Callahan Jail Fugitive Captured In Alabama

Weldon Ray Waters, 23, one of two Alabama men who escaped from Callahan County jail at Baird July 14, was taken into custody in his home town of Birmingham, last Thursday.

It was believed by county officials that arrest was made by FBI agents there after having been requested by Callahan County Attorney James Paul Shanks to aid in the search.

Another escapee, Thomas Wesley Murry, 45, remains at large. Both men had been convicted of possession of narcotics by two Callahan County juries in 42nd District Court at Baird on June 24. Waters received a 35 year prison term and Murry was given 40 years.

The pair apparently gained freedom by forcing open three locked cell doors with a window sash weight, broom, pipe fitters and a mirror.

A warrant alleging escape from jail was to have been sent to Alabama authorities, but according to District Attorney Bradley Miles, who with Shanks was prosecuting attorney in the narcotics charges, said that it might be some time before the fugitive is returned because he is facing grand larceny charges there and officials previously had appeared anxious to try him.

It was also thought that Waters would not agree to return to Texas voluntarily and that extradition proceedings would be necessary.

WATER SALES REACH \$2,322 THIS MONTH

Three municipally-owned utility services grossed 4,491.40 during July. Figures were:

Water \$2,322.50
Gas 1,389.40
Sewer 779.50

Water sales customarily reach their peak in July and August. Gas receipts are usually highest in January and February. Sewer fees fluctuate little from one month to another.

According to Paul Whitton, local superintendent, no applications had been received for the position yesterday, but several were expected before the next regular meeting of the board of trustees. Next session is slated for Monday, Aug. 9.

State's Top Horses Seen At Show Here

Top quarter horses in the Southwest were exhibited here last Friday in the first annual Cross Plains Riding Club Quarter Horse Show held in the club's arena in the west part of town.

Top honors were grabbed by two entries from Lubbock.

"Barr's Choice" was named grand champion stallion. He is owned by Jack Kastman of Lubbock. Mary Anne Parris, also of the South Plains city, showed her "Aledo Lita Barr" to the grand championship of the mare division.

"Big Dog," owned by Dr. D. G. Strole of Abilene, was the reserve champion stallion, and "Halleo" was the reserve champion mare which was shown by Elmo Favor of Abilene.

Top gelding was "Salty Bryan" owned by Elizabeth Kelly of Houston, and the reserve champion gelding was "Motor Tune" owned by Jackie

Pezzullo of Dallas. Local officials reported 119 entries in the first annual event here. Zeno Hemphill, Coleman County rancher, who judged the exhibition, praised the overall quality of the show.

Cross Plains entries scored a second in a class at halter and another took a third place in a performance division.

Kala Dillard's "Easter Bay" was judged second in halter class of 1965 stallions, and Mike Kelly placed third in the performance class junior reining. He rode his own "Time's A Wasting."

R. E. (Hick) Edington served as arena director and Mrs. Paul Lutzenberger, Mrs. L. D. Koenig, Mrs. Horace King and Mrs. Merlin Garrett served as secretaries.

D. C. Fosters Win Trip To Florida But Unable To Go

Mrs. Dave C. Foster was named last week as a winner of a two-weeks' paid vacation to Florida for two. Her name was chosen in a national contest after she had answered a series of questions through the mail.

"We had to decline the trip because of Mr. Foster's health," she said, "however, it was a thrill to learn of winning."

Mr. Foster has been in declining health for some time and it was feared that the trip would be disadvantageous to his physical condition.

The contest was sponsored by Gulf American Land Corporation and provided for round-trip accommodations on Pan American Airlines, as well as all expenses of one week in Miami.

279 Bridge Widening Pending Consideration

Plans for widening a bridge on SH 279 — the Brownwood-Cross Plains highway, — were placed in the mail this week. District Highway Engineer E. M. Pritchard of Brownwood-based District 23 is hopeful the Highway Commission will let the work contract at its September meeting.

The project, estimated to cost \$450,000, would consist of widening the bridge across Jim Ned Creek, where it is a part of Lake Brownwood.

The widening and improvement of a stretch of the highway between Cross Cut and the Brown - Callahan County line, is in Callahan County and, thus, is in district 8, headquarters for which is located in Abilene.

Work was recently completed by Harry Newton on a project on SH 279 extending from 3.4 miles south of Cross Cut to State Park Road 15, a distance of 8.173 miles. Newton's bid was \$615,695.79. The project included grading, structures, flexible base and two-course surface treatment.

Pritchard indicated that although the stretch of road between Brownwood and State Park Road 15 is in fairly good condition, he is looking to the future time when improvements can be made on that portion of the highway.

The State Highway Department has authorized the Brownwood district office to make a survey of needs along the Brownwood-Cross Plains route but it likely will be a year before funds are provided for the survey and several more months before a contract is awarded, Pritchard indicated.

Local Riders Will Vie At Brownwood

Cross Plains Riding Club will go to Brownwood Thursday, July 29, to participate in the street parade and grand entry opening Brown County Rodeo Association's annual show. The street procession will be at 4 p.m.

Seventeen riding clubs will appear in the Brown County exposition. Local riders are reminded to assemble at the intersection of Brady Highway and 9th Street at 3:15 p. m. Thursday.

Merlin Garrett, parade director, reports the Brownwood show will likely be the last major rodeo appearance for the local group this year. He urges all members to attend and be in their places at the appointed time.

Mrs. J. D. Carter and Mr. and Mrs. Watt Scheiffer of Austin visited in the home of Mrs. Nettie Wilson here last Friday.

Putnam Youth Sows Friendship Seeds And Gains Fame For His Home Town

By Jim Gilmore

It's been five years since Roddy Reynolds left his stick horse, "Gold Dust," beside a roadside park with a note asking transients to take him along on their travels. And since then, the little three-foot thoroughbred, complete with log book, has visited just about all over the world, a silent envoy of good will from the United States.

He logged time in Ireland, Peru, Panama, Columbia, Ecuador, Venezuela, Italy, Arabia, India, Ceylon, Hawaii, Puerto Rico, Haiti, Spain, Virgin Islands, Canary Islands and made it as far as Africa before he got lost in an airline baggage compartment and had to be

sent back home.

So Roddy, the son of R. W. Reynolds, superintendent of Putnam schools, created Gold Dust II to extend the journey, but he disappeared somewhere in Australia about a year ago.

To help make up for the disappearance of Roddy's prodigy of peace, the Toy and Games Manufacturers of Australia and Alitalia Airlines arranged to send the Putnam youth a specially built, stuffed kangaroo, named Lucy Leaper.

Lucy, made of real wallaby fur and valued at \$1,500, arrived here recently. Inside her pouch, she was carrying hundreds of messages from children in Austria, Germany, India, Thailand, France, England

and other places she visited en route to Putnam.

Roddy's good will program was earmarked "Operation Friendship" by Gov. John Connally in a letter to the 16-year-old Callahan County youth.

He received other congratulatory notes, too, from such dignitaries as Lyndon Johnson (while serving as vice-president), Queen Elizabeth II of England, J. Edgar Hoover, Robert F. Kennedy, Sen. Everett Dirksen, Sen. Edward M. Kennedy, Sen. Ralph Yarborough, the late Adlai Stevenson and many others.

Roddy hasn't decided what he will do with Lucy, or whether he will make any more stick horses (there have already

been four).

The first traveled widely and came home, the second was lost in Australia, the third fell by the wayside in Alaska and the fourth was sent to Nikita Khrushchev, shortly after which he and the horse disappeared.

Now the good will mission is complete.

It never commanded the stiff formality found in the United Nations assembly, or the seriousness surrounding international conference tables. But it may well be that the Texas schoolboy's idea has done more to preserve peace and promote friendship among future generations than efforts of all the professional peacemakers world powers can employ.

\$5,000 Is Paid For Housing Land Here

Cross Plains Housing Authority has paid \$5,000 for 55,200 square feet, almost 64 per cent, of property here on which to build a proposed 20-unit low rent housing project.

Mrs. Gene Rhodes, local executive director, reported yesterday that 31,100 square feet of land has yet to be purchased.

It is located in Site C, the downtown section immediately back of the block bounded by the Citizens State Bank on the South and Bishop Chevrolet

Co. on the North. Three persons own the five tracts still outstanding, and efforts are currently being made on at least one plot by housing authority officials and land owners to gain clear title to the property.

According to Mrs. Rhodes four land owners on two separate tracts have already been paid for their holdings. This includes a 90-foot by 100-foot plot across East of the Callahan County Co-Op and a one-half block area in the north-east part of town.

Estimated total cost of the entire project is \$256,000. Plans specify that 14 of the units will be constructed downtown and will be classified as housing for the elderly. Another six units will be built just north of the local rest home and will be classified as general.

Revised plans have been received from the architects in Houston, but according to Mrs. Rhodes, they have not yet been approved by the board of directors.

The local director said yesterday that no construction can be started until all land has been purchased and complete plans approved.

SENATE JOINT RESOLUTION NO. 27 proposing an Amendment to the Constitution of the State of Texas, amending Article III of the Constitution of the State of Texas by adding a new Section 48b, so as to create an agency of the State of Texas, the Teacher Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the State Board of Trustees of the Teacher Retirement System of Texas, authorizing said Board to invest assets of said system in various obligations and subjects of investment, subject to certain restrictions stated therein and such other restrictions as may hereafter be provided by law; providing that such Amendment shall be self-enacting and shall not alter, amend or repeal Section 48a of Article III of the Constitution of Texas or any legislation passed pursuant thereto except insofar as such legislation may limit or restrict the provisions of this Amendment; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows: "Section 48b. There is hereby created an agency of the State of Texas the Teacher Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

administration and responsibility of the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the State Board of Trustees of the Teacher Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustees thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said Board is hereby authorized and empowered to acquire, hold, manage, purchase, sell, assign, trade, transfer, and dispose of any securities, evidences of debt, and other investments in which said securities, moneys, and assets have been or may hereafter be invested by said Board. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness issued, or assumed or guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land, equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporation stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem to be proper investments; provided that in making each and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any enabling legislation. This Section shall not alter, amend or repeal the first paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto. This Section shall not alter, amend or repeal the second paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto, except insofar as the provisions of the second paragraph of Section 48a and any legislation passed pursuant thereto, may limit or restrict the provisions hereof and only to the extent of such limitation or restriction.

Sec. 2. Gibbens Is Named To Interim Council

Speaker of the House Ben Barnes today announced the appointment of Rep. Wayne Gibbens of Breckenridge to the Texas Legislative Council of the 59th Legislature. Gibbens represents the 63rd District, of which Callahan County is a portion.

The Council, of which Barnes is vice-chairman, is a permanent legislative service agency with a full-time professional staff which provides research, statutory revision and bill-drafting assistance. Council members, who determine policy and provide general direction for the agency's work, are designated by the presiding officers of the House of Representatives and the Senate after each regular session of the Legislature. They participate actively in dealing during the interim with problems of state-wide significance confronting the next Legislature. Appointments to the Council are considered choice assignments by legislators because of the influence and prestige attached to membership.
 During the 59th Legislature this year, Gibbens was chairman of the House standing Committee on Insurance and also served on the Committees on Congressional and Legislative Districts; Oil, Gas, and Mining; Rules; and State Affairs.

Clyde All-Stars Smash Cross Plains 35-0 Here

Clyde's Little League All-Stars taught their cross-county adversaries the value of experience and deliberate confidence here Friday night, whipping the locals by an astounding 35-0 margin, collecting 15 hits en route to victory.
 Clyde's Ramos went the distance on the mound, holding the locals to two hits in the shutout.
 Cross Plains used six pitchers in as many innings, but could not stop powerful Clyde hitters. Bobby Davis started, followed by Wayne Bishop, Ronald Pope, Tommy Merryman and Donald Pope.
 Ramos and Gray added two home runs each to the Clyde effort.
 Clyde scoring listed 5, 4, 6, 7 and 8, an average of 5.83 runs per inning.
 Lack of tournament experience became evident defensively, too, as host players committed 13 errors.
 Not one error was charged to the Clyde squad.
 "Both teams exhibited good sportsmanship," said Bill Pope, official scorekeeper, "and the Cross Plains team, though over-matched, continued at all times to give its best. Every player on each team entered the regular local competition was to have resumed tonight, with only one more week remaining in the season."
 Mr. and Mrs. Edgar Jones had as their guests the first part of the week her sisters, Mrs. Mary E. Moore of Modena, Calif., and Mrs. Leroy Nichols and Penny of Snyder. Mrs. Jones accompanied them to Snyder Wednesday, where she plans to visit a few days.

Merchandise Wanted!

I have just completed moving all the furniture and equipment from a 72-room hotel to my store in Rising Star. This merchandise includes everything a hotel has from sloop jars to ice boxes.

I will not be caught napping on gas stoves this Winter for I have over 100. I have been checking my stock and find only two items usually used that I do not have.

First, Air Conditioners. You couldn't find a used air conditioner with a search warrant.

Second, I have no used coffins. I would like to have a few used coffins.

One size 18-inches wide and 6-feet long. I want these coffins for the poor devils like myself who have to work out in this hot weather and who don't have any more sense than to buy the furnishings of a 72-room hotel.

I want a few coffins 3-feet wide and 6-feet long. I want them for my aristocratic customers who work in air conditioned offices and get fatter every day.

It is almost impossible for you to want anything used in or around the home that I do not have.

All kinds of beds, dressers, wash rags, towels, blankets, sheets, pillows, and hot water bottles. I've got it if I can find it.

Heavy lobby chairs and other office furniture, dinette suites, gas and electric stoves, ice boxes and deep freeze units, record players, radios, television. This paper would not have room enough to enumerate all the trash, trinkets and treasures that I have in stock. I don't even know myself.

If a clerk is not with you, take all precaution before you open my doors because you can't tell what's in there. All 1,000 dollar bills found belong to me. You can have the smaller change.

I have antiques that are so old they stink, but it will take the filthy lucre to buy them.

If I ain't got it, you don't need it.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 7 proposing an Amendment to the Constitution of the State of Texas providing for the exemption from local ad valorem taxes of the property of certain charitable organizations, provided such organizations meet certain conditions and requirements and expend at least One and One-half Million Dollars (\$1,500,000.00) annually on free medical and hospital care for the indigent within the State of Texas; providing for the necessary election, form of ballot, proclamation and publications.

PREAMBLE
 WHEREAS, The Legislature finds and declares that there is a need for the operation of hospitals by private charitable enterprises which will furnish free medical and/or hospital care for the indigent in Texas; and

WHEREAS, The operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent in Texas will add to the welfare and well-being of the State of Texas and its residents and citizens; and

WHEREAS, The need for the operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent is especially great in counties having a population in excess of one million two hundred forty thousand (1,240,000); and

WHEREAS, It is found and declared to be the Public Policy of the State to foster and encourage such operation of hospitals as aforesaid; now, therefore,

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. The Constitution of the State of Texas is amended hereby, by the addition of a new Section to Article VIII thereof, to be numbered Section 2-A, and reading as follows:

"2-A. The properties of any charitable trust or organization, if such trust or organization is dedicated to, and operates a hospital providing free hospital and/or medical care for the indigent within the State of Texas, shall be exempt from all ad valorem taxes levied by any taxing entity, except by the State of Texas itself, provided:

"(1) such trust or organization has expended for free hospital and/or medical care within the State of Texas, during the calendar year next preceding, a sum of not less than One and One-half Million Dollars (\$1,500,000.00); and, further provided,

"(2) after such exemption has been in force and effect for one full calendar year, the amount expended for free hospital and/or medical care within the State of Texas amounts to not less than One Million Eight Hundred Thousand Dollars (\$1,800,000.00) for the calendar year next preceding; and, further provided,

"(3) such trust or organization is exempt from United States income taxes;

"(4) such charitable trust or organization maintains its domicile and operates a hospital or hospitals in a county containing a population of more than one million two hundred forty thousand (1,240,000) according to the last preceding Federal Census, and such exemption shall apply only to the properties of such charitable trust or organization located within the county of its domicile.

"Proof of compliance with all applicable conditions stated above, shall constitute a complete defense to any suit for ad valorem taxes levied by any taxing entity other than the State of Texas itself.

"This Amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

FOR the Amendment exempting the property of certain charitable organizations from local ad valorem taxes, provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the constitution and laws of this state.

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions here by established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows: "Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years. (2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iii) by appointment of the Governor with advice and consent of the Senate. (3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years. (4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission. (5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members. (6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature. (7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court. (8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission. (9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary. (10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character. (11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed. (12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal. (13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability.

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

Old Buildings at Fort Richardson by E. M. Schiwetz

FORT RICHARDSON

... a long time between paydays!

Across the western face of Texas, the brooding ruins of forts . . . here and there a restored barracks or hospital bring back a bloody page in history. A history that tells of marauding redskins thundering southward from Indian Territory, killing in their wake, pushing on to the Mexican border. A history that tells too of the hard and lonely life of the U.S. Army troopers who manned these strategic forts.

Fort Richardson, near Jacksboro, was one of the more important of these outposts. Here Kiowa Chieftains Satanta and Big Tree were incarcerated before their trial for a bloody massacre. But life in all frontier posts was much the same . . . best expressed by the soldiers themselves, "a long time between paydays."

BUT IT ISN'T SO FAR BETWEEN PAYDAYS NOW
... with U. S. Savings Bonds!

Today, there can also be a long time between paydays for those who have not established the thrift habit. But through the U.S. Savings Bonds program you can take care of this situation quickly and effectively.

For example, with as little as 63¢ a day you can buy an \$18.75 Savings Bond every month. Keep this up for 40 months and you'll own a stack of Bonds worth \$1,000, at maturity, which cost you only \$750 in easy installments.

Buy U.S. Savings Bonds every payday automatically through the payroll savings plan.
