

OUR MOST successful football contest, in terms of participation, has just ended, and as usual, it has provided a lot of fun for sports fans of the Friona area.

The number of entries in the contest this year was a whopping 2313 or 177 per week, and was up 25 per cent from last year.

As usual, the contest went right up to the last game before the champion was crowned, and has been the case more often than not, ties had to be settled for one of the top spots, this year for the third place spot.

One thing that makes the contest successful is the little "side races" that various contestants have going among themselves.

Sometimes the races are between a man and his wife (and sometimes the wife wins). Often, they are between employees within an office. And then, it may be a family group—or just someone out to beat "old so and so," regardless of whether they finish close to the top or not.

We have done our dead level best to pick games for the contest that (1) are of the most interest to contestants and (2) will give fans an opportunity of choice, with a minimum of "gimmie" games, so they can move up in the standings.

Also, in the case of college and professional games, we always try to include the top games each week that will be televised, as we think it means more for the contestants to be able to root for the team they picked in the contest.

We hope all of the participants enjoyed the contest this year, and if you should have a suggestion as to how we could improve the contest, we would be open to it.

At one time we considered the idea of doing away with the grand prizes and paying more cash to the weekly winners. But due to the fact that so many contestants place so much emphasis on their standing in relation to other contestants, we dropped this idea at least for this year.

But if anyone has an idea, please let us know, and we will consider it for next year.

Meantime, a heap of thanks is due to the 12 sponsors who made the contest possible. A number of these have been sponsors for several years, and they are greatly appreciated.

IN RESPONSE to a letter to the editor last week concerning water pressure in the western portion of Friona, City Manager Jake Outland called this week to inform us that work is currently underway which he hopes will alleviate the situation.

One project is the installation of automatic controls for the city's water storage tanks, which will keep the water level at a point to insure maximum pressure.

The system of controls is expected to be in operation within ten days or two weeks.

Also in the works is the drilling of an additional city water well, along with possible additional storage, all of which, the city leaders hope, will solve the pressure problem.

THE MEMPHIS COMMERCIAL Appeal reported yesterday about a major midwestern city where the police department one day asked city officials how it happened that a brand new city car had been parked for several months behind the police station and never used.

It was discovered that the automobile had been purchased for the city's legal adviser. More checking turned up the embarrassing fact that the city did not have a legal adviser.

That being the case, it might seem logical to sell the car. Nope! The city fathers are going all out to hire a legal adviser to go with the car.

"Did your paper say that I was a liar and a scoundrel?" demanded the office visitor? "No sir," replied the editor. "It must have been the Times. We never print stale news."

A MIDLAND oil tycoon just shelled out \$2 million to an interior decorator. He installed well to well carpeting.

CONTEST WINNER. . . . Andrea Wilkins is presented two tickets to the 1973 Cotton Bowl game and a check for \$30.00 by Bill Ellis of the Friona Star. Miss Wilkins, who led the standings for several weeks, held on for a one-point win in the race for grand prize.

FAMILY WINNERS. . . . Larry Broyles and his mother Joyce kept two of the top three prizes in one family in the Star's football contest. Larry captured second, with Joyce taking third place after winning a tie-breaker count with two other contestants.

GRID CONTEST

Anndrea Ekes Out One-Point Victory

Anndrea Wilkins, entering the final week with a three-point lead, hung on for a one-point victory in the race for grand prize in the Friona Star's football contest.

Members of the Bearl Broyles family captured both second and third places, with 13-year-old Larry Broyles claiming the second grand prize, and Mrs. Broyles (Joyce) winning third after breaking a three-way tie for that position.

Anndrea won by the margin of one point, scoring 149 to 148 for young Broyles. Three tied for third place with scores of 147.

The grand prize winner received two tickets to the Cotton Bowl Game in Dallas January 1, between Texas and Alabama, plus \$30.00 in cash.

Second grand prize winner received two tickets to the Sun Bowl Game December 30 in El Paso, between Texas Tech and North Carolina University.

Third place winner received \$15.00 in cash, the equivalent of two season tickets to the Friona Chiefs' games.

A tally of the tie-breaker scores for the season was necessary to settle third place in the contest. Mrs. Broyles, along with Eugene Bandy and Mal Manchee came out tied for third. The winner had an amassed 219 point spread on her tie-breaker guesses, to 225 for Bandy and 244 for Manchee.

By winning, Miss Wilkins kept a tradition going in her family, as her father Waymon

won the contest in 1964, and tied for first in 1960.

Waymon admits to giving some advice to Anndrea during the course of the contest, but says that on most of the toss-up games ("and there were several this year.") that Anndrea picked those, and most times managed to pick the winning team.

The final week was a rough one for most contestants, including the pace-setters. Miss Wilkins scored a nine, which was good enough to assure her win. Larry Broyles' 11 moved him into undisputed second place.

The final week found two contestants, Ralph Broyles and Mrs. Albert Johnson, tying for first with 13 correct games, and each missing the Dallas-St. Louis tie-breaker by nine points. Kay Dyess, who also picked 13 games, won third place by being 13 points off on her tie-breaker.

A fourth contestant, Edward White, also waded through the upsets to pick 13 games correctly, but had to settle for a cup of coffee as consolation prize.

A record 2313 entries were made in the 1972 contest. A total of 134 contestants stayed in the competition well enough to score over 100 points.

Development Board Approved For Friona

The Friona city council approved the establishment of a Board of City Development, stalled a request for a rate increase by General Telephone Co. and annexed an additional three lots in the Staley Addition in a busy session Monday night.

Acting on the request by Chamber of Commerce president Dale Cary, and as authorized by a state ordinance, the council voted to establish a local Board of City Development, which would be entitled to be financed by up to

PHEASANT SEASON SET

Factors Working Against Hunters

The nine-day pheasant season begins in Parmer County on Saturday, but apparently two factors will be working against the hunters. The season runs December 9 through December 16.

One will apparently be the weather, which at this writing was predicted to be snowy and cold. Another is the fact that the birds are expected to have more cover this year than in the past.

Jack Patterson, president of the Parmer County Game Management Association, said last week that the pheasant population appeared to be good, but predicted that the hunting this year was apt to be harder than usual.

Main reason for the harder hunting is the fact that the grain sorghum crop was late in being harvested (in fact, some still is yet unharvested), and only a small percentage of the

stalks have been shredded. Thus, there will be much more stubble area for the birds to hide in than in a normal year.

The limit will be the same as it has been in past years—two cocks per day and four in possession. Heads and feet of the birds must be left with the carcasses. Hens are not legal game.

Pheasant season has become a popular time of the year for hunters. Many out-of-county hunters usually make an appearance to join in the hunt.

To spur the hunters along, cash prizes are offered in Friona, Bovina and Farwell, for the longest tail feather. Three places are paid \$15.00, \$10.00 and \$5.00. A plaque then is presented to the hunter whose feather entry is the longest in the county.

Friona Consumers is the official entry station in Friona, and is one of the cash prize donors.

Santa Sets Visit To Friona

Dale Cary, Friona Chamber of Commerce president, announced this week that arrangements have been made to have Santa Claus appear in Friona on Saturday, December 16.

Old Saint Nick will take time out of his busy schedule for a visit here on December 16.

Santa will mingle in local stores both afternoons, between the hours of 1 and 5 p.m. He will take time to visit with all of the small fry, and get their wishes for Christmas. He also will be provided with a bag of candy by the Chamber of Commerce, to distribute to his young friends.

Local mothers are asked to circle December 16 on their calendar and bring their children in to see Santa Claus on that date. It will not be necessary for them to take their children out of town to see Santa Claus.

Santa Claus is a pretty busy person, especially this time of year, and the local Chamber of Commerce is to be commended upon being able to bring him to Friona during the busy month of December.

Temp Goes Down But Maize Is Up!

The Friona area braced against winter's worst blast this week, as a fast-moving arctic front plummeted the temperature to a record-breaking two degrees on Wednesday morning.

The mercury dropped swiftly on Tuesday, in the face of the cold polar air which came in about 10 a.m. Tuesday had started out on the warm side, and had reached 56 degrees by 10 a.m. However, in an hour's time, the mercury had dropped to 30 degrees, and it continued to drop throughout the day.

Harvest activities have continued on an "on again, off again" basis during the past week, due to the cold, and heavy frosts of several mornings. However, major strides were made by some to get their milo out, and the cotton harvest at least was able

to make a beginning.

One source said the harvest could be virtually finished if the weather stayed clear this week.

Meanwhile, while the temperature was going down, the price of maize has been going up. The price stood at \$2.65 per hundred on Wednesday morning, and had been advancing at the rate of five cents per hundred each day for the past five market days.

This was the highest price for maize locally in quite some time. The price reached \$2.50 in May of 1971, and reached that figure several times in the early 1950s.

Arthur Drake, manager of Friona Wheat Growers, recalled that during the World War II years, maize prices soared, and at one time reached the highest he can recall—\$3.90 per hundred.

Residents Reminded Of Lighting Deadline

Friona residents were reminded this week of the deadline for the Chamber of Commerce's Christmas Lighting Contest, which is next Friday, December 15.

Chamber of Commerce secretary, Peggy Bryant, said Tuesday morning that she had as yet received no entries in the contest, which is offering three cash prizes totaling \$125.00.

All Friona residences which are decorated will be considered as entered in the contest, but Mrs. Bryant urged those who were decorating and want to make sure their homes are considered, to either call the Chamber office (247-3491) or mail in their address to the Chamber of Commerce, Box 905.

COLD HURTS

The extreme cold weather of the past week has hampered outdoor decorating although some have their lights up.

Chamber officials were hoping for a break from the weather, so that residents could get their

decorating done by the deadline.

Entries must be in, and homes decorated, by December 15, as the panel of judges will be viewing the homes on December 19.

First prize in the contest will be \$60.00 cash. Second prize will be \$40.00, and third prize will be \$25.00.

The contest is open to all residents of the Friona trade territory, farm homes included.

This is the fourth consecutive year for the Chamber to actively push a local lighting contest. The Chamber of Commerce officials feel that the contest has added significantly to the number and quality of Christmas decorations locally in recent years.

Entries in the contest will be judged on their theme, appearance and the work involved, each of the three divisions counting a third on the total grade.

Out of town judges will be secured to judge the decorations.

45 YEARS AGO—DECEMBER 9, 1927

On December 2, after the literary program of the Montezuma, the parents, teachers and well-wishers of the Friona school organized a Parent-Teachers Association with officers as follows: President—F.W. Reeve; Vice-President—Mrs. J.D. Hamlin; First Vice President—Mrs. E.R. Furlong; Second Vice-President—Mrs. F.S. Truitt; Third Vice-President—Mrs. Elmer Euler; Treasurer—Miss Ruby Haynes; Secretary—Miss Ella Mae Tannery; Corresponding Secretary—Mrs. D.H. Meade.

35 YEARS AGO—DECEMBER 10, 1937

There still seems to be considerable doing on the part of the contractors for the paving of Highway 33-60 from Friona east to the Deaf Smith county line, in the way of making surveys and the assembling of materials. Several of those who will be employed in the work have secured rooms or apartments and have moved their families to Friona. It has been rumored that there will be a WPA officer located here to look after this part of the work, but nothing definite along that line has yet been disclosed.

30 YEARS AGO—DECEMBER 4, 1942

C.L. Vestal, Jr., and Truett Johnson, while here last week on furlough, each favored the Star office with short visits, and expressed their appreciation of receiving the Star each week at their training stations. We always enjoy and appreciate these visits from our soldier and sailor boys.

20 YEARS AGO—DECEMBER 3, 1952

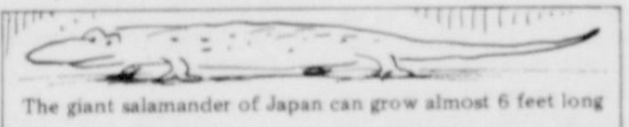

Parmer County farmers interested in natural gas for irrigation use are invited to a meeting at the Bovina School Auditorium Monday night, Dec. 8 at 7:45. This session is announced by officials of the County Farm Bureau, who have been negotiating for several months with officials of the West Texas Gas Company serving this area. Spokesman for the evening will be C.I. Wall, president of the gas firm.

15 YEARS AGO—DECEMBER 5, 1957

Friona Wheat Growers elevator now claims two world's records. Long undisputed in its claim of being the longest county elevator in the world, it now claims to have set the world record for receiving the largest amount of grain in one day. Manager Arthur Drake gives the following figures as the amount of grain received Wednesday of last week: A total of 789 truck loads—including 11,335,100 pounds of milo and 95,460 pounds of kafir. Total pounds received: 11,430,560 or over 200,000 bushels.

10 YEARS AGO—DECEMBER 6, 1962

A good turnout was registered at three Parmer County clinics last Sunday in the first stage of the mass immunization program against polio through the use of Sabin oral vaccine. A total of 4,270 persons filed through the lines at Friona, Bovina and Lazbuddie. "We were real happy with the turnout," stated Dr. Paul Spring, county health officer. A makeup clinic will be held this Sunday at Parmer County Community Hospital for those who missed last Sunday.

Pause and Reflect

By Nelson Lewis

I'M GOING TO "PASS THE BUCK."

The other day a young and very vigorous Friona businessman asked me "What does Friona need?" I answered as best I could, but after all that was only one man's opinion.

So, I'm passing the buck!

What do we need?

The Star has always been open to public opinion. Our "Letters to the Editor" section has provided lively comment on a variety of subjects.

Now is your chance!

What do we need?

Our potential for greatness is unlimited. Geographical location, climate, transportation, churches, schools, higher education, you name it and we've got it! Now how do we develop this "Jewel of the High Plains"? We will not advance by sitting still and waiting for Dame Fortune to wave her magic wand.

We can, and will, achieve our rightful place among the Panhandle Cities by determining our needs, establishing sensible, workable programs and following through despite Hell or High Water!

This is a job for everyone—men, women, and children, especially young people.

It is for them that we dream and build.

Let's not confuse suggestions for progress with gripes and adverse criticism.

There is a difference.

Anyone can gripe, fume and fuss.

They tend to tear down.

We need sincere builders.

What does Friona need?

Write us your suggestions—sign your name, it will be withheld if you so desire—but if you mean what you say, stand up and be counted!

As we approach our 200th birthday a great day is dawning for our Nation.

If you want to be a part of it get busy!!!

Sincerely Yours

By Rev. Albert Lindley

I'VE USED THIS STATEMENT in another place but I doubt if you received that letter so I don't worry about repetition here.

O yes, the statement. "The trouble with the world today is that too many people don't know when to come to an 8 o'clock meeting." Hal How does that get you?

Really this isn't a very good subject for me since I am not known for my punctuality—and so, as is the usual case when I talk about something of which I am guilty, I will treat the whole thing very lightly and rather coolly. . . (That is the way to do it, isn't it? Ever notice the parts of the Bible we don't read because it interferes with our own prejudice and thought of self?—That was unkind of me to pitch that in. . .)

I haven't used the good example of "Proper Preparation" ever since the Sunday I used it and then ran out of gas going home right in front of the home of the Chairman of the Administrative Board. . . who didn't always think my examples were so profound, anyway.

You probably have heard of the late Dr. Clovis Chappell—in fact he held a series of services here several years ago—I heard him once comment on the lack of consideration and thoughtfulness that was expressed by one who was late with an appointment, or any kind of a meeting. . . even the wife. . . or husband, if you are of the other gender.

Dr. Chappell went on to relate that the whole tone of a particular meeting can be set by the arrival time and attitude of the participants.

There are few events that call for at least some "getting ready" or action, if nothing more than just pushing a door bell or dialing a phone.

My real purpose for the topic today deals with your preparation for Christmas—not so much the decorative aspects of it all but the real, true meaning of Christmas.

Will "Christ-Day" find you with all of your packages properly wrapped—pudding made—candy cooked—and somewhat tired of it all and not really feeling the purpose for the real celebration. . . which is to acknowledge this as a time of celebration for the fact that God sent his love down for all mankind in the form of a little baby?

For your own sake, don't get caught late there, okay?

Church Embarks On Remodelling Program

First Baptist Church of Friona embarked this week on a remodelling program for the church's auditorium, which is to give the inside of the church building a complete "facelift."

During the time that the remodelling work is being done, the church will hold its worship services at the Friona High School Auditorium. Sunday school will be held in the regular classrooms, but will begin 15 minutes earlier, at 9:30 a.m., until the remodelling is completed.

The cost of the work is estimated at between \$42,000 and \$50,000. E.T. Ford, Muleshoe, is general contractor for the job.

All of the wood and pews in the auditorium is to be re-stained and finished. The large exposed beams in the ceiling will be stripped and restained a fruitwood color. The other wood in the building, including doors, will be stained to match.

New carpet for the auditorium will cover the entire floor, including under the pews. Indoor-outdoor carpeting is to be placed in the two foyer rooms.

The chandeliers in the auditorium are to be taken down, cleaned and refinished.

The size of the pulpit area will be slightly increased to provide for a larger choir capacity. The choir seating is to be curved, and several additional seating spaces will be added. A new "removable" rail will be placed in front of the choir. Rails will also be placed around the piano and organ.

A complete new sound system is to be installed. Acoustical improvements for the ceiling of the auditorium are planned.

Construction time is estimated at approximately three months.

The church's building committee is composed of Curtis Murphree, chairman, Betty Talley, secretary, Johnny Mars, Roy Miller, and Fern Sanders.

Kenneth Wyatt

**Western Art
Featured At
Local Bank**

The works of one of the Southwest's best-known artists, Kenneth Wyatt, will headline a one-day holiday art show at Friona State Bank on Friday, December 15, it was announced this week.

Wyatt is known across the country as the "Artist of the West today," and his work is purchased by many prominent people and organizations, such as Ken Curtis, Melvin (Doc) Stone, U.S. Steel, Levi Strauss and prominent names in politics, show business, ranching, cattle feeding and banking.

The show will be held at Friona State Bank's lobby and Community Room. The public is invited to view the work free of charge.

Also appearing will be paintings by Raymond S. Pease and Bob Moline.

The show is being presented through High Plains Gallery of Amarillo.

Ramond S. Pease also specializes in western art. His work has appeared in Outdoor Life, Sports Afield, Argosy, Adventure Magazine and the Saturday Evening Post. He painted many covers for Signet, Pocket-Books and other paper-back books.

The western pulp magazines contained his illustrations. He illustrated "The Hunting Dogs of America," which was purchased by the Library of Congress.

Bob Moline, of Comanche Indian heritage, is a member of the Inter-tribal Council, is an outstanding rodeo performer, and makes fine saddles with silver and gold handwork.

He himself is as near the real article insofar as the West, the cowboy and the cowboy artist is concerned as can be found.

A native West Texan, Wyatt is a Methodist minister, and is currently serving as evangelist for the Northwest Texas Methodist Conference.

Wyatt is especially known for his painting of horses, and it has been said that his horses can be judged as if they were on the show line.

The show is sponsored by Friona State Bank.

WINS TICKETS... Andy Hurst of Parmer County Implement Co. was the sponsor winner of two tickets to the Sun Bowl Game in El Paso. Hurst, a diehard Aggie, poses by his Super-Aggie poster in his office. By the way, Hurst is the Aggie on the left.

SPONSOR WINNER... Earl Chester of Chester Gin won a pair of Cotton Bowl tickets in a drawing among sponsors of the Friona Star's football contest. The late cotton season might prevent his going, Chester said.

Friona To Participate In Evangelistic Drive

At a meeting this past week at the Friona United Methodist Church of the Pastors and Laymen of several of the local churches, the first plans for an exciting, coordinated interdenominational program of evangelism were made.

Albert F. Lindley, pastor of the Friona United Methodist Church was elected General Chairman of a program which will seek to use 1973 as a year of intensive evangelism in which every church will have a significant role. The program has been entitled "Key 73."

OBJECTIVES LISTED

"The KEY 73 objectives are five in number," stated the chairman. "The program will

(1) seek to share with every person in North America more fully and more forcefully the claims and message of the Gospel of Jesus Christ.

(2) To apply the message and meaning of Jesus Christ to the issues shaping man and his society in order that they may be resolved. (3) To develop new resources for effective evangelism for consideration, adoption, adaptation, or rejection by the participating churches or Christian groups.

(4) To employ every means and method of communicating the Gospel in order to create the conditions in which men may more readily respond to the leading of the Holy Spirit,

and (5) To assist the efforts of Christian congregations and organizations in becoming more effective redemptive centers and more aggressive witnesses of God's redeeming power in the world."

SIX PHASES

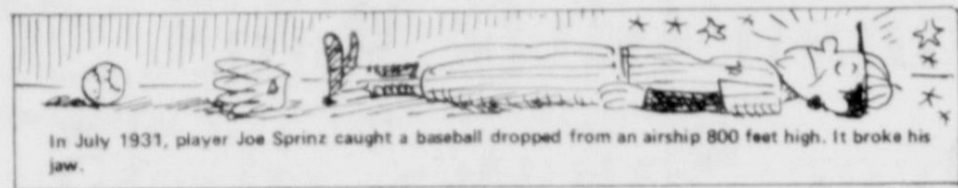

"The program is set up for six phases, calling our Continent to Christ," continued Brother Lindley. "Our community will be hearing more about the program as we enter the closing days of 1972. One of the first elements will be a 'noon-prayer call' which will be continued from Christmas Day until Saturday, January 6. Every person will be urged to take a few moments for prayer

at noon on each day, for the success of this great venture," stated Lindley.

"Can we imagine how broad-based the design of KEY 73 really is and what could happen when Christians in the United States and Canada join together to make known the Good News of Jesus Christ?"

"We will be a part of that program," concluded Reverend Lindley.

Daily Living Needs To Reflect Christ's Love

Read Revelation 21:22-27

Love one another with brotherly affection; outdo one another in showing honor. (Romans 12:10, RSV)

When I was in the hospital a few years ago, a man was brought in with dangerous high blood pressure and assigned to the other bed in my room. He was a stranger, and I was wondering if he was a Christian.

Soon he was inquiring if having the window open made too much draft on my bed. He asked if the light from his bed lamp bothered me. When my wife and other visitors came in, he kept his conversation toned down to avoid annoying us.

All this courteous interest in my welfare prepared me to find him reading the New Testament the first thing next morning. But his conduct had already brought to my mind a thought Paul had expressed in writing to the Romans: "Let each of us please his neighbor for his good, to edify him." It was obvious that the man with me in the hospital room was carrying his Christian credentials with him in his daily stewardship.

PRAYER: O God, help us to so clarify our everyday conduct that the light of Thy presence may shine through to others. May their inquiring glances find evidence that we are Thy followers. We pray in the spirit of our Lord. Amen.

THOUGHT FOR THE DAY: An audience of even one gives us opportunity for a Christian witness.

UNDERSTANDING AND COOPERATION between the hunter and the cook are two ingredients for tasty deer.

A good flavor is characteristic of wild game, but the undesirable "gamey" flavors of meat ruined before it hits the kitchen is another matter.

Flavor is a result of three factors-conditions of the game, handling in the field and cooking procedure.

Old, poor animals will be less tender than young ones, but range conditions are reported good throughout Texas this year, so likely game will be in good condition.

Proper handling in the field centers on proper cleaning and quick cooling.

Hunters generally agree that proper cleaning demands a well-placed shot in a vital area that doesn't rupture intestines or paunch.

Quick cooling delays spoilage, so the animal should be drawn at once. Move the animal so its head is uphill. Make a ventral cut from the base of the tail to the breast bone and roll the viscera out. Avoid slashing the intestines or stomach. Wipe the body cavity with clean cloths or paper towels, but don't use water.

Hanging the carcass will hasten cooling. Protect meat from flies and dust with muslin or cheesecloth bags which let air circulate. Heavy tarpaulins and airtight game bags keep body heat in and slow down cooling.

Proper loading and transporting the animal is essential to handling, most hunters caution. Carrying the animal-still wrapped in the protective cloth-on top of the car is recommended. Also, on cool days, the car trunk offers a safe place.

Avoid carrying the animal on car or truck hoods and fenders, as heat from the sun and the motor can ruin all previous good care.

Once the animal has been handled properly in the field, the cook should remember some basic rules for preparation.

Dry heat, such as oven roasting, broiling, pan-broiling and frying, is suitable for young and tender game. Basting with additional fat may be necessary if the meat is lean.

It is best to cook older and less tender game by moist heat, such as braising, stewing or simmering. Swiss steaks and pot roasts are cooked by braising. Add a small amount of liquid to meat cooked in a covered container.

Long, slow cooking tenderizes meat without drying it.

Hunters and cooks can obtain more information by requesting a copy of the bulletin, "Wild Game-Care, Cooking" (B-987), and a copy of the leaflet, "Field Dressing A Deer" (L-634), from my office. There is no charge for single copy requests.

No Allotments

For '73 Beets

Proportionate shares (farm acreage allotments) will not be established for the 1973 crop of sugarbeets. This determination was recently made by the Secretary of Agriculture in accordance with applicable Sugar-Act requirements.

This means that sugarbeet growers will not be limited to any specific acreage for the 1973 crop year. Of course, anyone planning to grow sugarbeets in 1973, should contact the sugar company (in this area-Holly) and enter into an acreage (grower) contract with them.

The first telephone directory in the U.S. was issued on Feb. 21, 1878 by the New Haven District Telephone Co. It contained about 50 numbers.

*It's a month before Christmas
And all through this store
The clerks are busy
Selling gifts galore.*

*There are toys for the kiddies
All sizes, and kinds
Our stock is quite complete
Cause we carry many lines.*

*Beautiful home gifts for Mother
Ones she would like to receive
All ready for Santa
To bring her Christmas Eve.*

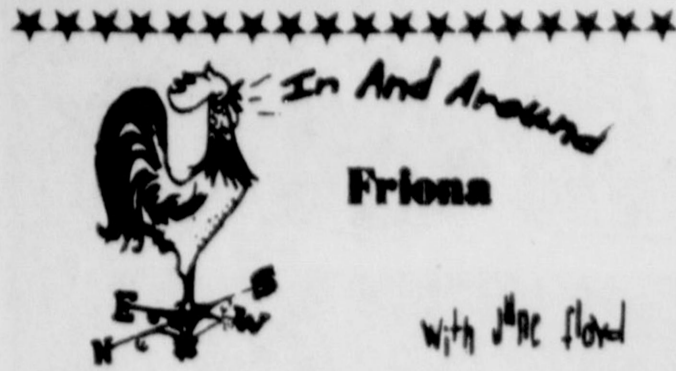

*And, don't forget Daddy
He's very special you know
Our sporting goods department
Has just the things to put
His heart all aglow.*

*Teenagers are wonderful
We love them all
And have many nice gifts
Just awaiting your call.*

*When all's said and done
We do have gifts galore
So, why not make Whites Auto
Your Merry Christmas store?*

Our town is growing. Construction is beginning on Pioneer Cattle Company's new building at the corner of Highway 60 and Pierce Street. Several new residences are under construction. Vacant lots in the Staley Addition and Western Addition are gradually being filled. Fifteenth Street, which is just north of the hospital is about filled on the south side.

By the way, does anyone know what happened to plans for our new Post Office? Did the change in the postal system eliminate building here?

Amarillo Airport was the scene of confusion for several Friona residents Wednesday evening. Some college students missed flights out of Dallas and then caught later ones as seats were available and everybody was several hours late.

Local couples had plenty of time for coffee drinking, talking and such until things straightened out. I'm sure those, who are farmers, forgot about weather, crops in the field and livestock for awhile at least.

Marion and Ruthie Fite, Louis and Mamie Lou Welch, John and Mary Bingham and John's parents, I think and Bob and Ouida Jones were all there at one time. By 3:00 a.m. everyone was back in Friona.

If you are interested in knowing who Donny Carthel's friends, who paid for the ad in last week's Friona Star are, just ask some of the younger people. Think everyone between 18 and 22 read first and last names of every nickname on the ad.

I, for one, am glad our young people have the sense of humor they do.

The Drake Addition is getting some new residents. Mr. and Mrs. Ron Awtrey and son, Mark, are moving into the former home of the Norman Kerrs on the north end of Jackson.

Mrs. Awtrey is the former Sandy Beene and teaches in Bovina. Ron is a farmer and cattleman.

Suggested mailing dates for armed forces overseas are: Europe-Belgium, Denmark, England, Finland, France, Germany, Greece, Italy, Norway, Netherlands, Portugal and Spain-Airmail, December 11; parcel airlift, December 1; space available mail, November 27.

FAR EAST-Antarctica, Australia, Burma, Indonesia, Japan, Korea, New Zealand, Okinawa, Philippines, Taiwan, Thailand and Vietnam-Airmail December 1; parcel airlift, November 27.

Suggested mailing dates for domestic mails (except Alaska and Hawaii) are: Surface Mail, Parcels December 10; Letters December 15; and Airmail, Parcels December 20 and letters December 21.

Judge and Ann Barker will soon have to adapt to having an equal number of males and females in their family. For a long time the fems were outnumbered, but that situation is changing this fall.

Butch and Linda have a new baby girl, which even though in the grandchildren department.

Eddie and Yolanda Pedroza were recently married. This makes the in-laws add up to two daughters-in-law and one son-in-law. Early next month John and Missey Renner are being married, and this will even the score.

Engagements Announced...

MARSHA ANN TIDWELL. ... Mr. and Mrs. W.B. Castleman, 2518 Sixth Avenue, Canyon, have announced the engagement and approaching marriage of their daughter, Marsha Ann Tidwell, to Harland Hugh Weis. He is the son of Leslie Weis of Friona. The wedding will take place at 7:30 p.m. Friday, December 22, in the First Christian Church, Canyon. Miss Tidwell is a 1970 graduate of Canyon High School and a sophomore at West Texas State University. Weis is a 1966 graduate of Perryton High School and served in the United States Navy four years before enrolling at West Texas, where he is also a sophomore.

Adult Baptist Choir To Present Cantata

First Baptist Church choir will present "The Story of Christmas," a Christmas cantata by John W. Petersen, on Sunday evening, December 10, at the High School Auditorium.

The public is invited to attend the program of music, which will begin at 7 p.m.

Soloists in the program will include Mrs. Melvin Lloyd, Mrs. Jackie Hight and Mrs. Lee Witten. The program is under the direction of Bill Myers, minister of music at First Baptist Church.

"The Story of Christmas is one of the latest by Petersen, and has a more modern touch," states Myers.

The choir will be accompanied by an instrumental group composed of trumpets, trombones, drums, and other instruments, directed by Charles Faulkner. Mrs. Eva Miller will play the organ and Gary Mingus will play the piano.

DELLA ELAINE WEBB. ... Mr. and Mrs. Donald A. Webb, Route 3, Amarillo, have announced the engagement and approaching marriage of their daughter, Elaine, to Dean Agee, son of Mr. and Mrs. Maynard Agee, Route 1, Friona. The couple plans to exchange wedding vows January 19, 1973 at 8 o'clock at the River Road Baptist Church, Amarillo. Miss Webb will be a mid-term graduate of Amarillo High School and is an employee of Cowtown Western Wear. Her fiancé is a 1970 graduate of Friona High School and a junior student at West Texas State University, Canyon. He is an employee of Randall Co. Feed Yard. Friends and relatives are invited to attend the ceremony.

Benson Boy Born In Minnesota

Douglas Lawrence is the name Mr. and Mrs. Darrell Benson of Forrest Lake, Minnesota chose for their second son. He was born November 19 there and weighed 9 lbs. 1 oz.

The Bensons have an older son, Dwayne, who is 2.

Mr. and Mrs. Cecil Sisk, Friona, are the maternal grandparents. Mrs. Sisk returned home early last week after spending two weeks in the Benson home.

Other grandparents are Mr. and Mrs. Carl Benson, also of Forrest Lake.

Great-grandparents are Bob Sisk, Bovina, Mr. and Mrs. R.P. Mayfield, Lamesa, Texas, Mr. and Mrs. Dolthie of Minneapolis and Mrs. Benson of Stillwater, Minnesota.

Ladies Society Elects New Officers

At the regular meeting of St. Teresa's Ladies Society on Tuesday evening officers were elected for the coming year.

Sylvia Roth was elected president, Jo Ann Berend, vice president, Toni Castillo, secretary, Evelyn Ball, treasurer and Helen Fangman, reporter.

The new officers will assume duties in January. The ladies also voted to use part of the proceeds from the sausage dinner to buy a new sound system for the church.

The members will make the different colored covers for the tabernacle recently put in our

church by the Knights of the Altar. Hostesses for the meeting were Irene Bernea and Evelyn Ball.

Homemakers

Meet Today

The regular monthly meeting of Friona Young Homemakers will be held at 4:30 p.m. to-day (Thursday) in Friona High School Cafeteria.

The Trebelaires, under direction of Eva Miller, will present a Christmas program entitled, "Sounds Of The Holidays."

Baby sitters will be provided. Anyone interested in the program is invited to attend.

Daughter Is Born To Eldon Cottons

Mr. and Mrs. Eldon Cotton, 1413 Warner Avenue, Los Angeles, California, became parents of a baby girl at 12:08 a.m. Monday, November 27.

She is the first child for the couple and was named Sarah Katheryn. She weighed 7 lbs. 1 oz.

Sarah Katheryn is also the first grandchild for Mr. and Mrs. Dalton Caffey. The paternal grandfather is T.A. Cotton, Pixley, California.

Mrs. Melissa Cotton, Visalia, California, is the great-grandmother.

Phi Kappa Phi Has Initiation

Thirty-three students and one faculty member of Eastern New Mexico University, Portales, recently joined the growing list of members in Phi Kappa Phi, national honor society for colleges and universities.

Two of the new student members are Michael Pavalus of Friona, son of Mr. and Mrs. Mike Pavalus, and Robert Tucker of Portales, whose wife is the former Fran Dodd of Friona.

WEDDING REMINDER

Friends and relatives of Missey Renner and John Barker are being reminded that the couple plans to exchange wedding vows at 6:30 p.m. Friday.

Vows will be read at Friona United Methodist Church.
