## Clyde Boy Shows Champion Steer

David Edwards, 13-year-old son of Mr. and Mrs. Weldon Edwards of Clyde, exhibited his 1,130 pound milked Hereford steer to grand championship of Callahan County Junior Livestock Show in Cross Plains Saturday. He moved his entry around his brother, Murray, 16, who had shown the top steer here two years ago. Murray's animal captured reserve championship. The two steers had been bred by M. M. and Weldon Edwards.

Champion drylot steer was shown by 12-year-old Buddy Waddell, son of Mr. and Mrs. Clinton Waddell of Putnam. The 4-H'er's steer was bred by John D. Isenhower of Putnam.

Reserve champion drylot steer was shown by Jimmy Gray, 16, of Clyde. Gray's steer was bred by John Wilkerson of Sterling City. Gray is the son of Mr. and Mrs. H. G. Gray.

Top winner in the swine show turned out to be DeNell Estes, 11-year-old daughter of Mr. and Mrs. Word Estes of Clyde.

The 4-H exhibitor had the grand champion barrow of the show, reserve champion barrow, plus five first place barrows and seven second place entries.

The two overall champions were winners of the division for predominantly black barrows. Miss Estes had the reserve champion sow and the reserve champion white barrow.

Saturday's classes were judged by Joe Tatum, vocational

agriculture teacher at Fredericksburg.

Kim Straley, 10-year-old daughter of Mr. and Mrs. C. T. Straley of Oplin, swept the sheep show awards in the two-day exhibition.

The Oplin third grade 4-H'er took both grand and reserve champion honors in both the Southdown lamb and Medium-wool lamb, competition. She then came back and took the grand champion ribbon in the crossbred event, losing the reserve position to her brother, John.

Owner of the grand champion finewool lamb was Cindy Johnson, daughter of Mr. and Mrs. Tommy Johnson of Oplin. The reserve ribbon was awarded her brother, Eddie.

Maxey Evans, of Cross Plains FFA, had the grand champion Southdown ewe. Evans, 16, son of Mr. and Mrs. R. B. Evans also had the reserve champion ewe.

The finewool ewe grand champion is owned by Richard Pope, son of Mr. and Mrs. Bill Pope. Younger brother, Ronald, took the reserve honors.

David Daniel, son of Mr. and Mrs. Lyn Daniel and member of the Cross Plains FFA, had the grand champion medium wool ewe. No reserve ribbon was awarded.

J. D. Hutton, son of Mr. and Mrs. Cowan Hutton, had the grand champion finewool ram.

Richard Pope took the reserve ribbon.

Richard Pope took the show in the goat division, with grand champion doe and both the grand and reserve champion bucks. Brother Ronald, followed with the reserve doe.

In the mutton class, Richard also had the grand champion and Ronald showed the reserve.

In the rabbit show, Leland Coffman, 16, son of Mr. and Mrs. L. F. Coffman of Eula, had the grand champion buck. Bobby Goin of Clyde had the reserve champion.

Coffman followed suit with the grand champion doe but Jess Archa, son of Mr. and Mrs. C. L. Archa filled the reserve champion spot.

Goin, 17, son of Mr. and Mrs. S. C. Goin of Clyde, then came back with the grand champion pen of broilers. No reserve champion ribbon was awarded.

## Deadline Nears On Voter Registration

Thousands of voters may lose privilege of the ballot in 1968 elections if not registered by Jan. 31.

Albert Lovell, Callahan County tax assessor-collector, said Tuesday afternoon that 2,011 voting certificates had been issued in this county, out of a potential in excess of 4,000.

With only 10 business days remaining in the tax office, before the Jan. 31 deadline, he stressed the importance of every citizen attending to this detail immediately.

Voter registration blanks may be obtained at most any bank, or one appears on page four of this newspaper. It may be clipped, filled-out and mailed to the tax assessor-collector. Substitutions to register voters have been set-up in two places besides the courthouse in Callahan County. They are Bryan's Variety in Cross Plains and Miller's Gift Shop in Clyde. Both establishments are open six days weekly.

Some confusion has resulted

because of the fact that this is the first year in which persons over 60, who live in counties of less than 10,000 population, have been required to register and election judges will be provided certified lists of registrants for all elections.

The new registration law specifies that husbands, wives, fathers, mothers, sons and daughters are the only ones who may act as registering agent for another.

## 235 Local Persons Served By Social Security In 1967

Two hundred and fifty-five persons, including 44 who filed formal claims for benefits, met with social security representatives, Mrs. Beth Geiger or Mrs. Fay Grant, who visited Cross Plains 12 times during 1967.

In furnishing the Cross Plains Review with this information, R. R. Tuley, Jr., district manager of the Abilene office, also said that he'd like to make public acknowledgement of the deep appreciation he and his office staff have for the many courtesies and helps given by the Cross Plains City Hall personnel. The City Hall furnishes free space for the social security representative to meet with the people of this area.

The 1967 Amendments begin to take effect soon, and Tuley urges any who feel they may be affected (other than those already on the rolls who will get their 13 per cent increase automatically) to see Mrs.

Geiger on one of her visits to Cross Plains, Jan. 22, Feb. 19 or March 18 at 10 a.m.

Tuley states that the 1967 Amendments have made possible payments to some persons heretofore ineligible for benefits. These are unmarried children of mothers who died up to 20 years ago, insured under social security but with little work in the three years just preceding death, and widows aged 50-62 who have been disabled since some date within seven years of their husbands' deaths or within seven years of the last check they received for having an entitled child in their care. He added that unfortunately his office had no way of predicting the future so no record was kept on old cases now affected. He hopes that the information furnished above will alert eligible persons to inquire about these possible benefits either for themselves or someone they may know.

## Lower Postal Rates Allowed On Parcels Going Overseas

Packages up to 30 pounds for American military personnel served by Army and Fleet Post Offices overseas now can be sent by air transportation at special low rates, points out Mrs. Verna Mae Ramsey, Clerk in Charge of the Cross Plains post office.

"Area residents using this new airlift service will get much faster delivery on parcels to military personnel overseas, Mrs. Ramsey said. She said the airlift is available on a space-available basis upon payment of the domestic parcel post surface rate plus a flat \$1 fee.

Packages weighing up to 30 pounds and not more than 60 inches in combined length and girth qualify for the new special airlift rate.

Postal patrons can get the airlift packages mailed to all military personnel at APO and FPO addresses overseas, and in Alaska, Hawaii and Puerto Rico. The new airlift also applied to parcels mailed back to the States by servicemen from these military post offices.

Parcels on which the \$1 fee is paid get air transportation all the way — from here to the port of embarkation, and from there to the overseas base. Postal patrons formerly had to pay air parcel post rates to get similar services.

She said that in many instances the new airlift rates are considerably below comparable air parcel post charges. She cited these examples:

A mother here sending a 15-pound package to her son in

Vietnam pays \$3.45 for the new airlift service. The air parcel post rate for the same package is \$10.43.

An eight-pound package going from here to Frankfurt, Germany, costs \$2.90, under the airlift service. The air parcel rate is \$6.59.

Mrs. Ramsey pointed out, however, that it is not always to the mailer's advantage to use the airlift service. On some light packages air parcel post rates may be lower than the airlift charges.

"Postal patrons should check with the Post Office for information on the best way to mail parcels to servicemen overseas," Mrs. Ramsey emphasized.

The new airlift service went into effect Jan. 7.

"My Hero LBJ & Other Dirty Stories," a new book by Callahan County native Larry L. King, will be published this fall. King recently did an interpretive essay on the town of Putnam, his birthplace, in Harper's under the title "Requiem for a West Texas Town."

"My Hero LBJ & Other Dirty Stories" is a collection of non-fiction pieces published earlier in "Harper's," "Saturday Evening Post," "Venture," "Sports Illustrated," "New Republic" and "The Texas Observer." The subject matter of these essays ranges from LBJ to Louis Armstrong to minor-league professional football to a Texas boyhood.

King was a newsman on newspapers in Odessa and Midland from 1949 to 1954. He served for a decade as Administrative Assistant to two Texas Congressmen before quitting politics for a writing career.

His work has been published in some 30 national magazines, and he is now a contributing editor of Harper's.

**Buffette B Team Beaten At Baird**

An eight-member Cross Plains Buffette B team finished a game with five players, and bowed to the Anson B female sextet 46-18 Saturday night in consolation finals in the Baird girls B team tournament.

Icy roads forced the Cross Plains sextet to forfeit to Eastland's B girls in a game scheduled for Thursday, thus placing the locals in the consolation bracket. Buffettes reached the division's finals by thumping Central Catholic girls 47-11 Saturday morning. Lydia Albrecht led local scorers with 20 points, Debbie Tyler had 14 and Sue Calhoun contributed 10.

Saturday night, however, Anson pulled away in the second period after a close first quarter, and trounced the foul-handicapped Buffettes. Miss Albrecht hooped seven points, and Miss Calhoun had six for the locals. Coach Jim Ethridge finished the game with two forwards and three guards after three players had fouled out.

Buffette B squad will tangle with Hamlin B girls in a tournament at Albany Thursday, Jan. 25. The locals will also play in the meet again Saturday.

## Higher Social Security Checks Start In March

By R. R. Tuley, Jr.

Changes in the social security law signed by President Johnson on Jan. 2, will mean a benefit increase of at least 13 per cent in the social security checks of about 30,500 men, women, and children in the 15-county Abilene District.

The Social Security Administration's high speed electronic computers are now figuring the increases and will include the increases in the checks delivered in March.

Beneficiaries need not take any action to get the increase. It will be sent to them automatically.

Some social security beneficiaries will receive more than 13 per cent increase. Minimum benefit for workers retiring at

65 is increased from \$44 to \$55. The last increase in social security benefits amounted to seven per cent, and was effective January 1965.

About three out of every 10 beneficiaries receiving an increased check early in March will be someone under 65, many of them the children of working fathers who died.

The value of social security survivors insurance is often overlooked. Social Security is more than just a retirement system. It is also income protection for the family in case of the breadwinner's death or disability.

With the increased benefit payments provided under the new amendments to the law, the face value of social security survivors insurance protection is increased to about \$940 billion. This is just about equivalent to the value of all the private life insurance now in force.

Under the amended law, maximum payments to families now on the social security benefit rolls will go up from currently payable maximum of \$309.20 a month to \$322.40. In the future, the maximum payable monthly to any one family can be as high as \$434.40.

Mrs. Perry Jennings and children of Baird visited relatives and friends here one day this week.

### Surplus Foods To Be Issued Jan. 18

Issuance of surplus commodities, originally scheduled in Cross Plains last week, will be made Jan. 18 from 9 to 12 o'clock at the City Hall.

Impassable roads made issuance of the commodities impossible last week, said Mrs. Karen Huckaby of Baird, who administers the program in Callahan County.

### Livestock Falls Into Icy Ponds And Die

Livestock owners had their problems last week. Not only did the three-day ice storm impose hardship and expense to them in feeding their herds, but it resulted in numerous death losses.

Ponds were frozen over and in many cases cattle walked out on ice and fell through. Frank Spencer found two calves which had just suffered such an accident. He was able to save one, but lost the other. Reports came in of similar livestock losses by: Lewis Newton, John Purvis, Merlin Garrett, Mrs. J. Peyton Smith, Jake Childers, Chester Glover and Wayne May.

### Herd, Buffettes Start 9-A Title Defense With Wins

Two Cross Plains High School basketball teams opened defense of their respective District 9-A championships before home fans Friday night with double victories over two Rising Star cage squads.

Buffettes began the night by shading the visiting sextet 47-44, and Buffaloes climaxed the night with a 56-39 decisioning of the Wildcats.

#### Mistakes Hurt Buffettes

Showing sign of a long lay-off, occasioned by the icy weather first of last week, Buffettes were called on 24 turnovers, and combined the two units took 79 shots at the charity line.

Cross Plains girls hit only 23 of 43 free shots, 53 per cent, while Rising Star counted in 24 of 36 attempts. Buffette guards, Sue Walker, Peggy Purvis, Rosalea Grider, Kathy Payne and Vickie Hickman, limited the visitors to 10 field goals while local forwards hit 12 two-pointers.

Twice Cross Plains built 10-point margins, but each time Rising Star battled back. Largest advantage Buffettes enjoyed at any period end was at in-

termission, 26-20.

Barbara Renfro led Buffette scoring with 22 points on five field goals and 12 free shots. Valeta Edington hooped 13 points, and Vickie Hargrove bucketed 11. Scoring honors of the night went to Rising Star's Bess Lee who recorded 23 markers.

#### Herd Records Win

A balanced attack was the key Buffaloes used to unlock the door to victory which had been shut for the past few tilts. It took a fourth quarter scoring flurry to insure the triumph in the District 9-A opener.

Bisons' shooting average from the floor was better, 50 per cent in the last half, free shot average was better and the squad controlled the backboards in the last half. Coach Les Cowan said of the contest, "It was the best ball as a team we've played this year."

Cross Plains nabbed a five-point edge in the first eight minutes, and near that difference separated the two units at end of periods until the fourth stanza when Cross Plains pumped 19 points through the goal to Rising Star's 10.

Four Buffs tallied in double figures with Jerry Strickland hitting the top of 13. Jerry Belew counted 12 and Ricky Jones hooped 11. James McMillan counted six and Jesse Moon hit four.

Dalton Hughes and Danny Huhes paced the Wildcats with 10 points each.

#### Face Santa Anna

The two local teams were to have traveled to Goldthwaite Tuesday, where Buffs were seeking to dislodge the Eagles from the role as loop favorites. Santa Anna will come here Thursday for a pair of league games starting at 7 p.m.

The two clubs will journey to Eula for a return non-conference affray with the Pirates Tuesday, Jan. 23.

Claude Foster was in Abilene for a medical check-up Tuesday.

## Sooner Unsung Grid Hero Has Kin Here

Television commentators at the Orange Bowl football game Jan. 1 repeatedly heralded the struggle between Oklahoma's Al-American noseguard Granville Liggins and Tennessee's All-American center Bob Johnson. But it was Larry Crutchmer, grandnephew of Cross Plains' W. A. (Slim) Crutchmer, who came off the bench to blunt a last-ditch Tennessee drive after Liggins was hurt.

The Sooner senior plugged the center of the defensive line throwing a runner for a minus two yards and teaming for another tackle which forced an unsuccessful field goal late in the game. It insured Oklahoma's victory.

Crutchmer, who played in the shadow of the All-America Liggins, played three positions on the defensive unit. Sooner Coach Chuck Fairbanks said, "Larry helped our defense a great deal by practicing each week at all three positions. I'm impressed with his dedication."

## 9,882 Use County Library During '67, Report Shows

Callahan County Library at Baird has shown a substantial increase in circulation the past year. During 1967 a total of 9,882 books circulated among 5,643 adults and 4,239 boys and girls.

The Wednesday Club of Baird sponsors purchase of books. Mrs. Rosa Ryan, librarian, reports that 473 titles were added during the year. In memory of a number of Callahan County residents, 38 books were given by friends for the Memorial Shelf. Still to be ordered are several titles given in memory of Mrs. David West (the former Reba Anderson) of Baird; one in memory of Mark Burnam of Putnam; and one in memory of Mrs. Maudie Scott of Cross Plains.

The library serves readers from every part of the county, public school and college students, club women and others seeking program material, many

reading for information or entertainment.

Of particular appeal to those interested in Texas history and fiction is the Texas Shelf containing many titles written by Texans or about Texas.

The Peruvian Shelf was added last year to make available a collection of books and pamphlets about Peru and also other Latin American countries.

Callahan County Pioneer Museum, housed in the same room as the library, features many articles actually used by pioneer families of the area. Both library and museum are free and open to the public Monday through Friday.

Serving on the Library Board are Mrs. Lee Ivey, Mrs. Clyde White and Miss Isadore Grimes.

The Museum Board is composed of Meses A. E. Dyer, Sr., W. P. Brightwell, N. M. George and R. D. Williams.

## 8 Face Charges On 11 Counts Of Theft

Eleven cases of theft over \$50 have been filed in Justice of the Peace Byron Richardson's court in Cross Plains. Complaints were filed by Deputy Sheriff Howard Cox, who with Highway Patrolman H. D. Welch had been working on the cases several weeks.

Six of the suspects are presently under bond and two others were released to custody of parents, awaiting action of 42nd District Court grand jury.

Several hundred dollars worth of saddles, riding gear, spare tires and wheels were reported recovered. Five saddles were returned to rightful owners.

Charged in Richardson's court were: Mack Ingram of Abilene, Jimmy Carrol Brown of Pioneer, John Bob Wilson of Rising Star, and Tommy Burks, Cecil Andrew Johnson, Randal Dickey, Darrel Hargrove and Andy Johnson all of Cross Plains.

Another count of theft has been lodged against a 16-year-old local juvenile.

It has come to light that neither Mr. nor Mrs. Mack Ingram were involved in the theft at a Rising Star freight depot as was previously reported in a number of area newspapers.

Charges have been lodged against five other persons in two Eastland County Justice Courts in connection with the burglaries. Named on two counts were Jimmy Brown of Pioneer, Kenneth Rutledge and Mike McCutchen, both of Rising Star. One count of burglary was charged against Grant Poyner and Willie Ezell also of Rising Star.

### ANOTHER SMALL AD GETS BIG RESULTS

"Get my ad out of the paper," says Mrs. Henry McCoy, who recently advertised some good, used carpeting for sale.

"We sold the entire lot and I don't want the ad to run any more," she said; "you can quote me, though, as saying Review ads get results."

Honor roll for the first one-half of the school year in Cross Plains will be released for publication next week.

Tuesday noon is deadline for news and advertising.
