Cottonwood

By Mrs. Wayne Brown

The community has been having hot day time temperatures and cool evenings. Little moisture is in the air. A rain is needed for peanut planting, grazing lands, and to keep dust down. Sorry if your news was unable to reach me. Phones were out of order on Monday.

Mrs. W. Webb was operated on this past Wednesday. She was in the intensive care unit in the West Texas Medical Center of Abilene on last reports. We wish you a speedy recovery Mae. Hope you are home soon.

CHUCK THOMAS SUFFERS BROKEN ARMS IN MISHAP

Chuck Thomas of Cross Plains was taken to the Veterans Administration Hospital at Temple Friday after suffering fractures of both arms in an accident near Cottonwood that

Thomas was carrying sheets of tin up a ladder when wind caught the large metal sheets and blew him off the ladder. He suffered breaks at the wrist and forearm on one limb and a fracture at the elbow of

the other arm. It was not immediately known here how long he would be confined to the hospital.

The grants have been made available under Part C of Title I of the Elementary and Secondary Education Act which provides special programs for educationally disadvantaged chil-

Crop Reports From State Farmers Asked

Early this month over 23,000 Texas farmers will receive an acreage and production questionaire from Charles E. Cau-

Informatin from this survey will be used to determine harvested acreage and production of early harvested crops for the state and for each county. There are 254 counties in Texas, and reports are needed from many farmers so that each county will be well represented. Accurate estimates are of great importance to farmers in planning prduction and marketings and in providing an unbiased picture of Texas agriculture.
