A scale in every home might be very beneficial to personal health, for weight is an excellent guide to future well-being -and should be watched carefully.

There is no short-cut to weight control. With each person, it is an individual problem, and subject to personal discipline.

Normal living and eating are likely the keys to health. If over-weight or underweight, see your Doctor. He is the one qualified to determine the necessity and prescribe for such treatment.

Only with his guidance should you engage in any weight control project.

IT'S GUARANTEED" WASHABLE

Here's a completely new, completely different paint for walls and woodwork throughout your home, that's ready-to-use; so easy to apply and guaranteed* washable. SUPER KEM-TONE combines breath-taking beauty with an amazing ability to resist dirt and soiling.

SUPER KEM-TONE forms such a tight, impervious coating that, unlike ordinary flat paints, dirt cannot penetrate its lovely finish. Dirt washes off easily!

SUPER KEM-TONE gives you practically an unlimited range of gorgeous colors, from lovely light shades to beautiful, new, easy-to-use deep tones. And they all go on easily and uniformly with brush or Roller-Koater. over almost any interior surface, including wallpaper.

DIRT JUST CAN'T GET A "FOOTHOLD" SUPER KEM-TONE'S tight, non-porous surface, a new achievement of paint chemistry, prevents dirt from penetrating.

EVEN INK WASHES OFF EASILY Spatter ordinary ink on it -instead of soaking in as on ordinary flat paints, it remains on the surface and is easily washed off.

SCRUBBING DOESN'T HARM IT Tests show SUPER KEM-TONE will withstand repeated washing with the usual household paint cleaners without impairing its beauty.

AMERICA'S TOP VALUE IN THRIFTY HOME BEAUTY

KEM-TONE ... the oil paint that mixes with water ... is your outstanding value in good home decorations, where the extreme washability of SUPER KEM-TONE is not required. For economy, for ease of application, for the beautiful decora-tive effect of a flat marte finish, KEM-TONE is the choice of millions. Thinned with water, a gallon of KEM-TONE makes a gallon and a half of paint, ready-to-use, at the amazingly low cost of only \$2.73 per gallon.
