## Rowden Writer Ponders Old Weather Prediction

By Mrs. N. V. Gibbs

If the old saying is true that the first twelve days of a New Year determines the weather for the coming year, then 1973 is getting off to a good start. March has come up as the only clear month and we hope without wind. It also would be nice if months six and seven which are June and July, could be half as cold as the sixth and seventh days were. Also the moisture would be useful then in those months. Weather predictions are that three remaining days of the 12 will be the same as we are now having. What can be said of an ice-coated ground? Well, one thing is for sure, you have to know how to walk on it as well as how to drive a vehicle on a slippery surface.

This writer, along with many others, had their feet going straight up and head landing hard on the cold ice. And you know what to expect from such a fall. Every muscle is so sore it is painful to move around.

Telephones in the community have gone out and news has been pushed in the background this week. Some of the children were having fun Monday while out of school when they were seen on sleds being pulled behind a pickup. I am sure it was the nicest thrill for Jim, Ellen and Jan Reynolds and Nicky Harris. It would have been a good time to learn to ice-skate, if you had some ice skates.

Mr. and Mrs. Bob Dye and Julie were guests of Mr. and Mrs. Don Harris, Terrell, Tonya and Troy one night last week.

Ivon Odom made a business trip to Fort Worth one day last week.

Jim Reynolds spent last Friday night with Nicky Harris.

Mrs. B'ill Lawrence dropped by the Tony Steele home to see the new baby, Tonya Lee, last Saturday.

Mr. and Mrs. Charles Palmer of Clyde visited in the Sterling Odom home on Saturday.

You ask yourself: What can I do during these cold days? Well, you can shell up all the pecans and peanuts on the place. Or do a halfway job at

### Couple Known Here Married 60 Years

Mr. and Mrs. John Purvis of Altus, Okla., will be honored with a reception in observance of the couple's 60th wedding anniversary on Saturday, Jan. 13, from 10 to 5 p.m. 1217 W. Grain in Altus.

The event will be hosted by children of the couple, and according to Mrs. Lloyd (Lucille Purvis) Killough of Muleshoe, all friends and relatives of the couple are invited to attend the reception honoring the couple known locally.

Clasp Envelopes — Review

housecleaning—at least, get the cobwebs out of the corners and even think about doing some spring sewing. And, one thing for sure, you can get busy on your income tax return. Sometimes it takes a big table or a bed to get all of it in order.

We have read in the papers that we had better not make any mistakes or else we might be getting a letter in the mails to report to the nearest tax office to explain some things you didn't understand yourself. Now you don't know who to go to for help. The tax preparers are making mistakes for the customers. Be watching for that man with overalls on, many days growth of beard; he may be the real Internal Revenue agent from Washington, D.C.

So until next week, we hope you stay up on your feet and enjoy the weather for it is no time to go visiting.

### Mrs. Walter Aishman Buried On Saturday

Funeral service for Mrs. Walter (Pearl) Aishman, 72, of Cross Plains was held Saturday at 2 p.m. in Higginbotham Chapel here.

Mrs. Aishman, a 28-year resident of Cross Plains, died at a Brownwood hospital at 9:10 a.m. Thursday. She had entered the hospital a few days before.
