Pack 56 met Tuesday evening April 20 in the Boy Scout House. Mayor Raymond Fleming and City Manager Jake Outland were guests at the meeting.

Plans were discussed for a new Boy Scout House and means of maintaining the meeting place once obtained.

The Scout leaders and committee members would like to extend an invitation to anyone who is interested in scouting to attend their meetings each second Tuesday of the month, also their pack meetings each fourth Tuesday night of the month.

Vikki Young Is Honored

Vikki Young of Clinton, Maryland, who is a senior in high school, is currently the Junior Miss of Crescent Cities. She was recently advised that she had been named an Outstanding Teenager of America for 1971.

Nominated by her high school principal, she is one of four students from the school to receive this award in nationwide competition.

Miss Young, the daughter of Doris Taylor Young and the granddaughter of Mrs. Lillie Taylor, Friona, is now being considered, along with other award winners, for her state's outstanding Teenager of the Year Trophy and a \$1,000 national scholarship.
